

Warm Wife 351

[Chapter 351](#)

Yun Muxin walks to Huo Dongyang and sits down. He is also worried.

"Uncle, do you want to talk to me about something?" Yun Muxin knows something, and she can't escape.

Huo Dongyang saw that Yun Muxin was a little nervous, and his attitude was not very serious. "What are you going to do about Tang Yuze? If you have a decision, don't wait too long. It's not good for anyone. "

Cloud Mu Xin nods. "I know."

"Just know." Huo Dongyang is actually worried about the situation of Yun Muxin, but now it seems that there is no need to worry. Tang Yuze there really did not give her any pressure, so it is really relaxed.

"Uncle, I have something to ask you." It's Yun Muxin's turn to ask Huo Dongyang about something.

This is also Huo Dongyang did not expect, "where is brother Qin Hao now?"

"Why do you care about Qin hao?" Huo Dongyang asked.

"I'm just asking, because I haven't seen him for so long. Isn't he living next door?" Cloud Mu Xin asked very naturally, so Huo Dongyang also did not doubt, directly replied: "took Jian LAN to vacation, where I do not know."

Hearing this answer, Yun Muxin was stunned. Qin Hao and Jian LAN?! So, are they really together? Wait a minute. Thinking of this, Yun Muxin suddenly feels that something is wrong. When Yun Yiyan asked just now, she didn't ask more, but now she thinks that there are more problems. So just now Yun Yiyan asked about Qin Hao's whereabouts in order to inquire about Jian Lan's news, so he said

Cloud Mu Xin analysis to here, eyes stare, she even can't believe to blink. This news is really amazing! Second brother likes Jane LAN! This is really big news.

Huo Dongyang saw cloud Mu Xin's reaction so big that he immediately understood what had happened. "Was it from Yun Yiyan just now?"

Yun Muxin nodded mechanically. "Well, uncle, did Xiaolan really go with brother Qin hao?"

"Yes." Huo Dongyang nods.

"The second brother, he..." What should he do?

Huo Dongyang didn't care about this problem, and he stood up. "I have something else to do. Let's go first."

Yun Muxin has been thinking about this problem, until the next day to see Xia yueqian, also some absent-minded. This makes Xia yueqian very jealous, only think that she is still thinking about Tang Yuze, he asked with jealousy: "do you want people?"

"Well!" Cloud Mu Xin nods.

"Men?"

"Well."

Hearing this, Xia yueqian really felt filled with heart. Yun Muxin is thinking about Tang Yuze. Does that mean they are still possible? Immediately, Xia yueqian also domineering look at cloud Mu Xin and say: "Mu Xin, don't you think of him!"

"Ah?" Cloud Mu Xin this time just returned to God, "don't think about who?"

"That man!" Xia yueqian did not want to name names. At this time, Xia yueqian didn't want to mention the name and let Yun Muxin recall their beauty.

Cloud Mu Xin a face at a loss, Xia Yue Qian, as if he did not know what he was unhappy about. "What's the matter?"

"Jealous!" Xia yueqian directly threw out two words, his face was also greatly unhappy.

Yun Muxin chuckled, "Xia yueqian, now I find that you are really mean! Didn't you say you had a lot of harem before? How come nobody comes to see you or take care of you now? I think you said that yourself

Xia yueqian's calm face, eyes have been staring at Yun Muxin and said: "hum! The harem had already fallen in love with a woman who had no conscience and was dismissed! As a result, the heartless woman left like this. "

Cloud Mu Xin heard Xia yueqian's words, also felt moved. I really prepare for three thousand ladies in the harem, only taking one scoop. But there was no expression on her face? That heartless woman is really, should curse her

"What nonsense!" Hearing Yun Muxin say to curse himself, Xia yueqian is even more nervous. He grabs Yun Muxin's hand and says, "don't curse yourself if you're OK."

Yun Mu Xin shows a discontented expression. "So you mean I'm the woman with no conscience?"

"Would I do this to other women besides you?" Xia yueqian didn't mind telling the truth.

In the face of Xia yueqian, who is suddenly very serious, Yun Mu Xin feels a little unaccustomed. She knew his feelings for herself, and she only wanted to get along with him without any burden. "Xia yueqian, I always don't understand why it's me?"

"I'd like to know why you have to do it!" Xia yueqian replied, with a much softer attitude. "Mu Xin, don't think about him in the future, OK? I'm not feeling well in my heart! "

Yun Muxin shakes his head. "This is no good. I'll think about him all my life

Xia yueqian frowned. He didn't expect that Tang Yuze's magic power was so great. It seemed that their days together were really happy, so he let Yun Muxin remember like this. Xia yueqian puts down Yun Mu Xin's hand. "I heard that you and Tang Yuze still have a year-end appointment?"

"Well!" Cloud Mu Xin nods. "Yes, we have an appointment to meet in the United States.""So now that you're with me, you just want to make up for me, right?" Xia yueqian's heart aches again. It's not easy to

leave her, but she still has to go. What is this? Comfort yourself? Don't you know this is the cruelest thing?

Yun Muxin heard that in the clouds and fog, what happened to Xia yueqian? Suddenly, he became like this. "Xia yueqian, what's wrong with you?"

"Mu Xin, I need not you to feel guilty and make up." Xia yueqian looks at Yun Muxin and says. "If you think so, I really don't need to."

Under this, cloud Mu Xin understood, this misunderstanding also seems to be some big. She gazed at Xia yueqian and asked, "what do you need?"

"You, and your heart!" Xia yueqian replied earnestly. "That's it!"

If you can't be frank, you can let Yun Muxin listen to her heart and hear how much you love you. When she heard this sentence, she felt extremely sweet. She showed a smile, "so is this a confession?"

"Yes Xia yueqian nodded. "You're the one I've got to do in my life!"

"Well!" Yun Muxin nodded his head.

"That's it?" Xia yueqian didn't expect Yun Muxin to be so calm. There is no meaning at all. Eyes a dark, as expected is no conscience of the woman, but he is just love this woman.

Cloud Mu Xin saw Xia yueqian's mind. She put her hands on the edge of the bed, then put her head in front of Xia yueqian, "scold me in my heart?"

"Xia yueqian, I didn't find you were really mean and mean before

"Yes..." Xia yueqian opened his mouth and said a word. All the words behind him were drowned in the kiss of Yun Mu Xin.

[Chapter 352](#)

In such a moment, it seems that even time is still.

Xia yueqian opened his eyes wide, with an expression of difficultly confident. What's the situation?! He was forced to kiss by Yun Mu Xin, wasn't he? Aware of this, Xia yueqian's heart rate also began to accelerate. He instinctively reached out and hugged Yun Mu Xin. He closed his eyes and took the initiative to deepen the kiss.

Cloud Mu Xin secretly opened a little eyes, saw the appearance of Xia yueqian, her heart also followed the sweet honey. In fact, this move, both men and women! It seems to be aware of cloud Mu Xin's concentration, Xia yueqian nibbles at Yun Muxin's lips.

Cloud mu heart suddenly angry, forced the summer yueqian fell on the bed, two people continue to kiss. After a while, it seems that they are not satisfied with being pressed. Xia yueqian turns over with Yun Mu Xin, and the two immediately change positions.

Xia yueqian looks down at Yun Mu Xin with a smile in his eyes. He is more powerful in prying open the teeth of Yun Mu Xin. Then he starts to drive straight in, and even begins to attack the city. Then, he just wants to make up for the sweetness of the past, and even doesn't give Yun Muxin time to breathe.

Yun Muxin feels the strength of Xia yueqian. She even feels some pain. This summer yueqian is really, and she feels difficult to breathe. Cloud Mu Xin reaches out to pat Xia yueqian's back, and dare not too hard because he is worried about his body.

But these are really exciting for Xia yueqian. He continues to go down, and his kiss gradually goes down. Yun Muxin also finally had a chance to breathe. She opened her mouth to breathe the fresh air, but she felt Xia yueqian's hand reaching into her clothes.

"Xia yueqian..." Cloud mu heart called out, but did not think his voice will become like this.

Xia yueqian stops after hearing the voice of Yun Muxin. "Well? What do you want to say

Yun Muxin heard Xia yueqian's voice, and his heart beat faster! This voice is too fantastic, but she still grasped the last trace of reason to Xia yueqian and said: "get up."

"But it's obviously your initiative. I like it With that, Xia yueqian kisses Yun Muxin again. This time he is more eager than just now. Xia yueqian seems to really want to eat Yun Muxin into his stomach.

At this time, Xia Mingde and the president happened to come to see Xia yueqian, but when they came to the door, they saw such a limited level picture. Two people really look at each other, it seems that progress is good.

"Lao Xia, I don't think the wedding reception is far away." Chen Yuanfeng said with a smile. In the heart also follows happy, he this satisfied student also really guards the cloud to see the moon bright! He also felt comforted that he would not be listless again.

Xia Mingde is also a little embarrassed. He complains about how to do such things without closing the door. He reached out and touched his head. "I hope so."

"This operation is not in vain Chen Yuanfeng said with a smile. "Come on, let's not go in and disturb them."

Xia Mingde nodded, and he also went to the ward to close the door, and then said to Xia yueqian in the ward, "remember to close the door next time you do business." Then the door was closed.

Xia yueqian and Yun Muxin on the bed also stopped immediately. Xia Mingde's words were floating in his ears. "Close the door next time you do something!"

Cloud Mu Xin face a red, she glared at Xia yueqian one eye. "I blame you! What a shame

"There's nothing to lose sight of." Xia yueqian replied. "I'm sure I'll be responsible!"

"How are you responsible?" Yun Mu Xin asked.

"Marry you! This is also my greatest wish. " Xia yueqian replied.

Cloud Mu Xin looked at Xia yueqian, she knew that Xia yueqian didn't look at the joke, "get up."

Xia yueqian knows that Yun Muxin is shy. He turns over and lies down beside Yun Muxin. He stretched out his hand and took Yun Mu Xin into his arms. "Mu Xin, I mean it."

Xia yueqian hugs Yun Mu Xin tightly, this picture he fantasizes countless times also had in the dream. At this time, Yun Muxin is really in his arms, and he can even hear her heartbeat. "Mu Xin, let's get married!"

"I don't want a sick husband." Cloud Mu Xin answers. "And you have to talk to your uncle about it."

"I will!" Xia yueqian nodded.

Then they held each other and chatted with each other for a long time. There is the past, there is the present, there is the future

"Mu Xin, can we not go to the United States at the end of the year?" Xia yueqian went back. She and Tang Yuze that agreement, always like a thorn in the heart.

Cloud Mu Xin a smile, "summer Yue Qian, you are so worried?"

"Yes! Tang Yuze is a big threat. " Xia yueqian replied.

Yunmu thought. "At the end of the year, I'm going back with my uncle. I'm going back to school to be busy with my graduation, so I have to go back. As for me and Kevin, I have to give him an account. "

Xia yueqian pursed his mouth, he reached out and hugged Yun Mu Xin, "then I will go with you!" This is also his final concession. This time he will definitely follow him, so that Tang Yuze will not have any chance.

"Are you going with me?" Yun Muxin frowned. "Who else is going?" Xia yueqian asked.

Speaking of this, Yun Muxin also thinks of Yun Yiyan. "In fact, I was thinking about my second brother before. You misunderstood me."

"What happened to Yi Yan?" Speaking of it, he seems to have been very busy recently and seldom comes to the hospital.

Yun Muxin tells Xia yueqian what he thinks and points out that Yun Yiyan seems to like Jian LAN. "Do you think it's possible?"

Xia yueqian sighed, he put his head against the head of Yun Mu Xin. In fact, he knows all about Yun Yiyan and Jian LAN, and even he is a witness of the whole thing, but he has never said anything about them.

"Why don't you speak?"

"I know about them." Xia yueqian replied.

"You know!" Yun Muxin looks surprised. "So it's true? Second brother and sister LAN, they... "

Xia yueqian, er, Jian LAN will go. In fact, she is forced to leave by Yun Yiyan. But after Jian LAN left, Yun Yiyan felt regret. Because of his guilt, Yun Yiyan did not dare to go to Jian LAN. He only knew that Jian LAN went on a business trip with Qin Hao.

After hearing Xia yueqian's words, Yun Mu Xin immediately shook his head, "but it's not like this to hear the version! I asked my uncle, and my uncle told me that brother Qin Haohe and his sister Xiaolan went on holiday. It's a global tour, and he doesn't know where they are now. "

"What!" Xia yueqian was shocked by the news.

When Yun Muxin still wants to talk, the mobile phone vibrates constantly. When Yun Muxin turned on his mobile phone, wechat group suddenly burst into a pot, and all of them were passing a message. John kept calling: "everyone, hurry to watch Qin Hao's circle of friends. What's the meaning of the couplet he issued

Yun Muxin immediately went to the circle of friends. Sure enough, he saw the picture, which was a pair of rings, and attached the text, "is it good-looking? I hope she will like it

Qin Hao, who hasn't updated for a long time, actually sent such a piece! So is this the courtship rhythm?!

[Chapter 353](#)

Hear cloud Mu Xin's words, Xia yueqian grabs the mobile phone to have a look.

Sure enough, looking at the enlarged photo, anyone who looked at it thought it was a wedding ring. So Qin Hao really wants to propose to Jian LAN? If so, what should my brother do? Again intercepted?

"Xia yueqian, give me back your mobile phone." Yun Muxin wants her mobile phone back. She seems to have read Qin Hao's message just now.

Xia yueqian returned the mobile phone to Yun Muxin, "you should ask quickly."

Yun Muxin looks at the news in the group, and then releases the voice of John and Jason.

John: Qin, do you mean to end being single?

Jason: really married?

John: Qin, you are really hiding! Marry after boss!

Jason: Qin, is the bride with you now? Let her say hello!

Finally, it was Qin Hao's reply, but when he bought it, he simply replied. "I'll find out then!"

At this time, John separately sent a message to Yun Muxin. "Muxin baby, you go to the boss to inquire about the news. Qin, that guy can only tell the boss the truth. "

"Uncle doesn't know." Cloud Mu Xin answers.

"You go back and ask, I dare not ask in the working group. I think boss should also see Qin FA's circle of friends. "

"Well, I'll try to go home and ask."

Yun Muxin put the mobile phone away, then sat up and tidied up his clothes. "It's getting late. I'm going back."

Xia yueqian also sat up. In fact, he wanted to know more about the situation than John. Jian LAN would not really marry Qin Hao! If it is true, Yun Yiyan will certainly be hit. "Well! You go back to have a look at

Huo Dongyang's meaning, or you can ask Wei Wei, if Jian LAN wants to get married, she will certainly tell her. "

Yun Muxin nodded, "OK, I'll go back and ask."

This time, Xia yueqian is not willing to let Yun Mu Xin go. At this time, he is more worried about Yun Yiyan. Look, he hasn't heard from him yet. If he knew, he would not be able to sit still.

Fifteen minutes after Yun Muxin left, Xia Mingde came. It doesn't seem right to see his son's expression. "What's the matter? What expression is that? "

"Dad, did Yi Yan go home these days?"

Seeing Xia yueqian ask about Yun Yiyan, Xia Mingde shakes his head, "no, it's almost the end of the year. I also know that your brothers are a workaholic."

Xia yueqian is obviously relieved, that's good! Now it's not sure, it's better to hide it from Yun Yiyan. He has to wait and see what happens to Yun Muxin before he decides.

Xia Mingde vaguely felt that something had happened, and this matter should have something to do with Yun Yiyan, but he did not continue to ask.

Jiangwan villa.

Cloud Mu Xin comes back to go directly to Qiao Wei, this kind of thing or ask Qiao Wei easy to talk about. "Auntie!"

Qiao Wei folded clothes in the children's room, and saw cloud Mu Xin come in in a hurry. She stopped her action, "what's the matter? You look worried? What's the matter with the schoolmaster? "

"Xia yueqian is OK. Now it's my second brother." Yun Muxin answers immediately.

Qiao Wei frowns. The matter of Xia yueqian has not been solved. There is an accident in Yun Yiyan. "What's wrong with Yi Yan?"

"Auntie, do you know where Xiaolan is?" Yun Muxin asked directly.

"Didn't you say you went on a business trip with Qin hao?" Replied Jovi. Because Jian Lan also came to find herself before she set out, and said that she would go to her place to have a look when she was free. Water the flowers and plants at home by the way. Of course, Qiao Wei also ordered an aunt to see it regularly.

Calculating the time, Jian LAN and Qin Hao go out almost half a year. During this period, there was really no news, and it was not clear when they would come back. I've been out for so long. Maybe it's time to come back.

Cloud Mu Xin saw Qiao Wei really want to think, "Auntie, what are you thinking?"

"I wonder when they will be back. It's reasonable to say that you shouldn't go there for such a long time, but you haven't said you want to stay abroad. " The more he thought about it, the more strange he felt.

"Aunt, look at this." Yun Muxin handed the mobile phone to Qiao Wei. Qiao Wei looked at, but also a face of panic. "Is Qin Hao really asking for marriage?"

Cloud Mu Xin looks at Qiao Wei's appearance, seems to know less than oneself, "small LAN elder sister also did not say with you."

"We through the phone several times, each time Xiaolan said busy, did not say a few words to hang up." So Jovi never doubted anything. Qin Hao seems to have finished Jian LAN in his work.

A year ago that party, Qiao Wei now is to remember, Qin Hao really said to do. Jian LAN really put down Yun Yiyan. In fact, choosing Qin Hao is also a good choice. At least Qin Hao won't be silent like Yun Yiyan.

Yun Muxin sighs at the side. "My uncle told me yesterday that they didn't go on business, they went on holiday, they went to travel around the world, and then they came back to the United States at the end of the year." "What?" Qiao Wei a Leng, travel? It's not a honeymoon, is it! Half a year's time has passed, if the speed is fast, the children will have.

"Auntie, why don't you call and ask?"

Qiao Wei immediately picked up the mobile phone to call Jane LAN, but Jane Lan's mobile phone is not working. Then Qiao Wei called Qin Hao directly. Qin Hao's phone call must be through because he wanted to keep in touch with Huo Dongyang at any time.

"hello....." Qin Hao's voice sounds like a wake-up call.

"I'm Jovi."

"Madame! what's the matter? I don't have daylight on my side Qin Hao replied.

Cloud Mu Xin at the side of Qiao micro for mouth, let her directly ask the key point. Qiao Wei nodded, but still in accordance with her own rhythm. "I just called Xiaolan's mobile phone, but her phone is blocked."

"So it is. Her cell phone broke two days ago and hasn't changed to a new one. " Qin Hao explained. "If you need to find her, I'll give her the call and she'll be next to me."

"Next Next to it. " So what this means is that the two of them are already sleeping together?! Then Qiao Wei really heard Qin Hao call Jian LAN up to listen to the phone. "Xiao Lan, wake up, Qiao Wei is looking for you."

"Well? Slightly? " Jian Lan's voice was obviously not awake, "hello..."

"Excuse me." Said Jovi at once.

"Wei Wei, what's up?" Jane Lan's voice is a little hoarse.

"I just want to ask when you'll be back?" Asked Jovi.

Jian LAN seems to be asking Qin Hao, "when are we going back?"

"When we get to the headquarters at the end of the year, we'll talk about it after the meeting." Qin Hao replied.

Then Jian Lanyou repeated Qin Hao's words to Qiao Wei. "Qin Hao said that he would make plans at the end of the year. Slightly, I am so sleepy! I'll call you when I wake up. "

Qiao Wei has not yet answered, heard Qin Hao's voice said: "I told you before not to indulge yourself."

Hearing this, Qiao Wei hung up the phone without saying a word.

[Chapter 354](#)

Cloud Mu Xin looked at Qiao Wei anxiously hung up the phone, she felt that the problem is big.

"Auntie, what do they say?"

"Qin Hao and Jian LAN sleep together and say they are tired and want to go to bed. Please call me back later."

"OMG!" The problem is serious! Maybe baby is coming out! It seems that Yun Yiyan may have been single all his life!

Yun Muxin directly lay on the ground, "I see no hope for the second brother."

Qiao Wei frowns tightly, Qin haozhen and Jian LAN become? She doesn't want to guess, she wants to wait for the time when Jane LAN calls her later. Now she doesn't want to guess.

But Qiao Wei waited for an afternoon and didn't wait for Jane Lan's phone call, which made Qiao Wei have to think about it. She also wanted to ask the truth through Huo Dongyang.

Yun Muxin called Xia yueqian in the evening and reported the latest situation directly. "They all sleep together."

Xia yueqian also felt surprised, so it led to speak without thinking, "maybe living in the same room."

"Xia yueqian, his head is not clear! When my aunt called, I could hear it clearly Cloud Mu Xin answers.

"Maybe sleep alone."

"Xia yueqian, they are normal men and women. If you think about it, they will know what happened. Xiaolan elder sister also said sleepy, Qin Hao answer is not so indulgent. Isn't that what these conversations mean? " Yun Muxin's voice is very loud, thanks to him or a doctor, how can these physiological reactions not know! It is obvious that he is acting silly and unwilling to accept the reality. Qin Hao had that meaning to Jian LAN, so it was normal to do those things.

"Sigh, Huo Qianyang, ask over there."

"Uncle is still entertaining today and hasn't come back." Cloud Mu Xin answers. This makes people feel envious that Huo Dongyang seems to want to avoid this problem. Because Huo Dongyang, who is not very sociable at ordinary times, actually goes to socialize.

Cloud Mu Xin bath out, see Qiao Wei sitting on the sofa dozing. Cloud Muxin looked at the time, it was nearly 11 o'clock, uncle has not come back. It's not going to happen!

"Auntie, go to bed first. I'll wait for my uncle Yun Muxin walked past.

Qiao Wei opened her eyes, and she looked at the time a little. Huo Dongyang really came back a little late today and was worried. "It doesn't matter. I'll wait."

At this time, there was a car noise outside. It seems that Huo Dongyang is back. Sure enough, after a while, Huo Dongyang came in, and he was full of wine.

Jovi immediately went over and said, "have you had a drink?"

"Well, a little." Huo Dongyang replied. "Didn't you go to bed early?"

Qiao Wei looks at Huo Dongyang is still sober, should really drink a little. "I can't sleep if you don't come back."

"I'm fine." Huo Dongyang replied. He also looked at cloud Mu Xin, "what else to say tomorrow, go to bed."

Yun Muxin nodded and walked into his room. Qiao Wei reached out and took Huo Dongyang, "Dongyang, do you already know?"

Huo Dongyang looks at Qiao Wei, and they have a tacit understanding. "Well!"

Then Qiao Wei did not continue to ask, she helped Huo Dongyang upstairs.

The next day.

When Huo Dongyang came out to have breakfast, he found that everyone's eyes were on him. "What's the matter? I have something on my face? "

"No Qiao Wei poured a cup of soybean milk to Huo Dongyang.

Huo Dongyang ignored other people's eyes, but focused on eating breakfast. But other people's heart is really anxious, no, waiting for Huo Dongyang's words.

It is not easy to see Huo Dongyang finish breakfast and Mary speaks first. "William, is that Qin Hao and Xiao Lan really going to get married?"

Yun Mu Xin can't help but praise Mary. It's worthy of her grandmother's directness. Yun Muxin is waiting for Huo Dongyang's answer.

Huo Dongyang put the cup down. "Qin Hao is getting married, so it's normal for him to have this idea. He's going to get married, and of course I'll support him! "

Huo Dongyang's words gave an accurate answer to those who had been waiting for a night. It seems that Qin Hao is really coming this time! Yun Muxin is really sorry for Yun Yiyan. After all, he is a little bit slow.

"Is the wedding scheduled?" Mary continued to ask. She likes these children very much, just like her own children. So if they want to get married, she must help them.

"I don't know. I'll wait until they get to America." Huo Dongyang replied.

Qiao Wei hesitated for a long time, then asked: "Dongyang, do you know where they are now?"

"Australia, I'm not sure." Huo Dongyang replied. "Qin Hao used all the holidays accumulated in previous years. It's rare for him to tell me that he wants a holiday, so I approve of it and will not inquire about their itinerary."

Huo Dongyang knew that Qin Hao was a man of principle, and this time he made such a decision was unexpected. Although as a boss, he really disagreed with him when he asked for such a long holiday, but as a friend, Huo Dongyang also respected Qin Hao's choice and determination. Life is hard to be crazy once! After breakfast, Yunmuxin went to the study alone to find Huo Dongyang.

"Uncle!"

Huo Dongyang looks at standing at the door of Yunmu heart. "Something?"

"Well!"

"Come in and say it."

Yun Muxin sits down opposite Huo Dongyang. She has organized the language before she comes, but she can't say a word in front of Huo Dongyang. She opened her mouth several times but couldn't say it.

"You want to talk about Yun Yiyan?" Huo Dongyang Ming Baiyun Mu Xin's intention. There is only one reason why Yun Muxin will come to find himself.

Cloud Mu Xin nods. "Well! Uncle, the second brother is actually very poor. Will you help him this time? "

"I won't get involved in this. I don't want to interfere with Qin Hao or Yun Yiyan." Huo Dongyang and made his position clear.

Yun Muxin knows it's hard, but she doesn't want to see Yun Yiyan lost. "Uncle..."

"There is no room for discussion." Huo Dongyang is also firm this time. "Don't worry too much. You and Tang Yuze have to deal with it as soon as possible. Don't be so unfair to him. "

Yun Muxin nodded, "I know. Uncle, when are you going back to America this year

"I expect to leave early." Huo Dongyang replied. "There's a new work plan over there. I'll go back and look at it. If you want to go with me, you can prepare

"Good!" Yun Muxin stood up. "Xia yueqian said to go with me."

Huo Dongyang looked up at Yun Muxin, "what is he going to do? Do you want to PK Tang Yuze face to face? "

"This..." Yun Muxin didn't go on.

Huo Dongyang thought for a moment, but he still felt a little strange. Yesterday, Yun Yiyan also applied to go together. Xia yueqian went with him. He could understand. So why did Yun Yiyan follow him? Is it Jian LAN?!

[Chapter 355](#)

Huo Dongyang returned to HD headquarters one month ahead of schedule.

This time, Qiao Wei did not go, because there were enough people following Huo Dongyang. Moreover, it was not convenient for her to take two children, so Qiao Wei stayed in a city with her grandfather and grandmother.

Qiao Wei is helping Huo Dongyang pack his luggage, "Dongyang, do you have anything else to take?"

"I'll do it myself." Huo Dongyang came to pull Qiao Wei up. "You're tired enough to take care of the children. I'll do it myself."

Huo Dongyang pulled Qiao Wei aside and sat down, "when I'm not here, if there's anything, let Xiang Qing and go south to do it."

"I know. Don't worry." Joe nodded.

Suddenly want to leave such a period of time, Huo Dongyang some reluctant, "has not left, I miss you very much." Heard Huo Dongyang's words, Qiao Wei laughed, "work more than one, time will soon pass."

"Do you mean you won't miss me?" Since having children, Qiao Wei's attitude towards himself is obviously not as good as before, basically focusing on the children. Moreover, the two children often do not save time. If we had known this, we should not let Joe live.

Qiao micro smile, also understand the meaning of Huo Dongyang. She just deliberately did not answer him, "I'll go and see Mu Xin."

Obviously, Huo Dongyang's face sank, and he always felt that Qiao Wei was not so dependent on himself as before. He frowned and pulled the left Qiaowei into his arms and directly kissed him. It seemed that he also had the meaning of punishment. Huo Dongyang's kiss was not gentle.

Qiao Wei struggled for a few times, but also by Huo Dongyang. Feeling Qiao Wei's obedience, Huo Dongyang also slowed down the speed and gentleness. He hugged Qiao Wei tightly, two people close together, the whole room seems to have changed a color because of them.

Yun Muxin just wanted to come over and say something to Qiao Wei. When he arrived at the door, he saw such a bad picture. The whole person was embarrassed. She called and ran away.

By cloud Mu Xin such a call, Huo Dongyang let go of Qiao Wei, and with an unhappy expression on his face. Qiao Wei smiles at Huo Dongyang, she stands on tiptoe and kisses Huo Dongyang, "I'll go and have a look at Mu Xin."

"I'll save the interest first." Huo Dongyang said.

Qiao Wei goes to Yun Muxin's room to find her, "Muxin..."

Seeing Qiao Wei coming, Yun Muxin immediately apologized, "Auntie, I'm sorry, I didn't mean to! You must explain to my uncle. I just want to tell you that my second brother and Xia yueqian will go to the airport by themselves tomorrow. My uncle and I can start from here tomorrow

Qiao Wei sat down and said, "what are you doing so nervous? Your uncle didn't say anything."

"Really?" Asked Yun Mu Xin.

"Well!" Joe nodded. "Go back this time and take care of everything that needs to be dealt with, you know?"

Cloud Mu Xin nods, she understands Qiao Wei's meaning, and the main purpose of her return this time is also this.

This time, Xia yueqian and Yun Yiyan passed together. At first, Huo Dongyang did not agree to let Xia yueqian and Yun Yiyan go. Later, they personally communicated with Huo Dongyang for several times before reluctantly letting Huo Dongyang nod. For their purpose, Huo Dongyang is very clear. They went to the United States for a very different purpose. So in the beginning, I didn't want to agree. Later, they were too tired to agree.

Mu Xin almost thought of giving her a task to pack

"Auntie, say it." Cloud Mu Xin nods.

"Qin Hao and Xiao Lan should not arrive in the United States so early. When they really meet, they must not be excited, especially Yi Yan. If Qin Hao and Jian LAN really get married, they should be calm. " Qiao Wei's only worry this time is this problem.

Cloud Mu Xin also has the same worry, but think Huo Dongyang in, the problem should not be big.

"Well! I'll pay attention! There's an uncle! And John and Jason are there, so it shouldn't be a big problem. "

Qiao Wei is not quite at ease, Jian Lan was originally identified as a tendon. I have been waiting for her call that day, but I still haven't called. This makes Qiao Wei's heart have more ideas. If she really made up her mind to be with Qin Hao, she would follow him all her life there. Yun Yiyan has no chance at all!

Huo Dongyang also came to the door of yunmuxin's room. "Mu Xin, let Xia yueqian and they will go to the airport by themselves tomorrow. I don't pack anything here."

"They know themselves." "Cloud Mu Xin answers," already came to say oneself action. "

"Well!" Huo Dongyang nodded his head, which is not bad.

The next day, it was just light.

Huo Dongyang and Yun Muxin are ready to leave, and the flight is early.

Qiao Wei stood at the door to see them off, "Bon Voyage! Call when you get there. "

Huo Dongyang holds Qiao Wei's hand, his eyes are reluctant to give up. "It's hard for you at home. I'll try to come back as soon as possible. And don't be too tired, you know? "

"You can go to work at ease. I'm at home." Replied Jovi. She looked at Huo Dongyang and thought about what she had told him last night. Huo Dongyang saw Qiao Wei's eyes, he reached out and rubbed her head. "Go in!"The car started, Qiao Wei waved to Huo Dongyang and Yun Muxin. This time to the United States, how many people come back, Qiao Wei has no idea. Just hope they're all right.

After Huo Dongyang and Yun Muxin have checked their luggage, they see Xia yueqian and Yun Yiyan in the waiting room. It seems that they have come for a long time. Seeing Huo Dongyang and Yun Muxin come in, they are both energetic.

Huo Dongyang sat down on one side, "come so early, won't you wait here in the middle of the night?"

Huo Dongyang said the two people, with a little embarrassment on their faces. Huo Dongyang raised one eyebrow. It seems that he is really like this. This time is really enough to fight, is to worry about their own betrayal.

Cloud mu heart see the atmosphere is still a little stiff, she found a more distant seat to sit down, also lazy to go to join the fun. She didn't know how Xia yueqian and his uncle agreed to let them go together. It's not easy for her to ask so many questions about these things. She sits alone in the corner, quietly brushing her microblog and circle of friends.

At this time, Tang Yuze sent a wechat to yunmuxin, asking her flight number. Yun Muxin knows that Tang Yuze goes to the airport to meet her first, but this time Xia yueqian also follows her. Yun Muxin is worried. So he told Tang Yuze that Jason would come to meet her and Huo Dongyang, so that he would not have to go to the airport.

Tang Yuze also agreed to let Yun Muxin call her when she arrived.

"This man is still thinking about you." Xia yueqian's voice came from overhead.

Cloud Mu Xin immediately raised his head, "when did you come over?"

"When you reply to wechat." Xia yueqian replied, his face was also a little unhappy.

Cloud Muxin put away the mobile phone, looked at the time is almost on the plane. "Uncle is looking at you!"

Xia yueqian turns back and really sees Huo Dongyang looking at himself. Under helpless, he also had to go back there to do well. Who asked them to follow Huo Dongyang to go to the United States with him, and promised him everything.

[Chapter 356](#)

After nearly 20 hours of flight, we are about to land at an airport in the United States.

Huo Dongyang looks at the cloud Mu Xin that is still sleeping next to him. "Up, landing soon."

Yun Muxin rubbed her eyes. She looked out of the window. The plane was also descending. She immediately sat down and looked back at Xia yueqian and Yun Yiyan behind her. It turns out they seem to be ready, too.

After the plane landed, several people were waiting for their luggage. At this time, Jason calls Huo Dongyang and says that his car has arrived. Huo Dongyang asked him to wait. The luggage here has not come out.

"You two take care of it yourself." Huo Dongyang looks at Xia yueqian and Yun Yiyan.

"OK!" Yun Yiyan nods.

After coming out, Huo Dongyang found that Jason was driving a jeep today, and there was no problem with seven people. Huo Dongyang immediately looked at Yun Muxin, but Yun Muxin immediately avoided Huo Dongyang's eyes. She went to hold Jason and said in his ear, "thank you, master."

"Little thing, but you're going to treat me to dinner." Jason asked for a meal.

"No problem!" Yun Muxin agreed immediately. Yun Muxin asked Jason to prepare a bigger car through wechat. She knew Huo Dongyang would not travel with Xia yueqian, so she made this preparation.

Huo Dongyang soon understood that this was the premeditation of Yun Muxin and Jason. He didn't say anything on the surface, but he was waiting to settle accounts with them later. Huo Dongyang opened the door and got on first.

"Not even in the car?" Huo Dongyang takes a look at the others.

Yun Muxin immediately answered, "coming!" Then Yun Mu Xin said to Xia yueqian and Yun Yiyan, "get on the bus quickly. It's a rare opportunity."

Xia yueqian and Yun Yiyan react and immediately carry their luggage to the trunk and then get on the bus. "Mr. Huo, thank you."

"Don't thank me." Huo Dongyang replied.

Jason drove them back downtown. "Boss, where are you going first?"

"Ask the man behind." Huo Dongyang lowered his head in that and cooperation case information, did not pay attention to other people at all.

Yun Muxin gives Jason the hotel address that Xia yueqian ordered. "Master, go here first."

Jason took a glance and remembered the address. Then he said, "why don't you go to the boss's house? That's a big place. There are more rooms. "

At this time, Huo Dongyang raised his head. "They are not my family. Why do they live with me?"

"Boss, you can collect money!" Jason replied. "It's not like you can make a profit."

Huo Dongyang's eyes turned for a moment. It seems that Jason's words are reasonable. Why don't you make money! But he won't open it first. Then Yun Muxin did not live up to his expectations and said, "uncle, I think the master's words are reasonable. There are so many rooms at home

Huo Dongyang pretended to be impatient and looked at playing Yun Mu Xin, "it's your fault! If you want to stay, you can pay according to the standard of five star hotel. But today you are going to stay in a hotel. "

"Why?" Yun Yiyan doesn't understand. Since he promised to let them stay, why did he stay in the hotel today.

Jason answers instead of Huo Dongyang. "There are regulations in all the hotels here. If you book a hotel, you can deduct the room charge for three days if you don't arrive on the first day. The rest of the room charge can only be refunded by 30%. If you don't stay, you will lose a lot. Boss is also for your good. "

Jason still sent Xia yueqian and yunyiyan to the door of the hotel, "here we are."

Yun Muxin said to Xia yueqian. "I'll pick you up tomorrow."

"Well!" Xia yueqian nodded.

After the car started again, Huo Dongyang read the information and said, "Jason, you will deduct half of your bonus this month!"

Hearing Huo Dongyang's words, Jason immediately wants to retort, but after seeing Huo Dongyang's eyes, he doesn't dare to make a sound again. Huo Dongyang, this is to settle accounts after autumn, this move is also powerful enough! Oneself also can bear, who let oneself do wrong.

Cloud Mu Xin also lowered his head and did not dare to make a sound. She knew that Huo Dongyang had begun to settle accounts with them. Sure enough, Huo Dongyang next sentence to cloud Mu Xin. "When you get home, clean everything in the house. Since people come to live at home, they should be responsible for sanitation and have the standard of star hotels. "

"Uncle..." Yun Mu Xin lowered his head and did not dare to make a sound.

"Execute!" Huo Dongyang replied.

That night, yunmuxin spent several hours cleaning the house. After she finished, she went to Huo Dongyang and said, "uncle, the household hygiene has been sorted out!"

Huo Dongyang said, "well, you should go to have a rest earlier."

See Huo Dongyang very busy appearance, cloud Mu Xin also did not disturb, then go back to his room. As soon as she entered the door, she heard the mobile phone ringing. She picked up the phone and saw that it was Tang Yuze's phone. Then she remembered that she had forgotten to call him.

"Kevin, sorry, I forgot to call you." Yun Muxin speaks first. "If you don't answer the phone again, I'll probably come straight to you." Tang Yuze replied.

"Sorry, you're worried." Cloud Mu Xin answers. "Uncle asked me to clean the house."

"No! The house is so big and there are many rooms. Do you clean it? Why not hire someone?" Tang Yuze is also distressed by Yun Mu Xin's hard work.

Yun Muxin collapsed on the bed, "yes! I've been busy since I got home from the airport, and I've just finished my work. Now I'm too tired to move. "

"Then you should rest early and I'll pick you up tomorrow." Tang Yuze said with a smile.

Cloud mu heart some sleepy idea, also answer Tang Yu Ze between bewilderment, "good!"

After the call, Yun Muxin fell asleep on the carpet like this. She felt that she had been sleeping for a long time, but she felt someone was making her hair.

"Don't move..." Turn over and go back to sleep.

Tang Yuze looked at Yun Muxin helplessly. He bent down to pick up Yun Muxin and then went to the bedside to put her down. Last night, she didn't expect to sleep with herself.

Huo Dongyang opened the door when he rang the doorbell just now. It seems that he has been working all night without sleeping. This guy is really good at it. When you get off the plane, you don't even have time difference. HD has Huo Dongyang. How can these people not be powerful!

Huo Dongyang passes by the door of Yunmuxin's room, and he takes a look at Tang Yuze. "I'm going to sleep. If you're going out, lock the door."

"Good!" Tang Yuze nodded.

Huo Dongyang went back to his room and went to sleep. He was really tired after working all night. He must make up his sleep now, otherwise Qiao Wei knows, she will read that she does not pay attention to her body.

Tang Yuze finds a place to sit down in Yunmuxin's room. It seems that she will not wake up until some time later. Today, he also has time to spare for Yun Muxin. He also found a book to read.

Half an hour later, Yun Muxin's mobile phone rings. Tang Yuze reaches out to pick up her mobile phone. Seeing the name on the caller ID, Tang Yuze's eyes darken, and he looks back at Yun Muxin.

"hello!" Tang Yuze picks up the phone.

[Chapter 357](#)

The other end of the phone also heard the man's Hello, and suddenly there was no sound.

"hello!" Tang Yuze continued to speak.

"Who are you? Why do you answer Mu Xin's phone call Xia yueqian's voice sounds angry.

Tang Yuze raised the corners of his mouth. "I'm her boyfriend, and Mu Xin is still sleeping."

"Tang Yuze?" Xia yueqian also felt surprised at the end of the phone. "Why are you in the room of admirer?"

Tang Yuze said with a smile, "why can't I be in Mu Xin's room? Are you Xia yueqian? "

"Yes Xia yueqian replied. "You give the mobile phone to Mu Xin, I want to talk to Mu Xin."

"I didn't say that Mu Xin hasn't woken up yet." Tang Yuze replied. He knew that Xia yueqian and Yun Yiyang had come to the United States together. In fact, Tang Yuze knew the purpose of his coming here.

Xia yueqian angrily said to Tang Yuze, "Tang Yuze, I tell you that Mu Xin will not be with you."

"This matter is between me and Mu Xin. It should not be up to you to point out." Tang Yuze replied.

Xia yueqian soon hung up the phone and Tang Yuze put down his mobile phone. He looked back at Yun Muxin, who was still sleeping, and his eyes became gentle. But when he thought of the result, Tang felt uncomfortable. "Mu Xin, what do you think I should do? Xia yueqian can use means to keep you, so can I do the same? "

Tang Yuze reached out and held Yun Muxin's hand. "Will you hate me then?" After that, he felt a bit ironic, but he didn't want to do so, because Yun Muxin would certainly be hurt.

Cloud Mu Xin this sleep directly to noon, she opened her eyes and found herself in bed. When she sat up, she reached for her head and felt something was wrong.

When Yun Muxin is confused, Tang Yuze enters the room. "Awake?"

"Kevin, why are you here?" Yun Muxin is surprised.

"I said I would pick you up yesterday. You didn't wake up when I came, so I had to wait here." Tang Yuze said with a smile.

Cloud Mu Xin blinked, and seemed to be digesting Tang Yuze's words. "Uncle opened the door for you?"

Tang Yuze nodded. "Yes, it seems that uncle worked all night, so he went to bed. I've made lunch just now. Get up and have a meal

Cloud Mu Xin opened the quilt, "trouble you again."

After lunch, Yun Muxin changed clothes and went out with Tang Yuze. Today she was going to report to school, so Tang Yuze went with her.

On the way to school, Yun Muxin realized that she had forgotten something when she saw the wechat sent by Xia yueqian. Yesterday, she seemed to have said that she was going to pick up Xia yueqian and Yunyi at home. Unexpectedly, she forgot after sleeping.

Yun Muxin immediately replied to Xia yueqian's wechat, also told them the address of their home, and let them go in the evening, because his uncle was still sleeping.

Xia yueqian then issued another one. "Where are you?"

"I'm on my way back to school." Cloud Mu Xin answers.

Xia yueqian can't believe Yun Muxin's words, and then sent over the voice. "You didn't lie to me, did you?"

Cloud Mu Xin frowns, Xia yueqian's tone is obviously do not believe in themselves. She continued to write. "What am I lying to you for?"

"Are you really admiring? It can't be someone! "

Cloud Mu Xin is really Xia yueqian gas to, she took the voice. "What, somebody? Xia yueqian, make your words clear. "

Xia yueqian soon made an expression of apology. "Angry?" Cloud Mu Xin ignores directly, put the mobile phone into the bag. What is Xia yueqian doing? He said some messy things.

At this time, Tang Yuze took a look at Yun Muxin. "What's the matter?"

"It's OK." Cloud Mu Xin answers.

Tang Yuze knows that the man just now is Xia yueqian. It seems that he and Yun Muxin have a little dispute. Or because he picked up the phone in the morning, so let Xia yueqian doubt and admire.

It seems that also saw cloud Mu Xin did not reply, Xia yueqian called again. "Adoration!"

"What's the matter?" Yun Mu Xin's tone is not very good.

"When will you be back?" Xia yueqian asked.

"Tomorrow, I may stay in the school dormitory for one night today." Cloud Mu Xin answers.

Xia yueqian does not speak, but quietly waits for Yun Muxin to confess. When Yun Muxin sees that Xia yueqian has nothing to say, she doesn't speak either. The two keep talking in this way, as if they have nothing to say.

Tang Yuze drives seriously, and he won't be silly to talk at this time, and he doesn't want to embarrass Yun Mu Xin!

"Xia yueqian, if it's OK, I'll hang up." Cloud Mu's heart is not calm.

"You're with Tang Yuze, aren't you?"

Cloud Mu Xin frowns. Xia yueqian's words mean suspecting that he and Tang Yuze are doing some shady things. "You doubt me?"

"I know Tang Yuze is by your side. You went out together, right?" Xia yueqian's tone is also full of disappointment. "Mu Xin, you can tell me directly that I am not unreasonable. You really don't have to lie to me. Can't we be more sincere?" Yun Muxin was really angry by Xia yueqian, "do you think I'm not sincere? Xia yueqian, you should trust more! "

"Dare you say you are not with Tang Yuze now?"

"I'm with Kevin. He takes me to school. Believe it or not!" With that, Yun Muxin hung up the phone and really pissed off!

Tang Yuze spoke at this time. "What's the matter? What did Xia yueqian say to you? Make you so angry

"Who knows what's going on in him." Cloud Mu Xin answers. "Ignore him."

Seeing that the school is coming soon, Yun Muxin doesn't want to think about these things. But in the face of Tang Yuze, she did not want to cheat him. "Kevin, in fact, this time, Xia yueqian will come with us."

"Well!" Tang Yuze nodded.

Yun Muxin is a little surprised. I should know what Tang Yuze looks like. "You know it all?"

"I heard from my uncle in the morning." Tang Yuze replied. "Is his health OK? It's a long flight. "

Cloud Mu Xin sees Tang Yuze like this, in the heart is feel more sorry. Tang Yuze was not one of those stingy people. He was also worried about his dissatisfaction. Now it seems that I really think too much.

"Kevin, thank you!"

"I remember I said," no, thank you! " Tang Yuze repeated it again.

Tang Yuze parked the car at the school gate, "I want to have a meal with you in the evening. Remember to appreciate it."

"So, are you waiting for me here?" Asked Yun Mu Xin. After all, it will take time to go back. "It's better for you to come in with me than to stay in the car."

Tang Yuze nodded, "good!"

After parking the car, Tang Yuze and Yun Muxin walked into the school together. However, he felt that Yun Muxin seemed to be keeping a certain distance from himself and was not so dependent on himself as before.

[Chapter 358](#)

Two people with such a small unnatural walk in the school path.

Yun Muxin really wants Tang Yuze to explain clearly, but she feels that every time she wants to say it, Tang Yuze seems to have deliberately avoided it. When she wants to talk, Tang Yuze turns his head to the other side, which is the most uncomfortable time since they met.

Tang Yuze knows what Yun Muxin wants to say. The reason why he avoids it is that he doesn't want to talk about other things with Yun Muxin under such circumstances, and he doesn't want to talk about emotional matters with Yun Muxin at this time.

"Mu Xin, the administration building is here." Tang Yuze said.

After hearing Tang Yuze's words, Yun Muxin raised his head and arrived unconsciously. "Then I'll go first."

"Well, I'll wait for you here." Tang Yuze nodded.

Yun Muxin goes into the administrative building to find a tutor to check in, while Tang Yuze finds a place downstairs to sit down. He sat on a long chair of a big tree, and his mood was not so relaxed. He knew that Yun Muxin came back to make it clear to himself that she still chose Xia yueqian, the stingy man who was willing to give up his life for her, which he could not compare.

At this time, a flyer appeared in front of Tang Yuze. Tang Yuze looked up and saw a girl of about twenty standing in front of him. He said a sentence to himself in not very authentic English. "Sir, can you do a little investigation for me, please?"

Tang Yuze looks at the girl in front of her, or her clear eyes make Tang Yuze nod. Her eyes are really clean, without any impurities, there is a simple nature.

"OK!" Tang Yuze reached out to take the pen and questionnaire from the girl's hand just to pass the time. Tang Yuze looked carefully at the questions in the questionnaire, which seemed to be related to the activities of the community.

Tang Yuze filled out the questionnaire and handed it to the girl, "are you a member of this club?"

"Yes." The girl nodded. "Thank you! This is a gift for you. "

Tang Yuze looks at the key chain handed over by the girl, with the name of the club on it. He took it. "Thank you."

"Then I won't disturb you, sir."

Tang Yuze looks at the far away back, and he seems to remember the scene of his first meeting with Yun Muxin. In fact, it's similar to the situation just now, but it's not a questionnaire. It's that you and Yunmuxin want to buy the same magazine, and there's only one left. At that time, Yun Muxin argued with herself at that time. At that time, her English was also a little poor. It was just like she had just arrived in the United States.

At the end of the day, she got angry and started to speak Chinese. Maybe she didn't understand her, so she said it on purpose. Tang Yuze remembers that Yun Muxin's very rich expression and that unforgiving mouth are really unique. Or it is because such a straightforward personality and other women are not the same, also because her body that does not admit defeat of the momentum attracted themselves.

Later, he gave up the magazine. Seeing her happy appearance, Tang Yuze also said in Chinese: "don't be so excited next time. Not everyone and men are so bad." Yun Muxin also appears a little unnatural after hearing his words, but she soon shows a sincere smile.

In fact, there was an interview with Huo Dongyang in that magazine, so she bought it and had a look. This was what Yun Muxin told herself later. I also want to see Huo Dongyang's forwarding interview when I buy this magazine. Because Huo Dongyang is never allowed to be photographed in interviews, few people have seen him. When he knew that Huo Dongyang was Yun Muxin's uncle, he doubted for a long time that he didn't believe this fact until he saw Jason come to pick him up.

"What are you thinking?" The voice of Yun Muxin came.

Tang Yuze raised his head and said to Yun Muxin with a smile, "I think of the first time we met."

Sure enough, Yun Mu Xin's face was embarrassed. "I remember what I said to you." At that time, she did go too far and really scolded all his family members. She later apologized to Tang Yuze for this incident.

"Let's go! Go to dinner. " Tang Yuze stood up and reached for Yun Muxin's hand.

Yun Muxin didn't break Tang Yuze's hand this time. Let's do it first! Today, for the sake of his company, I don't want to say something so unpleasant. Thinking about it in a few days, she didn't know what would happen.

After dinner, Tang Yuze sends Yun Muxin back to Huo Dongyang. Because he forgot to take the key to the dormitory, he can only go home and go back tomorrow. Or because he didn't have enough rest, Yun Muxin fell asleep soon after getting on the bus.

Tang Yuze also slowed down the speed to make her sleep more stable, and it was a little late when she got home. Looking at Yun Muxin has not yet woken up, Tang Yuze carries her out of the car. But this scene happened to be standing on the second floor of Xia yueqian see clearly.

They are really together today, and still come back in such a manner. Xia yueqian is so jealous that he goes crazy. When will Tang Yuze disappear? What does Yun Muxin think? Why don't you tell him! Or is it that Yun Mu Xin's heart still has Tang Yuze's position? Xia yueqian felt that this was a great sense of crisis. Huo Dongyang looks at Tang Yuze holding cloud Mu Xin to come in, there is no expression on his face. In the past, there were many such cases, which also proved that in Yun Muxin's heart, Tang Yuze had always been trusted.

"Uncle, we're back." Tang Yuze greets Huo Dongyang.

"Well, take her in first." Huo Dongyang replied.

At this time, Xia yueqian wants to come down from the upstairs. Tang Yuze just glances at him faintly, and then goes back to his room directly holding Yun Mu Xin. Xia yueqian frowned more deeply when he saw Tang Yuze so familiar.

"Huo Dongyang, you don't care?" Xia yueqian directly pointed his spearhead at Huo Dongyang.

Huo Dongyang did not answer Xia yueqian. He went to one side and sat down. Yun Muxin is an adult, even if she has a relationship with Tang Yuze, he has no opinion. He doesn't care too much about such things. Now are free love, free play, want to do so much what!

"Xia yueqian, you are so nervous is not confident in yourself." Huo Dongyang said to Xia yueqian.

"But you can't let Tang Yuze go in and out of Mu Xin's room like this. It's not very decent." This is what Xia yueqian cares about most.

Huo Dongyang smiles, "Xia yueqian, what era is it now? Is this still important? And I don't think it's a problem for them to get along with each other. "

"You Xia yueqian really felt that Huo Dongyang was standing on the side of Tang Yuze.

Tang Yuze came out of Yunmuxin's room. "Mr. Xia seems to have a lot of opinions about me?" He heard the conversation between him and Huo Dongyang just now.

Xia yueqian glares at Tang Yuze. Tang Yuze also looks at Xia yueqian. The war between them seems to have started.

[Chapter 359](#)

The atmosphere of the whole living room changed instantly.

The air in the living room also seems to have a cold meaning. Xia yueqian's appearance and Tang Yuze's forbearance also form a contrast. Xia yueqian glares at Tang Yuze and jealously envies him today with Yun Mu Xin. Tang Yuze is silent on his face and disdains Xia yueqian in his heart.

Huo Dongyang gave them a flat look, and then he sat down. People standing face to face in front of them confront each other, and they seem to have become transparent people. But Huo Dongyang felt a little funny. They seemed to have forgotten one thing, that is, this is their own home.

"If you want to fight, you can go out and fight. Don't mess up when it's time Huo Dongyang spoke.

Hear Huo Dongyang's words, two people look at Huo Dongyang at the same time. Xia yueqian opened his mouth and said, "Huo Dongyang, you will threaten people!"

"Am I wrong?" Huo Dongyang asked.

Tang Yuze knew that it was Yun Muxin who cleaned the room alone last night, so he believed what Huo Dongyang said. For the sake of Yun Mu Xin, he had to endure. And see Xia yueqian such a body, a punch in the past is estimated to fall. At that time, didn't you give Yun Muxin more chances to take care of him?

"Uncle, I have a job tomorrow, so I'll go back first." Tang Yuze looks at Huo Dongyang and says.

Huo Dongyang nodded, "well, walk slowly."

Tang Yuze looked back at Xia yueqian and said, "I don't want to embarrass Mu Xin." With that, he walked away.

Xia yueqian is still standing there thinking about the meaning of Tang Yuze's words just now. His meaning is to say that for the sake of Yun Mu Xin, he doesn't care about himself in general? Thinking of this, Xia yueqian is even more unhappy.

Huo Dongyang looked at Xia yueqian. Maybe he could not help speaking. "Xia yueqian, if you compare endurance, you will lose to Tang Yuze."

"He just likes to pretend to be deep!" Xia yueqian refuted. "Such a person is the most dangerous, because you never know what is in his mind!"

Huo Dongyang did not go to pick up Xia yueqian, everything depends on how Yun Muxin chooses. "You and Yun Yiyao live here. Don't make too much noise at night! When you use up your things at home, remember to clean them up. "

"I see."

A few days later.

Xia yueqian saw Tang Yuze again, but he saw it outside. When he saw Tang Yuze enter a coffee shop with a beautiful woman, their relationship looked extraordinary. Xia yueqian immediately followed him into the coffee shop.

He chose a seat a little closer to Tang Yuze, so that he could hear their conversation.

"Kevin, when are you going back to City C? It's almost the time you and grandfather agreed to. "

"I have my own discretion."

"Is Yunmu Xin really so important?" The woman asked, "Kevin, don't fight with grandfather again and again. And those people will certainly do something about it. "

Tang Yuze has not spoken, as if thinking of something, this is Xia yueqian see. It seems that Tang Yuze is really carrying a lot of responsibilities.

"Go back! I have something else to do. " This is the reply of Tang Yuze.

The woman sighed. "Kevin, Yun Muxin doesn't love you at all! I know that man came back with her, and it will be sooner or later for her to have a showdown with you. Why do you feel wronged like this

"You don't understand!" Tang Yuze replied.

"Kevin, you don't have much time. You really have to think about it. Don't lose more for a woman."

Xia yueqian felt uneasy when he heard these words. Since Tang Yuze's family has arrangements, why doesn't he let Yun Mu Xin go? Or does he have other plans in mind?

Tang Yuze looked at the woman and said, "you don't have to persuade me any more. It's not easy for the men of Tang family to meet a woman you like."

"You are just too persistent. You have paid a lot for Yun Mu Xin. It's getting closer and closer to the new year. " Said the woman again. "So you have an appointment with your grandfather. You should know his temper."

Tang Yuze didn't want to continue listening and stood up. "I'll go back first."

Looking at Tang Yuze leaving, the woman also felt a sigh of regret. Why should Tang Yuze look like this? You know that's not a fact that can be changed.

Xia yueqian watched them all leave before he left. Tang Yuze really hides a lot of secrets. He is worried that yunmuxin will be hurt by these things in the future. This is what he doesn't want to see!

These days, Yun Muxin went to school to finish the final graduation examination. Huo Dongyang is also very busy. Almost every day he goes out early and comes back late, leaving his own cloud Yiyan at home. The house really looked very cold and quiet everywhere.

Finally, when Huo Dongyang came back, Xia yueqian immediately went to find him. Huo Dongyang looked at Xia yueqian who came in with him, "something?"

"Well! Something's going on. " Xia yueqian's expression is serious.

"Sit down and say it."

Xia yueqian sits down opposite Huo Dongyang and tells Huo Dongyang what he sees and hears. He wants to hear Huo Dongyang's opinions. Huo Dongyang has also promised Tang Yichen that Tang Yuze will help him if he is in trouble in the future. But out of respect, he did not investigate the Tang family. Hearing Xia yueqian's words, Huo Dongyang is also silent.

"Huo Dongyang, why don't you talk?" Xia yueqian was anxious. "Don't you worry about them hurting your admiration?"

Huo Dongyang looks at playing Xia yueqian. "If Tang Yuze is not sure to do this, he will lose the chance to compete with you. I don't want to interfere in this matter. When Mu Xin comes back from school, you can discuss it yourself. "

Xia yueqian felt that Huo Dongyang was inhuman, so he stood up immediately. "Sorry to disturb you!"

From Huo Dongyang's room, Xia yueqian meets Yun Yiyan, "are you here?"

"Brother, in fact, I think Huo Dongyang is right." Yun Yiyan looks at Xia yueqian and says. "Don't make things too complicated."

"You all think it's me who cares?" Xia yueqian was angry. Since today, when he heard the conversation between the woman and Tang Yuze, he felt uneasy and always felt that something would happen.

The day Yun Muxin came back, Xia yueqian went to the station to meet her.

"Why did you come?" Yun Muxin said. She still remembers when she went to school that day, Xia yueqian was still angry. How could she pick herself up today?

Xia yueqian said with a smile, "come to meet you!"

"Not angry?"

Xia yueqian nodded. "I haven't been angry for a long time. I miss you so much these days!"

Yun Muxin heard Xia yueqian's words, her mood was much better. "Is it?"

Xia yueqian comes forward and takes Yun Mu Xin's hand. "Go home!"

This time, Yun Muxin feels the temperature of Xia yueqian's palm. It seems that his body is recovering well. She also clenched Lai Xia Yue Qian's hand, in fact, these days, she is also reflecting. It seems that she didn't give Xia yueqian a sense of security, so he would. It seems that the matter between her and Tang Yuze really needs to be solved.

The sun just set on their hands, and their shadows were stretched long

[Chapter 360](#)

This day.

Yun Mu Xin, Tang Yuze made an appointment. She arrived early. This time she didn't want Tang Yuze to wait for herself. So I arrived here an hour in advance. Before that, Tang Yuze would arrive at the appointment place half an hour in advance to wait for himself. Although he was not late, he was always waiting for himself.

Yun Muxin ordered a cup of coffee and a cake. She kept stirring the coffee, which seemed to be uncomfortable. Although the time did not arrive, but oneself actually looked at the time unceasingly, in the heart also felt some irritability.

Yun Muxin finally understood the taste of waiting for someone else, thinking that she must not be late again in the future. This feeling is really bad! But this time, Tang Yuze really let Yun Muxin wait for a long time, even after the appointed time, he has not come.

Cloud Mu Xin looks at the time, has passed 15 minutes. Tang Yuze still didn't come, which also made Yun Muxin worried, he won't have anything wrong! He and himself are always late. What happened this time?

Take out the mobile phone to call Tang Yuze, but the mobile phone has been blocked, Yun Muxin's heart suddenly feel uneasy, can't be really what happened? Yun Muxin called Tang Yuze's company, but his assistant told him that Tang left the company an hour ago.

Cloud Mu Xin's heart is pounding, can't really what matter! Cloud Mu Xin can't stay, she picked up her bag and paid for it. Just walked to the door, Yun Muxin finally saw the late Tang Yuze, but at this time he seemed a little embarrassed.

Yun Muxin saw Tang Yuze for the first time. His clothes were a little messy. It seemed that he was running and his breath was unstable. There was also a box in his hand, and the box was a cake of one of Yun Muxin's favorite brands.

"Kevin....."

Tang Yuze looks at cloud Mu Xin to show a shallow smile, "fortunately caught up."

Yun Muxin looked at Tang Yuze shaking the box in his hand. He was really moved. It turns out that he ran to buy himself a cake! "Kevin, you don't have to do this. I actually want to come with you today..."

"The car broke down on the road, so I had to run over." Tang Yuze ignored what Yun Muxin had said before, but explained why he was late.

Yun Muxin walks to Tang Yuze. "Kevin, I'll take this cake."

"It's going to be a little bit distorted." Tang Yuze added.

Yun Muxin reaches for the box in Tang Yuze's hand. "It doesn't matter. That's what you want."

"Let's go in and talk about it." Tang Yuze opened his mouth.

They walked back into the store, this time choosing a quieter corner. Yun Muxin opens the cake that Tang Yuze bought. The cake inside is not deformed. It can be seen that Tang Yuze is well protected.

Cloud Mu Xin's eyes are moist. She lowers her head and picks up a fork to cut a small piece. "It's delicious!"

Tang Yuze is aware of cloud Mu Xin's mood at this time, and first to say what he wants to say. "Mu Xin, I may not be able to buy you any more cakes in the future."

Hearing Tang Yuze's words, Yun Muxin's movements froze. She looked up at Tang Yuze. She didn't understand the meaning of his words. The corners of Tang Yuze's mouth weakly rose. "I'm leaving America."

"Where are you going?" Yun Muxin immediately asked.

"There's always a place for me to go." Tang Yuze replied. "I'll leave on the first day of the new year. Will you come with me?" Tang Yuze has a little hope in his heart that Yun Muxin will go with him. In this way, even if he gave up all the Tang family, he would not feel regret!

Yun Muxin did not expect that Tang Yuze would make such a decision. Did he want to go back to City C when he left the United States? "Kevin, are you going back to City C?"

"Mu Xin, do you still want to marry me? If you like, we'll register for marriage now! " Tang Yuze wants to seize the last chance. Because his time is running out, it will be Christmas soon, and his time has entered the countdown.

Yun Muxin looked at Tang Yuze and shook his head. "Kevin, actually, I just want to tell you about it today. I can't marry you! I'm sorry

As soon as Tang Yuze's eyes darkened, even the hope of self deception disappeared. Tang Yuze lowered his head, "so you chose Xia yueqian, right?"

Cloud Mu Xin nods. "Kevin, I'm really sorry! A year ago, I came to the United States to escape my feelings for Xia yueqian. Because I always thought he didn't come to the appointment a year ago. I didn't wait for him at the airport, so I thought he had no feelings for me. When I arrived here, I didn't expect that I would meet you. In the time with you, I really put down Xia yueqian's affairs. "

"I feel very happy when I am with you! But I have been deliberately ignored a point, that is, in my heart has been secretly for summer yueqian left a position. Or is it really unforgettable? I even want to marry you to forget him completely. I know this idea must be cruel to you

Tang Yuze shook his head. "No! I don't mind if you marry me to forget himCloud Mu Xin's tears fall out directly. What kind of feelings can Tang Yuze say such humble words. "Kevin, you really don't have to do this for me. If only one side of a relationship works hard, it will be very tired and tired! "

Tang Yuze closed his eyes painfully. Now he really regrets taking Yun Muxin back to city A. at that time, he should take Yun Muxin to register for marriage. He should be reckless, instead of always thinking about perfection. He hopes to get the consent of the elders of both sides, so that the marriage with blessing will last for a long time. But these are all fake.

"Kevin, in the future you will meet a good woman who loves you!" Yun Muxin continued.

Tang Yuze opened his eyes again, "Yun Mu Xin, are you sure?"

"Well! I'm sure! " Cloud Mu Xin nods. "I want to be with Xia yueqian. I went to a circle and found that he was waiting for me all the time! I don't want to let him down again, and I don't want to let my heart down

Tang Yuze's eyes with sadness, "Mu Xin, my heart is so painful!"

"I'm sorry!" There is only one sentence that Yun Muxin can say now.

A drop of tears also from Tang Yuze's corner of the eye, the heart really good pain! Is this the feeling of lovelorn? I feel my heart is like being torn apart. I can't breathe because of the pain.

"Mu Xin, I will not bless you!" Tang Yuze spoke again. Blessing her and Xia yueqian's words, he is not a word to say! Yun Muxin watched Tang Yuze stand up listlessly and then walked out.

Yun Muxin worried about him, or follow him out. As soon as he went to the door, Yun Muxin saw a red dot behind Tang Yuze, which seemed to be an infrared emission.

Cloud mu heart along the red line to see the past, the next moment her face white!
