

Warm Wife 361

[Chapter 361](#)

"Be careful!"

Yun Muxin yelled, and then rushed to push Tang Yuze.

The next second, because of the inertia of momentum, Tang Yuze takes a step forward. He hears a fast sound passing through his ear and falls directly behind him. He slowly looked back, but saw cloud mu heart expression pain looking at himself, and in the blink of an eye, she fell in front of his eyes.

"Adoration!" Tang Yuze shrieked out a cry, he immediately rushed to Yun Muxin's side, and then held Yun Muxin in his arms.

Tang Yuze holds Yun Muxin in his arms. He feels the sticky things flowing out of Yun Muxin's back. The air is also filled with the smell of blood. Tang Yuze's face is also a pale, he knew that Yun Muxin was injured, just now he heard the sound of bullets passing through his ears.

Yun Muxin gasped, and her lips gradually turned purple. She reached for Tang Yuze's hand. Her voice was very weak. She opened her mouth for a long time and said, "Kevin, someone is going to kill you The man is upstairs next door

Tang Yuze hugged Yun Mu Xin and his eyes turned red. He immediately looked back at the building opposite, but there was no one on the top of the building. It should be evacuated quickly.

Tang Yuze looked back at Yun Muxin, "who let you block for me?"

Yun Muxin smiles weakly at Tang Yuze: "I remember my aunt said that your life is very important to the Tang family I have been thinking about this sentence just now... "

"Yun Muxin, you will only make me more unable to let you go!"

Cloud Mu Xin's consciousness is also more and more fuzzy, "Tang Yuze, if there is a next life, you come to me earlier! Maybe I'll go with you

"Big fool!" Tang Yuze is full of anger with cloud in his heart. He won't let those people go!

Yun Muxin slowly closed his eyes, "I want to sleep..."

"Don't sleep!" Tang Yuze cried out.

Because of such a sudden incident, people around began to look a little panic, and someone helped to call an ambulance. The ambulance soon arrived, Tang Yuze holding Yun Muxin directly on the ambulance.

HD headquarters.

Huo Dongyang and Jason have a meeting, and a phone call interrupts the meeting. *noVelUS&.Com*

"Hello, Hello," he said

"Mr. William, I'm Kevin's assistant. Miss Yun is in the hospital now. She's shot!"

"What are you talking about?" Huo Dongyang immediately stood up, seems to want to maintain a trace of calm. "Which hospital!"

After hearing the address, Huo Dongyang hung up the phone. "The meeting is over!"

See Huo Dongyang so nervous and unflappable. Jason also heard Huo Dongyang talking about the hospital just now. He asked, "boss, who is in the hospital?"

"Mu Xin was shot. Now he is in Maria hospital. I'll be right there. "

Jason and John got up with tension on their faces. "Let's go too!" How to say, they also cloud Mu Xin as their sister, this time let them wait here, they are not at ease!

When they arrived at the hospital, Huo Dongyang saw Tang Yuze sitting there alone, and the whole person was in a state of loss of soul.

"Tang Yuze, what's going on?" Huo Dongyang's voice was louder than usual.

When Tang Yuze heard Huo Dongyang's voice, he turned his head mechanically. He just said sorry and didn't speak. Seeing Tang Yuze's appearance, Huo Dongyang did not continue to ask, but looked at the door of the operating room with worry.

At this time, Yun Yiyan and Xia yueqian also came. Xia yueqian immediately asked, "Mu Xin, how is it?"

But there was no one to answer him. Finally, Xia yueqian went to Tang Yuze and said, "how could such a thing happen?"

Xia yueqian knows that Yun Muxin has made an appointment with Tang Yuze today. Although he is angry, he still lets Yun Muxin go out. In fact, these things should not be faced by Yun Muxin alone, but he did.

"Those people are coming for me." Tang Yuze's voice is a bit hoarse, which also explains the reason.

All of a sudden, the men in the corridor are quiet, waiting for a result. The operation also ended two hours later, and the doctor and nurse came out.

"How are you, doctor?" Huo Dongyang immediately asked.

"The bullet has been taken out. Fortunately, the gun did not hit the key point, but the wound should be noted in the back."

Thank you

Tang Yuze is relieved to hear that Yun Muxin is OK. He stood up. "I have something to deal with. I'll see Mu Xin later."

Huo Dongyang nodded. He knew what Tang Yuze was going to do. "Take care of yourself."

"I'll give you an account."

Tang Yuze's pace is also a little unsteady. In fact, he is very grateful to Huo Dongyang. After such a thing happened, they didn't beat and scold themselves. This is the biggest comfort. If it's someone else, then I

guess it's broken. So now he wants to get justice for Yun Muxin. From now on, he won't swallow his anger any more.

Yun Muxin woke up the next morning, Xia yueqian has been taking care of her. Seeing Yun Muxin wake up, Xia yueqian is relieved.

"It worries you." Yun Muxin said. But the posture of lying on one's side made Yun Muxin's hands numb, and she moved to pull the wound. "Pain..."

Xia yueqian immediately examined the wound. "Don't move. The wound is on the back."

"And Kevin?" Cloud mu heart around a circle or did not find Tang Yuze's figure.

Xia yueqian seemed to be unhappy, and he said with gusto, "I'm going to be jealous! Look for him as soon as you wake up! "

Yun Mu wanted to laugh, but when she pulled the wound, her eyebrows wrinkled. She adjusted it and asked, "is he OK?"

"Well, it's OK. He said there was something to deal with. "

Yun Muxin heard Xia yueqian's words, or some worry about Tang Yuze. Who wants his life? The whole thing doesn't seem as simple as it seems. Will Tang Yuze really be ok? Otherwise, I'll get a shot in vain.

Xia yueqian holds Yun Mu Xin's hand. "Next time you're not allowed to do this, you can help Tang Yuze block bullets."

"I didn't think that much at that time." Cloud Mu Xin answers.

"I'm very dissatisfied now!"

"I think whoever it is will choose to do so at that moment. I think you will. " Cloud Mu Xin answers.

Xia yueqian sighs. "You are a good man! If it was me, I would not have saved my rival. "

Yun Muxin understands Xia yueqian, and all he says is angry. As a doctor, even if he is his own enemy, he will reach out to save him. This is his mission as a doctor.

Yun Muxin's words also became a reality that night. When Xia yueqian went home, he heard a voice in the grass just as he was about to open the door. He walked in the direction of the sound and found a figure lying there.

Xia yueqian took out his mobile phone and then turned on his flashlight. He could see the people in front of him. This is the injured Tang Yuze. Xia yueqian immediately squats down to check his condition.

"Tang Yuze, what do you think?"

"Help me..." Tang Yuze fainted without speaking.

[Chapter 362](#)

Hearing Tang Yuze's words, Xia yueqian immediately checked his condition. It seems that the degree of injury is some serious.

Then Xia yueqian helped Tang Yuze up, and then he asked Yun Yiyan to help. The two brothers helped Tang Yuze to a room.

Yun Yiyan looks at Tang Yuze, who is covered with blood, and frowns. "What happened to Tang Yuze? I haven't seen anyone since I disappeared that day. What's the meaning of running here today with a whole body of blood? "

Xia yueqian took off Tang Yuze's clothes and saw the wound on his body. It seems that he was hurt by a sharp weapon. He must have shed a lot of blood. I really don't know how he got here.

"What are you going to do, brother?" Yun Yiyan stood aside and asked. "You want to save him?"

Xia yueqian did not answer, but continued to examine Tang Yuze's situation. Tang Yuze's heart rate is still normal, and the blood on the wound has dried up. At present, Tang Yuze's situation should not be as serious as expected, which also let Xia yueqian breathe a sigh of relief.

"Yi Yan, bring me my toolbox." Xia yueqian finally spoke.

Yun Yiyan was stunned, as if he didn't think that Xia yueqian really wanted to save Tang Yuze. He still felt a little incredible, "do you really want to save him?"

"Well! I'm a doctor, so I can't stand by. " Xia yueqian replied.

Hearing Xia yueqian's words, Yun Yiyan still went to get Xia yueqian's medical toolbox, but he didn't expect that it would come in handy. Yun Yiyan came out of the room with a toolbox and saw Huo Dongyang coming back from work.

Huo Dongyang looked at Yun Yiyan, and just now he saw the blood on the porch, he knew there was a situation. "What happened?"

"Tang Yuze, who was injured all over, came to our house." Yun Yiyan replied. "My brother said to save him!"

Hearing Yun Yiyan's words, Huo Dongyang is also surprised. Did Tang Yuze get hurt? He followed Yun Yiyan and walked into the room. Seeing the wound on Tang Yuze's body, his eyebrows immediately wrinkled. What did he experience? It seems that he had a fight with others, but since he didn't go to the hospital, he came here, and I'm afraid that things will be exposed.

Xia yueqian took out the mask from the toolbox and put it on, "you go out first."

"Xia yueqian, do you have all the tools?" Huo Dongyang said, it seems that he is also worried that Xia yueqian's tools are limited. After all, it is a matter of life, and it must not be careless. He can call a doctor if he needs to.

"Huo Dongyang, I can only deal with emergencies. If I can, I'd like to ask a professional doctor to come here. Maybe we can cooperate. " *novElUsb.Com*

"OK, I'll go right away."

"Tang Yuze may need a blood transfusion, so that the doctor is also ready." Xia yueqian also said to Huo Dongyang.

Huo Dongyang nodded, "OK."

Xia yueqian immediately began to help Tang Yuze clean the wound. Looking at his brow, he knew that he must have felt the pain. Xia yueqian has no anesthetic, so the process of treating the wound must be very painful.

The doctor invited by Huo Dongyang came soon. Seeing that Tang Yuze's wound had been treated, he could not help but look at Xia yueqian more. Without saying that the emergency treatment was very good, which also saved Dr. Smith a lot of trouble.

Xia yueqian clenched his hands. His hands were still not strong enough to lift any strength. His movements were clumsy and slow. Now his hands began to tremble slightly. It seems that the teacher's words are right. It seems that his hands can't pick up the scalpel.

Because of the proper first aid, Tang Yuze's condition also stabilized and his breath stabilized a lot. As for other things, wait until he wakes up.

Dr. Smith looked at Xia yueqian. From the conversation and communication just now, he thought that Xia yueqian was a very excellent doctor. If he had all the tools, he would be more than enough to deal with such wounds alone.

"You are a wonderful doctor." Smith sincerely gave Xia yueqian a positive look. Xia yueqian hands massage each other, so as to ease the shaking of hands.

Smith was soon aware of Xia yueqian's situation. "What's wrong with your hand?"

"My hand has been hurt. I can't pick up the scalpel now." Xia yueqian replied.

"Oh, what a pity." Said Smith. "May I see the situation?"

Smith also showed Xia yueqian his hand by the way. He could see that his hand was seriously injured. It was a miracle that he could keep it. But these hands are not incurable. "You can find someone. That man is the authority in this respect. Maybe he has a way. "

Hearing Smith's words, Xia yueqian's eyes also brightened up. "Well, thank you."

"You're welcome. William and I have been friends for many years, and he used to get hurt a lot and I treated him. In your Chinese words, practice makes perfect! When you get a call, you automatically respond to what's going on. "

"Smith, I'm sorry to trouble you today." Huo Dongyang said.

Before leaving, Smith also told Xia yueqian the contact information of another doctor and asked him to have a look. Or there will be miracles."Huo Dongyang, let's all go out and let him have a rest first."

Three people came to the living room, Xia yueqian also told Huo Dongyang about his discovery of Tang Yuze.

Huo Dongyang guessed that Tang Yuze should know who was going to hurt him. Yun Muxin wanted to kill Tang Yuze by blocking that shot. If he thought of what he said in the hospital, then Tang Yuze would

be injured. The reason is obvious. So who wants to kill him? Is it Tang's nemesis? Or a business competitor?

All of a sudden, there were too many hypotheses, and every one seemed to make sense. Now I can only wait for him to wake up.

"Huo Dongyang, when saving Tang Yuze this time, I found a very strange problem."

"What's the problem?" Huo Dongyang immediately paid attention to it.

Xia yueqian looked at Huo Dongyang seriously and said, "I think Tang Yuze's body is different from ours. His self-healing ability is better than that of ordinary people. When I helped him with the wound, his wound healed really fast

After hearing this, Yun Yiyan also followed: "brother, what do you want to say? Is he still like those fantasy dramas on TV that his body will heal automatically? You are also a doctor. Don't be so funny and don't say strange things

Xia yueqian really felt nervous this time. Tang Yuze's situation was really special. It must also have something to do with good health. Thinking of this, Xia yueqian doesn't continue to talk about it, because the more he talks, the more ridiculous he will be.

Huo Dongyang looks at Xia yueqian and doubts what he said just now. He suspects that Tang Yuze may really be different from normal people. In addition to the mysterious secrets of the Tang family, this seems to be reasonable.

[Chapter 363](#)

The next morning.

When Xia yueqian went to check Tang Yuze, he found that he was already awake.

"You are in good health! So I wake up. " Xia yueqian said. Xia yueqian is really interested in studying Tang Yuze's physical condition now. Maybe he will find something unexpected.

Tang Yuze's eyes did not have any waves, he just looked at the ceiling quietly. "Mu Xin, how are you now?"

"She's fine. You'd better worry about yourself now."

Tang Yuze will look back at Xia yueqian at this time. "Thank you for saving me."

"I don't really want to save you." Xia yueqian said honestly, "because you are my rival in love. But I'm still a doctor. Mu Xin is right. As a doctor, his bounden duty is to save the dying and heal the wounded. Even if it's your own enemy, save it. "

Tang Yuze heard Xia yueqian's words, the corner of his mouth moved. "So I want to say thank you to Mu Xin."

"But don't let her worry about your present situation." Xia yueqian continued. He knew that in Yun Muxin's heart, Tang Yuze was also special. If he had not been there, Yun Muxin might have had a bad year.

Tang Yuze just wanted to move, but pulled the wound on his body. His brow frowned. Xia yueqian reached out and pressed him, "you still don't move. Although the wound has been treated well, the wound is very deep, and you still need to rest."

"Xia yueqian, that's all about my injury. Don't tell anyone else that I will leave the United States as soon as possible. " Tang Yuze said.

Xia yueqian heard what he said, he looked at the time, not long from the new year. Yun Muxin has also said that Tang Yuze said he would leave the United States, as if it was new year's time. "Don't you say new year? It was also in January. "

"Mu Xin even told you that?" Tang Yuze didn't think of it. But I don't think it's strange. She also trusted Xia yueqian, so she told him all these things! "It was my intention, but not now. I want to leave as soon as possible. "

Xia yueqian and Tang Yuze chatted in the room for a long time. They said a lot of things. Of course, the problem of Yun Muxin was inseparable. After experiencing this time, Tang Yuze decided to let go. Some things can't be solved if he escapes, so he feels that if he wants to face them formally, he should also shoulder his responsibilities.

"Tang Yuze, do you really decide to give up? It's not the same as you used to be. "

"I don't want Mu Xin to get hurt for me again." Tang Yuze says what he thinks. This time, Yun Muxin blocked a robbery for himself. He was shocked too much. He or never thought that such a thing would happen. He thought that he would be ok if he was far away, but it was a self deception.

At this time, he realized that his ability was so weak that he could not fight against those things, so he needed strength to protect the people he loved. This is why Tang Yuze decided to go back.

Xia yueqian knew that Tang Yuze had hesitated for a long time, but he still decided. "You are a worthy opponent indeed

"Xia yueqian, I give up admiration, not because I don't love her, just because I love her, I don't want to hurt her." Tang Yuze said his heart. He also believed that Xia yueqian would be good to Yun because Xia yueqian could risk his life for his admiration, which is one of the reasons why he let go.

Xia yueqian nodded. "Don't worry! I won't give you a chance to rob again. "

Tang Yuze couldn't lift the corners of his mouth. "I'm not going to grab it, but I'll keep an eye on you. If you don't treat her well, I'll teach you a lesson! "

"I think that when I don't need your hand, I will also be unloaded by Huo Dongyang." Xia yueqian laughed and joked.

"Yes, too!" Tang Yuze agrees.

Xia yueqian saw that Tang Yuze was a little tired, "you have a rest."

Two days later.

A car stopped at the door of Huo Dongyang villa and two people got off the car. They took Tang Yuze to leave.

Xia yueqian looked at the visitors and knew their purpose. The two men nodded at Xia yueqian. "Let's pick up the young master."

"He's in there." Xia yueqian pointed to the room where Tang Yuze was.

Soon, two people helped Tang Yuze out. Xia yueqian's physical recovery is really faster than that of ordinary people. He can get out of bed and walk in two days. It's just that I haven't recovered, so I'm still tired after taking a few steps.

Tang Yuze looks at Xia yueqian standing in the living room. "I've been troubling you these two days! I'm leaving. "

"Take care, Tang Yuze! See you again in the future

Tang Yuze shook his head. "There won't be Tang Yuze in the future, and I don't think we'll see each other again. You and Mu Xin are fine. Don't forget what I said

"Good."

Xia yueqian thought that Tang Yuze was just talking, but from the moment he left, Tang Yuze had disappeared. He is right. There will be no more Tang Yuze in the future. This is Xia yueqian and Yun Muxin. When they went to C city to find him a few years later, they found that Tang Yuze had never been in the Tang family, and he did not seem to exist. After seeing Tang Yuze off, Xia yueqian set out to the hospital. And behind him, Tang Yuze also let people follow. He wanted to see the last side of Yun Muxin, even if it was only the far side.

Xia yueqian takes Yun Muxin for a walk in the yard. He doesn't mention anything about Tang Yuze.

"Sit down first."

"Xia yueqian, the doctor said I could be discharged tomorrow." Yun Muxin said. "So you'll pick me up early tomorrow."

"Good!" Xia yueqian nodded.

Yun Muxin suddenly became silent, as if since that day, Tang Yuze sent himself to the hospital and never appeared again. To tell you the truth, Yun Muxin is really worried about his situation. I don't know how he is.

Xia yueqian saw suddenly silent cloud Mu Xin, "what are you thinking?"

"Tang Yuze!" Cloud Mu Xin answers. "I don't know how he is now?" In yunmuxin's heart, she now regards Tang Yuze as her family, so that she can continue to care about him.

"He..." Xia yueqian opened his mouth, hesitated for a moment and then said, "he's gone."

"Gone?" Cloud Mu Xin a face does not understand ground to look at Xia Yue Qian, "what is this mean?"

Xia yueqian held Yun Muxin's hand. "He left the United States ahead of time and said he was going to the place he should go."

Cloud Mu Xin's eyes are dark. Tang Yuze does this to fulfill himself and Xia yueqian. I hope that in the near future, there will be a woman who loves him very much. She doesn't want Tang Yuze's heart to be closed from now on.

"Drive Tang Yuze takes back his eyes.

"Young master, where are you going next?"

"HD headquarters."

[Chapter 364](#)

HD headquarters.

Huo Dongyang and Jason discuss the case of cooperation. Yun Yiyan also follows Huo Dongyang because he is free at home. He sat quietly watching Huo Dongyang and several of them had a meeting to discuss.

Here, as expected, the style of handling affairs is totally different from that of domestic companies. Here is what each employee will ask the boss to do. The boss will also communicate with the employees to understand their ideas. Almost all the employees and the boss are in a good atmosphere. However, most domestic companies are waiting for the boss to assign tasks. If there is a positive employee, they will be doubted. Over time, the enthusiasm of employees is not high.

During the break, Jason's assistant came in, whispered a few words in his ear and went out.

Huo Dongyang asked: "what's the matter?"

"Boss, Tang Yuze has come and said that he has something to say to you. Now he is waiting for you in your office." Jason replied.

Huo Dongyang looked at the time after listening, "the meeting will be pushed back."

"OK!"

Huo Dongyang returned to the office and saw Tang Yuze sitting on the sofa waiting for himself.

"Mr. Huo!"

Huo Dongyang raised his eyebrows and changed his address. It seems that he has made a decision. Huo Dongyang walks to Tang Yuze and sits down. "How is your health? Why don't you rest at home? "

No, "Tang Yuze shook his head. I'm about to leave the United States. "

"Leave?" This is what Huo Dongyang didn't expect.

"Well! In the afternoon. " Tang Yuze replied. "I've come to say something to you."

Huo Dongyang nods. "Say it

"I know my father once asked Mr. Huo for one thing, that is to help me when I need help in the future." Tang Yuze didn't beat around the bush.

"So you need my help now?"

Tang Yuze shook his head. "In fact, you have already helped. This time, thank you and Xia yueqian for saving me. That's enough! "

"Have you and Mu Xin dealt with everything?"

"Well! She and Xia yueqian are very good, a love two people just, three people is a disaster. This time, admiration is because I was hurt, and you and Xia yueqian also saved me. If I fight again, it will be too inhumane. "

Huo Dongyang did not speak, but waited for Tang Yuze's words below. In addition to saying goodbye today, he should have something to explain. Tang Yuze looks at Huo Dongyang. "Mr. Huo, I dealt with all the threats on this side that day, so mu Xin will be very safe. After I leave here, please forget Tang Yuze. He will also disappear from the world, and don't go to the Tang family for any information. "

Huo Dongyang also nodded after listening. Since this is his wish, he will respect it. Huo Dongyang took out a gold card and handed it to Tang Yuze.

"What is this?"

"That's my promise, and I'll do what I promised your father. This time the person who saved you is Xia yueqian, not me. So the promise is still there. If you really need it, come to me with this card. I'll try my best to help you! " Huo Dongyang replied.

Tang Yuze looked at the gold card in his hand, "I hope I don't use it one day. Because I don't want to have any intersection with you. "

"Tang Yuze, in fact, you don't want us to get involved in you or those things behind you. However, I am a person who attaches importance to commitment, and it depends on you! Of course, I also hope to see this gold card in the future, so at least you are safe, right? "

Tang Yuze put the gold card away! It's about time. I'm going. "

"Good luck to you!"

Thank you

That night, there was a piece of news on the news. Tang Yuze's company suddenly caught fire, and the fire was swift and violent. The fire lasted several hours before it was put out, and everything in the company was in ruins. Several bodies were also found at the scene. Although they were burned beyond recognition, they were identified as the company's principal, Tang Yuze, his assistant and several department managers.

Police initially estimated that several people were killed in a fire during the meeting because they could not escape in time. The exact cause of the incident will also be further investigated.

Seeing such news, Huo Dongyang, Xia yueqian and Yun Yiyan feel stupid. Is this how Tang Yuze chooses to leave? The fire broke out just at five o'clock in the afternoon.

"Is that Tang Yuze really dead?" Yun Yiyan asked.

Huo Dongyang is silent. He doesn't believe that Tang Yuze is dead like this. He also understood the meaning of Tang Yuze's words in the afternoon. There would be no Tang Yuze in the world, but he didn't expect him to do so. Huo Dongyang will also respect Tang Yuze's decision.

Xia yueqian did not believe that Tang Yuze would die. He left the United States in some other capacity. He was tough enough to erase all traces of him in the United States. Tang Yuze, I wish you all the best!

Yun Muxin was also sad for several days because of this incident. Later, Xia yueqian told Yun Muxin what Tang Yuze said to himself. Yun Muxin said that after listening, she was also silent. She didn't know what made Tang Yuze make such a decision, but she could see that his heart must be very painful!"Mu Xin, don't be sad! He will be OK. " Xia yueqian said with cloud in his arms.

Cloud Mu Xin nestles in Xia yueqian's arms. "The more modest, I want to go to him if I can."

"Well, I'll be with you then!" Xia yueqian replied.

Time will not stop, time will soon be the Christmas holiday. HD annual general meeting of shareholders will be held soon.

Xia yueqian and Yun Muxin went out shopping this day. Qiao Wei didn't come back this year. Of course, the reception fell on Yun Muxin. Xia yueqian also had to volunteer to help.

"Mu Xin, do you think this crystal ball is beautiful?"

"Beautiful!" Cloud Mu Xin answers. But her attention was not on the crystal ball.

Xia yueqian knows that Yun Mu Xin is perfunctory. "What are you looking at?"

Cloud Mu Xin lowered his head and pointed to a pair of lovers' bracelets in the window, "is this good-looking?" *nOVelusb.com*

Seeing the twinkle of Yun Mu Xin's eyes, Xia yueqian knew that she liked it. He just wanted to take Yun Muxin into the store, but he saw that the couple's bracelet was taken out of the window.

"Ah..." Cloud Mu Xin's eyes also follow the bracelet to move, "someone wants to buy?"

Xia yueqian immediately took Yun Mu Xin's hand and went in, "if you like, we'll buy it." Xia yueqian also wants to give yunmuxin a Christmas present. That's it.

After Xia yueqian and yunmuxin enter the store, they see the clerk show the necklace to a couple. Because it is back to face, they only see the back, and they think that the two people are very well matched.

"Do you like it? If you like, we'll buy it. " Asked the man.

Cloud Mu Xin to listen to this voice feel familiar, she broke away from Xia yueqian's hand, and then walked forward. When she saw the two people in front of her, she was frozen in place.

"Brother Qin Hao, sister lan..."

Hearing Yun Muxin's voice, Qin Hao and Jian LAN turn their heads at the same time.

[Chapter 365](#)

In an instant, the four people looked at each other, which was a bit unexpected.

Cloud Mu Xin's face is full of surprise, her eyes keep looking back and forth in the eyes of the two people. Unexpectedly, Qin Hao and Jian LAN arrived ahead of time. Yun Muxin felt that they had not told anyone, otherwise no one would have said it. Recently, she often goes in and out of HD, and she really hasn't heard any news. Yesterday, John and they said that Qin Hao would only appear on the day of the meeting this year, but Yun Muxin didn't expect to see them at this time and place.

Xia yueqian also frowned at the two people in front of him. It seems that they are really together! Otherwise, how can we go shopping together? When he thought of Yun Yiyan, Xia yueqian looked at them with unfriendly eyes.

Qin Hao and Jian LAN are also surprised by the sudden appearance of Yun Muxin and Xia yueqian. It seems that they have come together after all. I've been traveling outside all the time, and I haven't had time to update the news about these things. However, we can see some key points from their movements and expressions.

"Are you reunited Qin Hao spoke first.

Xia yueqian narrowed his eyes and looked at Qin Hao. "We are now in a fair and aboveboard way together, not a reunion at all."

Qin Hao laughed and said, "OK! Just think I'm wrong. "

Yun Muxin then said, "when did you arrive? Why didn't you inform uncle

"We arrived in the morning, got off the plane and went to the hotel to sleep. I'm hungry, so I'm out looking for food. " Qin Hao explains with a smile. "I didn't expect to meet acquaintances when I bought something. We also want to give you a surprise now **ELuSB.com**

Yun Muxin heard Qin Hao's meaning. They didn't want to meet anyone at all. They were afraid of being uncovered. Yun Muxin deliberately asked, "this is a big surprise. Brother Qin Hao, when will your wedding be held

"Actually, our wedding has already been held." Qin Hao replied.

Hearing the news, Yun Muxin frowned. I didn't expect things to develop so fast that they even had a wedding ceremony already?! This news is really amazing.

After hearing this, Xia yueqian is holding his breath in his heart. Qin Hao is really an action group. He actually killed the first and then acted on it! But what should my brother do? Don't you want to die of grief? He's lost his chance again.

"Mu Xin, don't go back and tell your uncle that you have seen me." Qin Hao confessed, "then I will personally bring you joy candy."

Cloud Mu Xin looked back at Xia yueqian beside him, and he seemed to be vaguely angry. Such a fact, for him, must be angry, which also proved that the second brother is now no chance.

Cloud Mu Xin stretched out his hand to hold Xia yueqian's hand, "is everything ok?"

"It's OK." Xia yueqian replied. This time, he looked at the quiet Jian LAN, who seemed to feel different from what he had seen before. As for the difference, he couldn't tell.

Qin Hao saw such a situation, had to take Jian LAN to withdraw first. After a long time, there will be problems. "Xiao Lan and I went back first."

"Oh..." Cloud Mu Xin should a, and then see Qin Hao pull Jian Lan's hand to leave.

Seeing that they had taken a few steps, Yun Muxin seemed to think of something and immediately stopped them. "Sister LAN, my aunt has been waiting for your call. Please call her when you are free."

Qin Hao feels that Jian Lan's body is stiff. He puts his hand on Jian Lan's shoulder, indicating that she should not be nervous. Qin Hao looks back at Yun Muxin. "OK, we're going to buy a new cell phone tomorrow, and then we'll call Pico back."

"Your cell phones are broken?" Yun Muxin thinks something is wrong.

"After all, we are also on holiday, there is no mobile phone is also a lot of clean, no one to disturb, better two people's world!" Qin Hao said with a smile that maybe Qin Hao disguised it very well, so neither Yun Muxin nor Xia yueqian refuted him.

After watching Qin Hao and Jian LAN leave, Yun Muxin and Xia yueqian look at each other, "the more modest, do you feel that something is wrong?"

"You can see that, too?" Xia yueqian felt the same way, but he couldn't say that there was something wrong.

"Sister LAN looks strange." Cloud Mu Xin received a sentence, she did not say a word from the beginning to the end, giving people a sense of alienation.

Xia yueqian doesn't pay too much attention to Jian LAN. He thinks Qin Hao has some problems to avoid this time. Or are they hiding something from everyone? These seem to be abnormal.

Back home, Yun Muxin secretly told Huo Dongyang about this.

"Uncle, don't you think it's strange?"

Huo Dongyang hands around the chest to lean on the chair, as if also digesting cloud Mu Xin Gang just words. Qin Hao and Jian LAN are back? And they had a wedding? And don't let Yun Muxin tell himself the news?

Huo Dongyang put his hand down, "what do you think is strange?"

"I think Xiaolan is strange." Cloud Mu Xin answers. "Without the intimacy of the past." "However, Yue Qian said that brother Qin Hao's behavior was strange, as if he was avoiding our problems. They wanted to buy things, but as soon as they saw us, they said in a hurry

Huo Dongyang touches his chin, according to Yun Mu Xin's statement, then there must be something wrong with this. What happened to them in the last six months? In fact, during this period of time, I didn't have much contact with Qin Hao. Every time I explained some things, it ended. Moreover, Qin Hao handed in the task on time every time, so he didn't doubt it.

"What else did he say?"

"No more." Cloud Mu Xin shakes his head, "said the day of the meeting back to the company to send us candy."

Huo Dongyang nodded. "I see. Don't say anything about this matter as Qin Hao said. When we meet, we'll see the situation. "

"OK." Cloud Mu Xin nods.

After Yun Muxin went out, Huo Dongyang also called Qin Hao. His mobile phone was connected, but he didn't answer this time. It seems that Qin Hao really wants to avoid everyone this time.

Qin Hao's call back is just at dawn. Huo Dongyang looks at the time and thinks he can really pick the time.

"Dongyang, do you want me? I went to bed last night, so I didn't hear my cell phone ring. What's the matter? " Qin Hao replied.

Huo Dongyang holds his mobile phone and sits up. "You are so early."

"I'm just going to the morning transportation." Qin Hao replied.

"Back?" Huo Dongyang, of course, is a direct showdown.

Qin Hao there has a pause, then heard his laughter, "Muxin that girl told you? I just know she can't keep a secret. Yes, we're back. We're staying in a hotel downtown. "

Huo Dongyang raised his eyebrows. "You and Jane lan..."

[Chapter 366](#)

Then Huo Dongyang heard Qin Hao's laughter.

The laughter continued for a long time before it stopped. Qin Hao then said, "didn't you think you would be so gossipy?"

"I'm concerned." Huo Dongyang replied.

"Dongyang, I know you won't interfere in these things, will you?" Qin Hao asked.

Huo Dongyang really didn't know how to answer Qin Hao's words. He really gave himself a difficult question! Qin Hao is such a person. Sometimes he is really black.

Thank you, Huo Dong Yang! I'll be there on time. "

Huo Dongyang felt bad. He knew that he had been put together by Qin Hao, but he was not happy.

"Now that you are married, be nice to them. After all, you are now responsible for your marriage. "

"Don't worry, I will." Qin Hao replied.

"Hang up!" Huo Dongyang first hung up the phone, and then the whole person was uncomfortable. Thinking of Qin Hao's attitude and tone just now, it seems that Yun Muxin is right. He is really strange.

With his character, he should not hide and tuck in. This time, it is rare to see Qin Hao like this. He seems to be protecting Jian LAN, or is the problem in her?

Huo Dongyang, who still wanted to sleep, didn't feel sleepy at this time. His whole body was in a state of mind. On the whole, this matter is really not simple. There must be something wrong, otherwise Qin Hao would not be so careful.

At breakfast, Huo Dongyang came out of the room last.

"Uncle, have breakfast."

Huo Dongyang went to sit down. He looked at the people who were sitting at the table. Then he said, "you don't have to go to the meeting tomorrow."

"Why? Didn't you tell me to go with Mu Xin?" After hearing this, Yun Yiyan also feels dissatisfied. He can even go back on what he promised before. God knows how long I've been waiting for this day. I've been in the United States for nearly a month, but I'm afraid I won't let myself go now.

Yun Muxin and Xia yueqian looked at each other and exchanged a look. It seems that Huo Dongyang wants Yun Yiyan to avoid his Qin Hao, so as not to have a conflict. They know that the situation will certainly support Huo Dongyang's decision, but Yun Yiyan, who knows nothing, must be angry.

They seem to be asking each other, what should we do? But now no matter what to do, it is a kind of harm to Yun Yiyan. His trip to the United States is to wait for the opportunity to meet Qin Hao and Jian LAN.

Huo Dongyang of course also felt cloud Yiyan's anger, but there was no way. He didn't want to make any mistakes in the meeting tomorrow, so at this time, he would choose to sacrifice Yun Yiyan.

"There are other tasks for you tomorrow." Huo Dongyang made an excuse to get rid of Yun Yiyan.

"Huo Dongyang, what tasks do you have for me?" Yun Yiyan really wants to see what work Huo Dongyang has to do by himself? If it is not something important, he will refuse!

Huo Dongyang, of course, will also speculate about Yun Yiyan's mood at this time. He quickly searches his mind to find out whether there is a task that can be handed over to Yun Yiyan, and he has to make it slow. Only in this way can Qin Hao have time to make trouble. Otherwise, when they face each other, they really don't know what will happen.

"Yi Yan, listen to Huo Dongyang. When we came, we all said that we would listen to his arrangement. " Xia yueqian opened his mouth to help Huo Dongyang speak, and for Huo Dongyang to buy some time.

Yun Yiyan looks at Xia yueqian. What's going on? Actually, his brother and Huo Dongyang are on the same front for the first time. It's absolutely something that happens, otherwise they won't be like this. What happened to Qin Hao and Jian LAN?!

"I see you're hiding something from me." Yun Yiyan asked. "So you want to keep me away? It's too contemptuous of me

Cloud Mu Xin's face also some hesitation, do not know whether to say. It's unfair to second brother if you don't say it, but I'm afraid that he can't accept it. It's a real tangle at this time.

Yun Yiyan observed the faces of all the people. As expected, there was something to hide. It seems that Qin Hao and Jian LAN are involved. There will be a meeting tomorrow, and they will be in the United States today at the latest. We can't get together this year?!

"Huo Dongyang, you are the most able to tell the truth. Then I have a question for you." Yun Yiyan's eyes became serious.

Huo Dongyang nods. "Say it

"Is it because Qin Hao and Jian LAN are not allowed to attend? You're all worried that I can't take it?" Yun Yiyan asked. The answer is also nervous for him. Because I haven't seen each other for a long time, I don't know whether she is living well now?

Huo Dongyang also did not continue to hide, but told all the things he knew, except that Qin Hao and Jian LAN got married.

Hearing what Huo Dongyang said, Yun Yiyan's heart felt uncomfortable and uncomfortable. Sure enough, Qin Hao really brought Jian LAN here, and did not expect that they arrived in advance, but did not show up! The more Yun Yiyan thinks about it, the more uncomfortable she feels. Is Jian LAN really planning to marry Qin hao? She really forgot everything about the past? At the beginning, she swore that she liked herself and said that she hoped she could be given a chance. Now turn around and hook up with other men, this is what kind of people like.

Yun Yiyan's heart is full of five flavors, and his mood is also subject to great fluctuations. "Huo Dongyang, I must go tomorrow! No one can stop me

It can be seen that Yun Yiyan's determination, Huo Dongyang this time did not obstruct. Since the parties also feel OK, why should they stop it? "Well, I won't stop you, but I still have a request. Don't make trouble. You can't deal with anything until the end of the shareholders' meeting."

Yun Yiyan clenched his fist. "I will try to control my emotions! But if someone is deliberately provocative, it's hard for me to say

"Qin Hao will not." Huo Dongyang replied. Qin Hao is also a person who takes the overall situation as the priority, and he certainly will not do so.

"That's the best." Yun Yiyan is a poker face. If there is something he doesn't like to listen to, he will certainly not bear it.

Seeing that there is no problem with Yun Yiyan, Huo Dongyang wants to have a good talk with Qin Hao. He will talk about this candy later. We should give priority to work.

As a result, Qin Hao didn't answer the phone all day. In the end, Huo Dongyang could only leave a message to Qin Hao on wechat, asking him to pay attention to the situation.

In this way, Huo Dongyang came to the scene of the shareholders' meeting with a heart of uneasiness. He also told Jason to pay close attention to Qin Hao's every move. Once Qin Hao appears, he should collect money for everything he brings.

As a result, Qin Hao walked into the meeting room five minutes before the meeting began. He said hello to everyone with a smile. And he also carried a large paper box in his hand, which seemed to contain something.

[Chapter 367](#)

Qin Hao stood where he was, because everyone's eyes fell on him.

"Why are you looking at me?" Qin Hao asked suspiciously.

"You're the hero of the year." That's what Mike said. In the past years, he was the last one to arrive. As a result, this record has been set by Qin Hao. It is true that people who want to get married are different.

Hearing this, Qin Hao clearly knew what they meant. "So it is. I brought you something to eat today. You can eat while you have a meeting. "

Huo Dongyang takes a look at Qin Hao. It seems that he has seen his own information, but he did not bring the joy candy. Qin Hao put a small bag of biscuits in front of Huo Dongyang, "boss, this is yours."

Huo Dongyang looked down at the biscuits packed in front of his eyes. He had to say that the packaging was full of marks, which showed that it was original. It seems that the people who are preparing have also put some thought into it.

"Boss, this one is specially prepared for you." Qin Hao said with a smile.

Thank you Huo Dongyang replied. "Go back and thank the people who prepared it for me."

Qin Hao nodded, "of course! I'm sure it will. "

"Hold a meeting first."

After Qin Hao sat down, John immediately put his head to Qin Hao's ear. "Qin, is this biscuit prepared by your wife?"

Hearing John's words, Qin Hao's smile on his face was even more brilliant, "of course! Absolutely pure manual, no addition. "

"I can't see that Jian LAN still has this craft." John muttered. In his mind, he also thought that he would find a wife who could cook, so that he could have a good mouth.

However, John's words just floated into Yun Yiyan's ears. Yun Yiyan immediately clenched his hand, and his eyes were always staring at the bag of biscuits in front of him. Jian Lan's craft, he had eaten before, that taste is really good. But now she won't cook for herself, because she's already with other men.

The more you think about it, the more tightly you hold it. Yun Yiyan's eyes also moved from biscuits to Qin Hao's face. It was true that people were happy at happy events. The whole person looked different. The smile on Qin Hao's face made him feel bad.

Huo Dongyang also noticed the waves hidden in the calm, and he seemed helpless. In the end, he just winked at Jason and started the meeting immediately. Jason nodded at once and accepted the order.

At last, the meeting went smoothly and everything was not out of control. This is also what Huo Dongyang is pleased with. It can be seen that Yun Yiyan has been working very hard. Qin Hao actually noticed that, but when Yun Yiyan did not speak to himself, he would not speak out.

Although the pace of the meeting was not slow, it also lasted a whole morning. At noon, Yun Yiyan couldn't help it. He walked up to Qin Hao, and his face was not very good. "Do you have time?"

Qin Hao put down the document in his hand, he nodded to Yun Yiyan, "yes."

Watching Yun Yiyan and Qin Hao go out, others gather together to gossip. John immediately said, "how do I feel a little gunpowder? But what's wrong with them? "

Jason gave John a blank eye. "Are you really stupid or fake stupid. I don't have any eyesight. "

When John heard Jason's words, he jerked discontentedly, and his heart was filled with discontent. It seems that there is only one fool in the world, which makes people feel speechless.

Mike came up. "It's just for women."

"How could you know that?" John looked at Mike with surprise. He would know these things. It's really strange!

Mike took a sip of his coffee. "I don't know. I also have vision. Isn't that obvious? Seeing Qin Hao like that is moistened by love. I guess this woman should have something to do with Yun Yiyan in the past? "

After listening to Mike, Jason can't help but give a thumbs up. "Great!"

"Jane LAN?" John answered immediately, as if he really remembered such a thing. So it seems that Yun Yiyan came to the United States for this matter! If that's the case, the show is about to start.

Stairwell.

Qin Hao leaned against the wall and stood, "what's the matter?" *n0VeloSb.c0m*

"I know why." Yun Yiyan opens his mouth.

Qin Hao smiles, "OK! What do you want to know? "

"Where's Jane LAN?" Yi Yun asked directly. Now he must know the real relationship between her and Qin Hao, which is very important for him.

Qin Hao stood up straight and said, "of course, it's in my home."

"You..."

"Yun Yiyan, when you had a chance before, you didn't know how to cherish it. Now, what else do you have to say?" Qin Hao's eyes also changed. Had it not been for Yun Yiyan, Jian LAN would not have become like that, and that would not have happened. Now I think of it, of course, I feel angry.

"I want to see her!"

"No way!" Qin Hao is so angry that he wants to meet Jian LAN. It's impossible! Thinking of Jian LAN, in order to bear the pain, he would like to give Yun Yiyan a blow directly, but today's occasion, he can only bear it. He should give Huo Dongyang a face. Yun Yiyan clenched his fist. "Why don't you let me see her?"

"Because it's my wife that you want to see now." Qin Hao replied. "So do you think I have the qualification?"

At this time, Yun Yiyan's head suddenly hummed, and then nothing could be heard clearly. In his mind, only Qin haogang's words are constantly replaying. Jane LAN and Qin Hao are married!

Qin Hao can't help humming when he sees that Yun Yiyan has been hit hard. "Yun Yiyan, who are you doing this to? If you knew this would happen, would you have let go? Force her away, you should bear the result! "

After a while, Yun Yiyan said, "I want to see her!"

"I won't let you see her." Qin Hao's attitude is also very tough, because he does not want to let Jian LAN in any harm.

Yun Yiyan seems to have recovered some reason, "what are you doing to prevent us from meeting? Jane LAN is a person, she also has the ability to think and act. Why don't you let us meet? Or you don't have faith in yourself. "

Qin Hao was not affected by Yun Yiyan's words, "Yun Yiyan, the method of arousal is useless for me. Xiao Lan will not meet you. What's more, you've already made it clear half a year ago. What else do you want to say when you meet Xiao Lan? Say you regret it? "

"Yes! I regret it Yun Yiyan almost blurted out such a sentence.

Hearing Yun Yiyan's words, Qin Hao was so stunned that he didn't seem to think that he would say such a thing.

At this time, the door of the staircase was suddenly pushed open, and Huo Dongyang's figure appeared at the door. He gave Qin Hao and Yun Yiyan a faint look in his eyes.

"Sorry, I didn't mean to eavesdrop." Huo Dongyang explained. "You two are a little loud."

The meaning of Huo Dongyang's words is also obvious. Qin Hao looks at Yun Yiyan and turns around. "I went first."

"Qin Hao, wait a minute!"

[Chapter 368](#)

In fact, this sentence was said by Huo Dongyang. Because at this time, since we want to solve the problem, we should solve it well.

Qin Hao looked back at Huo Dongyang and said, "boss, do you want me to deal with it today? Don't you worry about this meeting? "

Huo Dongyang narrowed his eyes and looked at Qin Hao. It seemed that he had already prepared himself. It seemed that things were not as simple as they thought. "Of course, it can't affect the meeting. That's what I want. "

Qin Hao nods with a smile. "That's right! Let's wait until the meeting is over in two days. Since we've been waiting so long, it's not nearly two days, right? " With that, Qin Hao tidied up his clothes and walked out of the stairwell.

Huo Dongyang looked back at Yun Yiyan, "are you ok? Will you continue to attend the afternoon meeting? "

Yun Yiyan looks at Huo Dongyang and says a word after a long time. "Of course! This is a rare opportunity. "

"Well, let's go in." Huo Dongyang finished and turned, but Yun Yiyan's voice came from behind. "Huo Dongyang, can you help me this time?"

It's really unexpected to hear Yun Yiyan say such words to himself. Before that, he has always rejected responsibility to intervene in such things. "I said I wouldn't interfere!"

Yun Yiyan went to Huo Dongyang and asked, "why? My brother and Mu Xin matter, you intervene! You are also involved in other things, even the business of Yun Yiming. You have taken risks to do them. It's my business. You don't care? What's the meaning of this? Or am I not from the cloud family, so you don't want to help? "

In the face of Yun Yiyan's question, Huo Dongyang also felt that what he said was reasonable. He took care of all the above matters. It was the only thing about Yun Yiyan that he didn't want to interfere. It was strange to say that. Is it really because he is not a member of the cloud family? Or for other reasons?

"Huo Dongyang, you can't say anything about it!" Yun Yiyan continued. "At the beginning, I promised you to take over xinyunshi and help you keep the hope of your grandfather. Over the past year, even if there is no merit, there is also hard work. Even if I have been disrespectful to you, I've offset it all with my performance. "

Huo Dongyang is said by Yun Yiyan. He seems to be unfair to him. I feel sorry for Yun Yiyan! Although he has changed his surname, he is still called Yun Yiyan. It's also to tie the new Wynn better. Thank him for all this!

Yun Yiyan saw Huo Dongyang still silent, and was worried. He has to give a word about what he thinks. What do you want to do now! "Huo Dongyang, it is so difficult to answer a word. You know, the relationship between us is the kind of scissors and chaos. So... "

"I see." Huo Dongyang finally spoke. "After that, we'll finish the meeting."

Huo Dongyang's words undoubtedly gave Yun Yiyan a lot of motivation, "so you agreed?"

Huo Dongyang looks at Yun Yiyan and reveals a trace of apology in his eyes. "If I don't respond, I'll be scolded by you all my life, and I'll even be named as heartless."

When Yun Yiyan waited for this reply, he felt very happy. Thank you

"Don't say thank you. It may not be as simple as we think." Huo Dongyang replied. The key of the whole thing is that it's on Jian Lan that other people are not very important. Before hearing cloud Mu Xin's words, Huo Dongyang felt that he really wanted to meet Jian LAN, and then knew her idea.

Yun Yiyan also heard some problems from Huo Dongyang. "I'll be psychologically prepared."

HD's annual shareholders' meeting also ended two days later. At the company's internal meeting, Qin Hao also made a job transfer request to Huo Dongyang. He hoped that he could stay in the headquarters.

Hearing Qin Hao's request, John and Jason are immediately dumbfounded. What is Qin Hao going to do? Give up the position of general manager of a branch company? It doesn't seem to fit his style.

Huo Dongyang looks at Qin Hao, "sure?"

"Well! Yes Qin Hao nods. "Now I want to stop and run my family. So I put forward this request, and I don't want to take Xiao Lan around all the time. Now that I'm here, I'll stop here. "

When John heard Qin Hao's words, he also had a lot of emotion in his heart, "that's good! Touching

"When you get married, you will understand. Isn't William the same? Qiao Wei and they are all in a city, and he stops in a city. "

When I heard Qin Hao take out his own textbook, I still feel a bit uncomfortable. It's like a bad start. "So you mean I'm wrong?"

"How dare I?" Qin Hao said with a smile. "I'm also an ordinary man, and of course I want to be with my wife. This should not be excessive. "

It's not too much, but it makes Huo Dongyang a little embarrassed. He didn't know how to talk about Yun Yiyan and Jian LAN. It's a real headache. It's a dilemma.

John looked at Qin Hao and said, "Qin Hao, you said you were married. According to the Chinese set, do you want to invite dinner and send candy? When will the wedding be held? Qin Hao, who was asked, also said with a smile, "we have already held the wedding. As for the candy, I'll give it to you tomorrow. Actually, it's all ready! As for eating, we'd better wait for Xiaolan's health to have a look! "

John's eyes widened. "Xiaolan is not in good health? You are speeding up the completion of major life events, so this child will not already have it

John's words also remind Huo Dongyang that he seems to ignore this point. If this child also has, Yun Yiyan is afraid to have no chance at all. Huo Dongyang immediately looked at Qin Hao and saw a mysterious smile on his face.

Jason also shook his head. "Qin, remember to tell your love story when you have time. It's really curious!"

Qin Hao waved again and again, "don't say! Anyway, we just let it go. "

Huo Dongyang's eyebrows wrinkle up. Qin Hao really can't get rid of his appetite. He didn't like this before. Now he knows how to play Taiji. It can be seen that he is protecting Jian LAN. Is there something wrong with Jane LAN?

"When I'm free, I'll go and see Jane LAN." Huo Dongyang said. Finally, a sentence is attached. "This is what Qiao Wei asked. She has something I want to pass on to Jane LAN. "

Qin Hao takes a look at Huo Dongyang. He knows that this is Huo Dongyang's excuse, but he is not good at refuting Huo Dongyang. Because if he said it, he would know that there was something wrong with his IQ. And now it seems that Jian Lan's things can't have been hidden.

"Is there a problem?"

Qin Hao shook his head. "If I say there is a problem, you will go. In a few days, Xiao Lan is a little acclimatized recently. I want her to have more rest. "

Huo Dongyang nods. "OK! You can arrange the time. "

[Chapter 369](#)

Knowing that Huo Dongyang is going to meet Jian LAN, Yun Yiyan is also nervous.

Huo Dongyang saw Yun Yiyan walking up and down in front of him. He couldn't help saying, "can you sit down? I look dizzy. "

Yun Muxin, who was sitting on one side, quickly pulled Yun Yiyan to sit down. Then he said in a low voice, "second brother, you should calm down a little. Or my uncle won't help you. "

When Yun Yiyan heard Yun Mu Xin's words, he immediately looked back at Huo Dongyang and saw that his face was not good. He was aware of his problem, so he sat quietly waiting for Huo Dongyang to speak.

Huo Dongyang sees cloud Yiyan stop, he supports his head with his hand. It's really hard to do. He has to find a way. We should not only achieve Yun Yiyan's hope, but also not let Qin Hao find out. Otherwise, Qin Hao would turn his face and refuse to recognize people. Huo Dongyang doesn't want to make a bad relationship because of one thing!

Yun Muxin saw Huo Dongyang's expression for the first time. She then said, "uncle, do you think it's difficult?"

"It's a real problem this time." Huo Dongyang sighed, he a man to say these things are really some difficult to speak, if this time Qiao Wei in words. She and Jane LAN are good friends, which is much easier to say.

After thinking about it, Huo Dongyang later called Qiao Wei and asked for her opinions.

"Dongyang, in fact, I feel a little strange, Xiaolan has not called me back. So I always feel something is wrong

"Qin Hao is protecting Jian LAN very well now. It's not easy to meet her."

"Have you made an appointment?"

"Qin Lanhao said that she was not comfortable for a few days." Huo Dongyang replied. "Today, John joked about whether Jane Lan was pregnant. Qin Hao has neither negative nor positive, which is an ambiguous feeling

"If that's true, then there must be a problem here." Replied Jovi. "Dongyang, go and have a look. If it's really hard, then I'll go. "

"I don't want to trouble you running back and forth. We should not have agreed with Yun Yiyan at that time. "

You can do your best. Yi Yan and Xiao Lan's affairs are not the same as Mu Xin, so they are not the same in handling them. " Replied Jovi.

Qiao Wei said this sentence to Huo Dongyang's heart. The things of Yun Yiyan and Jian LAN are different from Yun Muxin and Xia yueqian. Yun Muxin and Xia yueqian have each other in their hearts, and Tang Yuze's situation is also special. This is also the reason why he helped Xia yueqian. Yun Muxin and Xia yueqian, explain clearly. A year ago, they just missed, not lost!

But now Yun Yiyan's business is more difficult, or Yun Muxin tells himself. Huo Dongyang really don't know. Before that, Yun Yiyan had already made it clear with Jian LAN, and clearly said that it was impossible between them! That's why Qin Hao left with Jian LAN. So since this is the case, what can Yun Yiyan and Jian LAN have to say! Now it's obviously too late to regret.

"Dongyang..." Did not hear Huo Dongyang's voice, Qiao Wei called. "What are you thinking?"

"It's OK. Go to bed early! I'll be back when this is over. "

"Good!"

The day after Huo Dongyang felt a headache, Mike came to see him.

When Huo Dongyang saw Mike, he was totally surprised. "Why did you come?"

"Asked to see you." Mike sits down opposite Huo Dongyang.

Huo Dongyang raised his eyebrows. He also knew that Mike would not be so bored and ran over. He seemed to understand what he said. "Did Jovi ask you to come?"

Mike nodded. "Do you think I'd be so bored if it wasn't for a little bit of it? In fact, she is also worried that you can't make a decision, so she specially asked my good friend to come and have a look. Talk about it! What's the situation now? "

Huo Dongyang has no clue at all, and he doesn't know where to start. Mike really felt speechless when he saw him like this. "William, it's the first time I've seen you like this. But I know, one is a relative, the other is a good partner to work with. You want to take both sides into consideration, but it's hard. "

Huo Dongyang did not speak, and he had already thought of these things. But now the thing is that there is no clue. So how can he do it well?

"I'll show you?" Mike doesn't want to see Huo Dongyang's expression, because his heart is not good.

Huo Dongyang looks up at Mike, and doesn't seem to believe that he will say so. "Do you have a way?"

"In the name of Wei Wei, go to see her first." Mike answers. "I think it's the only place we can break through. Qin Hao probably won't say anything. "

Huo Dongyang thought Mike had a good way, but he didn't think it was the same. "I used to go to see Jian LAN in the name of Qiao Wei. It's meaningless to use this move again."

Mike shook his head. "Of course you can't go so directly. Of course, you can use some other excuse to deal with it. You can let me have a try. "“OK!” Anyway, there is no other way, so Huo Dongyang agrees with Mike.

When Qin Hao is ready to leave work, he sees Mike coming towards him and stops in front of him.

"Something?" Qin Hao asked. Although in some ways they should be closer to Mike.

"Qin Hao, how we say it has something to do with it. Is it so indifferent?" Mike said with a smile. "I hear you're married? I didn't say anything to me. I have to prepare a gift. "

Qin Hao doesn't know what Mike wants to do, so he has to deal with it. "You're welcome."

"It must be a gift. You also know that I make clothes. Since you have been married, this wedding must be held, so the wedding dress must not be less. I just wanted to give my sister-in-law a wedding dress. What do you think? "

Qin Hao blinked his eyes and didn't seem to object. After seeing this, Mike continued: "I wore a dress designed by Dr when I was slightly married. I don't have to tell you more about the effect? "

Qin Hao has to admit that Mike's words really touched him. Jane LAN how to say is also need a set of wedding dress, this point he also don't want to let wronged Jane LAN. After finishing the journey, the ring heard that she had bought something economical and practical, and everything else was simple. But a woman still wanted the wedding dress. Qin Hao knows that when Jian LAN and her ex husband got married, they just got a license, even none of them.

This time, if he can, he really wants to give her a warm wedding. It doesn't need to be big, but it should be warm. Jane LAN has always been lack of security, which must be noted.

Seeing Qin Hao's heart beating, Mike also takes advantage of the victory. "Don't worry, I won't collect money. I just need to go to the door and measure the size."

"Yes!"

[Chapter 370](#)

The next day.

Mike really took his team to measure Jane Lan's wedding dress. Of course, he also told Huo Dongyang about the news. Huo Dongyang also tells Mike a few points, mainly to see the situation of Jian LAN, and don't say anything else.

Mike also replied that Huo Dongyang knew what to do. This time, he didn't have to borrow Qiao Wei to easily handle Qin Hao. From the side, you can see that he was really kind to Jian LAN, so he nodded for her.

Mike looks up at the villa in front of him. Qin Hao is famous for being stingy. He used to rent a room or stay in a hotel. I want to buy a house. I really want to settle down.

After a while, Qin Hao opened the door. Today happens to be the weekend, Qin Hao is also at home.

Mike takes some people in. Qin Hao is waiting at the door.

"Qin Hao, this is a good family." Mike takes a look and gives a comment.

"Well! This is what Xiaolan likes Qin Hao replied.

Mike looked around for a week, but he still didn't see Jane LAN. He went to one side and sat down.

"What about my sister-in-law? Why not see people

Qin Hao made a cup of coffee for Mike? She's upstairs drying clothes, and she'll be down in a minute

"Now it's really like a man with a family. It's time to settle down after years of wandering." It's hard for Mike to say anything like this. In fact, it is really a little awkward, if it is not for Huo Dongyang and Qiao Wei's face, he will not come over.

After a while, I heard the footsteps from upstairs, and then saw a thin figure into the line of sight. Qin Hao sees Jian LAN coming down from the upstairs, so he goes quickly.

When Jian LAN saw Qin Hao come over, she also showed a smile. "Is the guest here?"

"Well!" Qin Hao nods, then takes Jian Lan's hand to come together.

Mike once saw a picture of Jane LAN on Qiao Wei's mobile phone, and once at the wedding of Huo Dongyang and Qiao Wei last time. It was the second time they met, but they felt different. She seems to be thinner than last time.

Jian LAN and Qin Hao stand together, and they feel really good together. This is Mike's first impression.

"Now I should call you Mrs. Qin."

By Mike such a sleep, Jane Lan's face a red, "call my name is OK."

"We met at William and Weiwei's wedding last time." Mike goes on. And obviously, Mike also noticed that when he finished this sentence, Jane Lan's face obviously changed and her eyes were a little flustered.

Then Jane LAN well disguised his embarrassment, "there are too many wedding people, I didn't pay attention to it."

"It doesn't matter. We'll see each other often when you're here." Mike said with a smile. "I'm bringing someone to measure you today, and I'm going to give you a wedding dress. You and Qin Hao are both married. I'm sorry to be empty handed. I have to show you something. "

Jane Lan said with a smile. "Thank you so much!"

"You're welcome. If you're ready, then it's on. " Mike keeps a consistent style so that Qin Hao won't be suspicious.

Jian LAN and the designer went to the room to measure the size. Qin Hao and Mike sat in the living room. They didn't say anything. They do their own things. Qin Hao makes a new plan. Mike is gossiping with his mobile phone and occasionally sends messages to Huo Dongyang.

Half an hour later, the designer came out. "Boss, it's all right here."

Mike nods. "You go back and prepare. I'll be back later. "

"OK."

Jian Lan also changed a suit of clothes and came out of the room. She sat down beside Qin Hao. The two looked at each other and then laughed. Qin Hao reached out and held Jian Lan's hand, "tired?"

"Not tired!" Jane LAN replied.

Mike is sitting on the side quietly watching them scatter dog food. He is really depressed.

Several members of the design team left first, and Mike also put the mobile phone away. He took out several materials from his bag for Qin Hao and Jian LAN to choose from. Qin Hao looks at it for a few times, and he gives it all to Mike. Anyway, he is a professional.

"Well! Since you have no opinion, I'm in charge. " Mike goes on. "There will be a design draft in a few days, and then you can place an order after you have selected it."

Jane Lan said with a smile, "thank you."

"You are welcome! Qin Hao and I are also colleagues, and we have a little kinship. And you are also Weiwei's best friend. Weiwei and I are also friends. So you and I are friends. This time I will definitely help you design the best wedding dress. Maybe it will surpass that of Weiwei! "

When Jian LAN heard Mike's words, she didn't seem to have much reaction. She just sat quietly beside Qin Hao with a smile on her face. This really makes Mike a little suspicious. Jane LAN actually did not respond, with her and slightly relationship, should not be so just on, a completely strange look. Seeing Mike's suspicious eyes, Qin Hao immediately said to Jian LAN, "Xiao Lan, make me a cup of tea."

"OK."

Seeing Qin Hao's intention to support him, Mike feels that there is something wrong with him. Then he heard Qin Hao say, "Mike, do you have anything else? I'll go out shopping with Xiao Lan

"It's OK. I'm ready to go, too." Mike didn't move.

Before leaving, Mike looks at Jian LAN again, "Mrs. Qin, next time you have time to eat everything, there is a good seafood restaurant here. I hear it's good. I've always wanted to go sometime. I'll treat you then, and you'll have to look forward to it

"OK."

After seeing off Mike, Jian LAN dared to take a breath out loud, "Qin Hao, how did I behave just now?"

Qin Hao reached out and touched Jian Lan's hair. "Very good. You're not too nervous. Mike can't see anything. If Dongyang is here today, he should be very careful. "

Jian Lan's face turned white. She reached for Qin Hao's hand. "Qin Hao, I seem to be a burden to you."

"Don't you say that." Qin Hao reaches out and holds Jian LAN in his arms. "Let's face it together if there is anything in the future."

In fact, what Qin Hao is worried about is Yun Yiyan. That day, he said he regretted it. Then he will come down and there will be action. He can't let Yun Yiyan hurt Jian LAN again. This is also my commitment to Jian LAN.

Jane Lan's mood is also a little heavy, has escaped for so long also should go to face. What she is worried about now is standing in front of Qiao Wei, so she must have broken the work in a second. What should they think of the present Jane LAN? This is also the main reason why she has not called Qiao Wei back.

"Qin Hao, I'm afraid." Jian LAN buried her head in Qin Hao's arms.

Qin Hao hugged Jian LAN. "It's OK. Don't worry. I'll protect you. "

"Qin Hao, will you marry me when this is over?" Jane Lan's voice is very small and light. But Qin Hao heard it.

"Yes
