

## Warm Wife 371

### [Chapter 371](#)

Huo Dongyang villa.

Mike went directly to this side when he came out from Qin Hao. He sat in his study and took a look at Huo Dongyang's study by the way.

Huo Dongyang offers Mike a cup of coffee. "Here you are."

"Don't you say you don't drink coffee?" Mike asked with a smile.

"For the guests." Mike answers.

Mike took a sip of his coffee. "Yes, it's not cheap." And it's still my favorite brand, so it's very delicious.

Huo Dongyang watched Mike sipping his coffee quietly and waiting for his news. But this guy seems to be deliberately procrastinating. This also makes Huo Dongyang a little worried about his hard life.

Mike put the coffee on the table and said, "William, I don't think you should take care of Qin Hao and Jian LAN. They are in a really good state of life now. It's cruel to tear them apart

Huo Dongyang is silent, which he can see from Qin Hao's expression. His whole state is very good, his eyes are also flashing light, a look to know that there is love moisture. He doesn't want to destroy anything. He just wants to know what Jian LAN thinks.

Mike looked at Huo Dongyang and said, "William, this Jane LAN is really strange. I think she's changed. Although the appearance and voice have not changed, but she gives people a different feeling

"What do you say?" Huo Dongyang then asked.

"I specially said today that she had a relationship with her, but she didn't seem to react. Before slightly also told me, Jian LAN does not seem to like seafood, because she once ate seafood allergy. So you don't usually go to places where you eat seafood. When I left, I deliberately mentioned this, and she didn't react at all. In this way, I have to suspect that the present Jane LAN is not her before. "

When Huo Dongyang hears Mike's words, he has some bottom in his heart. It seems that the problem lies in Jian LAN. From the moment Qin Hao announced that he was going to get married, things have gone in another direction.

Mike doesn't know what Huo Dongyang will do next, but he still gives his opinion. "William, in fact, you should let Yun Yiyang handle this matter by himself, so you don't have to worry about it. You don't feel tired. I'll be tired for you! "

"I see. Thank you today Huo Dongyang nods.

Mike finished his coffee, thinking, or adding. "William, it's hard for Yun Yiyang to chase Jian LAN back! Qin Hao is more serious than ever. From this point of view, he really loves Jian LAN. He is such a stingy person. This time he is married, and he has applied to stay. In addition, he has bought a house. All these prove that he really wants to go with Jian LAN. "

"And in city a, didn't Qin Hao propose in front of others? Although at that time Jian LAN did not agree, but now Jian Lan also made her own choice. Isn't that good? Isn't there such a saying that a gentleman has the beauty of becoming a man? "

Huo Dongyang's ears have been replaying Mike's words. It's also the first time Mike has talked to himself like this in years. Think about what he said is reasonable, how terrible time is. It has really changed a lot of things in the past six months. Maybe Jian LAN and Qin Hao have been alone for a long time, and it is possible that Qin Hao is the person she wants to choose.

"Ah..." Huo Dongyang sighed.

In the evening, they came back. During the meal, the three of them waited for Huo Dongyang to speak, but Huo Dongyang did not say a word and ate quietly.

Yun Yiyan deliberately bumps Yun Muxin's hand with his hand and asks her to ask Huo Dongyang. Yun Muxin is also embarrassed. At this time, he seems to be destroying the atmosphere. Cloud Mu Xin reaches out to pull Xia yueqian.

Xia yueqian shakes his head at Yun Mu Xin and Yun Yiyan, and asks them to eat quickly. Since Huo Dongyang did not take the initiative to say, it means that things have not yet come to an end, or there are results, but the results are not what they want, so Huo Dongyang chose not to say.

After dinner, Xia yueqian was pushed into Huo Dongyang's study. Huo Dongyang raised his head and looked at Xia yueqian. "Why did you come in?"

"I'm a representative."

"The protagonists are not in a hurry. What are you worried about?" Huo Dongyang said.

"Huo Dongyang, you should think that we are more anxious about the result!" Xia yueqian replied.

Huo Dongyang put down his work, his eyes fell on the door of the study, vaguely saw the two figures at the door. He motioned Xia yueqian to close the door. He also wanted to talk to Xia yueqian alone.

Xia yueqian immediately understood what Huo Dongyang meant and went to close the door of the study.

"May I speak now?" Xia yueqian immediately asked Huo Dongyang after he sat down.

Huo Dongyang leans on the back of the chair, he looks at Xia yueqian. "Tell me what you know first. What did Yun Yiyan say to Jian LAN

Xia yueqian frowned. He didn't know the specific process. These are also what he later heard when Yun Yiyan was drunk. In fact, at the wedding of Huo Dongyang and Qiao Wei, Jian LAN summoned up the courage to confess with Yun Yiyan, but at that time, Yun Yiyan did not respond. Later, Yun Yiyan also began to avoid Jian LAN, probably because he did not think clearly, so he did not have contact with Jian LAN. During that time, Jian LAN and Qin Hao began to travel everywhere, and they gradually lost contact.

Half a year ago, when Qin Hao and Jian LAN came back from a business trip, they just met Yun Yiyan. When Yun Yiyan saw the two of them together, he felt uncomfortable in his heart, so he also said a few

words to her face. Later, Jian Lan also went to Yun Yiyan alone. At that time, Jian LAN seemed to ask whether Yun Yiyan was willing to accept her feelings. Because Yun Yiyan, who was angry in her heart, was deeply worried about her relationship with Qin Hao, so she had a bad attitude towards Jian LAN and even said a lot of unpleasant words.

In this way, Jane LAN shed tears and left on the spot. Another news is that Qin Hao took Jian LAN on a business trip overseas, and this is for half a year. When Yun Yiyan thinks it over, things will change.

After hearing Xia yueqian's words, Huo Dongyang can't help shaking his head. "There is no regret medicine in this world! It was Yun Yiyan who gave up this opportunity. Now he wants to be with Jian LAN? But he has been ignoring a point, Jian LAN will still be waiting in place? Time is a terrible thing. She can make people change a lot. It's OK to forget a person

"Huo Dongyang, so what you mean now is..." Xia yueqian frowned.

"Jian LAN has chosen Qin Hao." Huo Dongyang replied. "And his condition is different from yours. I can only say now that I can't do anything about it

Xia yueqian blinked. According to Huo Dongyang's words, Yun Yiyan and Jian LAN are no longer possible.

#### [Chapter 372](#)

Time seemed to have stopped. Neither of them spoke. And it seems to be precipitated in their own emotions.

After a while, Xia yueqian opened his mouth: "so now we have no way?"

"No Huo Dongyang replied. "And the only thing I can fight for now is to let the three of them talk face to face."

Hearing Huo Dongyang's words, Xia yueqian knows that he must also try his best. After all, this emotional thing is difficult to do, and it is still the kind of state that the onlookers see clearly. I have experienced it, so I will have such experience. Fortunately, God's blessing, he can be with cloud Mu Xin together.

Huo Dongyang looks at Xia yueqian and opens his mouth. "Tell Yun Yiyan what I just said."

"I see."

When Xia yueqian told Yun Yiyan about the situation, he couldn't accept it at all. Did Jian LAN really choose Qin hao? Did she just let go of all the past? Why do you do this to yourself!

Thinking of this, Yun Yiyan felt a pain in his heart. Is this the pain of losing? At the beginning, the pictures of Jane LAN taking care of himself have become so clear, but now he can only rely on these to recall.

"Yi Yan, you shouldn't have said those words that made Jian LAN sad. Once this woman is hard hearted, she is much more powerful than a man. " Xia yueqian wants to comfort Yun Yiyan.

Yun Yiyan closed his eyes, thinking that time could flow back so that they could all go back to the past. It's a pity that time can't go backwards. What should we do now? He waited so long that he didn't want to give up the opportunity.

"Brother, I want to meet Jane LAN. There are some things I want to make clear to Jane LAN face to face.  
" This is also the last chance for Yun Yiyan. If you let him go back empty handed, he would not agree with him! So he would fight for this opportunity.

Xia yueqian understood Yun Yiyan's mood. Huo Dongyang also said that he could do something to strive for such an opportunity to meet. But whether this meeting will come true is totally out of the scope of our ability.

The next day.

Huo Dongyang meets Qin Hao outside the office.

"Something?" Qin Hao opens his mouth to ask, because see Huo Dongyang this look, estimate is something.

Huo Dongyang nods. "Well! When will the dinner be arranged? "

Qin Hao laughed and said, "you are so worried! I don't say. When Xiaolan's body is better? "

"I will go back to a city in a few days. I haven't seen Qiao Wei and them for more than a month, so I'm in a hurry to go back." Huo Dongyang gives his own explanation.

If it was in the past, Qin Hao would feel Huo Dongyang's affectation. But now that he has a family, he always wants to go back early after work, because you know that there is a person in the family waiting for him. Back home, looking at her busy in and out of the way, I feel full of happiness.

Qin Hao nods. "Yes! You have children now. It's also right to go back early. "

Huo Dongyang still did not wait for Qin Hao to confirm when to go to dinner, or no news. It seems that Qin Hao is also dragging his time to leave the United States.

In this way, two days later, Huo Dongyang still did not wait for Qin Hao's reply. He simply asked Jason to book the air tickets. He really wanted to go back to Qiao Wei and them. Qin Hao seemed to know that Huo Dongyang was going to return to city A. then he came to tell Huo that the dinner time was the night before Huo Dongyang left the United States.

Hear Qin Hao's words, Huo Dongyang also know his mind, really want to calculate so clear? Waiting for their own no move, so that the next day to fly people will certainly not continue to manage so much.

Huo Dongyang looked at Qin Hao, "Qin Hao, you really know how to calculate!"

"Isn't that what I learned from you? I'm just flexible. " Qin Hao immediately smiles. "And it's just a coincidence. There's no need to worry about it."

Huo Dongyang gave Qin Hao a speechless expression. "Yes, I see. Where is the appointment? "

"Didn't Mike ask us to have seafood last time? Just let him come, and someone can settle the bill

Huo Dongyang really admires Qin Hao's careful calculation, even these are included. I don't know what Mike's look like. "You're really going to kill two birds with one stone."

"sure!" Qin Hao nods. "By the way, you should go alone? Didn't want to take a bunch of relatives? I can say that I can only participate alone this time, and the family members will pay for it. "

After hearing Qin Hao's words, Huo Dongyang did not answer, but quietly asked a question. "So apart from you and Jane LAN, we all have to go alone?"

Qin Hao nodded, "yes! Don't bring her with you

"If Yun Muxin doesn't go, I think Mrs. Qin will be very boring." Huo Dongyang replied.

Qin Hao repeatedly shook his head, "no! I do this for her good. Now they are all adults. She and Xia yueqian seldom get together. It's better not to separate them and let them arrange by themselves. "Huo Dongyang's face sank. Qin Hao thought about himself like this. He was really dissatisfied. "I don't think you want to see Yun Yiyan."

"bingo!" Qin Hao snapped his finger. "It's a brain with good intelligence! Yunyiyan, I can't let him come! " If the first few words are true, then at this moment, Qin Hao is really black.

"I won't give him any chance."

"Aren't you and Xiao Lan married? You really don't have to be so nervous. "

Qin Hao snorted. "Huo Dongyang, you have many tricks! I have to defend myself. "

Make a date for dinner. At Qin Hao's home, Jian LAN constantly changes clothes, hoping to choose a good-looking one. This is a more formal meeting with Huo Dongyang and his several good brothers. She certainly can't be careless.

"Xiaolan, I think you look good in any one." Qin Hao said with a smile. In fact, the clothes in front of her were actually selected by myself a few days ago. When she left a city at the beginning, Jane LAN took some clothes with her, and those clothes had been lost for a long time.

Jane LAN chose a more plain color skirt, so there should be no problem. Seeing Jian LAN change clothes to come out, Qin Hao's eyebrows also follow a frown. Jane Lan's whole body is really too plain, and there is no characteristic at all.

Qin Hao takes a look at several sets of clothes on the bed, and then chooses a light pink skirt with some small flowers. "For this one. Just put on a thick coat later

Sure enough, this time Jian LAN changed her clothes, and Qin Hao couldn't help but brighten her eyes. It looks like a lot of spirit. Jian LAN is actually suitable for bright colors. It's good to look on the spirit and make people feel comfortable.

When Jian LAN saw Qin Hao's expression, she knew that it was a good set. "This one?"

"Well, this one is very good." Qin Hao nodded and answered.

### [Chapter 373](#)

When they are ready, they go out. This time they are the main characters, so of course they can't be late.

Qin Hao and Jian LAN choose to walk in the past. Hand in hand, they slowly walk on the busy street. Qin Hao has been cooperating with Jian Lan's pace, and the speed is not fast.

Jian Lan also feels that Qin Hao has been accommodating herself, and her mouth has always maintained a faint smile. It's really good to have such a man by his side. Think of this more than half a year, he is almost so meticulous to take care of himself, his heart has too much to say, this is not only a thank you can say.

Jian LAN clearly remembers that day when she woke up, she saw Qin Hao's expression of relief. At that time, Jian LAN felt that she was not alone. It was a happy thing to have him around. Looking at Qin Hao holding his hand tightly, she felt warm. She felt that she could trust the man in front of her. In this way, he took himself to many places and created many beautiful memories for himself. And in all these memories, there is him!

Later, when he went to Australia, Qin Hao bought a pair of ordinary looking rings in a small shop, saying that they were gifts for himself. Although there is not a diamond in the ring, the lines on it are very beautiful and I like it very much. She remembered that she was still foolishly asking Qin Hao, is this a proposal? Or all of a sudden, Qin Hao didn't respond.

Just when he felt lost, he said to himself, "yes! This is the second time I have proposed to you. Will you promise me

"Well!" Jian LAN nods hard. She really agreed to Qin Hao and thought it would be a happy thing to marry him in this life. Qin Hao, however, smiles and says to himself that if there is a third proposal, he hopes that his most real heart will agree to him.

Qin Hao brought up the ring for Jian LAN, and they also simulated a wedding in a small church. Qin Hao said that when he got better, he would give himself a warm and real wedding. In this way, Qin Hao also said to the public that he was married, but only the two of them knew the truth. In fact, they are just nominal now. Qin Hao did this to protect himself and take care of himself.

Seeing a roadside coffee shop in front of him, Qin Hao takes Jian Lan's hand and walks over.

"Xiao Lan, I'll buy you a cup of hot cocoa." Qin Hao said.

"Well!" Jane LAN nods. Every time, he would take care of himself in such a gentle and considerate way, and feel very comfortable with him. She likes the feeling.

Qin Hao bought Jian LAN a large cup of hot cocoa. "It's cold. You can warm your stomach first."

"Qin Hao, do you really want to eat seafood in such a weather?" Jane LAN asked.

"No. Those seafood are too cold for your health. " Qin Hao replied. "It's so cold, of course, I'll have some hot food."

Jane LAN smile, "this time to eat hot pot is the best."

"Yes." Qin Hao agreed. "If we like, we'll go and buy our own vegetables, and we'll eat them at home in a few days."

Jian LAN repeatedly nodded, "good!"

Qin Hao takes Jian Lan's hand and goes on. As she walks, she drinks hot cocoa and warms her hands. But I can't finish such a big cup.

"Qin Hao, I can't drink any more." Jane LAN stops.

Qin Hao looked down at Jian LAN, and found that her mouth was stained with some, "eat the corners of the mouth."

Hearing Qin Hao with doting tone, Jian LAN deliberately raised his head, "then you help me wipe it off."

Qin Hao was stunned. Now Jian LAN is really naughty. But he liked it. She was more vivid and interesting than before. When Qin Hao was looking for a paper towel, Jian Lan was very brave. She stood on tiptoe and directly kissed Qin Hao.

His lips were blocked by a touch of warmth, and accompanied by a strong smell of cocoa. Qin Hao opened his eyes and looked at Jian LAN. He saw the smile and intention in his eyes. His heart moved and his eyes were spoiled. He stretched out his arms around Jian Lan's waist and actively deepened the kiss.

Jian Lan also closed her eyes and responded to Qin Hao. She liked Qin Hao kissing herself in the street. She also wants to tell others that this man is her own and that her man is excellent.

In the streets of the United States, such plays are performed countless times a day, so people passing by are not surprised. The people who passed by felt that they were very sweet when they saw such a scene. Seeing that they have rings on their hands, it should be a young couple.

This scene happened to fall into Huo Dongyang's eyes. At first, Huo Dongyang, who was driving the car, didn't recognize Qin Hao and Jian LAN, but when they changed their angle, he could see them clearly.

In my impression, Jian LAN is a very traditional and conservative woman. She should not perform such a drama in front of others. She used to blush or be shy when she heard these things. However, it is really Jian LAN who is now actively expressing her feelings. From her actions, we can see her feelings for Qin Hao. How can such a Jane LAN meet with Yun Yiyang?

The car drove past, Huo Dongyang did not continue to watch. Anyway, I can see you soon. I can't come now. Qin Hao and Jian LAN kiss each other in the street for a long time. It's not until Jian LAN feels that she has difficulty breathing that Qin Hao lets her go. Then take out the paper towel from the pocket to help Jian LAN wipe the cocoa from her lips.

With a red face, Jian LAN stood quietly in the same place and let Qin Hao help himself. After a while, Qin Hao said with a smile. "Xiao Lan, I didn't expect you to take the initiative."

"You don't like it?" Jian LAN asked in a low voice. In fact, Jane Lan's heart also has no bottom.

"Like it!" Qin Hao replied. Why don't you like it! This is a scene that he has been dreaming about. He didn't expect to realize it. He always thought about these beautiful pictures.

When Jian LAN heard Qin Hao's words, she had to show a bright smile on her face. Qin Hao clenched Jian Lan's hand. If only they could go on like this!

"Qin Hao, do you want to drink it?" Jian LAN hands hot cocoa to Qin Hao.

Qin Hao reached out and took it in his hand. "I'll take it first. When we get to the store, we can have it heated and we can continue to drink it. "

"Well! It's up to you. " Jane LAN nods.

Qin Hao takes Jian Lan's hand and continues to walk forward. When he comes to the restaurant door, he just meets Huo Dongyang. Huo Dongyang looked at the two hands in front of him, and felt a sense of happiness.

Qin Hao and Jian LAN stop. Jian LAN looks at the tall and handsome man standing in front of her. She also sees his blue gray eyes, but there is no response.

"Dongyang, you're here so soon." Qin Hao said hello first.

Hearing Qin Hao's words, Jian Lan also immediately reacted. The person standing in front of her is Huo Dongyang. She quickly stammered, "Mr. Huo!"

#### [Chapter 374](#)

Mr. Huo was really embarrassed.

After calling, Jian LAN seems to be in trouble. She grabs Qin Hao's hand subconsciously, and her heart beats faster. Qin Hao is also holding Jian Lan's hand in an instant, and seems to be giving her strength to let her not be afraid.

Jian LAN carefully looked at Huo Dongyang, praying in her heart that she really did not want to break the work in a second. This will also have an impact on going to QinHao. She can't let Qin Hao sacrifice so much for himself again.

Huo Dongyang also from Qin Hao and Jian Lan's suddenly changed look to see some of the end Ni, Jian LAN absolutely has a problem. Although she was afraid of herself before, she didn't have this fear in her eyes. At this time, she seems to be a little flustered. But Huo Dongyang would not expose these things without giving Qin Hao face.

"What? I didn't see you for half a year and pretended I didn't know? " This is the first sentence Huo Dongyang said.

This sentence obviously let Qin Hao and Jian LAN relax a little. Qin Hao spoke immediately. "It's because you look really scary."

"Haven't I always been like this?" Huo Dongyang replied. "No one else yet?"

Qin Hao nods. "I think so."

Jian LAN lowered her head and did not dare to see Huo Dongyang again. She had been holding Qin Hao's hand tightly. She would follow how he moved. In fact, my heart is nervous. I always feel that I can't hide it today.

Feeling Jian Lan's tension, Qin Hao whispered to her, "don't be nervous, just be yourself. I'm the other one

Such a simple sentence, let Jane Lan's mood instantly become calm down. He gave himself hope and strength every time he needed it most. Jian LAN stares at Qin Hao, and she says thanks to Qin Hao countless times in her heart.

Of course, all their movements and expressions were watched by Huo Dongyang. He can be sure that Qin Hao and Jian LAN have something to hide, and this matter should have something to do with Jian LAN. Think of here, Huo Dongyang's brow frowned.

When he comes to the door of the reserved room, Qin Hao stops. "Dongyang, you go first."

"You still have a secret to say?" Huo Dongyang's words also have some meaning of ridicule.

Qin Hao said with a smile, "you know, husband and wife should talk quietly."

"OK, I'll go first." Huo Dongyang opened the door and went in first.

Qin Hao takes Jian LAN to the end of the corridor. He presses Jian LAN on the wall. "Xiao Lan, don't be nervous!"

Jian LAN raised her head to see Qin Hao. Her eyes were full of uneasiness. "Qin Hao, what should we do if we are found out?"

"What to do?" Qin Hao looked serious, "or do you want to leave me?"

Jane LAN immediately shook her head. "I just don't want to leave you." Leave you, I also have no place to go, I want to follow you all my life! She said the last sentence in her heart.

Qin Hao reached out and held Jian LAN into his arms. "Xiao Lan, don't be afraid! Everything has me! You just remember that you're my wife, nothing else. Just be yourself. "

Jian LAN grabbed Qin Hao's clothes. "Qin Hao, I don't want to leave you!"

"No one can force you to leave me." Qin Hao replied.

Jian Lan also made a decision in her heart, that is, she would try hard for Qin Hao once. Every time, Qin Hao was in front of her to shield herself from the wind and rain. This time, she wanted to stand shoulder to shoulder with Qin Hao and face difficulties and the future together.

"Qin Hao, don't let go of my hand." Jane Lan said.

"I won't let go!"

Hearing Qin Hao's words, Jian Lan also calmed down. She slowly pushes Qin Hao away. She looks up at Qin Hao. This man is really nice. He put his arm around Qin Hao's neck and stood on tiptoe. The distance between the two people was shortened a lot. Each other's breath is intertwined. Jian Lan's eyes were full of love, "Qin Hao, I want to marry you! Is that all right? "

Qin Hao a smile, stretched out his arm around Jian Lan's waist, "you have not married me?"

"I mean, I'm going to marry you, and I'm going to let other people see it." Jane LAN replied. She doesn't want Qin Hao to be so aggrieved, and she doesn't want to be the woman who has been protected by Qin Hao. She wants to appear openly with him.

Qin Hao with his head against Jian Lan's forehead, the corner of his mouth with a smile, "before you will never say such words."

Hearing Qin Hao's words, Jian Lan's eyes are dark. She drops her own eyes. The voice also became a little bit smaller, "so you don't like me now?"

Qin Hao stretched out his hand to lift Jian Lan's face. He looked at her attentively, "Xiao Lan, no matter you were in the past or you are now, I like it! But I love you more now, because you will bravely say what you want

Jane Lan's eyes are a little wet, she doesn't know what she was like before? She can't remember, but through Qin Hao's description, she doesn't like her former self. She doesn't do things simply. She always likes to be sloppy. Why don't you just say it? Isn't that good?

"Qin Hao, I think the accident was meant to make me reborn! I think God wants me not to miss you again Jian LAN looks at Qin Hao and says. Qin Hao thought of the accident and was frightened. That saw Jian LAN fall into the sea, his heart almost stopped. Her mental state was not very good that day, so I took her out for a walk. As a result, she lost her soul and stepped on it and fell off the wooden bridge.

When she was rescued, she was found bumping her head, and the blood on her forehead kept flowing out. Sent to the hospital, Jane Lan's body has no big problem, but this head hit, let her have not wake up.

Later, the doctor said that it was when she fell into the sea that her head hit some rocks, so she didn't wake up. In this way, Jane Lan was in a coma for a week before she woke up.

After waking up, Jane LAN forgot everything in the past. Qin Hao stayed with Jian LAN for two months before they left the hospital. From then on, Jian Lan's character seems to have some changes, but Qin Hao thinks this is the real Jian LAN, which has been suppressed in the past.

"Qin Hao, can you kiss me now?" Jane LAN really spoke fearlessly.

Qin Hao smiles and grabs Jian Lan's soft lips directly. They kiss again But this time Qin Hao let go of Jian LAN first. He said in her ear, "come back the rest of the night."

Jian Lan's face is red, she still nods. "Good!"

When two hands holding hands to return to the room, see other people also arrived, but everyone looked at them with ambiguous eyes.

"Oh! It's the sweet end back. " John whistled. "Now show love to the corridor?"

Hearing John's words, Qin Hao knew he saw it, but he didn't mind. "Can't you?"

"Yes! Today you are the biggest. "

Qin Hao takes Jian Lan's hand and sits down. Then he looks at other people's introductions. "This is my wife, Jane LAN."

"Jane LAN, this is Mr. Huo, John and Jason." Qin Hao continued.

Also really like the first meeting, Jane LAN looked at everyone, "Hello, I'm Jane LAN."

## [Chapter 375](#)

Hearing such a strange greeting from Jian LAN, several people's eyes are all looking at Jian LAN.

See a few people fall on their own eyes a little strange, Jian LAN looks back at Qin Hao, voice is very small, "what's the matter?"

Qin Hao laughs and shakes his head, then embraces Jian Lan's shoulder, "all silly?"

"No John shook his head. "I just think Jane LAN is a little strange to us. We've known each other well before. " John looked at Jane LAN with some doubts in his eyes. He felt that there was something wrong with Jane LAN.

Jian LAN looks at John, who Qin Hao has told himself before. They used to work together in city a, and he was a lawyer and had helped himself before. The lawyer's sensitivity is good, so she has to be calm.

"Qin Hao's way of getting along with each other today is my way of getting along with each other." Jane Lan said with a smile, as if also gave an explanation.

Hearing Jian Lan's explanation, Qin Hao hugs Jian LAN. "Yes, don't frighten her. If I don't have a wife, you can be responsible. "

Although hearing Qin Hao and Jian Lan's explanation, Huo Dongyang is more skeptical. They are not idiots, so obviously can not see, then they are not too useless.

"Sit down!" Huo Dongyang opens his mouth.

Qin Hao takes Jian LAN and sits down. After looking around for a week, Qin Hao doesn't find Mike. "Mike's not coming?"

"On business." Jason replied, "it's a morning flight."

Qin Hao laughs after listening. "He's avoiding the treat."

"Qin, don't say so much. Order quickly, I didn't eat breakfast John said. "I'm starving now."

Qin Hao gives John a look of disdain. John is thick skinned. In fact, he is more mean than himself. Besides money every day, I just know how to eat. "Then you can order."

"Is this your treat?"

"Yes Qin Hao really felt speechless.

Jian LAN saw how many of them got along with each other and felt very good. No matter when, they can get along so easily. Say what you have. You don't need to cover up anything. Such a friend can really be a lifetime.

Seeing the menu in front of him suddenly, he heard Qin Hao's voice, "what do you want to eat?" Jian LAN raised her head and looked at Qin Hao. Her eyes were tender. She said with a smile, "you just order."

"Good." Qin Hao also gives Jian LAN a spoiled smile.

Seeing this situation, several other people felt that they had nothing to say. In fact, the two really get along well. Qin Hao can find such a woman who knows he loves him enough. The thing of life, who knows the future, is just to cherish the present.

This is also Huo Dongyang's idea. Since he has made a decision, he has to go on with great efforts. Just like he and Jovi, they believed in each other and walked down the road. Qin Hao and Jian LAN are in the same state as they were at that time.

Qin Hao ordered several dishes, and of course, lobster with cheese. Jian LAN saw that other people eat that lobster with relish, she has no appetite at all. It seems subconsciously that she doesn't like it.

"Jane LAN, why don't you eat lobster? This is the most expensive dish John said as he ate.

"You eat." Jane LAN replied. In fact, she doesn't really like seafood.

Qin Hao looks back at Jian LAN. "Would you like to try one for you?"

Jian LAN heard Qin Hao's words, she had to nod slightly, can't so give face. When she saw the lobster in the bowl, Jian LAN didn't really have any appetite. She moved her chopsticks.

Huo Dongyang observed silently that Jian LAN didn't like to eat seafood. He also heard Qiao Wei say that. But today she started for Qin Hao, and she really wanted to give up everything for Qin Hao.

Jane Lan also don't know what's wrong with her. She really can't eat these delicious things that others think are delicious. At this time, Qin Hao and Jian LAN clip other dishes, just raised his head, Qin Hao just good-looking to Huo Dongyang has been observing Jian LAN. It was Huo Dongyang who wanted to find the problem from some small details.

Jian LAN picked up the lobster with her chopsticks, and frowned slightly. As a result, she felt a little queasy. She immediately put down her chopsticks and rushed to the bathroom. Seeing Jian Lan's appearance, Qin Hao immediately follows in.

The remaining three looked at each other in a certain way. John looked at Huo Dongyang and said, "what's wrong with her?"

Jason, sitting next to him, immediately answered. "Can't you see that? Jane LAN seems to be pregnant. Pregnant women seem to be particularly sensitive to seafood

"Really pregnant?" John glared as if he couldn't believe it.

Huo Dongyang is looking at the direction of the bathroom. His ideas are different from Jason's, but he may be pregnant. At the beginning, Qiao Wei was also like this, especially in the first three months. Looking at Qin Hao holding Jian LAN out, Huo Dongyang said, "are you ok?"

"It's OK. It's just that I have some stomach problems." Qin Hao replied.

"Is it really stomach trouble?" Jason asked with a smile I understood. "I think you should take Jane LAN to have a check, or your wife is pregnant, you don't know."

When Jason said this, Qin Hao and Jian LAN were stunned. Jian LAN looked down at her stomach, if there were Qin Hao's children in it, how good it would be! But this is impossible. Although she did sleep with Qin Hao in the same bed, she did not break through the last line of defense.

Qin Hao replied after the micro Zheng: "thank you for your good words. I hope so. Now we're thinking about the world of two. "

Supporting Jian LAN to sit down again, Qin Hao immediately put the lobster in Jian Lan's bowl into his bowl, "I'll get you something light."

"Qin Hao, you don't have a tradition that can't be said in three months? What's the age of all this, and how conservative it is? "

Qin Hao said with a smile: "really not."

Huo Dongyang looked at Qin Hao and said, "if you don't feel well, go back and have a rest earlier." Then Huo Dongyang picked up the small box that had been put beside her and handed it to Jian LAN, "this Qiao Wei said to give it to you."

Jane LAN took over and saw a red scarf inside, "this is slightly for me?"

"Well!" Huo Dongyang nods. "Don't you remember?"

"Well?" Jian LAN really does not know the meaning of Huo Dongyang's words. It is estimated that something has been forgotten by her.

Huo Dongyang is actually testing Jian LAN. This scarf was bought on the way to his home. Last year, Qiao Wei said to weave a scarf for Jian LAN as a Christmas gift, and the gift was still in her home in a city, and the style and color had been selected. It can be seen that Jian LAN has no impression at all.

"This is Jovi's Christmas present for you." Huo Dongyang continued.

Thank you Jane LAN answered immediately. "Thank you for me when I go back."

### [Chapter 376](#)

Seeing that everyone ate almost the same, Qin Hao handed his wallet to Jian LAN and asked her to pay.

When Jian LAN goes out, the smile on Qin Hao's face disappears. He looks at Huo Dongyang. "Ask if you have any questions."

Huo Dongyang knows that Jian LAN should come back soon, so even if he wants to ask, he should also make a long story short. "What's wrong with Jane LAN?"

"She lost her memory. There was an accident a few months ago, and she hit her head, and I can't remember anything about the past. " Qin Hao didn't hide it. "So you don't have to test her with something else!"

Huo Dongyang nodded, "you can see it?"

"Obviously, Mr. Huo." Qin Hao is not angry, but his expression is serious. "Seafood, and the scarf just now, isn't it for testing?"

John and Jason looked at each other, but they didn't expect anything like this. For a person with amnesia, the past is a blank. Now that this is the case, there is nothing to say.

Huo Dongyang looks at Qin Hao and says he is sorry. "I just want to confirm that it really doesn't mean anything else!"

"Dongyang, Xiaolan can't remember what happened to Yun Yiyan. Do you want to continue to match them up?" Qin Hao asked Huo Dongyang in turn. "And now that she's still my wife, it seems wrong of you to do so."

Huo Dongyang also did not think that things would be like this, at the beginning just felt that Jian LAN had a problem, but did not think it would be such a result. Jian LAN lost her memory. She forgot the past, and there was nothing wrong with choosing Qin Hao.

"I see."

"Oh! There is no need for the atmosphere to be so rigid. " John said with a smile. "We are all good brothers and good partners who have been fighting together for many years. Don't make trouble because of these things. In fact, the boss just wants to find out the result of the matter. Now that I know, I'm not going to do that. "

At this moment, there was a knock on the door.

"Mr. William, a Lady Jane came to check out just now. Is that your guest?"

"What's wrong with my wife?" Qin Hao stood up immediately.

"Mr. Qin, it's Mrs. Qin!" The manager looked sorry. Huo Dongyang and they are frequent customers of the restaurant, so the manager knows their identity. I dare not neglect it at ordinary times, but now it is a thorny matter.

"Say it Qin Hao's heart also became impatient.

"A gentleman has just forcibly taken his wife away."

After hearing this, Qin Hao immediately looks at Huo Dongyang. "Is Yun Yiyan here?"

"I don't know." Huo Dongyang this time is really not clear, in the heart also thought really is cloud Yiyan took away Jian LAN? Today, he went out to avoid them. As a rule, he would not.

Qin Hao obviously didn't believe it. "If there's anything wrong with Xiaolan, I won't just let it go."

Watching Qin Hao go out, Huo Dongyang also stands up. "Jason, you go and watch the restaurant surveillance."

"OK."

Huo Dongyang immediately called Yun Yiyan. He didn't answer the phone. Then Huo Dongyang called Xia yueqian.

"Where are you?"

"I'm doing an examination here with Professor ball." Xia yueqian replied. "Mu Xin is with me."

"What about Yun Yiyan?"

"He was still at home when we went out. What's the matter? "

Huo Dongyang did not answer, immediately hung up the phone. He thought for a moment, if it was really Yun Yiyan, then he should be driving his own car out. So that we can find out where the car is and where they are. "John, you can locate my car right now."

John nodded immediately and took out his mobile phone to search.

Huo Dongyang kept praying in his heart. If it was really Yun Yiyan who took Jian LAN away, he hoped that he would not make any drastic actions, otherwise the consequences would be very serious. Yun Yiyan should also be in a hurry this time. It's really a bit of a dog jumping off the wall.

"Boss, it's really yunyiyan." Jason came back to report.

"Boss, I found the location of the car. It's over in Central Park."

"Tell Qin Hao." Huo Dongyang replied.

This matter, he can do also did, the rest is left to them to handle. He really can't get involved.

Central Park.

Yun Yiyan pulls Jian Lan's hand into the park. Jane LAN looked around in panic. The place was strange. She didn't know what to do. At this time, she missed Qin Hao very much.

"You let me go!" Jane LAN struggled. "Why did you bring me here. What is your heart? "

Yun Yiyan hears Jian Lan's words, he pulls Jian LAN in front of him. Her hands pressed on Jane LAN, "what? Do you want to keep pretending you don't know me

Jane LAN looked at the angry man in front of her. She had just paid the money and turned to see him. He seemed to see himself with a look of excitement. Jian LAN doesn't pay attention to him, bypasses him and goes back to find Qin Hao. But the man grabbed his hand, his face angry, and even said some words that he did not understand. "Why do you pretend you don't know?"

"Do we know each other?" This is Jane Lan's answer at that time.

Yun Yiyan immediately got angry and took Jian LAN away with brute force without saying a word. He also broke his mobile phone on the way. It seems that he didn't let himself contact Qin Hao.

Then all the way to here, Jian LAN inexplicably afraid of the man in front of her. She struggled again, "you let go, you hurt me."

Cloud Yiyan this meeting just knew that he seemed to have had a little too much action on Jian LAN all the way. He loosened his hand holding Jian LAN. "I'm sorry!"

Jian LAN reaches out and rubs her arm. The man's strength is really great. Jian LAN takes a look at him and then looks at other places. "What is this place, and what did you bring me here for?"

"Jane LAN, don't you think we should have a good talk?" Yun Yiyan frowns. Jian LAN feels strange.

Jian LAN looks at Yun Yiyan. Can't this person be Yun Yiyan? I've seen his picture on my cell phone before. But those are side photos. This is the first time I saw his face after I lost my memory. "Are you Yun Yiyan?"

"Why, I didn't know each other after half a year?" Yun Yiyan's tone is a little stiff.

Jane LAN blinked. How can she answer this question? Now I really don't know. If I say so, what I haven't hidden before will be exposed. Will this affect Qin hao?

"Jane LAN, are you and Qin Hao really married?" Yun Yiyan doesn't want to pay attention to other things. He just wants to confirm this matter now. He doesn't want to take care of so many other things.

Jane LAN stretched out her hand, and it was obvious that she had a wedding ring on her ring finger. "I am married."

"Are you really married to Qin hao?" Yun Yiyan really does not want to accept such a fact, which is a big blow to himself. "Do you love him?"

Hearing Yun Yiyan's words, Jian LAN nods. "Of course I love him! If I don't love him, how can I marry him? "

"So you treat me..." Yun Yiyan's words did not finish, Qin Hao appeared, he called out, "Xiao Lan!"

### [Chapter 377](#)

Qin Hao took Jian LAN into his arms and held her tightly.

"Are you all right?" Qin Hao's voice is full of uneasiness and worry.

"I'm fine." Jian Lan also reaches out to hold Qin Hao. She was just a little scared. Everything else is OK.

Yun Yiyan looks at Qin Hao and Jian LAN hugging each other in front of him. His heart is hard. "That's enough of that."

Hearing Yun Yiyan's words, Qin Hao lets go of Jian LAN and blocks in front of her. He glares at Yun Yiyan. "What's your dissatisfaction? Rush to me. These things have nothing to do with Xiaolan."

"Qin Hao, are you showing off now?" Yun Yiyan asked. "You want to tell me that you are married, so let me not disturb you?"

"Yes Qin Hao nods. "The affair between you and Xiao Lan has long been over! Or did you end it in person? Do you have anything else to say now? If you're a man, you have to put it down. You should know that. "

Yun Yiyan derived gas holding a fist, a pair of do not admit defeat. "Qin Hao, if I don't care about morality and ethics, I'm going to rob it!"

"You won't have a chance like that." Qin Hao also has a serious expression. "Yun Yiyan, Xiaolan is not the kind of animal that you wave your hand and she will come to you automatically. If you are not happy, you can kick her away. Since you let go at the beginning, it's really tasteless to do so now. "

Yun Yiyan knows that he suffered a loss before, but he just wants to fight for a chance to express himself. "I want to talk to Jane LAN alone."

"No way!" Of course, Qin Hao refused.

"I want to listen to Jian LAN herself." Yun Yiyan roared loudly.

This one also lets Jian Lan's heart tremble, the heart also some uncomfortable. She pulled Qin Hao's hand tightly, and her head felt dizzy. Her own head was on Qi Qin Hao's back. "Qin Hao, my head hurts..."

Hearing Jian Lan's words, Qin Hao immediately turned around, then took Jian LAN into his arms, and reached out to pluck Jian Lan's hair? What's the trouble? "

Jian LAN looks up at Qin Hao with some coquetry on her face. "Headache..."

Hearing this, Qin Hao felt sad. If Jian LAN has a headache, it means she has a situation. His brow also instantly wrinkled, which is not a good omen. To say that he is mean, he just doesn't want Jianlan to think about those things in the past.

"Qin Hao, I want to go home." Jane Lan said in a low voice.

"Well! I'll take you home. " Qin Hao nods. He hugs Jian LAN and goes forward.

Yun Yiyan looked at the two men in front of him from the moment they began to show love. His heart felt burned. It can be seen that now Jian LAN is very dependent on Qin Hao, and her actions and eyes can't deceive people. What happened in the end, let Jane LAN become like this.

Looking at Jian LAN who is about to pass by with himself, Yun Yiyan quickly reaches out and grabs Jian Lan's hand. "Jane LAN, if this is your revenge, then I can tell you that you succeeded."

Jian LAN frowns because Yun Yiyan is really hard. "Yun Yiyan, let go

"Let go?" Yun Yiyan sneered. "Don't you always pretend you don't know me? There is no reason to leave after showing love. "

Qin Hao looks at Yun Yiyan angrily. But for Huo Dongyang's face, he would not be polite to Yun Yiyan. "Yun Yiyan, if you don't let go, I'm not polite."

"I didn't think about you and politeness." Yun Yiyan replied. He pulled Jian LAN out of Qin Hao's arms with one effort. Jian LAN staggered a few times and directly hit Yun Yiyan's chest. This time, she felt more dizzy.

"Xiao Lan!" Qin Hao looked worried.

Jian LAN holds the forehead to stand firm body, in the mind is a piece of chaos, what becomes unclear. But she still whispered: "Qin Hao..."

Qin Hao immediately pushes Yun Yiyan away and takes Jian LAN back into his arms. His tone becomes tense. "What do you think?"

"Qin Hao, I want to go home."

"Well, we'll be right back." Qin Hao replied. Jian Lan's situation seems to be wrong. The doctor once said that she could not be stimulated or frightened, nor could her mood fluctuate too much, because it would have a bad effect, so he usually did not dare to speak so loudly. It was Yun Yiyan who scared her just now.

Yun Yiyan blocked in front of them again, and his face was not good. "Qin Hao, why do you have to speak clearly today before you can leave."

"I want to take Xiao Lan away." This is what Qin Hao must do now.

"No way!" Yun Yiyan's tone and attitude are also very tough, and then he punches at Qin Hao.

Qin Hao didn't pay much attention because he had to take care of Jian LAN. He hit Qin Hao on the shoulder directly. Qin Hao's dull voice was painful, but he did not let go of Jian LAN, but held her more tightly. They also stepped back several steps in a row!

"Qin Hao, are you ok?" Jane Lan was worried and her tears came out.

"I'm fine. Don't cry." Qin Hao comforts Jian LAN, thinking that she can't be emotional. When Yun Yiyan still wants to move forward, this time Jian LAN breaks away from Qin Hao's arms and blocks directly in front of him. Jian LAN looked at Yun Yiyan and said, "I don't want you to hurt Qin Hao."

"Jian lan..." Yun Yiyan stopped, in front of this Jane LAN really some strange, see her tears, he also dare not continue to move forward.

When Jian LAN saw that Yun Yiyan stopped, she was relieved, but her head was so dizzy. She even looked at several shadows in front of her, but she told herself that she could not fall down because she wanted to protect Qin Hao this time. She knew Qin Hao was injured.

"Yun Yiyan, I'll tell you the truth! I'm not Jane LAN you know, so I don't remember anything about you or what you said in the past. I remember it's my husband now. He's Qin Hao. "

Hearing Jian Lan's words, Yun Yiyan was silent for a while and then laughed. "Ha ha Jane LAN, do you think any excuse can erase all the past things? You changed your mind, so you chose this excuse. I really admire you. Do you think I'll do you good? I tell you, no way

"I'm not lying! Believe it or not Jane LAN replied.

With that, Jian LAN felt as if her body had been hollowed out. She even saw five or four yunyiyan standing in front of her. Each of them was angry. She took a step back, powerless.

Qin Hao immediately reached out and held Jian LAN from behind. "Xiao Lan, what do you think?"

"Qin Hao, don't go." Jian LAN grabs Qin Hao's clothes. This is her only prop. She can't lose it!

As soon as LAN and LAN are over, she feels safe

### [Chapter 378](#)

In the ward.

Qin Hao has been guarding Jian Lan's side, looking at the closed eyes and pale face of Jian LAN, his heart has been suppressed, he is afraid that those bad things will come to Jian LAN again.

Qin Hao clenched Jian Lan's hand. He kissed her cold hand, "Xiao Lan, you should wake up quickly."

Outside the ward, Huo Dongyang and several of them are there. Huo Dongyang looked at Yun Yiyan, who had been lowering his head. He could see that he was now upset. It should have been unexpected for him to think about the result.

"Boss, isn't that doctor OK? Why haven't you woken up yet John watched the room from time to time. Seeing Qin Hao like that, his heart is not good. I hope that Jian LAN will wake up early, so that Qin Hao will be hit hard.

Jason leaned aside and didn't say a word. He just watched. Qin Hao's heart is on Jian LAN, and Yun Yiyan seems reluctant to let go. Now Jian LAN is also in a state of amnesia, and the situation is not clear. At this time, how to solve such a triangular relationship?

Jason looked at Huo Dongyang standing on the edge. This time, he should have a headache! One is kinship, the other is brotherhood, he is also a face of embarrassment! So say ah, don't mix up with the people around you, it's a whole mess.

Huo Dongyang also seems to notice that Jason is looking at himself. He raises his head and takes a look. "Why don't you two go first? I'll watch over here." After all, the company has a lot of things to deal with.

"OK! Let's go back and take care of something and come back later. "

Jason pulls John away. Huo Dongyang and Yun Yiyan are left in the corridor. Huo Dongyang walks to Yun Yiyan and sits down. "This time, you are really impulsive. Why not wait? Are you following me today? "

"I..." Yun Yiyan's face was full of regret, "in fact, I was eavesdropping on your phone content, so I would pass by. I didn't expect to see Jian LAN really. So I would do something like that when I was excited."

Huo Dongyang also sighed. "I'm going to go back and tell you about it."

"Huo Dongyang, I really didn't know that such a thing would happen, and I didn't know that such a thing happened to Jian LAN. How could you suddenly lose your memory? " Yun Yiyan murmured. Is it really so painful, so we must choose to forget?

What did you say to Huo Lan Yang

Yun Yiyan now thinks about it and feels regret. He has a thorn in his heart. "I think I was a jerk at that time who would say those hurtful words. Now I think I really shouldn't!"

"There is no regret medicine in the world. You can't take back what you say. You have to be clear about that. " Huo Dongyang replied.

"Huo Dongyang, do I have no chance?" Yun Yiyan asked.

"I don't know." Huo Dongyang really does not know, now this situation, any kind of variable will have. He doesn't want to change anything. Let them develop naturally!

Yun Yiyan lowered his head, he also prayed, hoping that Jian Lan was OK. Just now I really blame myself for being too impulsive. He raised his head and looked at the ward. He remembered what Jian LAN had said before. He was even more miserable. He felt uncomfortable all over the body. He was very uncomfortable!

"Let's go back, too! Qin Hao can take care of it here. " Huo Dongyang reached out and patted Yun Yiyan on the shoulder.

"I want to wait for Jane LAN to wake up here, or I won't be at ease." Yun Yiyan is really worried about Jian Lan's situation. When she fainted before, she was really scared. What did they experience in the past six months or so.

Huo Dongyang stood up to call Qiao Wei and told her that he would go back a few days later. If you go back at this time, maybe Yun Yiyan and Qin Hao will still have a conflict. Say don't want to tube, but oneself again silent interpose.

Qiao Wei said in the phone: "Dongyang, I just received a call from Mu Xin, and I already know the general situation. I decided to go and have a look, and you'll pick me up

Huo Dongyang in fact also wants to let Qiao Wei come over, but thought that she wants to take care of the child, so dare not speak out. Qiao Wei came over, and then asked her to find Jian LAN to have a good chat, so it's OK. At least in some words, it's convenient for women and women to talk.

"Where's your brother and sister?" Huo Dongyang is worried that Qiao Wei is indispensable to his children.

"It's going to take me a few days." Replied Jovi. "I hope I can help you, so you don't have to be so tired."

"Thank you, wife!"

"I'll see you tomorrow. I'll clean up and leave for the airport."

"Well, you must pay attention to safety."

"Don't worry."

When Huo Dongyang returns to the corridor, he finds that Yun Yiyan is missing. Quickly walked past, only to find that cloud Yiyan into the ward. Because Jian LAN wakes up, but the person seems not to be very sober.

Doctors and nurses are also doing an examination in Jian LAN, Huo Dongyang also stops at the door waiting for news.

Qin Hao did not let go of Jian Lan's hand from the beginning to the end, and Jian LAN subconsciously clenched Qin Hao's hand. "Mr. Qin, my wife's problem is not big, but I need a rest," Smith said to Qin Hao after checkingThank you Qin Hao immediately said thank you.

"But it's better not to be stimulated any more. Although the head injury of my wife has been cured, this memory is not sure. Maybe it will recover. It may be like this. " Smith said, "so I suggest keeping the status quo first and not stimulating her!"

"I see."

Smith went to the door and winked at Huo Dongyang. Huo Dongyang nodded and followed him to the office.

"Smith, Jane Lan's problem is serious?"

"It's not serious." Smith replied. "Mrs. Qin's situation, I guess, is that she subconsciously does not want to think about it herself. Once she had a vague memory, she didn't want to. It's going to be hard on her own. Has she ever experienced anything bad in the past? "

Huo Dongyang frowns, always feel that emotional things should only be the fuse, should not be the main cause. Jian LAN is not the kind of person who can't let go. The affair of Yun Yiyan should have hit her, but it should not be the main reason.

Huo Dongyang is not sure, "I don't know."

"If you can, ask Qin, or he will know." Smith replied. "If the main cause is still not found, I am afraid that the situation will be worse, she may be in a state of contradiction, which is not conducive to her recovery!"

Huo Dongyang nodded, "OK, I know."

When she returned to the ward again, Jane LAN went to sleep again. Huo Dongyang can only go back with Yun Yiyan.

"Huo Dongyang, what did Smith say to you just now?" Yun Yiyan asked directly.

### [Chapter 379](#)

On the way back, Huo Dongyang told Yun Yiyan everything.

After hearing this, Yun Yiyan frowned and blamed himself more. Once again, he became the fuse and triggered another incident. "I didn't mean to. I just wanted to find out the truth. I didn't know that would happen."

"Yun Yiyan, what are your next plans?" Huo Dongyang asked as he drove.

"I don't know." Yun Yiyan has no idea at all. He wants Jian LAN back to his side, but now the situation seems not to allow, Yun Yiyan also feel contradictory.

Huo Dongyang is not talking and intends to let Yun Yiyan be quiet. Or Qiao Wei will arrive tomorrow and see how to do it!

The next afternoon, Huo Dongyang went to the airport to meet Qiao Wei.

When he arrived at the airport, Huo Dongyang saw Qiao Wei standing at the door waiting, arriving earlier than scheduled. Huo Dongyang listened to the car and immediately walked over. "Qiao Wei!"

Hearing someone call himself, Qiao Wei turns back. See Huo Dongyang that moment, more than a month of missing also came out, she ran to hold Huo Dongyang.

Huo Dongyang also reached for Qiao Wei. "I miss you so much!"

"I miss you too!" Qiao Wei also expressed his missing feelings. Qiao Wei touched Huo Dongyang's face, and then whispered: "you are thin! Should be very tired? " So many things are pressing on Huo Dongyang, he will certainly be very tired.

Huo Dongyang showed a slight smile, and then said with a smile: "I will not be tired after seeing you."

"Then I am not your spiritual food?" Qiao Wei also said with a smile.

"You are everything to me." Huo Dongyang holds Qiao Wei again. He was really glad that he had not missed her and had not let go of her hand. Along the way, he suddenly felt that he had a great sense of achievement, because she had always been by his side.

Qiao Wei and Huo Dongyang are also old wives, but each time they feel that they can't control their heartbeat to him. Her life has changed since she met him, which is also her own luck.

"Dongyang, do we have to hold it like this all the time?" Asked Qiao Wei.

"I'll do it if I can." Huo Dongyang replied.

Qiao Wei a smile, "go! I want to see Xiao Lan. "

"Well!" Huo Dongyang holds Qiao Wei's hand and pulls Qiao Wei's suitcase with one hand. "Is the suitcase so light?"

Joe nodded. "I just brought two sets of clothes."

"It doesn't matter. I need to buy it again." Huo Dongyang replied.

Huo Dongyang worried that Qiao Wei was too tired. He originally wanted to let Qiao Wei go back home to rest and then go out. But Qiao Wei has always insisted on going to the hospital first, so Huo Dongyang can only go to the hospital first.

Huo Dongyang takes Qiao Wei's hand and walks to the door of Jian Lan's ward. Looking at the people standing at the gate of the capital, Qin Hao immediately stood up. There was also a little surprise on his face. "Wei Wei, why are you here?"

Joe nodded. "Can I not come after such a big thing?"

With that, Qiao wei walked into the ward. Jane LAN hasn't woken up yet. "How's Xiaolan?"

"I woke up once in the morning and fell asleep after taking medicine at noon." Qin Hao replied.

Huo Dongyang pulls a chair to come over, then Qiao Wei sits down to rest. "What's the matter with Jane LAN?"

"What did Smith tell you yesterday?" Although Qin Hao's heart is in Jian Lan's body, he still noticed that Smith took Huo Dongyang away for a period of time.

Huo Dongyang repeated Smith's words again. "Jian Lan's situation is not very stable now."

"So did the doctor. So I've been paying attention to it all the time, but even if I'm on guard, things still happen

"Yun Yiyan is really impulsive, but he is not clear about the situation." Huo Dongyang explained for Yun Yiyan.

Qin Hao takes a look at Huo Dongyang with a reproachful look in his eyes. "Of course you will speak for him, and he is your nephew in name. You can't be oblivious. But this time, for the sake of Xiao Lan, I will not shrink back. "

"I know." Huo Dongyang nods.

Qiao Wei looks at two people one eye, then also opens a mouth. "Let's not hurt our friendship."

"Slightly, this time you don't interfere." Qin Hao also opened his mouth to remind Qiao Wei.

"Well! I won't interfere. " Replied Jovi. "I respect your decision."

The ward also quieted down, as if everyone tacitly agreed not to speak, and then want to let Jane LAN sleep more comfortable.

At this time, Jane LAN, who had been sleeping well, suddenly cried out. "No!"

Qin Hao immediately held Jian Lan's hand, "Xiao Lan, what's wrong with you?"

Qiao Wei see the situation also immediately let out the position, she went to Huo Dongyang side. She is also some worried to look at Jian LAN, Huo Dongyang reaches out to hold Qiao Wei.

"Qin Hao, don't leave me! I'm afraid. Don't go Jian LAN yelled again. It seems that I had a bad dream. There should be Qin Hao in the dream, calling his name all the time. Qin Hao sat down beside the bed. "Xiao Lan, I'm here. Open your eyes."

"Ah Jane LAN shrieked, opened her eyes instantly, and her tears flashed.

Qin Hao holds Jian Lan's hand. "Xiao Lan, are you awake?"

Hearing Qin Hao's voice, Jian LAN moved for a moment. She looked at Qin Hao in front of her. She was excited and reached for Qin Hao. "Qin Hao, is that you?"

"It's me! What's the matter? " Qin Hao also reaches out to hold Jian LAN. "Did you dream just now?"

Jane Lan's tears flow through her eyes, and she feels very uncomfortable. "I thought you didn't want me! I was calling you all the time, but you didn't even look back. You also said that I was a married woman and liked other men before, so you said you didn't want to be with me

Jane Lan said as she cried that she seemed really sad. "Qin Hao, you won't leave me, will you? I was dreaming, right? "

Qin Hao is distressed to hear Jian Lan's words. He holds Jian Lan's face and kisses her directly. He clasps her waist and doesn't let her move. He wants to tell Jane Lan that he won't leave her!

Qiao Wei saw such a picture, or feel a little shy, she secretly turned her head to one side. Once upon a time, she had experienced such a scene. Wake up from the nightmare, want to seek comfort in their beloved side. Because only in this way can we make ourselves at ease.

But she can still see the change of Jian LAN. She really loves Qin Hao and is afraid that he will leave. It seems that Huo Dongyang is right. After Jane LAN lost her memory, she really changed a person. Now she is not as afraid to confess her feelings as before. Now she is very direct and knows what she wants.

Huo Dongyang clenched Qiao Wei's hand and seemed to know what she was thinking. He takes Qiao Wei's hand and goes out first, leaving space for Qin Hao and Jian LAN.

### [Chapter 380](#)

In the ward.

Jian Lan's cry also gradually small, she lies on Qin Hao's shoulder sobbing.

Qin Hao gently coax Jian LAN, he gently patted her back, "it's OK, just a dream."

Jane Lan's mood has not completely calmed down. At this time, she can still feel Qin Hao's heartbeat, and her mood gradually calms down. "Qin Hao, I'm really afraid. You must not leave me. Because I only know you

Qin Hao Jian Lan's face also wiped the eyes off her face. "I will not go! You are my wife, and I would never say that

"Draw hook!" Jian LAN reaches out her finger and looks at Qin Hao like a child.

Qin Hao laughed, but still held out his finger, "well, pull the hook!"

After seeing Qin Hao and himself, Jian LAN relaxed. She hugged Qin Hao again. "Qin Hao, I seem to be hungry." In fact, from yesterday after the meal to now, Jane LAN has not eaten anything.

Qin Hao let go of Jian LAN, "what do you want to eat?"

"I can do anything." Jane LAN replied. "Just fill your stomach anyway."

"I'll get you something to eat. You wait for me here. " Qin Hao will act immediately. "Is that all right?"

In fact, Qin Hao is not at ease that Jian LAN is here alone. On the one hand, she is worried about her random thoughts. On the other hand, she is worried that there is no one to take care of her. Qin Hao pondered for a while, and then immediately thought of Qiao Wei. They should be outside.

"Xiao Lan, I've come to see you. I'll have her with you later, will you Qin Hao asked Jian Lan's opinion, and he trusted Qiao Wei. If it was someone else, he would have to reconsider.

Hearing Qin Hao's words, Jian LAN has some doubts. "Slightly?"

"Well! She saw you when she got off the plane, but you didn't wake up just now. She and Huo Dongyang should be outside. With her with you, I feel at ease. You used to be best friends

Qin Hao hurried out of the ward, only to see Joe and Huo Dongyang sitting on the chair in the corridor. Qin Hao walked over quickly, "slightly!"

Qiao Wei heard Qin Hao call, she also followed to stand up. "Xiao Lan, what's the matter?"

"Xiaolan is hungry. I'm going out to buy her some food. Will you accompany her instead of me Qin Hao answered. "I'm not sure if she's left alone. Would you do me a favor?"

What did Qiao Wei do? It turned out to be this. "No problem, of course."

Thank you

"We still need to say thank you to each other?" Said Joe, smiling. "You and Dongyang go together, I go in to accompany Xiao Lan." Qiao Wei knows that because of Yun Yiyan, Qin Hao and Huo Dongyang seem to have some small disagreements. If they go together, they can communicate more, which is not bad.

Huo Dongyang knows Qiao Wei's mind, he also follows Qiao Wei's words to ask: "what do you want to eat?"

"Get some rice, but I'm a little hungry, too." Said Joe, smiling.

Watching Qin Hao and Huo Dongyang go downstairs together, Qiao Wei just enters the ward. She looked at Jane LAN who was in a daze on the bed and called softly: "Xiaolan..."

Jane LAN heard Qiao Wei's voice, she nodded her head. "Come and sit down."

Qiao Wei went to the chair and sat down. Seeing Jian Lan's still pale face, Qiao Wei was also worried. "What do you think of your health? Is there anything uncomfortable? "

"I'm fine." Jane LAN replied, the two people seem to have no previous intimacy. "Did I call you Wei Wei before?"

Joe nodded. "Yes, we've done a lot of stupid things all the time."

"Weiwei, I'm sorry, I don't remember what you said. The only thing that impresses me is that I was with Qin Hao after I lost my memory. " Jane LAN curled up on the bed. "I can't remember anything but him."

Qiao Wei can feel Jane Lan's uneasiness and impatience, she has been keeping a smile. "It doesn't matter. I can talk about Qin Hao with you. After all, I used to follow him. "

As expected, when it comes to Qin Hao, Jian Lan's attitude is also relaxed a lot. His eyes were flashing, "is Qin Hao also fierce? I think when he was planning, he was really handsome and attractive. "

"Well! A serious man is certainly handsome. " Qiao Wei agrees with Jian LAN. Because sometimes she is so crazy about Huo Dongyang. This, Qiao Wei and Jian Lan's mood is the same.

"Wei Wei, did many women like Qin Hao before?"

Hearing this, Joe micro showed a deep smile. Qin Hao does have a lot of women like it, but he doesn't care. At that time, the only contact was Jian LAN, or from that time on, Qin Hao had been layout, a step-by-step approach to Jian LAN.

When Jian LAN saw Qiao Wei's expression, she guessed that there must be many women who like Qin Hao. He is so excellent and excellent that many people who love him secretly must be many. "So he used to be very close to that woman?"

"You seem to mind?" Asked Jo, smiling. "Of course! Didn't I forget the past? If a woman suddenly comes out and says it's his woman, I can deal with it! " Jane LAN is a serious face, which she must know.

Qiao Wei sees Jian Lan's expression, the smile on the face is deeper. It can be seen that Jian Lan's love for Qin Hao also shows that she really depends on Qin Hao. She wouldn't mind that. Although it is not clear what she and Qin Hao have experienced in the past six months, it is enough to make Jian LAN fall in love with him.

"Can't you tell me? Did Qin Hao have other women before? " Jian LAN is really worried. Her intuition tells herself that Qin Hao had other women before.

Joe nodded. "He used to be very different to a woman. He would care about and take care of her in everything he did."

Jane LAN frowned when she heard this. "How is that woman now? Do you know they're still connected?"

Qiao Wei see Jane LAN jealous, in the heart also really some want to tease her, but also worried about her to be stimulated, so also give up that idea. "That woman is far away and near."

"Well?" The sky haze just said, she repeated some words in front of her. So that woman is now beside Qin Hao. Isn't the person around Qin Hao himself?

After getting this answer, Jane Lan was in a much better mood. "Weiwei, do you mean me?"

"The people around Qin Hao are not you, are there others?" Asked Qiao Wei in turn. "Or do you want other women around him?"

"I don't like other women around him." Jane Lan said very clearly.

Qiao Wei said with a smile, "in fact, I think Qin Hao has been scheming for you for a long time. Now that he has finally married you, he should be able to enjoy himself."

"Really?" Jane Lan also laughed after asking.

When Qin Hao and Huo Dongyang came back with their lunch boxes, they listened to their laughter before they reached the room. Qin Hao's worry also instantly disappeared, "or slightly have a way."

"Of course, you don't see whose wife this is." Huo Dongyang walked into the room with a proud face.
