

Warm Wife 381

[Chapter 381](#)

After two people walked in, Qiao Wei and Jian Lan also stopped.

"So soon?" Qiao Wei stands up and seems to give up his position to Qin Hao.

Huo Dongyang put the lunch box down and took Qiao Wei by the hand. "Not really."

Qiao Wei smile, "it is estimated that we are happy, do not know that time passes quickly."

Qin Hao sat down in the position before Qiao Wei, "what are you so happy about?" Seeing Jian Lan's smile again, he was really happy. As long as she is happy, she will do anything by herself. I really appreciate Qiao Wei. As expected, girls and girls are convenient, and they can talk about anything.

Jian LAN stretched out his hand and took Qin Hao's hand. "Qin Hao, just said that there were many women who liked you before."

"Nothing." Qin Hao immediately denied it. "I never had another woman."

Jian LAN hears Qin Hao's words, also intentionally accompanies the face. "Is it? I don't think you've had other women before. It seems that you are still very nice to that woman

Qin Hao immediately shook his head. "I didn't!" Then he looked at Qiao Wei again and seemed to be asking if she had just said something?

"You don't have to look at it. You know it best if you have it or not." Jian Lan said with a straight face.

"I don't really. I swear to God." Qin Hao said with great certainty, "even if there is, you are the only one."

Qiao Wei smiles, and then reaches out to eat with a lunch box and Huo Dongyang, so as not to disturb Qin Hao and Jian Lan's flirting. Huo Dongyang looked at Qiao Wei, and he already knew what had happened.

Huo Dongyang took Qiao Wei's hand to eat at the rest table in the small park of the hospital. "Eat all the boxes. There must be nothing delicious on the plane

"It's true." Joe nodded. "People who are used to eating rice are really used to it."

Huo Dongyang put some dishes for Qiao, and then said, "let's cook at home tomorrow. We'll make do with this meal today."

Joe nodded with a smile. "Good! Tomorrow we'll go to the market to buy some vegetables and go home and make them ourselves. "

"How was your conversation with Jian LAN just now?" Huo Dongyang asked as he ate. These days, he has no way at all, hoping to find a trace of useful news through Qiao Wei.

Qiao Wei put down his chopsticks. "Now Jian LAN will not leave Qin Hao. If she has not recovered her memory, then she and Qin Hao are also very good. As for Yi Yan, we can only persuade him to let go. "

"Yi Yan, like that, doesn't seem to want to give up." Huo Dongyang also felt helpless.

"You said that the original cloud Yiyan is which tendon is wrong, unexpectedly and small Lan said those words." Qiao Wei was also puzzled. Now that I know I'm wrong, it's really impossible to recover.

Huo Dongyang doesn't want Qiao Wei to worry. "Eat, don't think so much about them."

After dinner, Huo Dongyang takes Qiao Wei back to the ward. Seeing them coming back, Jane LAN immediately called out. "Weiwei, are you back?"

"Well, Dongyang and I have finished our dinner. It's getting late. We should go back. "

Jane LAN heard Qiao Wei's words, with a loss on her face. Finally, someone could talk with her, but she said she wanted to go. "So fast?"

"I'll see you again tomorrow." Jovi answered immediately.

Qin Hao also followed. "It's time for me to go back and have a rest. I must be tired after a long flight."

Jane Lan was still a little reluctant, "then you must come to see me tomorrow. I have a lot more to ask you. "

After Huo Dongyang takes Qiao Wei back, Qin Hao sits down beside Jian LAN. "Xiao Lan, in the future, you don't want to scare me like this, but I can't bear it."

Jane LAN blinked, did not seem to feel where inappropriate, "will?"

"Yes Qin Hao clenched Jian Lan's hand. "You are not allowed to stand in front of me again. You are my wife, I should protect you

Jian LAN reaches out to hold Qin Hao. "Qin Hao, I don't want to be your burden. And I think that husband and wife should be equal. You didn't say who must protect whom. Are you right? "

Qin Hao's heart is not very good, he is worried that if Jian LAN recovers her memory, then she will stay by his side like this? Or she will return to Yun Yiyan's side. He didn't want to see such a result, he just wanted to live a good life with Jian LAN.

Jian LAN didn't hear Qin Hao's voice, so she felt nervous. Isn't that what Qin Hao thought in his heart?!

"Qin Hao, why don't you make a noise?"

When Qin Hao heard Jian Lan's words, he immediately came back to his senses. "Xiao Lan, I only hope to go through this life with you."

"Good!" Jian LAN buried her head in Qin Hao's arms. "That's my wish, too."

The next morning.

There are two guests in the ward. Jian LAN looks at the two people standing in front of her. "If you remember correctly, you should be Xia yueqian and Yun Muxin?"

"Sister LAN, do you really forget the past?" Last night, she was surprised to hear Huo Dongyang and Qiao Wei come back to talk about the situation. Jane LAN nodded, "well, I don't remember."

Cloud Mu Xin also want to continue to say, Xia yueqian immediately clenched Jian Lan's hand, let her not continue to ask. He is also a doctor. Jane Lan's condition is not stable, so don't stimulate her.

Cloud Mu Xin turns head to see Xia yueqian to oneself shake head immediately, she also stops words. Xia yueqian immediately also changed a topic, "by the way, slightly let us bring you soup, said to drink while it is hot."

Jian LAN looks at the thermos bottle opened by Xia yueqian and immediately smells the fragrance. "It's delicious!"

"Slightly and Huo Dongyang went out to buy vegetables, it is estimated that they will come here in the afternoon." Xia yueqian also explained why Qiao Wei didn't come.

Jane Lan said with a smile. "It doesn't matter. Qin Hao will be with me in a while. "

"Where has brother Qin Hao gone?" Yun Muxin also feels strange that he hasn't seen Qin Hao since just now. Isn't Qin Hao guarding here without leaving? But this guy doesn't seem to be there.

Jian LAN finished the soup. "Qin Hao came home to get the laundry. He should be back soon."

"Sister LAN, are you very happy now?" Although Yun Muxin hopes that Jian LAN and Yun Yiyan can be together, it seems that such a thing is unlikely. In the heart also for cloud Yiyan feel bad, these two days see cloud Yiyan that state is not right, her heart also follows worry!

Jane LAN smiles. "Do you think I'm not happy? I can't let go of such a good man as Qin Hao. Wei also said that Qin Hao has always been very popular, many women like and secretly love him

The corner of cloud Mu Xin's mouth just gently hooks, still true and aunt said the same. Now only Qin Hao is in Jian Lan's heart, and she can't hold other people. Even if the second brother left a trace in her heart in the past, it's gone now. She is blank about what happened in the past.

"Qin Hao, really so good?"

Jane LAN nods. "Well, he is the best."

After answering, she looked at the owner of the voice and frowned at the moment.

[Chapter 382](#)

Yun Muxin and Xia yueqian also look back, and they are also surprised.

"Second brother, why are you here?" Yun Muxin immediately went to the door, as if he also blocked Yun Yiyan outside. Uncle has repeatedly told Jane LAN can not be stimulated again.

Yun Yiyan's eyes have been staring at Jian LAN, now everything has become Qin Hao is the best. Yun Yiyan is not satisfied in his heart. He wants to know where Qin Hao is!

Xia yueqian also went to the door, "Mu Xin, you are waiting. Yi Yan and I went out for a walk. " With that, Xia yueqian reached out and pulled Yun Yiyan's arm. But Yun Yiyan did not move. He just didn't want to go.

"Yi Yan, my strength is limited. Are you sure you want to do this?" Xia yueqian looks at Yun Yiyan and says.

Yun Yiyan looks at Xia yueqian, and he reaches out to take Xia yueqian's hand away. "In that case, why don't you let go."

"Yi Yan!" Xia yueqian frowned. If the younger brother's temper comes up, it's hard to do it.

"Don't worry, I'm not here to make trouble." Yun Yiyan continued. Now all people are worried that they will come to the hospital to make trouble, so they do not allow themselves to come to the hospital or hide him. They make themselves like some kind of mental patient. In fact, there is no need for this. He came to the hospital just to see Jian LAN.

Hearing Yun Yiyan's words, Xia yueqian is relieved. At this time, he should have listened to everyone.

Yun Yiyan looks back at Jian LAN. "Jane LAN, when you are free. I still want to talk to you. "

Hearing Yun Yiyan's words, Jian Lan's heart is tight. It seems that Yun Yiyan has seen it for the first time. He seemed to have taken off all the sharp points of his body when he met last time. The whole person is not very spiritual, and what does he have to say to himself?

"Please nod your head if you can." Yun Yiyan kept a very safe distance and asked at the door.

Jian LAN looks at such him, in the heart also some cannot bear. Thinking of this, she seemed to feel that she should talk to him, and then she nodded to Yun Yiyan. Some things still need to be said clearly, which is good for everyone.

Thank you Cloud Yiyan sees Jian LAN nod, his mood also follows bright. "That's settled! It's up to you. "

With that, Yun Yiyan steps forward and follows Xia yueqian to leave the ward first.

Yun Muxin is watching Yun Yiyan's experience all the way. This is the first time that she sees Yun Yiyan so seriously trying to solve a problem, which also shows that he still holds hope for Jian LAN. When he let go of Qiao Wei, it was not like this.

Or really can't help it, Yun Muxin said: "sister LAN, you don't blame me for saying more. In fact, you used to like my second brother. At that time, there was something wrong with his leg. It was you who took care of him every day and encouraged him to stand up again. It's also a miracle that his leg can recover, and this miracle is from you. That's why the second brother is so persistent and wants to have a good talk with you. "

Jian Lan's head seems to flash some pictures, that picture flies very fast, she even has no time to see clearly passed. But from the blurred image just now, Jian LAN seems to be able to really see two people, a woman holding a man to learn to walk step by step. So this is himself and Yun Yiyan?

Soon, Jian Lan's head began to ache again. She closed her eyes and didn't want to think again. She again forced herself not to recall those, because it was hard. She put her hand on her head. "You don't have to say that again!"

See Jian Lan's situation is not right, cloud Mu Xin also dare not continue to speak disorderly. "OK, sister LAN, don't get excited. I won't say it." If Jian LAN has an accident again, it is estimated that a group of

people will tear themselves up. Fantasy of their own end, cloud mu heart can not help but fight a shiver. She also stepped back a few steps, but did not dare to speak out.

It seems that the situation will not ease until Qin Hao comes. When he saw Yun Muxin, he looked around and seemed to be looking for other people's shadow.

"You alone?" Qin Hao opens his mouth.

"Well!" Yun Muxin nodded. Of course, she knew what Qin Hao meant. If the second elder brother had been here, Qin Hao would not be so easy to talk about.

Qin Hao looks at Yun Mu Xin with suspicion. Even if Yun Yiyan doesn't come, Xia yueqian should also come! And look at Yun Mu Xin's appearance to know that she must be lying. He looked back at Jian LAN who was playing with her mobile phone. "Xiao Lan, what do you think?"

"I'm fine." Jane LAN replied. "Slightly asked her to bring me good soup."

Qin Hao also took a look at the thermos bottle on the table. He knew that Jian LAN would not cheat him. He turned back to Yun Muxin and said, "go back and thank you for me. It's hard for her."

"My aunt said she would come this afternoon." Cloud murmured in a low voice. "Brother Qin Hao, since you are here, I will withdraw first."

"Well!" Seeing Qin Hao nodding, Yun Muxin immediately picked up his things and left.

Just left the door, I met Xia yueqian who came back. Cloud Mu Xin immediately to the summer Yue Qian make a look, let him do not talk nonsense. Xia yueqian stretches his head and looks at the ward. Qin Hao has come.

"I'll take Mu Xin back." Xia yueqian replied. Qin Hao nodded, "you are really inseparable now. You are all together wherever you go."

"Yes, isn't it to make up for the past?" Xia yueqian replied. "I think about it, and you can feel it."

This sentence really stabbed Qin Hao's heart, which is true. He and Jian LAN are in the same situation now. This is the case. He is also worried that Jian LAN will be robbed. So I always want to be with her.

Qin Hao also understood that Xia yueqian said this on purpose, "yes! Have a deep understanding

"We went back first. Huo Dongyang and Wei Wei will come this afternoon

"OK!" Qin Hao nods.

Xia yueqian took cloud Mu Xin's hand, "so don't disturb."

Jian LAN stretched out her hand and pulled Qin Hao's clothes. "Qin Hao, you sit down."

"What's the matter?" Qin Hao sits down.

Jian LAN didn't cheat Qin Hao, so she said frankly, "actually, Yun Yiyan has been here just now."

Seeing that Jian LAN is not in a good mood, Qin Hao is not too nervous. "What did he say?"

"He said he would like to talk to me when I have time." "Jian LAN lake is big," and I agreed

Qin Hao clenched Jian Lan's hand. Of course, he also rejected the meeting between Jian LAN and Yun Yiyao. He didn't want to have any variables. He and Jane LAN finally came here, he just wanted to be with her. "Do you really want to meet?"

"I think so. If we don't meet, then he will certainly continue to show up. It's not good for us either. Isn't it? "

"No!" Qin Hao replied anxiously. He doesn't want Jian LAN and Yun Yiyao to meet. If she really thinks of the past, what should she do?

Feeling Qin Hao tightly pulling his hand, Jian LAN frowned, "Qin Hao, you hurt me."

"I'm sorry!" Qin apologized immediately after hearing this.

[Chapter 383](#)

Qin Hao looks at Jian LAN apologetically, but the pain in his heart really can't be said.

Jian LAN looks at such Qin Hao, in the heart also feels pain, she stretches out her hand. "Qin Hao, hold me!"

Qin Hao takes Jian LAN into his arms and slowly tightens it. "Xiao Lan, you can't leave me." For the first time in his life, he loved a woman so much that he wanted to be with her every day. He didn't want to be taken away! At the beginning, he also gave Jian LAN and Yun Yiyao opportunities, but as a result, Yun Yiyao did not know how to cherish them. Now what's he going to do!

Qin Hao looked at Jian LAN, who was in tears every day during that period, and his heart felt bad. At that time, he can do is to accompany her side, silently take care of her, until she slowly forget Yun Yiyao.

But he really didn't expect that such an accident would happen later. Jane LAN lost her memory! Maybe God had pity on him, so he gave him a fair chance to take care of her. In the past half a year, he and Jian LAN had a good life, and their small life was also very moist. He even expects to be like this in the future. What he forgets is not important any more. As long as he remembers everything now, he doesn't need to pay attention to others.

When they returned to the United States, everything seems to have changed, and this change comes from Yun Yiyao. He even chased here and said he regretted it. Even if he didn't allow it, how could he regret it! Jane LAN is his, he won't give it to other men again, although this man was once loved by her.

Jian LAN feels Qin Hao's emotion, and she also feels heartache. "Qin Hao, I want to go home." She doesn't want to be in the hospital, where she's certainly going to be cranky. She wants to go back to the home where only she and Qin Hao live.

Qin Hao hugs Jian LAN tightly. She should feel her emotions, so she said so. To take care of her emotions, she wanted to choose a person to bear. "Fool, you don't have to. You can make your own. "

"I didn't. I really want to go back. " Jane LAN replied. "I don't want to be hospitalized."

"Well, I'll ask the doctor." Qin Hao lets go of Jian LAN. "You wait for me here."

Jian LAN reluctantly releases Qin Hao's hand. "Come back soon."

"OK."

Smith heard Qin Hao's words and immediately put down his work. "Qin, are you sure you want to take your wife home?"

Qin Hao nods. "That's what she asked. If there's nothing else, I want to take her back. She has a rejection of hospitalization. "

Smith understood what Qin Hao meant. "If you insist, go back first! But it's good for her to bring her back regularly. "

"OK!"

Qin Hao's speed is very fast, less than an hour to take Jian LAN home.

Although I haven't lived in this house for a long time, I still have a strong feeling. Feel happy every day! This is the feeling of Jane LAN, always feel a sense of belonging. This seems to be what I have been longing for in my heart.

"What are you doing there? Come and sit down." Qin Hao said with a smile.

"Qin Hao, will we all live here in the future?" Jian LAN standing in your place asked.

"Well! What's up? Don't like it here? " Qin Hao goes to Jian LAN. "In this way, if I don't like the house I bought for the first time in my life, we'll have another one."

Jane LAN shakes her head. "No, I think it's good here. I think our children will grow up here in the future, and I feel very happy

Kid?! This word unintentionally stimulates every nerve in Qin Hao's body. A beautiful picture appeared in front of their own play, the screen has their own Jane LAN and children. Think of such a picture, say anything feel good!

Qin Hao held Jane in his arms and said with a smile, "if I really want to have children, then I can work harder!"

Jian LAN didn't understand the real meaning of Qin Hao's efforts, so she said with a smile, "you are already very good! If you have enough money, I don't want to live a rich life. "

Qin Hao said with a smile, "I mean to work hard in that respect! If you want to have children, you have to make people. "

Jian Lan's face was red, "what do you say?"

"Serious business!" Qin Hao picked up Jian LAN. "This is not the time for empty talk. We should work hard if we want children!"

Jian Lan's heart beat faster. Thinking of those pictures, she felt more nervous. She is not worried about her rising to a good stage. She hugged Qin Hao's neck and tried to calm herself down.

Qin Hao holds Jian LAN into the room and walks step by step to the comfortable big bed. Qin Hao gently puts Jian LAN down and looks at Jian LAN, who is still closed his eyes and dare not make a sound. Qin Hao smiles. He reaches out and hangs his nose. "Xiao Lan, you look like this, I can't help but rush up."

Ding a sound, Jane LAN good psychological preparation for all the moment have no. She opened her eyes and looked at Qin Hao with some unbelievable expression. "What does that mean?"

"I won't touch you today. You have a good sleep. When you are well, I will calculate the interest with you Qin Hao replied. "Now calculate, you owe me a lot of interest now, it is estimated that it will take a few days and nights to make up for it!" Jian LAN reached out to push Qin Hao, "what nonsense!"

"I don't know what to say! I'm telling the truth. You'd better be prepared now. " Qin Hao said with a smile. "I may keep you out of bed for a few days!"

Jian LAN reached out to push Qin Hao, "don't say it again."

"Shy?" Qin Hao said with a smile, "I thought you were bold now and would not be shy."

Jian Lan was asked by Qin Hao, faltering to say a word. She decided to ignore Qin Hao and simply moved her head to the other side. Qin Hao reaches out and Jian Lan's head moves back. "Xiaolan, why do you think I love you so much?"

"I don't know..." The word "Dao" has been drowned in Qin Hao's kiss, which is hotter and hotter than in the past.

Jian LAN felt that she had difficulty breathing, but she also put her arm around Qin Hao and responded actively. She's getting hot, and she even wants more! Qin Hao's kiss makes him seem to have lost himself.

Qin Hao immediately pressed Jian LAN under his body, and his kiss became urgent, as if to break through some boundaries. As expected, he had no self-control to Jian LAN. The heart has been telling themselves to control, but the body is the first to break through the reason, the body is not controlled by the brain, they have begun to act.

When two people kiss each other, the evil doorbell rings.

Qin Hao and Jian LAN immediately open their eyes. Qin Hao lets go of Jian LAN, and they are panting. Qin Hao then said, "it seems that interest will be calculated again."

Jian LAN pushes Qin Hao aside and turns to tidy up her clothes. Qin Hao also sat up. He was speechless and kept ringing the doorbell. In his mind, he wanted to remove the doorbell, which was really in the way.

"Don't you go and see who it is?" Jane LAN asked.

[Chapter 384](#)

Qin Hao stands at the door and looks at Huo Dongyang and Qiao Wei. He looks discontented and says that he is in a bad mood.

Qiao Wei saw Qin Hao that black face, she whispered: "Dongyang, we seem to come at a bad time."

Qin Hao put his hands around his chest and said, "it's good to know. All good things have been destroyed by you."

Huo Dongyang raised his eyebrows, and he also said something natural. "Then let's go first, and you go on?"

"Now that I'm here, I still have a reason to rush people? Come in Although Qin Hao has a black face, he still wants to thank Huo Dongyang and Qiao Wei for letting him brake in time. Because Jane Lan's body has not been completely up, so he does not want to let her have a burden.

Huo Dongyang took Qiao Wei's hand and walked in. Seeing the layout of the room, he had to say that he really spent a lot of thought. Qiao Wei also felt that Qin Hao and Jian LAN really want to live a good life. Because seeing the arrangement of the house, we can see the host's expectation for the home.

Qin Hao followed Huo Dongyang and Qiao Wei and walked in, "my family certainly can't compare with your family. This is the case when you just got married. Sit down

"Very good already." Said Joe, smiling.

"Xiao Lan is resting upstairs. I'll go up and call her. Whatever you want. "

Huo Dongyang sat down first. Seeing Qiao Wei or looking around the room, he also continued to say, "sit down first! In fact, the houses are the same. "

Hear Huo Dongyang's words, Qiao Wei shakes his head, "although the house is similar, but the feeling of each home is different. That's what home feels like. I can feel the state of Qin Hao and Jian LAN

Huo Dongyang smiles. "What is their state now?"

"It's obviously the state of newlyweds." Replied Jovi. In those days, she and Huo Dongyang did not have this feeling. At that time, they did lack some sweetness of newlyweds. Shortly after his marriage, Huo Dongyang was in a state of frequent business trips, hardly at home.

Huo Dongyang soon saw the hidden emotion in Qiao Wei's eyes. He held out Qiao Wei's hand and took her to sit down. "I didn't seem to be very nice to you when I just got married. Do you mind?"

Joe shook his head slightly. "No! If it wasn't for that time, or I wouldn't see a lot of things. Now think about it, I really appreciate that time, because it makes me feel like loving someone

Qiao Wei's words moved Huo Dongyang. He even held Qiao Wei's hand tightly. She's right. Distance produces beauty.

When Qin Hao holds Jian LAN to the living room, he feels the strong sense of happiness of Huo Dongyang and Qiao Wei. If only he and Jane LAN could be like them.

"Show love every day, isn't it?" Qin Hao said with a smile. "And they keep flashing in other people's homes."

Jian LAN gently patted Qin Hao's hand and told him not to talk. "Wei Wei, how did you and Mr. Huo come over?"

"We went to the hospital and found out that you were not there. Later, we asked about it and found out that you were discharged from the hospital." Replied Jovi. "I promised to see you yesterday, so I came home. I'll make you some dishes, and you'll eat them while they're hot. "

Jian LAN looked at the table top with two thermos bottles and lunch boxes, it seems that Qiao Wei also prepared for a long time. "Little, thank you!"

"We are good friends. We don't need to thank you. Eat while it's hot. " Replied Jovi.

Qin Hao went to pick up all the things, and then carried it to the dining table, "Xiao Lan, you eat here first."

Qiao Wei also followed in the past, so Qiao Wei and Jian LAN are chatting at the dinner table, Qin Hao and Huo Dongyang are chatting in the living room.

Qin Hao looked at Huo Dongyang faintly, and there was no expression on his face. He just felt that if he didn't speak, he would be really cold. "When will you go back to city a?"

"You want us to go so soon?" Huo Dongyang asked.

"Aren't all the children in city a? And it's time to go back when everything is done here. "

"In fact, you want me to take Yun Yiyan and them to leave." Huo Dongyang directly points out the key points of Qin Hao. Because of this, he and Jian LAN will not have problems.

Qin Hao nods. "It's the same with you."

"I already know about Yun Yiyan's reduction of LAN." Huo Dongyang continued. "When they meet, Jovi and I will go back. At least if we are here, he should not do anything out of the ordinary. It's good for everyone. "

After listening to Huo Dongyang, Qin Hao shook his head gently. "Sure enough, it's very broad. Isn't it tiring?"

"Tired! But it seems that this matter is also caused by me. If it is not solved properly, I also have the responsibility. "

Qin Hao understands Huo Dongyang's intention, but not everyone can be like Huo Dongyang. Once he was alone, now he has a family, relatives and more friends. So he was busy with these trifles. In fact, there is nothing wrong with this, because this is the life of ordinary people.

A few days later.

Jian Lan's body is not a big obstacle, so she also fulfilled the promise, but about cloud Yiyan. To go out, Qin Hao stood at the door to see her off. "If you have any questions, you must call me." Although the mouth promised to let Jane LAN go, but the heart is still very mind. In order to show his magnanimity, he can tell lies with his eyes open.

"Well, I know." Jane LAN nods. This time, Qin Hao agreed that the place should be near his home. Knowing that Qin Hao is worried about himself, she also wants to reassure him.

At this time, Jian Lan's mobile phone rings. It's Yun Yiyan's phone.

"Hello."

"I have arrived. Do you want me to pick you up?" Yun Yiyan asked directly on the phone.

"No, I'll be there soon."

Qin Hao looks at Jian LAN going out of the door, inexplicably uneasy, always feel that something will happen. "Xiao Lan, please call me if you have something to do!"

Jane LAN nodded, then opened the door and went out. The door closes, but it seems to separate Qin Hao and Jian LAN in two different worlds. This is the feeling of Qin Hao.

This appointment is a coffee shop. In fact, this place is also a coffee shop at most.

Yun Yiyan chose a good seat to sit down,. There was no hope in his heart when he came to the appointment today. These days, all the people are trying to persuade themselves to let go. After all, Jian LAN has forgotten the past, and the focus of her life now is Qin Hao.

Although the heart is unwilling, but Yun Yiyan still does not want to be so easy. Finally, he had the courage to do what he wanted and knew what he wanted, so he didn't want to give up.

The door of the cafe was pushed open, and there was a ringing bell on the door. Yun Yiyan pulls out from his thoughts and looks up and sees Jian LAN come in.

"Here Yun Yiyan immediately reached out his hand.

Jane LAN, who was still looking for someone, heard the sound and saw Yun Yiyan waving at him. She followed him.

[Chapter 385](#)

Jian LAN goes to Yun Yiyan, and Yun Yiyan also stands up.

He just wanted to help Jane LAN pull the chair, but Jane Lan said: "no, I can do it myself."

When Yun Yiyan heard this, his hand froze. She still really want to keep a distance with herself, slowly put her hand back, at the same time, he also saw Jian LAN has sat down.

Remember before, when his legs were inconvenient, she always took care of herself first and then sat down finally when she went out to eat. Now it has changed. She doesn't need to take care of herself, and she doesn't need to take care of herself. It seems that those days were not long ago.

Seeing Yun Yiyan still standing, Jian LAN looked at him and said, "why don't you sit down?"

Yun Yiyan nodded and sat down. "What would you like to drink?"

"A glass of milk will do for me." Jane LAN replied.

Hearing Jian Lan's words, Yun Yiyan really found that she even changed her eating habits. She didn't like to drink milk before. She usually ordered juice when she went out. Now she's really different.

"You still have coffee?" Jian LAN looks at the cup of coffee that has been cold in front of Yun Yiyan.

"Why not Yun Yiyan replied. "Coffee is actually delicious."

"Is it?" Jian LAN doesn't know why she suddenly talks about coffee. She vaguely feels that Yun Yiyan should not drink coffee.

In fact, Yun Yiyan has some excitement in her heart. After all, at this time, she still knows her habit of not drinking coffee in the past. Just now I was thinking about ordering a cup of coffee.

After that, neither of them spoke, but sat quietly. Until the waiter brought the milk to Jian LAN, the two people had a talk.

This time, Jian LAN asked first. "Yun Yiyan, what do you want to tell me?"

"To be honest, I don't know where to start." Yun Yiyan said with self mockery. Yun Yiyan had a lot of things to say and ask, but when he got here, many things really couldn't be said.

Jian LAN doesn't know what kind of feelings she had with Yun Yiyan in the past, but she remembers that Qin Hao once mentioned a few words, that is, it was Yun Yiyan who rejected him at the beginning. But because she lost her memory, she didn't remember the conversation between her and Yun Yiyan.

"Yun Yiyan, I want to ask if I was really with you at the beginning?" Jane LAN is directly asked, she also felt that there is no need to be so roundabout.

Yun Yiyan wryly smiles for a moment, thinking that she is really direct now. Before, Jian Lan was very tactful. Seeing her eyes waiting for her answer, Yun Yiyan still replied, "it's not really living together."

Jane LAN blinked. If so, she and Yun Yiyan's feelings should not be very deep. "What kind of state is it then?"

"Is it the kind of relationship that has never been punctured?" Jian LAN added.

"Well, you confessed first." Yun Yiyan continued. "Only after that..."

Hearing Yun Yiyan say here, Jian Lan also roughly knows the development situation behind. Once the relationship is identified, it will be embarrassing. So at that time, Yun Yiyan hid. "I see. You and me in the past are in such a state. So what else do you want to tell me now? "

Yun Yiyan looked at Jian LAN and said seriously, "I want to be with you." With that, Yun Yiyan also felt his heart beat faster than ever before.

But soon, Yun Yiyan saw Jian LAN shaking his head. "I'm married to Qin Hao. I won't be with you."

Very clear refusal, Yun Yiyan seems to have just heard the feeling of heartbreak. Jane LAN very clearly refused, really do not leave a little leeway. He can now feel the feeling of her moment when he rejected her. At that time, I even said more outrageous.

He said that she was a divorced woman, said that she was born in a bad way, and even said that he had no feelings for her. In fact, at that time, he also said those words. Because he was worried that he would not be able to stand up, so he did not want to let Jian LAN carry this burden.

But now it's too late to say anything, and she won't come back to her side. She has her new life and the people she loves now. Everything is already late, when you know what you want, that person will not be waiting for yourself in the original place.

"Jane LAN, I always seem to owe you a sorry!" Yun Yiyan said.

"Everyone does something wrong." Jane LAN replied. In fact, Jian LAN can also feel that the cruel words that Yun Yiyan said to himself at the beginning were not from his heart. "You will meet your own happiness."

Yun Yiyan laughed at himself, "will you? In fact, I have never missed twice. I don't think there will be a third chance! "

Jane LAN a smile, "you will be so pessimistic. If there is a third time, then you must hold on to it, and you can't let go! Sometimes happiness is really easy to slip away from your fingers, so hold on to it

Hearing Jian Lan's words, Yun Yiyan was a little surprised that she would cheer herself up like this. "Who told you that?" "Qin Hao! That's what he told me before

Yun Yiyan has some sadness in his eyes, but Qin Hao is right. When he meets true love, he will die. Don't let go! At the beginning Huo Dongyang also grasped Qiao Wei in this way, but he pushed his luck away.

A cup of milk has reached the bottom, Jane Lan also looked at the time should go back. Otherwise, Qin Hao will certainly be unable to sit still, and the expression he left for himself when he went out of the door came to his mind. "Yun Yiyan, I should go back."

"Worried about Qin hao?" Yun Yiyan can imagine Qin Hao's restless expression at the moment.

"Well!" Jane LAN nods. Then I packed my bag.

"I'll take you back! This or the last time, I'm going to go back to city a, too. "

Jane LAN did not refuse this time. He had to go back, so he was asked to deliver it once.

When they walked out of the cafe together, Yun Yiyan asked, "which way to go? Do you need a taxi? "

"No, it's close to here. It's just a turn across the main road. " Jane LAN replied.

Yun Yiyan also thinks that such an opportunity is very good, at least he can get along with her for a long time.

Jian Lan's pace is not fast, Yun Yiyan is also trying to adjust. Yun Yiyan doesn't know whether she is accommodating herself, or whether she is such a speed. Walking slowly like this is like walking, "Jian LAN, are you going to stay here with Qin hao?"

"Yes! I'll be where Qin Hao is. "

"Are you going back to see your family?" In fact, Yun Yiyan did not mean to mention Jian Lan's family. However, it is this sentence that Jane LAN stops at once. She looked at Yun Yiyan suspiciously. "I still have relatives?"

Yun Yiyan nods. "Yes, but they all live in the country."

Hearing Yun Yiyan's words, Jian Lan's mind also appeared some fuzzy pictures, and some hard words in her ears.

They stood on the side of the road waiting for the road, a sports car in the distance came quickly. It seemed that they were out of control and flew directly to the place where they were standing.

"Be careful!"

ms that she can't do some strange things.

Hearing Jian Lan's words, Yun Yiyan's heart sank, as if he had just heard that sound was just his own illusion. He just thought that the former Jian LAN came back. In fact, Jane LAN has never called himself, or really is his own ears wrong.

Don't want to think about it, yunyiyan helps Jian LAN to stand up. But just now his knee hit the ground, and when he wanted to stand up, Yun Yiyan's legs softened and he squatted down again.

Feeling that Yun Yiyan's situation is not right, she quickly reaches out to help Yun Yiyan. "What's the matter with you?"

"I hit my knee just now. I think it's the old injury that hurt me again." Yun Yiyan frowned and said, "I need a rest."

"Do you want to go to the hospital?" Jane LAN asked nervously. It was not easy for Yun Yiyan to get better. She didn't want to see what happened to him again. She looked around and everyone else was watching the accident in front of her. What would she do now?

Suddenly, Jian LAN remembered to call Qin Hao. She took out her mobile phone with trembling hands, and the mobile phone was shaking to dial Qin Hao's phone. But a lot of pictures came out of her mind, and this time the picture became more and more clear.

"Xiaolan..." Qin Hao picked it up soon.

"Qin Hao, I have an accident here. Can you come here?" Jian Lan's tone is very anxious, and her speed is also very fast!

"Where are you?" Qin Hao asked anxiously.

"Crossroads."

"I'll be there in a minute."

Jane LAN put the mobile phone back in her pocket, and she helped Yun Yiyan sit down. "Take a seat first. Qin Hao will be here soon."

Yun Yiyan looks at Jian Lan's tense expression, and his face also shows a little smile. It's enough to see her worrying and nervous about herself. At least she would care about herself.

"Yi Yan, how is your knee?" Jian LAN reaches out to press cloud Yi Yan's knee, the result feels his knee is in heat. She kneaded Yun Yiyan's knee immediately to avoid his knee pain.

Yun Yiyan once again heard Jian LAN call himself, but also saw that she did not seem to have forgotten that set of kneecap technique. He grabbed Jane Lan's hand excitedly. "Jane LAN, do you remember these?"

"Well?" Jane LAN did not realize that her whole body was full of flaws. "What?"

Cloud Yiyan more and more grasped Jian Lan's hand, a face serious and don't let Jian LAN avoid the eyes staring at her and asked: "you remember, right?"

"I..." As soon as Jian LAN opened her mouth, she heard Qin Hao's voice. He was looking for himself. "Xiaolan, where are you?"

Jian LAN immediately said, "Qin Hao, I'm here."

Qin Hao heard Jian Lan's voice, immediately pushed the crowd aside, and then followed the voice. Qin Hao soon saw Jian LAN sitting on the ground, and beside her sat Yun Yiyan. It seemed that Yun Yiyan had something to do.

Qin Hao walked over quickly, "what's the matter?"

"Qin Hao, the knee pain of Yun Yiyan seems to be a recurrence of the old injury." Jian LAN grabs Qin Hao's hand. "We need to get him to the hospital right away." Along the way, Qin Hao also heard that there was an accident, so his heart was hanging all the time. When he saw Jane LAN, he just calmed down a little. His eyes first fell on Jane LAN. "Are you ok?"

"I'm fine." Jane LAN replied. "Yunyiyan has protected me."

Qin Hao just now looked at Yun Yiyan, and saw his expression uncomfortable, it looked like it really pulled to the previous wound. "Can you stand up? I'll take you to the hospital now. "

"I'm fine." Yunyiyan tried to try to get up again, but his legs still couldn't make it. Qin Hao quickly supports yunyiyan to stand up, and he reaches for yunyiyan's hand to put on his shoulder, "Xiao Lan goes to call the car."

"Oh!" Jane LAN stands up and goes by to stop the taxi.

Qin Hao helped Yun Yiyan to the roadside, both of them looked at the front of the car in a hurry to stop Jane LAN, the two people's expression seems to be somewhat different. Qin Hao is heartache, but yunyiyan is excited.

"Yunyiyan, thank you today!" Qin Hao opens his mouth.

"No thanks! That's what I should do. " Yunyiyan replied. "Qin Hao, if Jane LAN recovers her memory, will you let go?"

Qin Hao paused for a while, and seemed to have again guessed the meaning of the saying "what do you mean by this word?"

Cloud Yi Yan's eyes on Jane LAN, he has a strong feeling, that is, Jane LAN should think of some things. If half an hour ago, he thought about Cheng Quan and Qin Hao, but now he doesn't want to!

Qin Hao also understood the meaning of cloud Yiyan, and saw the appearance of Jane LAN. He also said firmly, "don't let it go! Xiao Lan is my wife now! Yunyiyan, you should also make clear the situation! "

"Well! I'll get the situation right. " Yunyiyan also replied.

"There's a car!" Jane LAN has stopped a car at this time, she shouted at QinHao and yunyiyan.

Qin Hao adjusted a position, then supported yunyiyan and then sent yunyiyan to the hospital with Jane LAN.

hospital.

Qin Hao and Jian LAN are waiting for news outside the examination room. Jane LAN is also worried. She really doesn't want Yun Yiyan to have something to do, otherwise she is to blame. This time it's not Yun Yiyan protecting himself. Maybe he will become what he is now!

Qin Hao reached out and held Jian Lan's hand. He said in a low voice, "don't worry. He will be OK."

"What if there's something wrong?" Jian LAN immediately asked Qin Hao, but she couldn't rest assured. She remembers how Yun Yiyan held on to her teeth and didn't want to see that picture again. Because it's so painful.

Qin Hao is also aware of Jian Lan's strangeness. From seeing her to now, she gives herself a different feeling, and her mood is also different. Seeing her so uneasy and worried about Yun Yiyan, Qin Hao seems to have seen Jian LAN more than a year ago, who will pay for Yun Yiyan.

Thinking of this, Qin Hao felt a pain and frowned. He subconsciously clenched Jian Lan's hand, thinking that at this time, he could not let Jian LAN leave himself! Regardless of their fetters or feelings, he has only one cognition, that is, Jian LAN is his wife.

At this time, Huo Dongyang and they also arrived at the hospital.

"How is it going?" Huo Dongyang asked.

Qin Hao took a look at Huo Dongyang and said, "it's not clear. Smith hasn't come out yet."

Jian LAN looked at the people standing in front of her, and felt very sorry. "I'm sorry! It's all because of me

Of course, no one will blame Jian LAN, just feel that this is what Yun Yiyan volunteered to do. They also hope that his legs are really OK. Otherwise, this time may not be as lucky or miraculous as last time.

Jian LAN saw other people's faces are worried, she is more nervous. I pray in my heart countless times! She doesn't want to owe Yun Yiyan any favor, and she doesn't want to face Qin Hao with these guilt. This is also unfair to Qin Hao.

Qin Hao stretched out his hand and took Jian LAN into his arms. "Don't worry. I'm here."

Jian LAN buries her head in Qin Hao's arms. She grabs Qin Hao's clothes and responds to it for a long time! She believes in Qin Hao. With him, she doesn't have to think too much. He will certainly think well for himself, as long as he stays well.

Half an hour later, Smith came out of the examination room. Huo Dongyang immediately asked, "what's the matter?"

"The bone is not hurt, it's just the tendon. It's better not to walk around these two days. " Smith replied. "Hospitalization is recommended. In this way, there are special people to take care of him, which is also helpful to his situation

Huo Dongyang is in charge. "OK! It's up to you. "

"It turned out that his legs had been so badly injured that it was a miracle to be able to stand up again." Smith was surprised too! Under such serious circumstances, it is really a great miracle to be able to stand up.

"Yes, the re inspection process is also very hard." Xia yueqian replied. "Fortunately, at that time, there was always someone around to support and encourage him! Otherwise, we won't see such cloud Yiyan today. "

Jian Lan's whole body is frozen. Every word Xia yueqian says is like a small hammer. Every word is knocked on his heart, and every word makes him feel uncomfortable. She reached out and hugged Qin Hao, as if she had grasped a piece of driftwood on the sea.

"It's OK." Qin Hao patted Jian LAN on the back. Yun Yiyan has no big problem, so he also takes Jian LAN back. This place is really depressing and disturbing.

Qin Hao takes a look at Huo Dongyang. "Since Yun Yiyan is OK, Xiao Lan and I will go back first. She is also frightened today. I want to take Xiao Lan back to rest first. "

Huo Dongyang nods. "Well! Be careful on your way. "

"Mrs. Qin, please wait!" Smith stops Jane LAN. "When you left the hospital that day, you missed a medicine and didn't take it. Please follow me to get it."

Qin Hao let go of Jian LAN, then looked at Smith and said, "I'll go with you to get it."

"Xiao Lan, wait for me here, I will be back soon."

"Well!" Jane LAN nodded her head.

Qin Hao followed Smith to the office and took the medicine without any nonsense. "Where is the medicine? Give it to me."

"Qin, don't be nervous. I also happen to have something to say to you Smith looked at Qin Hao and asked him to sit down. But Qin Hao shook his head. He couldn't leave Qin LAN for too long, otherwise she would think about things.

Smith didn't force Qin Hao to sit down. He sat down himself and said, "madam, the present situation may be stimulated to think of the past. Just now I also heard from Mr. Yun that he was in a traffic accident because his car was out of control and his legs were injured at that time. "

"Yes, but what's the relationship with Xiao Lan?" Qin Hao really didn't want to think about the consequences.

"Ma'am, it may be that she thinks of the past." Smith replied. "Just now Mr. Yun also told me something about it. He said his wife remembered his address and the method of relieving his pain. So... "

Qin Hao doesn't want to listen to it any more when he hears this. He knows what it means for Jian LAN to recover her memory, that is, she may leave herself because of this. But this time, no matter what, he will not let go so easily. "Give me the medicine." Qin Hao said.

Smith sighed and handed the medicine to Qin Hao. "Here are some nutritional pills. Let your wife take them once a day. It's also good for her to take care of her body. If you want to have children, you should pay attention to it! "

Qin Hao clenched the bottle of medicine in his hand. "OK."

Returning to the outside of the examination room, Qin Hao sees Qiao Wei sitting beside Jian LAN and seems to be comforting her. Qin Hao walked with some heavy steps. He didn't dare to look so unnatural on his face. "Xiaolan, take the medicine. We'll go back first. "

When Jian LAN raises her head, Qin Hao is already in front of her. Qin Hao squatted, "do you feel uncomfortable?"

"No Jane LAN shakes her head. "I want to go home, too."

Qin Hao stretched out his hand and pulled Jian LAN up from his chair. Seeing Jian Lan's powerless attitude, Qin Hao deliberately and easily said, "you look like you are saying that you need to hold you back now?"

"Well, yes!" Jane Lan also nodded frankly.

Qin Hao a smile, bend down directly will Jian LAN to hold up, "wife, then we go home."

They just ignored the other people's expressions and left the hospital with love. However, Huo Dongyang can see that Qin Hao and Jian LAN are both pretending to be relaxed. In fact, both of them should feel uncomfortable. Although I'm not sure what Smith and Qin Hao said just now, we can see that Qin Hao's mood is a little heavy.

Qiao Wei looked at Du Huo Dongyang and frowned. She came forward to hold him. "Dongyang, what's the matter with you?"

"It's OK." Huo Dongyang also gave Qiao Wei a light and reassuring look.

[Chapter 388](#)

At this time, the dressed Yun Yiyan was pushed out by the nurse.

When Yun Yiyan wants to say something, he is pressed by Huo Dongyang.

"Talk to the ward." Huo Dongyang said. Then the nurse sent Yun Yiyan to the ward, and the others followed.

Xia yueqian helped Yun Yiyan lie down, "slow down."

"What do you think, second brother?" Yun Muxin is also worried about his face, and those hard days in the past have emerged again.

Yun Yiyan said to everyone. "I'm fine." Then he looked at the door again, hoping to see Jane LAN in the next second, but he did not see her for a long time. It seems that Qin Hao took her back.

"Yi Yan, do you feel uncomfortable?" Xia yueqian helps Yun Yiyan check again.

"No, I'm fine." Yun Yiyan said. "That Where's Jane LAN? "

Hearing that Yun Yiyan asked about Jian LAN, others didn't know how to explain. Now the situation is that Qin Hao and Jian LAN are a couple. Yun Yiyan really wants to destroy the couple's feelings.

Huo Dongyang still answered this question, "Qin Hao took her back."

"Is she all right?" Yun Yiyan is still concerned. Before in the chaos, Yun Yiyan really felt that Jian LAN remembered. That feeling can't be wrong. If it is, then he doesn't want to give up.

Huo Dongyang also catches the key point from Yun Yiyan's eyes, and Yun Yiyan now has a new hope. If you have not guessed wrong, then it is Jane LAN may have recovered the memory. That's why Qin Hao looks like that. Here comes the triangle again!

Qiao Wei looks at Yun Yiyan and Huo Dongyang. At this time, she also felt confused. Things seem to get complicated again! If Yun Yiyan doesn't give up, Qin Hao won't give up. What about Jian LAN? Who would she choose?

Qin Hao's family.

Qin Hao goes upstairs with Jian LAN, who is already asleep. I guess I was too tired. I fell asleep on the way back. It seems that today's events have had a great impact on her.

Qin Hao looks down at Jian LAN in his arms. His thoughts are very complicated and uncomfortable. If Jian LAN thinks of the past, will she return to Yun Yiyan's side? In the past, she didn't know Yun Yiyan's feelings for herself. Now she knows, will she be very happy?

Looking at Jian LAN, who was sleeping heavily, Qin Hao sat by the bed with some sadness in his eyes. He is not a great man and can't do the things that need to be done for others. In his heart, there is only one cognition, that is, he can make Jian LAN happy, why should he give her to other people.

"Qin Hao..." Jane LAN murmured. Qin Hao answered immediately. "What's the matter?"

Jane LAN didn't wake up, just accidentally called. Qin Hao holds Jian Lan's hand, and seems to be in a better mood because of Jian Lan's voice. "You have me in your dreams, right?"

When Jian LAN got up again, it was about eight o'clock in the evening. My stomach growled and I seemed to wake up from hunger. She sat up and saw the familiar environment, which was the room of the house.

There was only a soft orange light in the room, which was not very bright or dark, just shining on the room. It's not that people can't see the place clearly. It seems that this is the arrangement of Qin Hao.

Jian LAN puts on her slippers and turns around the room, but she still doesn't find Qin Hao. Jian LAN goes out of the room in slippers. When she wants to call Qin Hao, she hears a voice downstairs, and more than one voice. She crept up to the stairs so that she could hear more clearly.

There seems to be guests in the living room downstairs. Among them, there is John, who Jane LAN knows, and two others who are not her acquaintances. It seems that they are also talking about work. Jane Lan also feel strange, just looked at the time is already more than eight o'clock in the evening, still talking about work?

They are all in English conversation, and the speed is very fast, Jian LAN can only capture some key words from their conversation. It seems that there is something important for Qin Hao to go to, and Qin Hao seems to refuse because of his own physical reasons.

"Qin, I think there is no problem for you to go." John continued to persuade. "You know that place, too."

"John, I can't go away now. Xiao Lan's health is not good." Qin Hao refused again. Say what, he can't leave Jian LAN now, also can't let her stay here alone.

"Qin, Xiaolan is here. We take care of her. You can rest assured. " John really needs Qin Hao's help. "You also know that this project is very important for HD. What's more, you have always recommended this project before. Now it's not easy for the boss to nod. Do you really want to go? "

Qin Hao has such a moment of hesitation, one side is work, the other is Jian LAN. If it was his former self, he would go without any doubt. Now he can't, he has more important things to do, that is, Jian LAN.

"John, since Dongyang has given it to you, I believe in your ability! And I think you can do it. I also told Dong Yang before that I would try to reduce my work in the future. "Seeing that Qin Hao could not be persuaded, John sighed. "Qin, you and boss have changed after marriage. Well, since you can't go with women and men like you, it's up to us single dogs. I won't take these materials with me. You can have a look at them when you are free. "

"No more."

"OK!"

After John left with two assistants, Jane LAN came down from the stairs.

"Awake?" At once, Qin Lanhao changed her expression.

Jian LAN knows that Qin Hao wants to go, but he has no way to put himself down. "I heard John just now. Where does he want you to go?"

"The Middle East." Qin Hao replied.

"For how long?"

"Fast is a month, slow is a few months or a year. Then there is a key project. " Qin Hao didn't hide it from Jian LAN.

Jian LAN held Qin Hao's hand. "In fact, you can go. I'll wait for you at home."

Qin Hao shakes his head. "No. I promised you not to leave. In addition, Dongyang also handed over the project to John

Jian LAN reaches for Qin Hao. "Qin Hao, you are so kind!"

Qin Hao hugged Jian LAN, "you are also very good."

At this moment, they didn't expect that would happen later. Their feelings will experience such changes, if they know, they will certainly cherish the present more.

"Qin Hao, I'm hungry!" Jane Lan said in a low voice.

Qin Hao smiles, "so you wake up hungry?"

"Well!"

"Well, I'll get you something to eat. What would you like to eat Qin Hao lets go of Jian LAN.

Jane Lan said with a smile, "I like to eat whatever you do."

"OK!" Qin Hao touched Jian Lan's head, "you wait, I'll be quick."

[Chapter 389](#)

A few days later.

Yun Yiyan also left hospital and went home, but he became silent and did not say anything. However, it is tacitly understood that Yun Yiyan will be like this. In fact, she has not been able to wait for Jian LAN to come to see him.

Xia yueqian put the medicine down, "still thinking about her?"

"Brother, do you know what Jian LAN is up to these days?" Yun Yiyan asked. He always felt that it was not his illusion. Did Jian LAN really not think of the past? Or was it just her reaction to the rush.

Xia yueqian sits down on one side. "Don't think too much! Jane LAN is now Qin Hao's wife. Don't forget that. "

"I don't think they're married." Yun Yiyan doesn't know why he is so determined. Maybe these are just smoke bombs they released.

"Yi Yan, you can talk about it here. Don't go in front of other people and say that it's bad for you. "

Yun Yiyan frowned. Although he felt oppressed, he had to bear it. Because he needs evidence to say it.

"Well, take the medicine first." Xia yueqian continued. "Last night, dad called and asked when we were going back? My holiday is gone. I'm going to go back to a city with Mu Xin in the next few days. How about you? "

Of course, Yun Yiyan won't want to leave at this time. He must make sure of Jian Lan's situation before making plans. Otherwise, he came to America for nothing. "I can't go back yet."

Xia yueqian really didn't expect that Yun Yiyan would insist on this time, which is also rare. "Are you really ready for a long fight?"

"Well, yes. I have to figure out everything before I go. I'm not willing to go like this now Yun Yiyan replied.

Xia yueqian has no way to take his brother this time. It's hard to see him so persistent, or Jian LAN is worth his doing. Forget it, let them solve it by themselves! Not everything can be insisted on like this.

Meanwhile, HD headquarters, Huo Dongyang, is also in a meeting with several others.

"What are the preparations for the Middle East project?"

"Boss, don't worry, everything is going according to the plan." John replied.

Huo Dongyang nods. "I'm going back to city a the day after tomorrow. Things here are hard for you. "

"Yes

That night, Huo Dongyang invited all the people to dinner, which was also considered practice. Huo Dongyang chose the place to eat in a high-grade Chinese restaurant.

Huo Dongyang and Qiao Wei arrived early in the morning. Then Xia yueqian came with Yun Muxin and Yun Yiyan, followed by John and Jason. But Qin Hao and Jian LAN have been delayed, which makes people feel strange.

"Qin, why haven't you arrived yet?" John looks at the time. Qin Hao is not a person who will be late.

"It's estimated that something will be delayed. You can call him and ask." Jason said.

Just want to make a phone call, Qin Hao with Jian LAN came in, two people seem to be in a hurry to come over, look at their appearance some pant.

"Sorry, there's something wrong with the way." Qin Hao explained. Then he took Jian LAN to sit down, and then poured a glass of water to Jian LAN first.

John looks at Qin Hao and Jian LAN suspiciously. As soon as they come in, they give people a look of being unfaithful. It seems that they are working at home. As a result, they are delayed and late. "I think you're on your own business? Qin, you have to take it easy! Xiao Lan's body can't bear your brute force. "

Qin Hao smiles, and he follows John's words, "I'm very gentle! If you don't believe it, you can ask my wife! "

"Cutting is not fun at all." John didn't ask for trouble.

These words are like a needle in Yun Yiyan's heart. He stares at Jian Lan's ruddy face, and his eyebrows frown. The person she loves now is really Qin Hao?!

Jane LAN took two bags to Qiao Wei. "This is a gift Qin Hao and I bought for the children."

Thank you Said Joe, smiling.

"Next time, when you have a chance, remember to take them here." Jane LAN continued.

Joe nodded. "Well, when they're older."

In the process of eating, Qin Hao constantly Jian LAN clip vegetables, is really a model husband. This even Huo Dongyang, a senior married man, can't do it, so Xia yueqian is even more different.

Jian LAN see everyone's eyes fall on their own body, she secretly pull Qin Hao's clothes, let him not in this way, other people are watching. Of course, Qin Hao knows that they are watching, but he doesn't mind at all.

In the middle, Jane LAN went to the bathroom.

When she comes out, Jian LAN sees Yun Yiyan. She was stunned for a moment. "Why are you here?"

"I have something to ask you." Yun Yiyan replied.

Jian LAN is nervous. She seems to have guessed what Yun Yiyan is going to say, but she doesn't want to discuss those things with Yun Yiyan on this occasion today. "Another day."

"Jane LAN, you are escaping! Although you are a little different now, you still have some small habits Yun Yiyan said with a smile. "At this time, do you need me to say it?" Every time Jian LAN is nervous, she can't help rubbing her hands. This action, Yun Yiyan remember very clearly, at the beginning of her courage and her own confession is also like this!

Jian LAN blinked uneasily. She didn't dare to look at Yun Yiyan. She clenched her hand and stepped back. "Yun Yiyan, what are you going to do

Yun Yiyan moved forward step by step, and Jian LAN stepped back, until her back hit the wall. When she tried to get around Yun Yiyan, he grabbed her and beat her to the wall directly.

Yun Yiyan stretched out his hand and pressed Jian Lan's shoulder tightly to prevent her from moving, forcing her to look directly at himself. "Jane LAN, in fact, you all remember, right?"

"I didn't!" Jian LAN strongly denied it. She didn't want to admit it, because once she did, it would change the situation.

"You lie!" Yun Yiyan's attitude is also very tough. "You don't dare to officially express your past feelings for me. You are afraid that you still have feelings for me. You are also afraid that Qin Hao knows, right?"

Yun Yiyan's words let the mood that Jian LAN has been holding these days burst out. "No! It's not like that. " Jane Lan's mood is a little broken, she also hates why she should think of it so easily.

She doesn't want to be Jane LAN of the past, and she doesn't want to go back to the past. She wants to live a new life, she can't leave Qin Hao now! He's been giving for himself these days. She didn't want to let Qin Hao down.

Yun Yiyan tightened his brow. "Jane LAN, we can start again. Since you all remember, why don't you tell Qin Hao clearly. I can take you out of here if you like

"I will not..." Before Jian Lan's words finished, she was forced to kiss by Yun Yiyan.

Jian LAN stares big eyes, she tries hard to struggle, she wants to push away Yun Yiyan, she doesn't want to be like this.

"What are you doing?" Qin Hao's indifferent voice came.

[Chapter 390](#)

Hearing Qin Hao's voice, Jian Lan's head suddenly becomes blank, even forgetting to resist.

Yun Yiyan narrowed his eyes and reached out to take Jian LAN into his arms. He didn't care Qin Hao was behind him. He wanted to do what he wanted to do. He just wants to kiss Jane LAN, he doesn't care so much.

Qin Hao clenched his fist. He pressed on Yun Yiyan's shoulder. He pulled Yun Yiyan out and hit him in the face with one punch. Yun Yiyan staggered a few times, and then fell into the washing table behind.

"Yun Yiyan, I always bear it! So you don't have to face me Qin Hao said angrily. "Don't think you can be unscrupulous if you have Huo Dongyang supporting it!"

Yun Yiyan's back pain, people seem to have become a little sober, he helped the washing table to stand up again. He rubbed his face with his hand. Qin Hao's fist was really hard, which proved that he was really angry!

Qin Hao was full of cold air. "Yun Yiyan, get out of here now!"

"Ha ha..." Yun Yiyan also laughed. "Why do you let me go? In fact, you are worried that I will take Jian LAN back, right? Qin Hao, tell the truth! You are afraid that Jane LAN will think of the past because she will leave you in this way

Qin Hao doesn't pay attention to Yun Yiyan's words. He looks back at Jian LAN, who is still in a confused state. His heart inexplicable a pain, he went forward to embrace Jane LAN, "small LAN, are you ok?"

Jian LAN raised her head mechanically. Her eyes were empty, "Qin Hao..."

"Well!" Qin Hao hugged Jian LAN, "I know all about it." He actually heard her talking with Yun Yiyan just now, but in his heart he would like to hear Jian LAN refuse Yun Yiyan. But she didn't!

"Qin Hao, I'm sorry!" Jane LAN cried.

Qin Hao's body is also frozen, he can't figure out what Jian Lan's sorry means! He didn't want to guess the meaning, and he didn't want to accept the reality. He doesn't want to break up with Jian LAN like this.

Qin Hao hugs Jian LAN more and more, as if to embed her in his body. No matter whether Jian LAN has recovered his memory, he will not change everything now.

Jian LAN feels that she has some difficulty in breathing. Qin Hao really holds her hard, and she can feel Qin Hao's mood at the moment. His mood is very excited. Jane LAN blinked, and the whole person recovered. She can even feel the pain in Qin Hao's heart! Her heart is also instantly grasped!

"Qin Hao..." Jane LAN frowned and called.

"Xiaolan, let's go home." Qin Hao intentionally interrupts Jian Lan's words. Yes, he also has some evasive psychology.

"Well!" Jane Lan also promised to go home. She doesn't want to stay here any more. She needs to go back and calm down. She needs to sort out the current situation. She needs to think about who she wants to choose!

Hearing Jian Lan's answer, Qin Hao's heart is a little more stable. "Well, then let's go." Since she is still willing to follow her own way, it is good. He doesn't want to take care of other people!

Yun Yiyan looks at Qin Hao to take Jian LAN away, and he opens his mouth immediately. "Qin Hao, you are escapist."

"Yun Yiyan, I'll figure out with you what happened today." For the first time, Qin Hao put down his cruel words. Finish saying, he pulls Jane LAN to leave.

"Jane LAN!" Yun Yiyan wants to go after him, but he can't use his legs. So he can only watch Qin Hao take Jian LAN away. He really hates that he is so useless! He clenched his hand and thumped the sink.

Qin Hao did not let go of Jian Lan's hand all the way back, until he walked into the house.

Jian LAN stands at the door. She looks at Qin Hao with her back to herself. This is also the first time she saw Qin Hao like this. It seems that he is really angry. At the same time, she was afraid that Qin Hao would ignore herself like this. At the thought of such a result, Jane LAN felt that the heart was like a knife inserted.

"Qin Hao..." Jian LAN came forward and called in a low voice. She stretched out her hand and carefully pulled Qin Hao's clothes. "Qin Hao, I can explain..."

Qin Hao did not look back. He said coldly, "you are tired too. Take a break! I have something else to deal with in my study. " After that, Qin haoou doesn't go back to his study.

Jian Lan's heart clutters for a moment. Qin Hao is not so angry now. He seems not to want himself. Jian LAN doesn't want to be like this. She wants to explain to Qin Hao. But when she wants to catch up with her, she hears the door of the study closed by Qin Hao.

Bang also let Jane Lan's heart tremble, then her tears also flow down. Qin Hao doesn't want to listen to his explanation, and he doesn't want to pay attention to himself! What should I do? The whole person of Jian LAN feels that she is unprecedentedly flustered. She pressed her hand on her heart, which was very uncomfortable. It's a feeling of death. She can't imagine how to do without Qin Hao in the future!

Jane LAN tried to let herself along with a breath, but a sense of suffocation seemed to entangle her. She supported the wall to squat down. She felt it was difficult to breathe! Jian LAN curls up in a ball and murmurs Qin Hao's name.

"Qin Hao, why didn't you listen to my explanation?" Jane LAN cried out. Qin Hao in the study is no better. He is leaning against the door of the study. He closed his eyes, and he felt bad! Without Jian LAN, he knew that he would be worse than dead. He has been guarding Jian LAN just to give her happiness. If she recovers her memory and wants to return to Yun Yiyan's side, what should she do! He can't see Jian LAN and Yun Yiyan together. He is also a selfish man.

"Xiao Lan, you really give me a problem!" Qin Hao said painfully. Let her go, you feel bad? If you don't let her go, you will feel miserable with her! The result is not what you want.

Qin Hao's brain is also very chaotic, now who can give him an answer? What does he really want to know?

At this time, the door of the study was slapped by Jian LAN. "Qin Hao, will you open the door?"

"You go to rest first. I'm busy." Qin Hao said painfully. He doesn't know how to face Jian LAN now. He is worried that if he can't control it, he will do some excessive things to Jian LAN.

"Qin Hao, you're lying!" she said

"Be obedient!"

The whole person of Jian LAN leans on the door plank. How much willpower did she just use to make herself stand up? She has a belief. She wants to make it clear to Qin Hao that she wants to see him!

"Qin Hao, I'm not feeling well now. Would you mind opening the door?" Jane LAN continued. "If you don't come out, then you see my body!"

Hearing Jian Lan's words, Qin Hao was shocked. He immediately opened the door, and as soon as she opened it, she fell straight forward.
