

Warm Wife 391

[Chapter 391](#)

Qin Hao stretched out his hand in panic, followed by Jian LAN, and his voice trembled. "Xiao Lan, what's the matter with you?"

Jian LAN reaches out and grabs Qin Hao's clothes, but her mouth shows a smile. "You will see me at last."

Qin Hao looks at Jian LAN, who is nestled in his arms. Her face turns white. There seems to be something wrong with her. "Xiao Lan, what's wrong with you? You look so ugly? Is there something wrong? "

Jane LAN frowned. She was very uncomfortable, but her mouth was hard. "Don't you want to ignore me? I really felt like I was dying. The heart almost stopped beating

"Don't talk nonsense! You'll be fine! " Qin Hao doesn't want to hear Jian LAN curse her death.

Seeing Qin Hao still nervous himself, Jian LAN doesn't want to continue fighting with him. "Qin Hao, I'm really uncomfortable. Can you hold me? Don't ignore me and don't get angry. okay? It's not what you see. I can explain it. "

Hearing Jian Lan's words, Qin Hao's heart softened. Yes, what happened to him just now? She was so angry with Jian LAN. She was also a victim. "Xiao Lan, I am angry with myself."

"Qin Hao, you can be cruel to me, just don't ignore me. But you have to promise me not to be angry with yourself Jian Lan said with tears in her eyes. "If you don't pay attention to me, I'll die hard. I've been through it just now. I can't breathe. "

Qin Hao stretched out his fingers and pressed Jian Lan's lips. He didn't want her to continue to speak. He didn't want to hear these words. "If you die, I will go with you."

"Qin Hao, you really can't be so nice to me all the time, so I will become greedy." Jian LAN looks at Qin Hao and says.

"Fool, I just want to be nice to you, so you won't be willing to leave me." Qin Hao said with a smile.

When Jian LAN heard Qin Hao's words, she felt a little sweet in her heart. The discomfort seemed to be disappearing. She put her arm around Qin Hao's neck. "Qin Hao, I'm tired."

Qin Hao directly picked up Jian Lan's waist and said, "I'll take you to rest."

"Well!" Jane LAN nods. She is so nest in Qin Hao's arms, she has been staring at Qin Hao, how to look at Qin Hao feel very handsome! Beauty at present, really do not eat the truth?

Jian LAN stealthily leaves a kiss on Qin Hao's face. "Qin Hao, did I say you were handsome before?"

Qin Hao a smile, now Jian LAN is grinding the goblin. Every time he was so easy to stir up his own fire. Looking at his eyes full of water in his arms, Qin Hao completely surrendered. "Xiaolan, are you sure you want to continue to tease me?"

"Can't you?" Jian LAN smiles, and she also understands Qin Hao's meaning.

"Do you choose principal sum or interest today?" Qin Hao deliberately raises eyebrows to ask Qin LAN, but also wants to scare Jian LAN. I didn't expect that Jian Lan was brave enough to say, "I can do both the principal and the interest. You said last time I owed a lot of interest. It's just a part of it. "

Qin Hao's heart moved. His eyes were covered with a layer of color, "are you sure?"

"I'm sure." Jane LAN nodded repeatedly. "But you don't seem to be interested in my body." Recently, Qin Hao stopped at a critical time. It seems that he is not attractive, he will be like this.

Qin Hao didn't want to take care of so many things at this time. There was a voice in his heart that he wanted her to want her! God knows that he has to use extraordinary willpower to resist not starting with Jian LAN every time. But this time, he didn't want to bear it! Suddenly, Qin Hao lowers his head and grabs Jian Lan's lips directly. He even tries hard because he wants to disinfect all the places yunyiyuan kisses.

Qin Hao has been kissing Jane LAN back to the room, he pressed her under the body and did not let her go, two people close together, almost no gap. Both are longing for each other, and the body is the most honest.

Qin Hao lets go of Jian LAN. He gasps and looks at Jian LAN. He has a desire in his heart, but he still doesn't want Jian LAN to have a burden. "Xiaolan, I..."

Jian LAN sees Qin Hao's meaning. She quickly reaches out and covers Qin Hao's mouth. He wants to stop again. She stares at Qin Hao with her eyes. "Qin Hao, I think you are too much."

Qin Hao doesn't understand Jian Lan's meaning, so he reaches out to take Jian Lan's hand. "What do you mean?"

"Don't you think I'm unattractive, so you don't want to touch me?" Jian Lan said these things in front of Qin Hao for the first time, and she was very serious.

Qin Hao shakes his head. How could this fool think so! He didn't want her body to bear it. "No!"

"Then you want me!" Jian LAN is not a bit shy. She puts her arm around Qin Hao's neck and kisses Qin Hao.

By Jian LAN this time, Qin Hao's heart has accumulated for a long time of energy burst again. He reached out and took Jian LAN into his arms, and then took the initiative back. This time, he did not have the gentleness of the past, and his action was also a little strong. He directly tore off Jian Lan's clothes.

"Xiaolan, I love you!" Qin Hao said this sentence in Jian Lan's ear.

Jane LAN smile, she is more active to cater to Qin Hao, she also love him! So she gave him everything. This is what she thinks. Soon, there was a blushing and heart beating sound in the room

At last the night passed, and it was dawn.

A cold morning wind blowing through the window into the room, seems to feel cold. The people in bed hugged each other again, trying to keep warm. Qin Hao opens his eyes first. He looks at the woman in his arms with a smile on his face.

He stretched out his hand to pull up the quilt, did not want to let Jane LAN cold to. The room is really cold. I forgot to turn on the heating last night. He reached for the remote control in the bedside cabinet and turned on the heating.

Jian LAN is moved by Qin Hao. She also opens her heavy eyelids. She looks up at Qin Hao. "What's the matter?"

"It's OK. You can go to sleep again." Qin Hao said with Jian LAN in his arms.

Jian LAN reaches for Qin Hao and doesn't want him to leave. "You'll stay with me."

"Well!" Qin Hao nods and kisses Jian Lan's forehead, "it was hard for you last night."

"No hard work." Jane LAN closed her eyes and said that she felt a little shy. Yesterday's footage reappeared in my mind. Was the woman who took the initiative last night and even showed hunger thirst really herself? Now I think it's really incredible.

Qin Hao looks at Jian Lan's face and smiles. "You know you're shy? Who was that enthusiastic man last night

"Me." Jane LAN immediately opened her eyes and answered, although she was shy or not, she wanted to tell Qin Hao and her feelings for him.

Qin Hao looks at Jian Lan's appearance. He reaches for her chin, lowers his head and kisses Jian LAN again

They started a new round of war again. It seemed that Qin Hao had said that the interest was not paid back for several days and nights. In this way, when they woke up again, it was already afternoon.

Qin Hao looks at Jian LAN, who is still in the lazy bed. He gets up to eat first. He consumes so much physical strength and is really hungry.

"I'll cook for you. You'll be up later."

Jane LAN nods. "Well!"

[Chapter 392](#)

In the living room.

Qin Hao and Jian Lan's mobile phones have countless missed calls. They left their bags and coats in the living room last night.

When Qin Hao passed the living room, he heard the mobile phone shaking constantly. He went over and took out the mobile phone from his pocket. When he saw those missed calls, he was stunned. It seems that everyone has called themselves n times. What is the urgent thing.

Qin Hao takes his mobile phone and returns one to John.

"OMG! Qin, you finally called back. If not, I'll call the police soon. "

"What's the matter?"

"Did you do something to Yun Yiyan last night?" John asked Qin Hao a question in turn.

Qin Hao frowned. It was really hard for him to punch himself. But if he didn't put it in Yun Yiyan's shoes, would his life be in danger? Then he came back with Jian LAN. What happened?

"I did." Qin Hao admitted. "But he will not be in trouble."

"Oh! Are you really doing it? Qin, you are really the boss said that one angry crown for the beauty! Yun Yiyan went to the hospital again. "

Qin Hao. "So that's why you keep calling me?"

"Yes! I also want to know the situation. But Xia yueqian probably didn't think so. " John replied. "Qin, this time you do have some heavy hand. Although he has not given up on Xiaolan, how can you do so?"

Hearing this, Qin Hao suddenly felt that it was wrong. "Heavy hand? I just punched him. As for going to the hospital? "

"People are all hung up." John replied, "it looks like it's serious."

Qin Hao was a little confused. Did Yun Yiyan encounter other situations after he and Jian LAN left. If that's the case, it can't all be counted on your own head.

"I'll call Dongyang." Qin Hao thinks that this matter can only be explained to Huo Dongyang, but he doesn't carry the pot.

After learning about the situation, Qin Hao said something to Huo Dongyang. "I only have one punch."

Huo Dongyang didn't say anything, so he hung up his mobile phone.

Qin Hao just wanted to put the mobile phone away. When he looked back, he saw Jian LAN standing behind him. Looking at her, he should have heard what he had just said. "Are you awake?"

"Qin Hao, what's going on now? Is Yun Yiyan hurt? " Jian LAN goes to Qin Hao and asks seriously. Yun Yiyan just came out of the hospital, this will go in again?!

Qin Hao reached out and held Jian Lan's hand. "Don't worry. There should be nothing wrong."

When Qin Hao goes to cook, Jian LAN takes out her mobile phone from her bag. There are many missed calls on it. Jane LAN chooses to call Qiao Wei. She wants to know what happened.

"Xiao Lan, you finally called."

"I went to bed early last night." Jane LAN replied. "What's the situation with Yun Yiyan?"

"He refused to be treated. Just now Dongyang told me that Qin Hao said he just hit Yun Yiyan. " Qiao Wei's tone is also very nervous, "Yi Yan said to wait for you, or he won't receive treatment."

"Is he badly hurt?" Jian LAN is still a little worried. "Qin Hao didn't lie. It was a real punch."

"He got his leg again, but now he doesn't want to be examined by the doctor. He says he has something to tell you. If you don't come, he won't cooperate. " Replied Jovi.

Hear Qiao Wei's words, Jian Lan's heart also does not accept. What's wrong with Yun Yiyan? How shameless to blackmail in such a way. This undoubtedly forces me to make this decision.

"Xiao Lan, if you can, I'd like to trouble you to come to the hospital."

"I see."

After dinner, Jian Lan said to Qin Hao that she wanted to go to the hospital, which would have an impact on Qin Hao. Jian LAN doesn't want Qin Hao to be misunderstood, so she wants to have a look.

Qin Hao didn't say anything. He didn't say good or bad. He just sat there quietly.

"Qin Hao..."

Qin Hao raised his head and looked at Jian LAN, "if you want to go, go!" This time, Qin Hao didn't stop Jian LAN. If Yun Yiyan's problem is not solved, he and Jian LAN will always have problems. When this man plays his temper, he is really more difficult than a woman.

When Jian LAN arrived at the hospital, she saw several people all around in front of Yun Yiyan's ward.

"Xiao Lan, you are here at last." Qiao Wei immediately went to Jian LAN.

"Weiwei, I'm here to explain the situation. Qin Hao really didn't hurt Yun Yiyan. " Jian LAN immediately explained for Qin Hao. "Qin Hao is not that kind of person, but at that time, Yun Yiyan was really a bit excessive."

Huo Dongyang opened his mouth, and his attitude was stronger than before. "You go in and talk to Yun Yiyan. This matter must be solved today! "

Jian LAN saw Huo Dongyang's eyes, she also knew that she could not escape. It's not good for anyone to continue to drag on! "Well, I'll go in and he'll make it clear."

Jian Lan's front foot just enters the ward, the back foot Qin Hao also came, holding Jian Lan's scarf in hand. Jian LAN went out in a hurry, so the scarf was not around and left. Qin Hao was worried about her cold, so she sent it to her. "Jane LAN is in it!" Huo Dongyang replied. "You wait for her."

Qin Hao nodded. In fact, he was selfish. He went to the door and waited. In fact, he also wants to hear what Yun Yiyan and Jian LAN say.

In the room.

Yun Yiyan looked at Jian LAN, he showed a smile. "You're here at last."

"Are your legs OK? It's wrong for Qin Hao to punch you yesterday, but you've done too much. That's why he did it! " Jane LAN continued. "I hope you don't slander him because of this, and you will be seriously injured."

Cloud Yiyan a smile, he does not want to and Jian LAN pull these, he just want to know one thing. "Jane LAN, you've recovered your memory, haven't you?"

This time, Jian LAN did not evade. "Yes

"Do you remember what you said when you confessed to me?" Yun Yiyan asked in turn. "You said that for the first time in your life, you took the courage to pursue love on your own initiative."

"Yes! I did, but I remember you turned me down later Jian LAN retorted.

"I'll go back now. Would you like to come back to me? " Yun Yiyan said persistently.

Jane LAN shook her head, and she also asked, "yunyiyan, if time goes back, will you promise me?"

"I will!" Yun Yiyan replied.

"If time could really go back, I think I would." Jane LAN replied sincerely. "Because at that time I really liked you!"

Qin Hao was so sad when he heard that. If time goes back, Jian LAN will still choose Yun Yiyan, so she has no chance at all.

Qin Hao's eyes darkened. He clenched the scarf in his hand. He tried hard to calm himself down, and he didn't want to continue listening. He took two steps forward and stuffed his scarf to the nearest Qiao Wei.

"I'll go back first." Qin Hao is in a low mood. He also wanted to get out of here and get some air.

Seeing Qin Hao like this, Huo Dongyang gives Qiao Wei a wink, and then goes out with Qin Hao.

[Chapter 393](#)

In the ward.

The dialogue between Jian LAN and Yun Yiyan is still going on. They don't know that Qin Hao heard what they just said.

Looking at Yun Yiyan, Jian LAN continued: "yunyiyan, you know that time will not flow back in this world, we will not cross it, and there is no regret medicine. So let bygones be bygones! You and I are no longer possible! "

"Why? There are also examples in the world of reunion. " Yun Yiyan did not give up. "There are also many people who have been separated for years and reunited! Why don't you think about it? "

"That's because they still have each other in their hearts, and I don't! The person I love now is Qin Hao. I want to be with him! " Jian LAN is also very firm to say to Yun Yiyan. "At his side, I can be the most real myself, I want to cry, I want to make noise, I want to laugh, I want to play temper, I can! And he was with me all the time. When I woke up from amnesia, I was so scared and desperate that he was the only one around me. It's him who pulls himself out of that atmosphere bit by bit. "

When Yun Yiyan hears Jian Lan's words, he has an answer in his heart. She chose Qin Hao. "Qin Hao is really so good?"

"Well!" Jane LAN nods. "Qin Hao is really good!"

When I see Jian LAN talking about Qin Hao, her eyes are shining. I know that she really loves Qin Hao. Now I want to come between myself and Jane LAN is really a half a year, there is more time and space. It took her half a year to find her new life and love.

"Jane LAN, don't you have other thoughts after you recover your memory now?"

"No! I want to strive to pursue the love I want. On the contrary, I think amnesia is a good experience for me. Because I can make a brand new Jian LAN, every day has a different feeling. And I will do something I didn't dare to do before! I find that I like myself very much

"So you say it's a good thing?" When Jian Lan said these things, she also had a smile on her mouth.

Yun Yiyan saw the smile on Jian Lan's face, and he felt that it was in the way of his eyes. She is now a gorgeous transformation, and she has a new life of her own. And I seem to have been precipitated in those memories of the past, the whole person has become very negative.

"Jane LAN, I hope you don't regret what you said today." Yun Yiyan looks at Jian LAN and says. "But I still can't say my blessing to you."

"It doesn't matter. I won't force it." Jane Lan said with a smile. "Yun Yiyan, if we put down the past, we may live a more natural and free life! That's how I've come. "

Yunyiyan really has a bitter smile when he hears Jian Lan's words. Not everyone can be so easy to say that let go of the past can be put down. At least now he has failed. He has lost. Other people are right. At first, I pushed Jian LAN away, but I didn't want her first. Now I want to hold her. It's really shameless and bad. To miss is to miss, to lose is to lose. There is really no regret medicine, and time can't go back!

"I feel like a real failure." Yun Yiyan said with self mockery. Even lost Qiao Wei and Jian LAN, but these things in retrospect is their own sin can not live, have so little attention, lost just want to find back. But he has been ignoring a point, time does not wait for someone, and that person will not stand idly in place standing by!

Jane LAN shakes her head again. "Yun Yiyan, your happiness just hasn't come yet. You really don't have to be so pessimistic. Whose life has no passers-by? And these passers-by will teach you something. People are always growing up. I think your one will appear soon. Next time, we should really grasp it. That's the point! "

Yun Yiyan doesn't want to think about these things. He doesn't know if he meets a person he likes and she likes himself. He didn't want to set these things for himself.

"Jane LAN, you are very good now! It's really a set of words. "

"Qin Hao told me all this." Jane LAN replied. "I just borrowed them."

Yun Yiyan now really understands that it is reasonable for Jian LAN to fall in love with Qin Hao. Qin Hao is excellent, regardless of which aspect does very well. I'm a little worse than him.

Jian LAN looked at the time and said what should be said and what shouldn't be said. Now she really wants to go back. Otherwise, Qin Hao will have to wait and worry, and he really wants to go back.

"Yun Yiyan, you can cooperate with the doctor. These legs have created a miracle, so you can't be willful not to take this miracle seriously. People are not so lucky every time

Jian Lan said that these are also hope that Yun Yiyan will listen. "That's all I'll say today. I'll go first."

Jane LAN opened the door and walked out of the ward. She saw Qiao Wei standing up. She went up to Qiao Wei, "Wei Wei, I want to go back first."

"Have you made it clear to Yi Yan?" Qiao Wei's eyes are still a little worried.

"Well, it's all clear!" Jane LAN nods. "Let the doctor in later and examine him."

Qiao Wei nodded, "OK, I'll let the doctor in a minute." Joe nodded. She picked up the scarf on the side and handed it to Jane LAN. "This is your scarf." Jane LAN took over the scarf and seemed to be asking, "how could this scarf be here with you?"

"Qin Hao just brought it." Replied Jovi. "And I guess he should have heard you talk to Yi Yan, and the whole person went away in some wrong way."

Hearing Qiao Wei's words, Jane Lan's heart cluttered for a moment. "No!" What did he hear, but she could imagine Qin Hao's expression. Jane LAN put on her scarf immediately. "How long has Qin Hao gone?"

"For a while." Replied Jovi. "Dongyang followed him."

"Little, thank you! I'll go first. " Jian LAN is anxious to find Qin Hao to explain clearly. She doesn't want to make trouble with Qin Hao because of these things! There must be a misunderstanding to explain clearly!

Jian LAN pursues to the hospital gate, just met Huo Dongyang who comes back. Jian LAN immediately goes to ask: "Huo Zong, have you seen Qin hao?"

"He's gone." Huo Dongyang replied.

Hearing Qin Hao go, Jian Lan thought he was going home. She also said a thank you to Huo Dongyang and thought about going home. "Mr. Huo, I'll go back first."

"Jane LAN!" Huo Dongyang called Jian LAN. "Wait a minute."

Jane LAN is anxious to go home and speaks fast. "Mr. Huo, is there anything else?"

"Qin Hao has something to tell you." Huo Dongyang opens his mouth.

"What's the matter?" Jian LAN saw Huo Dongyang's serious expression, she also put down her anxiety.

Huo Dongyang looked at Jian LAN and said, "Qin Hao and John have already set out for the Middle East."

Jane LAN is stunned. She clearly remembers that Qin Hao refused before. "What project in the Middle East? Qin Hao said before that he would not participate. "

Huo Dongyang nods. "He just decided."

"No! I don't believe it. " When Jian LAN heard the news, the whole person was shocked, so Qin Hao didn't want to be himself?!

[Chapter 394](#)

After a while.

Jian LAN just looked up at Huo Dongyang and asked, "so he didn't want me?"

"Qin Hao asked me to give you a message. I hope you can use this time to think about what you want? If you have a decision, he will respect your ideas. "

Jian LAN shook her head. "What does he mean?! Respect my decision? He didn't want me, did he? He's breaking up with me? "

"Qin Hao and you are not officially registered for marriage, are you?" Huo Dongyang asked. In fact, he just knew that if John had not taken their passports to apply for a visa, or they were still in the dark. Qin Hao's marital status is still unmarried.

Jane LAN raised her head and looked at Huo Dongyang, "yes, we really haven't registered for marriage. But since I accepted Qin Hao's proposal, I have been his wife. Would you mind the proof of that piece of paper? "

Jian Lan's words are also Huo Dongyang can't say, his view of Jian Lan also changed instantly. It seems that she is not the person who did things in the first place. Now she knows how to deal with things. If you look at it carefully, she seems to be a little bit like Qin Hao. It seems that if she gets along with Qin Hao for a long time, it will be imperceptible. And John, they've said before that Jovi does things the same way.

It seems that this is true. Huo Dongyang thinks Qin Hao has a great influence on Jian LAN. It seems that this is true love! Remembering what Qin Hao said to himself just now, Huo Dongyang doesn't agree. In fact, Jian LAN has already chosen Qin Hao. It can only be said that Qin Hao is a big fan. He really didn't know that? How can Jian LAN choose Yun Yiyan now? I really lack a little confidence in myself. Huo Dongyang also knows that Qin Hao can't be blamed. Anyone who talks about feelings seriously will become a fool!

"Mr. Huo, if you don't have anything else, I'm going to the airport." Jian LAN wants to chase Qin Hao back.

Huo Dongyang sighs. "It's too late."

"What is too late? Does he really want to see me Jane LAN won't believe it! Qin Hao really lost himself so ruthlessly? She hasn't told Qin Hao what she thinks! She also wants to explain clearly to Qin Hao about herself and Yun Yiyan.

"They set out in a private jet and have taken off now." Huo Dongyang replied.

Hearing this news, Jane LAN did not stand firm for a moment, she staggered back. The heart is very painful, "Qin Hao really walked so natural and unrestrained, even the opportunity to meet is not willing to give himself."

Huo Dongyang thinks something is wrong with Jian LAN. "Are you all right?"

"I want to find Qin Hao. Mr. Huo, can you help me buy the ticket?" Jian LAN must go to Qin Hao. She doesn't want to be separated from him like this.

Huo Dongyang looks at a face excited Jian LAN, his brow a frown. "Don't be nervous. They will call when they arrive. And this project really needs John's help to start, so you think he's going to work. "

Jian LAN looks at Huo Dongyang with some dullness. How long will Qin Hao go

"It's not sure yet. It will be decided when they get there. " Huo Dongyang replied.

Jane LAN closed her eyes. She wanted to calm down. "What else does Qin Hao say?"

"He wants you to take good care of yourself. If it's inconvenient for you to be alone here, you can go back to city a with us first. "

Jian LAN did not speak, "Huo Zong, if Qin Hao calls, please tell him that I am waiting for his call, I have something to say to him."

"Good!"

Huo Dongyang stood at the door of the hospital looking at the thin back of Jian LAN, really worried about her situation. Qin Hao really made a bad decision. If something happened to Jian LAN, he would blame himself and regret it. Before the attitude clearly so tough, but because heard a seemingly unconfirmed words, his confidence and decision changed.

Jian LAN doesn't know how to get back home. She looks at everything she is familiar with, but she is short of Qin Hao. Jane Lan's heart is empty, and now the whole house has become empty. She went to the sofa and sat down, and then lay down on it. Tears can't hold at this moment, Jian LAN burst into tears, "Qin Hao, are you really so cruel to leave me alone?"

In this way, Jane LAN cried so tired on the sofa that she fell asleep. She was curled up on the sofa with wet tears on her face, but this time Qin Hao would not steal to wipe away her tears, nor would he carry herself into the room to sleep.

In this way, Jane LAN slept on the sofa all night. When she woke up, it was five o'clock the next morning. Jane LAN immediately sat up and took out her mobile phone. See if Qin Hao has called, but no! Qin Hao didn't send a single message.

Jane LAN looked at her mobile phone with a face lost. She took out her mobile phone to search for the tickets from the United States to the Middle East. If Qin Hao doesn't come, she will go to the Middle East to find him in person. This time, she will take the initiative.

Jian LAN then left a message to Qin Hao in wechat. "Qin Hao, I miss you very much! If you see it, give me one, will you? "

It is estimated that she has been sleeping on the sofa all night. Jian LAN feels dizzy. She decides to go back to her room and have a sleep. It seems that it will be better. Jane LAN finally fell asleep with her mobile phone in her arms. Near noon, Jane Lan's mobile phone finally had a response.

Hearing the ring tone, Jane LAN immediately woke up and picked up the phone without looking at anything. "Qin Hao!"

"Xiaolan, it's me." Qiao Wei's voice came.

"Weiwei, what's the matter?" Jane Lan's tone can not hide the loss.

"Dongyang and I will fly back to city a this evening. Do you want to go back with us?"

"I'm not going back. I'll wait here for Qin Hao to go home. " Jane LAN answers Qiao Wei.

"Well! Take good care of yourself Qiao Wei also did not force Jian LAN, since this is Jian Lan's decision, then she will support.

Jane LAN lost to end the call with Qiao Wei, he looked at the wechat on the screen has a message. She opened it immediately, and saw the push of the official account. Qin Hao still has no news.

"Qin Hao..." Jian LAN recited Qin Hao's name. "Is it really cruel?"

In this way, Jian LAN waited for two days, Qin Hao really did not have any news, which made Jian LAN feel a little uneasy. He was worried about whether something happened to Qin Hao. She had sent messages to Qin Hao these two days, but he did not return.

Jian LAN is really worried about Qin Hao. The current situation there seems to be unstable. Huo Dongyang and Qiao Wei have arrived in a city safely. Qin Hao, who started first, has no news. If I had known that, I should have saved John and Jason's phone numbers so that we can ask them now.

Finally, Jian LAN still can't bear missing, she calls Huo Dongyang directly. As for the situation of Qin Hao and John, he must know the situation as a boss.

"Mr. Huo, I'd like to ask about Qin Hao's situation there?"

"Qin Hao has not given you information yet?" Huo Dongyang's tone also seems a little unexpected.

[Chapter 395](#)

After Jian LAN heard Huo Dongyang's words, her heart became nervous.

"What happened to Qin hao?" Jane LAN asked anxiously.

"He and John are fine and have arrived safely. It is estimated that he has been busy these two days, and he has not had time to give you information. " Huo Dongyang's voice immediately changed a tone, which made Jian LAN suspicious. She always thinks Qin Hao should have something to do, and they all want to hide it from themselves.

Jian LAN frowned and asked, "Mr. Huo, are you sure Qin Hao is just busy? You didn't lie to me? "

"I didn't lie to you." Huo Dongyang replied.

"Do you dare to make this guarantee in the name of Weiwei?" Jane LAN is not a fool. Now she knows how to use some means.

By Jian LAN so said, Huo Dongyang really has no words. As expected, he knew that his weakness was Qiao Wei, and he knew that he would not take Qiao Wei's life or name to swear or make any other guarantee. "Jane LAN, you are so good now!"

Jane LAN clenched her cell phone. "Mr. Huo, I have no malice. I just want to know about Qin Hao."

"He's fine. Taking care of yourself is his best gift." Huo Dongyang replied.

"When will he come back?" Jian LAN really miss Qin Hao. This is also the first time for him to leave himself in more than half a year. Although there are only two days left, Jian LAN feels that it has been a long time. Missing is stronger and stronger every day!

"There is no final conclusion. The specific situation depends on the situation over there."

"Mr. Huo, if Qin Hao has any contact with you, please tell him that I am waiting for his call."

"Good!"

Thank you

Huo Dongyang said a word before Jian LAN ended the call. "Jane LAN, if you feel bored in America alone, you can come back to a city."

Jian LAN looked at everything at home. This is her home with Qin Hao. She doesn't want to leave. She wants to wait for Qin Hao to come back here. "Mr. Huo, I want to wait for Qin Hao to come back here."

"Well! If you change your mind, let me know. If you need help, you can also go to Jason and he will help you

"I see."

Jian LAN puts down her mobile phone with sadness in her eyes. Qin Hao seems to be avoiding herself. He must have told Huo Dongyang that he doesn't want to know too much. And they didn't say where they were in the Middle East.

Jian LAN sighed, "Qin Hao, don't think you can hide from me like this, I will find you!" She spent her whole life with Qin Hao.

A week later. Jian LAN still has no news of Qin Hao. It seems that this time Qin Hao is really iron hearted and ignores himself. Jane Lan also waited at home for a week. She decided to go to HD headquarters to find out about Jason.

After arriving at HD, the assistant tells Jane Lan that Jason is in a meeting and asks her to wait.

Jason is in the conference room and is having a conference with Huo Dongyang, Qin Hao and John. The assistant also sent a message to Jason telling him that Jane Lan was coming and was waiting in the office at this time.

Jason looks up at the news. Then he looked at Qin Hao in the video with a meaningful look.

"Jason, what do you mean by that look at me?" Qin Hao sees that Jason's expression is facing himself.

Jason props his head in one hand, and then he looks like he's watching a good play. "I just got a message. Do you want to hear it? "

Qin Hao's face was obviously not very good. "If you want to say it, just say it quickly. What's the point?"

"Here comes your wife. I think she should have come to inquire about you. How do you need me to cooperate this time? " Jason asked directly, he is not good at deceiving people, especially women!

Qin Hao's eyes are dark, and his eyes are full of complicated emotions. He can see that he can't bear it. The meaning of this Jian LAN has been very obvious. What strength is he still tangled over there?

"Qin Hao, I'm not talking about you! I can't bear to see you leave a woman alone here Jason can't help but say something about Qin Hao.

Qin Hao strayed his eyes. He leaned back on the chair and didn't know what he was thinking. Huo Dongyang also said something. "Qin Hao, almost good! If a woman is impatient or cold hearted, it's hard to get back! I also told you about Jane Lan's decision that day. If you are her husband, you should be responsible for it! Where you left her alone, if something really happened, you would be too late to regret it. "

Hearing Huo Dongyang's words, Qin Hao immediately got up. "What will happen?"

Jason immediately realized what Huo Dongyang meant and made up a story. "It's not very safe here recently. It is said that there is a gang that often attacks Oriental women, asking for money and sex! The means are cruel

Qin Hao couldn't sit still. He immediately put his head on the monitor and said, "is that true?"

"Recently, people have been talking about it. The front desk of the company said that he saw it when he came back that day." Jason went on to make it up as if there was such a thing. Qin Hao was nervous and worried. "You arrange several people to protect Xiao Lan secretly. If something happens to her, I will never let you go!"

"Qin Hao, is it up to me? It's like you left your wife here Jason didn't want to take the responsibility.

John, who had been silent on the edge, said lazily at the moment. "Qin Hao, I should like to book a ticket right away. But don't forget that the two meetings here tomorrow will be the most important part. "

John's words made several people calm down and stopped joking.

Qin Hao knew that since he was here, he had to do a good job. This was also what Huo Dongyang asked. If he really wanted to go, he should try to do a good job. Otherwise, he would not go.

John sees Qin Hao meditating beside him. He winks at Jason and Huo Dongyang. Tomorrow's meeting is really important. Whether the Middle East wins the project or not depends on tomorrow, and Qin Hao also wins the key to this project.

Jason went on to say, "Qin Hao, don't worry! I'll take care of Jane LAN. What do you want me to convey?"

This meeting, Qin Hao also collected all his emotions, "I will finish the task as soon as possible, you tell Jian LAN to let her wait for me! Let her take good care of herself. She must remember to eat and never get sick. "

"OK! I'll tell you the truth. " Jason nods.

Huo Dongyang also followed. "Qin Hao, you also send a message to Jian LAN!"

"I'm afraid that if I send a message, I'll miss her even more, and I'll fly back immediately if I don't insert a pair of wings."

"That's all for today."

Jason returns to his office and sees Jian LAN staring at himself. "Jason, I have something to ask you!"

"Qin Hao has something to tell you." Before Jane LAN asked, Jason also said it first.

Hearing Qin Hao have something to say to himself, Jian Lan's eyes suddenly light up. "Qin Hao, do you want to give me something? Is that true? "

Seeing Jian Lan's expectant eyes, Jason feels that Qin Hao really has the heart to let a woman wait for news alone.

[Chapter 396](#)

Jane LAN looks at Jason for a long time, but still doesn't wait for her to speak.

"Didn't Qin Hao have something to give me?" Jane LAN is anxious for news, a week is to wait for such a news.

Jason was only reflected by what Jane Lan said. "Yes! Qin Hao said he wanted you to wait for him to come back. Then during this period, we should take good care of ourselves, eat on time, and never get sick. "

Hearing Jason's words, Jane LAN pressed her hand on her heart and finally got news from him. She knew Qin Hao would not ignore her. But soon, the smile on Jian Lan's face also froze. She looked at Jason again and asked, "are these really what Qin Hao said? You didn't lie to me? "

"Of course! I never cheat women again Jason nodded. "That's what he told me just now!"

Jian LAN knows Jason can't lie, but why doesn't Qin Hao tell himself? Every time he has to ask others, he will reply to himself through others. Is he still angry?

After watching Jian LAN suddenly become depressed, Jason opens his mouth. "Qin Hao is very busy these days! And these two days of project preparation are the key. Whether we can win the project or not depends on tomorrow! "

"Even so, he can tell me directly. But he didn't give me a message, let alone a phone call, for a week. I really want to hear his voice, I want to know if he is OK or not

Jason sighs. This woman is infatuated with love. If she is cruel, she is really cruel! "Qin Hao said that if he called you, he would come back immediately! But this project may not be. "

Hearing this, Jian LAN seems to understand Qin Hao's mood and his practice. If she thinks about another thing in her heart, it's really easy to be distracted! Since this project is so important, and he has promised to go through, then it is necessary to complete the task. This is also the Qin Hao that she has known all the time, Qin Hao who does everything very seriously!

Jane LAN stands up. "Thank you, Jason! I'll go back first. I'll listen to Qin Hao and wait for him at home. "

"If you need help, please come to me! You should pay more attention to living alone Jason told me.

"Yes, I will."

After watching Jian LAN leave, Jason thinks about it or thinks that he needs to find someone to protect Jian LAN secretly. He doesn't want to take good care of her. Qin Hao will beat him up.

I thought that the meeting in the Middle East would go smoothly the next day, but the result was not! The company in the Middle East has been procrastinating. It seems that there are problems within the company, so the project has not been discussed.

This also made all the companies participating in the project competition very anxious and dissatisfied. The originally planned itinerary was changed again and again. Qin Hao is also one of the anxious people. It has been half a month. He and Jian LAN have been separated for more than half a month, really miss her! That day should not be so impulsive to run away. Now she's left at home alone. When I think of her, I feel uncomfortable!

John brought Qin Hao a cup of coffee. "Have a drink to refresh yourself."

"Is there still no news from there?" Qin Hao frowned.

"Yes. Several companies have gone. " John replied. "It is estimated that there are not many that can hold on to it now."

Qin Hao understands what John means, so long as they stick to it, the chances of getting the project will be very high. But helpless his heart also already irritable, think of Jian LAN, he is not a minute a second to sit!

John understands Qin Hao's mood at this time, "Qin Hao, it's been half or more months. Give her a call! Even if you can't see it, it's good to listen to the sound! "

This sentence really let Qin Hao some heart, anyway this side also glue. So call Jian LAN should not be a problem, I really miss her! This is not illegal!

"Well! I don't eat dog food here. I go out for a walk John said that and went out.

Qin Hao holds his mobile phone and looks at the messages Jian LAN sends every day. He feels that his eyes are moist. In the past, he really wanted to be cruel to her. How could you do such a thing? Didn't you say never leave? Now think about what you've done!

Qin Hao took a deep breath. Then press the familiar number and the phone goes through.

"Hello..." Jian LAN picked it up over there, but her tone seemed not spiritual. This time should be an American afternoon. Are you taking a nap?

Qin Hao is worried that Jian LAN is really ill. "Xiaolan..."

Gently a call, immediately let Jian LAN there spirit up. "Qin Hao, is that you?"

"Well! It's me. " Qin Hao was so sad that he thought he should have called earlier.

"Qin Hao, are you OK over there?" Jane LAN immediately continued. "I heard from Jason that the project wasn't going very well."

"Well, yes. It is estimated that it will continue to drag on for some time. How are you doing? ""I'm fine. I miss you Jane LAN did not cover up, said directly.

Qin Hao finally showed his first smile when he heard her words. "I miss you too!" I really want to think! Every day, my dream is full of Jane LAN.

Jane LAN laughed. "If you miss me, you wouldn't have treated me like that before, you would have ignored me like that!"

"Are you angry?" Qin Hao immediately asked.

"No, I think it's you who are angry, so you ignore me." Jane LAN replied. "Qin Hao, it's impossible for me and Yun Yiyan! You must believe me! I really didn't do anything sorry for you. "

"I know." Qin Hao of course knows that Huo Dongyang actually told him that day, but he has already arrived here.

"Qin Hao, I'll wait for you at home."

"Pay attention to your health and take care of yourself."

"Good! Come on, too. " Jian LAN gives Qin Hao a boost. "Pay attention to your body, too."

At the end of the call, Qin Hao didn't feel irritable. He thought he could have a good sleep today. In fact, this call should have been made earlier. Fortunately, Jian LAN is not angry with herself. This period of time really aggrieved her, after going back, he must make good compensation for her.

Qin Hao knows about Jian LAN every day, and Jason tells him about her every day. He also knew that Jian LAN went to HD headquarters to work these days. It was estimated that she was also trying to kill her boredom by staying at home. However, Qin Hao didn't expect that Jian LAN went to work in the headquarters in order to know Qin Hao's situation early every day.

She would like to stay close to him and wait for him every day, so that the day would pass faster. She also met new friends at the headquarters, so that she would not let herself think at home.

[Chapter 397](#)

Half a month went by again.

Jian LAN looks out of the window in a daze, has not seen Qin Hao for a whole month. When on earth will he come back? What's going on in the Middle East? Is money great? No efficiency at all! As expected, it is rich and willful! Not always boasting that the poor are only left with money, but also many people say that when they are old, they will go to pick up garbage. But Jane LAN doesn't like these at all!

Jane LAN sighed. She took her eyes back and looked down at the ring in her hands. Turning the ring slowly with his hand, I wonder when Qin Haodong will come back. In the last few days, there was no news from him, not even from John. I don't know what happened, so that they have no news.

It's so easy to have a lunch break. When Jian LAN is ready to go out for dinner, she sees Yun Yiyan, who comes to the company.

"Why did you come?" Jian LAN sees Yun Yiyan again and greets him as naturally as a friend.

Yun Yiyan nodded his head. "There's something wrong with coming to Jason."

"He should still be in the office." Jane LAN replied. "Are your legs OK?"

Because Yun Yiyan had a problem with his leg, he was hospitalized here again. Jane LAN and Jason went to the hospital to see him again. Now see him, look good, it seems that there is no big problem.

Yun Yiyan smiles. "It's OK. I'm going back to city a in a few days. "

"It's OK. Don't be so wayward in the future." Jane Lan said with a smile. "I'll go out to dinner first."

Yun Yiyan reaches out and pulls Jian LAN. "Wait a minute. I'll go to dinner with you."

Jian LAN is stunned. Obviously, she didn't expect that Yun Yiyan would ask for such an invitation. "Together?"

"Well, give me a face." Yun Yiyan doesn't give Jian LAN a chance to refuse. After that, he goes straight into Jason's office. It seems that he really has something to talk about. Jane LAN really didn't know whether to go out or stay.

In the end, Jian LAN still chose to stay. Anyway, it was time for a meal. She also wants to eat at noon, so wait for him.

After a while, Yun Yiyan came out.

"Let's go!" Yun Yiyan looks at Jane LAN waiting at the door.

"Oh Jian LAN nods, and then follows behind cloud Yiyan.

The two kept in such a formation that they came to the restaurant. Jian LAN looked up at the restaurant and asked, "do you want to eat so good at noon?" Jian Lan was going to have a snack and went back to the company. Unexpectedly, Yun Yiyan brought her to have a big meal.

Yun Yiyan nods. "I've always been particular about what I eat."

Jian LAN frowned. It seemed that she was not quite right. Yun Yiyan is particular about eating?! She had known him for so long that she didn't really see it. If he remembers correctly, he used to be more casual than himself, but now he has become fastidious.

Seeing the tangled expression of Jian LAN, Yun Yiyan chuckled and said, "what? You don't seem to believe it? "

"Well!" Jian LAN nods directly. "Yes! I don't believe it. I don't think so. "

Yun Yiyan looks at Jian LAN. Before, she would not say such words directly. Now it is really different. If there is any dissatisfaction or clear place, she will say it. "I heard that you eat fast food recently, so I want to take you to have a good meal, which is good for your health!"

Hearing Yun Yiyan's words, Jian LAN finally understood. It turned out that he was for himself, and Jane Lan was moved a little. Thank you

"You're welcome! I don't seem to have taken you to eat a piece of delicious food before. Today, this is compensation. " Yun Yiyan continued. "So you don't have to be polite to me!"

"I will not be polite." Jane Lan said with a smile.

In fact, just now, Yun Yiyan heard Jason say that Jian Lan's spirit is not very good recently. She is easily distracted and tired. It seems that there should not be enough food or eat something casually, which leads to insufficient nutrition.

So Jason also assigned the task to him and asked him to take him to Jianlan to have a good meal. But looking at Jian Lan's appearance, I really think she is a little thinner. It seems that she is caused by Qin Hao.

Yun Yiyan ordered a few not very greasy dishes for Jian LAN to eat. "Eat more, you're thin. If Qin Hao knew about it, he would be in love. "

"Isn't it good to be thin?" Jane LAN replied. "It's free weight loss."

"I don't think any man would like a woman with bones." Yun Yiyan naturally took a sentence.

After such a meal, the two were not embarrassed and chatted naturally like friends. After dinner, Yun Yiyan also sent Jian LAN back to the company.

"Jian LAN, do you really want to wait for Qin Hao here? Don't you go back to city A for a walk? "

"No!" Jane LAN shakes her head. "Qin Hao asked me to wait for him here."

"Let me know if you change your mind." Yun Yiyan continued. "I'll be here for a few more days."

Jane LAN shook her head, "no! I don't think I'll go back to city A. Yunyiyan, you also put down the past, so that you can meet the new life. Don't miss the third chance Yun Yiyan stands at the door and looks at Jian Lan's natural and unrestrained figure, with some self mockery on her face. Once this woman wants to put down a relationship, she is quite straightforward! Whether it is Qiao Wei in the past or Jian LAN now, Yun Yiyan feels that he is really inferior to them. Yun Yiyan shook his head and turned away.

At the end of the day.

Jason finally got the news from John, and it's exciting news that the project has been successfully won! After more than a month, it's really not easy!

Then Jason told Jane LAN the news. Jane LAN can't believe it all of a sudden, "really?"

"Really! We've talked about it, and then we just need to sign the contract. " Jason said excitedly.

Jian Lan's face also appeared a long time no see a brilliant smile, the project took down that Qin Hao will come back soon! She can see him at last. After waiting so long, she is coming back!

Jian Lan also can't restrain the excitement in her heart. "And when did they say they would be back?"

"I'll be back when I sign. It should be just a few days. " Jason replied.

Jane LAN nods. "Jason, can I call Qin Hao now?"

Jason smiles. "I think he'll call you."

Just after saying this, Qin Hao's phone call has really come. Jian LAN saw the name of the caller ID, and her heart beat faster.

Jason wisely let Jane LAN know the time and space. He walked out of his office. They're going to be stronger, and they're going to experience it again.

Jane LAN can't wait to pick up the phone. "Hello..."

"Xiaolan, it's me!"

"Qin Hao, I heard that the project was taken down, right?" Jian Lan also said excitedly.

"Jason told you. I'm going to give you a surprise Qin Hao's tone is also a pity.

Jane Lan said with a smile: "your phone is my surprise!"

"I'll be back tomorrow!" Qin Hao then added a sentence.

[Chapter 398](#)

Qin Hao's words made Jian LAN not react, because just now Jason said he would wait a few days.

She thought it was the fastest, but now she heard the word tomorrow, her heart couldn't help her heart beating faster.

"Xiao Lan, what's the matter with you?" Qin Hao hears Jian Lan's words, tone also becomes a little anxious.

At this time, Jane LAN came back to her senses. "I'm fine! Just now Jason said you'll be back in a few days. So I was stunned

Qin Hao smiles over there. "No way, I really miss you so much, so I decided to go back early. I'll let John deal with the signing. "

"Really?" Hearing Qin Hao's words, Jian LAN is more excited.

"Well! My plane tomorrow noon, to the United States should be the next morning. " Qin Hao answers with a smile.

LAN, give me your flight. I want to pick you up. "

"No, you'll be very tired. You'd better have a rest at home early." Qin Hao replied.

"I must pick you up!" Jian Lan's attitude is also tough. After waiting so long, she really wanted to see Qin Hao earlier.

In the end, Qin Hao couldn't resist Jian LAN, so he told Jian LAN his flight number. Jian LAN immediately took notes. Looking at Qin Hao at night, he thought that he would be happy to see a note in his hand.

Jason walked into the office and saw the look of Jian LAN. He joked with him, "you can see that you are very excited now! Yes, it's really a happy thing for my husband to come back. "

"Jason, I want to take two days off." Jian LAN wants to accompany Qin Hao at home. She has a lot to say to Qin Hao after so long no see.

Jason said with a straight face! But now the company has people. I have to think about it before I can nod

"Well?" The smile on Jian Lan's face disappeared instantly. "No? Please

"Not in theory! But for the sake of missing your husband so much, if I don't allow it, it seems to be too inhumane

Thank you Jane LAN hugged Jason excitedly, then left the company with her bag.

Looking at Jian Lan's excited expression, Jason suddenly understood a sentence, which seemed to be like this: "keep the clouds open and see the moon bright!" That's probably what it means. Forget it! I have to work harder.

The next morning.

Jian LAN went to the supermarket to buy a lot of dishes, ready to make some delicious food for Qin Hao in the evening, so that he could eat at home.

When I came home with two bags of things, I saw a car parked at the door. When Jane LAN doubts, the door opens.

"Mrs. Qin, is this the rhythm of coming back from shopping?" Mike walks up to Jane LAN.

"Mike, why are you here?"

Mike said with a smile, "it seems that the lady has forgotten one thing. The wedding dress that I made for you has been made. I'll bring it to you today

Jane LAN a Leng, she still really forget this matter. "Wedding dress?"

"Well!" Mike nods. "Yesterday, I received a phone call from Qin Hao asking if my wedding dress was ready. I only knew he had gone on a business trip."

Jane LAN nodded and then said with a smile, "he is back today."

"Then I think the wedding should also enter the preparation stage." Mike answers with a smile. Mike delivered the wedding dress and left.

Jane LAN looks at the room with the wedding dress hanging. It's really beautiful. Lin Lan thinks that she and her husband will go through the wedding dress together!

At this time, Jane Lan's mobile phone rings.

"Qin Hao!" Seeing that it was Qin Hao's phone, I picked it up immediately.

"I'm already at the airport, and I'll be boarding in a moment." Qin Hao said.

"I'll meet you at the airport then." Jane LAN replied. Her eyes fell again on the wedding dress. "Qin Hao, Mike sent me my wedding dress today. It's really beautiful!"

"Really? You must show it to me when I get home. I think you must look beautiful in it Qin Hao's mood sounds good.

"Xiaolan, when I come back, let's register for marriage! And then have a wedding, OK? "

"Good!" Jane LAN agreed, she waited for this day for a long time, in addition to excitement or excitement.

After the call, Jian Lan also began to clean the house. After eating, I feel tired and go to bed. Recently, I am always very tired. I want to sleep when I am tired.

Jian LAN set an alarm clock for herself because she wanted to get up to cook for Qin Hao and to meet him at the airport. In fact, this afternoon is really busy, so at first, Jian LAN only plans to take a nap. As a result, she still sleeps for more than two hours.

Jane LAN is a wake-up, the results of a look at the time is already three o'clock in the afternoon. She sat up quickly. It was too late.

When Jian LAN is busy in the kitchen, her mobile phone rings. But Jane LAN did not hear, still busy kitchen. Her heart has been trying to hurry up, can not delay the time to pick up the plane. By the time Jian LAN finished these meals, it was already six o'clock in the afternoon. She quickly went to the toilet, changed her clothes and was ready to leave for the airport.

When all this is done, Jane LAN is ready to go out. She picked up the phone on her desk and saw that there were several missed calls, all from Jason.

Jane LAN immediately called Jason to ask what happened. "Hello, are you looking for me?"

Jason's tone was also very nervous, "why didn't you answer the phone?"

"I was just cooking for Qin Hao." Jane LAN replied.

"Open the door for me!" Jason went on.

Jane LAN looks puzzled and opens the door. As a result, she sees Jason standing at the door. "Jason, why are you here?"

Jason's face was a little heavy. He looked at Jian Lan's surprised face. It seemed that he had not received any news, but how could he talk to her about the news!

Jian LAN saw that Jason's expression was not right, her heart thump for a moment, a kind of inexplicable uneasiness surged into her heart. "What's the matter?"

"Jane LAN, you don't have to go to the airport." Jason's voice is a little hoarse.

"Why?" The uneasiness in my heart reaches the highest level. It seems that something is wrong with intuition.

Jason doesn't raise his head to see Jian LAN. He lowers his head and his voice is very low. "Qin Hao Qin Hao, something happened. "

Hearing Jason's words, Jane LAN didn't stand firm for a moment. She quickly reached for the door and finally stabilized herself. "What did you say?"

"Qin Hao's flight lost contact two hours after it took off." Jason went on. "Now the news from over there says to prepare for the worst!"

When Jian LAN heard the news, her heart beat faster and faster. She even felt that she couldn't bear the load. Her head was blank. "What do you mean by the worst plan?" she murmured

"It could be an air crash." Jason's mood is a little out of control.

"It won't be like this..." Jian Lan's words didn't finish. Suddenly, her eyes were black, and the whole person fell down

[Chapter 399](#)

A few hours later.

Jian LAN suddenly opened her eyes and cried out Qin Hao! She held out her hand to catch people, but it was air.

She had a nightmare just now. In the dream, she saw Qin Hao turning around and leaving, and it was still a very ethereal appearance. You can't catch him no matter how you want to catch him. He seems to be a shadow, standing quietly in his own eyes, all sorry. I can't hear what he is saying, but it seems that his mouth is saying I'm sorry!

Tears from the corner of her eyes again, she put her hand on her heart. Why does she remember so clearly this time! Jason said those words, very clear in the ear echo! "Qin Hao, you cheat! You said you would come back and marry me, and you said you would let me wait for you. But what are you doing

"You are awake." Jason came out of the outside and came in.

Jane Lan's eyes suddenly change. She reaches for Jason's arm. "Jason, you tell me it's not true! Qin Hao said he would come back! He can't break my word. "

Jason reaches for Jan LAN. "Jane LAN, you can't be excited now, you must calm down!"

"How can I calm down. An airplane accident is a big event. It's a real smash Jian Lan said excitedly. "Qin Hao, how could such a thing happen! It's very kind of him! It's not going to happen to him. "

Jason frowned. It's really hard to do now. He didn't want to accept such things if he could. "Jane LAN, you must be calm! Maybe it's OK! "

"Is it?" Jane LAN raised the face full of tears, her eyes with a little hope.

"Well!" Jason nods hard. No matter what the result is, he has to stabilize Jian Lan's mood. "Jane LAN, I have one more thing to tell you."

Jane Lan's heart is tight again. Is there anything more devastating than this. "Have you heard from Qin hao?"

"No, it's you." Jason replied. "You're pregnant."

Hearing Jason's words, Jane LAN calmed down and seemed to be digesting the matter. She didn't believe it was true. After Jane Lan was silent for a while, she opened her mouth and wanted to confirm the news again. "Jason, is that true?"

"Really." Jason nodded. "Smith, they confirmed that. So you can't get excited right now, it's not good for you and the kids! "

Jane LAN burst out laughing, and her voice also had a sad tone, "what is this? It is said that if God closes a door for you, it will leave you a window? Without Qin Hao, I would rather not have this child. "

"Jane LAN, this is the child of you and Qin Hao! How can you say that! " Jason is also worried when he hears Jian Lan's words. She's not in the right situation. What should she do if she really can't think of it? Another one in case, Qin Hao really did not come back, what should Jian LAN and the children do? These are all headaches.

Jian LAN clenched her hand. She only wanted Qin Hao, she didn't want children. Without Qin Hao, what's the use of keeping her children? It will only arouse her own thoughts!

When the door of the ward is knocked, Jason looks back and sees Yun Yiyan standing at the door, thinking about how he came here?! At this time, really do not add chaos! Or he won't be able to deal with it.

"Mr. Yun, why are you here?"

"I want to talk to Jane LAN." Yun Yiyan opens his mouth.

Jason is embarrassed. This is the easiest time to have an accident. Jane Lan's mood is not stable, anything will happen. Just as Jason was thinking about these things, Yun Yiyan had already come in.

Yun Yiyan is the first time to see such Jian LAN, he also frowns. "Jane LAN, are you sure you want to do this?"

"Yun Yiyan, can I ask you something?" Jane Lan said.

"What do you want to do?" Yun Yiyan looks at such Jian LAN, is completely strange.

"Take me to Qin Hao." Jian LAN looked at Yun Yiyan with a pair of tearful eyes. "I want to find Qin Hao."

Yun Yiyan looks back at Jason, but sees him shaking his head. Jane Lan's situation really does not allow her to go around. But Yun Yiyan said, "I can take you to Qin Hao, but you have to pick yourself up. I'm not going to take you where you are now

"Good! I'll cooperate with you. " Jane LAN seems to have caught a glimmer of hope, so she also calm down.

"You need to rest now." Yun Yiyan saw that Jian LAN finally calmed down and felt relieved.

Yun Yiyan helped Jian LAN lie down and tucked in the quilt for her, "you are sleeping for a while."

Jane LAN really cooperate, immediately close her eyes to sleep. Or is really weak, Jane LAN soon fell asleep. Yun Yiyan winks at Jason, and they go out together.

Yun Yiyan closes the door of the ward. He looks at Jason with his face. "Do you have the latest news from John?"

"Not yet. I think if there is no news, it may be good news. " Jason replied. At least they can still believe that Qin Hao is OK. Yun Yiyan leaned against the wall, "Huo Dongyang has already set out for the Middle East. They mean to let me take Jane LAN back to city A. after all, there are so many people there that we can take care of her and Children. " Although I don't want to admit children, it is a fact.

Jason looks at Yun Yiyan. "Is that what boss means?"

"Well!" Yun Yiyan nods. In fact, such a thing happened, everyone's heart already knows! It must be bad luck! How many examples are in front of us, or there are miracles, but this situation is still rare.

Jason actually doesn't have any idea. Since this is what Huo Dongyang means, he respects it. But now Jane LAN will really like to go back? That's what they need to focus on. Now Jian LAN is not the one who always obeys the arrangement. Just now, Jason was worried that if she was stimulated again, she might have problems!

"Jian Lan's situation is not good now." Jason says what's in his heart. "Smith just said that she is very weak, she is also malnourished now, in this way, she and the child will have an accident!"

"I know that. I'll wait until her mood gets better." Yun Yiyan replied.

Jane LAN this sleep directly to the next morning, or hear the birds outside the window, Jane LAN just quietly opened her eyes.

She reached out and rubbed her eyes, and when she wanted to get up, her hands naturally rested on her stomach. I think Jason said she was pregnant. She and Qin Hao have children.

Smith just came to the ward round and found that Jane Lan was awake. He came over. "Mrs. Qin, you are awake."

"How long have I slept?"

"One night." Smith replied.

Hearing this time, Jane LAN immediately sat up. "And they?"

"They go back first, and come back to see you later!" Smith replied.

Jane LAN looked at Smith nervously. Have you heard from Qin hao

[Chapter 400](#)

Smith looked at Jane LAN in embarrassment. He didn't know how to answer her question.

"Yes or no?" Jane LAN immediately added another sentence.

Smith shook his head. "Not yet."

Jane Lan's eyes quickly and dark down, now this state is really not good. But her heart still wants to believe that Qin Hao will abide by the agreement to come back, she does not believe that Qin Hao will cheat him. But these are not what he can avoid, if he is not in a hurry to come back, then no such thing happened.

"Mrs. Qin, you should take good care of yourself now. You are the one who wants to be a mother. " Smith reminds Jane Lan that she hopes that everything can be done for her baby. After all, every little life is hard won.

Jane LAN looked up at Smith. "No! If Qin Hao doesn't come back, I won't want this child either. "

"Mrs. Qin!" Smith looked shocked. Although he has not been to their country, he knows more or less about their country. They all want to have a child at home, even better if it's a boy. So many families pay a lot of money to give birth to children in the United States. But now Jian Lan said not to have children, this seems to make no sense.

Jane LAN looked at Smith's face and didn't believe it. She then said, "if you want to change Qin Hao's life, then I'd rather not! I don't want my child to grow up in a single family, and I don't want to find another dad for him! So I'd rather be cruel now! I don't think the child will blame me

Smith frowned. "Mrs. Qin, please think it over. This is the crystallization of you and Qin Hao. "

"Without Qin Hao, what do I want my child to do?" Jian Lan's attitude is also very firm.

Smith did not go on with the subject. "Mrs. Qin, have a good rest! I'll see you later. "

Then Smith also told Jason about the situation. Jason had no way to deal with women, so he had to ask Qiao Wei for help. Qiao Wei also promised to communicate with Jian LAN. If Jian LAN continues like this, it is estimated that the situation is also bad.

But Qiao Wei made a lot of phone calls to Jian LAN, and Jian LAN didn't answer any of them. She also knew what Qiao Wei was going to say, and they must be persuading themselves! But one day without news from Qin Hao, she would not change her mind.

Afternoon.

Yun Yiyang brought a lot of food to Jian LAN, but Jian LAN didn't want to eat at all.

"Jane LAN, how much do you want to eat?" Yun Yiyang opens his mouth. "If you go on like this, you won't be able to hold on. You don't want Qin Hao to see you like this

Sure enough, Qin Hao's name is still useful. After hearing this, Jian LAN turns her head and looks at Yun Yiyang. "Will Qin Hao come back?"

"Well! Don't you believe it all the time?" Yun Yiyang replied.

"But I haven't heard from you for so long." The hope in Jian Lan's heart also gradually disappeared with the passing of time. The longer the time, the less hope she felt.

When Yun Yiyan sees such a negative Jian LAN, he doesn't know what words to comfort him. Women's problems are really hard to solve! Now there is not even a woman here, and there is no one who can help her.

"Jane LAN, have something to eat! Health matters! " Yun Yiyan also has no way.

"I have no appetite." Jian LAN refused again. She really has no appetite.

Yun Yiyan frowned. "If you go on like this, I won't take you to Qin Hao."

"No!" Jane LAN shakes her head. "You promised me."

"With your current physical condition, you can't leave the hospital, let alone fly for such a long time."

Hearing Yun Yiyan's words, Jian LAN started. She reached for the chopsticks and ate the food. But after a few mouthfuls, she all vomited out. My appetite is empty, but I can't swallow what I eat. I vomit as soon as I go in.

Yun Yiyan saw this, quickly reached out to wipe her mouth with a tissue, and then gently patted Jane Lan's back. The face is worried, Jane Lan's condition is really very bad, how should this do?

Jian LAN felt a little more comfortable and pushed Yun Yiyan away with her hand. She looked down at the trouser legs of Yun Yiyan, which were all stained by herself. "I'm sorry to have soiled your clothes."

"It doesn't matter." Yun Yiyan replied. "What do you think?"

"I feel better." Jane LAN replied. "I really can't eat it."

Later, there was no way but to ask the doctor to give Jian LAN some nutrition, so as to maintain her physical condition. Looking at Jian LAN who fell asleep again, Yun Yiyan felt heavy in his heart. If she wants, he can take her back to a city, and he can be the father of the child.

In the evening, Yun Yiyan receives a call from Jason. There's news from Qin Hao. Qin Hao has checked in and found out about his checked luggage. So Qin Hao really got on the plane.

"That's what the airline says now?"

"No news." Jason replied. "Boss and John are over there. I'm sure we'll be waiting for the news. How is Jane LAN? ""Not good!" Yun Yiyan replied. "She hasn't eaten for two days."

"I think it's better to let Madame come. Or we can't make it. " Jason went on. And some things Jian LAN will not tell them a few men, of course, this also has inconveniences.

Yun Yiyan also thinks it's good, but can Qiao Wei really get away? It's not that the child is sick these days. "Look again!"

On the morning of the third day, there was a message about the lost flight, saying that a distress message had been sent two hours after takeoff, but the signal was weak. When you want to be sure again, you can't contact the plane.

However, it was soon reported that the aircraft wreckage was suspected to have been found in a certain sea area, and now the relevant departments have gone to investigate. And this incident has also

attracted global attention, and the news is overwhelming. Because worried about Jian LAN to see, Yun Yiyan also put away Jian Lan's mobile phone and pulled out the TV switch in the ward. In the absence of accurate information, he will not let Jane LAN know.

Looking at the bed eyebrow tightly wrinkling Jian LAN, cloud Yi Yan also followed uncomfortable. Why do you always let her encounter these things? I thought that she and Qin Hao would be happy. Suddenly, such a situation appeared. I really felt helpless.

Yun Yiyan's mobile phone rings. He looks at the caller ID, and he catches up. "Hello

"Well, I'm still in the hospital." Yun Yiyan replied. "Are you coming?"

"Well, I'll pick you up then." The call is from Qiao Wei. She has decided to come to America.

Just finished the conversation with Qiao Wei, Yun Yiyan found Jian LAN awake.

"Yi Yan, is there no news from Qin hao?"

"Well!"

As soon as he finished speaking, a message came in from Qin Hao's mobile phone. After seeing the news, Yun Yiyan's face turned white.
