

## Warm Wife 401

### [Chapter 401](#)

Jian LAN just also saw cloud Yi Yan's face changed suddenly, she cluttered for a moment.

"What's the matter?" Jian LAN reaches for Yun Yiyan's mobile phone, but is dodged by Yun Yiyan.

Yun Yiyan looked at Jian LAN and said, "it's OK. Are you hungry? "

"What's the matter?" Jian LAN is still chasing after her. She thinks it must be Qin Hao's news. After all, the time is almost the same, whether it's good news or bad news, it's time to come. After 72 hours, the chances of good news are certainly low.

Seeing that Yun Yiyan didn't speak, Jian LAN went on to say, "Qin Hao, there's news, right? Yunyiyan, tell me! I am Qin Hao's wife. You have the right to tell me the truth. You can't always hide it from me like this! "

Cloud Yi Yan is a face embarrassed, "Jian LAN, you don't want to be like this."

"Say it Excited Jane LAN cried out.

"Just got the latest news, the plane confirmed that there was an accident, the plane took off more than two hours after the explosion!" Yun Yiyan lowered his head and did not dare to see Jian LAN.

With a bang, Jane Lan's head was blank, and her whole person was frozen. Except for the tears that kept falling out, the rest of the body froze.

Cloud Yiyan saw Jian Lan's hand hang down, he looked up at Jian LAN, looked at her this way, his heart was also squeezed. He stretched out his hand to hold Jian LAN, even his voice became choked up. "Jane LAN, if you want to cry, cry out loud. Don't hold on like this

People really need to vent, if not, will certainly suffocate out of illness! Therefore, Yun Yiyan hopes that Jian LAN can vent all her anger.

"Ah Jane LAN called out and cried out loud. Or she has been repressed these days, and now she has completely collapsed!

Cloud Yiyan's eyes are also wet, he hugs Jian LAN. "Cry! Just cry out! "

Jane Lan's cry also makes Smith and Jason outside the ward feel uncomfortable together. Jason turns his head, and he reaches out to wipe away his tears. For the first time in his life, he was a good brother of his own. In the past, when they started a business together, they would quarrel with each other and fight for a case. Now think about it. This is the best time.

It's hard to see that Qin Hao meets a woman who loves each other and is about to marry and become a father. However, such a change has taken place. Jason thinks that Qin Hao is not such a short-lived man, but now he is!

After receiving the news just now, he also digested for a long time before he recovered. When he calmed down, he sent the message to Yun Yiyan. Because he dare not say these things to Jian LAN, he dare not and can not bear. So he asked Yun Yiyan to be the villain.

Smith handed Jason the tissue. "There are a lot of things to deal with next. You have to stick with it!"

"Well!" Jason reaches for the tissue and wipes it hard.

In the room, Jane Lan's cry also gradually become smaller, it seems that the mood is stable.

Jian LAN pushed Yun Yiyan aside and thought, "yunyiyan, you promised me before that you would come to me to find Qin Hao."

Yunyiyan heard Jian Lan's voice that had been crying hoarse, and then said: "you want to go to the Middle East?"

"Well! I'm going. " Jian LAN wants to see the place where Qin Hao left last. Maybe it still has his breath.

Yun Yiyan knows that Jian LAN is not completely calm down, so he also uses the policy of procrastination. "OK, but you must get well these days. You are very weak now. You can't go anywhere."

Jane LAN agreed, then she really like a changed person, very cooperate with the treatment, also obediently eat with. But no one knew what she really thought. She wants to go to the Middle East to follow Qin Hao's footsteps. She wants to go with him!

Yun Yiyan and Jason thought that Jian LAN had a goal, so they worked hard to let themselves go to the Middle East, so they relaxed their vigilance.

The next day, Qiao Wei arrived in the United States. She takes care of Jane LAN in the hospital, hoping to pull her out of her sadness.

"Xiaolan, I made you a nutritious soup today. You must finish Qiao Wei said while giving Jianlan soup.

It seems that the fragrance of the soup really makes Jian Lan's eyes shift from the window to the steaming soup. "Thank you, tiny!"

"You're welcome. We're all family." Replied Jovi. "You must eat more now and think more about your children, will you?"

Jane Lan's eyes fall on his still flat stomach, this child really is not the time. Jane Lan's eyes become disgusting. "Tiny, I don't want this child!"

Although she heard that Smith and Yun Yiyan had said that Jane LAN had repeatedly said not to have this child, she was really surprised when she heard it herself. Jane LAN didn't really want this child!

"Xiao Lan, why don't you want this child. This is the continuation of your life and Qin Hao's life. " Qiao Wei is shocked to look at Jian LAN, even can't understand the idea. Jane LAN shakes her head. "This kid came at a bad time, and I don't want him to grow up in a sound family. I don't want to think about Qin Hao when I see him in the future

Qiao Wei listens to Jian LAN these words, in the heart is really very painful. She can understand the pain of Jian LAN at the moment, but she still wants to let Jane LAN leave the child, otherwise she will be too late to regret in the future.

Jian LAN see Qiao Wei did not make a voice, thought she was not planning to persuade himself, she went on to say: "tiny, when will Huo always come back?"

"Only a few days." Qiao Wei also did not know when Huo Dongyang would come back. She did not contact Huo Dongyang after she arrived here, so she did not know the situation there. And now they want to drag Jian LAN to the Middle East, where she can't stand.

Qiao Wei did not think about these trivial things any more. "Xiao Lan, you drink the soup first."

Jane LAN nodded obediently to finish the soup, "slightly, will help me to ask the doctor, I want to leave the hospital."

"OK."

When Qiao Wei leaves the ward, the whole person can't hold back, she stealthily wipes tears. Now Jane LAN really has no will to survive, and now the only thing that supports her is to go to the Middle East.

A paper towel appeared in front of Qiao Wei. Qiao Wei looked up and saw that it was Yun Yiyan. She reached for the paper towel. Thank you

"Qiao Wei, I want to take Jane LAN back to a city." Yun Yiyan said to Qiao Wei.

Qiao Wei didn't agree, "now Xiao Lan can't stand any stimulation. You can't take her back to city a on the pretext of taking her to the Middle East. When she knows that, she can't stand it

"What do you think you should do? You can't take her to the Middle East! " In fact, Yun Yiyan also hopes that Jian LAN can change a place, or her mood will be different.

Qiao Wei looks at Yun Yiyan. She knows that Yun Yiyan is also for Jian Lan's sake, but she still wants to wait for Huo Dongyang's meaning. After all, he and John are there, and they know the situation clearly.

With that, Huo Dongyang's call came.

#### [Chapter 402](#)

Qiao Wei looked at the caller ID, obviously did not know whether to answer this call.

Cloud Yiyan also saw the caller ID, he looked at Qiao Wei did not immediately answer the phone, he said: "why not answer Huo Dongyang's phone?"

Qiao Wei heard Yun Yiyan's words, then slowly picked up the phone.

"Hello..."

"Qiao Wei, are you still in the hospital?" Huo Dongyang asked directly.

"Well, what's going on there?" Asked Qiao Wei in turn.

"John and I will fly back in an hour." Huo Dongyang replied.

Qiao Wei said, "then you should pay more attention to safety." In fact, Qiao Wei is also afraid of these situations. They really can't have an accident. Without Qin Hao, they have been greatly weakened.

"Don't worry." Huo Dongyang went on to say that he seemed to be making the promise. "How is Jane LAN?"

When it comes to Jian LAN, Qiao Wei finally stops her tears flowing out again. She is also complaining with Huo Dongyang. "It's not good! I'm also very worried. This time, I feel helpless

"When I get back to deal with it." Huo Dongyang comforts Qiao Wei. "You should also pay attention to your body."

After the call, Yun Yiyan said, "Huo Dongyang, are they coming back?"

"Well, it's a later flight." Replied Jovi. She wiped her tears with a paper towel, "Yi Yan, you look at Xiaolan here, I'll wash my face."

Yun Yiyan nods. "Go

When Yun Yiyan and Qiao Wei enter the ward again, they find that Jian LAN has fallen asleep. At this time, if she can still sleep, it is a good thing. Jovi was relieved for a moment, and she sat down.

"Qiao Wei, how long do you think Jane LAN can last now?"

Joe shook his head slightly. "I don't know! Actually, I think she's just holding on. I'm just worried that she'll push herself too hard

Forget it, these are still waiting for Huo Dongyang to discuss after they come back. Now her mind is in a mess. Just now, she didn't understand how Jian LAN could say that because she didn't want to have children. Which mom would say that?

Qiao Wei really can't understand this, really don't understand! She reached out and held Jane Lan's hand. "Xiaolan, we will take care of you! You must cheer up. "

An hour later, Huo Dongyang, who was going to board the plane, sent a message to Qiao Wei, saying that something had to be done, so the time of his return had to be changed. Seeing such news, Qiao Wei was worried, and his heart beat faster and faster. What's going on? The current situation over there is not very stable. She is worried about it!

Yun Yiyan looked at Qiao Wei, who wrote everything on his face. He opened his mouth and asked, "what's the matter?"

"Dongyang doesn't know what's going on there. He says he will come back when he wants to change the time." Replied Jovi. "Yi Yan, what do you think will happen?"

"It is estimated that Qin Hao's business has not been handled properly. These things are normal. There are a lot of procedures for these things. " Yun Yiyan replied.

Qiao Wei in the heart some uneasiness, she immediately called Huo Dongyang, she must ask clearly, otherwise she would not be at ease. As a result, Huo Dongyang's mobile phone has been unable to connect. There won't really be anything! If something really happened, she couldn't bear it.

Cloud Yiyan saw Qiao Wei constantly calling, he also wrung his eyebrows. What's wrong with Huo Dongyang? All of a sudden, the phone doesn't work?! Don't have an accident. He's the great parent of all of them!

This situation has continued in the evening, Qiao Wei finally dialed Huo Dongyang's mobile phone. But the phone rang for a long time, still did not answer. Qiao Wei's heart was more and more uneasy. What's wrong with this situation.

Just when Qiao Wei was ready to continue to call, Huo Dongyang called back.

"Dongyang, are you ok?" Jovi asked nervously at once.

"I'm fine."

"I'm worried that I couldn't get through the phone before. You can't have an accident! I can't bear it either. "

"Don't worry, it's just that something happened suddenly. John and I went out to deal with some things. It's probably that the signal is not good in the desert

Qiao Wei was surprised to hear Huo Dongyang's words. "Desert? What do you do in those places? "

"To confirm something." Huo Dongyang obviously does not want to talk about this matter with Qiao Wei in detail. This is Qiao Wei feels, Huo Dongyang has something to hide.

Qiao Wei continued to ask with a question: "is the matter solved now?"

"It's settled." Huo Dongyang replied, "we've set to go back early tomorrow morning. Go back and talk! By the way, has Jianlan's situation changed? "

Joe sighed. "No, it's terrible anyway! Yi Yan and I have been dragging her. She told me today not to have children

"What!" Huo Dongyang's reaction was great, and Qiao Wei seemed to hear another man's voice. And that sound doesn't seem to be John's.

Qiao Wei asked Huo Dongyang with a woman's intuition: "is there someone next to you?"

"It's John!" Huo Dongyang answered positively. "Is it? I don't think it's John's voice. " Qiao Wei expressed doubt.

"He has a sore throat the last few days." Huo Dongyang replied. "Qiao Wei, you and Yi Yan must stop Jian LAN, and never let her do anything stupid! Something must wait for me to go back. "

"Good!"

After the end of the call, Qiao Wei is still struggling with who the voice was just now? That's not John's voice, not even if you have a sore throat. And that sound sounds familiar, but I can't remember it now. Huo Dongyang must have stopped her there just now. If she listened more, she might know who it was.

"Qin Hao!" Jane LAN on the hospital bed called, obviously dreaming again.

Qiao Wei immediately went to the bedside, she saw the corner of Jian Lan's eyes constantly falling with tears. It seems that she must have dreamt of Qin Hao again. It really hurt Jian LAN.

To Jane LAN pull a good quilt, Qiao Wei just ready to sit down, her head suddenly thought who was that voice? That's Qin Hao's voice! But is this possible? If you don't hear me wrong, it's Qin Hao's voice.

Thinking of it, Qiao Wei thought it impossible! All kinds of information prove that Qin Hao is indeed on the plane, so how can he appear in Huo Dongyang? If according to superstition, ghosts appear? Today's calculation seems to be what the first seven! Isn't this time will be recalled what kind of saying?

Qiao Wei felt that he thought more and more strange, she quickly shook her head. Don't think about these messy things any more. If it was Qin Hao, Huo Dongyang would tell himself just now. It should be John's voice just now. I guess I really heard it wrong!

"Slightly..."

Qiao Wei hears the voice, immediately looks at Jian LAN. "Are you awake?"

"I just dreamt about Qin Hao. He said he would come back to see me." Jane Lan said. "This time he's real. Weiwei, do you think it's true? "

Qiao Wei held Jian Lan's hand and said, "Xiao Lan, you miss him too much, so that's why you are like this."

"But he said he would be back soon." Jian Lan said seriously.

#### [Chapter 403](#)

Qiao Wei hears Jian Lan's words a Leng, if is really like this, then just that telephone's voice is really his?!

"Weiwei, do you think it's true?" Jian LAN continues to ask Qiao Wei.

Qiao Wei held Jian Lan's hand, or comforted, "Xiao Lan, you are just like this because you Miss Qin Hao too much."

Jian LAN lowered her head. "In fact, I always think Qin Hao won't break his promise. He will come back! But the reality is Jane LAN couldn't go on, because she was worried that she would cry. These days, her tears had drained away.

"Xiaolan, we will take care of you in the future." Qiao Wei clenched Jian Lan's hand. "So you must cheer up."

At the thought of Qin Hao's heart, she felt very sad. "When will you take me to Qin hao?"

"These two days your health has improved, and we will wait for a few days for you to really recover before we set out." Qiao Wei or in accordance with Huo Dongyang said, try to drag Jian LAN, this matter also want to wait for him to come back to deal with.

Looking at Jian LAN who fell asleep again, Qiao Wei still called Huo Dongyang again. But this time I called back and said it was turned off. At this time, she felt something was wrong. There must be something wrong with Huo Dongyang. Jian LAN and Qin Hao are the most thoughtful people. Is her feeling true? Qin Hao will be back soon? Or did Qin Hao come back not as a man but as a ghost?

Qiao Wei grabs her hair. She thinks that these things may happen. These supernatural things don't really exist, right? The more she thought about it, the more she felt a cold wind blowing in the ward. Qiao Wei couldn't help but shiver, and his heart was fluffy. She hastened to turn the room up a few degrees.

She sat beside Jian LAN, and she didn't dare to sleep. It was almost dawn when she couldn't hold on. She was lying on the edge of the bed for a nap. Shortly after Qiao Wei fell asleep, Jane LAN woke up, and she looked at Qiao Wei who was asleep. Then he opened the quilt and got out of bed. She went to the bed and she drew the curtains open.

The sky is gradually turning white. It will be dawn soon. Jian Lan's eyes with a touch of sadness, today is the seventh day of Qin Hao's accident. The days were really like years for her, and every day felt very long.

"Qin Hao, I will be with you soon. I think you should come to pick me up, right? " Jane Lan said to herself. Her hands are on her stomach. "Son, don't blame your mother. Mom thinks it's also a way to get together with dad

"Qin Hao, you must wait for me!" Qin Hao pressed his hand on his heart.

At this time, in a hotel in another part of the world.

A man with a bandage on his arm also woke up from his dream, and he called out. "Xiao Lan!"

Because of this sound, the other two men in the room were disturbed. Huo Dongyang opened his eyes immediately, and he walked over.

"What's the matter?" Huo Dongyang asked.

"I dreamt of Xiaolan. Her condition is really bad! I'm afraid she'll do something stupid. "

John came up to a glass of water. "You have a glass of water first." With that, John lifted the man up and handed him the cup.

"Dongyang, let's go back now! I'm really worried about Xiaolan. "

"Qin Hao, you have just recovered a life! You should pay attention to rest. I will go back to deal with Jane LAN first. "

Yes, the man with a bandage on his arm is Qin Hao, the real Qin Hao. He wasn't dead, but he was hurt.

Qin Hao shook his head at Huo Dongyang, "Dongyang, really can't do it! I must go back, or I think Xiao Lan will have an accident. She's pregnant now, of course, there will be a lot of things to think about, and my situation is a heavy blow to her

John helps Qin Hao lie down again. "This time, we really want to thank the stowaways for stealing your passport and then faking you on the plane. If not, you are really separated from us now

Huo Dongyang and John are ready to board the plane. As a result, Qin Hao calls John and sends out a message for help. So Huo Dongyang and John immediately set out to save him.

Qin Hao and several other people were originally passengers on this flight, but they were all attacked in the bathroom just before boarding. Some people took their passports, mobile phones, wallets and other things and pretended to be their identities to fly away from the Middle East. Qin Hao and several other people were sent to the desert by them and let themselves die. It may be that they are so lucky that they stumble in the deserted desert and meet with some good people to help them.

They were able to walk to a slum on the edge of the desert and live there for a few days. Then he finally found the phone booth, and Qin Hao immediately called John. John and Huo Dongyang immediately took people to rescue them. Later, Qin Hao learned that there was an accident on that flight.

At the beginning, I felt that I had enough to carry on my back. I met such a ridiculous thing in my life. Now I think he really wants to thank those people who took my place on the plane. Otherwise, I have completely disappeared in this world. Fortunately, he is lucky, also has God's favor!

Qin Hao showed a smile. "What a life! Otherwise, it will be dead. ""Are you still laughing? You know how many tears we've shed these days. Your wife, in particular, is dying of pain. Do you know all this? "

Hearing Jian Lan's name, Qin Hao immediately put away his smile. "That's why I said to go back early! I can't wait a minute or a second now. "

"Is your body OK?" Huo Dongyang asked. In the process of escaping from the desert, several people of Qin Hao were injured.

"I can't die!"

"Well, we'll leave for America later." Huo Dongyang replied.

When Qin Haoyang turns off his mobile phone, he knows that he will continue to call her down before he turns off his mobile phone. In fact, at the beginning, he planned to go back and let John stay to take care of Qin Hao. He wanted to send the news as a surprise to Jian LAN, but his wife's intuition was so good that he found the clue.

Huo Dongyang chuckled. In fact, it's right. They went back together to give them a big surprise. Huo Dongyang took a look at the time. It is estimated that it will be dawn in the United States. I hope they will have a good life in the future.

The United States after daybreak is like the old days.

Qiao Wei also opened her eyes because of the strong light. She looked at the figure standing in front of the window, because of the backlight, so Qiao Wei narrowed his eyes. "Xiaolan..."

Jane LAN heard the voice and looked back at Qiao Wei. "Are you awake?"

"What are you doing?" Qiao Wei stands up and walks to Jian LAN.

Jane LAN seldom shows a smile. "Look at the sunrise. It turns out that the sunrise is so spectacular and beautiful!"

Qiao Wei stretched out his arms around Jian LAN and stood shoulder to shoulder in the sun with her. The sunrise was beautiful and there was always hope.

#### [Chapter 404](#)

A day later.

Huo Dongyang and they arrived in the United States by private plane. When they landed safely, everyone seemed to be relieved.

John helped Qin Hao get off the plane. "Slow down."

Qin Hao's mood has been a little too forced to see Jian LAN, "John, I can go by myself."

"No, you are the key protection object now, and you still have injuries, so don't try your best." John replied.

Huo Dongyang called Jason and said that they had arrived and asked him to drive to the airport gate and wait. After the call, Huo Dongyang looked back at Qin Hao, "I think you should want to go to the hospital?"

"Of course! I'm going to see Xiao Lan. " Qin Hao said with great certainty.

Huo Dongyang understood the mood of Former Qin Hao, so he also called Smith and asked him to arrange the doctor and ward there. Qin Hao's body is injured. Although he has been treated by the doctor before, Huo Dongyang is still worried. Want to let Smith do a check for Qin Hao himself, otherwise he won't really rest assured!

"Boss, my car has arrived." Soon, Jason called Huo Dongyang back.

"OK! We'll be out soon. "

Jason gets out of the car and waits for Huo Dongyang and John to come out. Soon, he sees three similar figures coming out. Jason fixed his eyes on it. For a moment, Jason felt that he must be hallucinating when he saw it. This boss and John hold it like Qin Hao, but Qin Hao has not

Jason has a lot of ideas in his mind. Is Qin Hao a man or a ghost? Jason also specially looks at Qin Hao's shadow, but it seems that there is a shadow. So Qin Hao didn't die? How did he survive?

Just when Jason thinks about all this mess, Huo Dongyang and Qin Hao are in front of him, "what are you thinking?"

Jason is stunned. She looks up at Huo Dongyang, then slowly shifts her eyes from Huo Dongyang to the middle. He looked at Qin Hao's haggard face and his injuries. There was a tremor in his voice. "Qin Is that you Are you a man or a ghost? "

"Open the door." Huo Dongyang opens his mouth.

Qin Hao smiles weakly at Jason, who is already dead. "What? Don't you know me if you haven't seen me for more than a month? "

"No This is, are you really Qin hao? "

"Get in the car and talk about it!" Huo Dongyang opened the door himself. John immediately helped Qin Hao into the back seat.

Huo Dongyang looks at them to have already sat down, he pushed or dazed Jason. "Not yet?"

"Oh Jason will wake up.

Along the way, Jason peeks at Qin Hao who is sitting in the back. Qin Hao comes back alive. It's amazing. After a lot of tears, he came back.

Qin Hao seems to feel Jason peeping at himself. He opens his eyes. "Jason, you drive seriously. I didn't die. I don't want to have any accidents now

Jason immediately focused on driving and said, "I really feel amazing that you're back safely! I want to wait for a moment. Those people in the hospital will be more shocked when they see you! "

"How is Xiaolan now?" Qin Hao continued to ask.

"It's not good! Madame and Yun Yiyan are holding her back. She wants to go to the Middle East to find you! " Jason replied. "The child's condition is not good either! And she's been arguing about not having children

Hearing these things, Qin Hao felt very sad. During this period of time, Jian LAN really suffered a lot for herself. I'm really sorry for them. I feel very uncomfortable. If I hadn't been in trouble with her, I wouldn't have left her. It's not going to happen later.

"I'll be nice to her in the future. It's not easy to be a woman!" Huo Dongyang also said casually.

"Of course

Hospitals.

When Qiao Wei went to get the medicine for Jane LAN, he saw Smith arranging the ward and the doctor. It seemed that he was really worried. Is something happening?

When Smith turned his head, he just saw Qiao Wei. "Madame Huo!"

Joe nodded slightly. "Dr. Smith, you look really busy. Is there an accident? "

"A little busy. But that's what William asked for. " Smith replied.

Hear this news, Qiao Wei a Leng, "Dong Yang asked? Is he hurt? "

"I don't know. I won't know until they get to the hospital." Smith replied. "Didn't William Tell you?"

"Yes, he didn't tell me!" Jovi really didn't know. She and Huo Dongyang have not been on the phone for a day, so she doesn't know about it. If this arrangement is followed, Huo Dongyang and they will have come back.

Smith saw Qiao Wei's face at a loss. It seemed that she really didn't know about it. It seems that Huo Dongyang doesn't want to let Qiao Wei know these things. Maybe he is afraid of her worry. And I seem to say it out loud."Madame, I'll be busy first." Smith is going to avoid Jovi.

Qiao Wei immediately stopped him, "when will Dongyang call you?"

Smith looked at the time and replied, "they should be in the hospital soon."

Qiao Wei was worried that Huo Dongyang and John were injured. So urgent treatment? The more I think about it, the more I feel something is wrong.

Fifteen minutes later, Jason drove to the hospital.

Huo Dongyang got off the car first, then opened the door, and then helped Qin Hao get out of the car, "slow down!"

Smith had already led people to wait at the door of the hospital. He saw Huo Dongyang and John holding a man out. He immediately asked other doctors and nurses to help him. He followed him. "Slow down!"

But when Smith saw the man in front of him, he was no less shocked than Jason before. "This..."

Qin Hao smiles at Smith. "Smith, I'm back."

Huo Dongyang came forward and patted Smith on the shoulder. "Send Qin Hao to check first. We'll talk about other things later."

"Good!" Smith nodded and immediately asked the doctor and nurse to send Qin Hao for examination. He took a look at Huo Dongyang and then turned away.

Huo Dongyang and they also want to follow in, but suddenly see Qiao Wei at the door of the hospital.

Jason immediately pulls John away. At this point, they can't be light bulbs here. Of course they're not here to be abused.

Huo Dongyang looked at Qiao Wei, and his eyes became gentle, "I'm back."

Qiao Wei ran to Huo Dongyang quickly. She immediately held Huo Dongyang's hand and began to check. She was worried that Huo Dongyang was injured. Huo Dongyang understood the meaning of Qiao Wei, he reached out and pressed Qiao Wei, "I'm ok!"

"Really?" Qiao Wei just saw Smith. They pushed a man in nervously.

"Well!" Huo Dongyang nods.

Hearing Huo Dongyang's words, Qiao Wei also continued to ask: "so John?"

"He's fine, too."

"So who were they pushing in, Smith?" Qiao Wei's voice trembled.

Huo Dongyang reached out and hugged Qiao Wei tightly. "Qin Hao! I brought him back. "

#### [Chapter 405](#)

Qiao Wei heard Huo Dongyang's words, the whole person was stunned.

She looked up at Huo Dongyang. "What did you say just now?" Qiao Wei wanted to make sure once, thinking whether he had heard wrong just now.

"I said I brought Qin Hao back." Huo Dongyang repeated it again.

This time, Qiao Wei really heard Qin Hao's name. "Qin hao?! Was that Qin hao

"Yes Huo Dongyang nods. "He's OK. He's back now."

Qiao Wei's face still with surprise, completely did not digest this matter. Qin Hao comes back!? Qin Hao is really back!? He came back safe and sound!? Qiao Wei is still digesting this matter. "Dongyang, what's going on here?"

"It's a long story. I'll tell you later when Qin Hao has done his inspection." Huo Dongyang walks into the hospital with Qiao Wei in his arms.

Qiao Wei is also recalling what Jian Lan said while walking. Now it seems that what she said is true. She didn't cheat. Qin Hao really came back! It seems that their minds are interlinked. Now it's always reassuring. When Qin Hao comes back, Jian LAN will get better soon!

"Dongyang, why didn't you tell me on the phone?" Qiao Wei asked Huo Dongyang. "In fact, the voice I heard yesterday was Qin Hao, and you insisted it was John! Why lie to me

Huo Dongyang touches his nose unnaturally. "When we were ready to get on the plane, John received a strange phone call from Qin Hao! So John and I rushed to the place where Qin Hao said. When we got to the place, we found that Qin Hao's body was full of large and small injuries. I wanted to say that he would recuperate and come back again! I came back to deal with Jian Lan's affairs first, but Qin Hao always insisted on coming back together. "

Qiao Wei can understand Qin Hao's mood. He must want to come back to see Jian LAN soon. This kind of mood must be urgent! Because Jian LAN is Qin Hao's only concern.

"How is Jane LAN?" Huo Dongyang opens his mouth.

"Now every day depends on the injection, she has no appetite, eat not much, can not maintain the nutrition of her and her children." When it comes to Jian Lan's situation, Qiao Wei's eyebrows wrinkled. "And she doesn't want the child!"

Huo Dongyang, listening to Qiao Wei's words, also felt uncomfortable. "What's the matter with the child now?"

"Dr. Smith said the child was really strong and seemed to notice that his mother was in a bad mood and that the situation was generally stable."

"I'll leave this matter to Qin Hao." Huo Dongyang replied, this is their husband and wife's business. Others should not interfere. After that, Huo Dongyang also told Qiao Wei about Qin Hao.

Qiao Wei was also absorbed in listening, and really arranged the fate. Although Qin Hao encountered such a thing, he unexpectedly saved his life. It seems that there are some arrangements in the dark! Why is this just right? Obviously, it is destined to be good! However, Qin Hao finally came back to reunite with Jian LAN.

An hour later, Qin Hao's examination was finished. The nurse pushes Qin Hao out in a wheelchair. Qin Hao's wounds have been treated again. It seems that Qin Hao's spirit is much better.

When Qin Hao saw Qiao Wei, he immediately asked, "Wei Wei, how is Xiaolan?"

"She was in the back of the inpatient area, and when I came out, she fell asleep. Yi Yan is watching in the ward! " Qiao Wei answers Qin Hao.

Hearing that Yun Yiyan is taking care of Jian LAN, Qin Hao is not satisfied immediately. It turns out that when he is not here, Yun Yiyan takes care of her! The heart is full of jealousy, isn't it said that when people are most vulnerable, they are easy to be taken advantage of? Now Jian Lan also think of the past things, it is difficult to guarantee that their feelings will not be so rekindled.

Qiao Wei sees Qin Hao's appearance, she this time toward Jian LAN. "Xiao Lan dreams of you every day! She has no time to think about anything else! She and Yi Yan are totally impossible now. Although Yi Yan also said that he wanted to take Xiaolan back to city a, he also planned to be the father of the child... "

"The child's father is here!" Other things, Qin Hao can endure. But only the child father this position is not allowed!

Qin Hao was excited and then he coughed. Huo Dongyang frowned, "don't be excited! I don't think you can really compete with Yun Yiyan in your present situation! "

"Huo Dongyang, which side are you on?"

"I'm on the right side of course." Huo Dongyang replied.

"I am the most reasonable now!" Qin Hao really wants to fight against it. "That's my wife and children!"

Qiao Wei looked at Qin Hao and then said with a smile, "I think your body is very good."

"Yes, I'm going to see Xiao Lan now." Qin Hao replied.

"For a moment." Qiao Wei is worried about the situation of Jian LAN. "If you go in like this, I'm afraid she'll be stimulated."

"I'm sure Xiaolan won't be like this." Qin Hao said confidently. "I'll be there now."

Later, Huo Dongyang helped Qin Hao and went to the ward with Qiao Wei. Just wanted to open the door, Yun Yiyan came out of it.

When he saw Qin Yiyan live there. "You..." Qin Hao turns to Yun Yiyan with a smile in his eyes. "What? No more? "

Qiaowei County went into the ward and knew that Qin Hao would fight against Yun Yiyan, so she went to see Jian LAN first.

It took Yun Yiyan a long time to recover. "You're not dead?"

"Of course I'm not dead! If I die, will I not give you a chance? " Qin Hao at this time is really infatuated with self-confidence!

Yun Yiyan frowned. Did Qin Hao come back? Besides, he didn't have a big problem. He was slightly injured. How did he survive? You can escape this disaster! It's amazing!

Cloud Yiyan looked at Huo Dongyang, "or you are the most powerful! Come back with a shock

"How's Xiaolan?" Qin Hao didn't want to waste time, so he asked in a hurry.

When Yun Yiyan heard Huo Dongyang talk about this problem, he glared at Qin Hao, "for your sake, all the tears are drained away! I almost cried blind! Every day I call your name in my dream

Hearing these words from his rival Yun Yiyan, Qin Hao felt a burst of colic in his heart! He really owes Jane LAN a lot. He will treat her well in the future!

Joey came out again. "Xiaolan hasn't woken up yet."

"I want to go in with her." Qin Hao broke away from Huo Dongyang's help. Because of his leg injury, he limped.

When Qin Hao enters the ward, the others leave automatically, leaving time and space for them.

Qin Hao saw the pale face and felt more pain. She really lost a lot of weight. Qin Hao holds the bedside to sit down, then reaches out to hold Jian Lan's hand.

Jian Lan's hands are cold, and there is no blood color. Qin Hao holds Jian Lan's hand tightly and wants to give her a little warmth. "Xiaolan, I'm back!"

It seems to be true to hear Qin Hao's voice, Jian Lan's eyelids moved, and then slowly opened.

#### [Chapter 406](#)

When Jian LAN opens her eyes, she seems to see Qin Hao.

Qin Hao looked at Jian LAN and laughed. His voice was extremely gentle. "Xiao Lan, wake up?"

After Jian LAN heard Qin Hao's familiar voice, her nose suddenly became sour. The familiar voice made Jian LAN hold Qin Hao's hand subconsciously. "Am I dreaming? I seem to see you

Moved by Jian Lan's words, his tears came out. "Xiao Lan, it's been a long time for you! I'm back. I kept my promise and came back. "

After hearing this, Jian Lan's tears also fell out, "Qin Hao, is it really you?"

"Well, I'm back!" Qin Hao replied.

Jane LAN wants to sit up, "hold me!" She knew Qin Hao would not cheat him. He would come back!

Qin Hao sat by the bed, then picked up Jian LAN, and then held her tightly in his arms. "Xiaolan, I will never be separated from you in this life." Because it's so hard to be apart.

Jian LAN leans on Qin Hao's shoulder. This kind of real feeling is really long gone. "Qin Hao, I really feel very happy!"

"I will make you more happy in the future." Qin Hao made a promise to Jian LAN.

"Well!" A smile appeared on Jian Lan's face.

They hugged each other tightly and didn't say anything, as if nothing was important. They just want to cherish the moment, because they have lost too much time.

They don't know how long the hug lasted. Qin Hao said it first. "Xiao Lan, how is your health?"

"It's OK." Jane LAN replied. She still had some guilt in her heart. "Qin Hao, I have something to confess to you."

Qin Hao gently let go of Jian LAN, "what's the matter?"

"We have children. You're going to be a father!" Jane LAN lowered her head and said, because she still wanted to say no to this child. Now it's really a little guilty.

Qin Hao reaches out and holds up Jian Lan's face. "Xiaolan, thank you! I will treat you and the children well in the future

"But I wanted to..." When Jian LAN wants to say, Qin Hao reaches out to cover Jian Lan's mouth. "I already know it!"

Qin Hao put down his hand and said, "because you are very sad about my business, I can understand what you are doing."

"Don't you blame me?" Jane Lan said in a low voice.

Qin Hao shook his head, "even if you don't want children, I won't blame you! Because it's all my fault! At that time, I was really blinded by jealousy, that's why. Otherwise you won't suffer any of this! It's all my fault. "

"Qin Hao, will you leave me in the future?"

"No, not in my life." Qin Hao repeated.

Jian LAN reaches for Qin Hao. "Qin Hao, it's wonderful that I can meet and love you in this life."

"I should have said that!" Qin Hao hugs Jian LAN. "Xiaolan, I love you!"

This time, Jian Lan also said what she said in her heart. "Qin Hao, I love you! I love you! I love you

The important thing said three times, Jian Lan thought at this time must tell Qin Hao. "Don't leave me any more."

"I promise you!" Qin Hao promised.

Jane LAN felt sweet in her heart, so it was enough. She will take the previous ones as a test of God, to test the feelings between her and Qin Hao.

At this time, Joe came knocking on the door.

"Sorry to disturb you!" Joe spoke.

Qin Hao let go of Jian LAN, "what's the matter?"

"Smith said to let you go and have another examination." Replied Jovi. "It's just forgotten."

Qin Hao raised his eyebrows and complained. "How can Smith be so careless now? I don't know. He's old. "

Jian LAN found that Qin Hao's body was wrapped with bandages. She quickly asked, "are you injured?"

"Minor injury, no problem!" Qin Hao replied. "Don't worry."

Jian LAN eyebrow frown tightly, "small injury is also injured!"

"Slightly, you accompany Xiao Lan, I will come back when I go." Qin Hao said to Qiao Wei.

Joe nodded. "OK."

Jian LAN looks at Qin Hao standing up also has some difficulty, she reaches out to support him, the eyes are all worried. "Qin Hao, your leg?"

"It's no big problem. It's just twisted." Qin Hao replied.

Huo Dongyang stood at the door and looked at Qin Hao. He stepped forward to support Qin Hao. "I'll help you."

Huo Dongyang supports Qin Hao to do an inspection, leaving Jian LAN and Qiao Wei in the room. Jane LAN reached out and took Qiao Wei's arm. "Weiwei, what's wrong with Qin hao? Is he really not seriously hurt? "

"Smith said it's not serious. It'll be all right in a few days! So don't worry too much Replied Jovi.

Hearing Qiao Wei's words, Jian Lan also slightly relieved. "Weiwei, all this is not a dream, is it?" "Well!" Joe nodded. "Qin Hao will come back. Xiao Lan, he really didn't break his promise. He really came back to you. "

Jane LAN or feel a little trance, she reached out and pinched her face, "pain!" Then she said with a smile

Qiao Wei looks at Jian Lan also to follow a smile. "Now your first goal is to keep your body well! Do you know? " Then Qiao Wei told Jian LAN about Qin Hao's experience.

"I will!" Jane LAN nods. For the sake of Qin Hao, she will certainly keep good health, she also wants to accompany Qin Hao to old age, so as not to let him back so hard.

Smith's office.

Qin Hao looks at Smith. It seems that he is not going to do an inspection. "Call me for something?"

"Well!" Smith nodded. "About Mrs. Qin."

Qin Hao hears Smith's words, the whole person also immediately nervous. "What's up with Xiao Lan?"

"Madame is not in good health." Smith replied. "Coupled with her recent bad mood, it will affect the child."

Qin Hao's heart thumped, "so you mean there's something wrong with the child? Or are there other questions? "

From Smith's office, Huo Dongyang clearly saw that Qin Hao's mood was not very good. He stood up and supported Qin Hao. "What did Smith say?"

"It's nothing. It's just some notes." Qin Hao replied.

Huo Dongyang narrowed his eyes. It was obvious that Qin Hao was lying. It can be seen that he did not want to talk about it, and he did not continue to ask.

That night, Jian Lan's ward had an extra bed, which Qin Hao asked, saying it was convenient to take care of Jian LAN at night.

John and Jason also joked that Qin Hao was trying to prevent other people from having a chance to take advantage of it, so as to make it easier for them to sleep together at night. As the saying goes, a little farewell is better than a new lake! Qin Hao didn't mind what they said. Anyway, he just wanted to stay with Jian LAN!

At night.

Only Qin Hao and Jian LAN are in the ward. Qin Hao is watching Jian LAN by the bed, quietly watching her fall asleep.

"Xiao Lan, no matter what happens in the future, I will always accompany you!" Qin Hao said to the sleeping Jian LAN.

#### [Chapter 407](#)

A week later.

Jane Lan's body recovered almost, so she wanted to go home. "Qin Hao, can't I really go home yet?" Jian LAN made a request to Qin Hao.

Qin Hao shakes his head. "Smith said he would observe for a few more days and be obedient!"

Jian LAN always feels that Qin Hao seems to have something to hide from her, but she doesn't feel any strange place, or it's just that she's too much. If anything, Qin Hao will tell himself.

Qin Hao finds that Jian LAN has been staring at himself, so he also plays a joke. "Looking at me like this is worried that I will run away?"

Did not expect Jane LAN really nodded. "Well! Really worried! "

Qin Hao sat down beside Jian LAN, "fool, what do you want to do with so much? I won't run. You should keep a happy mood now, so that you can be good and fast

"Qin Hao, when are we going to register for marriage?" Jian LAN looks at Qin Hao seriously and asks.

"Can't wait?" Qin Hao said with a smile.

Jane LAN shakes her head. "I just think it should be done."

"The day you leave the hospital, we'll register." Qin Hao then answers Jian Lan's question. In fact, he should also formally give Jane LAN a title, after that she really belongs to herself.

"Good!"

At noon, Yun Yiyan came to the hospital to see Jian LAN. And just as Jane Lan was taken by the nurse to do the examination, only Qin Hao in the ward.

Qin Hao looked at Yun Yiyan, who came in with a lot of supplements. His tone was not good, "how did you come?"

Yun Yiyan replied. "Can't come? These things are for her. "

Thank you before Although he doesn't like Yun Yiyan, he has to say thank you for taking care of Jian LAN before him!

Yun Yiyan gives Qin Hao a light look. "You are welcome! That's what I should do

"What do you mean by that?" Qin Hao immediately asked, and Yun Yiyan's words were obviously provocative.

Yun Yiyan starts to talk. "Am I wrong? In the past, Jane LAN had taken care of me in this way, and even worked harder. I think you know that, don't you? "

Qin Hao didn't answer. Of course, he was the most clear witness of the whole incident. But he also wanted to thank Yun Yiyan for his refusal at the beginning, so as to have the story of him and Jian LAN.

Yun Yiyan sits down on the chair. "Qin Hao, in fact, you don't have to be hostile to me. I'm going to go back to city a, so you can take ten thousand hearts now, and you don't have to guard against me

"Are you really going back?" Qin Hao didn't expect that Yun Yiyan would say such things to himself.

"Well!" Yun Yiyan nods. In fact, Jian LAN has a very right sentence. "Those who leave will not come back, and those who come back are no longer perfect. No one is sorry for others, only those who don't know how to cherish. "

Yun Yiyan looks at Qin Hao. "I'm the one who doesn't know how to cherish. So I don't want to fight, or it's three people. You must make Jane LAN happy

Qin Hao heard Yun Yiyan's words and suddenly found that he had really changed a lot. "You have changed."

"That's because I see Jane Lan's feelings for you!" Yun Yiyan replied. "During this time, she really suffered a lot."

Thank you

Yun Yiyan felt that it was a lot easier for him to speak now. It's better to let go.

Qin Hao held out his hand. "Yun Yiyan, next time you must seize your happiness!"

"I will!" Yun Yiyan holds Qin Hao's hand.

Yun Yiyan didn't wait for Jian LAN to come back this time, because he was about to leave for the airport. It's time to go back to the United States for such a long time. It's time to come to an end here.

Walking to the door of the hospital, Yun Yiyan saw Huo Dongyang and Qiao Wei, "how did you come? It's not about what I'm doing, is it

"No Replied Jovi. "Ready to take you to the airport."

"So good?"

"We've always been nice to you!" Added Jovi. Seeing Yun Yiyan like this, Qiao Wei is relieved. He is the one who hopes to get happiness next time!

Huo Dongyang looked at Yun Yiyan, "don't wait for their wedding to end and then go back?"

"Huo Dongyang, do you have a conscience if you want me to watch them get married?" Yun Yiyan looks discontented. "Anyway, I'm also a person who has been hurt emotionally."

Seeing that Yun Yiyan would make fun of him, Huo Dongyang was relieved. Men really need to be able to hold up and put down!

"Let's go! I'll see you off." Huo Dongyang replied.

Qiao Wei didn't go with her. She stood up at the door of the hospital and looked at the far away car with a smile on her face. This is also the best result.

Qiao Wei came to the ward and saw Qin Hao cleaning up alone. "You alone?"

"Xiaolan went to have an examination." Qin Hao replied. "Yun Yiyan came here just now."

"Well, I know. Dongyang took him to the airport Replied Jovi.

Qin Hao was stunned for a moment. "Go now?"

"Yes. Mu Xin and Xia yueqian are going to get married. He wants to go back and help." Replied Jovi. Qin Hao smiles. "So he won't feel bad?"

"I don't know that." Replied Jovi. "Dongyang and I are going back."

"Don't join me and Xiao Lan's wedding?" Qin Hao asked. These days, he has asked Mike to help him prepare for his wedding. He thinks that he and Jane LAN will hold the wedding on the day of registration.

Qin Hao went on to say, "you and Dongyang are witnesses to this wedding, so you can't help attending it!"

"Isn't this just waiting for your wedding? Otherwise, we will go back with Yun Yiyan today."

"That's about it!" Qin Hao replied, "if you don't come, we'll break up."

Jian LAN just walked in and heard Qin Hao say goodbye. "What do you want to break up with?"

Qin Hao immediately comes forward to support Jian LAN. "Check it out?"

"Well!" Jane LAN nods. "The doctor said there was no big problem, just let me eat more nutritious things."

"Then you must be obedient." Qin Hao's eyes are obviously dark. He knows more about Jian Lan's situation.

And this scene happened to be seen by Qiao Wei, Qin Hao's reaction is a little strange, he seems to have something to hide. Otherwise, he would not show such an expression. He would go back to ask Dong Yang, or he would know.

After Jane LAN sat down, she also let Qiao Wei sit down. "What were you talking about. What else would you say to break up

Qin Hao said with a smile, "I said that I would like to have Dong Yang and not come to our wedding, we would break up friendship!"

"Wei Wei, you and Huo always don't come?" Jian LAN then asked. "That's not good! It's really about breaking up. "

Qiao Wei smiles. "Come on, definitely come!"

"They are anxious to go back and arrange the marriage for Yun Muxin and Xia yueqian." Qin Hao continued.

"Mu Xin is getting married? When? " Jane LAN asked. "In that case, I will prepare a gift for you to take back to her."

"March."

"That's fast."

Joe nodded. "Well, now it's grandma who is in charge. Then you will go back together. "

Jane LAN looked down at her stomach. "I really have to look at the situation. The belly will be bigger then."

"Look at Xiao Lan's situation then!" Qin Hao didn't look very good when he said this.

#### [Chapter 408](#)

Two hours later.

Huo Dongyang comes to pick up Qiao Wei. All the way, Qiao Wei didn't speak. She was thinking about Qin Hao and Jian LAN. Because Qin Hao's expression is really strange.

"Why don't you talk?" Huo Dongyang asked.

"Dongyang, I think Qin Hao is a little strange." "And the whole person is sad, which is not supposed to be," replied Jovi

Hearing Qiao Wei say so, Huo Dongyang thinks that Qin Hao came out of Smith's office that day, there was something wrong. Then he didn't ask and didn't think about it too much. Is it Qin Hao's problem or Jian Lan's problem?

"I think it's because of Xiaolan." Qiao Wei then added.

Huo Dongyang a Leng, "Jian LAN?" If it's Jane Lan's problem, it should have something to do with her body or her children.

"Well! I see Qin Hao's eyes looking at Xiao Lan with worry and sadness. " Added Jovi.

"That should be Jane Lan's business." Huo Dongyang gives the conclusion.

When it comes to Jian LAN, it's just her body and children. Before that time, her condition is really very spoiled, all rely on the drip to maintain the life need. Pregnant words, generally can't use medicine. But at that time, Jian LAN couldn't hold on without medicine.

Qiao Wei in the heart a tight, "can't the child have a problem?"

"It's possible." Huo Dongyang nods.

"But then Smith said the drugs were OK for the children." Qiao Wei really doesn't want any bad things to happen again. It's hard for Jian LAN and Qin Hao to get together again. I really don't want them to have other variables! It's too painful!

Qiao Wei looked at Huo Dongyang, "Dong Yang, or you go to ask Smith."

"Qiao Wei, you should be the part of privacy." Huo Dongyang doesn't want to inquire, because at least he should respect Qin Hao and Jian LAN.

Qiao Wei nods, Huo Dongyang is right. They really shouldn't do it. "I just care about them, too."

"They are not children." Huo Dongyang replied. "Qin Hao will handle it well. Don't worry about it."

"All right." Qiao Wei nodded, and she nodded and agreed.

The next day.

When Huo Dongyang and Qiao Wei were still at home, Mike came.

"Weiwei, why didn't you come to me?" As soon as Mike saw Jovi, he went up and hugged her.

Joey gave Mike a hug. "I was busy the other day."

Mike nods. "I didn't know about Qin Hao until later. But God is still fair. He finally let Qin Hao come back. Otherwise, it would be a tragedy. "

"Sit down. I'll make you a cup of coffee." Said Joe, smiling.

Looking at the hot coffee in front of him, Mike said with a smile, "slightly, this coffee is delicious."

Huo Dongyang comes out of the room and he takes a look at Mike. "Why are you free today?" Mike is also the kind of person who always goes to the Sanbao hall. Generally, he only makes an appointment to have a meal outside and meet him.

Mike takes a look at Huo Dongyang, and his eyes are not as deep as before, but more like a good friend.

"William, don't you like me coming?"

"No Huo Dongyang replied. "Aren't you busy?"

"I have to come and see you! It's rare for you to come to the United States again. " Mike said with a smile.

Huo Dongyang walks around and sits down in front of Mike. "Come on, you're not such a boring person to reminisce about the past."

"Still know me!" Mike nodded again and again. "Actually, I'm looking for Wei today. I hope you'll lend me a day. "

Mike's words made Huo Dongyang frown and repeatedly asked, "what's going on? Why borrow from me

"Didn't Qin Hao spend a lot of money to let me take charge of the wedding? Wei Wei and this Mrs. Qin are also good friends, of course, also know her preferences. So I want to let Wei Wei and I go to the scene to have a look, so as to give me some suggestions! "

After hearing Mike's explanation, Huo Dongyang didn't have any reply, and he didn't know what he was thinking.

Mike quickly went to see Qiao Wei. He wanted to let Qiao Wei speak. After all, Huo Dongyang also listened to her. At present, the wedding time is coming, so it is a matter of great urgency.

"William, the time is limited." Mike added.

Joe Wei immediately added a sentence after Mike. "Dongyang, I'm OK anyway. I'll go and have a look with Mike. That's a help. "

Huo Dongyang looked at Qiao Wei faintly. "And me?" Said good, today together at home rest! This Mike will really pick the time to come. I guess he came here after inquiring about his itinerary!

Qiao Wei smiles. "Then rest tomorrow. You can go to the company today. "

Huo Dongyang looked helpless, he looked at Mike, "ensure the safety of Qiao Wei!" It's rare to see Huo Dongyang give in and Mike nods. "Good!"

"Weiwei, change your clothes and follow me!" Mike said with a smile.

"Please pay attention to your wording." Huo Dongyang frowned and said that this situation must be clear.

"Am I wrong?" Mike didn't understand.

Huo Dongyang knew that he was on purpose, but he didn't mind much. He then added, "Qin Hao's wedding really needs to be done!"

"Don't worry." Mike laughs. "In any case, Qin Hao and I are half colleagues."

Qiao Wei changed his clothes and came out, "I can do it."

"OK, let's go!" Mike stood up, then half bent his arm and motioned Jovi to take him.

Qiao micro smile, and then also looked at Huo Dongyang, and then walked over. "Let's go!"

Huo Dongyang looks at Qiao Wei and Mike calmly. This time, he also let his woman out for Qin Hao's wedding. "Take care of my wife!"

Soon, Mike and Joey come to the scene of the wedding.

"Slightly, you can see where you need to do it again."

Qiao Wei makes a circle around the scene and returns to Mike. "Qin Hao, what's the demand there?"

"He said to give priority to warmth. This time also invited some familiar friends, so the wedding is not big

Qiao Wei nodded, and then discussed with Mike. She also told Mike about Jane Lan's favorite style, and Mike immediately sent people to implement and arrange everything according to the best standard.

When Qiao Wei and Mike are ready to leave, Qin Hao unexpectedly comes. It seems that he is also coming to see the situation.

"Slightly?" Qin Hao expressed surprise at Qiao Wei who appeared here, and still saw her and Mike together.

Joe gave a slight smile. "I came to see it, too."

"Wei Wei came here as a special guide." Mike added.

Hearing Mike's words, Qin Hao immediately understood. He said to Jovi, "thank you."

Replied Jovi. "Happiness is the most important thing for you and Jane LAN!"

However, Qin Hao's eyes darkened when he heard Qiao Wei's statement. "Weiwei, I just want to see you. Let's go over and say it. "

Qiao Wei nodded and followed Qin Hao behind him.

#### [Chapter 409](#)

Qiao Wei looks at Qin Hao with tangled eyes in front of her. She also has some ideas in her heart. It seems that this matter is difficult for her to open her mouth.

Qin Hao did find it difficult to speak. He did not know how to say it. He also had contradictions in his heart. He looked at Qiao Wei, who was also waiting for his words, with an embarrassed smile. "Weiwei, do you think I'm very tired now?"

Qiao Wei smiles. "Look at me. The first time I saw you like this, but I think what you want to say has something to do with Xiaolan! Because it's her, you get tangled up

"Well!" Qin Hao nods. "It's true, because I care too much, that's why I do it."

"What's wrong with Xiao Lan?" In fact, Qiao Wei's heart also has a few, it seems that before their own speculation is right!

Qin Hao hesitated for a moment, then said: "Smith and I said that day Xiao Lan had some problems because of the previous situation."

"What's the matter with the child?"

What Smith told Qin Hao that day was that Jane LAN had been relying on nutrition needles to maintain her life, but she had not been able to feed her children. So in this case, the child's lack of nutrition may lead to stunting. These days, although Jane Lan's appetite is good, but the children's absorption is not much. If this continues, the child may not be able to survive.

"So you're worried about that?" Qiao Wei finally knew the reason.

Qin Hao nods, "this matter I dare not and small LAN, I am afraid that will affect her mood again."

"Is there any solution for Smith?" Asked Jovi.

"He said to observe for a while." Qin Hao replied.

Joe nodded. "It's not that serious. As long as Xiaolan gets better later, keep in a good mood. Then it will gradually become normal. "

"Really?" As soon as Qin Hao's eyes lit up, he seemed to see new hope. If it was true, then he could relax.

"Really." Replied Jovi. "I remember that when I was pregnant, I would go for a prenatal examination, and there were pregnant women who had such a situation. However, the domestic doctors will suggest using Chinese medicine to recuperate the body. If the mother's health is good, then the child will certainly not have much problem! "

Qin Hao frowned, "Chinese medicine? But not here. Do you want me to take Xiao Lan back to city a? "

"Don't be too nervous." Said Joe, smiling. "Maybe in a few days to check, everything will become normal! Now Xiao Lan is with you, she will be OK. "

After chatting with Qiao Wei, Qin Hao is relaxed. "Little, thank you! If it's not for you, what kind of worry I don't know? If there is such a situation, then I don't have to be too nervous

"So you worry about it these days?" Qiao Wei asked.

"Well! After Smith told me that day, I thought a lot and made a lot of assumptions Qin Hao said frankly.

Qiao Wei saw Qin Hao's situation, as if he also saw Huo Dongyang. I remember a time when the doctor said that his test data was a bit biased, and Huo Dongyang also worried for several days.

"Qin Hao, you are also a husband and a good father!"

"It's not that Huo Dongyang has set such a good example. If we do too badly, it will be a shame." Qin Hao replied.

At this time, Mike comes to see that Qin Hao's mood is different from that when he came here. It seems that he has solved the problem in his heart.

"Is the conversation over?"

Joe nodded. "It's OK!"

"Then you can come and see the new design that the designer has come up with." Mike reached out and took Jovi's hand.

After Qin Hao's problem was solved, the whole person became spirited. At this meeting, he also noticed that Mike and Qiao Wei's actions seemed too intimate.

"Well, I said Mike, you should know the etiquette, righteousness and shame?" Qin Hao opens his mouth. Qiao Wei is Huo Dongyang's wife. Mike takes Qiao Wei's hand like this. What kind of system is it? It's not good for them!

Mike understands Qin Hao's meaning. He looks at Qin Hao with a casual look. "What now? Did you handle the problem a little bit? Do you mind other things when you're free? "

"Mike, it's wrong of you to do this!" Qin Hao replied. "Wei Wei and Dong Yang are husband and wife." Speaking of this, Qin Hao also found that Qiao Wei didn't mind at all.

"Weiwei, you too! Why don't you pay attention at all? " Qin Hao continued.

Mike clenched Qiao Wei's hand and raised it in front of Qin Hao, "see? Is that ok now? My time is precious and I have to deal with my problems now. incorrect! It should be said to deal with your wedding arrangements. "

Qin Hao is blocked by Mike and can't say a word. He is also angry with himself. Just watching Mike and Qiao Wei standing together, I think they are a good match! Aware of his own ideas, Qin Hao immediately shook his head. If Huo Dongyang knew about it, he would lose his life."Do you think that's good?" Mike shows Qiao Wei the latest design drawings.

Qiao Wei and Mike are close to each other, and then they also point out several places where they think they can be modified.

In other people's eyes, I think Mike and Qiao Wei are a pair, and some people are talking secretly. The boss has been a bachelor for so many years, and now he has company. It is also a matter of happiness.

Soon these words spread to Qin Hao's ears. Qin Hao stood in front of them with a black face and said, "that's not your boss girlfriend!"

The boss image of Mike is so big in the heart of the employees, so almost everyone is consistent with the outside world. "How do you know that's not boss's girlfriend. You see, they are more matched, and they are so close, how can they not be girlfriends? "

"This Qin Hao suddenly became angry. These people are the same kind of people as Mike. They can't communicate!

"What are you angry about here alone?" The voice of Huo Dongyang.

Qin Hao turns around and sees Huo Dongyang suddenly. He is in a cold sweat. "Dongyang, why are you here?"

"I'll pick up Jovi." Huo Dongyang replied.

Qin Hao listens, also some intentionally block Huo Dongyang's sight, does not want him to see Mike and Qiao Wei's situation.

Huo Dongyang saw this awkward look in his eyes and felt that there was something wrong with him! "What are you doing?"

"Nothing!" Qin Hao's smile was a little stiff.

Huo Dongyang immediately realized the clue, and he reached out to push Qin Hao away. Then he saw Qiao Wei and Mike standing next to each other not far away. His eyes were cold, and then he walked along.

Qin Hao caught up with two steps and then explained, "Dongyang, this is not the case! It's all about the wedding arrangements. "

Huo Dongyang glances at Qin Hao. "Yes! For your wedding, I found that I sacrificed a lot

"Sorry! I will work hard and make more money for the company Qin Hao promised immediately.

Huo Dongyang raised eyebrows, "so you go back to a city?"

#### [Chapter 410](#)

Qin Hao stopped immediately. He felt that Huo Dongyang would not say such a thing for no reason.

"Is this really going back?"

Huo Dongyang also stopped. "Didn't you say you would work hard to make money for the company? And it turns out you're in charge. "

Qin Hao immediately said, "but you also promised me to stay in the headquarters."

"But I think what you meant was to let me arrange it." Huo Dongyang retorted.

Qin Hao was speechless.

Huo Dongyang reached out and patted Qin Hao on the shoulder, "I can give you time to think about it." After that, Huo Dongyang goes to see Qiao Wei and Mike.

When you get closer, you hear Mike and Jovi talking about a color on the wedding day.

"Pink is good."

"If the theme is warm, tie it with warm colors." Mike goes on.

"Well, we can hang some balloons and flower balls of the same color series." Qiao Wei then added.

"OK!" Mike takes a pen again and records it.

Huo Dongyang looks at the two people leaning together again. "Your work is not over yet?"

Huo Dongyang's voice also successfully interrupted Qiao Wei and Mike. They both looked back at Huo Dongyang at the same time. Jovi soon showed a smile. "Dongyang, why are you here?"

"I'll pick you up home!" Huo Dongyang replied, and then he pulled Qiao Wei to his side.

Mike looks at Huo Dongyang deliberately. He looks at Huo Dongyang helplessly. "You are still so mean. Why are you still worried about me taking Weiwei away? "

"Well, of course, we can't rest assured of those who have criminal records." Huo Dongyang nods.

Qin Hao looked at the scene, but he was also worried. He was worried that Mike would not be happy, so he gave up. Then his wedding will not be held. Later, if Huo Dongyang is not happy, then he will throw himself to a city!

These two consequences are what you don't want to see! So whatever his status, he has to stop what might happen.

"Mike, how's the wedding going?" Qin Hao's sudden interruption interrupts the conversation between Huo Dongyang and Mike.

Mike sees Qin Hao, who is suddenly concerned about the progress, and gives him a look of contempt. "Now you know how to care about progress? I still don't care at all. "

"I'm the man. I have to care." Qin Hao also smiles.

Mike also knows that Qin Hao's purpose of saying this is to prevent himself from fighting with Huo Dongyang. He looked at Huo Dongyang and said, "OK! You can take them away. "

Huo Dongyang immediately took Qiao Wei's hand and walked forward, and Mike's voice came from behind him again. "I need to borrow it again in two days!"

Huo Dongyang stops. He looks back at Mike and frowns. "One more time?"

"Well!" Mike nods. "Yes, I need to accompany me slightly to order the flowers for the wedding."

"Hum!" Huo Dongyang snorted coldly. "You go to someone else!"

"But she has already promised me. So I don't think you'll object, William

This Mike just likes to act first and then, and he uses it every time. Huo Dongyang dropped his eyes and looked at Qiao Wei. He could see that Qiao Wei also nodded. "Why did you agree without consulting me?"

Qiao Wei said with a smile: "this is Qin Hao and Jian Lan's wedding, I just want to help."

Seeing this, Qin Hao goes to Huo Dongyang again and shows the family card he just thought of.

"Dongyang, I have only you brothers here. You have to help me, or I can't do it alone! This time, I'm still alive. You're the only one who can do this. "

Obviously, it was Qin Hao's words that moved Huo Dongyang again. He coldly replied, "you can all talk."

With Huo Dongyang's words, they knew that Huo Dongyang had compromised. In the past, they all thought that Huo Dongyang was unreasonable and could not say anything. However, Huo Dongyang, who met Qiao Wei, became a good talker and human. All this is due to Qiao Wei!

"Dongyang, it's very kind of you." Said Joe, smiling.

A few days later, Qin Hao and Jian Lan's wedding arrangements were completed. Looking at the fruits of labor these days, people feel satisfied!

"How about Qin hao? Didn't let you down Mike says to Qin Hao.

"Well! Really good! " Qin Hao nods. "Thank you this time."

"I'm a money man. You give me so much, I can't be perfunctory Mike answers. "It's the second time I've ever been to a wedding. The first time I went to a city to attend William and Weiwei's wedding. The second time was you and Jane LAN. "

Qin Hao puts his hand on Mike's shoulder. "You are a meritorious official

"I don't want to talk about these beautiful things. I don't like them either." Qin Hao chuckled. "Mike, you'd better get married with someone you love earlier."

"I have people I like, so you don't have to remind me of these things by a married man, and I'm not married!" Mike answers.

Of course, Qin Hao didn't go into the meaning of Mike's words. He just felt that it was Mike's excuse to deal with himself.

"If it's OK here, I'll go to the hospital to pick up Xiao Lan and go home." Qin Hao has to go to the hospital to pick up Jian LAN. Tomorrow is the wedding day. Of course, he has to go back and prepare.

These days, Jian Lan's situation is getting better and better, and yesterday's examination results have also improved, it seems that Qiao Wei said is true. So he was relieved.

Looking at Qin Hao like that, Mike doesn't understand, but he feels excited. "So happy to get married?"

"Yes! But for the unmarried, you certainly don't understand it! " Qin Hao replied.

"Go away!"

Qin Hao drives to the hospital to pick up Jian LAN.

Jian LAN changed her clothes early in the morning, waiting for Qin Hao to pick her up. Her heart became more and more nervous. Tomorrow she is going to marry Qin Hao. She used to think that this day is far away, but now it is near tomorrow.

"Mrs. Qin!" Smith came to the ward.

Jane LAN stood up immediately. "Thank you for your time, Dr. Smith."

"When you go back, you must pay more attention to your body and keep a happy mood." Smith told him. Then he took out a red envelope from his pocket, which was obviously not in line with his image.

"You and Qin Hao are going to get married. I have a very important operation tomorrow and I can't go to your wedding. It seems that you are going to give a red envelope when you get married, so I'll prepare one. I bought it by driving to Chinatown

Jane LAN didn't expect Smith to be so thoughtful. She immediately stood up and said thank you to Smith.

"Every time you show me that the impossible is possible, you refresh my understanding of miracles. So we must be happy! "

Thank you

When Smith was ready to leave, Qin Hao came with dust and dust.

Qin Hao smile, this smile also seems to say everything in silence!

Smith took a look at Qin Hao and Jian LAN. From both of them, he saw that the impossible became possible. Or as Huo Dongyang said, there will always be some unexpected surprises in life!

"Bless you
