

Warm Wife 411

[Chapter 411](#)

Qin Hao and Jian LAN got married on Saturday.

On this day, Mike asked the make-up artist to do the modeling for Jane LAN.

In the morning, Qin Hao will take Jian LAN to register for marriage, and the wedding will be held in the afternoon.

The makeup artist gave her a fresh and natural make-up, and then changed her into a small dress which was not very exaggerated. This dress was also provided by Mike personally. In addition to the two sets made before, Mike is really generous this time. He made three sets of expensive clothes for Jian LAN. He also told Qin Hao that his gifts and red envelopes were all on this one.

Qin Hao certainly won't say anything, because he knows that Mike will never spend less on clothes than a red envelope. Moreover, he has helped himself prepare for the wedding this time. I really want to thank him!

Qin Hao changed his suit and waited for Jian LAN to appear in the living room. His heart is a little nervous. Is this the mood of being a bridegroom? His heart is both nervous and cheerful. He looked at the time on his watch from time to time. Those make-up artists seem to have been in for a long time now. Don't delay the wedding in the afternoon!

At this point, John and Jason came in their cars. They were both dressed in very handsome suits and walked into the room with the same pace.

"Qin, we've got the car. When will we start?" John asked with a smile. It's rare that I don't have to go to work in the company today, and I still have money to collect. Of course I'm happy!

Qin Hao was really upset when he saw the two people walking in front of him. Are these two people intentional today? Even more handsome than his groom!

"Qin Hao, you look wrong!" Jason went on. In fact, I have already understood. But I just want to be angry with Qin Hao.

Qin Hao narrowed his eyes slightly. "I know you did it on purpose today!"

"The boss told us yesterday that we must dress up decently and never lose face." John explained, "I've got all my favorite suits out. It's really hurtful of you to say so! "

"Is it?" Qin Hao certainly won't believe what he said. These two people must have come to steal the limelight.

"Really!" Jason echoed. "That's what the boss told me yesterday!"

"You two mouth, I can't tell you." Qin Hao's mind is obviously not on this. Time is almost over. Why hasn't Jane LAN come out yet.

John and Jason also see Qin Hao's absent-minded, and they follow Qin Hao's direction. It seems that Qin Hao is anxiously waiting for Jian LAN to appear. A woman must wait on her wedding day because she wants to be beautiful.

When thinking of talking, the door of the room finally opened.

The makeup artist helped Jian LAN out. Qin Hao stood up as soon as he saw it. Because today's Jane LAN is really beautiful, everyone feels very beautiful. Not to mention Jian LAN in Qin Hao's eyes.

Qin Hao comes forward and takes Jian Lan's hand. "Xiao Lan, you are really beautiful today!"

"You are also very handsome!" she said with a smile

In front of me is a pair of loving husband and wife, the picture of deep love, I feel envious and envious when I see people! However, they are also happy for Qin Hao, a bachelor who has been a bachelor for many years.

"John, I finally understand that Qin Hao's insistence is right!" Jason said.

John said, "of course! Meet true love is good! When will the two of us be so lucky? "

"I also want to go to a city to find one." Jason replied that it's better to find someone like Qiao Wei or Jian LAN. Or he can apply to boss for this. He wants to work in city a and find a wife by the way!

John looked at the new man in front of him and couldn't bear to interrupt. "It's time. We're going to start."

"Good!" Qin Hao clenched Jian Lan's hand and said, "let's go!"

Jian LAN smiles and nods to Qin Hao, and then keeps up with Qin Hao's pace.

John and Jason followed them out. Today, they are both Qin Hao's best man and his driver, accompanying him and Jian LAN all the way.

When Jason drives, John is telling Qin Hao about the process of today. At the end of the day, John adds another sentence. "Boss and his wife will be waiting for you at the wedding."

"Good!"

Jason takes Qin Hao and Jian LAN to the door of the marriage registration agency and says, "John, follow you in. I'll wait for you in the parking lot. "

"OK!" Qin Hao nods and gets off first. He helped Jian LAN to get out of the car on the other side

Jian LAN stands up by Qin Hao's hand. She smiles at Qin Hao, and Qin Hao also smiles at Jian LAN. Both faces are full of happy smile.

"You should show your love in a proper amount, and there is still a single person here!" John really can't help but make complaints about it. If it's not for today's witnesses and lawyers, he will not be punished. Jason has been laughing in the car all the time. Fortunately, when he was assigned a job, he chose to be a driver. Although he would be a little tired, he thought it was good. Because you don't have to be abused!

John turns around and goes first, because he can't see any more. He might as well go ahead and wait for them to sign.

John has made an appointment in advance, so he doesn't have to queue up. He can handle it at any time. Ten minutes after John sat down, Qin Hao and Jian LAN arrived late.

Qin Hao holds Jian LAN and sits down first. "Tired or not? You sit down first. "

"I'm not tired. Qin Hao, don't be too nervous about me. These things are not difficult. " Jane LAN is a little embarrassed. She still wants to do what she can.

"Sit down, too." John said to Qin Hao.

Seeing Qin Hao and Jian LAN sitting down, the staff also took out a form to fill in for them. John watched as a witness.

After reading the information, the staff asked, "do you have a fair property certificate before marriage?"

"No, I don't need it." Qin Hao replied.

"OK!" The staff nodded and said, "please sign each other here to confirm."

Qin Hao and Jian LAN once again picked up their pens and signed their names on each other. Seeing them sign it, the staff also handed it to John, "you need to sign it, too."

John picked up his pen and signed his name in the witness column. "All right

The staff then signed and sealed all the materials, and then said, "OK, congratulations on becoming husband and wife."

Thank you

After packing up his things, John said to Qin Hao and Jian LAN, "now you are real husband and wife. Congratulations!"

Thank you, John Qin Hao said with a smile. Without their help, he would not have been so relaxed.

"You're welcome!" John reached out and patted Qin Hao on the shoulder. "Xiao Lan, as Qin Hao's brother, you should be nice to him in the future, OK? Don't let him down. He really sacrificed a lot for you. "

Jane LAN nodded cautiously. "I will be good to Qin Hao!"

"OK!"

[Chapter 412](#)

The wedding scene.

Huo Dongyang and Qiao Wei are also dressed up to attend the ceremony today. They are also the witnesses of Qin Hao and Jian LAN.

The two protagonists of the wedding are in the final dressing, so the work of welcoming guests falls on Huo Dongyang and Qiao Wei.

At two o'clock in the afternoon, guests also arrived.

Huo Dongyang and Qiao Wei are on one side, Jason and John are on the other side. But Huo Dongyang's expression is not very good, Qiao Wei stretched out his hand to pull Huo Dongyang's clothes,

"Dongyang, are you not happy?"

"No Huo Dongyang replied. Or it is also used to in front of others, so it seems that he is not happy.

"If not, don't look serious. It's not good. It's the wedding of Qin Hao and Jian LAN. " Qiao whispered to Huo Dongyang.

Huo Dongyang looked down at Qiao Wei, "my smile is only for you."

Qiao Wei was blocked by this and couldn't say it, and she didn't continue to tangle with this problem. However, thinking of Huo Dongyang's kindness to herself, she also showed a smile.

Seeing the smile on Qiao Wei's face, Huo Dongyang's face is also softer. Where there is her is sunshine!

Jason and John, who are standing opposite each other, are hurt again. This couple is the real example of dog abuse. The two of them feel very sad. They are abused by the protagonist in the morning and continue to be abused by their ancestors in the afternoon. How can their days be so sad! Now we really need to find a woman to fill the void, as they will surely be abused to death.

Thinking of women, Jason really asked Huo Dongyang to apply. "Boss, while I'm free now, I'd like to make an application with you."

"What application?" It's the first time Jason has applied to him.

"I want to apply to take over hd-qh in city A." Jason replied.

Huo Dongyang raised his eyebrows when he heard Jason's application. "Are you going to city a? Willing to let go of American affairs? "

"For the sake of my life, so do it." Jason replied.

When John heard that, he was immediately dissatisfied. "Well, I said, Jason, your abacus is really good. You want to go to a city to find a woman? When is it your turn? I'm still in front of me

Huo Dongyang looked at the two people who quarreled with each other. He didn't pay attention to it. Anyway, this is not the topic of today's discussion. Qiao Wei stood aside and looked at the two living treasures who had been quarrelling with each other. She really wanted to take a picture of the two vice presidents of HD.

At this time, I heard cheers inside. It seemed that the bridegroom and the bride came out.

After a while, Qin Hao quickly walked over, "Wei, you go to accompany Xiao Lan, here I come."

"Good!" Joe nodded forward and nodded. Huo Dongyang also followed: "be careful!"

"Yes." Just finish saying, Qiao Wei wears the foot of high heel shoe to sprain for a while. Huo Dongyang immediately went to support her and said anxiously: "how about it? Did you get hurt? "

"No, no, don't be nervous." Qiao Wei answers, "just did not stand firm."

"Don't wear high heels next time." Huo Dongyang said. It's just suffering.

"No, I'll wear it!" Replied Jovi. In the past, she didn't like to wear it, but in order to better set off Huo Dongyang, she still wanted to wear it.

Huo Dongyang of course knows Qiao Wei's thoughts, especially after having a child, she now cares more about these cosmetic things.

Qin Hao looked at Huo Dongyang and Qiao Wei. In fact, he had no way to deal with them, so he could only say, "today's protagonist is me..."

Voice also sounds a little sad, who let Huo Dongyang and Qiao Wei's halo so big. Although the person who got married was himself, today many people came for Huo Dongyang. Qin Hao had a good idea.

Qiao Wei was said by Qin Hao, but he felt a little sorry. "I'm going to see Xiao Lan." She immediately shifted the focus, carrying her skirt to the direction of Jane LAN.

Qiao Wei came to the place where Jian LAN sat, looking at her head down in the mobile phone, as if very focused.

"Xiaolan, what are you looking at?" Qiao Wei sits down beside Jian LAN.

Jian LAN looked up at Qiao Wei, "the short message of cloud Yiyan."

"What did he say?" Asked Qiao Wei. At this time, it is already two o'clock in the morning in city A. It seems that Yun Yiyan has not slept, or he is waiting for this time to arrive.

Jian Lan's eyes were moist, "he wished me happiness." This sentence makes Jian LAN feel moved. She remembers that Yun Yiyan said he would not bless her and Qin Hao, but today he sent a message to bless himself. It seems that he has put the past behind him.

Qiao Wei hears Jian Lan's words, in the heart also feels the comfort, cloud Yiyan finally put down. "In fact, we all seem to have hurt him."

Jane LAN nods. "Yes! Now I think I'm bad. Qin Hao and I are in love so much. In fact, Yun Yiyan is very lonely in his heart. I hope he can find his happiness in the future. ""I always have a hunch that that person should be there soon." Added Jovi. "So everything will be OK!"

Jane LAN looked at Qiao Wei with a smile, "slightly, I also want to thank you!"

"Thank you for what?" Qiao Wei asked.

"Without you, there would be no Jane LAN today." Jane LAN reached out and held Qiao Wei's hand.

"Thank you for taking care of me all these years!"

Qiao Wei thinks of the past, and his eyes are moist. "Xiaolan, we have known each other for ten years. We have been mothers since we were young. I have experienced a lot in this way. But we've had a good time. In the future, you also have a person who loves you. You must pay close attention to it and cherish it. "

"Well!" Of course, Jian LAN knows. In this life, she will not let go of Qin Hao's hand.

"Weiwei, what do you mean by happiness?" Jane LAN suddenly asked.

Qiao Wei thought for a moment, in fact, everyone's definition of happiness is different. "I think my definition of happiness is to cherish the present. I feel very happy now. There are husbands and children, and you are such a group of family like friends

"Weiwei, my thoughts are the same as yours!" Jane Lan said with a smile.

Qiao Wei looked at the time and the wedding was about to start. She said to Jian LAN, "Xiao Lan, you need to make up. The wedding will begin soon. You are the leading role today. You must make a beautiful appearance. "

Qiao Wei immediately went to the makeup artist to make up for Jian LAN. Just after the make-up, I remember the music on the spot. Jian LAN looks back and sees Qin Hao standing at the door.

Qiao Wei holds Jian LAN up. "Come on, I'll take you there. He's waiting for you over there."

Every step closer to Qin Hao, Jian Lan's heart gets more and more nervous. She can't tell the reason is that her heart rate is constantly accelerating. The man standing not far away is the one who wants to go on in this life.

Qiao Wei took Jian LAN to Qin Hao and said, "Qin Hao, I gave you my best friend!"

[Chapter 413](#)

Qin Hao reaches out to take Jian Lan's hand, and then clenches it.

"Little, don't worry! I will be nice to Jane LAN Qin Hao made his promise in front of Qiao Wei.

Joe nodded. "I believe you!"

Jian LAN looks at Qiao Wei, all in the eyes are thanks. Qiao Wei said to her with a smile: "today is your good day, you must smile."

John, on the other side of Qin Hao, said, "the wedding is about to start."

Qiao Wei immediately retreated to one side, let Qin Hao and Jian LAN, "bless you

Jian LAN took Qin Hao's arm and walked forward step by step. The guests sitting next to her applauded and cheered. There were also people setting off firecrackers and scattering flowers. All of a sudden, the whole wedding scene was filled with such a warm atmosphere.

Jian LAN took Qin Hao's arm, and there were cheers and blessings in her ears. She looked up at Qin Hao next to her, and felt sweet in her heart. Jian LAN recalled the little things she had known Qin Hao. Every time she thought of something, she found that her feelings for him were also a little changed.

At the beginning, she just regarded Qin Hao as her boss, and Qin Hao was also a boss who cared about his subordinates. When working overtime, she would order food for herself and remind her to pay attention to it in cold weather. When he bought a car, he was very patient with his shop by store. He would also analyze and calculate the price for himself. Later, when the car was bought, he accompanied him to get familiar with the car every day.

Later, when he ran back and forth for Yun Yiyan, he was quietly with him and helped him do a lot of things. At that time, I felt that I was very bad and implicated him every time. In fact, Jian LAN has not said that Qin Hao encouraged him to confess at the beginning, so that he could not be in contradiction every day and put his ideas out. Later, she went out to do it, but failed.

It seems that from then on, Qin Hao's attitude towards himself was different. He was very irritable at that time, and he also liked to lose his temper! But when he told him that his confession had failed, he held out his hand and told himself that it was ok, everything would be OK.

When he is most unhappy, he accompanies himself and takes himself on a business trip, so that he can forget those unhappy things. In fact, I was very busy with Qin Hao, but I had a good time. After returning to city a, he went to see Yun Yiyan again, hoping that he could give him an answer. At that time, Yun Yiyan immediately refused, and said a lot of not bad words. The only thing that made him sad was that he said, "I won't marry a divorced woman!"

Yun Yiyan's answer really hit him, a very realistic question, because this sentence completely disillusioned his mind. Yes, not every man is Huo Dongyang, who can accept all the past of a woman.

That night, Jane LAN did not know how long she cried, but she fell asleep. The next day, in her history, Qin Hao picked up the wedding ring and gave it to Jian LAN. The ring put the ring in the middle of Jian Lan's previous one, and perfectly inlaid the two rings together. It can be seen that it is specially designed, and Jian LAN feels very surprised to see here.

"Do you like it?" Qin Hao asked with a smile. This is what he thought for a long time before he let people design it.

"I like it very much!"

"Put it on for me, too." Qin Hao said to Jian LAN.

Jian LAN picked up the man's ring and helped Qin Hao put it on with a serious expression. "All right

When Jian LAN raises her head again, Qin Hao's kiss falls again. This kiss is not as hot as the one before, but it is sweet.

Watching Qin Hao and Jian LAN kissing on the stage, all the people warmly applauded and blessed them with applause. I hope they will be happy for a long time! Qiao Wei saw such a picture, also moved to tears. Jane LAN now also has her own happiness, good!

Huo Dongyang looked at Qiao Wei, who was moved by his face. He put his arm around Qiao Wei and said, "Qiao Wei, all this is just right!"

"Yes! Seeing Xiao Lan like this, I'm really happy for her Replied Jovi.

"We can also retire after success!" Huo Dongyang continued.

[Chapter 414](#)

The day after the wedding.

Qin Hao and Jian LAN drive out for a walk, but also to make up for a honeymoon. And others are returning to everyday life.

HD headquarters.

Looking at his two applications on the desk, Huo Yang was annoyed to see his two applications. Yesterday I thought they were just talking, but I didn't expect it to be true. Huo Dongyang said coldly, "what does this mean?"

"Boss, I said yesterday that I would like to apply to a city." Jason scrambled to open his mouth.

"Boss, I'm familiar with city a, because I've been there before, so I should go this time." John went on.

Huo Dongyang holds his head in his hand, and the two men are really determined to go to a city. "You all want to go. Who's in charge of the headquarters?"

"Isn't Qin Hao going to stay here? Let him be in charge Jason replied.

"You are really easy to say!" Huo Dongyang looks at Jason and says, "then what you are responsible for can be put down?"

Jason lowers his head. He holds the whole HD financial affairs in his hand, which can't be easily handled by other people. Jason looked at Huo Dongyang weakly and said in a low voice, "I can take care of it. At best, it's hard work. "

Huo Dongyang ignored Jason. He looked at John and said, "do you want to go to city a, too?"

"Well!" John nodded. "Boss, I'm familiar with the situation there."

After listening to John, Huo Dongyang seems to be thinking seriously. Jason and John are also very worried about Huo Dongyang's decision. Of course, they also hope that they can go.

Huo Dongyang knows their mind. In fact, this reason is far fetched. He has to think of a way to solve this problem!

Qiao Wei's call just saved Huo Dongyang, Huo Dongyang saw the caller ID and waved them out first. John and Jason looked at each other. The phone call should have been made by his wife, so they are not good here. Although they are not willing, they still have to go out first. If Huo Dongyang is angry, the consequences will be serious.

Seeing them go out, Huo Dongyang also secretly breathed a sigh of relief.

"Hello

"Dongyang, I went out today and bought all the things I wanted to buy. Can you see what else you need?"

"

"No. I'll be back in a minute

"OK."

Huo Dongyang took a look at the time. Things here are almost handled. It's time to go back home and pack and go back to a city. But when he heard the movement of the door, he got headache again. The two people at the door were still waiting. If they didn't solve the problem, he couldn't leave!

"Come in!" Huo Dongyang opens his mouth.

The next second, they push the door in again. "Boss, have you made a decision?"

Huo Dongyang nodded, "a city is still in charge of me for the time being. You can take good care of the affairs of the headquarters."

"boss....." They were so unhappy.

Huo Dongyang, of course, knew that they would not agree. He then added, "in the next quarter, if anyone's performance is good, I can consider letting him go to a city to observe and study first."

Huo Dongyang can only use this way to motivate them. They can't leave the headquarters at the same time. This is the headquarters of HD. Since they all want to go to city a, they can only take turns.

Or Huo Dongyang's method sounds good, so Jason and John have no opinions. "If you can, it's settled."

"OK!"

Huo Dongyang solved the problem, continued to read several documents and left the company to go home. He didn't want to let Qiao Wei pack his luggage so hard alone.

Back home, Qiao Wei has almost packed up, only some clothes are not folded. Huo Dongyang walked over and said, "don't you say I'll clean up when I come back?"

Qiao Wei smiles, "what does it matter! It's not heavy work anyway. "

Huo Dongyang and Qiao Wei are flying back to city a tomorrow morning. They also stayed for a month. It's really time to go back to city A. To be separated from children for too long is to miss. Qiao Wei doesn't want to miss the growth of the child, but recently he left the child because of Xia yueqian and Yun Muxin, Qin Hao and Jian LAN.

Huo Dongyang saw Qiao Wei's mood, and he held her hand. "Don't worry! Everything will be fine. "

"Well!" Joe nodded. Now they all find their own happiness, which is also worth happy. But thinking of Yun Yiyan, Qiao Wei is still worried. "Dongyang, go back, Yiyan's side..."

"He can handle his affairs by himself, so don't worry about it!" Huo Dongyang understands Qiao Wei's meaning and wants to introduce the object to Yun Yiyan, but he also wants to do these things.

The next day.

When Huo Dongyang is going to the airport, Qin Hao appears.

"Why are you here?" Huo Dongyang asked. Didn't Qin Hao go on a tour with Jian LAN? Qin Hao said with a smile: "I came back last night, knowing that you are going back today, so I specially came to see you and Weiwei to the airport."

Huo Dongyang nodded. "Yes. I asked Jason to pick me up! "

"I told Jason not to use it. I'll be your driver today." Qin Hao said with a smile. "Give me a chance to perform."

Huo Dongyang smiles and understands why Qin Hao did it. "I'll trouble you."

Qin Hao drives Huo Dongyang and Qiaowei airport. Qiao Wei opened his mouth and asked, "is Xiaolan alone at home?"

"She was still sleeping when I came out." Qin Hao replied.

"I thought you were going for a long time?" Qiao Wei then said, "it's hard to go out once. Of course, it's fun.". I didn't expect them to be back in two days.

Qin Hao answers with a smile. "Xiao Lan is pregnant now and is very tired. So I just took her out for a walk and came back. After all, I've been to a lot of places before. I want to wait for my baby to be born

Qiao Wei, hearing Qin Hao's words, retorts with a smile. "I don't think Xiaolan will travel with you until the baby is born. Children will be all she has! This is my experience. "

Huo Dongyang, who was sitting on the side, nodded his head. This is true. Qiao Wei will hardly be separated from her children for a long time. This time, she came to the United States because of Qin Hao and Jian LAN. But every day, they take time to talk to the children on the phone. Although they are not very good at speaking, it is good to listen to the voice.

After Qin Hao heard this, he felt like this. "I'm really sorry to have separated you from the child for such a long time this time."

"Now that they are a little older, I feel a little relieved. You can't go away in the year you were born. " Replied Jovi.

With that, the airport arrived.

Huo Dongyang helped the suitcase down, "you also go back first!"

"I heard that Jason and John applied to go to city a with you. I didn't expect that position in city a was so popular." Qin Hao added. *novelusb.com*

"That's not what they're after." Huo Dongyang replied.

Qin Hao smiles. "Don't worry, I'll supervise them."

Qin Hao slapped Huo on the shoulder.

[Chapter 415](#)

City a airport.

Huo Dongyang and Qiao Wei's flight will land in half an hour. Yun Yiyan's car also stops at the door of the hall.

Yun Yiyan walked into the reception hall with a pair of sunglasses. He looked up at the flight information on the screen. There were 15 minutes left. It seemed that he was not late, so he also found a more distant position to stand. When someone comes out, he goes on.

Originally, the person who came to pick up Huo Dongyang and Qiao Wei was Yun Muxin. As a result, she said that she would go to see the wedding dress with Xia yueqian, so there was no time. In the end, the glorious task fell on him.

Yun Yiyan looked at the front with his hands around his chest, and the time from them was getting closer and closer. At this time, there is another flight of people pushing luggage out. Yun Yiyan stepped back a few steps again, but someone bumped into him behind him.

Yun Yiyan looked down at a woman. And a strange woman. Why is she strange? That's because this woman has a long Beige hair, but that hair is a wig at first sight, and there are many places in the hair that have been knotted. Also wearing a strange dress, such clothing looks like school uniform, but obviously not quite like the general school uniform.

"What a pain Women speak.

Yun Yiyan's attitude is cold and does not intend to pay attention to her. Just as she tried to turn her head, the woman raised her head. "Well, don't you apologize for hitting someone?"

Yun Yiyan only saw her appearance at this meeting. Her face was heavily made up, and she couldn't see her original appearance at all. Eyes with a pair of beautiful blue pupil, and even sticky several layers of false eyelashes, so it looks really big eyes.

The woman looked at Yun Yiyan and said impolitely, "what are you looking at? I haven't seen a beautiful woman!"

Cloud Yiyan with sunglasses under the eyes full of disgust, she is also a beauty? The eyelids also couldn't help jumping. He naturally stepped back, because she smelt a strong perfume on her body and was still a very poor perfume.

saw that Yun Yi stretched out his hand to cover her nose. There was some embarrassment on the woman's face. If she had been deliberately sprinkled with a bad perfume, she would not have been so embarrassed.

Yun Yiyan saw her look a little embarrassed, he casually took a sentence. "It's really the first time I've seen such a beautiful woman." Yi Yun is a beautiful woman.

"You The woman is angry and stares at Yun Yiyan.

"If you stare again, your blue eyes will fall out." Yun Yiyan was not polite. He didn't know why he met such a wonderful flower. She bumped into it. Now it seems that I'm also entangled.

The woman clenched her hand. "I really haven't seen a man like you who has no Gentlemanliness."

"Gentlemanly manners also depend on the object. Just like you, I don't think so. " Yun Yiyan replied.

At this time, two people came after the woman and said, "there it is!"

After hearing the voice, the woman was also nervous. She gritted her teeth and looked at Yun Yiyan. If this man hadn't blocked her way, she would have escaped. Now it's a failure.

"It's all about you!"

Two people also ran over, one is a middle-aged man, a young man.

"My miss Molly, I've got you at last. Come back with us, the master is waiting for you at home

"I see! I'll go back with you. "

When Yun Yiyan heard them talking, he looked like the eldest lady of a certain family. No wonder he was so bad tempered. Yun Yiyan is ready to go away. The woman reaches for Yun Yiyan. "Wait a minute. You haven't apologized to me yet!"

"You just ran into it yourself. Yes? Do you need to bring out the surveillance here? " Yun Yiyan replied.

"Miss Molly, what's the matter?"

"Lao Liu, this man just took advantage of me." As soon as the woman finished, she looked at Yun Yiyan with pride.

Hearing that Miss Molly had been taken advantage of, Lao Liu immediately stepped forward and grabbed Yun Yiyan. "You want to go after taking advantage of it? How can it be so easy! I have to give the Su family an account of this matter, or I will not finish with you. "

Yun Yiyan frowns. He has never seen such a shameless woman. He even opens his eyes and tells lies. This middle-aged old man is too blind to follow, and even with a word to make a final conclusion. Yun Yiyan takes back his arm. "As I said just now, you can get the surveillance out! That's clear! "

Are these three people really insane! Like to confuse right and wrong! Cloud Yiyan eyes are disdainful, such a situation is really some speechless, and look at their appearance seems to think endless.

Su Molly saw such a calm man for the first time, but still had some charm. Better than those who always like to flatter men, at least true! Su Molly looked up at the man with sunglasses. "What's your name?"

"What, census?" Yun Yiyan said coldly. "I don't think it's necessary."

Su Molly is angry. This man has refused himself several times, which is the first time in her life. The indifferent man succeeded in arousing his interest. Su Molly said with a smile, "what? I'm afraid my name doesn't sound good, so I dare not say it. "When Yun Yiyan just wanted to refute, Qiao Wei's voice came. "Yi Yan?"

Hearing Qiao Wei's voice, Yun Yiyan turns back. As a result, Huo Dongyang and Qiao Wei have pushed their luggage out. After quarreling with this woman, he forgot his business. He took off his sunglasses. "Here you are."

Huo Dongyang and Qiao Wei actually saw Yun Yiyan as soon as they came out, and he seemed to have a problem. So they came straight up. Huo Dongyang took a look at the three people in front of Yun Yiyan, and his eyes also left two seconds on this strange dressed woman, "what's the matter?"

Yun Yiyan's face was helpless, "touching porcelain!" Then Yun Yiyan took out his wallet, took out some bills from it and handed it to the middle-aged man. "These are enough tests. If you have any questions, please check out the monitoring here. I have to go first. "

With that, Yun Yiyan came forward and took the luggage from Qiao Wei's hand, "let's go!"

Huo Dongyang nods. "OK!"

Su Moli since saw cloud Yiyan take off Sunglasses appearance, the whole person is stunned. He is very handsome, even more handsome than those male stars. In such a face, she can forgive his indifference to himself.

"How are you, Miss Molly?" Lao Liu opened his mouth and called out Su Moli, who was already in a daze.

So Molly came to her senses and said, "huh? What

"Are you sure it's OK, miss?" Lao Liu thinks something is wrong with Su molli.

Su Mo Li smiles. "Nothing. Lao Liu, do you know who the man was just now? " Su Moli wants to know everything about Yun Yiyan.

Lao Liu looks at Su Moli, but sighs. "That's not a lady you can mess with."

Parking lot.

Yun Yiyan put all his luggage in the trunk. "Get in the car!"

"Didn't Mu Xin come to pick us up today?" Qiao Wei still felt a little strange.

Yun Yiyan nods. "It was. As a result, she and her brother went to see the wedding dress. They said it was too late, so they asked me to come over."

Huo Dongyang opens the door. "Go home and talk about it."

Yun Yiyan backed the car out and just wanted to start, a figure rushed to the front. Yun Yiyan fixed his eyes on it. Someone stopped in front of him. He immediately braked. He gasped slightly. Fortunately, he had not officially started the car, otherwise it would have been an accident.

Looking at the man in front of the car, Yun Yiyan was angry, just the woman who dressed up strangely just now.

Yun Yiyan lowered the window and said, "what's wrong with you? Not enough for you just now? So now you want to have an accident and cheat more money? "

Su Molly saw Yun Yiyan's head sticking out. She ran over with a smile. "Good to catch up! I just want to ask your name. "

"Why should I tell you?" Yun Yiyan replied.

"You don't want to say I'll look it up. My name is Su Molly. Hello

"Oh Yun Yiyan answered coldly. "We are in a hurry!"

Su Molly sees that Yun Yiyan wants to close the window, so she presses it down. "Well, I haven't finished. Why are you so impolite? "

Yun Yiyan's eyes are all dissatisfied. "We are in a hurry. Please get out of the way. "

"I'll just ask you one question." Su Moli also has a prayer in her eyes, hoping that Yun Yiyan can give her this opportunity.

"Ask quickly!" Yun Yiyan is very impatient. Don't see a woman so shameless chasing a man to ask a question.

Su Molly saw that Yun Yiyan agreed and her smile on her face was more brilliant. Lao Liu didn't want to tell her just now. Wouldn't she ask herself. "Do you have a girlfriend?"

"I'm married." Yun Yiyan replied.

Su Moli's smile seems to be frozen in her mouth because of Yun Yiyan's words. She silently repeats: "married?"

"Yes." Yun Yiyan stretched out his finger and pointed to Qiao Wei, who was sitting in the back seat. "See that?"

Su Molly looked at Qiao Wei in the direction of Yun Yiyan's fingers. She was pursing her mouth, and her eyes were all lost. She took a step back and finally fell in love with a man who was married! She reached out and hit herself on the head. What happened? How do you think there is so much difference between the real person and the one in the investigation. It seems to ask Lao Liu clearly, after all, he is familiar with the affairs of a city.

"Molly, what are you doing?"

Su Molly quickly put the investigation data away, and immediately took out a study on the desk, never let her grandfather know about it.

[Chapter 417](#)

After a while, Su Weiming pushed the door in.

Seeing Su Molly sitting on her desk, he walked over with a smile. "What are you doing?"

Su Molly looked back at her grandfather, "grandfather, I'm reading a book! There's a test in school recently. "

Su Weiming looked at his granddaughter kindly, "although the exam is very important, but the body is also very important. It's been two months since I returned to city A. are you still used to everything? "

Su Molly nods. "I think it's good."

Su Weiming sat down on one side, obviously something to say to Su Molly. In fact, Su Moli has a good idea. After all, the most important thing for her to come back this time is a blind date. Her grandfather arranged several partners for her. Thinking of several she had seen before, Su Mo Li felt like vomiting! Those are some respectable men, the surface of a gentleman, no one behind can not see, began to move.

Thinking of those people, Su Mo Li couldn't help but shiver. She really didn't want to go on a blind date. Today, if she was blocked by Yun Yiyan, now she has gone to her cousin's side for fun. But today is not without harvest, because I know Yun Yiyan.

"Molly, my grandfather has made an appointment with you this weekend. We'll go and have a look." Su Weiming spoke.

Without any expression on Su Molly's face, she knew it was a blind date. Otherwise, her grandfather would not come to her at this time. She already had ten thousand grass mud horses galloping by. But she couldn't directly refute his grandfather's face. She asked in a displeased mood, "what is the holy place of this Duke Zhou?"

"His name is Zhou Tao. He is 28 years old. Now he is the general manager of Dazhou commercial bank. He has good abilities in all aspects. And people look good. My grandfather has seen the pictures. Then you and grandfather will go and have dinner with him

Molly is no longer interested in any blind date. "Grandfather, you say that every time. The last few times, the men were the same as before and after the others. But for my self-defense skills, I would have been taken advantage of. "

Su Weiming's face sank. The previous few were indeed scum. Later, he went to the introducer and scolded her. And also let people to teach those scum men a lesson. "Molly, it's my grandfather who didn't ask me clearly. This time Zhou Tao, my grandfather has investigated all of them. Don't worry, there will be no problem this time! "

"Grandfather, do I really want to get married so early? I'm only 22 years old. " Su Molly said in a low voice, with some grievances in her voice. She is going to get married in such a fancy time. She wants to play for a few more years if she can.

"Molly, grandfather is not willing to marry so early. Now your father is not in good health, and his days are coming to an end. The responsibility of the Su family will soon fall on your shoulders. If you don't have a man around to take care of you, your father and I will be very worried

"Grandfather..." Su Molly can't stand these family offensives.

"Molly, grandfather and your father are sorry for you. You have no mother since you were a child, and now you have to take on these things. I'm sorry Su Weiming can't help but feel hot and humid when talking about these eyes.

Su Molly lowered her head and said something about her mother, which made her feel bad. My mother died of illness when she was five years old. From then on, she was brought up by her father. She was the princess of the whole Su family.

Actually, there are two sides to Sumeria. To her family, she will be very clever, because her father and grandfather are her close relatives. For outsiders, she is a headstrong and unruly young lady. She always likes to do something unexpected, and many people say that she is a big failure of the Su family. But for such a su Mo Li, Su Weiming and Su Rudong will turn a blind eye, who let Su Mo Li is their baby.

Su Weiming sent Su Moli to study in England after she was 18 years old. She returned to a city only two months ago. Su Rudong's health is not very good. They want to let Su Moli inherit everything of the Su family earlier. However, it is difficult to support the whole Su family by Su Moli alone. Therefore, Su Weiming has always asked Su Moli to go on a blind date. He hopes to find a man who can take care of Molly and let him support the Su family with Molly.

Su Moli sighs. "Grandfather, I hope this is the last time. If it doesn't work, I won't be dating for the time being. I'll try to learn how to run the company. Sometimes, I think it's the most practical thing to rely on myself. "

Su Weiming of course also understands this truth, but he does not want to see Su Molly so tired. "Molly, you know grandfather's wish."

"Can I find it myself?" Su Mo Li strives for a chance for herself. "Of course, my husband has to choose by himself, so it's reliable."

"Jasmine..."

"Grandfather, I can listen to you for everything else, but I want to choose my own husband." Su Molly's attitude is also tough.

Su Weiming knows that Su Molly's clever bones, in fact, has a rebellious not to admit defeat. If you push her too hard, she will resist. So Su Weiming can only step back, "OK, after watching this time, if it still can't work, then you can come by yourself."

"OK!" Su Molly nods. Su Weiming stood up again, caring and said: "go to bed early, this book is endless."

"I know." Su Molly said with a smile.

It was not until Su Weiming closed the door of the room that Su Molly breathed a sigh of relief. She took out the information of the drawer again. She looked at the picture of Yun Yiyi, and then sighed, "yunyiyi, have you got a divorce?"

The next morning.

Su Moli changed into a long sleeve white T-shirt, blue jeans and a pair of small white shoes. Today, she has no make-up, tied up a hungry horse tail. It looks so different from her yesterday. If it is said that yesterday's su Moli is a woman who makes people look at the wonderful flowers, then today's su Moli is a real college student, full of youth. *novel***uSb.cOm**

Su Moli is a good-looking girl. In fact, she looks so beautiful. But she always makes up on her face every time. She just doesn't want people to see her real appearance. This is also her protective color for herself. If it's not for her family or future husband, it's hard for others to see her like this. Just today, she wants to go out like this.

Su Weiming, who tasted tea in the courtyard, saw Su molli dressed up and said, "are you going out?"

"Yes, grandfather." Su Molly replied.

"Go out today without dressing up?" Su Weiming also seems to feel some surprise, which is somewhat different from her usual.

Su Molly smiles. "Make up every day is bad for the skin. Grandfather, I'm out. "

With that, she went out with ease.

[Chapter 418](#)

Hd-xy building in city A.

Su Moli looks at the building in front of her. The information shows that Yun Yiyan works here. So she came here specially to have a look, just want to know more about Yun Yi Yan. She did not know why she would be like this, probably is a curiosity! Who let him refuse himself so many times yesterday.

Su Molly watched a lot at the door. It seemed impossible to go in. A company like this certainly can't go in and out at will. Just as Su Mo Li is about to return in vain, her eyes brighten. nOveLusb.com

Because she saw Yun Yiyan come out. With him, she saw the man at the airport yesterday. Yesterday, she paid all her attention to Yun Yiyan. Today, she looks at him like this. This man is of mixed blood and looks very handsome. But if she remembers correctly, the half blood man and Yun Yiyan say that they are his wife. They came back together yesterday.

The more she thinks about it, the more complicated the relationship is. What kind of relationship are they? I always feel that their relationship is a little messy. Or Su Molly watched for too long, Huo Dongyang looked up and saw a girl standing there in the shape of a student. He paid little attention to women, so he didn't remember them too much.

"People you know?" Huo Dongyang looks back at the voice of Yun Yiyan.

Yun Yiyan also looked back, "I don't know! The car will be here soon. "

Seeing that Yun Yiyan said he didn't know him, Huo Dongyang didn't pay much attention to it and waited quietly for the driver to drive over.

After a while, the car has stopped in front of Huo Dongyang and Yun Yiyan. The two quickly pull the door open, and then quickly the car.

When Su Molly saw the car leave, she came back from her trance. Sure enough, that sentence is true, the man who works hard is the most handsome. Looking at Yun Yiyan in her suit, Su Moli feels her heart beat faster. Oh, my God! How could he be so handsome!

I was shocked by my own fanatic. What's wrong with me. Now is not the time to be crazy. It is the right way to catch up. She immediately stopped a taxi and followed Yun Yiyan's car.

Yun Yiyan today is following Huo Dongyang to several companies parallax. The first station is XY, the second station is QW, and the third station is QH. The car soon stopped at the door of QW.

Huo Dongyang and Yun Yiyan push the door open at the same time. This is the first time that Yun Yiyan came here after senqiao changed his name. Looking at some familiar pictures and furnishings, I really feel as if I had passed away.

Huo Dongyang saw that Yun Yiyan did not move, "what's the matter? Sorry to go in? "

"Nothing." Yun Yiyan replied, and then took his own steps. Huo Dongyang mouth slightly hook up, know he is pretending.

As soon as Yun Yiyan walked into the lobby, he saw a woman in cleaning clothes cleaning the table. He stopped again, and the woman's back looked like a person. Just when Yun Yiyan was still suspicious, the woman's head turned around.

Yes, this woman is Qiao Xin. Yun Yiyan has not seen her for almost two years, and did not expect to see her here. Now she looks a little embarrassed, but obviously more than the eyes.

Qiao Xin was stunned when he saw Yun Yiyan. I always feel that the last time I saw him was a matter of last life. She also felt that she would never see him again in her life. But today they were so surprised to see it.

See two people are stunned, Huo Dongyang came up. "Why, no?"

"No Yun Yiyan replied. "Let's go!"

Qiao Xin saw that Yun Yiyan was going to leave. She immediately called out, "Yi Yan!"

Huo Dongyang didn't talk about human feelings. He patted Yun Yiyan on the shoulder, "I'll wait for you first. Will you stay for a while With that, Huo Dongyang went up first.

Yun Yiyan understands what Huo Dongyang means. He wants to talk to Qiao Xin himself. In fact, the past gratitude and resentment has also ended. In those years, everyone was wrong, and they have paid a price for it.

"Are you all right now?" As a man, Yun Yiyan spoke first.

Qiao Xin's face moved, Yun Yiyan will care about himself. She nodded immediately. "Well, I'm fine."

Yun Yiyan takes a look at Qiao Xin. He doesn't have the aura of the second Miss Qiao family before. The whole person also looks more energetic than before. "That's good!"

"Are your legs all right?" Qiao Xin asked carefully. In fact, he had secretly visited him in the hospital before, but at that time, Yun Yiyan was accompanied by Jian LAN. I don't know if they are married. Her eyes darken when I think of it. Now these are not what I can expect.

Yun Yiyan nodded, "OK!"

"Are you here with Mr. Huo today Qiao Xin quickly changed a topic, so as not to be embarrassed.

"Yes. I happened to be with him today

When Qiao Xin still wants to chat with Yun Yiyan, the head of the cleaning department comes over.

"Qiao Xin, have you finished your work?"

"Sister Xin, I'll be ready in a minute." Qiao Xin answers.

Xin elder sister looks back to see cloud Yi Yan, immediately walked over. "Cloud chairman is here." Yun Yiyan said, "I talked with her just now. She didn't slack off."

"Yes, yes, yes." She said with a smile.

Yun Yiyan looks at Qiao Xin again and goes to the elevator. Qiao Xin has been looking at Yun Yiyan, until the elevator door closed, she did not take back her eyes.

Xinjie saw Qiao Xin's appearance, and said sarcastically, "Chairman Yun is not something you can think of! If you have self-knowledge, you should know what you are and how people will know you! "

Qiao Xin clenched her hand and looked at Xinjie angrily. She was the foreman who came here only a year ago, and she was nothing in front of others. It's talking in front of yourself. "Do you deserve Yi Yan's favor?"

"Oh! Who do you think it's you who is calling so kindly Xinjie counterattacks.

For Qiao Xin's identity, Huo Dongyang let the personnel department to hide. In this way, she doesn't have to be known about her past by other new comers, which can be regarded as a kind of protection for her. Secondly, it is also to let Qiao Xin be a good person and do things.

"It's my business!" Qiao Xin answers.

Xinjie also did not continue to fight with Qiao Xin, because the hall is equipped with cameras. If the people above find her bullying Qiao Xin, her bonus this month will be gone. But she didn't want to make Qiao Xin feel better. "I heard from the people above that Chairman Yun will get married soon, so don't be wishful thinking!"

Finish saying that, Xin elder sister complacently walks away, leaves Qiao Xin a person secretly sad.

What happened just now is all in Su Moli's eyes. This woman in cleaning clothes must have something to do with Yun Yiyan in the past, and the relationship between them is definitely different. Is this his ex-wife or his sister-in-law who had an affair with him?

Su Molly frowned angrily and stamped her foot. It seems that Yun Yiyan's affairs are far more complicated than she knows! No, she must know, or she won't be at ease.

[Chapter 419](#)

In an hour.

Yun Yiyan and Huo Dongyang come down again, but Qiao Xin is no longer in the lobby. It seems that they have gone to other places to clean up.

"Huo Dongyang, how long has Qiao Xin worked here?" Yun Yiyan asked.

"It's been a year." Huo Dongyang replied. "What's the matter?"

Yun Yiyan shook his head. "It's OK. I just think I'll see her here unexpectedly."

"More than a year ago, Qiao Qingdong took Liu Su and Qiao Xin home, hoping that Qiao Wei could help them. Later, I asked Qin Hao to find them a relatively relaxed job. Unexpectedly, Qin Hao put them here in QW. I think about it and forget it. After all, this is the place they used to be familiar with. Let them exercise here. "

Yun Yiyan nods. "So it is. But don't all the old employees know who they are? "

"Of course, I have said hello to them. No one will deliberately embarrass them, and new comers will not know their identity." Huo Dongyang then replied.

Hearing Huo Dongyang's words, Yun Yiyan also understands that he is doing this to protect Qiao Qingdong and them. "It's good, too."

Huo Dongyang smiles. "Do you think Qiao Xin is pathetic?"

"No Yun Yiyan replied. "It's just that it's been such a long time since it's just been put down."

"Yes, progress. Let's go Huo Dongyang replied.

Huo Dongyang and Yunyiyan just want to get on the bus when Su Moli appears. She ran to Yun Yiyan immediately. "Yun Yiyan!"

Because Su Moli and yesterday are completely different, so Yun Yiyan did not recognize. He looked at the plain face in front of him. The woman was very beautiful and charming, and looked very young. She should be a college student.

"We know each other?" Yun Yiyan opens his mouth.

"Of course Su Molly nods.

Huo Dongyang stood aside and seemed to have a good look. This girl seems to have been following her from XY. It seems that she really knows Yun Yiyan. When did Yun Yiyan find such a stubborn little girl. It can be seen that she has a persistent attitude towards Yun Yiyan.

"I don't know you!" Yun Yiyan replied. He came back from the United States in less than a month. I don't have time to meet people. What's the matter with this woman!

Su Moli glared at Yun Yiyan angrily, "Yun Yiyan, it seems that the rumor is true. There are so many women around you! So you won't remember a woman at all

Yun Yiyan frowns. It seems that he has heard the voice. "You are..."

"Sammy!"

Hearing the name, Yun Yiyan and Huo Dongyang suddenly realized that the pure college student and the wonderful woman yesterday were the same person. It was really too much difference.

"What can I do for you?" Yun Yiyan opens his mouth. It looks like she's been following me all the time. "I have something to do later. I'm in a hurry!"

Su Moli looks at Yun Yiyan angrily, but she is not convinced. "In a hurry? I think you talked to that cleaning aunt for a long time! When you come to me, you don't have time? It seems that you have some bad taste

Huo Dongyang smiles in his heart. It seems that Su Moli really takes a fancy to Yun Yiyan. Otherwise, he will not catch up with him from yesterday to today and from XY to QW. Seeing her angry appearance, I should be very concerned about what happened to Yun Yiyan and Qiao Xin.

Yun Yiyan is forced to ask by Su Moli, and her face also has some displeasure, "this is my business. It doesn't seem to have anything to do with you! "

"I just want to ask you a question!" Su Molly didn't forget the purpose of her coming today.

"What! I gave you the money yesterday. Why do you want to find fault today? " Yun Yiyan really can't agree with Su Moli's behavior. "People are good-looking. Why do we have to make ourselves human and ghosts?"

Su Molly heard the second half of Yun Yiyan's sentence, and her anger immediately disappeared. "Do you think I look good like this?"

"Well!" Yun Yiyan nodded, "at least it's more pleasing to the eye. What do you have to scribble on your face! It's strange to see it

Su Molly immediately put on a smile. "Yun Yiyan, if you like me like this, I will appear in this image in the future."

How can Yun Yiyan listen to this sentence, always feel something is wrong. Dare you, she will appear in front of her every day?! "What do you mean by that?"

Su Moli said with a smile, "Yun Yiyan, I'm in love with you!"

When Yun Yiyan heard this, he was stunned! He was confessed?! It's so simple and crude. I've never felt like this before.

Molly and other women are not standing on the side! In this way, they express their feelings directly. Young people nowadays are really different.

After a while, Su molli sees that Yun Yiyan doesn't respond. She frowned her pretty eyebrows. "Yun Yiyan, I know you are divorced! So you don't have to move out of what you have a wife to fool me! I don't like that. "Seeing Su Moli's eyes with some small complacency, Yun Yiyan can't help trying to frustrate her spirit. "Is it? It seems that you have investigated me. Are you sure that the information you have investigated is accurate? "

In the face of yunyiyan's question, Su Moli can't resist. She just felt that the investigation data were inaccurate, so she came to verify it! But now it seems that Yun Yiyan is not an easy target.

"Can't you say it?" Yun Yiyan starts to talk. "You can't believe all the rumors in the world!"

With that, Yun Yiyan looks back at Huo Dongyang, who has been watching a good play. "Mr. Huo, we can go now."

"Are you sure you're done with it?" Huo Dongyang asked.

"Let's go!" Yun Yiyan doesn't want to talk to Su Moli so much. He and she can't have anything at all.

When Yun Yiyan wants to get on the bus, Su Moli quickly steps forward and grabs Yun Yiyan's arm. "Yun Yiyan, I haven't finished yet."

"I said we were in a hurry." Yun Yiyan said coldly. "You'd better go home early."

"Yun Yiyan, I will definitely find out." Su Molly said with determination. "And I'm going after you!"

Yun Yiyan frowned. It was really the first time to see such a confident woman. "But you are not my dish!"

"What?" Su Molly was hit.

With that, Yun Yiyan reaches out and pulls Su Moli by his hand. "I'm really in a hurry!"

Su Moli watched Yun Yiyan's car go away. She was really upset. It's the first time that a man talks to himself in front of himself! What do you mean you're not my dish?!

Su Mo Li clenched her hand. "Yun Yiyan, I will certainly chase you to the hand, you wait for me!"

[Chapter 420](#)

Time flies. It's Saturday in a flash.

Su Moli was pulled up by Su Weiming early in the morning. "Molly, we are going to make an appointment with Zhou Tao at noon, so we have to get up and prepare."

Su Molly opened one eye and looked at her grandfather standing by the bed. "What time is it?"

"It's already eight o'clock."

"Grandfather, I reviewed very late last night. You asked me to go to sleep again. I got up late to prepare." So Molly closed her eyes again and turned over to sleep.

Su Weiming hears Su Mo Li's words, also with heartache. "I'm not saying that the exam doesn't matter. This husband is the first."

"Grandfather, I'll go to sleep again. Otherwise, I will not be energetic at noon Said Su Molly.

Su Weiming had no choice but to take Su molli. "Well, you can sleep for a while. Grandpa will call you back later

Hearing Su Weiming close the door, Su Molly immediately opens her eyes. She immediately sits up and picks up the mobile phone hidden under her pillow. She continued to stare at the news about Yun Yiyan.

After returning that day, Su Moli went to Lao Liu and asked him about Yun Yiyan. However, Lao Liu was not willing to say anything. She insisted that Yun Yiyan could not do it. He was a dangerous person and could not be approached. Later, in his own cry two make three hanging drama, Lao Liu had no way to tell himself what he knew.

Yun Yiyan was actually married. His wife was Qiao Wei. Qiao Wei is the first lady of senqiao real estate, but she is not in Qiao's house. Yun Yiyan and Qiao Wei got married for two years, but they had a bad relationship with Qiao Wei. Later, it came out that Yun Yiyan and Qiao Wei's sister colluded with each other, which made a lot of noise at that time. Once it was reported that Qiao Xin was pregnant, but the cloud family did not want children, so forced Qiao Xin to do abortion.

This incident was a big scandal for both the cloud family and the Qiao family, so the cloud family spent a lot of manpower and material resources to suppress the news of public opinion at that time. But after this incident, Qiao Wei and Yun Yiyan got divorced and went out of the house. Yun Yiyan was also silent for a period of time because of this incident. When he reappeared, it was the time when the cloud family changed.

Mr. Yun was hospitalized with a sudden illness, and he was also acquired by HD at that time. Soon, Mr. Yun died of illness, which made the whole cloud family panic. But Yun Yiyan inherited the new Yun family at this time and became the chairman of XY. Shortly after taking office, Yun Yiyan had a big car accident and almost lost his life. In the car accident, Yun Yiyan was seriously injured and almost all his legs were broken.

Not long after Yun Yiyan's accident, the cloud family also completely broke up. Yunzhou became a vegetable because of an accident, and his wife lost his heart. However, the eldest young master, Yun Yiming, was arrested because he was the mastermind of the accident. The cloud family is left with Yun Yiyan and Yun Muxin. Later, it was said that Yun Muxin lived in the home of Huo Dongyang, President of HD. Some people also said that Yun Muxin called Huo Dongyang his uncle.

When Yun Yiyan appeared again, he went to work in a wheelchair. Later, it seemed that they had to go through a very hard re examination before they got up again. Among them, Huo Dongyang gave a lot of help to Yun Yiyan. Now Yun Yiyan is the head of XY, and his younger sister has also taken up the position of vice president of the company not long ago.

Su Molly heard what Lao Liu said that day, but she was also confused. It turns out that so many interesting things have happened in a city in the past two years, but I have no way to participate in it. It's a pity to think about it.

But there are some things that Lao Liu didn't make clear. In the past two days, she has also checked a lot of information on the Internet. There are few reports about that year. Some of them are simple introductions. Su Moli thinks that there are still many mysteries that have not been solved. The cloud family has too many secrets! Moreover, she thinks that there are too many secrets in Yun Yiyan's body. He also gives people a feeling that he is not close to others. But looking at his back, he gives himself a kind of inexplicable sadness. His heart should be very lonely!

Su Mo Li sighs. She turns off the browser on her phone. She curled up on the bed, thinking what the real side of Yun Yiyan looks like after all?! For the first time, I feel so worried about life!

Su Molly is playing games in her room to kill time. She doesn't want to go out so early. Otherwise, her grandfather will carry herself to see Zhou Tao in the morning.

An hour later, the door of the room was knocked. "Miss, are you up?"

Hearing Lao Liu's voice, Su Molly breathed a sigh of relief. "Come in!"

When Liu opens the door and comes in, she sees Su molli sitting cross legged on the bed with her iPad in her hand and playing the xiaoxiaole game again. "Do you want breakfast, miss?"

Seeing Lao Liu come in, Su Molly puts down her iPad. "Lao Liu, I just have something to ask you."

"What do you want, miss?"

When Su Molly heard this answer, she immediately showed a bright smile. "That's what you say. Then I'll ask. "

Lao Liu felt that something was wrong, "but in addition to the matter of Yun Yiyan." He really didn't understand what Miss Molly saw in Yunyiyan. He thought about him all day long. So an ominous man, really can't be together!

Su Molly smiles and nods. "I really want to ask about Yun Yiyan. Lao Liu, you said half that day. You have to continue to finish. Lao Liu knew that her intuition was right. Su Moli really wanted to ask Yun Yiyan. "My eldest lady, I should have told you all that day. What else do you have to ask?"

Su Moli knew that Lao Liu didn't want to tell herself, so she could only take out her killer's mace. "If you don't tell me, I'll tell my grandfather you bullied me, and I won't go on a blind date today!"

Lao Liu really has nothing to do with Su Mo Li. He lowered his head. "Miss, what else do you want to know?"

Seeing that Lao Liu is willing to cooperate, Su Moli nods with satisfaction. "That's right! I have to talk hard. "

"Excuse me, miss."

"Where is Yun Yiyan's ex-wife now?" This is what Su Molly must know at this time. If this ex-wife should come to visit her, she would certainly have no status and Su Molly would never fight an uncertain battle!

Lao Liu was surprised that Su Moli would ask this question. After thinking about it, he really thought of one thing. "In fact, no one knows where Qiao Wei went? She seems to have never been divorced from Yun Yiyan. However, I have heard that Qiao Wei now works in hd-qh. It is not more than a year ago, someone met Qiao Wei in the bidding activity of the land in the east of the city, and there was no news later. But later, people in the circle also had a strange saying that Huo Dongyang's wife and Qiao Wei were very similar. "

"What?" Su Molly is stunned. She immediately thought of what happened at the airport that day.

At that time, Huo Dongyang was followed by his wife, but later Yun Yiyan also said that it was his wife. If it was really Huo Dongyang's wife, Yun Yiyan said so, Huo Dongyang would be angry, but not at that time!

If Huo Dongyang doesn't mind, then the woman around Huo Dongyang may be Qiao Wei.
