

Warm Wife 421

[Chapter 421](#)

Looking at Su Molly has not responded, Lao Liu looks at her strangely.

"How are you, miss?"

Su Molly came back to herself, "Lao Liu, go on! What did that rumor say? "

"That rumor came out when Huo Dongyang took his wife to a party. When Yun Yiyan and Qiao Wei got married, some people knew Qiao Wei. In addition, Qiao Wei had been running for senqiao before, and some business partners also knew him. At that banquet, many people said that Huo Dongyang's wife was Qiao Wei, because they all said that no one in the world could look like this! "

"And then Su Molly looks at Lao Liu and stops. She gets nervous immediately.

Lao Liu looked at Su Molly's anxious look, and he immediately answered. "Miss, you're going to give me a break, too

"Who told you to stop at the critical moment." Su Molly still looks disgusted.

Liu continued: "at that time, the whole audience was talking about Huo Dongyang's marrying Yun Yiyan's ex-wife and picking up a broken shoe. It was said that Huo Dongyang's face was not good at that time, and later, Mrs. Zhang, the host of the banquet, rescued him. She said that Huo Dongyang's wife is her sister! This person looks similar also many, admit mistake also is possible! That's how it calmed the storm. "

"Mrs. Zhang?" Su Moli is thinking that this will not be Huo Dongyang's help!

"Well, Mrs. Zhang is actually the famous Chinese American film queen Tracy. It is said that Huo Dongyang and his wife's marriage was facilitated by her. Who is Tracy? Who dares to question what he said? Her backstage is so powerful. And then it was all over. No one dares to mention it again, because it is a taboo. Later, Huo Dongyang and his wife rarely appeared in the public eye, but people who had contact said that Huo Dongyang and Qiao Wei had a good relationship and had a couple of children. "

"Do you know the name of Huo Dongyang's wife?" So Molly continued.

Lao Liu shook his head. "Only very close people will know. Huo Dongyang never introduced his wife's name in public. And others will only call her Mrs. Huo or Mrs. Huo. "

Su Moli frowned. She felt that those present did not admit that they were wrong. Huo Dongyang's wife was actually Qiao Wei. The more they are, the more suspicious they are. The cloud family and Huo Dongyang seem to have a lot of secrets. So just Huo Dongyang will take over the purchase of Yunshi, and will not bring senqiao to HD for no reason. There must be a big secret behind all this.

And what is this secret, she can't go to investigate now, but she will find out! Huo Dongyang and Yun Yiyan have a good relationship. Su Moli can also affirm that Huo Dongyang and Qiao Wei are husband and wife. What role does Yun Yiyan play in this?

Looking at Su Mo Li in a daze, Liu had to remind her, "Miss, it's time for you and your master to go out."

Molly grabs her hair. "OK! I see! " When it comes to dating, every cell in Su Molly's body is resisting. These are the best for blind date! When is the beginning?

Another hour later, Su molli appeared in front of Su Weiming. Today, she did not wear heavy make-up, just a little light make-up, looking very fresh. Su Weiming looked at Su Moli, who was dressed in simple and elegant clothes, nodded repeatedly, "jasmine, it's really beautiful!"

"Grandfather, I can do it." Said Su Molly.

"Good! We'll start right away. "

Walking to the door, Su Molly found a pair of high-heeled shoes to put on, and the whole person was also a lot higher. Today, she is wearing a modified cheongsam, which looks like a lady in a big family. Since she promised her grandfather to go, she could not lose face.

The location of the blind date is the best restaurant in a city.

When Su Moli walked into the restaurant with Su Weiming's hand, she attracted many people's attention. Seeing Su Moli seems to be a character in a TV series, with the elegance and nobility of Oriental women, she really looks like a lady who came out of the Republic of China.

Su Weiming smiles, the effect is to satisfy people, so the princess of the Su family should be watched by everyone. Su Moli's eyes are light, and she doesn't pay too much attention to these things. Although she is walking, all she thinks about is Yun Yiyan.

When they arrived at the reserved room, Zhou Tao and his grandfather had already arrived.

Su Molly takes a look at it, and it is obvious that the two grandfathers are matching up their two grandsons and granddaughters. Su Moli politely nodded to grandfather Zhou.

"Is this Jasmine? It's a beautiful girl indeed Zhou said with a smile. "Old sue, sit down quickly."

Su Molly helped her grandfather sit down, and then sat down herself. At this time, she noticed that Zhou Tao was good-looking. Just don't know what moral character is like? What's more, Su Mo Li also noticed that since the moment she came in, he looked at herself. Other times, he hardly looked at herself again.

"Order!" In order to avoid embarrassment, Zhou opened his mouth first.

"Good!" Su Weiming also nodded. "Molly, what do you like to eat?" "Just order it, grandfather." Su Molly said with a smile.

Zhou's grandfather nodded with satisfaction. Su Moli was indeed the first beauty in the south of the city. She was just right with her grandson. He had refused before, but it was also because of the rumors. But now it seems that I really changed after I came back from studying abroad.

If such Su Moli, marry Zhou Tao just right, male talent female appearance. In this way, Zhou and Su can be regarded as strong and powerful, and it is really a win-win situation.

After ordering, Zhou bumped into his grandson, "Xiao Tao, why don't you talk to Molly?"

"Oh Zhou Tao looks up at Su Moli for the second time. "Hello, Miss Su!"

Su Moli knew at a glance that his state was not a blind date, and he was probably escorted over. But Zhou Tao's personality is also a bit dull, this type is not his own dish. Just said this sentence, Su Molly's heart thumped. This sentence seems to have been said by Yun Yiyan. He said that he was not his dish.

Thinking of Yun Yiyan, Su Moli's heart is angry! In the end, what's wrong with yourself and say such a thing, damn it!

When others saw Su Moli, who suddenly changed her face, they thought she was angry because of Zhou Tao's cold attitude.

Su Weiming quickly said, "Molly, what's the matter with you?"

"Well?" Su Molly returns to her senses? "What?"

Zhou grandfather also immediately round the stage, "Molly, Zhou Tao, this child is a little slow, you don't mind! You can rest assured that he is absolutely a good boy! "

Su Molly will wake up. It seems that they all misunderstand themselves. She smiles. "It's OK, it's OK!"

At this time, someone pushed the door in.

Seeing the people coming in, Su Molly stood up immediately.

[Chapter 422](#)

The people who came in were not others. It was Yun Yiyan and another person who seemed to be partners.

Cloud Yiyan's eyes on Su Moli, he also quickly in his eyes so a touch of surprise hidden. It's the third time you've seen Sammy.

Today's she is another image, removed the first meeting when the strange clothes, but also changed the day of youth campus dress. She was dressed in a decent cheongsam, and her make-up was appropriate and good-looking, too. This Qipao also outlines her figure more exquisite, also with this fresh elegant, very good!

When Yun Yiyan looks at Su Moli, Su Moli also stares at Yun Yiyan. This is the third time in a week to see Yun Yiyan. If this is not fate, then how to explain these.

Shen Yang, standing behind Yun Yiyan, looks embarrassed at the people in the room. He is also worried. He could have taken the wrong way! In this way, can the cooperation be negotiated? It's rare to invite Yun Yiyan to the south of the city. It's really a pity if all the previous achievements are wasted because of such a mistake.

"Mr. Yun, I'm sorry! I took the wrong way. " Shen Yang immediately admitted his mistake and hoped that the cooperation would not be ruined.

In fact, when he saw Su Moli, Yun Yiyan knew he was going wrong. It's just that he has been waiting for Shen Yang to open his mouth to resolve the crisis. Otherwise, it would be embarrassing for him to stand alone like this.

"Let's go!" Yun Yiyan spoke coldly. With that, Yun Yiyan turns around first. This time, he seems to have ruined Su Molly's blind date.

Shen Yang immediately bowed to the people in the room and said sorry. "I'm very sorry, but we went wrong. Sorry to disturb you

"Shen Yang!" Grandfather Zhou called out.

Only then did Shen Yang notice Zhou Heng, the chairman of Dazhou commercial bank. "Chairman Zhou, it's you. I'm really sorry to disturb you! I was so busy and dizzy that I went to the wrong room. Sorry

Looking at Shen Yang continuously apologizing, Zhou Heng also shakes his head. "It's OK. Just explain it clearly. Go

"Thank you, chairman Zhou. I'll be busy first." Shen Yang quickly wipe the sweat from his forehead, and then he quickly exits the room and closes the door of the room.

Su Weiming looked at Zhou Heng and then asked, "who do you know?"

"Shen Yang is the marketing director of SZ company. He has cooperated with us before, so he has met several times." Zhou Heng replied.

Su Weiming nodded, "do you know who came in with him just now? It seems that they are not ordinary people. " Just now that momentum, we know that they are a little famous people, absolutely not small people.

At this time, Zhou Tao, who had never spoken, spoke. "If you didn't hear Shen Yang call him wrong, that person should be Yun Yiyan, chairman of hd-xy."

Zhou Tao's answer makes Zhou Heng and Su Weiming both stunned. They are not unfamiliar with the name Yun Yiyan. Two years ago, it was his news every day. But it seems that he will not appear in the public eye for a year. I heard that he had a car accident and almost died, but said that his legs seemed to be broken. But just now he looked as if he had recovered completely. He didn't even see any problem with his leg.

Su Moli narrowed her eyes slightly. It seems that these people all know Yun Yiyan. It seems that Lao Liu is right. Those events two years ago must have been a sensation, otherwise they would not have shown such an expression. Su Moli deliberately asked, "who is Yun Yiyan?"

Su Weiming reaches out and pulls Su Molly to sit down. "A man who cannot be easily approached."

"Did granddad mean he was dangerous?"

"It's really dangerous, but it's also a hot cake." Zhou Tao nodded.

But Zhou Tao doesn't think so. Although there are a lot of rumors about Yun Yiyan, his work skills are even more powerful. Under his leadership, the achievements of hd-xy in the past two years are also very brilliant, even better than that of Yun! It seems that SZ wants to win the contract with yunyiyan. If it is successful, SZ's status in the south of the city will be different.

Su Moli heard Zhou Tao's description, and was greatly despised in her heart. It's unforgivable to compare a handsome man like Yun Yiyan to a sweet cake. I don't take a mirror to look at myself, but I'm several grades away from Yun Yiyan!

Of course, these are just Su Molly's inner activities, she did not show on her face. There was still a smile on her face. "Listen to this, this cloud Yiyan is very powerful?"

Or to find a common topic, Zhou Tao's talk box also opened. "He is very powerful, but the backing behind him is more powerful!"

"Patron?"

"Well! Now in a city, HD is the number one. HD has three subsidiaries in a city, one is QH, one is QW of senqiao real estate before merger and acquisition, and the other is XY from Yunshi. These three companies occupy an important part of the economic development of city A

"The reason why Yun Yiyan is a stable chairman of XY must have given Huo Dongyang a lot of benefits in private. Otherwise, Huo Dongyang would not have supported Yun Yiyan to come to power, and would not have sent Yun Yiming to prison, so Yun Yiyan is not a simple man! "

Hearing Zhou Tao's comment on Yun Yiyan, Su Moli is uncomfortable. Yun Yiyan was said to be a despicable person by him! It seems that Zhou Tao's heart is narrow enough, that is, he doesn't like others. Su Moli speaks for Yun Yiyan. "Is that so? Why do I think you're arbitrary? If the evaluation of a person is only judging from the surface that it is good or bad, then it is really superficial. "Su Weiming did not expect his granddaughter to speak for Yun Yiyan. "Molly, this is not very good. It's better not to touch such people. "

Zhou Heng also agreed with Su Weiming. "That's true! When he got divorced, he really made a lot of noise at that time. "

"He was married?" Su Moli continues to pretend that she doesn't know. She wants to hear more about Yun Yiyan from her grandfather and Zhou Heng.

Su Weiming and Zhou Heng obviously don't want to continue this topic, "OK, we don't want to discuss other people. Eat

Su Mo Li sees them deliberately avoid, also did not continue to hold, low head to eat.

When they ate almost the same, Su Weiming and Zhou Heng borrowed an excuse to go out. Then she left Su Moli and Zhou Tao.

Su Mo Li also knows what they mean, and she has some helplessness on her face, "they are too obvious."

Zhou Tao takes a look at Su molli. "Miss Su, it's not your first blind date."

Su Molly's eyes became lazy, and she held her head with her hands. "Well! In fact, you know why I'm on a blind date. We don't have to beat around the bush. I like to be direct. "

Zhou Tao seemed to be relieved when he heard Su Moli's words. "Well, I'll go straight. You are beautiful indeed, but I will not marry you because I have someone I like

When Su Molly heard this, she was very happy! This is the result that she wants. But there was no expression on her face, and she didn't talk nonsense. She asked directly, "so what do you want me to do?"

[Chapter 423](#)

In the other room.

Shen Yang continuously says sorry to Yun Yiyan. "Mr. Yun, I'm really sorry! It was really my fault just now. Please don't mind! "

Yun Yiyan drank tea leisurely, and he laughed. "Director Shen, are you sure you want to apologize to me all the time?"

"No, No. It's just that I was so busy that I brought the wrong room. " Shen Yang said sorry again. "You can rest assured that you will never let such things happen next time."

Yun Yiyan of course knows that Shen Yang has been apologizing for the contract. In fact, the cooperation with SZ is not particularly important for XY, but Yun Yiyan is also in the mood of gossip for the first time. After all, on the south side of the city, I have seldom come here and I am not familiar with it.

"By the way, the person in that room just now is the person that director Shen knows?"

Shen Yang will tell Yun Yiyan everything at this time. "Yes. One is the chairman and general manager of Dazhou

"Dazhou firm?" It seems that yunyiyan has heard of this name before. "And the other two?"

"If there is no wrong guess, it should be the chairman of St property and the daughter of Su family." Shen Yang replied.

Yun Yiyan repeated, "St?"

"Well, the Su family mainly focuses on shipping, and their business is also good. However, when he comes to Su Rudong, his business is not as good as before. Recently, Mr. Su has been looking for a son-in-law for his granddaughter. He hopes to find a quick son-in-law to support Su's family. This matter has spread to the south of the city. Today is supposed to be a blind date with the Zhou family

Yun Yiyan nodded his head. It's like this, so Su Molly is in a hurry to find a man! So she said something like that before, and suddenly felt that a woman like her should reject this kind of blind date. But she didn't seem to show any dissatisfaction!

"Yundong..." Seeing that Yun Yiyan didn't respond, Shen Yang called.

Yun Yiyan nods. "So that woman was the first lady of the Su family just now?"

"Su molli is the only daughter in the Su family. She is the Pearl of Su Weiming and Su Rudong." Shen Yang replied. Then Shen Yang lowered his voice and said, "and before that, Su Moli had a bad reputation. I heard that she was very willful and unruly, and had done a lot of extraordinary things. After that, he was sent to study abroad by Su Weiming, and he came back only two months ago. "

Yun Yiyan raises eyebrows. It seems that Su Moli is quite versatile, and he has seen some before. It seems that the previous rumors should be true. She is definitely not a good person.

After a meal, Shen Yang asks Yun Yiyan carefully. "Mr. Yun, what we're doing together..."

"Yes, you can come to the company to sign the contract." Yun Yiyan nods. "Thank you for your hospitality today."

Shen Yang heard cloud Yiyan nod, that excited expression is overflowing in the face. "Thank you, Mr. Yun. We won't let you down!"

"Happy cooperation!" Yun Yiyan held out his hand.

Shen Yang holds Yun Yiyan's hand excitedly. Thank you

Yun Yiyan looks at the time and is ready to go back to the company. "I'll go back first."

"I'll see you off!"

Shen Yang sent Yun Yiyan to the parking lot. "Mr. Yundong, I have to go back and report to the general manager, so I won't send you back in person."

"You're welcome. I can go back by myself."

As soon as Yun Yiyan's car left the parking lot, he saw Su Moli standing in the security Pavilion. She looked like she had been waiting for a while. When she saw her car come out, she stood up straight.

Su Moli smiles at Yun Yiyan and waves to Yun Yiyan.

Yun Yiyan narrowed his eyes, but he didn't want to stop the car. But when he thought of the situation like that last time, he was afraid. Finally, he slowed down. Sure enough, Su Moli was in front of the car again.

Yun Yiyan frowned. "Hello! What do you think? "

Su Moli smiles. Seeing Yun Yiyan stop, she goes to Yun Yiyan. "It's really nice to meet you today, Yun Yiyan."

"But I'm not happy!" Yun Yiyan replied, "please get out of the way, I'm in a hurry."

Hearing this again, Su Moli's smile froze. "Yun Yiyan, do you really hate me so much? Is it interesting to use the same excuse every time? "

"Miss Su, I'm really in a hurry. Not everyone is as free as you Yun Yiyan continued.

Su Moli frowned, "yunyiyuan, how can you appear here today?"

"Coincidentally, I had an appointment with a client here to talk about cooperation. As a result, I'm really sorry to go to the wrong room and disturb your business." Yun Yiyan explained. He looked at the time. "If nothing else, I'll go first."

"Wait a minute!" Su Mo Li doesn't want to give up any time that she can contact with Yun Yiyan. She turned her eyes, and then immediately went on, "I happen to be downtown. Can you give me a ride?"

Yun Yiyan looked at Su Moli and said, "where is the man who was with you just now?" "Are you jealous?" Su Moli heard Yun Yiyan mention Zhou Tao, and her face burst into a smile again.

Yun Yiyan's eyes are cold, and Su Moli's imagination is also very good. be jealous?! Where on earth does she come from to say that. "I think you misunderstood. I don't need to be jealous if I have a family! "

Su Moli's smile deepened. "Yun Yiyan, I know about you. You're divorced. You're single now, and I'm sure about that. "

Seeing Su Moli's calm eyes, Yun Yiyan can't help but refute her. "Is it? So your message should be old. I just came back from the United States last month, and I have remarried in the United States. "

"You lie!" Su Moli said in a loud voice, "the people you picked up at the airport that day were Huo Dongyang and his wife, or your ex-wife Qiao Wei! So you're not remarried at all

Yun Yiyan looks at Su Moli. This woman is quite pestering. "Miss Su, I really don't have time. Please get out of the way."

"I won't let you!" Su Moli glares at Yun Yiyan. "I'll give you two choices. One is to take me downtown, and the other is to choose to answer my questions. "

"What if I didn't?" Yun Yiyan really thinks Su Moli is embarrassing herself.

Su Moli has a calm face. "If you don't choose, then I'll be here and say you're bullying me!"

"Whatever you want." Yun Yiyan doesn't mind these things. He starts the car immediately.

Su Moli was stunned. She didn't expect that Yun Yiyan would not eat this. Seeing that Yun Yiyan's car has left, Su Moli jumps up in anger. "Yun Yiyan, you bastard

The car soon disappeared. Su Moli clenched her teeth. Yun Yiyan was really not easy to attack. But it doesn't matter. The more like this, the more effective you will be. Su Moli secretly made a decision in her heart: "yunyiyan, I su Moli vowed to pursue you in this life! You wait for me

[Chapter 424](#)

The next day.

When Yun Yiyan and Huo Dongyang are in the meeting, the assistant comes in and tells Yun Yiyan that Shen Yang has come.

Yun Yiyan suddenly remembered that he had promised Shen Yang to sign a contract yesterday, so he asked his assistant to tell Shen Yang to wait.

Huo Dongyang, sitting on the side, heard what Yun Yiyan and his assistant said. He flipped over the content of today's meeting, but he didn't see the name of SZ. When did Yun Yiyan talk about the contract over there? He doesn't know at all.

"When did you and SZ talk about cooperation?" In fact, Huo Dongyang felt that there was no need to do so because there were already partners there.

Yun Yiyan laughed and said, "I'll explain this to you later."

Huo Dongyang nods, and he doesn't mean that he must tell Yun Yiyan everything. SZ's main business is network system, but there is already a fixed partner in the headquarters of such system. In fact, there is no need to cooperate with a domestic company. That's why Huo Dongyang raised such a question.

After the meeting, Huo Dongyang heard Yun Yiyan's explanation. "Shen Yang and I talked about cooperation yesterday. For the sake of their enthusiasm, I'll give him a chance. Although it's a bit superfluous, we can also let some departments try their system, which also has double insurance. "

Huo Dongyang looks at Yun Yiyan. He always felt that such a thing was not what Yun Yiyan would do. "That's more than your purpose, is it?"

"Mr. Huo is Mr. Huo. You can see it at a glance." Yun Yiyan said with a smile. "There are several enterprises in the south of the city with good strength. Maybe we can absorb them."

Huo Dongyang raises eyebrows unexpectedly. It turns out that Yun Yiyan is fishing big fish in a long line. Yes, HD did not expand to the south of the city. This is actually the goal of HD this year. Although the development there is not as fast as that in the Middle East, it is a good choice.

"So you mean you have an idea?" Huo Dongyang asked with a smile.

"Now we are cooperating with Sz. Once the news comes out, other enterprises are expected to come one after another. Second, we can also use SZ to figure out the situation on the south side of the city. "

Hearing Yun Yiyan's words, Huo Dongyang also nodded. "It seems that you have a plan, so you can do it yourself."

"I'll learn from you." Yun Yiyan replied.

"You are not good at flattering." Huo Dongyang continued. "Since someone is waiting for you, go first! I'll sit here and go home. "

Yun Yiyan nods. "Yes, but I'll go with you later. Mu Xin said he wanted to discuss something with me today. "

"OK! Then I'll wait for you. "

Yun Yiyan's office.

When Shen Yang saw Yun Yiyan come in, he stood up immediately. Yun Yiyan smiles. "Mr. Shen, please have a seat."

"OK." Shen Yang sat down and took out the contract. "Mr. Yun, this is our latest contract, which has been revised according to your requirements. Please look at it

Yun Yiyan takes over the contract from Shen Yang and looks at it carefully. SZ's price has been lowered in this modification. It seems that SZ really wants to cooperate with XY. And every service is the best.

Seeing that Yun Yiyan had finished reading it, Shen Yang immediately said, "Mr. Yundong, do you think this needs to be modified?"

"No. It's just that the current contract doesn't seem to benefit SZ? "

"No, no, no, since Mr. Yun has chosen to cooperate with us, of course we must show sincerity. And it's an honor to work with XY." Shen Yang continued.

Yun Yiyan knows that once the cooperation is successful, it will be of great help to SZ's future development. So they will certainly lower their posture.

"OK! Then we have a good cooperation." Yun Yiyan is also very straightforward in signing the contract.

When Yun Yiyan sends Shen Yang out, he happens to see Huo Dongyang helping him out. It seems that he is explaining something.

Huo Dongyang saw Yun Yiyan and Shen Yang come out and nodded his head, "are you ready?"

"Well!" Yun Yiyan nodded and then introduced: "this is the president of HD. This is director Shen of SZ."

Huo Dongyang held out his hand, "director Shen, Hello!"

"Hello, President William. I've heard a lot about you. Today's very lucky to see real people!" Shen Yang's face is excited. This is the legend of HD. Today, he is really blessed by God and shakes hands with Huo Dongyang.

Yun Yiyan then said, "director Shen, we have something to deal with here, so we won't send you downstairs."

"It's OK. It's OK. It's OK. I can go by myself. You are all busy people. Go ahead and do it first Shenyang said with a smile.

Seeing Shen Yang leave, Huo Dongyang looks at Yun Yiyan and asks, "they should have given a lot of discounts there."

"Well!" Yun Yiyan replied. "Absolutely unexpected."

Huo Dongyang did not ask the specific situation, he looked at the time. "If you want to go together, you have to go now.""I'll clean it up."

Huo Dongyang drives Yun Yiyan back to Jiangwan villa.

As soon as he entered the door, he saw that Xia yueqian was also there. Yun Yiyan said, "brother, how can you be here?"

"Talk about the wedding. Of course I'll be there." Yuexia said with a smile.

Yun Yiyan frowned slightly. Isn't Yun Muxin talking about discussing with himself? But now it doesn't seem like that.

Qiao Wei saw Huo Dongyang and yunyiyan back, she went to Huo Dongyang's side, "Dongyang, Xiang Qing there seems to be something to look for you, has been to several times."

Huo Dongyang nodded, he stretched out his hand to support Qiao Wei's shoulder, "that side, you treat me, I'll come over when I go."

"Good!"

Huo Dongyang walked out of the yard and found a man in a Hooded Coat sneaking out of the fence. He walked over to Huo Dongyang and found it was a woman. Then she did not find herself standing behind her, but continued to watch the room with a telescope.

Huo Dongyang frowned. The woman seemed harmless, but he didn't like it.

"What are you doing here?" Huo Dongyang spoke coldly.

Hearing Huo Dongyang's voice, the woman was startled. She immediately raised her head, the woman's Sunglasses reflected Huo Dongyang's unhappy expression.

Huo Dongyang looked at the heavily armed woman in front of him, and soon Huo Dongyang saw who she was. "I didn't expect that the daughter of the Su family would also do these sneaky things. I really opened my eyes. "

When Su Molly heard Huo Dongyang's words, she knew she was recognized by him. She was in a low mood. She took off her Hoodie and her sunglasses.

"How do you know it's me?" For the first time, she felt like a failure.

Huo Dongyang raised the corner of his mouth, "because in addition to you, it seems that no woman has such courage."

"Does Huo always praise me or hurt me?" Su Moli asked, how she heard that Huo Dongyang belittled her.

"It depends on your understanding."

[Chapter 425](#)

Su Moli clenched her fist. Huo Dongyang was not easy to deal with.

Huo Dongyang smiles when he sees Su Molly's angry expression. "Are you here to inquire about Yi Yan?"

Su Moli is stunned and worried about being discovered more by Huo Dongyang. She immediately shook her head. "No, I just passed by."

"Is it?" Huo Dongyang's smile is bigger. "Miss Su, dressed like this, isn't she here to hide or to inquire about information?"

"No!" Su immediately denied it.

Huo Dongyang nodded after listening, "if not, then I will call the police."

"You Su Molly doesn't want to make a big deal, so she will be known by her father and grandfather.

Huo Dongyang took out his mobile phone and seemed to be calling. Su Molly immediately softened.

"Mr. Huo, don't call the police. I I'm here for information. "

"For the sake of Yun Yiyan, you really go out of your way." Huo Dongyang put away his mobile phone.

They stood, Huo Dongyang standing inside the fence, Su molli standing outside the fence, but it is obvious that Su Moli is not as strong as Huo Dongyang. She quickly lowered her head, "is it so obvious?"

"It's no longer obvious." Huo Dongyang replied.

Su Mo Li lowered her head and did not dare to speak out. "I want to know more about him."

Huo Dongyang saw Su Moli's appearance. How could he feel that Su Moli really cared about Yun Yiyan's affairs? It seemed that he had seen this situation for the third time, and every time she was chasing Yun Yiyan, she was getting farther and farther away. The first time was to catch up with the parking lot in the airport pick-up hall, and the second time was from XY gate to QW. This time, she went to her home again. It seems that she really did not give up.

Huo Dongyang stood up and his expression became serious. "Miss Su, I don't think you and Yiyan are compatible."

"Why!" This time Su Moli came to her spirits. She stared at her bright eyes and asked Huo Dongyang.

"There's no reason, but I don't think it's appropriate." Huo Dongyang replied.

Su Molly said angrily, "what is not suitable! We don't even have a start. How do you know we're not fit? And you are not Yun Yiyan. What qualifications do you have to make this decision for him?"

Su Molly's Refutation also makes Huo Dongyang feel lost for a moment. These words are so familiar! I'm really familiar with it. Let me be in that situation again. These words were also said to Qiao Wei in the hospital. On that day, they took the marriage certificate, and Qiao Wei was sent to the hospital because of his good health. It was also my first time with a woman and taking care of a woman.

Su Mo Li didn't notice Huo Dongyang's change. She went on to say, "please tell me a reason. Why do you think I'm not suitable for Yun Yiyan?"

Huo Dongyang answered Su Molly's question without proof, "so where do you think you are suitable for him?"

"I like him, and I will try my best to get Yun Yiyan back to me!" Su Molly said firmly.

Huo Dongyang saw so vigorous Su molli that he once again showed a smile. "Come on! If you succeed, maybe I will be your first backup

Su Moli didn't expect Huo Dongyang to say such a thing, so she was stunned and seemed to be digesting Huo Dongyang's words just now. Silent for a moment, Su Molly asked with uncertain tone: "so you don't object?"

"Yun Yiyan is not so easy to attack." Huo Dongyang replied. "If you want to know more about him, don't sneak in here and watch and listen. It's really disgusting."

"But I can't think of any other way. He doesn't seem to like me Su Moli has been hit by Yun Yiyan several times, and her mood is bound to be a little excited.

Huo Dongyang did not give Su Molly any hints or comfort her. "It's late. It's time for you to go back."

Su Molly is a person who can seize the opportunity, so she immediately asked, "what is the relationship between you and Yun Yiyan? Jovi is your wife

Huo Dongyang raised his eyebrows. "Miss Su, what do you want to say?"

"It's said that you and Jovi are married. Is it true that Qiao Wei is the ex-wife of Yun Yiyan?" Su Molly will not miss any chance to ask questions.

"Do you believe the rumor?" Huo Dongyang's face has made it clear that he does not want to continue this topic.

Su Mo Li also saw what Huo Dongyang meant, so she did not continue to ask. "Yesterday, Yun Yiyan said that he had remarried in the United States..."

Huo Dongyang hears Su Moli's words and quickly catches the point. Yun Yiyan saw Su Moli yesterday! Didn't Yun Yiyan say he was just talking about cooperation with Shen Yang? Or did you meet later?

However, as for Yun Yiyan's privacy, Huo Dongyang certainly won't talk too much and let Su Moli leave again. "It's late, Miss Su. It's time for you to go back."

Su Molly's face is lost. "Mr. Huo, do you believe in fate? I think Yun Yiyan and I are predestined. Three times a week. I've never had such a situation with a man. He's the first one!" Su Molly doesn't know why I said such a thing to Huo Dongyang naturally.

At this time, Yun Muxin came back from the outside. She heard the sound in the yard and went around to have a look. The result is Huo Dongyang and Su Mo Li.

"Uncle..." Yun Muxin called out.

Su Molly looks at the sudden appearance of cloud Mu Xin, also has a small surprise. This woman is the cover of the latest issue of fashion magazine. "You're Jessica?"

Yun Muxin nodded her head. She looked at Su Moli dressed strangely, and then asked Huo Dongyang. "Uncle, is this?"

"The pursuer of Yun Yiyan." Huo Dongyang replied.

Just finish saying, turn cloud Mu Xin one face surprised. "What? Second brother's suitor?" Cloud Mu Xin looked at Su Mo Li, who was much smaller than herself. She couldn't help saying, "do you like my second brother?"

Soon, Su Moli knew the identity of Yun Muxin. Jessica, her idol, was actually Yun Muxin, the younger sister of Yun Yiyan. It seems that each of these people is not a simple character! No, it should be said that these people are all characters!

Huo Dongyang didn't explain too much to Yun Muxin, so he left a sentence, "you talk, I still have something to do."

"Uncle! You just throw it to me?" Cloud mu heart called Huo Dongyang, but Huo Dongyang did not return.

Su Molly looks at Yun Mu Xin. "Are you Yun Yiyan's sister?"

Yun Muxin soon showed his own attitude. "Well, who are you?" It's not easy to chase her second brother. Of course, she has to pass this test, so yunmuxin's view on Su Moli is not the same.

Su Molly introduced herself immediately. "My name is Su Molly. You can call me Molly. I'm the daughter of the Su family in the south of the city. Although my family can't compare with the cloud family before, it doesn't look bad now. "

Hearing Su Moli's words, Yun Muxin feels that Su Moli is not an easy master to deal with. Can such a person be tolerated by the second brother?

[Chapter 426](#)

The two were silent for a while.

Yunmuring is thinking about Su Mo Li's affairs, and Su Mo Li is thinking about Yunmuring's affairs. Anyway, Yunmuring is the sister of Yunyiyan. Isn't that all that said? It is also a good breakthrough to start from the people around.

What is the relationship between Su Mo Li and his second brother? When did they know each other and what stage has it reached? Before the two brothers experienced the things of Jane LAN and QinHao, it seems that he should not start a new relationship so soon.

"How long do you know your second brother?" Yunmuring asked.

"A week." Sumberry replied.

Cloud Muring frowned. "A week?"

"Well, love at first sight!" "Said Sumberry, laughing.

"How old are you?" Yunmuring asked. Seeing Sumeria is not very big, it is a student.

Sumberry answered truthfully. "22, I am at my age of marriage. You can rest assured of this. "

"My second brother is 30 this year, and you are a little older." Answered Yunmuring.

Sumeria heard the meaning of Cloud admiring her heart. "Love is not age!"

"My second brother is not a man like you who can hold." Answered Yunmuring. "You'd better go home early!"

"Yunmuring, why do you think it is not suitable for me and Yunyiyan?"

"Feeling." Answered Yunmuring.

Yunmuring did not continue to talk to Sumeria, and turned to enter the room. Su Mo Li stood in place, all of her heart was not willing. The more they don't care about themselves and Yunyiyan, then she will prove that she and Yunyiyan are OK.

Sumberry knew she couldn't stay today. She was ready to go home after cleaning up. She will go back to make a long-term combat plan, and she must pursue Yunyi Yan.

In the living room, Yunyiyan is playing Hachi constantly, he is rubbing his nose with a paper towel. "What do you think of it?" asked Joe Wei, who sat next to him? Is it a cold? The weather is changing recently. Pay attention to your body. "

Yunyiyan shook his head. "I'm fine." I don't know what happened to me. My nose has been itching from just now on.

"Someone wants you!" The voice of cloud muring came.

Then they saw yunmuring coming in from the yard, carrying a bag of things in their hands.

"Moose, how do you come in from the yard?" Joe Wei stood up and went to pick up the things in yunmuring's hand.

Yunmuring let the sofa throw bag, she sat opposite yunyiyan, eyes have been staring at yunyiyan.

Xia yueqian sees the appearance of yunmuring, and feels something. "What, Yi Yan did the wrong thing?"

"Brother two, what's wrong with that Sumeria?" Yunmuring asked directly.

Yun Yiyan was shocked, and he didn't expect yunmuring to ask like this suddenly, and did not expect that yunmuring would know SUMARI.

Xia yueqian was listening to a fog. "What does it mean? What's Sumeria? " See cloud murxin did not answer, Xia yueqian looked at Xiang Yun Yi Yan, "the name of this girl?"

"Yes!" Yunmurxin replied. "I saw her in the yard just now. She said it was for your second brother. "

"For me?" Yunyiyan will really admire the patience of Sumeria, and actually come here.

"Well..." Then yunmuring also said all the situation just now.

After listening, the most exciting is Xia yueqian. "Yi Yan, I think this girl named sumali is good. It looks like a play! How do you look? How did you know that? "

Yunmurxin went on to say: "it's good to grow! What a wonderful age 22, plus Molly, some people are really named. "

"In that case, brother, you can think about it." Xia yueqian responded positively. Since QinHao and Jane LAN have also been married, then there should be a new start. Now someone is chasing his brother like this. He must clap his hands and say hello!

Looking at the warm Xia yueqian, Yun Yiyan is not very interested. "I can't do it with her."

"Why? Everything has to be known at the beginning. " Xia yueqian went on to say, "or will my brother check the situation of sumberry?"

"No." Yunyiyan shook his head. "If you pick up that day, I would not have met such a wonderful flower!"

"Wonderful flowers?" Xia yueqian heard this, suddenly, she was full of curiosity about this Sumeria. What kind of person is she? What yunmurxin said was that he said with yunyiyan, which seems not to be very like a person.

Yunyiyan doesn't want to continue the topic, so he also changed one: "don't you let me come to talk about the wedding? Say it! Where I need to cooperate. "

After entering the theme, Xia yueqian and Yunmulin also temporarily put the matter of Sumeria aside, and began to discuss the wedding with Yunyan.

At night. Yunyan also stayed at Jiangwan villa for dinner.

Xia yueqian secretly went to the study to find Huodongyang while others did not pay attention.

"You look a little sneaky." "Huo Dong Yang said, looking carefully in. Xia yueqian smiles and closes the door. "Hey, you found it."

"Say it

Xia yueqian goes to Huo Dongyang and sits down. "Huo Dongyang, can I trouble you

"What's wrong with the wedding?"

"It's not about the wedding. This is about my brother's lifelong happiness. " Xia yueqian replied.

Hearing this, Huo Dongyang understood. "You want to know about Sumeria?"

"It's Huo Dongyang. I can understand it."

Huo Dongyang leaned back in his chair. He looked at Xia yueqian and asked, "do you think they are possible?"

"Why not? There is no absolute Xia yueqian replied.

Huo Dongyang sighs, he turns out a document from the side and hands it to Xia yueqian. "Just watch it here. Don't take it out and don't tell anyone else."

Xia yueqian opens the document with Xiao Xu's doubts. When he sees the name of Su Moli, Xia yueqian smiles. "So you are ready."

Huo Dongyang did not say anything, his eyes fell on the computer screen, while moving the mouse to do his own things, while waiting for Xia yueqian to finish reading Su Moli's information.

In fact, he just got this one. When he saw Su Moli chasing QW that day, Huo Dongyang asked Xiang Qing to check Su Moli. I didn't expect that her deeds were more wonderful than they had seen.

Xia yueqian after reading, the whole person is also unavoidably some stupefied. Su Moli was once a bad girl?! It's so different from her background.

"Huo Dongyang, is this true?"

"The investigation is like this, the facts are not clear." Huo Dongyang replied. "I also heard that the Su family has been arranging a blind date for Su Moli recently, hoping that she will get married as soon as possible."

Xia yueqian is silent. Is it that the Su family wants to throw this hot potato out now, so that Su Moli can make a blind date?!

"Huo Dongyang, what do you think of this Sumerian?" Xia yueqian didn't get in touch with Su Moli, so it's not easy to make an evaluation.

Huo Dongyang thought of Su molli's appearance, "a small pepper."

[Chapter 427](#)

Huo Dongyang's words made Xia yueqian stupefied, then Xia yueqian chuckled and laughed.

"What? Pepper? " Xia yueqian can't help it. This is the first time he heard Huo Dongyang describe a woman like this.

Huo Dongyang looked at Xia yueqian who was laughing. He calmly asked, "isn't it?" For Huo Dongyang, he thinks this is the most appropriate description.

Pepper looks smooth and good-looking outside, but sometimes it's too hot to cut inside. Sometimes it's sweet if it's not spicy. Su Molly is just such a person, watching her do some of those things, a young lady went to the bar to mingle with those people, as if she had lived some uninhibited and indulgent days. But when she is quiet, she really looks like a daughter, which is not pretending.

I saw her Cosplay like that for the first time that day. Although it was not very good-looking, she was very confident and didn't show up at the airport like that. The second time I saw her, I was still a little surprised. The face without makeup really killed a lot of people. This is what a 22-year-old girl should have. But today saw her, her disposition that does not admit defeat the strength to come out.

Therefore, it is not groundless to describe her as a little pepper, and Huo Dongyang even thinks that Su Moli has a lot of things to explore. This chilli like Sammy must have a strong sauce.

See Huo Dongyang in trance, Xia yueqian also put away his smile. It seems that he is going to meet the daughter of the Su family for a while. Xia yueqian asked: "Huo Dongyang, do you think it is possible for her and Yun Yiyan?"

"You have to ask Yun Yiyan about this." Huo Dongyang replied. Or maybe Su Molly's words still linger in my ears, and Huo Dongyang didn't die this time. Because there is no absolute in this world, the relative is to see whether Su Mo Li and Yun Yi Yan are suitable.

Xia yueqian understood what Huo Dongyang meant, so he did not continue to ask. Yes, all the problems now lie in Yun Yiyan. If he doesn't want to, it's useless for anyone to say so.

Xia yueqian comes out of Huo Dongyang's room and just meets Qiao Wei, who delivers snacks to Huo Dongyang. Qiao Wei looks at Xia yueqian, "talk over?"

"Nothing to talk about." Xia yueqian replied. "You go in!"

"Yi Yan left first."

"OK." Xia yueqian nodded. It was estimated that his brother was worried about asking him, so he withdrew quickly.

Xia yueqian did not delay for too long, but also prepared to go back. Cloud Mu Xin sent Xia yueqian out, "you go back to be careful."

Cloud Mu Xin called a car to Xia yueqian, but before the car arrived, they stood at the door waiting.

Looking at cloud Mu Xin has been silent, Xia yueqian reaches for her arms. "What are you thinking?"

"About the second brother." Cloud Mu Xin answers.

"Well It seems that I have no place in your heart. " Xia yueqian pretends to be very sad.

Yun Muxin hit him with his elbow. What kind of vinegar are you eating

"Isn't it? Is it reasonable for you to say that you are thinking of other men in front of your fiancée? " Xia yueqian continued, but with a little sadness on his face.

Yun Muxin heard Xia yueqian's words and pushed him away. "What do you mean by that?"

"What can I mean?" Xia yueqian replied. "Just jealous."

Yun Muxin looks discontented and looks at Xia yueqian. "How about being childish? If you go on like this, I'll reconsider marrying you

Xia yueqian heard Yun Muxin's words and immediately became nervous, "Mu Xin, you can't go back on this matter! And now many people have received our invitation. If you don't get married, the consequences are very serious. "

"What's the matter! At that time, in order to make you feel better, just say you don't want me. I'm the one to lose face like this. " Cloud Mu Xin calmly answers, just like a person who is OK.

Xia yueqian sees cloud Mu Xin's appearance, he is anxious. If Yun Muxin doesn't marry himself, what should he do? That's not going to work! Xia yueqian grabs Yun Muxin's hand immediately. "Mu Xin, I am wrong!"

Cloud Mu Xin coldly looked at Xia yueqian, "OK! In terms of your positive attitude, I take back what I said. You are not allowed to say such words in the future. The second brother is my relative and your brother. I am sure I will always care about his affairs. "

Xia yueqian nodded. "Yes, I was wrong. I will also care about my brother when I go back

"That's right." Yun Muxin finally showed a smile.

The time was just right and the car had already arrived.

Xia yueqian reluctantly looked at cloud Mu Xin, "I want to go back to me, don't you do something?"

Yun Mu Xin looked at Xia yueqian with his hands around his chest, "what do you do? Go back now

Xia yueqian's face lost and opened the door, "then I'll go back."

"Well! Goodbye Yun Muxin waves to Xia yueqian.

Xia yueqian, who was in the car, lowered the window. He was always reluctant. He put his head out. "Mu Xin, I forgot to tell you one thing." Muxin walks to the window and bends her waist. "What's the matter?"

Seeing this, Xia yueqian pecked at Yun Muxin's lip. Looking at the stunned cloud, Xia yueqian said with a smile, "why do you want that little welfare before you go. I'm gone, my fiancée

When the car drove away, Yun Muxin reacted. She was played by Xia yueqian again, but think about it. They're going to get married anyway, and these things are very common.

Back in the house.

Yun Muxin saw Huo Dongyang sitting in the living room watching TV.

"Uncle..."

"Xia yueqian left?"

Yun Muxin nodded, then went to the sofa and sat down. "Uncle, that Sammy..."

Huo Dongyang takes a look at Yun Muxin. "You want to know? Didn't Xia yueqian tell you just now? "

Cloud Mu Xin shakes his head, obviously also don't know what happened. "What?"

Huo Dongyang turned his attention to TV again, and he said a careless remark. "Some things, let him go with the flow."

When Yun Muxin heard this, he did not ask. It seems that Xia yueqian went to the study to find his uncle just now. He was not talking about the wedding, but about the second brother and Su Moli. Go and ask him tomorrow.

The next morning, the Su family.

Su Molly sits at the table eating breakfast with a big panda eye.

Su Weiming saw it and said with heartache, "jasmine, did you review so late last night?"

"Well..." So Molly coped. In fact, she studies the relationship between the Yuns and Huo Dongyang all night, which is a big mystery.

Su Weiming saw that Su Moli's spirit was not good, and then he said, "Molly, if you're not in good spirits, you'd better go to sleep later. Let's reschedule our appointment with Zhou Tao today! It's not good for you to go out like this. "

Su Molly heard Su Weiming's reminder that she had an appointment with Zhou Tao today. She also raised her spirits and said, "no, he's very busy, so don't change things. I'll put on a mask for a while, then I can put on a makeup.

[Chapter 428](#)

After breakfast.

Su Molly went back to her room to clean herself up. Yu Guang saw a picture of Yun Yiyan on her iPad. Su Molly stops her movements and reaches for the iPad.

"Yun Yiyan, wait for me." Su Moli looks at the picture of Yun Yiyan. She will certainly find a way to break through, because she has already made a long-term operational plan.

Su Moli comes to the place appointed by Zhou Tao. This time, she specially requests to come to the city center, which is close to the place where Yun Yiyan works. Maybe she can meet Yun Yiyan by chance.

When Su Moli arrived, Zhou Tao had already arrived. He sat in his seat reading a magazine, and Su Molly walked over in high heels. "Sorry, I'm late."

Zhou Tao put down the magazine. He looked up at Su molli. "Women can be forgiven for being late."

Su Mo Li is too lazy to explain why she is late. She sits down and sees Zhou Tao without anything. "Don't you order?"

"No. Anyway, I'm going to have dinner with her later Zhou Tao replied.

Su Moli is really depressed. She has become a shield for Zhou Tao and her girlfriend. However, this is also his promise before, so go to also insist on. "Well! For the sake of master Zhou's happiness, I'll go out of my way. But I'm going to eat. I've got a stomach. "

"Yes, you can order whatever you want." Zhou Tao said generously.

"OK! I won't be polite to you Su Molly nodded her head, thinking about the situation, she didn't have to pay for it.

Zhou Tao was surprised to see Su Moli ordering a table of food. "You eat so much alone?"

"I'm hungry. I must eat it." Su Molly replied.

Zhou Tao looks at Su Moli. She is really a woman with character. She doesn't hide herself at all. Last time, after she made such a request, she actually agreed, which is really surprising.

During the blind date that day, Zhou Tao was also holding the mentality of trying to make a request with Su Moli. He loves his girlfriend very much, but under the pressure of his family, he has to make a blind date with Su Molly. Although Su Molly is a beauty, he still has to be loyal to his girlfriend.

So he suggested that he would ask Su Molly out every week, but he was actually dating his girlfriend. Because only in this way, grandfather will not interfere with him. But I didn't expect that Su Moli would agree to help herself. It seems that she was forced to make a blind date. In this way, the two men also have a common purpose, each to cover for each other.

Zhou Tao looks at Su Moli eating something regardless of her image. He reaches out to Su Moli and hands her a tissue. "Slow down, no one."

"You really don't eat. The food in this restaurant is really good." Said Su Molly.

"No. I have ten minutes to go. " Zhou Tao looked at the time and said.

"Well, I'll take care of myself." Su Molly replied. She also plans to continue lurking near XY after a good meal. Let's see if we can dig up some new news today.

When she looks at Zhou Mo Tao, she thinks that she is very cute. If you don't have a girlfriend, maybe you will consider her. It's just a pity that I already have my own heart. I hope she will find him in the near future.

Ten minutes later, Zhou Tao received a call from his girlfriend and left in a hurry.

Su Molly sat on her seat eating alone, looking a little lonely. She has to keep replenishing her strength, or she won't be strong for a while. Because the road of chasing Yun Yiyan is really long and hard.

After su Molly finished eating, it was time for the restaurant to order, and there were more people in the restaurant. She looked around, thinking not to take a place. She asked the waiter to pay the bill. Zhou Tao walked so quickly that he would forget to pay the bill. But I was told that it had been settled.

Thinking of Zhou Tao is also enough meaning, anxious to leave also did not forget to pay the bill. Su Mo Li put away her purse. Anyway, he asked him out. This treat must be a treat, otherwise it would be really stingy.

When Su Molly leaves the restaurant, the waiter goes to the screen where Su Molly was sitting.

"Mr. Yun has dealt with it."

Yun Yiyan nodded, then lowered his head to deal with his own affairs.

In fact, Yun Yiyan has been sitting beside Su Moli, but there is a screen between them. Su Moli doesn't find out. He heard all the conversation between Su Moli and Zhou Tao just now. It's just that Yun Yiyan didn't expect Su Moli to do such a thing. She actually covered for others. Knowing that Zhou Tao is in a hurry to leave, he looks at Su Moli who is eating alone through the gap. He doesn't know which tendon is wrong and will pay for her. Or look at her is also alone, and their own very similar, so from the compassion bar!

After a while, Yun Yiyan sat down in front of him.

He looked up at Yun Muxin, who had just sat down. "Here it is."

"Second brother, have you been waiting for a long time?" Yun Muxin sees that the cup of coffee in front of Yun Yiyan is already cold.

"Well, some time." Yun Yiyan nods. "What to eat." Yun Muxin receives yunyiyan's meal list and orders a few at random.

"In the afternoon, my uncle will come to the company."

Yun Yiyan nods. "I heard that in the morning."

After all, Huo Dongyang will come to the meeting in the afternoon. They dare not be careless, and Huo Dongyang doesn't like people who will be late. This time is also the first time yunmuxin as vice president hand in the report card, so she is very nervous.

Yun Muxin takes Yun Yiyan's arm back to XY. Because Yun Muxin has a pair of sunglasses. It's a good match to stand up with Yun Yiyan. Of course, all this is Su Molly sitting in an open-air Cafe downstairs XY to see the picture.

Su Moli's heart suddenly fills, is this woman Yun Yiyan's woman? The woman who said she remarried in America?! It really makes people feel jealous. Although I can't see her appearance clearly, her figure is really good. Every proportion is the standard of a model. The hateful thing is that this woman is a little taller than herself, and that pair of long legs is good-looking.

Su Moli thinks her body proportion is also very good, if she is taller, she would be perfect. However, Su Molly also comforts herself that the woman is not very good-looking or has a good figure. She stares at the hand holding Yun Yiyan, and her eyes are full of jealousy.

And it seems that the women at the front desk are very polite to Yun Yiyan and the woman. They really look like the wife of the chairman. Su Moli bit her lips and watched with anger as they walked into the elevator.

Less than 10 minutes later, Su Molly sees another familiar figure, that is Huo Dongyang. He's here, too! It seems that there are big moves today. Seeing his steps, there should be something urgent.

When Su Molly is going to continue to crouch, she sees two women in formal clothes coming in. Su Molly heard their conversation and knew that they were Yun Yiyan's assistants, and that they had come to buy coffee and said they would have a meeting later.

Su Molly heard these words, her eyes turned, an idea suddenly jumped into her heart, she showed a satisfied smile.

[Chapter 429](#)

Conference Room.

Everyone is waiting for the meeting to begin. Today, Yun Yiyan said very generously that he would invite everyone to have coffee. Everyone is waiting for the coffee.

Huo Dongyang put down a cup of tea in front of him, which seems to have become the symbol of Huo Dongyang. Huo Dongyang looked at the tea in front of him, said thank you, and immediately looked down at the document in his hand.

Yun Muxin stood on the other side, also very nervous. This time, Yun Yiyan helped a lot in this case secretly. Otherwise, she would not be able to do it on her own. She quit her modeling job and went into XY mode. Therefore, I also hope to be affirmed by Huo Dongyang.

Or is aware of cloud Mu Xin's tension, Huo Dongyang opens his mouth. "Sit down! You're standing here, and I can't concentrate

"Oh Yun Muxin immediately sat down.

Huo Dongyang's eyes did not move away from the document, he went on to say. "Yi Yan, how long is your coffee coming?"

Huo Dongyang is actually reminding him that it is time for the meeting to start quickly. Yun Yiyan immediately replied, "wait a minute."

"I hope you haven't paid for your coffee this time." Huo Dongyang replied.

Yun Yiyan is said by Huo Dongyang. Of course, there is something unnatural on his face. How can a smart person like Huo Dongyang not know! He really wants to please others today. After all, this is also the first case of Yun Muxin. As a brother, he wants to give his sister some support, so he hopes that everyone will give some face at the meeting.

Three minutes later.

Two assistants came in with a coffee shop attendant.

"Here comes Yundong coffee."

"Put it down!" Yun Yiyan replied.

In an instant, the conference room was filled with the smell of coffee.

Then everyone sat down and looked at the coffee that had been ordered. Everyone had a smile on their faces. Yun Yiyan also sat down in his seat, and his cup of coffee was painted with a love. Yun Yiyan frowned. But he saw on the cup that he did order his own American coffee.

But the love on that cup is really eye-catching. He knows that what Yun Mu Xin ordered is the same, so he changed it with Yun Mu Xin.

Cloud Mu Xin saw this suddenly changed coffee, she asked in a low voice: "what's the matter?"

"It's nothing. I suddenly think your drink is good." Yun Yiyan replied.

Yun Muxin's attention did not continue to focus on this, she looked at her words to speak later.

All of these were seen by the waiter with a hat, and she was angry. Finally, he had a chance to draw a love on the coffee cup ordered by Yun Yiyan. As a result, he changed it to Yun Muxin beside him.

"The meeting will begin soon." Yun Yiyan said.

The two assistants also put all the coffee in the position of everyone attending the meeting. Because of this, the actions of the waiters are also fast, and the results also lead to problems.

"Your coffee!" The waiter put a cup of coffee in front of Huo Dongyang.

Huo Dongyang looked at the coffee in front of him. He raised his head, and his eyes just passed the face under the hat. Huo Dongyang took another look and seemed to want to confirm whether he had identified the wrong person.

Yes, the waiter in the hat is Su Molly's disguise. When she heard that Yun Yiyan needed coffee for a meeting, she paid the store manager to send her coffee in order to come and see Yun Yiyan. Or she really met a greedy boss and really agreed.

So she quickly changed her clothes and followed Yun Yiyan's two assistants. When she knew that Yunyiyan ordered American coffee, she specially drew a love on the cup of coffee and wanted to give it to him in person. It's all going well. However, Yun Yiyan was ungrateful and changed his coffee.

Or just because I think about it, I also have some mind. So Su Mo Li also forgot what her assistant said just now. Huo Dongyang doesn't drink coffee. Just as Su Molly is about to turn around, Huo Dongyang opens his mouth. "Wait a minute!"

Huo Dongyang's voice also made everyone quiet down, and their eyes were focused on Huo Dongyang.

Su Molly's heart also raised, what is the situation. She closed her eyes and was ready to brave out. Obviously Huo Dongyang won't let her say, "your coffee is misplaced."

At this time, everyone held their breath, and the problem came.

Su Molly felt a chill in her back. She pressed her hat lower. She swallowed nervously, and some cold sweat appeared on her forehead. As soon as Huo Dongyang said that, she knew she had made a fatal mistake.

Yun Yiyan's assistant quickly stepped forward to rescue him, "Mr. Huo, I'm sorry! This coffee belongs to Director Chen. " With that, take the coffee away.

Su Moli stood with her back to Huo Dongyang. She was in a dilemma. She did not dare to move. Afraid that she might make any mistakes again, she said in a low voice. "I'm sorry!"

"Are you new here?" Huo Dongyang then asked."Yes." Su Molly nodded immediately.

Huo Dongyang raised the corner of his mouth, "the new comer doesn't blame you, but next time you should pay attention."

"Yes Just as Su Molly was about to breathe a sigh of relief, Huo Dongyang answered. "Didn't your store manager tell you to greet customers positively and with a smile?"

Su Molly's heart thumped. It was terrible. Will not really be Huo Dongyang to see what end Ni to it! But now, if you don't turn around, you'll go through the whole thing. Su Molly thought she was dead. She lowered her head and turned to Huo Dongyang, and lowered her head lower.

"Mr. Huo, I'm sorry! I'm wrong. Please don't mind

Others thought Huo Dongyang was angry and spoke for Su molli, a fake waiter. "Mr. Huo, this man is also a new comer. Don't worry about it."

"Yes! Mr. Huo, when everyone is wrong, forgive her once. "

"Other people also work, life is not easy."

Seeing someone pleading for Su Molly one after another, Huo Dongyang raised an eyebrow, "what are you so nervous about? I didn't say anything! "

At this time, Yun Yiyan stood up.

"Well, you go out first! Don't delay the meeting any more. " Yun Yiyan opens his mouth.

Su Moli lowered her head, but she was grateful to Yun Yiyan for coming forward at this time. She was also moved. We can see that he is a person who will take the overall situation into consideration, so the cloud chairman is not made for nothing.

Huo Dongyang takes a meaningful look at Yun Yiyan, and he shows a smile. "Well, since chairman Yun has spoken, you all go out!"

Su Mo Li quickly took away all the bags and boxes on the table. Just as Su Mo Li stepped out of the meeting with one foot, Huo Dongyang spoke again, and this sentence was to Su Moli: "Miss Su, it's hard for you today."

As soon as the words came out, Yun Yiyan was stunned.

It turns out that Huo Dongyang's smile just now means that?! He looked back at the figure who had come to the door. So the woman who makes mistakes is Su Molly! Otherwise, I can't think of any Miss Su who will be called out by Huo Dongyang.

Su Molly was stunned when she heard Huo Dongyang calling herself. At this time, she can only die. "Mr. Huo, you have the wrong person."

Huo Dongyang saw that Su Moli refused to admit and did not continue to dismantle the stage. He said, "let's have a meeting."

Su Moli also disappeared at the fastest speed, thinking that Huo Dongyang was really a dangerous person. He even recognized it! Su Molly left without even taking the money, because she couldn't stay here for a long time.

In the conference room.

The meeting began, but some people seemed absent-minded. This person is Yun Yiyan. It seems that he didn't expect Su Moli to be so brave as to dress up as a waiter. What does she want to do! She didn't leave after dinner. How could she suddenly appear here? **NOVELUSb.COM**

In this way, Yun Yiyan also missed Yun Muxin's speech. When Huo Dongyang opened his mouth, he asked, "does the chairman add anything?"

At this time, Yun Yiyan came back to his senses. He immediately stabilized his mind. Fortunately, he heard Huo Dongyang's question in his ear just now, and then he added his own opinions.

Dong Yi Yang didn't think that he had such an effect on Mo Yi Yun before he saw him. That's why I asked him. Fortunately, he didn't make a fool of himself.

After the meeting, Huo Dongyang left Yun Yiyan alone.

"I know what you're asking." Yun Yiyan spoke first.

Huo Dongyang smiles. "You know?"

"Today, I really didn't know that Su Molly would be so bold to come in." Yun Yiyan replied.

Huo Dongyang smiles and shakes his head. "I'm not talking about it. I'm trying to say that next time you don't help Mu Xin so obviously, but let her exercise herself."

Yun Yiyan thinks that Huo Dongyang is intentional, so he turns a corner to talk about Yun Muxin. As expected, he is an old fox, cunning!

Huo Dongyang looks at Yun Yiyan, and his smile gets deeper. "Or would you like to talk to me about Su Molly now? Why is she here today? You really don't know about it? "

Yun Yiyan nods. "I really don't know! Believe it or not. "

"But I think she is so brave that you can control such a person?" Huo Dongyang then asked.

"Why can't I control it?" Yun Yiyan is very natural to answer, but after saying that, Huo Dongyang digs a pit to jump for himself, so he immediately adds a sentence. "She and I can't be!"

Huo Dongyang saw that Yun Yiyan was a little angry, he also continued. "Well! In that case, don't give hope. This time I'm pretending to be a waiter. What about next time? I think she really made everything "Pepper?"

"I call her. It's called jasmine, but it doesn't look like jasmine at all. So I think pepper suits her better. "

When Yun Yiyan heard Huo Dongyang's description, he really felt it was very appropriate. This Sumeria is really like hot pepper. It's hot enough! Both personality and people are the same as pepper.

Huo Dongyang looked at the time, "I'm going back. Today, my grandfather and grandmother went out to play, and Qiao Wei was alone at home with the children. "

"Well!" Yun Yiyan nods.

When Huo Dongyang was ready to get on the bus, he was stopped

Huo Dongyang looks back and sees Su Moli who has changed back her clothes. "I'm not mistaken, am I?"

Su Molly looks embarrassed. "No

"Something?" Huo Dongyang asked.

Su Molly hesitated for a moment. "Can I talk to you?"

Huo Dongyang nods. "Yes, get in the car."

When Su Molly saw Huo Dongyang open the door, she also had a trace of fear in her heart. She worried that Huo Dongyang would do something to herself, but for the sake of Yun Yiyan, she could not let herself shrink back.

After getting on the bus, Su Molly found that there was a driver in the car, which she estimated was really unable to run away. Looking at the moment the door closed, her heart also followed a shudder. Huo Dongyang directly sat down in the co pilot's seat, "go home."

"Yes, boss!" Xiang Qing nodded.

Su Molly was relieved to hear the word home. Just now I was thinking about where Huo Dongyang was going to take him? If you go home, you don't have to worry about it. After all, there are women and children in this family. How to say that Huo Dongyang would not block his wife and children.

"Miss Su, don't be so nervous. I won't do anything to you. " Huo Dongyang opens his mouth. "I think it's time to give you a chance to explain, for the sake of risking a lot of XY today."

Xiang Qing smiles. "It seems that Miss Su is really going out for Yun Yiyan. This is also the same as the elder sister who was not afraid of the ground that day. She is very brave and colorfulSu Moli's face turns white. It seems that Huo Dongyang has investigated herself and won't let the driver say so. "You investigate me?"

"Why isn't Miss Su also investigating us?" Huo Dongyang asked.

So Molly clenched her hand. "You all know that."

"Of course." Huo Dongyang replied.

Then there was a silence in the car. No one spoke. This state has been maintained until Jiangwan villa.

"Boss, here we are." Xiang Qing said.

Huo Dongyang opened his eyes. "Miss Su, if you have something to say, just go in and say it."

Knowing that Huo Dongyang came back, Qiao Wei was waiting at the door. When she saw Huo Dongyang enter the door, she just wanted to talk and saw Su Moli behind Huo Dongyang.

"This..."

"There are guests at home today." Huo Dongyang replied.

Joe nodded. "Welcome home, Miss Su."

Su Molly saw Qiao Wei at such a close distance for the first time. She had seen Qiao Wei's photos before. Although those photos were not very clear, she could still see Qiao Wei's appearance, "you are Qiaowei!"

Joe nodded. "Yes, I am Jovi."

Su Mo Li didn't expect Qiao Wei to admit, "are you Yun Yiyan's ex-wife?"

"Miss Su is going to stand at the door and ask everything clearly?" Huo Dongyang added.

After su Molly sat down in the living room, she saw Huo yunxun and Huo yunnuan playing in the living room. Both children are so cute, and they are very good-looking.

"What does Miss Su like to drink?"

"I can do anything."

After a while, Qiao Wei poured a cup of flower tea for Su Molly.

Huo Dongyang also changed his clothes. He went to the front of the children and picked them up. "Well, you two are ready to eat."

Then she carried them to the dining room and prepared to let sister Juan feed them.

Su Molly looked at these things with envy in her heart. It's good to think about myself in the future. When Huo Dongyang sits down again, Su Moli just closes her envious eyes. "Mr. Huo is really happy."

"In fact, you want to say that I stole this happiness back!"
