

Warm Wife 431

[Chapter 431](#)

Su Molly was also pressed by Huo Dongyang's sudden words. She opened her mouth and didn't say anything at once.

Huo Dongyang saw Su Molly's appearance, but did not expect her to have such an expression. It doesn't seem that everything is just like that. She is also a little confused.

"Why don't you talk?" Huo Dongyang then asked.

"I can't answer that." Su Molly answered truthfully.

Huo Dongyang picked up the cup on the table and drank a sip of water. "What do you want to talk to me today?"

"I'm not sure you'll answer my question." Said Su Molly.

Huo Dongyang really laughed after listening to Su Moli's words. "That's true."

Even so, Su Moli still wants to ask, "what is the relationship between you and Yun Yiyan? Is Qiao Wei the ex-wife of Yun Yiyan? "

Huo Dongyang's eyes became sharper than before. "Now even Yun Yiyan doesn't dare to say such a thing in front of me. You really asked directly. "

Hearing Huo Dongyang's words, Su Moli's heart also has a bottom. It seems that the rumors are true. Huo Dongyang really married Qiao Wei, so Yun Yiyan was abandoned. Thinking of this, Su Moli feels that Yun Yiyan is really pathetic, but she doesn't understand why Yun Yiyan is taking over the job at Huo Dongyang?

"You look like you have a lot of problems." Huo Dongyang continued.

"Yes, I have a lot of problems." Su Molly nods. "But I know that's not something I can ask more about."

"Smart!" Huo Dongyang replied. "But I can also tell you one thing. Yun Yiyan is not the one who was abandoned."

Su Mo Li frowns, seems not to believe Huo Dongyang's words, her heart still has a lot of problems. Su Moli hesitated for a moment, "Mr. Huo, what is the relationship between you and the cloud family?"

Su Mo Li is eager to know about this problem. She can see that their relationship is special, such as the relationship between relatives and subordinates.

"Uncle, auntie, I'm back, too." Yun Muxin's voice came from the door.

Huo Dongyang takes a look at Su molli, and her question Yun Muxin has answered for him. "Mu Xin is back."

In less than a minute, Su Molly saw Yun Muxin enter the living room, "uncle, I'm today..." Cloud Mu Xin's words begin with a sudden stop when seeing Su Mo Li.

"This is..."

"Sammy."

Hearing the name, Yun Muxin immediately went to Su Moli's face, and then carefully looked at her, "you are su molli, it's not the same as you imagined."

Molly looks at the woman wearing this dress at noon. It seems that she is wearing this suit. When she went to the meeting room in the afternoon, she was too nervous to look around. She heard that the assistant said that the vice president was sitting next to Yun Yiyan, and that would not have the spirit to pay attention to other things.

At noon, the mystery that has been left in my heart has been solved. Fortunately, she is not a woman of Yun Yiyan, so she is also at ease. This also proves that Yun Yiyan lied. He has no women at all. Thinking of this, Su Molly also showed a relaxed smile. "Hello, Jessica!"

"Jessica's gone. You can call me by my name Yun Muxin replied, after all, she is no longer a model now. The cover of that magazine is also my own collection.

"Hello, Miss Yun." Su Molly changed her name.

Yun Muxin sits down next to Huo Dongyang. She continues to look at Su Moli. She looks really good.

"Miss Su, we are really impressed today."

Su Mo Li's smile is also a little stiff, if it was not for Huo Dongyang, she would not have made a fool of herself, which was a mistake.

"Why are you here?" Yun Muxin continued to ask.

"I brought it back." Huo Dongyang replied. "Miss Su said she wanted to talk to me about something."

Cloud Mu Xin frowns, she is also straight, "heard that you like my second brother!"

"Yes Su Mo Li nods to admit.

"There are so many people who want to pursue my second brother. Do you think you are outstanding in any respect?" Yun Muxin then asked.

Huo Dongyang took a look at the serious cloud Mu Xin, thinking that he was a little redundant here, he stood up. "I'm going to see the kids and you talk."

Su Molly immediately called Huo Dongyang, "Mr. Huo, you have not answered my question."

Huo Dongyang pointed to cloud Mu Xin. "In fact, she has already answered."

"Uncle, go ahead and I'll take care of it." Yun Muxin borrows Huo Dongyang's words.

"OK!"

Su Molly this is really listen to the meaning of this uncle, she still looked at the cloud with some doubts, "uncle?! Is he your uncle? What kind of uncle

"Uncle!" Cloud Mu Xin answers. "My dad's brother."

Su Molly seems to have been struck by lightning, and the whole person is fixed. At the beginning, she thought that Yun Muxin was calling for fun, but she didn't expect there was such a relationship between them. They are nephews and uncles. "So yunyiyan and huodongyang are also..."

Cloud murmuring nodded. "In theory." Yunmurin will not be able to explode so many things at home at this time.

Sumberry finally understood it, so now it all works. It's just that she doesn't understand a little. "That Joe Wei is..."

"My aunt."

"Isn't she the ex-wife of yunyiyan?"

Yunmuri squinted her eyes, and it seems that she did check a lot of things. This matter is a fan in the eyes of outsiders. But she still has some persistent desire to know this is really strange. "This is our family business."

Yunmurin means a secret that can not be said, and sumberry thought and asked. "Is that yunyiyan married now?"

"No!" Yunmurin shook his head with certainty.

This answer is the best news for Sumeria! She is also lazy to manage any ex-wife or relationship. As long as yunyiyan is not married, it is a gift for herself.

Seeing the excitement of SUMARI, yunmurin also had some problems. This Sumeria really likes her second brother. Doesn't it mean she only met for a week? Is the feeling so deep?

"It seems that you really like my second brother."

"Well! I have vowed to pursue yunyiyan before." Sumberry replied. "As long as he is not married, I have a chance!"

Cloud murxin looks at the vigorous Su Mo Li, and feels that she is young and ignorant, but such active people do not seem to be the type that brother 2 likes.

"Have a good chat!" Joe Wei brings the cake she likes to eat for yunmuring.

Seeing the cake that he likes to eat, yunmurin immediately forgot sumberry. "Aunt, I love you the most."

"Would you like to have a little more, Miss Su?" "Said Joe softly.

Sumeria can not say anything to such a woman. It is not like a woman with a mind. What is her story with yunyiyan?

[Chapter 432](#)

Qiao Wei also cut a piece of cake for Su Molly and put it in front of her.

"We have a little late for dinner. Let's eat something to cushion our stomach." Said Joe, smiling.

Su Molly looks at Qiao Wei's appearance, suddenly feels as if has the mother's feeling. Her eyes suddenly red, her mother has been gone for so many years, and she has not felt like this for many years, but today she found it in Qiao Wei's body.

Su Mo Li quickly shakes her head, because this kind of difference is too big. How could she be like her mother?! It's like two people. This is not linked to go together.

"This cake is delicious. You can really try it." Qiao Wei looked at Su Molly and lost his mind, so he also said.

Seeing that Su Moli is ungrateful, Yun Mu Xin is unwilling. "So Molly, aunt is talking to you! Give me a reaction. "

Su Mo Li recollects, she also does not want to let them see through her mind, she also puts on her own high posture, "I do not eat everything."

Cloud Mu Xin was angry, "hum, don't eat if you don't eat, and I don't want to share it with you! Auntie, take care of it! I'm a night snack. "

Qiao Wei smiles, "people who want to get married are still like a child. What should you do when you get to Xia's house like this? "

"I'm just like this, Xia yueqian knows. If they can't accept it, I'll go home. Anyway, I'm afraid of my uncle Yun Mu Xin Hui.

"You! It's just that you like to talk ironically Replied Jovi.

Qiao Wei put the rest of the cake away, "you eat slowly, I'll go to the kitchen to see how Dongyang's food is doing."

"Auntie, I'll help you later." Yun Muxin said.

"Well, when you finish the cake." Jovi went to the kitchen with the cake.

Su Molly sees the interaction between Yun Muxin and Qiao Wei, and can see that their relationship is harmonious and the family is also happy. The Su family used to have such an atmosphere, but since the death of her mother, there has been no such atmosphere.

Su Molly envied her, but she said something else. "The old sister-in-law has become an aunt now. Don't you feel sick to call that? But I think it's very pleasant

Cloud Mu Xin heard this, just down the gas again. "If you don't understand, don't judge my family. Once I was as disrespectful as you. I never called her sister-in-law. I called her by her first name, and my attitude towards her was very bad. But I don't feel sick now

Su Mo Li didn't want to hit cloud Mu Xin to say such words, but she also had a different feeling in her heart. Yun Muxin continued: "two years ago, Yun Muxin was the third miss of the cloud family who had no rules at all. But now I am just Yun Muxin, a person who only wants to be warm in an ordinary family. Everything I have now is given to me by my uncle, so I don't allow others to say that my uncle and aunt are not. "

Yun Muxin's words also speak of Su Molly's heart. In fact, her heart also yearns for family warmth. She also hopes that she can have a warm home! Today, Yun Mu Xin's words arouse his reverie about the future.

Seeing some sadness on Su Molly's face, Yun Mu Xin seems to have seen himself in the past. What's wrong with this Sammy? Just now, the combat effectiveness was full. Now the combat gift seems to be zero. "Are you all right?"

Su Molly shook her head and then changed the topic, or she might cry. "I'm fine. What about Yun Yiyan? Does he live here, too?"

If Yun Yiyan also lives here, how hard will he feel in his heart? How strong is it that he can watch his ex-wife and his uncle show love. Even if there is no emotion, but this picture is also exciting.

"My second brother doesn't live here. He has a place of his own. " Cloud Mu Xin answers.

"In fact, Yun Yiyan should be very lonely! There is no one around who can say the truth. Doesn't he hate it

"Hate it!" Cloud Mu Xin answers. "But as it is, time will erase them. Everything will be OK. "

Su Moli frowned, "yunyiyan also want to call uncle and aunt?" As long as she thinks of this, Su Moli is very distressed by Yun Yiyan. Such a relationship also makes me feel embarrassed!

Cloud Mu Xin a smile, "do not use!"

Su Moli seems to find it hard to believe, no?! Can Yun Yiyan really do this? Anyway, that's his uncle.

"Our relationship is not as simple as you think." Cloud Mu Xin answers. "If you can't accept these words, please don't keep pestering my second brother."

Su Molly felt unconvinced. "Don't you want to see Yun Yiyan happy?"

"It's hard to make my second brother happy just like you are now." Yun Muxin is straightforward.

"Mu Xin, you can eat." Qiao Wei voice interrupts, two people want to each other angry.

Hearing that they were going to eat, Su Molly picked up her bag and was ready to go home. "Since you are going to eat, I will go back first."

Cloud Mu Xin looks at Yun Mu Xin to go, some doubts. "Are you going back? No more meals?"

"I didn't say I wanted to eat here." Su Molly replied. "But my uncle should want you to stay for dinner and take you home. This is not everyone's welfare! " Yun Muxin said with his hands around his chest.

Su Molly had no idea that there was such a meaning in it, "let me stay for dinner?"

Yun Mu Xin nodded, "although I don't want to have dinner with you, this is what uncle means. I don't know what to say. I advise you not to be ungrateful. My fiance doesn't have such welfare sometimes, so you should know how to cherish it

Yun Muxin's words make su Moli completely in the state, Huo Dongyang let himself stay for dinner!? What exactly does this mean? Does he identify with himself? Or does he mean something else?

Qiao Wei sees cloud Mu Xin and Su Mo Li to dining room tardy, come out personally to call: "eat, how still stand here?"

Yun Muxin glances at Su Molly. "Auntie, they're going back. We'll eat by ourselves."

Qiao Wei heard Yun Mu Xin's words. She looked back and saw Su Moli holding her bag in her hand. "Miss Su really doesn't stay for dinner? Dongyang has already finished the meal. It's better to go back after eating! "

"Mr. Huo really wants to keep me for dinner?"

"Yes, I've made an extra meal." Replied Jovi.

Su Molly's eyes brightened. In that case, she would certainly stay for dinner. Because of this, she is a little closer to Yun Yiyang. These are his relatives. If you take your relatives first, you will have your own backing. "If you're so enthusiastic, I'll stay," she added

Yun Muxin saw that Su Moli was really speechless when she saw that her face changed so quickly. She muttered: "why should I leave her to eat?"

"Dongyang said that they were all guests. Of course, we should treat them well." Replied Jovi.

Su Molly put her bag on the sofa and followed Qiao Wei and Yun Muxin to the living room.

[Chapter 433](#)

Seeing the dishes on the table, Su Molly was shocked again.

Because these dishes are all made by Huo Dongyang, Su molli also sees Huo Dongyang bring them out of the kitchen one by one.

"Are you doing all this, Mr. Huo?" Su Molly couldn't help speaking.

Yun Muxin will immediately help Huo Dongyang to speak: "my uncle is omnipotent, so I will say that you have a blessing in the mouth, so you must cherish it."

Su Molly looks at Huo Dongyang again. She thinks that Huo Dongyang, who will enter the kitchen like this, not only does not reduce the price, but also is a rare and unique man! Not only the appearance is outstanding, the work ability is strong, is also diligently to the family. How many women do you dream of.

Suddenly feel that Qiao Wei really lucky to have such a perfect husband, this night when sleeping will also smile! After her marriage with Yun Yiyang, she can still meet people like Huo Dongyang, who are really greatly favored by heaven.

"Sit down!" Qiao Wei looks at Su Molly and says.

Yun Muxin went to the kitchen to help bring out the rest of the dishes and saw a table full of food. It can be seen that Huo Dongyang also spent his mind. "Uncle, it's a big idea to cook these meals today."

Huo Dongyang sat down and then replied, "I have to think every day."

"All right." Yun Muxin didn't speak.

"Miss Su, sit here with Mu Xin." Qiao Wei points to Su Molly standing position to say.

Yun Muxin opened his chair and sat down. Seeing that Su Mo Li is still motionless, Yun Mu Xin opens his mouth. "Are you going to eat standing up?"

Su Molly returns to her senses and sits down next to Yun Muxin.

"Eat!" Said Joe, smiling.

"And the child?" So Molly didn't see them from the beginning.

"They've already eaten it. It's supposed to be all in the room." Replied Jovi. "Miss Su, eat more."

Su Mo Li nods. She picks up her chopsticks and takes a bite of sweet and sour meat. It smells delicious. She tried to take a bite. The meat was very tender, and the taste of sweet and sour was just right. It was different from the food outside, because it tasted good at home, and it was really delicious!

Cloud Mu Xin also specially paid attention to Su Mo Li's eating appearance, which is quite satisfactory! It's just that some of them are hard to accept.

Huo Dongyang finds that Qiao Wei is also secretly paying attention to Su Moli's every move. It seems that she and Yun Muxin are really paying attention to Su Moli with the standard of Yun Yiyan's future wife. Of course, Huo Dongyang did not expose them on the spot, so as not to embarrass the atmosphere.

Huo Dongyang stretched out his hand to Qiao Weijia, "eat more vegetables."

Thank you Qiao Wei takes back those thoughts immediately, she smiles to Huo Dongyang. Huo Dongyang once again grabbed the bag, she also had some embarrassment.

Halfway through the meal, Huo Dongyang's cell phone rings.

Huo Dongyang saw the caller ID above, an idea suddenly came out, playing heart also got up. He picked it up. "hello!"

The phone call is from Yun Yiyan. He just tells Huo Dongyang about the work schedule for tomorrow. After hearing what Yun Yiyan said, Huo Dongyang also took a word outside of work: "Yi Yan, did you eat?"

"What? I'm in a good mood today. Would you like me to come over for dinner Yun Yiyan said on the phone.

"Well! The food is over cooked today. If you don't eat it, come here. " Huo Dongyang continued.

Su Moli stopped chopsticks when she heard the name of Yun Yiyan. If Yun Yi comes here, does it mean that he can see him later! If it is, she will be very happy! Su Moli has been praying in her heart that Yun Yiyan must come and come.

Huo Dongyang also saw the expectant look in Su Molly's eyes, and he laughed. The girl's performance is so obvious.

"Well! I just left the company, so I'll come here now. "

"OK, wait for you!"

Seeing Huo Dongyang put down her mobile phone, Su molli couldn't wait to ask, "is yunyiyan going to come over?"

"Well!" Huo Dongyang nods.

Su Molly's face immediately burst into a brilliant smile, there is really nothing like the happiness that will come when we meet soon!

Cloud Mu Xin see Su Mo Li that excited, also really feel speechless, it seems that she really like second brother.

Qiao Wei secretly thumbs up Huo Dongyang in other places that he can't see, and also gives him some praise.

Soon the doorbell rang.

Su Moli's heart beats fast. She didn't expect Yun Yiyan to arrive so soon. She quickly tidied up her appearance, so as not to be too embarrassed!

Qiao Wei stood up to open the door. Yun Muxin looked at the time and thought that the second brother should not be so fast.

"Adoration!" After a while, Xia yueqian's voice came.

Xia yueqian carrying a big bag of things into the living room, seems to have something in a hurry to let Yun Mu Xin see. Xia yueqian walked into the living room and found Su Moli. "This is not sue..."

Xia yueqian looks at Su Moli strangely. How can she be here, and this painting style is not right! She can eat here! It seems that their welfare is not so good. "Huo Dongyang, are there any guests at home today?" "Yes Huo Dongyang nods.

Xia yueqian looked at the food on the table, and really felt hungry, "I haven't eaten yet."

Yun Muxin immediately said, "where have you been? Why haven't you eaten yet

"I went to get your wedding dress and said it had been modified." Xia yueqian replied. "To let you see it earlier, I came as soon as I got it."

Cloud Mu Xin looked at Huo Dongyang, "uncle, the more modest did not eat. Then... " He seems to be asking if he can stay for dinner.

Huo Dongyang raised his eyelids, "you two cooperate so well, is not to stay for dinner? Sit down

"Thank you, uncle!" Yun Muxin takes Xia yueqian's hand and sits down.

Qiao Wei also gave Xia yueqian a bowl of chopsticks. Seeing that there was still an empty position, Xia yueqian said: "who else wants to come?"

"Second brother!" Yun Muxin is rushing to answer. "Uncle asked the second brother to come over for dinner."

"Oh?" Xia yueqian took a look at Huo Dongyang, and then his eyes fell on Su Moli. "Is it popular for Huo Zong to play blind date now?"

Huo Dongyang glanced at Xia yueqian lightly. Yun Muxin immediately put a piece of meat into Xia yueqian's mouth. "Eat!"

Su Mo Li didn't feel strange when she saw such a situation. Instead, she thought it was very interesting. This is what she has been longing for, and her family will be better in the future.

After a while, I heard a car coming into the yard this time.

"The second brother is here." Yun Muxin put down the bowl and chopsticks, "I'll open the door."

Yun Muxin immediately went out. As soon as he went out, he saw that Yun Yiyan had already come.

Seeing Yun Muxin standing at the door, Yun Yiyan asked, "how did you get out?"

"Xia yueqian just came in." Cloud Mu Xin answers.

"What a coincidence?" Yun Yiyan smiles and goes into the room with Yun Muxin.

Yun Muxin raised her head and looked at Yun Yiyan. After hesitating for a while, she still whispered to Yun Yiyan. "That That Sammy is here

Yun Yiyan stops at once. "What did you just say?"

[Chapter 434](#)

Cloud Mu Xin also followed to stop, she saw cloud Yiyan's expression a little unnatural.

"Second brother, what's the matter with you?"

Yun Yiyan turns to look at Yun Mu Xin, with doubts in his eyes. "Huo Dongyang won't be so boring to do that?"

At this time, Yun Muxin must also be facing Huo Dongyang, "No. In fact, Su Molly came back with her uncle. When her aunt saw her, she told her to stay for dinner. When uncle asked you to come over for dinner, she was worried that you would not have a good meal at night

When Yun Yiyan heard what Yun Muxin said, he also thought about it for a while. Huo Dongyang should not be so bored to do these things, and he is not like such a person.

Seeing Yun Yiyan and Yun Muxin walk into the living room together, Su Moli stands up immediately.

"Yun Yiyan, we meet again."

"But I don't want to see you." Yun Yiyan replied coldly.

Qiao Wei immediately began to round up, "Yi Yan, we are all waiting for you to eat!"

Cloud Yi Yan looked at Qiao Wei one eye, the tone is not so heavy, "after do not allow much matter."

"I see." Said Joe, smiling.

Yun Yiyan sat down at Huo Dongyang's side. "I think you've eaten some. You shouldn't have asked me to come over for dinner."

Huo Dongyang smiles. He also knows that Yun Yiyan is angry. Su Moli feels that there is something wrong with her. "Ladies have to take precedence. They can't be hungry."

"Well, this is your home. You're in the right place." Yun Yiyan replied.

Yun Yiyan looks at Xia yueqian, who is directly opposite him. "Brother, why are you here?"

"I'll bring the wedding dress to Mu Xin." Xia yueqian replied.

Yun Yiyan then nodded. "This just happens to have a chance to rub rice, good!"

This summer Yue Qian hears to be uncomfortable, "have you said so elder brother's"? You want to eat is a matter of words, I want to come is not an easy thing

"That's because you are still an outsider." Yun Yiyan answers.

Su Moli has been looking at Yun Yiyan, as if as long as you look at him, you feel full, and you don't have to eat. This is the first time I have sat face to face with him at such a close distance, and I feel happy to think about it.

Qiao Wei quickly gave Yun Yiyan a bowl of chicken soup, "Yi Yan, first drink the soup, a while cold will not be good to drink."

Yun Yiyan takes over the chicken soup handed over by Qiao Wei, lowers his head and drinks it. "I'm really hungry today."

"Absolutely enough." Huo Dongyang replied.

Yun Yiyan nodded, "Huo Dongyang, isn't today a Hongmen banquet?"

"Of course not." Huo Dongyang replied. "If you are hungry, eat more. Take care of your own health. "

Yun Yiyan takes a look at Huo Dongyang and thinks that he is very kind today, which makes people a little unaccustomed. "Thank you for your concern."

Finish saying that, cloud Yi Yan's Yu Guang also saw Su Mo Li, that flower crazy appearance really also lets a person can't stand. Yunyiyan deliberately does not go to see her, lowers his head and concentrates on eating. Anyway, it is her own business that she does not eat.

Qiao Wei found that Su Moli had been looking at Yun Yiyan. She also said, "Miss Su, why don't you eat?"

"Oh Su Molly comes back to her senses and moves her chopsticks. She reaches out to pick vegetables, but her eyes are always on Yun Yiyan. At present, there is no relationship between eating and not eating.

Cloud Yiyan to the fastest speed to solve the dinner, "Qiao Wei, still soup?"

"Yes. I'll get you another bowl. "

Thank you Yun Yiyan smiles at Qiao. Qiao Wei said no thanks and went to the kitchen.

Xia yueqian looks at Yun Yiyan's speed and can't help speaking. "Brother, where are you going after eating in such a hurry?"

"Private activities, of course." Yun Yiyan replied. Of course, this is not true. In fact, Yun Yiyan wanted to leave here quickly, so he said it on purpose.

Xia yueqian is also excited. "Is there a new goal?"

"I don't know yet. I'll find out when I go to see it." Yun Yiyan replied. But it's always better than staying here.

Su Moli frowns. Does Yun Yiyan have other women to choose from? So he doesn't like himself at all, or he won't say such things in front of himself, so he can't help feeling a little depressed.

Huo Dongyang certainly will not stop Yun Yiyan from making friends. He pays more attention to his physical condition. "Body first, don't burn it out!"

"Well! This time I am in a camp with Huo terminus. You must take good care of your body. " Xia yueqian is also worried about Yun Yiyan's body. The trauma of the previous traffic accident also made Yun Yiyan's physical resistance very poor. If you don't pay attention to it, it's really easy for him to become a student.

"I can't die anyway!" Yun Yiyan replied.

Su Moli knew that Yun Yiyan had a car accident before, and almost died. Just now I heard that Huo Dongyang and Xia yueqian cared about him so much that she knew that his situation was not very good. As a result, he said that he could not die so carelessly. Her heart suddenly panicked."Yun Yiyan, how can you talk like that! People's life is really fragile, no one knows what will happen next second! So we should cherish our lives more. "

Seeing so excited Su Molly, everyone looked at her. I can see that she is really worried about Yun Yiyan! This also makes Yun Yiyan a little touched, how to switch from the crazy mode to the excited mode.

Yun Yiyan didn't go on. Other people were quiet, because Su Mo Li's reaction was really big.

"Are you ok?" cloud murmured

Knowing that she was over excited, Su Mo Li lowered her head and said sorry, and then she stopped talking. She just remembered her mother's appearance before her death. One second she said that she was ok, and the next she closed her eyes. It was really something that happened in the blink of an eye.

Su Mo Li doesn't want them to see the most vulnerable place in her heart. She stands up and says, "I have to go back first."

"It's not easy to take a taxi here. Let me send you back!" Huo Dongyang continued.

"No, I can." With that, Sammy turned and left. Su Mo Li's speed is very fast, took own bag to rush out.

Huo Dongyang took a look at the cloud Yiyan sitting next to him. "Are you going to see her off?"

"People are not brought back by me. Why should I send them?" Yun Yiyan replied. In fact, I don't feel at ease. It's really difficult for Huo Dongyang to call a taxi when he goes out.

Xia yueqian also continued: "I think Su Moli's state is not right. It seems that Yiyan's words just now stimulated something hidden in her heart. It's dangerous for her to go out in this situation. "

Being attacked by Huo Dongyang and Xia yueqian, Yun Yiyan stands up impatiently. "No more!"

Yun Yiyan drove forward slowly, paying attention to his surroundings, and soon found a figure squatting under a street lamp. He stopped the car. "Get in the car."

Hearing the voice of Yun Yiyan, Su Moli raised her head. When she saw Yun Yiyan, she quickly wiped away her tears. "Why did you come?"

"If I don't send you back today, I will be read by those people." Yun Yiyan replied. "Are you going or not?"

"Go Su Molly stands up at once.

[Chapter 435](#)

Yun Yiyan is driving and Su Moli is sitting beside her.

She wanted to find a topic to talk about, but at this time, she might as well choose to be quiet.

"Where do you live?" After the car left the area of Jiangwan villa, Yun Yiyan spoke.

Su Molly immediately reported home address, Yun Yiyan followed the navigation input address. Yun Yiyan took a look at the navigation route and drove according to the instructions.

Su Moli looked at Yun Yiyan quietly, "yunyiyang, can you drive now?"

"Are you afraid I can't send you home?" Yun Yiyan asked in turn. "Or are you worried that something might go wrong?"

"No!" Su Molly replied. As long as I'm with you, it doesn't matter if I die.

It takes a lot of time for the cloud to move forward at a constant speed. Su Mo Li also felt this, or because of the accident before. However, it's good to have a little more time with him.

On the way to the south of the city, Yun Yiyan's mobile phone rings. The name on the phone is Pico. When Su Molly saw the name, she felt uncomfortable. This should be Qiao Wei's call. In fact, in Yun Yiyan's heart, Qiao Wei still has a place.

Yun Yiyan took the hands-free. "What's the matter?"

"Yi Yan, have you sent Miss Su home?" Asked Qiao Wei.

"Not here."

"All right, take your time. I'll prepare a snack for you. "

"OK!" Yun Yiyan finished the call.

Su Molly was a little upset, and her good mood was destroyed because of such a phone call. "I really admire you and Qiao Wei for being able to talk peacefully like this!"

When Yun Yiyan heard Su Moli's words, he said coldly: "these things don't need to be evaluated by outsiders like you, and it was my fault at the beginning. There is nothing wrong with her being with Huo Dongyang

Su Moli feels sad when she listens to Yun Yiyan's words. How did he do it? Actually can do this, if it is their own words, then they certainly do not have this mind. "Yun Yiyan, in fact, you also suffered a lot? It's impossible not to hate it? "

"I hate it." Yun Yiyan said flatly.

"I deserve to admire you." Su Molly replied.

"There's nothing to admire. When you've lived through life and death, it's all important." Yun Yiyan then replied. Now think about it, he is not clear when he really put down those gratitude and resentment.

Su Moli said something to Yun Yiyan, so she seized the opportunity to ask, "do you have someone you like now?"

"I remember telling you that I was married in America." Yun Yiyan replied.

Su Molly shook her head. "That's a fake. You're not married at all. This is what your sister told me. So it's absolutely convincing! "

"What do you want to know?" Yun Yiyan said, "it's impossible for me and you."

Su Moli frowned, "yunyiyan, why don't you like me?"

"Does this need a reason?" Yun Yiyan replied.

Yun Yiyan took a look at the navigation. The place where the Su family lives is really good. It is located in a single family villa on the hillside.

Or don't want to continue talking to Su Molly, "here's your home."

Su Molly looked out and saw the light at home. In the heart has too many not to give up, Su Molly silently clenched her hand. "Yun Yiyan, I have something to say."

"Say it

"I really like you!" Su Moli looks at Yun Yiyan and says seriously.

Yun Yiyan takes a look at Su Moli and then shows a smile that people can't understand. "Do you say that to every man?"

"No! Only you

"What about the man you dated that day? I think he's pretty good. " Yun Yiyan said.

Su Moli is once again refused by Yun Yiyan, and she lowers her head. "I can't do it with him. Because... " Because Zhou Tao has a girlfriend.

"So Molly, I find you are also very loyal." Yun Yiyan said something that Su Moli couldn't understand.

The car stopped.

"Here you are, get out of the car."

Su Moli looked at Yun Yiyan and said, "yunyiyen, I really like you! I will prove it to you. "

Don't give yunyiyen any reason to refuse herself. Su Moli immediately gets off the bus.

Yun Yiyan looked at the figure that rushed in and sighed and shook his head. Then he backed up and the car drove away quickly.

Seeing Yun Yiyan's car driving away, Su Moli came out from the side, and she looked at the lamp that was gradually disappearing. Su Molly cheered herself up, "Molly, cheer up! You have made great progress today. At least you have the chance to get along with each other

Not all have this sentence, "women pursue men, separate layers of yarn, men chase you across the mountain." So I believe I will succeed.

As soon as you enter the door.

Su Molly saw Su Weiming standing at the door. My grandfather is smiling at Su Molly who just came in. "Back?" "Well!" Su Molly sat down and nodded as she changed her shoes.

"I think Zhou Tao is really good to you." Su Weiming said with a smile. "Molly, if you think it's OK, don't wait too long."

Su Molly looked at Su Weiming listlessly, and she didn't want to say more. "Grandfather, I'm tired."

"Well, go and have a rest."

Back in her room, Su Molly lies directly on her bed, closing her eyes and seeing all kinds of clouds. Su Molly did not know that she would like a man so much, and it was love at first sight. He seems to be poisoned by a kind of poison called Yun Yiyan. In fact, I have made great progress today. I went to his home and met his family. This is a big breakthrough.

After comforting herself, Su Molly regained her spirits. That's a lot ahead of the plan that we've made. So I'm one step closer to my goal. So as long as you work hard, maybe you will succeed!

Hearing the vibration sound of her mobile phone, Su molli takes out her mobile phone and calls Zhou Tao.

"Zhou Tao, what's the matter?"

"I'm sorry today. I forgot to pay. Tell me how much it is, and I'll pay you back when I see you next time. "

Molly frowned, and she did not speak in a hurry. That bill was not paid by Zhou Tao, so who paid it? She has just returned to a city and has no friends. Who paid the money?

"Molly, are you listening?"

"Well!" Su Molly answered. "I'm listening. That's not much money. You don't mind. "

"I'll invite you to a better place next time." Zhou Tao also breathed a sigh of relief. "I also inquired about the restaurant we went to today. Actually, it was Yun Yiyan's investment. He goes to the restaurant occasionally. Next time we can change to another one. "

Yun Yiyan?! Hearing this name, Su Moli's heart beats faster. Is it Yun Yiyan's money? If it's him, then why doesn't he say it? Or is he trying to surprise himself.

Su Molly felt very happy in her heart. In fact, he was not as cold as he looked!

[Chapter 436](#)

In the next few days, Su Moli will go to the restaurant invested by Yun Yiyan whenever she has nothing to do. She wants to have another chance encounter with Yun Yiyan.

What's more, Su Moli also inquired about that meal from the waiter. Yun Yiyan really paid for the meal. This also kept Su Molly in a good mood for a few days.

On this day, Su Molly walked into the restaurant at the same time. Su Molly's social skills are good, so she quickly mixed up with several waiters here. As soon as Su Molly came in, someone came.

"Miss Su, you are here."

"Well, did Yun Yiyan come today?" Asked Su Molly. She now sits next to Yun Yiyan's exclusive position every time, which has now become her exclusive position.

Chen nods to Su Molly. "Today, the cloud board of directors brought customers to dinner, but it was in the dining room."

"Really?" Jasmine eyes shine. It seems that he has been waiting for him these days.

"Yes." Xiao Chen nodded. "Miss Su, is it still the same as yesterday?"

"OK!" Su Mo Li smiles and nods, then takes out a hundred yuan bill from her bag and puts it into Xiao Chen's hand. "Here's your tip!"

Seeing the extra reward, Xiao Chen is also happy to smile. "Thank you, Miss Su."

Su Molly sat down in her seat. "Go ahead and I'll sit by myself for a while."

"Good!"

At 12 o'clock at noon, Yun Yiyan really took a few people into the restaurant. Su Moli quickly put on her sunglasses for fear of being discovered by Yun Yiyan. She took off her sunglasses when she saw them walking towards the room.

This lunch time to discuss cooperation with customers should be a long time! Su Moli lowers her head and eats her own food, but her heart is always on Yun Yiyan's side, thinking when he will come out.

However, Su Moli didn't expect that Yun Yiyan's dinner would end very early. It would be an hour before and after. Su Moli looks at Yun Yiyan to send those people out, and her expression on her face seems not very happy. Is it possible that the cooperation has not been discussed?

Su Mo Li presses her heart with her hand, and every frown of Yun Yiyan makes her heart uncomfortable. It seems that he is in trouble. If only he could share his worries.

Su Molly lowered her head in a low voice. She was boring with a knife and fork across the plate of spaghetti.

"If you fork like this, the plate will crack."

Su Mo Li suddenly raises her head when she hears the voice. When she sees Yun Yiyan, she also shows a smile on her face. "Yun Yiyan!"

In fact, Yun Yiyan knows that Su Moli has come to the restaurant these days. He saw her as soon as he came in. Although she was wearing sunglasses, there seemed to be no woman who dared to look at herself in this way.

Yun Yiyan also wanted to go, but he still came to think of her lonely back. He glanced at the dishes on the table. "You don't have a good appetite today. You didn't eat any."

Su Molly smiles. "I'm not hungry today."

"Sit down!" With that, Yun Yiyan also sat down opposite Su Moli.

Su Molly immediately sat down. "You Just now... "

"Don't inquire about me." Yun Yiyan said. "It's not something you can ask about."

"Oh Su Molly nods.

Yun Yiyan called the waiter over and ordered a glass of lemonade. I was really not happy with the meal just now, which led to some food accumulation. Su Moli looked at Yun Yiyan and said in a low voice, "how are you doing?"

Yun Yiyan looked at Su Moli's worried eyes, "I'm ok! It's just a few decent people. "

Although Su Molly has never been to the company, she still knows something about the operation of the company. She has also seen her father or grandfather because of the company's things frown, worry every day. So now she can understand the mood of Yun Yiyan.

Yun Yiyan drank half of the lemonade. He looked at the time and was ready to go back.

"Yun Yiyan, these are for you." Su Moli takes out several hundred pieces from her purse and hands it to Yun Yiyan.

Yun Yiyan didn't pick her up, just looked at her. "What is this?"

"The last time you paid for me." Su Molly replied. "I don't like to owe people either."

Yun Yiyan didn't go to pick up Su Moli's money. Seeing that she has come to the restaurant these days, she still looks familiar. He knows that she already knows what happened that day. Yun Yiyan took up his glass and drank the rest of the lemonade. "I'm going back to work. Don't come here every day. "

"Why?" Su Moli asked.

"It's a restaurant, but it doesn't rule out people who have different ideas." Yun Yiyan replied. He also opens the door to do business, so the restaurant always comes and goes with some familiar guests. As the saying goes, knowing people, knowing faces but not knowing hearts, there are also bad people. And Su Molly dressed up every day so beautiful, maybe it will become the target of some people.

Su Molly immediately understood what Yun Yiyan meant. She said with a smile, "you care about me." "Go back early!" With that, Yun Yiyan stood up.

Su Moli feels happy in her heart. Yun Yiyan is no longer cold to herself now, so this method is still feasible.

In fact, it is also necessary to remind Yun Yiyan that Su Moli has really become someone's target. That person is Yao Yu, the former enemy of Yun Yiyan. Although he appears to have made up with Yun Yiyan, he often takes care of the restaurant, which is also because there is a discount for eating here.

It's just that he didn't expect Yun Yiyan to have such a cute little fan girl. He came to the restaurant every day for Yun Yiyan. He also stares at Su Molly for several days, and feels that she is an attractive beauty. But Yun Yiyan seems to buy too much. In this case, he is not polite!

After seeing Yun Yiyan leave, Yao Yu walks over.

"This beautiful lady, can you sit down?"

Su Molly looked at the man who asked if he could sit down. She frowned. For strangers, Su Molly was also a very cold person, "who are you?"

Yao Yu laughed. "Ice beauty, really good!"

Su Moli doesn't like this man from the heart. This should be the people that Yun Yiyan just said! "I don't know you!"

With that, Su Molly is ready to pay the bill. Yao Yu looks at Su Molly. "I know you like Yun Yiyan, who is half disabled. What's good about him! After I heard that he had an accident, it would not work down there. So he also knows himself and doesn't go to women now. In the past, when he got married, he often got rid of gangsters. There were many women, but later he was defeated by his sister-in-law. "

When Su Molly heard these words, she became angry. This man is so disgusting that he says such a thing! Since he wants to play, I'll play with you. She made a deliberate smile. "Is it? It seems that you know Yun Yiyan very well? "

"Of course I know!" Yao Yu saw Su Moli's hook and spoke loudly.

[Chapter 437](#)

Su Moli looked at Yao Yu like that, and really felt disgusted to the extreme.

The man thought he was hooked, and now he's a little smug. Everyone has such a time. But she's not a vegetarian either. I think she saw a lot of them in bars. It's just stepping down on others and raising yourself. Although she is also curious about the past events of Yun Yiyan, she still believes in Yun Yiyan and his family. What other people say is just gossip.

"What kind of cloud Yiyan do you see in your eyes?" Su Molly has a smile on her face.

Yao Yu felt that a woman like Su Moli had a good appearance and no brain at all. So it's easy to get her hooked. It's just fun. There's no responsibility. The more she looked at it, the more itchy she felt. However, Yun Yiyan, who was disabled, could not do it now. Otherwise, how could he not do it like this!

"Yun Yiyan used to be the most beautiful young man among us. Under the name of Yuner Shao, he was surrounded by beautiful women. At that time, the scenery of Yuner Shao was extremely good

Su Mo Li raised her eyebrows slightly, which Lao Liu had said before. But it doesn't matter. Yun Yiyan, who she knows, is not such a person. The prodigal son does not change his money when he comes back. What's more, he still spends a little money in the past, but he can't do it now.

Yao Yu looks at Su Mo Li's face to change, secretly happy in the heart. "My sister, Yun Yiyan really doesn't know how to take pity on women. When Qiao Xin was pregnant, he let Qiao Xin have a abortion without blinking his eyes. Later, when I couldn't make it, I let my mother do it. At that time, it was really full of wind and rain! Tut Tut, it's really pity that Qiao Xin is dead set for him. When the child is gone, he is also falling behind. "

"Qiao Xin?"

"Sister doesn't know?" Yao Yu was a little surprised. If he had been in a city for more than a few years, almost everyone knew.

"I just returned home." Su Molly replied.

Yao Yu's eyes brightened, "then you really have to be careful of Yun Yiyan! Brother really don't cheat you. Yun Yiyan is really unreliable! At the beginning, he forced Qiao Xin to have a miscarriage, and forced his wife to divorce! However, he and Qiao Wei divorce is not bad, Qiao Wei that woman is like a wood, how to look! I don't know where to go now! "

Su Molly sneered in her heart: "where to go? Maybe you will bow down when you see her now! The dog can't spit out Ivory

"Sister, listen to my brother's advice. That cloud Yiyan is really not a good thing. It's because there are too many evils, so there will be a traffic accident, but it's also his life. Although he didn't die, I think he should be more miserable now than he died, because he was abandoned below, and the rest of his life

Su Molly's hand clenched her fist under the table. This man is really hateful! If it wasn't for the large number of people here, she really wanted to hit him. She didn't move her muscles and bones for a long time, and her fist also itched!

Yao Yu's eyes showed those eyes more undisguised, and red fruit sent out an invitation to Su Moli. "Yun Yiyan is not satisfied, but I can satisfy you! Do you want to play with your brother

"Motherfucker! The tail finally came out. It's only at noon that the sperm goes to the brain! " Su Mo Li despises greatly.

Seeing that Su Moli didn't answer, Yao Yu continued to reach out and hold Su Moli's hand on the table. "Sister, are you going with me?"

"Where to go?" Asked Su Molly.

"Absolutely a good place." Yao Yu felt that the fish had taken the bait and became excited.

Su Molly deliberately used a coquettish tone and said, "but I haven't paid the bill yet."

Yao Yu laughed. "It's not easy. Brother will pay for it." Finish saying, Yao Yu is also a pair of rich and bold appearance, ask the waiter to pay the bill.

The person who happened to come over was Xiao Chen. When Xiao Chen saw Yao Yu sitting in the position where Yun Yiyan had sat before, he was immediately displeased! This Yao Yu is the blacklist of the restaurant. Every time he comes to eat, he is on credit or only gives a little. He is notoriously stingy! I didn't expect that this time, he actually stretched out his magic claw to Su Molly!

"How much is it?" Yao Yu took out his wallet.

Su Molly reaches out and takes Xiao Chen's hand. "I also want to pack a tiramisu."

"Yes, just a moment, please! I'm going to place an order. " Xiao Chen replied.

"Bring the bill with you." Yao Yu said in a loud voice.

Xiao Chen nodded. "Just a moment."

When Xiao Chen came back to the counter, he also told the manager about it. The manager also looked at the direction of Su Mo Li.

"Manager, shall we tell Mr. Yun? What if something happened to Miss Su? " Xiao Chen is worried that Yao Yu will attack Su Moli. Yao Yu's reputation is not good at all!

The manager nodded, "I know. You go over and check them out first. "

"Good!"

Xiao Chen brings Su Molly's bill for today. "Mr. Yao, here's the bill! But that tiramisu will wait

"How long will it take?" Yao Yucai doesn't want to stay longer. It's easy to expose after a long time. If Yunyiyan is found out by that guy, he will not be easy! Now it is not the cloud family that supports him, but Huo Dongyang. This can be worth several cloud families."Ten minutes! Our cakes are all ready-made. "

"Try to be quick. We're in a hurry." Yao Yu said impatiently. Then she took the money out of her purse and paid for the bill.

Su Moli secretly gave Xiao Chen a positive look, saying that she did well! So she can have some time to think of a way to deal with this scum!

At this time, the manager also took a pile of bills. He had already reported to Yun Yiyan just now. As a result, Yun Yiyan said that Yao Yu would settle all the previous payments. He would not be able to leave and told the manager to watch them.

"Mr. Yao, these are the expenses you used to spend in the restaurant before. Please finish it together today."

When Yao Yu saw the list in the manager's hand, he felt uncomfortable. "Didn't Yun Yiyan say that my account can be exempted? So what do you mean now

"Mr. Yao doesn't know. Mr. Yun transferred the restaurant as dowry to the third lady last month. Now the new boss has new rules, so please don't embarrass us

Yao Yu just wanted to curse, but found that Su Moli was looking at himself. This fish has just been hooked, so we can't lose face. So I have to keep my generous image.

"How much is it?"

"It's one hundred and fifty-five thousand, and we've already removed the change here." The manager said with a standard smile. "Would you like to pay by card or cash, or by Internet?"

Yao Yu's face was black when he heard the news. "So much!"

"These are the details of Mr. Yao's consumption. You can have a look at them." The manager continued.

When Su Molly heard these words, she was even more angry at this scum. She really can't judge her appearance! "Brother, you eat a tyrannical meal?"

"No, no! I've been friends with Mr. Yun before. I just need to sign this list. " Yao Yu replied awkwardly, and then took out a card from his wallet and threw it to the manager.

[Chapter 438](#)

The manager swipe the card immediately, and Yao Yu showed that the balance was insufficient as soon as the card passed.

The voice of the machine also made Yao Yu embarrassed, standing aside the manager and Xiao Chen to Yao Yu show contempt. Sumberry didn't pay attention to it too much. She was a good play. It seems that the slag man's card pressure root has no money, still can really pretend to force!

"Mr. Yao, do you have any other cards?" The manager looked at Yao Yu and asked.

Yao Yu was embarrassed and immediately took out another card in his wallet. "I took it wrong just now. It should be this one."

This time, it was a smooth closure. But Yao Yu looked at that one second and there was no more than 100000. I feel very upset. He is now calculating with Yunyi after this account, and it is also the cost of taking away the grinding goblin in front of him!

Yao Yu took the card and said to sumery, "sister, we can go."

Sumberry smiled. "OK."

"Miss Su, your tiramisu is not good yet!" Xiao Chen also reminded that she really did not want Su Mo Li to follow such scum as Yao Yu.

Seeing the pleading in Xiao Chen's eyes, Su Mo Li's heart is warm, it seems that someone will care about herself. Su Mo Li also gave Xiao Chen a reassuring look, told her that she would not be OK.

"That tiramisu won't be. I'll go out and buy it for you. " Yao Yu is not a fool either. He always thinks they are procrastinating.

"No! I just like to eat this shop. " Sumberry replied.

Yao Yu really can't, he said to Xiao Chen: "these ten minutes have passed, hurry to confirm."

Chen's action is slow, just don't want to let sumali follow Yao Yu. She was worried. Why didn't the cloud Dong come yet. It's really a real gas!

No matter how to wear, Xiao Chen or watched Su Mo Li follow Yao Yu to the door of the restaurant.

"What should the manager do?" Xiao Chen asked the manager.

"I think Miss Su must have been able to follow her in a certain way." The manager replied.

Just as sumberry was about to get in, yunmurin came. "Oh, who is this?"

Yao Yu saw that she was wearing like a Yujie cloud murun, and his eyebrows were frowned. Damn, it's really blocked. Just now, they were just delaying to say that time, otherwise he would have been pregnant with beauty now!

Yun murxin stepped on high heels and walked past. Originally, yunmurxin was almost one meter eight in high heels, which was a little higher than Yao Yu.

"Where is this with my good sister?" Said Yun muring at Yao Yu.

Yao Yu also dare not offend yunmurin, not to say that she is behind in addition to huodongyang, there is a future of the mother-in-law. That summer family is not easy to make! So Yao Yu also some of the advice, "miss three, Hello!"

"I'm fine every day!" Answered yunmurxin. She looked at the Sumeria standing beside yaoyu. "I don't mean you wait for my sister to come? Where will this be going? "

At first, yunmurxin was worried that she didn't cooperate with her, and she was also a very conscious person. "Sister, don't get angry. The brother said he would take me to a fun place. "

"Oh?" Cloud murun nodded. "Yao Yu, where are you going to take my sister to have a good time?"

"No, no, no, no, No. She said she was going with me just now. " Yao Yu will not admit what he said at this time.

Cloud Muren stared at Su Mo Li, dressed up every day, and the main face was worth a few money. No wonder it will attract such a bad Yao Yu!

"What else do you do standing there, come here." Yunmurin looked at Su Molly angrily.

"Oh..." Su Mo Li also did wrong things, head down to the cloud muring in front of.

Cloud murxin looked at Yao Yu. "Yao Yu, have you paid this account?"

"It was just over."

"Well!" Yunmuring nodded with satisfaction. "This restaurant will be mine later. I'm different from my second brother. You'd better settle for the meal. "

"Yes, miss three. If there is nothing, I'll go first. "

Cloud murmuring nodded. "OK!"

Seeing Yao Yu driving like a life escape, Yunmuriin laughed out, "it's your vision!"

Finish, cloud murexin looks back at Su Mo Li, the tone is cold. "Are you ok?"

"I'm fine," said sumberry, shaking her head

"Later, I saw such a man with a long mind. He was going to take you to eat dry and wipe it out."
Yunmuriin went on.

"Sister, I have a request, and I don't want any cat or dog." "And my eyes are only cloud Yiyan!" sumberry explained quickly

"Then you're going with him?" Yunmuriin again looked at SUMARI. "Next time try to wear it as normal as possible, you must be so badly worn. You're fine here. I'll go back to work first. "

Su Mo Li is in the way of Yunmuriin, and she looks light. "Sister, is it that Yunyiyan asked you to come?"

"You think a lot. I just heard someone in the restaurant trying to make trouble, so come and see. "Su Molly's eyes darken with Yun Mu Xin's words. She thought it was Yun Yiyan who asked Yun Muxin to come over. It seems that she is acting amorous again. Although Yun Yiyan did not continue to be cold to himself, he did not say that he wanted to be with himself. So they are not even the most ordinary friends now.

Cloud Mu Xin looks at Su Moli suddenly down. Her face is aggrieved and with a little pitiful look on her face, so that other people can see it as if they are bullying her.

"I didn't bully you!" Yunmu heart immediately clear.

Su Molly nods. "If my sister has something to do, I'll go back to the restaurant for a while and then go back."

When Su Molly says to go back to the restaurant, she can rest assured. She went back to talk to Yun Yiyan, who couldn't leave the meeting, so she asked herself to rush over and stop Yao Yu from taking Su Moli. Of course, Yun Yiyan also explained that he could not say it.

Seeing Su Molly return to the restaurant, Yun Muxin also called the manager to let him look at Su Molly. And then I went back to work.

Su Molly sat until six o'clock in the evening. Xiao Chen stealthily ran to Su Moli and said, "Miss Su, just now Yundong called the restaurant to order dinner, or would you send it over?"

"May I?" Su Molly got up at the news.

"Yes. You're on your way too, aren't you? " Xiao Chen replied with a smile.

"OK, I'll go." Su Molly nods.

Ten minutes later, Su Moli goes to XY with the dinner ordered by Yun Yiyan. She is also very distressed by Yun Yiyan. In addition to occasionally go to Huo Dongyang's house for dinner, other times they eat these takeaway by themselves. Eating too much is not good for your health. There is really a lack of care around a woman!

Su Molly was about to arrive at the gate of XY, and suddenly several people rushed out to surround herself. Su Moli also saw the leader, Yao Yu!

Yao Yu stares at Su Moli, "it seems that she is here to deliver food to the disabled yunyiyan."

"Scum, what do you want to do?" Asked Molly Yao.

"I spent more than 100000 yuan for you. What do you want me to do?" Yao Yu finished and immediately made a gesture to let other men surround Su Molly.

[Chapter 439](#)

Su Molly watched as they gradually narrowed down, but didn't want to let herself run away.

She tugged at the lunch box in her hand, but how could she help Yun Yiyan deliver his dinner. But now these bastards don't want to give themselves a chance to escape. It's too much!

Su Mo Li also slowly back, she is also observing the surrounding environment, to see if she will break through from there. She clenched her other hand, and she glanced at Yao Yu again. This few people also only he this scum looks the weakest, will only be able to attack from his position.

Yao Yu looked at Su Molly with a smile. His thin body certainly couldn't resist their several men. Yao Yu's eyes narrowed and stared at Su Molly's chest. The place should feel comfortable. "Sister, are you going with me obediently or I'll ask someone to invite you to the car."

Su Molly has a sarcastic smile. "I won't go with you, you are not a scallion! If you're disgusting, I'll ask Miss ben to go with you. I think it's a joke. "

"Tut, it's really arrogant to listen to this tone!" Yao Yu smiles. "But it doesn't matter. I just like spicy. It's cool to do it like this!"

"Pooh Su Molly sneers. "So you deserve my miss ben to play with you?"

"Bitch, when you give your face, you'd better be funny. When I get to bed, it's the same. What women like most is duplicity Yao Yu's tone did not become very impolite.

Su Mo Li raised the corner of her mouth. "I've always said no two." Su Molly replied. "And I like to be consistent."

"Bitch, for the last time, I warn you not to drink, not to eat or to be punished!" Yao Yu became cruel. "Don't be polite to her. I'll give it to you when I'm finished."

Su Molly looks at other people are ready to move. She clenches her hand and is ready to fight at any time. She is really not angry when I am sick cat! However, she was also a lady in those years, and she was worried that her Kung Fu was going backwards! If my grandfather hadn't sent me abroad a few years ago, maybe I would have been a policeman!

Su Molly put her high-heeled shoes on. It's a weapon. It can also be used for self-defense. It means she takes off her high-heeled shoes when the fight starts. It's a pity that it's not easy to wear a long skirt today. If you can't, you can only tear off the skirt.

Yao Yu knew that a woman's self-defense was the high-heeled shoes. He continued to smile and say, "women's high-heeled shoes are also a weapon. You several people press on her, then take off her shoes, and then drag her to the car. I solved her on the spot. "

Su Moli looked at them, and Yao Yu stepped back. Su Moli sees Yao Yu's direction and kicks her high-heeled shoes. The shoes fly directly to Yao Yu. Yao Yu was late to hide, and his high-heeled shoes hit him in the face.

"You've got a few more! Take her away from me. " Yao Yu said aloud.

Su Moli puts Yun Yiyan's dinner on the ground. She also throws her other high-heeled shoes to the side. She slowly moves away, so as not to wait for Yun Yiyan's dinner to suffer. Looking at Su Molly moving away, several other men immediately surrounded her.

Su Molly quickly attacks the man on her right with her elbow. This time she tries her best. The man immediately stepped back with his stomach in his arms. At this time, other people are also stunned, did not expect that Su molli actually had a few times.

While they are in a daze, Su Molly punches another man on the shoulder. The man gave a cry of pain. "Stinks!"

Yao Yu is also a little confused, this woman actually can Kung Fu, no wonder she has been so calm, it seems that he really underestimated her. But it doesn't matter, the more difficult to conquer the woman, the more challenging!

"Now we should be more serious and fight our beauties! Hurry up Yao Yu yelled.

When they attack Su Moli, the voice of Yun Yiyan comes. "Stop it!"

Yao Yu looked back at Yun Yiyan standing behind him, "Yun Er Shao, long time no see!"

Yun Yiyan's eyes fall on Su Moli, because just a few times, her hair is disordered, her clothes are messy, and her shoes are not worn. Cloud Yi Yan's brow instantly frowned, "what did you do to her?"

"What? Heartache? " Yao Yufa asked. "Yun Yiyan, I advise you not to be fussy."

"Yao Yu, enough is enough!" Yun Yiyan glared at Yao Yu.

Yao Yu smiles. "I don't. I'm going to take this woman today! You are disabled, and you can't move below. You might as well give it to me to enjoy

Yao Yu's words in exchange for a blow from Yun Yiyan, "shameless!"

Yao Yu stepped back a few steps because of Yun Yiyan's punch. He reached out and rubbed his face. Today, I suffered from my beautiful face. First of all, I smashed Su Moli's high-heeled shoes, and I got a punch from Yun Yiyan.

"Damn it!" With that, Yao Yu pounced on Yun Yiyan. He was very mean and attacked Yun Yiyan's knee. He knew that it was yunyiyan's death. He was standing up again, but he could not bear any more movement and stimulation. Yao Yu kicks at Yun Yiyan's knee. Yun Yiyan tries to avoid it, but his reaction is slow. As a result, Yao Yu kicks him to the lower leg. He frowned and squatted.

Su Moli's face turned white. She immediately rushed out of several men and ran to Yun Yiyan. She reached for Yun Yiyan. "Are you all right?"

"Ha ha ha ha!" Yao Yu laughed. "Yun Yiyan, your legs are your weakness. I'm going to make your legs useless again today! You give me, attack his leg

Yun Yiyan grabs Su Moli's hand, "you go! Then go to the police! "

Su Moli feels that Yun Yiyan is shaking all over her body. She knows that Yun Yiyan must be hurt. All her anger was burning, and these people were absolutely unforgivable!

"I'm not going! Yunyiyan, I want to protect you! I won't let them hurt you! " Su Molly said firmly. "Sit down and wait for me."

After su Molly holds Yun Yiyan down, she tears off her skirt and tears it into the length of a mini skirt. Yun Yiyan is staring at Su Moli. "What are you doing?"

"Protect you! It's easy to fight! " Su Moli said with a smile to Yun Yiyan. "If I succeed in hitting them, can I make a request to you?"

"I don't need women to protect me." Yun Yiyan frowned.

"Next time you come to protect me, but this time I must protect you!" Su Molly said firmly.

Standing on one side, Yao Yu could not help drooling when he saw Su Moli's beautiful legs. "I said Sister, you want to serve me in such a hurry?"

Su Moli stares at Yao Yu and dares to hurt Yun Yiyan. It is absolutely unforgivable! "Then we have to see who serves whom."

With that, Su Moli attacks Yao Yu

[Chapter 440](#)

Yun Yiyan looks at Su Moli's speed. The target of her attack is not others, but Yao Yu, who has been shouting.

Su Moli directly hits Yao Yu in the face, just in the position that Yun Yiyan hit just now. Her eyes were full of ferocity. Just as Yao Yu reached out to hit her, she quickly dodged and hit Yao Yu heavily in the stomach. Yao Yu cursed. Su Molly didn't miss any chance. When Yao Yu relaxed, she gave him a very beautiful curling kick.

Yao Yu was directly kicked on the ground. Su Moli said angrily, "let you bully Yun Yiyan!"

Yun Yiyan was stunned to see such a su Mo Li. Is this or that Sammy like a dog skin plaster? Now she's really strong, she's like a female fighter with explosive combat effectiveness. Yun Yiyan even doubts that Su Moli is the real one. It's so different! Or it is because she conceals such a good Kung Fu that she has never asked for help before.

Yao Yu is lying on the ground. He has no strength to stand up now. This smelly girl didn't want to be so powerful. Just now those times were all fighting to death. And also attack on a certain acupoint, otherwise it will not be so painful!

"Why are you still standing there and catching this woman for me? Are you free of money?" Yao Yu yelled at other people.

Two of them have been beaten by Su Molly just now. This smelly girl is really powerful. She is definitely not an ordinary person at her level! So they were a little bit timid. Seeing that several people didn't start, Yao Yu continued to cry, "can't all three of you deal with a woman?"

Hearing Yao Yu's words, the three people exchanged a look at each other, and then rushed to Su Moli. Su Moli sees their action, she is very vigorous to avoid the attack of three people. However, due to the lack of exercise in recent years, the physical strength can not keep up with it. If it's a protracted war, it won't work! Therefore, she must also make a quick decision, otherwise she and Yun Yiyan are in danger.

The three men exchange a look again. He encircles Su Moli from three directions. They attack Su Moli at the same time, because she is beaten several times by them. She breathes a little and resists the pain in her body. When her eyes swept through Yun Yiyan, she saw that he was looking at herself with worry.

Su Moli both hands to block their attack, she said to protect Yun Yiyan, so she can't fall, she can't lose! Su Molly quickly in the head to think of a way, she must change this passive state, a long time in the passive situation, then will lose.

Cloud Yiyan anxiously looks at Su Moli, he is worried! Even if she is very strong, but at this time can not help three men joint attack, and she is still a woman! It's not good for Su Molly to keep going like this. She can't make her legs strong. She was kicked by Yao Yu just now, and the nerves of her whole foot were paralyzed.

"Su Moli, be careful!" Yun Yiyan sees one of the men punching Su Moli's stomach.

Su Moli really ate a punch, she covered her stomach and bent down. Now I want to kill my opponent with random fists. I really want to die. These men have no taste, they use some sinister tricks.

Yun Yiyan is very worried. Why hasn't the policeman come! You're not going to eat, are you? If this situation continues, Su Molly will certainly not be able to hold on!

When Su Molly is playing, her eyes are searching everywhere to see if there is any way to solve her current situation. My physical strength is almost exhausted, and now I can't be tough. We must think of a way out.

Just as Su Molly was about to speak, the siren of the police car came. It seemed that there were more than one police car.

Hearing these voices, the three men exchanged their eyes. They would rather not have money than be caught. So they all nod to each other and run away!

Seeing that they were going to leave, Yao Yu was also afraid, because he would carry the pot himself. He had to bite his teeth and struggle to get up. He didn't want to be caught! If this thing is caught, it will be ruined.

Su Moli looks at the direction of the three men's escape. Yun Yiyan's lunch boxes are all trampled on by them! Su Molly looked at them angrily, and the dinner she had managed to protect was gone. She ran quickly to pick up the high-heeled shoes on the ground, and then flew hard at the back of their heads.

One hit at a time, and then Su Molly repeated three movements. The three men crouched on the ground with their bloody heads in their arms and screamed.

"Hum! Don't want to go Su Molly said angrily. She looked back at Yao Yu, who was going to support the ground. Su Mo Li stepped forward, raised her foot and kicked him in the head. "Pay me for dinner!"

When Yun Yiyan sees Su Moli more furious than just now, he doesn't quite understand what happened to her? All of a sudden, the anger got so big! Yun Yiyan struggled to get up. "Sumeria, that's enough! If you keep kicking, he'll die. There is no need to take responsibility for such a person. "

"Good! I'll listen to you. " So Molly stops.

She immediately came to support Yun Yiyan, "are you ok?" "I'm fine, and you?" Cloud Yiyan saw Su Moli's face bruised and frowned. It has to be said that this time it is Su Moli who really protected herself.

Su Moli looks at Yun Yiyan and shakes her head. "I'm fine, but..." With that, Su molli's tears ran down.

Yun Yiyan didn't understand why she was crying. When she was beaten, she didn't cry. Now she is crying so sad. "Do you feel any pain?"

Su Molly shakes her head. These are just skin injuries. It will be OK in a few days. "No!"

"What are you crying about?"

"Yun Yiyan, I'm sorry! Your dinner is gone. " Su Moli burst into tears, even with a face of injustice. "I've been paying close attention to it, but I'm still trampled on by those three people. I'm sorry!"

Hearing Su Moli's words, Yunyi really can't laugh or cry. Su Moli, who was just as fearless as a brave woman fighter, now cries like a very sad child. Yun Yiyan couldn't bear to comfort him and said, "it's OK. We can eat later if we don't have dinner."

"I'm sorry, this is the first time I've given you a meal."

"It doesn't matter!" Yun Yiyan replied. "But you really make me look different today."

Su Moli's mood has not recovered, so she has not noticed the meaning and tone of Yun Yiyan's words.

Just as they were talking, the police arrived and took Yao Yu and the three men down. One of the policemen came to Yun Yiyan. "Yundong, are you ok?"

"I'm fine."

The police looked at Su Moli standing on the edge of Yun Yiyan. She was in a mess, her clothes were torn, and her face and body were injured. Therefore, they initially concluded that Su Moli was bullied by these men.

"Mr. Yun, I need to trouble you here. You should go to the bureau to record a confession."

"Well!" Yun Yiyan nods.
