

Warm Wife 471

[Chapter 471](#)

When Su Molly wakes up it's late at night. She opens her eyes and goes to the bed with a small light on.

The room was quiet and no one else was seen. Su Molly struggled to get up, but she also pulled the wound. The pain made her frown again. The wound was more painful than before.

"How can it hurt so much?" Said Su Molly, biting her teeth.

"Do you know the pain?" Su Molly raised her head at the sound. Yun Yiyan appeared in front of him suddenly. "Yun Yiyan?"

Yun Yiyan looks down at Su Moli. "What? I don't remember who I am after a sleep

Su Molly shook her head. "No! It's just that I just looked at the room. There's no one there. "

"Would you like some water?" Yun Yiyan just saw that Su Moli's action was to drink water.

"Well!"

Yun Yiyan reaches out to pour water for Su Mo Li, then reaches out to hold Su Mo Li up, and then lets Su Mo Li lean on his shoulder, "come on, drink water!"

Su Moli is ignorant all the way, listening to the command of Yun Yiyan. After drinking the water, Su Moli feels that Yun Yiyan is very gentle to herself, which has appeared in her dreams before.

"Didn't I dream?" Su Moli looks up at Yun Yiyan and asks.

"Not awake?" Yunyiyan said to help Su Moli lie down again, but Su Moli grabbed Yun Yiyan's clothes.

"Can I wait like this?"

Seeing that Su Moli was injured today, Yun Yiyan nodded. Su Mo Li shows a smile, she is also bold, she reaches out to hold Yun Yiyan, and then finds a familiar position to lean on.

Yun Yiyan frowned and watched Su Moli move around in his arms, worried that she would pull his wound again. "Don't move. You'll get the wound again later."

"No, it won't hurt if you are here." Su Moli buried her head in Yun Yiyan's arms.

Cloud Yiyan saw her like this also had to let her, he put his back on the head of the bed, try to make su Mo Li more comfortable. He closed his eyes and seemed tired.

"What do you think?" Yun Yiyan still asked a little uneasily.

"Much better." Su Molly replied.

"Next time you come across such a situation, you must say it, and don't always hold your own heart."

Yun Yiyan answers. "If you don't say it, you give the other party a chance, you know?"

Su Mo Li opens her eyes and looks at Yun Yiyan, and asks what she wants to know. "Yun Yiyan, will you believe me at that time today?"

Yun Yiyan looked down at Su Moli, "what do you think?"

"Well, it's boring! It's always like this every time. I can't answer me easily. Yun Yiyan, if I'm tired one day, maybe I'll turn around and leave. "

Yun Yiyan's eyes darkened. "What do you say?"

"I said if I was tired, I would not continue to bother you. You'll be much more relaxed then. " Said Su Molly in a low voice.

Yun Yiyan's hand tightened. "Su Mo Li, do you think you can easily leave after you tease me?"

"Why not?" Su Molly asked in turn.

"I, Yun Yiyan, are not so easy to kill! Since you have opened your head, I should have has the final say if I want to finish, otherwise it will be too fair. If you insist on going there, the price will be heavy. "

"Every time you know to threaten me, it's just that you can threaten me like this just because I like it." Su Molly said, with complaints in her eyes and dissatisfaction in her face.

With Yun Yiyan's hand, Su Moli feels that she is getting closer and closer to Yun Yiyan. She didn't know whether she was close to him or whether his head was slowly approaching her. Su Moli even feels the breath of Yun Yiyan gently brushing her face. What is he going to do

Su Molly's heart beat faster, and her eyes became tense. She kept blinking to ease her tension. Yun Yiyan looks at Su Moli, who is so nervous in his arms that he raises the corners of his mouth. "Are you nervous?"

Su Molly certainly did not want to reveal her background, she quickly shook her head. "No No

"Is it?" Yun Yiyan looks at Su Moli and thinks she is very cute. At this time, she stuttered and couldn't speak. Her face was as red as an apple.

Su Moli nods. She doesn't want Yun Yiyan to see her advice. She raises her head and kisses Yun Yiyan. However, Su Moli still divulges her secret. Her seemingly bold action is totally bland and disorganized. It can be said that it is a gnawing rather than a kiss.

Yun Yiyan was so made by Su Moli that he frowned. He opened Su Mo Li and showed a good-looking smile. "You won't kiss."

"Who said I wouldn't, I just..." Su Molly is still defending herself.

"What are you?" Yun Yiyan said with a smile. "So Molly, these things can't be hidden. Have you ever really been in a bar, been a bad girl? In my opinion, you are the same person. "Su Moli was stunned, "how do you know..."

"If you want to know, you can't miss it." Yun Yiyan replied.

Su Moli herself is not easy to admit these, although she has been in those places before, and has seen a lot of live broadcast, but she really has no actual combat experience. At that time, Ryan was always by his side. Although her behavior is a little bold, but she is always clean.

At the beginning, she and Ryan would have mixed up in those places in order to complete the task, in order to help a senior brother whom Ryan respected very much to catch a potential fugitive. At that time, her goal and Ryan's goal was to be a policeman, so they accepted the task secretly. So in the past, Su Molly did have the experience of being a bad girl.

Hearing Su Moli's words, Yunyiyan can't help but have a deeper understanding of this girl. "I'm young enough to learn to be an undercover! It's very good. Did you worry about the danger at that time? "

Su Molly shakes her head. "I was not afraid at that time, but I still felt very handsome. At that time, there were special masters to teach us every day, and I learned Kung Fu at that time. Later, after the task was completed, my grandfather worried that I would be gossip, so he sent me to study abroad. "

Now Yun Yiyan finally understands why Ryan is so nervous about Su Molly. The reason is here. But also want to thank him at the beginning guard, now this wench also already arrived in own bosom.

"Yun Yiyan, I don't want to misunderstand you before I tell you this." Said Su Molly in a low voice.

Yun Yiyan smiles. He reaches for Su Moli's chin and looks at Su Moli attentively. "So Molly, I'll be angry if I don't get too close to other men."

"Oh..." Su Molly nods.

Yun Yiyan smiles. "But I want to teach you one thing now."

"What's the matter?"

"Kiss!" With that, Yun Yiyan grabs Su Moli's lips forcefully, and doesn't allow her to refuse at all.

Su Moli's heart rate is constantly accelerating. Yun Yiyan's kiss is strong and gentle. She can easily pry open her shell teeth, and her movements are very skillful

###Fu Yinuo smiles bitterly at Gong Muliang and reaches out to rub his eyebrows.

"To tell you the truth, it was not really the time for us to meet at that time. Because of my identity, it must be dangerous to contact me at the end of summer. It is estimated that it will become another target again! But now it's different. The reason why I dare to come here now is because... "

Gong Mu Liang didn't lift his head, and he spoke directly.

"The identity of the master mother of the palace family!"

Fu Yinuo sighed and nodded slowly.

"Who said it was not? With this identity, other people want to start, will also worry about the palace family. The government originally wanted to raise the Mojia family and compete with the Qi family. But who knows, this mu family is different from the palace family. If the wind of Qi and Confucianism comes back this time, it is estimated that the whole emperor will be changed! "

Gong Muliang frowned at Fu Yinuo.

"Why?"

The two families have clear barriers, and even he has not received any news of their cooperation.

If the two families really join hands, it is estimated that the whole palace family and even the whole regime will be overthrown, so this is also a decision that they have to make.

Fu Yinuo gets up, a doll's face is full of sneers.

"You don't know Qi Rufeng's Thoughts on Xiaoying, do you?"

Obviously looking at Gong Muliang's black cheek, she nodded gently with satisfaction.

The Gong family and the Qi family have always been feuds, but the Mu family is a latecomer and an outsider.

In any case, it is easier for the Gong family to deal with the Qi family and they to deal with the Mu family.

"Qi Rufeng was born with congenital heart disease since he was a child. Everyone thought that he could not live 20 or even 18, but he lived to the end! What's more, it is said that Qi's family had found the right source and asked him to go abroad for surgery. As far as my people know, his chief surgeon was helped by the Mu family, and even the source of his heart was provided by the Mu family. "

Mojia, Mojia!

Gong Muliang's black eyebrows tightly wrinkled together, a pair of black eyes firmly looking at Fu Yinuo.

"So you guess if Qi Rufeng comes back safely, it will be the beginning of the cooperation between the two countries?"

Fu Yinuo reached out and snapped his fingers and said with a smile.

"Maybe in recent years, the palace family has really lost its eyes in inland areas. The Mu family has found her little daughter who disappeared at that time, and the two families are going to get married. "

In the case of marriage, one family will merge into two, which will give them greater impetus to cooperate.

Gong Muliang bent his fingers and gently knocked on the table top, and his expression on his face was particularly ugly.

But Fu Yinuo seems to have not seen each other's face suddenly change color, some lose the same, strange toward Palace Muliang slowly close, then eyes droop, looking at the ash falling on the ground.

"You've just burned the information. It's a loss. But there is one thing I ask you to be prepared for. "

Gong Mu Liang looks up at her with expressionless eyes, thin lips and chin convergence. Fu Yinuo ha ha smile, eyes bright looking at each other, gently open mouth.

"Your mother-in-law, Xie Shuanghui, once had a child who had a miscarriage twenty-five years ago. However, their family suddenly and inexplicably gave birth to another child. After that, the old Xia family always quarreled about this child. It was a time of famine. It took a lot of food to feed a child. So the old man and the old woman of the Xia family wanted to throw the child away. After a big fight between Xie Shuanghui and Xia Donghe, they took their children to live in the imperial capital, and then gave birth to a little boy. In the file bag just now, there is the child's family information! "

Gong Muliang's face changed again and again. Finally, he beat the table fiercely and looked at Fu YINUO in his eyes.

"Enough!"

Fu YINUO is a doll with firm face.

"So, no matter how hard you struggle, we are destined to unite."

"Who is the child who wants to marry Qi RUFENG?"

Gong Muliang opened his mouth slowly with a low voice.

But Fu YINUO is a light smile.

"You'll know that later. The Mu family hides people in a strict way. They really treat us as fools, but they will cry one day

Gong Muliang raised his eyelids to see Fu YINUO, and his thin lips opened slowly.

"So that script was meant to hold the shadow, right? Can people come back after the Chinese new year Obviously, it's just a question. It's plain and straightforward. But Fu YINUO hears the strong intention of killing in it.

She smiles awkwardly and shrinks her neck at Gong Muliang.

"Oh, don't blame me. This script is really a memory of our previous lives. I know that Xiaoying will be moved. At this time, she will be the safest in the crew. You know, some antiques can become real without real antiques. "

Gong Muliang eyes a Lin, toward Fu YINUO slowly nod.

"Good! I promise

Fu YINUO cheers and pours directly at Gong Muliang, but stops not far from him.

Fu YINUO stiff body, embarrassed to pull out a smile at Gong Muliang, a wry smile, quickly step back, hands raised, put on the sides of the head, make a gesture of surrender.

"Well, big brother and brother-in-law, we have something to say. Put the gun down, it's not good if it goes off fire! "

Gong Muliang looked at her coldly with a gloomy expression.

"This is the last time! There is no next chance. Otherwise, I will never forgive you! "

Fu YINUO suddenly turned a white eye toward Gong Muliang and spoke in a bad way.

"If it wasn't for the bad situation, do you think I would? Do you think I will ask you for help or even destroy the relationship between me and Xiaoying? If you want to blame, blame Qi family and Mu family

Gong Muliang takes a deep look at Fu YINUO and turns to leave directly.

Fu Yinuo looked at the man's back slowly disappeared in his sight, which slowly pulled the corner of his lips.

It seems to be particularly cold this winter.

At the end of summer, shadow stamped the thick snow on her feet and looked at Chai Ziqiu with a bitter smile.

"Brother Chai, you said that the director would not really refuse to let us play it? My mother said that they had already made dumplings for me

Chai Ziqiu looked at the director who was filming the film, but shook his head at the shadow of the late summer.

"I think so."

Before his voice dropped, he heard director Chen shout "Ka", and then the field record took the loudspeaker and yelled here.

"Attention to all departments, attention to all departments. During the annual leave, pack up the things you are responsible for before you leave. During the annual leave, pack up what you are responsible for before you leave. "

At the end of summer, the shadow was stunned and couldn't help standing up and cheering.

"Hooray! Dear ones, it's getting late now. Those who want to go home today should come back quickly. Those who are waiting for their return tomorrow will come with me tonight. It's my treat

Maybe it's been a long time hope finally come true, late summer shadow happy cry, even the body also has a heat.

After hearing the words, they couldn't help cheering after the shadow of the end of summer, but the address in front changed!

"Long live the shadow!"

"Long live sister Xia!"

• • • • •

And so on, and so on, and so on, and so on, and so on, and so on, and so on, and so on, and
so on, and so on, and so on, and so on, and so on, and so on, and so on, and so on, and so on,
and so on.

"Director, come with us! Go back tomorrow and go back tomorrow. It's a holiday. It's lively and lively! "

Never before had she been so eager to go home.

It seems that family members and lovers in the family are waiting for themselves. The different feeling makes her return home like an arrow.

Chen hesitated for a moment, unable to stand the end of summer shadow and other people's hard and soft, finally agreed to come down.

But when the end of the summer, after they had packed up their things, Nian Qinxin had already ordered everything in the hotel, making people call the all-around assistant.

It's a restaurant in the new year. It's just like the whole crew will have enough. Moreover, Nian Qinxin told her when she ordered a meal that she would directly make these hotpots into Mandarin Duck pots, cook the dishes well, and wait for them to go.

At the end of summer, with a bright smile on her face, she stood up and waved to everyone.

"It's time to go home for the Spring Festival. Happy! Have a good meal and drink

The crowd answered, and the atmosphere continued to liven up.

"Sister Xia, although I have come here to eat once, how can I not know when hotpot will be provided here?"

Wei Shaobo looked around, his eyes full of confusion.

At the end of summer, the shadow was stunned for a moment, and then the line of sight turned to Nian Qinxin.

Sometimes she even felt that in a few days, Nian Qinxin had turned herself into a young lady with clothes to stretch out her hands and open her mouth. But she was tired and lazy, and she enjoyed the feeling.

"Well, this is what I specially recommended to my boss today. Eating more hot pot can enhance feelings."

Chai Ziqiu seemed to be a little more interested in such a warm atmosphere, and nodded to Wei Shaobo quickly.

"Why do you say so much? You can't stop your mouth with food? "

But in the end of summer, the shadow turns its attention to Chen Dao. After all, he is the soul of a drama group.

"Mr. Chen said a few words and gave us two words."

Director Chen has a complicated look at the late summer film. He knows that the identity of the late summer film is very extraordinary, but he didn't expect

He nodded quickly when he felt everyone's eyes moving to his body.

"There's nothing to say. I wish our film a great success."

Several tables nearby heard the sound, and also rushed to the side of the cup roar.

"Flying into the sky!"

"It's a blast!"

.....

Suddenly, the whole atmosphere was unprecedented.

Because the late summer film is a treat, so they sit at the same table with the director.

After all, when a director chooses actors, everyone hopes to be familiar with the director. So those young newcomers who have just mixed up in the entertainment circle have come to toast the director.

And the shadow of the end of summer they are not kind to watch the fun.

It's just that after watching too much fun, there is still more retribution.

At the end of summer, when shadow reached out and ate with relish, someone suddenly came over and opened his mouth quickly.

"Miss Xia, we want to apologize to you."

All of a sudden, people's eyes shifted.

Back to their shadow of the end of summer slowly turned back, the face quickly appeared a sudden color.

[Chapter 472](#)

It's not easy to get through now. Su Moli's heart is just fireworks, but she lacks experience because she doesn't know how to breathe.

Looking at Su Mo Li's unstable breath, Yun Yiyan lets Su Mo Li go. "Fool, you don't know how to change your anger?"

"I..." Su Moli blushed, and she also began to hide from Yun Yiyan's eyes. She buried her head in Yun Yiyan's arms and did not dare to say a word. Today, she has completely revealed her background.

Yun Yiyan looks at Su Moli's movement and expression and laughs. "Su Mo Li, I thought you were really afraid of heaven and earth, but you..."

Su Moli quickly reaches out to cover Yun Yiyan's mouth, and doesn't want him to continue to say, because if she goes on, she will become embarrassed.

Yun Yiyan's eyes are gentle. He reaches out to take Su Moli's hand away, with a smile in his mouth.

"What? Don't you want me to say that? Are you shy? "

"Stop it!" Su Moli frowned and protested. She didn't expect that Yun Yiyan would be so bad. Can't you understand people's eyes?

"All right." Seeing Su Moli's resistance in her eyes, Yun Yiyan also decides to let her go. But he added. "It's a matter of practice."

"Oh Su Moli really can't stand Yun Yiyan and hits him in the chest with one punch.

Yun Yiyan also deliberately frowned. "No pain!"

Hearing Yun Yiyan's words, Su Moli was immediately concerned: "sorry, I didn't pay attention. Let me see what's going on? "

Su Moli reaches out to unbutton Yun Yiyan's shirt. Yun Yiyan grabs her hand. "So Molly, are you sure you want to see it?"

"Really?" Su Moli obviously didn't understand the meaning of Yun Yiyan. "You show me!"

Yun Yiyan narrowed his eyes and looked at Su Moli, who had unbuttoned two of his shirt buttons. He asked again, "are you sure you want to see it?"

Hearing Yun Yiyan ask again, Su Moli blinks and realizes something is wrong. "This one has Is there a problem? "

"Continue to unravel." Yun Yiyan said.

Su Mo Li sees cloud Yi Yan's eye color to have some change, Su Mo Li now reacts. She quickly took her hand back. "I didn't mean that."

Yun Yiyan used his forehead against Su Moli's. "Have you unbuttoned other men's shirts before?" Just now, her fingers easily untied her button, which was obviously not a novice. Yun Yiyan immediately thought of Ryan, who accompanied her through her childhood and youth!

"No!" Su Molly immediately shook her head.

Yun Yiyan is obviously skeptical about her answer. "Is it?"

"Of course! I just helped dad and grandfather tie ties Su Molly answered earnestly. "I'll button them up, of course."

This explanation is barely acceptable to Yun Yiyan, so he does not continue to ask. "I'll trust you for a moment."

Su Molly understood the meaning of Yun Yiyan, and her courage was also great. "Yun Yiyan, are you jealous? So you like me a little bit? "

Yun Yiyan lowers his head and kisses Su Moli again. He is helpless. Isn't he obvious enough? But I have to say that the girl's learning ability is very good, this time know how to respond to themselves. Yun Yiyan pressed her head with his hand, kissing deeper.

This kiss is also with each other's feelings, lips and tongues intertwined, even the surrounding air has become ambiguous. Yun Yiyan gradually forgot his propriety and ran into Su Mo Li's wound without paying attention.

"Well..." Su Molly frowned because of a pain in her back.

Yun Yiyan immediately let go of Su Moli and immediately asked, "is the wound painful?"

"Not bad." Su Molly replied.

Yun Yiyan pressed Su Moli into his arms and examined Su molli's wound. As expected, the bandaged gauze exuded a little red. "Sure enough, it hit the wound." The tone is also obviously with self blame. Knowing that Su Moli is injured, she still can't control herself, because everything of Su Moli is so beautiful.

Su Moli smiles when she sees Yun Yiyan's remorse. "Yun Yiyan, are you worried about me?"

"Yes Yun Yiyan really can't stand Su Moli's problem.

"Am I your girlfriend now?"

"Yes Yun Yiyan continues to nod. "Don't move. I'll let my brother deal with it."

Su Moli hugged Yun Yiyan's neck, "yunyiyuan, I love you!" After that, she took the initiative to kiss Yun Yiyan. She worked hard for so long and finally succeeded. She doesn't care about the wound. This time it's a blessing in disguise. Because Yun Yiyan responded to his feelings, which is more important than anything!

Yun Yiyan really can't do anything about Su Mo Li. What's more, she's actively throwing herself in her arms. He doesn't eat for nothing! I will continue to indulge in this way once, and raise her for the rest of her life.

Yun Yiyan gently presses Su Moli on the bed, and then turns over. He cushions himself under the bed. He looks at Su Moli's unresponsive eyes. He reaches for Su Moli's head and turns passive into active. Slowly, his hand reached into Su Molly's clothes. Su Moli trembled slightly. She even felt the change of Yun Yiyan. Who said that Yun Yiyan couldn't do it!? He is obviously good, and those are just rumors! When Su Mo Li is in a state of fantasy, Yun Yiyan bit her lip and seems to punish her for her distraction.

Su Moli's eyebrows frown. She opens her eyes and looks at Yun Yiyan. Yun Yiyan also looks at her with a smile in her eyes, which can be regarded as an explanation to Su Moli.

Su Moli knows that she must not be sophisticated enough, so she has to cooperate with her. Who makes her love this man.

But at this time, the door of the room was knocked.

"Molly, I'll give you something to eat." Qiao Wei's voice came from outside the door.

Hearing this sound, Su Moli and Yun Yiyan open their eyes at the same time. They also blink at each other. It seems that they didn't expect such a thing.

Yun Yiyan sighed. It took him a long time to suppress the restless factors in his body. He sat up with Su Moli in his arms, and his eyes were also uncomfortable.

Su Moli looks at Yun Yiyan. She smiles. Yun Yiyan looks ridiculous at this time. "Are you unhappy?"

"Which man would be happy in such a situation." While Yun Yiyan said, she helped Su Moli finish her clothes.

Or can't wait for Yun Yiyan or Su Moli to reply, Qiao Wei also called. "Molly, are you ok?"

"Coming!" Yun Yiyan immediately answers for Su Moli.

Yun Yiyan helps Su Moli lie down. He goes to open the door.

Seeing that Yun Yiyan came to open the door, Qiao Wei noticed that the collar of Yun Yiyan's shirt was wide open. She immediately took back her sight, as if she had come at a bad time.

"This is porridge for jasmine." Qiao Wei immediately handed the tray to Yun Yiyan.

After seeing Yun Yiyan, Qiao Wei immediately said a word of "sorry" and then quickly evacuated.

[Chapter 473](#)

Cloud Yiyan saw Qiao Wei running anxiously. Seeing her like that, she should also be fantasized.

Cloud Yiyan shook his head, he carried porridge into the room, "Qiao Wei brings you congee and some small side dishes, get up and eat!"

Su Mo Li stretched out her head to see, but did not see Qiao Wei's figure. He looked at Yun Yiyan and asked, "where is her?"

"Run away." Yun Yiyan put it on the table, then came over and carried Su Moli to the table, and then put her gently on the chair. "You eat slowly. I'll call my big brother and ask him to come over and help you repaint the wound."

Su Moli is still holding on to what Yun Yiyan said about Qiao running. "How could Qiao Wei run away?"

Yun Yiyan looked at her speechless and sat down beside her with his mobile phone. "She thought we were doing that, and she interrupted because of her arrival, so she ran away very happily."

Su Molly's face turned red. She lowered her head and said, "we were really doing that."

"Attempted." Yun Yiyan calmly followed a sentence, and then talked to Xia yueqian on the phone.

Seeing Su Moli begin to eat, Yun Yiyan simply turns on the headlight, which is also convenient for her to eat. After turning on the light, Yun Yiyan returns to sit down beside Su Moli.

When Su Molly saw that the light was on, her eyes looked away from everything in the room. Soon her eyes were attracted by the bunch of flowers on the small sofa. Su Molly immediately put down her spoon. "Yun Yiyan, that is..."

Hearing Su Molly call himself, Yun Yiyan raised his head and looked at her. Then he looked at her in the direction of her fingers, "that's Mu Xin's flower today."

Of course, Su Moli knows that it's Yunmixin's flower bouquet today, but she doesn't know why the flower is in this room. "How could it be here?"

"Don't you want it? So I brought it here." Yun Yiyan's answer is very insipid. It seems that this matter has nothing to do with him.

Su Moli remembers that the bouquet finally fell into the hands of Yun Yiyan. Didn't he give it to other women at that time? She remembers several women confessing to Yun Yiyan. "I thought you gave it to other women! At that time, several women were around you

Yun Yiyan looks at Su Moli with a smile. "Jealous?"

"Well!" Su Molly nods. "At that time, if I hadn't been around to watch your confession, I wouldn't have been plotted by that crazy woman. So in the end it's all your fault! "

Yun Yiyan smiles but doesn't speak. He just looks at Su Moli quietly. He thinks he likes to watch Su Moli play these little things.

"Yun Yiyan, did you hear me? Seeing that Yun Yi doesn't make a sound, Su Moli looks back at him.

"Well?" Yun Yiyan propped up his head with his hand, as if he was watching a good play.

"Did you listen to me?" Su Molly asked again.

Yun Yiyan nodded, "yes. I was going to give you that bouquet, but at that time, those women surrounded me, I couldn't get away! So I didn't want to hear their confession. "

Hearing Yun Yiyan's words, Su Moli's whole expression brightens up. "Is that true?"

"Well!" Yun Yiyan nods.

Thank you Su Molly said with a smile.

Yun Yiyan sees that Su Moli is also busy talking. She doesn't eat porridge. He picked up the spoon and handed it to Su Molly. "Eat the porridge first."

After a while, Xia Yueqian came slowly with his toolbox. It seems that he is deliberately dragging time to come here. Yun Yiyan looked at him and then asked, "why did you come here so long?"

Xia Yueqian glanced at Yun Yiyan and said, "I'm not going to give you the time to finish, so as not to disturb you too early. Yi Yan, it's not my brother who has to say you. There are still injuries on this jasmine. You should take it easy! Even if you want to fall, you should be light. "

Cloud Yi Yan looks at Xia Yueqian expressionless, "words are much."

However, Su Moli was embarrassed by Xia Yueqian. She lowered her head all the way and did not dare to speak. At this time, let Yun Yiyan deal with it! She would rather be invisible now if she thought she could.

Xia Yueqian did not continue to make trouble with them. "Molly, let's go over there and dress up."

"OK." Molly nodded and stood up.

Yun Yiyan saw Su Moli's tortoise move quickly. He picked up Su Moli and took her to the bed directly. Su Molly blushed and said thank you.

Xia Yueqian smile, rarely see his brother so active, he also has some tears. After all, I was not alone, and I felt a little comforted.

Xia Yueqian also sat down beside the bed. He looked at the clothes Su Moli was wearing. "Take off this dress."

Su Molly is wearing Qiao Wei's clothes, but also a casual long T-shirt. If you take this off, you can almost see the whole upper body. Su Moli certainly won't mind these, but Yun Yiyan pressed her hand.

"What's the matter?" Su Molly looks at him strangely.

Yun Yiyan looks at Xia yueqian. "Brother, cut a hole in your clothes." "No clothes." Xia yueqian asked in turn. He knew Yun Yiyan's mind. It was not impossible to cut a hole. Anyway, he was happy with him.

Yun Yiyan then replied, "I will pay Qiao Wei when I get there."

"OK! Since this is your request, I will do it." Yuexia said with a smile. "Molly, get down slowly."

Yun Yiyan stretched out his hand and helped Su Moli to lie down, "slow down."

Xia yueqian looked at Yun Yiyan, who was still clubbed on one side, "if you don't borrow it, how can I deal with it?"

Yun Yiyan immediately moved away. Xia yueqian pulled the chair forward a little. He picked up the scissors to cut the clothes. Seeing that the gauze was really burning and dyed red, he continued: "Yi Yan, you should hold back next time! The wound opened again. And Jasmine has a good physical foundation, otherwise it will be difficult to do in the future. "

Yun Yiyan didn't take Xia yueqian's words. He just watched Xia yueqian deal with the wound and listened to him continue: "Molly, why don't you know how to refuse? If this wound is not handled well, it will definitely leave scar in the future! You must know how to refuse next time

"Brother, I didn't do anything with Yun Yiyan." Su Molly replied.

"No? If not, how could the wound open? " Xia yueqian didn't believe it.

"It was my own carelessness." Su Molly replied.

Xia yueqian knows that Su Moli will definitely protect Yun Yiyan, and he also intentionally answers. "I think it's because of his poor skills. In fact, I can't blame him. He hasn't had that for a long time, so I'm sure he doesn't know the weight. "

Su Molly had no idea it was a pit. "No, no, Yun Yiyan's technology is very good!"

When Yun Yiyan wants to stop it, it's too late. Su Molly had said it, and he held her forehead speechless.

Xia yueqian smiles. "So I said," you should pay attention to your propriety. "

Su Molly suddenly woke up. "Brother, you set up a game to cheat me!"

[Chapter 474](#)

Xia yueqian laughs out loud and thinks it's good to think that life will be so interesting in the future.

You can tease Su Molly in this way. Her reaction is really funny. Today saw her, seems to have become a small sheep, and before the image of small pepper really big contrast.

"Brother, please be serious." Yun Yiyan opens his mouth.

"Good! I'm serious. " Xia yueqian also showed a professional attitude, seriously dressing Su Moli.

When Yun Muxin walked in, he also just heard Xia yueqian's laughter, "what's so happy about?"

Xia yueqian just wants to share with Yun Muxin, but he is staring at him. He has to lower his head to help Su Moli deal with the wound.

"Why don't you talk?" Yunmu heart can not get a response, she also came over.

"Yun Yiyan won't let you know. I'll tell you later." Xia yueqian answered immediately.

Cloud Mu Xin looks at Xia yueqian to Su Moli's wound treatment, "that Lina's hand is also very heavy, this won't leave scar in the future?"

"If you don't pay attention, you'll get scars." Xia yueqian replied. "But now beauty technology is so good, scar removal is not difficult."

Cloud Mu Xin nodded. "Yes, too!"

"Did Huo Dongyang and Weiwei go back?" Xia yueqian then asked. When he just came, they were ready to go home.

"Well, I've gone back. My aunt can't let go of her two children. " Cloud Mu Xin answers.

Hearing their conversation, Su Molly remembered that she had promised her grandfather to go back to dinner in the evening. As a result, she slept and forgot all about it. "No, I forgot to tell my grandfather that I would not go back to dinner. He must be worried about me!"

Cloud Yiyan sees Su Mo Li move, he reaches out to press her shoulder immediately. "Don't move! I've already told your grandfather

"Yes?" Su Moli has some accidents. Yun Yiyan will call her grandfather.

"Well, so you can stay here tonight." Yun Yiyan continued.

In fact, Su Weiming called before Su Moli woke up. Yun Yiyan answers that phone call, he didn't tell Su Weiming about Su Moli's injury, so as not to worry him. So he made another excuse. At first, Su Weiming didn't agree, but Yun Yiyan's attitude was quite good, so Su Weiming reluctantly agreed to Su Moli to stay out.

Xia yueqian helped Su Moli deal with the wound again, "OK! This time, we must take it easy. I don't want to run around in the middle of the night to deal with the wound

"Brother, I said that yunyiyan and I didn't do that." Once again, Sumeria denied.

"Not just now, doesn't mean there won't be one later, right?" Yuexia said with a smile. "Well, my wife and I are going back to rest. Good night!"

After seeing Xia yueqian and Yun Muxin go out, Yun Yiyan closes the door and looks gloomy. Su Moli looked at Yun Yiyan's appearance, and then asked in a low voice, "are you angry?"

"You don't have to explain too much to them next time. They are all intentional. The more anxious you are to explain, the more black it will be Yun Yiyan said to Su Moli.

"Oh Su Molly nods. "I see."

"Rest, then." Yun Yiyan said as he picked up his suit coat.

Su Moli thinks Yun Yiyan is going to leave. "Where are you going?"

"I'll open another room." Yun Yiyan replied.

Hearing Yun Yiyan's words, Su Moli's face was a little lost. "In fact, you can sleep here. I'm afraid of myself." Su Moli wants to give a reason for Yun Yiyan to stay.

Yun Yiyan smiles. "You want me to stay on the couch? This sofa is too small. "

Su Molly reached out and patted her next to her, "sleep here!"

"Are you inviting me to sleep with you?" Yun Yiyan asked with a smile.

"Not good? Save money and effort. " Su Molly said with a smile.

Yun Yiyan saw Su Moli's pleading eyes, but he didn't refuse. Since she has no opinion, she certainly has no opinion. "Well! If anything happens, I'm not responsible for it! "

Hearing Yun Yiyan's words, Su Moli nods. "Well, I don't need you to be responsible for it!"

"So cheerful?"

"Of course, I, Su Molly, have my word. These things are what you and I want. If you don't admit it when you get there, then I can walk around. Another to find a man to accept, I think my market is good

When Yun Yiyan heard this, he was not happy. "Ready to find Ryan?"

"Besides Ryan, I have a big market. It's OK to go back to England and look for it! " Su Molly replied.

noVeleusb.Com

Yun Yiyan wants to stimulate Su Moli, but he finds a heart plug for himself. There are many men waiting for her in England, except for Ryan. He knew that when he was investigating.

"You can't go anywhere in the future!" Yun Yiyan stares at Su Moli and says.

"Ha ha, Yun Yiyan, are you worried about me running away?" Su Molly felt that she had pulled back a city, and she also had a smile on her face. "You'd better be obedient!"

"Good!"

When Yun Yiyan comes out after taking a bath, Su Moli lies on the bed and is already sleeping. She still holds a mobile phone in her hand. Yun Yiyan sighs silently and reaches out to take her mobile phone away. Then he lay down beside Su Molly, and he gently held her in his arms.

Yun Yiyan is lying on his side. He looks at Su Moli in his arms and gently pulls her hair off her face. Then he slowly closed his eyes, or even he did not think he would meet Su Molly.

But this time, he won't miss his happiness again. Since he has decided, he will stick to it. I don't know what will happen in the future, but Yun Yiyan wants to work with Su Moli this time.

Yun Yiyan hugs Su Moli and slowly falls asleep. This time, he found a harbor where he could dock, and his sleep quality improved.

The next morning, Yun Yiyan sent Su Moli back to her home.

As soon as she entered the door, Su Molly felt that the atmosphere was not right and her grandfather's face was not good. Su Molly whispered, "Grandpa, I'm back."

"Well!" Su Weiming's eyes have been staring at Yun Yiyan standing beside Su Moli.

Seeing that Su Weiming didn't have a word to say, Su Moli was worried, or her grandfather had already known what happened yesterday, otherwise his face would not be so ugly. "Grandpa, I'm back."

Su Weiming took his eyes back. "I'm not deaf!"

"Yundong, did you stay with Molly last night?" Su Weiming has also heard about what happened at the wedding yesterday, so this sentence is deliberately asked. He wants to see how Yun Yiyan answers.

Yun Yiyan understood what Su Weiming meant. He nodded and admitted directly. "Yes

"Yundong, you will affect the image of jasmine! How do you want her to get married in the future?" Su Weiming continued.

Yun Yiyan immediately understood the meaning of Su Weiming's words. He didn't want Su Moli to be with him. "So Molly doesn't need to marry anyone else!"

"What!" Su Weiming is stunned. He didn't expect that Yun Yiyan would directly refute himself.

"Su Dong, my hundreds of millions are not in vain! That's the betrothal gift I gave you to the Su family! "

[Chapter 475](#)

As soon as Yun Yiyan's words came out, Su Weiming was stunned. This matter was completely out of his knowledge.

Su Moli, standing beside Yun Yiyan, feels that he is so handsome and domineering when she hears Yun Yiyan's words. As expected, she does not wrong people. This man is really worth doing. Her heart beats faster and faster. Su Moli feels that Yun Yiyan is handsome again today, which is in line with all her fantasies about men in her heart.

Yun Yiyan looks at Su Weiming who hasn't responded. He reaches for Su Moli's hand. At this time, he has no way out. So now he is waiting for a word from Su Weiming.

Su Weiming was stunned for a while and recovered. His eyes fall on the hand held by Yun Yiyan and Su Moli. Then he changed his eyes and looked at Yun Yiyan, "Yundong, I thank you very much for helping st, but this does not mean that I want to give you Jasmine! I don't agree with you and Molly! "

Su Weiming's words like a basin of cold water directly poured on Su molli's heart, and she also sobered up from her beautiful fantasy. "Grandfather, why don't you agree?"

"If I say no, I mean I don't agree! There's no discussion about it! " Su Weiming's attitude is also very tough. Su Weiming's attitude towards Yun Yiyan has also changed. Looking at him before, he was a little respectful. After all, he is now the boss of St. But now that he knows the purpose of Yun Yiyan, he will not be polite. At that time, he thought it strange that Yun Yiyan would offer such a condition. It turned out that his purpose was the treasure of the Su family.

Su Weiming's attitude is also very clear when it comes to Su Moli. If you can't, you can't. He would rather let Su Moli marry an ordinary person than marry Yun Yiyan. Yun Yiyan felt embarrassed when he said those things in the past.

Although he seems to have changed his mind now, who knows whether he is the same as the former and the latter. If so, he can't agree that Yun Yiyan and Su Moli are together. This is nothing more than sending Su Mo Li to the dead end.

Su Weiming thought of this, he himself can not help but also hit a shiver. In order to put an end to such things, he would rather be a bad man now and let Yun Yiyan and Su Moli stop this idea as soon as possible. He doesn't care what will happen to st and Su family!

Su Molly did not have her own grandfather would be so opposed, she immediately said: "grandfather. Why don't you agree that we are together

"No way, no way!" Su Weiming looks at Su Molly and says. Then he looked at Xiang Yun Yiyan and said, "Dong Yun, if you want to buy jasmine with those hundreds of millions, I'm sorry! I can't accept it. I'm not going to trade jasmine for anything, so please take your money back

Su Moli is nervous when she hears it, not only because of her relationship with Yun Yiyan, but also because of the Su family and St. Once Yun Yiyan really withdraws capital, ST will be totally hopeless, and there will be many people who will start to fall into trouble! It will only be worse than it is now.

"Grandfather, why are you doing this?"

"I said no, but I couldn't. Molly, my grandfather said this man was unreliable. Grandfather would rather you marry an ordinary man than be with him. He's not worth it! "

Su Molly was angry when she heard this! She knows that her grandfather is concerned about the past of Yun Yiyan, so she will not agree with him! But she also firmly believed that she did not choose the wrong person! "Grandfather, I just want to be with Yun Yiyan!"

"What are you talking about! It won't last long. And granddad knows it must have been premeditated! "

"It's not like that, granddad!" Su Moli wants to explain for Yun Yiyan. She didn't want her grandfather to continue to misunderstand Yun Yiyan. She also felt heartache when she looked at him. Once those people's comments on him had been a kind of injury to him. She doesn't want her grandfather to look at Yun Yiyan with the same color as others, which is unfair to Yun Yiyan!

Yun Yiyan reaches for Su Moli's shoulder and tells her not to be so excited. "You still have injuries. Don't be so excited."

"But..." Su Molly doesn't want her closest people to hurt her favorite man like this. This will make her miserable!

After Yun Yiyan asked Su Moli to calm down, he looked at Su Weiming, "Su Dong, I understand the reason why you are against it. However, you may not pay attention to one point. At the beginning, there is a special point in the contract. Once the contract is signed successfully, both parties can not go back on their promises. Once one of them repents, it will bear double penalty! Does Su Dong really want to know the consequences? Even if you sell off the whole Su family and St, everything can't afford. "

"You Su Weiming got angry. "You've come to hell!"

"No, it's also binding on both of us. Why don't you see it as a constraint on me? " Yun Yiyan said calmly to Su Weiming.

"What do you mean?"

"That's my promise to Su Molly. Once I am not good to her, then I will break the contract, the compensation is not a small amount. Even if I'm willing to pay, do you think the Huo Club behind me will agree? He would not agree. HD will never do business at a loss. This is the acquisition contract you signed for HD, but XY. "

Su Weiming was surprised to hear what Yun Yiyan said. This is what he didn't expect! There is such a relationship in this!"Yun Yiyan..." Hearing Yun Yiyan's words, Su Moli's face is moved. Who said that he was the only one who paid. Actually, Yun Yiyan paid a lot behind his back, or he had put his whole life on it.

Seeing that Su Weiming didn't make a sound, Su Moli then said, "grandfather, Yun Yiyan is not the person you want. In the past, those were rumors! It's some vile slander! If you don't believe it, you can ask Mr. Huo. "

At this time, Su Moli had to move out of Huo Dongyang. Yesterday she also heard Qiao Wei say that Xia Mingde didn't agree to be with Yun Yiyan at the beginning, but because Huo Dongyang didn't say much after a few words, she now adopts the attitude of one eye open and one eye closed. So Su Molly is going to gamble this time. What is Huo Dongyang's existence in city a, it must be known to many people.

After su Weiming heard Huo Dongyang's name, he also shook his spirits. By the way, there is another Huo Dongyang behind Yun Yiyan. Su Weiming thought for a moment, and finally the protection of Su Moli in his heart is greater than everything. Even if Huo Dongyang comes, this matter is not so easy to muddle through.

"No matter who comes, I still don't agree!" Su Weiming showed his attitude again.

Su Moli didn't expect her grandfather to be so tough this time. She frowned and looked at Su Weiming, "grandfather..."

"Don't talk about it. Go back to your room!" Su Weiming opened his mouth and ordered.

"I'm not going! Su Molly's temper also came out. "Grandfather, I'll tell you the truth! I'm already a member of Yun Yiyan. "

"What, what did you say?" Su Weiming asked in disbelief.

"We did everything last night." Su Molly also went out of her way.

[Chapter 476](#)

When I heard Sumeria, suweiming was first stunned, then he raised his hand to beat her.

Seeing suweiming to start, yunyiyan immediately block in front of sumberry. "Sudong!"

"Molly, you forget how I taught you, you actually do such things! How can I talk to your parents like you are!" Suweiming said with great pain that slowly he also put his hand down.

Yun Yiyan saw suweiming put down his hand, and he looked back at Su Molly, "why do you say such a thing!"

"I....." Su Mo Li lowered her head, and she just said that in a hurry. She was also worried that grandpa had been opposed, and she would blurt out.

"I apologize to your grandfather," yunyiyan sighed silently

Su Mo Li came out from behind yunyiyan, and she looked down at suweiming and said, "Grandpa, I am wrong."

Su Weiming glared at yunyiyan. He was also impulsive just now. If it wasn't for yunyiyan to block it in time, he might have really started. Now he will certainly regret. From childhood to college, he has been very painful for Su Mo Li, who was also suffering pain to send her out to study abroad. It's not easy. She'll be back. Thinking about keeping her at home for a while, the company did the same thing.

Then I thought that she would marry a good man, and he could let them live at home together. Such a family was still neat. I didn't expect that the girl had given herself such a big problem when she came back. This who is not good choice, choose cloud Yiyan.

Suweiming also felt tired. He stepped back and sat down in front of the sofa. He looked up at Su Mo Li who still stood in front of him, and in fact, he was not able to bear it. But when his eyes touch yunyiyan, he also immediately raises his attitude.

"It's too late to say sorry now." Suweiming opens.

"Grandpa..." Su Molly looked up at her grandfather. It was so difficult this time. What should I do next? It's not always possible to make the situation so rigid, and it's not good for anyone to go on like this.

Sumeria kept thinking about ways to calm the dispute. She has been so aggrieved at suweiming, hoping that he can be soft once. "Grandpa, don't you want me to be happy?"

"Grandpa certainly wants you to be happy. But you and Yunyi won't be happy together." Su Weiming replied.

"Grandpa, I and Yunyi will feel happy together."

"Jasmine! What this man did before was a shame!" Suweiming said staring at yunyiyan. "You let him tell you about it!"

Yunyiyan went on a step forward, and he stood with sumberry. "Sudong, if you are talking about me and Qiao Xin, I can explain it to you."

"I don't want to hear the mixed things you did before." Suweiming did not listen to yunyiyan's explanation at all. "What are you going to do with you and Molly now?"

Yunyiyan followed suweiming's question, "I want to be with Sumeria!"

"You mean you'll be responsible?" Su Weiming stared at yunyiyan and asked, if he dared to say a word, he would have to work out the old life with yunyiyan.

"So how does Sudong want me to take charge of it?" Yun Yiyan asked, and it seems that he is ready to agree to the tone of suweiming.

Suweiming suddenly smiled and said, "don't think I just promised you to ask like this. I can marry Jasmine tomorrow as well! That man is not you! "

"Since that, Sudong doesn't have to be in my charge?" Cloud Yi Yan picks eyebrows.

"Of course not. You ruined Molly's innocence, and of course you were responsible!" Su Weiming replied.

"Please say!"

Sumbery immediately realized that it was not right, "Grandpa! I have no marriage in my life except for yunyiyan! " Su Mo Li was nervous, because she knew that Grandpa wanted yunyiyan to help dad find the liver suitable for him, and exchange her own innocence for father's health!

Yunyiyan heard that sumberry suddenly changed her attitude, and he felt that there was a problem in it. Then he heard sumberry, "yunyiyan, you go back first! Don't stay here. "

Suweiming stared at Sumeria, and the child was really alert. I know it before I say it. This is also his way to save his son. The ability of yunyiyan and huodongyang is so big that it is certainly not a problem to find a suitable liver.

"What's wrong?" Yunyiyan thinks there is an indefinable secret between suweiming and sumali.

"Yunyiyan, you go back first." Sumbery's attitude has also become tough, so she doesn't want to use these deals to exchange her feelings with yunyiyan.

Suweiming said looking at Yun Yiyan. "I can't do it as you look. Forget it, you go! Don't come to Molly in the future. "

"You don't know, how can't I do it?" Yunyiyan really wants to hear what this requirement is!

Sumbery frowned to pull the hand of yunyiyan. "Yunyiyan, you don't ask. You'll go back first today! " Finish, Su Mo Li uses her hand to push cloud Yi Yan, but a hard, she felt the wound behind again split! A pain swept over the whole body of Sumeria. She didn't use her strength, so she fell on Yun Yiyan's body. Yun Yiyan immediately reached out and held Su Moli. "What's the matter?"

"Pain..."

As soon as Yun Yiyan hears this, he immediately goes to check Su Moli's back. As expected, the blood seeps out again. Yun Yiyan tightened his eyebrows and worried in his eyes, "don't you want to be excited! You just don't listen

With that, Yun Yiyan stopped and picked up Su Moli. "Let's go to the hospital!"

Su Weiming was also nervous when he saw this situation. "Molly, what's the matter with you? Don't scare grandfather

"To the hospital!" Yun Yiyan said aloud. *NOVELUSB.COM*

Looking at Yun Yiyan holding Su Moli out, Su Weiming immediately let Lao Liu drive.

Liu's speed is obviously not as fast as Yun Yiyan's driver. He is also trying to be stable. He thinks that Yun Yiyan will definitely take care of Su Moli. He is confident about this.

"Lao Liu, drive fast!"

"My Lord, that car is a high-end sports car. We can barely keep up with it."

"Keep up, then." Su Weiming said anxiously.

Lao Liu nodded and accelerated a little. He also said a lot. "Master, in fact, you really don't have to make trouble for Yun Yiyan and miss. Since the young lady likes Yun Yiyan, why don't you help them? "

"What do you know? What did Yun Yiyan do in the past..."

"The past is the past, and it does not mean the present. Today, I see that Yun Yiyan is also a responsible person. Otherwise, Huo Dongyang would not give him a company. It's that you don't embarrass them with your husband's situation. This will only make the young lady more disgusted. "

Su Weiming was said by Lao Liu, but he was also a bit upset. In fact, he also wanted to make su Mo Li live a better life. After all, she had no mother since she was a child, and her father was in poor health all the year round, so he could not take good care of her. As a grandfather, I'm old too. I just want her to live well for the rest of her life! Is there a mistake?

[Chapter 477](#)

hospital.

When Su Weiming arrived, he saw Yun Yiyan standing alone in the corridor. He walked over quickly.

"Molly, what's up?"

"Check it in." Yun Yiyan replied.

"How can Molly get hurt? She was all right when she went out yesterday." Su Weiming asked.

When Yun Yiyan heard Su Weiming's words, he felt guilty. "I was not good yesterday that made her hurt. I'm sorry!" *NOVELUSB.COM*

Seeing Yun Yiyan's sincere attitude, Lao Liu once again helped Yun Yiyan speak. "Master, in fact, the young lady was injured a few days ago, but she never let me say that she was afraid of your worry!"

Su Weiming immediately frowned. "How did you get hurt? How can these things be kept from me? You should tell me as soon as possible! "

Lao Liu then said, "the young lady was hurt by master Lei."

"What! Ryan, is that a tough guy? Why, Lei Junbo knew that I had found a supporter, so he let his son seek revenge? "

"I don't know the details, and miss didn't say much about it." Lao Liu replied.

When Yun Yiyan just wanted to explain, Lao Liu immediately asked Yun Yiyan not to say more. Now we can only divert Su Weiming's attention, otherwise he will continue to hold on to Yun Yiyan.

Since Lao Liu asked him not to be too busy, he did not continue to say. His eyes fell on the door of the examination room again, and he was more worried about the situation of Su Mo Li. It seems that after being with myself, she is injured every time. The wound has been treated for the third time since yesterday. Yun Yiyan is worried and worried about Su Moli's situation.

Su Weiming also saw the worry in Yun Yiyan's eyes. At this point, Su Weiming didn't want to argue with Yun Yiyan. He has to wait until Su Molly's situation comes out before he can handle it easily.

Half an hour later, Xia yueqian came out. He wanted to say something about Yun Yiyan. He said that he must pay attention to it many times, but he was still so careless. But when he saw Su Weiming, he also held back.

"Here comes Su Dong."

"How's Molly?" Su Weiming immediately asked.

"The wound is a little serious. I suggest that she still be hospitalized, and there are nurses to take care of her. Otherwise, if you go home and you can't handle it well, it will only be more serious if you get it again. "

Su Weiming nodded immediately. "Well, the doctor will do as you say."

Xia yueqian handed Su Weiming the list of hospitalization. "Go through the formalities first."

Looking at old Liu supporting Su Weiming to go to hospital, Xia yueqian looks back at Yun Yiyan. "Not done?"

"Su Weiming's attitude is very tough, it is estimated that he will not be so quick." Yun Yiyan replied.

"Come on Xia yueqian patted Yun Yiyan on the shoulder, "in fact, just said Molly asked to be hospitalized. You go in and have a look at her!"

Yun Yiyan nods. "Brother, please."

"Fortunately, my wife has a large number. Considering our work situation, I cancel my honeymoon. So I still come to work, or you'll have to be in a hurry. " Xia yueqian replied. "I'll go first. I've already explained the rest

When Yun Yiyan walked into the examination room, he saw Su Moli lying on the bed, "how are you?"

Hearing Yun Yiyan's voice, Su Moli slowly turns her head. "Nothing. But my brother just said me. It's going to be scarred this time! How ugly that wound looks

"Don't worry, I won't dislike you." Yun Yiyan said. He pulled a chair over. "When you were at home just now, what your grandfather wanted to say was interrupted by you in time?"

Su Moli's eyes are dark, "Yun Yiyan, don't ask. I don't want our relationship to be based on these deals. "

Yun Yiyan really understood this time. "That's why you wrote that letter last time?"

"Well!" Su Molly nods. "I just choose to be with you just because I like it. It's not based on these physical conditions. " So you don't have to accept my grandfather's request for me

"But now it's like I'm complicating this relationship." Yun Yiyan continued.

"That's because you want to help me and help St Su Molly replied. Yesterday, she also heard the inside story from Qiao Wei. For her own sake, Yun Yiyan risked the risk and helped st under pressure. Just for a little, she can't let grandfather embarrass him! This is what I can do for Yun Yiyan.

Yun Yiyan reached out and touched Su Moli's head, "does the wound still hurt?"

"No more pain." Su Molly said with a smile.

Yun Yiyan holds Su Moli's hand. Although he doesn't say anything, Yun Yiyan also has a decision in mind. Su Molly has paid so much for herself. This time, he also wants to work hard for her.

Su Moli was sent to the ward and fell asleep. Yun Yiyan was always by her side. When Su Weiming came back, he stood up and gave his position to Su Weiming.

Su Weiming looked at Yun Yiyan and murmured in his heart, "hum, it's a bit of eyesight.""Molly, I'll take care of it. Don't bother you. Go back first Su Weiming said.

Of course, Yun Yiyan would not go like this. He looked at Su Weiming and said, "Su Dong, tell me about the requirements you mentioned before."

When Su Weiming heard Yun Yiyan's words, he seemed to have some expressions of disbelief. "Do you want to accept it?"

"If I do, please don't stop me from being with Molly." Yun Yiyan also put forward his own requirements.

"Good!"

After that, Su Weiming told Yun Yiyan that he wanted to find a suitable liver to save Su Moli's father. But they have been looking for it for so many years and still can't find it. So Su Weiming also thinks that this is a great test for Yun Yiyan.

After knowing the situation, Yun Yiyan also went to discuss with Xia yueqian. Hearing Yun Yiyan's words, Xia yueqian asked, "where is Molly's father?"

"It's like in America." Yun Yiyan missed asking Su Weiming just now.

"It's not easy to find a liver, and it's also necessary to consider Molly's father's own situation. If he is not able to support his health, even if there is a suitable liver is useless! "

Yunyiyan heard Xia yueqian's words and immediately called Su Weiming to ask for all the information. After hearing what Su Weiming said, Yun Yiyan showed a smile. He felt that God was helping him. Su Molly's father is with Smith.

It seems that as long as through Smith, you can quickly know the situation of Su Molly's father. Yun Yiyan also told Xia yueqian about it.

"Yi Yan, it seems that he is lucky! It doesn't take any effort Xia yueqian pats Yun Yiyan on the shoulder.

Then Xia yueqian also for his brother's happiness, immediately got in touch with Smith, and soon got Su Jianhui's medical records in hand. Then Xia yueqian also began to discuss the treatment strategy with Smith.

[Chapter 478](#)

The next few days.

Su Moli thinks that every time Yun Yiyan comes to see her, she thinks he is busy with his work, so she doesn't ask too much.

Of course, Yun Yiyan did not tell Su Moli about the commitment he and Su Weiming made. Molly didn't want to say anything. Of course, Su Weiming would not be so stupid to say these things in Su Moli's face.

On this day, Su Moli watched Yun Yiyan go. She looked at Yun Yiyan with a look on her face and said, "I'm going to leave so soon. You've only been in for five minutes. "

"There's a lot going on in the company lately." Yun Yiyan said to Su Moli.

Su Moli knows that Yun Yiyan not only has to deal with XY, but also plans the next development of St. So he must be very hard! She reached for Yun Yiyan's hand. "Yun Yiyan, you must pay more attention to your body! Be sure to rest! "

"Don't worry! I'm not the one who came out to work on the first day. " Yun Yiyan replied.

"That's what worries people. It doesn't matter." Su Moli looks at Yun Yiyan and says.

Yun Yiyan showed a smile. "All right, I'm going."

Su Mo Li is reluctant to give up. She puts her arm around Yun Yiyan's neck and offers her own kiss. Yun Yiyan is so touched by Su Moli that he reaches out to buckle Su Moli's waist and kisses her deeply.

Two people in this way in the bedside affectionate kiss, even forget other things. For example, he forgot to close the door, for example, he forgot to wait outside the ward

Xia yueqian walked back and forth in the corridor several times, but he did not see Yun Yiyan come out. Didn't you say go in for a few minutes? How can't you come out? If you don't allow them to do pairing, the consequences will be serious.

Xia yueqian also decided not to wait. He went directly to ask Yun Yiyan to set out. Just walked to the door to see such a picture, he is also a man, know to interrupt other people's good thing is an immoral thing, but he also has no way. Finish the task in front of you first. These things will take a long time!

Xia yueqian knocked at the door, "yunyiyan, we will be late if we don't start."

Hearing Xia yueqian's words, Yun Yiyan and Su Moli almost open their eyes at the same time. When Su Moli wants to push Yun Yiyan away, Yun Yiyan still doesn't let go. He nibbles Su Moli's lips to punish her for her inattention.

Xia yueqian looked at the time again. "I'll give you two more minutes. Take your time." With that, Xia yueqian turned around and left. **noVeLuSb.cOM**

When Yun Yiyan sees Xia yueqian leave, he puts Su Moli's mouth in his arms and kisses Su Moli more brazenly. This time it was more urgent and violent than before.

As if he had calculated the time, Yun Yiyan really stopped 30 seconds before two minutes. Yun Yiyan releases Su Moli, and Su Moli gasps for breath.

Yun Yiyan's last kiss falls on Su Molly's forehead. "Take care of yourself! Wait for me to come back! "

When Su Moli comes back to her senses, Yun Yiyan has disappeared. Su Mo Li stroked her lips, and the smell of Yun Yiyan still remained on her lips. Her heart beat was still so fast that it could not be recovered for a long time. Su Molly was really worried that one day she would be out of breath in a kiss and die. In order to put an end to this situation, Su Molly decided to go to the tutorial to learn.

The next afternoon.

Su Weiming came to pick up Su Moli from hospital. Su Moli has not moved, because today Yun Yiyan did not come to the hospital to see her. So she has to wait for Yun Yiyan to come back.

"Molly, why don't you pack up?" Su Weiming has completed the discharge procedures and comes back to see Su Moli standing in front of the window.

"Yun Yiyan hasn't come today. I'll wait for him." Su Molly replied.

After hearing Su Moli's words, Su Weiming realized that Yun Yiyan had not told Su Moli about his trip to the United States today. Su Weiming went to Su Molly and said, "don't wait today. He will not come today. "

Su Molly frowned at once. "Grandfather, did you not let him come?"

"You have wronged my grandfather." Su Weiming replied. Recently, seeing that Yun Yiyan is so concerned about his son's affairs, his attitude towards Yun Yiyan is also slightly better. He knows that Yun Yiyan and Xia yueqian are going to the United States today. They are taking the man to make a match with Su Jianhui.

Su Molly looks at Su Weiming. "Grandfather, are you hiding from me?"

Unable to bear Su Molly's staring eyes, Su Weiming also surrendered, "Yun Yiyan went to the United States today."

When Su Molly heard the news, she was surprised, "what's going to America?" Yun Yiyan didn't tell himself about it yesterday. How could he suddenly go to the United States. Is there something wrong with his leg? Or go there on business?

Su Molly calls Yun Yiyan immediately. He turns off the phone as expected! Su Moli thinks it's something she thinks about. She calls Qin Hao right away. She vaguely remembers that Qin Hao and Jian Lan also went back to the United States these days.

Uncle Qin, where are you

"I'm ready to board at the airport. What's the matter? " Qin Hao also asked on the phone.

"Is Yun Yiyan with you?" Since they are going back to the United States, they should go with them." It seems wrong for you to call me instead of calling him." Qin Hao said with a smile.

Su Molly just wants to make sure whether Yun Yiyan is with them. If so, she can rest assured.

"No! He heard from Huo Dongyang that he had asked for leave these two days. "

Hearing such news, Su Molly was anxious. "Yun Yiyan went to America."

"Is it? I don't know! Did he go by early morning plane? " Qin Hao guessed.

"Uncle Qin, when you get to America, can you help me find him?" Su Molly said anxiously.

"Well, don't worry!"

After Su Molly finished the call, she was still upset. She continued to call Yun Yiyan and turned off the phone as expected. What on earth does he go to America for? How can I leave without an explanation. Su Mo Li has no choice but to call Qiao Wei. As a result, even Huo Dongyang and Yun Yiyan have gone to the United States.

Su Moli thinks more and more that something is wrong. She puts down her mobile phone and looks at Su Weiming. "Grandfather, did you say something to Yun Yiyan? Uncle Qin, they don't know that Yun Yiyan has gone to America. Now only you know! You always tell me! Did you and Yun Yiyan discuss the terms? "

Su Weiming is not comfortable with Su Moli's gaze, so he wants to escape. Su Weiming turns to go. Su Moli stands in front of him, "grandfather!"

"Yes! I've offered him a way to save your father Su Weiming told Su Moli the truth.

After hearing this, Su Mo Li can't help but step back. "So Yun Yiyan went to America for his father's sake?"

"Yes Su Weiming didn't tell Su Moli about the specific situation.

Su Molly calmed down and she ran out. She wants to find Xia Yueqian and ask him to stop Yun Yiyan from doing it. But when I arrived at Xia Yueqian's office, I found that Xia Yueqian was not there. It seems that Yun Yiyan went with Xia Yueqian.

Su Molly didn't stop. She left the hospital immediately. Now only one person can tell her the real answer.

[Chapter 479](#)

Su Moli stops a car and goes directly to XY. She has to find Yun Muxin, because only in this way can she know the itinerary of Yun Yiyan and Xia Yueqian.

Su Molly's heart is worried, constantly let the driver drive faster, she worried that if she went late, Yunmuxin also left. It's really important to her. So she must be clear. Su Molly reached out and pressed her heart. Her heart beat too fast! She was worried about Yun Yiyan and my own father. She didn't want anything to happen to both of them.

After arriving at XY, Su Moli found that she didn't have any money. She looked at the driver in embarrassment and said, "excuse me, master! I just came out in a hurry and forgot to bring the money. Do you think you can leave a phone call and I will send the money to you later? "

"No! I think you're in a hurry. You should be in a hurry Su Molly didn't expect to meet a good driver. Su Molly said thank you several times before getting out of the car.

Su Molly directly into the elevator, because her speed is very slow, so the security guard has no time to stop her. After su Molly got out of the elevator, she went to the vice president's office immediately.

"Sister in law!" Su Molly pushed open the door of Yun Muxin's office and called.

There are other people in Yun Muxin's office, but they don't seem to respond to Su Moli's intrusion. Cloud Mu Xin is also in Leng for a while, immediately come back to God, she frowns at Su Mo Li, who is still wearing the sick clothes.

Seeing that all the people's eyes fell on her, Su Mo Li lowered her head and looked at herself. She was in a hurry just now and didn't even change her clothes. At this time, she has no way back. "Sister in law!"

Hearing Su Moli call herself again, Yun Muxin is very difficult to accept. She always feels that she is called old. Yun Muxin lets others go out first. She looks at Su Moli standing at the door. She knew that Su Molly would come to her, but she didn't expect her to appear so quickly.

Seeing the look in Yunmu Xin's eyes, Su Moli lowered her head and whispered that she was sorry.

"Know what's wrong?" Yun Muxin stood up as he said. She goes to Su Molly, reaches out and pulls her into her office and closes the door.

"Sit down and say it." Yunmuxin poured a glass of water for Su Moli. "Have a glass of water first."

"Thank you, sister-in-law." Su Mo Li reaches out to take the water from Yun Mu Xin and gulps it down.

Yun Muxin sat down opposite her, "don't call me sister-in-law! You can call me sister, but not sister-in-law. "

"Oh..." Su Molly nods. "I have something to ask my sister."

"Do you want to ask about my second brother?" Yun Muxin directly asked, and only this question would make her so anxious to run over.

Su Moli nodded repeatedly. "Well, yes! Sister, can you tell me? "

Cloud Mu Xin can see that Su Moli is really worried, so she also tells Su Moli about the matter. Finally, she told Su Moli about Yun Yiyan's request. "The second elder brother said that he asked you to wait for him to come back. Other matters should not be interfered with for the time being."

At this time, Su Moli just reflected on the almost overbearing kiss of Yun Yiyan yesterday and the words he said when he was leaving. He really said to himself that he would wait for him to come back. At that time, he was saying goodbye to himself, but he was in the heart of the clouds, so he did not react at all.

"So how long will Yun Yiyan go?" Asked Su Molly.

"I don't know. It depends on your father. " Cloud Mu Xin answers. "But you don't have to worry about it. The more modest you are, the more you will go. So the success rate will be higher. "

"Can it be so?" Su Mo Li some can't believe, because her father this body has been dragging for so long, has not been getting better. Now tell her, dad will be better, she still feel some incredible!

"Of course! Xia yueqian is a famous doctor. He has saved a lot of people, otherwise you think his professor's name is bought back! " Speaking of my husband's voice.

Su Molly heard Yun Mu Xin's words, and her worry was a little less. Or she should believe in Yun Yiyan and Xia yueqian. Maybe her father will come back with them! This is the best ending.

Seeing Su Molly's appearance, Yun Muxin couldn't help but vomit and said: "it's also the first time that I saw the second brother's attention to a woman. The previous Qiao Wei and Jian LAN didn't have such treatment! So you must be nice to the second brother in the future! Otherwise, I will never let you go! "

"I will! I will make Yun Yiyan happy Su Molly also promises to Yun Mu Xin.

"I hope after this time, your grandfather won't object again!" Cloud murmured. You know, for the sake of Su Molly's father, Yun Yiyan spent a lot of money. The money, together with the money from St, is sky high.

In order to be together with Su Moli, Yun Yiyan is totally free this time. If Su Weiming's old guy has anything else, Yun Muxin will go and have a good theory with him! This is a bully!"Sister..." Hearing Su Molly call herself, Yun Mu Xin looks at her. "What's the matter?"

"Can I have a phone call with Yun Yiyan? I just want to know if he is OK?" Su Molly really wants to hear the voice of Yun Yiyan.

Yun Muxin shakes his head. "Xia yueqian said when he left, don't call them. They need to be attentive and quiet now. So you have to bear with it. I think the second brother will call you if he wants you

Su Molly is a little lost, "so I can only wait."

"Think about your future, and forbearance now is for a better future." Cloud Mu Xin answers. Or it's also a test for Yun Yiyan and Su Moli.

Hearing Yun Muxin's words, Su Moli can only bear it. Yun Muxin has a saying about her heart, that is the future of her and Yun Yiyan. This is more important than any other situation. So she's bearing it now.

After that, yunmuxin found a suit of clothes for Su Moli to change. Yun Muxin is tall, so Su Moli looks a little big in her clothes. Seeing that Su Moli was wearing her own clothes was funny, Yun Muxin looked at her for a while and began to transform her.

After the remake, the dress looks better with Sumeria. Cloud Mu Xin saw his finished product also nodded, "good!"

Su Molly looked at herself in the mirror and thought that she was very suitable for herself. "Sister, you are really good!"

"Cloud Mu Xin smiles," this is also his old line, will certainly be good. "

"My sister gave up her dream. Do you think it's a pity?" Asked Su Molly. *NOVELUS\$B.com*

Yun Mu Xin shook his head. "It's not a pity. It depends on your choice."

Su Molly heard Yun Mu Xin's words and gave her a lot of encouragement, yes! I really see how I choose.

[Chapter 480](#)

The next time, day by day, two months later.

Su Moli will do one thing every day, that is, waiting for the call from Yun Yiyan, but she has never received it. Su Moli sometimes thinks that what happened to her and Yun Yiyan is just a dream! A dream so beautiful that she didn't want to wake up! If it's a dream, she really hopes she won't wake up.

Su Molly's eyes fall on her mobile phone again. When will that special ring ring ring ring? Su Moli also asked Yun Muxin a few days ago. In fact, she knows that Xia yueqian must have called Yun Muxin, but Yun Muxin is not willing to tell herself the situation.

So up to now, Su Molly has never known about the situation in the United States, and she dare not inquire, because she is worried that it will be bad news, but she is afraid to escape. Su Molly thinks she is a contradiction! With a gentle sigh, she withdrew her eyes from her mobile phone and returned to the files and data in front of her.

Yes, for the past two months, she has also kept her promise to work in St. she has worked hard every day to learn the things she doesn't like very much. But in order to get closer to Yun Yiyan, she forced herself to learn even if she didn't like it. Because she doesn't want to go out and lose the face of Yun Yiyan, she doesn't want other people to say that she has an appearance without any connotation.

Su Weiming came to see Su Molly and saw that she was looking at the materials with her head down, and he felt more or less comforted. But he also knew that Su Moli did this for Yun Yiyan. It seems that the boy has a great influence on her. After this period of observation, Su Weiming really changed his attitude towards Yun Yiyan. But if you want to be a son-in-law, you still have to think about it.

Of course, Su Weiming would not easily place this head in the name of Yun Yiyan helping ST or going to the United States to save his son. Now st is gradually back on track, so he does not want Su Moli to marry so early!

She also seemed to notice that someone was looking at her, and Su Molly raised her head. Just saw Su Weiming standing not far away, "grandfather..."

"Well! Grandfather is here to ask you to eat Su Weiming replied.

"Oh, I'll be right there." Su Mo Li nods, but her eyes continue to fall on those materials, and she doesn't seem to want to get up. Su Weiming did not continue to call, but turned to leave. *nov\$lu\$B.com*

Ten minutes later, Su Molly appears in Su Weiming's office.

Seeing the food on the table, Su Molly asked strangely, "grandfather, why didn't you eat it?"

"Wait for you Su Weiming replied.

Su Molly smiles. "Grandpa, don't wait for me next time. You can eat it first. "

"I don't think I'll wait for you to eat. You won't be able to." Su Weiming's answer also reminds Su Moli of Yun Yiyan. I don't know if he has a good meal this time! Thinking of this, Su Molly is also worried.

Seeing Su Moli's worried eyes, Su Weiming knows that she must think of Yun Yiyan again. "Thinking about that boy again?"

Although she didn't name her name, Su Moli also knew who the boy in Su Weiming's mouth was referring to, and she nodded directly. "Well! Worry every day! Think of him every day

Do you know you're ashamed Su Weiming said as he handed Su Moli chopsticks.

"There's nothing to be ashamed of. I just like Yun Yiyan! So it's natural to worry about him and think about him! Don't these grandfathers know that, too? "

Su Weiming also appears helpless. Since the incident between Su Moli and Yun Yiyan came to light, Su Moli certainly did not say a lot of good words from Yun Yiyan in front of her. Of course, he also knew these things. It's just that he can't accept that Su Moli will force herself to believe that Yun Yiyan is the best idea whenever she has time.

"I see. Eat now Su Weiming thinks that if she doesn't stop Su Molly, she will talk all the time.

After lunch, Su Molly receives a call from Yun Muxin, asking her to go to XY for a meeting.

Su Molly received the call and set off immediately. After arriving, Su Moli found that Huo Dongyang was also there. "Uncle Huo, you are here too."

"Don't call me that in the company."

"Oh Su Molly nodded immediately.

This meeting is presided over by Huo Dongyang. Yun Yiyan is not here. Huo Dongyang is in charge of all the recent XY affairs. Su Molly sometimes thinks how powerful Huo Dongyang is to manage several companies at the same time. I really admire him from my heart!

The meeting didn't last long. Huo Dongyang stopped Su molli when he saw her leaving.

"Huo always has something to do?"

"Yun Yiyan wants me to convey it to you." Huo Dongyang replied.

Hearing Yun Yiyan have something to say to herself, Su Moli wheezes to Huo Dongyang's face, with expectation in her eyes. "What does Yun Yiyan want to tell me?"

Huo Dongyang saw Su Molly's look of expectation and knew that she was worried. "Good news and bad news. Which one do you want to hear?"

Su Molly frowned, but there was good news and bad news. No, there's something wrong with dad! Su Molly looked at Huo Dongyang and asked in a low voice, "how bad is that bad news?" "Well, it depends on your acceptance." Huo Dongyang replied.

Su Mo Li hesitated for a moment and chose to listen to the bad news. "Then listen to the bad news."

"The bad news is that Yun Yiyan didn't come back so soon. Jian LAN is about to produce. I'll let Yun Yiyan take charge of Qin Hao's work. " Huo Dongyang replied.

Hearing this, Su Moli was relieved, but soon her mood was low, because she and Yun Yiyan could not meet.

Seeing Su Molly's lost look, Huo Dongyang laughed, "the good news is that your father's operation has been successful!"

Su Molly's eyes lit up. "Really?"

"Well! The liver transplantation was successful without any rejection. He will come back when he is better. " Huo Dongyang replied.

Su Molly's face immediately changed into a smile. "Great! Dad is really getting better! "

Huo Dongyang finished the task is about to leave, Su molli immediately called him, "Uncle Huo, where are you going?"

"I'm going to QW."

"Can I get a lift? I want to see the children. " Su Moli originally wanted to visit Qiao Wei and the children in Jiangwan villa after work.

"Let's go!"

Huo Dongyang went to QW to get a document, so he asked Su Moli to wait in the car. Su Molly is sitting in the car playing with her cell phone. She looks out of the window from time to time.

Suddenly a figure enters Su molli's sight range, that person is the woman who talked with Yun Yiyan last time. Su Moli didn't deliberately ask about Yun Yiyan's past, but she always knew that there was such a person, Qiao Xin, who made the headlines with Yun Yiyan.

Sometimes a woman's intuition is really accurate. Su Molly has an answer in her mind. The woman in clean work clothes was Qiao Xin. Thinking of this, Su Molly pushes the door open.
