

Warm Wife 491

[Chapter 491](#)

Xia Yunqiao's words let Tang Yixuan have some accidents. Since she is worried that her family knows, why should she take such a risk to come to C City? Is Chu Zifeng so important in her heart?

Think of here, Tang Yixuan in the heart is not happy, before did not know Xia Yunqiao's identity even if, now oneself knew, then he would not stand idly by. The man standing beside Xia Yunqiao must be himself, absolutely not other men!

Xia Yunqiao did not notice Tang Yixuan's eyes at all. Her focus was on the headline news. If you remember correctly, when she snatched the bride, many people took out their mobile phones to face them. Now it takes only a few seconds for videos to be uploaded online. So now mom and dad know they're doing this.

Xia Yunqiao put down her hand. She was in a low mood. She lowered her head. What should we do now? They told themselves that they could not come to C City since they were young, and she had made an agreement with them. As a result, he was all of a sudden by Chu Zifeng to get married. He ran to C city without saying anything, and now he still makes such a thing.

"What's the matter with you?" Tang Yixuan sees Xia Yunqiao's difference.

Xia Yunqiao raised his head again with tears in his eyes. "What should I do now? My father and mother must be very angry with me

"Why are they angry with you?"

"Because they never let me come to C City."

This answer, instantly let Tang Yixuan frown, as for this reason should be because of themselves. That move should have made them feel scared. Although he knows, Tang Yixuan still has some questions.

"Why?"

Xia Yunqiao looks at Tang Yixuan, always feel that he has a very strange feeling, strange with a touch of unclear familiarity, is that they seem to have known for a long time.

See Xia Yunqiao in a daze. "Why don't you talk?"

"Have we met?" Xia Yunqiao almost blurted out and said that she quickly covered her mouth.

Tang Yixuan smiles. "What do you think?" Now Xia Yunqiao is much more lovely than at that time, and he also likes it.

Xia Yunqiao quickly put those messy things aside, she thought for a while before opening. "I really didn't mean to do anything today. Please forgive me if I did something too much. I'm really drunk and don't remember what I said

Tang Yixuan put away his smile and became serious. "But it's too late to say that. Today, you managed to get rid of my bridal anger and upset the wedding scene. And you've been asking me at the scene why I abandoned you, or even said you were pregnant. So in view of this, you should be responsible for my life

Hearing Tang Yixuan's words, Xia Yunqiao opened her mouth, and her surprise level could simply plug an egg. "Do I really say that?"

"You can watch the news if you don't believe it." Tang Yixuan replied.

Xia Yunqiao of course will not go to see, perhaps she has been denounced now. The man in front of him is not an ordinary person. If he can hold a wedding ceremony in the Royal Court Hotel in C City, his status is either rich or expensive.

"By the way, I don't know your name yet." Xia Yunqiao asked.

"In fact, you can call me..." Tang Yixuan deliberately dragged the end of the back.

Xia Yunqiao saw Tang Yixuan stop, "what?"

"I don't mind if you call me husband."

[Chapter 492](#)

This word comes out, Xia Yunqiao whole person immediately petrified.

She has never seen a man who is so arrogant that she calls her husband as soon as she opens her mouth! This man's brain is OK! Or is he just taking revenge on himself for destroying his wedding!

Xia Yunqiao readjusted his mood and then said, "this gentleman, you are obviously taking advantage of me."

"I didn't. You said today that I will only marry you in my life. So if you don't call me husband, what do you want to call me?" Tang Yixuan then refuted.

Xia Yunqiao listened and patted his forehead. God, in this case, she would not have said it if she had been killed at ordinary times! As expected, drinking is a mistake! Sure enough, you can't use that move. It's all due to Maggie's bad ideas. What kind of drunkenness makes people dare! It turned out like this! This man seems to be completely unreasonable, what to do!

She looked at Tang Yixuan. His Obsidian eyes seemed to have a magnetic attraction. Xia Yunqiao didn't know what to say?

This man looks like this, it is really 360 degrees, there is no dead corner, that face is a gift from God, nothing long so handsome, what to do! In addition, she has always been Yan control, so she can't say any heavy words.

Tang Yixuan from Xia Yunqiao's eyes to see her mind, he is like this of her. "If you don't speak up, I'll take it as your promise."

"No way!" Xia Yunqiao wakes up in an instant. This is not the time to indulge in beauty! "I said just now that I have someone I like. You and I can't be!"

"Because of the man named Chu Zifeng?"

Xia Yunqiao frowned. "You investigate me?"

"It's from your own mouth. All the way back, you've been holding my name and saying a lot about your past. "

Xia Yunqiao a listen, this time really lost face. To prevent Tang Yixuan from going on, Xia Yunqiao quickly reached out to cover Tang Yixuan's mouth, "don't say any more!"

Tang Yixuan found that he especially liked to see Xia Yunqiao flustered, her hands soft and comfortable. Tang Yixuan reached out and took Xia Yunqiao down. "It's useless for you to do this."

"Then I need to pay you for the seal?" This is the solution Xia Yunqiao can think of.

Tang Yixuan picked an eyebrow, "this is a good note."

"How much do you want?" Xia Yunqiao immediately asked, can use money to solve is simple.

Tang Yixuan's eyes with a trace of cunning, of course, Xia Yunqiao did not notice. Tang Yixuan stretched out his finger and hooked it. "If you get closer, I'll tell you."

Xia Yunqiao moved his body, slowly close to Tang Yixuan. Xia Yunqiao looks up at Tang Yixuan. "How much do you want?"

Tang Yixuan bent down a little, but his eyes were fixed on Xia Yunqiao's lips, "I want to..."

"Well..." Xia Yunqiao saw the sudden enlargement of the handsome face, and then felt his lips a hot, there are two pieces of warm cover above.

Xia Yunqiao's brain suddenly short circuit, this is

Tang Yixuan put Xia Yunqiao's expression into his eyes. He reached out and clasped Xia Yunqiao's head to prevent her from moving around. He took the initiative to deepen the kiss.

A burst of mobile phone ring broke the warmth at this time, Tang Yixuan frowned, but he did not let go of Xia Yunqiao.

Because of the bell, Xia Yunqiao woke up and pushed Tang Yixuan away. "What are you doing?"

"Sealing fee." Tang Yixuan said with a smile.

[Chapter 493](#)

Xia Yunqiao stares at Tang Yixuan. She reaches out to wipe her lips, but she is held down by Tang Yixuan.

"What are you going to do?" Xia Yunqiao angry, this man is a decent guy! Bai has an invincible face.

Tang Yixuan approaches Xia Yunqiao again. "Angry?"

"Yes Xia Yunqiao nodded. "It's not right of you to do this!"

Tang Yixuan narrowed his eyes, "Hello, stay here, I'll pick up a phone call." With that, Tang Yixuan naturally touched Xia Yunqiao's head.

Then Xia Yunqiao watched him pick up his mobile phone and walk out of the room. All of a sudden, the whole room was quiet.

At this time, Xia Yunqiao has free time to pay attention to everything in the room. The room is very clean and tidy. You can see that this guy is quite good at life. Although the decoration of the room is simple, it is low-key and luxurious.

After a while, Tang Yixuan opened the door and came in. Xia Yunqiao clearly saw that his expression was serious, but he became gentle when he fell on himself. Xia Yunqiao really can't figure out what happened to him?

"I'm leaving." Xia Yunqiao said. After all, this place is not a place to stay.

Tang Yixuan frowned at Xia Yunqiao's words. She wanted to go, which was not an easy thing. Since she actively appeared in front of him, he didn't want to let her leave so easily. He cherished every minute and second with her.

"I think you're hungry too. Wake up and eat something."

Don't say that it's OK. Xia Yunqiao's stomach is really cooing. There was a slight embarrassment on her face. "This..."

Tang Yixuan smiles. "I didn't eat either. Let's go together."

Xia Yunqiao followed Tang Yixuan out of the room, the table has put the food.

"Master, dinner is ready."

"Thank you, Ma Xu."

"If it's OK, I'll go back first."

"OK."

When Xu's mother left, she deliberately looked at Xia Yunqiao, and then gently nodded her head at Xia Yunqiao. Xia Yunqiao immediately nodded to her politely.

Xu's mother is actually Xu Nan's mother. Because Tang Yixuan often does not cook by herself at home, she is responsible for cooking for him in the evening and helping him clean up the house.

For Xia Yunqiao, she has also heard from her son. Now see a real person, should be a good child! Before in Zhiquing see oneself have never seen oneself, but just now Xia Yunqiao immediately returned to him. It seems that the young master's eyes are really good.

"What are you doing there, aren't you hungry? Sit down and eat. "

"Oh Xia Yunqiao saw Xu's mother leave before walking to the table.

Or is really hungry, Xia Yunqiao low head to eat, the whole process did not speak. It can be seen that her tutor is very good. She can eat without speaking. She has no sound at all and doesn't waste food. She can eat whatever she wants.

Looking at her like this, Tang Yixuan has no interest in eating at all. She has been satisfied with eating.

Xia Yunqiao feels Tang Yixuan's line of sight. She raises her head and looks at Tang Yixuan. I look at my eyes. She put down her chopsticks. "Why don't you eat? I have something on my face?"

"All of a sudden, I think you are beautiful!"

Xia Yunqiao has just had a bite of rice when he hears Tang Yixuan's following sentence, "don't you think we two are quite matched?"

The next second, Xia Yunqiao spouted out a mouthful of rice

[Chapter 494](#)

"Poof..." Just this mouthful of rice on the table, but still some rice directly spray to Tang Yixuan's 360 degree no dead corner handsome face.

Xia Yunqiao saw the funny picture in front of him, stupefied for a moment, and then couldn't help laughing. But seeing Tang Yixuan's face sink, she immediately stopped. "I'm sorry, I didn't mean to!"

Tang Yixuan is not angry with Xia Yunqiao. She is the first and only one who dares to spray rice on her face. Tang Yixuan reached for the paper towel and wiped the rice grains off his face.

"I'm sorry!" Xia Yunqiao apologized again.

"Eat!"

Then two people did not say a word, that is to eat quietly. See Xia Yunqiao put down his chopsticks, Tang Yixuan asked: "full?" *nOvelusb.com*

"Well!" Xia Yunqiao nodded, in fact, she was thinking of an important thing, so there was no appetite.

"What's the matter?"

Xia Yunqiao's eyes are sad, today he went to the wrong place, so it is not on behalf of Chu Zifeng and that young lady has been married. After all, he broke his promise to himself.

Xia Yunqiao's tears instantly filled his eyes, that is, she and Chu Zifeng have been impossible. I tried my best to come to C City, but I couldn't change the ending.

A box of paper towels came into his eyes like this. Xia Yunqiao looked at Tang Yixuan. She bit her lips and tried not to let her tears flow down. But the more I want to bear it, I can't help it. My tears fall down directly.

Tang Yixuan saw Xia Yunqiao's tears, and his heart was tight. He didn't like to see her tears, especially for other men's tears. Tang Yixuan action is not very gentle, take out a piece of paper to help Xia Yunqiao wipe away tears.

"Xia Yunqiao, to cry is to cry!"

This one is to let Xia Yunqiao burst into tears. Since knowing that Chu Zifeng is going to get married, she has been depressed. Now I can't help it again.

Tang Yixuan heartache Xia Yunqiao pulled up from the chair, and then took her into his arms, "cry out loud, don't cry for him again! I don't like it! "

Xia Yunqiao thinks Tang Yixuan's arms are warm and reliable. Of course, she won't go into deep research on why. At least now she's not alone.

After that.

Xia Yunqiao asked Tang Yixuan to borrow his mobile phone and made a phone call. After all, she is not good to continue to disturb Tang Yixuan tonight.

"Brother Zichen, can you pick me up?"

Xia Yunqiao then looked at Tang Yixuan and asked, "the address here is..."

Tang Yixuan told Xia Yunqiao the address. He wanted Xia Yunqiao to stay, but he was worried that it would backfire if he was forced too hard.

Half an hour later.

Qin Zichen drove to pick up Xia Yunqiao.

When Qin Zichen saw Xia Yunqiao, he immediately stepped forward. "Little Joe, are you all right?"

"I'm fine." Xia Yunqiao shakes his head.

Qin Zichen looks at Tang Yixuan standing behind Xia Yunqiao. "This is..."

Tang Yixuan walks to Qin Zichen. "Tang Yixuan!"

"Qin Zichen!"

After Qin Zichen finished, he immediately helped Xia Yunqiao to get on the bus.

See Qin Zichen to go, Tang Yixuan stopped him: "please wait a moment."

"Anything else?"

"Take good care of her!"

Qin Zichen nods, he feels Tang Yixuan to Xia Yunqiao is not simple. But he didn't say it, because they would leave C City tomorrow, and Xia Yunqiao would not come back, and this place is not Xia Yunqiao can come!

At this time, Qin Zichen didn't know that the man in front of him was the boy who gave Xia Yunqiao a necklace. If he knew that, he would not speak so well.

[Chapter 495](#)

Back to the hotel.

Xia Yunqiao is still depressed, or because of the reason she just cried, her heart seems not so sad.

Qin Zichen reached out and handed a cup of water to Xia Yunqiao, "drink a cup of water first!"

Thank you Xia Yunqiao raised his head and whispered a word, then took the water cup.

Qin Zichen sat down opposite Xia Yunqiao. "Who is Tang Yixuan?"

This time, Xia Yunqiao came to C city with himself. He is also too noisy by her, will promise to bring her over. In the morning, he had a meeting in C City, so he went out early in the morning and disappeared when he came back! And her cell phone, her purse and everything were in the room.

Later, Qin Zichen guessed that Xia Yunqiao must find Chu Zifeng, but when he called Chu Zifeng, he told himself that Xia Yunqiao did not appear. When he was in a hurry, the girl also knew to call himself, and he was relieved. Otherwise, he will be scolded to death if he goes back!

But just saw that man named Tang Yixuan, Qin Zichen felt that this man was not simple, and he looked at Xia Yunqiao with different eyes. So Qin Zichen is eager to know what happened to Xia Yunqiao!

Xia Yunqiao's face suddenly became heavy. "Brother Zichen, what do you think I should do?" Then Xia Yunqiao told Qin Zichen what happened today.

Qin Zichen heard is a surprise, see xiayunqiao again lower his head, "Xiao Qiao, you really made trouble this time."

"I know! What do you think I should do! It's all happened. " Xia Yunqiao looks regretful.

Qin Zichen comforted Xia Yunqiao a few words, then let her have a rest first. He took out his mobile phone to search today's news. Sure enough, Tang Yixuan's news was everywhere, but the news only said Tang Yixuan repented, but did not mention Xia Yunqiao.

It seems that the news has been blocked before it comes out again. After Qin Zichen also went to check Tang Yixuan's information, this person turned out to be Tang's successor. It's just that Qin Zichen always thinks that he has heard the name, but he also remembers where he has heard it.

Qin Zichen didn't go further into it, and then the computer turned off. Anyway, this place, Xia Yunqiao will not come again.

The next morning.

Qin Zichen dragged the suitcase out of the door of the room, he went to knock on the door of Xia Yunqiao. "How are you, Little Joe? We're leaving for the airport. "

Xia Yunqiao immediately opened the door and looked flustered, "brother Zichen, my necklace is missing!"

"What?" Qin Zichen frowned. This necklace Xia Yunqiao was brought from childhood to big, in addition to changing the chain in the middle, he never took it down. How could it suddenly disappear. "Have you found out?"

Xia Yunqiao nodded repeatedly. "Well!"

Qin Zichen went into the room to help Xia Yunqiao look for it, but all the things were turned over and never found. Then it can only be said that it has fallen somewhere. "I think you lost it some time yesterday. But that's good. You can get a new one. "

This is better than wearing the shackles. The little boy should have forgotten the promise at the beginning, so he never came to find Xia Yunqiao. A person's persistence is really ridiculous.

Xia Yunqiao shakes his head. "No! This is very important to me! "

"Joe, I think you're contradictory." Qin Zichen pointed out directly. *novELUSb.cOm*

"Well?" Xia Yunqiao looked at him with a puzzled face, "why do you say that?"

[Chapter 496](#)

Qin Zichen sighed helplessly. He took Xia Yunqiao and sat down.

"Isn't it?" Qin Zichen asked. "You want to keep the promise you made when you were a child and wait for that person to come back to you. In addition, you and Chu Zifeng mix together, even for his pursuit to C City. Isn't that contradictory? "

"I..." Xia Yunqiao opened his mouth and could not say a word of excuse.

Because Qin Zichen is right. He is indeed a contradiction. The reason why he was together with Chu Zifeng was that he gave him a familiar feeling, which was similar to that of the little boy.

Qin Zichen saw Xia Yunqiao silent, and then added a sentence to her. "Now there is another Tang Yixuan. What are you going to do with it! I don't think Tang Yixuan is an oil-saving lamp either. "

Hear Qin Zichen mention Tang Yixuan, Xia Yunqiao think is what, "can fall in his home?"

At this moment, the phone rings in the room.

Qin Zichen went to pick it up. "What's the matter?"

"There is a gentleman here to see Miss Xia."

Five minutes later.

Qin Zichen and Xia Yunqiao appear in the hotel hall. Xu Nan immediately walks forward after seeing them.

"Mr. Qin, Miss Xia."

"Are you?" Qin Zichen narrowed his eyes.

Xu Nan nodded, "I'm the assistant of general manager Tang, Xu Nan. Mr. Tang asked me to send this to Miss Xia. "

Xu Nan handed the bag to Xia Yunqiao. "Miss Xia, please take it."

Xia Yunqiao reaches for the bag handed over by Xu Nan and takes out the box inside. It turned out to be my own necklace. "This is..."

"Mr. Tang said that this was left at home by Miss Xia yesterday, so let me send it to you."

Thank you Xia Yunqiao immediately said thank you, this is really too important for himself. If that person appears in the future, she can return it to him. Well, at this moment, my heart is back at last.

Then Xia Yunqiao immediately put the necklace on, so as not to disappear again. But now she did not know that the necklace was implanted with a chip. This chip is actually a security device, as long as Xia

Yunqiao is in danger, it will automatically send out a distress signal! This is why Tang Yixuan took down Xia Yunqiao's necklace. The purpose is to protect Xia Yunqiao.

It turned out that way at the wedding yesterday. Tang Yixuan was worried that the people at home would deal with Xia Yunqiao, so he had to do it. This is also Tang Yixuan let people rush out all night, must be sent here before Xia Yunqiao leaves.

Xu Nan saw Xia Yunqiao immediately put the necklace on, and he was relieved. This young master's efforts are not in vain. "Mr. Qin and Miss Xia, Mr. Tang also told me to take you to the airport in person, so please come here..."

"What about Tang Yixuan?" Xia Yunqiao asked.

"General manager Tang has something to deal with today, so he can't come to see Miss Xia off." Xu Nan replied.

Xia Yunqiao hears Xu Nan's words, in the heart how many some worry Tang Yixuan. When she couldn't sleep yesterday, she actually went to watch the news secretly. Tang Yixuan for their own and repentance of the matter are all on the headlines, but there is not a photo or video. So Xia Yunqiao thinks this should be the meaning of Tang Yixuan.

He ruined his wedding. It seems that he can't say a sincere apology. "Well, please say sorry for Tang Yixuan and me! I didn't mean to ruin his wedding

Xu Nan just nodded but did not answer.

[Chapter 497](#)

After that, Xu Nan drove Xia Yunqiao and Qin Zichen to the airport.

Along the way, Xu Nan drives conscientiously, without a word, that is to do a good job as a driver.

In the car, Xia Yunqiao's mobile phone rang. To see the number once in mind, now again, just feel it is a kind of irony. Xia Yunqiao looked at it quietly and didn't pick it up.

Seeing this, Qin Zichen said, "if you don't want to pick it up, you'll hang up. What else does he have to say at this time? "

Xia Yunqiao reached out to hang, and the bell stopped. Xia Yunqiao saw the sudden stop of the bell, but his heart was still a little sad. Now he is no longer the former Chu Zifeng, he is now someone else's husband.

Xu Nan through the mirror to see Xia Yunqiao's expression, in the heart really is not worth for his young master. Xia Yunqiao's heart is full of Chu Zifeng, but his young master is just a passer-by. Thanks to the young master is also worried that Xia Yunqiao will have an accident, specially let himself come over. But it's right that the young master didn't come. If you see such a picture, I'm sure you'll be choked!

After arriving at the airport, Xu Nan really did everything in front of him and behind him, helping Xia Yunqiao to go through all the registration procedures.

Thank you Qin Zichen said standing beside Xu Nan.

"You're welcome. This is all I should do." Xu Nan replied.

Qin Zichen raised his head and looked at Xia Yunqiao who was not far away. He then said, "is your family Tang always interested in my sister?"

Xu Nan grabbed the hand of the suitcase, but it's not hard to guess if you think about it carefully, because the young master really did a good job. But now Xia Yunqiao's heart is filled with Chu Zifeng, so he didn't notice it at all.

"Mr. Qin, this is Mr. Tang's business. I don't know."

"Of course you know, otherwise Tang Yixuan won't let you come." Qin Zichen still has some eyesight.

Xu Nan did not answer, but stood aside to look at the time, there is still half an hour to board.

"Little Joe!" There was a quick male voice.

The moment also broke the silence at this time, Qin Zichen saw Chu Zifeng come, he walked in the past. Xu Nan immediately took out his mobile phone to Tang Yixuan to report the situation.

Xia Yunqiao saw Chu Zifeng chasing after her. She stood up, her nose was inexplicably sour, but she didn't want to cry. "Why did you come?"

"Little Joe, I'm sorry!" Chu Zifeng said to Xia Yunqiao.

Chu Zifeng belongs to that kind of gentle type, but not decisive enough to do things, even some muddled. However, it is also related to his family factors. Who made the Chu family have a young master who is close to omnipotent, Chu ziye has brought him to most of them with excellent aura since childhood, but Chu Zifeng has always lived in such a shadow.

This time Chu Zifeng has to marry Lin Yun in order to be in her own position! Because of this, Chu Zifeng must give up Xia Yunqiao, but he does not know Xia Yunqiao's family background. At first, Xia Yunqiao was worried that his identity would open his relationship with Chu Zifeng and even his classmates, so he didn't tell the real situation of his family. She just told Chu Zifeng that her father was a hospital professor and her mother worked in XY.

So Chu Zifeng always thought that Xia Yunqiao's family was just a good family. If he knew, he would not choose Lin Yun. Of course, after Chu Zifeng knew the truth, he felt that his intestines were regretful!

Xia Yunqiao collected his emotions and calmly said, "how did you come?"

[Chapter 498](#)

At this time, Chu Zifeng should not be here.

Chu Zifeng is really like Xia Yunqiao, but he can't be with her after all. "I think I should come and make it clear to you."

Xia Yunqiao's brow frowned for a moment, and now it's too late to say anything. "Chu Zifeng, our relationship It's over when I hear you're going to get married! "

Chu Zifeng was stunned, as if he didn't expect Xia Yunqiao to say such a thing. Yesterday, he even heard that Xia Yunqiao wanted to rob his wife for himself, but he never saw her appear. I hear her now, so she didn't come at all yesterday.

"Chu Zifeng, I wish you happiness!" Xia Yunqiao generously blessing. This once beautiful campus love should be over. She still wants to thank Chu Zifeng for accompanying her through that period of green years.

Hear Xia Yunqiao's words, Chu Zifeng's heart suddenly aches. In fact, he came to the airport to hope that Xia Yunqiao would not entangle himself again, but now after hearing her words, his heart really hurt. If he was not the second Shao of the Chu family, he would definitely choose Xia Yunqiao.

When Qin Zichen heard Xia Yunqiao's words, he felt comforted. Such generous blessing was right. Like Chu Zifeng, who doesn't have any opinions, really doesn't deserve Xia Yunqiao.

"Little Joe, our time is almost up."

"Well!" Xia Yunqiao nodded. She raised her head and finally took a look at Chu Zifeng. "I'm going back to a city. Goodbye!"

See Xia Yunqiao and Qin Zichen come over, Xu Nan immediately put away the mobile phone. But they didn't cut off the call, so now Tang Yixuan can hear their conversation.

"Assistant Xu, thank you very much today! We're going. " Qin Zichen spoke first.

"You're welcome." Xu Nan nodded, then gave the suitcase to Qin Zichen, "have a good journey."

Xia Yunqiao and Qin Zichen go to the plane and Xu Nan takes out his mobile phone. "Young master, they are ready to get on the plane."

"I have arrived." Tang Yixuan's voice rang from the side.

Xu Nan turns to see Tang Yixuan, "young master..."

Tang Yixuan's eyes have been looking at Xia Yunqiao's back. "Xia Yunqiao, we'll see you again!" The appointed time soon arrived, so he could appear at her side.

Xu Nan from Tang Yixuan's eyes to see the deep feelings, and even a touch of firmness. So Tang Yixuan will not let go of Xia Yunqiao easily. He didn't quite understand what kind of feelings young master had for Xia Yunqiao. What happened when I was a child, and it was destined to be a lifetime?!

Tang Yixuan didn't look back until he couldn't see Xia Yunqiao's shadow. He squinted at Chu Zifeng not far away. In particular, he looked at Xia Yunqiao's eyes, he did not like it!

"Young master, let's go back."

"Well!" Tang Yixuan nodded.

This time, Tang Yixuan went back to the Tang family villa.

As soon as he entered the door, he saw his father sitting on the sofa. Tang Yixuan had already gone to the hospital to see his mother in the morning. Now he comes home to see his father.

"Back?" Tang Si Nian did not lose his temper like Bai Xi, but asked lightly.

Tang Yixuan nodded. "Dad, I'm sorry about yesterday! I really don't want to marry Zhiqing. "

"Did you come to the drunk woman on purpose?" Tang Si Nian asked.

Tang Yixuan shook his head, "

Tang Si Nian frowned. "No? But you joined her in a play? "

Tang Yixuan looked at Tang Sinian seriously and said, "Dad, I'm not acting with her. I want to marry her!"

"What!" Tang Sinian was shocked.

[Chapter 499](#)

Seeing Tang Si Nian's face incredible, Tang Yixuan repeated the words just now.

"Dad, I want to marry her!"

Tang Sinian put down his newspaper and looked at his son seriously. "Yixuan, do you know what you are talking about?"

"Dad, I know exactly what I want."

"Didn't you just say that you didn't find the woman? Or are you just lying to me? " Tang Sinian asked in turn.

Tang Yixuan mouth hook up, talking about Xia Yun Qiao, his mood is very good. "Although I didn't find her, she still appeared in front of me, which is doomed."

"For that reason, you want to marry her? Yixuan, I never interfere with your affairs. This time, I will let it pass with one eye closed, but there is still a long way to go! Are you sure you can handle it? "

According to Tang Yixuan's order, Tang Sinian blocked the specific situation of the wedding, which is also because Tang Yixuan said he had a way to deal with it. He has always held the attitude of letting him make decisions on his son's life.

This time, he was also neutral in his marriage with Yu. But now his son actually said that he wanted to marry a woman who had met once, so he really had no way to accept it.

Tang Yixuan had long expected such a reaction from Tang Sinian, and he was not in a hurry to end it. Instead, Tang Sinian was always asked to speak first. "Yixuan, you've always done things in a proper way since childhood, so I've never worried. But I really can't accept what you're talking about. "

Tang Sinian has put the words out to say that he hopes Tang Yixuan will not do anything stupid. His marriage is not his own decision, so he hopes his son's marriage is what he wants!

Tang Yixuan handed his mobile phone to Tang Sinian. "Dad, I've been waiting for her for 20 years."

Tang Sinian took Tang Yixuan's mobile phone and saw the news above, Tang Sinian was stunned. "She is..."

"Yes Tang Yixuan nodded. "Dad, I didn't expect her to appear in front of me like this. So I don't want to miss her! I've been waiting for 20 years. I want to go to city A

Tang Sinian put down his mobile phone, his face was more worried. If he hadn't let his son go to city A, he wouldn't have done it now. There is a cause, there is a result, this fate has never been clear.

"Your mother won't agree! Her family won't agree! " Tang Sinian put forward two difficult problems.

"If you have difficulties, you can overcome them. I believe I can do that." Tang Yixuan replied.

"Yixuan, it's really hard to stick to one's feelings. Dad's from the past, so he knows how it feels Tang Si Nian's brows are locked. Those pictures seemed to be playing again in his mind.

Tang Yixuan has confidence in himself as well as Xia Yunqiao. "Dad, she and I are not the same as you were back then."

Tang Si Nian didn't say anything more. He watched his son leave, and he wanted to give him more blessing! Next, he will encounter more problems, and there will be more difficulties waiting for him. I hope he and she have a good future.

Tang Yixuan drove back to his apartment. In his study, he opened the golden business card in the desk drawer. "Xia Yunqiao, you must wait for me this time!"

Tang Yixuan looked at the time and thought that Xia Yunqiao and they should return to a city. Just about to make a phone call, a phone number immediately jumped into his eyes, Tang Yixuan slightly sighed, some things can not escape.

café.

Tang Yixuan and Yu Zhiqing sit face to face. No one spoke and seemed to be waiting for the other to speak first. Tang Yixuan's eyes are always staring at the coffee cup in front of him. From Yu Zhiqing to now, he has never seen her in the eye.

Finally, Yu Zhiqing couldn't stand it. "Tang Yixuan, don't you have anything to say to me?"

"On the day of the wedding, I've already said that." Tang Yixuan replied.

"Did you really find that woman to ruin?" Yu Zhiqing asked people to check the woman's news, but she never found any information, but said that the woman is out of thin air, the party list that day did not have her at all. So the only explanation is that this woman is Tang Yixuan to find.

Tang Yixuan for Zhi Qing words did not have any promise, just sit quietly, an explanation of the words are not.

"Tang Yixuan, are you really not going to say anything now?" Yu Zhiqing asked angrily. At the beginning, she was determined to marry Tang Yixuan, regardless of the opposition of her family. In the end, she was a joke in C City.

Tang Yixuan raised his eyelids, "I have nothing to say."

"Tang Yixuan, you are really too much!" Yu Zhiqing clenched her hand under the table. But my heart felt uncomfortable, which one of them could not compare with that woman.

Tang Yixuan looked at the time. "Miss Yu, I'll have something to do later. So I left first. "

"You're really too blunt. Don't you just give up that project like this? " Yu Zhiqing asked.

Tang Yixuan nodded. "Yes, I gave up! I want to make up for the vacancy through other efforts. "

Tang Yixuan's words undoubtedly give a thorough blow to Zhiqing. "Do you really give up this project that is so important to down for the sake of that woman? Tang Yixuan, do you really love her so much

"Miss Yu, this is all my private and Tang's business, so it has nothing to do with you." Tang Yixuan replied.

"Tang Yixuan, you will regret it! That woman can't give you anything. She just has a look. "

Hearing Yu Zhiqing slander Xia Yunqiao's words, his eyebrows immediately wrinkled. "She is better than you! You don't know anything. Please don't talk nonsense. Next time I hear that again, I will not be polite! "

Yu Zhiqing is biting her teeth. It is not difficult to tell his feelings for that woman from Tang Yixuan's words. Yu Zhiqing holds a breath, she must find out that woman, what charm does she have to let Tang Yixuan maintain her like this!

See Tang Yixuan head do not return to go, in Zhiqing desktop coffee cup all hit to the ground. Tang Yixuan, you will regret it one day.

When Tang Yixuan walked out, Xu Nan immediately opened the door for him. Where are we going, young master

"To the company." Tang Yixuan replied.

Xu Nan nods, and then helps Tang Yixuan close the door.

Tang Yixuan thought for a moment, then began to tell Xu Nan, "Xu Nan, we must block the information about Xia Yunqiao."

"Yes

"And book me a ticket to a city."

Xu Nan heard Tang Yixuan's words, the car also drove floating. "What? Young master, are you going to city a? Now is not the time! If you go to city a like this, it's against the original agreement. "

"I'm not a foul." Tang Yixuan is selfish and wants to see Xia Yunqiao, but he won't go blatantly. Of course, he had to find a very decent excuse.

See Tang Yixuan that satisfied smile, Xu Nan really some do not understand him.
