

Warm Wife 501

[Chapter 501](#)

City a.

Xia Yunqiao came back a few days later, in a bad mood.

In recent days, Xia Yunqiao didn't go to work. He shut himself in his room. Today, Xiang Yuqing's good friend maiziqi came home to see Xia Yunqiao.

"Joe, are you still in a good mood?" Maggie asked in a low voice.

Xia Yunqiao's hand for maiziqi to pour tea froze. She steadied her mind and continued to pour tea. "Tea Maiziqi felt remorse when she saw Xia Yunqiao like this. On that day, if I hadn't told Chu Zifeng that she was going to get married, then things might not be like this. Xia Yunqiao is now like this, and he has some responsibility.

"Little Joe, I'm sorry!"

Hear maiziqi's words, Xia Yunqiao shakes his head, "Qiqi, you don't have to apologize. Even if you don't, I will know. Now he's married, so he and I are over

Maiziqi could see that Xia Yunqiao was really sad, "Xiao Qiao, I don't think Chu Zifeng is worthy of you. If he knew your identity in the future, he would vomit to death! What's more, I don't think your man will be like him. He will be an excellent man in the future

Xia Yunqiao couldn't lift the corners of his mouth. "Thank you, Kiki! I'm fine. I'll go to the company tomorrow. "

Maiziqi held Xia Yunqiao's hand. "Joe, we've known each other for so many years. I don't think you're the kind of person who is easily knocked down. You should show your queen's momentum. It's just a chuzifeng. The old one doesn't go and the new one doesn't come, right? "

In the heart of Xia Yunzi, she is comforted. "Well! you are right! I'm Xia Yunqiao. Nothing can be difficult for me

When Maggie wanted to go home, she met Qin Zichen at the door.

"Brother Zichen, you are back." Maggie said hello in a low voice, but her heart was beating violently.

Qin Zichen nodded. "You come to see little Joe?"

"Yes. There's something for her in the studio. " Maggie replied. "So I came to discuss it with her."

Listen to maiziqi's words, Qin Zichen frowned. "I'm sure you'll have to work hard these days. Joe's situation is also helpless. "

"I know. I'm sure Joe will recover soon Maggie said with a smile.

Thank you

Maggie had to go back to the studio because of something, so she left first. Qin Zichen walked into Xia Yunqiao's room and saw Xia Yunqiao cleaning up his things. He went over and said, "are you in a better mood today? My uncle and aunt are coming back tomorrow. It's really easy for them to find out the problem. "

Xia Yunqiao nodded. "Brother Zichen, I'm all right. I will go to work tomorrow. I don't want to see my efforts in vain! "

Hearing Xia Yunqiao's words, Qin Zichen nodded. "This is Xia Yunqiao I know! Good. You'll meet better people than Chu Zifeng in the future. "

"Of course Xia Yunqiao nodded with a smile. Then she put away all the things related to Chu Zifeng, which she no longer needed. She wants to start a new life. She can't die without love, and her life will continue.

Qin Zichen saw Xia Yunqiao really cheer up, and his heart also relaxed.

"Since you're OK, I'll go back first." Qin Zichen replied.

"Brother Zichen, when will you go back to America?"

"What? Want to follow me back to America? " Qin Zichen asked with a smile.

Xia Yunqiao shook his head, "no, don't be amorous."

[Chapter 502](#)

After that.

Xia Yunqiao said that he wanted to invite Qin Zichen to dinner, which was to thank him for his help this time.

They walked into a restaurant they used to patronize and met acquaintances as soon as they entered. Xia Yunqiao became nervous immediately. "Brother Zichen, please don't show up in front of my uncle."

Qin Zichen followed Xia Yunqiao's eyes and saw Xia Yunqiao's uncle Yun Yiyan. "It seems that we are not here at the right time."

Just want to talk, Yun Yiyan seems to have seen them both. He immediately came over, his eyes first staring at Qin Zichen, then said: "how did you come together today?"

"Uncle, of course we're here to eat." Xia Yunqiao said with a smile. "If I knew you were here, uncle, I wouldn't have to bring my wallet."

Yun Yiyan listens to Xia Yunqiao's words with an expression of disbelief. "Do you still need to pay at my restaurant? That's enough for your face. "

"Hey, my uncle is really brilliant and powerful, and you can see through it." Xia Yunqiao immediately accompanied a smiling face.

"Boy, how are your father and mother doing Yun Yiyan asked.

Qin Zichen nodded. "They're fine."

"Give them time to come back and walk. Your father has already made way for you now. There's plenty of time. " Yun Yiyan chatted about his family.

"Yes. I will certainly convey my uncle's words to them. "

After Yun Yiyan left, Xia Yunqiao quickly wiped the sweat on his forehead. His uncle's eyes were also very sharp. If he saw any clues, the consequences would be unimaginable.

Xia Yunqiao and Qin Zichen sat down and immediately ordered, ready to quickly solve the lunch. In order not to wait for a while, Yun Yiyan starts to ask three questions and four questions. In this way, if he found out that he had gone to C City, he would have been scolded to death!

Sometimes, the more you want to avoid something, God just likes to do it right with you. When Xia Yunqiao and Qin Zichen ate almost the same, they unexpectedly saw a big man.

Qin Zichen saw it first, and then he stretched out his hand to pull Xia Yunqiao's clothes. "Xiao Qiao, we didn't really look at the Yellow calendar when we went out today."

"What's the matter?" Xia Yunqiao looked back and saw why Qin Zichen was surprised. Today is really not suitable to go out, just left an uncle, how to meet uncle again. This situation is even worse!

Xia Yunqiao whispered to Qin Zichen, "brother Zichen, let's find a chance to leave secretly."

"Are you sure we can leave?" Qin Zichen raised his chin.

Xia Yunqiao looks back, everything is already late. She could only bow her head and look as if she had accepted her fate.

Qin Zichen saw that people had come, and he immediately stood up. "Hello, hobo."

Huo Dongyang nodded his head, "Hmm!"

"Uncle." Xia Yunqiao's voice is as fine as the sound of mosquitoes.

Huo Dongyang directly sat down in the chair, Huo Dongyang looked at Xia Yunqiao who did not dare to raise his head. "Xiao Qiao, I heard that Chu Zifeng and the young lady of the Lin family of C got married?"

"Well!" Xia Yunqiao nods, tone also takes bland. "They are really married."

Huo Dongyang then asked, "so you also went to C City?"

As soon as this sentence came out, Xia Yunqiao raised his head and said, "uncle, i..."

Qin Zichen heard Huo Dongyang's question, and obviously already knew the truth, so he didn't hide it. "Uncle Huo, actually I asked Xiao Qiao to go with me!"

"Zichen, you are really wrong this time!"

"Sorry, hobo."

Huo Dongyang sighed helplessly, and then asked, "what special things happened in C City?"

[Chapter 503](#)

Hear Huo Dongyang's words, Xia Yunqiao and Qin Zichen are stunned. How to answer this question?!

Huo Dongyang saw two people's faces changed, and knew something must have happened. But his heart is still holding a fluke that he does not want them to meet that person.

"Why not answer?"

"Uncle, I..." Xia Yunqiao didn't know where to start, but how to say it?

Huo Dongyang saw Xia Yunqiao couldn't say it. He turned his eyes to Qin Zichen. "Zichen, say it."

"Uncle Huo, it's Xiao Qiao who went to find Chu Zifeng." Of course, Qin Zichen did not dare to rob Xia Yunqiao. As a result, he went to the wrong place.

Huo Dongyang knew that neither of them had told the truth. Of course, he did not continue to press questions. At the beginning of Xia Yunqiao and Chu Zifeng, he heard some. As an elder, he will not interfere with the feelings of his younger generation. But his heart is always hoping that these children can get happiness.

Just at this time, Huo Dongyang received a call saying that the company had something to deal with. Huo Dongyang looked at Xia Yunqiao and Qin Zichen, then answered a good, and ended the call.

"I have something to go. Don't run around, both of you Huo Dongyang did not forget to explain.

"Well!"

After seeing Huo Dongyang leave, Xia Yunqiao and Qin Zichen are almost at the same time relieved. Then they looked at each other, and the next second they stood up at the same time and quickly left.

After Qin Zichen sent Xia Yunqiao home, he went back to Jiangwan villa by himself. He now lives in the villa next to Huo Dongyang. Anyway, the place is empty, so Huo Dongyang is very generous to let Qin Zichen live here.

Qin Zichen came back and went to see Aunt Huo. As soon as he entered the door, he saw a pair of men's shoes at the door. It seems that there are guests coming, when he is hesitant to go in, Huo Dongyang comes back.

Huo Dongyang sees Qin Zichen standing at the door. "What are you doing here?"

"It's like a guest at home." Qin Zichen replied.

"Well, come in!"

When Qin Zichen followed Huo Dongyang into the living room, he was surprised when he saw the guest! How could Tang Yixuan be here?

Tang Yixuan saw Huo Dongyang come in and stood up. "I've come to disturb you." *nOvElusb.cOm*

"Sit down." Huo Dongyang nods.

Qin Zichen is still standing there staring at Tang Yixuan. There are a lot of questions in my mind. How did he come? How did he know hobo? It seems that they are not strangers, as if they have known each other for a long time. Secondly, since he knew uncle Huo, he must have known Xia Yunqiao? So,

according to the current situation, it was not an accident that he took Xia Yunqiao home that day, or did he have a long plan?

Huo Dongyang sat down and saw Qin Zichen still standing, then opened his mouth and said, "Zichen, sit down."

"Uncle hobo, this is..."

"Do you know?" Huo Dongyang saw Qin Zichen's reaction and guessed some in his heart. Since receiving Tang Yixuan's call, he knew that Xia Yunqiao should have met Tang Yixuan in C City. Otherwise this kid won't come to the door so easily.

At the beginning, she thought how to stop Xia Yunqiao from going to C City, in order to let her completely avoid Tang Yixuan, but now it seems that there is no way to stop everything. Xia Yunqiao or and Tang Yixuan encounter, in the dark already predestined everything.

Qin Zichen frowned. This time he asked Tang Yixuan directly. "Why are you here?"

"I just came to see my acquaintances." Tang Yixuan replied.

"Who the hell are you?" Qin Zichen's heart suddenly came up with an answer, which made him feel incredible.

Tang Yixuan a smile, "in fact, you have also guessed it?"

[Chapter 504](#)

From their dialogue, Huo Dongyang affirmed his own thoughts. I guess it's right.

"Have you met little Joe?"

Tang Yixuan nodded. "Yes, I have."

"So you came to me today to ask for someone?" Huo Dongyang pointed out directly.

"Yes, it is not."

Huo Dongyang's face sank. "I don't remember the time we agreed to."

Tang Yixuan nodded, "so don't worry, I'm not here to take her. I came to a city this time just to discuss a contract and leave tomorrow. I'll call on you when you have time today. " *NovELuSb.com*

For Tang Yixuan's words, Huo Dongyang certainly didn't believe it all. From the first time he saw Tang Yixuan, he had to say that he was better than his children. If his son compared with Tang Yixuan, he still lacked some courage.

Qin Zichen immediately stares at Tang Yixuan. "Are you really the one who is engaged to Little Joe? So in City C, you deliberately approached Joe

"No. It's a coincidence

"There are no coincidences in this world." Qin Zichen replied.

Tang Yixuan heard this sentence, slightly ordered a head. Yes, you said! There are not so many coincidences in this world. There are only destinies. "

Tang Yixuan finished also looked at please Huo Dongyang, "I said right! Chairman Huo. "

"That's right." Huo Dongyang replied. The picture of that year reappears in my mind, or from that time on, Tang Yixuan and Xia Yunqiao are destined to be tied together. Otherwise, they stopped for 20 years, and they still met like this.

Tang Yixuan laughed and calmed down a lot. It seems that Huo Dongyang's side is no longer a problem, then Xia Yunqiao's parents are next. This level is the most difficult! It seems to be really said by Dad, their family will not easily nod this head. To know Xia Yunqiao's relatives, not a small person.

Tang Yixuan put down his gifts and left first. After all, this time he didn't come to talk about business, so there was no need to talk about so much.

Qin Zichen immediately sat down opposite Huo Dongyang, "uncle, do you send Xiao Qiao out like this? Tang Yixuan is a member of the Tang family! I think you know that better than we do

"What happened to Joe in C City?"

"It is..." Qin Zichen was asked in such a way that he didn't know where to start.

"You still don't say it?" Huo Dongyang added.

Qin Zichen shook his head and then told Huo Dongyang everything. Huo Dongyang was helpless after listening, "according to you, this time is Xiao Qiao personally delivered to the door? That's why Tang Yixuan came here with a sense of reason. "

"Uncle, now we..."

"It would be nice if Little Joe and he were a little bit more connected." Huo Dongyang returned such a sentence.

Qin Zichen did not quite understand the meaning of this sentence, "what does this mean? Uncle, how do I think you're not going to stop it? "

"It's all done. As for him and Joe, we'll know later." Huo Dongyang would not say anything more.

Huo Dongyang's words are true, because Tang Yixuan and Xia Yunqiao met again, this time in the gate of a Department Store Plaza.

Xia Yunqiao saw that there was no food at home, so he came out to buy, and Tang Yixuan just came out of a cafe in the square, so they stood face to face.

"Why are you here?" Xia Yunqiao asked in surprise.

[Chapter 505](#)

Hearing Xia Yunqiao's words, Tang Yixuan just laughed and didn't answer immediately.

Tang Yixuan looks at Xia Yunqiao. She likes to dress up like this and looks very comfortable.

See Tang Yixuan did not answer himself, but looked at himself, Xia Yunqiao also followed to look at himself. Do you think you have something on your body? But after looking around, I didn't find anything.

"You are beautiful today." Tang Yixuan just vomited a sentence.

Xia Yunqiao was stunned by such sudden words, and her face was slightly ruddy. She didn't seem to adapt to Tang Yixuan. She blurted out every time.

Tang Yixuan saw Xia Yunqiao's expression, he reached out to touch her face. "What's the matter?"

"It's OK." Xia Yunqiao successfully avoided the touch of Tang Yixuan.

"Are you buying vegetables?" In order to avoid embarrassment, Tang Yixuan changed the topic.

Xia Yunqiao nodded, "yes."

"Can you cook?"

"Will do something simple." Xia Yunqiao replied. "My mother used to say that none of our women are good at cooking."

Tang Yixuan a smile, did not want to Xia Yunqiao so frank. He followed. "So you mean that men cook in your family?"

Xia Yunqiao thought for a moment, as if it was really like this. No matter at home, uncle or even uncle's house, almost all the palms are men. "It seems to be true."

"So you're looking for a husband who can cook?"

Xia Yunqiao did not answer this question, but looked at him quietly. Looking at Tang Yixuan suspiciously, thinking about what he meant by this remark, I always feel that it is not what I think it means.

Tang Yixuan understood Xia Yunqiao's meaning, and then said, "I mean, I just happen to be a good cook. Maybe you can think about me. And you said in front of everyone last time that I would only marry you in my life! "

"Tang Yixuan, I really want to ask you something." Xia Yunqiao is really not clear why Tang Yixuan must say so.

"Well!"

"I have explained that day several times. It was really an accident, so you don't need to be like that. "

"I've said it several times. I'm very serious and do what I say." Tang Yixuan closed his smile.

Xia Yunqiao see Tang Yixuan that way, really not like a joke. She went on to say, "actually, I have one more thing I want to make clear to you. Although I broke up with Chu Zifeng, I had an engagement. It's impossible for me and you! "

"Engagement?" Tang Yixuan frowned. Can you say that Xia family has already found a home for Xia Yunqiao. Thinking of this, Tang Yixuan feels uncomfortable in his heart.

Xia Yun Qiao saw Tang Yixuan shake, so he quickly nodded, "yes! An engagement from childhood. " With that, Xia Yunqiao worried that Tang Yixuan didn't believe it, and immediately took the necklace out from the collar. "This necklace is the keepsake of my engagement." novelusb.com

Tang Yixuan heard Xia Yunqiao's words, and his heart immediately flew into the sky. It seems that she is still a person who keeps her promise, but it's good. At least her efforts are not in vain.

Xia Yun Qiao see Tang Yixuan completely speechless, her heart followed by relaxation. It's not good to do this, but she can't. I don't know if the boy still remember this promise?

"Xia Yunqiao, this necklace is very important to you?"

"Yes! I've had it since I was a kid. "

"Since you have been engaged since you were young, why are you still with Chu Zifeng? Are you not breaking your promise? "

Chapter 506

Tang Yixuan's words are like a flash of lightning, which directly cleaves in Xia Yunqiao's heart.

Yes, Tang Yixuan's is not wrong. Since he has been adhering to this commitment, why did he promise Chu Zifeng's pursuit? Even a time of empathy, do not love! So the bastard is himself!

Tang Yixuan saw Xia Yunqiao's face pale, and felt as if he had pushed Xia Yunqiao to an edge. "Are you all right?" novelusb.com

"I'm fine." Xia Yunqiao replied. "In fact, you are not wrong!"

"I didn't mean to." Tang Yixuan felt uncomfortable in his heart, as if he should not be so direct.

Xia Yunqiao shakes his head. "You're not wrong. It's all my fault. It's also my fault that I thought Chu Zifeng was him. That's why these things happen. If I see him one day in the future, I will explain to him! "

This sentence is like a sword inserted into Tang Yixuan's heart, Xia Yunqiao has never forgotten himself. Tang Yixuan reached forward and held Xia Yunqiao, "Xiao Qiao, these are not your fault."

This little Qiao, let Xia Yunqiao's heart tremble. For the first time, I heard this title from an unfamiliar person or even a man's mouth. This kind of feeling is really fresh, even with a kind of strange, more like a kind of gentle strength surrounding oneself. It's a natural title.

In this way, Tang Yixuan held the bag in Xia Yunqiao's hands and fell to the ground. She feels Tang Yixuan has a kind of inexplicable familiarity. "Who are you?"

"Xiao Qiao, forget Chu Zifeng!" Tang Yixuan spoke. In her later life, there will be no more Chu Zifeng, her life is only him.

"Tang Yixuan, let me go." Xia Yunqiao suddenly woke up, she began to struggle.

Tang Yixuan feels Xia Yunqiao's struggle, and he hugs tightly, "Xiao Qiao, some things have been doomed. You really don't have to run away. "

Xia Yunqiao froze, "what do you mean by that?"

"You're so smart, you know what I mean." Tang Yixuan lets go of Xia Yunqiao, and he gently reaches out to pull out Xia Yunqiao's hair.

Xia Yunqiao felt her heart beat faster. She looked at Tang Yixuan in a puzzled way. "Tang Yixuan, if I hadn't destroyed your wedding that day, would you have been married?"

"I never make assumptions. The reality is that you break in and stop the wedding." Tang Yixuan replied.

Xia Yunqiao learned from Tang Yixuan that he didn't want to get married at all. "You don't want to get married, do you?"

"I want to get married, and that bride, if it's you."

"Why must it be me?"

"Because I've been waiting for you." Tang Yixuan almost blurted out.

Xia Yunqiao is more confused. "Wait for me? We didn't know each other until then. "

"You've always been in my dreams." Tang Yixuan chose a more tactful statement. He doesn't want to tell Xia Yunqiao the truth.

Xia Yunqiao frowned, which may be the most unreliable words she has ever heard, because she felt fake. Most of these words are deceptive. How could he appear in his dream?

"Little Joe, you'll know if I'm lying." Tang Yixuan hands on Xia Yunqiao's shoulder. He knows that what he said just now is not convincing, but he has only this choice now.

Xia Yunqiao can't guess Tang Yixuan. She doesn't want to worry about herself, "I'm going home."

"I'll see you off." With that, Tang Yixuan first lifted Xia Yunqiao's shopping bag.

[Chapter 507](#)

The car stops in front of Xia Yunqiao's house. Tang Yixuan just wants to talk to Xia Yunqiao about home, only to find that she is asleep.

Seeing this, Tang Yixuan simply opened the window and put the car out. Because he couldn't bear to wake up Xia Yunqiao and saw that her eyes had a layer of light black, he knew that she should not have had much rest these days.

Since she is asleep, let her have a good rest. Tang Yixuan reached out to touch Xia Yunqiao's face, "for Chu Zifeng, you have paid more. There's no need for that in the future. "

Xia Yunqiao is so quietly asleep, and Tang Yixuan is quietly guarding her side. More importantly, Tang Yixuan wants to get along with Xia Yunqiao alone. It would be nice if Tang Yixuan could get along with Xia Yunqiao every day.

At this time, Tang Yixuan saw a car stop in front of him and two people got off the car. If there is no mistake, these two people should be Xia Yunqiao's father and mother.

Tang Yixuan saw them carrying suitcases into the yard. It seemed that they had just come back from a long journey. He thought of a problem, that is, now can't let Xia Yunqiao's parents find themselves, if they know their identity, then this will certainly not be so smooth.

Tang Yixuan gently wakes Xia Yunqiao. "Wake up, Little Joe."

Xia Yunqiao frowned after hearing the voice. Then slowly open your eyes and say, "huh?"

"Home." Tang Yixuan looked at her cute appearance with a smile on her face.

Xia Yunqiao stretched out his hand and rubbed his favorite eyes. Then he looked out of the car and really got home. She unbuttoned her seat belt and then stretched. "Thank you for bringing me back."

"You're welcome." Tang Yixuan reached out and rubbed Xia Yunqiao's head naturally. "Go in now!"

Xia Yunqiao was stunned by Tang Yixuan's action. When did he begin to reject his contact? It's not a good sign. If you get used to it, it's a big problem. "Don't touch my head in the future."

Tang Yixuan did not understand the meaning of Xia Yunqiao's words, and the woman's mind has always been elusive. "Why?"

"It's all messed up." Xia Yunqiao casually made an excuse.

Tang Yixuan nodded. "Well, don't do your hair next time."

Xia Yunqiao's heart is a little low, why did he agree so? She felt that she was a complex of contradictions. She didn't want to be touched by others, and wanted him to continue.

Xia Yunqiao quickly carried his things out of the car, "be careful when you go back."

"Don't worry! I won't let myself be in trouble until I marry you Tang Yixuan replied.

Xia Yunqiao heard Tang Yixuan's words, followed by a bad heart. "Don't curse yourself if you're OK."

"Joe, I'm going back to City C tomorrow." Tang Yixuan saw Xia Yunqiao to go, and immediately took such a sentence.

Xia Yunqiao stopped. "So fast?"

"Today's work to city a has been completed, so I have to go back." Tang Yixuan replied. In fact, he just wanted to talk with Huo Dongyang today, but he didn't expect to meet Xia Yunqiao again, so he said that the wish in his heart had come true. So he can go back at ease.

Xia Yunqiao heard that Tang Yixuan was going to leave, and felt a little reluctant to give up. I'm leaving so soon. I don't know when I'll see you next time, or I won't see you again. Because she can't go to City C again. "Have a good trip."

Tang Yixuan opens the door and goes to Xia Yunqiao. "Joe, I'll come to you when I've done everything. This time you have to wait for me! You can't fall in love with other men during this time

Xia Yunqiao's heart beat faster and his face was red. "Why?"

"Because you're the one I'm looking for." nOveLus**h**.cOm

Xia Yun Qiao Li, of course, has another meaning. "Tang Yixuan, so you fell in love with me at first sight?"

Tang Yixuan smiles and reaches out to hold Xia Yunqiao's face. You can understand that too! "In fact, Xia Yunqiao's words are not wrong, as early as 20 years ago, he fell in love with her at first sight. Now I want to bring her back to me.

"So you're going after me now?"

"I will marry you." Tang Yixuan replied.

Xia Yunqiao felt that he and Tang Yixuan's conversation had something wrong with the horse's mouth, but it seemed to make sense. But she also made her position clear. "I don't want to fall in love now."

"Then you can marry before you love!" This is what Tang Yixuan can't get.

Xia Yunqiao really does not understand Tang Yixuan's thinking, two people are always not on the same frequency. But Xia Yunqiao is not angry about Tang Yixuan's words. She has just come out of a relationship, and now she really has no energy to invest in a new relationship.

Xia Yunqiao looked at Tang Yixuan and said, "I think you misunderstand my meaning."

"Joe, it's not hard to get out. It's up to you." Tang Yixuan continued. "Remember what you promised me. Remember to wait for me

"I didn't..." Xia Yunqiao's words are all blocked. Tang Yixuan once again quickly and ready to grab Xia Yunqiao's lip. Xia Yunqiao's eyes stare at the eldest, how to be forced to kiss by Tang Yixuan again, and what's more hateful is that he doesn't hate it!

Tang Yixuan did not go deep this time, and soon let go of Xia Yunqiao. He put his forehead against Xia Yunqiao. "Little Joe, I'm going. You have to take care of yourself, you know? "

With that, Tang Yixuan turned around and left, not even looking back, so he drove his car.

Xia Yunqiao stupidly watched Tang Yixuan leave. She reached out and touched her lips. There was still Tang Yixuan's flavor and temperature on it. But he didn't have any nostalgia just now. How straightforward he went. What's this? A typical tease and go?!

God knows just now Tang Yixuan but used a lot of perseverance to press himself not to turn back. If he looks back, then he will definitely think of taking Xia Yunqiao away like this, even regardless of everything!

Xia Yunqiao walked into the house and saw the suitcase at the door. It seems that father and mother have come back!

"Dad, mom!"

After a while, Yun Muxin came down from upstairs. She had changed her clothes. Seeing her daughter, she said with a smile, "why don't people come in and sit down?"

Just when Yun Muxin changed clothes and walked out of the balcony, he happened to see Tang Yixuan and Xia Yunqiao kissing. But cloud Mu Xin thinks that man is Chu Zifeng.

"What?"

"It was Zifeng who sent you back? Mom saw it all on the balcony Of course, Yun Muxin didn't say it very clearly.

Xia Yunqiao's face rubbed to the ground red, was actually seen by his mother, this how to explain it.

"Mom, the man just now did not..."

At this time, Xia yueqian anxiously comes out of the study, he stares at his daughter. "Xiao Qiao, is Chu Zifeng married?"

[Chapter 508](#)

Xia Yunqiao heard his father's question, the whole person was stunned. Sure enough, it was the same sentence that paper could not cover the fire.

Xia Yunqiao's Silence gives Xia yueqian and Yun Muxin an answer. Cloud Mu Xin this will be anxious, Chu Zifeng got married, so who was that man just now? Look at the way they were just now. It's not like they were together. Is it his daughter who split up first? So Chu Zifeng would marry someone else?

Soon Yun Muxin denied this idea. This is her daughter, and she will not do such a thing. There must be a reason.

"What happened, Little Joe?" Xia yueqian asked.

"I broke up with Chu Zifeng." Xia Yunqiao finally spoke.

Xia yueqian frowned, "because of what

"For his status in the Chu family, he chose to marry a woman who was helpful to his future by following the arrangements of his family." Xia Yunqiao said it easily. However, this process is really painful, but now I feel relieved to think about it again. Tang Yixuan suddenly appeared in my mind, as if because of him.

Xia Yunqiao's words make Xia yueqian angry. "Don't be sad for such a man, Little Joe! I really don't know. My daughter doesn't deserve to be in that little Chu family yet? "

Cloud Mu Xin comes forward and presses Xia yueqian. "Why are you so excited?"

"Of course I'm excited. Which spring onion is a small Chu family! I thought Chu Zifeng didn't deserve our little Joe Xia yueqian was completely angry.

Cloud mu heart see daughter's expression, immediately to the summer Yue Qian make eye color, let him not continue to say. "Little Joe, it's OK! Dad will find you a better man later. Don't think about this Chu Zifeng any more. "

Xia Yunqiao nodded. "Mom and Dad, you don't have to worry about me. I'm all right now! You are tired when you come back. I'll cook for you

See Xia Yunqiao into the kitchen, cloud Mu Xin is more worried. My daughter has her own secret. Who was that man just now? Since it is not Chu Zifeng, who will it be? It's a pity that I didn't see the front of that man just now!

Xia yueqian sees cloud Mu Xin in trance, he takes her hand. "What's wrong with you? A thoughtful look."
"

"The more modest, whose girl did Chu Zifeng marry?"

"It's the Lin family of C City."

Hear C City, cloud Mu Xin's heart trembles. So, does that mean that the daughter is going to meet the C City? If so, what should we do?

"What's wrong with you, wife?"

Yun Muxin grabs Xia yueqian's hand. "That agreement..."

"What agreement?"

"That boy's appointment with his uncle. Is this year over? "

When Xia yueqian heard this, his body became stiff, and the calculation day seemed to be coming. On Joe's birthday this year, is that man coming to take away his daughter? But after all these years, will he come again?

Cloud Mu Xin's face is full of worry, "now there are three months to go before Xiao Qiao's birthday."

At this time, I had to sigh that time passed quickly, and in a twinkling of an eye.

Xia yueqian reaches out and hugs Yun Mu Xin. "Don't worry! Maybe the man forgot about it. "

"The more humble you are, the more optimistic you are?"

"Let's not scare ourselves first." Xia yueqian comforts. He wanted to discuss this matter with Huo Dongyang. Maybe there is a way to deal with it.

That night.

Yun Muxin goes to chat with Xia Yunqiao, hoping to get some news from her daughter. Especially about who the man who sent her back today.

"Little Joe, haven't you gone to bed yet?"

"Not yet. Today, Qiqi sent some information. I'm going to go to bed after reading it. "

Cloud Mu Xin heard such words, how much comfort in the heart. "Then you should also pay attention to your health."

"I'm in good health! Dad will check with me regularly, mom, you can rest assured Xia Yunqiao's head has not been raised, her eyes have been looking at the table with information.

Cloud mu heart see daughter's situation, in the heart those words press to say not to export. Then he said, "go to bed early when you are finished."

"OK!"

Yun Muxin brings the door of her daughter's room, or go to my uncle to discuss this matter before making a decision.

The next day.

Xia Yunqiao drove to the studio and had not been there for several days. He thought that there must be a lot of work in his mind.

While waiting for the traffic lights, Xia Yunqiao's mobile phone rings. A no saved number, Xia Yunqiao put on the headset and connected it. "Hello..."

"Good morning."

Xia Yunqiao heard the voice, "Tang Yixuan?"

"Well, it's me." Tang Yixuan replied.

"Something?"

"Can't you look for it?"

"No!" Xia Yunqiao immediately replied, just feel a little embarrassed. Thinking of yesterday's kiss, Xia Yunqiao's face turned red. Tang Yixuan stopped for a while and then said, "I'll leave for the airport in a minute. Suddenly I miss you so I'll call you. "

Xia Yunqiao heard such a straightforward expression, his heart thumped. "I....."

"Don't forget what I said to you yesterday, Joe."

Xia Yunqiao thought that Tang Yixuan said a lot of words yesterday, but he didn't know what he meant. "What?"

But in Tang Yixuan seems to feel the way of xiayunqiao, he repeated it again. "Don't go to other men, wait for me to pick you up."

Xia Yunqiao doesn't understand why Tang Yixuan is so persistent. His feelings always make people feel like they are not just known, but like they have known for many years. And Tang Yixuan said these words in a very serious and determined tone. This is also Xia Yunqiao never understood.

"Tang Yixuan, can you say that to other women?"

"No! Only you! "

"But you know what I am now and we are not familiar with it." "And then said Xia Yunqiao. "You are saying something strange!"

Xia Yunqiao's words let Tang Yixuan smile out, "if you think about it from a different angle, it's no surprise."

The horn of the car behind makes xiayunqiao wake up. She is still driving. How can she panic for a moment? "Tang Yixuan, I'll drive! Later. "

"OK, pay attention to the speed."

"Well!"

Xia Yunqiao just arrived at the company, and the phone seemed to be timing. Xia Yunqiao picked up.
"How good is your time?"

"It seems that I am right." Tang Yixuan replied. "I've arrived at the airport, an hour later."

"It's a good ride." "I'll be very busy today," Xia added

"I know! But even if you are busy, you should remember to rest. I'll call you when I get home. "

"Well! You should also pay attention to rest! "

Xiayunqiao did not realize that the tone of his chat with Tang Yixuan was only available between the lovers. Maggie hears these, can not help but get up gossip heart, Xiao Qiao so quickly found a new boyfriend?!

[Chapter 509](#)

Seeing Xia Yunqiao put down her mobile phone, Maggie walked into her office.

"Joe, these are our next work arrangements." Code Maggie put the document in front of Xia Yunqiao.

Xia Yunqiao has not started to work to feel the pressure of today. "So much?"

"Yes! These are all accumulated. "

"Didn't yesterday tell you to deal with it first?" Xia Yunqiao asked.

"Of course our business is done. You are the designer who will handle all the roll calls Maggie replied.

Xia Yunqiao nodded. "OK, I'll take care of it later."

Maggie see Xia Yunqiao finally willing to put down the mobile phone, can't help but ask. "Joe, have you found a new boyfriend?"

"What?" Xia Yunqiao didn't expect that Maggie would ask such a question. She couldn't resist.

Maggie and Xia Yunqiao have known each other for many years, so she knows what it is like to fall in love with Xia Yunqiao. "Isn't it? Who was that phone call just now

Xia Yunqiao's heart trembled. "Telephone?"

Maggie nodded and simply sat down opposite Xia Yunqiao. "Yes! Just now I saw that you were talking to your boyfriend on the phone. Is the second spring so soon? But in my opinion, it's also a good thing

"Boyfriends?" Xia Yunqiao asked.

"Well! I don't speak in the same tone as my boyfriend

Xia Yunqiao was really suppressed by Maggie's words. Is the tone that oneself and Tang Yixuan say so strange?

Maggie saw shock from Xia Yunqiao's expression. It seems that this time she was wrong? "Little Joe, are you all right?"

"I'm fine." Xia Yunqiao quickly shook his head. "Was it really strange what I said just now?"

Maggie shook her head. "It's not strange, it's natural. Before you and Chu Zifeng seems to have no such. I can tell you're very dependent on each other. "

"Dependence?" This word once again into Xia Yunqiao's heart. She depends on Tang Yixuan?! How could that be possible? At most, they are just acquaintances now, and their feelings have not reached that level.

Seeing Xia Yunqiao's appearance, Maggie boldly made a hypothesis in her heart. "Xiao Qiao, you didn't talk to brother Zichen just now, did you?" If it is really Qin Zichen, his heart must be very uncomfortable.

"Well?" Xia Yunqiao is completely in the clouds.

"Is it really brother Zichen?" Maggie's mood suddenly went down. Since she knew Xia Yunqiao, her heart also likes a person, and this person is Qin Zichen. Maiziqi has been working hard for Qin Zichen, and wants to follow Xia Yunqiao's steps in order to see Qin Zichen from a close distance.

Maiziqi is very clear that Xia Yunqiao and Qin Zichen have no real blood relationship at all. Her parents and Qin Zichen's parents are very good friends, and Qin Zichen's father and Xia Yunqiao's uncle are good brothers working together. So Xia Yunqiao and Qin Zichen are at best subconscious brothers and sisters, and they really have no relatives in reality.

Moreover, Qin Zichen has taken care of Xia Yunqiao since he was a child, and they both grew up in childhood. In terms of feelings, the two of them have been emotional for more than 20 years. This kind of childhood love is the easiest thing to get together. Xia Yunqiao really depends on Qin Zichen sometimes!

Thinking of this, Maggie's heart is even more heavy. If Xia Yunqiao is really with Qin Zichen, then she will bear heartache and bless them. One is his best friend, the other is his secret love. Isn't it a virtue to be perfect? Then I will bless them.

Xia Yunqiao feels the change of maiziqi and catches some situations from her worried eyes. "I didn't talk to brother Zichen just now."

"No?" Maggie's eyes lit up.

Xia Yunqiao finally understood when she saw here. She asked with a smile, "Qiqi, do you like my brother?"

"I..." Maggie didn't dare to go on. After all, it was her own single love.

"So you always like Qin Zichen. Shall I have a look at him? "

"No!" Maggie shook her head. "I know who I am. He and I are not from the same world."

Xia Yunqiao frowned at maiziqi's words. "Qiqi, you're not bad at all! Why do you have this idea? Love has always been regardless of age and nobility, and now it is regardless of gender. Why should you think too much? "

"Little Joe, you don't understand that." Maggie replied. She readjusted her mood and regained the initiative. "Don't talk about me. It's not the time to talk about me. Who did you talk to just now?"

Xia Yunqiao was asked by Maggie again, but he really didn't know where to start. She wants to ask another question. "Kiki, can I ask you a question?"

"You ask." "Do you believe in love at first sight?"

"Believe it!" Maggie nodded seriously, because she fell in love with Qin Zichen at first sight and fell in love with each other. She believes in fate very much, so many encounters, certainly not by accident.

But Xia Yunqiao did not, in the heart is not clear how this is a kind of feeling. "What kind of feeling is that?"

"Even when you see him, your heart beats faster and you feel shy unconsciously. And every time you see him, you always have an inexplicable sense of security, and then you think that you can get along with him a little more! "

Speaking of an answer, Qia heard these features! How could she react to Tang Yixuan!? So, does this mean that I have fallen in love with him subconsciously?!

This news is like a bolt from the blue! Xia Yunqiao's face turned white, which is not a good thing.

"What's wrong with you, Little Joe? You look terrible Maggie saw the change of Xia Yunqiao. Just now that person is not Qin Zichen, so who can it be?"

Xia Yunqiao shook his head mechanically. "Qiqi, if a handsome man chases you, he even offers to marry you. What would you do? "

"Handsome boy?"

"Well! It's really handsome. There is no dead angle in 360 degrees, and the family background is also good. " Xia Yunqiao continued.

After hearing Xia Yunqiao's description, maiziqi also imagined in her mind, "and Zichen brother compare?" In maiziqi's eyes, Qin Zichen is her God. If there is someone better than her God, then this man must be wonderful!

Xia Yunqiao heard maiziqi take Qin Zichen as a reference, she followed the combination to contrast. The final conclusion is that in their own heart, it seems that Tang Yixuan is better!

"I think he is better than brother Zichen."

Maggie exclaimed, "Little Joe, do you like him?"

[Chapter 510](#)

Because of Maggie's words, Xia Yunqiao is absent-minded all day, and his work efficiency is very low.

During the lunch break, she held her head and thought about what Maggie had said before. Did she have such feelings for Tang Yixuan? It seems that how can't say, how can I like another person in such a short time? It's really hard to say.

When Xia Yunqiao was meditating, the mobile phone rang. Xia Yunqiao see that name, eyes a bright, is Tang Yixuan's phone. Xia Yunqiao quickly straightened his hair, and then hum a few times. Then I answered the phone. "Hello..."

"Still busy?" Tang Yixuan's voice is very good.

"Well." Xia Yunqiao's voice became unnatural.

"No rest at noon?" Tang Yixuan's tone is concerned. "This body is very important, three meals must be eaten on time."

Xia Yunqiao's heart warm, "in fact, I have eaten."

"When you are busy, you should pay attention to the combination of work and rest."

"I know all that."

"But whether it will be done or not is another matter." Tang Yixuan said with a smile. Everyone will say that, but how many people do it?

Xia Yunqiao immediately changed a topic. "Are you here?"

"Yes, just arrived at the company. There will be a more important meeting in the afternoon. "

Xia Yunqiao heard such words, immediately frowned. "Don't you have a rest? You're going to be tired

"Used to it. I'm still in good health. " Tang Yixuan replied.

Xia Yunqiao also want to say something, heard Tang Yixuan there is someone talking to him, it seems that the meeting time. He was really busy, and he was not good to disturb him.

"Joe, I'm going to a meeting."

"You are busy!"

But after this call, they did not contact again. The next time, Xia Yunqiao into the work, occasionally stopped, she would look at the number in a daze. What's going on here? Is Tang Yixuan busy recently? There is no news at all.

On this day, Xia Yunqiao came home and was stopped by Yun Muxin.

"Little Joe, mom has something to say to you."

Xia Yunqiao goes to Yun Muxin. "What's the matter?"

"Since you broke up with Chu Zifeng, mom wants to introduce someone to you." Yun Muxin said with a smile.

"Who?" Xia Yunqiao's heart immediately knew what was going on.

"It's the son of one of your father's colleagues. You young people meet and talk and make friends

Xia Yunqiao's eyebrows wrinkled in an instant. "Mom, I'm not interested!"

"Be obedient! You see, you're not too young. Although my father and I have not interfered in your affairs, but once people are old, they want to see their children happy. We only have you as a daughter, so we can be considerate of our parents. "

Xia Yunqiao did not retort, she did not want to let her mother sad, finally agreed. "I'll see you as soon as I see you, but I just want to know a friend. I don't mean that."

"Good!"

Once he started, Xia Yunqiao ate with different men for several nights in a row for the next week. But no one felt it, so every time I ate a meal, it was over.

Xia Yunqiao just came out of the restaurant, the whole person is like a frustrated ball. When can such a thing come to an end?! Xia Yunqiao really doesn't know where his father and mother find these men. It can be said that there are all kinds of them, but none of them feel that they can be friends, let alone boyfriends.

Xia Yunqiao goes to the parking lot and calls Maggie.

"Qiqi, have you eaten yet?"

"What's the matter? Will you invite me to dinner? "

"Well, come out!"

"OK, where do you tell me the address? I'll get there in a hurry."

Xia Yunqiao told Maggie an address, "I will wait for you there."

The place where Xia Yunqiao and Maggie make an appointment is his uncle's restaurant, because you can wash your face there, and it's also safe. More importantly, at night, my uncle won't be there!

When Maggie arrived, Xia Yunqiao had already ordered something waiting for her.

"So much, where can I finish?" Maggie knew there was a big meal to eat, so she didn't eat that fast food.

"Pack when you can't finish." Xia Yunqiao replied.

Xia Yunqiao has been forced to make a blind date by her family recently. She knows something about it. Look at her, even more tired than when working. Maiziqi couldn't help but feel distressed. She looked at Xia Yunqiao and said, "today, my heart is jammed again?"

"Every day I'm full of heart." Xia Yunqiao replied.

"I think you'd better talk to your family." Maiziqi gives advice to Xia Yunqiao. "Or you can ask Mr. Tang of C city to help. Once these things start, they're really endless. "

"Well, you're right." Xia Yunqiao agrees, but do you really want to ask Tang Yixuan for help? This makes Xia Yunqiao a little tangled."Joe, it's better to find someone you like than someone who doesn't like you!" Maggie went on.

Back home.

Xia Yunqiao tangled for a long time to summon up the courage to call Tang Yixuan.

But Tang Yixuan didn't answer. He didn't know whether he was busy or doing other things. They didn't contact each other half a month ago?

Xia Yunqiao sighs, think of here feel uncomfortable. Tang Yixuan in the original invisible so affect their own mood. Xia Yunqiao feels that she has no future. Why is she never as strong and decisive as her work when she treats her feelings!

At this time, the mobile phone vibrated. Xia Yunqiao saw Tang Yixuan's name beating, and his heart beat faster.

"Hello

"To me?"

"Yes." Xia Yunqiao answers, Tang Yixuan's tone sounds like very tired. "Have you been busy lately?"

"Always waiting for me to call?" Tang Yixuan asked with a smile.

"I..." Xia Yunqiao did not dare to say, but it is.

Tang Yixuan there did not continue to tease Xia Yunqiao. "My mother is in hospital and I've been taking care of her these days."

Hearing Tang Yixuan's words, Xia Yunqiao followed nervously, "are you ok?"

"It's OK. She's just angry with me." Tang Yixuan said it was easy.

Xia Yunqiao understood that it was because of the last wedding! "Is it because of me that day..."

"Little Joe, it's none of your business." Tang Yixuan interrupts Xia Yunqiao and doesn't want her to think.

"Tang Yixuan, I have nothing like this. Does that make it hard for you to do it? If I can, I can explain it. "

"It has nothing to do with you." Tang Yixuan replied. "You just have to wait for me to pick you up."

Xia Yunqiao hesitated for a moment, "Tang Yixuan, in fact, I'm calling you today to discuss something with you."

"What's the matter?"

"I want to ask you a favor..."
