

Warm Wife 511

[Chapter 511](#)

After Xia Yunqiao finished, Tang Yixuan had been quiet over there.

At this time, Xia Yunqiao's heart followed seven to eight, he will not be angry? So don't talk.

"That..." Xia Yun Qiao just said two words, heard Tang Yixuan's voice. "Joe, have you gone to meet?"

Xia Yunqiao was stunned, at this time, I thought of what Tang Yixuan said before, and I was more nervous. "In fact, it is..."

"I know you don't have to explain it to me." Tang Yixuan replied. "I'll go to city A."

Hearing Tang Yixuan, Xia Yunqiao can not help but a moment of moving. "Really?"

"Really!" Tang Yixuan replied. "But these days, you are not allowed to see other men again."

"OK."

"Take a break early. I'll take care of it."

Xia Yunqiao has a smile on his face. "Thank you!"

"I wish I could hear it not the next time." Tang Yixuan said with a smile.

Until the end of the phone, xiayunqiao still felt his heart beat very fast, Tang Yixuan said that the three words refer to "I love you"? How can I say that! Is the development between them so fast?

In waiting for Tang Yixuan to come, xiayunqiao refused several meals to work as a reason to push off. But Tang Yixuan or a little news, or her mother's situation has not improved?

Xia Yunqiao was worried about it, and he thought about greeting, which was a kind of politeness.

"Joe!"

Xia Yunqiao looked up when he heard the sound and saw Qin Zichen standing at the door. "How are you coming?" said Xia Yunqiao? Don't you mean it's been busy lately? "

Qin Zichen came in with a smile. "I'll come to see you any more. I heard you have been forced to meet each other recently. "

"If you come to sarcasm, then the door is there and please turn around and go out." Xia Yunqiao is really speechless.

Qin Zichen not only did not go, but even sat down. "Don't do that! Brother is concerned about you like this. "

"Go." "If you have something, you can tell me what you want."

Qin Zichen smiled. "Would you like to give you an idea with your brother?"

Xiayunqiao shook his head. "No! I will solve it myself. And I've figured out a good way, so I don't have to play this time. "

Xia Yunqiao's words aroused Qin Zichen's interest. "I don't need help this time? Yes, it seems that the head is open. "

"I have no bad IQ!" "Said Xia Yunqiao, unavailingly. "I have been a bully, too."

Seeing that xiayunqiao is OK, Qin Zichen is relieved. He knows why Uncle Xia and aunt Yun did so. After all, it is more and more close to tangyixuan to pick up xiayunqiao. If xiayunqiao can find a person who likes it, it may stop it.

"Xiao Qiao, have you got any contact with that Tang Yixuan?" Qin Zichen asked.

Xia Yunqiao saw Qin Zichen so serious expression, a tight heart. Then she shook her head, "No. What's wrong? "

"It's OK. You're a little bit away from him

"Oh!" Xiayunqiao nodded at once.

See xiayunqiao so obedient, Qin Zichen heart is also somewhat comforting. To know how shocked he was to know the truth, he himself had been slow for several days to come to her, because he was worried about revealing the stuffing in front of her. He remembers Huo Dong Yang's reminder, but he still doesn't want to say it now.

But Qin Zichen did not think that this time he concealed it and created a chance for xiayunqiao and Tang Yixuan to meet, even let their feelings change.

Qin Zichen sat for a while and left. There were many things in the company. He didn't have the time to be lazy. Xia Yunqiao sent Qin Zichen out and came back to receive a call from Tang Yixuan.

"Joe, I'm already at the airport in city A."

"Really?" "I thought you had not decided, so nothing was ready," Xia Yunqiao looked at the time

"There's no need to prepare anything." Tang Yixuan replied.

Xia Yunqiao turned the key on the table. "You're waiting for me at the airport. I'll pick you up."

"No, I'll take a taxi to the city myself." Tang Yixuan replied, "you eat with me at night?"

"OK! I'll pick you up. "

"These things should be done by men." Tang Yixuan replied.

Xia Yunqiao smiled, Tang Yixuan really thought about everything. "Good!"

As she was near work, Xia was still modifying a design drawing and heard the noise outside the office. Her brow frowned, as if something had happened outside.

Xia Yunqiao stops his pen and calls Maggie.

"Kiki, what's the matter with this noise outside?" Xia Yunqiao's tone was discontented, which was her attitude at work.

"Joe, there's a handsome guy here and brings us a lot of food." Maggie was in a tone of excitement.

Xia Yunqiao picked his eyebrows. "Handsome man?" "Well! There is no dead angle in 360 degrees. It looks like a real fight with brother Zichen. " Maggie replied.

Hear here, Xia Yunqiao in the mind of a person. "Don't you..."

Xia Yunqiao dropped his pen and rushed out. She pushed aside the crowd and saw Tang Yixuan standing in the middle. He's really here!

"You..." Xia Yunqiao is a shocked face. She wanted to go to him after revising the last design, but he came by himself.

Tang Yixuan walks to Xia Yunqiao with a smile. "I said to come and pick you up."

"How do you know I'm here?" *noVeLUsb.cOm*

"Isn't it difficult?" Tang Yixuan replied. "Is the work over?"

Xia Yunqiao shakes his head. "A little more."

Tang Yixuan reached out and pinned Xia Yunqiao's hair behind his ear, "OK! In that case, I'll wait for you here. "

"Then I'll hurry up." Xia Yunqiao said with a red face.

Xia Yunqiao turned around and saw that others were still standing still. Xia Yunqiao immediately changed his face. "Are you finished with your work today? If you don't, you can go to work for me

As soon as the Queen's manner came out, the others returned to their positions.

Maiziqi takes a look at Xia Yunqiao and then Tang Yixuan. "Well, I'll be busy first."

Xia Yunqiao this time just reacted, Tang Yixuan is still here. She suddenly felt embarrassed, this image will not be destroyed! Xia Yunqiao didn't even dare to go back to his office.

Maggie saw Xia Yunqiao's back in a hurry and knew she was embarrassed. It seems that this handsome man is the man she mentioned that may be in love at first sight! As a good friend, Maggie decided to come forward.

Maggie went to Tang Yixuan's side and whispered, "you don't mind. Xiao Qiao works like this."

Tang Yixuan didn't mind, "I know, she's so good!"

[Chapter 512](#)

Xia Yunqiao finished his work with the fastest speed in history.

When she came out, she found that Tang Yixuan was not there. She's going to find Maggie. "Where are the people?"

"Who is it?" Maiziqi saw Xia Yunqiao's nervous appearance and pretended not to know.

Xia Yun joton was not happy to hear such an answer. "What about others?"

See Xia Yunqiao to be angry, Maggie see good and close. "He said he would wait for you outside. If you continue to wait for you here, it will affect everyone's work. "

Xia Yunqiao heard these words in the heart is more moved, he even thought of these for himself, really good! Tang Yixuan is really good, he at least stands in his own angle to think about things.

Maggie saw the need for Joe to be distracted, and then she said, "Xiao Qiao, this handsome guy really dumped Chu Zifeng several streets. If that's what it's about, hold on to it! "

"Why do you think he's better?"

Maggie pointed to the bag of food on her table. "He knows how to bribe us! And it's all to our taste. It is the so-called sentence, take people's hands soft, eat people's mouth short. With these two points, he has succeeded

Xia Yunqiao glanced at the whole office area, and there was a bag of snacks on everyone's desk. This brand is not cheap. Tang Yixuan's money seems to be really spent.

"What are you doing standing here, Little Joe?" Maggie went on. "Such a high-quality product should be quickly collected. If you don't go out again, I guess some old women from the opposite company may jump on them

Xia Yunqiao felt uncomfortable when he heard this. "They dare!" With that, Xia Yunqiao stepped on high-heeled shoes and walked quickly.

Xia Yunqiao out of the office building, still did not see Tang Yixuan's figure. She immediately took out her cell phone and called.

"Where are you?" Tang Yixuan over there, Xia Yunqiao immediately asked.

"I'm in the cafe opposite you." Tang Yixuan looks back.

Xia Yunqiao raised his head and looked at the opposite side. As expected, he saw Tang Yixuan waving to himself across the glass. She looked at the road and then walked quickly.

Tang Yixuan saw Xia Yunqiao crossing the road like a headless fly. He immediately stood up. He went to the door and saw Xia Yunqiao coming.

"Sorry! Let you wait for me Xia Yunqiao breathed slightly.

Tang Yixuan didn't speak and went straight to hold Xia Yunqiao. "Don't cross the road in such a hurry next time. It's very dangerous!"

Xia Yunqiao felt that Tang Yixuan was really worried about himself. She also reached out to hold Tang Yixuan. "It's OK. There are not many cars in this section."

"That's not to be fooled Tang Yixuan replied. "You have to love yourself to love others better!"

This sentence seems to be a force into Xia Yunqiao's body. "Tang Yixuan, what kind of person are you? Why treat me so well? " Xia Yunqiao can't ask these questions because she is worried that Tang Yixuan's answer is not what she wants!

The picture of two people hugging each other at the door of the coffee shop entered Chu Zifeng's eyes. His hands holding the steering wheel suddenly showed blue veins, which showed how hard he held the steering wheel. Originally he just wanted to sneak a look at Xia Yunqiao, but he didn't expect such a picture.

The jealousy in the heart swept over the whole body, who is that man after all! What is the relationship between him and Xia Yunqiao! See Xia Yunqiao so quiet nest in that man's arms, know her dependence on this man!

Chu Zifeng saw them hand in hand into the coffee shop, eyes are full of envy and jealousy! Xia Yunqiao is not a casual person, if not to a certain extent, she would not be so dependent on other people, let alone a man! Even if she and Qin Zichen are together also not like this! So in this way, there is only one reason that can be explained clearly.

This man is Xia Yunqiao's new boyfriend! Chu Zifeng thought of here, like being cut by a knife! Why didn't he insist at first? He thought he could put down Xia Yunqiao and live with Lin Yun. But this period of time but let themselves more clear, that is, they have no way to put down Xia Yunqiao!

Chu Zifeng has been sitting in the car watching Xia Yunqiao and the man's interaction, he must find out who this man is!

In the coffee shop.

Xia Yunqiao and Tang Yixuan sit face to face. "Tang Yixuan, where are you staying tonight?"

"I have a hotel reservation."

Xia Yunqiao is a little depressed. He has arranged everything well. What else can he do? Obviously, he asked him to come from City C, but all the plans he had planned before were not done.

Tang Yixuan took a sip of coffee and saw that Xia Yunqiao was not very interested, "what's the matter?"

"You've arranged everything. I don't have to do anything." Xia Yunqiao complained in a low voice.

Tang Yixuan a smile, "I'm used to doing my own things, so I don't want to trouble you! And how come you don't have to do anything? Tomorrow is the point. After dinner, we'll discuss the countermeasures."
"

"Well! That dinner must be my treat

"Good!" Tang Yixuan didn't argue with Xia Yunqiao about this point. Anyway, he liked her to arrange it. After dinner, Xia Yunqiao insisted on sending Tang Yixuan back to the hotel.

Tang Yixuan took Xia Yunqiao's car for the first time, and soon saw her problem. She's not very good at reversing. Just like now, she backed out for a long time.

"You should." Tang Yixuan is commanding Xia Yunqiao.

Xia Yunqiao in accordance with Tang Yixuan said the method, sure enough to drive out of the car. "It's so simple!"

"In fact, there are many ways to reverse, but this is easier for girls."

"How can you be so clear."

"Studied." Tang Yixuan replied with a smile, "there will be a chance to teach you in the future."

"Good!" Xia Yunqiao nodded.

Xia Yunqiao sent Tang Yixuan back to the hotel. His driving skill was very stable, but the speed was a little slow. Tang Yixuan did not disturb Xia Yunqiao's driving, but let her concentrate on driving. Tang Yixuan inadvertently saw a car seems to have been deliberately keeping the distance behind.

Tang Yixuan looked back and quickly wrote down the license plate number, then sent a message to Xu nan to check. Or aware of something wrong, Xia Yunqiao said: "what's the matter?"

"There's a car behind us."

Xia Yunqiao a listen, immediately look at the car mirror. This car is really following. Who the hell is this man?

"No?" Tang Yixuan asked.

"Well."

Tang Yixuan nodded, and then directed Xia Yunqiao how to open. Soon, Xia Yunqiao got rid of the car.

Xia Yunqiao drove so fast for the first time, and the tension in his heart had not disappeared.

"Are you all right?" Tang Yixuan saw Xia Yunqiao's face was wrong, "or I'll drive it!"

Xia Yunqiao didn't want to show off, so he stopped to exchange places with Tang Yixuan.

"Little Joe!" Xia Yunqiao just wanted to get on the bus when he heard someone calling himself.

[Chapter 513](#)

Xia Yunqiao looked back and saw a car suddenly stopped beside him. After the window was lowered, he saw a familiar face.

Chu Zifeng chased very hard to catch up, so he didn't want to miss the opportunity to talk to Xia Yunqiao.

Tang Yixuan saw Chu Zifeng stop the car and knew that he had been following him. Tang Yixuan saw Xia Yunqiao still standing there, "Xiao Qiao, get in the car!"

Xia Yunqiao hears Tang Yixuan's voice and wakes up instantly. "Oh

"Little Joe, wait a minute!" Chu Zifeng said anxiously, and then got off the car.

Xia Yunqiao looked at Chu Zifeng, who walked quickly to her face. She stepped back a step. "What do you want to say?"

In the face of Xia Yunqiao's distant tone, Chu Zifeng's heart pain is deeper. "Joe, I'm..."

"I remember we made it clear last time." Xia Yunqiao doesn't like muddling about. Since he has made it clear, it's better not to have any involvement. This is a good thing for both sides.

Chu Zifeng see Xia Yunqiao has deliberately opened each other's distance, he did not continue to go forward, but stood in situ looking at her. "Little Joe, I mean no harm. I just want to talk to you

"There's nothing to say between you and me." Xia Yunqiao replied.

"Little Joe, you forget everything so soon? I don't believe you're such a ruthless person. "

Tang Yixuan's face sank after hearing Chu Zifeng's words, but he still had the face to say such words. Tang Yixuan gets out of the car and walks to Xia Yunqiao. "Mr. Chu, don't you think it's shameful for you to say such a thing? At the beginning, you gave up the relationship with Joe. At this time, why do you ask Joe not to forget the past? "

Chu Zifeng is blocked by Tang Yixuan's words. He clenches his fist and stares at Tang Yixuan. "Who are you?"

"Who I am has nothing to do with you." Tang Yixuan replied.

Xia Yunqiao opened his mouth to Chu Zifeng and said, "we will have something to do later. We have to go first."

"Who is this man, Little Joe?" Chu Zifeng is ready to break the casserole and ask the end.

Of course, Tang Yixuan wants to be angry with Chu Zifeng. Since he has to know, he will surely tell him mercilessly. Tang Yixuan put out his arm around Xia Yunqiao's shoulder, and declared sovereignty, "Xiao Qiao is my fiancée!"

This news to Chu Zifeng is a thunderbolt from the blue. Unexpectedly, Xia Yunqiao has a fiancée. This man looks very powerful. He doesn't look like an ordinary man. I didn't expect Xia Yunqiao could find such a fiancée.

"Rich marriage has always been a good match. Do you deserve it? "

"Which eye of yours thinks we are unworthy?" Tang Yixuan asked. What kind of rich marriage, these things are not important to him at all, what he wants is a pure feeling.

Chu Zifeng did not speak, because these words are to move a stone to hit his own feet.

Xia Yunqiao said angrily, "Chu Zifeng, the family status is really so important to you? You give up me because of my birth? "

"I..." Chu Zifeng wants to explain, but Zhang Kou doesn't know what to say!

Tang Yixuan took Xia Yunqiao into his arms. "Little Joe, let's go!"

Xia Yunqiao nods, in fact, Chu Zifeng has just answered himself. What he wanted was a man who could help him gain a firm position in the Chu family. Although the heart how reluctant, is because he is not the person he needs, so he will let go.

Tang Yixuan helped Xia Yunqiao to get on the bus and then closed the door. Tang Yixuan stared at Chu Zifeng, "Chu Zifeng, you and Xiao Qiao have become the past, so please don't appear beside her in the future. I'm not a big person. If I can't help it one day, maybe I will do it! "

"Who are you?" Chu Zifeng always felt as if he had seen him somewhere. But all of a sudden, I can't remember!

Tang Yixuan raised the corner of his mouth. "It doesn't matter who I am! Just remember that I will be Joe's husband

"I think you are also a man of honor. Can you make your own decisions about your marriage?"

"My life, including my marriage, is my own decision. Little Joe is the only woman I can marry! Please don't covet what doesn't belong to you. "

With that, Tang Yixuan opened the driver's door and drove away in a short time.

Chu Zifeng standing in place did not move, if he can be as natural and unrestrained as he is good, or now everything will not happen. Chu Zifeng is really not reconciled, he clenched his hand, he also made a decision in his heart.

Tang Yixuan drove the car to his hotel. After he stopped the car, he saw Xia Yunqiao still in a daze, "still thinking about him?"

"No Xia Yunqiao quickly shook his head.

"There's no best. I'm narrow-minded and easy to get angry. Since we're going to be tied together from tomorrow, my woman can't think about other men, you know? "

Xia Yunqiao heard Tang Yixuan's words and wanted to refute, but saw Tang Yixuan's serious face, she finally nodded. "Well!" "That's good." Tang Yixuan reaches out and touches Xia Yunqiao's head, revealing a satisfied smile.

Xia Yunqiao took down Tang Yixuan's hand. She grabbed his wrist and whispered, "Tang Yixuan, in fact, I'm not a very obedient person. Don't think about me too well. If I'm obedient, I won't let you help me to cheat my parents

Tang Yixuan holds Xia Yunqiao's hand. "Joe, whether you're good or bad. You and I are destined to be together. In fact, you don't have to try to cheat your parents all the time, because I really want to marry you

Xia Yunqiao every time hear Tang Yixuan say such words, feel inexplicably good. "So I have someone to ask for, anyway?"

"Of course

"Tang Yixuan, you are so kind!" Xia Yunqiao doesn't care whether Tang Yixuan really wants to marry himself, or is joking. She thought it was enough! When I feel helpless, it is always a good thing to have such a person around.

The next morning, it happened to be the weekend.

Xia Yunqiao drove to the hotel to pick up Tang Yixuan and go home to finish their annual play today.

Xia Yunqiao stood in the lobby of the hotel waiting for Tang Yixuan, and soon heard Tang Yixuan's voice. "Little Joe!"

After hearing the sound, Xia Yunqiao looked back and saw Tang Yixuan's suit was straight. He really sent out all the handsome people on his body, and the whole person was full of energy. Seeing him coming towards him, Xia Yunqiao can't help but be crazy. He is a selfie.

Tang Yixuan went to Xia Yunqiao and said with a smile, "I'm back."

"Well!" Xia Yunqiao immediately put away his coveted expression. "It's true that people depend on clothes."

"Is that ok?" Tang Yixuan specially opens his arms for Xia Yunqiao to evaluate.

"Good!" Xia Yunqiao nodded repeatedly. Tang Yixuan is a typical hanger, which looks good in everything.

Tang Yixuan half bent his arm. "If we are satisfied, let's go."

Xia Yunqiao smiles and takes Tang Yixuan's arm. "OK!"

[Chapter 514](#)

Before arriving at Xia's house, Tang Yixuan drives Xia Yunqiao's car to another place.

"Where are you going?"

"I can't go to my father-in-law's house empty handed, can I?" Tang Yixuan replied. "So, of course, something has to be prepared to get through."

Tang Yixuan's answer makes Xia Yunqiao satisfied. In his heart, he feels that this man has taken everything into consideration. Whether it is a person or etiquette, each item is to allow people to give full marks.

Thinking of this, Xia Yunqiao wants to know more about Tang Yixuan. In fact, he is really weak in these aspects, and he just makes up for his shortcomings. To a high-end gift shop, Xia Yunqiao looks surprised. It turned out that he had made an appointment in the morning, but now he just came to pick up the goods.

Xia Yunqiao just looked at the things in the store, and found that the things in this store are not cheap, and now Tang Yixuan holding these things should be even less cheap. Tang Yixuan see Xia Yunqiao is still in a daze, come forward to take her hand. "Come on, don't let the elders wait for us."

"Tang Yixuan, when did you prepare it?"

"Now it's convenient to shop. Before I come, I'll choose online and pay. Now I'll come here to pick up the goods. "

Xia Yunqiao smiles and is ready for everything. "Well! It's really convenient now. "

At the door of Xia's house.

Tang Yixuan pulls Xia Yunqiao to enter the door. "Little Joe, don't say anything more later. I'll give it to you."

"I know. But don't say you live in city C. they won't agree Xia Yunqiao quietly reminds Tang Yixuan.

Tang Yixuan of course knows why they don't like city C. But he still asked, "are they just rejecting people from City C?"

Xia Yunqiao looks helpless. "There's a reason for this. I'll explain it to you later."

Then, Xia Yunqiao helped Tang Yixuan arrange the clothes, "well, OK, let's go in!"

Tang Yixuan said with a smile, "I will perform well."

Entering the room, Xia Yunqiao saw his father sitting in the living room like a Buddha, and his face was very bad. Especially to see Xia Yunqiao and Tang Yixuan holding hands.

"Dad, we're back." Xia Yunqiao called.

"Well!" Xia yueqian just answered.

Tang Yixuan points to Xia yueqian. "Hello, uncle Xia!"

"Sit down!" Xia yueqian is not polite.

Xia Yunqiao took Tang Yixuan and sat down. Tang Yixuan put the gift in his hand on the table top. "This is a little bit of a small idea. Please accept it."

Xia yueqian glanced at him. The boy was quite capable of being a man, and the things he brought were very decent, and even he liked them better. It seems that the boy has made some efforts in advance.

In order to avoid embarrassment, Xia Yunqiao said, "Dad, why are you back so early today? Doesn't it mean there's a seminar to be held? "

"The time of the seminar has changed." Xia yueqian said.

"Where's mom?"

"Your mother won't be back for a while. I think she's going to buy some vegetables."

Xia Yunqiao a listen to feel wrong, "are you sure mom will buy vegetables?"

Xia yueqian suddenly realized this and immediately called Yun Muxin to go home and eat without food.

Tang Yixuan from these small details of their things roughly figured out, it seems that the dominant power of this family is still in yunmuxin there. This is also a good thing for him. His mother-in-law has always been easier to handle than his father-in-law.

After a while, Yun Muxin came back.

"I'm back."

Hearing the voice of cloud Mu Xin, Tang Yixuan immediately stood up. "Auntie, you're back."

Cloud mu heart directly looked at Tang Yixuan, this man seems to send Xiao Qiao back that day, the man's figure seems to be the same person!

"Sit down, please."

Thank you Tang Yixuan said thank you.

Xia yueqian continued to speak. "Wife, sit down, too. Your uncle really likes to have meetings on weekends every time

"Haven't you been used to it all these years?" Yun Muxin sits down and answers.

When Yun Muxin sits down, Xia yueqian begins to carry the posture of an elder. Xia yueqian coughed deliberately, as if he was saying that the meeting was about to start!

Xia Yunqiao looked at his father with his eyes, as if telling his father not to be too much. Otherwise, she would not be so easy to talk about.

"What's your name?"

"My name is Tang Yixuan. You can also call me Kevin."

Tang Yixuan said, cloud Mu Xin's face suddenly turned white. Tang? And the English name is Kevin?! How can this be the same as Tang Yuze! Cloud Mu Xin looks at Tang Yixuan carefully, as if he wants to find a shadow of Tang Yuze from him. But the person in front of me is not like Tang Yuze at all!

"Where are you from?"

"I am..." Tang Yixuan ready to answer, he felt Xia Yunqiao's tension. Tang Yixuan reached out and pressed Xia Yunqiao's hand. "I'm from a city, but my current career is mainly in C City." "It's not too much to say! For Xia Yunqiao, he needs to cover up. If there is no concealment in the future, then he will not cheat the public. At most, he can only say that he has not told the whole story.

"What!" Xia yueqian's tone suddenly changed. None of the information the boy said met his own standards. Tang? City C? This kid won't have a relationship with the Tang family in C City, will he?

"Are you from the Tang family in City C?"

"Uncle, there are a lot of Tang people in C City. I don't know which Tang family you mean?" Tang Yixuan asked.

"I think you should have heard of the Tang family with the mysterious legend in C City."

"I haven't heard of it." Tang Yixuan replied.

When Xia yueqian still wants to continue, Yun Mu Xin reaches for Xia yueqian and shakes his head at him to indicate that he is not excited. Cloud Mu Xin looks at Tang Yixuan. "Where are your parents?"

"They are all abroad." Tang Yixuan replied.

"When did you meet Little Joe?" Yun Muxin then asked.

This question, Xia Yunqiao scrambled to answer. "The day when Chu Zifeng got married."

"So you know about Chu Zifeng?"

Tang Yixuan nodded. "Yes! I don't mind what happened to Joe and Mr. Chu. Everyone has his own past. I just want to go to the future with Joe. "

"You have a big heart."

"No! In fact, I like to care, but who let me fall in love with Joe at first sight! So there is no way, I can only bear it

Tang Yixuan's words are very simple, but let Xia yueqian and Yun Muxin have some deja vu. These words were also said by them in those years.

"Why did you call in today?"

Tang Yixuan sat up straight and said seriously, "I heard that my uncle and aunt intended Xiao Qiao to go on a blind date recently, so after hearing this news, I had to come. Taking advantage of this opportunity, I also want to ask my uncle and aunt to approve of my association with little Joe

[Chapter 515](#)

Xia yueqian and Yun Muxin didn't expect Tang Yixuan to say his purpose so directly. What's more, in their eyes, the real meaning of his words is to let them marry their daughter to him.

Tang Yixuan looked at the two people did not speak, he continued to add: "I am based on the premise of marriage and Xiao Qiao contacts. If you agree, I can marry Joe right away. I heard a little bit in Xiao Qiao before, saying that if she wants a husband, she needs a husband who can cook. I think I just fit in with that. "

Of course, Tang Yixuan said these points are also in line with Xia yueqian and Yun Muxin's selection criteria. Tang Yixuan with a calm, and all aspects are very good, and Xiao Qiao is also very good!

Tang Yixuan is better than the former Chu Zifeng. They haven't had dinner with Chu Zifeng before. They really don't know how he is. But always feel that he is to have no time to push off the meal, and Chu Zifeng such behavior is not very satisfactory. The only good thing is that his home is in city A.

But now they are satisfied with Tang Yixuan, but his family background still needs to be considered. The Tang family always haunts their two old people like a magic spell. They don't want their daughter to suffer in the Tang family!

Now this boy is surnamed Tang. For this reason, they are hesitant. It doesn't look like he's lying. So Xia yueqian and Yun Muxin chose silence. They looked at each other in tacit agreement and exchanged views.

Xia Yunqiao heart with tension, this parents in the end will nod? Tang Yixuan reaches out and holds Xia Yunqiao's hand to let her not worry.

"Tang Yixuan, right? I'd like to ask what you do in City C?"

"Doing business."

"Your own company?"

"Not my own company." Tang Yixuan replied. "Because my father hasn't fully delegated power to me, I'm also working for him."

Yun Muxin then asked, "what industry is your family doing?"

"Transportation." Tang Yixuan replied. "My dad used to have a company in America."

See cloud Mu Xin and Xia yueqian take turns to ask Tang Yixuan questions, Xia Yunqiao is really holding a cold sweat. "Dad, mom, it's almost OK. You look like you're on trial."

Xia yueqian glared at her daughter and didn't seem to want her to interrupt. But Xia Yunqiao is also a man of character. "Yixuan, absolutely no problem! He is very kind to me, so you can rest assured! "

"Sure enough, it's a woman who doesn't stay." Xia yueqian felt speechless. Although I knew from my childhood that my daughter would leave home one day when she grew up, I felt bad every time I thought about it.

Cloud Mu Xin looks at Tang Yixuan, "I still have a problem."

"Auntie, please."

"Why do you use the name Kevin?" Yun Muxin hopes it's just a coincidence.

Tang Yixuan pauses, he looks at cloud Mu Xin suspiciously. "Is there a problem with the name?"

Cloud Mu Xin shakes his head, "just once I had a friend called this name."

"The name is optional. If my aunt doesn't like it, I can change it. " Tang Yixuan replied. In fact, this English name is borrowed from my father. He has no English name.

Yun Muxin heard Tang Yixuan's words and then said, "no! I think it's a good name. "

After that, Xia yueqian invited Tang Yixuan out for dinner. Of course, the restaurant is my brother's. But today, Yun Yiyan is not in the restaurant, and the company's business has not been finished, so he did not come.

Xia yueqian ordered many dishes that his daughter liked to eat, and finally asked Tang Yixuan what he liked to eat.

"I'm not picky."

"That's good! Today's young people choose everything. " Xia yueqian said with emotion.

In the process of eating and putting, Tang Yixuan takes care of Xia Yunqiao and helps Xia Yunqiao with vegetables. These Xia yueqian and Yun Mu Xin all see in the eye. Generally speaking, they have a good impression of Tang Yixuan.

During this period, Xia yueqian instantly mentioned a sentence. "Do you want to come to city a for development?"

"Yes! After all, I don't want Joe to leave home. But I had an agreement with someone before that I could leave after this period of time. "

Xia yueqian is still satisfied with the answer. Tang Yixuan is a responsible person. "About when?"

"Three months later." Tang Yixuan replied. This is his agreement with Huo Dongyang. And now this has become an opportunity.

"That's good!" As expected, Xia yueqian nodded.

Tang Yixuan knows that they want to get rid of the engagement, so this time he can only take the initiative to attack.

Cloud Mu Xin pulled Xia yueqian for a while, lest wait for him to be excited for a while, blurt out promise to be frank. "Eat!"

Xia yueqian immediately returned to his senses, "well, have a meal."

After dinner, Xia Yunqiao said he would take Tang Yixuan out for a walk and leave first.

"Women don't stay at all." Xia yueqian repeated again. He seemed to see the future situation of his daughter's marriage. At that time, there were only two old men left in the family. He thought that he was really reluctant to give up. Cloud mu heart clear summer Yue Qian's mood, "don't show this look, daughter has not married yet!"

"Wife, what do you think of Tang Yixuan?"

"Not bad!"

"Actually, I have an idea." Xia yueqian opened his mouth. "Anyway, he is also a surname of Tang. If that official card appears then, we will have an excuse to say that. And I think Xiao Qiao is very dependent on Tang Yixuan. "

Yun Muxin didn't speak. He always thought of a sentence that his uncle had said. That child is not really from the Tang family. What does that mean? Is that the child's surname is not Tang, or that the child has nothing to do with the Tang family? If it doesn't matter, then how can that child have that golden business card?

There are too many problems. Yun Muxin has never thought clearly, and the uncle should have had any agreement with the child, so he never said much. If only Joe had heard the child's name, they would not be so upset now.

Xia yueqian saw his wife's trance, "admiration, what do you want?"

"Think about it."

"Tang Yixuan doesn't look like that child at the beginning."

Yun Muxin nodded, and she also observed for a long time. "The more modest, do we sometimes think too much? At the beginning, we also went through difficulties to get together, but why do our children still move out of that set of standards? "

Xia yueqian is stunned. Yun Muxin's words are not wrong. "Or if you're old, think more about it!"

"Children's happiness is the most important thing. If Joe and that kid are really meant to be, shouldn't we stop it? "

"Mu Xin, you should know that the Tang family can't get in, which will harm Xiao Qiao."

Yun Muxin didn't say anything. If it was true, it would be Qiao's life. It's no use how to escape. Fate is always elusive.

[Chapter 516](#)

Xia Yunqiao and Tang Yixuan left the restaurant and went to the park nearby.

In this park, there are many young men and women gathered on weekends because some interesting activities are held regularly in the park.

Xia Yunqiao took Tang Yixuan's hand and sat down, "thank you very much today."

"You're welcome! That's what I should do" Tang Yixuan replied.

Tang Yixuan looked up at the sky, the weather is very good today, not cold or hot. Spring has come, everything is reviving, a school of vitality. Xia Yunqiao looked at the flowers in the flower bed, but also a hundred flowers competing for beauty.

"Yixuan, I heard that this time is also the best season for cherry blossom in C City." Xia Yunqiao has always had a wish, that is to go to C city to see cherry blossom.

Tang Yixuan sees expectation from Xia Yunqiao's eyes, "yes! But I didn't see it. "

"Why?"

"There's no point in going alone." Tang Yixuan replied. Of course, the Cherry Blossom Park in C city also has such a spread. If you can meet someone you like under the cherry tree, the two people will be happy all their lives.

Xia Yunqiao heard Tang Yixuan's words and felt a pity, "that's really a pity! I really want to go and have a look, but my father and mother will definitely not allow me to go to C City. "

Tang Yixuan a smile, he put his arm around Xia Yunqiao's shoulder, "you also secretly went once? If you want to go, you can go with me tomorrow! I think I'm doing well in front of your parents, so it shouldn't be hard to do that. "

To Tang Yixuan's surprise, Xia Yunqiao shook his head, "no! I don't want them to worry. I was impulsive to go to City C before! " But this impulse, but let himself meet Tang Yixuan, this is not also a wonderful fate!

Tang Yixuan understands Xia Yunqiao's scruples. He wants to solve all those things in the next limited time. He doesn't want Xia Yunqiao to be wronged. "Xiao Qiao, we'll go to see the cherry blossom next year."

"Next year?"

Tang Yixuan nodded, "well, next year!"

"How do you think we'll be together next year?" Xia Yunqiao asked in a playful tone.

"Naughty indeed" Tang Yixuan stretched out his hand and pinched Xia Yunqiao's chin. "Next year, you won't be with me. Do you still want to go out of the wall?"

"What kind of red apricot comes out of the wall. I have not promised to be with you now" Xia Yunqiao replied.

Tang Yixuan narrowed his eyes and squeezed Xia Yunqiao's chin with a little effort, and then his head slowly approached. "I remember I said, I'm not a tolerant person, it's mine, it's mine! And you are mine

"I..." Xia Yunqiao has not answered, the words behind are all submerged in Tang Yixuan's kiss.

Every time, Xia Yunqiao felt helpless. However, for Tang Yixuan's kiss, she did not resist or even said some expectations. Xia Yunqiao did not struggle this time, but closed his eyes to respond to Tang Yixuan.

After a kiss, Tang Yixuan reluctantly let go of Xia Yunqiao, "remember my words?"

"What if I say no?"

"If not, I will continue to punish you in this way." Tang Yixuan then lowered his head to kiss Xia Yunqiao again.

This time, Xia Yunqiao reached for Tang Yixuan's neck and responded more actively. Tang Yixuan micro hugs Xia Yunqiao, as long as he meets her, he has a feeling that he can't stop. She is really too beautiful.

After that, Xia Yunqiao and Tang Yixuan hand in hand to go on a date, go shopping, eat, watch a movie. After the end, Tang Yixuan would have sent Xia Yunqiao back, but she refused. "You don't have to see me off. You have to rest early and catch a plane early tomorrow morning."

"Well! Call me when you get home. "

Xia Yunqiao nodded. "Good! I can't see you off tomorrow. There's a lot of work to do next... "

Tang Yixuan gently holding Xia Yunqiao, "Xiao Qiao, I understand all these. You can do your own business. I'll take care of the rest! "

Xia Yunqiao reached out to hold Tang Yixuan, and then he hesitated for a day. "Tang Yixuan, I am very happy today! I feel very natural and comfortable to be with you. I can't even tell whether it's acting or real. But I still want to be loyal to my heart. Let's get together

Xia Yunqiao doesn't want to think about other things. She just wants to tell Tang Yixuan what she has in mind. In such a short time, Tang Yixuan let himself forget those unhappy things, also let himself go out! And their dependence on him more and more, although they do not want to admit, but the feelings can not be suppressed. She seems to really like Tang Yixuan.

Tang Yixuan heard Xia Yunqiao's words, he showed a brilliant smile. This sentence he finally waited for! He will protect Xia Yunqiao no matter how many difficulties and sufferings there are in the future. "Joe, if you mean we get married! I'll be happier! "

"But now..."

"I understand!" Tang Yixuan understands Xia Yunqiao's worries. "You just have to come up to me firmly. I'm the other thing."

Xia Yunqiao, eh, is he really super power? See through your heart again and again! But it doesn't seem bad. "Well..."Tang Yixuan let go of Xia Yunqiao, "really don't need me to send you?"

"No, I can."

"Go back early, and be safe on the way."

Xia Yunqiao with a good mood to go home, but did not come home on the door of the community met Chu Zifeng. Good mood once did not have, summer cloud Qiao plank a face, looking at Chu Zifeng to come to him.

"Where have you been today, Little Joe?"

"There's no need to answer that question." Xia Yunqiao said.

"I heard that Tang Yixuan went to your house today?"

Xia Yunqiao frowned. How could he know. "You send someone to follow me?"

"I'm worried about you, too." Chu Zifeng replied. "That Tang Yixuan is not a simple person. Don't be cheated by him!"

"It's my business too. It's none of your business." Xia Yunqiao was angry.

"Joe, if I get divorced, will you come back to me?"

Hearing Chu Zifeng's words, Xia Yunqiao is even more disgusted, "Chu Zifeng, is marriage such a trifle for you? If you want to tie up, you can leave if you want to leave? Don't let me look down on you!"

Chu Zifeng has been suffering a lot these days. Seeing Xiang Yuqing and Tang Yixuan together, his heart is like being burned by fire. "Joe, I love you

Xia Yunqiao was slightly stunned, but she soon came to her senses. "Chu Zifeng, everything is late."

"Joe, I don't believe you've forgotten our past so soon."

Xia Yunqiao shook off Chu Zifeng's hand, "enough!"

At this time, Xia yueqian and Yunmu just came back from the outside. See this situation, Xia yueqian quickly forward. "What's the matter, Little Joe?"

"Dad Xia Yunqiao called.

Chu Zifeng looks at Xia yueqian and Yun Mu Xin, and the whole person is stunned! In a city, there should be no one who does not know these two faces! One is the eldest son of the former mayor, and the other is the third miss of the cloud family. These two people are big names. One is the chief medical professor of the central hospital and the other is the vice president of XY company.

[Chapter 517](#)

See Chu Zifeng that surprised appearance, Xia Yunqiao is to see him thoroughly.

Xia yueqian stares at Chu Zifeng for a while, and can't help but have a contrast. This should be Chu Zifeng! Long also barely to go, but now this look and Tang Yixuan a comparison, there is really a difference. Seeing his shocked eyes, Xia yueqian probably knew what was going on.

The boy used to say that he didn't have time. He didn't care to meet them. My daughter, I know best! She is not the kind of person who likes to show off, and seldom shows her identity outside. So Chu

Zifeng thinks that her daughter is a child of ordinary family. Such people are really snobbish. Fortunately, he had been pushing, otherwise he really wanted to have a little relationship with his family, and now he would be in trouble.

"You seem surprised?" Xia yueqian finally opened his mouth.

"Uncle, I..." Chu Zifeng can't say a word nervously.

Yun Muxin came along. People with a clear eye knew what had happened, not to mention Yun Muxin! After so many years of hard work in the mall, I have seen all kinds of wonderful flowers. Of course, Chu Zifeng is the simplest series.

Chu Zifeng this completely muddled. Previously, Xia Yunqiao and himself once said that his father was a Hospital Professor, and his mother worked in XY. So he didn't think about it at all, and he never thought that Xia Yunqiao's parents were such people. If he had known, then he didn't have to marry Lin Yun. How can the Lin family in C city compare with Xia family and Yun family in a city!

Chu Zifeng from the shock to wake up, really incomparable regret. Now he is more firm in his mind, he wants to take Xia Yunqiao back, not only because he likes her, now know her family background, he can not give up! With the blessing of Xia Yunqiao, his status in the Chu family must be different! And Xia Yunqiao and Huo Dongyang are behind all of them!

Chu Zifeng thought more and more excited, he really regretted! Why didn't he ask Xia Yunqiao's situation clearly, cause oneself to walk such a big detour now. But as long as Xia Yunqiao is not married, then he still has a chance!

"Joe, I was wrong! Please forgive me Chu Zifeng said eagerly. "I can't help but marry Lin Yun! If you can, I hope you can give me a chance to explain! "

Xia Yunqiao coldly looks at the excited Chu Zifeng, and feels disgusted to him in this way. It seems to be really said by maiziqi, once Chu Zifeng knows the situation in his home, he will certainly regret his death. Sure enough, it's up to him now. "I don't think it's necessary!"

"Joe, I know I'm wrong."

See Chu Zifeng to go forward, summer yueqian immediately block in front of her daughter. "Who are you? Why pester my daughter

"Uncle, I'm Chu Zifeng. If there is a bad place to do before, please forgive me! I mean it to Little Joe! "

Hearing these words, Xia yueqian is a face of disdain. Such a person who has no responsibility actually wants to be his son-in-law?! This thick skinned guy got home! Xia yueqian looks at Chu Zifeng coldly.

"Oh, so you are Chu Zifeng! I heard that you are a busy man, you don't even have time to have dinner together! "

Xia yueqian's words made Chu Zifeng feel embarrassed. Now he is really speechless. "Actually

"You don't have to explain. Of course, this man wants to focus on his career, which is understandable." Xia yueqian used his poisonous tongue. "But I hear you are married! Now that you are married, why do you come to my little Joe? Are you accusing Joe of being a junior? "

Chu Zifeng didn't answer Xia yueqian's question. Now it seems that all the questions are stuck here. Because I'm married, I can't even say it clearly.

When Xia yueqian thought that Chu Zifeng would not have any response, Chu Zifeng said, "uncle, I never thought about letting Xiao Qiao do anything. Please don't get me wrong."

"Is it? Can you divorce Miss Lin now? I don't think you can either? " Xia yueqian said sarcastically.

Chu Zifeng is completely frozen. In fact, Xia yueqian's words are not wrong. He really has no way to divorce Lin Yun. In this way, the people of the Lin family will not agree. Moreover, they are still married for two months, so they can't make any bad news.

Xia yueqian saw Chu Zifeng's entanglement, "chuzifeng, so please think twice before you do something. My little Joe won't be a second bride. "

"Uncle Xia, things are not what you think! Joe and I actually... "

"What? Chu Zifeng, please leave while you are still polite to you Xia yueqian doesn't want to talk with such a person at all. He really thanks him for choosing others at the beginning, otherwise his daughter will be harmed by others!

After saying that, Xia yueqian turns and takes Xia Yunqiao's hand to go home. Cloud Mu Xin looked at Chu Zifeng with light eyes, and then said, "you and Xiao Qiao are impossible. So please show up in front of her later

"Auntie, I just" There's nothing to explain. You are a married man now! It's useless to say anything. " Cloud Mu Xin interrupted the words of Chu Zifeng.

Chu Zifeng is continuously said by Xia Yunqiao, Xia yueqian and Yun Muxin, with a trace of humiliation and even anger in his heart. In fact, he can't be blamed for this matter. If Xia Yunqiao had said it clearly, everything would not be the same now.

Cloud Mu Xin saw Chu Zifeng eyes hidden emotions, she shook her head. This Chu Zifeng really won't look for the reason from himself. Seeing his present appearance, he really doesn't know what to say.

Cloud Mu Xin steps forward to keep up with Xia yueqian and her daughter's steps. She is glad that Chu Zifeng refused to meet with him on various pretexts. Such a person can not even enter her and Xia yueqian's eyes, let alone Xia Mingde and Yun Yiyan's eyes, and there is Huo Dongyang behind this one.

Yun Muxin thinks a lot of things along the way. She also compares Tang Yixuan and Chu Zifeng. There is no harm in comparison. Although in my heart, Tang Yixuan has not formally reached the standard of her son-in-law, but such a comparison, Tang Yixuan is really much better!

When I got home, Xia Yunqiao said that I would go back to my room when I was tired.

Xia yueqian and Yun Muxin looked at each other and seemed to be asking each other. Is this OK?!

"Is that OK, Little Joe?"

Cloud Mu Xin reaches out to hit Xia yueqian. "Will you speak! What is not OK? "

"I'm wrong!" Xia yueqian apologized immediately.

"The more modest, let's discuss with my uncle in a few days! I think that Chu Zifeng will not let go of our identity now! " Yun Muxin says what he thinks.

"Wife, I have the same idea!"

[Chapter 518](#)

In the room.

Xia Yunqiao lies on the bed, thinking of Chu Zifeng's matter in the heart already felt no pain, as if to his matter already completely relieved.

Xia Yunqiao turned over and took out his mobile phone to call Tang Yixuan. But Tang Yixuan there did not pick up, estimated something in the busy. Xia Yunqiao open the game, do not want to continue to think about these things.

As a result, when the game is near the end, Tang Yixuan's phone came in. Although Xia Yunqiao is not reconciled, but still the first time to pick up. "Hello..."

The listless voice let Tang Yixuan immediately answer. "What's the matter? It seems that something is going on? "

"What were you doing just now?"

"Worry about me?" Tang Yixuan said with a smile. "I just went to the restaurant to pack dinner."

Xia Yunqiao sat up. Think or tell the truth with Tang Yixuan. "Yixuan, I saw Chu Zifeng just now."

"And then?" Tang Yixuan then asked.

"Then he was scolded by his father." Xia Yunqiao comes back.

Tang Yixuan there pause for a while, seems to be thinking of something. So at this time, Xia Yunqiao continued to explain. "In fact, he was waiting at the gate of the community. It happened that dad and mom came back, and I didn't see him alone

"Well, it's good to have this kind of cognition!" Tang Yixuan talks. "Keep it going."

"But I don't think he wants to give up."

Tang Yixuan chuckles over there. "Of course! Now know your identity, he certainly will not give up! He is still vexed to death

Xia Yunqiao heard Tang Yixuan's words and then laughed. "Why did you say the same thing to Kiki?"

"That proves that anyone with eyes can see it. I think uncle and aunt should be very angry?" Tang Yixuan continued.

"Well!" Xia Yunqiao nodded. Speaking of this, Xia Yunqiao suddenly surprised one thing, that is, how can Tang Yixuan be so clear about his own affairs? Or did he find out from the beginning? Or did he approach himself with his eyes? Xia Yunqiao does not want to put Tang Yixuan and Chu Zifeng together to imagine.

Xia Yunqiao's silence makes Tang Yixuan find out, "how can I not talk?"

Xia Yunqiao is a person who says something directly, "Yixuan, how can you be so clear about my affairs? You've investigated me before, even my family background, right?"

After the question, Xia Yunqiao's heart with fear, not only hope Tang Yixuan don't cheat himself, but also don't want to hear the truth! Because that would hurt her, and she didn't want to go through it again.

Tang Yixuan smiles. "Joe, you're not using the word! If I don't know anything about you, then I'm an unqualified boyfriend. So I also put a lot of effort, I do not want to admit defeat, so do not want to do worse than Chu Zifeng, so I tried to do some homework. And all I want is you. It has nothing to do with the rest. "

Tang Yixuan's explanation can be said to be generous and decent, Xia Yunqiao also felt comfortable listening to it. "Do you really know me well?"

"You'll know that later."

"Yixuan, you won't cheat me, will you?" Xia Yunqiao's most intolerable is that someone deceives himself, especially his closest people.

"No..."

Xia Yunqiao's heart is relieved, can't be. People to people communication is to be sincere, which is a point Xia Yunqiao flatters.

Just finished the conversation with Tang Yixuan, Xia Yunqiao's mouth with a smile. She immediately cheer up, since Tang Yixuan for their own efforts so much, then she also want to do something for him.

Time goes by again. During this period of time, Xia Yunqiao was really busy. She went home late every day, but the only thing she insisted on was to contact Tang Yixuan, which has now become the best way for Xia Yunqiao to decompress. Every time she would spit things on work with Tang Yixuan, and Tang Yixuan would also give her some suggestions.

Xia Yunqiao dares to finish the last design drawing, and the whole person spreads out on the chair. "We've finally finished all the design drawings for the next quarter!"

Next, she will have a few days of free time, thinking about how to plan, her mobile phone vibrates. See is a fixed number, Xia Yunqiao picked up.

"Hello..."

"Oh, Miss Liang, how do you remember to call me."

"Yes. I have time in the afternoon. " Xia Yunqiao answered immediately.

Xia Yunqiao collates all his design drafts, and then asks Maggie to scan them and send them out. When Maggie saw Xia Yunqiao cleaning up, she knew she would go out.

Maiziqi records Xia Yunqiao's account and then asks, "Xiao Qiao, are you going out?"

"Well! Mr. Liang asked me to go to school Xia Yunqiao replied. "So I'll leave today. You can call me if you have something to do."

Maggie nodded. "Good!"

Xia Yunqiao drove directly to the school. There was a moment's silence after hearing what teacher Liang said. In fact, Mr. Liang wants to invite Xia Yunqiao to be the female owner of the graduates' Graduation photography works, and the shooting place is the famous Cherry Blossom Park in C City. Xia Yunqiao's heart is full of contradictions. On the one hand, she said she would not go to C city again, because she did not want her parents to be unhappy. Secondly, she wanted to take advantage of the last period of cherry blossom to have a look, and more in her heart, she wanted to see Tang Yixuan. They haven't seen each other for some time. They really miss him.

"What do you think, Yunqiao?"

"Mr. Liang, may I think about it?" Xia Yunqiao's answer.

Mr. Liang nodded, "of course. This time, the students unanimously recommended that you, an excellent schoolgirl, should be the hostess, so I had no choice but to call you over

"Don't say that. I also walk out from here, of course, there is a need for me, I will certainly try my best. "

"Thank you very much, Yunqiao."

After Xia Yunqiao walked out of the tutor's office, she met Zheng Lili, the younger sister of the graduating class. "Sister, are you really here?"

Xia Yunqiao nodded, "teacher Liang said, of course I will come."

Zheng Lili's eyes glowed with expectation. "So you agreed? If it's true, then I think everyone else will be happy! "

"I want to see my schedule." Xia Yunqiao replied.

Zheng Lili heard that Xia Yunqiao had some excuses, so her mood was a little low. "Yes, you are so busy, sister. We seem to be a bit of a bully. "

Xia Yunqiao's heart is tight, as if because of their own reasons to erase their enthusiasm, and their preparation time is not much, and she knows that this graduation work will directly affect their grades. So Xia Yunqiao's heart also made a decision.

"When do you leave for City C?" Xia Yunqiao asked.

Zheng Lili's spirit suddenly rose, "sister, do you agree to us?"

Xia Yunqiao smiles and nods, and wants to give someone a surprise.

[Chapter 519](#)

Two days later, Xia Yunqiao set foot on the land of City C again. I don't know why the more the family does not let her come here, she is full of curiosity about the city, and now she is more concerned about it.

Xia Yunqiao pulled luggage out of the airport, although only a few days, but in the heart incomparably excited. Because there is an extra reason to want to come. This time she didn't tell Tang Yixuan that she would come to C City, thinking of giving him a surprise.

Xia Yunqiao sometimes always think about one thing, why his feelings for Tang Yixuan come so fast. However, this reason, she is always unable to think, so do not think more, anyway, everything along with the mind.

Xia Yunqiao took a taxi to the reserved hotel. She enjoyed the scenery along the way. When I came last time, I was not in the mood to see the scenery. Today, I found that the scenery of City C is really good. It is indeed a tourist city. Any place shows the characteristics of city C. Think of growing up here Tang Yixuan, Xia Yunqiao some envy.

Although the development of City C is not very fast, as a tourist city, it retains some of the original characteristics of the city. Unlike city a, the economy is very developed, but there is no history of some cities, which is also the reason why I have been longing for city C.

When he arrived at his hotel, Xia Yunqiao put his luggage away. Living in a characteristic hotel with ancient color and rhyme, I feel like walking into another world. Xia Yunqiao sat on the cane chair on the balcony and took a picture of himself on a whim.

See the smiling face of their own, Xia Yunqiao some do not believe that this is their own. Now I don't feel as sad as I thought, but I feel that I have been cared for in another way.

Just thinking about it, Tang Yixuan's phone came in.

"Hello

"How did you shut it down an hour ago?" Tang Yixuan asked directly.

Xia Yunqiao laughed when she heard it. The hour before, she was still on the plane, and of course she had to shut down. Of course, she won't say that because she's waiting for a surprise tomorrow. So Xia Yunqiao made an excuse. "The phone forgot to charge, so it turned off automatically."

"Don't do that again. If I can't find you again, I'll call your mom or dad directly

"I'm glad you didn't." Xia Yunqiao replied, or she would have gone through the gang. Because this time, she still did not tell her parents to come to C City, but said that she had several urgent cases to catch up with, so she would live in the studio in recent days.

Tang Yixuan seemed to feel something wrong, "Xiao Qiao, you have nothing to hide from me?"

"Of course not." Xia Yunqiao replied. "I just don't think you need to go to them for these things."

"Then don't be too tired at work. I'll be busy."

"Well!"

Ending the call, Xia Yunqiao imagined tomorrow. Don't know Tang Yixuan see what expression he is, will be as surprised as he thought? Xia Yunqiao thought more and more excited.

Tang Yixuan's office.

Tang Yixuan looks at the location of the mobile phone, he smiles. In fact, he already knew that Xia Yunqiao had arrived in city C. the chip in the necklace had the function of positioning. Just now Xia Yunqiao has been shut down, so he will start such positioning tracking. It turns out that her positioning is constantly close to C City, so Tang Yixuan knows that Xia Yunqiao has come.

There is always a kind of can not say excited, and even think she is not for their own sake! Tang Yixuan looked at the mobile phone trance, did not notice Xu Nan walked in.

Xu Nan saw Tang Yixuan's appearance, really did not know what to say! Such a young master is really in love like other young men! I hope his efforts will be rewarded.

"Young master!"

"Well?" Tang Yixuan put down his mobile phone.

"Here comes Yu Jianming."

Hearing the name, Tang Yixuan frowned. After the wedding, Yu Jianming has publicly said that he will not cooperate with Tang's family again. How can this happen? Think about it. It's been about two months.

"What is he doing here?"

Xu Nan shakes her head. "I don't know. He didn't say it. He just said he wanted to see you."

"Let him in!"

After a while, Yu Jianming enters Tang Yixuan's office.

"Mr. Tang, didn't you disturb me?" Yu Jianming's tone is very cold.

Tang Yixuan shakes his head. "No

Yu Jianming sat down directly. He took a look at Tang Yixuan's office. After sweeping around, he said with a smile: "the office of general manager Tang is really not so good. It's too simple!"

Tang Yixuan understood that Yu Jianming's words were not good words, and there was obvious irony in his words. Tang Yixuan then also took a sentence, "is it? I feel good! "

"General manager Tang, now that the Tang family is in a dying struggle, do you really have the confidence to continue to insist?"

Sure enough, Yu Jianming came to the bottom of the well. Tang Yixuan pretended to be silly and said, "I don't understand the meaning of Yu Zong's words?"

"Without the support of Yujia's project, how long can your Tang family persist? President Tang, from ancient times to the present, there is such a saying, you can't have both beauty and beauty! If you choose a woman, you're going to give up your career. I think it's Down's business. Will your grandfather jump out of the coffin and strangle you! And Tang Si Nian, the chairman of the board, is going to drink from the West. "Tang Yixuan frowned. Today, Yu Jianming came over with the purpose of threatening and luring. The final result of this purpose is to let him and Yu Zhiqing marry, and then in exchange for Tang's.

Yu Jianming knew that Tang Yixuan was a smart man, so he didn't make it clear. But he knew that Tang Yixuan understood the meaning. Yu Jianming looks at Tang Yixuan with provocation, more like waiting for his decision.

Tang Yixuan knew what Yu Jianming wanted, but he was born with treason. "Mr. Yu, in fact, without that project, Tang would not be so easy to fall down! I think you should not know that there is support behind the Tang family. If you don't know, you can ask others about the legends of the Tang family in the past. "

Yu Jianming frowns, Tang Yixuan is really not easy to deal with. What is it now! And threaten yourself? Do you want to say that Yu's family is an outsider?! The more Yu Jianming wants to be, the more angry he is. How to say that Yu's family now has an important position in C City.

Seeing Yu Jianming's anger, Tang Yixuan went on to say, "Mr. Yu, wait for you to find out. I will be grateful for my repentance that day

"Tang Yixuan, you still have the face to mention the wedding that day!" Yu Jianming is really angry!

"Mr. Yu, I'm kind enough to remind you!" Tang Yixuan replied. "The Tang family is not so easy to fall down. It is the same with the Tang family. If there is no Yu family project, there will still be other projects to fill in!"

Yu Jianming stands up. This Tang Yixuan is just like the rumor. It's really hard to do! I have to say that he has a kind of courage that is different from others. But Yu Jianming did not want to lose momentum, "then I'll wait and see."

[Chapter 520](#)

After Yu Jianming left, Tang Yixuan had no expression. Yu Jianming was frightened just now, but now he still hasn't filled in the gap.

Xu Nan came in, "young master, are you ok?"

"I'm fine." Tang Yixuan replied. "Tomorrow afternoon is all over."

"Well? Anything else? "

Tang Yixuan nods, he wants to see Xia Yunqiao. I haven't seen her for many days. I really miss her! So no matter how busy he was, he wanted to see her. Originally, they are in different places now, and they don't have many days to meet! It will take at least two months for this to end.

Think of here, Tang Yixuan more cherish and Xia Yunqiao get together. What's more, I've been waiting for the past 20 years. It's not too bad for these two months! What he wants is the future of Xia Yunqiao.

Xu Nan knows what Tang Yixuan is thinking when he sees his expression. It seems that only that person can make him show such expectation. "Young master, are you going to a city again tomorrow?"

"No!" Tang Yixuan shakes his head.

Hearing Tang Yixuan's words, Xu Nan breathed a sigh of relief. Last time he suddenly ran to a city, the whole company was waiting for him! Now many people have a lot of opinions on Tang Yixuan. If he

continues to do this for Xia Yunqiao, the consequences will be bad. Now Tang urgently needs a life-saving project to save the decline, just for which Yu Jianming came.

But looking at Tang Yixuan's appearance, is some absent-minded, really lets the human anxious. Xu Nan really felt that Tang Sinian and Tang Yixuan were not worried at all, as if they were waiting for the downfall of Tang family. As the saying goes, this adult does not have a good head, so his son will follow suit.

Xu Nan has heard about the past of Tang Si Nian from his father, as well as some strange things in the past of Tang family. Thinking about this, maybe we can understand why their father and son are like this. But in this way, the emperor is not anxious, the eunuch is anxious!

"Young master, Tang really can't last long." Finally, Xu Nan couldn't help but wake up.

Tang Yixuan nodded, "I know. Xu Nan, I know what the whole Tang family and Tang family are now. Sometimes, I even want to get rid of this fate. Just like my dad made that decision. "

Xu Nan frowned and didn't speak. He nodded and went out. He refused to discuss it with Tang Yixuan! Tang Yixuan to him, although called young master or general manager Tang, but he is like a brother and a friend of life and death to Tang Yixuan! He doesn't want to see Tang Yixuan in trouble!

Tang Yixuan felt warm when he saw Xu Nan's back. He knows that Xu Nan is really good to himself, and even regards himself as his relatives. He always thinks about anything for himself first. Over the years, he is very grateful to Xu Nan for being with him all the time. Without Xu Nan, he might not have been able to get to this day.

The people of the Xu family are very important relatives to him. Xu Nan's father is like his own son to himself. Although he calls his uncle in his mouth, he feels more like a father in his own heart. At that time, he accompanied himself to a city. Xu Nan's mother has been taking care of her life. So in the future, they are the most reluctant to leave here.

Tang Yixuan goes back to the Tang family after work. Today is their family day. However, Tang Yixuan never felt at home. Sometimes he felt that it was more natural to eat at Xu's house.

As soon as I entered the door, I heard the voice of Tang Sinian and Bai Xi. They seemed to have a dispute over something. Tang Yixuan changed her shoes and heard Bai Qian's voice.

"Tang Si Nian, are you really not going to interfere in this matter?"

"Yixuan has grown up, he has his own ideas! He doesn't want to do what we don't want him to do. "

"That's easy for you to say! Don't you care about the Tang family or even the Tang family? " Bessie asked. "I've been married to you for many years. You've always had something else in your heart. You've never cared about this family."

"Don't talk about these things, Bessie."

"Tang Si Nian, of course you don't think it matters! Because it's been me all these years. This is also my own cheap, who let me fall in love with you, know it is a pit, I also jump! For you, I've been trained by the so-called daughters in law of the Tang family. Now I think of it as a fool! "

Tang Si Nian did not answer, but listened to Bessie continue: "I even have a short brain before I agree to let you go to adopt a child with you! ok These I have endured, I also sincerely pay to Yixuan these years. I also want to see my son have a happy family! Am I wrong? "

"Yixuan and Yu Zhiqing will not be happy!" Tang Si Nian continued. "Don't get involved in it. Yu Zhiqing is not suitable to be the daughter-in-law of the Tang family. "

"Why not?" Bessie retorted. "All the men in Tang family marry women they don't love. Isn't this the law?"

"Bessie, you..."

"What's wrong with me? Am I wrong? " Bessie was burning with anger. "I know you've always loved a woman in your heart. When that woman got married, you secretly went to see her. At that time, did you feel heartbroken that the woman you love married another man? Tang Yixuan stood by the door of the living room. He looked at his parents in the living room and felt sad. In fact, they are both unfortunate people, but for the sake of the Tang family, they have been in a dying struggle! Tang Yixuan knows that Tang Sinian wants to get rid of the shackles of the Tang family before getting married, while Bai Xi just wants a husband who loves her. And they are the children they brought back from the orphanage, in order to hide people's eyes and to show that the Tang family has descendants.

In fact, the descendants of the Tang family have ended in the Tang Si Nian generation. Tang Yixuan thinks that this is the Tang Si Nian who sacrificed his life in exchange for it! And Bai Xi has always been at Tang Si Nian's side, for that love. If Tang Sinian is willing to let go of the past, the two of them will still be able to grow old hand in hand.

Tang Yixuan's mobile phone ring broke the rigid atmosphere at this time. Tang Sinian and Bai Xi look at Tang Yixuan standing at the door of the living room at the same time. Their faces are full of embarrassment and some apologies.

Tang Yixuan took out his mobile phone and took a look, then turned upstairs, as if leaving time and space for Tang Sinian and Bai Qian.

Seeing Tang Yixuan go upstairs, Bai Qian lowers her head. "Sorry! I was just so excited. "

Tang Si Nian continued. "Never mind! He knew all these things for a long time. "

"But we agreed not to speak in front of Yixuan. It's my fault today Bessie's anger was more than half gone. How to say, Tang Yixuan is her son with one hand, for the sake of her son, she still has to tolerate some.

"Yixuan knows it!" Tang Si Nian gently patted Bai Xi on the shoulder, "ready to eat!"
