

Warm Wife 521

[Chapter 521](#)

The dinner on that day was the quietest meal in history. The family of three had no topic at all, and now it is even more quiet.

Bessie felt guilty. She had gone too far this time. She looked up from time to time to see Tang Si Nian and Tang Yixuan. But for so many years, how many people will understand her grievance?

Tang Yixuan quietly eating rice, but this meal has no taste at all, like chewing wax. As for his life experience, Tang Yixuan knew from the beginning that he came out of the orphanage, and Tang Sinian and Bai Xi brought him out of that place. These years, because of them, they have had a life of luxury and good education.

So over the years, he has been very grateful to them, Tang Yixuan said to himself that this is his father and mother, we must be filial to them. Without them, I don't know where he is now. He also knows that his biological mother is not as big as his adoptive mother.

Don't want the atmosphere to continue to be rigid, Tang Yixuan still chose to open his mouth: "Dad, mom, I know my life experience, I don't dare to ask for everything of the Tang family, but I will try my best to complete the task assigned by my father. But I just want to choose the life I want, including my future wife

Bessie frowned, thinking of the woman at the wedding that day, "who was the woman that day?"

"The one I love." Tang Yixuan replied. "Mother, she is a good woman! And a good wife in the future

"Good woman?" Bessie shook her head, "good women will not come to rob people, and good women will not be so rude on such occasions! You can choose other women, I have no opinion! But that woman is absolutely not allowed

Tang Yixuan wants to continue to say, but is interrupted by Bai Xi. "Even if she is really pregnant with your child, let her give birth and leave!"

"Mom, I won't marry any woman but her!" Tang Yixuan shows his attitude.

"Yixuan!"

Tang Yixuan looked at Bai Xi with a very firm expression, "Mom, if you really don't agree, then I will go with her!"

"You Bessie snapped her chopsticks on the table angrily.

Tang Sinian didn't know who he looked like when he saw his son's temper, but he would support his son's decision! That year's own is not enough to adhere to will miss the heart of love!

Tang Yixuan's words have already said this, he has no way back. "I'm sorry, mom! I'm going to leave later. "

Seeing Tang Yixuan's leaving, Bai Qian's heart is even more miserable! Who the hell is that woman! Let his son make such a decision. No, she has to find out!

Tang Sinian then put down his chopsticks, "I'm full, too."

Bessie felt that she was a sad woman. No one knew her grievances, and no one would share them with her. Now think about that time, don't because of the impulse to marry to Tang Si Nian, now I should be very happy!

Bessie's tears couldn't be controlled. She closed her eyes. Who could point out a bright way for herself! My husband doesn't love himself. He has raised his son for many years for a woman to fight against him again and again!

Bessie clenched her hand. She's really been like this in her life?! Bessie opened her eyes, and her eyes were covered with blood. She felt unwilling! She paid so many years of good years, should not get such a result.

Bessie wiped away her tears. This time, she should not be in a passive position. She should take the initiative to pull back the hearts of her husband and son! Then Bessie made a phone call.

Tang Yixuan went back to his apartment. He was lying in bed and felt very tired for the first time! Many things seem to be gradually beyond their control. Tang Yixuan takes out his mobile phone. He opens the album and sees Xia Yunqiao's photo. See Xia Yunqiao's smile, the mood is instantly smoothed.

"Joe, if you know my identity in the future, will you dislike me?"

"Joe, if I have nothing in the future, will you still choose to be with me?"

"Joe, if all this happens in the future, will you go through all the difficulties with me?"

Tang Yixuan thought of it and felt afraid. The first time I had these worries, I met Xia Yunqiao again, and I began to be afraid! Not afraid of losing others, but afraid of losing her!

The next day.

Xia Yunqiao set out to the Cherry Blossom Park early in the morning. She stood under the cherry tree and looked up at the flowers on the tree. It was really beautiful!

A gust of wind, cherry blossom petals with the wind, Xia Yunqiao reached out to pick up, saw the petals in his palm, she showed a smile, light fragrance, let people have a happy mood.

The shooting work in the morning was successfully completed, and Zheng Lili and they were happy to pack up and go back.

"Thank you very much! We are over schedule today. "

Xia Yunqiao said while removing her make-up: "we all cooperate well."

"Sister, we are going back to the hotel. And you? "

"I want to walk around alone." Xia Yunqiao replied.

"Well, then we'll go back first." Xia Yunqiao and Zheng Lili walked slowly in the Cherry Blossom Park after they separated. She took out her mobile phone to take photos, walking on such a path, the whole person felt refreshed! It would be perfect if someone was with you at this time.

"The beauty under such beautiful scenery seems a little lonely!"

Xia Yunqiao was stunned. The voice was

Xia Yunqiao turned around, just another gust of wind blowing, rolled up the cherry blossom petals on the ground. Xia Yunqiao reached out and pressed her hair. She saw a familiar and upright body standing in the cherry blossom petals.

Tang Yixuan looks at Xia Yunqiao gently, the corners of his mouth slightly hook up a good-looking arc. "You seem surprised?"

Xia Yunqiao put down her hand and looked at Tang Yixuan standing a few steps away from her. She even heard her own heartbeat. In front of all this seems to be unreal, as if in a dream, Tang Yixuan so magically appeared!?

Tang Yixuan chuckles, that smile seems to be a wisp of spring breeze blowing into Xia Yunqiao's heart.

"Why, I don't know?"

Xia Yunqiao did not know why nose a sour, there is an impulse to cry, she rushed to Tang Yixuan.

Tang Yixuan opens his arms and waits for Xia Yunqiao. Xia Yunqiao reaches out to hold Tang Yixuan. "It's really you."

"Well, it's me." Tang Yixuan hugged Xia Yunqiao.

"How did you come here?" Xia Yun Qiao originally wanted to give Tang Yixuan a surprise, but he did not expect him to give himself a surprise. At this time, she was relieved.

"I always thought you would be here, so I came here." Tang Yixuan replied.

Xia Yunqiao sweet, raised his head straight at Tang Yixuan. "I was just thinking you were here, and you did show up!"

Xu Nan stood not far away, how much comfort in the heart. Do they have telepathy? When I passed here just now, the young master would say that he would stop the car. It turned out that Xia Yunqiao was here. It seems that the master's cancellation of the afternoon trip should also be for Xia Yunqiao. In this way, the young master is not far away from the day when the clouds open and the moon shines.

Xu Nan didn't want to disturb them, and such a beautiful picture should not be destroyed. Xu Nan just turned around and saw a pair of angry eyes.

"Miss Yu..."

[Chapter 522](#)

Yu Zhiqing's angry eyes stare at Tang Yixuan and Xia Yunqiao not far away.

Just found Tang Yixuan's car stopped, she wanted to follow me to have a look, but did not expect to see such a picture. Tang Yixuan, who always takes work as the most important thing, appears in such places during working hours.

"Who is that woman?" Yu Zhiqing asked Xu Nan.

Xu Nan of course will not tell Yu Zhiqing, "Miss Yu, this is the private affair of the general manager of Tang Dynasty!"

"Xu Nan, I know you are loyal to Tang Yixuan, but I have one thing to say. If Tang Yixuan goes on like this, the Tang family will perish. "

Xu Nan did not immediately pick up in Zhiqing words, he knows what Yu Zhiqing means, she means Xia Yunqiao is a beauty disaster, Tang Yixuan will lose everything for her sooner or later. But in Tang Yixuan's heart, there is nothing like Xia Yunqiao's hair.

In Zhiqing see Xu Nan silent, she stepped on high heels in the past. Xu Nan wants to stop the time is already late, he has no choice but to stand in place. Women are really a problem. Of course, this woman is a troublesome problem, and he will also encounter one in the near future.

Yu Zhiqing stops in front of Tang Yixuan and Xia Yunqiao. "I didn't expect that Tang Zong also had such tenderness."

This broke the atmosphere at this time, Xia Yunqiao raised her head, she looked at Yu Zhiqing. This woman's eyes are full of hate!

Tang Yixuan see in Zhiqing, really speechless. How could she be here! Tang Yixuan looks at Xu Nan in the distance. Xu Nan shrugged helplessly, saying that he wanted to stop, but did not stop!

"Yixuan, this is..." Xia Yunqiao asked. Last time she was drunk, did not remember Yu Zhiqing at all.

Xia Yunqiao doesn't remember in Zhiqing, and in Zhiqing is the ash all recognize Xia Yunqiao. "You have the face to ask who I am? That day, I was so righteous at the wedding. How could I pretend to be stupid here?! It's a high skill! "

Yu Zhiqing's words let Xia Yunqiao's face change, so this is the bride of that day. Xia Yunqiao just wanted to explain, but Tang Yixuan's arms in his arms. "Yu Zhiqing, I've already finished with you. Please don't always appear in front of me

"Tang Yixuan, what you said is relaxed!" Yu Zhiqing's eyes turned red. "You think it's going to end like this? That day, you let me and the whole family make people see jokes, this account has not been calculated! "

Xia Yunqiao heard in the words of Zhiqing, heart with guilt. "What happened that day has nothing to do with Yixuan. It's all my fault!"

"Hum! Of course it's your fault! It's the sudden appearance of you, the fox spirit, that destroys my wedding and even makes me unable to raise my head in C City! " Yu Zhiqing really want to start fighting Xia Yunqiao, but Tang Yixuan will protect her in her arms!

Xia Yunqiao looked at Yu Zhiqing, "I'm sorry!"

"Is your excuse useful?" Yu Zhiqing really wants to catch flowers in Xia Yunqiao's face. How can she get Tang Yixuan's love, but she has tried so long but failed.

Tang Yixuan does not want to let Yu Zhiqing and Xia Yunqiao continue to say, he pulls Xia Yunqiao to leave.

"Tang Yixuan, do you want to avoid the problem now?" In Zhiqing immediately block in front of Tang Yixuan. "You gave up such an important project for her, and now you have put the whole down family in crisis. How long do you think you can persist? Soon the whole Tang family will be paid in! "

Xia Yunqiao hears such words, in the heart a tight. It turns out that Tang Yixuan encountered such a big problem, and he did not know anything.

Yu Zhiqing saw Tang Yixuan's face changed, and then said, "that day, I asked my father to find you. I wanted to give you another chance. It turns out that's your attitude! Now some people in C City have begun to buy down's shares, which you should know? Do you think you can bring Tang back to life in half a month? "

Xia Yunqiao's heart suddenly a tight, she did not expect Tang Yixuan situation will be like this, but he ran to a city to help himself in such a situation! Xia Yunqiao clenched Tang Yixuan's hand. Why did he say it to himself!

Yu Zhiqing knows that these are useless for Tang Yixuan, so she stares at Xia Yunqiao. "If you really love Tang Yixuan, you should know how to do it?"

Xia Yunqiao understands the meaning of Yu Zhiqing, but she is not marshmallow and won't shrink back because of these words. In her Xia Yunqiao's dictionary, there is no compromise. In Zhiqing's words is to stimulate their own strong heart in the bone. Zhi Qing looked at her face. "Thank you for reminding me! Of course I know what to do! "

"It seems that you have a good understanding!" Yu Zhiqing sneered, even with sarcasm.

Xia Yunqiao broke away from Tang Yixuan's hand, and with her own momentum she went to Yu Zhiqing, "this lady, although I was destroying your wedding that day! But now, I think I'm right to do it! Because you don't deserve to be with Yixuan! "

Yu Zhiqing reaches out to hit Xia Yunqiao, but Xia Yunqiao grabs her wrist. Her eyes are slightly narrowed, and a pair of disdain: "these moves have been out for many years! Watch less TV dramas. Don't slap your hands! I'm a soft guy, not a hard one. "

Finish saying that, Xia Yunqiao firmly grasped Yu Zhiqing's hand, with high cold in his eyes. She is not a bully! Seeing Yu Zhiqing's distorted expression, Xia Yunqiao continued: "very uncomfortable?" "Bitch, let go

Xia Yunqiao heard this sentence is more force, in Zhiqing feel his wrist is about to break. "Let go

"Keep your mouth clean!"

"Who the hell are you?"

"Xia Yunqiao, you remember it for me!"

Tang Yixuan sees the other side of Xia Yunqiao. She is more fresh with her strength in front of her. It seems that she is not always a gentle little sheep, so it is good to have such a counterattack ability! Tang Yixuan hands ring chest standing aside, looking at Xia Yunqiao how to deal with in Zhiqing.

Yu Zhiqing silently remembers Xia Yunqiao's name. With this name, she doesn't worry that she can't find out her details, and the revenge will take a long time!

"Xia Yunqiao, please remember! What I have suffered in Zhiqing today will surely let you repay it in the future! "

"Good!" Xia Yunqiao let go of Yu Zhiqing. "I'll wait!"

Yu Zhiqing saw that her wrist had a circle of bruises, and she was even more indignant. This Xia Yunqiao is not as soft as the appearance looks, this woman's disposition is strong. It will take some effort to deal with her!

"Miss Yu, I leave my words here today. Yixuan and I will get married!" Xia Yunqiao continued. "No matter what the difficulties are, we will face them together!"

Yu Zhiqing bit his lips and glared at Xia Yunqiao. "You

"Of course, don't forget to come to our wedding Xia Yunqiao said with a smile.

[Chapter 523](#)

Tang Yixuan heard Xia Yunqiao's words and felt sweet in his heart. Although the good mood before was destroyed by Yu Zhiqing, but he heard Xia Yunqiao say to marry him. It's a great feeling!

Tang Yixuan walks to Xia Yunqiao and completely ignores Yu Zhiqing. He asked Xia Yunqiao with a smile. "Is that true, Little Joe?"

"Really!" Xia Yunqiao nodded earnestly.

"I'm happy." Tang Yixuan reaches out and touches Xia Yunqiao's face. His eyes are full of affection.

Xia Yunqiao's face is red, just as if unintentionally exposed his nature, with some small embarrassment on his face. "I just..."

"You did a good job just now. This is my Tang Yixuan's woman!" Tang Yixuan replied.

Yu Zhiqing can't stand Tang Yixuan and Xia Yun Qiao's love, she turns to leave. Today, she is to tie up with Xia Yunqiao. She will revenge her revenge!

Seeing Yu Zhiqing leave, Xu Nan hesitates to go forward. Just now he was able to see Xia Yunqiao's power! This is the Xia princess's momentum, today I saw it really extraordinary! The woman launches the wind to come, the lethality is really very strong!

It seems that the rumor is true, Xia Yunqiao is a queen in the workplace! She is not a woman who needs to be protected all the time. It seems that the young master has a good eye! In this way, even if you encounter any problems, you can face them together.

Thinking of this, Xu Nan still decided to go forward. After all, some people have been watching the matter just now. Continue here, will certainly cause attention!

"Young master, let's go!"

"Well!" Tang Yixuan takes Xia Yunqiao's hand and leaves.

But the picture just now has been photographed by people who want to.

Tang Yixuan took Xia Yunqiao to dinner, "what do you want to eat?"

"Yixuan, why didn't you ask me why I was in C City?" Xia Yunqiao asked in turn.

Tang Yixuan a smile, "I can understand that you come because you want me?"

Xia Yunqiao did not answer. Since he knew Tang Yixuan, he always smiles in front of him and always likes to joke. But just heard those words from Yu Zhiqing, Xia Yunqiao seemed to see his difficulties hiding in this smile.

"Yixuan, your company..."

"Little Joe, this is my business. Don't worry about it!" Tang Yixuan doesn't want Xia Yunqiao to have a burden. She just needs to be good at herself.

Xia Yunqiao understands Tang Yixuan's pain, and is deeply in love with him. She did not continue to ask, do not want to let Tang Yixuan feel tired. "Is there anything delicious here?"

Both of them agreed that they did not mention the matter just now, but had a happy meal.

For the next two days, Xia Yunqiao filmed during the day and Tang Yixuan would pick her up for dinner at night. Soon, Xia Yunqiao finished the shooting work and was ready to go back to city A. Before leaving, Xia Yunqiao called Tang Yixuan and told him to go back.

"Going back so soon?" Tang Yixuan's tone is not willing to give up.

"Well, the work is finished, so I have to go back. And the next season's clothing will also start production, I have to go back to follow the progress. "

"Well! I'll let you go, even if I don't give up. "

Xia Yunqiao holds her mobile phone and looks out of the window. In fact, she is anxious to go back and there is one thing to do, which she does not want Tang Yixuan to know.

"When do you leave?"

"Eight o'clock in the evening."

"I'll see you off."

"Well!" Xia Yunqiao didn't refuse because she didn't know when to meet again after this separation. She wanted to spend more time with Tang Yixuan.

Airport.

Tang Yixuan goes to buy food for Xia Yunqiao. Xia Yunqiao receives a call from maiziqi.

"Kiki, what's the matter?"

"Joe, you've gone through the gang!" Maggie's voice did not dare to be loud, as if afraid of being heard!

Xia Yunqiao blinked his eyes, "what do you mean?"

"Your mother came and said she was delivering you food. As a result... "

Maiziqi did not continue to say, Xia Yunqiao himself can imagine what happened. "I'm already at the airport. I'll talk back."

"Good!"

Finished and Maggie call, Xia Yunqiao thought for a while or called his mother.

"Mom..."

"You went to City C?" Yun Muxin asked directly.

Xia Yunqiao knew that this time must confess leniency. "Well, yes!"

"To find Tang Yixuan?"

"I came to shoot a short film and met him." Xia Yunqiao replied. "I'm already at the airport. I'll be flying soon!"

Yun Muxin is not so angry as expected, but tells Xia Yunqiao to pay attention to the end of the call.

After Tang Yixuan came back from shopping, he saw Xia Yunqiao in a low mood. "What's the matter?"

"Mom, they know I'm in C City."

"Criticized you?"

Xia Yunqiao shakes his head. "No

Tang Yixuan looked at Xia Yunqiao, "Xiao Qiao, when you are on your birthday, I will pick you up.""Can I make an appointment for a birthday present first?"

"Of course Tang Yixuan hands the goods to Xia Yunqiao. "You can eat these on the plane."

Xia Yunqiao nods, she reaches out to hold Tang Yixuan. "Yixuan, you should take good care of yourself! If there is anything, please tell me! "

Tang Yixuan hugged Xia Yunqiao, "Hmm!"

Xia Yunqiao boarding, Tang Yixuan is still standing in front of the landing glass to watch. He didn't turn away until the plane took off. Or something in mind, Tang Yixuan left, accidentally bumped into a middle-aged woman.

Tang Yixuan immediately reached out to support her, "I'm sorry! Are you all right? "

The middle-aged woman looked at Tang Yixuan and then shook her head, "it doesn't matter. I'm fine. " Then Tang Yixuan's strength stood firm. Thank you

Tang Yixuan nodded his head, "you're welcome. I didn't pay attention just now to bump into you." With that, Tang Yixuan arranged his sleeves.

Middle aged women inadvertently saw Tang Yixuan's arm has a similar lightning mark. Her pupil is instantly enlarged, grasp Tang Yixuan's arm with her hand. "You are..."

Tang Yixuan pulled down his sleeve. "What's the problem?"

"How did you get the mark on your arm?" Asked the woman anxiously.

"I didn't know when I was a kid." Tang Yixuan replied. "If you're OK, I'll go first."

Seeing Tang Yixuan's back, the middle-aged woman's eyes were blurred. After searching for such a long time, she finally got news. She couldn't help but follow out, trying to ask something she wanted to know.

Xu Nan saw Tang Yixuan come out and immediately drove the car to the door. After Tang Yixuan got on the bus, Xu Nan drove away directly.

When the middle-aged women chase out, Tang Yixuan's figure has not been seen. She sighed. "It's really close."

Almost a little bit, she was sure that the young man was the one she was looking for! What a pity

[Chapter 524](#)

City a.

After Xia Yunqiao arrived at the airport, he didn't go home directly, but went to Huo Dongyang's home.

See Xia Yunqiao dragging luggage standing at the door, Huo Dongyang also specially looked at the time, "come so late, can't be running away from home?"

"No Xia Yunqiao shakes his head. "I want to see my uncle for something."

Huo Dongyang side let Xia Yunqiao come in, "come in again."

Huo Dongyang poured a glass of water to Xia Yunqiao, "is not to run away from home, then is to come back from the outside?"

"Well, I'm back from C City." Xia Yunqiao replied.

Huo Dongyang in hearing this, holding the cup hand has a slow. Huo Dongyang hesitated to ask about her and Tang Yixuan. Think of the agreement with Tang Yixuan before, Huo Dongyang has not asked.

Xia Yunqiao saw that Huo Dongyang did not speak, but she opened her mouth first: "uncle, I have a matter for you to help."

"Things that seem important, that's why you come directly to me." Huo Dongyang is drinking tea. It should be about Tang Yixuan.

Xia Yunqiao nodded, "well, it's very important."

"OK," you said Huo Dongyang nods.

Xia Yunqiao did not know where to start, and kept organizing language in his brain. How can I ask my uncle to help? If it's not good, then the uncle will not help!

Huo Dongyang sees Xia Yunqiao that tangled expression, can't help but want to shake his head. "What makes you so tangled?"

"Uncle, actually I have two things I need your help with."

"Oh? If one changes into two, there won't be a third one in a while?" Huo Dongyang put down his tea cup with a smile on his face.

Xia Yunqiao shook his head and slowly clenched his hand on his knee, "uncle, can you help me find the man in those years?"

"Who?" Huo Dongyang asked knowingly.

Xia Yunqiao took out the X necklace from his neck, "is the one who sent me this necklace."

Huo Dongyang was surprised, "what do you want him to do?"

"I want to tell him that I can't wait for him. Because I like other people." Xia Yunqiao said.

Huo Dongyang laughed after listening. "Joe, you can make your own decisions. Happiness is your own, of course you have to grasp it yourself." *novelupdates.com*

Xia Yunqiao understood the truth, but always felt sorry. "Uncle, I don't know if he still remembers the appointment. But for so many years, he hasn't shown up, so I don't think he'll show up

Huo Dongyang shook his head. "It's not the case. The man had an appointment with his uncle that he would pick you up on your 25th birthday

Xia Yunqiao heard this, his face turned white, how could he be so clever!? Tang Yixuan has been emphasizing that he will come to pick him up on that day. What should I do now? When they show up together, won't the scene be chaotic?!

"Is that true, uncle?" Xia Yunqiao has no way to believe, confused.

Huo Dongyang nods. "Really, but I think you look worried."

"Uncle, I didn't know there was such a thing before. So I recently had an appointment with another person. It's also my birthday

"Oh?" Huo Dongyang knows that the man is Tang Yixuan. Thinking of what might happen on Xia Yunqiao's birthday, Huo Dongyang suddenly has the mood to see the drama. He wants to see how Tang Yixuan can turn the tide.

Xia Yunqiao then told Huo Dongyang everything about himself and Tang Yixuan, and hoped Huo Dongyang could give him a proposal. If she can, she hopes he can help Tang Yixuan.

Huo Dongyang looked thoughtful. He touched his chin, "so you want to marry Tang Yixuan now, just to help him?"

Xia Yunqiao shook his head, "uncle, I like him! I don't know why, I like him like this! My ability is limited. If I go to my mother or uncle, they won't agree

Huo Dongyang smiles, "then why do you think I will agree? It's not a simple thing."

"Uncle, you have always been unusual. I heard my father and mother say something about you. That's why I boldly put forward this request today. Uncle, please

Huo Dongyang can not deny that Xia Yunqiao's words are really deep in his heart. He just likes to be off the beaten track! However, if he did it by himself, there would be a lot of things involved in this, which he was not willing to see.

"Uncle, Yixuan really needs your help." Xia Yunqiao continued. "Uncle, you always love me. Can you help me this time? From small to large, I have not asked you anything, just this time! "

Seeing Xia Yunqiao's sincere face, his hands clasped to beg for himself and said all his words to this, it seems inhuman if he doesn't help. But once they get involved in this matter, they will be entangled with the Tang family. Can Xia Yunqiao bear the consequences?

Huo Dongyang was worried, so he did not nod. "Xiao Qiao, are you sure you've been with Tang Yixuan all your life?" "I..."

"If you are not sure, my uncle would like to advise you not to meddle in Tang Yixuan's affairs. There are some things you can't take. " Huo Dongyang went on to say that he hoped Xia Yunqiao would think clearly.

Because up to now, he still hasn't figured out those things of Tang family. Although Tang Yixuan and Xia Yunqiao have a deep fate, this road still has to go. Can they really insist?

Huo Dongyang thinks that Tang Yixuan has been repeatedly saying that let Xia Yunqiao not worry, don't take care of so much, should also have this meaning! Huo Dongyang remembers that Tang Yixuan once said that he was not a real Tang family, so who was he? And how did he get that golden card? He couldn't solve the two riddles!

Xia Yunqiao thought about Huo Dongyang's words, then opened his mouth and said, "uncle, I can't guarantee the future. But now I want to be with Tang Yixuan. I want to face difficulties with him. "

"Did your parents agree?" Huo Dongyang then asked. Tang Yixuan went to see Xia yueqian and Yun Muxin. He also heard Xia Yunqiao say just now. It seems that Tang Yixuan did not tell the real situation, otherwise Xia yueqian and Yun Muxin would not keep silent.

"They will agree!" Xia Yunqiao replied.

"Well, you are tired today. Go to the guest room and have a rest! I'll think about it. " Huo Dongyang said and stood up.

Xia Yunqiao opened his mouth, but did not speak. Looking at Huo Dongyang going upstairs, she had to sigh. It seems that this is really not an easy thing, but she will not give up!

Now that she has made this choice, she will stick to it. However, things will happen in the future, Xia Yunqiao wants to face with Tang Yixuan.

"Little Joe, remember to turn off the light in the living room when you go to bed." Huo Dongyang floated down from the upstairs.

"Oh Xia Yunqiao replied listlessly.

[Chapter 525](#)

The next day.

Xia Yunqiao got up early because his work had been arranged and he was far away from Jiangwan villa to the studio.

However, Huo Dongyang got up earlier than Xia Yunqiao and even finished his exercise in the yard. Seeing Xia Yunqiao going out, Huo Dongyang said, "go to work?"

"Well!"

"Would you like to see it off?"

"No! I can go myself Xia Yunqiao shakes his head.

See Xia Yunqiao go out, Huo Dongyang goes to the living room, pick up the mobile phone to call Yun Muxin, let her later and Xia yueqian come over. Xia Yunqiao and Tang Yixuan always need to be solved.

At nine o'clock in the morning, Yun Muxin and Xia yueqian come in a hurry.

"Uncle, where's Little Joe?" Yun Muxin asked as soon as he entered the door.

"To work." Huo Dongyang replied. "I said it was too late last night. I was afraid that you would have a rest at home. It is estimated that Qiao Wei and the children are out on tour, so they deliberately disturb me! "

Last night, Yun Muxin felt uncomfortable and went to bed early. Xia yueqian was not at home on duty last night. In the morning, yunmuxin found that Xia Yunqiao didn't go back. When he was in a hurry, he received a call from Huo Dongyang. He was not so nervous.

Xia yueqian knows something when he sees Huo Dongyang's expression. Otherwise, he won't call him and Yun Muxin. "You want us here to talk about Little Joe?"

"To be exact, it's about Xiao Qiao and Tang Yixuan." Huo Dongyang replied.

Cloud Mu Xin did not expect Huo Dongyang to mention Tang Yixuan, "uncle, do you know?"

"Joe told me last night that she went to C City." Huo Dongyang continued.

Xia yueqian listened, immediately nervous. "What are you talking about?! Did little Joe go to City C? " Finish saying, Xia yueqian looks at cloud Mu Xin, want to confirm this matter.

Cloud Mu Xin nods. "I didn't know it until yesterday when I went to deliver food to Little Joe. She said that she went to C city to shoot her graduation works. Of course I also went to ask Tang Yixuan. "

"It's over!" Xia yueqian said twice in a row, "sure enough, it's a woman who doesn't stay in China."

Huo Dongyang looked at Xia yueqian and Yun Mu Xin. It was obvious that they did not know the real situation of Tang Yixuan. He deliberately asked, "what is the origin of Tang Yixuan?"

Yun Muxin told Huo Dongyang what he knew. "Uncle, I and Yue Qian originally wanted to come to discuss this matter with you, but these days we were too busy to come here."

"What do you think of this man since we met?"

"It's much better than that Chu Zifeng who Xiao Qiao was in contact with before." Xia yueqian tells the truth. "But I still have reservations about him. If he really wants to marry Joe, he will have to look into many ways."

Huo Dongyang smiles. "So you have examined him as your future son-in-law?"

"Huo Dongyang, are you kidding me again?"

"Xia yueqian, you said it yourself." Huo Dongyang retorted.

Cloud Mu Xin reached out and pressed Xia yueqian, "uncle, I have something to ask you."

"What's the matter?"

"Do you know the name of that child Yun Mu Xin asked with seriousness. "I remember you said he was not from the Tang family. What did you mean by that?"

Huo Dongyang blinked his eyes, "so you really don't have any idea about Tang Yixuan."

"Well?" Some of Yun Muxin didn't respond.

Xia yueqian's heart cluttered, "Huo Dongyang, you have made it clear! Don't play charades all the time. It's no fun guessing like this. "

Yun Muxin suddenly understood. "Uncle, do you mean Tang Yixuan was the child then?"

Huo Dongyang droops his eyes and reaches for a cup of tea. "That child said his name was Tang Yixuan."

This sentence is like a thunder and lightning, at the same time split in the heart of Xia yueqian and Yun Muxin, and their faces suddenly turn white. It's really a bolt from the blue! Tang Yixuan was the child at that time, but he didn't look like a child.

Huo Dongyang put down the teacup, "in fact, Tang Yixuan has always abided by the agreement of that year. This time it was Joe himself who ignited the relationship. At that time, I had definitely rejected Tang Yixuan, but he said that Xiao Qiao would choose by himself. You should all remember that situation! This time is also the same, Xiao Qiao ran to C city to stop Chu Zifeng from getting married. As a result, he happened to meet Tang Yixuan again. "

Xia yueqian clapped his hand on his forehead, "this is a bad fate!"

"So what does Tang Yixuan want now?" Asked Yun Mu Xin.

"Take little Joe."

"No way!" Yun Muxin shakes his head. "Uncle, he's from the Tang family."

Huo Dongyang shook his head. "I'm not sure about that."

"His surname is Tang. Isn't he from the Tang family?"

Huo Dongyang follows Yun Muxin to explain that a surname or a first name can't really represent everything about this person. Just like himself, he belongs to the cloud family, but he doesn't have a surname of Yun.

Yun Muxin has no words to refute, but she is worried about her daughter's future. If she can, she wants to stop it."Mu Xin, it may be too late to stop it now." Huo Dongyang sees the heart of Yunmu.

"Why?"

"Xiao Qiao came to me last night and said she would marry Tang Yixuan!" Novelusb.com

"What!" Xia Yueqian and Yun Muxin open their mouth at the same time.

Huo Dongyang nods. "For Tang Yixuan."

"Silly boy! It will be difficult in the future Xia Yueqian holds his head with helplessness on his face.

At this time, Huo Dongyang's phone rang.

"Hello

"What do you say?" Huo Dongyang's face suddenly changed. After he finished the call, he immediately watched the news with his mobile phone. Sure enough, the news had made the headlines.

Huo Dongyang frowns, he hands the mobile phone to Xia Yueqian and Yun Muxin. "Now it looks like it's a big deal."

Xia Yueqian and Yun Muxin see the latest news headline. "The truth of Tang's family's repentance is exposed! I went to Cherry Blossom Park with my secret lover, but I was caught by my ex fiancée

The content of the news is very detailed, and the photos are clear. Tang Yixuan, Xia Yunqiao and Yu Zhiqing are all photographed. This reporter followed Tang Yixuan and Xia Yunqiao for three days, and every day wanted to be recorded in detail.

After reading the content, Xia Yueqian was very angry. "What a mess! Say Xiao Qiao robbed someone else's husband? "

"It's true." Huo Dongyang replied calmly. "That day, Xiao Qiao was thinking of robbing Chu Zifeng, but he went wrong."

Xia Yueqian has been panting, "how can this happen?"

Yun Muxin's head began to ache. "Things are in trouble now. What are we going to do now, uncle? "

Yun Muxin knows that now the network is developed, and soon Xia Yunqiao's identity will be exposed, and their relationship will be dug out.

Huo Dongyang did not speak, Tang Yixuan's phone call came in.

[Chapter 526](#)

Seeing Tang Yixuan's phone call, Xia Yueqian immediately raised his head and looked at Huo Dongyang.

"You've always been in touch with him?"

Huo Dongyang did not hide, "before that, he came to see me once. It's about Joe

Xia yueqian now fully understand, so Tang Yixuan has always known their situation, on the contrary, they know nothing about him. "Huo Dongyang, please answer the phone first and see what the boy wants to say!"

Xia yueqian's anger is obviously in Huo Dongyang's expectation, he simply turns on the hands-free.

"Huo Dong, I will deal with the news." Tang Yixuan immediately said.

Huo Dongyang knows that Tang Yixuan attaches great importance to Xia Yunqiao, and this matter should be handled by him. "What are you going to do with it?"

"I won't let Joe get hurt." Tang Yixuan said firmly.

Xia yueqian grabs Huo Dongyang's mobile phone. "Tang Yixuan, you'd better deal with it seriously. My daughter is not the third child they say!"

"I know!"

"Tang Yixuan, I'm waiting to settle with you about this matter!" Xia yueqian speaks his heart. "I won't agree with you and Joe."

"Uncle, one by one. My marriage to Little Joe has been settled for a long time Tang Yixuan continued. "It's too late to regret now."

Xia yueqian's eyes caught fire. "Are you threatening me now? You've been deceiving us all the time, and that's why we won't agree! "

"I never meant that." Tang Yixuan replied. "I mean it to Joe!"

Cloud Mu Xin reaches out and presses Xia yueqian and shakes his head at him. This is not the time to say these things. Xia yueqian angrily throws the mobile phone back to Huo Dongyang, who helplessly picks up the mobile phone. "What are you going to do now?"

"I'll make public my relationship with Joe." Tang Yixuan replied.

"Have you discussed it with little Joe?" Huo Dongyang this sentence is to remind Tang Yixuan what will happen next.

"Well!"

Huo Dongyang knows that before calling himself, he has already discussed with Xia Yunqiao. "Do you agree?"

"Joe supports my decision!" Tang Yixuan replied.

Tang Yi did not say much, and soon ended the call. But Huo Dongyang, Xia yueqian and Yun Muxin have a lot of worries. Some things seem to have come to light.

Yun Muxin then asked a question. "Uncle, is Tang Yixuan related to the Tang family?"

"It's not clear."

"Then you should have it checked! Don't you have a lot of skills! It's not difficult for you. " Xia yueqian said in a loud voice.

Huo Dongyang glanced at Xia yueqian and knew that he was worried about his daughter, so he didn't care so much with him. "Tang Yixuan's father is Tang Sinian and his mother's name is Bai Xi. Tang Si Nian has a company, now Tang Yixuan is in charge. The development of the company barely passable, so for the development of the company, Tang Yixuan had to marry with his family. As a result, at the wedding, Little Joe rushed in

Xia yueqian and Yun Muxin didn't speak. They could only say that there is nothing strange in the world! Huo Dongyang went on to say, "if only their fate were a little shallow."

Soon, Tang Yixuan issued a statement. The statement clearly pointed out that he and Xia Yunqiao are normal male and female friends, and their development has been very stable. It is not true to support the news report. However, there is no detailed explanation for the matter of repentance, just that these private matters should not be responded to too much.

However, the matter did not end. Yu family also issued a statement to ridicule Tang Yixuan and even proposed that he would let the Tang family give a statement!

Xia Yunqiao sees these news, in the heart is more worried about Tang Yixuan. Now almost all the spearheads are pointed at Tang Yixuan, even said that he is a slag man, a foot in two boats. Now in order to let Xia Yunqiao ascend the throne, at the wedding scene abandoned in Zhiqing

Xia Yunqiao thought that if at this time, he could accompany with him. Now let him face these alone with guilt in his heart.

In the afternoon, Xia Yunqiao still had no news of Tang Yixuan. I don't know what's going on with him since I called him in the morning! Xia Yunqiao did not dare to disturb him, but he was anxious.

"Joe, your parents are here!" Maggie came in and knocked.

Xia Yunqiao raised his head and saw Xia yueqian and Yun Muxin come in.

"Dad, mom, why are you here?"

Xia yueqian casually closed the door, so the family sat together.

Xia yueqian looks at her daughter with guilt and doesn't give up saying too much. "Do you think we can sit at home when this happens?"

"Sorry! It worries you. " Xia Yunqiao said in a low voice.

Cloud Mu Xin holds Xia Yunqiao's hand, with worry on his face, "Xiao Qiao, are you sure you are with Tang Yixuan? Their home is not that simple. "

"Mom, I really want to be with him."

Xia yueqian felt a pain in his heart. His daughter wanted to leave like this, and his heart was filled with five flavors. "Xiao Qiao, if you can, dad doesn't want you to be with Tang Yixuan!" Xia Yunqiao a Leng, did

not expect his father will say such words. Before, he would support his decision every time. Why oppose this time?!

"Dad..."

"Joe, dad doesn't want you to jump into a pit." Xia yueqian frowned.

Yun Muxin clenched her daughter's hand. "Joe, mom wants you to reconsider. Father and mother would rather you didn't marry in this life than let you go to C city to suffer! "

Xia Yunqiao felt very strange to hear these words. What happened to them today! Why do you say that to yourself?! They were very satisfied with Tang Yixuan before? How did you suddenly change your mind? Is it because of this incident.

Xia Yunqiao then said, "this is an accident! Yixuan will take care of it. Don't worry

"It has nothing to do with it!"

"What was it then?" Xia Yunqiao must ask clearly.

When Xia yueqian is ready to open his mouth, Tang Yixuan pushes the door open. Xia Yunqiao saw Tang Yixuan appear, a face surprised to stand up. "Yixuan, why are you here?"

Xia yueqian then stood up, "your boy's speed is very fast! Afraid we'll tell Joe the truth? "

Xia Yunqiao heard here, also know that there are some things she does not know. "What's the truth?"

"Little Joe, this boy is a liar! You can't be with him! " Xia yueqian pointed to Tang Yixuan and said.

Xia Yunqiao's face turned white. She looked at Xiang Yun Mu Xin with doubts. "Mom, what does that mean, dad?"

Tang Yixuan anxiously called Xia Yunqiao, "Xiao Qiao!"

"What! Are you afraid to let little Joe know the truth now? " Xia yueqian said with a cold face. "Tang Yixuan, you are a liar."

Xia Yunqiao was a little dizzy by the three of them, "what's the matter? It's a little confusing to me. "

Yun Muxin looks at her daughter with a request in her voice. "Joe, mom and dad want you to be OK. Don't be with Tang Yixuan! "

Xia Yunqiao's face is tangled and puzzled. How can things become like this. "Why! Tell me the reason
NoVelusB.com

"Because this Tang Yixuan was that child at that time!" Xia yueqian points to Tang Yixuan, and his temper also comes up. "He knows everything about us, and he keeps us all in the dark! He's been lying to us all the time! Little Joe, do you want to be with him

Xia Yunqiao heard Xia yueqian's words, his fingertips became cold. Her face was unbelievable, her eyes widened, and she finally looked at the eyes that were staring at her.

"Are you really..."

[Chapter 527](#)

The whole room became very quiet, only a few people could hear breathing.

"Yes, I am."

Tang Yixuan sees Xia Yunqiao's expression, in the heart is not good. He didn't want to make his identity public in such a way. Now he is more worried that Xia Yunqiao will not accept himself. He remembered Xia Yunqiao said that he didn't like others to cheat on himself.

Xia Yunqiao felt his head a blank, only a sentence kept circling in his mind, Tang Yixuan was that child at that time! They're the same person?! The news was too much for me. Xia Yunqiao can't say what she thinks at this time, and she doesn't know what she should say at this time.

Xia yueqian stepped up in front of Tang Yixuan, "you finally admit it! Then you should know what our attitude is! "

Tang Yixuan on the summer Yue Qian's eyes, "uncle, aunt, do I talk to Xiao Qiao alone?"

"No!" Xia yueqian replied. "I won't agree with you and Joe!"

Cloud mu heart looks at Tang Yixuan, from his eyes to see belongs to his helpless. Such Tang Yixuan let cloud Mu Xin as if to see the original Tang Yuze, did he also have such a struggle and helpless?

Think of Tang Yuze, that is a knot in his heart for many years. Tang Yuze chose to disappear in that way, or he didn't want to make himself difficult to do, or he didn't want others to hurt him, so he chose to bear it in silence.

Yun Muxin has heard of one thing in Yun Yiyan. When he and Xia yueqian got married, he came to the scene, but he didn't show his face. That should be because he wanted to see if he would be happy.

Cloud Mu Xin is still holding a ray of luck, "do you have a relationship with that rumored Tang family?"

Tang Yixuan looks at cloud Mu Xin, "that Tang family is so taboo to you?"

Xia yueqian took Tang Yixuan's words. "Of course! I think you know more about the situation of the Tang family than we outsiders! If you are not from the Tang family, then why are you surnamed Tang? And how did you get that golden card in your hand

Tang Yixuan will not answer this question. Now he just wants to talk about him and Xia Yunqiao. He didn't want to answer anything else.

See Tang Yixuan silence, Xia yueqian when he is tacit. "If you don't make a sound, then it proves that there is a ghost in your heart!"

Tang Yixuan collected the secret in his heart, "I'm here today to solve the problem. I'll talk about other things later."

"If you don't dare to say it, you will be guilty!" Xia yueqian refuted. It seems that Tang Yixuan is carrying a lot of puzzles, and these riddles can't be solved today.

Yun Muxin took a few steps forward. "Tang Yixuan, do you know Tang Yuze?"

Tang Yixuan shakes his head. "I don't know this man."

"Tang Yuze is the mysterious Tang family in C City!" When Xia yueqian talks about this person, he still has a grudge in his heart. However, seeing that he chose that way to disappear in order to perfect himself and Yun Mu Xin, he still felt admiration. If Tang Yixuan is Tang Yuze's child, today's incident can be chatted about. If it's not, nothing!

Compared with Xia yueqian's excitement, Yun Mu Xin seems calm. "You really don't know?"

"Well, I don't know."

"Does your father know him? If I remember correctly, he was the only son in the Tang family at that time!" Yunmu thought that we must find out this matter.

Tang Yixuan looked at Yun Muxin, then shook his head, "I don't know. My dad seldom talks about his past."

At this time, Xia Yunqiao interrupted their inquiry.

"Dad, mom, you go back first. I want to talk to him."

In just that period of time, Xia Yunqiao has adjusted his mood. She knew that it was not the time to argue about those things, but to talk about herself and Tang Yixuan.

Xia yueqian wants to stop, but he is pulled by Yun Mu Xin, "the more modest, let them talk!"

"But..." Xia yueqian is worried that Tang Yixuan will continue to talk to his daughter.

Xia Yunqiao knew that his father was worried about himself, "Dad, I'm not a child anymore. Things always have to be solved. I'm not that vulnerable."

Xia yueqian saw his daughter's appearance, but he really didn't know who the daughter looked like. Sometimes he was stubborn enough. Forget it. Let them solve it by themselves. Too much interference may be self defeating.

After Xia yueqian and Yun Muxin leave, Xia Yunqiao closes the door himself. In this process, Xia Yunqiao never looked at Tang Yixuan.

Tang Yixuan just stood there and watched Xia Yunqiao go over and pour a glass of water. Then he turned around and took a look at himself. "Are you sure you want to stand and talk to me all the time?"

"Joe, I'm..."

Xia Yunqiao put the cup on the coffee table, "sit down!"

Tang Yixuan went to Xia Yunqiao and sat down, "I'm sorry!"

Xia Yunqiao has no expression on her face, but her heart is not as calm as it seems. "Tang Yixuan, what you said to me before was all a lie to me?" Tang Yixuan in the heart a tight, Xia Yunqiao this question is not easy to answer. He was anxious to explain, but he didn't know where to start.

"If you don't answer, I'll take it."

"Joe, I'm not lying to you. It's just that I didn't tell you all the truth. " Tang Yixuan replied. "Because I'm afraid I'm not close to you when I'm telling the truth. Your family has always been biased against the Tang family. "

Xia Yunqiao suddenly felt heartache after hearing Tang Yixuan's words. How did he come through these years. "So you know who I am from the beginning?"

Tang Yixuan shakes his head. "No!"

"When did you begin to know that?"

"I see you're wearing that necklace."

Xia Yunqiao reached out and touched the necklace on his neck, "so from that time on, you are approaching me with premeditation?"

"Yes Tang Yixuan nodded. "I know these actions are wrong, but my feelings for you are true. At the beginning, your uncle made a 20-year contract. I've always kept the promise, but I never thought you'd show up like this in 20 years

Xia Yunqiao looks at Tang Yixuan straightly, because she feels Tang Yixuan's feelings to himself! It turns out that he did not forget the promise when he was a child, but kept the agreement with his uncle. He waited in silence for 20 years without knowing it.

Think of here, Xia Yunqiao tears can not help but flow out. "Why didn't you tell me before? How have you lived these twenty years? "

"Wait for you!" Tang Yixuan replied. "Or you won't believe it! When I saw you through the railing, I knew you were the one I was looking for! But, Little Joe, I'm not partial to fate

[Chapter 528](#)

Tang Yixuan's words make Xia Yunqiao's tears more uncontrollable. She wipes her tears and feels heartache at the same time.

Is it worth it, Tang Yixuan

"I think it's worth it! Because I'm finally waiting for you. " Tang Yixuan felt that it was something that made him feel proud.

Tears blurred their vision, Xia Yunqiao can not see clearly Tang Yixuan at the moment. How could she let Tang Yixuan wait for 20 years, but she didn't know this at all! Thinking about what you have done is even worse! How can she like others.

Seeing Xia Yunqiao crying, Tang Yixuan's heart is pulled together. He took out a piece of paper and handed it to Xia Yunqiao. She didn't receive it. Tang Yixuan walks to Xia Yunqiao and gently wipes tears for Xia Yunqiao. "Stop crying! I feel sick to see you like this

Xia Yunqiao held Tang Yixuan in his arms. "Yixuan, you've been working hard these years."

"No hard work!" Tang Yixuan hugs Xia Yunqiao.

They held each other like this, without saying a word. Xia Yunqiao wants to hold this man who has been waiting for him for many years! Now she understood why she felt Tang Yixuan had an inexplicable sense of familiarity. It turned out that they had known each other for a long time.

Tang Yixuan hugs Xia Yunqiao and doesn't want to let go. He knows that there are many things waiting for them. As long as Xia Yunqiao is by his side, he needs courage to overcome these. Xia Yunqiao is his pillar and power!

After a long time, Xia Yunqiao moved. "Yixuan..."

"Well?"

"Aren't you tired of squatting like this?" Xia Yunqiao suddenly opened his mouth.

Tang Yixuan let go to Yuqing, his face did not come so dignified. "Not tired! Because of you

Xia Yunqiao knows Tang Yixuan's eloquence. She has experienced it before, and even feels that Tang Yixuan sometimes has no bottom line. "Get up!"

Tang Yixuan shakes his head and looks up at Xia Yunqiao. "Joe, you've been wronged by this today. I'll take care of it! "

Xia Yunqiao knows that Tang Yixuan's situation is worse than his own, but he still stands in his own angle to think for himself, which makes Xia Yunqiao more moved. "I'm fine. Now you're in a bad situation! I went to see my uncle yesterday. If he is willing to do so, your company will be saved. "

Tang Yixuan clenched Xia Yunqiao's hand. "Joe, you don't have to do this for me! I don't want my feelings with you to be related to these interests. "

"But..."

Tang Yixuan understands Xia Yunqiao's intention, his eyes follow a dark. "In fact, it would be better to have no Tang family."

"What?" Xia Yunqiao a Leng, how did not expect Tang Yixuan will say such words. If there is no Tang family, what should the Tang family do? Xia Yunqiao clearly remembers what Yu Zhiqing said. The last time Tang Yixuan repented of his marriage, which has been criticized by the Tang family. With today's news, it must be a big blow to the Tang family!

But now hear Tang Yixuan say these words, Xia Yunqiao do not understand. "Yixuan, what do you mean

"Both Tang family and Tang family are shackles. It will make every Tang family have no freedom. " Tang Yixuan explained the reason. "Or its disappearance would be a relief."

Xia Yunqiao frowned, it seems that the things of the Tang family are really not simple. "So you really come from the Tang family with the mystery?"

"I'll explain to you about the Tang family in the future. In fact, there is no mystery." Tang Yixuan said, because those things are not Xia Yunqiao to bear. He won't let Xia Yunqiao go on the same road as his mother. Tang Yixuan to this time to really understand the father to their own pay.

He wanted to break through the shackles, so he adopted himself from the orphanage. He is to change everything in the Tang family. This is what he has been reluctant to take charge of Tang family. He wants to be free!

Xia Yunqiao saw Tang Yixuan before he lost his mind. "Yixuan, what am I thinking?"

"Nothing." Tang Yixuan replied. "I'm going back to City C later. Can you do it alone? "

Hear Tang Yixuan to go, Xia Yunqiao pursed his mouth, did not say a word. Think of all Tang Yixuan so come and go in a hurry, her heart is stuffy.

Tang Yixuan saw Xia Yunqiao seemed angry and asked in a low voice, "what's the matter?"

"So you came here to explain to me what happened?"

Tang Yixuan nodded. "Yes! As soon as the news came out, I knew I couldn't hide my identity. I don't think your parents will agree with us, so I came here to make it clear to you face to face. It's better than what you know you're coming from someone else's mouth! "

Xia Yunqiao looked at Tang Yixuan, "then when you came, did you think about my reaction?"

Tang Yixuan nodded. "I planned for the worst. It's that you don't want to hear my explanation or even drive me away. "

"What would you do if I did?" Xia Yunqiao asked a hypothetical question.

"What else? You can only wait here until you are willing to listen to me. " Tang Yixuan replied. "It's all my fault. It's understandable that you ignore me." Xia Yunqiao smiles. "You always speak

"Joe, I've been waiting for 20 years. Do you think I'm such a quitter?" Tang Yixuan answered. "How I want to keep my wife is the most important thing!"

Tang Yixuan's words let Xia Yunqiao's heart warm, "fool!"

"Joe, please believe me!" Tang Yixuan said sincerely.

Xia Yunqiao helped Tang Yixuan to stand up and didn't want to keep him squatting. Now I look up at Tang Yixuan, "Yixuan, you don't have to sacrifice anything for me! Because I have everything, and I'm not that vulnerable

"Well!" Tang Yixuan nodded. "I know! You have always been excellent! My present status and status are not worthy of you! You are the princess of Xia family! Your family are all big names in a city. And I'm just a family member who is about to decline. "

Xia Yunqiao doesn't like Tang Yixuan's words. "Don't say that! You're fine, really! "

"You don't think so, your family doesn't think so." Tang Yixuan replied. Judging from the reaction of Xia yueqian and Yun Muxin just now, they will definitely object to his being with Xia Yunqiao.

Xia Yunqiao looks at Tang Yixuan, and looks in the eyes with seriousness, "Yixuan, let's get married!"

Xia Yunqiao's words let Tang Yixuan instantly stunned, "what did you just say?"

Xia Yunxuan saw this smile on her face for the first time.

[Chapter 529](#)

Tang family.

Bai Xi just got Xia Yunqiao's information, today's news burst out, she knew this was a good opportunity to investigate. So with the photos of Xia Yunqiao, we found her information as expected.

After reading Xia Yunqiao's information, Bai Qian has to say that Xia Yunqiao's family background is really better than Yu Zhiqing. If their xias have a reputation in a city, her grandfather was once the mayor of a city, her father was a professor in the Central Hospital, and her mother was the vice president of XY. Xia family and HD president Huo Dongyang are also very close, the two go very close.

If Tang Yixuan really wants to be with Xia Yunqiao, it is also a good choice. This is good for the development of Tang's family! But Bai Xi always thinks that something is wrong. She seems to have seen Xia Yunqiao alone.

Bai Xi stares at Xia Yunqiao's picture for a long time. Her eyebrows and eyes are inexplicably familiar. Where have you seen it? She can't remember the crucial moment. She can be sure that she has seen it.

Bai Xi opened Xia Yunqiao's information again. This time, she had to look more carefully than before. It could be said that she did not miss a detail. Xia Yunqiao, graduated from a famous university in a city, majored in fashion design. In the school's achievements and performance in all aspects are good, even the school's man of the day, every year is invited to speak as a guest.

After graduation from University, I started my own design studio, and I owned my own design brand YQ last year. The sales of Xia Yunqiao's studio are good every year. Next year, he has the opportunity to enter the international market. Now he has cooperation with famous American fashion design companies.

Bessie saw these experiences and had to say that this girl was not a vegetarian. After graduation, she had such a good result in just a few years! Bai Xi thinks Tang Yixuan's vision is good, how to be better than Yu Zhiqing who can only dress and dress up.

Bai Xi continued to look down. At this time, Bai Xi saw a similar name. She remembered saying it from Tang Si Nian's mouth. Yun Mu Xin! Xia Yunqiao's mother, Yun Muxin, was the third young lady of the once famous Yunjia family in a city. Later, after the cloud family suffered a disaster, she was taken in by Huo Dongyang and is now the vice president of XY.

Bai Si read the information, but her face became more and more ugly. This yunmuxin is the woman that Tang Sinian liked! Therefore, this is why Tang Sinian has never opposed it. Now she remembered that Xia Yunqiao's eyebrows and eyes were very similar to the photo kept in the drawer by Tang Sinian. The young woman in the photo was Yun Muxin.

"Hum! Well, you have a good year of tangsi. " I didn't marry Yun Muxin at that time, so now I try my best to match up my son and my old lover's daughter. It's a great play. If I didn't pay attention to it just now, it will be fooled in the past. Now she understands everything. Tang Sinian must have known Xia Yunqiao's identity early in the morning, so she will let Tang Yixuan chase her.

It's a good way to kill two birds with one stone. With Xia Yunqiao's family background, Tang and XY will become in laws. In this way, the Xia family will not stand idly by Tang Yixuan, and Tang's family will have a strong backing. Another is Tang Si Nian. You can see Yun Mu Xin again. After all these years of Acacia, you can get what you want! Tang Sinian's abacus is really good.

Thinking of this, Bessie felt very aggrieved! Their father and son have already planned, and the son himself will be excluded from them soon! Her efforts over the years will come to nothing. So she must stop Tang Yixuan and Xia Yunqiao together! This woman will never want to enter the Tang family's door, as long as there is her Bai Xi's day, then Xia Yunqiao can't be with Tang Yixuan.

While Tang Si Nian did not come back, Bai Xi tore up all the information she had investigated. She also won't let Tang Sinian and Yun Muxin meet!

Tang Sinian returned home and found that Bai Xi was not at home. At this time, as usual, she should not go anywhere. Just a few years later, he saw pieces of paper scraps by the room. It seems that Bessie didn't notice when she took out the garbage.

When Tang Si Nian picked it up, he saw the words above. One is the name of Xia Yunqiao, and the other happens to be Yun Muxin. Seeing this name, many past events have come to mind. I didn't expect that time had passed so long, and the last time I saw her was at her wedding.

That will see her face happy smile, Tang Si Nian felt that Tang Yuze's decision was right! She should not bear the rules and regulations of the Tang family. These will only destroy her!

Hearing the footsteps behind her, Tang Sinian put some scraps of paper into his pocket. When she looked back, she saw Bai Xi come in. When she saw Tang Sinian, her expression was somewhat unnatural. "When did you come back?"

"I just came back." Tang Si Nian replied. It seems that Bai Xi must have gone to investigate Xia Yunqiao's information, or she also knows something about Yun Muxin.

Bessie let herself calm down, otherwise Tang Si Nian will surely find out the problem. "I haven't cooked yet."

"It doesn't matter. I can do it." Tang Si Nian saw that Bai Xi didn't ask, so he had to stand still.

"You're tired today. I'd better go and cook." Then Bessie turned and went out.

Tang Si Nian's brow frowned for a while, this time Bai Xi actually tolerated. Or does she have other plans? I hope she doesn't do something too much, or it will make Huo Dongyang angry! Tang Si Nian just wanted to go to the door of the room when he received a call from Tang Yixuan.

"Dad, I'll stay in city a these two days. The company wants to trouble you to watch."

"It's not easy to deal with little Joe?" Tang Si Nian knew Xia yueqian and Yun Muxin's behavior. This time, they should have known Tang Yixuan's identity. So it's not easy for them to agree that Xiao Qiao and Tang Yixuan are together.

Tang Yixuan continued: "Xiao Qiao's problem is not big, but her parents are against it now!"

"No surprise. I think Xia yueqian's reaction is definitely the biggest. " Tang Sinian knew his temper.

"Dad, they asked to see you and mom."

Tang Si was stunned and didn't expect that they would put forward this point. It seems that they are not far away from the day of meeting, so many years should also meet.

Tang Yixuan can't wait for Tang Si Nian, then goes on to say: "Dad, I want to register with Xiao Qiao to get married."

"Have you thought about it?"

"I thought about it 20 years ago." Tang Yixuan replied.

Tang Si Nian nodded, "Yixuan, take that business card to find Huo Dongyang, now only he can help you!"

[Chapter 530](#)

Jiangwan villa.

Huo Dongyang looks at Tang Yixuan and Xia Yunqiao sitting opposite him. He never thought there would be such a picture. They appear in the same frame, which is really novel.

Xia Yunqiao looked at Huo Dongyang carefully, "uncle, we..."

"What do you want to say to us?" Huo Dongyang has always been direct.

Tang Yixuan put his hand on Xia Yunqiao's hand. At this time, he can't let Xia Yunqiao face Huo Dongyang alone. "Huodong, I want to marry Little Joe! Although there is still a month to go before our appointed time, I would like to ask you to promise us. "

After that, Tang Yixuan took out the golden business card from his own pocket. When Huo Dongyang saw this card again after many years, he felt a lot of emotion in his heart. He reached for the card. "It seems that you are well preserved! After all these years, there is still no color change. "

"Of course Tang Yixuan replied. "Huo Dong said that if he came to you with this business card, you would help."

Huo Dongyang touched his business card, and the corners of his mouth lifted up, "that's what I said! But when I decide whether to do so, I have a question to ask you. Please tell me the truth

"Who gave you this card? Or where do you get this card? I remember when I sent out this card, none of you were born. So I'm curious how you came to me with this card, and even know that I made a promise

Huo Dongyang's words also attracted Xia Yunqiao's attention. If it is really like what uncle said, then Tang Yixuan still has something to say. "Yixuan, how did you get this card?"

"Someone gave it to me, and he told me how to use it."

Huo Dongyang became serious. "And the man?"

"He's not in the world anymore."

Huo Dongyang shook his head, almost firmly said. "No, he's still there! When Mu Xin got married, he appeared

And this matter, Tang Yixuan is not clear. So he didn't answer Huo Dongyang.

Huo Dongyang sees Tang Yixuan's expression, also knows that he certainly does not know. At that time, they were not born yet! At that time, Tang Yuze did not intend to make a public appearance, so he certainly would not tell other people about it, so Tang Yixuan didn't know it was normal.

Huo Dongyang had a bold guess in his heart, so he asked in a different way, "or should I ask, is that person living well now?"

"Average." Tang Yixuan replied.

"Can I see your father if I can?"

Tang Yixuan's heart cluttered, sure enough, ginger is still old and spicy! Huo Dongyang should have guessed that Tang Yixuan handed the business card of Tang Sinian from his pocket to Huo Dongyang, "this is my father's number."

Huo Dongyang studied for a long time before he put away his business card. It seems that some things can only be asked from this man named Tang Sinian. They young people should not know much.

"Uncle, then I married Yixuan..." Xia Yunqiao always worried about this problem.

To get to the point, Huo Dongyang's eyes fell on Xia Yunqiao and Tang Yixuan, "do you really decide to get married in such a storm?"

Tang Yixuan was reminded, right! Do you really think you can get married now? The matter has not been completely solved. I'm afraid there will be more and more problems in the future.

Huo Dongyang continued: "I'm not against your marriage. I just feel that this is not the right time."

"Uncle, you got the certificate less than an hour after you met your aunt!"

"I'll be different from you now." Huo Dongyang replied. "Now your parents are still alive, so we should have a good discussion with them about marriage. Of course, you can do what your young people think

Tang Yixuan has some hesitation in mind, is it really good to get married now? Xia Yunqiao feels the change of Tang Yixuan. She frowns gently, "Yixuan, have you changed your mind?"

"No. I just think Huo Dong is right. "

Huo Dongyang's eyes fell on the golden business card again, and changed a topic, "Tang Yixuan, how do you plan to deal with Tang's affairs? I can think about it. "

As a result, Tang Yixuan shook his head. "No! I came to you with my business card. I just wanted Joe! I'll take care of the company. "

"It's hard for a man to have no financial resources."

"I don't treat Little Joe badly, and I won't let her suffer with me. I can guarantee that! " Tang Yixuan said seriously.

This kid should have a backhand when he says that! He seems to want to give up Tang. In fact, Tang is just a shell now, even if it is acquired, there will be no good development. Before the Tang family let

Tang Yixuan and Yu Zhiqing get married, and then get the project in the hands of the family, maybe it can let Tang continue to survive for a period of time.

But now Tang Yixuan clearly has a better chance. He can ask himself to help Tang. HD is better than that little Yu at home, but Tang Yixuan doesn't want it! In this way, he did not intend to save the Tang family. Huo Dongyang some do not understand, the opportunity is in front of us, but simply give up! What kind of medicine is this kid selling in the gourd! Xia Yunqiao see Huo Dongyang and Tang Yixuan stop, she continued. "Uncle, I really want to marry Yixuan! I don't need a wedding, just get a certificate! "

"That's easy. Your father won't agree! " Huo Dongyang replied.

Xia Yun Qiao heart is unwilling, "but Dad, they all listen to you, even grandfather also want to give you face. Uncle, as long as you nod your head, they will not have any opinion! "

"Little Joe, don't do this!" Tang Yixuan said with Xia Yunqiao. "We don't have to worry. The result forced by this is not what we want, right?"

Huo Dongyang, listening to Tang Yixuan's words, should be comforted. After Xiao Qiao this wench has Tang Yixuan at the side, also can be regarded as at ease! Otherwise, as soon as her young lady's temper comes up, it's really hard for people to resist!

"But..." Xia Yunqiao worried that the longer the delay, the more variable. There was always a sense of uneasiness in her heart.

Huo Dongyang sighed. "Come on, don't be so stiff with me! If Huo Yun is warm like this, I'm sure I won't be polite. "

Xia Yunqiao was unconvinced. "Uncle, how can you be sure that my aunt won't? Maybe she is better than me Xia Yunqiao this sentence in the near future, also really become a reality, Huo Dongyang is really half dead by Huo Yun heating.

"I promise you, will you?" Huo Dongyang looses his mouth.

Xia Yunqiao immediately showed a smile. "Uncle, I knew you were the best."

"I'm against it!"
