

Warm Wife 531

[Chapter 531](#)

Hearing the sound, several people immediately turned back.

Qin Zichen stood in front of the French window in front of the living room yard, his eyes with rare anger. When Huo Dongyang saw Qin Zichen's expression, he probably knew something in his heart. In fact, Qin Zichen has been growing up with Xia Yunqiao for so many years. Although his brother and sister have matched each other for many years, they are not related by blood after all.

"Zichen, are you back?" Huo Dongyang opens his mouth.

Qin Zichen enters the living room, he nods to Huo Dongyang. "Hobo, I'm back."

Two days ago, because it was Qin Hao's birthday, Qin Zichen went back to the United States. But he came back earlier than scheduled time. It seems that he came back for Xia Yunqiao.

Qin Zichen turned to look at Xia Yunqiao, "Xiao Qiao, do you really want to marry him?"

Xia Yunqiao nodded, "yes!"

Qin Zichen heard Xia Yunqiao's words with disappointment, he sat down directly next to Huo Dongyang, staring at Tang Yixuan opposite. "What do you know about this man? What's the situation now? You want to marry him. Do you think your marriage will stop you from getting married

Xia Yunqiao saw Qin Zichen so serious for the first time, "I..."

"Little Joe, don't get carried away!" Qin Zichen continued. "You don't do anything like you now!"

Xia Yunqiao lowered his head, from small to large, Xia Yunqiao listened to Qin Zichen very much. In her heart, he was his brother. So her brother's words always make sense, but this time she didn't want to listen to his words. She has let Tang Yixuan wait for 20 years, this love let her moved! She wants to go on with Tang Yixuan.

Tang Yixuan is not a fool, from Qin Zichen's words to see his feelings for Xia Yunqiao. It turns out that Qin Zichen likes Xia Yunqiao. It seems that he is no less than himself. If calculated according to time, he is the person who has accompanied Xia Yunqiao for 20 years.

Think of here, Tang Yixuan heart also sounded the alarm. Childhood love is the easiest to sublimate! Of course, Qin Yunchen didn't think about it. No, he didn't want it to happen.

Even if he is selfish, he will marry Xia Yunqiao. "Huo Dong, please agree to my marriage with Xiao Qiao!"

Huo Dongyang raised his eyebrows and was amused. Tang Yixuan felt a sense of crisis because of Qin Zichen, so he wanted to change his mind. He gave Tang Yixuan a meaningful look. "Have you thought about it?"

"Yes Tang Yixuan nodded.

Qin Zichen frowned. "Uncle, do you really want to promise them? It can be a very special moment now!"

Huo Dongyang waved the golden business card in his hand, "this is also the promise I made at that time. So we still have to cash it! "

"Uncle, you are too blind Qin Zichen criticized Huo Dongyang. He didn't just go back to the United States for a few days. When he came back, he found that everything had changed and he had accumulated a lot of anger in his heart! What kind of enchanting soup Tang Yixuan gave us to drink? Everyone's attitude changed.

Qin Zichen looks at Xia Yunqiao. "Joe, do you really think about it? This marriage event may be a lifetime affair. Do you really want to know that this person is really worth it? "

Xia Yunqiao nodded earnestly. "I've figured it out!"

Qin Zichen was disappointed to see Xia Yunqiao nodding. He immediately stood up and went out. Xia Yunqiao saw this and chased out, she wanted to explain clearly with Qin Zichen, she did not want to let Qin Zichen misunderstand himself.

"Little Joe!" Tang Yixuan see Xia Yunqiao chase out, also follow to stand up.

Huo Dongyang looked at Tang Yixuan and said, "it's OK. Let them have a chat."

Tang Yixuan looked at Huo Dongyang and said after a moment's silence: "do you also know?"

"Just got it." Huo Dongyang understands Tang Yixuan's meaning.

Tang Yixuan narrowed her eyes slightly. "There are things you don't know."

Huo Dongyang smiles. "In fact, there are many things I don't know. For example, I don't know about you, or would you like to answer for me now?"

Tang Yixuan pursed her mouth and didn't say a word. In fact, he did not know where he came from or who he was?

Huo Dongyang from Tang Yixuan's eyes as if to see him with a mystery, he seems to himself is not too clear. Huo Dongyang is suddenly interested in Tang Yixuan. I've been living a dull life these years. Now I want to have some stimulation. Or Tang Yixuan is a good challenge.

"Tang Yixuan, the parents of both sides should sit down and discuss the marriage between you and Xiao Qiao. No matter how to say, Xiao Qiao is also the apple of the Xia family's eye, such a daughter certainly won't let people follow you like this. "

Tang Yixuan understood what Huo Dongyang meant. "Does Huo Dong want to see my parents?"

"Isn't that for granted?"

"OK, I'll talk to my dad."

"Then I'll wait." The purpose of Huo Dongyang's request is to prove whether his conjecture is right or not!

That night, almost all the relatives gathered in Jiangwan villa.

Tang Yixuan and Xia Yunqiao are sitting in the middle. All the people sitting on both sides stare at Tang Yixuan. Huo Dongyang did not say anything. He was not the protagonist of the matter, so he wanted to watch others dominate.

Xia Yueqian and Yun Muxin did not speak from the beginning to the end, especially Xia Yueqian had a calm face and looked very serious. Yun Muxin should be worried about his daughter's future.

Yun Yiyan leans on the sofa, his face is tired and his eyes are floating. And Su Molly looked left and right. On such an occasion, her aunt is not very good to be the first to speak.

Sitting on the edge of Qin Zichen looked down at the mobile phone, of course, with a bad heart. But for the sake of Xia Yunqiao, he still appeared. Although chatting with Xia Yunqiao a lot in the afternoon, she still couldn't change her mind. Qin Zichen is aware of Xia Yunqiao's character, and it is difficult to go back to the decision. With this in mind, he decided to play the role of guardian.

It was quiet and no one wanted to be the first to speak. This makes Xia Yunqiao feel like a needle in the back, and his heart is bottomless! She looked at everyone, and finally looked to Huo Dongyang, who is the big boss of everyone!

As a result, Huo Dongyang looked at his mobile phone and a smile appeared on his face. It seems to be watching Qiao Wei's news again. Xia Yunqiao knew that he was on purpose, because everyone knew that Huo Dongyang put Qiao Wei's things in the first place. The more this time, no one can call him.

Xia Yunqiao looks at Yun Yiyan and says, "Uncle..."

Hearing that he was called, Yun Yiyan sat right in his body. "What's the matter?"

Xia Yunqiao glared at Yun Yiyan and said in his heart, "hum, what's wrong with a good one? Know what you're saying

[Chapter 532](#)

When Yun Yiyan saw Xia Yunqiao's eyes, he reached out and touched his hair, with a smile in his mouth.

Su Moli reached out and hit Yun Yiyan and said with her eyes, "speak well!"

When Yun Yiyan was ready to answer, Xia Yueqian said: "it's no use calling anyone! I'm your father. "

Xia Yunqiao bit his lips, a face of injustice, she whispered: "but you don't want to talk to me. Now it's like I'm the sinner of all ages, and I'm sitting here to be tried by you. I haven't committed any serious crimes. I just want to get married. "

Hearing his daughter's grievance, Xia Yueqian felt that he had done something too much. She was right. It should be a good thing for this daughter to get married. But now they disagree and even embarrass their daughter.

"Dad, am I really wrong?" Xia Yunqiao continued to ask. "Yixuan and I just like each other. Why can't we be together? It seems that the feelings of your elders here in the past are more wonderful than ours
nOvEℓusB.com

"Sharp teeth and sharp lips!"

Xia Yunqiao is not satisfied, "am I wrong?"

"All right Xia yueqian interrupted Xia Yunqiao again. He stares at Tang Yixuan and asks, "Tang Yixuan, if we nod, can you promise us that there is only one wife, Xiao Qiao, in this life?"

Tang Yixuan nodded. "I can make this promise!"

"What if you can't do it in the future?" Xia yueqian thinks that there are too many accidents in the world. No one will know what will happen in the future. Especially the Tang family.

Tang Yixuan answered Xia yueqian seriously: "I'm here to make a promise. If I'm sorry for Little Joe in the future, then I must die! All the elders here can witness this

Xia Yunqiao heard Tang Yixuan's words and was deeply moved! How can such a man fail himself? At this time, Xia Yunqiao and Tang Yixuan did not expect that they would experience such hardships later.

"Good! We all heard your promise today. If you're sorry for Joe in the future, we'll never let you go! You'd better have this awareness. At that time, you'd better prepare a coffin for yourself

"Dad, do you curse people like that?" Xia Yunqiao retorted loudly.

"Xia Yunqiao!"

Xia Yunqiao knew he was angry when he heard Xia yueqian call himself by name and surname, so he didn't dare to talk. Otherwise, they will object later!

Xia yueqian takes a look at Yun Muxin, and the couple reach an agreement. "Since you are going to get married, the parents of both sides should discuss the marriage! And before that in Zhiqing things to deal with clearly! My daughter of Xia family can't bear any name

"Yes! I'll take care of it! "

Yun Yiyan yawned, "well, since the matter is over, let's break up!"

Huo Dongyang put away his mobile phone. "Now that we are here, let's have a meal before we go."

"Huo Dongyang, is it your treat Yun Yiyan asked.

"At home." Huo Dongyang replied. "You can lend it to you."

"I knew it!" Yun Yiyan was speechless. Over the years, Huo Dongyang is still the one who can calculate. They have never been able to surpass him.

Tang Yixuan finally volunteered to cook in the kitchen, so there were Xia yueqian, Yun Yiyan and Tang Yixuan in the kitchen.

Huo Dongyang and Yun Muxin, as well as Su Moli, are leisurely drinking tea in the courtyard. Xia Yunqiao and Qin Zichen go out to buy wine.

"Uncle, do you really think there's no problem?" Yun Mu Xin opens his mouth to Huo Dongyang.

Huo Dongyang puts down the cup. "It's up to them to decide for themselves. They choose the road by themselves. Even if we continue to oppose it, they will not suffer less. "

In spite of this, Yun Muxin is still worried. "Uncle, I still feel uncomfortable in my heart."

"Isn't it a Tang family! Maybe Xiao Qiao can change everything in the Tang family?"

So Molly went on. "Sister-in-law, I think there is nothing wrong with Xiao Qiao's brave pursuit of the happiness he wants. I think that Tang Yixuan is good, compared with the previous Chu Zifeng is better! I didn't think so much when I was chasing Yun Yiyan. Don't you think we are all ok now?"

"I was worried about something else." Yun Muxin replied, worried that his daughter married to the Tang family, what can not do well! After all, she has always been rich in clothing and food, to other people's home will be so easy to adapt to? And the relationship between mother-in-law and daughter-in-law!

Huo Dongyang poured a cup of tea to Yun Muxin, "Muxin, you should believe Xiao Qiao!"

"Uncle Huo, when will the Tang family come?" Asked Su Molly.

"Look at Tang Yixuan's arrangement! I really want to meet Tang Yixuan's father." Huo Dongyang replied. Seeing Huo Dongyang's appearance, Yun Muxin thinks he is really looking forward to it, as if he knew this person.

Speaking of the people of the Tang family, Yunmuxin thinks of Tang Yuze. Where is he now? Did he really not go back to the Tang family? It seems that from then on, those rumors of the Tang family seem to have disappeared. What happened then? At dinner, everyone thought that tofu made by Tang Yixuan was delicious. Yun Muxin clip a piece, this one mouthful she ate a familiar flavor. This tofu, she once ate! Although I haven't eaten it for more than 20 years, Yun Muxin remembers the taste! Tang Yuze did it as like as two peas.

Cloud Mu Xin immediately looked at Tang Yixuan, "is this tofu really you do?"

"Well." Tang Yixuan nodded.

Xia yueqian looked back at Yun Muxin, "what's the matter?"

"Nothing. It's really delicious. So I want to learn." Cloud Mu Xin answers. She's not going to say it until it's confirmed.

Huo Dongyang sees cloud Mu Xin's appearance, that conjecture seems to be getting confirmation step by step, it seems that some things have come to unveil the veil.

After dinner, Yunmuxin and Su Moli take the initiative to do the dishes. After all, these are the traditions of their family. They share the housework together.

Huo Dongyang is reading documents in his study. There are some temporary problems in the United States. Just after processing, the mobile phone vibrated. This call showed that it was timed.

A strange number, but the mobile phone home display is C City. Huo Dongyang hesitated and pressed the call button.

"Hello..."

But the other side has not made a sound, Huo Dongyang's brow frowned, "who is it, please?"

"Hello, Huo Dong!"

Huo Dongyang heard the sound and then raised the corner of his mouth. "Hello, don Mr. Si Nian. How are you after years of absence? "

[Chapter 533](#)

In the living room.

The rest of the people are ready to go back, and everyone seems to be waiting for Huo Dongyang to come out. But he didn't seem to be finished, so they were all waiting in the living room.

In the study, Huo Dongyang and Tang Sinian are still talking.

Tang Si Nian didn't talk about his own affairs in detail on the phone, but thanks Huo Dongyang for helping Tang Yixuan.

"I'm also fulfilling my promise."

"Huo Dong, I can't go to a city to discuss marriage with you." This is the purpose of Tang Si Nian's calling.

Huo Dongyang recognized his helplessness from the tone of Tang Sinian. "Is there any difficulty?"

"A little bit!" Tang Si Nian replied.

"What do you think?" Huo Dongyang wants to hear from Tang Sinian.

"I'd like you to come to City C if you can." Tang Si Nian replied. "Can you come here alone?"

Huo Dongyang seems to understand Tang Si Nian's hardship. "Are you still worried about meeting Mu Xin? Time has been so many years, you have already put down what should be put down. It's a blessing to see you again in this life

"I..." Tang Si Nian is entangled. "I was worried about how much Bessie would think."

Huo Dongyang heard here, has understood the key point of Tang Si Nian's worry. It seems that this Bessie is not an easy person to deal with. "I see what you mean. But I think the admiration has already been noticed

"What?"

"Because Tang Yixuan made that tofu today. I think you should have taught this! "

After a while, Huo Dongyang heard Tang Sinian's laughter. "Huo Dong, I'll wait for you in C City."

"Good!" Huo Dongyang agreed. Whether it's about Joe or meeting an old friend, he thinks he should go. Because I think Tang Si Nian should have something to say to myself.

After the end of the call, Huo Dongyang went out of the study. Seeing Huo Dongyang come out, others also stand up and prepare to go home.

"I have one thing to say." Huo Dongyang said to everyone.

Xia Yunqiao was worried that his uncle would turn back. "What's the matter, uncle?"

"I have something to go to C City, and by the way, I will discuss marriage with the Tang family." Huo Dongyang replied.

As a result, Xia Yueqian disagreed. "Why did you go? I'm Xiao Qiao's father. I should have come to this thing anyway! "

"I'm on my way, too." Huo Dongyang replied. "I didn't say I wanted to take your place."

Yun Muxin heard that there was a general idea in his heart. Huo Dongyang is not a meddler. He will suddenly say that going to C City may be because he really has something to do, or he has to go there because of something.

In this way, Yun Muxin thinks that the second possibility is very high. Because HD's business does not involve City C, so he may go there specially this time. Someone should wait for him in city C?!

Cloud Mu Xin reaches out and presses Xia Yueqian. "The more modest my uncle would never do it. And you don't have an operation tomorrow, and you don't go away. So I think it's OK for my uncle to see the situation first. "

Xia Yueqian didn't say anything. Anyway, he always refuted Yun Muxin's words. "I see! Let's go back first. "

Huo Dongyang left Tang Yixuan, and the others went back first.

Xia Yunqiao reluctantly and Tang Yixuan said at the door, "I'll go back first. Call me when you have something to do. "

"Well! Be careful on the way. "

Xia Yunqiao thought about it and stood on tiptoe and whispered in Tang Yixuan's ear. "If your uncle threatens you to do anything, you must not agree!"

Tang Yixuan smiles. "There won't be such a thing."

"No! You can't look down on my uncle. He has always been a silent voice better than a voice, perhaps invisible let you have no retreat

"Don't worry! There is nothing in me that can be threatened by him. "

Xia Yunqiao's mouth was pursed. "Why not? Me Really do not understand a woman's heart, she just want to stay with him.

Tang Yixuan reached out and rubbed his head. "Go back! I'll take care of myself. "

Xia Yunqiao said, but Tang Yixuan, she put her arm around Tang Yixuan's neck and gave him a kiss on the face. "Do not understand the style."

Tang Yixuan took Xia Yunqiao's waist and said with a smile, "the future is long!"

Seeing off Xia Yunqiao, Tang Yixuan returns to the house. When he saw Huo Dongyang, his smile stopped.

"Huo Dong wants to tell me something?" Tang Yixuan asked.

Huo Dongyang pointed to his opposite. "Sit down."

Tang Yixuan walks to Huo Dongyang and sits down. He makes some guesses about what Huo Dongyang wants to say. It is no coincidence that Huo Dongyang will go to city C.

"Huo Dong, it should not be so easy for you to go to C City in person this time."

Huo Dongyang nodded. "I'm going to meet a friend."

"My father?" Tang Yixuan understood immediately. Although he didn't know much about the past, he knew that his father and Huo Dongyang had some stories. He and Little Joe's mother should have been together in the past, but he didn't know what was the reason for their separation. Huo Dongyang saw Tang Yixuan's expression and then said, "it seems that you don't know much."

"It's dad's privacy. I can't ask more."

"Well, you're right." Huo Dongyang replied. "Your father has been invisible for so many years. It's not easy to come out again for your sake."

Tang Yixuan didn't answer. He didn't know what his father would do? Don't know what to say to him! Or they have some things to deal with that year. These are all unknowns to Tang Yixuan.

At noon the next day.

Tang Yixuan and Huo Dongyang set out for City C, and Xia Yunqiao went to the airport to see them off.

"Little Joe, you go back first." Tang Yixuan holds Xia Yunqiao's hand and says.

"Call me when you get there."

Tang Yixuan nodded. "I will."

Huo Dongyang with sunglasses, or can't stand Tang Yixuan and Xia Yunqiao, "OK, you'll have a long time in the future! Don't excite me, an old man, here. "

"Hum!" Xia Yunqiao refused. "Uncle, you have done a lot of these things. I'll give you a taste of it now. "

"No big, no small!" Huo Dongyang said and automatically went to the other side.

A few hours later.

The plane landed at the airport of C City, Tang Yixuan took Huo Dongyang out of the airport.

"City C is indeed a tourist city." Huo Dongyang opens his mouth.

"Yes." Tang Yixuan nodded. "Are you interested in investing in tourism?"

Huo Dongyang a smile, "this is a good suggestion, can really consider to have a look."

As soon as he finished speaking, Huo Dongyang saw a shadow standing not far away. He took off his sunglasses and it was him!

Tang Si Nian also showed a smile. "Huo Dong, welcome to C City."

[Chapter 534](#)

Huo Dongyang nodded and saw the Tang Sinian in front of him. He seemed to see Tang Yuze in the past. Although he has the same face, his temperament is totally different.

"You look older than you are."

Hear Huo Dongyang's words, Tang Si Nian nods. "Yes, I am old. I can't be as young as you are. You look younger than I am now

"You're just too tired." Huo Dongyang replied.

When Tang Yixuan saw two people talking like this, he felt like an old friend gathering. It was the first time he had seen his father show such an expression, and it was also the first time that he would be so nagging.

"Let's go back and talk about it." Tang Yixuan spoke.

Tang Si Nian forgot to let Huo Dongyang get on the bus. "Well, get in the car!"

Tang Yinian and Mr. Huo open the car door one after another. Xu Nan saw that all the people got on the bus and finally got on the bus.

Along the way, Huo Dongyang enjoyed the scenery outside the window. City C is indeed a very good city, suitable for leisure and vacation, but also a good place for the elderly. Or you can really consider investing in real estate here.

Sitting next to Tang Sinian to see Huo Dongyang's mind, "C City has a piece of land to auction recently, Huo Dong can consider."

Huo Dongyang takes back his sight and turns to look at Tang Sinian. "Why don't you invest yourself?"

"I have no interest." Tang Si Nian replied.

"Is it? So what's your interest?" Huo Dongyang points out the key point directly. If it was him at that time, the Tang family would not be like this. Obviously, he didn't want to let Tang have new development, which was dereliction of duty as the leader of the company.

Tang Sinian knows that these things can't be concealed from Huo Dongyang's eyes. He really doesn't want to deal with the company's affairs these years. Tang Yixuan has been supporting these things, but he is also relaxed.

"It's not like you used to be."

"It was the same in my past." Tang Si Nian continued. "No, you can ask someone else. Ask them to know what kind of person Tang Sinian is. In fact, he is an idle old man. "

Huo Dongyang laughed, "is this life really what you want?"

"This is what Tang Si Nian wanted."

Tang Sinian and Huo Dongyang's dialogue made Tang Yixuan and Xu Nan sitting in front of him be stunned. How do you think they're not talking about a person? Huo Dongyang said that the man is really

different from Tang Si Nian, and Tang Sinian has been emphasizing himself. What kind of stories did these two people have before?

Xu Nan parked the car at the door of a restaurant. "Here comes the chairman."

"Well!" Tang Si Nian nodded.

Huo Dongyang takes a look at the restaurant outside the car and suddenly feels that this restaurant is somewhat similar to Yun Yiyan's. "This restaurant feels like Yi Yan's

"Go in and have a look."

Huo Dongyang pushes open the door and goes in with Tang Sinian. As soon as I went in, it was really similar to Yun Yiyan's restaurant. "If Yun Yiyan knew this, he would not be happy."

Tang Si Nian smiles. "Let him guide you then."

Huo Dongyang followed Tang Sinian into a room, and all the dishes were served on the table. Huo Dongyang looked at the furnishings in the room, "you are really high imitation here! They're all so similar. "

"You don't say that plagiarism is quite worthy of me."

"This is really your shop." Huo Dongyang had already guessed when he came in.

Tang Si Nian nodded. "That's what I've been doing for years."

After they sat down, Huo Dongyang found that Tang Yixuan did not come in. "Can't the two of us eat so much?"

"Eating is just a cover." Tang Si Nian poured a cup of tea for Huo Dongyang. "If I remember correctly, you like tea."

"Well, I can't get rid of this habit in my life." Huo Dongyang sipped his tea. "This tea is good."

"Take some back if you like."

Huo Dongyang put down his teacup and said, "go ahead

Tang Sinian knew that these things could not escape. In the next two hours, Huo Dongyang heard the story of Tang Sinian. Huo Dongyang is a very good listener. He has never interrupted Tang Si Nian from the beginning to the end.

Tang Sinian told Huo Dongyang what had happened in the past few years and told it like a friend. Seeing that Tang Sinian stopped, Huo Dongyang said: "so you appeared at the wedding of moxin. In fact, you wanted to make an end of everything in the past?"

"Yes. I thought she was very happy that day Tang Si Nian nodded. "So I'm relieved. I know Xia yueqian will treat her well. All these years have proved that my choice is right

"And when did you get married? According to reason, Tang Yixuan's age should be younger than Qiao. But I accidentally noticed his ID. how could he be three years older than Joe? "

Tang Sinian admired Huo Dongyang. He remembered all the details. "You're still the same, your eyes are still sharp." Huo Dongyang can understand the meaning of Tang Sinian. The things mentioned above are actually foreshadowing. His main purpose of coming to C city should be to talk about Tang Yixuan with himself. "Your point is Tang Yixuan?"

"Yes." Tang Si Nian nodded.

"He is..." Huo Dongyang is also associated with one thing, that is, Tang Yixuan said that he is not the real Tang family. Do you mean

Tang Si Nian didn't play riddles with Huo Dongyang, "I adopted Yixuan from the orphanage! When I married Bessie, I took him back to the Tang family and said it was my and Bessie's child. "

"So how did you hide it?"

"It's simple, that is to say that Bessie and I have known each other for a long time, and she secretly gave birth to the child." Tang Si Nian explained. "Yixuan that child and I are still a little similar."

Huo Dongyang has to say that his method is powerful, thanks to him to come up with such a move.

"Then how could Bessie agree?"

"In fact, I'm also shameless. Since I can't marry the one I love, it's the same with anyone I marry. When I came back to City C, I just met Bessie. So I used her feelings for me in such a play with me

"After all, I used Bai Xi and Yi Xuan!" Tang Sinian really felt guilty when he said this. "I use them to get rid of the Tang family."

"Do your parents know that?" Huo Dongyang felt that they were really distressed at the beginning, and Tang Yuze would ask him to help him no matter how.

Tang Si Nian smiles helplessly. "In fact, when I went to see your parents in a city, they were not my real parents. That was my foster parents when I grew up. The parents of Tang family are not so good to me! And if they know about admiration, it will be dangerous. "

After Huo Dongyang learned the truth, he couldn't help but feel more distressed for Tang Sinian. "You really carry too much."

[Chapter 535](#)

For a while.

Tang Si Nian didn't speak. He seemed to be giving himself a buffer. It is not easy for him to disclose these things. Today, he regards Huo Dongyang as his friend, so he tells them all.

"Sorry! I should not lie to you. "

"It's been so many years, there's no need to mind." Huo Dongyang replied.

Thank you Tang Sinian felt that he had made the right decision. Now he told all the things, and his depression was relieved.

Huo Dongyang poured himself a cup of tea again, "is it comfortable to say it?"

"Well!" Tang Si Nian nodded. "So I hope you can help with the marriage between Yixuan and Xiao Qiao. I don't have much time in my life, but I brought Yixuan in, so I support him to pursue his own happiness. Don't follow my old way! "

"You are very good, too! Think of such a way to get rid of the shackles of the Tang family! Now the Tang family... "

"After my father died, in fact, the Tang family's Qi was almost the same. So I don't want to let Yixuan carry anything about the Tang family. He has been the Tang family for more than 20 years for me. That's enough! "

Huo Dongyang then asked: "so you and Tang Yixuan will let the current Tang family, even don't want to save it?"

"Yixuan made a lot of efforts, but I stopped them secretly." Tang Si Nian said truthfully.

"You're really a good dad." Huo Dongyang added. "But I think Tang Yixuan should know your hard work. Otherwise, he will not give up the Tang family until now. I think he also wants to help you keep the Tang family. This is your foundation. "

Huo Dongyang's words shocked Tang Sinian for a while. Is that really the case? He could never have imagined such a situation!

"Two days ago, Xiao Qiao asked me to help Tang, but Tang Yixuan simply refused. I think he wants to make the final effort on his own, or he wants to stick to it for you! "

Tang Si Nian sighed. "This child is really stupid! Tang is not his shackles, such persistence is really meaningless. "

"Or you can get down to inject fresh blood. Don't you also have your own dream? Why not really choose a thing you like to do for yourself? Only in this way can you live up to your efforts over the years

Listening to these words, Tang Sinian felt as if he could see the sun through the clouds, as if he had all figured it out all at once. "I should have called you earlier!"

"It's not too late." Huo Dongyang knew that Tang Si Nian had made a decision.

"But I wasted more than twenty years."

"You just spent more than 20 years to make up for your guilt towards the Tang family. Now you should live your own life, it's not too late! "

Tang Si Nian a smile, people also spirit a lot. "Listening to your words is better than reading ten years."

"I'm not that good." Huo Dongyang replied.

Tang Sinian then said, "as for those legends you want to know about the Tang family, if you don't get bored, I can tell you too!"

Hearing the sound of the room, Tang Yixuan left in silence. He was worried about what period there would be, so he followed him, but now it seems that his worries will not happen. Leave the rest of the time to them!

Tang Yixuan walks out of the restaurant and Xu Nan comes forward.

"Where are you going now, young master?"

"Go to the company!"

"OK."

Just arrived at the company, Tang Yixuan saw Bai Xi. She was carrying a lunch box in her hand and seemed to be coming to deliver food to her father.

"Mom, you're here."

Bessie nodded. "Is your father out?"

"Yes." Tang Yixuan replied.

Bessie's face did not look good. "Where has he been?"

"He goes to a restaurant to eat."

"Did he have a guest?" Bai Xi heard Tang Si Nian call last night, saying who would like to come to C City.

Tang Yixuan saw Bai Qian's appearance and knew that she had come to check the post specially today. Bessie has always been very kind to Tang Sinian and is very concerned about his affairs. But there is always a knot in her heart, that is, Tang Sinian doesn't love her! So she sometimes does things a little paranoid.

See Tang Yixuan did not answer, Bai Qian's face is more ugly. "Did your father meet that woman?"

"What woman?"

"You two father and son still want to hide from me?" Bessie's tone was cold. "Yixuan, mother can not care about you and the things in Zhiqing, but you and Xia Yunqiao things, I will not nod!"

Tang Yixuan frowned at Bai Xi's words. "Why?"

"Because Xia Yunqiao is Yunmuxin's daughter!" Bessie almost gnawed her teeth and said that she had a deep hatred for Yun Mu Xin.

Bai Xi is more angry because of Tang Yixuan's silence. "Your father thought it was beautiful! I will tell you how he will support you. It turns out that Xia Yunqiao is the daughter of that woman. In those years, he could not get her, so I will let you marry her daughter now. So he has a chance to meet Yun Muxin, right? "Tang Yixuan saw Bai Xi's emotion a little excited, worried that she could not breathe again.

"Mom, don't get excited!"

"I'm fine! I'm tough now, I won't fall down so easily, because it will only give them a chance! " Bessie was a little out of control.

Tang Yixuan came forward and took Bai Xi, "Mom, you misunderstood Dad!"

"I don't have one." Bessie shook her head. "Yixuan, don't be with Xia Yunqiao! Mother to find you other women, Xia Yunqiao is a disaster, you and her together will not be happy

Seeing this, Xu Nan withdraws in silence. Only Tang Sinian can solve the problem, so he wants to call Tang Sinian to come to the company.

Tang Yixuan is still persuading Bai Qian, but Bai Xi doesn't listen to anything. She keeps repeating this sentence, that is, she doesn't agree with Tang Yixuan and Xia Yunqiao! Nothing else makes sense.

This situation makes Tang Yixuan headache. On the one hand, she doesn't dare to stimulate Bai Qian. Her health is not good. Secondly, he doesn't want to aggrieve himself. I just want to marry Xia Yunqiao. Now this situation is really thorny.

"Yixuan, you and Xia Yunqiao will not be happy!"

"Mom, I really love her!" Tang Yixuan can't stand Bai Xi, who has been saying bad things about Xia Yunqiao.

Bai Xi glared at Tang Yixuan. "So you and your dad are united now? I've paid so much for both of you in my life, but now you are doing this to me! Why don't you listen to me! "

"Mom, I don't think Joe and I have the same thing you think!" Tang Yixuan explained.

"It's not the same! What's good about Yun Muxin's daughter? " Bessie retorted.

This sentence happened to be heard by Tang Sinian and Huo Dongyang who came in. Huo Dongyang immediately opened his mouth, "so I would like to ask Mrs. Tang, what's wrong with my admirer and Xiao Qiao?"

[Chapter 536](#)

Or Huo Dongyang's aura is very strong, and Bai Xi doesn't make a sound at once.

Tang Sinian worried that Huo Dongyang was really angry, so he immediately said, "Huo Dong, please don't mind."

"No, I'll look at your face anyway." Huo Dongyang replied.

Hearing Huo Dongyang's reply, Tang Sinian was relieved. "Bessie, you go back first."

Bai Xi was already angry in her heart, and Tang Sinian wanted to go back by herself, as if she were a person who could not see the light. All the anger in her heart was aroused. "Why let me go back? Are you going to plot something that I can't know? "

"And who is this man?" Bessie pointed to Huo Dongyang and asked, "is this the person you invited from city a? I think this person has something to do with the woman you always remember in your heart! "

"Enough!" Tang Sinian was also angry after hearing Bai Xi's words.

"Isn't it? Tang Sinian, you have a woman hidden in your heart. Now you want your son to marry that woman's daughter. What is your intention?! In fact, you can tell me honestly that there is no need to hide and hide like this! "

Now that the words had been said, Bessie went to the wall. The big deal is divorce. She's had enough of these years!

"Mrs. Tang has a very hot temper." Huo Dongyang said with a smile, and then walked into the office first.

Tang Si Nian said to Tang Yixuan: "Yixuan, you go first."

Tang Yixuan nodded and followed Huo Dongyang into the office. In this way, Tang Si Nian and Bai Xi are left. Bai Xi still glares at Tang Si Nian. "What? What do you want to say to me? I'm not going to change my mind anyway

Tang Sinian's heart is guilty of Bai Xi, so she is very tolerant to Bai Xi. But this time, her performance is really bad, especially in the face of Huo Dongyang. "Bessie, do you know who the last one is? You are really wrong. "

"That man is your rescuer? I know all these things from city A Bessie replied. "Is that man related to Yun Muxin? I heard him just now

"Yes Tang Si Nian nodded. "You are satisfied with that answer."

The truth is always hurt people's heart, so at this time, Bessie's grievance had to be made. "Tang Si Nian, you finally tell the truth. You have endured for more than 20 years, and now you have come to rely on me. So you want to drive me away, don't you?"

Where are you frowning

"Am I wrong? How dare you say you don't think so? You are now desperately matching Yixuan and Xia Yunqiao, is not to pave the way for your future. Or to be more disgusting, Xia Yunqiao is your daughter, so now you want to let your adopted son marry her

Bai Xi's unreasonable provocation made Tang Si Nian so angry that she couldn't say anything. She could actually discredit these facts.

"What? You have nothing to say, do you? Tang Si Nian, in fact, you can say these things! Why keep it in your heart every time? " Bai Xi's voice rises again. She just wants Huo Dongyang in the office to hear it.

Tang Si Nian looked at Bai Xi's eyes and was all disappointed, "Bai Xi, you are responsible for these words! The man who went in just now is Huo Dongyang, chairman of HD. He is Yun Muxin's uncle! "

Bessie was stunned and suddenly felt terrible. The man just now is Huo Dongyang! There was no photo of Huo Dongyang in the survey materials she got before, so she didn't know at all. She did not expect Huo Dongyang and Yun Muxin to have such a cordial relationship.

"He..."

"He's here to help us." Tang Si Nian replied. "Please make a distinction between public and private. If you do this, you'll end up like this! "

Bessie was nervous. I didn't expect that at all. Just now I was really mad with anger that I would say those words without thinking. "I didn't mean to, I just..."

See two people have calmed down, Xu Nan came out. "Master, madam, Huo Dong asks you two to go in!"

"I..." Bessie is totally afraid to face Huo Dongyang. Just now she was controlled by anger and grievance, so she was out of control. Now she calms down. How dare she go in and face to face with Huo Dongyang.

Tang Sinian knew Bai Xi. "You go back first. We'll talk about it at home."

"Oh Bessie nodded.

Tang Sinian walked into the office and saw Huo Dongyang drinking tea. He went over and said, "I'm sorry, I let you see the joke."

"It's OK. I've seen a lot of these things." Huo Dongyang replied that he was not surprised. "You've worked hard all these years! If you feel bad, it's better to leave! "

Tang Si Nian did not expect that Huo Dongyang would say such a thing. He would divorce him when he opened his mouth! After Tang Sinian stabilized his mood, he took Huo Dongyang's words: "in fact, Bai Xi is not like this at ordinary times. She is just too excited today! I'm really sorry! "

Huo Dongyang smiles. "Tang Si Nian, these years have been suffering for you and her. Why not separate them? Now that Tang Yixuan has grown up, you don't have to aggrieve yourself. Go out and you will have more possibilities! "Tang Sinian couldn't answer the question completely. It seems that Huo Dongyang's words are not his style. In recent years, he has also changed his way of doing things.

Sitting on one side, Tang Yixuan couldn't help saying, "in fact, the relationship between father and mother is not so bad. My mother is just in a bad mood recently. That's why it is. Please don't mind. "

Huo Dongyang smiles. "Is it? But I think she looks like a shrew? I think in the present situation of your father, if there is a real divorce, there are still many young girls who will rush forward

"What!" Tang Yixuan also can't take Huo Dongyang's words.

"Am I wrong. It's good to find a twenty year old girl! " Huo Dongyang looks serious.

Tang Sinian knew that Huo Dongyang meant well. "Horton, I won't divorce Betsy! When I got married, I said to myself that no matter what happened in the future, I would not divorce her. This is also my promise to her

"The survival rate of marriage is only 11 years now, and you've done everything you can to her." Huo Dongyang continued.

Tang Si Nian immediately shook his head, "this is not right! If that's the case, shouldn't you and Jovi be over? "

"Good! It will be refuted. " Huo Dongyang for a moment, and then said to the direction of the door: "Mrs. Tang, if you want to listen, just come in and listen openly and honestly!"

Tang Si Nian and Tang Yixuan are stunned. They both look at the direction of the door. Is Bai Xi really out there?!

After a while, the door of the office was opened and Bessie came in.

[Chapter 537](#)

Seeing Bai Xi come in, Tang Yixuan and Tang Si Nian are stunned.

"You are..."

At this time, I saw Tang Ming entering the elevator. "You didn't go?"

Bessie felt embarrassed when she was caught like this for the first time. She wanted to go, but she regretted when she got into the elevator. If you leave like this, you don't know anything! So she turned back in the middle of the way and overheard their conversation at the door.

I didn't expect Huo Dongyang to persuade Tang Sinian to divorce him, but what surprised her was what Tang Sinian said just now. For the first time in many years, he said he would not divorce himself. Hearing such words, my heart was moved.

Huo Dongyang saw Bai Xi's expression and could see that she was soft hearted. "Mrs. Tang, I asked you to come in just now, but you choose this way!"

"I didn't mean to, just..."

"I just can't rest assured." Huo Dongyang said Bai Qian's heart.

Bessie bowed her head and did not dare to speak. After all, she did it wrong. Tang Si Nian had no choice but to take Bessie and sit down with her.

Huo Dongyang saw that all the people had arrived, and he simply opened his mouth. "Since all the people have arrived, I will discuss with you the marriage of Xiao Qiao and Tang Yixuan?"

"This..." Tang Sinian couldn't catch the rhythm of Huo Dongyang. All of a sudden, we talked about marriage.

Tang Yixuan did not expect Huo Dongyang to say so. "Huo Dong, do you want to discuss with us here?"

"Is there a problem here? This is the reason why I came to City C this time. Otherwise, I would not have worked so hard from a city. "

Bessie was very nervous when she heard this. Huo Dongyang is really good at catching people's weak points. He knew that he was not going to say anything just now, so he chose to speak at this time.

"I won't agree to the marriage of Yixuan and Xia Yunqiao!" Bai Xi doesn't care so much, she just doesn't agree!

Huo Dongyang takes a look at Bai Xi. "Why should Madame object?"

"Because she is Yun Muxin's daughter!"

Huo Dongyang raised the corner of his mouth. "Where did my admiration offend my wife? You have so much resentment? "

"She is..." Bessie opened her mouth. She did not go on after she saw Tang Si Nian's face.

Huo Dongyang is not in a hurry. "Madam, we used to talk about a boy friend in our family, but that man is not Tang Si Nian. So please don't get me wrong! "

"Ha ha..." Bessie laughed. "You are not right! In the drawer of Tang Si Nian, there is always a picture of Yun Mu Xin! Sometimes he would call this name in his dreams. I have heard it with my own eyes. Is it false? "

Huo Dongyang shrugged, "OK! Even if they have something in the past, but he should not have done anything sorry for you? Madame, you can think about what he has done to you in the past few years

Bessie's voice was blocked. Huo Dongyang is not wrong. Tang Sinian has not been sorry for himself in these years. He is a good husband, but he has only gratitude and no feelings for himself.

"Ma'am, this is your family business. I, an outsider, should not talk too much! But if you want to oppose the marriage between Tang Yixuan and Xiao Qiao, you should give me a reasonable reason. "

"That was the reason!"

"Who has not gone? Didn't the lady go? I think you should know about Tang Si Nian when you decided to marry him. You had a happy family, but didn't you give up the man who had been waiting for you

Bai Xi's face becomes very ugly, did not expect Huo Dongyang to know this. "You investigate me?"

"Madame, have you ever investigated us. I'm even at best. " Huo Dongyang replied.

Bessie tugged at her clothes, worried that she would make more mistakes.

"In fact, we are not willing to let Xiao Qiao marry to city C. with all the conditions of Xiao Qiao, who are we going to choose. I think the madam should have investigated these things clearly! Xiao Qiao's background is better than that in Zhiqing! Right? "

Huo Dongyang directly said that Bai Xi couldn't say a retort. Because of this fact! Xia Yun Qiao is really better than Yu Zhiqing in every aspect!

"And you are not without benefits! If they get married, Tang will have HD as a backing. I don't think this is a good thing for you? Now you Tang family are facing some problems? I think if this news is released, you Tang family will certainly get attention again! "

Tang Yixuan just wants to show that he and Xia Yunqiao are not married for these things, but he sees Huo Dongyang shaking his head at him. Tang Yixuan instantly understood that his words were actually for his mother.

"Tell you the truth, Madame! We are also against Xiao Qiao's marriage to the Tang family. The reason is very simple because of the legend of the Tang family! No one wants to push their daughter into the fire? However, our family has always respected the children's decision, since the two children are firm in their own choice, so we have to be elders. After all, this future road is theirs, and our elders are only their reference at most. "Seeing that Bai Xi never said a word, Huo Dongyang thinks that she should have listened to her own words, so his task today is also completed.

Huo Dongyang looked at the time. "I have something to do later. I have to go first! What's up here? I'll talk about it tomorrow. "

At 9 a.m. the next day, it was reported that Tang's company was going to cooperate with HD to invest in the tourism industry of city C. There are even grapevine reports that yesterday afternoon, HD chairman accompanied by Tang Si Nian went to see the piece of land to be developed in C City.

As soon as the news came out, it attracted attention. Many companies that had cooperated with Tang's company in the past came to consult one after another. I thought Tang would withdraw from the market in these two news reports. But I didn't expect that Tang family could win the cooperation with HD under such circumstances. It's really a blockbuster!

Tang family.

Since the morning news announcement, the home phone has been ringing. Bessie received many phone calls from his wife inviting her to dinner and beauty. Since Tang Yixuan repented, these women have excluded themselves. Today is because of this news, one after another to pull down their own face to make friends with themselves, it is indeed the benefit effect!

At this time, the doorbell rang at home.

Bai Xi stood up to open the door, the results of standing at the door of Yu Zhiqing and Zhang Xiaoxia. Thinking about how they came here?!

"Bessie, I know you're at home. Open the door!" Zhang Xiaoxia said aloud.

[Chapter 538](#)

Bai Xi opened the door, Zhang Xiaoxia with in Zhiqing directly came in.

"Mrs. Yu, how can you come to my house today?" Over the years, Bessie has also developed some verbal skills. Of course, Bai Xi knew that Zhang Xiaoxia was playing tricks behind her back, so that other ladies cut off the contact of Tang family.

Zhang Xiaoxia stares at Bai Qian, the woman's face is always hung with such an innocent expression, but she has many tricks! She thought the Tang family would be ruined this time, but she didn't expect to let them have a chance to make a comeback! It's really irritating!

"Bessie, you know it."

Bessie smiles. "What should I know?"

"Well, you're still pretending. Now the whole city of C knows that your family wants to cooperate with HD. How can you not know?" Zhang Xiaoxia strongly points to Bai Qian and says!

"I didn't know these things until I read the news in the morning. You also know that I am a housewife, these things are husband and son's affairs, I am in charge of these household chores. Of course, I can't compare with you. Mrs. Yu is the head of the family and her CFO. "

Zhang Xiaoxia is not a fool. Of course, she knows that Bai Xi's words are ironic. She did not polite, directly put up a cruel words, "now you Tang family is about to be promoted, how to give a statement about the matter of repentance!"

Bai Qian took a look at Yu Zhiqing. "I can't say anything about this! My son doesn't like it. I can't force him with a knife! When my son is older, he has his own ideas, and I can't stop him as a mother. And I'm just one of his sons. I need to rely on him for the aged

Zhang Xiaoxia is angry, she reaches out to hit Bai Qian, but is pulled by Yu Zhiqing. "Mom

"Aunt Bai, what you said didn't count?" Yu Zhiqing blames Bai Qian face to face.

"I don't remember what I said when I'm old."

Yu Zhiqing clenched her hand angrily. "That Xia Yunqiao is not a good man!" Yu Zhiqing went to check Xia Yunqiao, but found some useless information. It seems that someone deliberately protected Xia Yunqiao's data. Otherwise, she won't be able to find everything.

Bai Qian looked at Yu Zhiqing lightly. "Xia Yunqiao is a good man. My son will judge by himself."

Yu Zhiqing is not polite. "Good! You wait for Tang Yixuan to be destroyed! That woman is definitely a disaster

At this time, Xia Yunqiao's voice came. "Miss Yu, why do you think I am a disaster?"

Yu Zhiqing and Zhang Xiaoxia look back to see Tang Yixuan and Xia Yunqiao standing at the door. There was seriousness on both faces! Tang Yixuan stepped forward. "Mom, are you ok?"

Bessie felt comfortable when she heard her son greet her first. "I'm fine!" Finish saying, she looks at Xia Yunqiao, some accident how she came!

Tang Yixuan determines that Bai Qian is OK, and then goes to Zhang Xiaoxia and Yu Zhiqing. "I've made it clear last time! And it has nothing to do with my mother. Please don't question my mother in the future

Zhang Xiaoxia snorted, "now I'm proud, so I'm going home with this fox spirit?"

"Mrs. Yu, please keep your mouth clean! Joe has always been my fiancée, and we have been engaged since we were young. "

"Oh?" Zhang Xiaoxia certainly won't believe it. "That's a good excuse. In this case, why did you agree to marry Xiaoqing? In that case, you are not a good man either

Bessie was upset to see her son being said so. "Mrs. Yu, I didn't understand the matter clearly, which is why such a problem arises."

"You are a family, you will certainly cover up each other! I've seen a lot of them. At the beginning, you would promise to get married, but you just took a fancy to us at home. Now you find such a big supporter, of course, you dare to say anything! "

Zhang Xiaoxia then turned to look at Xia Yunqiao and said, "Miss Xia, there is no one in the Tang family who keeps his word! You'd better wake up early! Big companies like HD won't cooperate with downer, which is going bankrupt for no reason. There must be an interest between them! I heard that HD's chairman also has a daughter. Maybe they've already talked about marriage behind your back. "

Xia Yunqiao's face sank. She stared at Zhang Xiaoxia coldly, but did not say a word. She looked like she was hit. Yu Zhiqing goes to Xia Yunqiao. "Xia Yunqiao, you'd better wake up! Or you'll end up worse than me! Tang Yixuan really has a good face, which is enough to make many women fall in love with. "

Xia Yunqiao a smile, "so Miss Yu is also because of this will have been holding Yixuan?"

"Xia Yunqiao, Xiaoqing is just kind to remind you! What's your attitude! " Zhang Xiaoxia said loudly to Xia Yunqiao.

Xia Yunqiao nodded. "Of course I know you are kind enough to remind me! But I am a man of one mind. I will not die until I reach the Yellow River! "

"Women should be nice to themselves. Don't wait until they are abandoned. It will be too late."

Hearing Zhang Xiaoxia's words, Xia Yunqiao went on to say: "I think that Mrs. Yu's words should be said to miss." "What do you have to pull now?" Yu Zhiqing last ate Xia Yunqiao's loss, so this time she won't start, but move her feet. Looking at his high-heeled shoes are about to step on Xia Yunqiao's feet. But when it fell, it was empty. She staggered several times to stand still, and her ankle accidentally twisted.

Xia Yunqiao raised his eyes and looked at Yu Zhiqing, "Miss Yu, this high-heeled shoes are not everyone can control!"

"You Yu Zhiqing felt humiliated again.

Zhang Xiaoxia sees her daughter being bullied, and she goes to fight Xia Yunqiao. "Little bitch, if I don't teach you today, I'm not a human being!"

Seeing Xia Yunqiao being beaten, Tang Yixuan wants to come forward. As a result, Bai Xi reaches out and grabs her son's hand and doesn't let him go. Tang Yixuan called anxiously. "Mom

Bai Xi just wants to see what Xia Yunqiao will do. There will be a lot of these things in the future. If she can't handle these things well, then she is not suitable for Tang Yixuan. The daughter-in-law of the Tang family is not so easy to do.

Xia Yunqiao over there has avoided Zhang Xiaoxia. She steps back and doesn't want to start. "Madam Yu, please respect yourself!"

"I'll take care of you little bitch today!" Zhang Xiaoxia was completely angry.

Xia Yunqiao reaches out and grabs Zhang Xiaoxia's hand and squints slightly. "I don't want to fight you!"

"Don't talk nonsense!" Zhang Xiaoxia uses the other hand to hit Xia Yunqiao in the face.

"Stop it!"

Tang Sinian and Huo Dongyang came over. Tang Si Nian said angrily. "Mrs. Yu, this is the Tang family. Please see the place clearly!"

[Chapter 539](#)

Zhang Xiaoxia is not polite. She has no stage fright when she sees a man coming. Still put on their own momentum, is the so-called losers do not lose array.

"It seems that I have come back with my men and horses today."

Huo Dongyang went to Xia Yunqiao and asked with concern: "Xiao Qiao, are you ok?"

"I'm fine!" Xia Yunqiao nodded and then let go of Zhang Xiaoxia's hand.

In Zhiqing immediately went to support Zhang Xiaoxia, "how, you are now many people bullying us less! Is it not shameful for you to say that? "

Heard in the words of Zhiqing, Huo Dongyang turned to look at Yu Zhiqing and Zhang Xiaoxia, with a cold look in his eyes. See their appearance, Huo Dongyang seems to see the original Liu Su and Qiao Xin. Sure enough, there will always be such people.

"Did our little Joe offend you Huo Dongyang asked. *novelusB.com*

Yu Zhiqing looked at Huo Dongyang, "are you Xia Yunqiao's father?" Because Huo Dongyang's age really seems to be Xia Yunqiao's father. From his just in a hurry, it's mostly like this.

"I'm Huo Dongyang!"

Hearing this name, Zhang Xiaoxia and Yu Zhiqing's face suddenly changed. In front of him is the mysterious HD chairman Huo Dongyang. He has always been a low-key person, and he has never been interviewed by the media, so many people like them have not seen Huo Dongyang's real face.

Zhang Xiaoxia's breath is obviously unstable. If such a person comes here, the whole atmosphere will be different. It seems that all the rumors are true. Huo Dongyang is not a simple character. That's what Qiao Dongyang's daughter is?!

Yu Zhiqing moved her lips, and she kept telling herself not to be stage fright. How to say that this is their own home, but it is not their turn to these outsiders to tell. "What do you want to do?"

"I should have asked! What is the reason why Mrs. Yu came to the Tang family today? " Tang Si Nian asked.

"Tang Si Nian, you Tang family has not given me an explanation! Now hold it to HD's thigh, so it's really over? " Zhang Xiaoxia questioned the year of the Tang Dynasty.

Bessie was in front of Tang Si Nian immediately. It was better for women to do these quarrels and forced things! And she didn't want to be scolded by this woman. "Madam Yu, I have explained this matter just now."

"But your explanation is useless." Zhang Xiaoxia replied.

Huo Dongyang heard these repeated words for countless times, but he really didn't feel interesting. "In fact, there is no explanation for this! The simplest thing is that Tang Yixuan doesn't like Miss Yu. When I promised to get married, I also wanted to sacrifice myself to save the company. But now these are not needed, of course, you have to choose what you like

"Xia Yunqiao is your daughter, of course you would say so!"

"Daughter?" Huo Dongyang smiles. It seems that they are in the wrong direction. However, Huo Dongyang will not explain so much with these people.

Zhang Xiaoxia went on to say, "of course, those who are fathers tend to their daughters."

Yu Zhiqing is biting her lips. She didn't expect Xia Yunqiao to be such an identity. No wonder she couldn't find her information. Now it makes sense at a glance, the future successor of HD is really more powerful than ordinary people! There is no contrast, no harm, this bitch is now several levels higher than himself!

At this time, Yu Jianming came in a hurry. As soon as he came in to see such a battle, he hesitated for a moment.

"What are you doing here?" Yu Jianming asked aloud.

Seeing Yu Jianming coming, Zhang Xiaoxia's momentum rose a lot, "Lao Yu, you finally come! These people are trying to pass the buck now. "

"Shut up!" Yu Jianming called back to Zhang Xiaoxia.

"Lao Yu..." Zhang Xiaoxia looks unbelievable, as if she can't believe that Yu Jianming will speak to herself in such a tone.

Yu Jianming ignored Zhang Xiaoxia and went directly to Huo Dongyang to apologize: "Huo Dong, I'm sorry! I don't care about my family. It's funny

"Yuzong doesn't need to be like this. He who does not know is not guilty. " Huo Dongyang replied. "Mrs. Yu is really bold, which is good."

Yu Jianming can say a cold sweat, the more these compliments, but people feel afraid, the typical Mianli hidden needle! Huo Dongyang is what kind of person, of course, do not know how to deal with these things, this is really polite, really terrible.

Zhang Xiaoxia doesn't understand what Yu Jianming is thinking. Now she bows to Huo Dongyang! Where is the usual momentum! "Lao Yu, how are you now?"

Yu Jianming looks back at Zhang Xiaoxia with a warning in his eyes. Yu Zhiqing understood the meaning of her father. How could her father treat her mother like this? There must be some hard feelings. She took Zhang Xiaoxia's arm and said, "Mom, forget it!"

"Xiaoqing, how can you be like this?"

"Mom, this is not a place to talk." Yu Zhiqing whispered to Zhang Xiaoxia.

Zhang Xiaoxia had no choice but to hold back her anger. She wanted to go back and settle accounts with Yu Jianming!

Yu Jianming is relieved to see Zhang Xiaoxia calm down. If they really offend Huo Dongyang, they will have a hard time in the future! "Huo Dong, I'm really sorry today. I'll take them back first." Huo Dongyang nods. "Yes. If you is free tomorrow, have a cup of coffee together? "

"Good! I'll be free tomorrow, and I'll be waiting for Huo Dong at any time. " Yu Jianming replied.

"Then I have something to discuss with Tang Zong today, so it's not convenient to keep you."

"Yes, yes." Yu Jianming lowers his head and turns to pull Zhang Xiaoxia and Yu Zhiqing away.

Seeing the people at home leave, others also relaxed their vigilance. Tang Sinian looked at Bai Xi and asked, "are you ok? Did Zhang Xiaoxia do anything to you? "

Bessie shook her head. "No. Go in and talk about it! "

Tang Yixuan pulls Xia Yunqiao's hand. "Let's go in."

Xia Yunqiao this will appear a little stiff, she feels that Bai Xi still does not like her, from her appearance to now, she has not seen herself. Think all here, the heart can't help but feel a little uncomfortable, this how to do!

Tang Sinian also said to Huo Dongyang, "please come inside!"

Huo Dongyang nods. "Don't be so polite. We're going to be in laws. Just make yourself at home. "

On the other side.

Yu Jianming drives Zhang Xiaoxia and Yu Zhiqing home.

Seeing Zhang Xiaoxia still with an angry expression, Yu Jianming said: "OK, don't give me a bad face!"

"Yu Jianming, what do you mean today? How can you say that in front of so many people

Yu Jianming sighs helplessly. "You and Xiaoqing are so impulsive today! Come here to ask for justice

"What do you mean by that?"

"Yu Zhiqing looked out of the window," Dad means we almost bad things

[Chapter 540](#)

Zhang Xiaoxia did not want to understand, "can you two father and daughter not play charades?"

Yu Jianming was a little disappointed, "wife, how can you be intelligent and confused for a while? Now Tang Si Nian has Huo Dongyang as a supporter. If we want to move them, they really can't be hard pressed! "

Zhang Xiaoxia suddenly realized that she was really wrong. "I'm sorry!"

"Wife, you are right." Yu Jianming replied. "We are the victims of this incident. As a result, Tang Yixuan actually colludes with Huo Dongyang. We can't deal with him openly now!"

"Is Huo Dongyang really so powerful?"

"If you go to a city and grab a person, you don't know who the mayor is, but when you ask Huo Dongyang, everyone knows him! City a has made great achievements today, but he is almost worshipped as a god! "

Zhang Xiaoxia frowned. "I don't think he has anything. Is he really so divine? An old man at most

You are wrong Yu Jianming shakes his head. "Huo Dongyang is now saying that he has retired to the second tier, but we can't ignore him!"

"So now we are so cheap Tang family? I'm really talking about swallowing it now! "

In Zhiqing think of Tang Yixuan and Xia Yunqiao together, is angry teeth itch. "Dad, you said you would deal with the Tang family. You would take Tang Yixuan back to me! But now he is going to marry Xia Yunqiao. "

Yu Jianming replied: "Xiaoqing, I'm so glad you didn't marry Tang Yixuan! The Tang family is not clean. It's evil... "

"What do you mean by that?" Zhang Xiaoxia asked nervously.

Then, Yu Jianming tells Zhang Xiaoxia and Yu Zhiqing about the rumors about the Tang family's past. They are immigrants. They don't know the Tang family's past. On that day, Yu Jianming really went to check the Tang family's words, and the results were really frightening.

After listening to what Yu Jianming said, Zhang Xiaoxia and Yu Zhiqing are dubious. "Is there such an evil thing? Why haven't you heard of it in recent years? "

"That's because we only came to City C ten years ago. People who have lived here for more than 20 years know that Yu Jianming replied.

Yu Zhiqing didn't believe it. "Dad, if you say so, will Huo Dongyang know? Why are you willing to marry your daughter to the Tang family

"It is said that the Tang family has a rule that they choose a marriage partner for their son, and this marriage object is generally made from a young age! I think Xia Yunqiao is Tang Yixuan's marriage object! "

Yu Zhiqing frowned. If the Tang family man's first wife died, then Xia Yunqiao's life is not long! Maybe you can marry him?

"Lao Yu, are these true? I still can't believe it. Not Tang Si Nian and Bai Xi! "

"Tang Si Nian had a wife before he married Bai Xi. It's just that he died before it was made public. " Yu Jianming replied.

"No, is it really so evil?"

"So how glad I am to know these things." Yu Jianming continued.

In Zhi Qing's heart or feel unconvinced, "Dad, I still don't believe it!"

"Xiaoqing, don't be unconvinced. The Tang family is not a good thing. In the future, if dad wants to find a better person, you can forget Tang Yixuan! "

In Zhi Qing did not make a sound, just sit quietly, but her heart is not how to think. If the man of Tang family wants to die a wife, she can let Xia Yunqiao die so that she can be with Tang Yixuan.

Zhang Xiaoxia went on to say, "so now we are really watching the Tang family show off the tiger?"

"If it wasn't for Huo Dongyang, Tang would have been in our hands." Yu Jianming also felt sorry.

"Then we give up?"

Yu Jianming shakes his head. Of course, he has plans. Tang's cake, he's going to order it! Now I guess we'll have to wait! Everything will be decided after Huo Dongyang has gone.

"Lao Yu, you will not really go to meet Huo Dongyang tomorrow, will you?"

"Of course."

"Don't you worry about cheating?"

"Huo Dongyang is not that kind of villain, and he doesn't have to do that! He has always been a frontal attack. "

"Or I'll go with you tomorrow and have more people and more mouths."

Yu shook his head. "I can do it myself."

Tang family.

Tang Sinian and Huo Dongyang said the same thing. Tang Sinian was worried that Yu Jianming would have an afterthought.

Huo Dongyang smiles. "Nothing. He doesn't dare to do anything to us? "

"Before Jianming, he started as a gangster."

"How about that?" Huo Dongyang feels afraid at all, and maybe he will meet his family.

Tang Si Nian saw Huo Dongyang so calm that he didn't try to persuade him. Anyway, he didn't see any scenes.

Huo Dongyang took a look at Tang Sinian. "You don't have to worry too much. Your job now is to take care of your wife. "

"That's how Bessie's temper is, but she's not bad." Huo Dongyang a smile, "but she is too easily excited, soft ears, easy to listen to others provocation." Of course, Huo Dongyang was just talking about it at this time, but it became a divine prediction.

In the living room.

Tang Yixuan and Xia Yunqiao sit together, while Bai Qian sits opposite them, and she doesn't say a word. Because there is still a mustard in my heart. When I think of her as Yun Muxin's daughter, I have a thorn in my heart.

Xia Yunqiao is nervous. She can feel that Bai Xi doesn't like her very much. It was only for this reason that she never understood. Now she doesn't speak, and she doesn't want to speak first, so she's really embarrassed.

Tang Yixuan this time clip in the middle, also feel strange in the heart. On the one hand, he worried that Xia Yunqiao would be wronged, and on the other hand, he worried that his mother could not stand standing by him and Xia Yunqiao.

Finally, it was Bessie who spoke first. "How are your father and mother feeling?"

"Their feelings are very good!" Xia Yunqiao replied.

"Did your mother tell you about her past?" Bessie still cares.

Xia Yunqiao was slightly stunned. She didn't expect Bai Xi to ask. "Past events?"

"Yes! Like her previous love history? "

Xia Yunqiao nodded. "My mother told me. She had a boyfriend when she was studying in America

"It seems that she really told you, does your father know about it?"

"Yes!" Although it is not clear why Bessie asked these questions, Xia Yunqiao still said what she knew.

"My father always said to thank the uncle for helping him and his mother!"

Bai Xi frowned, so to speak, it was Tang Sinian who let go first, not Yun Mu Xin who abandoned him! "Do you know who that man is?"

Xia Yunqiao shook his head, "I don't know. I heard that the uncle had an accident later. Since then, mom and dad haven't seen him

An accident? Bessie was puzzled. It seemed that there were many things she didn't know. What happened in the past of Tang Si Nian? It seems that I really don't know him!

Tang Yixuan saw Bai Qian's appearance and called in a low voice, "Mom, are you ok?"

"I'm fine!" Bai Xi replied, then she looked at Xia Yunqiao and said, "Xia Yunqiao, the uncle you mentioned just now is actually Yixuan's father!"
