

## Warm Wife 541

### [Chapter 541](#)

Bai Xi's words let Xia Yunqiao is a face of shock, there is really such a coincidence.

"What?" Xia Yunqiao made a sound for a long time, and she still can't believe that this is a fact. Is there really such a coincidence?!

"No, you can go back and ask your mother."

Xia Yunqiao heard here, vaguely also understand another thing, that is, Bai Xi never agreed to her and Tang Yixuan together. It seems that this is the point. What happened in their past.

"Mom, what are you doing with that?" Tang Yixuan interrupts Bai Qian.

Bessie's eyes were still cold, as if nothing could change her mind at the moment.

Xia Yunqiao's heart has always been on seven or eight, but Bai Xi said these things with her and Tang Yixuan exactly what relationship? Why use the things of the previous generation to bind them, or even stop them! Can you calm down the guilt in your heart?

"Xia Yunqiao, do you understand what I mean?"

Xia Yunqiao looks at Bai Xi and she nods. "I understand what aunt means! But I don't understand. Did my mother do something wrong? That's why you have such a grudge? Since I was a child, I didn't think my mother was one of those people who liked to compare with others. And the relationship between father and mother has always been very good! Even if mom had been with Uncle Tang, it was before they got married! Isn't it? "

When Bai Xi heard Xia Yunqiao's words, she suddenly felt that she was looking for trouble. These things, she is very clear, but the heart has been unable to pass, is Tang Si Nian in the mind of the person is always cloud Mu Xin. Since he had no way to forget Yun Muxin, why did he leave her at the beginning. Since left her, also chose to marry oneself, why still can't let Yun Mu Xin.

Thinking about it, Bessie thought it funny! In fact, he is not such a person. At that time, he knew that Tang Sinian might never fall in love with himself all his life. He still decided to marry him, even regardless of the consequences! Really should that sentence, who falls in love first loses.

Tang Yixuan then said, "Mom, are those things really important? I think Dad has been good to you for so many years! He didn't do anything sorry for you

"How do you know he didn't?" Bessie asked.

"Then tell me."

"There are others in his heart!"

"Mom, dad only has you and the Tang family in his heart. If there was someone in his heart, he would have chosen to divorce you! Instead of choosing to stay with you all the time. Don't you understand all these things? "

Seeing that Bai Xi didn't make a sound, Tang Yixuan continued: "Mom, dad and Xiao Qiao's mother are innocent. Do you really want to use the things of the previous generation to stop me and Xiao Qiao? Does that make sense? "

Bessie felt as if she was going to be convinced. Now said that everything is their own obsession, but also their own wishful thinking! I can't live with myself. Bessie stood up at once. "I won't agree with you anyway."

See Bessie go back to the room and close the door! Tang Yixuan felt helpless. He looked at Xia Yunqiao and said, "Xiao Qiao, I'm sorry!"

Xia Yunqiao held Tang Yixuan's hand, "it's OK! I can understand all this! Auntie, these years are really not easy! " Xia Yunqiao felt that Bai Qian's heart carried a lot of grievances and unwillingness, and these knots could not all be vented.

In fact, from another point of view, it is also because Bai Xi loves Tang Si Nian so much that she is worried about her gains and losses. She has been carrying such a burden for more than 20 years. In fact, it is difficult for her.

Xia Yunqiao felt a warm hand. Seeing Tang Yixuan holding his hand, Xia Yunqiao laughed, "Yixuan, I will be good to my aunt in the future."

"How nice of you, Little Joe!"

"So hold on to me Xia Yunqiao said with a smile.

Tang Yixuan heard this, his face showed a smile. Of course, we should pay close attention to it. This is the outcome he has always dreamed of. Of course, he must hold fast to it, and will not be taken away by others. Tang Yixuan hugs Xia Yunqiao. "Joe, you can only be with me in your life."

"You too!"

"Little Joe, let's get the certificate." Tang Yixuan's heart is not steady, so he is anxious to settle down with Xia Yunqiao.

Xia Yunqiao has a look at Tang Yixuan. "But now my aunt still doesn't agree! It's not good for us to do this! "

"My mother doesn't know you enough. She'll figure it out. It's just that you will be wronged. "

"I don't feel aggrieved." Xia Yunqiao shakes his head. "I will try to be a good daughter-in-law!"

Tang Yixuan hugs Xia Yunqiao and does everything well with her around!

The next day.

After Huo Dongyang went to meet Yu Jianming, no one knew what they were talking about.

In the afternoon, Huo Dongyang is ready to go back to a city, because Qiao Wei and the children will be back in two days, and he will go back to prepare for them.

"Uncle, are you going back so soon?" Xia Yunqiao looks at Huo Dongyang and asks.

"Yes! It's over here. Of course we have to go back. " Huo Dongyang answers Xia Yunqiao while cleaning up. "What are you doing standing here? Get ready. Let's go back togetherXia Yunqiao didn't want to go, "uncle, I want to..."

"No! You forget how you promised your mom and dad Huo Dongyang became serious.

Xia Yunqiao lowered his head and said the reason why he wanted to stay in his heart. "Yixuan's mother doesn't agree with our marriage yet. I'd like to say stay and have more contact with her."

Huo Dongyang stops his movements. "To stay and change her mind? Don't be naive! Bai Xi's affairs let Tang Si Nian and Tang Yixuan solve. We have to go back and prepare our business. "

Since Huo Dongyang has done so, Xia Yunqiao can't continue to say anything. He goes back to his room to pack up.

In the evening, Tang Yixuan took them to the airport.

"Yixuan, I'll go back first. You need to call me."

"Don't worry! You have to take good care of yourself. " Tang Yixuan said to Xia Yunqiao. "I must not be ill, so I will be distressed!"

Xia Yunqiao nodded, "you too!"

Huo Dongyang looked at the time, "Xiao Qiao, we should go."

Tang Yixuan comes to Huo Dongyang. "Huo Dong, I will solve these problems at the time we have agreed upon!"

"OK! Then I'll be waiting for you in city a! " Huo Dongyang nods.

Tang Yixuan left the airport. But Tang Yixuan did not notice that there was a car behind him quietly following him, until Tang Yixuan returned to his apartment, the car quietly left.

## [Chapter 542](#)

In the VIP room of a hotel in C City.

A middle-aged woman with elegant and gorgeous dress was sitting on the sofa with anxiety on her face.

After a while, the cell phone in front of her rang.

"Hello The woman immediately picked it up. "Did you find it?"

"Well, bring me the information at once." Said the woman nervously.

After putting down the mobile phone, another woman came forward to pour tea for the woman.

"Don't be nervous, ma'am."

"Huiqin, I'm really nervous now. If you didn't read it wrong last time, it was my son

Li Huiqin can understand the anxiety of his wife. After all, she has been looking for her son for so many years! On that day, they were going to leave City C, and they wanted to get on the plane and go to the

bathroom. As a result, they didn't expect to collide with Tang Yixuan, and she saw the family mark on Tang Yixuan's arm, so they renewed their hope.

Looking for someone was like looking for a needle in a haystack. But these two days, Tang Yixuan and Xia Yunqiao were on the news, so Li Huiqin recognized Tang Yixuan. With this incident, they also began to investigate Tang Yixuan's identity, trying to confirm whether Tang Yixuan was the person they had been looking for. The only way to prove Tang Yixuan's identity is to have a necklace besides the mark on his arm.

If Tang Yixuan really has that necklace on his body, then his identity is probably the person they are looking for! That's why Zhao Liya is worried. At that time, she had no choice but to leave her son. For so many years, her heart has been reproached by conscience. Now I have the chance to go back to City C, just to find my son.

They have been in C City for a long time, but it's hard to find someone. I didn't have a picture at that time, and I don't know what the child is like now! With that family mark, there is a necklace that is really hard to find. Every time it was disappointing news that they had planned to go back, but unexpectedly they had new hope.

"Huiqin, if God has mercy on me, then I will find my son."

"Don't worry, madam! I feel sure the young master will find it! "

Soon, that information was sent to Zhao Liya. Looking at the folder in front of her, Zhao Liya dare not open it. Because I'm afraid this time it's disappointing news.

"Huiqin, you can watch it for me."

Li Huiqin nodded and picked up the document to look like. However, this information shows that Tang Yixuan is the son of Tang Sinian and Bai Qian, and there is a detailed birth certificate of Tang Yixuan.

Seeing Li Huiqin's expression, Zhao Liya's heart is like being stabbed again. "No, isn't it?"

"Madam, this..." Since seeing Tang Yixuan that day, Li Huiqin has a strong premonition that he is the person they are looking for. Now when she sees this information with almost no loopholes, she always feels that it is wrong! And every time is so clear, it looks like a standard answer.

When she saw Tang Yixuan that day, she felt that he and his father had some imagination. Now look at the photos of him, Tang Si Nian and Bai Xi. I don't think they look like each other. Their temperament is totally different!

Zhao Liya wept bitterly. "Where the hell is my son?"

"Madam, let's not lose heart! My self-consciousness has always been quite accurate, so I think Tang Yixuan is a young master. The family mark is the best proof that someone else's arm will do it. " Li Huiqin comforted Zhao Liya.

Zhao Liya also cheered up when she heard Li Huiqin's words. "Well, you are right! We are related by blood, these are not so easy to break

"Madam, maybe we can find a chance to contact Tang Yixuan. If he has that necklace on his body, then he is the young master!" Li Huiqin continued. "Now there's something wrong with the downers, they definitely need an alliance, or it's an opportunity for us too!"

"Good!" Zhao Liya wiped away her tears. After so many years of waiting, how could she care about setting the time these days.

Seeing Xia Yunqiao's birthday is coming, Tang Yixuan is a little impatient. Bai Xi didn't nod her head until now. He didn't know how to explain to Xia Yunqiao. Thinking of this, I feel sorry for them.

Xu Nan walked into the office, "Mr. Tang, a lady wants to see you. He said he wanted to talk to you about a cooperation plan. "

"Madame?" Tang Yixuan then asked.

"Well, it seems to be overseas Chinese."

Tang Yixuan just spoke, Tang Si Nian called Tang Yixuan.

"Dad

The next second, Tang Yixuan's eyes lit up. "Really?"

"Well, I'll be right back."

Tang Yixuan finished the call and looked at Xu Nan and said, "you go and tell that lady that she will come back in a few days. I have something to go home now. "

Xu Nan nods and sees Tang Yixuan's expression. It seems that it is related to his marriage. "It seems to be a happy event?"

"Positive solution!" Tang Yixuan said with a smile. "My mother finally nodded. So I'm going home now.

"Xu Nan heard the news for Tang Yixuan happy, so many years of persistence finally have results.

"Congratulations, young master."

Thank you

Seeing Tang Yixuan leave in a hurry, Xu Nan can only help him deal with other things. Xu Nan went to the reception room, Zhao Liya immediately stood up. "What did president Tang say?"

"I'm really sorry, madam! Mr. Tang is busy these days. He says he wants you to come back in a few days.  
"

"So..."

Xu Nan, half past one, "yes!" Then Xu Nan handed her card to Zhao Liya. "Here's my business card. Next time my wife wants to come, she can call me in advance so that I can arrange for you to meet Mr. Tang."

Zhao Liya nods. "Yes, thank you."

She was disappointed again, but when Zhao Liya left, she happened to see Tang Yixuan in the parking lot.

Tang Yixuan soon drove away, Zhao Liya also came and said a word. Li Huiqin is right. The blood relationship is really continuous! She has a strong feeling for Tang Yixuan!

Zhao Liya looks at Tang Yixuan's car to leave, in the heart how much more steady some. Next, she has time to contact him. Now that she knows his situation, the next step is step by step. "My son, my mother has been looking for you very hard!"

Tang Yixuan called Xia Yunqiao in the car and said that Bai Xi finally nodded. Xia Yunqiao screamed at the news. "Really?"

"Really!"

"Great!"

"We will arrange time to go to city a as soon as possible." Tang Yixuan excitedly and Xia Yunqiao said.

"Well, I'll wait for you here!" Xia Yunqiao said with a smile.

### [Chapter 543](#)

City a.

Today is the day when the parents of the Tang family and Xia family meet to discuss the marriage of their children.

As the host of the Xia family, early in the morning to the appointed restaurant to prepare. In order not to be rude to guests, Xia yueqian chose the best restaurant in a city this time, or received the news from Tang Yixuan that day and made a reservation.

Early in the morning, the Xia family is busy. Yun Muxin prepared a lot of meeting gifts. After all, today she will meet a friend that she has not seen for many years. She is still a little excited.

When Xia yueqian enters the room, he sees cloud Muxin standing in front of the mirror in a daze. He slowly walks forward. "What are you thinking?"

"Are you back?" Yun Muxin asked. Xia yueqian went out to buy tea. It was said that Bai Qian liked to drink tea, so she went to prepare one.

Xia yueqian comes forward and pulls yunmu's hand. "You look a little nervous."

"Well!" Cloud Mu Xin nods. "Yes, very nervous. Because I haven't seen you for many years, I'm afraid it will be cold. " Last time Xia Yunqiao came back from C City and told Yun Muxin about it. Yun Muxin only knew that Tang Si Nian was Tang Yuze. No wonder there has been no news for so many years. It turns out that he changed his name, or that he used his original name.

Xia yueqian was able to understand the mood of Yun Mu Xin, "although all these years have passed, I will still be jealous. Mu Xin, you will not abandon me at this time

"It's hard to say." Yun Muxin said with a smile.

"You'd better not have such an idea, or I don't know what I'm going to do."

Yun Muxin just smiles, she knows that these are Xia yueqian's angry words. How could he give up! She knew it was not possible. The person she knew was Tang Yuze, not Tang Sinian.

Xia yueqian clenched cloud Mu Xin's hand, "we'll start when we're ready, or Xiao Qiao will be in a hurry."

"Well!"

On the way to the restaurant, Yun Muxin calls Huo Dongyang and asks if he wants to go together. Huo Dongyang said that he did not participate in today's affairs. He wanted to accompany his family well.

Cloud Mu Xin puts down the mobile phone, Xia yueqian knows Huo Dongyang's decision. "No more?"

"Yes! My aunt is back. So he doesn't want to go out. "

"That's understandable. He has been away from him for nearly two months. Now he is finally back. Huo Dongyang must want to accompany him! " Yuexia said with a smile.

Yun Muxin also understood, "I'm worried about the cold."

"Don't worry! Isn't there me? I'm going to see how hard that Bessie is Xia yueqian said it easily.

Yun Muxin questioned his words. "Forget it! You are not as charming as you were then, so don't try to be brave

At the door of the restaurant, Xia yueqian and Yun Muxin feel a little surprised. Because they saw Yun Yiyan and Huo yunnuan at the door of the restaurant. This combination really makes people feel strange!

Seeing Xia yueqian and Yun Muxin coming, Huo yunnuan waved to them. "Sister, brother-in-law, why are you so slow. My second brother and I have been waiting for a long time

Yun Yiyan has a calm face. From childhood to adulthood, Huo yunnuan has been taking advantage of her address. How can she say that she is of the same generation as herself.

"Second brother, not happy again?" Huo yunnuan said with a smile.

"I'd rather call my name! I'll be more comfortable Yun Yiyan replied.

Huo yunnuan shakes his head. "It's very impolite! If I press the relationship between you and my mother before, I will also call you dad, so my dad will not be happy! If according to the nominal relationship, you still want to call my father uncle! Now I'll give you a face and follow my sister to call you second brother

Yun Yiyan is too lazy to talk to Huo yunnuan, a girl. She is reasonable to say so. Yun Yiyan also did not suffer less losses, so he sulked and let her do the rest.

Yun Muxin and they are not surprised. They just wonder how they came here. "Why are you here?"

"I heard my father say that Tang family woman is not easy to deal with, so I came to have a look. In order not to be bullied by her in the future Huo yunnuan replied.

Yun Yiyan then said, "Molly, let me come and have a look, and I'm Xiao Qiao's brother-in-law, so I should come here."

"Let's go!" Xia yueqian certainly won't say anything.

When we arrived at the reserved box, we saw Xia Yunqiao sitting in it. It was obvious that the Tang family had not arrived yet.

Seeing Xia yueqian and their coming in, Xia Yunqiao stood up. "Auntie, uncle, why are you here?"

Huo yunnuan threw his bag casually and found a seat to sit down. "Of course I'm here to give you the courage."

Xia Yunqiao's eyelids jumped a few times, I wish she would make trouble. Huo yunnuan's heroic deeds in the past are really endless for days and nights. So Xia Yunqiao saw her coming and felt more suffering.

Yun Yiyan sat down with him. "It's almost the time of the appointment. Why haven't they come yet? There will be no change, will it?" Xia Yunqiao was nervous for a moment, and she was very dissatisfied with staring at Yun Yiyan, "uncle, do you say so?"

"What I'm saying is true. The status of the Tang family is higher than ours. You're the girl in a hurry to get married Yun Yiyan replied.

Xia Yunqiao was not convinced when he heard this. "Yixuan won't lie to me."

"Of course, before marriage, they are courteous, but not after marriage." What Yun Yiyan said was empathy.

Xia Yunqiao immediately counterattacked. "Uncle, if you are heard by your aunt, I don't think you need to go home today! And you see, neither father nor uncle is like this

Huo yunnuan continued. "Yes! My father and you are not on the way

Xia yueqian smiles and shakes his head, then makes everyone sit down and wait. Xia Yunqiao secretly went to the bathroom to call Tang Yixuan. There was no big problem, but if people didn't show up for a long time, it was a big problem.

Tang Yixuan seems to have lowered his voice and said that there are some small problems. It is estimated that he will arrive a little later. Xia Yunqiao heard this, and his heart thumped. "Did Auntie go back on her word?"

Now is really not a joke, their families are waiting! If not, she and Tang Yixuan don't have to talk about it. If this thing spreads out, it is also a blow to the Xia family.

Tang Yixuan is aware of Xia Yunqiao's situation at this time, and he immediately goes on to say: "there is no matter, but she seems to be a little acclimatized, just took the medicine. I want to give her a break in the past. "

"No big problem? Do you want to go to the hospital? "

"No! Just wait for us, please Tang Yixuan's tone sorry!

"Then I'll talk to mom and dad and they'll talk about it."

[Chapter 544](#)

Seeing Xia Yunqiao come back in bad spirits, others feel something happened.

Seeing that the appointed time is coming, the people of the Tang family still haven't come. This is obviously a problem.

"What's the matter with you, Little Joe?" Yun Muxin asked.

Xia Yunqiao did not answer, Huo yunnuan scrambled to speak first. "I think that woman of Tang family has put on airs."

Xia yueqian's face sank, and now the situation is obviously like this. This Bai Xi said yes before, but she came to Zhengge. She wanted to embarrass Xia family in a city, or to her daughter?!

Xia Yunqiao saw the family's face changed, she immediately explained: "no, Yixuan said that aunt's body is not very comfortable, so to delay some time."

"Joe, this is obviously an excuse." Huo yunnuan answers. "It's all on TV. How can you believe it foolishly!"

"Yixuan is not such a person!" Xia Yunqiao insisted.

Xia Yunqiao is waiting for Huo yunnuan, his eyes are all unconvinced. Huo yunnuan can't stand Xia Yunqiao's eyes. "What are you looking at me like this? Am I wrong? You are such a smart person, the heart must also be clear! Just not willing to accept this fact! I think it's your future mother-in-law who is deliberately giving you a look. I don't think you'll have a hard time in the future

Xia Yunqiao is very unconvinced, "so little aunt, where are you better than me? Don't look very understanding. You should also seriously find a man to fall in love and get married. Now it's a leftover woman! "

"You..." Huo yunnuan was stabbed by Xia Yunqiao and his mood became gloomy. "Little Joe, now it's about you!"

"And I care about you!" Xia Yunqiao replied.

"I don't want to get married. I have nothing to do with it! I am very good now. I can do what I should do. I don't know how good this life is! Why do you have to go to someone else's house to suffer? "

Xia Yunqiao also said that when he was pressed by Yun Mu Xin. "Then we'll wait."

Everyone waited for a long time, but the Tang family still didn't arrive. Xia yueqian's hands around the chest, fingers a little fidgety in the arm tapping rhythm. It seems to be getting impatient.

Yun Muxin looks at the time again. Half an hour has passed since the scheduled time. Will the people of the Tang family come?

Yun Yiyan did not speak, but took out his mobile phone to kill time. It seems that he has to wait.

Huo yunnuan felt hungry. "Brother in law, I'm hungry. Can you order something to eat first? "

"Are you hungry?" Xia yueqian put down his arm and asked.

"Well, I didn't eat breakfast? For the sake of Joe's happiness, I came out early in the morning Huo yunnuan is good at timing.

Hear Huo yunnuan hungry, Xia yueqian immediately let people take some snacks to let Huo yunnuan eat first. This young lady is really not good to offend, lest she go back to her father and read a copy in front of her father, then Huo Dongyang will come again to greet him.

Xia Yunqiao whole Du mouth watching Huo Yun warm eat, she is now a little appetite. Tang Yixuan there is still no news. There won't really be anything else? Xia Yunqiao wants to call Tang Yixuan again, but he is stopped by Xia yueqian: "Xiao Qiao, don't call. What will come will always come! "

Xia yueqian didn't say the following sentence, but Xia Yunqiao was clear. If Bessie doesn't want to come, it's no use demanding!

Xia Yunqiao lowers his head and stares at the mobile phone, hoping that Tang Yixuan can come to the news. Only in this way can you rest assured! Otherwise, she will have a lot of thoughts. Just now Huo yunnuan's words are playing back in my ears.

At this time, Yun Yiyan's mobile phone rings. Yun Yiyan picked up his mobile phone and went out to pick it up.

"Hello, what's the matter?" Yun Yiyan immediately asked.

"Is Xiaowen with you Qiao Wei's voice came from the other end of the phone.

Yun Yiyan went to the corner of the corridor to answer. "Yes, follow me."

"Then please tell her to go home as soon as she's finished. That wench estimates is worried that I and East Yang call her unexpectedly set the shielding. " Qiao Wei also explained why he wanted to call Yun Yiyan.

Yun Yiyan chuckles. "It does look like her style! But we don't think it will end so soon. "

Qiao Wei heard that and immediately asked, "the people of the Tang family made a lot of demands?"

"No! Their Tang family are really famous! Up to now, it has not appeared. My elder brother and Mu Xin's faces are very bad! " Yun Yiyan replied. "Now the most aggrieved is little Joe's girl!"

"No? I thought you were about to finish, so I wanted to call you at this time. Did they say why? "

"That Mrs. Tang is not feeling well. Be late Yun Yiyan then replied. "But I think it's the woman Bessie who wants to give us a bad hand! I really don't know the situation! "

After hearing the news, Qiao Wei didn't speak for a long time.

"It's OK. I'll hang up first.""If you have any news, please tell me. Dongyang and I can find a way."

"Well!"

Yun Yiyan put away his mobile phone and went back to his room again.

It can be said that there is low air pressure in the room. Everyone's face is not good. Yun Yiyan frowned. "It's going to be an hour soon. If they don't come. We'll eat our own food. Don't wait. "

They have been to nearly two hours, waiting for the Tang family for an hour. There's no point in continuing to sit down. Everyone is not idle! The work in the afternoon has been arranged.

Xia yueqian takes a look at Xia Yunqiao. "Xiao Qiao, ask Tang Yixuan. If you really can't come, make another appointment. "

Xia Yunqiao thought of going out with grievance in his heart. Tang Yixuan called, and Xia yueqian went on to say, "it's here to call, and there's nothing you can't see."

"Dad..."

"Fight!" Xia yueqian is a non-negotiable expression.

Xia Yunqiao took out his mobile phone to call Tang Yixuan, but Tang Yixuan's call was not answered.

"No answer?" Huo yunnuan saw Xia Yunqiao's expression clearly.

Xia Yunqiao put down his mobile phone. "Dad, let's wait! I don't think Yixuan will cheat me

Cloud Mu Xin see the appearance of her daughter, in the heart is not good. "The more modest we are, the more we wait."

"Then wait for half an hour. If they don't come, we really won't wait." Xia yueqian's words are also like an ultimatum.

Xia Yunqiao clenched her mobile phone, and her heart was more worried about what happened to Tang Yixuan. Maybe it's really Bai Xi's physical discomfort. She heard Tang Yixuan say before that Bai Xi's health has never been very good.

## [Chapter 545](#)

In a hotel room.

Tang Yixuan and Tang Sinian are both standing in front of the bed, while Bai Xi is lying on the bed with her back to them. It seems that she has a temper.

Bessie got up well in the morning, but when she was about to leave, she slowed down and looked as if she didn't want to go out. The result was Tang Si Nian said a few words, she is really angry!

Originally, she didn't want to come to C City, but she nodded with a soft heart because of the good words she said to herself for a few days. Thinking of meeting the people of Xia family, I still don't agree with Tang Yixuan and Xia Yunqiao's marriage. Or she can say what she thinks when they meet. Anyway, if they can bear it, they are thinking about it. If they can't bear it, then it's just right. There's no need to talk about marriage!

But from the morning to just going out, Bai Qian saw that it was Tang Sinian and Tang Yixuan's expectations and nervousness. Especially when she saw Tang Sinian's glowing eyes, or because she was going to meet Yun Mu Xin, he was excited. At the thought of this, Bessie's heart was filled!

In addition, their father and son have been urging, which leads to Bessie even less willing to go out. Today, she will serve as a foil for the two of them. A person who wants to see his life is hard to give up,

and one who is anxious to see his future wife. And what are you? Even if she has no credit, she has a lot of hard work! At this time, they don't think about their own ideas at all.

So Bai Xi began to be negative. Tang Sinian said a few words when she slowed down. That tone to Bessie was to blame her! So, Bessie's mind was out of balance.

Later, Tang Yixuan also came to urge her. All the anger in her heart came out. Their father and son have their own goals today, and they are redundant. So I said a few heavy words casually. With Tang Si Nian's tone becoming heavier, he spoke to her.

Now, Bessie's done! She lay down directly on the bed. Anyway, she is a redundant person.

Seeing Bai Xi like this, Tang Yixuan and Tang Sinian have no way. We can only wait for Bessie's anger to subside. As a result, no matter how many good things they said, Bessie always turned her back to them and said nothing.

Father and son are helpless, only their own heart is worried. Xia Yunqiao called, Tang Yixuan had to find an excuse to explain.

Tang Yixuan looked at the time, and the appointed time has passed an hour. Now you can imagine what Xia Yunqiao is like. Everyone doesn't like people who are late, and this time they come to talk about marriage. So they must be angry.

Tang Sinian sighs silently, Tang Yixuan's mobile phone is constantly shaking, he knows that Ken is Xia Yunqiao calling. With his past understanding of Xia yueqian and Yun Muxin, they should not wait any longer. Because they also have their pride.

Looking at Xia Yunqiao's nth call, Tang Sinian said: "Yixuan, you call Xia Yunqiao back. Just say we can't go today

Tang Yixuan looks shocked. "Dad! If we don't go today, do you think about the consequences? Don't say that Xiao Qiao's family will be angry, Huo Dongyang will be angry too! "

"But now we can't get out of the door!" Tang Si Nian's tone is also with helplessness.

Tang Yixuan looks at Bai Qian. "Mom, are you really not going out?"

"No!" Bessie answered again.

"Mom, you are forcing my father and I to a dead end. Is that what you want to see?" Tang Yixuan broke out. "Or you want to see my dad and me fall."

Bessie's hands gripped the sheet, and she bit her lips. These, of course, are not what she wants to see. Her whole life has paid so much for their two father and son, if they want them to fall down, then it is meaningless for her to live.

See Bai Qian still speechless, Tang Yixuan simply also said all the words. "Mom, we are a family! Why don't you believe me and dad? Did we do something wrong? "

"You have other women in your heart!" Bessie replied.

"In my heart and dad's heart, you have always been that important person!" Tang Yixuan continued.

When Bessie heard this, she sat up immediately. Because that's the funniest thing she's ever heard. "I am your most important person? Since I'm so important, one of you is thinking about your former girlfriend, and the other is thinking of marrying a wife?! That's really funny

"Mom, just because you are our most important person, we think you know us and understand us best! Dad didn't do something sorry for you. You should know what he did to you these years. Father and Little Joe's mother are not what you think

"No? He can't wait today! This is what I saw. " Bessie felt sad when she said it.

"Really?" Tang Yixuan asked. "If you have a good friend you haven't seen for more than 20 years, what kind of mood would you feel? Today, dad must go with you, in fact, to let you know what happened then! If he really had something with Joe's mother, would he have to? Maybe he will go by himself and won't tell you at all! ""I..." Bessie felt a pause. Tang Yixuan's words seem to be very reasonable.

"Mom, all the people are waiting for you now!" Tang Yixuan continued. "If Dad and I don't think you're important, what are we doing here! We should be there early in the morning! "

Bessie opened her mouth, as if to realize that she was wrong. Then Bessie looked at Tang Sinian and went out to the balcony.

Tang Yixuan saw Tang Si Nian go out. He looked back at Bai Xi and said, "Mom, if you keep going on like this, maybe dad will change his mind! You should remember what Huo Dongyang said that day. If my father is divorced now and goes to look for him, maybe he can find a woman as old as Joe! "

"He dares!" Bessie was nervous.

"If you continue to behave like this, you really can't tell." Tang Yixuan replied. Then he whispered to Bessie, "Huo Dongyang didn't say those words out of nothing last time. I think he would say that only when he was elected."

Bessie frowned, of course, with a sense of crisis in her heart. Now there are really many young and old couples. If Tang Sinian really listened to Huo Dongyang's words, then he had nothing in the end, and at most he got a sum of money!

"All right. It's just a cloud! If I don't go, I really think I'm afraid of her! " Bessie got out of bed and began to wash. She is going to see what is good about Yun Mu Xin, who can let Tang Si Nian hide in her heart for so many years.

See Bai Qian action, Tang Yixuan immediately told Tang Si Nian, and also quickly called Xia Yunqiao.

#### [Chapter 546](#)

The atmosphere in the counter room of the restaurant is still very low.

All of a sudden, Xia Yunqiao's mobile phone rings. When she sees Tang Yixuan calling, her eyes light up.

Seeing Xia Yunqiao's change, Yun Yiyao took a look. The call came in time. It seems that they still have to wait a little longer.

Xia Yunqiao picked it up immediately. "Yixuan, how is your aunt?"

"Really?" Xia Yunqiao hears Tang Yixuan's news, the spirit also follows. "OK, I see."

Xia yueqian saw Xia Yunqiao put down his mobile phone and then asked, "what did Tang Yixuan say?"

"They are ready to go." Xia Yunqiao replied with a smile.

"If you look like this, you will know that you are not promising!" Huo yunnuan vomited badly. "It's up to you! That Mrs. Tang is certainly not an easy character to deal with. You should pay attention to it yourself! Don't blame us for not reminding you now! "

Cloud Mu Xin heard Huo Yun warm words, in the heart can not help but worry about his daughter. She didn't get along with her mother-in-law, so she couldn't teach Xia Yunqiao about this.

"Auntie, thank you for reminding me. I will certainly remember it!" Xia Yunqiao replied.

Xia yueqian took a look, it is estimated that Tang Si Nian and Tang Yixuan got the woman done. It took a long time. Before that, he had heard Huo Dongyang mention the woman named Bessie. I feel a little sympathy for her when I hear about her, but what she does today makes people feel speechless. Huo yunnuan's words are not wrong. If Xiao Qiao really marries in the future, his life will certainly not be easy.

Cloud Yiyao looked at his elder brother's face and worried. He said, "brother, let people prepare to serve the food! They shouldn't be coming from there for a long time

"Good!" Xia yueqian immediately asked the waiter to prepare.

Yun Muxin took a deep breath. She told herself in her heart that she must be calm when she sees Tang Si Nian. He has not had an easy time these years. All of a sudden, Xia yueqian's hand covers Yun Muxin's hand. Yun Muxin looks at him and nods. Yes, she is always accompanied by Xia yueqian.

Fifteen minutes later, the waiter came and said that the Xia family had arrived.

Xia Yunqiao stood up and wanted to go out to meet him, but was stopped by Xia yueqian. "Sit down, Little Joe. They have feet and they come up on their own. "

"Dad..."

"Be obedient." Xia Yunqiao has some grievances in his heart.

Huo yunnuan thumbs up to Xia yueqian. "Brother in law, handsome!"

Xia Yunqiao had to lower his head and sit quietly, who let her be the smallest. Already arrived at this time, Xia Yunqiao does not want to have what kind of change again.

After a while, they heard footsteps outside the door. It looks like it's coming. Everyone is ready.

The next minute, the door of the room was knocked, and the service staff pushed the door in.

Tang Yixuan is in the front, and Tang Sinian and Bai Qian are in the back. Xia yueqian stood up slowly when he saw them coming in.

Tang Yixuan was dressed in a black suit. He was very formal at a glance, which also showed the importance he attached to the meeting. Tang Sinian was also wearing a dark suit, and she was in a dark blue dress.

All three of them are dressed in dark colors today, which makes them look stable. But with Xia Yunchao they formed a contrast, Xia family this side is all light color department kind is given priority to, so look to have spirit and vitality.

As soon as Bai Xi entered the door, she took Tang Si Nian in her arms, more like telling others her own identity. Her eyes were slightly cold and gave a cold look to the people present. Seeing them all standing up, I know that their family has a good hospitality. After waiting for such a long time, I can't help but admire you!

Finally, Bai Qian's eyes are on Yun Mu Xin's body. It seems that the woman in the off white windbreaker is Yun Muxin. There are still some differences between her now and the photos. Women can't bear the time and time wasted. Although there were some changes in her appearance, there was no change in her verve.

I didn't expect that many of them came to the summer family today, but they didn't see Huo Dongyang. This is a bit surprising.

Yun Muxin also noticed that Bai Qian's eyes fell on her body, and she raised her eyes to look at Bai Qian. However, the eyes are much more gentle. Yun Mu Xin is not dissatisfied with Bai Xi, but just thanks. Thank you for being with Tang Si Nian for so many years.

Bai Qian's eyebrows wrinkled slightly. Yun Mu Xin's eyes are not right! This is totally different from what you think, or do you really have a misunderstanding of what happened then? When Bessie was not clear, Tang Sinian took her forward.

Xia yueqian saw them coming. He specially looked at Tang Sinian. His temperament was quite different. If it wasn't for this face, or he didn't dare to recognize that Tang Sinian in front of him was Tang Yuze at that time. Because Tang Yuze is more thoughtful than Tang Sinian, now he has no original fighting spirit.

Tang Yixuan realized that the atmosphere seemed awkward, and he immediately opened his mouth to introduce.

"Uncle Xia, this is my father Tang Si Nian. Dad, this is little Joe's father" Tang Sinian held out his hand and said, "Hello, Mr. Xia! I'm sorry to have kept you waiting. My wife is not feeling well

Hearing Tang's explanation, Xia yueqian reached out to hold Tang's hand and said, "Hello, Mr. Tang!"

"This is my mother." Tang Yixuan continued.

Xia yueqian nodded at Bai Xi. "Hello, Mrs. Tang! Are you feeling better? "

Bessie nodded. "Thank you for your concern. It's much better."

"Sit down, please." Xia yueqian said.

Tang Sinian helped Bai Xi to sit down. If you don't know how they get along with each other, they will feel that they are a loving couple! Bessie enjoyed such treatment, although acting, she wanted to show a deep affection with Tang Sinian in front of outsiders.

After sitting down, Tang Yixuan also introduced. "This is little Joe's mother."

At this time, Tang Si Nian went to see Yun Mu Xin. There is no special strong feelings, instead, it is light as water, the location of a head. They seemed to be the same as the first time they met. Tang Sinian first said, "Hello, madam Xia."

"Hello, Mr. Tang." Yun Muxin's reaction was not very enthusiastic. Because Yun Muxin knows that the person sitting opposite is not Tang Yuze at the beginning. He is just a person with the same face as Tang Yuze, but he is not him.

Yun Muxin finally understood what Huo Dongyang said that day. He was no longer Tang Yuze. Tang Yuze is really dead. Now this person is the year of Tang Si, who she never knew.

Bessie's brow frowned. The two were wrong! How to say is also an old acquaintance, should not be such a performance just right!

"Mrs. Xia, don't you and my husband know each other?"

#### [Chapter 547](#)

Bessie's words let the whole audience into an awkward atmosphere, all of a sudden everyone seemed to look at each other.

Tang Si Nian's face sank. He reached for Bai Xi's hand and refused to let her go on. Otherwise, it won't end soon.

Tang Yixuan's heart mentions the throat there, when comes clearly and mother said good, the result she still repents. "Mom, what's the matter with you?"

"Am I wrong?" When Bessie saw that every face of them was not very good, she knew that they must all know what had happened in those years, and they were really good at pretending. It's not tiring to pretend to have just met for the first time?

"Bessie!" Tang Sinian stopped her immediately.

Xia yueqian said at this time: "I feel that Mrs. Tang seems to have misunderstood something."

"Mr. Xia wants to cover up for his wife now?" So she went on.

Xia yueqian smiles. "There is nothing to hide from our past. It's just that I don't think it's very good for Mrs. Tang to tell Mr. Tang's affairs in front of outsiders like this! "

Bessie was stunned. She looked at the other people's expressions with the mood of watching the drama. Then she also saw Tang Sinian's disappointed eyes. She clenched her hand and felt bad. She didn't want to, but she couldn't control herself.

Tang Si Nian opened his mouth to rescue Bai Xi. "My wife doesn't feel well, so she talks a little bit aggressively."

"Physical discomfort can be understood, if it is a heart disease, then really myrrh treatment." Xia yueqian replied, as if he didn't want to care so much about Bai Xi.

Huo yunnuan can't help it. She is the kind of person who can't control her temper. "Madam Tang, what you said just now, if there is no evidence, is malicious slander. We can reserve the responsibility of investigating you."

Yun Yiyan takes a look at Huo yunnuan. She originally wanted to stop her, but she just thought of Bai Xi's words and simply let Huo yunnuan go. After all, it's not a bad thing to say these words from her mouth.

"Who are you?"

"I said Joe's family." Huo yunnuan replied.

"When the adults are talking, the children will interrupt." Bai Xi sees that Huo yunnuan's age is almost the same as Xia Yunqiao, so she actively classifies her. Maybe she is the daughter of the man sitting next to her.

Huo yunnuan listened to this, and suddenly he was excited. "I'm not a child."

"I didn't expect such children in the Xia family."

Tang Si Nian saw Huo yunnuan's blue gray eyes, and immediately knew who she was. That pair is really good inheritance Huo Dongyang's essence, but looks like Qiao Wei.

Huo yunnuan was immediately angry, and the Bai Xi was really difficult to do. She is now deeply worried about Xia Yunqiao's future. Sometimes, Xiao Qiao talks directly. When she meets such a mother-in-law, she is also drunk. How should she deal with it later!

"My name is Huo." Huo yunnuan doesn't want to let Bai Xi have the upper hand. "I'm Joe's elder."

"What!" Bessie didn't respond at all. This is Huo Dongyang's daughter?!

Yun Yiyan stopped Huo yunnuan from going on. "Little warm, don't be big or small. In any case, Mrs. Tang is your elder. "

"Second brother!" Huo Yun looks at Yun Yiyan warmly.

Seeing Huo Yun warm and quiet down, Yun Yiyan also introduced himself. "I'm Joe's uncle."

Hearing this, Bessie felt confused by their relationship. What and what is this?! What a mess! "Your relationship is messy enough!"

"How can it be chaotic? Anyway, we have a good relationship. " Yun Yiyan said with a smile.

Bessie was a little stunned. She was distracted from the previous topic by them, and now it seems that it is not good to mention it. The people of Xia family can really talk. It seems that these scheming must be more.

Xia yueqian stops when he sees something good. "I think everyone is hungry. Let's eat first."

The waiters began to serve the dishes one after another. Today, Xia yueqian ordered these dishes in advance, and every dish was the signboard of the restaurant. It can be seen that Xia yueqian made preparations for the meeting.

When eating, everyone did not eat, but eat quietly.

But Xia Yunqiao did not eat very well. She did not expect this to happen. What are we going to do now? This kind of atmosphere is really bad, if continues, certainly does not need to talk about today's marriage.

Xia Yunqiao secretly looked at Tang Yixuan, but Tang Yixuan also seemed helpless. Today, because of my mother, the scene has been and bad. If it goes on, will things get worse!

When she was about to eat, Bessie suddenly vomited. Tang Sinian immediately put down the dishes and chopsticks, "what's the matter?"

"This dish is a little greasy." Bessie replied.

Other people can't eat any more when they see this situation. The first outbreak was Huo Yunwen.

"Mrs. Tang, if you really don't agree with the marriage of Xiao Qiao and your son, just say so. You don't have to do so many tricks! "

"Little warm!" Yun Yiyan pulls her, but Huo Yun warms up and shakes off Yun Yiyan's hand. "Am I wrong! Mrs. Tang's posture is very good! Joe, we don't want to go home! You don't deserve to be a mother. Your son's happiness is all buried in your prejudice Bessie this time is really very uncomfortable, but she heard Huo yunnuan's words after the heart also with discomfort. "What do you say?"

"Am I wrong?" Huo yunnuan is not polite at all. "You'll surely get back for doing so!"

Bessie resisted her discomfort. "Will I have retribution? I don't think you're married, are you? So, of course, I don't understand the idea of being a wife and a mother. Why do you make such a fuss here? "

"Well, I don't understand! But the childish people who marry today are not as naive as I am. You'll only lose more! " Huo yunnuan continued. "Our little Joe is also very popular, your Tang family is nothing! There are many choices for us, and the prince of a certain country is in the candidates! "

Huo yunnuan's words make Tang Yixuan nervous. "What do you mean by that?"

"Don't you understand? In addition to my little Joe and you have that agreement, the prince of a country also has an agreement with Joe! My mother-in-law made this decision when Xiao Qiao was just born. Tang Yixuan is late in terms of time! "

Xia Yunqiao is also the first time to hear such a thing, she looked at her father and mother in disbelief.

"Father, mother, is that true? Why haven't I heard of it? "

Finally, Yun Muxin nodded. "There is one thing."

"Then why don't you tell me?" Xia Yunqiao is really the first two big now. There is such a reversal.

## [Chapter 548](#)

The unexpected news made the meal worse and worse.

Bessie sneered, "it's good to have such a good thing! So we don't have to talk about marriage. "

"Does Mrs. Tang think that's good?" Xia yueqian's face was calm, as if not affected by anything.

"Is it necessary for you to have another engagement?" The news made Bessie's health get better in an instant. It was a source of strength.

Xia yueqian smiles. "Mrs. Tang, of course we want that engagement to exist. It's a pity that the engagement has been broken. "

Xia Yunqiao and Tang Yixuan's mood is really like riding a roller coaster, instantly found hope. "What's going on here?"

"I'll talk about it later." Xia yueqian stood up. He looked at Tang Sinian and said, "Mr. Tang, you'd better take Mrs. Tang to the hospital. This is my advice as a doctor. "

With that, Xia yueqian looked at the time. "I think that's all for today."

"Dad Xia Yunqiao is nervous, so now the situation is not agree?!"

"Go home!" Xia yueqian opened his mouth.

Xia Yunqiao still wants to talk, but is pulled by Yun Mu Xin. "Little Joe, let's go home. Let's go

Yun Yiyan and Huo yunnuan stand up. Huo yunnuan looked at Tang Yixuan, "Tang Yixuan, send your mother to see a doctor! There is a cold sweat on your forehead. Why do you hold on here? It will only make you feel uncomfortable

With that, Huo yunnuan stepped forward and left the room first, which was the most depressing meal he had ever had. Yun Yiyan also followed Huo yunnuan's back and went out first. Today, he opened his eyes. When he went back, he also had material to report to his wife!

Xia Yunqiao looks at Tang Yixuan. She has too much to say, but she knows it's not the time. "Yixuan, take good care of your aunt! Let's go back first! "

Tang Yixuan nodded, "Xiao Qiao, you have to wait for me!"

"Well!" Xia Yunqiao nodded.

"Take little Joe out and wait." Xia yueqian said to Yun Muxin.

Cloud Mu Xin nods, she also knows what Xia yueqian wants to do. "OK."

Xia yueqian saw cloud Muxin and they went out, he went to check the situation of Bai Xi. Bai Xi pushed Xia yueqian aside. "What are you going to do?"

"I don't think you're very well. I'd like to examine it for you." Xia yueqian replied.

"I don't care!" Bessie still insisted, but her stomach was really uncomfortable. Although she had the same situation before, this time it was much more serious than before. She felt that her stomach was burned by fire, even with colic.

Tang Si Nian saw that the situation of Bai Xi was wrong, so he reached out and pressed Bai Xi. "Xia yueqian, please check it for her."

Tang Yixuan see Bai Xi struggling to help also press. "Uncle Xia, please."

Xia yueqian reached out to press Bai Qian's stomach, "is it painful here?"

Bai Xi bit her lips, but she was silent. She had been trying hard not to answer Xia yueqian's questions.

Xia yueqian saw Bai Qian's stubborn look, "I have seen a lot of people like you. Do you want to know their final result? " Xia yueqian's hand pressed hard on Bai Qian's stomach, and Bai Xi couldn't help calling out.

Xia yueqian moved his hand slowly, and at the same time he noticed the change of Bai Xi's expression. "Do you often have pain before your stomach?"

"Yes Tang Sinian came back for Bessie. "She has never been very well. Previous doctors said it was because of poor resistance. "

"What were you taking before?" Xia yueqian then asked.

Tang Sinian told Xia yueqian the names of some medicines Bai Xi usually took. Xia yueqian frowned. "I still suggest going to the hospital for a detailed examination!"

Seeing Xia yueqian's brows wrinkled together, Tang Sinian nervously asked, "is it serious?"

"It's a bit serious, but it still needs to be checked carefully before we can judge." Xia yueqian gave an official answer.

"Si Nian, don't listen to his nonsense. I'm fine. "

Xia yueqian's expression was serious, "Madam Tang, I can't cure your heart disease. But you'd better not drag your stomach. If you still want to know the truth more than 20 years ago, I advise you to go to the hospital! "

With that, Xia yueqian turned around and went out.

Tang Yixuan calls Xu Nan and asks him to drive over immediately. Bai Xi presses Tang Yixuan's hand. "I'm fine! Don't make a fuss

"Bessie, this is not the time to be brave Tang Sinian believed in Xia yueqian's judgment.

"Si Nian, I..."

"Be obedient!" Tang Sinian said anxiously. "Xia yueqian would not say so casually."

The door of the restaurant.

Huo yunnuan is waiting for Xia yueqian to come out and go back together.

At this time, Xu Nan quickly stopped at the door of the restaurant. Xu Nan is in a hurry, so he doesn't notice Huo yunnuan standing on the roadside. As a result, he hit Huo yunnuan as soon as he opened the

door. Huo yunnuan called a step back, but he did not stand firm and sat down on the ground. However, she wore a short skirt today, so she was very honored to leave, and was also seen by Xu Nan.

When Huo yunnuan reacts, he screams. "Pervert, where are your eyes?"

Xu Nan was Huo Yun warm scream shock eardrum almost wear, "Miss, is everything ok?"

"Your whole family is miss!" Huo yunnuan pulled off his skirt and then stood up. She glared at Xu Nan with angry eyes. "Say, what did you see just now?"

Xu Nan has a headache. This woman's business is trouble. He can't say that he really saw everything just now! "I didn't see it!"

"You lie!" Huo yunnuan retorts, he just that look in the eye is clearly all see.

"I don't have one!" Xu Nan is anxious to meet Tang Yixuan, and obviously does not want to continue to entangle with Huo yunnuan.

Huo yunnuan reached for Xu Nan's collar. "You'd better pretend for me?! Is it a man or not? "

"Miss, why don't you be reasonable? Does it have to be said? " Xu Nan said speechless, "since you must ask, I will tell you. I think your stockings are broken, and the underwear is... "

"Shut up!" Huo yunnuan's voice is more outstanding.

"What do you want me to do?" Xu Nan asked.

"Sorry!"

Xu Nan broke Huo Yun's warm hand with her hand. "Sorry! Is that all right? "

"Perfunctory!"

When Xu Nan didn't know what to do, Xia Yunqiao left the restaurant. She saw huoyun warm and Xu Nan, two people seem to have something happened.

"What's the matter?" Xia Yunqiao asked. *noVeLuSb.com*

"Little Joe, you're just in time! Help me call the police! " Huo Yun said warmly.

Xia Yunqiao looked at Xu Nan that super helpless expression, and then asked Xu Nan, because at this time to ask Huo yunnuan is sure to ask nothing. "Xu Nan, what happened?"

## [Chapter 549](#)

Xu Nan saw Xia Yunqiao appear, as if he saw the rescue star.

"Miss Xia, this lady she..."

"Joe, you know this man!" Xu Nan's words were interrupted by huoyun warm without finishing.

Xiayunqiao nodded, and then introduced: "Xu Nan, assistant of Yixuan."

Huoyun warm immediately looked at Xu Nan again, "it was originally a Tang family, no wonder they were all virtuous. I will not let you go. "

Xiayunqiao looked at Xu Nan, "what did you do just now make my aunt so unhappy?" She knew that although huoyunwarm was not very good tempered, she was not unreasonable, and there must be something happened in the middle.

Xu Nan heard that xiayunqiao immediately responded to huoyun warm. It seems that this woman is Huo Dong Yang's daughter huoyun warm. Indeed, she is a big lady who can not be forgiven. So a comparison, really feel Xia Yunqiao is too much.

Xu Nan whispered a few words in the ear of xiayunqiao, and xiayunqiao laughed out with a puff. She looked at huoyun and gave a warm look, and then said to Xu Nan, "you go to busy first!"

"OK!"

Seeing Xia Yun Qiao let Xu Nan go, huoyun warm exclaimed: "Xiao Qiao, how did you let him go? My business has not been solved yet! "

"My dear aunt, Yixuan's mother is waiting to go to the hospital! Don't delay your business. " "Replied Xia.

Huoyunwarm heard Xia Yunqiao, it seems that the woman of Beth is really in trouble. "But my business always gives me a statement."

"Just now Xu Nan said he didn't see anything." Xia Yunqiao explained to Xu Nan. "I don't say you, don't go out in such a short skirt the next time, or it's really unexpected."

Huoyunwarm frowned. "Do you think you doubt my taste?! This is the latest in Uncle Mike! I am a spokesman who doesn't wear these clothes, so I feel sorry for the spokesperson. I'm going to tell Uncle Mike what you said just now, and let him not cooperate with you! "

"One yard is one yard." Xiayunqiao doesn't want to talk to Huo Yun warm.

At this time, Xia yueqian's car stopped by the side of the road.

"Two beautiful women got in the car." Xia yueqian said to xiayunqiao and huoyun warm.

Huoyun hum a warm voice, first get on the car. See Xia Yunqiao still do not get on the car, Xia yueqian can not help but open. "Joe, get in!"

Xia Yunqiao does not want to move, she uses that pair of eyes with solicitude to look at Xia yueqian, hoping to wait here for Tang Yixuan to come out. It was not a small thing to see bethy's expression just now.

"Get in!" Xia yueqian is serious. "Don't let me say it for a third time!"

The first time I saw my father, Xia Yunqiao was still obedient to get on the car, though he didn't want to. Today, everyone is not right, and I don't know what happened.

Seeing xiayunqiao close the door, Xia yueqian starts the engine immediately. As soon as the car was a little away, xiayunqiao saw Tang Yixuan coming out with Bai Xi. The whole person of xiayunqiao was lying on the window and looking at it, and his face was worried.

Huo Yun also followed Xia yueqian to learn some medical knowledge before, and she took back her eyes and asked Xia yueqian. "Brother in law, I think bethy seems to be in a serious situation?"

"If you see it, she's really serious." Xia yueqian returned.

"Cut, how can I learn from you, you have no confidence in your apprentice so much?" Huo Yun is warm and chuckling.

Xia yueqian drives carefully, but she is thinking about Bai Xi. Actually, Huo Yun warm said that Bai Xi's situation is more serious than expected. Now we need to see the results of the inspection.

Xia Yunqiao heard Huo Yun warm words, immediately put his head in front of huoyun warm, eyes fixed on her. The tone of the speech was eagerly. "What do you see, Auntie? "Let's hear it." Xia Yunqiao is not interested in medicine because she doesn't like the taste of the hospital.

At first, huoyun warm University, in addition to major in addition to the major or to apply for medical major, summer vacation will also follow Xia yueqian in the hospital internship, so accumulated some experience. She is a very quick tempered person, and she has been free to get used to it since he was a child. Xia yueqian thinks she is not suitable for a doctor, so huoyunwarm does not go to a doctor but chooses to be a professional tourism plan for her major.

But how is summer yueqian personally brought the student, huoyun warm words still have some convincing. Seeing the eager eyes of xiayunqiao, Huo Yun's warm body is back and he pulls away from him. "I don't have to be so close to know. I don't have a tendency in that respect. "

Xia Yunqiao takes back his head immediately. "I don't have it either."

"Little warm, you can tell me." Yunmuri joined the discussion. Just now that Xia yueqian was so nervous, she guessed that Beth was in a bad situation. But just now, when he asked Xia yueqian, he replied to himself that he would wait until the results of the examination came out.

Huoyunwarm looked at the two blinking eyes, making his heart with some tension. "I think bethy has a problem with her stomach."

"Stomach?"

"Well, I thought she was intentional at first, but she always pressed her stomach with her hand when she was talking to her, and her expression was getting more and more ugly, so I would speculate. I also observed that she didn't seem to eat greasy and spicy food at all, so I thought she couldn't bear it because of her stomach! And the dish she had finally sandwiched was really oily, but it was still sweet and spicy. "Hearing Huo yunnuan's analysis, Xia yueqian nodded slightly. As expected, he brought out the students. All these details were noticed. Good! Xia yueqian then added. "Bessie's stomach is very fragile. When I had an examination just now, I found that her stomach seemed to have a lump."

"Hard block?" Yun Muxin and Xia Yunqiao exclaimed.

Huo yunnuan's expression became serious. "Brother in law, do you suspect that she has cancer?"

"Preliminary judgment. So I asked Tang Sinian to take Bessie for an examination. " Xia yueqian replied.

This news let Xia Yunqiao instant white face, her eyes suddenly also lost look, lips slightly trembling. This shouldn't be true?! Xia Yunqiao did not dare to imagine the things behind, suddenly Xia Yunqiao felt that he and Tang Yixuan could not be married.

Yun Muxin clenched his hand. If it was confirmed, what should Tang Sinian do? Yun Muxin prayed in his heart, hoping that God would not be so cruel. Tang Sinian has experienced a lot of hardships, so don't let him go through these.

The atmosphere in the car suddenly became quiet.

Until Xia yueqian's mobile phone rings, all people have a response. Xia yueqian hands the mobile phone to Yun Muxin. "Take it!"

Yun Muxin saw the caller ID and immediately picked it up: "Hello!"

### [Chapter 550](#)

This phone call is Tang Yixuan, he is anxious to say that Bai Xi has fainted in pain.

Cloud Mu Xin a listen, immediately press hands-free. Tang Yixuan's voice came. "Uncle Xia, my mother has fainted with pain. What should I do now?"

Xia yueqian frowned. She didn't expect Bai Xi's situation to develop so fast, "accelerate to the hospital. She seems to have been in this situation for a long time. I've already arranged for the hospital. You can go there! "

Tang Yixuan immediately hung up. Xia Yunqiao worried and said, "Dad, is it really that serious?"

"Well, now I doubt that Bessie's health is something else." Xia yueqian replied. Otherwise, the speed will not be so fast. It seems that we have to check the drugs that Bessie took.

Yun Muxin said, "the more humble, you also go to help!"

"I will send you back, too."

"We're fine. You can drop us down anywhere you like." Cloud Mu Xin answers.

Huo yunnuan doesn't want to go home. Now he just gives himself a chance. "I'll go and have a look with my brother-in-law."

Xia yueqian pulled over and stopped. "You two take a taxi to Huo Dongyang." Only that place can let Xia yueqian go to work with ease.

"Well, don't worry." Yun Muxin closes the door.

Xia yueqian turns the direction to go back to the hospital in front of him. He sees that Xia yueqian's speed is faster than usual, and Yun Muxin's heart beats faster. He prays in his heart.

Xia Yunqiao is also anxious and worried, she grasps cloud Mu Xin's hand, "Mom, will nothing happen?"

"Trust your father!" Cloud Mu Xin answers.

Then Yun Muxin and Xia Yunqiao take a taxi to Jiangwan villa. In order to let Xia Yueqian have no worries, Yun Muxin will certainly not do something that worries him.

To Jiangwan villa, Qiao Wei was waiting at the door early in the morning. Seeing Yunmuxin and Xia Yunqiao getting off the bus, she immediately walked over.

"Didn't Xiao Nuan come back with you?" Asked Qiao Wei. It is estimated that the girl is careful that she will be scolded when she comes back, so she takes the opportunity to slip away. Qiao Wei now really does not know how to discipline this daughter, really more than when he was a child.

Cloud Mu Xin answers: "small warm follows more modest went to the hospital to help."

"Well, what does she know! Just don't make a mess of it Replied Jovi. "Go in and talk about it."

After entering the room, he saw Huo Dongyang answering the phone, his expression seemed to be serious. Seeing Yun Muxin and Xia Yunqiao come in, he replied. "When Mu Xin and Xiao Qiao arrive, you can rest assured and go to work."

"The more modest phone call?" Asked Yun Mu Xin.

Huo Dongyang nodded, "today is really chaotic!"

"Uncle, do you already know?" Cloud Mu Xin asks in a low voice.

"Yun Yiyan called me and said it." Huo Dongyang replied. "Little warm is making trouble for you! It's really a matter of speaking out! I'm really sorry. "

Cloud Mu Xin shakes his head, really don't mind Huo yunnuan saying that thing. To tell you the truth, what Bessie said today was ugly. "Nothing. It's just for us today

Xia Yunqiao heard Huo Dongyang and Yun Muxin mention that, of course, she should seize this opportunity to ask. "Mom, how can I have an engagement? And you never mentioned it. "

Huo Dongyang's hand holding the cup also moved. "It was a past event mentioned by my grandmother when she was there, but there were some accidents and I didn't mention it again."

Xia Yunqiao's eyelids puffed a few times, and every time his uncle said so lightly. She immediately asked, "I am the client, you should tell me!"

When Xia Yunqiao was born, Mary's friends came to visit her. At that time, Yun Muxin came home with Xia Yunqiao, who was just a full moon. As a result, the other party likes Xia Yunqiao and hopes that Xia Yunqiao can marry her grandson when she grows up.

Mary nodded excitedly at that time. But it soon got news that the friend's grandson had gone missing in an accident. Many of them failed to find their home, and after a year, they gave up the search and returned home with deep regret. So the engagement disappeared.

Xia Yunqiao frowned and listened to the story, feeling dog blood. "Then I can only say that I am not blessed to be the daughter-in-law of their family."

"That family is not something we can afford." Yun Muxin is glad to think about it now. Of course, my daughter didn't have the blessing to live with! If not for that accident, she might have watched Xia Yunqiao marry abroad a few years ago, and it would not be easy for her to meet.

Xia Yunqiao listened to feel puzzled, "that family is so powerful?"

"Really." Huo Dongyang nods. "Grandma's friend is the queen of F country."

This hour, suddenly let Xia Yunqiao stupefied. "Country f?"

Xia Yunqiao knows the country. It's an island country in the Pacific Ocean. But the economy is very developed, and the climate and environment are good. The development of the country can not do without the king's hard work! Recently, many people have gone to country f to develop and live. They all say that country f is the most suitable place for pension and living. "Yes Huo Dongyang nods. "If that child is still there, he will be the prince of F country."

"OMG!" Xia Yunqiao patted himself on the head. In the heart is all ha ha, according to so said, then oneself is not the princess?! The world is really amazing. But now these things have nothing to do with myself. Moreover, Xia Yunqiao has self-knowledge. She is not a princess. She can't be dignified in her life.

"I think God thought I didn't have that qualification, so he kicked me out." Xia Yunqiao said with embarrassment.

Yunmu reached out to hold Xia Yunqiao's hand. "So we certainly can't climb up."

Huo Dongyang narrowed his eyes slightly. If he didn't remember wrong, Xia Yunqiao did have the life to be a princess. But these so-called prophecies, they also listen to these people even if.

Soon, Xia yueqian called there.

"The more modest, how is the situation?" Cloud Mu Xin asks anxiously. After all, this is the big thing.

Xia yueqian didn't say a word there for a long time, which made Yun Muxin's heart thump for a moment. It seems that something really happened.

"Serious problem?" Yun Muxin then asked.

"Yes, it is. The second stage of gastric cancer Xia yueqian replied.

Cloud Mu Xin holds the hand of mobile phone to be stiff, how can be like this!? How can Tang Sinian accept this fact. "Are they OK?"

"I haven't told them yet." Xia yueqian said. "I got the inspection report ahead of time."

Looking at Yun Muxin put down his mobile phone, Xia Yunqiao nervously asked: "Mom, what's the situation?"

"Your father was right."
