

Warm Wife 551

[Chapter 551](#)

Xia Yunqiao listened to this, the cup in his hand fell on the ground instantly and broke.

How did this happen all of a sudden? How would Tang Yixuan accept the news? Xia Yunqiao's face followed by a white, heart suddenly pulled up. Now she is worried about Tang Yixuan.

Cloud Mu Xin sees Xia Yunqiao's appearance, the eyes also take worry equally. "Little Joe, are you all right?"

"Mom, I want to go to the hospital." Xia Yunqiao wants to be with Tang Yixuan. At this time, he must also need the support of others.

Huo Dongyang has different opinions. "I think you're still waiting here."

"Uncle!"

"Now you can't be of no help in the past." Huo Dongyang replied. "What's more, you two should calm down with each other today."

Xia Yunqiao lowered his head, and his eyes, usually with a look, became dim. When she saw Qiao Wei with a broom and a garbage shovel, she reached for it. "Auntie, I'll do it."

Qiao Wei see usually full of vitality girl at this time become dejected, she slightly swept Huo Dongyang one eye, eyes with some blame meaning. Huo Dongyang's eyebrows raised, as if he was also saying that he was not wrong.

Xia Yunqiao just broke the cup all deal with, took the garbage shovel to go out.

"Auntie, sit down!" Yun Muxin gives the position to Qiao Wei.

Qiao Wei followed and sat down, "did the little warm make you confused today?"

Yun Muxin shakes his head. "No, she knows what the occasion is today, and of course she knows convergence." How to say, today's Huo yunnuan is really astringent, otherwise she is not a simple mouth.

"You don't have to say anything nice about her. I know her better than you. I heard about it from Yun Yiyan before. It's really wrong for Xiaowen to say that

Huo Dongyang sighed silently. "These children have grown up unconsciously. It seems that they are not far away from marriage."

"Our daughter seems very difficult to get married." Qiao Wei couldn't help helping her forehead when she thought of it. Huo yunnuan could have done a good job when she was a child. As a result, she felt like she had failed.

Huo Dongyang heard Qiao Wei's words, and knew that she was now complaining about herself, blaming herself for spoiling her daughter since she was a child, so she will let her daughter become this way now. Then he said he had something to deal with, Huo Dongyang went to the study.

See Huo Dongyang this situation, Qiao Wei face with speechless. "Now use this excuse to avoid the problem!"

"In fact, uncle is good enough." Cloud Mu Xin answers. From her acquaintance with Huo Dongyang to now, she has seen all the efforts of Huo Dongyang. Although he is still cold in the eyes of outsiders, he has always been devoted to his family.

Qiao Wei took a look at Yun Mu Xin. "You'll say good things for him."

"Of course, this is my uncle."

After Qiao Wei chuckles, she suddenly reaches out to hold cloud Mu Xin's hand. "Mu Xin, I think it is necessary to tie the bell. Talk to Bessie when you have time

"Well, I know." Yun Muxin understands Qiao Wei's meaning. But now it seems that it is not suitable to find Bai Xi. Once Bai Qian's condition is made public, will she be calm? Yun Muxin doesn't know.

Hospitals.

Xia yueqian returns to his office with Bai Xi's inspection report. Tang Sinian and Tang Yixuan see Xia yueqian come back also to stand up.

"Xia yueqian, what's going on with Bessie?"

Xia yueqian went to his position and sat down, as if he was also organizing language. The inspection report in hand is like a hot potato, but now it's time to face it.

Tang Yixuan observed Xia yueqian's expression and guessed some in his heart. He looked nervous. "My mother's condition is really bad?"

"Yes Xia yueqian nodded. "Do you have any medical records of her before? I want to see it. "

Tang Si Nian replied, "Bai Xi's medical record is at home."

"Or can you ask the hospital over there to send me the medical records?" Xia yueqian continued. Because from his own judgment, Bessie's situation should not be so serious. Her stomach has accumulated over time, so Xia yueqian has a preliminary doubt.

According to Xia yueqian's request, Tang Sinian immediately asked the hospital of C city to send Bai Qian's medical records and medical records. "Xia yueqian, can you say it now?"

"Stomach cancer." Xia yueqian's eyes are staring at the computer, but he says these two words in his mouth.

Hearing these two words, Tang Sinian's face turned white. He put his hand on his heart and his eyes were at a loss. There is only one voice in my mind. How can this happen? How could Bessie come across such a thing?

Tang Yixuan's eyes are also shocked, he has always felt that his mother's body is a little poor, pay attention to recuperation will certainly be good. But now it is such a result, it is really hard to accept.

"Xia yueqian, are you sure?" Tang Si Nian asked once. "Yes. It's in the medium term. " Xia yueqian looks at Tang Si Nian and answers. "So I suggest that she be hospitalized right now."

Tang Si Nian hesitated for a while and then asked, "is that helpful?"

"I'm not sure now." Xia yueqian said truthfully. "This situation needs the cooperation of both of us. And I need to know what she was like before, so that I can get the right medicine this time. "

"What is the success rate of the operation?"

Xia yueqian put down all the work in his hands, "there is still salvation. If Bessie doesn't cooperate, it's hard to say. Now we can only use drugs to control it. After a few days of rest, we are conducting a detailed examination and analysis

At this time, Huo yunnuan knocked on the door. She changed her clothes and looked at her in a white coat. It was really hard for people to adapt.

"Brother in law, according to your order, I went to check which kind of medicine."

Xia yueqian nodded. "How's it going?"

"It's all nutritious drugs that regulate the body." Huo yunnuan replied. "It's not very harmful to the body. Now we can only take those drugs for analysis. "

Tang Yixuan heard here also had a general understanding. "You mean there's something wrong with that medicine?"

Huo yunnuan put down the documents in his hands. "Don't rule it out! Please bring the medicine your mother is taking now

Tang Yixuan immediately called Xu Nan and asked him to go back to the hotel to take all the medicines of Bai Xi. "What else do we need to do?"

Huo Yun warm hands around the chest, looking at Tang Yixuan again. "Let your angry mother restrain her temper, or she will die faster."

Hearing this dead word, Tang Si Nian's body trembled slightly. Is this really the case? Looking back on the past, I thought I was very bad to Bessie. My heart was filled with guilt.

Xia yueqian looked at Tang Sinian, and then said to Huo yunnuan and Tang Yixuan: "you go out for a while. I'll talk to Mr. Tang alone."

Huoyun warm Tang Yixuan nodded and walked out of Xia yueqian's office one after another.

[Chapter 552](#)

Standing in the corridor, Huo yunnuan looked at Tang Yixuan lightly, then he and she found a chair to sit down.

"You sit down, too. They shouldn't be over that fast." Huo yunnuan replied. "The past and Bessie are long enough for them to talk about."

Tang Yixuan today is the first time to see Huo yunnuan. The impression she gives to herself from the beginning of the wayward young lady's maturity is still unexpected. Tang Yixuan took a few steps and sat down opposite Huo yunnuan.

Huo yunnuan continued: "do you really want to marry Xiao Qiao?"

"Yes." Tang Yixuan replied.

"The answer is very straightforward." This is worth appreciating. "But for the time being, you and Joe should not get married."

The next second, Huo yunnuan heard Tang Yixuan clench fist hair joint sound. Huo yunnuan's blue gray eyes are actually to see a tolerant Tang Yixuan. She is not particularly good to Tang Yixuan, nor is she particularly bad. But standing on the side of Xia Yunqiao's relatives, she doesn't want to see Xia Yunqiao leave a city.

Tang Yixuan droops his eyes, no one knows what he is thinking at this time. Hearing the rapid footsteps at the other end of the corridor, Huo yunnuan raised his head and took a look. As a result, after seeing Xu Nan, he immediately stood up. I didn't expect to see you so soon!

Xu Nan's hasty steps also stop at the moment when Huo Yun is warm. His brow is frowning. How can this woman be here?! Seeing Huo yunnuan's expression, Xu Nan really doesn't want to go.

He tugged at the bag in his hand and wondered what to do with it?! But the young master of their family still has no reaction. I'm in a bit of a dilemma now. Do you want to go or not.

Huo yunnuan sees Xu Nan's intention. She walks forward a few steps and keeps her eyes on Xu Nan. "You want to run when you see me?"

"Miss Huo, I've already explained what happened before."

"Why do you want to get out of the way now that you've explained it?" Huo yunnuan stabbed Xu Nan directly. "My eyes are sharp!"

Xu Nan really admired a woman for the first time. No matter what, she looked reasonable. How could I meet her today?!

Huo yunnuan looked at the medicine in Xu Nan's hand, and thought of serious things. She grabbed Xu Nan's bag with one hand. "Is this Bessie's medicine?"

"Well, that's what brought city a this time." Xu Nan nodded.

"OK, give it to me." Huo yunnuan is ready to take these drugs to test. But Xu Nan Yi pulled the bag at once. "Here you are?"

Huo yunnuan nods. Seeing that Xu Nan is still unwilling to let go, she takes out her work permit from her white coat. After seeing Huo yunnuan's work permit, Xu Nan was stunned for a moment. She didn't expect that this woman would be a doctor. "It's not a fake certificate, is it?" Xu Nan how to see also feel that Huo yunnuan is not like a person, she remains skeptical.

Huo yunnuan rolled his eyes helplessly. "No? You go in and ask my brother-in-law. If you want to see your wife's accident, then continue to let go! I have been so magnanimous that I don't care about the things before you. Don't be so ignorant about the good or bad. If my brother or my father knows about this, I think your life will be like this! "

Xu Nan let go. Everyone knows that Huo yunxun and Huo Dongyang are powerful. This little sister is not so easy to be provoked. How can she look in a white coat is more reliable than that in a short skirt before.

Huo yunnuan left with that bag of medicine. Xu Nan walks to Tang Yixuan. "Young master, how is your wife?"

Tang Yixuan's face is full of fatigue, looks like. "Mom's condition is very bad, just now the examination came out and said it was gastric cancer." *NOVeLus&.com*

Xu Nan's eyes stare round, for such a result is really a big surprise. How could this happen? There should be no reason why it has suddenly become so serious.

"Young master, is this true?"

"Well." Tang Yixuan nodded his head. "Dad is in there."

Xu Nan sits down beside Tang Yixuan, trying to comfort Tang Yixuan. "Young master, now that the medical technology is so good, my wife will certainly be OK. You and the master don't need to worry about that. "

Tang Yixuan did not speak, his eyes suddenly fell on the door of Xia yueqian's office.

But Tang Sinian and Xia yueqian were silent all the time. Two people seem to have no topic at all. Tang Sinian is still pondering over Bai Xi's affairs. Xia yueqian seems not willing to interrupt him and let him slow down. So Xia yueqian is also doing his own things.

This situation lasted for half an hour. Tang Sinian moved his body. He looked at Xia yueqian with his eyes of what focal length. "Xia yueqian, I just want to ask, is Bai Qian still alive?"

"Yes!" Xia yueqian gave a positive answer. At the moment when he saw the relaxation of Tang Si Nian, he added a sentence to attack Tang Si Nian. "But for now, Bessie's body can't be operated on!"

Tang Sinian's eyes are enlarged. "What do you say?" "Bessie is in poor health. It's very risky to have such an operation." Xia yueqian told the truth as a doctor. "Of course, your wife's temper should not accept surgery here."

Tang Sinian knows Xia yueqian's ability. Such operation is not a big problem for him. The problem now is with Bessie. "Are you the chief surgeon in this operation?"

"I can do it." Xia yueqian replied. "It's also the safest thing to do. But now I have to be fully prepared. I doubt that Bessie's health has something to do with the drugs she often takes

Tang Si Nian was stunned, as if he thought of something. "You mean..."

"Tang Si Nian, maybe I can solve those strange rumors of your Tang family in the past." Xia yueqian replied.

"You..."

Xia yueqian looked at Tang Sinian with serious and serious eyes. "How about it? Don't believe it? "

Tang Sinian shakes his head. He just didn't expect that Xia yueqian would be willing to help himself. "Xia yueqian, thank you!"

Xia yueqian suddenly smiles. "For the sake of Tang Yuze, who was admiring me and me, I would try my best. Or in this way, you can be truly liberated from the cage of the Tang family. "

"It's a familiar name, as if it's a thing of last life." Tang Si Nian has also been a person in the study, countless memories of the past.

"Yes! He is a very important friend to us

"Xia yueqian, please help Bai Xi." Tang Sinian said sincerely. "I've been ashamed of her for so many years!"

Xia yueqian understood the situation of Tang Sinian these years, "don't worry about it!"

[Chapter 553](#)

Seeing Tang Sinian coming out of Xia yueqian's office, Tang Yixuan and Xu Nan immediately stood up.

"Dad, what's going on?"

"I'll see your mother first, and you'll go back first." Tang Sinian asked Tang Yixuan and Xu nan to go back first.

See Tang Si Nian that lonely back, Tang Yixuan's heart is not good. These years, they seldom quarrel, but this is their mode of getting along with each other. If Bai Xi is really in trouble, what should Tang Sinian do?

Xu Nan looks at Tang Yixuan. "Young master, let's go and see the lady, too." If Tang Yixuan can't say it, he will say it for him. And now even if they go back, they will think about this situation.

When we got to the ward, Bessie was still awake. Seeing her occasionally frowning brows, Tang Sinian's heart is also suffering, in fact, these pains should not have been borne by her. Tang Si Nian holds Bai Xi's hand. "I'm sorry!"

Tang Yixuan and Xu Nan did not go into the ward, but stood outside the door. Because they didn't want to ruin Tang Sinian's time alone with Bai Xi. Anyway, this time should belong to them.

In the evening, Xia Yunqiao came with a big bag of lunch boxes. She is an excuse to give Xia yueqian and Huo yunnuan a chance to send food to come and have a look.

Seeing that Xia yueqian and Huo yunnuan are still discussing Bai Qian's situation, she puts down her lunch box and goes to find Tang Yixuan. Far away, Xia Yunqiao saw Tang Yixuan sitting on the chair in the

rest area. Seeing such a man, he felt uncomfortable in his heart. She put her own pace to walk past, but did not go to Tang Yixuan in front of him was found.

Tang Yixuan is looking at Xia Yunqiao that moment, the eye has so little light. When it was Xia Yunqiao, his mouth also showed a faint smile. "Little Joe..."

After seeing Tang Yixuan reaching out to himself, Xia Yunqiao quickened his pace. She also stretched out her hand and held Tang Yixuan. Tang Yixuan instantly clenched Xia Yunqiao's hand, she appeared just right at this time, so that he was not alone.

Xia Yunqiao sat down beside Tang Yixuan, "are you ok?"

"I'll be fine when you come." Tang Yixuan said and put his head on Xia Yunqiao's shoulder. Xia Yunqiao sits upright and wants Tang Yixuan to lean on comfortably. "Aunt Yixuan will be OK." This is, after all, a close relative. Xia Yunqiao can manage Tang Yixuan's mood at the moment. And these things, she saw a lot since childhood.

When she was in primary school, her father was busy every day. At that time, after finishing her homework, she would follow her mother to deliver food to her father. Sometimes, Xia Yunqiao will see the families of patients crying, and even some people will kneel down and beg their father or other doctors to rescue their families.

Of course, there are also some people who are very indifferent. Some people will say that they don't want to rescue them for the sake of their family's money and let their families leave like this. Some will fight for property while their families are in the operating room.

These things are really many, Xia Yunqiao to say, but a few days and nights can not finish.

Tang Yixuan listened to Xia Yunqiao's words, and his head found a comfortable position on Xia Yunqiao's shoulder. He knew that Xia Yunqiao was comforting him. He didn't want to break the atmosphere, but continued to listen to Xia Yunqiao. He closed his eyes quietly.

It seems that as long as she is around, her own will be at ease. Xia Yunqiao thought Tang Yixuan was asleep. She called softly. "Yixuan, are you asleep?"

"Little Joe, don't worry about what my mother said today. No matter what happens, I will marry you" Tang Yixuan said firmly.

Xia Yunqiao smiles. "I thought you were asleep?" In fact, it is not important for her to get married. She just wants to be with Tang Yixuan and face these difficulties with him.

See Xia Yunqiao did not answer his question, Tang Yixuan sat up. "Why don't you answer?"

"What shall I answer?" Xia Yunqiao asked.

"Marriage." Tang Yixuan's eyebrows twisted. He did not forget the incident that Huo yunnuan blurted out today. Thinking of this, Tang Yixuan immediately grabbed Xia Yunqiao's hand. "Isn't that prince so good?"

Xia Yunqiao looked at Tang Yixuan, "do you mind? In fact, I don't know about it. "

"Of course I do!" Tang Yixuan said nervously. "I've been waiting for you for 20 years, and now I don't want to see you marry someone else. So no matter what prince he is, I will not let him take you away! "

Xia Yunqiao holds Tang Yixuan's hand. "I don't think it will happen."

"Really?"

"Well!" Xia Yunqiao nodded. "Unless you don't want to marry me."

Tang Yixuan reached out and took Xia Yunqiao into his arms. "Little Joe, the greatest fortune in my life is to meet you! I knew so many things would happen. I should have taken you away when I put a necklace on you 20 years ago

"Yes! A lot of things have happened Xia Yunqiao suddenly felt emotion. She turned around or met Tang Yixuan again. What kind of fate is this? Or does God have a plan already?!Tang Yixuan hugged Xia Yunqiao. "Little Joe, I'm a little worried."

"What are you worried about?"

"I'm afraid you and I can't be together." Tang Yixuan said what he was worried about. Now there are a lot of things in front of them, and there are many difficulties waiting for them. Can they really cross it together?

Xia Yunqiao felt Tang Yixuan's mood and said, "Yixuan, we will be together! Don't we have an appointment to see cherry blossom next year

"Little Joe, I love you!"

Xia Yunqiao's heart is warm, these three words contain Tang Yixuan's all feelings for himself. So for Tang Yixuan, she also wanted to do something to share his responsibility.

And this first task is to take care of Bai Xi. Xia Yunqiao gives all her work to Maggie to handle. She was in the hospital looking after Bessie. Tang Si Nian, they temporarily concealed the truth of Bai Xi, just told her that she had some small stomach problems, so they had to be hospitalized for observation for a few days. When Xia yueqian finds out the real cause of the disease, she tells Bai Qian.

Bessie looked at Xia Yunqiao, who appeared on time these two days, and felt uncomfortable.

"Why are you here again?"

"Auntie, I brought you something to eat." Xia Yunqiao replied.

Bai Xi said coldly: "I tell you, no matter what you do, I will not promise Yixuan and your marriage."

Xia Yunqiao knew that Bai Xi would say so, so she was prepared and didn't want to argue with her so much. She is Tang Yixuan's mother and is still a patient now. Xia Yunqiao can understand these. "Auntie, eat first! When you are full, you have the strength to say me! "

Bai Xi was stunned. She didn't know Xia Yunqiao would talk like this.

[Chapter 554](#)

Then Bessie saw Xia Yunqiao open the thermos bottle, and a smell soon spread out.

"What do you mean?" When Bai Qian smelled the fragrance, she knew that Xia Yunqiao had brought her favorite lean meat porridge.

"Food for you." Xia Yunqiao said with a smile. "I asked my father that porridge is the best if he has an upset stomach. Auntie, you can rest assured that this porridge is less oil and less salt. You see if it's good. "

Bessie's stomach is smelling such a delicious smell, has been playing drums for a long time. But because of face, Bessie had a stiff face. She continued to stare at Xia Yunqiao with that very cold expression. "Xia Yunqiao, don't think I will accept you if you don't pay attention to me like this! I'm here to tell you the truth, you and Yixuan can't be one day with me! "

Xia Yunqiao had done all the psychological construction before he came, but he still felt uncomfortable when he heard these words. The smile on his face also gradually disappeared, "Auntie, I don't understand why you always want to oppose us?"

"Because you are Yun Muxin's daughter." Bessie held on to it.

Xia Yunqiao did not speak, but gave Bai Xi the porridge well. She knew that Bessie had a knot in her heart, so no matter what she said, she would not change it easily. Xia Yunqiao chose silence, she put the porridge on the table, "Auntie, you drink some porridge! It's also good for your recovery

Bessie looked down at the bowl of steaming porridge and felt more hungry. But she endured, "Xia Yunqiao, you can't poison this porridge? In this way, if I die, you will have a chance to be with Yixuan. "

Xia Yunqiao frowned. "Auntie, there is absolutely no problem with this porridge."

"Well, I won't believe you!" Bessie had a cold face, and her eyes were full of hatred. "No one in your family is kind enough to keep me in the hospital, so you have other time to arrange the dirty things! In this way, you can let Tang Sinian and Yun Muxin meet. "

Listening to Bai Xi said more and more ridiculous, Xia Yunqiao felt aggrieved. The paranoia in Bessie's heart had reached a climax. It's not something that can be resolved in a word or two. Xia Yunqiao held his hand slightly. "Auntie, we have never thought of such a thing. And mom and uncle Tang are not like that. "

"Why not?" Bessie sneered. "They haven't seen each other for so many years. I think they're meeting somewhere now? You've trapped me here. I don't know what's going on outside

Xia Yunqiao listened to these words and wanted to refute Bai Xi. But think of her present situation, can only force oneself to hold back. Another is that she is still Tang Yixuan's mother. She is ill now, so her temper must be bad. Xia Yunqiao constantly finds reasons for Bai Xi, otherwise, she is worried that she will burst out soon.

Seeing Xia Yunqiao's forbearance, Bai Xi raises the corner of her mouth. "You don't have to bear it."

"Auntie, my mother is not what you said, and even if you don't believe us, you should always believe uncle Tang and Yixuan. They are your family!"

Bai Xi hears Xia Yunqiao mention Tang Si Nian and Tang Yixuan, her mood is a little out of control. "Shut up! Now they don't listen to me. A heart with your mother, a heart with you! And I am an outsider

"Auntie..." Xia Yunqiao also wanted to say, Bai Xi picked up the bowl of porridge and threw it directly at Xia Yunqiao.

Xia Yunqiao see, immediately avoid. But the bowl of porridge still blooms under Xia Yunqiao's feet. Xia Yunqiao's shoes inevitably suffer. Xia Yunqiao felt that she really couldn't communicate with Bai Xi, especially her current situation.

"Get out of here, I don't want to see you!" Bessie's stomach ached again because of her agitation. She pressed it with her own hand, and her face became ugly.

Found Bai Xi's situation, Xia Yunqiao went over and cared: "Auntie, what's the matter with you?"

Bai Xi looks at Xia Yunqiao, her heart is very angry, she reaches out to Xia Yunqiao directly a slap in the face.

"Pa" a sound, everything around seems to be quiet down.

Xia Yunqiao felt a burst of hot on her face, she was staring at Bai Xi.

Bessie's hands were burning like fire, and there was pain in her hands. She slowly raised her head and saw a palm print on Xia Yunqiao's white and smooth face. "I..."

Xia Yunqiao's tears were in her eyes. She was really caught off guard just now. She also saw Bessie with flustered eyes, "Auntie, you..."

Bai Xi pushed away Xia Yunqiao and said, "go away!"

Xia Yunqiao was pushed by Bai Xi, and the whole person stepped back a few steps. Her feet just stepped on the bowls that had been broken on the ground just now. The pieces quickly passed through the flat shoes and into Xia Yunqiao's feet.

Xia Yunqiao's tears flow out in an instant, which is really painful. Whether on the face or feet, but the most painful place is the heart. "Auntie, why are you doing this? It's even worse for you

Bessie's forehead was cold and sweaty. Her face was pale and pale. She put her hand on her stomach. Her expression was very sad, but her mouth was still unforgiving. "Xia Yunqiao, how many times will you understand! Get out of here now! I don't need your hypocrisy hereXia Yun Qiao moved his feet, but there was no way to move, as if numb in general. When he was at a loss, Xia Yunqiao was held up.

All of a sudden, after the turn of the earth, Xia Yunqiao saw that the person holding himself up was Qin Zichen. "Brother Zichen..."

Qin Zichen's face was angry, but his voice was still the same as usual. "Little Joe, what are you doing?"

Hearing Qin Zichen's words, Xia Yunqiao's tears couldn't stop flowing. She buried her head on Qin Zichen's shoulder, and she didn't want people to see her vulnerable side.

Qin Zichen sighed helplessly. He looked back at Bai Xi. "Mrs. Tang, my little Joe is very kind. You don't have to hurt her if you don't accept it. It's hard for you to do that. "

With that, Qin Zichen left with Xia Yunqiao in his arms. Just walk to the door to see Tang Yixuan and Tang Si Nian.

"Little Joe!" Tang Yixuan sees Qin Zichen holding Xia Yunqiao out, and Xia Yunqiao is very quiet. She nests in Qin Zichen's arms. She doesn't even respond to her own call. Her heart suddenly trembles.

Qin Zichen ignored Tang Yixuan. He was holding Xia Yunqiao to go.

"Wait a minute!" Tang Yixuan stops Qin Zichen.

Qin Zichen was originally with anger, which was stopped by Tang Yixuan, and his anger came out again.

"Tang Yixuan, that's enough! Little Joe is not your maid! Your mother's business, you go to serve yourself

With that, Qin Zichen left with Xia Yunqiao in his arms.

[Chapter 555](#)

Looking at Qin Zichen holding Xia Yunqiao left, Tang Yixuan just looked back at the ward.

When he saw the debris on the ground, Tang Yixuan's pupils were instantly enlarged, because those fragments were stained with a little red, which was blood. Tang Yixuan walked into the room three or two steps, and then asked Bai Qian, "Mom, what did you do to Xiao Qiao?"

But at this time Bai Qian because of the pain dead and alive, there is no way to answer Tang Yixuan. Her whole head was almost on the bed as if she were going to die in the next second. Tang Si Nian came to see the situation. "What do you think, Bessie?"

Bessie stretched out her trembling hand and grasped Tang Si Nian's arm, and her voice was mute. She wanted to talk, but she had no strength at all. Her face was full of pain and helplessness. When Tang Sinian saw her appearance, his heart seemed to be stabbed by something. "Is it a stomachache?"

Tang Si Nian immediately pressed the bell at the head of the bed, "we need help here!"

After a while, the doctors and nurses came in a hurry. The doctor checked it and immediately said to the nurse, "inform Professor Xia."

"Yes

Tang Sinian saw the doctor and nurse's appearance tense. He held Bai Xi in his arms and murmured in his mouth: "Bai Xi, don't worry, it will be OK!"

Although Bessie was hard, she felt Tang Sinian's concern for herself at this time. She's holding on to don's arm with your other hand, and that's all she wants.

"Si Nian, I I don't want to Death... " Bessie felt that she could not just go down after all these years.

"Don't talk. You'll be all right. "

After a while, Xia yueqian came. He checked for Bessie at once.

When Tang Sinian wants to know what is going on, Xia yueqian asks him to leave the ward.

Looking at the closed ward door, Tang Si Nian's heart is very worried. Bai Xi's situation seems to be getting more and more serious. It seems that Xia yueqian's situation has already appeared. If it goes on like this, Bessie will not be able to wait for the operation.

Tang Yixuan sits aside, thinking about the picture of Qin Zichen holding Xia Yunqiao away just now. Yes, his opponent has never been what Chu Zifeng, and should Qin Zichen, this is the most worrying. Just now Xia Yunqiao was so quiet in Qin Zichen's arms that he didn't even look up at himself. Thinking of this, Tang Yixuan has a sense of crisis.

In the end, before they came, what did mother do to Xia Yunqiao to let Qin Zichen say such words. What's the matter with the debris on the ground? It seems that her mother must have said something, thinking of these, Tang Yixuan's heart is all anxious.

The door of the ward opened and Xia yueqian came out. Tang Si Nian goes forward: "how about?"

Xia yueqian took off his mask. "I've given her an injection to relieve pain. She's much better now. She's going faster than I expected, so I'm afraid the worst will happen

"Xia yueqian, you must try to save Bai Xi!" Tang Sinian holds Xia yueqian's arm.

"Saving people is the doctor's duty, but I want to explain one thing, that is, the patients should cooperate! She is now like a hedgehog, not to mention controlling her physical condition, not to mention her emotions! Not being able to maintain a happy mood is the biggest taboo. "

When Xia yueqian finished these words, he couldn't help saying another. "Little Joe just wanted to let Bessie have porridge today, but she didn't appreciate it! Why is it necessary to say so many hurtful words? "

Tang Yixuan walks to Xia yueqian. "Is Joe hurt?"

"The foot was hit by the pieces. Little warm is dealing with her Xia yueqian replied.

"I'm sorry!" Tang Yixuan lowered his head.

Xia yueqian pats Tang Yixuan on the shoulder. "Nothing! You take good care of her. It's also a good thing for her to let go of her heart as soon as possible. "

"Uncle, I want to see little Joe."

"Take good care of your mother. There are Zichen and xiaonuan over there." With that, Xia yueqian left first.

Tang Sinian looks sorry at his son, but also knows that Tang Yixuan is worried about Xia Yunqiao. "Go and see little Joe. I'm here."

Tang Yixuan hesitated to answer. "Dad, I'll be back soon."

"Say sorry to Little Joe!"

"Well!"

Tang Yixuan asked the nurse to know that Xia Yunqiao was in Xia yueqian's lounge. He was in a hurry. It seemed that he should have been hurt seriously.

To Xia yueqian's lounge outside, Tang Yixuan heard the voice inside. It's Huo Yun who warms Qin Zichen and Xia Yunqiao. Can't help but say that just now, Tang Yixuan stopped at the door.

"What do you think?" Huo yunnuan asked. "If it hurts, say it."

"Auntie, I'm fine." Xia Yunqiao replied.

Huo yunnuan sighed, "Xiao Qiao, I'm not talking about you. At this time, you don't want to stimulate that Bessie. That woman is a madman and can do anything

"This time it was just an accident. In fact, it's because I spoke too much just now that she did that Xia Yunqiao replied in a low voice. "In fact, I want to take care of her, so as to reduce the burden of Yixuan." At this time, Qin Zichen continued to speak. "Xiao Qiao, that Tang Yixuan is really so good. It's worth paying for him like this?! You're not married to him now, and you really don't have to do that. "

"Well!" Huo yunnuan agrees. "This time, I'm on Qin Zichen's side! You're suffering. Joe, if you can, I'd like to advise you to give up. Even though you and Tang Yixuan have a lot of fate, it's not worth it. Do you understand? "

Xia Yunqiao did not answer Huo yunnuan's words, but said a word. "Auntie, be gentle."

"Now you know the pain?" Huo yunnuan said without good breath.

Qin Zichen went on to say: "your face should also be covered with ice. Now it's swollen. Bessie has a heavy hand

Huo yunnuan seemed to touch Xia Yunqiao, "a good face, now it's all like it. What do you mean, Joe! You haven't married Tang Yixuan yet. That's what the woman did to you. If you really marry Tang Yixuan, I think you have a hard time! "

"Don't move." Qin Zichen stopped Xia Yunqiao.

"Itching!"

"Bear with me." Huo yunnuan replied. "If you want another face."

Tang Yixuan heard these words, and immediately understood why Xia Yunqiao had not raised his head just now. Originally she was slapped by her mother, listening to Xia Yunqiao endure pain, Tang Yixuan's heart followed by pain.

Tang Yixuan suddenly felt that he was useless and failed to protect his beloved woman.

"Well, take a rest. I went out first. " Huo yunnuan packed things and came out. When she saw Tang Yixuan, she did not make a statement, but made a gesture to let Tang Yixuan follow her.

[Chapter 556](#)

To the empty corridor, Huo yunnuan stopped, she looked back at Tang Yixuan. And that one glance brought too much dissatisfaction.

Tang Yixuan understood the meaning of Huo yunnuan, "I'm sorry!"

"Tang Yixuan, tell me the truth. I really don't want Joe to marry you Huo yunnuan said directly.

"I know." Tang Yixuan understood all these things.

"You know?" Huo yunnuan face with disdain, she really do not know Tang Yixuan is really know or false know. But Huo yunnuan really has some things to worry about. She went to one side and sat down, her long legs resting at random. "Tang Yixuan, give up Xiao Qiao! Fate is no match for reality. "

In this way, Tang Yixuan was struck by lightning as well, "why?"

Huo yunnuan did not go to see Tang Yixuan, her eyes fell in front of a point. Huo yunnuan said to Tang Yixuan calmly this time: "you and Xiao Qiao have too many obstacles. If you want to cross over, you will be very tired! Take your mother as an example. You haven't lived together yet. If in the future, will it not be full of blood? "

"Your mother's temper is really unbearable." Huo yunnuan continued. "Little Joe is also a straight talker. I think she will bear it for you. But after a long time of tolerance, conflicts are more easily aroused. That's how your mother got sick! I don't want Joe to go the same way. "

"I'll take care of it." Tang Yixuan spoke.

Huo Yun warm smile, and this smile is with doubt. "You can't get rid of everything in the Tang family. Do you understand? Your father and your mother are an example. Do you want to hurt Little Joe

Tang Yixuan clenched his fist, and from the sound of the joints, we can know how much strength Tang Yixuan used. "If you really love Joe, you should let go of Joe."

"Sorry! I can't do it! " Tang Yixuan refused. "If you love someone, you should be with her, face difficulties together, and share happiness together! I've been waiting for Joe for so many years, I won't give up! "

Huo yunnuan hears Tang Yixuan's words, can't help but also some shock, did not expect him to insist so. "Your love will become a burden to Little Joe, you will hurt her!"

"I will use my whole life to protect little Joe!" Tang Yixuan made his promise.

"You..."

A burst of applause interrupted Huo yunnuan's words, and then they saw Huo Dongyang and Qiao Wei come over.

Huo yunnuan immediately stood up. "Daddy, mom."

Huo Dongyang took a warm look at Huo Yun with a faint smile on his lips. "It's hard to see you so serious."

Huo yunnuan felt fluffy when he saw such a kind-hearted father. "How did you come here?"

"Let's come and have a look." Replied Jovi.

Huo yunnuan knew that they were coming to see Bai Xi, and then told them the ward number. "I still have something to do, so I won't accompany you."

"Go home at night." Huo Dongyang said four words.

Huo yunnuan took a breath in his heart, but he still couldn't escape. "I see."

Seeing his daughter disappear quickly, Huo Dongyang shakes his head helplessly. The older the daughter is, the more difficult it is.

Qiao Wei looks at Tang Yixuan in front of him. "Are you Tang Yixuan?"

"Yes, Mrs. Huo."

"It's really a good-looking man." Said Joe, smiling. "If it's a little warm, you don't mind. She grew up with little Joe. Although she has different generations, she always regards him as her sister, so she is a bit aggressive

Tang Yixuan wants to shake his head. "I don't mind. In fact, she is right. "

"Boy, if you love someone, you can't let go!" Huo Dongyang looks at Tang Yixuan and says. "Once you let go, nothing is yours! This is also my experience

Tang Yixuan nodded. "I understand!"

"I'll see your mother." Huo Dongyang replied.

Tang Yixuan took Huo Dongyang and Qiao Wei to the ward. Seeing them again, Tang Sinian was really surprised. I didn't expect to see them again.

Huo Dongyang saw the accident of Tang Sinian. "To see you again in a city is really like the feeling of that year."

"But it's different. It's completely different."

"There is still hope." Huo Dongyang replied. "Isn't it?"

In the evening, Tang Yixuan secretly went to see Xia Yunqiao. Only when he was worried about walking alone, could he see the light step of one day.

Xia Yunqiao's face has been slowly detumescence, but a closer look can still see that faint five fingerprints. It seems that mom was really hard at that time. Tang Yixuan reaches out to touch Xia Yunqiao's face with heartache. This slap seems to have hit him in the heart.

Tang Yixuan holds Xia Yunqiao's hand and frowns. "Joe, I'm just a selfish person. I don't want to let you go."

"Hold on then Xia Yunqiao opens his eyes and looks at Tang Yixuan.

Tang Yixuan does not want to let Xia Yunqiao worry, he immediately changed an expression, eyes are tender and spoiled. "Are you awake?" "Well!" Xia Yunqiao nodded. "When you sit down, I wake up. I didn't expect to hear your confession! "

Finish saying, Xia Yunqiao wants to sit up, Tang Yixuan immediately supports her. He himself sat on the bed, and let Xia Yunqiao lean on his body. Tang Yixuan embraces Xia Yunqiao like this.

Xia Yunqiao put his head naturally against Tang Yixuan's arms, "Yixuan, you don't have to blame yourself for today's affairs."

"I'm sorry!"

"It doesn't matter." Xia Yunqiao holds Tang Yixuan's hand. "Today, it's because I didn't do a good job to stimulate my aunt. What's the matter with her now? "

"She's OK." Tang Yixuan replied.

Xia Yunqiao grabs Tang Yixuan's hand, "does father still have no news?"

Tang Yixuan said, this is not an easy thing. There is a lot of work in the early stage, so we can't be in a hurry!

"Yixuan, don't worry! Aunt will be fine. My father will cure my aunt Xia Yunqiao comforts Tang Yixuan in turn. "So don't worry."

Tang Yixuan hugged Xia Yunqiao, "Xiao Qiao, how lucky I am to meet you! Thank you for understanding me

"So you should cherish me Xia Yunqiao didn't want the atmosphere to be too heavy, so he said with a smile.

"Of course!" Tang Yixuan replied.

Xia Yunqiao thought it strange to come. "Yixuan, in fact, I think it's amazing. To tell you the truth, we have known each other for a short time, but why did I recognize you? Sometimes, I always feel that we have known each other for a long time, and even have a feeling that we were together in the last life

Tang Yixuan is not sure. "I feel the same way. Why did you look at you at once? "

Finish saying, two people all smile come out, let outside person listen to feel happy.

[Chapter 557](#)

At the door, Qin Zichen and maiziqi stand.

Maiziqi saw Qin Zichen that slightly heavy expression, she did not speak. Just feel pain in the heart, Qin Zichen looks very sad. Once she suspected that Qin Zichen's feelings for Xia Yunqiao were not like those of her brother and sister. Now the facts are in front of her, and she knows how stupid she is!

In fact, the person Qin Zichen likes is Xia Yunqiao, but he never stabbed that piece of paper. Seeing Qin Zichen's heartache at this time, maiziqi's tears whirled around her eyes. She can understand Qin Zichen's mood, because this is how she feels at this time.

Qin Zichen put the dinner he bought at the door and left. He didn't want to stay here, or his heart would be even worse. Seeing Xia Yunqiao and Tang Yixuan together, he couldn't bless them. He guarded Xia Yunqiao for such a long time, but did not expect to lose to Tang Yixuan.

Qin Zichen does not believe that fate, he wants to let Xia Yunqiao can be happy, other things have nothing to do with it. But why to see Xia Yunqiao and Tang Yixuan together, his heart will be so miserable!

Maiziqi looked at Qin Zichen's back, and was always holding on. She really wanted to say to Qin Zichen, "as long as you look back, you will find someone is waiting for you all the time."

Tears fell out, Maggie closed her eyes, "Qin Zichen, you are really stupid! If you like it, why not chase it?"

Soon, Maggie wiped away her tears, and she immediately went after Qin Zichen. At this time, he must be lonely. She wants to accompany him. Although she can't say anything, it's good to have someone around.

Maiziqi went to the door of the hospital and saw Qin Zichen driving away. She waved at once. "Brother Zichen, wait a minute!"

Hearing the voice of maiziqi, Qin Zichen stopped. "What's the matter?"

"I didn't drive today. Can you give me a ride?" Maggie raised her smile. This smile made Qin Zichen feel less depressed.

Qin Zichen nodded. "Yes. Let's go

Thank you Maggie said with a smile.

Qin Zichen didn't speak all the way. Maiziqi wanted to speak several times, but she was worried that Qin Zichen didn't like it, so she kept silent.

But Maggie's stomach didn't work up and growled.

Maggie quickly covered her stomach and her face turned red. She really felt ashamed. How could such a thing happen in such a situation! It's such a goddamn shame.

"That..."

Qin Zichen was chuckled by maiziqi. "Hungry?"

Maggie lowered her head lower. "Brother Zichen, let you laugh! My stomach really spoils the atmosphere. "

"No!" Qin Zichen replied. My mood is not so depressed because of this. "I'm hungry, too."

Then Qin Zichen asked, "do you have anything to eat?"

"Well?" Maiziqi looked up at Qin Zichen. She didn't seem to be relieved.

"You should be familiar here. What do you like to eat Qin Zichen asked as he drove.

Maggie's eyes lit up and she pointed her finger out. "There is a very good Chinese restaurant over there. I often eat there."

Qin Zichen nodded. "How can you navigate?"

"Good!" Then Maggie began to teach Qin Zichen how to open it.

Ten minutes later, Qin Zichen stopped at the door of the restaurant. Seeing that there are many people in the restaurant, it seems that this restaurant is delicious.

Maiziqi gets off first, "brother Zichen, there is a parking lot over there. I'll go first and see if there's a seat. "

"Good!"

Seeing Qin Zichen driving to the parking lot, maiziqi quickly walked to the restaurant door with her bag. I'm afraid it's too late for a while. I'll have to wait! The first time I had dinner with Qin Zichen alone, Maggie wanted to make a good impression.

Maggie walked into the restaurant, immediately opened the scanning mode, thinking to see where in the end there is a position, not easy to see a good location. As a result, as soon as I got to that position, someone robbed him.

When Maggie was arguing with that person just now, the whole person was stunned! How could it be them?!

The people standing opposite are Ye Shan and Zhang Yaohua. Maggie stepped back a few steps. What a coincidence! I met them here. In the end, city is too small. The things she didn't want to remember were like playing a movie and replaying it again.

Ye Shan was stunned for a moment when she saw Maggie, but she soon recovered. "Isn't this Ziqi?"

Zhang Yaohua wants to talk to maiziqi, but Ye Shan stops him. "What? When you see the old man, you can't restrain your inner excitement? "

Maggie put all her emotions away. She tried to make herself look calm. "It's me."

"This is where two people are. You need it? " There is irony in Ye Shan's words.

Maggie didn't want to go on and say, "no more." After seeing them, even eating dragon meat has no taste."I said," how could you have someone to eat with you? " Ye Shan said with a smile. "Yaohua, let's sit down!"

Maiziqi knew Yeshan wanted to embarrass herself. She held her hand silently. The heart is more unconvinced, why after so long, they are still not willing to let go of themselves.

When maiziqi is helpless, Qin Zichen's voice comes. "Qiqi..."

Maiziqi looked back and saw Qin Zichen coming towards him. He appeared like a God and wiped away all the irritability in his heart.

Qin Zichen goes to maiziqi. "What's the matter?"

"Nothing." Maggie replied. "There is no place here."

Qin Zichen took a look at Ye Shan and Zhang Yaohua and quickly saw the problem. These two people know Maggie. "If there's no place, we'll go out and wait."

"I suddenly wanted to eat a hamburger." Maiziqi looked at Qin Zichen and said that she didn't want to continue to stay. The eyes of the two opposite people are too focused, which makes me uncomfortable.

Seeing the request in maiziqi's eyes, Qin Zichen nodded. "Good!"

Qin Zichen finished and took maiziqi's hand. "Let's go!"

Seeing Qin Zichen holding maiziqi's hand, Zhang Yaohua felt a fire burning in his heart. Who the hell is this man! What's his relationship with Maggie.

"Ziqi, don't you introduce me?" Yesan certainly won't let Maggie go so easily. And her heart with jealousy, standing beside Maggie, this man is a good man.

Maiziqi wants to refute Ye Shan's words, but Qin Zichen holds her hand tightly. He doesn't want maiziqi to escape. The woman on the other side is obviously challenging.

Naturally asked: "Qiqi, these two are your friends?"

[Chapter 558](#)

Maiziqi looked at Qin Zichen and finally nodded helplessly.

Qin Zichen doesn't talk about a fool. He can see that the man looks at Maggie very differently. He can also feel that Maggie wants to escape and is full of rejection to the two people in front of him.

Qin Zichen generously introduced himself, "Hello! I'm Kiki's boyfriend

"What!" Hearing Qin Zichen's self introduction, the other three almost spoke at the same time.

Sure enough, Qin Zichen went to see the man's expression, as expected. "Why, you seem surprised?"

Ye Shan's heart is more unconvinced, maiziqi is really good at finding such a handsome boyfriend. "Ziqi, good! I haven't seen you for a while. You've been looking for a boyfriend

Maiziqi ignored Ye Shan's words. She looked at Qin Zichen with disbelief. She didn't think he would say such a thing.

Qin Zichen smiles. "Why, not used to it?"

Maiziqi understood that Qin Zichen was helping himself. How could he not see the relationship between them! He is also stupid, clearly know this is false, but the heart or can not help but be happy. Although it was fake, she was satisfied.

Ye Shan looks at Mai Ziqi and Qin Zichen. They feel like lovers, but not quite. There is a feeling that can't be said. Ye Shan certainly will not miss the opportunity to humiliate Maggie. "Ziqi, this boy friend won't come back on loan?"

Maggie looks back at Ye Shan. "What do you say?"

"I don't think you feel very much alike." Ye Shan said with a smile. "So doubt it."

"Kiki and I just started." Qin Zichen intuitively added. "She's still not used to it."

Qin Zichen's explanation is also in line with the reality, ye Shan nuozi, did not expect to be really picked up by Maggie a good goods. "Why don't you have dinner together?"

"No Qin Zichen refused directly. "Kiki, she just likes hamburgers and stuff. We'll go first. "

With that, Qin Zichen took maiziqi's hand and turned away. Maiziqi followed Qin Zichen in this way.

When they came out of the restaurant, Maggie whispered, "brother Zichen, thank you for helping me out just now."

"Who are the two men?"

"People I used to know." Maggie doesn't want to talk too much about the past. That's not a good memory for myself.

See maiziqi do not want to mention, Qin Zichen also did not ask. "Let's go! Go to hamburgers. "

"Well! I'll treat you. " Maggie said with a smile.

Maiziqi put all those annoying things behind her and took Qin Zichen's hand and went straight to Uncle Mai.

Zhang Yaohua's eyes have been moving with Maggie, but he is very reluctant to give up. "Ziqi, it's time for you to go home and come back to me." Seeing Mai Ziqi's smile on Qin Zichen, Zhang Yaohua felt that his heart was like being crushed.

Ye Shan stood behind Zhang Yaohua with her hands around her chest. "Yaohua, you've put it down after so many years. You and she can't be. This is the last time I'll allow you to. Don't forget our agreement, or I'll be rude to Maggie

Zhang Yaohua looked back at Ye Shan! I'm not Zhang Yaohua. It's mine, it's mine after all! "

"You Ye Shan's face suddenly changed. Sure enough, he didn't look like him when he saw Maggie.

On the other side, Maggie ordered several packages and sat down near the window.

Qin Zichen looked at maiziqi holding so many things in her hand. "So much, are you finished?"

"Don't we eat together?" Maggie said with a smile. "If I can't finish, I'll pack it and take it back for breakfast tomorrow."

Qin Zichen didn't mind eating directly. He was really hungry. Maiziqi saw Qin Zichen take a big bite, and she was relieved. Originally wanted to take Qin Zichen to eat a good meal, but was destroyed by those two people.

"Brother Zichen, I'll treat you to delicious food next time. You and I can only eat this today. "

"Nothing. I often eat these in America. You eat, don't think so much. " Qin Zichen comforts maiziqi in turn.

After eating, Qin Zichen sent maiziqi back to where she lived.

While walking, Qin Zichen said: "it seems not safe for you to live here alone. I suggest you move to another place. "

"It's OK. It's just that it's cheap to rent here. "

Qin Zichen heard maiziqi's words and recalled Xia Yunqiao's words about maiziqi. She sends most of her salary back to her mother every month, and she usually saves and saves.

"Qiqi, this place is too complicated. You're not a girl. " Qin Zichen opened his mouth.

"When the house is due, I'll think about it." Maggie replied.

Qin Zichen sent maiziqi downstairs, "brother Zichen, you go back. I'm here. "

"Then take care of yourself."

"OK!" Maggie said with a smile. After watching maiziqi go upstairs, Qin Zichen turns to leave. But just walked a few steps to hear Maggie's scream, Qin Zichen immediately rushed up.

"What's the matter?" Qin Zichen asked anxiously.

Maiziqi pointed to the house with a white face. Qin Zichen went to maiziqi's side. He took a look at maiziqi's room. It was obvious that the room had been turned over. It could be said that it was a mess.

Qin Zichen knew that maiziqi was frightened, so he reached out and held her. "It's OK! Don't worry. "

Maggie's heart actually has a bottom, but did not think that they move so fast, actually has found the door. After settling down for some time, these nightmares come again.

"Kiki, pack up and follow me."

"Where to go?"

"Where I live now." Qin Zichen felt that someone had done this on purpose.

Qin Zichen accompanied maiziqi to go in and clean up his things, "see if there is anything missing?"

Maggie checked it, and nothing was missing. It seemed that they were just trying to scare themselves. Maggie simply pack up a few clothes, and then take his laptop with Qin Zichen to leave.

Qin Zichen takes maiziqi back to Jiangwan villa directly.

As soon as the car stopped, Qin Zichen saw Huo Dongyang in the yard.

"Zichen is back." Huo Dongyang opens his mouth. The first time I saw Qin Zichen bring people back, and this time she was a woman.

Qin Zichen nodded. "Yes, uncle." Seeing Huo Dongyang's eyes falling on maiziqi, Qin Zichen also explained: "this is Xiao Qiao's good friend. There is something wrong with her family. I'll take her back to live for a few days."

Huo Dongyang certainly has no opinion. "No problem. You handle it yourself. It just happened that little Joe came home

Hear Xia Yunqiao here, Qin Zichen immediately asked: "how is Xiao Qiao?"

[Chapter 559](#)

Huo Dongyang takes a look at Maggie and feels that the relationship between them seems to be a little complicated.

"Nothing. Xia yueqian is busy these days, and Mu Xin has a job, so he sent Xiao Qiao here. "

Qin Zichen saw Huo Dongyang's look in his eyes and knew what he was thinking. They were invisible in his blue gray eyes. So he hesitated for a moment, and Qin Zichen opened his mouth. "I'll come back to see little Joe later."

Seeing Qin Zichen and maiziqi go into the villa, Huo Dongyang shakes his head helplessly. In my heart, I want to talk to Qin Hao on the phone, but if he wants to do so, the relationship between Qin Zichen and Xia Yunqiao will also change. After thinking about it, Huo Dongyang still thought it was enough. Children's affairs, let them solve by themselves!

Each of these children is more difficult to deal with. Sometimes he is exhausted. He is useless when he is old. Forget about the children's affairs and let them go to trouble by themselves! People always want to grow up.

Qin Zichen prepared a room for maiziqi.

"Brother Zichen, will this disturb you?" Maggie's face was full of formality. Such a big villa, she and Qin Zichen two people, it seems not very good. And just now she paid attention to Huo Dongyang's expression and seemed to have some ideas.

Qin Zichen didn't think it was wrong. There are many dormitories where men and women live together in foreign countries. Moreover, the house is also borrowed and empty.

"No!" Qin Zichen replied. "You clean up and go to bed early. I'll go and see little Joe

"Well!"

After Qin Zichen went out, he took the door to maiziqi, and then he went to see Xia Yunqiao next door.

As soon as he went in, he saw several pairs of eyes falling on his body. He had to suspect that there was something wrong with him, and looked down several times. "What's the matter? I'm strange? "

Huo yunnuan shakes his head. "No, but I heard from daddy that you brought a woman back? That's good. Qin Zichen is enlightened. "

"It's not what you think. You know that man, too

"Ha ha, Qin Zichen, you can really talk about the topic."

"Really, if you don't believe it, you can go and have a look." Qin Zichen replied.

See Huo yunnuan also want to continue to say, Huo yunxun stretched out his hand to his sister. "Well, no big deal. Zichen has a sense of propriety. "

"Big brother said it was reasonable." Qin Zichen replied. Then he looked at Qiao Wei and said, "Auntie, where's Little Joe?"

"In the room."

"I'll see her."

Qin Zichen went to Xia Yunqiao's room door and knocked on the door.

"Come in, please."

Qin Zichen opened the door of the room, "what do you think?"

"Brother Zichen, I'm fine." Xia Yunqiao replied, but she did not raise her head and looked at her computer attentively.

Qin Zichen knew that Xia Yunqiao was a person who would not be idle, "still busy?"

"Well, there's something to do with the studio." Xia Yunqiao replied. "I've just been looking for Kiki, but she seems to be busy and hasn't replied to my email, so I can only come by myself."

"Kiki's on my side."

Hear this news, Xia Yunqiao stopped all things, a look of disbelief. "Where are you? What do you mean

Qin Zichen told Xia Yunqiao what happened before, of course, he automatically ignored the hospital section. At last, Qin Zichen asked by the way, "do you know those two?"

"Do you have a name?" Xia Yunqiao asked. "How can I know who this nameless man is?"

"No name." Qin Zichen replied. "But I remember what they looked like."

Hearing Qin Zichen's description, Xia Yunqiao's eyebrows frowned, "are they?" Then she found a picture from her mobile phone, which was taken secretly when Xia Yunqiao went to Maggie's home.

Qin Zichen saw the picture, "when was this picture?"

"Just before Kiki went to college." Xia Yunqiao replied. "All the people in this picture are Kiki's family."

"Family?" Qin Zichen in his own eyes, they are not like family members, more like enemies. "Who is this man and woman?"

Xia Yunqiao looked at Qin Zichen and said, "if you remember correctly, it should be Qiqi's brother and future sister-in-law. Qiqi seldom talks about family affairs, so I don't know the details

"Well, you should rest early!"

"Brother Zichen, since Qiqi is here, I want to discuss something with her." Xia Yunqiao said.

Qin Zichen took a look at Xia Yunqiao. "You can go this way?"

Xia Yunqiao smiles. "Of course, please help me through."

"I think forget it. I'll send Kiki here."

"Thank you Xia Yunqiao said with a smile.

Qin Zichen went to the door and stopped. If he didn't talk about those problems in his mind, he would not be able to sleep today. "How are you and Tang Yixuan?" That's what he's most concerned about. "We're fine."

"Xiao Qiao, are you really going to marry Tang Yixuan?" Qin Zichen asked with his back to Xia Yunqiao. He felt that he could not face to face.

Xia Yunqiao replied, "yes!"

"Joe, as it is, you're going to have a hard time." Qin Zichen reminded again.

Xia Yunqiao knows that everyone is concerned about himself, "I will try to overcome it, and I will let Yixuan's mother accept me."

Qin Zichen did not speak and left.

Five minutes later, Xia Yunqiao sees Maggie. But did not see Qin Zichen's figure again. "Qin Zichen didn't come?"

"He said he was busy." Maggie replied. In fact, she knew that Qin Zichen was upset, so she hid herself and calmed down.

Xia Yunqiao did not waste time, and immediately talked about work with Maggie. Time has passed since the discussion began. When they stopped, they found it was 12 o'clock in the morning.

"It's so late, Kiki, go and have a rest." Xia Yunqiao replied. "If you have something, call brother Zichen directly, and he will help you deal with it."

"Don't worry! I will take care of myself." Maggie nodded.

Maggie packed up her things and stood up. "Pay more attention to yourself. We're waiting for you to come back. Don't forget your work when you have love. "

Xia Yunqiao nodded. "Don't worry. I've always had a clear line between public and private."

The next day.

Qin Zichen sent maiziqi to the studio along the way. Along the way, Maggie has been yawning, obviously lack of sleep.

"Didn't sleep well last night?"

"I recognize the bed." Maggie replied. "I think I should be able to sleep tonight."

Maiziqi pointed to the front and said, "brother Zichen, I get off at the intersection in front of me."

"Don't drive you to the office door?"

"Well, No. I'll buy breakfast by the way Maggie replied.

Maggie returned to the office with breakfast and saw many people around the door, "what's the matter?"

"Maggie!" Maggie looked up when she heard someone calling herself.

[Chapter 560](#)

Seeing the people standing not far away, Maggie's good mood in the early morning disappeared in an instant.

Zhang Yaohua walked to maiziqi and said, "you really work here."

"What do you want to do Maiziqi glared at Zhang Yaohua and asked.

"You should know." Zhang Yaohua reached out to touch maiziqi's face, but she soon evaded it. Zhang Yaohua's brow frowned for a moment, and his hand was awkwardly across the air.

Maiziqi immediately opened the distance with Zhang Yaohua. "It's none of your business here. Go back!"

"Ziqi, it's time for you to go home."

"My home is long gone." With that, Maggie immediately bypassed Zhang Yaohua.

Zhang Yaohua reached out and grabbed maiziqi's arm. He couldn't stand being ignored by her. "Are you sure you want this?"

"I don't know you at all. Let go!" Maggie moved out from Xia Yunqiao.

In the face of Maggie in front of him, Zhang Yaohua said that his heart was surging. Last night, he had no sleep. In recent years, he had never been so keen to bring Maggie back.

Maiziqi broke away from Zhang Yaohua's hand, and there were more people around. After all, this kind of gossip has always been the focus, of course, there are also some gossips. Maggie really wanted to talk back when she heard those gossips. She has nothing to do with Zhang Yaohua!

But this man clings to himself, a pair of desire to pull any relationship with himself. "Let go! Don't you worry about your fiancée being jealous? I don't have that relationship with you at all! I want to live a few more years. "

Maggie said in two voices that she had been struggling. Is there anyone to help her?

"Kiki!"

This sound is like a life-saving straw, so that Maggie's heart to settle down.

Tang Yixuan helps Xia Yunqiao to appear. Xia Yunqiao looks at Zhang Yaohua, and his voice is cold. "Who are you? Let go of Kiki

Seeing Xia Yunqiao, Zhang Yaohua relaxed her hand. Maggie immediately broke away from Zhang Yaohua and quickly moved to Xia Yunqiao.

"Why are you here, Little Joe?"

"There's something to deal with." Xia Yunqiao replied. "Let's go in!"

Tang Yixuan holds Xia Yunqiao. "Slow down, Little Joe." Maiziqi also holds Xia Yunqiao on the other side, hardly looking at Zhang Yaohua.

After seeing the people go in, the people around are scattered. Zhang Yaohua stood there looking at maiziqi's back with firmness on his face.

At this time, I felt that someone was patting me on the shoulder. Zhang Yaohua looked back. Behind him stood a woman with a wide brim hat and a pair of sunglasses. "You are..."

"Are you free to talk?" The woman said with a smile.

"Who are you?" Zhang Yaohua is also very vigilant. This woman is not an ordinary person at first sight. Such a woman usually comes with a purpose.

The woman took off her sunglasses and looked at Zhang Yaohua with her heavily made up eyes. "I think we can cooperate?"

"What do you mean by that?"

"Take back the woman you want from me. Then we have a common enemy. Do you know Xia Yunqiao

"Why should I cooperate with you?" Zhang Yaohua knows this. There is no free lunch in the world.

"As long as Xia Yunqiao is broken, your woman will leave here. She is now working for Xia Yunqiao, if the company does not have. Isn't she going home with you

Speaking of this, Zhang Yaohua couldn't help feeling a little excited.

"Shall we find a place to sit down?"

"Then I always want to know who you are? Otherwise, there is no integrity in such cooperation. "

The woman put on her sunglasses again. "Of course, I'm Yu Zhiqing."

In the office.

Xia Yunqiao looks at maiziqi, who still has no return to God, and is worried. She just remembered that there was a document in the office in the morning, so she asked Tang Yixuan to send her to her. But I didn't expect to meet such a thing.

"Kiki, are you all right?"

"It's OK." Maggie replied. "I'll go to work right away."

Xia Yunqiao looked at maiziqi with worry on her face. Is her state really OK? I always think something's wrong there. Tang Yixuan poured a cup of hot water to Xia Yunqiao, "drink a cup of water first."

"Yixuan, you go to the hospital to take care of your aunt! I'm fine here. "

"Who was that man just now? I seem to know Maggie

Xia Yunqiao shook his head. "I don't know. Everyone has privacy that they don't want to talk about. If Kiki doesn't want to say it, I won't force her to

Tang Yixuan agreed with Xia Yunqiao. "But there are too many women on your side. I think it's safe if you don't hire two men."

"I'll think about it. Go back to the hospital as soon as possible! " Xia Yunqiao let Tang Yixuan go, now his own situation can not go to see Bai Xi, so can only come back to work. Tang Yixuan nodded and then leaned over to kiss Xia Yunqiao's forehead. "I'll pick you up after work."

"Well!"

Xia Yunqiao this busy, really to the afternoon. As soon as you get off work, Xia Yunqiao calls Tang Yixuan to learn about Bai Qian's situation.

"My mom is stable today."

"Good! Take good care of her. I'll go back with Kiki later. You don't have to run to pick me up

"So don't like me to pick you up?"

Xia Yunqiao smiles. "I just don't want you to be so tired. I am considerate of you

"I'll go to Huo Dong's house in the evening! I happen to have something to look for him

"Good!"

After work, Maggie helped Xia Yunqiao out of the office. After a few steps, he saw Qin Zichen waiting at the door.

Qin Zichen saw Xia Yunqiao and maiziqi come out, and immediately got off to help Xia Yunqiao. "Slow down."

"In fact, I can go by myself, but you are too nervous." Xia Yunqiao replied.

"At this time, you'd better not try to be brave." Qin Zichen helped Xia Yunqiao to get on the bus. Looking back to see maiziqi still standing in place, Qin Zichen felt strange: "Qiqi, don't you get on the bus?"

Maggie nodded. "I'll be busy later. You go back first. "

Qin Zichen goes to maiziqi and knows something by looking at her appearance. "What's the matter with you?"

Maiziqi doesn't want to be the light bulb of Qin Zichen and Xia Yunqiao, "I'll have a dinner with a friend. I'll go back later. " With that, maiziqi waved to Qin Zichen, "I'm leaving!"

Xia Yunqiao saw maiziqi run away and immediately called out: "Qiqi, where are you going?"

As if she didn't hear, Maggie reached for a taxi and left.

"Brother Zichen, follow up immediately." Xia Yunqiao said aloud.

"What's the matter?" Qin Zichen can see that Xia Yunqiao is very nervous.

Xia Yunqiao took Qin Zichen's hand and said, "that man came to find Qiqi this morning."
