

Warm Wife 571

[Chapter 571](#)

After listening to maiziqi's words, Xia Yunqiao always feels that something is wrong. The question of what went wrong has never happened. There must be other problems. If you can't do it well this time, it will be a big blow to yourself and the studio.

"Little Joe, do you hear me?" Maiziqi didn't hear Xia Yunqiao's words and immediately asked.

Xia Yunqiao recalled, "I listen. Is there anything wrong with it? "

"No. I have to say something good. " Maggie replied.

Xiang Yuqing thought about it. She held her mobile phone and went to the window, thinking that there was a problem. "Kiki, go and see where the steps go wrong. As usual, there won't be such problems."

Maiziqi immediately understood Xia Yunqiao's meaning, "do you mean someone deliberately moved his hands and feet?"

"Well!" Xia Yunqiao nodded. "We have never had such a problem. So I made this guess. "

"OK, I'll check it right away."

Xia Yunqiao then turned on his computer and went into working mode. She must find out the reason why the sample has such a problem. Xia Yunqiao checked it again and again, but found no problem. This guy really does it right.

Xia Yunqiao looks at the information on the screen. She immediately calls Mike, who is far away in the United States, and tells him that there is something wrong with the studio. It is estimated that there is no way to ship the goods as scheduled.

Mike is silent for a few seconds after listening. "My dear baby, have you offended people recently?"

"No!" Finish saying, Xia Yunqiao's eyes immediately stare big, is it her?! But think about it, how could she do it? This shouldn't be.

Mike saw Xia Yunqiao didn't make a sound. He seemed to know what had happened, "does it look like it really offends people? Who is so brave that she is not afraid to kill you? I think she should be tired of living

"Uncle Mike, I'm really sorry! This time I was too careless. "

"Nothing, uncle. I haven't seen anything. Don't worry. I'll try to deal with it. Fortunately, it was discovered early. You have to find your own way. "

"I know."

"Hang up!"

Xia Yunqiao immediately contact maiziqi and tell her to check whether Yu Zhiqing has contacted the clothing manufacturer there.

After the call, Xia Yunqiao contacted another manufacturer who had made samples for himself, but he didn't expect to be rejected. It seems that someone has arranged ahead of time.

Xia Yun Qiao Dun felt a headache. It was really bad! Now where on earth is she going to prepare the new season's clothing samples. Xia Yunqiao rubbed his temple with his hand, which was really tricky!

On the other side, Yu Zhiqing and Zhang Yaohua are sitting in a high-class coffee shop, drinking coffee leisurely.

"Mr. Zhang, you have done a good job this time!" Yu Zhiqing said with a smile. "I think something must have happened to Xia Yunqiao."

Zhang Yaohua is not as optimistic as Yu Zhiqing. Xia Yunqiao is not so easy to fall down. She has Xia family and Huo family behind her. If this matter is not handled well, Zhangjia or city a will not get along.

When Yu Zhiqing saw Zhang Yaohua's expression, she said with a smile: "Mr. Zhang, you don't have to be so restrained. You still have our support at home, city a has no more, City C is waving to you! Then you can take Maggie to City C, so that no one will disturb you? "

Yu Zhiqing's words instantly changed Zhang Yaohua's mind. yes! City a is a curse to herself and Maggie. Here, Maggie will always be her sister in legal relationship. They can't be together at all. Leaving here may be a new beginning. The temptation made Zhang Yaohua excited.

Yu Zhiqing sees Zhang Yaohua's expression, her mouth corner takes satisfaction smile. I didn't expect that Zhang Yaohua had been so persistent to maiziqi that he was really a good target to use. Maiziqi is Zhang Yaohua's weakness and a good threat factor.

Yu Zhiqing drank coffee and asked in his heart, "Xia Yunqiao, how are you going to deal with this time?"

Xia Yunqiao made a lot of phone calls, but still couldn't find a way. Finally, she could only call Huo yunxun.

"It must be something urgent to call my uncle so late?"

"Uncle, I need your help."

"Say it

Xia Yunqiao told Huo yunxun the situation and hoped that he could help himself. "Uncle, do you have any idea?"

"Are you sure it's Yu Zhiqing?"

"Guess."

"I'll check it for you, but you can't stop the sample clothing, or the loss will be even greater." Huo yunxun gave his own opinion.

Xia Yunqiao still has a headache. "No manufacturer is willing to take orders now."

"Don't worry, Little Joe. You can do something about it. I know Joe is not that easy to be knocked down

Thank you, uncle

Xia Yunqiao gets Huo Yunxun's encouragement and calms down to think about the problem. At present, she has to solve the problem of samples first. What else can be done for clothing samples? The problem of YQ studio samples went on the news in the morning the next day. Some even said that YQ's clothes were suspected of using toxic dyes, so they were rejected by many manufacturers.

Seeing such news, everyone called Xia Yunqiao one after another. As a result, Xia Yunqiao's phone was not connected, and she was like evaporation in the world, and did not know where to go.

Tang Yixuan made a lot of phone calls to Xia Yunqiao, but there was no news at all.

Tang Si Nian looks at the restless Tang Yixuan. "Yixuan, go and have a look! I'm here. "

"Good." Tang Yixuan nodded. He is really worried about Xia Yunqiao's accident. Now this incident has been reported. It is not clear how she is now?

Tang Yixuan to the summer home, no one at home. Xia Yueqian and Yun Muxin go out early in the morning, not sure what to do. Having no choice, Tang Yixuan had to go to Qin Zichen. As a result, Qin Zichen's assistant said that Qin Zichen went on a business trip yesterday and is not in a city now.

Tang Yixuan is more worried, will not really have an accident? At a loss, Tang Yixuan can only find Huo Dongyang.

Tang Yixuan saw Huo Dongyang when he was leisurely watering flowers and cutting grass in the yard, not worried at all. It was as if nothing had happened to him, as usual.

"Huo Dong!" Tang Yixuan is really in a hurry.

"What's the matter?"

"Little Joe, she..."

Huo Dongyang a smile, he put down the scissors in his hand, "you so have no confidence in Little Joe?"

"Well?" Tang Yixuan did not respond to what Huo Dongyang meant.

Huo Dongyang went to one side and sat down, then asked Tang Yixuan to sit down and drink tea. "Don't worry! Joe won't let us down! "

"But I can't find her now!"

"Trust her!" Huo Dongyang said to Tang Yixuan.

[Chapter 572](#)

At this time, Xia Yunqiao and maiziqi are in the school's fashion design classroom.

Last night, Xia Yunqiao wanted to finish the work in the school, and now only this place can be used by himself. Hearing that Xia Yunqiao was in trouble, the school teachers and classmates also came to help.

Xia Yunqiao and maiziqi start to make this garment sample with their younger brother and younger sister. This time, it can be said that it is the first time that it is purely handmade. The effect of this design is even better than that of the factory.

With the help of all, Xia Yunqiao almost finished two samples of the main clothing. And in the process of doing, Xia Yunqiao had a new inspiration for the original design, and immediately modified the clothing. Since there was a problem with the previous samples, it was very difficult to guarantee that the manufacturer would not disclose its own design drawings, so Xia Yunqiao made two preparations.

Xia Yunqiao is still in the final adjustment, for a long time, he has not personally made the clothes. Xia Yunqiao's heart was a little excited, as if to see that he had just learned fashion design. This accident also let me find my original intention and inspire new inspiration. This is a blessing in disguise!

Maiziqi also finished her work. She looked at the time, then walked to Xia Yunqiao and whispered in her ear. "Let them have a rest, and they stayed with us all night."

Xia Yunqiao looked at the students around him and found that their faces were tired. "Students, take a rest. I'll treat you to something to eat! "

"Thank you

"This time I want to thank you." Xia Yunqiao said with a smile. "I would not have been able to accomplish this task without you. So you can say what you want. "

Maggie wrote down the requirements of the students, then ordered a meal, thank you for your help. Taking advantage of the break, Xia Yunqiao thought to call home, which will only notice that Tang Yixuan made a lot of calls to himself.

Xia Yunqiao heart with guilt, it seems that Tang Yixuan really worried, otherwise will not call himself so much. After getting the approval of the school leaders last night, Xia Yunqiao and Maggie came over immediately and forgot to say a word to him. If he can't find himself for a long time, he must be worried!

Xia Yunqiao calls Tang Yixuan back.

"Little Joe!" In less than a second, Tang Yixuan picked it up. "Where are you now?"

"I'm at school. Don't worry. I'm fine. " Xia Yunqiao replied. "All of a sudden, I forgot to tell you."

Xia Yunqiao heard Tang Yixuan sigh of relief, "really let me worry. Not next time! "

"Well!"

"It's settled?" Tang Yixuan pays attention to the result of the matter.

"Of course Xia Yunqiao answers confidently. "It's just that I may not be able to go to the hospital to see my mother these days." *NoVelus&.com*

Tang Yixuan said with ease. "She won't blame you! Don't worry

"I'll take care of it as soon as possible." Xia Yunqiao gives a promise of his own.

"Don't worry. There's a doctor over there. You concentrate on your business! "

"Well!"

Xia Yunqiao saw that the takeout had arrived, so he quickly ended Tang Yixuan's call.

See suddenly cut off the phone, Tang Yixuan face with helplessness, really not even a closing words. Seeing Huo Dongyang's eyes, Tang Yixuan seems somewhat unnatural, "that..."

"It's all right with little Joe?"

"Well! You know her better than I do After all, he and Xia Yunqiao separated for more than 20 years.

Huo Dongyang shakes his head. "That's because we believe in her!"

Tang Yixuan lowered her eyes, "she has always been outstanding. This time it should not be accidental. "

"Yes." Huo Dongyang didn't hide it. "It's not accidental. Yixuan, I just have something to ask you. "

Tang Yixuan can't grasp Huo Dongyang's rhythm completely, jumps very fast. "Go ahead."

"About the mystery buyer." Huo Dongyang opens his mouth. Before that, Tang Sinian told himself about Tang Yixuan's life experience, so now he wants to listen to his ideas from Tang Yixuan.

Tang Yixuan in the heart some doubts, Huo Dongyang how can suddenly ask this. "What's the matter?"

"Do you know about the mystery buyer?"

Tang Yixuan shakes his head and tells the truth. "I don't understand. I don't know what he wants to do. However, the other party has always proposed to talk about signing the contract after meeting me. Originally, he made an appointment to meet with me this afternoon, but now because of Joe's business, I've given it a push

Huo Dongyang a smile, "so you don't worry about the other party is not happy, then cancel the acquisition."

"No worries!" Tang Yixuan replied. Because he has a hunch that this person is bound to keep his promise, so he is not worried at all. But what he didn't understand was that the buyer had always proposed to meet with himself. What was the reason!

Huo Dongyang can see Tang Yixuan with the same doubts, he poured a cup of hot tea to Tang Yixuan again, "have you ever thought about this and your life experience?"

Tang Yixuan looks at Tang Yixuan in surprise. "Huo Dong, how do you know..." "Your father told me about your life." Huo Dongyang solved the problem.

Tang Yixuan was also worried that other people would have an opinion on him after he knew his identity, but he didn't expect Huo Dongyang to be so calm and unexpected.

"That's one of the reasons why I agreed to have you with Joe," Huo added

"Because I'm not the real Tang family?"

"It's not just like this, but I see you clinging to Joe." Huo Dongyang replied. "Tang Yixuan, no matter what your identity will change in the future, I hope you will not forget one identity. That is, you are little Joe's husband

Tang Yixuan nodded cautiously. "I won't forget it!"

"Good! Otherwise, it will be Joe when he is sad. Huo Dongyang really doesn't want this to happen. If his findings are OK, Tang Yixuan may be the child of the family.

Tang Yixuan immediately noticed Huo Dongyang's seriousness, and he also noticed problems. "Huo Dong, have you found something?"

"It's not sure yet." Huo Dongyang never says anything that has not been confirmed, and it can be big or small in his opinion.

"You don't want to tell me?"

Huo Dongyang shook his head. "No, just I'm not sure now."

Tang Yixuan sees that Huo Dongyang must have found something, but he is not ready to tell himself. Or does he have any taboos? Suddenly Tang Yixuan's head flashed a light, "is it related to this mysterious buyer?"

Huo Dongyang heard Tang Yixuan's murmur, and his hand froze. It seems that Tang Yixuan himself has noticed this.

"Yixuan, I'm not sure if you have anything to do with that person. But someone's investigating Joe

"What!" Tang Yixuan is nervous. So Xia Yunqiao may be in danger, "so he did this thing?"

"It should not be." Huo Dongyang denies Tang Yixuan's idea.

[Chapter 573](#)

For the next minute, both were quiet. There must be something wrong with this, but where is the problem?

Tang Yixuan felt as if all the things happened at the same time. It really seemed that he couldn't do it. Is it because you are tired, or do you have a bad feeling?

Huo Dongyang observes the changes of Tang Yixuan. Now he is curious about Tang Yixuan's real identity? Is this mysterious buyer from that family? I haven't felt like this for a long time. I hope I won't feel hard this time.

Tang Yixuan left without staying. He wanted to go back to the hospital and hand over the work with Tang Si Nian, who was also old and had no good health and energy.

Huo Dongyang sent Tang Yixuan back to receive a phone call from Xiang Qing, saying that it had been found. Huo Dongyang looked at the information sent by Xiang Qing. He was really surprised. He didn't expect such a reversal. It seemed that things were beyond their expectation.

Zhao Liya received news at the same time. She looked at Xia Yunqiao's information with surprise on her face. After such a long time, I finally got the information. I have to say that I was surprised.

Xia Yunqiao's family background and his imagination is not the same, compared with Yu Zhiqing is really much better. Tang Yixuan's choice of Xia Yunqiao is also a good choice, which helps him.

Li Huiqin stood aside and then added: "madam, we still startled Huo Dongyang during the investigation. I think he should know about us. So..."

Zhao Liya put Xia Yunqiao's information on the desktop, "Huiqin, how much do you know about Huo Dongyang?"

"Not much! There are many rumors about Huo Dongyang, but few of them have seen Huo Dongyang. He is really a low-key person, basically does not accept any interviews, so he only hears about his affairs, there is no substantive information to show

Zhao Liya nods. Huo Dongyang's name is very famous in a city. But who is Huo Dongyang in the end should not be distinguished by several people. Did not expect this investigation, they first exposed themselves.

Zhao Liya thought about it, but she had a new idea in her heart. "Huiqin, can I make an appointment with Huo Dongyang?"

"Madame, do you want to see him?"

"Yes, we are in a city now. There is nothing wrong with meeting him!"

Li Huiqin nodded. "Well, I'll arrange it! Do you want to meet with Yixuan or continue to wait for news?"

"Well!"

In the afternoon, Zhao Liya couldn't sleep and went out for a walk alone. Walking on the streets of a city, I can feel the bustle and prosperity of a city. It is really different from the place where I have lived for so many years.

Zhao Liya saw a coffee shop. Seeing that she was tired, she wanted to go in and have a rest. Unexpectedly, she ran into Xia Yunqiao who came out to buy coffee at the door.

Xia Yunqiao was ready to leave with several bags of packed coffee in his hand, but almost ran into Zhao Liya because he didn't notice.

Xia Yunqiao immediately stopped and asked anxiously, "Auntie, are you ok?"

Zhao Liya shakes her head. "It's OK." After a close look, Zhao Liya found that the person standing in front of her was Xia Yunqiao. She didn't expect that she would meet her so soon. It was really wonderful.

"I'm sorry, I didn't notice." Xia Yunqiao immediately said to Zhao Liya. "If you're OK, I'll go first."

Zhao Liya's eyes were immediately attracted by Xia Yunqiao's necklace around her neck. She also forgot all the etiquette in an instant and reached for Xia Yunqiao's necklace.

Xia Yunqiao was stunned, "Auntie, you are..."

Zhao Liya excitedly looked at Xia Yunqiao, "is this necklace yours?"

"Well! It's mine. I brought it up from childhood. " With that, Xia Yunqiao stepped back. She thought it strange how the aunt reacted so much.

Zhao Liya realized her gaffe and immediately said, "I'm sorry! I might have scared you. Because I used to have the same necklace, but it disappeared

Xia Yunqiao finally understood, and she laughed. "Never mind! I can understand that. There are a lot of similar necklaces, and it's common to see them wrong. "

"How did you get this necklace?"

"My husband gave it to me." Xia Yunqiao said sweetly.

Hearing this, Zhao Liya pressed her heart with her hand. She felt that her heartbeat had exceeded the load. Because of what Xia Yunqiao said just now. Xia Yunqiao said it was sent by her husband. Her husband is Tang Yixuan. So this necklace is originally Tang Yixuan's, so in this way, Tang Yixuan is really his own son, identification can be saved.

Zhao Liya can't say what kind of mood she is now. She only knows that her heart is pounding. After so many years of waiting, she finally found her son. The blood relationship is not so easy to break!

Xia Yunqiao looks at the aunt in front of her who is very elegant and decent in dress. What expression is she now. It seems that there is always a kind of uncontrollable excitement, but also with a stream of sadness.

Xia Yunqiao ready to ask more, Maggie just parked the car on the side of the road. "How are you, Little Joe?" "All right Xia Yunqiao replied. After a new look at Zhao Liya, Xia Yunqiao asked anxiously, "Auntie, are you ok?"

Zhao Liya shakes her head. "I'm fine."

Until sitting in the car, Xia Yunqiao's mood still can't calm down. What happened to that aunt just now? Xia Yunqiao subconsciously reached out to touch her necklace, and she felt the X-shaped letter Pendant with her fingers.

Or is there a story about this necklace? This is a common problem in TV dramas. Xia Yunqiao's brows are locked. If there is a story, the story should have something to do with Tang Yixuan! Tang Yixuan originally gave it to herself.

Maiziqi saw Xia Yunqiao out of her mind, she called. "Joe, are you all right? What do you think? "

"Nothing?" Xia Yun Qiao suddenly replied.

"I think you are tired. When you get to school, you can find a place to have a rest. You can't get sick. We're still waiting for you to command

Xia Yunqiao nodded. "Don't worry! I'll be fine! "

Maggie said with a smile. "This is my queen. I think at this rate, maybe we can finish this arduous task

"Well!" Xia Yunqiao is still very confident.

After arriving at the school, Xia Yunqiao and maiziqi just got off the bus and saw Huo yunxun. He had come for a while.

"Uncle, why are you here?" Xia Yunqiao walked over immediately.

Huo yunxun looked at Xia Yunqiao and Maggie with coffee in their hands, and knew they had gone to buy coffee. "Joe, I've found out what you told me!"

"Is it really her?"

Huo yunxun's eyes fell on Maggie and shook his head. "It's Zhang Yaohua."

[Chapter 574](#)

Hearing the name, Maggie's coffee fell to the ground.

"Kiki, are you all right?" Xia Yunqiao immediately asked.

Maggie's reaction seems a little mechanical, she shook her head at Xia Yunqiao, "sorry, I'll go to buy coffee again."

Xia Yunqiao took maiziqi's hand and shook his head, "no!" Now Maggie's situation is not right, Xia Yunqiao said nothing would let her go out alone.

"But..."

"It's OK. It's OK to order takeout later." Xia Yunqiao comforted Maggie.

Huo yunxun looked at Xia Yunqiao and then said, "how are things on your side? If we have time, let's find a place to sit down and have a chat? "

"OK." Xia Yunqiao nodded.

The three then sat down in a small classroom.

Maggie's face has not been very good, which makes Xia Yunqiao a little worried. It seems that this matter has a great influence on her. "Kiki, would you like a glass of water?"

Maggie shook her head. She looked at Huo yunxun. "Brother Yun Xun, did Zhang Yaohua really do this?"

"Well! Zhang Yaohua through his familiar relationship, and then privately give these manufacturers a sum of money, let them refuse to provide you with clothing samples. He also disclosed the news anonymously. "

Xia Yunqiao frowned and felt that things were not so simple. Why did Zhang Yaohua attack the studio? There should be other things in between.

"Zhang Yaohua should have spent a lot of money to do this? Is it interesting to hit me like this? " Xia Yunqiao asked.

Huo yunxun laughed. "Did you offend him, Little Joe?"

"I don't think so." Xia Yunqiao replied. You can't always hold a grudge against him since he dared to leave last time?! But this reason is too far fetched! Xia Yunqiao doesn't believe that a man is so stingy. Is it really meaningful to pay so much for himself?

Maggie, who had been silent, whispered, "I think he did it because of me."

Xia Yunqiao was stunned for a moment. According to maiziqi's words, Zhang Yaohua is for her. There must be some things they don't know. "Qiqi, why does Zhang Yaohua pester you? You..."

"He used to want to invade me!" Said Maggie, lowering her head. "Because of this, Zhang Yaohua's father said that I seduced his son, and even beat and scolded my mother and I. Later, my mother took me away from Zhangjia

Xia Yunqiao heard here, distressed by the past experience of Maggie. "Qiqi, I'm sorry to remind you of something bad!"

Maiziqi holds Xia Yunqiao's hand. "What Zhang Yaohua did was to force me to go home."

"Don't worry, Kiki! I won't let him hurt you!" Xia Yunqiao said, holding Maggie.

Huo yunxun didn't say anything. Zhang Yaohua's doing so has obviously been against the Xia family of Huo family. Has he ever thought about the consequences? But in order to let Maggie go home to do such a thing, not quite in line with the thinking of a normal person.

Huo yunxun didn't beat around the bush and asked directly, "Qiqi, Zhang Yaohua likes you, doesn't he?"

"I..." Maggie didn't know the answer. She didn't even want to recall the past, which was painful for her.

Seeing that maiziqi didn't want to say, Huo yunxun didn't force him, "I'll deal with this matter. You don't have to worry. Just do your own thing."

"Uncle, there may be someone behind Zhang Yaohua." Xia Yunqiao added.

"I know!" Huo yunxun nodded.

In the next two days, Xia Yunqiao successfully completed the main clothing samples. However, it is revealed that Xia Yunqiao's design is plagiarism, not his own original.

Xia Yunqiao coldly looked at the news on the Internet, and he really expected the same. Xia Yunqiao wants to see what tricks they have next.

"Joe, are we really not going to clarify?" Maggie looked worried.

"No!" Xia Yunqiao replied. "What they want is to discredit me. Coming forward now will only make them more proud."

Maggie didn't expect Zhang Yaohua to be so crazy this time. What did he want to do? Don't you really want to leave a retreat for Zhangjia? Really crazy!

Noticing the expression of Maggie, Xia Yunqiao knows that she is blaming herself. "Qiqi, this matter has nothing to do with you, don't think so much! We'll face the difficulties together, you know?"

Maggie nodded. "Well, I know!" *noveUSB.cOm*

In the summer cloud Qiao does not move when, in Zhi Qing can say secretly since happy. Xia Yunqiao certainly didn't plan this time. He didn't expect that the matter was so simple. He really overestimated Xia Yunqiao. He thought it would be very difficult to deal with Xia Yunqiao because she had such a big backing. Unexpectedly, it was an empty box!

"Xia Yunqiao, you really let me down!"

But Zhi Qing is complacent when, she does not know Xia Yunqiao's counterattack has quietly started.

That afternoon, a company statement from the largest clothing brand in the United States appeared on the official websites of major media. The statement clearly pointed out that Xia Yunqiao's clothes were not plagiarized but original. In view of the recent untrue reports, the statement also attached Xia Yunqiao's latest design manuscript and the clothing pattern. These are different from the previous design releases released online, which makes people have to suspect that someone behind this incident is planting and setting up malicious!

Yu Zhiqing was stunned when he saw the news. How could she ignore the key point. Besides having a foothold in a city, xiayunqiao has the biggest reliable mountain in his career!

Yu Zhiqing angrily fell the wine cup on the ground. "You are really calm, Xia Yunqiao!" This time, she didn't come out to clarify, but let the partners out to release the statement, which is really more convincing than her own statement!

In Zhi Qing clenched his hand, the heart is not willing! Zhang Yaohua is really useless! It seems that she's going to think about something else.

Seeing the news, Tang Yixuan was really relieved. His wife is the best!

"Yixuan, is the matter of xiayunqiao solved?" Asked Beth. She saw the expression her son worried about these two days and knew it was not easy.

"Well! It's been resolved. " Tang Yixuan replied.

Bethy was relieved to hear a positive answer. "It should not have been an accident?"

Tang Yixuan nodded, did not want to let Bai Xi think too much, Tang Yixuan did not elaborate. Anyway, now things have been solved, and the rest of the things Xia Yunqiao will follow up.

Bai Xi saw Tang Yixuan relaxed expression, she also assured. "Your father will come soon. You'll go and see xiayunqiao!"

"Joe is still busy over there." Tang Yixuan replied.

"Xiayunqiao is really capable!" Then bethy went on. "You'll be good to her in the future."

Tang Yixuan holds Bai Xi's hand, "Mom, I will!"

[Chapter 575](#)

The next day.

Tang Yixuan and Tang Si Nian have something to go out, Bai Qian alone in the ward to read. In the past few days, her body has recovered well, which has something to do with Bessie's mood. She has put down her past burdens and felt very relaxed.

Bessie looked up at the knock at the door. See Xia Yunqiao holding thermos bottle standing at the door.

When they met again, they were really embarrassed. Xia Yunqiao doesn't know whether Bai Xi will see herself like before, so she is still a little worried.

Bessie saw Xia Yunqiao's expression and knew that she had done those things to her really well. In order to break the deadlock, there must be a person to speak first. This time, Bai Qian took the initiative to say that Xia Yunqiao is already her daughter-in-law.

"Come in!" Bessie replied.

Xia Yunqiao in the face of such Bai Xi some accident, she seems to be really different from before. Xia Yunqiao stepped in and relaxed a lot.

"Auntie, I cooked some porridge for you." Xia Yunqiao continued.

Bai Xi heard her address, fixed to look at Xia Yunqiao, "now you still call me aunt?"

"Well?" Xia Yunqiao dare not think in that direction.

"You and Yixuan are married. The title needs to be changed. " Continued Bessie.

Xia Yunqiao was excited. "Really?"

"It seems that I was too strict with you before, that's why I caused you to do this. I'm sorry, it was my problem before. " Bai Xi said calmly and took Xia Yunqiao to sit down.

Xia Yunqiao whole person is flattered, in the heart is excited not to be able to! "Never mind! I understand that. "

"Have you dealt with everything at work?"

"Well, it's been dealt with."

For the first time, they had such a harmonious conversation. This kind of picture surprised Tang Sinian and Tang Yixuan, but they did not destroy the atmosphere. Instead, they left time and space for Bai Xi and Xia Yunqiao.

Father and son went for a walk in the courtyard behind the hospital. A lot of things happened recently, and they didn't have much chance to talk. Thinking about going back to C City in a few days, I'm not used to it.

"Dad, what are you going to do when you go back?"

"I want to take your mom out when she's better." Tang Si Nian replied. "She's been working hard for years."

Tang Yixuan said with a smile. "That's good!"

"Yixuan, in fact, you can stay in city A. After you sign the contract with that buyer tomorrow, you don't have to carry these things of Tang family behind your back and live a good life with Xiao Qiao. People's life is really not long, so we must cherish it. Here's the lesson for mom and dad. "

"Don't worry! Joe and I will have a good time Tang Yixuan replied.

Tang Si Nian tells Tang Yixuan that "Xiao Qiao's family environment is here. Everything should be tolerant and tolerant."

Tang Yixuan nodded. "I will! You can't do anything worse than your father-in-law. "

Tang Sinian didn't say much. He believed Tang Yixuan would understand these things. Seeing such an excellent son, Tang Sinian is also a comfort. It seems that I made the right decision at that time. In the future, their family will be in good shape. Maybe there will be new members soon.

Later, Tang Yixuan and Xia Yunqiao went out for a walk. For the first time after they got married, they went to dinner hand in hand.

"Joe, do you want to go somewhere?"

"What's the matter?"

"I want to travel with you." Tang Yixuan said with a smile. "Honeymoon, of course."

Xia Yunqiao a smile, "hmm?! That's good, but I'll have to deal with everything before I can start. "

Tang Yixuan nodded, "this must listen to the wife! In any case, after tomorrow, I will be a jobless vagrant. There is not much else but more time. Waiting for his wife's work at any time. "

"Yixuan, don't we go back to City C with you?" Xia Yunqiao still thinks it's not good.

Tang Yixuan put out his arms around Xia Yunqiao's shoulder, "Dad said to make up for their lives with mom, so we don't want to disturb them."

Xia Yunqiao was skeptical, "is this really the case? How do I think you're not telling the truth? "

"If you don't believe it, you can ask them."

"I can't tell you." Xia Yunqiao does not want to continue to discuss this issue with Tang Yixuan. Rarely have such a time, she just want to have a meal with Tang Yixuan happily.

Tang Yixuan takes Xia Yunqiao's hand, and they walk on the street. Of course, the combination of beautiful men and women has attracted a lot of attention, and the interaction between the two of them also makes people feel sweet.

In the evening, the hospital.

Zhao Liya and Li Huiqin go to the hospital to see Bai Qian. Li Huiqin holds many precious supplements in her hand. I can see that they came here with preparation.

"Ma'am, I'll ask which ward Bessie lives in."

Zhao Liya nodded

Thinking of meeting Tang Yixuan tomorrow, Zhao Liya still decided to come to the hospital to meet Bai Qian. She is Tang Yixuan's adoptive mother and knows her son's situation."Ma'am, we can go." Li Huiqin said when she saw Zhao Liya.

"Huiqin, I'm a little nervous."

Li Huiqin can understand Zhao Liya's mood at the moment, "madam, we can keep a normal heart."

Go to the ward, Zhao Liya see Tang Si Nian is also in.

As soon as Bai Xi finished eating the medicine, she saw two people standing at the door. "Are you?"

Tang Sinian followed him back. The two men didn't look like ordinary people. "Who are you looking for, please?" Tang Sinian thought that they should go to the wrong ward.

Out of a woman's intuition, Bessie looked at the people standing at the door and knew that they had come here on purpose, with a lot of things in their hands. When Bessie saw Zhao Liya's eyes, she had a bad feeling.

Zhao Liya nodded at Tang Si Nian. "Mr. Tang, Mrs. Tang, excuse me."

"Come in, please." This kind of opening remarks are obviously aimed at them.

Zhao Liya and Li Huiqin walked into the ward. Li Huiqin put all the things she brought on the table. "This is a little bit of our heart. Please take it!"

Tang Si Nian and Bai Xi exchanged a look, "excuse me, are you..."

Zhao Liya smiles at Tang Sinian and Bai Xi. "I know it's abrupt, but I can't help it. My name is Zhao Liya. I come from other places. "

Bessie narrowed her eyes. There was definitely something wrong with this woman. "I don't remember that I knew you."

"Mrs. Tang, of course, don't know me." Zhao Liya replied. "I came to the hospital today to say something."

"What's the matter?"

Zhao Liya takes a deep breath. Since she has come, she is not ready to turn back. "What I want to say is that we have a common son."

Hearing Zhao Liya's words, Tang Si Nian and Bai Qian's faces changed in an instant, and did not recover from this sentence.

[Chapter 576](#)

Zhao Liya came to the hospital today to talk about Tang Yixuan with Tang's parents alone. Because she had been separated from her son for more than 20 years, she did not know him at all. She wanted to know more about him from here.

Looking at Tang Liyu, and Tang Xuanyu looks at her with sadness in her eyes. It's just how she came to look for her son at this time. Looking at her present appearance, it's obvious that she came here after investigation.

Bessie clenched her hand. The woman dared to rob her son with herself. There was no door. She certainly would not agree with her son, who has raised her son for more than 20 years, and she has long regarded Tang Yixuan as her own son. If this woman is really Yixuan's own mother, why does she come

to recognize her son now! What did you do all those years ago? Looking at her dress, we can see that she has a good family background.

"I know I'm really abrupt today, but I can't wait any longer." Zhao Liya continued.

"Who are you?" Bessie asked directly, "at least tell us where you are from? Is this name too easy to fake? And how can we believe what you say! Yixuan is my son

Zhao Liya was asked by Bai Xi and became nervous. It's just that she can't really disclose her identity now!

Seeing Zhao Liya's hesitation, Bai Qian has a bottom in her heart. In the heart also had own guess, if she really is Yixuan's own mother, then she should be remarried, so at the beginning will have the heart to leave her son. Now life is good, his conscience is condemned, so I came back to find my son!

If the truth is like this, Bai Xi will not let Tang Yixuan leave the Tang family. Her hard-working son, now just married, she is ready to enjoy the day is coming, she will not allow other variables to happen.

Tang Sinian was also excited. He looked at Bai Xi and then went on to say, "madam, what my wife just said is reasonable. Since you think Yixuan is your son, you should show evidence. Of course, you have a scientific basis, and of course it's the best! "

Zhao Liya frowned. She didn't have these things. She understood what Tang Sinian and Bessie meant. They would never believe it unless there was DNA identification! Then everything can only be possible after tomorrow's meeting with Tang Yixuan.

It seems that her arrival today did not make much progress, but she did not want to give up. "I didn't do the identification, because I think the blood relationship is continuous. I can be sure that Tang Yixuan is my son. My son has a lightning mark on his arm and a necklace to prove his identity. I think you noticed that when you adopted him

Bai Qian's face is white, these two things are really on Tang Yixuan. But even if this is the truth, she will not agree with this woman to take Tang Yixuan away!

"Madam, even if it is true that you said so, why did you leave your son in the first place?" Tang Sinian continued to ask questions.

"I..." Zhao Liya opened her mouth, but she didn't know where to start.

Bai Xi drill into a gap, and then also began to refute Zhao Liya. "My husband is right. Every mother should not give up her children. You think you're a qualified mom? Or did you have a new family and had to send your son away? "

Seeing Zhao Liya's face mutation, Bai Xi felt that her guess was not wrong. "Ma'am, if this is the case, then you are not qualified to rob my son with me!"

Li Huiqin couldn't listen, and immediately said, "Madam Tang, things are not what you think! At that time, my wife also had a hard time. Otherwise, who will give up his son

"The pain? What is it that makes your wife do this Said Bessie coldly. "My son's name is Tang Yixuan! Please don't make a mistake

"Madam Tang, Yixuan is also my young master!" Li Huiqin did not give in. "If you really insist, we can do DNA identification."

Bessie shook her head. "I don't think it's necessary!" Because in the legal relationship, Tang Yixuan is her Bai Qian's rightful son. In order to prevent other people's suspicion, Tang Sinian has asked people to do a DNA identification, proving that Tang Yixuan is their husband and wife's son.

So Bessie was not afraid that they would go to investigate. There was no problem in law. Bessie had enough confidence to think of it. Looking at Zhao Liya's eyes also with a winner's posture.

She has raised Tang Yixuan for so many years. The weight of this adoptive mother is always heavier than that of his own mother. So Bai Xi is very confident. Tang Yixuan is a obedient and filial child. He must pay more attention to these things than anyone else.

Zhao Liya was really not reconciled, "Madam Tang, as far as I know, you have not been very good to my son these years. Your husband and wife often quarrel. Do you think it's a good thing for my son? I don't think he has the same genes in his body

"What are you talking about?" Bessie was angry at once! The woman said such a thing in front of her!

Tang Sinian reached for Bai Xi. "Don't get excited. You're just in shape." "Si Nian, this woman is coming to rob our son! Can I not get excited? " If Bessie hadn't been on the infusion, she would have stood up and had a fight with this woman.

Tang Si Nian gently patted Bai Xi on the back. "Bessie, don't forget what you promised me. I'm here

Bessie slowly calmed down. She waited for Zhao Liya, with anger in her eyes. Then he heard Tang Sinian say: "madam, I think you are ready for everything when you come here today. But I also want to say that Tang Yixuan is my son and Bai Xi's son! This will not change! "

Zhao Liya stood up. "It seems that you dare not tell the truth to Yixuan! I think it's better for Yixuan to go back with me than to stay here! He needs a wider sky! "

Tang Sinian shook his head. "I'm not afraid to tell the truth to Yixuan. As for the choice of what Yixuan wants to do, it should be up to him to decide! "

"Good! I'll tell him all the truth tomorrow, including his real identity. I hope you don't stop me! " At this time, Zhao Liya did not want to give in, this time how to take her son home.

Hearing this, Tang Sinian finally understood one thing. He then asked, "are you the buyer who paid for the shares?"

"Yes Zhao Liya nods. "I'm also doing this to repay you for taking care of my son for so many years."

Tang Sinian finally figured out why the equity transfer agreement must be signed by Tang Yixuan in person. Zhao Liya wants to see Tang Yixuan!

[Chapter 577](#)

At this time, there was a sound at the door of the ward.

Tang Yixuan and Xia Yunqiao come back, so just to hear their conversation, Xia Yunqiao's lunch box fell to the ground.

Xia Yunqiao looked at several people in the ward in disbelief, while Tang Yixuan was calm, as if these things had nothing to do with him.

"Yixuan, you Are you back? " Bessie said. The time is really just like this.

Zhao Liya looked at her son standing at the door, but she couldn't say how excited she was. I still want to see you tomorrow. I didn't expect to see you now. She couldn't help but call out, "Yixuan..."

Bai Xi grasped Tang Si Nian's hand nervously, and she had no idea. His son won't follow this woman, will he?

Tang Yixuan walked into the ward, "Mom, are you ok?"

Bai Xi a Leng, immediately shook her head, tone also with excitement, "it's OK, mom is OK." Hearing her son ask herself the first time, Bessie's heart has been hanging back to her original position. She knew that her son was not that kind of person and would definitely be on her side. How to say that he is also the mother who has raised him for more than 20 years.

Zhao Liya, who was ignored by Tang Yixuan, felt uncomfortable and stepped back a few steps. When she heard her son calling someone else's mother, she felt like she was dripping blood. Is this God's retribution for herself?

Li Huiqin comes forward to support Zhao Liya. "Are you all right, madam?"

Zhao Liya did not answer. Her eyes were locked on Tang Yixuan. When could she hear her son calling her mother? This is my desire! Apart for so long, will he admit himself?

Tang Yixuan looked back at Zhao Liya and said, "madam, are you the one who bought the shares of Tang?"

"Yes." Zhao Liya nods.

"So what is your purpose?" Tang Yixuan asked directly.

Zhao Liya stood firm and took a step forward. "I just want to help you! I don't want to see you working so hard. And that's not your responsibility, so I'm going to do it. "

Tang Yixuan heard these, with a wave in his eyes. "Thank you, madam! But the business of the Tang family is my responsibility! "

"Yixuan!" Zhao Liya didn't expect Tang Yixuan to say such a thing. "You are not from the Tang family. These things are not your responsibility."

"Who are you, then?" Tang Yixuan's heart is complicated. He has a sense of inexplicable familiarity with Zhao Liya, but he dare not continue to think about it, because once there are other ideas, many things will change.

Zhao Liya said sadly, "I am your own mother!"

"My mother is here." Tang Yixuan replied that he didn't want to make things too complicated. Zhao Liya didn't look like an ordinary person. Finally, the Tang family had a new start. He had just married Xia Yunqiao. He didn't want to have any changes.

"Yixuan, I am your mother!" Zhao Liya said anxiously that she could not believe that her son would not like to admit himself.

Tang Yixuan shook his head to Zhao Liya, "madam, it's time to visit now, please go back!"

Zhao Liya felt that her heart was so painful that her son didn't want to recognize herself, which was a big blow to herself. "Yixuan, why don't you want to believe me? You have a family symbol of lightning on your arm and a necklace on your body! This is the best proof of all! "

Xia Yunqiao heard these words, she reached out to feel the necklace on her neck. Think of what happened before, this lady is her own encounter that, if she said is true, then Tang Yixuan is her son.

But how did this happen? Tang Yixuan is clearly the child of Tang family. Is there any misunderstanding? Think of here, Xia Yunqiao also feel confused. Looking at Tang Yixuan's appearance, he doesn't seem to have heard this for the first time, or he has already known it.

Zhao Liya see Tang Yixuan ignore, she looked back at Xia Yunqiao who was still standing at the door of the ward. "Take off your necklace! There's a son's name in that necklace

Xia Yunqiao subconsciously out of protection, she pressed with her hand. "This is my stuff!"

"It's not yours!" Zhao Liya said with great certainty. "I gave it to my son!"

Tang Yixuan saw Xia Yunqiao's doubts in his eyes. He immediately went to Xia Yunqiao's side, and he gently comforted: "Xiao Qiao, it's OK! It's your stuff. I won't let it be taken away! "

"Yixuan, what's going on here?" Xia Yunqiao looks at Tang Yixuan and asks, she just wants to hear Tang Yixuan explain now!

"It's OK. I'll explain it later."

Tang Yixuan looks up at Zhao Liya. "Ma'am, please leave! Now it's our private time. Let's talk about business affairs again! "

When Zhao Liya wants to continue, Li Huiqin plays her. "Madam, let's bear with it. We still have time tomorrow. "

Zhao Liya looked at Li Huiqin, but she didn't expect that she would persuade herself to calm down. Seeing that she shook her head at herself, she only had to bear with it. After all, this is not her place, and it is difficult to deal with anything until she calms down."Good! See you tomorrow. " Zhao Liya nods.

Li Huiqin holds Zhao Liya to leave. After Xia Yunqiao, Zhao Liya still stops. "Miss Xia, that necklace is very important to me. I hope you can return it to me!"

Xia Yunqiao did not speak, but firmly grasped his necklace. It never occurred to her that the necklace would have any other meaning. Suddenly I felt that the necklace seemed to have the temperature, and almost burned my palm.

Seeing Zhao Liya go far, Tang Yixuan asked softly, "Xiao Qiao, are you ok?"

"I'm fine." Xia Yunqiao is in chaos, and things seem to get more complicated. Xia Yunqiao looks at Tang Yixuan and has too many questions to ask. But she didn't know where to start. Tang Yixuan was not born to Tang Sinian and Bai Qian? What kind of secret is there in him?

Tang Yixuan sees Xia Yunqiao's suspicious eyes, and he clenches Xia Yunqiao's hand. "Joe, you must believe me!"

"I..." Xia Yunqiao admitted that he had begun to shake, things are not so simple.

At this time, Bai Xi said: "Yi Xuan, you send Xiao Qiao back first! I'm tired and I'm going to sleep! "

Tang Yixuan nodded. "Well, I'll be back later."

Tang Yixuan takes Xia Yunqiao's hand and leaves the ward. Xia Yunqiao follows Tang Yixuan's steps, but his brain is constantly digesting what just happened.

To the parking lot, Tang Yixuan stopped. He looked at Xia Yunqiao. "Joe, I know it's a surprise today, but I hope you don't have too many! No matter what happens, you are my wife. "

Xia Yunqiao blinked, "what if you are no longer Tang Yixuan?"

[Chapter 578](#)

Tang Yixuan's heart was stunned, as if he had never thought about this problem.

Xia Yunqiao's tears were moving in his eyes, and he felt that it was wrong. "Yixuan, this problem is serious!"

Tang Yixuan took Xia Yunqiao into his arms and held it quietly. "It's not going to happen. I will always be your Tang Yixuan. You can rest assured of that! "

Xia Yunqiao reached out and held Tang Yixuan, tears flowing out unconsciously. I feel that everything is wrong, as if everything has changed.

"Don't cry, Little Joe! My heart will ache Tang Yixuan's voice is shaking.

"Yixuan, you can't leave me!" Xia Yunqiao put forward his own requirements.

Tang Yixuan hugged Xia Yunqiao, "well, I promise you!"

Tang Yixuan sent Xia Yunqiao back to Xia's home. Seeing Xia Yunqiao's back, Tang Yixuan's heart felt bad. Finally, when his mother nodded to promise him to marry Xiao Qiao, a man who claimed to be his own mother suddenly appeared.

Tang Yixuan also had a moment to doubt his life, who he was! He just wants to live a good life. How can it be so difficult?!

The next day.

Tang Yixuan went to meet Zhao Liya one by one. He had only one idea in his mind. He only talked about public affairs, not private affairs.

Seeing Tang Yixuan appear, Zhao Liya stands up immediately. "Yixuan, you are here at last."

"Madame, I'm here only to talk to you about business." Tang Yixuan first made a statement.

Zhao Liya's eyes are dark. "Yixuan, do you have to do this?"

"If my wife has no intention of signing a contract with me, then I will go back first." Tang Yixuan explained his words.

Zhao Liya bit her lips, which was not what she wanted. "If you don't sign the contract today, then Tang's not saved. Bessie is still waiting for the money to pay for the operation

Tang Yixuan narrowed her eyes, it seems that she has all investigated clearly. Otherwise, she would not say such words, but he Tang Yixuan is not so vulnerable to threats. "Madame is very clear about our family. Since you are so clear about it, you should also know that the operating expenses and hospitalization expenses are not urgent, because this is my father-in-law's hospital. "

Zhao Liya is stunned and seems to be caught off guard. She really didn't pay much attention to it.

"If Madame wants to use these things to blackmail me, I think it's really unnecessary. Even if you don't want Tang, others will. An old enterprise in C City for many years still has some value. "

"Yixuan, I've never thought of it like that." Zhao Liya doesn't want to be misunderstood by Tang Yixuan. She explained anxiously: "I will also want to help you, really do not mean that."

Tang Yixuan raised the corner of his mouth, "but how do I think it has this meaning?"

"Yixuan, mom has been looking for so many years and is eager to meet you and have a good chat." Zhao Liya was in tears.

Tang Yixuan did not go to see Zhao Liya. He was afraid that he would be soft hearted. "Madame, do you want to talk about this business?"

Zhao Liya reached out and wiped away her tears. Now her son is in front of her. She wants to get along with him more.

Seeing Zhao Liya nodding, Tang Yixuan sat down with him, and then took out some relevant information of Tang's family from his bag and put it on the table.

"These are Tang's information. You can have a look first."

Zhao Liya takes over the document from Tang Yixuan and looks seriously. She also takes out her own attitude towards work, and he will put forward to Tang Yixuan when he encounters unclear places.

Tang Yixuan will also explain to her that the two people are like a cooperative relationship at work. They do not have the mood of those atmosphere just now. Just now they are like a dream. Tang Yixuan really admired Zhao Liya. If she changed to another woman, it would be very difficult to talk about business with her calmly now. This woman is not simple. Judging from her work attitude, she is definitely not a simple character.

An hour later, Tang Yixuan and Zhao Liya signed each other's documents. The purchase of Tang's shares has been settled!

Tang Yixuan gave all the information of Tang to Zhao Liya. "Madame, don't belong to you now!"

Zhao Liya did not go to pick up Tang Yixuan's information, "I buy your shares not to get Tang's, but to help you tide over the difficulties! If you like, Tang can continue to manage you! "

Tang Yixuan shakes his head. "I will not! Tang is yours now. It has nothing to do with me. "

"Yixuan, how can your family survive without Tang?" Zhao Liya doesn't understand.

"Relief for our family! So I want to thank you for helping us to take this load off. "

Zhao Liya is completely in a state of "Tang Si Nian really decided to give up the Tang family?"

"Yes

Zhao Liya still did not give up, "so what are your plans?"

"I'll go out with my wife."

Tang Yixuan then put Tang's information on the table, and then he stood up. "I'll go first." Zhao Liya stood up anxiously, holding Tang Yixuan's arm in her hand. "Yixuan, I have something to say to you! It's about your life experience. "

Tang Yixuan looks blandly at Zhao Liya, and then he shakes his head. "I don't think it's necessary! I will only be Tang Yixuan in my life. " This is his promise to Xia Yunqiao, so no matter what happens, he will not change his mind.

"No! You're not Tang! " Zhao Liya immediately denied. "You have nothing to do with the Tang family."

At this time, a magnetic voice was inserted. "Since Tang Yixuan has nothing to do with the Tang family, who is he, madam?"

Tang Yixuan and Zhao Liya look back at the same time. They see Huo Dongyang, who doesn't know when he appears at the door of the private room.

Zhao Liya's vigilance increased. "Who are you? How did you get in? "

Huo Dongyang smiles and enters the room. "Don't be nervous, madam. This club just belongs to me. I heard that Yixuan was coming, so I wanted to say hello, but I seem to hear something I shouldn't listen to. "

Tang Yixuan knew that Huo Dongyang said this on purpose. "Uncle, how did you get here?"

Huo Dongyang takes a look at Tang Yixuan. "Little Joe was worried about you, so he asked me to come and have a look. I seem to be here at the right time to hear a big secret! "

Zhao Liya looks at Huo Dongyang. "Are you Huo Dongyang of HD? Xia Yunqiao's uncle? "

"Yes Huo Dongyang nods. "I'm Huo Dongyang. Welcome to choose HD club."

"Huo Dongyang, I hope you don't interfere in this matter."

Huo Dongyang immediately shook his head, "this seems to be impossible. Now Tang Yixuan also calls me an uncle. We're a family. I'm right, Madame Nangong! "

[Chapter 579](#)

Hearing Huo Dongyang's address to herself, Zhao Liya knew that he already knew his real identity. And these things should not be difficult for him.

Seeing Zhao Liya did not refute, Huo Dongyang took a few steps forward. "Mrs. Nangong should tell me in advance when she comes to a city."

"Don't bother. I'm here for personal reasons Zhao Liya replied.

Huo Dongyang's eyes fall on Tang Yixuan. He reaches out and pats Tang Yixuan on the shoulder. "It's about Yixuan?"

"Huo Dongyang, I hope you don't interfere in my family affairs." Zhao Liya gives a warning. She didn't make the trip public this time. She just didn't want other people to know that it was her own private affair.

Huo Dongyang nodded. "I'm not a meddler, so my wife can rest assured."

"Is it?" Zhao Liya's eyes are serious. Huo Dongyang's current behavior has fully shown that he is nosy.

Huo Dongyang smiles. "Madam, I hope you can understand that Yixuan and I are family now. So the family affairs, if you don't want to worry about it, are also about the past! "

Zhao Liya did not refute Huo Dongyang's remarks, and he did not say anything wrong. Now that Tang Yixuan and Xia Yunqiao are married, Huo Dongyang has become the elder of Tang Yixuan. However, it is also his own fault. He went directly to this club without asking clearly. He was anxious to see Tang Yixuan, which inevitably made mistakes.

Huo Dongyang looked around the atmosphere a little stiff, he looked back at Tang Yixuan. "Yixuan, is this business over?"

Tang Yixuan nodded. "Well!"

"Then, by the way, I won't talk about personal affairs together, will you? If you don't speak clearly now, it will be more troublesome in the future. Or you can listen to Mrs. Nangong's story. " Huo Dongyang looks at Tang Yixuan and says.

Zhao Liya has a sentence that can't be wrong, that is, these are her private affairs, and of course they belong to the Nangong family. From this point of view, I am really an outsider.

Tang Yixuan is really surprised that Huo Dongyang will let himself stay. What should he know? Otherwise, the time card will not appear just like this and let yourself stay. What is the secret of Nangong family? But Tang Yixuan's heart has always been excluded to accept these, he does not want to because of anything, let himself and Xia Yunqiao happen any variables.

Huo Dongyang gave Tang Yixuan an encouraging look, "it's OK to listen. We always have some identities that we can't get rid of. The more we evade these things, the greater their influence will be. Do you understand? "

Tang Yixuan nodded, "I know."

Huo Dongyang turned around and went out. This time should belong to their mother and son. What the truth is should be let them tell each other clearly. Today, Zhao Liya did not bring other people, presumably because of this purpose.

Huo Dongyang just returned to his room and saw Xia Yunqiao.

Huo Dongyang did not feel surprised, want to come to Xia Yunqiao should also know some things, "come to me?"

Xia Yunqiao nodded. "Yes

"Want to know about Tang Yixuan?"

Xia Yunqiao continued to nod his head. "Yes, uncle, tell me what you know. I don't want to think about it alone."

Huo Dongyang sat down. "Why don't you wait for Tang Yixuan to tell you?"

Xia Yunqiao then sat down, "if Yixuan will tell me, I won't come to see uncle today. He certainly didn't want to worry me, so he would choose to bear it alone. If I had not heard those things yesterday, I would not have known that Yixuan was not a child of the Tang family until I died. "

Huo Dongyang looked at Xia Yunqiao kindly. She and Tang Yixuan chose a difficult road, but what could not be stopped was their fate. Or to return to their own once said a word, if the fate of a little shallow. So now there's nothing.

Before the identity of Tang Yixuan, Huo Dongyang had a fluke heart, he is not the real Tang family, so he will not have the mission of the Tang family. As a result, Huo Dongyang thinks that God really likes to joke. The identity of the Tang family has been solved, and now a Nangong family has sprung up. The big family in state F, in a word, is the Royal relatives and relatives, and their family's contribution to state f can be said to be more powerful than that of the king.

Today, the Nangong family has made great contributions to the state. Therefore, the king was very polite to the Nangong family. He even wanted to be in laws with Nangong state, so that he could be a real kinsman. However, many years ago, the prince died unexpectedly, but the royal family announced that the prince was missing, which left the royal family and even the country f in a state of sadness.

Over the years, the king's precious daughter grew up, and the king seemed to intend to marry her to Nangong state. But Nangong family is also facing a problem in this generation. The son in the family is either married or too small, so the burden falls on Nangong Chao. However, Nangong Chao and Zhao Liya have to be tough. Therefore, it is urgent to find the son who has been missing for many years. So Zhao Liya secretly went to the country to find her son. In C City, she really found Tang Yixuan.

That's why there's going to be some of these things. Zhao Liya really prepared a lot for meeting Tang Yixuan today. So today, no one can stop her, and in no way, Huo Dongyang can only come forward to let Tang Yixuan listen to Zhao Liya's story. Or there are other secrets that outsiders don't know."What are you thinking, uncle?" Xia Yunqiao first saw Huo Dongyang with tangled face.

Huo Dongyang returned to his mind from his mind, "eh?"

Xia Yunqiao saw Huo Dongyang lose his mind for the first time. His uneasiness gradually expanded. It seems that things are not so simple. "Uncle, who is Yixuan?"

Huo Dongyang looked at Xia Yunqiao, "Xiao Qiao, if you and Tang Yixuan had not met, then everything will become very simple now."

"What do you mean?"

"If Tang Yixuan is really Zhao Liya's son, then he is a member of the Nangong family in F country."

Xia Yunqiao's eyes instantly enlarged, this matter has been beyond the scope of his imagination.

"Country f? Nangong family? "

Huo Dongyang simply told Xia Yunqiao what he knew. Huo Dongyang knows that this news is a big blow to anyone. Now everyone's eyes will be on Tang Yixuan, and his choice will change many things now.

Xia Yunqiao's face turned white, and she could say that she had a lot of thoughts in her heart. If Tang Yixuan was really from Nangong family, what should she and Tang Yixuan do?

[Chapter 580](#)

Tang Yixuan in the room listened to Zhao Liya telling the story of the past. Of course, there are some differences between this version and Huo Dongyang.

When she had not officially married Nangong Chao, she was unmarried and pregnant. Because of her love for Nangong Chao, Zhao Liya at that time insisted on giving birth to her child despite her family's opposition.

As soon as the child was born, the Nangong family found out that they took the child back, but they still refused to accept Zhao Liya's marriage to Nangong family because they disliked Zhao Liya's origin. Under one's anger, Zhao Liya stealthily takes Tang Yixuan away while others are not paying attention.

In order to avoid the eyes and ears of Nangong family, Zhao Liya left country f by plane overnight. In this way, Zhao Liya took Tang Yixuan to C City and began to live in C City. Although life is not very good, but the two mother and son are still dependent on each other.

But it didn't last long. The Nangong family finally found city C. in the absence of any way, Zhao Liya had to send Tang Yixuan away first, thinking that she would come back to pick him up after she had dealt with all the things. But she didn't expect that this time it would last more than 20 years.

After Zhao Liya returned to country f with the Nangong family, she found Nangong Chaosheng ill. In this way, she left her son behind and took care of Nangong Chao day and night in the hospital bed. Later, Zhao Liya's behavior moved the Nangong family, so they got married smoothly. When I came back to pick up my son, I didn't hear from him.

In recent years, Zhao Liya has been secretly looking for Tang Yixuan, but every time she gets news, she is disappointed. Until half a year ago, the news spread that the king intended to marry his daughter to Nangong family, and the burden fell on her and Nangong Chao. So this time, Zhao Liya personally embarked on the road to find her son, hoping to find her son.

Zhao Liya said and asked while wiping her tears, "Yixuan, these are the truth! You are from Nangong family! "

"So you came to me this time because the king intended to marry the princess to the Nangong family, because there was no one in the family, so you remembered me?"

Tang Yixuan calm face, but feel cold in the heart. If so, he would rather not hear the so-called truth himself. "If there's nothing else, then I'll go back first."

Zhao Liya was stunned and didn't think her son was so indifferent. "Yixuan..."

"Madam Nangong, I'm married. My wife is Xia Yunqiao, and my name is Tang Yixuan. I have nothing to do with your Nangong family. " Tang Yixuan said calmly. "I thank you very much for helping Tang, but it can't be a threat to me!"

With that, Tang Yixuan walked out of the room in his own footsteps. Although there is no expression on his face, Tang Yixuan's heart is contradictory. Just walked to the door, Tang Yixuan saw Xia Yunqiao.

Xia Yunqiao to Tang Yixuan smile, "husband, I come to pick you up."

Seeing Xia Yunqiao's gentle smile, Tang Yixuan's impatience all disappeared. He showed a faint smile to Xia Yunqiao. He walked quickly to Xia Yunqiao and held Xia Yunqiao in his arms. "Wife, I miss you so much!"

Xia Yunqiao showed a happy smile, she gently patted Tang Yixuan's back, "I miss you too!"

Tang Yixuan quietly holding Xia Yunqiao, it is absolutely impossible for him to give up Xia Yunqiao. He worked so hard to be with her, so he would not be stupid to say anything. He didn't want to take care of so much.

Xia Yunqiao can feel the change of Tang Yixuan. After knowing the truth like that, he has made great efforts to restrain himself. Xia Yunqiao doesn't want Tang Yixuan to have more burdens, so he has to pretend that he doesn't know anything. She doesn't want to make Tang Yixuan more unhappy.

"Honey, what are we going to eat later?" Xia Yun Qiao asked for a topic.

"We'll eat whatever you like?" Tang Yixuan replied.

Xia Yunqiao's eyes turned, trying to tease Tang Yixuan to ease his mood. She gently stood on tiptoe and whispered in Tang Yixuan's ear: "in fact, I want to eat you more!"

Tang Yixuan was slightly stunned. He didn't expect Xia Yunqiao to say such a thing. He reached out and fastened Xia Yunqiao's waist. "In such a hurry?"

"It seems that if you don't eat it, you can't really say it!" Xia Yunqiao said sweetly. "I am also a normal woman, so the color of food is also!" **NOvelusb.com**

Tang Yixuan's eyes are suddenly covered with a different color. He holds out a hand and holds Xia Yunqiao's nose. "That's what you said

Xia Yunqiao nodded. "Well! I said it

"Let's go Tang Yixuan buckles Xia Yunqiao's waist and leaves.

Zhao Liya chased out to see what happened just now and the smile on her son's face. She couldn't help destroying it. Have to admit that his gentleness is only left to Xia Yunqiao. In fact, did you do something wrong?

Huo Dongyang walked to Zhao Liya's back. "Nangong lady, the children have already had their own lives. Why not let them choose by themselves?"

Zhao Liya did not look back, because she did not want others to see her vulnerability. In recent years, she shouldered all the affairs of Nangong family for the sake of Nangong Chao who was not in good health. In other people's eyes, she represented Nangong family, so the word "fragile" could not appear in her own body. Zhao Liya tried to calm herself down and her eyes fell on the front. "You know everything

"Ma'am, you want to know about Little Joe, so I can easily know about you." Huo Dongyang said slowly.

Zhao Liya really underestimated Huo Dongyang. "I know that your grandmother and the Empress Dowager of F have some friendship. Although Mrs. Huo is not here, you still inherit everything from her. If you go to country f, you can be regarded as a royal VIP, or even equal to Nangong family. "

"It's all empty." Huo Dongyang replied. "I will not pose any threat to Nangong family. You can rest assured! I just want to say, don't embarrass children. Tang Yixuan has always been growing up as the Tang family. He has managed to get rid of the shackles of the Tang family. Why do you drag him into another dispute again? "

Zhao Liya frowns. She is not willing to do these things, but now she has no way. As a Nangong family member, some things are beyond her control!

"I'll go back first."

"Madame Nangong!" Huo Dongyang stops Zhao Liya. "If you really decide to do that, I think I'll stop you!"

Zhao Liya looks back at Huo Dongyang and doesn't understand the meaning of his words. "Why?"

"Because I don't think children should be sacrificed!" Huo Dongyang replied.
