

## Warm Wife 581

### [Chapter 581](#)

In the hotel room.

Shoes and clothes can be seen everywhere. You can see how fierce the war was before. Two people in bed hug each other and sleep, and their faces are covered with shallow smiles.

After a while, Xia Yunqiao slightly moved for a while, just turned over and was held by Tang Yixuan again.

"Tired or not?"

Xia Yunqiao opened his eyes, "I'm ok."

After hearing Xia Yunqiao's words, Tang Yixuan, who had closed his eyes, opened up in an instant. He said with a smile in Xia Yunqiao's ear: "it seems that I don't work hard enough!"

Xia Yunqiao immediately shook his head when he heard this. "Goodbye, the body really can't stand it!"

Tang Yixuan a smile, he hugged Xia Yunqiao, "sorry, let you suffer."

Xia Yunqiao face red, she thought of the previous crazy, now think of really some shy. I didn't expect that they would come to the hotel to open a room. It seems that only in this way can they not be disturbed.

Tang Yixuan see Xia Yunqiao did not speak, thought she was asleep. He gently covers the quilt for Xia Yunqiao, "don't catch cold!"

Xia Yunqiao turns over to directly nest in Tang Yixuan's arms, "husband, when are we going to travel?"

Tang Yixuan a smile, "originally you did not sleep. This travel time, I can at any time, depends on your time. "

Xia Yunqiao thought about it for a moment. It seems that she can't go away recently. Things like that happened before. So now she wants to stabilize the things in the studio, which should not go away in a short time. "I don't seem to be able to do it!"

Tang Yixuan touches Xia Yunqiao's hair. "It's not urgent. We'll go when you have time."

Xia Yunqiao looked at Tang Yixuan, "Yixuan, do you really not go back to C city with your parents?"

"What? Don't want me here with you? " Tang Yixuan deliberately asked, of course, he knew Xia Yunqiao didn't mean that.

Xia Yunqiao quickly shook his head. "Of course not! I just don't think it's very good for you to go back without your parents! I can't help it because of my work. I'm sorry. If you don't go back, I'm afraid they won't get used to it! "

Tang Yixuan reached out and held Xia Yunqiao's nose. "Now my parents have thought about the world of two, so I won't join in the fun! And I'm just married to you, and I don't want to be with you. "

"What are you going to do in city a?" Xia Yunqiao asked. "Why don't you come to the studio and help me?"

"Can't wait to have a husband?" Tang Yixuan is joking. "If I eat like this, I'm afraid my father-in-law will have an idea. Don't forget that he has not officially recognized our identity. So of course I can't do what he doesn't like

Xia Yunqiao knows that Tang Yixuan doesn't want to be difficult in the middle. In fact, she just wants to see what Tang Yixuan plans to do next. Can't always be like this? And Tang Yixuan she knows is not the kind of person who does not want to make progress, so he should have his own ideas.

Tang Yixuan with his forehead against Xia Yunqiao, "Xiao Qiao, as expected, nothing can hide from you!"

"So you really have a plan?" Xia Yunqiao's eyes lit up. "Can I help you?"

"I'll wait for Xu nan to come and make plans." Tang Yixuan or want to sell a pass.

Xia Yunqiao raised eyebrows, "so mysterious?"

"To give you a surprise!"

After knowing Tang Yixuan's idea, Xia Yunqiao really felt tired, and she slowly closed her eyes. Tang Yixuan looks at Xia Yunqiao in his arms, with a gentle smile on his face. He leaves a kiss on Xia Yunqiao's forehead. Then close your eyes.

In this way, Tang Yixuan and Xia Yunqiao stayed in the hotel for one night. What's strange is that during this period, no one came to visit them. It seems that everyone has a tacit understanding that they want them to live a good life of marriage.

The next day.

Xia Yunqiao started directly from the hotel to the studio. Because there were some car doors on the road, Xia Yunqiao arrived at the studio more than ten minutes late. So she started working without even having breakfast.

Although the accident did not cause significant losses, it will still have some impact. So Xia Yunqiao wanted the brand's reputation back. After consulting with others, they decided to launch a popular style, focusing on the younger generation.

Therefore, the design should be in line with the young taste of the public. Xia Yunqiao read a lot of relevant materials and prepared to start a new design in the two days. After all, it's the part that I'm not familiar with, so this early preparation is very important.

When it comes to lunch break, Xia Yunqiao and maiziqi use this time to discuss. The lunch boxes beside them are already cold, but they don't know at all. When I was hungry, I found that lunch time had passed.

"We forgot to eat again." Maggie said helplessly. After all, when they started their business, they always did. Later, both of them were not in good health. Finally, they were forbidden to work by Xia yueqian. Later, they slowly got well under the supervision of Xia yueqian.

Xia Yunqiao smiles. "I haven't felt like that for a long time. I still feel a lot of momentum. ""Save it! We are not young now! " Maggie last heard Xia Yueqian give her analysis after the results, she is also very afraid of death! So when she stopped, Maggie quickly heated the lunch box.

After seeing maiziqi out, Xia Yunqiao called Tang Yixuan to see what he was doing, but Tang Yixuan didn't answer the phone.

Xia Yunqiao put down his mobile phone, it seems that he should be busy, or call later.

"Joe, it's dinner."

"Good!" Xia Yunqiao replied, then stood up and went to Maggie's office for dinner.

Two people just ate half, someone came in and said that there were guests outside.

Xia Yunqiao and Maggie looked at each other and asked each other who would come at this time. Xia Yunqiao thought for a moment and then stood up. "Kiki, you eat first. I'll go and have a look."

Maggie nodded. "Do call me if you have something to do with it."

"Don't worry! I'm not so weak. " Xia Yunqiao said with a smile.

When Xia Yunqiao saw the people standing at the door of the studio, she felt unbelievable. How could she come to find herself? It should be!

When Zhao Liya sees Xia Yunqiao come out, she takes off her sunglasses.

"Miss Xia, I didn't disturb your work, did I?"

Xia Yunqiao shook his head, "No."

Zhao Liya goes to Xia Yunqiao. "I know you are busy these days, but I still want to delay your time."

"Madam, do you want to talk to me?" Xia Yunqiao immediately understood Zhao Liya's purpose here.

Zhao Liya nods. "I'll wait for you in the cafe across the street."

"Good!"

Xia Yunqiao went back to the office with his wallet and mobile phone and went out. When he left, he said to Maggie that he wanted to go out for a while and called if he had something to do.

Seeing Xia Yunqiao in a hurry, Maggie had to nod.

## [Chapter 582](#)

In the coffee shop.

Xia Yunqiao and Zhao Liya sit face to face. Seeing Zhao Liya without a word, Xia Yunqiao's heart has no bottom. Always feel oneself always seem to want the person of mother generation pester not clear.

Zhao Liya has been looking at Xia Yunqiao all the time. She has to admit that Xia Yunqiao is not bad at all. She is compatible with her son in all aspects. But now thinking of the problem of Nangong family, she felt that she had no way.

"Madam..." Xia Yunqiao saw that Zhao Liya had been in a trance, and her expression was somewhat dignified, so she was worried about her physical discomfort.

Zhao Liya looked at Xia Yunqiao, "are you and Yixuan really married?"

"Yes Xia Yunqiao nodded.

Zhao Liya organized the language for a while, and she didn't want to hurt Xia Yunqiao. If this matter is not done well, Huo Dongyang is not easy to explain.

Xia Yunqiao guesses what she wants to say from Zhao Liya's hesitation. It is estimated that Tang Yixuan has something to do with it. "My wife should come to me today for the sake of Yixuan?"

Zhao Liya nods. "Yes, you are very clever!"

"Now that you know it, I don't waste each other's time." Zhao Liya continued. "Your marriage with Yixuan is invalid."

Xia Yunqiao can't help laughing after hearing that. It's really troublesome to get married! First of all, Bai Xi's hard work, and now Zhao Liya. What's wrong with this? Is God making fun of her? Every time I look to be happy, something happens.

Seeing Xia Yunqiao did not speak, Zhao Liya continued: "Yixuan is going to follow me back to country F. And you will only be his hindrance! So I want to ask you to let him go, which is also the best result for you. "

Xia Yunqiao lowered her eyes and looked at the coffee in front of her. The smell of coffee is very strong, but Xia Yunqiao's mood at the moment is like coffee, with bitterness. When will this matter come to an end. "Madam, do you think the best solution is to separate me from Yixuan?"

"Yes

Xia Yunqiao shook her head, and then she said to Zhao Liya, "madam, if you can make this choice from my perspective, I think you should be the same as me!"

"What do you mean by that?"

"At the beginning, you could give up everything for Nangong Chao, even your own son. Why do you think I won't do that? " Xia Yunqiao asked Zhao Liya in turn.

Zhao Liya a Leng, how does she know this matter? Did Yixuan tell her?! In fact, Xia Yunqiao is right. Didn't he have to be like this? At the beginning, many people forced her to give up, she did not give up! But today she used this way to force others. Is this really right?

After Xia Yunqiao saw Zhao Liya's expression, she continued: "madam, Yixuan is not a commodity, he will not be affected by us! In my eyes, he is a person who has his own ideas. He will not accept anyone to arrange his life. "

"How do you know he doesn't want to?"

"If he wanted to, he would have chosen to marry Yu Zhiqing. And now it's none of my business. " Xia Yunqiao replied.

"That's not the same!" Zhao Liya retorted. "Tang Jiagen can't give him anything, instead, he has been using him all the time!"

Xia Yunqiao heard this sentence, his eyes also became sharp. "Why are you using him now? If you come to Yixuan, you just want him to go back to accept the mission of Nangong family! You want him to marry a princess and become a real Royal relative! This is a big deal for Nangong family! "

In the face of Xia Yunqiao's sharpness, Zhao Liya feels that she is lack of confidence. Xia Yunqiao is not wrong, which is the main reason why he came to Yixuan this time. Nangong Chao's health is not good, he can't bear the pressure for a long time. So she has to help Nangong Chao share!

Xia Yunqiao knows that she said something about Zhao Liya. She really loves Tang Yixuan! Before, he knew that he was not the son of the Tang family. He had been carrying the responsibility of the Tang family all these years. Now his biological parents come to him, but they let him as another chip to exchange the interests of the family. Every time I think of this, Xia Yunqiao's heart is very painful, as if she was pricked by a needle.

"Madam, please stand in Yixuan's angle to think for him! What kind of life he wants

"You..."

Xia Yunqiao looks like he's going out. "I know what I'm saying! But it's always the case! Now Yixuan is my husband, I have the right to guard him! He has experienced so much, I just want to make him happy! Nothing else has anything to do with me

Zhao Liya frowns, Xia Yunqiao is really different from her imagination. Now think about it, she is really in trouble today, a Xia Yunqiao has no way to persuade, so his son is even more helpless.

Xia Yunqiao stood up. "Madam, please don't hurt Yixuan! If you really feel guilty about Yixuan, then you should respect his decision! Don't all parents want to see their children happy? "

Zhao Liya was stunned. Xia Yunqiao said that she never thought about it! In looking for her son in these years, she has never stood in the mother's position to think about what the son really needs, she seems really not clear! Xia Yunqiao thinks more and more for Tang Yixuan is unworthy, "madam, I hope you think carefully, Yixuan is your son, but in my opinion, you don't really love him! If you really love him, you won't ask for it! In my eyes, I see that you have always loved only your husband

"You Zhao Liya felt that her mind had been pierced, and her face was a little too much to hang on to!

"If you can show up for your husband, I can do it for my husband!" Xia Yunqiao threw out a word directly.

At this time, applause came from behind.

Xia Yunqiao turned to see Tang Yixuan, "Yixuan, how did you come?"

Tang Yixuan with excitement to Xia Yunqiao's side, his eyes tightly locked Xia Yunqiao, with such a wife, his Tang Yixuan's life has been enough. "Thank you, Little Joe."

Xia Yunqiao shakes his head, "we are husband and wife, needless to say thank you!"

Tang Yixuan put his arm around Xia Yunqiao's shoulder, and then faced Zhao Liya with her. "Madame Nangong, my wife has answered for me just now. Her answer is mine. And I told you clearly yesterday that I can only do Tang Yixuan! "

"Yixuan, can you really leave your father behind?" Zhao Liya has a pain in her heart. Is he really wrong? My son is not going to go back to country f with himself, nor to recognize them.

Tang Yixuan looked at Zhao Liya and said, "I have my family."

### [Chapter 583](#)

Hearing this, Zhao Liya was undoubtedly hit by a double blow. She felt that she had never failed so much in the past 20 years.

"Yixuan, do you know what you are talking about?"

"I know. But I'm not wrong Tang Yixuan replied. Just after receiving the call from Maggie, he guessed that Zhao Liya had come to find Xia Yunqiao. So he rushed over, and just heard Xia Yunqiao's words. Those words are also a kind of strength to himself!

So no matter what happened, he decided to face it with Xia Yunqiao. Xia Yunqiao is his wife. He must protect and take care of her. But today his wife is fighting for herself!

Xia Yunqiao reaches out to hold Tang Yixuan's hand, hoping to give him strength. No matter what happens, she will not let go of Tang Yixuan's hand.

See Zhao Liya has been silent, Tang Yixuan holding Xia Yunqiao's hand ready to leave.

"Yixuan, wait a minute!"

Tang Yixuan looks back at Zhao Liya. "Is Madame Nangong still busy?"

"Yixuan, do you really make a decision?" Zhao Liya asked without hesitation.

"Yes! I am not a child, I have my own life Tang Yixuan replied. "And my name is Tang Yixuan."

Seeing the back of Tang Yixuan and Xia Yunqiao leaving, Zhao Liya falls into a chair, her face is lost. Are you doing everything wrong? What should we do now?

Li Huiqin went to Zhao Liya and said, "madam, let's go back."

Zhao Liya looks at Li Huiqin with tears in her eyes. "Huiqin, am I really wrong? My son doesn't recognize me now! Xia Yunqiao just said I don't love my son

Li Huiqin reaches for Zhao Liya. "Don't think too much, madam. There are some things you have a hard time with! "

"But I can't explain why I left my son, so it's my retribution." Zhao Liya said with remorse. It was really not right to leave my son behind.

Li Huiqin helped Zhao Liya to sit down again. "Ma'am, some things are really hard to come by. Always give Yixuan some time to tidy up. "

Zhao Liya propped up her painful head with her hand. "But we don't have much time! I'm afraid there have been new changes in country f! "

"Don't think too much, madam! You still have the master

"I wish he could hold on."

Xia family.

Xia yueqian and Yun Muxin are waiting for Xia Yunqiao and Tang Yixuan to come back for dinner, but these two people have never come back.

"Why don't you come back? Is nothing going to happen? " Xia yueqian put down the magazine again.

Yun Muxin took a look at this point, how to say it should have been off work, why not come back. "I'll call to ask."

Xia Yunqiao's mobile phone is not connected. Yun Muxin calls maiziqi. As a result, maiziqi tells Yun Muxin all the things that happened today in the phone.

Seeing that Yun Mu Xin's face is not good, Xia yueqian immediately sits beside Yun Mu Xin. "What's the matter?"

"It seems that something really happened." Cloud Mu Xin put the phone down, "Qiqi said Tang Yixuan took Xia Yunqiao out in the afternoon and didn't come back."

"What happened?" Xia yueqian is worried about her daughter, so she is very nervous.

Cloud Mu Xin shakes his head, "Qiqi doesn't know. There was a man who went to see Xia Yunqiao. Later Tang Yixuan also passed, and finally Xiao Qiao and Tang Yixuan left together

Xia yueqian frowned, "who is it?"

"I don't know! I'll ask them later when they come back. " Yun Muxin feels that things are not so simple.

Tang Yixuan and Xia Yunqiao returned to Xia's home and said that at 8:00 p.m., as soon as they entered the door, they saw the eyes of Xia yueqian and Yun Muxin.

Yun Muxin immediately stood up. "Where have you been? The phone has been blocked! "

"Yixuan and I went to the suburbs to buy Dad that roast chicken." Xia Yunqiao replied. "I got stuck in a traffic jam, so I came back late."

Xia yueqian sees Tang Yixuan holding a bag in his hand, which is to understand. That chicken shop is in the suburbs. It takes more than an hour to go back and forth. If there is a traffic jam, I really don't know how long it will take! However, seeing that they still know what they like to eat, Xia yueqian's tone is much better. "Say it in advance next time."

"Forget it. We will pay attention next time! " Xia Yunqiao nodded.

Tang Yixuan took things in front of him. "Sit down and I'll heat up the food."

"Mom, I'll go with these!" Tang Yixuan said with a smile.

Xia yueqian sees Tang Yixuan to have such consciousness, feel good! "Well, that's how it should be!"

See Tang Yixuan into the kitchen, cloud Mu Xin a look falls on Xia Yue Qian's body, "you?" Xia yueqian received it and immediately stood up and went to the kitchen without saying a word.

Xia Yunqiao smiles. "It's still my mother who has a way."

Yun Muxin reaches out and pulls Xia Yunqiao to sit down. "Xiao Qiao, are you OK with Yixuan?" "No! We're all right Xia Yunqiao shakes his head. She didn't want to worry about her family, because it would only make people worried if she said it. So she and Tang Yixuan discussed it, or not to say it, so as not to worry about more people!

Cloud Mu Xin see Xia Yunqiao's expression, know something. A daughter comes out of her own belly, and she can see anything she has. She chose not to say it, probably because she didn't want to worry her.

But Yun Mu Xin didn't tear it down in person, "it's OK. You have to say something. We are all one family, things can be solved together! "

"I will!"

In the kitchen, Xia yueqian also asked Tang Yixuan the same thing. Of course, he got the same reply. However, Xia yueqian did not like cloud Mu Xin so quietly, directly exposed Tang Yixuan. "You must have something! How can I say it is more than you live decades, see more than you! Who is the man who went to see little Joe

Tang Yixuan's action stops. "Don't worry, Dad! I won't let Joe get hurt! I use my life as a guarantee

"So something really happened?" Xia yueqian was wondering whether that person would be the woman mentioned by the nurse before! She went to see Bessie, and that night she was stimulated by her presence. Who the hell is this woman? It's so lethal!

Tang Yixuan did not answer Xia yueqian, but took the roast chicken to heat.

Xia yueqian thinks that Tang Yixuan and Xiao Qiao have big things to hide. It seems that Tang Yixuan has a direct relationship with this matter.

"Tang Yixuan, although I haven't officially recognized you as a son-in-law, if you have any problems, you can say it! For the sake of Joe, I can help you with that! "

"Thank you, Dad! I'll take care of it myself! " Tang Yixuan does not want more people involved in this matter, after all, this matter is not so easy to solve!

#### [Chapter 584](#)

The family soon sat down to eat, and everyone didn't talk about the unhappy things. It's about the past.

During this period, everyone had a smile on their faces, so this meal also lasted a long time. Later, because it was too late, Xia yueqian first asked Tang Yixuan to stay for a night, but he didn't agree to sleep with Xia Yunqiao.

Xia Yunqiao prepared Xia yueqian's pajamas for Tang Yixuan. "I'm going to put on dad's pajamas tonight."

"There's nothing wrong with that." Tang Yixuan said with a smile. "Thank you, wife!"

Xia Yunqiao smiles. "Honey, you are so nice!"

"You go to bed early. Don't you have a job tomorrow?" Tang Yixuan continued. "I'll see you off tomorrow morning."

"Good!" Xia Yunqiao nodded. She really wanted to spend more time with Tang Yixuan. "Then go to bed early and don't think too much about other things."

Tang Yixuan reaches out and hugs Xia Yunqiao in his arms. "Well, with you by my side, I feel satisfied!"

Xia Yunqiao buried his head in Tang Yixuan's arms. "Yixuan, I will always support you by your side!" Although this sentence has been said several times, Xia Yunqiao still wants to continue talking with Tang Yixuan, hoping that when he is tired, he will remember that he has been around him.

Tang Yixuan kisses Xia Yunqiao's hair, "Xiao Qiao, I know it! So I don't want you to sacrifice anything for me! Do you understand? "

"Yes Xia Yunqiao nods. She also has such a decision in her heart. If necessary, she will go to country f with Tang Yixuan and face the Nangong family together. When she saw Zhao Liya's expression today, she would not easily give up Tang Yixuan to go back to country F. The purpose of her coming to city a this time is to take Tang Yixuan back.

Xia Yunqiao suddenly wants to know whether the princess of F country is very beautiful. If she is very beautiful, then she will be in danger. After all, these Royal princesses are beautiful, proficient in many languages, and even very artistic. Such a contrast, he seems weak burst!

Aware of Xia Yunqiao's emotional change, Tang Yixuan asked: "what do you want?"

"Yixuan, if that princess is very beautiful, would you consider her?"

Xia Yunqiao's questions make Tang Yixuan very dissatisfied. "What nonsense! Even if she is really beautiful, my heart only you! You are the most beautiful in my eyes

Tang Yixuan's words make Xia Yunqiao smile again. "I remember that! If you dare to see other women in the future, I will not let you go! "

"Yes Tang Yixuan nodded.

At night.

While Xia yueqian and Yun Muxin are asleep, Xia Yunqiao quietly comes to the guest room.

Tang Yixuan looked at Xia Yunqiao holding a pillow. He said with a smile, "what do you mean?"

"Sleep with you!" Xia Yunqiao replied. "What? You don't want to? "

"No! It's just a surprise. " Tang Yixuan shakes his head. "Don't you worry about Dad getting angry?"

"Dad always pays attention to work and rest time, so he and his mother have already fallen asleep." Xia Yunqiao said as he squeezed into the room.

Tang Yixuan can't help laughing when he sees Xia Yunqiao's furtive action! But seeing that she did it for his own sake, he felt warm in his heart and closed the door.

At this time, two figures came out of the corner. Xia yueqian was angry. I didn't expect to stay here for such a long time. Actually, she was his daughter first. She was really a woman who couldn't stay! Xia yueqian felt speechless.

On the side of the cloud Mu Xin but smile, "I won! So you should be polite to Tang Yixuan. He is also our son-in-law now. "

"You don't want him to look good!" Xia yueqian is unconvinced!

"It's a face watching era."

"Beauty can serve as a meal?" Xia yueqian thinks that today's young people can't do it. He judges a person with a face, which is too wordless!

Cloud Mu Xin pushed summer Yue Qian, "OK, it's not early, go to bed!"

"But little Joe..." Xia yueqian is still worried.

"All right! Xiao Qiao and Yixuan have already taken up their posts with certificates. What are you nervous about?" Yun Muxin reminds Xia yueqian again.

Xia yueqian said that he could not help but turn back to his room. Forget it, the husband should be willing to gamble and admit defeat!

The next day.

Xia Yunqiao is ready to go back to his room when it is just light.

Move, Tang Yixuan opened his eyes. "What's the matter?"

"I'll go back to my room first. If dad finds out, he'll have a problem with you." Xia Yunqiao replied. She didn't want her father to have a problem with her husband.

Tang Yixuan reaches out and hugs Xia Yunqiao. "Don't go back!"

"Why?" Xia Yunqiao asked.

"Because they already know." Tang Yixuan replied.

Xia Yunqiao got up. "What! They know? "

Tang Yixuan nodded. "What do you think? This is your home. What's going on with you? Won't they find out? "After Tang Yixuan's reminder, Xia Yunqiao patted his forehead. Yeah! How did her IQ deteriorate? How can a smart man like dad not find out! This is his own home, a little bit of wind and grass he knows!

"What should I do now?" Xia Yunqiao worried that Xia yueqian would have more opinions on Tang Yixuan.

Tang Yixuan reaches out and hugs Xia Yunqiao. "I'll explain to Dad, it's still early, you go to bed again!"

Xia Yunqiao listened to Tang Yixuan's steady heart beat, and then settled down in his heart! Yes, whatever it is. As soon as you come, you will be at ease! I'll reason with my dad when I'm big.

Seeing Xia Yunqiao falling asleep again, Tang Yixuan gently touches her head. "Sleep well!"

When Xia Yunqiao is asleep, Tang Yixuan gets up quietly and covers Xia Yunqiao with quilts. Then out of the guest room, just walk to the living room to see Xia yueqian, who has already prepared breakfast in the kitchen.

"Good morning, Dad!"

Xia yueqian looked back and said, "Well!" It is really said by Yun Mu Xin that he is handsome and has capital. Such an old-fashioned old-age pajamas actually wear a different flavor on Tang Yixuan's body!

Tang Yixuan rolled up his sleeves, "Dad, I'll help you!"

Seeing Tang Yixuan standing beside him, Xia yueqian suddenly opens his mouth. "Is little Joe awake yet?"

"Well, I want her to sleep more. She's been very tired these days Tang Yixuan replied.

For this answer, Xia yueqian is satisfied. "Well, she should be given more rest. Xiao Qiao has been working hard and hard since childhood! So she has today's results are all relying on her own efforts to get! "

Tang Yixuan nodded. "Little Joe is really excellent!"

"What are you going to do next?" Xia yueqian wants to hear Tang Yixuan's ideas.

"Dad, I may need to go abroad." Tang Yixuan tells Xia yueqian what he thinks.

### [Chapter 585](#)

Hearing Tang Yixuan's words, Xia yueqian confirms what he thinks in his heart. It seems that something has happened.

"You have something to hide from us." Xia yueqian used affirmative sentences. He knew from their performance last night. That roast chicken is not really for nothing. This is a typical example of nothing to do.

Tang Yixuan nodded his head, "sure enough, I can't hide it."

"Of course, I've had more salt than you've had." Xia yueqian replied. "Now can you tell me what happened?"

"Dad, I'll let you know when I get to the bottom of it." Tang Yixuan doesn't want to influence the Xia family because of himself.

Xia yueqian was not happy when he heard this. The boy still doesn't think of them as a family. At this time, we should help each other, but he pushed them away, obviously looking down on Xia family.

Tang Yixuan knows that Xia yueqian is not happy, but because he is in a confused mood, he does not want to affect others.

Xia yueqian did not continue to ask, but began to prepare a love breakfast for his wife. Seeing that Tang Yixuan was still standing there, he patted Tang Yixuan on the back, and his face was obviously unhappy. "What's the pestle doing here? If you want to be dazed, go out! If you don't go out, prepare a breakfast for your wife"

"Good!" Tang Yixuan tidies up his mood.

When Yun Muxin gets up, she sees Xia yueqian and Tang Yixuan busy in the kitchen. She stealthily takes out her mobile phone and secretly takes a picture. Such a picture of love must be taken.

Hearing the sound of the shutter, Xia yueqian looks back. See cloud Mu Xin, the displeasure on the face slowly disappear. "Up?"

"Well!" Yun Muxin nodded and walked into the kitchen. "What are you prepared for? How delicious it is

Yun Muxin sees the breakfast prepared by Xia yueqian and Tang Yixuan. Xia yueqian prepares the breakfast for himself, which has not changed for thousands of years. So when he looks at the breakfast prepared by Tang Yixuan, his eyes can not help but take some new expectations. "This looks delicious. Can I try it?"

"Of course Tang Yixuan said with a smile.

Cloud Mu Xin ignores Xia yueqian's sad eyes and starts to eat breakfast made by Tang Yixuan with chopsticks. "It's delicious!"

"If mom likes it, I can give you this one. I'll get another for Joe Tang Yixuan went on to say, this is obviously with the tone of pleasing his mother-in-law.

Xia yueqian walked out discontented, feeling hurt in his heart. Now really only see the new laugh, do not hear the old cry, this is why he does not like Tang Yixuan home, he is an old man is not welcome!

Xia Yunqiao came down from the upstairs and saw Xia yueqian sad sitting in the living room. "Good morning, Dad!"

"Well!" Xia yueqian perfunctorily should a, also did not have the enthusiasm of the past.

Xia Yunqiao felt wrong, and then went to Xia yueqian. "Dad, what's the matter with you? Not happy in the early morning? "

At this time, the kitchen came to Yun Mu Xin's laughter, and the expression on Xia yueqian's face was even more injured. A look of being abandoned. Xia Yunqiao a smile, immediately also understand.

"Mom and Yixuan were in the kitchen, so you were kicked out?"

"You've just been kicked out. I've come out myself!" Xia yueqian refused to accept and refuted.

Xia Yunqiao turned around and went to the kitchen. She saw a surprising scene. Her mother was making breakfast. It seemed that she had never seen it since she was in primary school.

"What is the situation?" Xia Yunqiao exclaimed.

Hearing Xia Yunqiao's voice, Yun Muxin and Tang Yixuan turned back together. Yun Muxin said with a smile, "Xiao Qiao, you're up! Yixuan teaches me how to make breakfast

Xia Yunqiao walked over and really saw his mother doing a decent job, "Mom, good!"

"Yes! It's all from Yixuan. " Cloud Mu Xin answers.

Xia Yunqiao now finally understood the meaning of Xia yueqian's expression just now. She whispered, "Dad is sulking in the living room!"

Yun Muxin is used to it. "Let him go. It'll be fine in a while anyway."

"Mom!"

Yun Muxin nodded immediately. "I see!" Finish saying, cloud Mu Xin put down the spade in the hand, turn to go out.

Seeing Yun Muxin go out, Tang Yixuan asked, "did I do something wrong?"

Xia Yunqiao shakes his head. "No, it's just that they always are! Sometimes it's like a child. "

Tang Yixuan finally made breakfast for the whole family, and Xia yueqian was relieved by Yun Muxin's pacification.

After breakfast, Tang Yixuan sent Xia Yunqiao to the studio.

"I'll pick you up from work this afternoon!" Tang Yixuan says to Xia Yunqiao who wants to get off.

Xia Yunqiao nodded with a smile. "Thank you husband!" With that, Xia Yunqiao kisses Tang Yixuan on the face. "Reward!"

Tang Yixuan gently touches Xia Yunqiao's hair. "Remember to eat at noon!"

"Got it!"

Seeing Xia Yunqiao get off the bus, Tang Yixuan's face changed. Just after coming out of Xia's house, he always found a car following him! Tang Yixuan starts the engine and drives the car away. Sure enough, the car behind followed up again. Tang Yixuan deliberately drove the car to the road without any cars, and then an emergency brake came. The car behind me was obviously caught off guard. If it wasn't for good technology, I would have hit it.

Tang Yixuan unfastened his seat belt and got out of the car. His eyes were sharp at the car behind him.

After a while, Zhao Liya got out of the car.

"You are indeed Tang Yixuan's guess is right. "Madam Nangong, do you have the habit of following others?"

"Yixuan, I don't mean that. I just want to see if you are OK." Zhao Liya does not want to let Tang Yixuan misunderstand, so she explains in a hurry.

Tang Yixuan has no interest in these things at all. "Since Nangong lady has seen it, can you go back? Next time there is such a thing, I will call the police to deal with it! "

"Yixuan, do you have to do this?" Zhao Liya said sadly.

Tang Yixuan interrupted Zhao Liya. "Madam Nangong, I have made my words very clear! If you don't understand, I can go on talking to you again? "

"Yixuan, I'm your mother!"

Tang Yixuan shakes his head. "No, my mother is in the hospital, and I'm going to see her now. If Mrs. Nangong is interested in continuing to follow, then I have no opinion! "

Zhao Liya put her hand on her heart and said, "Yixuan, it was my mother who made a mistake in the past, but the blood relationship between us is continuous!"

"So Madame wants to say that my body is full of heartlessness like you? Will you give up your son at all costs? "

"Yixuan, I don't mean that!"

"I'm in a hurry to go first!" Tang Yixuan doesn't want to go on talking with Zhao Liya.

### [Chapter 586](#)

To the hospital.

Tang Yixuan found that Zhao Liya really followed, but this time she did not get off the bus. He then ignored and went straight into the inpatient department. And all this was seen by Xia yueqian in the office.

His eyes fell on the low-key luxury car. Who was sitting in it? This is to come with Tang Yixuan, and it is obvious that Tang Yixuan knows it, but has not prevented it.

Xia yueqian is analyzing all kinds of possibilities when the phone on the desk rings.

"Professor Xia, a lady Zhao is looking for you!"

"Miss Zhao?" Xia yueqian searched in his mind as if he didn't know Ms. Zhao. Who the hell is this woman.

"Yes, she said Professor Xia would know who she was whenever he saw her." Hear such words, Xia Yue Qian's brow frowns. Intuition told him that this woman was not ordinary.

See Zhao Liya into his office, Xia yueqian said really do not know.

"Miss Zhao?"

"Yes Zhao Liya nodded to Xia yueqian. "I have heard of Professor Xia for a long time. This time I came here in admiration. "

Xia yueqian looked at Zhao Liya. It was obvious that the woman did not tell the truth. She should be here for other purposes! "Sit down, please."

Zhao Liya sat down opposite Xia yueqian, "I want to ask Professor Xia to prescribe me a pair of medicine today."

"What's wrong with Madame?" Xia yueqian felt that Zhao Liya was aiming for what purpose.

"Heart disease!" Zhao Liya replied.

Hearing this answer, Xia yueqian said with a light smile. "I'm really sorry, madam! I can't cure this heart disease. This can only be solved by yourself. There is nothing I can do

Zhao Liya shook her head. "Can Professor Xia listen to my illness first?"

"Well!" Xia yueqian did not stop Zhao Liya, but let her speak out, which would be more comfortable for her.

But the more Xia yueqian listened to Zhao Liya's story, he always felt that something was wrong. If she doesn't get it wrong, she's looking for her son. She and her son have been separated for more than 20 years. Recently, she met with her son, but the son did not want to admit that she was a mother.

Xia yueqian saw Zhao Liya's sad expression. Instead of comforting her, Xia yueqian patiently waited for her to choke and then continued to speak.

"Professor Xia, what do you think I should do?" After Zhao Liya finished, she asked Xia yueqian for her opinion.

Xia yueqian looks at Zhao Liya and says. "It's not easy to do! This matter can't come in a hurry! After all, it takes time for children to accept this fact again after so many years of separation. "

Zhao Liya looked helpless and bowed her head. "So Professor Xia has a way? I'm really sick. "

"I can't help it!" Xia yueqian answered directly. "I'm just a doctor and I can't help my wife with her family affairs."

Zhao Liya looks at Xia yueqian. "I think Professor Xia has a way."

"What?" Xia yueqian's heart trembled. Zhao Liya gradually saw that there was a certain in his eyes.

Zhao Liya added at this time, "in fact, I have been following him to the hospital today. He came to the hospital to take care of his adoptive mother."

Hearing such a sentence, Xia yueqian's pupil instantly enlarged. That answer is coming out. Tang Yixuan! Her son is Tang Yixuan! So that's why Tang Yixuan mentioned that he would go abroad in the morning.

After Zhao Liya saw Xia yueqian's reaction, she nodded and wanted to tell Xia yueqian that his guess was right!

Xia yueqian remembers the performance of Tang Yixuan and Xia Yunqiao last night, and understands all of them. "Ma'am, if you say that, I can't help it!"

Zhao Liya is stunned. She didn't expect Xia yueqian to say so. She felt there was something wrong. It seems that she really underestimated the receptivity of this group of people. Xia yueqian has already known the truth, but it is rare to be able to keep calm like this.

"Is there really no way?"

"Yes Xia yueqian gave an accurate answer. "I'm just a doctor!"

Zhao Liya looks disappointed. "Well! But today, I still thank Professor Xia for listening to me

"Madam, I have a word to say to you." Xia yueqian saw Zhao Liya want to stand up, he immediately added a sentence.

Zhao Liya's eyes lit up in an instant. "You're right. There's no way to cut off flesh and blood. But between people to use the sincerity to treat! If the family members are few and sincere, then even if they have blood relationship, they will be strangers

Xia yueqian made his words very clear, just about to say each other's names. Hearing these words, Zhao Liya nodded. "Thank you, Professor Xia!"

Not long after Zhao Liya left, Xia yueqian thought for a while. Finally, he still wanted to ask Tang Yixuan.

When we got to Bessie's ward, there was no one in the room. Xia yueqian asked the nurse, only to know that Tang Yixuan took Bai Qian out for a walk. When Xia yueqian was ready to go back to his office, he met Tang Sinian. "You came just in time. I have something to ask you. Come to my office."

Tang Sinian is a little confused, or follow Xia yueqian. As soon as he entered the door, Xia yueqian closed the door, as if he didn't want others to know.

"What's the matter? It seems very mysterious!"

Xia yueqian stares at Tang Si Nian directly. "Tang Si Nian, you still hide such a big secret!"

"What's the matter?" See Xia yueqian angry appearance, Tang Si Nian also feel at a loss.

"Tang Yixuan's life experience!"

Tang Sinian's eyes flashed, and he was eventually found. "You already know that?" *NovelusB.COM*

"Of course you want us not to know. That woman has come to me today. Tang Yixuan even wants to let her go through the relationship

"What!" Tang Sinian did not expect Zhao Liya to do so. It seems that she will never give up until she reaches her goal this time. First, I came to find him and Bai Qian. Then I met Tang Yixuan alone. Yesterday, I also went to see Xia Yunqiao. Today, I will come to Xia yueqian. Will you go to find Yun Muxin next?

Seeing Tang Si Nian's expression, Xia yueqian felt that he had already guessed that he had already made ten. "Who is that lady Zhao?"

Tang Sinian looked at Xia yueqian for a moment and then said, "I think you should ask Huo Dong Hui more clearly about this matter."

Xia yueqian helped his forehead. "Huo Dongyang knew that for a long time? Good, you are really good! I've always wanted to hide from the world! So now, it's just me and Mu Xin who are covered in the drum? "

"We don't mean to hide it. I just didn't expect Zhao Liya to do this. " Tang Si Nian explained.

Xia yueqian thinks about it, but still thinks he should ask Huo Dongyang.

## [Chapter 587](#)

Xia yueqian went directly to Jiangwan villa after work, but as soon as he entered the door, he saw Qiao Wei winking at himself.

"What's the matter?" Xia yueqian asked.

Qiao said to Xia yueqian in a low voice: "guests are coming from home."

Xia yueqian's heart has a general idea, can't be Zhao Liya come! "Mrs. so?"

"You already know that?" Qiao Wei is a little surprised. Xia yueqian already knows these things.

Xia yueqian nodded, in the heart originally thought to break in hard, later still hold back. "Forget it. I'll take another time." Want to come to Zhao Liya to find Huo Dongyang should also be for Tang Yixuan.

Qiao Wei saw Xia yueqian's angry expression, she laughed. "Schoolmaster, you look so funny."

"I look so funny? Don't you see that I'm angry?" Xia yueqian appears speechless, always feel uncomfortable in the heart. They all know that only he and Yun Muxin are fools and don't know anything!

Qiao Wei gives Xia yueqian a reassuring look. "Or come in and wait?"

"No! I'm going home." Xia yueqian shakes his head. "Or you can ask Huo Dongyang to call me later."

"Well, yes!" Qiao Wei also promised Xia yueqian.

Xia yueqian turned around, hesitated for a moment and then suddenly turned around. "Wei Wei, who is Zhao Liya?"

"From Nangong family in F country."

Xia yueqian recited the name silently. "Nangong family?" He didn't understand this, so he didn't know what kind of concept Nangong family was.

"I heard Dongyang say that Nangong state is a meritorious official of state F. The king gave them three points of courtesy. "

Qiao Wei's words, let Xia Yue Qian's eyebrows wrinkle up. "According to you, Tang Yixuan's identity is also very powerful?"

Joe nodded. "Yes, it is more noble than us."

"Noble?" Xia yueqian hummed a few times. "I don't care who he is. He still calls me father-in-law when he sees me!"

"Yes, yes, yes!" Said Joe, smiling. Of course, other words, she will not say more, otherwise, it will be a mess! Because if Xia yueqian knows, this matter certainly will not end. So think about it or forget it! Huo Dongyang has to talk about these things.

Xia yueqian's heart is extremely unbalanced. Seeing that Tang Yixuan is a jobless vagrant, he has now become a big man in country F?! Such a change is hard to accept.

Xia yueqian returned to the Xia family. Yun Muxin has already come back, even Tang Yixuan and Xia Yunqiao are here.

"The more modest, why is it a little late today?"

"Well, something's delayed." Xia yueqian replied, and then his eyes fell on Tang Yixuan.

Tang Yixuan noticed that Xia yueqian looked at something different in his eyes. His heart thumped for a moment. It seemed that some things could not be concealed.

Xia yueqian quickly withdrew his eyes, "I'm going to cook."

At night.

Xia Yunqiao went to the study to find Xia yueqian, "Dad, can I come in too?"

Xia yueqian took off his reading glasses. "Aren't you already in? What's the matter? "

Xia Yunqiao closed the door of the study. "Yes, there are some things to tell you."

"You want to tell me about Tang Yixuan's life experience?" Xia yueqian didn't want to beat around the bush.

"Dad, do you really know?" Xia Yunqiao asked. Just after dinner, Tang Yixuan told Xia Yunqiao what he thought. Now hearing this, Xia Yunqiao can almost confirm one thing. "Has Dad met Mrs. Nangong?"

Xia yueqian heard the name, his anger also came out, he threw the pen. "What? Are you all going to keep it from me and your mother? "

Xia Yunqiao shook his head, "I didn't say it before because I didn't want you to worry."

"That Nangong lady, now iron heart wants Tang Yixuan to go back with her." Xia yueqian said everything he knew. "So what do you mean now? Or don't you want to discuss it with us? Xiao Qiao, if you want to marry Tang Yixuan, I'll turn a blind eye, but this situation is not the same now! Tang Yixuan may no longer be Tang Yixuan! "

Xia Yunqiao also thought that Tang Yixuan might become the prince of state F. So what should I do at that time? Although Tang Yixuan repeatedly in the guarantee, but Xia Yunqiao's heart is still uneasy.

Xia yueqian looked at his daughter's expression, and he also made a general guess. "Is there any other important reason why Zhao Liya must take Tang Yixuan away! Now you should still want to keep one of the most important things hidden? "

"Dad, I didn't mean to hide it from you. It's just that it hasn't happened yet. "

"Good! Since you don't say it, I will analyze it myself. My head is not rusty yet. Let me talk about my guess. Zhao Liya wants Tang Yixuan to go back. What kind of family mission should she have? Otherwise, she won't meet us again and again, and she wants us to let Tang Yixuan go! "

Xia Yunqiao a Leng, it seems that she really underestimated his father, "Dad, you all know it!" "I haven't got dementia yet. I'll analyze it in combination with something else! Does Tang Yixuan's family mission have something to do with the royal family of state f? "

In fact, on the way home, Xia yueqian has already checked the information about Nangong family in country F. So he has a bottom in his mind.

"Xiao Qiao, today, it's hard for you and Tang Yixuan to walk in the future!" Xia yueqian is really worried about his daughter.

Xia Yunqiao looks at Xia yueqian. "Dad, I will not leave Yixuan. When we have difficulties, we will face them together. The husband and wife should share weal and woe together

"Ah Xia yueqian looks at Xia Yunqiao and can't help shaking his head. "Child, you work hard! Dad, I love you

Xia Yunqiao saw Xia yueqian's worried eyes. She reached out to hold her father's hand. "Dad, I know you love me! And I also love Yixuan! "

"Silly boy!" Xia yueqian didn't say anything! Now that the daughter has made a decision, he will support her and even become her strength. That's what he can do for his daughter.

Xia Yunqiao smiles at Xia yueqian. "Dad, just let me be wayward again!"

"What are you and Tang Yixuan going to do?" Xia yueqian asked.

Xia Yunqiao hesitated, she looked at Xia yueqian. "Dad, I want to ask you a favor!"

From the study, Xia Yunqiao looked at Tang Yixuan, he immediately took Xia Yunqiao's hand. "Dad, do you already know?"

"Mrs. Nangong went to see Dad today, and she told him everything about it!"

"So what does Dad mean now?" Tang Yixuan would like to know the result.

Xia Yunqiao smiles at Tang Yixuan. "Don't worry, dad will support us! He is a reasonable person, so you don't have to worry about this! But if dad wants to talk to you, you must bear with it and let him vent all his anger! "

"Good!" Tang Yixuan clenched Xia Yunqiao's hand, "Xiao Qiao, it's good to have you!"

## [Chapter 588](#)

At a time when everyone felt worried, Tang Yixuan unexpectedly agreed with Zhao Liya.

This initiative makes Zhao Liya happy all night can not sleep, although don't know what Tang Yixuan wants to say to herself, but this is enough to make me feel extremely happy.

"Ma'am, are you still up?" Li Huiqin saw Zhao Liya still standing in front of the window, so she called out.

"I can't sleep." Zhao Liya looks back at Li Huiqin and answers.

Li Huiqin understands Zhao Liya's mood. Such a thing is very important to her. At this time, she will feel excited.

"Huiqin, what kind of clothes do you think I should wear? I don't want Yixuan to think that I am a very distant person. Anyway, I am also his mother!" In fact, Zhao Liya's speech is a bit messy, and she has no idea what she is talking about.

"Ma'am, you look good in anything." Li Huiqin said with a smile.

Zhao Liya then compares the clothes to wear tomorrow. She must have a good talk with her son tomorrow. She can't glare at each meeting, which is not good for anyone! Think of here, Zhao Liya stopped action, Tang Yixuan about himself to meet what to say? Is he trying to draw the line? Thinking of this, Zhao Liya felt uncomfortable.

Seeing Zhao Liya's low mood, Li Huiqin asked, "madam, what's the matter with you?"

"Huiqin, what should I do if Yixuan wants to draw a clear line with her tomorrow?"

"No! Yixuan is not such a person. " Li Huiqin said with comfort. "So don't be so nervous, ma'am."

"Will that happen? But I don't think Yixuan hates me Zhao Liya sits down with some frustration.

"Madame, there's no need to worry about these things. I'll find out tomorrow."

It was not easy for Li Huiqin to let Zhao Liya sleep. During this period, she was still too nervous, so she felt worried about gain and loss. Seeing Zhao Liya asleep, Li Huiqin gently closes the room.

At noon the next day.

Tang Yixuan takes Xia Yunqiao to the appointment. When two people went out together, Tang Yixuan said to Xia Yunqiao: "no matter what happens, don't worry about it!"

Xia Yunqiao smiles and nods, and then she reaches out to help Tang Yixuan tidy up her clothes. "Don't worry."

"Joe, I'm really sorry about this."

"It's OK. Yixuan, we don't need to be so polite. " Xia Yunqiao said, holding Tang Yixuan's hand.

Tang Yixuan reaches out another hand and touches Xia Yunqiao's face. "Well! Then let's go! "

Xia Yunqiao looked at Tang Yixuan. In fact, under her smile, there was a touch of sadness. She can guess what Tang Yixuan will do next, but she can't say it. Because she didn't want them to get upset about it.

Tang Yixuan's decision is to go to country F. he wants to solve this matter thoroughly. He did this for himself. Tang Yixuan wanted to stay here with Tang Yixuan's identity, so that he would not continue to bear the responsibility of Nangong family. But she did not say, Tang Yixuan went to f country, he is not Tang Yixuan.

Just think of here, Xia Yunqiao's heart can not help but sour. Xia Yunqiao doesn't know what kind of changes will happen next. She is in a state of confusion.

"What are you thinking, Little Joe?" Tang Yixuan asked.

"It's OK." Xia Yunqiao disguised in the past, she does not want to let Tang Yixuan in increasing their own pressure.

Tang Yixuan shakes his head. "Joe, we said before that we must share something. It's obvious that you have something to do

Xia Yunqiao deliberately does not go to see Tang Yixuan, "how can you say it. In fact, I was worried that Zhao Liya didn't want to see me later. She is your own mother

Tang Yixuan's hand holding the steering wheel tightened instantly. It seems that he has forgotten to think for Xia Yunqiao. "I'm sorry, Little Joe! This time, I really don't think about it! I said I would not change my identity. I am still Tang Yixuan. "

Xia Yunqiao's eyes with sadness, "Yixuan, some things in the world are really difficult to make a decision."

Tang Yixuan hears Xia Yunqiao's words, in the heart one tight. He understood the meaning of Xia Yunqiao's words. "Fool! No matter how difficult the decision is, I will never forget my original intention. I still love you

"What shall I do if you change your mind in the future?" Xia Yunqiao couldn't help asking.

"Absolutely not!" Tang Yixuan said categorically. "Joe, I don't like that you always push me out. I'm your husband. I'll only be responsible for you all my life. No one else has anything to do with me."

Xia Yunqiao saw Tang Yixuan's serious appearance, and she felt uncomfortable in her heart. "Yixuan, I don't mean that!"

"There is no best!" Tang Yixuan also relaxed a little.

To Zhao Liya agreed place, Tang Yixuan clenched Xia Yunqiao's hand and walked in.

Zhao Liya has been waiting here early. As soon as she sees Tang Yixuan coming, she stands up immediately. But when she saw Xia Yunqiao, Zhao Liya's smile froze on her face. She seems to have overlooked one point, that is, the relationship between Tang Yixuan and Xia Yunqiao. It seems that she has to accept the fact that Xia Yunqiao is now her daughter-in-law. This is also an unchangeable fact.

See two people walk in front of themselves, Zhao Liya put up her smile. "Coming?"

"Madam Nangong, I've kept you waiting! There's a traffic jam on the road

"It doesn't matter. I'm early." Zhao Liya shakes her head, in the heart how many still mind they call to oneself.

"Sit down!"

Tang Yixuan let Zhao Liya sit down, and then introduced: "Madam Nangong, this is my wife, Xia Yunqiao!"

Zhao Liya nods. "Miss Xia, I know! Sit down and say it

Tang Yixuan and Xia Yunqiao sat down together. Without a word of nonsense, Tang Yixuan made it clear: "Madam Nangong, I asked you out today just to tell you that I hope you don't achieve your goal through other people. This will not only cause other people's trouble, but also make me embarrassed! I don't have that relationship with you! "

"Yixuan..." Zhao Liya really did not know what kind of words to answer Tang Yixuan. It's really a big blow to me.

Tang Yixuan reaches out to take Xia Yunqiao's hand, hoping that Xia Yunqiao can give himself strength. Don't disturb my relatives again, madam! They have nothing to do with these things, you understand

"I see!" Zhao Liya nods. This is what her son asks of herself, and she will do the same.

But the next sentence, Tang Yixuan continued: "since you want me to follow you so much, you can!"

### [Chapter 589](#)

Tang Yixuan's words immediately caught Zhao Liya off guard. She slowed down a little before she began to react.

Xia Yunqiao's heart also followed with a click, personally heard the news, no matter how much preparation in mind, it is really some difficult to accept. Think of here, Xia Yunqiao looked back at Tang Yixuan.

Tang Yixuan's eyes with sorry, this matter he considered for a long time, in order to his and Xia Yunqiao's happiness, he finally chose to leave Xia Yunqiao for a time. In this way, he can settle down to the Nangong family.

Xia Yunqiao understood Tang Yixuan's hardship, but her tears could not help but flow down. She felt that her heart slowly followed the empty. The future is really at a loss for herself. She knows that Tang Yixuan clenched her hand, but she can't feel a trace of temperature.

After Zhao Liya reacted, she looked at Tang Yixuan excitedly and asked, "Yixuan, do you really decide to go with me?"

"Yes Tang Yixuan nodded, "I go back with you not for what you want in your heart, but for myself."

Zhao Liya doesn't care about this. As long as Tang Yixuan goes back with herself, many things will be easy to solve. "Good!"

Zhao Liya noticed Xia Yunqiao's expression, and her heart secretly pleased. It seems that in her son's heart, it is her mother who is more important. Think of here, Zhao Liya in the heart of those unhappy all disappeared.

Tang Yixuan see things have been resolved, he pulled Xia Yunqiao to stand up. "Madam Nangong, I hope you don't disturb my family in the future. Tell me in advance when you book the ticket. I'll prepare it. "

Finish saying, Tang Yixuan takes Xia Yunqiao to leave.

Zhao Liya did not waste time. She immediately told Li Huiqin the news and asked her to deal with the air tickets.

Tang Yixuan and Xia Yunqiao are walking on the street together. They don't speak, they are holding hands silently. The two walked aimlessly until they came to a stop at a sidewalk with traffic lights.

Xia Yunqiao looked at the red light, "Yixuan, do you really decide?"

"Yes." Tang Yixuan and Xia Yunqiao looked at the same place, "Xiao Qiao, I'm sorry! I'm sorry to make this decision selfishly without consulting you in advance! Because I can't think of a better way. "

Xia Yunqiao sighed and complained a little in his heart, "Yixuan, I think uncle has a saying right now. It would have been better if we had been a little bit more predestined, or we would not feel embarrassed now. "

Hearing Xia Yunqiao's words, Tang Yixuan felt flustered and even felt his heart become fragile. He seems to be unable to understand the meaning of Xia Yunqiao's words. "What are you going to say, Little Joe?"

Xia Yunqiao saw the green light on the sidewalk, "Yixuan, I only wait for a month. If you don't come back, we'll divorce! "

Tang Yixuan heard such words, just like a bolt from the blue. "What do you say?"

"Yixuan, I don't want you to compromise for me!" Xia Yunqiao said his decision. "Let's go home! I think it's up to mom and dad to talk about it. "

Tang Yixuan was flustered, but he couldn't say a word. He always felt that Xia Yunqiao was going to leave him. This decision seems to have really hurt her heart! Tang Yixuan regrets his decision. Why should he make such a decision!

In the face of Tang Si Nian and Bai Qian, Tang Yixuan said his decision and became silent.

When Tang Sinian and Bai Xi heard such words, they were unbelievable. Tang Si Nian frowns and looks at Tang Yixuan. "Did you really decide?"

Bai Qian is incomparable heartache, this time she is not saying a word, but very incomprehensible looking at Tang Yixuan. She used to believe in her son, but in the end, he chose to go back to his parents. On the other hand, Nangong family is better than Tang family by N times.

Xia Yunqiao stood beside Tang Yixuan without saying a word, or at this time what to say is not important, but to accompany him.

Tang Sinian noticed the expression of Tang Yixuan and Xia Yunqiao, and he also had ideas in his heart. It seems that the two of them have quarreled. "Yixuan, since you have made a decision, I will not stop you! But there is one thing that dad wants you to remember: you are still the son of Tang Sinian! "

Tang Yixuan nods to Tang Si Nian. "Thank you, Dad."

"All right, you go back first."

After seeing Tang Yixuan and Xia Yunqiao leave, Bai Qian reaches out and grabs Tang Si Nian's hand. "Si Nian, how can you let Yixuan go? He may not come back as soon as he leaves. "

Tang Si Nian nodded. "I know. But Yixuan grew up, some things he could not escape. Compared with us, Joe is the saddest person. They're just married, and they're going to split up. "

Bai Xi frowned. She was a woman, so she could understand Xia Yunqiao's mood at this time.

When Tang Yixuan and Xia Yunqiao stand in front of Xia yueqian and Yun Mu Xin, Xia yueqian talks first. "You have a decision, don't you?"

"Yes, Dad!"

"And what about my daughter?" Xia yueqian asked seriously. "I won't let Joe wait long!" Tang Yixuan replied.

Xia yueqian stares at Tang Yixuan. "You'd better do what you say, or I don't care how powerful Nangong family is. I'll kill you directly and solve you!"

Yun Muxin heard the clouds and fog, and even Xia yueqian's words had a strong smell of gunpowder. Thinking of this, Yun Muxin feels that he certainly does not know an important information. "What does Nangong family mean?"

"This boy is from the Nangong family of state F. now his own mother has come and will take him back." Xia yueqian knew that this time certainly could not hide, and simply told Yun Muxin the truth.

"What?" Yun Muxin's face was shocked. How could no one tell himself such a thing.

Xia Yunqiao finally opened his mouth to help Tang Yixuan speak, "Dad, don't be so angry! Yixuan did it for me

"Little Joe, it's not as simple as you think. If you really let him go, he might not come back!" Xia yueqian points to Tang Yixuan angrily and says. "Nangong family is several levels higher than Tang family! In a good word, who doesn't want to be a member of the royal family

"I believe Yixuan is not that kind of person. He will come back Xia Yunqiao continued.

Xia yueqian simply speechless, did not think that his daughter is usually so smart people, how to continuously fall in Tang Yixuan here! "Don't be silly, Little Joe! That Zhao Liya is not an oil-saving lamp

"Dad, I will come back! Please believe me! I will not love anyone but Joe in my life

"How much is your guarantee worth?" Xia yueqian is still angry.

## [Chapter 590](#)

Tang Yixuan did not answer Xia yueqian's words, but lowered his head. Is this decision really right? At the moment, there are countless question marks in Tang Yixuan's heart. Do you really want to go this way?

Seeing the silent Tang Yixuan, Xia yueqian is more angry. "Tang Yixuan, since you can't, you shouldn't have married Xiao Qiao at the beginning. It's good for you all. Now that you're going, what should Joe do? Have you ever thought about it? "

"Dad, I'll be back! Please believe me Tang Yixuan promised Xia yueqian again.

Cloud Mu Xin can't help but quickly asked: "Yixuan, do you really want to go to f country?"

"Yes, mother!" Tang Yixuan nodded. "I must find out what's going on. I won't keep you waiting too long!"

"

Cloud Mu Xin heard Tang Yixuan's words, she looked up at Xia Yunqiao. "What do you think, Little Joe?"

"Mom, I don't want to embarrass Yixuan. How can this matter be solved? Otherwise, our life will be constantly variable because of these things. "

Yun Muxin knows how her daughter is to say such words in such a mood. Everyone has his own pain in his heart. Cloud Mu Xin reaches out to press Xia yueqian. "The more humble, since the children have made a decision, we should respect them!"

Xia yueqian has not yet calmed down, he stares at Tang Yixuan. "When on earth will you come back?"

"I'll be back as soon as possible." Tang Yixuan heart can not give an accurate reply.

"What should Little Joe do if you don't come back?" Xia yueqian continued to ask.

Xia Yunqiao looks back at Tang Yixuan. However, he said to Xia yueqian, "Dad, I will discuss this matter with Yixuan. Don't worry about it!"

Xia yueqian was really angry, so he stood up. "I don't care. You can solve it yourself!"

See Xia yueqian angry to close the door of the room, cloud mu heart to Tang Yixuan also with some disappointment, "I go to see your father!"

Hearing the sound of closing the door again, Xia Yunqiao knew that they were really angry this time. She lowered her head. "Yixuan, as we said today, if you don't come back in a month. Then we will divorce! "

"Joe, I won't divorce you!" Tang Yixuan reaches out and grabs Xia Yunqiao's hand.

"Then you'll be back at the appointed time." Xia Yunqiao knows that it is cruel to force Tang Yixuan to make this decision, but she has no way. If she doesn't force herself, then she will become very strange! Xia Yunqiao couldn't forget about the princess of state F.

Tang Yixuan looked at Xia Yunqiao and said seriously, "OK! I promise you

"Yixuan, I hope you can do what you say."

"Well!"

Soon, Tang Yixuan and Zhao Liya back to f country tickets have been bought. Tang Yixuan see Zhao Liya sent the ticket, he can't help but feel funny, really soon, will leave tomorrow.

Xia Yunqiao in one side for Tang Yixuan packing, she said nothing from the beginning to the end. Said too much, she was afraid that she did not want to let Tang Yixuan go! As long as he opens his mouth to keep Tang Yixuan, he will not go! But it will also be a pity for Tang Yixuan.

Tang Yixuan looks at Xia Yunqiao's back, his heart is really uncomfortable. He understood the reason why Xia Yunqiao did this, but he preferred that she quarrel with himself now, instead of cooperating with him quietly.

"Little Joe..."

"Well?" Xia Yunqiao heard Tang Yixuan call himself and looked back at Tang Yixuan. "What's the matter? Is there anything else to bring? "

Tang Yixuan's words stuck in his throat. He just shook his head. Seeing Xia Yunqiao turn his head back, Tang Yixuan's eyes are a little sour. He keeps telling himself that he can't let Xia Yunqiao down in this life.

Before leaving the airport the next day, Tang Yixuan and Huo Dongyang made a phone call. Huo Dongyang didn't say anything to Tang Yixuan. Tang Yixuan's decision also had something to do with Xia Yunqiao. So Huo Dongyang answered, and finally ordered a word and then said, "if you encounter difficulties, remember to tell me!"

"Thank you, uncle!"

Airport.

Zhao Liya and Li Huiqin have been waiting here for a long time. But has not seen Tang Yixuan's figure, this lets Zhao Liya some fidgety, thought in the mind will not appear any change!

"Huiqin, this time will come soon. Will Yixuan come?"

"Don't worry, madam! Since Yixuan has promised us, he will certainly keep his promise!" Li Huiqin said with comfort.

Zhao Liya's heart is still up and down, Tang Yixuan does not come for a moment, she has no way to be at ease. The real peace of mind is that Tang Yixuan and himself boarded the plane, and the plane also took off. This is the best guarantee. Now it's all empty.

Ten minutes later, Zhao Liya saw Tang Yixuan with a simple suitcase. Her eyes were bright. "Yixuan!"

"We can go." Tang Yixuan has never appeared to be very familiar with Zhao Liya. Even though she is her own mother!

"Good!" Zhao Liya nodded, no matter what, as long as Tang Yixuan came, it would be better than anything! Tang Yixuan sat down in his seat. He looked out of the window and remembered the difference between Xia Yunqiao and him at the gate of the airport. Thinking of his and Xia Yunqiao's parting kiss, my heart is in pain. He's really sorry for Xia Yunqiao!

Xia Yunqiao finally said to himself: "Yixuan, you must come back! If you don't come back, then I will let you never find me in your life

Tang Yixuan pressed his heart with his hand. Xia Yunqiao said everything clearly. She didn't want to leave a way for herself.

Zhao Liya saw Tang Yixuan in a trance, "Yixuan, what are you thinking?"

"Miss my wife!" Tang Yixuan replied bluntly.

Zhao Liya didn't continue to ask. It's not her intention to break them up, but sometimes it's really impossible to avoid such things, because she was also a person from the past. She knows this mood!

After a while, Tang Yixuan took the initiative to say, "Madam Nangong, I hope this time I go to country f to solve the problem as soon as possible. I don't care about other things that have nothing to do with

me! Joe and I made an engagement 20 years ago! She and I will not be separated because of the change! This is the last time I've left her! "

"Xia Yunqiao is very important in your heart?"

"Yes, more important than my life. She didn't want to see me suffer, so she could bear to let me go! I will never let her down like this! "

Zhao Liya nodded. "I see."

Xia Yunqiao quietly watched the plane take off, even disappeared, she always stood in place, never left.  
"Yixuan, you must come back as soon as possible!"

This is also your promise to me! Don't break your promise. If you break your promise, we may not be able to return in this life.
