Huo Dongyang said that he would go downstairs to buy things, but when he got to the hospital supermarket and looked at so many things, he found the problem.

He has no idea of what to buy and what not to buy.

After groping for a long time, he is targeting at a man who is the same as him, so Huo, whose IQ is not low, simply bought the same thing as the other party.

After nearly half an hour's work, Huo Dongyang returned to the ward with two bags of things.

At this time Qiao Wei has been completely awake, but after the operation to lie flat for eight hours, so she can do nothing but lie down.

When Huo Dongyang pushed the door in, she was still nervous.

After all, she did not expect the previous kiss, and now she feels that there is still a man's smell on her mouth. At the thought of this, her cheek could not help reddening.

"Hungry?" Huo Dongyang asked as soon as he entered the door. However, he also responded, "I forgot. The nurse said you can't eat."

"Well." Qiao Wei awkwardly nodded, and for a moment they fell into a strange and a little embarrassed atmosphere.

Huo Dongyang knew that she was shy, so he did not force her to chat with himself. Instead, she took out all the things in the shopping bag and talked to her while sorting things out.

"It's the first time I've been hospitalized with someone, so I don't know what to prepare. I just bought some toiletries, pajamas, paper towels and other things. If you need anything else, I'll buy them later. "

Huo Dongyang like a treasure will buy things in Qiao Wei's eyes show, you can see his hands carrying two bags of diapers, Qiao Wei's face suddenly blue.

"What do you buy this for?" Qiao Wei a pair of bright eyes stare at Huo Dongyang's diaper.

Huo Dongyang blinked, some do not understand her meaning.

Qiao cleared his throat. "This is for children. You can buy it..."

Listening to Qiao Wei's words, Huo Dongyang couldn't help looking at the things in his hand, which reflected me. So he had to say that he bought it with others.

After hearing this, Qiao Wei chuckled and said, "I'm not a pregnant woman but a father."

Words from her mouth said, Huo Dongyang has not made a response, but she was the first to blush, and said "thank you" to Huo Dongyang in a low voice.

Listening to these two slightly unfamiliar words, Huo Dongyang held his arm and directly sat by her bed, "is it too out of the ordinary for husband and wife to say 'thank you' "

"Mr. Huo!" Qiao Wei's voice suddenly raised a little, she immediately interrupted him, "I have to be honest with you. I was in a muddle when I got to know this matter with you. I must have been in a muddle at that time. If we can, we'll get a divorce as soon as possible. To tell you the truth, I just met you. I don't even know who you are or what identity you are. It's really ridiculous to be together like this! "

Qiao Wei's mood was a little excited, especially when she said the word "absurd", she almost sat up from the bed. Fortunately, she was pressed back by Huo Dongyang.

"Is it absurd to marry me?" Huo Dongyang looked at him from a commanding position. His smile, which was still overflowing on his face, disappeared in an instant. Instead, he was unusually cold.

Qiao Wei was shocked by his expression, but he could only pinch the quilt and nodded. Ridiculous! How can it not be ridiculous! Although she and Yun Yiyan grew up together in childhood, such feelings are absurd in Yun Yiyan's eyes. Not to mention the man who has known him for less than eight hours.

"You don't think about your ex husband, do you?" Huo Dongyang a pick eyebrow, some displeasantly said Qiao Wei's heart.

A man who can make her cry until she has a stomachache or even emotional breakdown on the plane is either her father's murderer or the one she loves to the bone marrow.

"I don't think about him, I just don't want to experience such absurdity again." Qiao Wei closed his eyes and said what he said in his heart.

"He was wronged to marry him, so I have nothing to say. Mr. Huo, you are so kind that I don't want to hurt you too. "

At this moment, Huo Dongyang stares at the pale, but extremely quiet little woman on the bed. He is shocked. He thought that Qiao Wei's refusal was just because he was thinking about the bad man. What she thought was that she was worried that she would be wronged.

This stupid woman!

"I don't feel regret. What do you regret?" Huo Dongyang sat quietly beside the bed, holding her face in his hands, "Qiao Wei, I think I will be the one more suitable for you! Why not have a try? Or do you think your life should be like this? "

Qiao Wei suddenly opened his eyes, and his watery eyes just looked at him. In front of this man, always can easily use a few words to change his attention. And I seem to have a kind of trust in him inexplicably.

For a long time, Qiao Weicai squeezed out a sentence from her pale lips, "do you really regret it?" "No regrets!" Huo Dongyang smiles, it seems that this silly woman has been shaken.

The mood then improved and gave her a kiss on the cheek, and immediately looked at her watch, "you lie down a little longer, I'll take a bath."

Huo Dongyang said and then stood up, and at this time, Qiao Wei found that men do not know when has been tired out of a sweat. Almost half of the shirt, which was not wrinkled, was now wet with sweat. It stuck to his body, but it reflected his good figure.

"Well." Qiao Wei nodded and watched him enter the bathroom with his toiletries. At the same time, he secretly took out his mobile phone from under the pillow.
