

Warm Wife 601

[Chapter 601](#)

This scene happened to be heard by Huo Dongyang and Huo yunxun. The father and son looked at each other. What was the princess doing? How does not have the appearance of princess at all, even more positive than Huo yunnuan in his own home.

Thinking of this, Huo Dongyang seems to understand the meaning of Li Mengyao. He looked back at his son, Huo yunxun did not understand the meaning of his father's eyes, "why look at me like this?"

"It's obvious." Huo Dongyang reached out and patted Huo yunxun on the shoulder.

Li Mengyao saw Huo yunxun and immediately ran to him. "Here you are

"Well!" Huo yunxun's enthusiasm for Li Mengyao was not good, and he made a polite gesture.

"It's time to eat. Sit down!" Li Mengyao takes Huo yunxun's hand and asks him to sit down quickly.

Huo yunxun immediately took back his hand, "princess, you sit down!"

The whole family looked at Huo yunxun and Li Mengyao. Qiao Wei went to Huo Dongyang and whispered, "my son seems to be in trouble."

Huo Dongyang looks at Qiao Wei. "Let them handle these things themselves."

"You already know that?" Qiao Wei thinks his reaction to everything is much slower than Huo Dongyang.

"Eat!" Huo Dongyang said with a smile.

After eating, Huo yunxun went out, and Li Mengyao lost his direction. The whole person leaned lazily on the sofa. Huo yunxun was not there, and Tang Yixuan was not there. She did not have a real acquaintance here.

"Princess, do you have anything to eat. I'm going out to buy it now. "

Li Mengyao sat upright. "I'm not picky. Ma'am, don't go out of your way to prepare something! "

"That doesn't seem good." Qiao Wei is in a dilemma.

"Why not! Ma'am, you take me as your own, and don't always call me princess, just call me by name! "

Qiao Wei smile, is really a different kind of princess. "OK, I see."

See Qiao Wei to go out, Li Mengyao then asked: "madam, you want to go out?"

"Yes, I'm going to see little Joe."

Li Mengyao blinked. Xia Yunqiao is in the hospital, isn't he

"I called just now and said that I had gone home to recuperate."

Li Mengyao walks to Qiao Wei. "Is Tang Yixuan reconciled?" Tang Yixuan went out for such a long time, if there is no accident, there should be no problem!

Qiao Wei didn't hear about Xia Yunqiao and Tang Yixuan. It was Xia yueqian who called just now. He said that he wanted to have a look at Xia Yunqiao when he had time. His husband and wife had their own affairs. Xia yueqian did not mention Tang Yixuan at all.

"I don't know that."

"No! Is there another accident? " Li Mengyao shook her head. Tang Yixuan and Xia Yunqiao have been working hard for so long, and that's enough!

Qiao Wei saw Li Mengyao's worried eyes, "have you seen Xiao Qiao today?"

"Yes

Qiao Wei heartache ground says: "small Qiao and Yi Xuan's matter, we also can't say!"

Xia family.

Tang Yixuan is cooking medicine for Xia Yunqiao in the kitchen. These are the tocolysis drugs ordered by the doctor.

Although Xia Yunqiao did not mention the divorce, she was not indifferent to herself, which made Tang Yixuan completely confused. Xia Yunqiao stands at the door of the kitchen, looking at Tang Yixuan who is in a trance.

Seeing his busy figure in the kitchen again, I feel very sad!

Tang Yixuan looks back, just to see Xia Yunqiao. "Little Joe, how did you get out of bed? Didn't the doctor tell you to stay in bed more

Looking at Tang Yixuan anxiously came to support his own, Xia Yunqiao heart a warm, casually find an excuse to cover up his mood. "I want water."

"If you want water, just call me." With that, Tang Yixuan helped Xia Yunqiao to sit down, and then immediately poured her a cup of warm water.

Xia Yunqiao's eyes have never left Tang Yixuan. How can she give up to other women! Isn't it cheap for them? In the morning at the hospital, Li Mengyao has told herself the story.

Think of Tang Yixuan in F country this month, his heart is also very uncomfortable! But I did not stand in his angle to think about it for him. He went to f country for his own sake. As a result, he denied Tang Yixuan everything because of a news.

Thinking about it, Xia Yunqiao's tears came out. Tang Yixuan just stopped and saw Xia Yunqiao crying. He sat down beside Xia Yunqiao with a worried face, "Xiao Qiao, what's the matter with you? Isn't it uncomfortable? "

Xia Yunqiao reached out and held Tang Yixuan's hand, "Yixuan, can you still go?"

Tang Yixuan looked at Xia Yunqiao and said very seriously, "don't go! Where I should stay is where you are! "

"Yixuan, don't leave again!"

Tang Yixuan reaches out to take Xia Yunqiao into his arms. The familiar temperature and the familiar smell make Tang Yixuan feel at ease. "Little Joe, I won't go again!"

Hugging each other tightly, they didn't say anything to explain, and those who understood understood it. Tang Yixuan hugs Xia Yunqiao. Xia Yunqiao leans in Tang Yixuan's arms, and his heart finally returns to his position. After a while, Xia Yunqiao said, "in fact, I saw the princess of F country in the morning. She told me everything about you in country f! "

"Li Mengyao did it for her own sake." Tang Yixuan answered.

Xia Yunqiao did not understand, she looked up at Tang Yixuan. "For her own sake?"

"Well, she has another important purpose to come to city a this time." Tang Yixuan touched Xia Yunqiao's hair and said.

Xia Yunqiao doesn't want to guess, "what's the purpose?"

"She's here for my uncle."

Like to hear what startling big secret, Xia Yunqiao's eyes stare at the boss, how she did not expect to be like this. Li Mengyao did say to herself that she had a person she liked, and Xia Yunqiao would never dream of connecting this person with his uncle!

Tang Yixuan saw Xia Yunqiao's reaction. "So the world is really small!"

"How could my uncle have anything to do with Li Mengyao?" Xia Yunqiao was completely shocked.

"It's between them." Tang Yixuan replied. "Should we talk about our business now?"

Xia Yunqiao immediately pushed Tang Yixuan away, a little embarrassed on his face. "Our business?"

Tang Yixuan nodded. "I heard that you are going to leave city a and follow Qin Zichen to the United States?"

"This..." Xia Yunqiao hesitated for a long time and didn't say it. Since she knew Qin Zichen's feelings for herself, she completely gave up the idea.

Tang Yixuan reached for Xia Yunqiao's face. "Don't go! Qin Zichen does not mean to you

Xia Yunqiao sees Tang Yixuan's seriousness, she pulls Tang Yixuan's hand. "So you already know it!"

"Well!" Tang Yixuan nodded. "He likes you, and that's why he's always had a problem with me."

Xia Yunqiao didn't know how to say it, but said in a low voice: "I just take him as my brother, that's all! Don't get me wrong

Finally caught a key turning point, Tang Yixuan grimace. "If I don't misunderstand, I can't just talk about it!"

[Chapter 602](#)

Xia Yunqiao didn't know whether it was because of pregnancy or because of other reasons, so the reaction was much slower. It can be said that the meaning of Tang Yixuan's words is completely unclear.

Tang Yixuan is a cute and lovely wife. He looks at her affectionately, and his eyes are full of love. He reached out and touched Xia Yunqiao's face, and even felt his heart beat faster. After such a long time, Tang Yixuan still has no self-control to Xia Yunqiao.

"Really don't understand, eh?" Tang Yixuan's voice is magnetic.

Xia Yunqiao seems to be seduced by Tang Yixuan's voice, and her heart rate also accelerates. "This..."

Tang Yixuan slowly approached Xia Yunqiao, and their noses collided. Each other's eyes are glued together. Xia Yunqiao looks at Tang Yixuan, and then understands the meaning of Tang Yixuan's words just now.

In the twinkling of an eye of Xia Yunqiao, Tang Yixuan suddenly kisses Xia Yunqiao. This kiss is full of missing, missing each day in the month of separation. Tang Yixuan hugs Xia Yunqiao and deepens this kiss. He also wants to tell Xia Yunqiao that his love for her has not changed.

Xia Yunqiao is totally passive, but she can feel Tang Yixuan's strong feelings! Love a person should be like this, stay together for a lifetime is not easy, so more to cherish.

Xia Yunqiao also slowly lost herself under the attack of Tang Yixuan, and even was pressed on the sofa by Tang Yixuan. She seemed to feel that she had forgotten an important thing. At this time, she just wanted to follow her own feelings. She even longed a lot! She also wants to tell Tang Yixuan that she also loves him and doesn't want to be separated from him.

Tang Yixuan feels the change of Xia Yunqiao. His whole body seems to be ignited. They are eager for each other. However, Tang Yixuan stopped with his last little self-control. He gasped and looked at Xia Yunqiao, who was also breathing heavily.

"Yixuan..." Xia Yunqiao called softly. She didn't understand why Tang Yixuan would stop suddenly.

Tang Yixuan's eyes have not dispersed the desire, he looked at Xia Yunqiao, helpless smile. "I almost forgot! I'm sorry

"Well?" Xia Yunqiao a Leng, this time just think of his pregnancy.

Xia Yunqiao's face flushed. She tried to push Tang Yixuan away, but she found herself powerless. Tang Yixuan smiles and reaches out to help Xia Yunqiao up. "What? Now you can only watch, not eat! "

Xia Yunqiao's face became more red after hearing this! "You say it!"

"Little Joe, are you shy? It's not like you. " Tang Yixuan said with a smile.

"Stop it!" Xia Yunqiao covers Tang Yixuan's mouth with his hand. She admitted that she could not stand Tang Yixuan's provocation, and that she was easily lost in Tang Yixuan's offensive, but she did not like to be exposed like this.

Tang Yixuan took Xia Yunqiao's hand and held it in his own hand. "Little Joe, I love you!" With that, Tang Yixuan gently kisses Xia Yunqiao's hand.

Xia Yunqiao has to admit that Tang Yixuan's seduction technique is very useful to him. A few simple words can make him have no resistance.

"Tang Yixuan!"

"Well? What's the matter? " Tang Yixuan saw Xia Yunqiao serious, he was nervous, worried about Xia Yunqiao's physical discomfort. "Is it uncomfortable?"

Xia Yunqiao shakes his head. "No! You must be by my side in the future! No going anywhere

"I can't get it!" Tang Yixuan nodded. "I won't go unless you don't want me!"

After hearing Tang Yixuan's assurance, Xia Yunqiao touched Tang Yixuan's face, "you are thin!"

"I think so." Tang Yixuan replied naturally.

Before Qiao and Li Mengyao came in, they thought it was unnecessary! How could they break up so easily? Huo Dongyang is right. It would be better if fate were shallow!

Jovi coughed unnaturally. "Sorry to disturb you."

Li Mengyao didn't feel bad about it. She stood there and looked at Tang Yixuan and Xia Yunqiao. "The original Tang Yixuan in front of Xia Yunqiao is like this, which subverts all my ideas about you!"

Hearing the voice of Qiao Wei and Li Mengyao, Tang Yixuan and Xia Yunqiao turn back at the same time.

"Auntie, why are you here?"

Qiao Wei put down what he still had. "It seems that I'm not here at the right time to disturb your husband and wife."

"No, no!" Xia Yunqiao shakes his head.

Tang Yixuan stood up, "Auntie, you sit down, I'll pour you tea!"

"No more!" Qiao Wei will answer immediately. "I just send soup to Xiao Qiao, and I'll go shopping later. Your father is worried that you are at home alone, so let me have a look. Now I have Yixuan with you, so I can rest assured. Drink this soup while it's hot. It's good for your health

Xia Yunqiao nodded. "Yes, thank you."

"If we don't eat at home in the evening, we haven't had dinner together for a long time." Qiao Wei took the opportunity to ask. Recently, everyone is very busy, and there is no chance to sit together for a meal. Seeing that the family gathering is coming year by year, they also need to discuss how to arrange this year.

Xia Yunqiao certainly has no problem, "good!""Take a rest and go home later. I'll go shopping now."

Li Mengyao to Tang Yixuan smile, "then I do not light bulb, you continue!" Her main task now is to take down Qiao Wei. If the future mother-in-law nods, then she and Huo yunxun will have a good life.

After Qiao Wei and Li Mengyao leave in a hurry, Xia Yunqiao has not returned to his senses. "Yixuan, I think this princess is very different!"

"Well, beyond imagination!" Tang Yixuan felt the same way.

Xia Yunqiao thinks that Li Mengyao is similar to his aunt Su Moli, but Li Mengyao is more open-minded than her. "Can uncle hold it?"

"I think Li Mengyao has begun to do everything for his uncle!" Tang Yixuan expressed his opinions.

Xia Yunqiao nodded. "It's just that, as far as I know, my uncle seems to like gentle and generous women, just like Auntie!"

"When you really meet the right person, it doesn't matter!" Tang Yixuan said with deep experience.

"Well, yes! It's too early to say. When my aunt was chasing my uncle, my uncle also said seriously that she was not his dish. It turns out that they haven't come together yet

Tang Yixuan holds Xia Yunqiao's hand. "Joe, I can't tell you anything about feelings!"

In the evening, Jiangwan villa is very busy. Huo Dongyang and Qiao Wei are busy in the kitchen, and there is a busy figure in the kitchen. This person is Li Mengyao. In order to integrate into the Huo family's life earlier, Li Mengyao can be said to do everything.

Qiao Wei see such a situation, feel sad, she hit Huo Dongyang, want him to think of a way. The princess of state f is actually doing these things in the kitchen. It's not good if it comes out!

"Xiaoyao, go and have a rest! It's OK here. Let's warm up later. "

"I'm not tired! I also want to learn more. " Li Mengyao replied.

[Chapter 603](#)

Huo Dongyang and Qiao Wei really know what to say when they hear Li Mengyao's words.

Huo Dongyang gave Qiao Wei a reassuring look, and then continued to be busy with the dinner. Let's wait until it's over.

It's time for dinner, and the guests have arrived.

Tang Yixuan and Xia Yunqiao arrive first, and then Huo yunnuan comes back to see them, of course, they have not missed such a good opportunity. "Isn't this the prince of F? Don't look at the princess here, so did you come here? But what do you mean by sitting with little Joe now

Xia Yunqiao immediately helped Tang Yixuan speak, "little aunt, you know things are not like this!"

"What? Now you want to protect him? " Huo yunnuan gave Xia Yunqiao a hopeless look, and only she would treat Tang Yixuan as a treasure! Forget it, it's a man who has become numb for his feelings. Forget it, in fact, they are not so good! Chasing a person is not an easy thing, I have deep experience!

Huo Yun warm path sat down beside herself, she took out her mobile phone to play games, waiting for dinner.

After Huo yunxun came back, he saw Huo yunnuan spread out on the sofa, his eyebrows wrinkled.

"Little warm, don't you have to help?"

Huo yunnuan took a look at Huo yunxun. "Big brother, there are enough people in the kitchen. There is also a princess who can be my sister-in-law who studies hard. Where is my position? Tang Yixuan just

went in to help. If you don't say that, outsiders will think that it's family in the kitchen. The parents and their son and daughter-in-law prepare dinner for the guests

Huo yunnuan's words dissatisfied Huo yunxun and Xia Yunqiao. Xia Yunqiao immediately answered, "Auntie, you are not right! You don't go in and help yourself! "

"What can I do when I go in, it will only add to the confusion!" Huo yunnuan is so right.

Huo yunxun did not speak, but took off his clothes and went into the kitchen to help.

Seeing Huo yunxun go in, Huo yunnuan immediately sits up straight because he can't say that his father will come out. He can always let him see his lazy appearance, otherwise it will be another criticism.

Sure enough, less than a minute, Huo Dongyang really came out of the kitchen. He took a warm look at Huo Yun and said, "come back, don't you know how to go in and help? Give your mother a break. "

Huo Yun warm head, face also with grievances. "Daddy, you know I can't cook."

"If you don't, you have to learn more. Look at your royal highness! " Huo Dongyang really shouldn't have let his daughter go.

"Daddy..." Huo yunnuan felt even worse when he heard this.

"Go in!" Huo Dongyang's voice also has a rare seriousness.

Although Huo yunnuan is not very willing, she still stands up. Walking with heavy steps into the kitchen, is a look of death.

Huo Dongyang shakes his head helplessly, this daughter is too willful, can this still marry out?! This is the most headache of their own place, on their daughter that temper, really not every man can stand!

Xia Yunqiao saw Huo Dongyang's worried appearance, and then she said, "uncle, in fact, my aunt is good!"

"She's good? I don't think it's a good idea to say that. " Huo Dongyang replied.

Xia Yunqiao did not go on to say, this time must choose silence is the right way. But Huo Dongyang continued: "Xiao Qiao, are you and Tang Yixuan OK?"

"Well, it's OK to find out the facts." Xia Yunqiao nodded.

Huo Dongyang poured himself a cup of tea. "You two are all right, but the later things are not over. What are you going to do about Nangong family and country f? "

Huo Dongyang's words gave Xia Yunqiao a wake-up, she seemed to really forget this matter. Now they are no longer facing the Tang family, but the Nangong family and the royal family of F.

Xia Yunqiao is silent, this question she did not think about. Now we are facing two countries' problems. If we can't get them, the consequences will be very serious. **nOveluSB.COM**

"Uncle, what do you think we should do?" Xia Yunqiao wants to hear from Huo Dongyang.

"Joe, things can be simple or complicated. You and Tang Yixuan have a good discussion about this matter. Some things can't be avoided at all! "

Xia Yunqiao said to Huo Dongyang's words, she did not understand. Does Huo Dongyang want to let himself and Tang Yixuan go to country f to face the Nangong family?

At this time, Xia yueqian and Yun Mu Xin arrived.

As soon as I entered the door, I immediately cared about Xia Yunqiao's situation. "What do you think, Little Joe?"

"I'm fine." Xia Yunqiao replied. "So you don't have to worry about me!"

Just said here, Tang Yixuan to Xia Yunqiao first out of a bowl of soup, in the sight of Xia yueqian and cloud Mu Xin, stop.

"Dad, mom!"

Xia yueqian hummed and didn't say anything. After all, this is Huo Dongyang's territory, and he must be given some face. After seeing Xia yueqian's performance, Yun Muxin knows that he is sulking again. She nodded to Tang Yixuan. "Well, just come back!" "I'm sorry, mom! It makes you worried and angry

"It's OK. You and Little Joe are fine!" Yun Mu Xin comforts Tang Yixuan in turn. "If you explain it clearly, we will be relieved!"

Tang Yixuan hears cloud Mu Xin's words, in the heart how many also some confidence. "Mom, I won't leave little Joe again!"

Xia yueqian stares at Tang Yixuan coldly, and still keeps his opinion on his words. After all, Tang Yixuan's credit has been negative here.

Huo Dongyang looked at Xia yueqian and could feel his mood. "Aren't you tired of standing? Sit down

Xia yueqian and Yun Muxin walk to one side and sit down. Xia yueqian knew that Huo Dongyang wanted to be the peacemaker. He said, "Huo Dongyang, I'll tell you. Don't interfere in the affairs of Xia family

"Good!" Huo Dongyang nods.

Hearing Huo Dongyang's reply, Xia yueqian is relieved. He knew that Huo Dongyang would definitely stand on Tang Yixuan's side, so now that he doesn't intervene, he is more relaxed.

Cloud Mu Xin looked at the time, "uncle, who else wants to come?"

"Yun Yiyan and Su Moli."

"Didn't they go to America for their son's graduation? Has come back? " Cloud Mu Xin asks back, because she did not see Yun Yiyan in the company today.

Huo Dongyang nodded, "it's the afternoon plane to city A. I'll leave a message for him. I should be right here. "

"Well, we haven't been together for a long time." Yun Muxin thinks this is very good.

Huo Dongyang continued: "Qiao Wei also suddenly decided to discuss the family reunion next month."

Xia yueqian calculated the time. It's time for the party. Time flies! So many years passed in a flash. When the time comes, Qin Hao and Jian LAN will also come back together. The crowd is lively!

[Chapter 604](#)

While talking, Qin Zichen came back.

Xia Yunqiao looks at Qin Zichen who hasn't seen for nearly a day, but his face is still a little embarrassed. After Qin Zichen entered the door, he found that there were so many people. Qiao Wei called himself and said that he would have dinner at home in the evening. Nothing else was said.

If you know this is the case, Qin Zichen will choose not to come. Huo Dongyang saw Qin Zichen come in and said, "is Zichen back?"

"Yes, uncle!"

"I'll be ready for dinner in a minute."

"Then I'll change and come back." Qin Zichen excuse to leave, this person more worry about what will be found, the eyes of these elders are very strong.

Huo Dongyang nodded, "go." Seeing Qin Zichen leave, Huo Dongyang takes a look at Xia Yunqiao. The reaction of these two people today is somewhat strange. It can't be that something happened!

See Xia Yunqiao deliberately turn his head to the other side, Huo Dongyang wants to laugh. It seems to have been discovered! Looking at the children's affairs, sometimes I feel strange! Huo Dongyang can't help thinking that Xia Yunqiao and Qin Zichen are together, so what will happen now?

Cloud Mu Xin saw the smile on Huo Dongyang's mouth, "uncle, what do you think is so happy?"

"Nothing, just something interesting." Huo Dongyang replied.

Hear Huo Dongyang's words, Xia Yunqiao was a mouthful of soup spray out, and then cough up. Tang Yixuan immediately reached out and patted Xia Yunqiao's back. "Are you all right?"

Yun Muxin's attention has also been diverted. "Little Joe, don't drink so fast! Be careful yourself

Xia Yunqiao nodded, she did not dare to see Huo Dongyang, at this time he should be able to look at himself with the eyes of inspection. It seems that the uncle has already known about it in the early days. Qin Zichen was so sorry that he didn't have to go back and change his clothes! That's like a pair. There's no silver here!

Tang Yixuan helps Xia Yunqiao clean his mouth. "Little Joe, are you all right?"

Xia Yunqiao shakes his head at Tang Yixuan. "It's OK!"

Xia yueqian did not speak during the whole process, but observed the changes of several people. It seems that there are things they don't know. What are these people hiding! Xia yueqian is not happy that Huo Dongyang has been leading the overall situation for so many years!

His own family affairs are also in his charge, which should have been his own decision. But at the beginning, for the sake of Yun Mu Xin, he retreated a few steps, resulting in today's situation.

"Huo Dongyang, I have something to tell you!"

"After dinner." Huo Dongyang replied that he seemed to know what Xia yueqian wanted to say to himself.

Huo Dongyang looked at the time, then got up and went to the kitchen. They should have almost finished. Xia yueqian followed him to the kitchen this time, "I'm going to help too!"

Huo Dongyang looked back at Xia yueqian, and knew that Xia yueqian was really on the bar with himself this time. "Do you have to ask?"

At this time, Xia yueqian has successfully avoided Yun Mu Xin, and he nods. "Can't I know?"

"Not really." Huo Dongyang shakes his head. After thinking about it for a while, he told Xia yueqian in a low voice. Xia yueqian after listening to the whole people are in a daze, unexpectedly there are such things. It's been years, and they really haven't found out.

Huo Dongyang saw Xia yueqian's reaction, which he expected. "Digest and digest yourself!"

Xia yueqian stands in situ digesting what Huo Dongyang said just now. Qin Zichen likes Xiao Qiao?! If he had known, then there was nothing wrong with Tang Yixuan. Qin Zichen is not bad. Although Qin Hao and Jian LAN used to do things with Yun Yiyao, they have never been very close. If Qin Zichen had spoken earlier, he would have agreed!

When Yun Muxin passes through the dining room, he looks at Xia yueqian murmuring to himself. She came up. "What do you think?"

"Admiring the heart, Qin Zichen is happy..." After the words have not finished, was cloud mu heart cover mouth. Cloud Mu Xin stares at Xia yueqian. "Shut up!"

Xia yueqian took Yun Muxin's hand down, "so you know. I'm the only one who doesn't know? "

"You didn't notice it yourself." Cloud Mu Xin answers. Qin Zichen likes Xia Yunqiao. Yun Muxin has discovered it for a long time. But their daughter has always regarded Qin Zichen as her brother, so she did not say much. Later, Xiao Qiao and Chu Zifeng are in love, and then marry Tang Yixuan, so she also gave up the idea.

Cloud Mu Xin looks back at Xia Yunqiao and Tang Yixuan sitting in the living room, "Xiao Qiao has his own choice. Let's not make trouble! "

Xia yueqian curls his mouth and says so, but he still has some opinions on Tang Yixuan. The son-in-law still can't nod his head peacefully.

"I'll help." Yun Muxin walks into the kitchen.

In the living room.

Xia Yunqiao is worried. She keeps telling herself that she will be more natural when she meets Qin Zichen.

Tang Yixuan holds Xia Yunqiao's cold hand. "What are you thinking about?"

"Nothing." Xia Yunqiao shakes his head.

Tang Yixuan clenched Xia Yunqiao's hand. "Joe, they're not stupid. They'll know what they should know! Or they knew it for a long time, just didn't want to poke it. "Xia Yunqiao looks at Tang Yixuan with doubts on her face. "Is it?"

Tang Yixuan nodded. "Yes

"Yixuan, what do you want to do now? I don't want to become a stranger with brother Zichen because of this. " Xia Yunqiao said in a low voice. From childhood to adulthood, Qin Zichen was like her brother. She didn't want to lose Qin Zichen because of this.

Tang Yixuan comforts Xia Yunqiao. "No! Qin Zichen certainly doesn't want to be like this. "

"Yixuan, thank you!"

"Thank you for what? I said before that my heart is very small, so please don't say thank you Tang Yixuan reached for Xia Yunqiao's nose.

Xia Yunqiao pretends to be angry. "If you dare say that, you are still in the stage of suspension for observation!"

"I know. Of course, I will try to get back to my original position as soon as possible. "

"Ready to eat!" Qiao Wei's voice came from the dining room.

Tang Yixuan slowly helped Xia Yunqiao stand up, "wife, slow down."

Go to the living room, Tang Yixuan is to give Xia Yunqiao a good chair, and then let her sit down first. Xia Yunqiao certainly enjoys such treatment. But this makes Huo Yun warm and Li Mengyao jealous. When will they have such treatment?

Huo Dongyang opens his mouth. "Sit down and eat!"

"Don't wait for Yi to kill them?" Asked Qiao Wei.

"It's probably a traffic jam at this point. I've left food for them." Huo Dongyang replied, and then asked the others to sit down.

Just sat down for less than a minute, Qin Zichen and Yun Yiyan's family came in together. Cloud Yiyan looked at a table full of people, he said with a smile: "what? Before we have dinner? "

Huo Dongyang nods. "Now that you're here, sit down and eat!"

Yun Yiyan looked at the fresh face, "it seems that I went to the United States for a week and a lot of things happened! Are there new members? "

[Chapter 605](#)

Huo Dongyang asks Yun Yiyan and Su Moli to sit down, but he doesn't answer the question just asked by Yun Yiyan.

"And the children?" Huo Dongyang did not see Xia Yunting and Xia Yunzhe.

"As soon as I came back, I said I had an appointment with a friend, so I didn't come." Su Molly replied.

"Now that the children are old, I can't help it. Let them go

After sitting down, Yun Yiyan glances over Xia Yunchao and Tang Yixuan, thinking that these two people are all right. He also saw the news when he was in the United States. Isn't Tang Yixuan going to marry the princess of country f? Now it seems that there is no such thing.

Noticing that Yun Yiyan looked at himself and Tang Yixuan, Xia Yunchao said, "uncle, do you have something to say?"

"Some doubts." You know how to pick the eyebrows.

Yun Yiyan then sees Li Mengyao sitting next to Tang Yixuan. He looks familiar and seems to have seen him somewhere. "Don't you introduce me?"

"Second brother, you will be surprised when you know it!" Huo yunnuan immediately inserted a sentence.

Yun Yiyan smiles. After Huo yunnuan says so, he has already guessed. "Your Highness?"

"Cut, it's not fun at all!" Huo yunnuan felt bored and was guessed so quickly.

Yun Yiyan nodded to Li Mengyao. "Your Highness, I didn't recognize you just now. I'm really sorry!"

Li Mengyao shook his head. "Nothing! We're all our own people anyway. "

When Yun Yiyan heard Li Mengyao's words, he couldn't help thinking a little. "What? Polygamy is also popular in country f? Allow you this princess to marry Tang Yixuan to be the second wife? "

Cloud Yiyan's words let Xia yueqian immediately dissatisfied, "Yi Yan, OK!"

Su Moli then pulls Yun Yiyan and doesn't let him continue to talk. "Didn't you say you were hungry? Eat now If Su Molly doesn't stop it, the whole audience will be in a hurry.

Li Mengyao always thinks that the relationship between these elders is somewhat complicated, but they really look like a family. However, she heard what Yun Yiyan had just said. She didn't want to be misunderstood, let alone let Huo yunxun misunderstand what he had with Tang Yixuan, so she said directly, "I won't marry Tang Yixuan!"

Yun Yiyan nods. "Is it? So how do you come home? "

"Because I want to chase Huo yunxun!" Li Mengyao said directly and boldly!

This sentence let Huo yunxun instant gush rice, he did not think Li Mengyao would say such words. He still did not know when he knew her? Is she sure she didn't recognize the wrong person?

"Wow Yun Yiyan looks surprised. "Xiaoxun, you are really good! If you become the prince of state F, it's really a matter of honor. I think it can be considered! "

Huo Dongyang glared at Yun Yiyan. He didn't want his son to make such a choice. "Eat!"

Since Li Mengyao has already said it in front of everyone, she simply asked directly, "Huo yunxun, I like you! Give me an answer

"Your Highness, we'll talk about it after dinner." Qiao Wei will finish the game immediately.

Li Mengyao looks at Huo yunxun persistently. She has been waiting for his answer.

Qiao Wei stretch a hand, Huo Dongyang, let him deal with it! Otherwise, no one will have to eat. This princess is really brave. She confessed directly at the dinner table! But I can't say anything serious. After all, she is still a princess of a country.

Huo yunxun looked at Li Mengyao's almost persistent face. He said, "after dinner, let's talk about it."

Li Mengyao finally showed a brilliant smile. "Good!"

It is not easy to restore the normal eating atmosphere, but also because Xia Yunqiao's action of vomiting is interrupted again. Tang Yixuan nervously asked: "Xiao Qiao, are you ok?"

"It's OK." Xia Yunqiao just smelled the fishy smell and wanted to vomit.

Yun Muxin then asked: "if you want to vomit, then go to the bathroom."

Qiao Wei immediately took the fish and seafood to the other side. She really forgot about Xia Yunqiao's pregnancy and wanted to say that she liked to eat these before, so she put them in front of her. "I'm sorry, Little Joe! My aunt forgot you were pregnant

The news shocked the late arrival of Yun Yiyan and Su Moli. Su Molly immediately asked, "Xiao Qiao, do you have baby?"

"Well!" Xia Yunqiao nodded.

"Good thing! I didn't expect you to be the fastest mom. The rest of you are speeding up. "

Facing the problem of forced marriage, Huo yunnuan is the most headache. Why can we get around this problem every time. She eats with her head down, trying to reduce her sense of being. But the more this time, the more can not escape!

Su Molly looked at Huo yunnuan and began to say, "xiaonuan, it's bad for you now!"

"No! Isn't my brother and Qin Zichen all single? " Huo yunnuan smiles.

"Your brother has a princess! When he nods, it's done. "

Huo yunnuan ha ha a few, and then change the topic, "Qin Zichen also single ah!"

Yun Yiyan will also help his wife. "I heard that Qin Hao has already found one for him in the United States, and I'm waiting for him to go back to the blind date! I think that's also after nodding. So you have the biggest problem now! ""I'll go. Is there anything like that?" Huo yunnuan is not satisfied.

Huo Dongyang this meeting also looked at Huo yunnuan, the first time to say his own ideas. "Xiaonuan, it's time for you to find someone, and your mother and I can't take care of you for life!"

"Daddy! I don't want to get married. " Huo yunnuan replied. She didn't dare to tell her secret. In fact, she had a big fall in Xu Nan. Now, not only is no one comforting themselves, but they are uniting to force them to get married.

Huo Dongyang stares at Huo yunnuan, "this matter you think clearly." Huo Dongyang knows about Huo Yun warming Xu Nan, but he hasn't said it all the time. However, looking at her appearance today, it seems that she has been rejected.

Looking at the family's focus on Huo yunnuan, Xia Yunqiao can't help but breathe a sigh of relief.

Tang Yixuan carefully Xia Yunqiao sandwiches, "if you have a good appetite, then you must eat more."

Xia Yunqiao nodded. "Well, eat more, too. You're thin, too

They settled in their own little world, completely unaffected by others. But the sweet time is not long, soon Xia Yunqiao's mobile phone rings. Tang Yixuan went to the living room and picked up Xia Yunqiao's mobile phone. When he saw the caller ID, his brow frowned.

Zhao Liya called, Tang Yixuan erhu did not say to answer.

"Something?" Tang Yixuan spoke first.

Zhao Liya is also surprised to hear Tang Yixuan's voice. "Yixuan, how can you answer the phone?"

"What's wrong with it?" Tang Yixuan's tone is very cold.

"No Zhao Liya replied. "If you pick it up, I'll tell you the same thing."

Tang Yixuan frowns, always feel bad. Zhao Liya went on to say: "I went to a city with your father. If you have time tomorrow, you can take Xia Yunqiao out. Let's meet."

[Chapter 606](#)

The next morning.

Tang Yixuan and xiayunqiao go out together. Originally Tang Yixuan did not want to tell xiayunqiao this matter, but Xia Yunqiao still found that Zhao Liya's call display. So she agreed with Zhao Liya's request for a meeting.

Xia Yunqiao has sorted out his clothes, "Yixuan, can you wear it like this?"

"Joe, you don't have to cater to other people. You can be yourself. " Tang Yixuan replied.

Hearing Tang Yixuan, xiayunqiao smiled. "Yixuan, even if you don't admit it again, they are your parents. The fact can't be erased, so we should face it or face it. "

Tang Yixuan clenched xiayunqiao's hand, thinking of thanking xiayunqiao for his tolerance. "Thank you, Joe!"

"No thanks! I am your wife. Of course, I will face it with you! Although I have suspected you before, I will still stick to my original choice now! "

Tang Yixuan has a smile on his face. "When it comes to this, I would like to thank you more for all you have done." Said, Tang Yixuan's eyes fell on Xia Yunqiao's stomach, "I am most moved is that you are willing to give birth to me children."

"This is my child, too." Xia Yunqiao answered with a touch of his stomach.

After arriving at the restaurant agreed with zhaoliya, Tang Yixuan and xiayunqiao did not see zhaoliya and Nangong Chao.

"Are you sure it's here?" Asked Xia Yunqiao.

Tang Yixuan nodded, "yes, it is here!" Tang Yixuan looked around again, still did not see their two figures, said that they temporarily changed their mind not to come? There are other reasons for that. You know that people in Nangong family are not fuel-saving lights!

Xia Yunqiao is holding Tang Yixuan's hand. "Yixuan, let's find a place to sit down!"

"If they don't come, Joe, let's go back!"

"Now that it comes, we will wait again! Maybe something has been delayed. Or do you call them? "

Finally, Tang Yixuan still according to Xia Yunqiao said. Sit down with her and wait together. But this, or really wait for an hour, Zhao Liya and Nangong super pressure root did not appear.

Tang Yixuan looked at the time. "Joe, let's go back! I don't think they're coming. "

Xiayunqiao knew that Tang Yixuan was worried about himself, so he urged to leave again and again. She reached for Tang Yixuan's hand. "Yixuan, don't worry! Come and be safe! We're just waiting, and we don't have anything else today. "

Tang Yixuan shook his head. "I'll see my mom and dad in a while, and they're in city A."

"Really?" For this matter, xiayunqiao has no idea at all. "When is it? I don't know how! "

"Just on the day you were in hospital, they came. But at that time, the little aunt drove them away. " Tang Yixuan replied, of course, that was what he heard from Xu Nan last night. He and Tang family parents made an appointment for lunch.

Xiayunqiao now is to understand why Tang Yixuan can not sit, "Yixuan, I know! Or you should call dad and mom to say we have something to do later. I think they will understand. "

"Joe, what do you mean is to wait here all the time?"

"Wait a minute!" "Said Xia Yunqiao.

At this time, footsteps came from behind.

Tang Yixuan and xiayunqiao turn around to see zhaoliya and Nangong Chao. In a moment, Tang Yixuan frowned, and the two men dare to love it in the early morning, but they have been observing themselves and xiayunqiao in the dark.

Xiayunqiao stood up and clearly understood what it was. "Mr. Nangong, Mrs. Nangong, how are you!"

"Sit down!" Nangong is over open.

Zhao Liya helped Nangong Chao to Tang Yixuan and xiayunqiao. "It's been a long time for you."

"Don't do such a boring trick next time." Tang Yixuan said discontentedly.

Nangong Chao smiled, xiayunqiao looked at him, he and Tang Yixuan were really similar, but his face with some morbid, but those eyes still have God.

Notice that xiayunqiao looks at himself, Nangong Chao says, "is there anything on my face?"

"No." Xiayunqiao shook his head.

Nangong super let Tang Yixuan and xiayunqiao sit down, and he also sat down with the help of zhaoliya. "Sorry, because my legs and feet are not convenient, I walk a little bit slowly, so I came late."

For Nangong Chao, Tang Yixuan did not believe that he lived in this hotel in Ming Ming Dynasty. Even if it was late, it was impossible to be late for an hour. It was just to open his eyes and say blind words, even his eyes would not blink!

Nangong Chao saw his son's very dissatisfied eyes, and he knew the truth in his heart.

"What is the matter with you letting us out today?"

"Your heart should be clear. Is the princess here too? " Zhao Liya opens for Nangong.

Tang Yixuan knew before he came to the city a, but he would never leave a city. "I'm afraid it will disappoint you!" Nangong Chao and Zhao Liya's eyes fell on xiayunqiao at the same time. They knew the reason was on xiayunqiao.

Xiayunqiao smiled and made a direct statement. "I will not give my husband to others!"

"It's stubborn! Don't you think about Yixuan's situation? "

"Enough!" Tang Yixuan interrupted Zhao Liya. "I said before that I had nothing to do with Nangong family, and I had made it clear to the princess. She won't marry me either! Please don't waste your mind! "

See Tang Yixuan and xiayunqiao firm eyes, Nangong Chao looked at zhaoliya a glance. "I won! I said it's useless for the young people to force them now! "

Zhao Liya didn't want to admit it, but she would like to lose. "I know!"

Tang Yixuan and xiayunqiao don't understand what Nangong Chao and zhaoliya are saying? Tang Yixuan has seen the strong Nangong family, so suddenly, he sees that this situation is not suitable. "What are you going to do!"

Zhao sighed. "I bet your father that if you wait here for more than an hour, cancel your engagement with the princess and respect your decision!"

Nangong Chao went on to say, "your mother said you would go from the beginning, so she lost! Yixuan, my father and mother have not done their parents' responsibilities these years, and even threaten you

to do something bad for the sake of your family. Now we see you two still so firmly together, so we decided to promise you! "

Surprise came some quick, such results let Tang Yixuan and xiayunqiao did not respond to.

"You agree that I am with Joe?"

"Yes, my father and mother wish you all!" Nangong nodded.

[Chapter 607](#)

This result is obviously not expected by Tang Yixuan and Xia Yunqiao. This time, it is too easy to talk about it? Think of here, Tang Yixuan can't help but asked: "you said is true?"

Xia Yunqiao heard Tang Yixuan's words and followed Zhao Liya and Nangong Chao. Before they came, they thought of a lot of countermeasures, but they didn't expect that they could not be used now.

"What? Don't believe it? " Zhao Liya said with a smile.

Tang Yixuan nodded honestly. "Yes, I don't believe it!" He and Xia Yunqiao's things have never been so easy to achieve what they want. Now suddenly tell him the news, he must not believe it! I still feel something is wrong.

When Zhao Liya saw Tang Yixuan like this, she couldn't help feeling that they had been too harsh on him before, which led to him becoming what he is now. I think it's her fault. I really shouldn't force him to do such a thing before.

Zhao Liya said to her son with apology: "Yixuan, it was all mother's fault before! Please forgive your mother

Xia Yunqiao immediately said, "thank you."

"Miss Xia, I also want to say sorry to you!" Zhao Liya looks at Xia Yunqiao and says.

Xia Yunqiao shakes his head, "the matter has passed, don't mention it again."

"By the way, we'll ask you out today, and there's one more thing we want to discuss with you." Zhao Liya finished and took out a document from her bag.

Tang Yixuan opened the document handed over by Zhao Liya, which was a declaration of inheritance. "What does that mean?"

"This is my decision after discussing with your father. This is also our compensation for so many years! Although you got a license to get married in city a, Yixuan is already a member of Nangong family, so you should get these! "

"I can't take this!" Tang Yixuan refused. He wants to rely on his own ability to give Xia Yunqiao happiness!

"Take it!" Zhao Liya replied. "With these, at least speaking in front of Xia's family is more powerful. I know Professor Xia still has some opinions on you. And now you have Nangong family as the backing, then there must be no problem! "

When Tang Yixuan was ready to continue to refuse, Xia Yunqiao reached out and pressed Tang Yixuan's hand, "Yixuan, take it! It's also a wish

"Yes, Yixuan, take it! These can also be used to pay for your wedding

Speaking of the wedding, Tang Yixuan continued: "we are not going to prepare for the wedding!"

"Why? Is it about money? "

"No! It's that I don't want Joe to be too tired. " Tang Yixuan shakes his head.

Xia Yunqiao saw Zhao Liya's suspicious eyes fall on his body, she said with a smile: "I'm pregnant!"

Hearing this news, Nangong Chao and Zhao Liya are also excited. Nangong Chao also because of this news, is more energetic, "so I want to be a grandfather?"

"Good, good! That's a good thing! " Zhao Liya is also excited. "Now pay attention to diet and rest! Or if you follow us back to country f, I can find a professional team to take care of you! "

Xia Yunqiao shook his head, "no, I still want to stay in a city. My father and mother will take care of me
Zhao Liya thought for a moment, and then said, "otherwise, I'll ask a person to take care of you, so I can rest assured."

"Xiaoya, let the children decide for themselves." Nangong Chao replied.

"This..."

Nangong Chao's spirit is good, so he will make some concessions, which is his first grandson after all.

"There are so many people in city a, we should not worry about it!"

See Nangong Chao said so, Zhao Liya did not continue to say what.

"We'd like to meet our parents sometime." Nangong Chao put forward the request, which is also necessary!

In the face of Nangong Chao's request, Xia Yunqiao also felt surprised. Today, Nangong Chao and Zhao Liya do more than she and Tang Yixuan think. Is that supposed to be fun? Or shouldn't you be happy? On the whole, Xia Yunqiao feels like riding a roller coaster.

Can't hear Xia Yunqiao's reply, Nangong Chao thinks Xia Yunqiao doesn't want to. "What? Any questions? "

"No. It's just a surprise. " Xia Yunqiao answered truthfully.

Nangong Chao is in a good mood. It seems that after hearing that he is going to be a grandfather, he is in a good mood. He even feels that his body is full of vigor. "Since there's no problem, we'll make an appointment to meet."

Xia Yunqiao nodded. "OK, I'll tell my parents."

"Call your uncle in time." Nangong Chao is not familiar with Huo Dongyang, so I want to take this opportunity to get to know him. Although they are similar in age, Huo Dongyang's seniority is here! They should respect him.

Xia Yunqiao thought about it, but she still agreed. I hope there won't be any other problems.

Originally thought that the matter had settled down like this, but was opposed by Tang Si Nian and Bai Xi. Tang Yixuan and Xia Yunqiao finished the meeting of Nangong Chao and Zhao Liya, then met Tang Sinian and Bai Qian, and talked about the two people's meeting. Hearing this, Bessie was immediately dissatisfied. "What! Now they want to decide these things unilaterally? I disagree! How to say Yixuan or Tang. It's our Tang family who's talking about this

Tang Sinian also agreed with Bai Xi this time. How to say that Tang Yixuan is also their son. The Nangong family now recognize their son and have a ready-made daughter-in-law and a grandson who is about to be born. They don't want to give up such a good thing!

"Yixuan, we have opinions on this matter! You are marrying Xiao Qiao as Tang Yixuan! If the two families really want to meet, then it should be me and your mother

When Bai Xi saw Tang Si Nian standing on her side, she was more confident. "Yes, we won't give in this time!"

This makes Tang Sinian and Xia Yunqiao feel embarrassed. Tang Yixuan takes a look at Bai Xi, as if he has some regrets. Just now he thinks about it, he is the first two big. Two people can only be silent.

Finally, they went to Jiangwan villa.

Xia Yunqiao said it again in front of Huo Dongyang, "uncle, what do you think we should do now?"

Huo Dongyang smiles. "I think it's good!"

"Good?" Xia Yunqiao blinked.

"After this child, there will be two grandparents in pain. How wonderful!"

Hearing this, Xia Yunqiao is speechless. The child is certainly good, but she and Tang Yixuan are not good! One parent is enough for them to cope with, but now it's two! Think of after, Xia Yunqiao appears headache.

Tang Yixuan knows what Xia Yunqiao is thinking, so he doesn't want Xia Yunqiao to work so hard. "Uncle, do you have any good idea?"

Huo Dongyang looks at Tang Yixuan and Xia Yunqiao, their eyebrows are locked. He said with a smile, "then we'll meet and discuss a solution."

[Chapter 608](#)

When Qiao Wei poured tea, he added with a smile. "It's not that hard! It's Xiao Qiao who has two children. One is Tang and the other is Nangong. I don't think the parents of both sides will have an opinion! "

Hear Qiao Wei's words, Xia Yunqiao think carefully, still have a little truth, so don't argue.

"What if both families want sons? The probability is not certain! " Huo Dongyang continued.

"If only little Joe had a twin like Molly! It's a good idea. " Said Joe, smiling.

Tang Yixuan frowns. He doesn't want to take Xia Yunqiao as a tool for giving birth to children! Think about it later, so as not to be embarrassed.

As a result, Qiao Wei was really right when he agreed to meet. The Tang family directly asked Sun Tzu to stay here, and Nangong family also hoped that Sun Tzu could go to country F.

"Mrs. Tang, this is not a reasonable reason! How to say, this is also the grandson of our Nangong family!"

Zhao Liya first objected. "Mrs. Tang, my son has chosen to stay here! Then you shouldn't deprive the two of us of our time with our grandchildren! In any case, this is the future successor of our Nangong family. "

"Madam Nangong, you are not right!" Bessie, of course, argued. "Of course, Yixuan is kissing us! We have raised him for more than 20 years, and this feeling will definitely not be broken! So of course, this grandson should stay here with his parents. "

Bai Xi's words make Zhao Liya dissatisfied, thinking that this woman had robbed her son with herself before, and now she wants to rob her grandson with herself. It really makes people angry. Zhao Liya pressed her anger in her heart. If she was hindered by so many people, she would not be polite!

Xia yueqian and yunmu looked at each other and didn't say a word. I feel that this round of war is about to start! This will only make Tang Yixuan and Xia Yunqiao difficult to do, the child has not been born has been like this. If the baby is born, it's OK!

Huo Dongyang never said a word, just like an outsider. Looking at the Tang family and the Nangong family arguing, he also saw Xia yueqian and Yun Muxin's helplessness! Then he looked at Tang Yixuan and Xia Yunqiao, the couple is really not easy!

The Tang family and the Nangong family have never come to a conclusion. They can only focus on Xia yueqian and yunmu, hoping they can give an explanation.

Xia yueqian said with a smile. "If you let me say it, I'll let the child stay in the summer house!"

As soon as this word came out, Bai Xi and Zhao Liya were dissatisfied. "This is even more unreasonable!"

"Why doesn't it make sense? I have only one daughter, Xiao Qiao. Of course, I want to live together in the future Xia yueqian replied. "I can't give up my daughter to suffer! Another point is that I have not admitted that Tang Yixuan is my son-in-law, so please don't rob me! Because it doesn't make any sense!"

Xia yueqian's words are very simple. What's more, he thinks there's nothing to rob them! Since he wants to ask his own results, he must not be so weak, of course, he must show his momentum.

Xia yueqian's words made the Tang family and Nangong family's faces pale. They had no idea that things would develop like this. Then they all seem to believe in looking at Tang Yixuan, and Tang Yixuan followed helplessly with a nod.

After receiving such news, Nangong Chao immediately said, "is it because there is no bride price? This is not a problem. I'll give you how much money I'll give you! "

Xia yueqian shakes his head. "Sorry! I'm not selling my daughter! It's not money that can solve it! "

"Xia yueqian, can we look at our past friendship and admit that Yixuan is your son-in-law."

"Tang Si Nian, do you still want to play emotional cards with me? This is still a yard to a yard! " Xia yueqian shakes his head and refuses.

Finally speaking of this, Yun Muxin interrupted everyone. "Let the children decide! Let's not put too much pressure on them! Since the future is a family, then there is nothing to worry about! Children's happiness is the most important thing! "

Yun Muxin's words successfully let everyone calm down. At this time, Huo Dongyang also said: "since the matter has been solved, let's have a meal together! It's hard to get together! "

So it came to an end. Tang Yixuan accompanies Xia Yunqiao to give birth in city A. they promise Nangong Chao and Zhao Liya that after Xia Yunqiao gives birth to the child, he will take the child to country f to let them have a look.

Although that's what they said, from then on, Nangong Chao and Zhao Liya came to a city every month to see Xia Yunqiao and prepared a lot of supplements for her. They even learned how to be a good grandfather and grandmother.

As for Tang Sinian and Bai Qian, in order not to lose to Nangong Chao and Zhao Liya, they simply live in a city, in order to seize the opportunity.

Tang Yixuan accompanied Xia Yunqiao on the balcony. They looked at the situation that four adults in the yard were fighting for Xia Yunqiao's meal like children! Both husband and wife thought that what they had done was good for Xia Yunqiao, so they soon disagreed, and then they had to fight again!

Xia Yunqiao looked at the situation downstairs and felt helpless and funny. How could they be so cute? It's really just a little bit of a hassle. But Xia Yunqiao saw that their relationship seems to be getting better and better, which is also a good thing. Xia Yunqiao looked back at Tang Yixuan. She said, "Yixuan, I think it's good to be so noisy! It's very lively! "

"I wish you didn't mind!"

"I won't!"

Tang Yixuan laughed, as if to think of something, and then said: "by the way, my father told me before, at home broke."

"How?" Xia Yunqiao didn't believe it.

"Why not?" Tang Yixuan asked.

Xia Yunqiao a smile, also did not investigate the reason. She also told Tang Yixuan another news, "brother Zichen returned to the United States yesterday." *nOveluSb.cOM*

"Did he go alone?"

Xia Yunqiao shakes his head. "I don't know, but I don't think so."

"What about Chu Zifeng?"

"Nothing to mention about him! I haven't heard from him for a long time! You don't doubt me, do you?"

Tang Yixuan saw Xia Yunqiao's serious expression and then said with a smile: "it's not! It's just that you're too good. I'm afraid you'll be robbed! "

Xia Yunqiao a smile, she holds Tang Yixuan's hand. "In the future, we all want to be together

"Of course Tang Yixuan said firmly.

Tang Yixuan takes Xia Yunqiao into his arms and looks at the distance together. They believe that they will be better in the future! Because their happiness is so hard won!

[Chapter 609](#)

A month later, on a street in the United States.

Qin Zichen accompanies Jian LAN to go shopping. Jian LAN looked at her son's sullen appearance and asked, "Zichen, are you in a bad mood recently?"

"No Qin Zichen shook his head.

Jane LAN shakes her head. "You don't have to lie to me. I'm your mother! I know what your simple action means. You suddenly applied to return to the head office. You must have met something in a city. Otherwise, if you come back for a month, why would you feel so depressed? "

Seeing Qin Zichen's silence, Jian LAN hesitated for a moment, and then asked, "is it because of Xiao Qiao?" Just a few days after Qin Zichen came back, she and Qiao Wei talked on the phone, so she knew that Xia Yunqiao was married and was pregnant.

Qin Zichen came back several times, but did not talk about Xia Yunqiao's marriage. She was shocked when she heard the news. Jian LAN knows his son's mind, which is why she and Qin Hao let him work in a city. But now, since it is a foregone conclusion, he should also learn to put it down!

"Zichen, do you want to meet the girl whom your mother told you last time?"

Qin Zichen stopped, eyes with firmness. "Mom, I said before that I don't want to get married yet!"

"Of course mom knows! It's just for you to meet someone else. I didn't say you must get married Jane LAN replied. "Your father and I won't force you to get married, but don't look like you're not married in this life! Because we'll be worried about that! "

Qin Zichen was stunned, and his eyes were incredible. "Do I have this?"

Jane LAN nods. "Of course

Qin Zichen smiles awkwardly at Jian LAN. "Don't worry, mom! I'm fine! "

"Now that little Joe is married, he should be able to afford it as a man. This is my son. "

Qin Zichen was so nervous that they knew it for a long time. It's true that I don't have enough of my own morality. I exposed my mind so easily. "You know, mom?"

"You're coming out of my stomach. What are you thinking? Why doesn't mother know? It's just that you and Little Joe don't have a chance

"Mom, I know what I should do. So please rest assured

Jian LAN nodded, her son is so excellent, there will be a match for him in the future. She is absolutely not worried about this, just a little later.

At this time, a woman with a cap and a backpack accidentally bumped into Jane LAN.

Qin Zichen immediately supported Jian LAN, he spoke to the woman. "Hey, you hit someone!"

"I'm fine." Jian LAN stretched out her hand to hold Qin Zichen, and didn't want to make things big because of herself.

After hearing Qin Zichen's voice, maiziqi felt difficultly confident. She was so familiar with the sound that she could easily distinguish it. Maiziqi slowly raised her head. When she saw Qin Zichen, she couldn't help laughing.

"Kiki?" When Qin Zichen saw maiziqi, he was also surprised. How could she be here, how could she be in America?! Isn't she supposed to help Xia Yunqiao take care of the studio in a city?

Maggie nodded. "It's me, brother Zichen. Long time no see! "

Jian LAN looked at the two people with a smile on her lips. "So you two know each other!"

Maggie looked at Jane LAN and immediately said, "Auntie, I'm sorry just now! I didn't pay attention to the way. "

"It's OK." Jane LAN smiles.

Qin Zichen noticed that Jian LAN looked at Mai Ziqi, "Mom, this is Xiao Qiao's good friend, maiziqi."

"Oh, it's from city A. Welcome Jian Lan's heart secretly a joy, this maiziqi looks like a like Qin Zichen. It's easy to do. It depends on what your son means.

Then Jane LAN invited Maggie to sit at home, but Maggie declined. This time she came to the United States to sign a new year contract with Mike. Xia Yunqiao is pregnant, so she can only come here as a representative.

Before she told Xia Yunqiao to leave a city, but Xia Yunqiao did not agree. Simply give her the mission to the United States, let her work here on behalf of the studio.

At first, Maggie didn't understand why Xia Yunqiao wanted to do this. But now when she saw Qin Zichen, she wanted to understand. Maggie never thought that Qin Zichen's home would be in the same city as Mike's. It's no coincidence at all!

Jian LAN saw maiziqi's embarrassed expression and continued to open her mouth: "Qiqi, don't you really go to sit at home? It's very close to here

"Auntie, thank you for your invitation. I have something to do later. I'll go next time. "

"Then it's settled!" Jian LAN added a sentence.

"Well!"

Jane LAN nodded with satisfaction, "Zichen, you send Qiqi back!"

"Ah?" Qin Zichen didn't understand what his mother was doing? Why suddenly let yourself send Maggie. Maggie shook her head quickly. "No! I can do it myself. "

Looking at Maggie left in a hurry, Jane LAN looked at her son discontentedly, "this is a good performance opportunity, you don't want it!"

Qin Zichen frowned, "what?"

"Are you stupid? Or do you pretend to be stupid? Worried about her son's EQ, Jian LAN shook her head helplessly and went on.

Qin Zichen has no way but to keep up with her. For a while she really makes her mother feel uncomfortable. Then she will be asked by her father.

Back home, Jane LAN calm face into the living room.

Qin Hao put down the document in his hand and saw that his wife's face was not right. He immediately asked, "what's the matter? What happened? "

Jian LAN reaches out to Qin Zichen, meaning to ask Qin Hao. Qin Hao looked at Qin Zichen and asked, "didn't you go shopping? Why is it like buying the anger to come back? Zichen, have you upset your mother

Qin Zichen immediately shook his head. "No!"

"Zichen, mother asked you if that Qiqi likes you?" novelusb.com

In the face of a sudden problem, Qin Zichen did not respond to it, and obviously did not know why his mother suddenly said this.

Qin Hao was confused. "What, Kiki? What likes you? What's the matter? "

Under the pressure of Qin Hao and Jian LAN, Qin Zichen can only choose to be frank and lenient and tell everything. After listening to Qin Zichen's words, Jian LAN is a pair of hate iron does not become steel, "so you now take to avoid her way?"

"Well..."

"No use!" Qin Hao continued. "Since she is a good girl, why don't you try it? What's the use of hiding! Zichen, since you meet again, it is also a new opportunity! "

Qin Zichen really does not understand why his parents are so keen to pave the way for their own future. "Mom and Dad, I want to choose my own way."

What else does Jian LAN want to say, but is pressed by Qin Hao.

[Chapter 610](#)

The next day.

When Qin Zichen was going to work, he was stopped by Qin Hao.

"What's up, dad?"

"I'm going to the company today, too." Qin Hao replied.

Qin Zichen nodded, "OK, I'll drive."

Seeing Qin Zichen go out to drive, Jian LAN walks to his side. "Is there anything to go to the company today?"

"Well, Huo Dongyang said there was something urgent to hold a meeting." Qin Hao said as he tidied up his clothes.

When he said to have a meeting at this time, it must be the most important thing. Otherwise, Huo Dongyang would not use his time in the evening to say that he wanted to hold a meeting. Jane LAN is nervous. "That should be urgent! Go to the company and have a look! "

Qin Hao nodded, "wife, I'm out."

"Well!"

After arriving at the company, Qin Hao finds out that Mike is also there, which is somewhat unexpected, and Mike is accompanied by Maggie. This makes Qin Zichen look surprised. After a while, Qin Zichen understood. It turns out that Maggie came to sign a new year's contract with Mike on behalf of Xia Yunqiao.

Just to my surprise, why did she appear at HD headquarters. And still follow Mike, it's hard to understand!

When Maggie sees other things, they continue to communicate with each other.

Qin Zichen suddenly felt that he had a feeling of being ignored. Could it be said that only his own heart could not be put down, and she did not have that meaning.

Qin Hao pulls the dazed Qin Zichen to sit down. Of course, he also notices maiziqi. Seeing that his son was wrong, Qin Hao guessed who he was?

Mike is not a wooden man. Of course, he has received all the eyes of Qin Zichen and Qin Hao. It seems that there is a story. He looked back a little at Maggie sitting behind him. "Maggie, do you know Qin Zichen?" **noVELUs&.coM**

"Yes, Uncle Mike." Said Maggie in a low voice.

"Is that boy interested in you?" Although Mike himself is not married, he still knows these emotional things.

Maggie quickly shook her head, "no, no! Uncle, don't make fun of me

When Mike smiles, it's obvious that there are many people in the game and the onlookers are clear. "But that kid looks at you differently."

When Maggie heard this, she couldn't help laughing. In fact, he is very clear about Qin Zichen's mind, emotional things can not be forced. So before she came to the United States, she planned to put down her feelings for Qin Zichen. "Uncle, I think he should be surprised that I'm here."

Mike turned his head around and didn't go on with the subject. He will bring Maggie here today. In fact, it is also for Maggie to visit HD headquarters. He didn't expect to encounter such a thing.

Qin Hao and Qin Zichen see the conversation between Mike and Maggie. Unfortunately, they are far away from each other and can't hear what they say. But it's rare to see Mike's smile and tenderness from a proud man like him, so we can see that Mike is good to Maggie.

Qin Hao looked at Mike and spoke directly. Of course, he also had some intentional elements: "Mike, has he changed to such a young and beautiful assistant?"

Mike smiles, "Qin Hao, your eyes are still so sharp, and you immediately notice that I am wearing a fresh face today."

Qin Hao accompanied with a smile, "this is not to prove that I always pay attention to you!"

"Flattery is not enough!" Mike interrupts Qin Hao. "This is my niece, Maggie! I'm really nice. I'm still single now! This time I came to America, I hope I can find a husband for her. If you have the right person, you can recommend it! "

The first half of Mike's sentence is to Qin Hao, but the latter is to other people. The purpose is to attract other people's attention, and more importantly, he wants to see Qin Zichen's reaction.

After hearing the news, Qin Zichen's face changed slightly, but it didn't turn out to be obvious.

Maggie's face turned red with Mike's words. "Uncle Mike, don't talk nonsense."

"I don't talk nonsense. It's a fact." Mike said calmly.

After hearing Mike's words, people at the scene are ready to move. Everyone knows Mike's status and reputation here. If you can really get on with him, that's a good thing! "Mike, are you serious?"

"Really! When did Mike tell a lie? " Mike has confidence on his face.

Maggie lowered her head, did not think that one day she would become the focus of attention, this feeling she is really not used to.

Huo Dongyang's video conference just started, so we also interrupted the discussion. Huo Dongyang's meeting is to prepare the next quarter's financial report. What's more, Jason and John, who are far away in Europe, sent back the latest news that the European market has been depressed recently, so a meeting must be held to decide on a new plan.

Maggie quietly listened to every decision in the meeting, and she really admired them. These are people who do great things. Every sentence and every word is not nonsense, even the key to the point. This

time, Maggie felt that she had learned a lot. There was really too much to learn from these elders. She also understood why Mike brought himself here.

However, there is an absent-minded person in the whole process, and this person is Qin Zichen. He found that Maggie's current state is really different, even he has not noticed that his eyes are always on Maggie.

Mike looked back several times and saw Qin Zichen's eyes. At last, he moved his chair without any trace, completely blocked Maggie behind him, and raised his eyebrows at Qin Zichen.

Qin Zichen immediately took back his eyes, and with some nervousness in his heart, he was caught by Mike.

Mike raises the corner of his mouth and looks at Qin Zichen.

This meeting, Qin Hao also found that it was wrong. He looks at Mike. After receiving Mike's meaning, Qin Hao looks back at his son. "What happened?"

"It's OK." Qin Zichen shook his head.

After the meeting, Mike goes to Qin Zichen and Qin Hao in person with a smile on his mouth. Is this Chen Zi? I haven't seen you for many years. I've grown so big. I'm really a good-looking person! "

Qin Hao knows Mike. He is not a person who talks nonsense, so he can't talk in vain. Qin Hao naturally continued, "yes! The children are grown up, and we are old. But I also know today that you have such a beautiful niece, just not like you

Mike laughs. "Not quite like me, of course! If it's like me, it's more than that. "

"Less narcissism!" Qin Hao refuted. "Is this Joe's colleague?"

Mike shrugs helplessly. "It's boring!"

Then Mike calls Maggie over. "Maggie, it's uncle Qin."

Maiziqi nodded and immediately called Qin Hao to say hello to uncle. Then looking at Qin Zichen, "brother Zichen, we met again."

Facing the graceful maiziqi, Qin Zichen felt that he was unnatural instead, and he responded casually: "Well!"
