

Warm Wife 611

[Chapter 611](#)

Mike saw Qin Zichen's indifferent expression with disdain in his heart. He wants to see how long Qin Zichen can last.

"Maggie, you drive and we go back to the company."

After Mike handed over the car key, Maggie nodded, "OK."

After seeing maiziqi go out, Qin Zichen also goes out. Seeing this, Qin Hao smiles on his face. "That's how young people are!"

Mike gives Qin Hao a look of contempt. "Hum, Qin Hao, don't make a fool of yourself in front of me!"

With that, Mike shakes his hand away because he is going to stop Qin Zichen.

Qin Hao stood there, praying for his son. "Son, you have to refuel!" Qin Hao and Mike have known each other for many years. They know him very well. No one has ever been able to steal anything from Mike. Unless he gives in, there is really no way.

In the parking lot, Maggie is pulled by Qin Zichen before she reaches Mike's car. "Kiki, wait a minute!"

Maiziqi stopped, with a puzzled face, also did not expect Qin Zichen will chase. "Brother Zichen, why are you here?"

"Watch out for Mike. He's a businessman. You're not his match." Qin Zichen said anxiously. What Mike said in the conference room was not so simple! He should want to use Maggie to accomplish one of his goals.

Maggie was even more confused. "Brother Zichen, I don't understand what you mean!"

"Don't you understand? Mike is just using you to achieve his purpose. " Qin Zichen was angry.

Maggie burst into a smile. "Is there any value in me that I can use? I'm just an ordinary person. "

Qin Zichen reached out and pressed maiziqi's shoulder, and his tone was also worried. "Kiki, don't be silly! Mike is definitely not a simple man. He has many means! You have to think more about everything. "

Maiziqi knows that Qin Zichen is concerned about himself. "I'll take care of myself. Don't worry."

Seeing maiziqi's expression, Qin Zichen was completely angry. "Maggie, are you awake?"

"Qin Zichen, you are enough! It makes sense to say that behind my back? " Mike comes slowly.

Qin Zichen immediately blocks in front of maiziqi. "Mike, Kiki is not your tool."

Mike smiles. "When do I say Maggie is my tool, she is my niece now, I have no time to hurt her!"

"Don't you think that's hypocritical? How many women have you used to complete your plan before? I think many people know this! I tell you, Kiki is different from those women, please don't do this to her

When maiziqi heard Qin Zichen's words, he was excited, so now he is concerned about himself? Her eyes were slightly moist, but Maggie now knew how to hide her feelings. She said to Qin Zichen, "brother Zichen, you misunderstood Uncle Mike."

"Kiki, don't be so naive." Qin Zichen argued. "His purpose is certainly not simple."

Mike took a few steps forward. "My purpose is really not simple!"

"You are telling the truth at last!" Qin Zichen said aloud. "Mike, let Kiki go now."

Mike looks at Maggie. "Maggie, do you want to go?"

Maiziqi reached out and took Qin Zichen's hand. "Brother Zichen, I come to work! Uncle Mike and I have a meeting to go now! "

Mike looks at Maggie's performance with great satisfaction. He bypasses Qin Zichen and reaches for Maggie's hand. "Let's go!"

Qin Zichen is stunned and looks at Mike pulling maiziqi away. His heart is suddenly uncomfortable. How dare you say Mike himself means that to Maggie? Looking at their back, there is an inexplicable harmony. Qin Zichen's heart trembled for a moment, or just said that the words were just a smoke bomb?!

The car soon left in front of Qin Zichen. Qin Zichen stood still, but his hands clenched into fists.

Qin Hao went to his son's side, "Zichen, let's go back! If we want to take Kiki out of Mike's hand, we need to find another chance! But one thing you have to be clear about is how you feel about Kiki! If we don't have full assurance, it's very difficult for us to succeed! "

After Qin Zichen heard Qin Hao's words, he also had different ideas. He clenched his fist as if determined to do something.

Then, Qin Zichen called Xia Yunqiao and asked about maiziqi's situation and schedule. Before the end of the call, Xia Yunqiao also kindly reminded Qin Zichen: "brother Zichen, if you really don't mean Qiqi, please don't disturb her! She finally put down everything in a city and went to America in order to start a new life. I asked Uncle Mike to take care of Kiki before. She's a new comer. There must be a lot of maladjustment for her! ""But Mike's letting her out now, you know? Or he wants to enjoy it himself Qin Zichen really doesn't understand Xia Yunqiao's arrangement!

Hearing Qin Zichen's words, Xia Yunqiao chuckled. "It's impossible! You don't want to add charges to them! "

Qin Zichen didn't want to continue talking to Xia Yunqiao, but directly hung up the phone. Because he felt that Xia Yunqiao did not understand the current situation.

Soon, Qin Zichen received the news that many people had begun to introduce the object for Maggie! It seems that Mike's appeal is extraordinary. If it goes on, then Maggie is really likely to be taken away by others.

Next, Qin Zichen and heard that maiziqi really agreed to go on a blind date, which made Qin Zichen uncomfortable. On the weekend of maiziqi's blind date, Qin Zichen couldn't sit at home.

Seeing her son go out in a hurry, Jian LAN looks back at Qin Hao. "Qin Hao, are you really not worried?"

Qin Hao put down his book. "Zichen has grown up and knows what to do! And it's not the time for us to play! "

Jian LAN walked to Qin Hao with a smile, and her eyes flashed with light, "listen to you say so, is there a way?"

"Of course

With Qin Hao's assurance, Jian LAN is relaxed, so she can feel at ease.

Qin Zichen went to the restaurant where maiziqi agreed to go on a blind date. As soon as she entered the door, she was sitting in the corner. Today, she was not the same as usual. Obviously, she came out after careful dressing up.

Seeing this, Qin Zichen felt that his heart was blocked. Because Maggie doesn't dress like this every time she sees him. She always appears in the most ordinary state. Now to see her dress up for this meeting, I feel very uncomfortable! But I have to admit that Maggie is really beautiful!

Just as he was thinking, a man in a straight suit had come to Maggie.

[Chapter 612](#)

Qin Zichen immediately found a seat and sat down, observing the situation of maiziqi and the man nearby.

When Maggie saw the man, she also stood up immediately. She nodded to the man with a smile, which Qin Zichen had never seen before. In his memory, Maggie was always careless, sometimes a little shy, but never saw her look shy.

Qin Zichen can't help but feel that this woman is really multi-faceted, and really changes by looking at people. He even suspected that Xia Yunqiao's saying that Maggie liked herself was false. If she really likes herself, then she certainly won't accept dating other men.

Qin Zichen looked at the two people who talked well not far away, and his heart was not very good. Maggie really let go of the past? Is she really going to start over in America? Or was she forced to do so by Mike?

Hearing maiziqi's laughter, Qin Zichen's face sank, and suddenly had an unexpected sense of crisis! Maggie is really going to let go of her past feelings and start over. Qin Zichen's heart has a burst of unprecedented panic, that often follows in his and Xia Yunqiao's side Mai Ziqi, now has changed.

Qin Zichen had to reexamine his feelings about maiziqi. Since I met her on the street that day, every time I met her, she was refreshing her understanding of her, which made her feel different.

Maiziqi accidentally seems to see Qin Zichen, but when she wants to confirm, she is blocked. Her eyebrows wrinkled in a moment, "is that him? But he shouldn't be here? "

"Maggie, what's the matter with you?" Ben asked.

"It's OK. It's like seeing an acquaintance." Maggie replied. "Let's go on!"

In fact, Ben is not the blind date of Maggie, but a client of Mike. Today, Maggie is here to discuss the agency contract for the new season on behalf of Mike. Because it's an important customer, and Mike has repeatedly told us that we can't neglect it. So Maggie specially dressed up. If she put it aside, she would certainly not dress up, mainly because she felt unnatural.

Ben had a good impression on Maggie. He was good-looking and talkative, so he signed the contract soon. "Maggie, now that the contract has been signed, let's talk about personal matters."

"Private affairs?" Maggie wondered, isn't this just about business?

Ben nodded. "Well, I heard Mike say you're looking for a husband. What do you think of me?"

"Ah?" Maggie had no idea that there would be such a meaning. "Is that what Uncle Mike means?"

"Yes! I think you're good. Maybe we can get together. If it's appropriate, you can get it right away. "

Ben's words made Maggie pale. Americans seem so direct! But now I don't seem to be really ready. I thought Mike was just joking, but I didn't think it was true.

Ben saw Maggie's expression, and was more excited about how she looked at the moment. Such a woman is simple and simple. She has no airs at all and is comfortable to get along with.

"Maggie, you can think about it. My conditions are also good. "

Maggie adjusted her mood. "Ben, I'm here to work today, so I'm totally unprepared."

"I know. You don't have to be so nervous. Just follow your heart. "

Thank you Maggie smiles and nods.

Ben looked at the time and said, "Maggie, I'll be back in a minute. Shall I take you back? "

"Since you have something to do, don't bother. I can go back myself. " Maggie declined.

Ben shook his head at the refusal of Maggie. "Maggie, you should give me a chance to show a gentleman, otherwise it will have a great influence on me."

Maggie saw that Ben had said something about it. If she continued to refuse, it seemed that she couldn't make sense. "I'll trouble you."

Ben smiles. "It's my pleasure!"

Qin Zichen saw that the two of them wanted to leave, and then put down the meal card blocking his face. With a sharp eye on Benna holding Maggie's hand, the man can really take advantage of him and hold his hand so quickly.

Seeing that they had left the restaurant, Qin Zichen immediately followed them. After Qin Zichen walked out of the restaurant, he saw maiziqi standing on the side of the road alone, obviously waiting for ben to drive over.

Qin Zichen did not care, and walked quickly. Then she pulled maiziqi away without saying a word. When maiziqi reacted, she had been dragged by Qin Zichen for several steps.

Maiziqi still couldn't believe that she was pulled by Qin Zichen. So she saw that man in the restaurant was really Qin Zichen. I feel the pain from my wrist, and I'm wearing high heels on my feet. I'm not steady at all. Maiziqi called out: "brother Zichen, wait a minute!"

Qin Zichen stops and turns to look at maiziqi. "What's the matter? Not willing to leave the man? ""What do you say?"

"You know it Qin Zichen's voice was very serious.

Maiziqi looked at Qin Zichen. She blinked. "What did I do wrong to make you angry?"

"You are so anxious to go on a blind date, do you really want to get married?" Qin Zichen yelled.

Hear Qin Zichen tone with the meaning of blame, maiziqi heart a sour. It turned out that he thought of himself like this in his heart, and his temper rose at once. "Yes! I want to get married now

Qin Zichen frowned, "you are so superficial! So in order to get married, you can find any man you like? "

"Yes Maggie said aloud. "I used to like a man so much, but that man didn't mean to me. I'm tired too. Now I just want to find a man who loves me, so it doesn't have to be so hard! "

Qin Zichen was really stimulated by maiziqi's attitude. "Have you ever confessed to the man yourself? If you don't even have a confession, how can you conclude that the man has no idea of you? "

Maggie a Leng, the tears in the corner of his eyes were also immediately stopped, "what do you say?" Does Qin Zichen already know?! Or he wouldn't say that!

"Maggie, you say once in front of me that you like me!" Qin Zichen strongly let Maggie say his feelings.

Maggie felt that everything around her became quiet, and all the voices disappeared in an instant. She only heard his heartbeat, she looked at Qin Zichen in a daze, why he was so angry. "Brother Zichen, I..."

"Say it! Don't you dare? Or are you just talking about it? "

Maiziqi clenched her hand, "Qin Zichen, I like you!"

In a minute after this sentence was said, Qin Zichen did not respond at all. He just looked at Maggie seriously and didn't say a word.

Maggie couldn't help laughing at herself. She knew it was the result. But now she has no regrets, and her heart is much more comfortable after saying it. Maiziqi broke Qin Zichen's hand and went back.

But after two steps, Qin Zichen hugged him tightly from behind. "Kiki, let's get together!"

Hearing such a sentence, maiziqi's tears burst out in an instant. She finally heard Qin Zichen say this sentence himself. She slowly closed her eyes and said, "Zichen I... "

"Kiki, since you want a new start, stay with me!"

"Good..."

[Chapter 613](#)

Qin Zichen and maiziqi's affair soon passed to a city through Jian Lan's telephone.

Qiao Wei also felt happy to hear the news. After all, Maggie is a good child. After Qin Zichen put down Xia Yunqiao, he should really find someone who loves each other.

"Xiao Lan, you must be very happy! Maybe we can get married by the end of the year. " Said Joe, smiling.

"It's up to both of them to agree. If they don't, I'll let them get married at once Jane Lan said with a smile that she was in a good mood.

Qiao Wei's mouth also has a smile. "Let the children go!"

"Wei Wei, you and Huodong will come to America at the end of the year."

"I think you want me to help you choose your wedding dress?" This is the tacit understanding of friends for many years. Jane LAN now is eager for Qin Zichen to get married immediately, so she should think about starting to prepare for the wedding from now on!

"Sure enough, you know me best."

"Next month, when you come back to the party, we can also discuss it." Said Qiao Wei.

"Yes, yes, yes!" Jane LAN nods. "I almost forgot."

Qiao Wei put down the mobile phone, Huo Dongyang walked past. "Just now I still looked happy. How could it be silent?"

Qiao Wei looks back at Huo Dongyang. "Dongyang, Zichen is also determined now. When I think about xiaonuan, I have a headache! This daughter is really a big problem now. When will she save my mind? "

Huo Dongyang took Qiao Wei's hand and went to one side and sat down. "Weiwei, don't think too much. We don't need to urge these things! At the beginning, we didn't follow our parents' wishes, so now they will not follow our wishes. "

Jovi certainly understood that. "I don't want to worry too much. But I'm still worried about her! "

Huo Dongyang can't help but tell what he knows when he sees his wife worried. After listening to Qiao Wei, the whole person was stunned. There is such a thing, and I do not know. Qiao Wei grabs Huo Dongyang's hand. "Dongyang, is this true? Does xiaonuan like Xu Nan

"I know it is." Huo Dongyang replied.

Qiao Wei let himself calm down, thinking for a while to find Tang Yixuan to understand Xu Nan's situation. If it's really good, then she wants to help her daughter. It's rare that she likes a man so much.

Jo knows what she wants to see in her eyes. "Qiao Wei, don't get involved in these things! It's also a good thing to let xiaonuan touch the wall. She has been rich in clothes and food since she was a child, and she has never been refused. This is a good experience for her

"That's what I said. But why doesn't Xu Nan like xiaonuan?" This is what Qiao Wei doesn't understand.

"I think it's not that I don't like it, it's that I can't afford it." Huo Dongyang speaks his mind.

Qiao Wei heard this, immediately got up, "Dongyang, I'll go out for a while."

See Qiao Wei anxious to go out, Huo Dongyang did not stop. He knew where Jovi was going. How to let her own contact, otherwise she will not give up. Huo yunnuan is very similar to Qiao Wei. But Huo Dongyang didn't expect that his daughter could hold on for so long this time. He didn't give up now.

In view of this, Huo Dongyang thought it was good. That's why he didn't stop him. He just wanted to see how long his daughter could hold on.

At this time, Huo yunnuan came out of the room. "Where's my mother, daddy?"

"Out of the door, should be to the summer home."

Huo yunnuan poured himself a glass of water, then walked to the sofa and sat down. She said casually, "Little Joe is pregnant, don't you have to go there almost every day? People who don't know still think that's her daughter. I don't think my sister and brother-in-law are worried as much as she is! "

Huo Dongyang listened to his daughter saying that his wife was not good, and his face sank. "Don't say that to your mother. You need to know how much your mother paid for you. "

"Oh Huo yunnuan dare not refute Huo Dongyang, because it will only bring him more dissatisfaction.

Huo Dongyang narrowed his eyes and looked at the dishevelled daughter in front of him and sighed. "Xiaonuan, have you made any progress with Xu Nan?"

Huo yunnuan hears this sentence, a saliva directly spurts out. She coughed a few times and looked at Huo Dongyang in surprise. "Daddy, you What did you say No one would have known about it.

Huo Dongyang picked up the paper towel to wipe the water on the table, and still maintained a relaxed tone: "you are my daughter, what else I don't know! So there's no need to be so surprised! "

Huo yunnuan lowers his head. As expected, what can be concealed from others, but not from his father. It seems that this is also the reason why other people respect him. Everything is under his control. It's terrible to think about it. "Daddy, can you leave it alone?"

"You think I want to be so tired! Since I came back to a city, I have more and more things to take care of. It seems that I have an obligation to take care of everyone's affairs! "

"Then you can turn a blind eye." Huo Yun said in a warm, low voice. Huo Dongyang looked at Huo Yun's warm look, "yes! It's easy for you to say, I want to! But I really can't see your action, or you think I'll say it. If I say it, I'll be ashamed, too

"Daddy, I've worked hard! But Xu Nan is a piece of wood, no matter what you say, or no reaction. He also said that he would not like people like me, because it is difficult to serve! "

Huo Dongyang raises eyebrows, that boy really dares to say. If you have the ability to say it in front of your own face, you dare to say that your daughter is difficult to serve. Although this is also a fact, it is really heartbreaking to say so directly!

"In that case, what are you doing after him?" Huo Dongyang asked coldly.

"The more he is like this, the more I want to succeed! I want to tell him that Huo yunnuan is not such a loser! "

Huo Dongyang was satisfied with this sentence. "Well, that's what it should be!"

"Daddy, so you support me?" Huo yunnuan's eyes twinkle.

"Your mother went to Xia's house to find Xu Nan."

Hearing this, Huo yunnuan immediately rushed back to her room to change clothes. She wanted to rush to have a look.

To the summer home, Qiao Wei found Xu Nan here, which is really good for himself. Take the opportunity to contact, so there is a bit of security.

Xu Nan saw Qiao Wei and immediately stood up, "Madame Huo!"

"Well!" Qiao Wei nodded, "since you are here, I will say it directly. I came to see you today

"To me?" Xu Nan does not understand, do not understand what Qiao Wei looks for himself to do.

Qiao Wei stares at Xu Nan, "yes, talk about you and xiaonuan."

[Chapter 614](#)

As soon as Qiao Wei's words came out, all the people present were stunned. When did Xu Nan fall in love with Huo yunnuan? No one really knows about it.

Tang Yixuan looks at Xu Nan. "Xu Nan, are you with my aunt?"

Xu Nan opened his mouth and really couldn't explain himself and Huo yunnuan. If you had known about the relationship with this lady, something would have happened. He is still in his own heart, fortunately, not Huo Dongyang. Or he really doesn't know what to do now!

Seeing that Xu Nan didn't make a sound, Xia Yunqiao frowned. Think before Huo yunnuan or a pair of very uncomfortable Xu Nan's appearance, how now there is a play? Isn't Huo yunnuan's view of love different from ordinary people? Why are you with Xu Nan? I can't believe it!

"Xu Nan, are you really with my little aunt?" Xia Yunqiao asked again.

Xu Nan faces several pairs of staring at his eyes, worried, he wants to explain, but the words to the mouth become. "No! Really not! "

Qiao Wei heard Xu Nan's answer, with discontent in his heart. "No? What's the matter with you It shouldn't be! Huo Dongyang didn't say that, or Xu Nan didn't dare to admit it in front of so many people, so he denied it!

Xu Nan saw Qiao Wei's serious expression and thought it was bad. If they really offend the Huo family, then it is really unbearable! But now how to resolve this crisis!

Tang Yixuan knows Xu Nan. He is not a liar. Since he has said no, there should be no such thing. "Aunt, I believe in Xu Nan. He won't lie to us! "

"Is it?" Qiao Wei expressed doubt, "or do you dare not admit it in front of so many people?"

"Mrs. Huo, I'm not really with Miss Huo, and it's impossible!"

Hearing such words, Qiao Wei's brow is locked. "So you mean my daughter is not worthy of you?"

"No, no! Don't get me wrong, Mrs. Huo. I don't speak very well. If there is something wrong with me, please bear with me. Miss Huo is very nice, but not my type. " Xu Nan said seriously, with sincere eyes!

When Qiao Wei heard this, he couldn't help but wonder if all this is Huo yunnuan's wishful thinking? They don't mean that at all! This really does not conform to Huo yunnuan's work style!

No way! She must figure out the whole thing and never leave it alone. "What you say is true?"

"Yes, Mrs. Howe!"

Tang Yixuan and Xu Nan have known each other since childhood, so they have a clear idea of him. Xu Nan didn't lie because he didn't like Huo yunnuan. Plus Huo yunnuan's identity is put here, Xu Nan is also a smart man, he certainly will not find a woman who is not suitable for him. Huo yunnuan's identity is obviously not in his choice.

"Auntie, there should be a misunderstanding about this."

"But these are what Dongyang told me. There should be no problem!" Qiao Wei does not believe that Huo Dongyang has never had any Oolong incident, so she believes in Huo Dongyang. If his investigation is correct, there must be someone lying, and this person can only be Xu Nan.

Qiao Wei also knows Huo yunnuan that she is not a numb child, and she will certainly do things without thinking! Her intelligence is no problem. Maybe her EQ is a little lower, but she is not so persistent. Xu Nan must have given her some information.

Qiao Wei also wants to say when Huo Yun is warm. She looked at Qiao Wei breathlessly. She knew how anxious she was when she looked at her. "Mom!"

"You're just in time!" Qiao Wei felt that he must find out what happened today. "What's the matter with you and Xu Nan? He just said it has nothing to do with you! "

Huo yunnuan heard this, Huo yunnuan looked back at Xu Nan with disappointment in his eyes. "It doesn't matter?"

Xu Nan's face turned white, and his heart was beating drums. Did they really have a relationship? Why don't you have any impression? She won't have any misunderstanding! *nOvelus&.cOM*

"Miss Huo, we really have nothing to do with it."

Xu Nan's words completely hurt Huo yunnuan's heart, her eyes with anger. "I didn't expect you to be a bridge breaker! In that case, I don't have to say anything! " Huo yunnuan felt that his eyes must be blind, would feel that Xu Nan and other men are not the same.

In other people's view, Huo Yun warm and Xu Nan's thing is not simple. Huo yunnuan now clearly wants Xu nan to be responsible, and Xu Nan seems to have lost his memory, and doesn't admit anything! The two people have different perceptions. What happened before!

Qiao Wei knew that there was a problem. She stood up and took Huo Yun's warm hand. "Little warm, what happened! You tell your mother that she will get justice for you

Huo Yun looks at Xu Nan with warm red eyes. "Xu Nan, are you playing silly for me now? Don't you forget about last month at the Glamour Bar? I took care of you when you were drunk that day. I even took care of you in bedXu Nan's face turned white, as if he had remembered something. "That night..."

"What! Come to think of it Huo yunnuan threw out, anyway, now she doesn't care about her own innocence, is not that a layer of membrane is missing, which can't die.

All the people present were shocked. It turns out that Xu Nan and Huo yunnuan have already had a relationship! So this is why Huo yunnuan is angry.

"Xu Nan, you said you would be responsible for me that night!" Huo yunnuan asked. "So you don't keep your word now?"

In the heart of Xu Nanyun, Zhang's tears are warm. "I..." In fact, that night, Xu Nan was not in the room at all. Huo yunnuan helped himself to the room and went out to buy sobering pills.

But in Huo yunnuan left for a while, he also recovered some soberness. And at that time, he did not know that the person who took care of himself was Huo yunnuan. So he took advantage of his consciousness to leave and take a taxi back to his hotel. As for what happened later, he really didn't know.

Now hearing Huo yunnuan's words, Xu Nan understood it all. But now the problem is big. Who is the one who has relations with Huo yunnuan? How to say this matter also has relations with oneself, this responsibility also cannot shirk!

See Xu Nan speechless, others think he is tacit! I didn't expect such a thing to happen.

"Xu Nan, so you and my aunt have already..." Tang Yixuan asked in disbelief.

[Chapter 615](#)

In the face of all people's questioning eyes, Xu Nan's heart is more heavy. But he couldn't tell the truth in person, which would only make Huo yunnuan worse.

Xu Nan's silence completely disappoints Huo yunnuan, "Xu Nan, I Huo yunnuan is not to ask you to be responsible! So don't look at me like this. I don't need your pity

Tang Yixuan stands up. "Xu Nan, what's going on here? Tell me the truth! It's not a small thing. "

"I..." After Xu Nan opened his mouth, he still didn't know how to say it.

Qiao Wei sees such Xu Nan also feels disappointed, "did not expect you are such a person. We are wrong, but please come to Huo's house and give us an explanation. "

Finish saying, Qiao Wei pulls Huo yunnuan to leave the summer home.

After seeing Qiao Wei and Huo yunnuan leave, Tang Yixuan also looks at Xu Nan with disappointed eyes. "Xu Nan, if you are a man, you have to have a commitment. Do you understand? It's really big or small. "

Xia Yunqiao's face was also worried. She had heard her mother say about uncle's methods to deal with bad people. The consequences were not all people could bear! If she could, she certainly didn't want Xu nan to get such a retaliation. That's not acceptable to ordinary people.

"Xu Nan, you really have to think clearly. What happened that night? " Tang Yixuan is really worried about Xu Nan. Everyone knows that in city a, anyone can be offended, but Huo Dongyang can't be offended!

If such a thing happens now, Huo Dongyang will definitely not calculate it like this. Tang Yixuan thinks more and more anxious, what should this do!

"Little Joe, can you do something about it?"

Xia Yunqiao shakes his head. "Uncle always listens to my aunt! But now angry is aunt, this is not easy to deal with. This time, it was about my aunt. Although the uncle said that he disliked her, she was also his treasure in his heart. It's really hard to say what happened this time! "

Tang Yixuan looks at Xu Nan who has been silent, and really feels that he has no way. The parties are silent. It's useless for them to say so much from the onlookers. Now he can only pray for Xu Nan.

After that, Xia Yunqiao called Huo yunxun and told him about it and asked him to go home and have a look.

"Don't worry, Little Joe. I'll go back and have a look. " Huo yunxun said on the phone.

"Good!"

After a short pause, Huo yunxun spoke again. "You let Xu Nan think it over and come back home!"

"Good!"

After finishing the call with Huo yunxun, Xia Yunqiao conveyed the message to Tang Yixuan and Xu Nan. After hearing this, Tang Yixuan said earnestly, "Xu Nan, you have to think clearly. This is not a small matter! "

Xu Nan nodded, "you let me be quiet."

Tang Yixuan saw Xu Nan leave and frowned. He and Xu Nan have known each other for so many years. He feels that this matter is not so simple. If Xu Nan really has something to do with him, he certainly will not be this reaction.

"Yixuan, what are you thinking?"

Tang Yixuan looks at Xia Yunqiao and says his doubts. Xia Yunqiao after hearing, the heart is more uneasy. If it really has nothing to do with Xu Nan, then who is this person!

Think of here, Xia Yunqiao grasped Tang Yixuan's hand. "Yixuan, if our conjecture is correct, what should we do about this matter?"

"Don't think too much. You have to take care of your body." Tang Yixuan reached for Xia Yunqiao.

Jiangwan villa.

Home is a silent, completely different from usual, can be said to precipitate in a sadness.

Huo yunnuan curled up on the sofa and did not make a sound. He no longer held any hope for Xu Nan. He was blind, and he felt good! Even put aside all her standards, she must have been confused by Tang Yixuan and Xia Yunqiao's affairs, and even fantasized about having a sincere feeling.

All of this turned out to be illusory! Reality is the most real witness! To his mother's feelings, she huoyun warm is not rare. It's not a Xu Nan. It's no big deal. I'm just playing! If you want to be with yourself, there is no door!

Jovi reached out to pull hodongyang's hand and motioned him to speak. Continue to let Huo Yun warm like this, the consequences are worrying! Because Qiao Wei has seen Huo yunnuan's self abandonment in his eyes. Although the child pretended to have nothing on the surface, his heart was still very soft. In her heart is also eager to get a real feeling, but this time it has experienced such a thing.

Huo Dongyang is also surprisingly calm this time, he took a look at Huo yunnuan. "Little warm, what are you going to do now? Or do you want us to? "

"Daddy, I don't want to see that man again!" Huo yunnuan replied.

Huo Dongyang nods. "Good! Since you don't want to see him, I'll deal with it! "

As soon as Qiao Wei listened, he became nervous. "Dongyang, are you really going to deal with Xu Nan? I hear he has only one son in his family

Huo Dongyang's eyes are cold. "What's the matter? Now he bullies my daughter, how to let him pay the price! I can't get rid of that little boy! ""Then don't do it in such a drastic way."

"I've always been fierce!" Huo Dongyang threw a word directly. "Xiao Nuan just said that he didn't want to see him again! Well, that's a good solution. One death is a hundred! "

Huo yunnuan heard Huo Dongyang's words, and his heart trembled. She really hates Xu Nan now, but she hasn't got to the point of asking him to die. "Daddy, there's no need to damage your reputation for someone like that!"

"In my Huo Dongyang's dictionary, there is no reputation, some are unscrupulous!"

"Daddy!" Huo yunnuan frowned. "I don't want you to do something you don't like because of my business."

Huo Dongyang shakes his head. "It's easy for me to kill a man!"

Huo yunxun just entered the door and heard his father's words. He also recognized that he was really angry. This is the first time they've seen him like this. It seems that this time, he can't bear it. That's right. After all, the object is Huo yunnuan!

Huo yunxun went to the living room. "Dad, mom, I'm back."

"Son, you are back! Try to persuade your sister and father Jovi spoke at once. She was angry, too, but she wanted to solve it rationally.

Huo yunxun went to Qiao Wei and sat down. "Xiaonuan, what do you think of Xu Nan now?"

"I don't want to see him!" Huo yunnuan still said.

Huo yunxun sighed. Seeing his sister like this, he felt bad. "Just on the way home, Tang Yixuan called me and said that Xu Nan would come home in person to explain clearly!"

Huo yunnuan also felt in a trance after hearing this. "Is he really coming?"

"That's what it says."

Just as he was talking, the doorbell rang.

[Chapter 616](#)

Qiao Wei went to open the door and found Xu Nan standing at the door.

"You are still here. Do you know what that means?" Qiao Wei looks at Xu Nan seriously and asks. This may be his last chance. After a while, there will be no turning back.

Xu Nan nodded. "I know!"

After hearing Xu Nan's reply, Qiao Wei leaned over, "come in!"

See Qiao Wei with Xu Nan in, Huo yunnuan immediately stood up. "What else are you doing here! Do you want to see my jokes?"

"Miss Huo, please don't get excited! Listen to me It's not easy for Xu nan to take this step. He even lost his future. He wanted to get along for a long time, then he would have feelings.

Huo Dongyang narrowed his eyes and looked at Xu Nan. When he saw his death like death, he was even more disdainful! His daughter is not garbage, even if it is something wrong, he will not care about this father! Now it's still a lifetime event. Of course, he won't be rash!

"Xu Nan, do you know the purpose of your coming here? Or do you think it out?"

"I've thought it out!" Xu Nan's eyes are firm.

Huo yunnuan is not willing to, "Xu Nan, I tell you, I Huo yunnuan is not for you! I don't need you in charge now! I'll forget about it. I'm still smart!"

Xu Nan's face sank, "Miss Huo, I was drunk that day, so I don't know what happened. I really don't remember what you said before, but I'm not ungrateful. Since I have done it, I will be responsible for it!"

"Xu Nan, you should know what I want!" Huo yunnuan does not want sympathy, she wants feelings.

"I know. I think it will be done!"

Huo yunnuan completely gave up when he heard Xu Nan's words. It seems that he has never liked himself, or even liked him! Such a person, what does she keep! She doesn't want a puppet, if she is a person with feelings and thoughts! Such sympathy, she does not want!

Huo yunnuan decided with confidence that he was bitten by a dog! Pain a pain, a needle will be good!

"Xu Nan, you go back! I'm Huo yunnuan is not cheap enough to need you to receive it!"

With that, Huo yunnuan went upstairs to his room. She will forget Xu Nan! Tomorrow's sun is the same, tomorrow is a new day, she has a new plan, so today she allows herself to be lazy or sad!

Hearing the door of the upstairs room closed, Qiao looked at Xu Nan coldly. After this, he was not qualified to be his son-in-law. Qiao Wei also shook hands to go back to the room.

Huo yunxun, Huo yunxun and Xu Nan are left in the living room. Because Huo Dongyang and Huo yunxun are very strong, Xu Nan has no sense of existence at all! It was not until Huo Dongyang called him that he felt he was still here.

"Xu Nan, what kind of feelings do you have for xiaonuan? To be honest with you! I want to hear the truth

Xu Nan raised his head and looked at Huo Dongyang, "Huo Dong, I only have a good feeling for Miss Huo, and I don't have such deep feelings!"

"In that case, why did you keep in touch with her before?"

"Miss Huo is my young master's aunt, so of course I have to respect her." Xu Nan replied.

Huo Dongyang is a person from the past, and he knows some things. Since this is the case, then Xu Nan certainly won't touch Huo yunnuan. "What happened that day? I am also a man, even if I drink unconscious, then it is impossible not to know if I have done it! I think you're lying! "

Xu Nan's face turned white. Huo Dongyang was indeed Huo Dongyang. He thought more than others. He also clearly analyzed the problem, and now the problem seems to become more complex.

Huo yunxun understood what his father meant. "Xu Nan, we are giving you the last chance! Don't be ungrateful

Xu Nan hesitated for a moment, but still said that he had noticed that Huo Dongyang's face was not good. After listening to his own words, Huo Dongyang's face was particularly ugly, as if it was the calm before the storm.

Huo Dongyang took advantage of his anger, "since this is the case, why should you admit it?"

"Because it's because of me, after all!" Xu Nan replied.

"You go!" Huo Dongyang has ordered to leave. Now he needs to calm down. Even if he dug three feet, he would find out the man who defiled his daughter! Such a thing, absolutely unforgivable!

Huo yunxun saw Xu Nan go out, he then asked: "Dad, you really let Xu Nan go like this?"

"Otherwise? His mind is not on your sister at all. What's the use of keeping a body! I'm Huo Dongyang's son-in-law, not so easy to be! " Huo Dongyang said angrily.

Huo yunxun did not say anything, just heartache for his sister to encounter such a thing. He's going to find out who that man is! Be sure to get justice for your sister.

The next morning.

Huo yunnuan sleeps until sunrise. After a simple grooming, she is ready to go to work. This morning, she will ask for leave. After Huo Dongyang and Qiao Wei's room, Huo yunnuan hears the dialogue between Huo Dongyang and Qiao Wei. She didn't know how they talked with Xu Nan yesterday. Anyway, she insisted on her own opinion. Unexpectedly, I heard a strong news that the man of that night was not Xu Nan!

After listening to Huo Dongyang and Qiao Wei's conversation, Huo yunnuan is frozen. That man is not Xu Nan. Who is it? She clearly remembers that man asked herself to call him Nan! **nOvelusb.coM**

Huo yunnuan felt cold all over his body, my God! What's going on here? Since that man is not Xu Nan, then he is not wrong. Huo yunnuan turns to leave. She wants to call Xu Nan and ask what's going on here!

At the door of the villa, she saw a black Bentley stop, which she had never seen before. Is it daddy's guest?

At this time, a tall man in a black suit came down from the car. The man looked like he was a few years younger than himself, and he was a little taller than his brother. But he was wearing a pair of sunglasses and couldn't see him clearly.

But just a few steps away, the man stopped. There was a smile on the corner of his mouth. "Little warm..."

Huo yunnuan frowned. "Do we know each other? If you don't know me, please don't call me that! Please call me miss Huo! "

The radian of a man's mouth widens, "little warm, you are really cruel, you forget me!"

I don't know you! I have something else to go out of. " Huo Yun said warmly.

When two people ready to brush past, the man pulled Huo yunnuan into his arms. He hugged Huo yunnuan, "why don't you know each other? I said I would be in charge! "

Huo yunnuan smelled a familiar smell, which was the same as that man that night. Huo yunnuan was stunned, "it's you..."

"It's me. I'm here to pick you up. "

"You let me go!" Huo yunnuan struggles.

The man smiles to let go of Huo yunnuan, and then takes off his sunglasses. A pair of amber eyes, appear particularly bright. "I always said I found you! Little warm, please give me more advice later

"Who the hell are you?" Huo yunnuan found his heart beat disorderly after seeing his eyes.

"My name is Ji Haonan, I am your future husband!"

Huo yunnuan felt that he was fine. "Ji Haonan?! What are you doing? "

[Chapter 617](#)

A few days later.

Huoyunnuan and Ji Haonan have been basically determined. What I didn't think of was that Huo yunnuan provoked such a character to himself, which was indeed a man who could hold her down.

Ji Haonan is a business legend of B city. He started from scratch at the age of 18 and established his own Ji's group. Last month, he came to a city to inspect work, but he didn't expect to be secretly drugged, so he went into the room where Xu Nan stayed before. After Huo yunnuan came back, his efficacy had already broken out, so that would have happened.

After that, Ji Haonan had to go first in order not to be found out. Before leaving, he saw the ID card on Huo yunnuan's wallet. Originally intended to deal with the matter, and then to find Huo yunnuan, did not expect to happen Huo yunnuan and Xu Nan's Oolong incident.

After Ji Haonan met that day, he directly proposed to Huo Dongyang to marry Huo yunnuan. But what makes people surprised is that Huo Dongyang actually nods. It can even be said that Huo Dongyang also pastes a dowry to let Huo yunnuan and Ji Haonan go.

Although Qiao Wei knew that Huo Dongyang would not harm his daughter, he sent her away. Her heart still felt reluctant, so she was angry with Huo Dongyang. It's not enough to send my daughter away. I even signed the most profitable project of QW to Ji Haonan.

Huo Dongyang saw Qiao Wei standing on the balcony. He knew what Qiao Wei was thinking. He went over and said, "are you still angry?"

"Well!" Joe nodded. "That's your daughter!"

Huo Dongyang put his arm around his wife, "I do this for her good. Since there are men coming for her, this is also the best choice. It's better than being here alone. If xiaonuan doesn't want to go with him, no one can take her away! "

Qiao Wei pushed Huo Dongyang away, "then you can't say anything without asking clearly, let xiaonuan follow that person! This is a risky thing. "

"Ji Haonan has no big problem!" Huo Dongyang replied. A few years ago, Huo Dongyang had already heard of his name when he went to B city to talk about a cooperation. This guy built everything on his own.

"Then what is his origin? I have to ask you about it. "

"His experience is somewhat similar to mine." Huo Dongyang replied. "When I saw Ji Haonan for the first time that day, I thought he would take good care of xiaonuan!"

Qiao Wei doesn't want to continue to talk with Huo Dongyang, but he can't be said. "I just worry about the little warm!"

"The next time you see her, she will be different!"

City B.

Jijia villa.

Huo yunnuan is lying in the sun on the balcony reclining chair, feeling a little uneasy. She has been here for a few days, but she still doesn't know Ji Haonan. She now has some regrets about her decision. Why did you dare to say to go with Ji Haonan that day?

"Ah..."

"Why sigh?" Ji Haonan just walked into the room when he heard Huo Yun warm sigh. In his heart, he understood what Huo yunnuan was thinking. She must have regretted it now, and then she wanted to go back! But entering Ji Haonan's territory, it's not easy to leave.

Huo yunnuan did not look back, because you don't need to see who it is? Ji Haonan is not very old, but sometimes he is like a wily fox, even more powerful than Daddy!

Ji Haonan walks by Huo yunnuan. "Do you feel bored? Take you out tomorrow? "

Huo yunnuan looked at Ji Haonan, "I want to go home!"

Hear Huo Yun warm words, Ji Haonan that pair of amber eyes, when there is a cold color. "No!"

"Why? Ji Haonan, you can't lock me for life! You are a smart man, so you know what I went with you for, and I don't like you. In what era, I don't need you to be responsible for it! "

Ji Haonan's face is getting worse and worse, and all of his eyes are cold air. "You can't go! Your father has promised our marriage. Now you are Ji Haonan's wife. Do you still want to go? There are no doors! "

Huo yunnuan feels angry when listening to these words. She pushes Ji Haonan aside. "Why can't I leave? I want to walk more is the method. "

"Then you can try." Ji Haonan is not afraid of Huo yunnuan's provocation. "I also have many ways to keep you from going."

Huo Yun got up warm and angry. "Ji Haonan, are you sick? You know I don't like you

This sentence thoroughly stimulated Ji Haonan, "do you say it again?"

"I said I didn't like you! I promise to go with you because I want to forget that man

Ji Haonan frowns tightly and reaches out to buckle Huo yunnuan in his arms. "Huo yunnuan, I order you to forget that man! He is not worthy of you at all

"Emotional things, I can't control!" Huo yunnuan did not struggle, because she was not strong enough for Ji Haonan, so she chose not to do useless work.

Ji Haonan hugs Huo yunnuan, and is very upset. But he knew that it was useless to worry, which would be counterproductive. Then the tone also softened a little, "Xiao Nuan, forget that Xu Nan! Only I can give you happiness in this lifeHuo yunnuan is quiet and confused. For Xu Nan, she admitted that she had paid for him. But this feeling is not as deep as imagined, but in the face of this man who has known him for only a few days, Huo yunnuan feels that his heartbeat is like riding a roller coaster, which is complicated.

"Ji Haonan, I miss home!" Huo yunnuan really wants to go home.

Ji Haonan is nervous. If he lets her go back, she may not come back. "I'll come back with you when I'm free."

Huo yunnuan pushed Ji Haonan aside and looked at him attentively. "Ji Haonan, you will find many shortcomings in me if you get along for a long time. I don't fit in with you either. I think in your present position, what kind of woman do you want? "

Ji Haonan showed a brilliant smile. "You have no confidence in yourself? It's not like Miss Huo! "

"I love freedom!" Huo yunnuan replied.

Seeing Huo yunnuan with firmness in his eyes, Ji Haonan has no way to deal with Huo yunnuan. "Little warm, I can give you time! But I have a premise

Huo yunnuan couldn't believe Ji Haonan would give in, "you say."

"Get the certificate with me first." Ji Haonan replied, this is also his only guarantee, or he will ask for someone in the future!

Huo yunnuan looked puzzled, "Ji Haonan, why do you have to marry me? In fact, you can think that nothing has happened! "

Ji Haonan's eyes shook his head. He reached out and touched Huo Yun's warm face, "you are a fool! If you don't marry me, you will regret it! Of course, this is the premise that I let you go home. "

Huo yunnuan thinks Ji Haonan is a strange person with double personality. "What if I say no?"

[Chapter 618](#)

Ji Haonan smiles and looks at Huo yunnuan, but doesn't speak.

Huo yunnuan can't stand Ji Haonan's burning eyes. She turned her head to the other side, and if she continued to look at it, something might have happened. Think of here, Huo yunnuan took a way to avoid.

Ji Haonan saw Huo Yun's warm look, and his smile deepened. "Little warm, I'm waiting for your reply?"

"I don't..." All the words behind were drowned in Ji Haonan's almost overbearing kiss. Ji Haonan reaches out to buckle Huo yunnuan's waist and presses her directly on the wall. For Huo yunnuan, he is determined to get it!

Huo Yun warm also muddled, this is exactly what situation! What the hell is Ji Haonan doing! She's not a little girl, so she won't believe that one night's sleep will bring out feelings. It's just a physiological need. It has nothing to do with feelings.

Huo yunnuan struggles, and she feels that she will be led by Ji Haonan by the nose. The heart also meanly deviated from the original track. "Ji Haonan, let me go!"

But the more Huo yunnuan resisted, Ji Haonan was more persistent. He pressed Huo yunnuan on the wall, and actively plundered Huo yunnuan's sweetness! Yes, maybe no one will believe it, but Ji Haonan is very clear that he has been single for many years, but he is passionate about Huo Yun.

Ji Haonan first saw Huo yunnuan at a reception a few years ago. At that time, she just graduated from university and came with Huo Dongyang. At that glance, I remembered her. Especially her eyes, which are different from others, she was very clever that day, but her eyes were smart and mischievous!

Ji Haonan can be said to read women countless, but Huo yunnuan still brings him a sense of freshness. After that, he inquired about Huo yunnuan. But I didn't expect that they would meet again in that way a few years later.

Although he was controlled by drugs that day, Ji Haonan could have resisted it. But when he saw the familiar blue gray eyes, he gave up. Because he knows the feeling in his heart, if it is not Huo yunnuan, he is expected to push away! But it's her. He doesn't want to.

Ji Haonan originally wanted to use a month to deal with those people, but there are always accidents in his life. After hearing about Huo Yun warming Xu Nan, he couldn't sit still. Last week, he immediately came back from abroad to prevent Huo Yun from warming Xu Nan. Fortunately, she fell out with Xu Nan. Ji Haonan immediately proposed to Huo Dongyang.

I didn't expect Huo Dongyang to agree. According to Ji Haonan's understanding of Huo Dongyang, he is not so easy to talk about. The reason why he agreed to take Huo yunnuan away was that he felt that he had the ability to take care of Huo yunnuan.

So how can he put Huo yunnuan in such a favorable time, place and person! It's impossible!

Feel Huo yunnuan breathing some difficulties, Ji Haonan just slightly let go of Huo yunnuan, voice with some hoarseness. "Little warm, don't challenge my limit. This is the lightest punishment I can give you

Huo Yun breathed the fresh air warmly, but his eyes were not satisfied. "Ji Haonan, I will not compromise!"

Ji Haonan narrowed his eyes, reached for Huo yunnuan, and then strode to the bedside. "Little warm, I said just now that I have many ways to deal with you!"

After being pressed on the bed by Ji Haonan, Huo yunnuan really understands Ji Haonan's meaning. He really is not telling himself a lie! Huo yunnuan pushed Ji Haonan with his hand, "Ji Haonan, if you dare to use strong, I will tell my father!"

"Xiaonuan, I don't know why when I meet you, my self-control drops to negative. So now it's on the line, belonging to the state of having to send, so I want to tell you I'm sorry! But I'll be a little bit gentle! "

Huo yunnuan glared at his eyes, "Ji Haonan, don't!" But Huo yunnuan couldn't shake Ji Haonan at all, and soon he was unable to resist

After the passion, Huo Yun fell asleep. Ji Haonan looked at her tenderly and gently pushed the hair off her face. "Xiaonuan, what can I do to keep you?"

Shortly after Ji Haonan sleeps, Huo yunnuan opens his eyes. She can't stay here. She's going home! Ji Haonan is a devil at all!

After Huo yunnuan leaves quietly, Ji Haonan also opens his eyes. He sat up slowly and made a phone call.

"Little warm, are you really so unwilling to stay with me?"

Huo yunnuan only holds a mobile phone and has no money. She can only rely on their own memory out of this villa area, and then let the big brother to pick up himself.

Just left the villa area, Huo yunnuan was immediately surrounded by two black cars. Huo yunnuan immediately felt wrong! Ji Haonan catches up so fast?! But my intuition tells me that these are not Ji Haonan's people.

After a while, a thin ugly man came down from the car. He stared at Huo yunnuan, then said with a smile, "are you the woman Ji Haonan brought back?"

"No!" Huo yunnuan immediately denied. This man is obviously not good at coming.

"Interesting!" The man smiles insidiously. "If not. Then follow me back and be my woman. Huo Yun warm smile, "good big tone!" She even Ji Haonan such a man can not, can you like this ugly! It's really funny!

"Stinky woman, it's better to be obedient when I give my face, or you'll suffer!"

Huo yunnuan did not care at all. "Is it? But I guess it will disappoint you! I don't know the height of heaven and earth

"Give it to me!" The man became angry and let his men do it.

At this time, there is a light in the distance, which makes people present can not open their eyes. Huo yunnuan squints his eyes, vaguely seems to see a tall figure coming slowly.

After a while, Ji Haonan walked to Huo yunnuan in the backlight. In his eyes, Huo yunnuan is the only one who doesn't exist at all. "Didn't I tell you not to walk around? What's more, I don't know how to wear an extra dress when I come out at night! "

Hearing Ji Haonan's words, Huo yunnuan felt a sour nose and itchy eyes. "Why did you come?"

"I'm here to pick you up, of course!"

Huo yunnuan shakes Ji Haonan's hand. "I'm not going back."

"Fool!" Ji Haonan's voice is also with heartache. "I promise you to go back. But don't do such a dangerous thing next time

Ji Haidong, who was ignored for a long time, spoke. "Ji Haonan, it's time to think about how to collect the corpse for yourself after you married me!"

Ji Haonan embraces Huo yunnuan and takes a step back, with a murderous look in his eyes. "By you? A fool talks about dreams

[Chapter 619](#)

Huo yunnuan, after hearing Ji Haonan's words, suddenly realized that he really had a relationship with a dangerous person.

She looked at Ji Haonan blankly, "who are you?"

Ji Haidong laughed when he heard Huo yunnuan raise a question. "Ji Haonan is an illegitimate son. He is a desperado! So kindly remind you, or follow me

Huo yunnuan looks back at Ji Haidong. "Follow you? What's in you worth following you? "

"I have plenty of money!"

"Well, the most important thing for me is money." Huo yunnuan looked scornful, "I also tell you honestly, I have very high requirements for appearance! You're not even up to my lowest standard. I have the face to say that! "

Ji Haidong heard Huo Yun warm words, thoroughly angry! "Watch! I'll see if your mouth is so hard

After hearing Ji Haidong's playing a sound, the people behind him show off the guy one after another. This battle can't be underestimated.

Huo yunnuan saw several guns facing him and Ji Haonan. Her face turned white. She subconsciously grabs Ji Haonan's hand, which is a real bullet! There will be a real one in case, she and Ji Haonan will die here.

But Ji Haonan did not react at all, as if he had seen more. He reached out and hugged Huo yunnuan, "little warm, don't be afraid!"

"Ji Haonan, these people are not joking! I don't want to die yet Huo yunnuan says his real idea. How can she be 27 years old? At the beginning of her life, she is not short-lived!

Ji Haonan raised the corner of his mouth, "Xiao Nuan, if you don't want to die, hold me tight!"

Huo yunnuan closed his eyes and held Ji Haonan tightly. At this time, she can only trust Ji Haonan.

Ji Haonan for the first time saw such obedient Huo yunnuan, with a satisfied smile on his mouth. "If you had listened earlier, you would not have met such a thing!"

"Is it Fengnan's word now? You have to be clear, if I had an accident, my father would not have counted it like that! "

"That's the same Ji Haonan agrees. He took Huo yunnuan back a few steps and opened his distance with Ji Haidong. But they began to move, and the muzzle moved with it.

Ji Haonan soon stopped, the smile on his face also disappeared, replaced by cold. "Ji Haidong, it's too late to stop now!"

"Hum! Ji Haonan, who are you! And ordered me? " Ji Haidong sneered, "I'm here to take your life today. You'd better be prepared mentally! This bullet is faster than you

Ji Haonan didn't answer. He looked at the front calmly. "Of course I know that bullets are fast."

"It's too late to admit defeat." Ji Haidong then gave an order. "Shoot!"

Hearing this, Huo yunnuan's heart all mentions the throat, she hugs Ji Haonan forcefully. Ji Haonan feels Huo yunnuan's fear. He hugs her tightly! He doesn't allow anyone to hurt Huo yunnuan!

While the other side shot, the sniper not far away also moved. After a while, Ji Haidong's people fell down one after another.

Huo yunnuan heard the gunshot, as if there were two groups of people fighting. She also smelled a smell of blood. Someone might have been hurt. But Huo yunnuan did not see, in fact, those people have died.

Ji Haidong hate teeth itching, did not expect Ji Haonan also have this hand to prepare. He secretly felt into his pocket and held the small pistol in his hand. He was not willing to lose to Ji Haonan every time!

After a while, everything was quiet. Huo yunnuan opened his eyes slowly.

Ji Haonan looked at her gently, "it's OK!"

Huo yunnuan looked back and saw a few people lying on the ground, each with blood on his body. Her voice trembled, "they..."

"Hang up!" Ji Haonan said coldly.

Huo yunnuan covers his mouth and can't believe that the plot on TV will happen in front of him. Or to say that he has been well protected since childhood, and has hardly encountered such a thing.

Huo Yun warm leg a soft, who are these people in the end! Is it really good to die so many people? Ji Haonan helps Huo yunnuan quickly. "Little warm, are you ok?"

"I'm not good!" Huo yunnuan is now in a state of shock.

Just as Ji Haonan bends down to help Huo Yun warm up, Ji Haidong sees the right time and raises his gun to shoot Ji Haonan directly.

Huo yunnuan just saw this scene. She didn't know which tendon was wrong. She pushed Ji Haonan away, "be careful!"

When Ji Haonan reacts, it's already a little late. Soon heard the voice of rushing into the body, and lying on his body Huo Yun warm stuffy voice a pain, and then she issued a weak voice. "Pain!"

At this time, Ji Haonan can't calm down. He reaches out to touch Huo Yun's warm back and touches the viscous liquid, which is Huo Yun's warm blood. So she was shot! Ji Haonan's face suddenly changed. He hugged Huo yunnuan, and his voice trembled: "xionuan, I don't want you to do anything! Do you hear me! I will never let you leave me" Ji Haonan, go to the hospital! I don't want to die yet. "

"You'll be fine!" Ji Haonan gritted his teeth and said, then he picked up Huo yunnuan.

Ji Haonan stares at Ji Haidong with red eyes. Now he has been subdued on the ground by his own people. "Ji Haidong, if there's anything wrong with Xiao Nuan, I want you to be buried with me! I will also let all the people related to you be buried with me! "

With that, Ji Haonan gets on the bus with Huo yunnuan and goes straight to the hospital. On the way to the hospital, Huo yunnuan was in a coma. Ji Haonan only felt that her wound was constantly bleeding out, and his heart was also dripping blood! He hugged Huo yunnuan, and his body was full of anger!

To the hospital, Huo yunnuan was immediately sent to the operating room. Ji Haonan is anxiously waiting at the door, but he is praying in his heart! He can not want anything, but Huo yunnuan can't!

The waiting time is long, and Ji Haonan's patience is less and less. He walked back and forth several times. If he didn't come out, he would rush in directly!

After the lights in the operating room went out, Ji Haonan kicked the door open. He grabbed one of the doctors and asked, "how's my wife?"

"The bullet missed the point. That shot missed, just hit on the shoulder, now the bullet has been taken out, madam's physical foundation is good, as long as you take a good rest, it will be OK. "

Ji Haonan did not speak, but his heart was greatly relieved. As long as she's OK!

Soon, Huo yunnuan was sent to the ward, Ji Haonan has been guarding her. But Huo yunnuan didn't wake up, which worried Ji Haonan.

"Little warm, don't be sleepy Ji Haonan said to Huo yunnuan. "Don't you want to go home?"

[Chapter 620](#)

Huo yunnuan woke up in the afternoon of the next day, which was really a long sleep.

After opening his eyes, Huo yunnuan sees Ji Haonan lying beside the bed. My eyes moved and I found this was a hospital. Just want to move, just found his hand was Ji Haonan holding.

Ji Haonan also opened his eyes in an instant. Seeing Huo Yun warm and awake, his eyes were bright. "Little warm, are you awake?"

"Well I want water. " Huo yunnuan's voice is not big.

"Good!" Ji Haonan immediately gives huoyun warm water, and then helps her sit up. "Slow down."

Huo yunnuan also pulled the wound on her body, and her eyebrows wrinkled. Ji Haonan is nervous. "Touching the wound?"

Huo yunnuan reached for Ji Haonan and said, "pain!"

"You really know the pain! You're not allowed to do that next time. Do you hear me? Ji Haonan doesn't need women to block bullets. "

"You're less narcissistic." Huo yunnuan replied. "It was out of benevolence and morality that I told you to be careful. As a result, I didn't expect that bad luck would lead to injury. "

Ji Haonan reached out and hugged Huo yunnuan, "little warm, my heart stopped at that moment! Don't scare me so much next time, I can't stand it! "

Huo yunnuan didn't believe Ji Haonan's words, "after so many people died, your brow didn't wrinkle. Didn't I just hurt you? Who believes it! Ji Haonan, you'll be less sensational in front of me! "

"Huo yunnuan, I will tell you again! You are Ji Haonan's woman. Who can't change this fact in my life. "

Because Huo yunnuan was injured, he couldn't use his strength, so he didn't want to argue with Ji Haonan. "Ji Haonan, you press the wound."

Hear Huo yunnuan words, Ji Haonan immediately let her go, a face of heartache. "Would you like a doctor to come and have a look?"

"No. I can't die anyway. " Huo yunnuan replied that she was also clear about her own situation.

Ji Haonan reaches out to cover Huo Yun's warm mouth. "Don't say it later! You won't die with me. "

"Ji Haonan, some people die! It's common sense! " Huo yunnuan refutes Ji Haonan's words.

Ji Haonan is still very dissatisfied, he does not want to continue to discuss this issue with Huo yunnuan. "Now that you're awake, we'll go home and have a rest."

"I want to be hospitalized." Huo yunnuan doesn't want to stay alone in that villa with Ji Haonan.

"Be obedient!" Ji Haonan opens his mouth. "If you do well, I can let you go home."

The word "go home" makes Huo Yun warm up his whole spirit. "Really?" Seeing Ji Haonan nodding, Huo Yun's warm face showed a smile.

Ji Haonan feels that he has no way to take Huo yunnuan completely, or it is also a good decision for him. He temporarily sent Huo yunnuan back to Huo's house. Huo Dongyang will certainly protect her. And you can do your own things at ease. He must finish his task in the shortest time, and then bring Huo yunnuan back.

"Ji Haonan, you must keep your word!" Huo yunnuan worried that Ji Haonan was lying to himself, so he made sure again and again.

"I always tell you the truth!" Ji Haonan answered earnestly.

Just because Ji Haonan's expression makes Huo Yun warm and feel excited. She shook her head immediately. How could that be possible? She is such a shallow person, so quickly changed her mind? Is it because I did it twice with Ji Haonan? It can't be!

"Little warm, I want you to promise me one thing. Don't go hook three and make four! If I find out, the consequences will be serious! Do you understand? "

"It's hard to say!" Huo Yun answered with warm lips.

Ji Haonan's face suddenly changed, and his tone became worse. "Little warm, you have to think carefully before you speak! Otherwise... "

"Ji Haonan, the more you threaten me, the more I don't listen!" Huo yunnuan hardened his temper. There are too many dissatisfaction in the heart, this man is really too overbearing, she some can not stand. She still likes men like Daddy!

Ji Haonan narrowed his eyes, ready to speak to Huo yunnuan, but soon someone came in. "General manager Ji, something to report!"

"Go out and wait!" Ji Haonan stares at that person and says coldly.

"Ji Nan looks at her and whispers," don't sell your life to other people in front of her

Ji Haonan watched Huo Yun warm for a while and then said, "are you sure?"

Huo yunnuan closed his eyes and stopped talking because he was really tired talking to Ji Haonan. Seeing Huo yunnuan fall asleep, Ji Haonan gets up.

Outside the ward, several were standing there waiting to report to Ji Haonan. Ji Haonan walks aside and sits down. "Say it

"General manager Ji, Huo Dongyang has come to B city."

"The news got out." Ji Haonan had already blocked the news in order not to let Huo yunnuan's family know. But now Huo Dongyang comes, that means the news is still leaked out. "Where is he now?"

"It should be in the hotel."

Ji Haonan was silent for a while. Now he can't walk away. He doesn't trust Huo yunnuan to be alone here, so he can only ask people to invite Huo Dongyang to the hospital.night.

Huo yunnuan wakes up again. When she opens her eyes, she sees Huo Dongyang and Xiang Qing in the room.

"Daddy?" Huo yunnuan struggles to get up. "Is that you?"

Huo Dongyang was deeply distressed to see his daughter like this. At the beginning, I should not let my daughter follow Ji Haonan like this! As a result, she was injured! Thinking of this, Huo Dongyang regretted. "It's me! I've come to pick you up

Hearing that he could go home, Huo yunnuan became energetic. "Really? Daddy, are you really going to take me home

"Yes! We'll leave tomorrow. "

After Huo yunnuan was happy, he immediately calmed down. Where is Ji Haonan going? Will he agree?

"Daddy, what about Ji Haonan?"

"He's going abroad on business."

"What!" Huo yunnuan is dissatisfied with Ji Haonan's haunted journey. "Where have you been?"

"I don't know. He said he would pick you up at home after work Huo Dongyang replied.

Huo yunnuan didn't think much about it. Anyway, she can leave now, which is a good thing. I don't think about anything else.

City a, Jiangwan villa.

Xia yueqian checks the wound for Huo yunnuan in the room, and then changes the dressing! "You're lucky this time!"

"Brother in law, I'm lucky!" Huo yunnuan said with a smile.

Next, everyone tacit understanding did not go to mention Ji Haonan's name, Huo yunnuan's injury was almost the same. So she went back to work, but when she stopped, Huo yunnuan would still think of the overbearing man unconsciously. I don't know if he is well now. He won't encounter any danger!

A piece of news interrupted Huo yunnuan's thinking. The successor of a new generation of European multinational group JH appeared. Seeing the man in the picture, Huo yunnuan was stunned. She didn't expect Ji Haonan to be the successor of the largest chain group in Europe?! And Ji Haonan immediately announced the wedding news!

Huo Yun warm heart a pain, he is going to marry someone else?!
