

## Warm Wife 621

### [Chapter 621](#)

Huo Yun put the mobile phone aside in a warm and angry way. How can these men do this! On the other hand, he married another woman. Is this fair?

The more you think about it, the more angry you get! Huo yunnuan has put Ji Haonan on the blacklist, such people will never continue to contact! She is really so obedient in this period of time, waiting for her here, but how does he treat himself! As expected, few men are good! Good men like daddy and them are extinct now!

That night, Huo yunnuan went to the bar to drink, ready to be drunk! She just wants Ji Haonan to forget. "Ji Haonan, you are not a human being!"

Because he had not been drinking for a long time, Huo yunnuan felt that his drinking capacity was regressive. After drinking a few cups, he looked dizzy! Huo yunnuan is ready, so he doesn't stop but continues to drink.

Finally, Huo yunnuan is the whole person lying on the table. Many men have noticed Huo yunnuan by the side, and they all want to wait for an opportunity. But before they got close, Huo yunnuan suddenly appeared several tall men.

Seeing such a battle, many people stepped back one after another, knowing that this woman must not be touched, otherwise it would be too much to bear!

At this time, another group of people broke in. All of a sudden, the whole room was quiet. It seemed that something important had happened.

Ji Haonan with momentum to huoyunnuan. He went to Huo yunnuan's side and called softly, but Huo yunnuan didn't respond at all. Then Ji Haonan picked up Huo yunnuan directly. Many days did not see her, really miss her!

Ji Haonan did not take Huo yunnuan back to Jiangwan villa, but took people to the hotel. Looking at Huo yunnuan who is completely unconscious, Ji Haonan is also helpless. Can't this woman ask herself in person? After seeing the news, I went to get drunk! If he hadn't sent someone to protect her secretly before, she would have been taken away in the bar! There is no sense of crisis at all.

"No more!" Ji Haonan opens his mouth.

In the middle of the night, Huo yunnuan woke up with a headache. She pressed her head with her hand. This is the sequela of alcoholism.

"Awake?" Ji Haonan's voice rings.

Huo Yun warm suddenly raised his head, eyes with shock, "how are you here?"

"What do you say?"

"Ji Haonan, I have nothing to do with you. Please leave my affairs alone." When Huo yunnuan thinks about Ji Haonan's marriage, he feels angry in his heart. She doesn't want to talk to him now!

Ji Haonan knows why Huo yunnuan is angry. He sits down beside Huo yunnuan and reaches for her in his arms. "No drinking next time!"

"I don't care!" Huo yunnuan pushes Ji Haonan away. But Ji Haonan turned over and pressed under him. "Little warm, your breath should be gone."

"Go away! I don't want to get involved with other women's husbands! "

Ji Haonan raises the corner of his mouth. "Are you jealous?"

"I didn't!" Huo yunnuan just don't admit this. She just doesn't have a clear head.

Ji Haonan takes out his mobile phone and hands it to Huo yunnuan. "In fact, you really don't have to eat your own vinegar, wife!"

Huo yunnuan sees the photo of Ji Haonan's hand, and he is actually married with Ji Haonan. "This..."

"Marriage certificate! Don't you understand? " Ji Haonan said with a smile. "The last time I left, I was married already!"

"You cheat on marriage!" Huo yunnuan wants to rob Ji Haonan's mobile phone. But Ji Haonan threw his cell phone to the ground. "I can't cheat on marriage, but your father nods!"

Huo Yun warm a Leng, completely did not expect to be sold by his father. "It's impossible!"

"Wife, it's just that a little farewell is better than a new marriage! Now are we going to make up for the wedding night? " Ji Haonan asked with a smile.

"No..." Huo yunnuan can only drown in Ji Haonan's strong kiss

The next day.

Huo yunnuan's mobile phone keeps ringing, like a life-threatening serial call, which is to ask Huo yunnuan to answer the phone. The person on the bed is awakened by the bell. Huo yunnuan reaches for his mobile phone, but Ji Haonan picks it up first.

"Hello

"Who are you! Where's my sister? " It seems that Huo yunxun called. Huo yunnuan didn't go home last night, so everyone was very worried.

Ji Haonan looks at Huo yunnuan in his arms, and gently looks at Huo yunnuan who is still in a confused state. "Good morning, brother! I'm Ji Haonan. "

"Are you back?" Huo yunxun on the other end of the phone was also surprised. Because Ji Haonan was still in Europe yesterday, how could he be in a city.

Ji Haonan said with a smile, "yes, I'm back!"

"Come home with a little warm! Dad has something to say

"Good!"

Huo yunnuan hears Ji Haonan convey Huo yunxun's meaning, and the whole person becomes energetic. "You said Daddy told us to go home?"

"Yes, wife! So you need to get ready. It's said that father-in-law doesn't like people who are late.

""Jihaonan, what are you calling in a mess. I'm not your wife! "

"this is not your has the final say." "I said confidently," jihaonan said. "As I am, he will not be averse!"

Back to Jiangwan villa.

The battle is not usually small, full of a room of people, it seems that there is also a preparation. Ji Haonan still keeps smiling and pulls huoyun warm in. "So many people?"

Huodongyang looks at jihaonan. This son-in-law is really good! "Sit down!"

"OK." Ji Haonan replied.

Besides the Huo family, the people present are Xia yueqian and yunmurxin, and the yunyiyan family are also in. This battle is not small, but jihaonan is still calm to face. This makes huodongyang feel that Ji Haonan is more calm than his son.

"When will I come back?"

"I arrived last night." Ji Haonan replied. "So please don't mind your father-in-law. Because I really want to be warm, I will take her in the middle of the way. "

"At least call the family, too."

"It won't be next time." "I mean," said Ji Hao Nan modestly.

Qiao Wei still maintains his own opinion on jihaonan. "Are you really sure you're going to get married?"

"Mother in law, xiaowarm is my woman, and I will certainly be together in my life!" "I'm sure," said Ji.

Jihaonan is a person who knows how to please the technology, and when others don't say anything. He has opened the mode of gift giving, even if everyone likes to feel it clearly, so take the short hand of the person, and no one else says anything.

And jihaonan gives Huo family a stronger offer, directly gives 50% of JH group shares to huoyunwarm, even add his own property to huoyun warm's name. If they will be separated in the future, huoyunwarm can take most of Ji Haonan's property away!

Huodongyang looked at the information and statements in front of him, and he couldn't help but pick up his eyebrows. The boy was really brave, and actually did it.

"Father in law, if you feel anything bad, we can continue to talk about it."

"You dare!"

"Of course, otherwise how can you take the little warm from your hand. And I have fulfilled my original promise, so please also please fulfill your promise. Let me officially open my identity of xiaowarming! " Jihaonan opens.

Huodongyang nodded, "OK!"

Soon, the news of the marriage between Jihaonan and Huoyun warm spread. The marriage of the successors of the two major groups in city A and city B will bring more opportunities to the two, plus HD and JH behind them, which is even more difficult. This must be recorded in history!

## [Chapter 622](#)

Seeing that Huo yunnuan's event has settled down, Huo yunxun's life event has become the focus of attention.

However, Huo yunxun is still calm. In fact, no one knows what he said to Li Mengyao last time, and even told her to go back to country F obediently. After returning, Li Mengyao immediately released a message saying that he and Tang Yixuan had no engagement, which was just a rumor.

But Li Mengyao, who was far away in F, saw the news that Huo yunnuan and Ji Haonan got married, so she couldn't sit still! Because when mentioning Huo yunnuan, he also mentioned Huo yunxun, the future successor of HD, his marriage is also the focus of everyone's attention.

Li Mengyao called Huo yunxun several times, but he didn't answer any, which worried Li Mengyao. There won't be any change in all this! If there is a real variable, then she has no chance. After thinking about it, Li Mengyao decided to go to a city again. She can't continue to wait. If Huo yunxun marries someone else, she will lose more than he gains!

Li Zhengqiang came to see his daughter, but he saw her packing. He frowned, thinking that the girl might want to run out again. "Mengyao!"

Hearing the sound, Li Mengyao immediately stopped his movements. This voice, she is most familiar with. "Father."

"What are you packing up for?" Li Zhengqiang went to Li Mengyao and asked.

"I..." Li Mengyao did not dare to tell the truth, because she would not be able to leave. Last time I followed Tang Yixuan to a city and came back, she was severely reprimanded by her father. And I also gave him a guarantee that he would not run around again!

Li Zhengqiang knew his daughter, and since he knew that the person his daughter liked was Huo yunxun, he also went to investigate Huo yunxun. Huo yunxun wants to be his son-in-law, and he thinks there is no problem. However, the premise is that a man with his own career will not give up his life to F country easily, not to mention Huo yunxun is the successor of HD, which is even more impossible.

Now he has only one daughter, Li Mengyao. The future Prince of state F is no different from that of Ruyue. According to his opinion, Huo yunxun does not agree, Huo Dongyang will not agree, he is such a son. Combined with the above, Huo yunxun and Li Mengyao are unlikely! But his son left early, and he was such a daughter, of course, to give her the best! But my daughter is a dead heart.

Li Zhengqiang sighed with a sigh, "you want to secretly go to a city to find Huo yunxun again."

Li Mengyao lowered her head. She did not dare to speak. If she nodded, she would be locked up. "Father, I have not."

"Don't lie to me!" Said Li Zhengqiang, shaking his head. "It's been the news of the Huo family these days. But I really have to admit that Huo Dongyang is capable. Not only have their own ability, but even their children have the ability. My daughter's marriage object is actually the successor of European JH group!"

Li Mengyao's heart murmured, if so, why can't Huo yunxun become the prince of state f? This is not better! It is also a good thing for country f and the Huo family.

"Mengyao, I know what you are thinking! But you think so. What does Huo yunxun think? If he had that idea, then he would have come! Now that he didn't come is the best explanation. "

"Father, I want to try again!"

Li Zhengqiang loves his daughter. "Mengyao, it's useless to stick to some things, understand? And the future of this country is for you! You are the one who wants to be the queen. Of course, the prince can't be rash! My father is a man of the past. Huo yunxun should not find a woman who is more powerful than himself. "

Listening to Li Zhengqiang's words, Li Mengyao was stunned. Suddenly, he felt that his father's words were reasonable. After thinking about this, Li Mengyao walked to one side and sat down, still with a trace of reluctance in his heart. "Father, can't you?"

"No! It's a lot of difficulties! " Li Zhengqiang replied. "With the status of the Huo family today, I can say that Huo yunxun is also the best candidate in my heart, but the question now lies in Huo yunxun. Will he be willing to do so? Emotional things can not come, and now there are many practical problems, you should consider clearly

Li Mengyao did not speak. She understood what Li Zhengqiang meant, which was also her destiny as a royal family. "Father, it's easy to love someone, but it's hard to forget someone!"

"It'll be all right in time!" Li Zhengqiang encouraged his daughter. "Mengyao, you are my daughter, you are also the future of F country!"

After Li Zhengqiang left, Li Mengyao looked at her suitcase in a daze. Is Huo yunxun's words to himself are deceptive? He just perfunctorily said that he came to f country, or he said that on purpose just to let himself come back.

Li Mengyao sighs, is Huo yunxun really such a person? Li Mengyao couldn't believe it was true! Huo yunxun is not that kind of person, but why he has not come?

When she was feeling sad in secret, a maid of honor came to report. "Princess highness!"

"What's the matter?" Li Mengyao asked listlessly.

"Here comes Mr. Huo."

Li Mengyao jumped to his feet. "Which Mr. Huo did you say came?" Li Mengyao's heart beats faster and faster. Is Huo yunxun really here?! Seeing Li Mengyao's excited expression, the maiden then said with a smile, "it's Mr. Huo from a city!"

Li Mengyao grabs the maid's hand. "Lihua, is Huo yunxun here?"

"Yes! And I'm still with Huo's parents! "

"Did the family come together?" Li Mengyao had no hope to jump up again. She knew Huo yunxun was not like that. He would come!

"Where are they?"

"At the palace gate. Waiting for his majesty to see him. "

Hearing this, Li Mengyao immediately ran out. When she ran to the imperial garden, she saw that the palace official and Huo yunxun were about to walk to the main hall. She rushed forward, "Huo yunxun!"

Huo yunxun stopped when he heard Li Mengyao's voice. "Princess highness!"

"You're here at last." Li Mengyao said with a smile. "I said you would not lie to me!"

Huo yunxun did not have any expression on his face, "my parents and I are going to see his majesty. We will talk later."

"Good!" Li Mengyao nods.

Li Mengyao stood in situ, looking at Huo yunxun's back, with excitement in his heart. He really came. Does that mean he has the answer? Although the father said before that it was very difficult for them to go on, but this difficulty can be overcome!

"Princess, let's go back! If his majesty finds out later, he will not be happy! "

"Well!" Li Mengyao nods. "You will bring Huo yunxun to see me later."

"Yes

## [Chapter 623](#)

After meeting Li Zhengqiang, Huo yunxun went to see Li Mengyao.

But before meeting, Huo Dongyang said to Huo yunxun: "do it according to your mind!" Huo yunxun understands what Huo Dongyang means. If he is really with Li Mengyao, then this road is not easy to go.

As for Huo yunxun, he came to f country to fulfill his promise, and also wanted to know how he and Li Mengyao knew each other! See Li Mengyao again, she has changed a dress, so she looks more like a princess, is so noble and elegant. It was quite like a different person from her last visit to a city.

Huo Yun Hsun came to Li Mengyao, "Princess highness!"

"I said you could call me by my name." Li Mengyao said with a smile. "And we don't have to be so formal!"

"It's not right." Huo yunxun replied, and this is not in line with the rules, so people like Huo yunxun will not do so.

Li Mengyao didn't care about Huo yunxun. It was very good that he could come. Other things are not important any more. "Get something to eat!"

Thank you Huo yunxun nodded.

After a meal, Li Mengyao said more than Huo yunxun was listening. Because Li Mengyao felt happy, she did not notice Huo yunxun's reaction. The meeting time is not long, and Huo yunxun will leave soon.

People who are not royal can not stay in the palace, which is also the rule of F country. Therefore, Huo yunxun and Huo Dongyang must leave within the specified time. Originally, Li Mengyao insisted on seeing Huo yunxun off, but he was stopped by Li Zhengqiang.

Finally, Li Mengyao can only watch Huo yunxun leave on the wall. After meeting, Huo yunxun didn't speak to the point. This is what Li Mengyao is worried about. Since he has come, he should not come to travel!

Lihua puts a coat on Li Mengyao. "Princess, the wind is strong, let's go back!"

"Well!" Li Mengyao nods.

Back in the room, Li Mengyao saw that his father and his mother were both there.

"Father king, mother queen!"

"Mengyao, come and sit down." Li Zhengqiang greets Li Mengyao to go. Come here at this time. It must be something! That should also be related to Huo yunxun.

After Li Zhengqiang saw Li Mengyao sit down, "how about chatting with Huo yunxun tonight?"

"Good!" Li Mengyao replied.

When Li Zhengqiang heard Li Mengyao's words, he knew that Huo yunxun had not told his daughter the truth. Just when she wanted to speak, the queen Zheng Yuhua said, "Xiaoyao, do you really like Huo yunxun so much?"

"Yes, mother."

Zheng Yuhua did not know what to say after hearing this. "Xiaoyao, do you really don't think about other people?"

Hearing this, Li Mengyao's heart also had an idea. "Father, Queen Mother, do you already know something? What did Huo yunxun say, didn't he? "

Li Zhengqiang doesn't want to cheat his daughter. "Yes, he made it clear when he met his father today. He doesn't want to be prince of F

Li Mengyao's face turned white. This truth made her heart be grasped. She pressed her hand on her heart. "Father, is this really what Huo yunxun said?"

"Yes Zheng Yuhua nodded. "Xiaoyao, this is true. Mother won't cheat you! That's what Huo yunxun really said

Li Mengyao clenched his hand. "So what else does he have to do with country f?"

"He said he promised you before, so he should keep his promise." Li Zhengqiang replied. "They are proud of their family! They will not compromise for the sake of interests! They also brought a very good project to f country

Li Mengyao suddenly laughed. "Is this compensation? So you agreed, father? Can the happiness of a daughter be solved by a project? "

"Of course not!" Li Zhengqiang shook his head. "They said sincerely that they would not involve any relationship to talk to me! Private affairs belong to private affairs, business affairs are business affairs! Huo yunxun also said that he would talk to you in person. "

Li Mengyao didn't want to hear any explanation, so she closed the door of her room. She doesn't want any explanation right now! The only thing she knew was that Huo yunxun would not be with herself.

The next morning.

Li Mengyao went to greet Li Zhengqiang and Zheng Yuhua with a pair of red and swollen eyes. See such haggard daughter, two people are also very distressed, last night must be crying a night, otherwise the eyes will not be like that.

After Li Mengyao left, Zheng Yuhua felt sad. "Is Huo yunxun so ungrateful? What's wrong with my daughter? "

"He is a wise man." Li Zhengqiang replied. Taking such a project that country f needs, the purpose is very obvious, but he said so reasonably that people can't find fault! Li Zhengqiang admired Huo Dongyang for educating such an excellent son.

Huo Dongyang, of course, can't be underestimated. He is also a VIP in country f as he is now. However, he still appears as a businessman with a low attitude, and even all the etiquette is the same. Career, family, power, identity, he can be said to have achieved, it is not easy. Seeing Li Zhengqiang in deep meditation, Zheng Yuhua called out, "Your Majesty, what are you thinking?"

"Nothing."

"How can we solve the problem of Huo yunxun and Xiaoyao?"

"Children's affairs, let them solve it by themselves." Li Zhengqiang replied. "Huo Dongyang has such an excellent son, and I also think my daughter is also excellent. We will give her a little time and she will not let us down!"

In the evening, Li Mengyao left the palace. She is going to find Huo yunxun, and she must ask clearly about some things in person.

To Huo yunxun Hotel, Li Mengyao called Huo yunxun.

"Huo yunxun, I am in the hotel lobby now."

"Just a moment. I'll be right down."

When Huo yunxun came down, he saw Li Mengyao standing in the lobby of the hotel in casual clothes. He walked over quickly. "Gong..."

Li Mengyao immediately shook her head at Huo yunxun. She didn't want others to know her identity. After understanding Li Mengyao's meaning, Huo yunxun asked in a low voice: "how did you come?"

Li Mengyao pretended to be relaxed and said: "this is my territory. Of course, I want to take you out for a walk."

"But I'm busy now." Huo yunxun replied.

Li Mengyao frowned with an angry tone. "Huo yunxun, the reason why you refuse others is really bad! I'd better change it next time! "

Huo yunxun bit some speechless, "if you don't believe it, you can go upstairs with me."

"Good!" Li Mengyao wants to see how busy Huo yunxun is. He says he is busy every time. Is not a general manager, as for so busy! He was busy day and night, so to speak. She really doesn't believe it! Busy also has a limit!

After Huo yunxun arrived in the room, Li Mengyao saw three laptops on the desk. All three computers were on, and each screen was filled with various data and even languages of different countries.

When Li Mengyao was stunned, Huo yunxun poured her a glass of water. "Sit down for a while."

#### [Chapter 624](#)

Li Mengyao sat quietly watching Huo yunxun work, which was the first time she saw Huo yunxun's working state.

Therefore, he did not consciously go into the state of watching. In addition to appearance, Li Mengyao really realized Huo yunxun's busy talk. He is really busy, busy also forgot the things around him.

Li Mengyao saw Huo yunxun sit down again, immediately put into work. One of the laptops is having a video conference and is speaking English all the time. Huo yunxun heard the other party's report, frowned, and then immediately made a response. Another laptop connection is the company's several contracts, which he is reviewing as he conducts video conferencing.

The third laptop is the data sent by HD headquarters. Huo yunxun has to participate in the discussion of the headquarters and sort out his relevant suggestions after finishing the previous matters. Huo yunxun sent it by email.

Then his mobile phone also rings constantly. Huo yunxun answers every call for no more than a minute. Each time, he simply states his own ideas. After putting down his mobile phone, he continues to repeat those actions.

Li Mengyao saw Huo yunxun so busy, but his mind is still clear, everything is handled well! I didn't expect HD's successor is really so busy, almost all things are on his own, and Huo yunxun has not cheated himself, he is really busy!

Seeing Huo yunxun running at a high speed like a robot, Li Mengyao feels that he is very hard and even heartache. But to see Huo yunxun's state, he is completely adapted to such a state, otherwise he will feel tired. But now it has been an hour since he came in, and he is still working meticulously.

And seeing him like this, I've obviously forgotten that I'm here. Li Mengyao stands up. She looks at Huo yunxun again and then leaves quietly.

Taking the elevator door, Li Mengyao ordered a dinner for Huo yunxun. According to his appearance, he should be busy late. It's not good to beat him here. I'd better talk to him at another time! Today he obviously has no time!

Back in the palace, Li Mengyao has been in a daze. Originally, she wanted to go to Huo yunxun to talk about it, but when she went there, she saw the appearance and state of Huo yunxun after work. Li Mengyao felt that she had no reason to ask Huo yunxun for an explanation. Because from the beginning to now, he has never explicitly said to accept himself!

"Ah..." Li Mengyao sighs.

Lihua heard Li Mengyao's sigh and said, "princess, what's the matter with you?"

"I'm fine." Li Mengyao replied. "Lihua, I found myself useless today. I'm wasting my time every day! At the same time, someone is working against the clock, while I am in a daze or willful! This is really bad! "

Lihua doesn't understand the meaning of Li Mengyao's words. "Princess, Lihua doesn't understand! Aren't you looking for Huo yunxun today? Is he rude to the princess

"No! We didn't talk at all. His work is piling up like a mountain! " Li Mengyao replied. "He's really busy! So I came back without disturbing him. And after coming back, I have been thinking about one thing, where is the difference between myself and Huo yunxun! Think about it carefully, I really can't compare with him! "

Lihua looked at Li Mengyao suspiciously, "why do you say that?"

"He works hard for his family! I think those things should not be his, but in order to let his father spend more time with his mother, he took all the work by himself! By contrast, what have I done for my father and mother? I've been doing nothing, even worrying about my feelings! "

The more Li Mengyao said, the more guilty she felt. Her brother was no longer there, so she should shoulder the responsibility of her brother, but she has been escaping! She remembered what Li Zhengqiang said to herself that day. Now she really understood what he meant! As a royal person, she has a different mission from others! That is the future of country F.

Thinking of her future life, Li Mengyao smiles. She will be as busy as her father! If we are together, Huo yunxun will be more busy, and if he is asked to contribute to these things in country f, he will be very tired. Two people very busy people together, it is estimated that only through the mobile phone to communicate!

This kind of life is not what you want! Lack of communication between the two people, it is easy to have contradictions! And Huo yunxun also has the burden of Huo family and HD, he can not give up these for his own sake.

Thinking of this, Li Mengyao cheered up! No, she can't go on like this! From tomorrow, she will be a new Li Mengyao!

When Li Zhengqiang heard that Li Mengyao said that he would personally participate in the cooperation project, he felt incredible, "Mengyao, is that true?"

"Of course! I am the princess of country F. of course, I want to make some contribution to f country! " Li Mengyao replied.

"Good!" Li Zhengqiang knew that his daughter would not let himself down.

Happy, Li Zhengqiang also calm down, "Mengyao, are you really thinking about it? This is to work with Huo yunxun! "

Li Mengyao raised the corners of her mouth. "Am I not qualified? Cooperation means cooperation. I will show my attitude towards work and cooperate with Huo yunxun. I will see Huo yunxun's ability!

"Hearing this, Li Zhengqiang nodded with satisfaction. It seems that her daughter has finally figured it out! That's good! No matter how she and Huo yunxun will be, from their own point of view, she is the princess of country f!

Huo yunxun was surprised to see the person in charge sent by the royal family. I didn't expect it would be Li Mengyao. "Princess highness!"

"Huo yunxun, please give me more advice in the future."

Seeing Li Mengyao's outstretched hand, Huo yunxun nodded and then held her hand. "Please ask your Royal Highness for advice!"

In the next few days, Li Mengyao and Huo yunxun went to many places to investigate and visit. After all, this is a joint development of tourism and holiday projects. HD was founded in a city by the construction industry. Although the economic development of country f in recent years is good, tourism has not been very good, and there has been no eye-catching key tourist attractions.

So when Huo yunxun came with this project, Li Zhengqiang certainly agreed! This is a good development for country f, and it also cooperates with HD, which will surely attract the attention of other countries.

Li Mengyao and Huo yunxun work in a few days, once again see his ability in all aspects! Li Mengyao's worship of Huo yunxun is increasing! Huo yunxun such a man, really worth a lot of women moth to the fire!

"Huo yunxun, what kind of woman do you like?" Li Mengyao inadvertently also asked.

## [Chapter 625](#)

After hearing Li yunxun's words, he stopped working. In fact, he heard that sentence clearly, but he pretended that he didn't hear anything. "What?"

"It's OK." As soon as Li Mengyao finished asking, she felt regret. Because Huo yunxun didn't answer, he was glad he didn't hear clearly. "Let's go over there and have a look."

Huo yunxun nodded and followed Li Mengyao. He had never seriously thought about that question himself. What kind of woman does he like. In recent days, he feels that he and Li Mengyao get along well. From the perspective of work, Li Mengyao is a good partner for cooperation, but he doesn't think much about others.

Li Mengyao and Huo yunxun successively exchanged views on this cooperation project. Huo yunxun suddenly felt that the way Li Mengyao said was somewhat similar to the content of his speech in a school a few years ago.

Seeing that Huo yunxun's face was different from that just now, Li Mengyao knew that he must have remembered something. "Huo yunxun, what I said is very similar to your speech in XX university?"

"You've heard my speech." Huo yunxun also used a declarative tone. At this time, he combined all kinds of conjectures that Li Mengyao had said before to come to a conclusion. "We met at that time?"

Li Mengyao a smile, "yes! They didn't want to tell you about you! So I don't know who you are. But when you are ready to leave, you just happen to meet a little fat girl and offer a helping hand to her who fell down miserably. At that time, she had just been ridiculed and teased by people, and even pushed down the stairs. It was like a dog eating shit. "

Hearing Li Mengyao say so, Huo yunxun also remembered some fragments, as if there was such a thing. But Huo yunxun remembers that the girl is unkempt and unkempt, but he can't connect with Li Mengyao in front of him. "Is that you?"

"Well!" Li Mengyao nods. "Yes! That's me! After that, I'll start to lose weight! In fact, it's for you, because I know that men don't like fat ugly

Huo yunxun really did not expect, these two people are also too much. "No one knew who you were at that time."

"Yes! I used other identities to study abroad! Father is also to exercise my independence, let me learn to live their own. So no one knows my identity. After I returned to F, I started a very hard weight loss project Li Mengyao replied. "Now this is how I succeed! Not bad

Huo yunxun did not expect things to become like this. Li Mengyao has changed a lot in recent years. There is such a sentence, fat people are excellent potential stocks, Li Mengyao better interpretation of this sentence. He just nodded slightly.

Li Mengyao smiles. "I seem to have gone too far! Let's talk about work! In this way, you will have no pressure, otherwise today's work will not be completed! "

Huo yunxun nodded. Although there was no expression on his face, he felt a little embarrassed. He really didn't know how Li Mengyao and himself knew each other.

The half month trip in country f is coming to an end, and the cooperation agreement between the two sides has been successfully signed. That project was officially launched. In the next few years, the development of country f will certainly change differently.

The day before Huo yunxun was ready to return home, Li Zhengqiang invited Huo Dongyang's family to the palace for dinner.

This time, Li Zhengqiang is very happy, this time is to fulfill his wish for so many years. His joy is really all written on his face. Li Zhengqiang holds a glass of wine to Huo Dongyang. "Huo Dong, thank you for bringing me such a gift this time!"

"Your Majesty, you are welcome! We are a win-win cooperation! I've always wanted to go to country f to explore the market. This time, I want to thank your majesty for giving us this opportunity. Thank you

"Huo Dong, let's not thank each other! Come on, cheers

Huo Dongyang also raised his glass, "good!"

See drink almost, Li Zhengqiang looked at Huo Dongyang said. "In fact, in addition to talking about these things today, I have some personal things to say. I didn't want to say it at first, but now, with the strength of wine, I'll say more! "

Huo Dongyang heard this is obviously aimed at Huo yunxun and Li Mengyao. He and Qiao Wei looked at each other, and then looked at Huo yunxun, who was still silent. Now that the official business has been finished, how can he and Li Mengyao have a statement!

Sure enough, Li Zhengqiang looked at Huo yunxun, "don't you mind if I call your name?"

"No formality, sire. How to say I'm a descendant. Just call me by name. " Huo yunxun replied.

Li Zhengqiang smiles. "Yunxun, last time you said you didn't want to be the prince of state F. I wonder if you have changed your mind after contacting Mengyao again these days?"

Huo yunxun Leng a moment, this question is really not easy to answer, and the answer is not good, easy to accident. When Huo yunxun is struggling with how to answer, Li Mengyao appears. Dressed as a princess, Li Mengyao looks different from usual. After the ceremony, she said to Li Zhengqiang, "father, this is the matter between Huo yunxun and me. I want to solve it myself."

Li Zhengqiang looked at his daughter and then nodded. "Good!"After getting permission, Li Mengyao immediately took Huo yunxun's hand. "Let's go out and talk about it."

Huo Dongyang also said: "Xiaoxun, go!"

Li Mengyao took Huo yunxun to the yard. She let go of her hand and walked forward a few steps. She looked up at the moon in the night sky, and her mood was much calmer. "Huo yunxun, what do you think of country f?"

"F country is very good, this is a very good country!" Huo yunxun replied.

Li Mengyao turns and looks at Huo yunxun. "Thank you for your comments. I believe that f Congress is getting better and better!"

"Of course Huo yunxun nodded.

Li Mengyao went to Huo yunxun and said, "I mean, under my leadership, country f will get better and better in the future! Do you agree? "

Huo yunxun saw the firmness in Li Mengyao's eyes. He nodded, "agree!"

"Huo yunxun, I will not continue to like you, because I love my country more!" Li Mengyao speaks his heart. "I once wanted to live in a city, but this time I saw you working so hard, I suddenly realized that I was wrong. I have the most important responsibility on me

Huo yunxun blinked an eye, it seems that before that rumor is true. Li Mengyao will become the next king of state F, this is her mission!

"Princess..."

"Huo yunxun, don't look at me like this! I don't need it! " Li Mengyao said seriously. "You have the Huo family you want to protect, and I also have the country I want to protect. It seems that we can't find any way to accommodate each other! So after careful consideration, I found that I love my family and country more. My brother is gone, these are my missions, I can't escape! "

## [Chapter 626](#)

Hearing Li Mengyao's words, Huo yunxun was excited. She really changed a lot, from that little princess who wanted to pursue her love to a mature and stable future queen's posture. She felt really different.

"You will be a great leader." Huo yunxun sincerely wishes Li Mengyao. Everyone has their own responsibilities and obligations, and Li Mengyao really did it this time.

"Thank you! I'll listen to this first Li Mengyao is also proud.

Soon, though, she put away her smile. "Huo yunxun, I will encounter difficulties in the future. Can you help me? Of course, for the sake of friends

"It's my pleasure!" Huo yunxun nodded.

After hearing Huo yunxun's reply, Li Mengyao smiles again. "That's good! So I have some confidence. "

"Princess, whenever you need me, call me!"

"Would your future wife have no problem if I bothered you a lot in the future?" Li Mengyao said with a smile, but only she knows how painful it is in her heart. The person who gives up her love not only needs a lot of courage, but also pretends to be very strong!

Huo yunxun shook his head, "I don't think so!"

Li Mengyao comes forward to hold Huo yunxun. She has only this excuse to hold him now. There will be no such opportunity in the future, he will have his own life, and he will have his own life. In the future, they may or will not intersect again!

Huo yunxun also felt her mood from Li Mengyao's embrace. He stretched out his hand to hold Li Mengyao. "Princess, I am not worthy of you! You are so magnanimous about your feelings, but I still don't have much confidence in the feelings, so I dare not take risks! "

"Huo yunxun, if you don't insist on your position now, I may also change my mind!"

Li Mengyao's words made Huo yunxun feel embarrassed. He went on to say, "I know! I will not forget you

"Huo yunxun, I have a very unreasonable request!"

"Say it

"Can I be your first love?" Li Mengyao's voice is very low. In fact, she doesn't want Huo yunxun to forget herself. She doesn't know when the next meeting will be. She also knows that this request is unreasonable, but she just wants Huo yunxun to remember herself!

Huo yunxun suddenly smile, "how can forget! I will always remember! "

Thank you Li Mengyao let go of Huo yunxun, her eyes flashing tears. She has been very happy, as long as he does not forget himself enough!

Huo yunxun looks at Li Mengyao gently. "Princess, there are many things in the world that are hard to say. There are too many variables in the future!" Or one day in the future, I think of Li Mengyao, or I will come to her.

Li Mengyao nodded. "It's good to know you, Huo yunxun!"

The next day.

Huo yunxun and his family left for city A. Li Mengyao did not go to the airport to see Huo yunxun off, but chose to learn new knowledge in the palace! She looked at the picture of herself and Huo yunxun on the desktop. She said with a smile, "Huo yunxun, I will do it!"

On the plane.

Huo Dongyang looked at his son who was still dealing with the documents and asked, "have you and Li Mengyao made it clear?"

"Well!"

"In fact, dad thought it was a pity."

Huo yunxun put down the document to see Huo Dongyang, "what a pity?"

"I mean, Li Mengyao is good!"

"We all have an inescapable responsibility! And it's not an easy way to go. " Huo yunxun replied.

Huo Dongyang smiles. "Don't you have a moment of heart?"

Huo yunxun followed with a smile, but also generously admitted. "Of course! Several times! "

Huo Dongyang nods, have can! Otherwise, he will really doubt whether his son's orientation is wrong. If there is, he will make another plan. Fortunately, it's ok now. "If you leave these things behind, do you think it is possible for you and Li Mengyao?"

"Yes!" Huo yunxun nodded. In fact, he was so interested in Li Mengyao. If he was moved again, he would be easily moved!

After returning to city a, Huo yunxun continued to be busy. And the annual family gathering arrived as scheduled.

This time, Qin Hao and Jian LAN came back from the United States with Qin Zichen and maiziqi. At the request of Jian LAN, Qin Zichen and maiziqi's marriage date has been set. I'll send you an invitation by the way!

Many people were surprised to see the invitation from Qin Zichen. Among them, only Huo yunnuan dared to speak, "Qin Zichen, I didn't expect you to get married! It's fast! "

Qin Zichen looked at Ji Haonan who was sitting beside Huo yunnuan. "I think someone is faster than me! It's done in a week! I can't compare this speed. "

"What are you talking about?" Huo yunnuan liked to quarrel with Qin Zichen since he was a child, but he was always angry with him every time.

"I talk about people." Qin Zichen replied. With that, he left soon.

Seeing Huo yunnuan angry, Ji Hao holds her hand. "Wife, don't be angry! If you're not happy, I'll help you deal with him? ""No Huo yunnuan stopped immediately. If Ji Haonan used those cruel means to deal with Qin Zichen, she would not like to! How to say that Qin Zichen is also her brother, of course, only she can bully!

At this time, Tang Yixuan helped Xia Yunqiao appear. Xia Yunqiao's stomach is obviously much bigger, and his walking speed is also much slower. Seeing Qin Zichen and maiziqi's invitation, Xia Yunqiao said with a smile, "brother Zichen, Congratulations!"

Thank you Qin Zichen nodded.

"Where's Kiki? I haven't seen her for a long time Xia Yunqiao looked around for a week and didn't see Maggie.

"I went out shopping with mom."

The guests arrived one after another, and the yunyiyan family also came. The twins' sons are also handsome. Young people are talking and laughing together. The scene is warm and lively.

Qiao Wei stood at the door of the kitchen, looking at the scene in front of him, and his heart was especially touched. When she thought of her marriage with Huo Dongyang, she never thought that there would be such a situation. Her life is also satisfied!

Huo Dongyang put out his arms around Qiao Wei and knew what she was thinking, "Qiao Wei, all this is what you gave me!"

Qiao Wei smile, "also because of you to have today!"

Yun Muxin came over. "Still feeling? When can I have dinner? I'm hungry

"I'll go right away." Qiao Wei turned to enter the kitchen, but Huo Dongyang grabbed him. "I'll go."

"Let's go together!"

"Well!"

Just when everything was ready, people found that Huo yunxun was not there.

Yun Yiyan couldn't help speaking. "Huo Dongyang, don't give Xiaoxun so much work, and you are still energetic and powerful now. Some things should be handled by yourself. Don't always give everything to your son! Give him some time to fall in love. Now everyone is in pairs, and he is a bachelor

"I agree with that!" Joe nodded.

Huo yunnuan continued: "my brother said it was coming soon. Let's wait! "

Less than ten minutes later, Huo yunxun came back with an unexpected guest. When everyone saw the guest, they couldn't help being surprised.

Huo yunxun saw everyone's expression, he felt very satisfied, he wanted this effect.

"Xiaoxun, you are really..." Qiao Wei didn't feel relieved. Why is Li Mengyao here?

Huo yunxun standing next to Li Mengyao introduced. "This is my guest today, Princess of F, Li Mengyao!"

"Princess, this is my family!"

Li Mengyao nodded to everyone, then said with a smile, "Huo yunxun said that the house will be very busy today, so bring me here!"

"You are..."

Huo yunxun and Li Mengyao took a look at each other and then laughed at each other. This smile is to give everyone more of their own reverie. What's the status of these two people? fall in love? No! friend? Not like it!

Then there is only one possibility, that is Youda above, lovers are not full! There are so many variables in the future, who can tell? Right?!

## [Chapter 627](#)

"Dear friends, Yao Yao is now broadcasting live in the most famous commercial street of a city."

A sweet voice as light as a wind chime, and then reflected into the camera is a beautiful young face, and that with a healing smile.

"Well, let's see what the food is. Come on, follow my camera to find out

Gu Yaoyao holds up the self portrait pole, because he has to face the camera, people are always backward. So I didn't notice what was going on behind me.

At this time, a world-famous limited edition sports car stopped on the roadside, and the place where the car stopped was the tallest CBD building in this commercial street, which was jointly built by HD and HQ in the previous two years.

A pair of long legs suddenly appeared on the live camera, followed by a beautiful woman with red heart. This man meets all women's standards for prince charming in their dreams.

Gu Yaoyao looks at the bullet screen on the screen and says one thing.

"My mother! What a handsome man

"It's so handsome!"

"This is the God in my mind."

"The real tall rich handsome!"

When Gu Yaoyao saw these words, she looked back at her back. Even though she had seen many handsome men, those people still had to look inferior in front of him.

How can this man have such a beauty, and on a closer look, he is still a half blood prince, and his temperament is like walking out of the palace. The noble breath is too much.

Gu Yaoyao also forgot to react for a moment, until someone came to grab her cell phone, she was shaking God. "What are you going to do! Give me back my cell phone! "

Huo yunxun looked at the bodyguard and grabbed the woman's mobile phone. Then he said in English: "after deleting, return the mobile phone to her."

"Yes

Soon, the bodyguard turned off Gu Yaoyao's live broadcast and cancelled her live account.

It's not two minutes before and after that!

Gu Yaoyao was waiting for Huo yunxun with straight eyes, "Hey, don't think you can do anything wrong if you are handsome! City a can be a city ruled by law. "

"This young lady, you just photographed our young master."

"I didn't mean to. It's clearly your young master who wants to be in the camera himself. " Gu Yaoyao said aloud.

Huo yunxun frowned gently and then motioned with his eyes.

When Gu Yaoyao saw it, she was afraid. This is to be killed?! She turned her eyes, then looked around nervously, thinking about how to escape.

Just as the bodyguard came by, Gu Yaoyao cried out: "help!"

As soon as I finished shouting, I saw a pile of banknotes in front of me. Gu Yaoyao glanced at it, and the money seemed quite a lot. She swallowed her saliva. "What does that mean?"

"For your loss."

Gu Yaoyao was ashamed that she would make a mistake. Anyway, I'm also an artist. I'm drunk when I encounter such an embarrassing thing!

Gu Yaoyao wants to get it. It's real gold and silver, of course. Is it just such a good thing? Will the sky drop pie for no reason? She Gu Yaoyao doesn't have such a good life!

"Miss, please take the money and leave at once."

Gu Yaoyao hesitated. Can I take the money?

Seeing that Gu Yaoyao didn't move, the bodyguard put the money into Gu Yaoyao's carrying bag, then turned around and left.

"Wait a minute!" Gu Yaoyao also wanted to ask clearly. But then came another voice.

"Huo yunxun, why are you so slow? Everyone is waiting for you

Huo yunnuan appears in the sight of Gu Yaoyao in her dress. Gu Yaoyao stares at her. This is a half blood princess. The picture of Prince and Princess standing together is just a beautiful scenery, which makes people envy and envy!

Huo yunnuan took Huo yunxun's arm and said, "let's go, everyone is waiting for you!"

Huo yunxun nodded and looked at Gu Yaoyao again as he stepped forward.

Huo yunnuan followed his brother's line of sight to see the past, and soon saw Gu Yaoyao, "know?"

"I don't know."

Huo yunnuan suddenly felt that the woman was a little familiar, as if she had seen her before, but she couldn't remember.

After the prince and the princess left, Gu Yaoyao seemed to be trapped and couldn't move at all! But the expression on her face is more like eating bitter gourd. She should not have offended people just now!

Gu Yaoyao raised her head mechanically and looked at the magnificent building in front of her, but she was still afraid!

Because the man she met just now is the legend of a city, Huo yunxun, the current president of HD. Oh, my God, she saw the man of the day! There is a popular saying in a city: "if Huo family sneezes, the whole a city will tremble."

Can be seen is Huo family in a city is a how fierce existence!

More than 30 years ago, Huo Dongyang came to a city, and quickly took the position of cloud home, and became a new generation of people. Of course, there are also rumors that the old man of the cloud family gave all the property of the cloud family to Huo Dongyang, so Huo Dongyang could gain a firm foothold in city A. In addition, in addition to the Huo family, the Xia family can not be underestimated. The eldest son of the former mayor's family married a young lady of the cloud family. So Huo, Yun and Xia are a big family in a city, and their relationship is so unbreakable.

Gu Yaoyao looks at the building in front of her again, which belongs to the Huo family! Rich people are really strong. They don't have to look at food and clothing! And the rich second generation like Huo yunxun was born with a golden spoon.

There is no comparison, there is no harm, I have been very hard to live, but now still nothing, even looked down upon by people!

Gu Yaoyao sighed, her eyes fell on the stack of banknotes on her bag!

Good live broadcast did not, this compensation is also should, take is also comfortable, they are not short of such a small amount.

Just a few steps away, Gu Yaoyao received a call from her agent Zeng Ni.

"Yao Yao, what's wrong with your live broadcast? Why is it suddenly broken? Now it's being talked about. "

"Sister, something happened just now." Gu Yaoyao didn't elaborate, and it's not clear if anyone else would hear about it, so it's better to be careful.

"But the microblog has exploded, saying that you were framed with a man just now."

"I'll talk about it later."

Gu Yaoyao takes a taxi back to her home. Along the way, she was brushing her microblog. Just now, someone has taken a screen shot and posted it to the microblog, and then someone was talking with the picture.

It's said that Gu Yaoyao is a big person on the list, so I choose to go to the commercial street to do live broadcasting. It's a good idea!

When some people recognized Huo yunxun, they even said that Gu Yaoyao wanted to hold her thigh for the upper position.

And then there's a very small number of fans saying, this may really be an accident. As soon as these peaceful news came out, they were immediately sprayed!

But a few minutes later, the content on the microblog was quickly deleted, so fast that people can't believe it. The first second is still watching, the next second is missing.

Gu Yaoyao has also been refreshing, no news! Now the only explanation is Huo yunxun.

## [Chapter 628](#)

The phone rings again.

"Hello

"Yao Yao, do you really know Huo yunxun?"

"I don't know!" Gu Yaoyao replied. If you don't know Huo Xun, you can still climb up the line.

Zeng Ni asked suspiciously at the other end of the phone: "really don't know?"

"Yes

"What's going on in Weibo? Although it has been deleted, many people have seen it. "

"My good sister, you must believe me. It's just an accident! I'll go back and explain to you. "

Zeng Ni sighed in silence, "ah, if you have a little relationship with Huo yunxun, maybe the opportunity will come."

"I'm not born to be good." Gu Yaoyao thought of her own affairs and felt a faint pain in her heart.

But this world is so unfair, I do not encounter a good thing. Today, I was going to do a live broadcast to make some money, but this happened.

Sad urge!

Zeng Ni continued: "Yao Yao, this circle is a lot of luck!"

"I'm going."

Gu Yaoyao looks out of the window. She has been in a city for several years, but she still can't find her own sense of belonging. It seems that every city has no place of its own.

A long sigh reflects Gu Yaoyao's mood at this time.

The scene of a family gathering.

Huo yunxun sat in the corner, drinking alone.

From afar, Huo yunxun saw his brother like this, so he stretched out his hand and pulled Qiao Wei's clothes. "Mom, you go and see my brother. I'm afraid it's not good for him to go on."

Qiao Wei looked at his son and felt that his daughter was right.

"Son, why are you sitting here alone?"

Huo yunxun saw Qiao Wei come over and quickly stood up to help her sit down. "It's OK. I just want to be alone for a while."

Why didn't Qiao Wei understand his son's mind?

"Is Mengyao still thinking?"

Huo yunxun chose silence. Yes, he and Li Mengyao did not go to the end, which is a fact. Now looking at the side of the people are a pair of, but their own single person, some are not used to.

Qiao Wei patted Huo yunxun on the back of his hand. "Fate can not be forced, you and Mengyao are predestined."

"Don't worry, mom. I'm really OK." Huo yunxun replied. "It's her choice, and I respect it."

Huo yunxun and Li Mengyao have been getting along well. Soon after their open love relationship, Li Mengyao gave up the relationship for her country.

There are too many things involved when two people are together. And they can't sacrifice their families for each other.

Huo yunxun can't give up all the Huo family's burden to the royal family, and Li Mengyao can't get rid of her identity. So there was a big difference between the two, and finally Li Mengyao made a choice.

So in an atmosphere of peace, we ended this seemingly unequal relationship.

Just last month, Li Mengyao got married. Huo yunxun secretly went to her country, also went to the wedding site to bless her.

"Xiaoxun, mom won't force you to get married, but you have to be happy yourself."

"Thank you, mom. I'm really OK." Huo yunxun nodded. In fact, when he separated from Li Mengyao, he felt that the pressure was not so great. To be clear, she was a princess of a country, and he didn't like the unchanging life.

Qiao Wei saw that his son was ok, so he left.

Huo Dongyang saw Qiao Wei come over and held his wife's hand. "Finished?"

"When my son is older, I'll let him deal with these things by himself." Replied Jovi.

Looking at Huo yunxun again, Qiao Wei has some feelings. "Now I know that every story may have started off guard. Before, I always thought that Mengyao and Xiaoxun could go on, but now... "

"Do you remember the master's words?"

"I don't believe it now." Qiao Wei had a helpless smile.

At the beginning, she was pulled by Yun Muxin to see a master. At that time, Yun Muxin was going to make divination for Xia Yunqiao. And she curiously calculated for Huo yunxun. It turns out that Huo yunxun's future wife has a noble status, but the master also said that Yao Guang will always come.

After that, Li Mengyao appeared, and what she had was almost the same as what the master said. So Qiao Wei has been optimistic about Huo yunxun and Li Mengyao. As a result

Huo Dongyang hugged Qiao Wei, "don't think too much, I Huo Dongyang's son is not bad!"

"But it's not easy to find someone who can walk into his heart!" Qiao Wei knows his son.

"Don't worry."

This year's family gathering is about to start, but some people are still late. And this person is Yun Yiyan's son, Xia Yunzhe.

"When on earth will your son arrive?"

Yun Yiyan laughed, "don't wait for that stinky boy. It's just disobedient." "The big star must be busy. We eat and wait. " Huo yunnuan continued.

Of course, yunyiyan has no opinion. He gives Su Moli a look. Su Molly immediately understood, and then went out to call her son.

As soon as the phone rang, Su Molly immediately asked, "son, have you arrived? So people are waiting for you

"At once."

"Hurry up!"

"I see, Mommy!"

When Su Molly came in, she saw everyone's eyes on her. She laughed awkwardly, "it's coming soon. Let's eat first."

A few minutes later, Xia Yunzhe really arrived.

A pair of oversized sunglasses covered more than half of the whole face, but there was still politeness. As soon as I entered the door, I apologized: "sorry, I'm late for the announcement."

Xia Yunzhe saw that Huo yunxun still had a place beside him, so he sat down directly. "Brother Xun, long time no see!"

"Well."

Seeing that all the people are here, Huo Dongyang asked for dinner.

"Xia Yunzhe, take off your sunglasses! What does it look like." Yun Yiyan pointed to his son and said.

"If the spirit is haggard, it will not affect the appearance of the city." Xia Yunzhe said with a smile.

Yun Yiyan is not satisfied to look at this no promising son, every time know angry people. "Quit your job and go home!"

"Dad, everyone has his own dream! Now you have a brother to help you, no way! And I'm just messing around."

"Stinky boy!" Yun Yiyan scolded in a low voice.

Others were also amused by the father and son, which lasted until after dinner.

Xia Yunzhe saw Huo yunxun sitting alone in the open-air garden, so he went over.

"Brother Xun, do you know Gu Yaoyao?"

"Who?"

Xia Yunzhe took out his mobile phone and handed it to Huo yunxun, "just this woman. Today, she was not live in the neighborhood, and after seeing you, the live broadcast was interrupted. Must be your masterpiece again?"

Huo yunxun returned the mobile phone to Xia Yunzhe, "is she also an artist?"

"Well, but it's not red yet. This is going to be filming with me, just a minor supporting role. But she's kind of interesting." Xia Yunzhe talked about his filming with great interest.

Huo yunxun would have been bored with these things, but this time, he listened.

"Are you interested in her

Xia Yunzhe just smiles mysteriously, but doesn't answer. But in Huo yunxun's opinion, Xia Yunzhe is somewhat different to her.

"Brother Xun, you don't want to be crooked." Seeing Huo yunxun's eyes changed, Xia Yunzhe quickly explained.

Huo yunxun nodded, "it's just different to her."

Xia Yunzhe felt that when he met Huo yunxun, he could only admit that he was unlucky and left in a gloomy way.

## [Chapter 629](#)

After Xia Yunzhe left, Huo yunxun sat alone again.

It's just that he doesn't drink any more. Beside him is a cup of dujiu tea. He leaned back casually on the chair and looked at the light not far away.

Just like the stars, a little light decorates the environment with warmth, but it still can't dispel the loneliness in Huo yunxun's heart.

He picked up the cup and took a sip of tea. In the past, Li Mengyao once asked a question, "yunxun, if only the stars in the sky could be picked off!"

At that time, he just laughed and said something very realistic. "Stars can't be picked off."

Now think about that time of their own really do not understand romance, Huo yunxun mouth helplessly exposed a touch of laughable.

"Think of who I used to be like wood?"

Huo yunxun didn't have to look to know who was sitting down. He didn't speak.

"Li Mengyao and you are not suitable." Huo yunnuan raised his hair as he spoke.

Huo yunxun didn't answer immediately. He and xiaonuan were born together. She knew her best. Just what she couldn't see, she could see more clearly than herself.

Huo yunnuan is worried about his brother. There are still some worries in his blue gray eyes.

"Brother, maybe the better still lies ahead?"

Huo yunnuan can feel his brother's inner depression. Now that Li Mengyao is married, he should put down everything and start again.

"I don't think much of feelings."

Huo Yun warm smile, of course, did not go to expose this lie. She will wait for the day her brother is beaten in the face.

"Brother, I know what you're thinking." Finish saying that, Huo yunnuan gives a meaningful look to Huo yunxun himself to experience.

Huo yunxun couldn't help his sister. He took up his cup and drank all the sobering tea. Then he stood up.

"I'll go back first. There's a case to do."

Huo yunnuan did not stay, smiling and waving goodbye to his brother.

"Goodbye!"

Huo yunxun did not drive by himself, but let the driver drive him.

The car stopped steadily before the traffic lights, Huo yunxun just looked up to see Xia Yunzhe's TV play preview on the huge LED display.

Some of the main characters in the play flashed by. Huo yunxun just wanted to take back his eyes when he saw Gu Yaoyao's lens. In a few seconds, her sad eyes deeply hurt her own eyes.

Didn't this woman meet that at noon? I didn't expect her acting was pretty good. It's totally different from what I saw at noon.

"I met that one at noon..."

Ah Jin, sitting in front of him, turns back. "Don't worry, young master. Everything has been dealt with well."

"Have her information?"

A Jin nods and tells Huo yunxun the information about Gu Yaoyao.

"She is from city C. she went to a city alone a few years ago. Because of a chance to be star scout photo, become a plane model. Later, he acted in the MV of some stars, and then signed with Gy agency to enter the film and television circle. But the company's resources are not much, so she has never had a red chance. "

Huo yunxun listened quietly without interrupting ah Jin. I heard something about her in Xia Yunzhe before. There is a story about this woman.

"This time in Xia Er Shao's TV play is also a temporary replacement. Gu Yaoyao was lucky enough to take over the role when an actor quit because of his schedule and didn't find anyone. "

"No family background?"

"No, she seems to be alone."

Huo yunxun frowned. It's really rare to have such a clean smile.

"Young master, there seems to be a traffic accident ahead, and there is a traffic jam."

Huo yunxun took a look, and sure enough, there was a traffic jam. "Take another way."

Just as the driver was about to turn around, a figure came all the way, knocking on the windows of every car at every step, but no car was willing to lower the window.

When the figure gets closer and closer, Huo yunxun can see her clearly, Gu Yaoyao!

"I'm sorry, can you do me a favor?" The sound came from outside the car.

And the driver looked back at Huo yunxun, trying to listen to his opinions.

Huo yunxun himself but actively down the window, "what's the matter?"

Gu Yaoyao is surprised to see Huo yunxun. How did you meet him again? Thinking of what happened at noon, she wanted to turn around and leave. However, thinking that zenny needed her own help, she hesitated for a moment before she gave up her mind.

"Huo Shao, can you do me a favor?"

"Say it." Huo yunxun's answer surprised everyone present.

Ah Jin's serious face was also surprised. How could you help me?"My agent's car collided with a famous car, but the other side bullies others and wants to pay 500000 compensation. We can't get a lot of money now. I still have a job later. The other Party promised to pay 100000 yuan in advance. So can we... "

Huo yunxun thought it was also a question of money, "Miss Gu, do you want money this time?"

"I know I'm presumptuous, but I can't watch my agent do something." Gu Yaoyao felt that Huo yunxun would not help herself, so she nodded at him and went back.

Huo yunxun gives ah Jin a look, and ah Jin immediately understands.

Gu Yaoyao sighed when she saw Huo yunxun close the window. If you think about it, you may find it ridiculous to take out a hundred thousand for no reason.

"Miss Gu!"

Hearing someone call himself, Gu Yaoyao turns back. Ah Jin is walking towards him.

"Something?"

"Please show me the way."

Gu Yaoyao was stunned. He didn't expect Huo yunxun to help. "This..."

"I'll take care of it for you."

This is undoubtedly the greatest hope for Gu Yaoyao. She quickly bowed deeply to thank ah Jin, and even more to Huo yunxun for his help. "Thank you, thank you so much indeed!"

A Jin followed Gu Yaoyao back to the scene of the accident, the other side's car, this is a car front light concave a little bit, and Zeng Ni's car front has been deformed.

The other party saw Gu Yaoyao really brought people back, his face was not good.

"I didn't expect that someone would really like to help you? It seems that beauty and color are still in charge

A Jin glanced at this vulgar man full of fat, and his tone was stiff. "Half a million in your case?"

"This is a famous brand car!"

A Jin gave each other a cold eye, "but how to see is that you violate the traffic regulations first, and this young lady will bump into the fence in order to avoid."

"And this lady's car is worse than yours. Do you need compensation first? " After seeing the situation, a Jin added another sentence.

Gu Yaoyao thinks ah Jin is too handsome. As expected, the master is not the same. He has the confidence to speak!

The fat man's face was not happy, and the flesh on his face smoked, "boy, do you know who I am?"

"I don't need to know who you are!" Ah Jin replied.

"You A man reaches out like a fist to ah Jin, but he easily holds his hand. "A toast is a penalty if you don't eat or eat!"

With that, he twisted the man's hand behind his back, and then said in a low voice, "you're so mean, but also want to fight Huo Shao?"

### [Chapter 630](#)

When the man heard this, his face changed!

Unexpectedly, Huo yunxun would lend a helping hand to the two women. He immediately said, "I was wrong!"

"Do you want the money?"

The fat man shook his head like a rattle. Who dares to fight against the Huo family in a city is looking for death! It's my bad luck to meet such a great God today.

Gu Yaoyao and Zeng Ni stand by and look at a Jin and the fat man, but they don't know what ah Jin said. They make the arrogant person turn into a dog.

"Who is this man?" Zeng Ni asked Gu Yaoyao suspiciously. She went out for more than ten minutes and brought back such a person.

"I'll talk about it later."

Because Gu Yaoyao saw a Jin coming and asked anxiously, "what's the matter?"

"He will compensate you." Ah Jin replied, "I'm leaving first."

Thank you Gu Yaoyao bowed respectfully.

The fat man followed, and said, "I'm wrong today. I'll pay for your repair."

After a while, the trailer came to tow zenny's car away. Because Gu Yao Yao also has a radio program, so there is no time to continue to delay.

She went to a Jin in front of, "help me to convey my thanks to Huo Shao."

Ah Jin nodded, "goodbye."

Gu Yaoyao has been watching a Jin leave until she can't see it. But as soon as I look back, I look at zenny with questioning eyes.

"Let's take a taxi first."

Zeng Ni felt that Gu Yaoyao had something to hide from herself, and she was very upset. And just now she also heard a very sensitive word, that is Huo Shao? This time it's about Huo yunxun again?

At noon, she heard Gu Yaoyao explain that it was a coincidence, and you can believe it. But now this matter, really can't use coincidence to describe.

They finally arrived at the radio station in the last few minutes. Gu Yaoyao, without any time to prepare, immediately went into the studio to start today's work. Fortunately, I had experience before, so it didn't look too bad.

After an hour's program, Gu Yaoyao dared to stretch. Today's work is finished!

On the way back, Gu Yaoyao has been napping. Today, she has run back and forth for several places, and her physical strength has been overdrawn.

Seeing Gu Yaoyao so tired, Zeng Ni didn't ask much. Before Gu Yaoyao got off the bus, Zeng Ni explained her work for tomorrow. The new play will continue to be filmed. This is a rare opportunity. Of course, she can't let Gu Yaoyao have any problems!

Gu Yaoyao hung her head and just nodded. Then drag the tired body to go back to their dormitory.

As soon as she sleeps until dawn and her eyes open, Gu Yaoyao bounces out of bed.

She reached for her cell phone and looked at the time. At half past six, she fell back on the bed again and could sleep again.

As soon as the alarm clock rings, Gu Yaoyao reaches out to turn off the alarm clock and turns over again in bed.

A few minutes later, he got up from the bed and went barefoot to the bathroom to wash and change clothes. Then he went out with a bottle of milk, and without makeup, he took a taxi to the studio.

After arriving at the scene, Zeng Ni saw Gu Yaoyao like this. He quickly pulled her aside and whispered, "why did you come without makeup? What if it's photographed? "

"Sister, I won't be noticed now. So you can rest assured! "

"But you have to keep the minimum standard of being an artist at any time. You'd better put on your make-up! It seems that people are more energetic. " Zeng Ni said painstakingly to Gu Yaoyao.

Gu Yaoyao nodded, "I will pay attention next time."

"This TV play is very important to you. You must perform it well. Maybe we're famous for this opportunity. I also asked the director privately. He said that your performance was good, so you should seize this opportunity! "

Gu Yaoyao knew her luck and cherished every opportunity. But for oneself wants big purple big red, also really did not think. Now she wants to make more money. This woman has no love, so she has to work hard to win a sense of security for herself.

"Gu Yao Yao, make up!"

"Right now." Gu Yaoyao stuffed her bag into Zeng Ni's arms.

When Gu Yaoyao was making up, she heard others say Xia Yunzhe was coming. Today, he went back to the crew to film. Before that, he went to record the program and asked for a few days off.

So many people have been waiting to see him in the early morning, and he has his own private dressing room, so he doesn't use it here.

"Xia Yunzhe is really handsome!"

"Of course, he is my God!"

"He is not only handsome, but also very good at acting."

"Well, this time there are Xia Yunzhe and Zhou Xiao. The ratings are reasonable."

Gu Yaoyao was making up and listening to the people talking.

"Yao Yao, I heard that you and Xia Yunzhe have a match today?" Another actor nearby whispered. Gu Yaoyao nodded and said with a smile, "yes, I hope it won't be the background board."

"Then you have to refuel!"

"I will!"

Gu Yaoyao dressed up first went to the scene to familiarize herself with her lines. She didn't want to drag her feet. Xia Yunzhe and Zhou Xiao, who will play with themselves for a while, are not only predecessors, but also big brands!

I really can't offend you!

Gu Yaoyao was trying to recite her lines when a black shadow appeared on her head. She raised her head and saw Xia Yunzhe standing right above her, which made Gu Yaoyao stand up immediately.

"Before Master. "

Xia Yunzhe smiles. Seeing Gu Yaoyao's nervous appearance, he reaches out and presses her shoulder.

"Don't be nervous! I'm just as human as you are

"The elder and I are still a little different."

"I'm still young, so don't call me elder."

Gu Yaoyao was stunned. He didn't expect Xia Yunzhe to be so nice. Before they had no match, but she had seen Xia Yunzhe's play from a distance. But after seeing him in private, he likes to sit alone and seldom communicate with others.

I only talked with Zhou Xiao when I had a talk, so I felt very cold. However, it is rare for him to take the initiative to say hello to himself today.

"That's not very good."

"What's wrong? We're all of the same age." Xia Yunzhe symbolically patted Gu Yaoyao on the shoulder, "it's settled."

When Zhou Xiao came over, she saw Xia Yunzhe and Gu Yaoyao talking. She took the script and joined in.

"Zhe, what are you doing?"

"Xiao, here you are." Xia Yunzhe said hello to Zhou Xiao with a smile. "Yao Yao and I are talking about the drama for a while."

Zhou Xiao looked at Xia Yunzhe with deep meaning in his eyes. Then he found a place to sit down and then joked: "how can I remember that you and I play more than each other, why don't you fight against each other?"

Xia Yunzhe walks to Zhou Xiao. "You still need it? You're already behind the scenes! "

"It's all about you."

Gu Yaoyao can't put in a word. She knows that Xia Yunzhe and Zhou Xiao have a good relationship. The two started their careers at about the same time and worked together a lot, so it's natural to be good friends.

"Xiao, you are not mean person either." Xia Yunzhe sat down beside Zhou Xiao and put his hand around her shoulder.

Zhou Xiao gave Xia Yunzhe a white eye. "It belongs to you. It's bullshit."
