

Warm Wife 631

[Chapter 631](#)

Xia Yunzhe knows Zhou Xiao won't care too much about himself, so he makes fun of her like this.

When I think of the sufferings they have suffered, I feel the same way. So the two of them can be said to help each other and cherish each other's revolutionary friendship.

"Yun Zhe, Zhou Xiao will come to your show right away."

"Good!"

Xia Yunzhe took Zhou Xiao's hand and went to shoot. They didn't avoid suspicion at all. In this TV play, the two of them are a couple who have gone through hardships. From nothing to success, they always stick to each other's feelings.

Gu Yaoyao stood by and watched, trying to learn some valuable experience from them.

Xia Yunzhe and Zhou Xiao's performances are very natural, completely put themselves into the role, but also reveal the true feelings.

When Gu Yaoyao saw the performance of parting in life and death, her eyebrows were also wrinkled, and her heart was always gripped by their feelings. She subconsciously clenched the script in her hand, and the people present were also moved by the two people's play.

"Card! Very good The director clapped his hands and said.

Xia Yunzhe helps Zhou Xiao to come over. It seems that they haven't come out of the mood just now. Gu Yaoyao did not disturb them, but stood aside.

"Yao Yao, it's your turn."

"Yes

Gu Yaoyao's scene is a match for her elders. There were not many parts in the play, so it was finished quickly.

The next scene is today's main play. Gu Yaoyao is about to play with Xia Yunzhe and Zhou Xiao.

The story is about Gu Yaoyao's appearance as the female owner's cousin. The purpose is to let the female owner give up the male master and go home. But the woman insisted on protecting the man, so the sisters had a dispute in front of the man.

Gu Yaoyao is preparing carefully. After seeing Xia Yunzhe's and Zhou Xiao's plays, Gu Yaoyao finds out how far away they are.

Xia Yunzhe goes to Gu Yaoyao again, but this time with a serious expression. "Let's meet the three of us."

"Please give me some advice."

Zhou Xiao saw that Gu Yaoyao was still a little stiff, and took the initiative to reply, "don't be nervous, just like you usually play. You did well in that one

"Thank you for your affirmation. I will try my best."

Three people in the process of the play, almost all their emotions are shown. Gu Yaoyao felt that she was very quick to get into the drama with them.

At the beginning of filming, the three people are focused on their roles. Each emotion, each person's expression and action make the character full. It seems that it's not acting, it's a real scene.

So when everyone focused on the scene, they didn't notice a tall and straight figure walking into the set.

Huo yunxun standing in the corner is also watching the scene shooting, he is also the first contact with such a place. If Yun Muxin had not told him to come and see Xia Yunzhe, he would not have come here.

Huo yunxun's eyes fell on Gu Yaoyao after skipping Xia Yunzhe. The hate in her eyes was so clear, but when she looked at the past, it was fleeting and became clever. It can be said that her eyes were very dramatic.

This mood and eyes switch quickly, and her performance in the face of Xia Yunzhe and Zhou Xiao is also a bit inferior. If you change to other new people, but it will be easy to be compared!

"Card! Very good! "

After shooting this scene, we have to change the venue, and the actors also have time to rest.

Xia Yunzhe held Zhou Xiao in one hand and Gu Yaoyao in the other. "Yao Yao, not bad!"

Zhou Xiao also gave her own affirmation to Gu Yaoyao. "It was really good."

"Thank you for your affirmation. Please take care of me in the future."

"Yao Yao, if you want to give me more advice, you should be good to me."

Gu Yaoyao just smiles at Xia Yunzhe's words. She doesn't dare to know that Xia Yunzhe's female fans are famous and powerful! For the sake of Xia Yunzhe.

She remembers that there was an actress who was not good to Xia Yunzhe before, so she was torn by Xia Yunzhe, the female fans. In the end, the actress could only come out and apologize to Xia Yunzhe.

Therefore, in order to protect her life, Gu Yaoyao would not do such a thing.

When Xia Yunzhe talks and laughs, he accidentally sees Huo yunxun. He immediately let go of Gu Yaoyao and Zhou Xiao, a little embarrassed on his face.

"Brother Xun!"

Huo yunxun walked towards Xia Yunzhe with his own aura and aura.

Gu Yaoyao's whole body is frozen. I didn't expect to see Huo yunxun again today. This luck is also rare.

Zhou Xiao knows Huo yunxun and has heard Xia Yunzhe talk about their relationship before. So she took the initiative to say hello. "Huo Shao!"

Huo yunxun nodded his head, but he looked at Xia Yunzhe and said. "For you, sister."

Xia Yunzhe was relieved. Fortunately, it was not a bad thing. "My aunt is good to me." "That's what second brother meant."

"Forget my dad!" Xia Yunzhe is not in a good mood when he thinks of Yun Yiyan's serious face.

Listening to their conversation, Gu Yaoyao is also confused. This title is strange, and the relationship is even more strange.

Huo yunxun calls Xia Yunzhe's father brother? But isn't Xia Yunzhe supposed to call uncle?

"You talk. I'll change clothes first." Zhou Xiao doesn't want to be involved in the affairs of Xia Yunzhe family. It's not that she can't walk in, so she would rather not know too much.

Hearing that Zhou Xiao was leaving, Gu Yaoyao also said, "master, I'll go with you."

"Well, let's go." Zhou Xiao nodded.

Xia Yunzhe saw the two beauties go, and his mood went down. "You see, you scared the beauties away when you came."

"Can you blame me for that?"

"Of course! We were supposed to have dinner later Xia Yunzhe looks discontented.

Huo yunxun pick eyebrows, good intentions to go a trip is also rejected. "Then I'll go."

"No Xia Yunzhe sees Huo yunxun going, and quickly grabs his arm. "Brother Xun, I'm going to invite beautiful women to dinner, but I don't have enough money. Can you give me some?"

"Dad, you can go to the restaurant and brush your face."

"I'm not going. If I go there, I will be known for my identity? "

Huo yunxun didn't want to talk nonsense with Xia Yunzhe and took back his hand. "Do it yourself!"

With that, Huo yunxun turned to leave.

Just walked to the door, again met Gu Yaoyao, and she is on the phone, but see her seems to chat is not very happy.

"I said wait a few more days." Gu Yaoyao's attitude is very tough.

It seemed that she was in trouble, and her brows were locked.

"I'm not running a bank. I can't give you so much money!"

Huo yunxun heard this and whispered a sentence. "Money again?"

Gu Yaoyao heard the voice and turned to see Huo yunxun. Her face became unnatural.

[Chapter 632](#)

Huo yunxun takes a look at Gu Yaoyao and quickly takes back his eyes, waiting for a Jin to drive the car over.

Gu Yaoyao can't help but feel a little sad. Huo yunxun must think that he is a woman who worships money. Thinking of this, Gu Yaoyao lowered her eyes and didn't want others to see her injury.

Just now Zhou Xiao said something to himself about Xia Yunzhe and Huo yunxun. She did not expect that Xia Yunzhe and Huo yunxun were still related. He was the second son of Xia family in three families of a city.

Gu Yaoyao was deeply impressed by Zhou Xiao's saying, "Xia Yunzhe and I have known each other for several years, but I know that is an area that I will never step into. So I'd rather just be his friend

Gu Yaoyao can tell that Zhou Xiao had feelings for Xia Yunzhe, but he braked instantly after knowing Xia Yunzhe's family background.

Now think of Zhou Xiao doing so is smart, in such a family background, if there is no strong determination and strong heart is not dare to close.

Isn't it all said that the rich have many enmities? Once you get into a big family, it's like the sea. Maybe it's just superficial. The real life of a powerful family is not simple!

Gu Yaoyao clenched her mobile phone and was ready to turn around and leave.

"Miss Gu."

Behind him came Huo yunxun's voice. Gu Yaoyao stopped, but did not dare to turn back immediately. Maybe it's his mistake. There are many women around Huo yunxun. How can he just notice himself.

Gu Yaoyao took a deep breath, and then continued to stride forward.

"Just a moment, Miss Gu."

Gu Yaoyao slowly turned back. Huo yunxun was really standing behind her, her heart pounding.

Gu Yaoyao is at a loss. What is he going to do?

"Could you please give this to Yun zhe?"

Gu Yaoyao's eyes fall on Huo yunxun's bag in his hand, which is normal for ordinary people to hold. However, Huo yunxun had a bit of aristocratic elegance, and even improved the grade of such shopping bags.

"This is..."

"Soup for Yun Zhe." Huo yunxun replied. "I have something else to do later. Please bring it to him."

Gu Yaoyao thought about it for a moment, and then reached over. It was a piece of cake anyway.

"OK, I'll deliver it for you."

After seeing Gu Yaoyao take the bag, Huo yunxun takes out a stack of money from his pocket and hands it to Gu Yaoyao.

Gu Yaoyao Leng Leng Leng, a face puzzled to look at him, do not understand what this means.

"Here's the service charge."

Gu Yaoyao's heart aches and is misunderstood. It turns out that Huo yunxun paid for himself this time. Gu Yaoyao turns her head to the other side and doesn't want Huo yunxun to see her real side.

"No?"

Gu Yaoyao at the fastest speed to her emotions, she looked back at Huo yunxun, showing an unnatural smile.

"Huo Shao, I really need money, but I will only take money that I feel comfortable with." Gu Yaoyao said with a smile. "A gentleman has a way to get money! I think Hodgson knows that better than I do. Although I am not a noble person, sometimes I will be greedy for small things, but I still have the bottom line

With that, Gu Yaoyao politely nods to Huo yunxun again, and then comes a beautiful turn and walks in.

Huo yunxun looked at Gu Yaoyao's straight back and his slightly embarrassed hand. Finally, he could not help but show a touch of ridicule. What the hell is he doing?

"Young master!" Jin stepped forward.

Huo yunxun handed the money to a Jin, "I just did an inappropriate thing."

A Jin looks down at the money in his hand and Huo yunxun's back. He's also confused. What's going on? Gu Mingyao was just talking to him.

A Jin quickly followed up, ready to drive the car back to the company.

"Ah Jin, go to investigate Gu Yaoyao again."

A Jin hesitated for a few seconds and wanted to ask the reason, but as a subordinate, he could not ask the master son, which was also his father's instruction to himself.

"Yes

Huo yunxun looked out of the window, but in front of him, all of them were Gu Yaoyao's heartbreaking smile just now, but he had to show that he didn't care. In fact, Huo yunxun saw the wound in her eyes before she dropped her eyes.

Set.

Gu Yaoyao gave the thermos Huo yunxun entrusted to Xia Yunzhe and gave it to his agent.

"Thank you, Miss Gu." Xia Yunzhe agent Dahong said.

"You're welcome."

Xia Yunzhe came back from the bathroom and met Gu Yaoyao. He said with a smile, "Yao Yao, please send me something."

"I just passed by. Huo Shaocai asked me to bring it here. He was originally sent in for you, but it seems that he is in a hurry to leave because of something temporary. "

Xia Yunzhe waved his hands again and again. "Yao Yao, you don't have to explain for brother Xun. That's what he is! He will not condescend to give me food. ""Well?"

"He just comes to see it on a regular basis, otherwise he can't explain to my aunt when he goes back." Xia Yunzhe explained.

Gu Yaoyao remembers Zhou Xiao's words and can't ask much about Xia Yunzhe's family affairs.

"I'll go first."

Xia Yunzhe reached out and stopped Gu Yaoyao. "I heard that your agent's car has been sent to repair. How can you go to the second set later?"

"Let's take a taxi."

Xia Yunzhe raised his eyes and took a look at Dahong, who immediately understood. He came forward. "Miss Gu, would you like to take our car? And to thank you. "

"You're welcome. It's not far. We can take a taxi. "

Xia Yunzhe seems not happy. "Yao Yao despises me?"

Gu Yaoyao immediately shook his head, "how dare I! It really hurts me to say so. "

"That's no nonsense. Let's go!"

Gu Yaoyao and Zeng Ni get on Xia Yunzhe's nanny car like this, but Gu Yaoyao is uneasy.

Zeng Ni whispered in Gu Yaoyao's ear: "be natural. It's rare how enthusiastic Xia Yunzhe is. It's not bad for us. " Of course, Zeng Ni is thinking that Xia Yunzhe can help Gu Yaoyao a lot in the future, which is a good thing.

Xia Yunzhe went to sleep after getting on the bus. The other things are handled by Dahong.

Gu Yaoyao was very upset all the way. First, she was worried that others would see her in Xia Yunzhe's nanny car to the studio. Second, think of grandma's medical expenses, the hospital again to urge payment.

This is her only relative in the world. She doesn't want grandma to have anything.

Gu Yaoyao sighs. Where is she going to get some money? She won't be able to get the full money until she's finished filming.

At this time, Gu Yaoyao's mobile phone vibrated.

A strange phone call, Gu Yaoyao hesitated to answer it. But when I saw the call from city a, I finally picked it up.

"Hello

"Hello, Miss Gu!"

"May I ask..."

"I'm Jin."

Gu Yaoyao's spirit is a little bit, but she doesn't dare to speak out. Her eyes glanced at Zeng Ni, who was sitting in front of her and chatting with Dahong, and Xia Yunzhe, who was asleep. She murmured when she was sure no one was paying attention to her.

"Miss Gu, Huo Shao wants to meet you."

Gu Yaoyao's heart immediately raised, what is this to do?

[Chapter 633](#)

"Miss Gu, do you listen?"

Gu Yaoyao returns to his mind, "yes."

"Huo Shao means to follow your schedule."

Gu Yaoyao immediately set the time, otherwise he was worried that others would find out later.

"Tomorrow noon will do."

"I'll tell you the exact location later."

Thank you

After the call, Gu Yaoyao breathed a sigh of relief. Up to now, I still don't know what Huo yunxun wants to do about himself? You don't really want to do anything, do you? She had put the money into Grandma's bank account yesterday.

And this is what he is willing to pay. It should not be so stingy to take it back?

Gu Yaoyao grabs her hair and tries to break her head. She still doesn't know what Huo yunxun's purpose is. What the hell is he doing! Gu Yaoyao roars in her heart

Zeng Ni looked back and saw Gu Yaoyao's hair, which she did not grasp vividly, and quickly moved to her side. He immediately took her hand. "What's going on? Who just called? "

Gu Yaoyao sighs with helplessness in her eyes. "Sister..."

Zeng Ni immediately understood that there was only one thing that could make Gu Yaoyao show such a look. She put her arms around Gu Yaoyao and patted her on the shoulder, which was also a kind of silent comfort.

Gu Yao Yao desperately makes money, a large part of it for her grandmother. Her grandmother is hospitalized in City C, and seems to be seriously ill. Gu Yaoyao is responsible for the medical expenses and hospitalization expenses.

Seeing her helplessness, she must have been urged again. The money for the TV play hasn't arrived yet. The company has not transferred money for other programs to her.

"I'm fine." Gu Yaoyao soon came out of her mood.

Zeng Ni is at ease, as long as she is energetic, she will be optimistic, otherwise it will affect the shooting below. If Gu Yaoyao can get angry this time, she won't have to worry about her grandmother.

Dahong sees these things in his eyes. Gu Yaoyao usually looks very positive and optimistic, but people are still vulnerable. It seems that they are in trouble. He looked at Xia Yunzhe, who had always been sleeping with his head covered.

This young master is blessed by God! Born in such a family, there is a strong family behind. At the beginning, he started better than others, but he didn't have any young master's temper, which was rare.

And he will not show his family background, in fact, he seldom knows his real identity in the circle. I know those who are good friends of Xia Yunzhe. Now he let Gu Yaoyao know that she must have been included in the circle of friends.

After the car stopped, Gu Yaoyao and Zeng Ni got off first. Xia Yunzhe drinks the soup brought by Huo yunxun in the car to replenish energy.

In the second set, Xia Yunzhe and Gu Yaoyao shot separately, so from the beginning to the end, the two people did not see. Gu Yaoyao's group took pictures almost in the early morning.

Gu Yaoyao drags her tired body back to her dormitory. Because there will be a play tomorrow afternoon, she chooses to go back to the dormitory to sleep, so that she can sleep more safely.

Tired body let Gu Yaoyao also about Huo yunxun things to throw out of the clouds, after taking a bath on the bed to sleep! Even did not pay attention to see the news of the mobile phone, whirring into the dreamland.

The next day.

Huo yunxun deliberately set aside the time around noon and saw that the time was coming.

"Ah Jin, did you inform Gu Yaoyao?"

"I sent it to Miss Gu yesterday, but she didn't reply."

Huo yunxun stopped the pen in his hand and his eyes flashed. When the eyelids were lifted up again, they said at the same time, "call her."

"Yes

Gu Yaoyao, who is still sleeping with her head covered, hears the sound of her mobile phone and reaches out to feel where it is. When I got it, I picked up the phone before my eyes were fully opened.

"Hello..."

"Miss Gu."

"Who?" Gu Yaoyao didn't wake up at all.

"Huo yunxun."

After hearing this name, Gu Yaoyao did not have any reaction. But a few seconds later, she bounced straight out of bed. This time, she opened her eyes and looked at the caller ID on her mobile phone.

"Huo Shao?"

"The appointed time is coming. I hope you won't be late. "

Gu Yaoyao was suddenly knocked down, which reminds him of his appointment with Huo yunxun yesterday. She reached out and touched her face

After hearing the beep, Gu Yaoyao went to the information. A Jin has sent himself the specific time and address yesterday. I didn't see it at all.

Gu Yaoyao cleaned herself up with the fastest speed in history, took her bag and went out in a hurry.

When Gu Yaoyao arrived, Huo yunxun had arrived and had been waiting for a while.

"Sorry! I'm late. " Gu Yaoyao immediately apologized, still breathing.

She got out of the car and ran into the restaurant with the speed of 100 meters. As a result, she was still late.

Huo yunxun looked at the time, "five minutes late."Gu Yaoyao gasped. "I'm really sorry."

"Sit down."

After finishing herself, Gu Yaoyao sat down and took a drink from the cup.

At this time, she noticed that there was no one else in the restaurant. Was this the legendary private room? It's a moat!

Huo yunxun also paid attention to Gu Yaoyao. She was totally plain faced. She was also wearing a simple white T-shirt and a pair of washed white jeans, and tied a ponytail at will.

This is different from other women, they will dress up very exquisite. But the woman in front of her was in the most simple and comfortable state, and she didn't think there was anything wrong with this.

"Huo Shao has something to tell me today?"

Huo yunxun nodded, then a Jin put a document on the table, and then the man left.

Huo yunxun and Gu Yaoyao were left in the room, and a sudden quiet embarrassment filled the space.

"This is for you."

Gu Yaoyao picked up the document and opened it. She was stunned.

"This is..."

"I think that's what you need most." Huo yunxun spoke.

Gu Yaoyao couldn't believe that she was browsing the contents of the document again, but she was also aware that there must be conditions.

"Huo Shao, you must want to exchange this with me for something?"

Huo yunxun just glanced at Gu Yaoyao lightly, but did not see his purpose at all. Gu Yaoyao twisted her eyebrows. She clenched the documents in her hands. It's very important to myself!

But she knew how much she had. Huo yunxun would never help her for no reason.

"I can say nothing. I think Huo Shao knows that very well. "

Huo yunxun nodded, "you really have nothing!"

Heart piercing! Without any sympathy, Gu Yaoyao was depressed.

"Then why do you do it?"

"But I can still ask you for something."

Gu Yaoyao looked at her whole body with her head down. What else could she give him? There is only one conclusion in the end, man?! But to women, Huo yunxun as long as the mouth, estimated that those women can Rao the earth several times!

"Huo Shao, I'm sorry! I really have nothing to give you. "

"Marriage!"

[Chapter 634](#)

"What!"

Gu Yaoyao stood up and knocked her knee to the corner of the table. She hissed and reached for her knees.

Huo yunxun took half a beat to speak. "Are you all right?"

"Something's wrong!" Gu Yaoyao still sits with Huo yunxun.

"Say it."

Gu Yaoyao really doubts whether Huo yunxun has a problem with his head, and suddenly puts forward this request with himself. She thinks she's OK, but she looks better than her.

If you were not blind, you wouldn't have chosen her to have nothing like this.

"Huo Shao, if it's just a joke, I can accept it."

"No kidding."

Gu Yaoyao blinked. What a demon! Such serious eyes, people can not say. What's more, Huo yunxun's eyes are just like magic, which can't be moved away.

"I'm serious about it with you."

Gu Yaoyao coughed deliberately to cover up her embarrassment. She did not open her eyes, "you and I can't! And we've only met for the third time. Do you know me? I don't know you! "

"It's nice to have met three times."

"Ah?" Gu Yaoyao didn't know how to answer the phone.

Huo yunxun reached out and motioned Gu Yaoyao to sit down, but Gu Yaoyao really sat down. After sitting down, she felt annoyed. How could she sit down? Shouldn't she just shake her hands and leave?

"My parents got married when they first met."

Gu Yaoyao heard the news, just like being struck by lightning, so explosive?! In fact, she has heard about Huo Dongyang and Qiao Wei. All he said was that Huo Dongyang loved his wife like his life, and he almost became a typical model.

But they have never heard so much about it. It turns out that their marriage started like this, and they got the certificate when they met for the first time?

"So, they fell in love at first sight?" This is the best reason Gu Yaoyao can think of.

"No Huo yunxun shook his head. "My dad didn't get my mom's card until 10 minutes after she divorced her ex husband."

Gu Yaoyao looks shocked. The life of this rich family is wonderful enough.

"My mother's ex husband is Xia Yunzhe's father."

Gu Yaoyao was once again severely hit, she opened her mouth wide, and for a long time she made a few awkward noises. The relationship is really strange! That's why the names are so strange.

It's just that Huo yunxun told himself what these are for? You don't want to bite yourself in the future and say you're divulging family secrets? *NOvelusb.com*

"Huo Shao, these things should not be I should know?"

"You should know that." Huo yunxun replied.

Gu Yaoyao listened to Huo yunxun so naturally, did not know what expression to do with the reaction. She felt as if she had been drawn into a whirlpool, or even that no matter how hard she tried, she couldn't get out.

"When you are free, we'll get the certificate."

"Wait a minute!" Gu Yaoyao interrupts Huo yunxun. She doesn't seem to agree. He has already made a decision.

"What else?"

Gu Yaoyao did not understand Huo yunxun's thinking, "I did not agree."

"You will agree." Huo yunxun replied confidently.

"Huo Shao, I have to make a point. Although your offer is very attractive, I can't accept it. Marriage needs to be based on certain feelings. It's not a joke. "

When Gu Yaoyao saw that she had finished speaking, Huo yunxun's eyebrows wrinkled. She was not happy. After seeing this, Gu Yaoyao felt frightened. She just turned down a big diamond from city A.

I won't be killed, will I?!

In fact, it is a great gift to marry Huo yunxun. How many women look forward to, how many women's ultimate goal, how many women's happy dream, but they refused.

"That I..." Gu Yaoyao wants to explain.

Huo yunxun took a look at the time, just interrupted Gu Yaoyao's words, "your time is almost the same, hurry to eat. I'll take you to the set later

Gu Yaoyao bows her head. She doesn't know how to get through the meal.

"I'll see you off."

"No, I can go myself." Gu Yao Yao has not the courage to accept the eyes of the people.

Huo yunxun did not allow Gu Yaoyao to refuse himself again. He took Gu Yaoyao's hand and went straight ahead.

Gu Yaoyao was caught off guard. She didn't even know how to put her fingers. Her only feeling was that Huo yunxun's hand was very big and had a sense of security. Gu Yaoyao slowly relaxed and let Huo yunxun pull him.

She looked at the generous figure in front of her, but there was a picture in her mind. It was a happy thing that a man sheltered himself from the wind and rain.

After getting on the bus, Huo yunxun just let go of Gu Yaoyao's hand and took a sentence that sounded very casual.

"My parents' marriage, although it started a little strange, but their love is real."

Gu Yaoyao looks back at Huo yunxun. Just now his words and his eyes are full of envy, which makes her have such a momentary palpitation. Huo Shao, who is superior to him, is eager for a marriage like his parents? Gu Yaoyao still didn't understand. "But why me?"

"I can't say it myself." He didn't want to think too clearly about why she was. He just wanted to do it.

Huo yunxun also turned his head and looked at each other. A strong electric wave flowed back and forth between the two men. They were so motionless that they only had each other's eyes.

A Jin secretly took a look, he seems to be able to feel the magnetism of the two people. This is supposed to be an accident! In the past, when the young master and the princess of state F were together, there was no such picture.

And now it's all about the sweet atmosphere. Young master is not impulsive, can this be the destiny that madam said?

Gu Yaoyao's mobile phone ring broke such a beautiful atmosphere, so she quickly took out her mobile phone. Her face changed when she saw the call from city C.

"Hello

"Yao Yao, when will your grandmother's money arrive? If we don't get here tomorrow, we'll stop taking medicine." Li Jinhua's attending doctor Chen Lisheng is calling.

"Don't you still have money?" Gu Yaoyao suddenly felt that the money could not be used so quickly.

Chen Lisheng told Gu Yaoyao the actual situation, and Gu Yaoyao was angry!

"Why do they take my money?" Do you want a face for the people who care for the family? At the beginning, I drove myself out of my family, and then I left my grandmother to take care of myself. Now I take the money from my card so shamelessly.

Huo yunxun sat next to Gu Yaoyao, so he heard all the contents of the phone.

Gu Yaoyao felt angry and wanted to go back to City C now. She clenched her cell phone with deep anger in her eyes! But she did not have any way to take them. She could only be angry and useless.

Gu Yaoyao lowered her head and tried to hold back her tears and swallow all the bitterness into her stomach.

Huo yunxun reached out and comforted Gu Yaoyao, "anger can't solve the problem."

Listening to Huo yunxun's voice, Gu Yaoyao's tears can't be controlled. Tears dropped on her trousers without warning. She did not dare to raise her head and did not want Huo yunxun to see her like this.

Huo yunxun directly took Gu Yaoyao into his arms, "there is no need to be patient in front of me."

Gu Yaoyao collapsed completely. She grabbed Huo yunxun's clothes and fell on his shoulder to cry.

Huo yunxun patiently waited for Gu Yaoyao to vent all his discomfort. His dark eyes were more gentle than usual. He patted Gu Yaoyao on the back, but did not say a word.

"I promise you!"

[Chapter 635](#)

Gu Yaoyao stopped and said with a choking voice.

She didn't know why she suddenly made this decision, but she didn't want to bear it alone. Now a man is willing to hold up a day for himself. If there is no emotion, there will be no emotion! Those who have feelings of marriage do not have divorce!

This thought makes Gu Yaoyao feel balanced. No feelings, but she and Huo yunxun still have a cooperative relationship, marriage is also a contractual relationship from a certain point of view.

"You can't go back on your promise."

"Well!" Gu Yaoyao nods.

She didn't know what the future was like. But at this time, Gu Yaoyao can't watch her grandmother die. This is her choice.

Huo yunxun reached out and gently wiped the tears from Gu Yaoyao's face. Her tears were warm.

"I'm free tomorrow afternoon."

Gu Yaoyao gives a time, also anxious. Because grandma can't wait too long, let alone stop taking medicine.

"I'll pick you up then, and you'll have all your papers."

"Good."

After watching Gu Yaoyao enter the studio, Huo yunxun asks a Jin to deal with Li Jinhua.

Ah Jin nods, but he still doesn't understand Huo yunxun's marriage.

"Young master, marriage is a big deal." Never get married because of marriage.

"I've figured it out." Huo yunxun replied.

The next afternoon.

Huo yunxun personally drove to pick up Gu Yaoyao.

Gu Yaoyao dressed up specially today, wearing a long chiffon skirt with broken flowers and a pair of high-heeled shoes with thin heels. Her face was made up, and her long hair hung behind her. It looks as if there are more ladies in the family.

Huo yunxun's eyes flashed with amazement. Gu Yaoyao was very plastic and could easily control various styles.

Push open the door and Huo yunxun gets out of the car.

Gu Yaoyao looked at Huo yunxun in front of her in a famous suit. She was born with a hanger. This brand is not easy to control, but he wears a different taste.

Gu Yaoyao chuckled at Huo yunxun, "how handsome!"

"Get in the car." Originally, she wanted to help Gu Yaoyao open the door, but she had already opened the door herself.

Huo yunxun is dumb smile, she is really different from other women.

"Why are you driving yourself today?"

"Marriage is the business of the two of us."

Gu Yaoyao thinks Huo yunxun has a point, "it seems like this."

"By the way, thank you for grandma's business." Gu Yaoyao has got the news from Chen Lisheng, and everything has been settled. Now the grandmother can also live alone in a VIP ward, will not be disturbed by the family.

"When grandma's condition is stable, we will send her abroad for treatment."

Gu Yaoyao nods. Thank you

"You're welcome. Your grandmother is also my grandmother."

This seemingly ordinary sentence, but in Gu Yaoyao's heart aroused a thousand waves. From the past to now, no one has ever said such a thing to herself, so Gu Yaoyao is very moved.

To the Civil Affairs Bureau.

Gu Yaoyao is still a little nervous. She secretly takes a look at Huo yunxun who is parking. She and Huo yunxun are really going to get married? I still don't feel realistic.

"What are you doing standing up for?"

Gu Yaoyao raised her head and looked at Huo yunxun who was standing a few steps away. Standing against the light, Gu Yaoyao carried a halo full of ability, and this aura also dispelled the gloom in his heart.

Gu Yao Yao stepped forward to Huo yunxun and said, "here we are."

After coming out of the Civil Affairs Bureau again, Gu Yaoyao looked at the marriage certificate in her hand and saw the photos on the marriage certificate. Only when she saw the photos on the marriage certificate did she feel that this was true.

"Mom, I'm married." Gu Yaoyao said in her heart, "I hope you can see it in the sky!"

Huo yunxun looked down at Gu Yaoyao. Seeing that her attention was still on her marriage certificate, the corners of her mouth slightly raised. "It's not a matter of reality?"

"The mortal is too powerful." Gu Yaoyao replied.

"Let's go!"

"Where to go?" Gu Yaoyao looks at Huo yunxun who has already stepped down the stairs. Today's mission is over, not separated.

Huo yunxun turned around and said, "of course, it's going home. Mrs. Howe, you don't want to live apart from me as soon as you get married? "

Before this moment, Gu Yaoyao really thought so. Now she thought of a realistic question, that is, she and Huo yunxun want to live together, but also sleep together?

Ah, some things have not been agreed before. What should I do now?

Seeing that Gu Yaoyao is not moving, Huo yunxun goes up the stairs and takes Gu Yaoyao's hand. "Regret it?"

"It's not regret, it's just that there are some problems to be clarified." Gu Yaoyao said cautiously, for fear of saying something wrong.

Huo yunxun that pair of holes to see all eyes, with a smile. "I'll talk about it at home." Gu Yaoyao followed Huo yunxun back to the place where he lived. Once again, he lamented that the second generation of rich people was a good place to live.

Huo yunxun didn't live in a villa, but the house of more than 200 square meters is enough for Gu Yaoyao to sigh. The house is big and each room has a separate bathroom.

The master bedroom is separate from other rooms and has its own space. The other rooms are connected and have separate activity areas. If the family lives here, there will be space for each other.

It's just two people. It's too big.

"What are you doing? I asked ah Jin to take your luggage. Go and see what else you need. "

"Huo Shao, actually I can sleep in this guest room."

Huo yunxun stopped, "I am physically and mentally healthy, and I have no idea of room allocation. But I won't force you. "

"But..."

"And one more thing, we're married. You need to change your address

Gu Yao Yao Zheng Zheng Zheng, "that wants to call what?"

"You can think of one for yourself."

Once again, he threw the problem to himself. What kind of person is Huo yunxun!

After packing up her things, Gu Yaoyao's stomach growled. She wanted to go to the kitchen to get something to eat. As a result, she saw that Huo yunxun was already cooking with his apron on. It can't be true! This is still Huo yunxun, who is very tall?

As if Gu Yaoyao had discovered the new world, Huo yunxun was not making a show. He really could cook. The action is skilled, orderly, the more important point is handsome!

Huo yunxun fried dishes, see Gu Yao Yao, "ready to eat."

Gu Yaoyao quickly nodded, went to prepare the dishes, and then took the fried dishes out one by one.

For the first time, they ate at home, and it was Huo yunxun's cooking. These dishes are even better than those cooked outside. Gu Yaoyao thinks how he de can find such a wonderful husband.

You can go up the hall and down the kitchen! All kinds of perfection!

"Why not? Not to your taste? "

"No, it's delicious." What did Gu Yao Yao give her thumbs up. "I didn't expect you could cook!"

Huo yunxun doesn't think it's a big deal. "Our family has always been a man in charge of cooking. It has also become a tradition. "

Gu Yaoyao's whole body is frozen. Unexpectedly, the Huo family has such a tradition. The man is in charge of cooking. What does the woman do?

Just thinking of asking, Huo yunxun's mobile phone vibrated. Gu Yaoyao had to bear not to ask, but Huo yunxun did not avoid answering the phone, "Dad!"

As soon as her father came out, Gu Yaoyao sat in a critical position. This is Huo Dongyang's call. She was slightly uneasy, because Huo yunxun's face was not the same as before. But Gu Yaoyao heard Huo yunxun reply.

"Yes, today."

[Chapter 636](#)

Gu Yaoyao is so nervous that she can't help but mention her whole heart to her throat.

Huo yunxun won't get the certificate without telling his family, right? If this follows the routine of novels and TV dramas, the parents will surely come to visit tomorrow and attack themselves in turn.

Thinking of such a picture, Gu Yaoyao was even more upset.

"Don't worry."

After a few simple words, Gu Yaoyao saw Huo yunxun end the call. She looked worried. "Do your parents disagree?"

"You think too much." Huo yunxun just said a word, and then continued to eat.

Gu Yaoyao's intuition tells her that this matter is not so simple.

"Yao Yao..."

Gu Yao Yao is still nervous about how to do it when he hears Huo yunxun calling himself. It was like the sound of a cello, and still calling her name, Gu Yaoyao's heart pounded.

It's not that she hasn't called Yao Yao, but her name comes out of Huo yunxun's mouth, always with a different feeling. It's a feeling of yearning.

"Well?"

"What time do you shoot tomorrow?"

Gu Yaoyao took a look at the mobile phone, but will see the schedule sent by Zeng Ni in the group.

"I'm going to shoot a flat in the morning, and I'm going to shoot in the afternoon."

"I'll see you off?"

Gu Yaoyao waved, "no, I can go by myself. And you're busy with your work

"Shouldn't my husband send you?"

"No, no, No In fact, Gu Yaoyao is worried. She wants a free car. But she was more afraid of being found out about her relationship with Huo yunxun. More than want others to say that they are relying on Huo yunxun.

This not only has an impact on himself, but also has an impact on Huo yunxun. The impact on him may make the whole a city move.

Gu Yaoyao doesn't want to do it like this. She has to do her own things. The huge family behind Huo yunxun certainly has no one to cope with.

"I'll see you off." OK, Huo yunxun repeated it again.

"I'm worried about you being exposed." Gu Yaoyao whispered her concerns.

Huo yunxun laughed. "Worry about me?"

"Yes Gu Yaoyao nods. "We're married, but I don't want to be public yet. I want to fight for my job by my own efforts, instead of being told that I rely on your relationship. "

"Yes." Huo yunxun respected Gu Yaoyao's opinions. "I like it when you say it."

Seeing that Huo yunxun didn't resent him, Gu Yaoyao relaxed a lot. Before I was worried about it for a long time, but now I get along with him, Huo yunxun is still a sensible person. It's not the same as I think.

Thank you

"Then you'll have an early night's rest."

"Well!"

After taking a bath, Gu Yaoyao sits on the carpet of her room, looking at the script tomorrow and reciting her lines carefully. Occasionally, when she looks up, she looks at the door. Huo yunxun seems to be still busy, the study is next to the master bedroom, but there is no sound at all.

Gu Yaoyao withdrew her eyes and continued to recite her lines. Finally, she did not hold up until Huo yunxun came back and fell asleep by the side of the bed.

Huo yunxun saw such a scene when he came in after taking a bath. The moonlight shone into the room through the window. Then just Gu Yao's position is favored by the moonlight.

Gu Yaoyao curled up in that corner, this picture of sleeping beauty bathed in the moonlight is very eye-catching.

Huo yunxun quietly walked past. He squatted down in front of Gu Yaoyao and looked at her sleeping face closely. Her skin is very good, smooth and delicate, without any addition on her face, which makes people feel comfortable.

Huo yunxun lifted her from the corner of his mouth and bent down to pick her up.

"Well..." Gu Yaoyao muttered, but did not wake up. It seems that I really fell asleep.

Huo yunxun gently put Gu Yaoyao on the bed and pulled over the quilt to cover her. The fingers slipped across her face, and the touch was really good. Long fingers gently plucked the hair from her face.

"Sleep

Huo yunxun in the moment of getting up, but turned to bend over, gently a kiss fell on Gu Yaoyao's forehead.

"Yao Yao, I will be good to you."

Huo yunxun turned to pack up his things, picked up the script scattered on the carpet, and then turned off the floor lamp. Around this side of the bed, Huo yunxun sat against the head of the bed and did not lie down immediately.

He looked at the email on his tablet for a while and replied to several more urgent emails. And finish today's work!

Just want to lie down, Gu Yaoyao turns over, she is facing Huo yunxun.

Huo yunxun simply reached out and took her into his arms and closed his eyes. Gu Yaoyao moves and subconsciously finds a comfortable position. Huo yunxun hugs her tightly.

On the first night of getting the certificate, they hugged each other and slept naturally, without any discomfort or strangeness.

The next morning, Gu Yaoyao's mobile phone that a loud alarm bell rings. Huo yunxun heard, immediately opened his eyes. Seeing Gu Yaoyao frown tight, he raised half of his body, stretched out his long arm and turned off the alarm clock on Gu Yaoyao's mobile phone. She set five alarm clocks that ring every five minutes.

Huo yunxun is dumb smile, this in the end has not consciously needed five alarm clocks. After putting down the mobile phone, Huo yunxun lay down again, which was only 5:30.

After a while, the phone rings again. This time, Huo turned off all the alarm clocks. Looking down at Gu Yaoyao who hasn't woken up in his arms, he can't help but feel some heartache.

A person in order to live, but also for the cost of grandma, so choose to enter this circle, every day morning and night, this small body contains how much energy?

Huo yunxun moved slightly, and Gu Yaoyao opened his eyes.

Seeing a handsome face at close quarters, Gu Yaoyao pauses for a few seconds, then tilts her head back to open the distance between herself and Huo yunxun.

"You..."

"Awake?"

Gu Yaoyao nodded mechanically and said timidly, "early."

"Do you want to sleep again?"

"What time is it?"

"It's not six o'clock."

Gu Yaoyao took her mobile phone and saw that all the alarm clocks were turned off. Think should be noisy Huo yunxun, "wake you up?"

"No

Gu Yaoyao sat up and said, "my work and rest time is irregular. So..." She thought that living apart would not affect Huo yunxun's work and rest.

"Never mind. I'll get used to it."

Huo yunxun first step up, "you sleep again, I'll make breakfast for you."

Gu Yaoyao bit her lips, with mist in her eyes. Since grandma was ill and hospitalized, no one has made breakfast for himself. Looking at Huo yunxun's back, she really felt warm.

Instead of going to sleep, Gu Yaoyao got up and washed, then changed clothes and walked out of the room.

The smell came from the kitchen, and my stomach growled unconsciously.

"Breakfast."

Gu Yaoyao nods and quickly walks to the table. Looking at the breakfast prepared on the table, I was really moved.

"What's the matter?" Huo yunxun asked softly.

Gu Yaoyao turned around and hugged Huo yunxun, "thank you!"

[Chapter 637](#)

Huo yunxun gently stroked Gu Yaoyao's back with a smile in his mouth.

"So touched?"

"Well!" Gu Yaoyao has a nasal voice.

Huo yunxun was appointed by Gu Yaoyao. He was really sentimental.

"Breakfast first."

Gu Yaoyao quickly wiped away her tears and showed a smile.

"Good."

After they had breakfast together, Huo yunxun sent Gu Yaoyao to the place where he shot the plane. However, Gu Yaoyao asked Huo yunxun to stop when he was still a little way from the destination.

"I'm gone."

Huo yunxun nodded, "if you need to call me, the first shortcut key is my number."

"When did you set it up?" Gu Yaoyao is curious.

"When you don't notice." Huo yunxun replied.

Gu Yaoyao smiles and waves to Huo yunxun. "Drive carefully on the road."

After watching Huo yunxun's car leave, Gu Yaoyao turns to leave again. While walking, he looked up Huo yunxun's number and saw that only one Xun was written in the note. She laughed, but it was right. If someone saw that the remark was Huo yunxun, it would not be a big event.

Gu Yaoyao was humming a ditty and walked to the place where she was shooting today.

HD office.

Huo yunxun began to be busy when he arrived. It was finished before noon.

When he stopped, Huo yunxun picked up his mobile phone and saw the message sent by Gu Yaoyao.

"The work is done in the morning. Now go to the set. "

"Well." Huo yunxun returned a word.

Knock on the door, Huo yunxun put the phone down.

"Come in, please."

Seeing the people coming in, Huo yunxun immediately stood up.

"Dad

Huo Dongyang nodded, "be busy first, I'll sit here for a while."

"It's over."

Huo yunxun went to Huo Dongyang and sat down. "Dad, is this for my business?"

"Your mother is worried about you. So I was forced to come and have a look. " Huo Dongyang explained.

Huo yunxun just laughed, "I'm fine."

Huo Dongyang looked at his son carefully, as if there was a real drama different. The whole person has a little more breath of life, which is totally different from that when he just came back from country F.

Without a prologue, he directly asked, "what kind of child is it?"

"Not bad."

Huo Dongyang helplessly looked at a smile. "Is that an introduction to me?"

"Take it home when you have a chance." Huo yunxun did not explain too much. He knew his father. They must have investigated Gu Yaoyao. Now it's just confirmation.

"Not going public?"

Huo yunxun nodded. "I want to respect her opinion and she's been busy lately."

"It's rare."

"I know your true story."

Huo Dongyang did not say, "since you are married, you should treat others well."

"Don't worry, I will."

Huo Dongyang is still a little surprised about Huo yunxun's marriage. He is worried that he will do this for Li Mengyao. But now look at his state, it doesn't seem to be, as if really have considered, not impulsive.

He and Qiao Wei have no idea of family status, as long as the children feel happy.

"Dad, I know what you and mom are worried about." Huo yunxun took the initiative to make it clear.

"Mengyao's business is over. I know what I want."

Huo Dongyang looked at his son deeply, "if so, the best! Your mother and I don't want to see you find a double to forget the past. This is an extremely irresponsible act. "

"What Dad said won't happen. I really want a home. And Yao Yao is my own choice. "

Huo Dongyang asked Gu Yaoyao from a Jin, so he couldn't really rest assured.

"What about Li Jinhua?" Huo yunxun asked.

"That's just an excuse." Huo yunxun replied. If he rashly proposed marriage, Gu Yaoyao would certainly not agree. So he just took this opportunity. In this way, Gu Yaoyao would not have too much mental burden.

Huo Dongyang raised his eyebrows and felt that this time his son really didn't have to worry. After going back, you can also let Qiao Wei relax.

Huo yunxun also knows that his father said these words, nothing more than his mother's meaning.

"Dad, I'm your son. Even if it doesn't have your reputation, it won't make you lose face. "

Huo Dongyang gave the best look. It is rare that Gu Yaoyao can change his son. And since he came in, Huo yunxun has been in a good mood. It's rare for him to have such a chance to talk with his son.

"If you have time in a few days, you'd better arrange to meet. Or your mother won't be at ease. "

Huo yunxun thought, "I'll go back and discuss with Yao Yao."

"Why not? This daughter-in-law always wants to see her husband. " Huo Dongyang replied. "And she's not good-looking, either.""Dad, you really investigated Yao Yao."

"Have a look."

Huo yunxun didn't mind. His parents were concerned about themselves. But it was quickly said. "Only once."

"Then you bring the man back."

"In such a hurry?" Huo yunxun doesn't want to take Gu Yaoyao back to Huo's villa. Maybe the whole family will come by then! Maybe even uncle Qin Hao and aunt Jian LAN in the United States will come back.

Huo Dongyang sighed. "It's really envious to see others become grandfathers."

"Let's talk about it." Huo yunxun didn't know how far he and Gu Yaoyao could go. He hoped that he could keep going.

After Huo Dongyang left, Huo yunxun called ah Jin over.

"Young master, I'm sorry!"

"You apologized before I spoke?"

"My father received the news yesterday that you went to the Civil Affairs Bureau to get the certificate, so he reported it to the master." Ah Jin lowered his head and said.

Huo yunxun thought of Xiang Qing's temper, and ah Jin couldn't help it. "I don't blame you!"

"Young master..."

"It's OK. You go and do it."

After work, Huo yunxun sent a message to Gu Yaoyao and asked her about the situation there. But I didn't see her reply all the time. I thought I was still busy.

Huo yunxun drove home and found Gu Yaoyao's shoes at the door. Back so early?

Walking into the living room, he smelled a heavy smell of activating oil. Huo yunxun saw the small head sitting on the ground moving.

Gu Yaoyao is rubbing medicine on her feet.

"Hurt?"

Hearing Huo yunxun's voice, Gu Yaoyao wants to stand up, but Huo yunxun presses her. Then check her feet.

"When filming, I accidentally twisted it. Just wipe the medicine."

Huo yunxun carefully checked, did not go to listen to Gu Yaoyao's words, he carefully put his hand on the ankle that piece of black green and knee swelling.

"Hiss!" Gu Yaoyao quickly shrinks her feet.

"Or go to the hospital. It's a hundred days. "

Gu Yaoyao did not want to go to the hospital, or insisted that he was OK. And to the hospital also costs money, she used to wipe some medicine, after a few days.

Huo yunxun see Gu Yaoyao do not want to go, turn around to call.

"Bring your medicine box and come to me."

Huo yunxun came forward and took Gu Yaoyao to the sofa. "I'm not familiar with these aspects. Someone will come to check for you."

"There's no need to exaggerate."

"No, it's not negotiable with me."

[Chapter 638](#)

Gu Yaoyao didn't know who the doctor Huo yunxun was calling, so she fell asleep on the sofa after a while.

Recently, the workload has increased, so she is seriously lack of sleep. Once you stop, you just want to sleep.

Huo yunxun changed his clothes and came out to find Gu Yaoyao asleep. He turned to cover her with a blanket, and then helped her lie down on the sofa. In the whole process, Huo yunxun avoided Gu Yaoyao's legs.

Half an hour later, the doorbell rang.

Huo yunxun looked at the time, slightly displeased, later than the scheduled time.

"So late?" Huo yunxun spoke directly as soon as he opened the door.

Huo yunnuan carried his big medicine box and looked at his brother without a word, "I don't have time to prepare? And if you live so far, it takes time. This is my fastest speed

With that, Huo yunnuan looked at his brother and didn't see him hurt. Her eyes were fixed on the position of her feet. "Are you ok?"

"Not me. Come in. " Huo yunxun sideways to let Huo Yun warm into the room.

Huo yunnuan walked into the room with doubts, and saw a woman on the sofa, but also a sleeping woman. She turned her head abruptly. "What's the situation?"

Huo yunxun's family has a woman? This is a big news!

Huo yunnuan immediately changed his gossip eyes and looked at Huo yunxun and Gu Yaoyao with a smile on his mouth. "Didn't you hurt someone after the war? So I dare not go to the hospital. I think of my sister? "

Huo yunxun ignored Huo yunnuan's words, "look at her feet."

Huo yunnuan put down his medicine box and took a look at Gu Yaoyao. Seeing the bruise on the leg, she took a word. "Brother, it's too rude of you to hurt your foot."

While talking, he opened the medicine box and put on his gloves to Gu Yaoyao for examination.

After seeing Gu Yaoyao's face, Huo yunnuan wants to look back again. "This is not the one we met the other day?"

"Well, look at her foot. She said she hurt it while filming."

"Filming?" Huo yunnuan looks at Gu Yaoyao carefully, and then he remembers who Gu Yaoyao is. "Is this the actor of Yunzhe's play? I remember what it was called? "

"Gu Yaoyao."

"Yes." Huo yunnuan nodded, "she used to be a plane model with a friend of mine."

At this time, Huo yunnuan finally put all the things together. No wonder she was a little familiar. She had seen Gu Yaoyao take those photos. But now the most important thing is how can she be here?

"I remember that day you said you didn't know her? How can this get people home? "

When Gu Yaoyao heard someone talking in her ear, she slowly opened her eyes. A pair of blue and gray eyes and a face similar to Huo yunxun.

"Are you awake?" Huo yunnuan asked.

Gu Yaoyao nods and looks at Huo yunxun.

"This is my sister, Huo yunnuan."

Gu Yaoyao immediately sat up, because the action was too fast, so he accidentally knocked his foot again. She frowned with pain.

"Slow down." Huo yunxun sat down beside her and held her in his arms.

Gu Yaoyao's face is as red as being burned by fire. She reaches out to push Huo yunxun away. The sister is still watching. They're not good.

Huo yunnuan took a look and seemed to understand some things.

"Miss Gu, I'm here to examine your foot injury."

Gu Yaoyao is more anxious to hear this. Let the princess of the Huo family do an examination for herself, which should lead to a loss of life? And she is sitting, and she squats in front of her, it seems very inappropriate.

"I'm fine, actually." Gu Yaoyao explained.

Huo Yun warm smile, "I give you a check, or my brother will worry."

"But that's not good! I am And you are... "

"Now I'm a doctor." Huo yunnuan knows what Gu Yaoyao is worried about, so he reaches out and grabs Gu Yaoyao's feet. "Don't be nervous."

Huo yunnuan pressed the red and swollen part of Gu Yaoyao's ankle

"A little bit?"

Huo yunnuan pressed a little hard, and Gu Yaoyao's eyebrows were wrinkled with pain. She gritted her teeth and didn't dare to make a sound!

Huo yunxun hugged Gu Yaoyao and said, "be gentle."

Huo yunnuan showed a disgusting look in his eyes, "I'm not like this, how do I know the situation. Miss Gu didn't say anything about her nervousness. "

"....." Huo yunxun has no words.

Gu Yaoyao smiles at Huo yunxun. "It's OK. Miss Huo is not wrong."

Huo yunnuan checked that he personally gave Gu Yaoyao medicine, "fortunately, he didn't hurt his muscles and bones, but he twisted it. But still pay attention, if you twist again, it will be troublesome. There's no big problem with the knee. "

"Thank you, Miss Huo."

"You're welcome." Huo yunnuan replied. "Once my brother asked me to go out on a visit. For the sake of brother and sister, I'm not good at pushing. "Gu Yaoyao takes a look at the kitchen door. Huo yunxun goes to cook, but he doesn't have to do anything. He always feels strange.

"Miss Gu, I'll leave this medicine for you. This is the medicine that my brother-in-law studies. It's better than usual. "

Thank you

Huo yunnuan sits down opposite Gu Yaoyao. Since the business is finished, it's time to ask gossip. "How do you know my brother?"

Finally, after Li Mengyao, her elder brother's side has a woman. This is shocking news. She must not miss this opportunity and report back to her parents.

"I met the other day."

I met you the other day? Huo yunxun let people live at home? Huo yunnuan is very suspicious. When she went to wash her hands, she saw that there were many women's things in the house.

If it is really just met, Huo yunxun will let people live in this is not right! Now they live together! If this thing spreads out, it will set off a storm!

"Are you serious?" Huo yunnuan reconfirmed.

"Well!" Gu Yaoyao nods.

Huo yunnuan shakes his head. "No! It's not easy for my brother to do this. There are other reasons

"In fact, I am..." Gu Yaoyao wants to explain her relationship with Huo yunxun when she sees Huo yunnuan running into the kitchen.

Huo yunxun saw Huo yunnuan come in and knew what she was going to ask.

"You and Gu Yaoyao live together illegally!" Huo yunnuan said in a loud voice. "When did you become such an irresponsible person? If your father and mother find out about it, you'll feel better. "

"They know." Huo yunxun replied calmly.

"What!" Huo yunnuan exclaimed, father and mother already knew. "They didn't talk about you?"

Huo yunxun turned off the fire, "No. Besides, Yao Yao and I are not in any shady relationship. "

"Huo yunxun, don't you have watt in your head?"

"That's your sister-in-law!" Huo yunxun received a sentence, "we are both legally licensed."

It took Huo yunnuan a few seconds to react, but she was still sorting out the relationship among them. Finally, she summed up one of the following: "so Are you married? "

"Well!" Huo yunxun nodded.

"OMG!" Huo yunnuan can't help shouting.

[Chapter 639](#)

Huo yunxun waited for Huo yunnuan to call out, and then he spoke when she was quiet.

"Ready to eat."

Huo yunnuan blocked Huo yunxun in front of him, and then asked seriously, "are you serious? Do you know her? "

"It's my business." Huo yunxun replied.

See Huo yunxun to go out of the kitchen, Huo Yun warm a pull him, "wait a minute! Brother, if you don't forget Li Mengyao, you can't let Gu Yaoyao be a stand in. "

"Yao Yao is not a stand in. Don't talk nonsense." Huo yunxun's tone is a little heavier than just now.

"I think you should think about it."

Huo yunxun's flawless face could not see any emotional changes, but he said: "I have considered it. When mom and dad got married, they were not faster than me

"That's the same! Parents are in the minority. And they are true love

Huo yunxun nodded, which all of them did not doubt the feelings of Huo Dongyang and Qiao Wei, so they came to the present. Can't he and Gu Yaoyao be like this?

In fact, there is no need to think about everything so clearly. As long as you do it, you will know whether it is OK or not. Huo yunxun learned these things from his father, Huo Dongyang.

"Are you all right?" Gu Yaoyao stood at the kitchen door and asked in a low voice.

In fact, she heard some of their brother and sister's conversation. In fact, even she herself may not be optimistic about this marriage. But from Huo yunxun's words just now, Gu Yaoyao suddenly felt that he could be trusted.

"Nothing. Let's just say a few words. " Huo yunxun went to Gu Yaoyao and saw that she didn't even wear shoes, and she stood on tiptoe against the wall.

Without saying a word, he bent down to pick up Gu Yaoyao, and then carried her to the dining table.

"Sit down."

Huo yunnuan looked at the scene in front of his eyes with both hands and arms, and felt very much. She can feel Huo yunxun's kindness to Gu Yaoyao, which is not acting out.

Since Huo yunxun has just said that his father and mother have already known about it and have no objection. Then it is equivalent to recognition!

Looking at Gu Yaoyao again, she was not born as well as Li Mengyao. But her people did not do it, she was also sincere to people, and she did not make a high profile because of her marriage with Huo yunxun. It's better than the women out there who dream all day.

But can their marriage really go on forever? Can a miracle like that happen again?

"What are you doing here?"

Huo yunnuan gives his position to Huo yunxun, and then he goes to the opposite of Gu Yaoyao and sits down.

"Miss Huo, I have something on my face?"

"No Huo yunnuan shakes her head. She just wants to see what is different between Gu Yaoyao and other women. What exactly attracts Huo yunxun.

Gu Yaoyao actually knows Huo yunnuan's mind, "Miss Huo, I didn't think I would marry Huo Shao."

"It's not your problem. Once my brother has made a decision, he will do it conscientiously. "

"He's fine, and I'm not worthy of him. There is a lot of difference between us. I know the difference between the clouds and the mud. "

Huo Yun warm smile. "Why belittle yourself. In fact, I hope you can always accompany my brother. It's not easy for him these years. My father left the company and family affairs to my brother for my mother's sake. The two of them are happy to go to the world of two

Gu Yaoyao heard this for the first time, and then he really understood that Huo yunxun's maturity and steadiness were tempered in this way.

"My brother officially took over HD at the age of 18. In recent years, apart from his work, he has been working. If there is anything wrong with his work, please don't mind."

Gu Yaoyao shook her head directly. "He's all right!"

"A man can't always say he's good. It's easy to go bad." Huo yunnuan told Gu Yaoyao with his own experience. She and Ji Haonan are like this. They just don't admit defeat. What he can do, he also wants to know.

So she has always been in a competitive mode, but this is also the way she and Ji Haonan get along. It's not good in the eyes of outsiders, but if people drink water, they feel very good.

"Will you?"

Huo yunnuan listened to Gu Yaoyao's words and knew that she was a piece of white paper.

"Have you never been in love?"

When asked, Gu Yaoyao's face turned red. In fact, she did not have time to fall in love, every day for the sake of life. In addition to her own living expenses and grandmother's treatment fees, this is her business.

The smile on Huo yunnuan's face became deeper. Gu Yao Yao is very simple and easy to get along with.

"If you are inexperienced, you can come to me." Huo yunnuan plays the role of intimate sister.

Gu Yaoyao nodded, "does Miss Huo have a boyfriend?"

"I have a fiance." Huo yunnuan replied. "I have a chance to introduce you."

"Miss Huo's fiance must be a wonderful man."

"There's nothing strange about the man alone." Huo yunnuan replied. Huo yunxun came out with a dish. He just heard such a sentence and immediately retorted, "if you are heard by Ji Haonan..."

"What are you afraid of? If he dares to touch me, I'll cut him off. I'm Huo yunnuan, but he's not the only one. "

Huo yunxun ignored Huo yunnuan's words, which he also heard a lot. There is a lot of noise between her and Ji Haonan, but it can't be broken. Every time a quarrel, Huo yunnuan will go home.

After a few days, Ji Haonan will come to pick her up in person. Huo yunnuan always follows him back! At first, they would worry, then they would get used to it. Anyway, no matter how much trouble, we will make up in the end.

Gu Yaoyao didn't know about this, but felt that Huo yunnuan said this with great momentum. She likes the Huo Princess very much. She has a real disposition.

"Don't listen to her." Huo yunxun demolished the stage. "She just said it."

"Brother! I said it wrong? Is Huo yunnuan afraid of Ji Haonan? And you and dad are behind me

"I think you're the biggest headache for dad right now!"

Huo yunnuan looks at Huo yunxun defiantly, and embarrasses himself every time. "Sister in law, you should take care of him in the future."

"Your sister-in-law is not like you."

Gu Yaoyao looks at her brother and sister's mutual hostility, and she finds it interesting. This shows that their feelings are very good, so they have no scruples to speak, and there is no one around them who can speak like this.

"What do you think?" Huo yunxun sat down beside Gu Yaoyao.

Gu Yaoyao smiles. "I just think you have a good relationship."

"We will all be a family in the future." Huo yunxun knew that Gu Yaoyao must have remembered what happened in Gu's family.

Huo yunnuan rarely see such a picture, can't help but take out a mobile phone to secretly take a picture, especially the two eyes at each other, it is simply envious of others! Looking at the photos on the mobile phone, I was surprised that they were well matched!

Huo yunnuan secretly sent the photo to Qiao Wei. "Mother! Big news

"Keep taking more pictures." Qiao Wei will reply immediately.

Huo yunnuan wants to shoot more, but he doesn't dare. Because she already saw her brother's warning look.

[Chapter 640](#)

Huo yunnuan smile, immediately put down the mobile phone.

Pick up the bowl and chopsticks to eat, start to eat, almost dare not raise the head, this is how to eat quietly.

"Eat more." Huo yunxun took the initiative to bring vegetables to Gu Yaoyao.

Such pictures would never have happened before, and she really wanted to record all of them if she could.

"Eat more, too." Gu Yaoyao also said to Huo yunxun.

With that, Gu Yaoyao also looks at Huo yunxun. "Miss Huo, eat more, too!"

"Just call me my name." Huo yunxun opens his mouth. "Although you are younger than me, you are already my sister-in-law. This appellation and seniority can't fool the past. "

"This..." Gu Yaoyao turned her eyes to Huo yunxun and asked him for his opinion.

Huo yunxun nodded. "Xiaonuan is right."

Gu Yaoyao this is to show an embarrassed and polite smile, "some are not used to."

"Get used to it now." Huo yunxun replied. "You are now of high rank. Even Xia Yunzhe will call his aunt seriously when he sees you."

Gu Yaoyao's face changed. She didn't dare to think about the picture. If Xia Yunzhe can call it out, she can't accept it. And now they are still filming together. Xia Yunzhe is his predecessor. The relationship has become so complicated.

It would be too embarrassing to shoot in the future. Fortunately, other people still don't know about her marriage with Huo yunxun.

"The news of our marriage has not been made public. You don't want to go around promoting it! "

Huo yunxun blinked, not open?! Did the father and mother agree? The marriage of the eldest son of the Huo family is a big event. Why keep it secret?!

"It's not urgent."

Huo yunxun just dare to look up at Huo yunxun, "why can't you say that?"

"Not yet."

Gu Yaoyao wanted to explain, but Huo yunxun pressed her hand. "Wait a second!" he said

Huo yunxun frowns, will not worry about Li Mengyao? She has been married, anyway, there is no relationship between the two people, and marriage is a good thing, say it to make everyone happy.

Although my parents didn't say anything before, they still had some ideas about how much Li Mengyao suddenly dumped Huo yunxun. Just because Huo yunxun didn't say anything, he didn't want Huo yunxun to be difficult to do.

After dinner, Gu Yaoyao wanted to wash the dishes, but Huo yunxun stopped her.

Gu Yaoyao and Huo yunxun are left in the living room, watching TV silently.

Huo yunxun holds the remote control and constantly changes channels, but he can't find a good program.

"Sister in law, when will your TV play be on

"It's going to be a while. It's still shooting." Gu Yaoyao replied.

Huo yunnuan casually chose a program to watch, "now these variety shows are not interesting, the content is almost the same."

Gu Yaoyao nods. Now many programs almost change the soup without changing the dressing. If you watch it for a long time, you will feel no taste.

Huo yunnuan supported his chin with one hand, and then asked, "sister-in-law, do you like my brother's type?"

"Your brother is a myth in a city." Gu Yaoyao did not answer this question positively.

"Any myth, God and man always fall off the altar! My brother was injured Huo yunnuan unconsciously mentioned Li Mengyao in Gu Yaoyao.

After hearing this, Gu Yaoyao felt a little uncomfortable. Huo yunxun had a woman he loved deeply before. But why are they separated?

"Little warm, where are you going back later?" Huo yunxun reached out from the kitchen and asked.

"I'll go home."

"Then you should prepare. If you go back late, you can't get in. "

Huo yunnuan knows that Huo yunxun must have done it on purpose. He must have heard what he said just now. So I found an excuse to let myself go! Hum, it's not to worry about being told by his past.

"Well, I'll be leaving in a minute."

Huo yunnuan took out his mobile phone, "sister-in-law, shall we take a group photo?" It's also a good way to make a job. Before that, my mother asked her to take a few more pictures. She certainly can't live up to it.

Gu Yaoyao nodded, "good!"

Huo yunnuan took several pictures in succession, "sister-in-law, you are very photogenic."

"No way."

"There it is!" Huo yunnuan sent the photos to Qiao Wei immediately.

Qiao Wei replied immediately after receiving it, "how come you don't have your brother?"

"Mom, this is my excuse. If my brother knows about it, I can't bear it! "

"Smelly girl, when you come back to report in detail."

"Yes

After finishing the task, Huo yunnuan picked up his medicine box. "I'm gone. Sister in law, I hope to see you at home soon! "

Huo yunxun sent Huo yunxun downstairs. Gu Yaoyao because of foot injury, Huo yunxun does not let her go out, she can only stand at the door to send Huo yunnuan.

"Good." Gu Yaoyao nods.

Huo family. Huo Dongyang and Qiao Wei have been waiting for their daughter to come back.

"Dongyang, why hasn't your daughter come back yet?"

"It's not so fast. Xiaoxun always takes an hour to get home. Wait a minute. "

Qiao Wei couldn't sit still. He thought it would take a long time to get news of Gu Yaoyao. Unexpectedly, Huo yunnuan seemed to see a real person step by step. Of course she wants to know more.

Huo Dongyang hugs Qiao Wei. "Don't worry. People can't run away! "

Qiao Wei looked at the photos Huo yunnuan sent to himself, especially the snapshot of Huo yunxun and Gu Yaoyao, and felt really good!

"You've seen this picture many times."

Joe nodded. "This is my son and daughter-in-law. I can't look at it more."

Qiao Wei also saw another artistic conception from this picture, that is, holding one's hand and growing old with one's son. This feeling is not found in Huo yunxun and Li Mengyao.

But in the object changed to Gu Yaoyao, everything is different!

Qiao Wei touched the photo on the mobile phone, "Dongyang, they are very well matched!"

"Well!" Huo Dongyang nods.

Huo yunnuan entered the door, Qiao Wei immediately grabbed her hand, "quick, hurry to talk about it!"

"Mom, you should give me a breath and a drink too."

Huo Dongyang was handed a glass of water by his daughter, "to."

"It's still my father who treats me well." Huo yunnuan said with a smile. "Mother now has a daughter-in-law, she has forgotten her daughter, I feel very hurt!"

Qiao Wei speechless looked at Huo yunnuan, "you will cry injustice. I've always been the same. "

"Eccentricity is eccentricity. There is no excuse."

Huo Dongyang always helps Qiao Wei. "Your mother is waiting for you to say so."

Huo Yun warm Du mouth, "hum, now there is a new person to forget the old."

After that, Huo yunnuan told his parents all he had seen and heard, which can be said to be a word for word retelling what happened to Huo yunxun's home.

"What do you think of Gu Yaoyao?"

"People are very simple." Huo yunnuan replied. "To tell you the truth, she and her brother are surprisingly well matched in every respect."

Qiao Wei really felt relieved when he heard this. If it was true, it would be a good thing.

"And I don't think my brother was chosen casually, but because Gu Yaoyao has something that Li Mengyao doesn't have."

"What?"

"Simple ease."
