

Warm Wife 641

[Chapter 641](#)

"Why do you say that?"

When Qiao Wei heard this, he felt fresh. Simple ease?! She thought seriously about the past and all about Huo yunxun in the past. Does his son always feel uncomfortable?

"Mom, this is what I feel like." Huo yunnuan explained.

"What do you mean?"

"Of course, our family has been very happy, my brother and I have been very good since childhood. When I grow up, I also do what I like in my own field. But my brother has his own ideas about feelings. "

Qiao Wei frowned, and thought that her daughter said something reasonable. They are twins. Maybe they know each other best. And there are also some things she ignores as a mother.

Huo yunxun did not know what he thought about his feelings before. It can be said that in the eyes of all people, Li Mengyao is the best match for him. So, of course, everyone thinks they should be together.

Even they feel the same way, but when they really start to fall in love, they find that they are not suitable for each other.

Huo yunxun has not been excited about Li Mengyao, just like warm water.

On the one hand, Li Mengyao does not have more time to consider Huo yunxun's feelings for her own country.

In love, women like men to take the initiative, but Huo yunxun's love initiative is more expressed in action, not to say those nice words.

So at the critical time, they both thought they knew each other, but they didn't know each other.

"I think Li Mengyao said she wanted to get married. Maybe she tried my brother's feelings for her. As a result, my brother accepted her choice

Jovi's heart thumped as he listened. "Will that happen?"

"It's possible." Huo yunnuan replied. "Otherwise, how could she have changed and died in a month. Well said, it's for the sake of the country, and it's more of a disappointment. "

"But it was Li Mengyao who said she was not suitable for your brother."

"Mom, women's routines are not the same as you used to be."

Qiao Wei also wanted to say that Huo Dongyang, who had not spoken, pressed her hand and inserted a timely sentence. "It's possible that it's really like what Xiao Nuan said. But in my opinion, Xiao Xun's whole life was much easier after he separated from Li Mengyao."

Huo yunnuan snapped his finger. "Yes! That's what I want to say. Today, when I was with my brother, I witnessed my brother's kindness to Gu Yaoyao. He didn't do it before, but now he does it on his own

initiative. And the two of them get along without any pressure. My brother looks like the whole person is radiant and smiling a lot

"What did Gu Yaoyao do to your brother?"

"I don't think she's used to it, so she's a bit shy and doesn't let go."

Qiao Wei can't help but think of himself as if it was the same. Huo Dongyang is tied up and worried about doing something wrong.

She can understand Gu Yaoyao. In their own life suddenly appeared such an unconditional good person, will certainly doubt a lot of things.

"Mom, I can bet once. My brother likes Gu Yaoyao very much. " Huo yunnuan thought of a sentence Huo yunxun said when he sent him.

Huo yunxun said in a serious tone. "Little warm, I hope you can support me this time!"

If you don't like it very much, you won't say that. And the person who said this is Huo yunxun himself!

Qiao Wei nods, she does not have what too much request, is hopes own son happiness.

Huo Dongyang hugged Qiao Wei, "you should rest assured. In fact, Xiaoxun likes not to be magnificent or to attract worldwide attention. It is this simple little beauty that he wants. The child is also big, certainly will be responsible for own choice

"I also hope that my son can meet someone who is sincere to him! That's what I want. " Said Joe in a low voice. Which mom doesn't worry about that.

From the birth of children, they began to worry about whether they were full or not, and that they were frozen and hungry.

When children go to school, they worry about whether they can keep up with everyone's progress, and what are their grades?

When the children grow up, they are worried about whether they can find a good job, and the work pressure is not big.

Job stability is to worry about children's marriage, whether they can find a suitable partner.

It's this cycle. Women are working so hard at the beginning.

"It's not early. It's time to go to bed." Huo Dongyang finished pulling Qiao Wei to rest and end the topic.

The matter has come to an end for the time being.

Gu Yaoyao's part has also entered the stage of the final killing, so she has been very busy these days, almost all of them go out early and return late.

Fortunately, Gu Yaoyao can still go home and sleep in the evening. In recent days, Huo yunxun is also busy in and out, morning and night to pick up Gu Yaoyao. But he loved it.

Gu Yunzhe and Gu Yunzhe finally killed Yao on that day. Early in the morning, Gu Yaoyao is preparing for the set, hoping to have a one-time visit. So we can finish work ahead of time!

You come so early, Yao Xia Yunzhe comes over with breakfast.

"Here comes the elder." Gu Yaoyao immediately made way for Xia Yunzhe.

Xia Yunzhe smiles and then sits down for breakfast. "Have you eaten? If not, together? "

Gu Yaoyao waved her hand, "yes." And it's a breakfast made by Huo yunxun himself.

I'm used to the food Huo yunxun cooked these days. I feel tasteless to the food outside. I really have a bad mouth. It's also to blame Huo yunxun. Yes, it's so delicious!

"I heard you killed today?"

"Yes." Gu Yaoyao nods.

Xia Yunzhe has always been a good judge of her. Now there is very little such a clear flow.

So Xia Yunzhe wants to help her. "What's next?"

"I don't know. Look at the company's arrangements. "

Xia Yunzhe thinks of Gu Yaoyao's small company and feels sorry for her. The resources are not very good. When can they come to her. Do you want to continue to shoot the role of female No. 3. It's a bit wasteful.

"Have you ever thought about changing your company?"

Gu Yaoyao smiles. "Which company like me would want it?" Gu Yaoyao is also clear in the heart, to change the company, unless it is really popular, otherwise everything is free of talk.

"In fact, you are good. You can tell me if you really need to."

"Thank you first. I'm fine now. " Gu Yaoyao declined Xia Yunzhe's good intentions, but in fact, he didn't want to have more relations with Xia Yunzhe.

In this circle, there are too many shadowy things, and things that have not been there will be said to be there. And a single male star like Xia Yunzhe should stay away from it.

"By the way, my brother Xun will visit my class later."

Gu Yaoyao is stunned. Huo yunxun is coming?! Why didn't he tell himself this morning?

"Is it?"

"Well, he also gave me an interim notice." Xia Yunzhe replied. "It must be that I want to be free recently, so I don't have to go to country f and I have more time to report."

"Country f?" Gu Yaoyao also captured a key word.

[Chapter 642](#)

Xia Yunzhe nodded and began to talk about Huo yunxun and Li Mengyao.

"Yao Yao, I just told you secretly. So you don't have to make a statement. "

Gu Yaoyao found that her feelings for Huo yunxun were different, so she wanted to know something about him.

"Brother Xun almost became the son-in-law of state F. No, to be precise, it should be the future king of state F

Gu Yaoyao's eyes are shining. This news is a shock to her. It turns out that in Huo yunxun's heart, that person is Li Mengyao, the princess of F country. But now I have nothing to compare with the princess.

Gu Yaoyao is puzzled. From the princess to her, what does Huo yunxun think? Why yourself? His former lover is a princess, but he is just an ordinary person.

Seeing Gu Yaoyao's face not good, Xia Yunzhe said with a smile, "are you also scared?"

"Well!" Gu Yaoyao replied absentmindedly.

"In fact, it was the princess who chased him. At first, he didn't accept it."

Gu Yaoyao heard this, "why?"

"Xun Ge is not that kind of vain person, and the Huo family is also a big family." Xia Yunzhe replied.

"After that, they were together?"

Xia Yunzhe nodded. "Well, together."

Gu Yaoyao felt uncomfortable in her heart. At first, she refused, and then she was together for what?

"In fact, I don't think the relationship between brother Xun and her is very good. They are not suitable! "

"Why do you say that?"

Xia Yunzhe looked around, then leaned over Gu Yaoyao's ear and whispered, "from our men's point of view, the princess is not easy to get along with! Brother Xun is a person who likes freedom, and will not give up everything for the princess. And the Huo family needs him too! "

"So they broke up like this?"

"No!" Xia Yunzhe said in a low voice, "the princess dumped brother Xun. Just last month, I married some count or something! Love my brother Xun, but also to go to the scene to congratulate her. "

Gu Yaoyao frowned and couldn't help feeling sorry for Huo yunxun. It should be heartache to see your beloved woman marry someone else!

Thinking of what Huo yunnuan said that day, Gu Yaoyao finally understood the meaning. But is he really the one who can accompany him?

The mood suddenly became complicated, because she found that she had begun to care about Huo yunxun, his thoughts and feelings.

"Yao Yao?" Xia Yunzhe called out.

Gu Yaoyao looks back and almost bumps into Xia Yunzhe's face. She was startled. It was a close call!

"I'm sorry, master."

"It's OK." Xia Yunzhe touches Gu Yaoyao's head.

And the scene of the two has been photographed. So there's news coming out soon. They bite their ears and whisper intimately, while Xia Yunzhe gently touches Gu Yaoyao's head. The two people in the picture are sweet and have a sense of CP!

And then there are all kinds of headline parties, telling their stories in all kinds of ways.

Xia Yunzhe is suspected to have a spark of love with the actresses in the same crew.

Xia Yunzhe's true destiny is not Zhou Xiao.

Xia Yunzhe is about to open his love affair. His girlfriend is a new man.

Subsequently, Gu Yaoyao's information was turned out, and Xia Yunzhe's fans immediately began to resist, saying that the two people were just cooperative and refused to hype. nOvelUsb.com

Some fans began to attack Gu Yaoyao, saying that she wanted to hold Xia Yunzhe's thigh, so she deliberately asked people to take such photos. In an instant, Gu Yaoyao's hype on the topic of hot search list, click in all is to attack Gu Yaoyao.

When things on the Internet were fermenting, Gu Yaoyao and Xia Yunzhe were shooting the last scene. They didn't know that the Internet had already exploded.

HD。

A Jin hands Huo yunxun the contents of the mobile phone.

Huo yunxun frowned after seeing the photos on the Internet. "What does that mean?"

Ah Jin obviously felt that Huo yunxun's mood had changed, and now his face was not good. Although he didn't say anything, his expression showed that he cared.

That pair of God's eyes but staring at those photos, each time, the more bad the face.

"Young master..."

"Get rid of this!"

Ah Jin hesitated for a moment, "young master, it's not good for the young lady to deal with this rashly."

"Disadvantageous?"

"Yes, these things should be left to the young lady's company. What's more, Xia Er Shao didn't say anything. If we do this, the young lady will be scolded more fiercely. "

Huo yunxun pursed his mouth and became silent.

"What do you usually do with these things?" Huo yunxun is not familiar with things in the entertainment industry.

"I'll ask."

Huo yunxun nodded, it seems that he will develop more fields in the future. Once again, his eyes saw the comments that attacked Gu Yaoyao, and his brow frowned again. See everyone in aitgu Yaoyao's Micro blog, Huo yunxun followed the point in. It turns out that her micro blog has no specific content, almost all of which are forwarded.

Huo yunxun put down his mobile phone. Anyway, he will go to the studio and just can see her.

At this time, Gu Yaoyao lost his level because he heard about Huo yunxun and Li Mengyao.

"Card!" The director called card again. "Yao Yao, your expression is not right."

"I'm sorry!" Gu Yaoyao bowed 90 degrees and said sorry.

"Take a break and look for feelings."

Xia Yunzhe touched Gu Yaoyao's head. "You're not in the right mood. What's the matter?"

"It's OK." Gu Yaoyao replied. Then she went to one side and squatted quietly on the ground.

Gu Yaoyao closed her eyes and tried to empty herself. She can't involve others because of her own problems. Gu Yaoyao, you must refuel!

Gu Yaoyao took a deep breath and stood up. Hold your hand and let go again.

"All right?" Xia Yunzhe took a sip of water and saw that Gu Yaoyao seemed to have adjusted her mood.

Gu Yaoyao nods. "Come on, master."

"OK!"

This time, Gu Yaoyao quickly went into the character's mood and put her feelings into the role.

When Xia Yunzhe saw Gu Yaoyao's eyes, he was taken in by her. It's a new feeling to be played by the opponent for the first time.

This time, they passed it once, and the effect was better than expected!

"Card, good!" The director stood up and applauded.

Gu Yaoyao was relieved, "thank you."

"Yao Yao, congratulations on your killing!"

Seeing the director holding a bunch of flowers, Gu Yaoyao's eyes are full of tears. Thank you

"Come on, you have a lot of potential."

Xia Yunzhe also carried a bunch of flowers to Gu Yaoyao. "Yao Yao, Congratulations! If there is a chance, we must cooperate again! "

"Good!"

Xia Yunzhe reached out and hugged Gu Yaoyao. "You are really good!"

Gu Yaoyao didn't react, so he was in the same place, so he didn't push Xia Yunzhe away.

When Huo yunxun arrived, he just saw Xia Yunzhe holding Gu Yaoyao. He didn't look at Gu Yaoyao's expression, but Xia Yunzhe had a smile on his face.

[Chapter 643](#)

Huo yunxun stood still, his eyes were staring at the two people not far away.

A Jin stands behind Huo yunxun and feels a cold air emanating from Huo yunxun. He did not dare to go forward, nor to see Huo yunxun's appearance. Maybe his face was terrible.

Ah Jin prayed silently in his heart. Xia Er Shao, you should let go! The great God was already angry.

At this time, the other side of the coax said: "cloud zhe this is not willing to let go?"

"Yunzhe, are you interested in Yao Yao?"

"You're a good match. Do you want to think about being together? "

With these words, ah Jin felt that the temperature around him seemed to be a few degrees lower. It seems that Huo yunxun is really interested in Gu Yaoyao.

After hearing these words, Gu Yaoyao gently pushes Xia Yunzhe away. She's not single now. She's married. Although it has not been announced, she also knows to keep a distance from other men.

Xia Yunzhe thinks Gu Yaoyao is shy and reaches out to touch her head again. But Gu Yaoyao dodged.

Thank you Gu Yaoyao said with a smile.

Holding two bundles of flowers in her arms and turning around, Gu Yaoyao saw Huo yunxun. The smile on her face was deeper, but after seeing Huo yunxun's face, her smile slowly closed.

Gu Yaoyao felt that Huo yunxun was not happy. Did you see what just happened? Gu Yaoyao stood in the same place and hesitated.

At this time, Xia Yunzhe passed Gu Yaoyao and went directly to Huo yunxun.

"Brother Xun, you are here." Xia Yunzhe held Huo yunxun warmly.

Huo yunxun pushed Xia Yunzhe away and looked at him coldly.

Xia Yunzhe found that Huo yunxun's mood was not right, and he was more likely to come with a temper.

"Brother Xun, what did I do wrong?" Xia Yunzhe reached out and scratched his head.

"Think for yourself." Huo yunxun looks at Gu Yaoyao and frowns deeper when he sees her tardy.

Xia Yunzhe turns around and looks at Gu Yaoyao, who is still standing still. Suddenly, he seems to understand. He laughed. "Don't worry, brother! Yao Yao and I just hugged her and congratulated her on killing her

Huo yunxun still did not respond.

Xia Yunzhe added another sentence. "Yao Yao and I are both single. It's OK to hug like this."

"Nothing?" Huo yunxun asked coldly. "You don't know about the internet yet?"

"What happened?"

Jin immediately handed the mobile phone to Xia Yunzhe. Xia Yunzhe took a look and didn't respond well. Just said, "this is a good picture!"

"Second young master, don't make trouble. Now the Internet is full of scolding Miss Gu. "

"Ignore the news. It's going to be over soon." Xia Yunzhe is used to it.

Huo yunxun ignored, but said to Gu Yaoyao: "not yet."

Gu Yaoyao does not dare to approach Huo yunxun. She has stage fright. And didn't you say no outside? But what do you want to do now?

Xia Yunzhe is dissatisfied with Huo yunxun's practice. He goes to Gu Yaoyao, takes her hand and goes to Huo yunxun.

"Brother, be gentle with girls."

Huo yunxun sighs at Gu Yaoyao, who dare not raise his head. I think I scared her.

"Brother, let me introduce you." Xia Yunzhe didn't want the atmosphere cold, so he took the initiative to introduce.

"This is Gu Yaoyao, the actor of my play. She just got killed today

"Yao Yao, this is my brother Xun."

Huo yunxun took the initiative to reach out: "Hello, Miss Gu."

Gu Yaoyao sees the hand that appears in her sight range. She raises her head and looks at Huo yunxun. Is this a handshake?

"Hello, Huo Shao."

Huo yunxun actively clenched Gu Yaoyao's hand, but her hand was a little cold.

Gu Yaoyao's eyes are full of amazement. What is Huo yunxun going to do. She wanted to break away, but every time she earned it, Huo yunxun held it more tightly.

Xia Yunzhe looks at the two atmosphere a little strange, he reaches out to grab two people's hands.

"Brother, give me some face. This matter has nothing to do with Yao Yao. I promise you'll take care of it later. "

"What's the matter?" Gu Yaoyao doesn't know what happened.

"We're on the news." Xia Yunzhe said with a relaxed face, and also regarded it as a small matter.

Gu Yaoyao pauses for a moment, and then she remembers what people have said just now. It's because of this.

"You don't know yet?" Huo yunxun's tone is much softer than just now.

Gu Yaoyao took a Jin's mobile phone and got a headache when she saw the content on Weibo. For the first time in my life, I made headlines with Xia Yunzhe. What I wanted to avoid before has come true.

It was attacked!

Huo yunxun motioned for a Jin to take the mobile phone back. Those comments are not to read at all, almost all of them are offensive!

"Miss Gu, can I have my mobile phone back?" Gu Yaoyao immediately returned the mobile phone to a Jin, "sorry."

Xia Yunzhe didn't notice the changes of several people at all. He said enthusiastically, "brother Xun, my part today is over. Go to dinner together? "

Gu Yaoyao wants to avoid eating. She can even imagine how embarrassed it will be for a while. And now she doesn't know what Huo yunxun will think about his affair with Xia Yunzhe.

"I won't go."

"Yao Yao, why don't you go? Your agent asked for leave, and you went back alone. Eat together

Gu Yaoyao really wanted to push, but Huo yunxun took the initiative to speak. "Miss Gu, have dinner together."

"This..." Gu Yaoyao looks at Huo yunxun. This is not the same as what was said before.

Xia Yunzhe put his arm around Gu Yaoyao's shoulder and said, "go, you can't refuse! Brother Xun, this is the first time to invite people to dinner. That's why we have a bite to eat today. "

Words have been said on this, Gu Yaoyao refused again, it is really hypocritical. So she nodded.

"Ouye! Brother, you wait for us. We're going to change. "

"Well."

Gu Yaoyao went to the dressing room with two bunches of flowers. She changed her clothes as fast as possible. Then she said goodbye to others. It was like leaving the dressing room.

Out of the gate of the studio, Gu Yaoyao sees Huo yunxun's car. She is worried about whether to go up or not. Now she and Xia Yunzhe have been on the news. If they are photographed by others later, Huo yunxun will be implicated this time.

"Get in the car." When the window came down, Huo yunxun's handsome and speechless face appeared.

Gu Yaoyao closed her eyes, then opened the door with the fastest speed, and then sat in.

"Drive." Seeing Gu Yaoyao do well, Huo yunxun orders ah Jin to drive.

Gu Yaoyao asked with a puzzled look, "can't we wait for the elder?"

"You don't think there's enough news on the Internet?"

Gu Yaoyao bowed her head. "I'm sorry, I didn't expect to be photographed."

"Let Yun zhe deal with it." Huo yunxun thinks that it is time for Xia Yunzhe to come forward and calm down.

"I'll pay attention next time."

Huo yunxun held Gu Yaoyao's hand. "If you continue to develop in this industry, it's inevitable, isn't it?"

Gu Yaoyao didn't expect Huo yunxun to say so. It seems that he really understands himself.

Thank you

[Chapter 644](#)

"Thank you for that. Don't say it again."

Gu Yaoyao nods because she hears Huo yunxun's concern for herself from this sentence. She also had a smile on her face, which she thought was a bad thing, but now he has become unimportant.

It turns out that having such a person around will make me feel so at ease. Gu Yaoyao has been looking at Huo yunxun. This man is born with a kind of charm different from others, which is really irresistible.

Think about it, now I finally understand the feelings of those women. Although it is a moth to the fire, we should try our best to get close to Huo yunxun.

All of a sudden, Gu Yaoyao thinks of the woman who walked into Huo yunxun's heart, Li Mengyao, Princess of state F. There was a flash of shock in her eyes? Gu Yaoyao? They all have a Yao character in their names?

So Gu Yaoyao stopped thinking. It may be a homonym. It can't be the same word. And Huo yunxun will not choose himself because of this?

Gu Yaoyao looks at Huo yunxun sitting next to him again. She doesn't know why she has a kind of unspeakable sadness in her heart. She wanted to ask, but she didn't dare to ask.

Huo yunxun, aware of Gu Yaoyao's emotional change, puts down his tablet computer.

"What's the matter?"

Gu Yaoyao regained consciousness and shook her head quickly. "It's OK."

"But you've looked at me several times, each time with a different look."

When she was caught, Gu Yaoyao's face turned red and turned her head to the other side. Huo yunxun that pair of eyes is poison, unexpectedly saw.

Huo yunxun mouth hook up, the original bad mood also slowly dissipated. Gu Yaoyao is like a good medicine, light, but the effect is remarkable. With her, the mood will get better.

"Shy?"

"No way." Gu Yaoyao pretends to be calm and moves to the side.

It's better to keep these safe distances. Once the man is a little careless, he is precipitated in his charm.

Gu Yaoyao still wants to go to the edge again. Huo yunxun grasped the opportunity and pulled Gu Yaoyao over. Due to the unstable gravity, Gu Yaoyao directly threw himself into Huo yunxun's arms.

She heard Huo yunxun's steady heartbeat, and she also heard her own heartbeat. Her heart rate was much higher than Huo yunxun. Her whole face looked as if it had been burned red.

The heart is beating all the time.

Gu Yaoyao wants to get up, but her body is not under her control and can't move at all.

"So you like it." Huo yunxun's voice came from overhead, but when Gu Yaoyao raised her head, she felt Huo yunxun's lips brush her forehead.

The touch was indescribable, but she didn't hate it.

Gu Yaoyao saw Huo yunxun's eyes as if with the light, what does this mean?

Huo yunxun stretched out his arms around Gu Yaoyao. "If you feel tired, you can have a rest like this. It's still some time away from the dining place."

Gu Yaoyao knew that she should refuse, but she did not understand why she nodded. From Huo yunxun's eyes, she can see her expression at this time. She is shy?!

Huo yunxun touches Gu Yaoyao's hair, which makes him unable to put it down. Her hair was soft and fluffy, and there was a smell of flowers that made her feel comfortable.

Gu Yaoyao closed her eyes and wanted to calm down. She doesn't like this kind of self. It's out of control!

Originally, Gu Yaoyao's heart has been hanging, not dare to relax for a moment. But with the music playing, she also slowly relaxed. Once the nerves have been stretched down, people become drowsy.

Huo yunxun looks down to see Gu Yaoyao who has already fallen asleep. He shows a slight smile. The fool is willing to relax at last. Fingers gently across her face, look carefully or see the dark circles under her eyes.

Huo yunxun put away his smile and his face seemed to be thinner.

"Go home."

When Jin heard this, he could see the situation of the back seat through the mirror. "Over there, er Shao?"

"Just tell him that I have a temporary business."

"Yes."

A Jin turned the steering wheel at the intersection ahead and drove back to Huo yunxun's residence.

When he got downstairs, Huo yunxun got off with Gu Yaoyao in his arms. Holding Gu Yaoyao like this, once you have no weight. She's really thin. She can almost feel the bones.

No, we must let her eat more in the future.

After getting into bed, Gu Yaoyao turned over and continued to sleep. It can be seen that these days of continuous shooting, her physical strength is also somewhat overdrawn.

Huo yunxun sat by the bed, like a guardian angel, guarding Gu Yaoyao. Looking at her like this, he felt a little sweet in his heart.

The phone vibrated.

Huo yunxun picked up and saw Xia Yunzhe's phone, and immediately changed his face. But Gu Yaoyao was so noisy that she went out of the room to pick it up.

"What's the matter?"

"Brother, how can you cancel the dinner all of a sudden."

"There's something temporary." Huo yunxun replied. "What about Yao Yao?" Xia Yunzhe asked. Because Huo yunxun asked a Jin to tell him that Gu Yaoyao would go to the restaurant first in his car.

Xia Yunzhe's concern made Huo yunxun not unhappy. "I took her home. She looks tired. "

"She's in a hurry these days. Originally let her live in the dormitory of the crew, but she insisted on going home, saying that there was someone waiting at home. "

Huo yunxun's eyes brightened. "Did she really say that?"

"Yes Xia Yunzhe nodded.

Huo yunxun's mood is like the weather in summer. It will rain and it will be fine. Huo yunxun, who has become a sunny day, is not stingy either. "I'll have a dinner appointment another day."

"Good!"

"Deal with what you promised before."

"Yes, the small one will be dealt with immediately." Xia Yunzhe finished and hung up.

But 15 minutes later, Xia Yunzhe's microblog exploded again. The reason is that Huo yunxun asked Xia Yunzhe to explain his relationship with Gu Yaoyao. As a result, Xia Yunzhe wrote some ambiguous words after reading.

"I saw hot search as soon as I finished filming. In recent years, there is almost no time to do other things, even dare not to make friends, because they do not want to bring trouble to friends. But people also have tired time, occasionally want to stop to have a rest, do something they like

Xia Yunzhe didn't say this clearly, but it did imply that he met something he liked, that is, making friends. To make friends means to acquiesce in love.

Xia Yunzhe some rational powder crying, tearful blessing idol. Some excited fans said they couldn't accept idol love! Soon another batch of CP powder emerged, indicating that the two people were very well matched. God has a favorite person, should not be blessed?

There are three groups on the Internet, and each Weibo big V has also joined the news. Xia Yunzhe secretly did a lot of things for Gu Yaoyao. He sat down and waited for the two men to officially open up!

At this time, there was a man whose face was even darker than mo. What does Xia Yunzhe write about. Let him low-key to deal with the problem, but he made a high-profile show of love!

"Get rid of all this information at once."

Ah Jin nods and turns away from Huo yunxun's home and takes time to deal with online affairs.

Huo yunxun sent a message to Xia Yunzhe and asked, "what does this mean?"

[Chapter 645](#)

For a long time did not wait for Xia Yunzhe's reply, Huo yunxun also knew that he would never take the initiative to reply at this time.

So we can only wait for a Jin to deal with these things. Huo yunxun looks at the door of the room and hopes that everything is over when she wakes up.

But the result was not as Huo yunxun thought. Less than a few minutes after a Jin's message was deleted, the topic news appeared again. Because Xia Yunzhe's microblog has been captured by many people.

Seeing the heated discussion again, Dahong looks back at Xia Yunzhe, who is eating fruit with his legs up.

"My little ancestor! You don't want to say it again now? "

"What else can I say. My microblog is now paralyzed and forbidden. " Xia Yunzhe didn't really care about it. Anyway, there was no real feelings about the things on the microblog. They were all for publicity.

Private life and work should be separated!

Dahong is used to Xia Yunzhe's practice, but he asks a question. "Why did you help Gu Yaoyao this time?"

"What's wrong with me pulling her? Who hasn't been scolded for wanting to be popular? " Xia Yunzhe asked.

Dahong goes to Xia Yunzhe, and then sits down and asks. "Do you like Gu Yaoyao? You have to think about what's going to happen next

"I like her a lot." Xia Yunzhe looks calm.

"If you want to fall in love, I won't stop you. But you have to make it public at an appropriate time, otherwise Gu Yaoyao will be sprayed to death. " Dahong gives Xia Yunzhe some advice.

Xia Yunzhe ate the apple, "this is not the time."

"You still have some sense." Dahong is relieved.

Xia Yunzhe thought about it. "Brother, do I have a reality show next?"

"Yes, what do you think?"

"I want Gu Yaoyao to attend."

Dahong is surprised when he hears it. "You want to take Gu Yaoyao? But she doesn't have enough coffee

"Then I'll be her reference." Xia Yunzhe takes the initiative to help Gu Yaoyao. "According to her company's arrangement, good resources can't reach her. She wants to let more people know, so this program is the first choice."

"My little ancestor, how many people are waiting to squeeze into this program, but the competition is quite fierce. We rashly put Gu Yaoyao in, but someone said something. "

Xia Yunzhe snorted, "let them talk. What I was afraid of, I didn't do anything unreasonable. Other companies do not recommend their own artists on the announcement. So I can do it. "

"But now you and Gu Yaoyao are the leading roles in the scandal. Are you sure you want to do this?"

"Well!" Xia Yunzhe nodded.

"Well, I'll try." Dahong answers.

In the Huo family, Qiao Wei and Huo Dongyang are watching TV, while Xia Yunzhe and Gu Yaoyao's affairs immediately make the headlines of TV entertainment. Almost now the focus is on Xia Yunzhe.

It is said that Xia Yunzhe is desperate to go out for Gu Yaoyao. There are even rumors that Xia Yunzhe is fighting for a trump variety show for his gossip girlfriend. If someone else does it, it will make people laugh.

This is also the first time that Xia Yunzhe recommended it. Face and popularity are placed here. The program team must not be able to give up immediately. It should be considered carefully.

Hearing what was said in the news, Qiao Wei couldn't help worrying. Gu Yaoyao has not made public the news of her marriage, so when she really gets angry, more people will find her.

Gu Yaoyao and Xia Yunzhe have made headlines before the TV show is on. If it is replaced by other people, it's OK to deal with it. But it's Xia Yunzhe who doesn't play cards according to common sense.

"It seems that the son of Xia family is promising." Huo Dongyang said.

"No! This Yao Yao comes by seniority, but his aunt, how can they be together Said Qiao Wei, worried.

Qiao Wei wants to call Huo yunxun and ask clearly, Huo Dongyang took her mobile phone.

"Don't fight. Xiaoxun will definitely deal with it. "

Qiao Wei sighed, "now other people don't know the relationship between Xiao Xun and Yao Yao."

"The child is old and knows how to solve it."

Qiao Wei leaned on Huo Dongyang's shoulder and thought of his former self again.

"Dongyang, if I had not met you, what would have happened now?"

"But you met me." Huo Dongyang put his arm around his wife, "don't think too much."

"I said I would not care too much, but I just can't relax."

Huo Dongyang just smiles, his eyes fall on the TV again. Looking at the photos of Xia Yunzhe and Gu Yaoyao, they seem to be quite compatible. After all, the same age, the same topic, and still working together.

Huo Dongyang seems to be influenced by Qiao Wei, and he is worried about these things.

Xia Yunzhe and Gu Yaoyao's affairs continue to ferment. Neither person has come forward to clarify positively, nor has the company of both sides issued any statement. So this makes a crowd of gourd eating people feel that there is drama, is this the default relationship between the two people? Gu Yaoyao looked at the content of the micro blog, it is almost want to cry without tears.

Zeng Ni directly asked Gu Yaoyao whether she was in love with Xia Yunzhe on wechat. Is Gu Yao's innocent expression a good sleep?

"Sister, you have to believe me!"

"But now Xia Yunzhe before that microblog is undoubtedly in hint."

"My God! What should I do now?" Gu Yaoyao is worried about Huo yunxun's misunderstanding. She did not grasp her head figuratively, what to do!

Huo yunxun walked into the room and saw Gu Yaoyao's head in a mess, "what's going on with this hair?"

Seeing Huo yunxun come in, Gu Yaoyao quickly reaches out to tidy up her hair. "Nothing."

As soon as Huo yunxun's eyes swept, he knew that Gu Yaoyao was reading the news on Weibo. He put down a glass of milk. "Things on the Internet will be dealt with quickly."

"Processing?"

"Well." Huo yunxun nodded.

Gu Yaoyao understood Huo yunxun's message, "do you want to help me deal with it?"

"The husband should not deal with the wife's troubles."

Gu Yaoyao's heart is warm, Huo yunxun is really a good husband. But Zeng Ni's words in the ear, now in order to be superior, hype is also necessary. So some gossip is inevitable.

"Do you have other ideas?"

Gu Yaoyao tells Huo yunxun what Zeng Ni said just now. As a husband and wife, there must be at least honesty. She didn't want to make Huo yunxun misunderstood because of something.

Seeing Huo yunxun listening to his words, the whole person became silent. Gu Yaoyao reached out and touched his hand.

"If you don't feel good, I'll let sister zenny deal with it immediately."

Huo yunxun holds Gu Yaoyao's hand in turn. "Is that your rule?"

"You can say that."

Huo yunxun thought for a moment, "if this is really the case, then I let ah Jin not deal with it?"

[Chapter 646](#)

Gu Yaoyao is confused. Does she want to nod or shake her head.

How about this question and that "your mother and I fell into the water, who do you save first?" It's the same. Gu Yaoyao blinked and grinned unnaturally.

Huo yunxun smiles awkwardly when he sees Gu Yaoyao. He looks very cute.

"Hard to answer?"

Gu Yaoyao nods. "It's the same problem as that century."

"What's the problem?"

"Your mother and I fell into the water at the same time. Who would you save first?"

Huo yunxun thought for a moment, "this is very difficult to answer?"

"Well, because no matter how you answer, there are different answers."

"You can rest assured. It won't happen to me. My dad won't let my mother in any danger. "

"What if there is?"

"My dad will definitely jump first." Huo yunxun knows his father, and now they are almost inseparable. So it's less likely to happen.

Gu Yaoyao feels envious, "the affection of father and mother is very good."

"Always good." Huo yunxun hardly ever saw them quarrel. Of course, this has to start from the moment he was born.

"It's really enviable. If I have a chance, I'd like to meet them."

Huo yunxun's eyes quickly flashed a light, his mouth slightly raised. "Dad mentioned it and said we'd like to have dinner with you when you're free."

Gu Yaoyao could not help being nervous, "is this good?"

"Why not? You are their daughter-in-law now. " Huo yunxun said seriously.

Gu Yaoyao is not ready to see Huo yunxun's parents, and I don't know if they will accept this kind of self.

"Ah Xun, do you think my parents will like me?" Gu Yaoyao leaned on Huo yunxun's shoulder.

But Huo yunxun has not answered, because he is still precipitated in Gu Yaoyao's address. Listening to this strange and fresh address, Huo yunxun even felt that his heartbeat was different from usual.

"What's the matter with you?" Seeing that Huo yunxun has not responded, Gu Yaoyao raises her head and takes a look.

However, he saw the smile on Huo yunxun's face. He was really good-looking when he laughed. It was a kind of unspeakable smile. Gu Yaoyao looked straight at it, but did not dare to blink.

Huo yunxun stretched out his hand and squeezed Gu Yaoyao's chin, "stupid?"

"You laugh and have a good look." Gu Yaoyao followed with a smile.

Huo yunxun put his head against Gu Yaoyao, and there was a fire burning in his eyes. Gu Yaoyao looked directly at it and forgot how to react. Until his mouth was hot, he found Huo yunxun kissing himself.

Gu Yaoyao stares round eyes. She doesn't know what to do. She looked at the beautiful face under her eyelids, and his breath sprayed on his face, itching. But this makes Gu Yaoyao's heart thumping.

She slowly closed her eyes and grasped Huo yunxun's clothes with both hands.

Huo yunxun's eyes have a smile, he actively deepened the real meaning of the first kiss belongs to the two.

Gu Yaoyao has been following Huo yunxun's rhythm, she also began to respond to Huo yunxun. As for what happened later, she had no idea.

I don't know how long it took Huo yunxun to let go of Gu Yaoyao. He gasped slightly. "I like what you call me."

"Well?" Gu Yaoyao's reaction is not so simple as half a beat too slow, it is completely unable to keep up with the rhythm.

Huo yunxun found that he liked to look at her in a daze. He bent down and left a kiss on Gu Yaoyao's forehead.

"Yao Yao, let's go home and meet mom and dad sometime."

"Good." Gu Yaoyao nods.

The news on the Internet was updated very quickly. Suddenly, someone broke the news that some popular little fresh meat was fighting in the bar, and everyone's attention was diverted.

Huo yunxun saw the latest news and finally understood Xia Yunzhe's words. Why be so serious, it will be fine in a few days!

"Young master, the young lady called just now. I got it for you

Huo yunxun stopped his work. "What did Yao Yao say?"

"I took a job temporarily, so I went out."

Huo yunxun picked up his mobile phone and saw the message from Gu Yaoyao that there was a reality show to talk about, so he went to the TV station with Zeng Ni.

"Know what it is?" Huo yunxun cares.

"Summer Er Shao will also participate in outdoor programs." A Jin did his homework ahead of time. "It's like two people working together to accomplish certain tasks."

Huo yunxun frowned. "Two partners?"

"Yes. I heard that there are couples, lovers, brothers and sisters, brothers and sisters. "

"What is it for Xia Yunzhe?"

Ah Jin didn't have a word. He didn't know. After all, the program has not officially started shooting, and it is not clear about this grouping. However, according to the general inference, Xia Yunzhe and Gu Yaoyao should be divided into two groups if they joined together. And their previous scandals have come out, the production team can grasp this as a gimmick. This is a big hit. For the sake of audience rating, some programs have no lower limit.

"Who else will be on the show?"

"At present, only Xia Er Shao is confirmed, and other lists are not yet determined."

Huo yunxun thought for a while, and finally just let a Jinduo pay attention to it. He didn't say anything else.

A Jin looks at Huo yunxun, who has entered the working mode, and quietly walks out of the office. Huo yunxun has changed a lot since he married Gu Yaoyao. He will now consider for others, but this other person is limited to Gu Yaoyao.

As soon as ah Jin sat down, a figure suddenly appeared in front of him.

"Sir." Ah Jin immediately stood up.

Huo Dongyang made a gesture and ah Jin sat down. "Xiaoxun is in it?"

"Yes. Do you need to tell the young master? "

"No, I just came to see it." Huo Dongyang replied. "You are busy."

Huo Dongyang looked at the door of the office, or did not go in, turned to leave.

A Jin looks at Huo Dongyang's back, looks like something, but why didn't he say.

When he was about to leave work, Huo yunxun called Gu Yaoyao when he was ready to go home. But the person who answered the phone was not Gu Yaoyao.

"Yao Yao is busy. Who can I help you?" Zenny answered the phone.

Huo yunxun did not state his identity, just said a word. "I'll call later."

After Gu Yaoyao came out of the interview, Zeng Ni returned her mobile phone.

"A man called you just now. I took it. " Zeng Ni told Gu Yaoyao.

Gu Yaoyao picked up her mobile phone and saw Huo yunxun calling her.

"Who is this one named Xun?"

Gu Yaoyao turned her eyes and said to Zeng Ni with a smile, "my family." Then he went to the front to call Huo yunxun back.

Zeng Ni frowns, Gu Yaoyao's family? Didn't she have no family except grandma? What's more, she looked more like a call from her boyfriend.

"Don't you..."

[Chapter 647](#)

Gu Yaoyao went to the corner and immediately called Huo yunxun back.

"Hello Huo yunxun will pick it up soon.

With a smile on her face, Gu Yaoyao said, "did you call me?"

"Well, do you need to pick you up?"

"No. Later, sister zenny and I will go back to the company together. "

"Well, pay more attention."

In a few simple words, Gu Yaoyao felt warm. It turns out that there is a person who cares about himself.

Gu Yaoyao leaned against the wall with her mobile phone, and her smile deepened. This feeling is really good, and she even hopes to continue.

"This smile is really daydream." Zeng Ni goes to Gu Yaoyao.

Gu Yaoyao touched her face and just laughed at Zeng Ni

Zeng Ni's face is not very good, she stares at Gu Yaoyao seriously. "Are you in love?"

Looking at Gu Yaoyao's face, it is obvious that she is in love. However, she did not expect Gu Yaoyao to talk about love? Who the hell is that man? It's nice to see them.

"No Gu Yaoyao denied falling in love. She's not in love, she's just married.

Zenny frowned. "No? Yao Yao, can't you hide the expression on your face? You won't talk to Xia Yunzhe?"

"

Gu Yaoyao put her hand over Zeng Ni's mouth. She whispered, "no!"

Zeng Ni took Gu Yaoyao's hand away. "Who do you think this phone call is? Who is this one? "

"Ah Xun..." Gu Yaoyao pauses for a moment and then says, "ah Xun is a very important person for me."

This description should be right! This husband is a very important person.

"Why didn't you mention it before?"

Gu Yaoyao did not explain too much, after all, this is between her and Huo yunxun. She didn't want to share it with anyone else.

"Yao Yao, although the company does not prohibit love, but you should pay more attention to yourself! If you are looking for a boyfriend, you should also find a reliable one Zeng Ni reminds me that she has seen some female artists who have been trapped by their boyfriends.

Gu Yaoyao is the artist she brings. She doesn't want to see this happen. And now Gu Yaoyao's career has just begun.

"I see!" Gu Yaoyao nods. "Ah Xun is not like that."

"Time and time see the heart." Zenny raised her forehead with a headache. "Don't forget your job."

"Don't worry, sister."

Gu Yaoyao and Zeng Ni are about to leave when they meet Xia Yunzhe by accident.

"Hi, Yao Yao. It's a coincidence. "

Seeing Xia Yunzhe say hello actively, Gu Yaoyao responds politely. "Hello, master."

"Can you stop calling, I'm really so old?"

"That's not good." Gu Yaoyao and Xia Yunzhe kept a distance.

Xia Yunzhe also saw Gu Yaoyao's intention. He didn't mind but took a step forward, "how bad, we are all peers! It's not too much to call a name. "

Gu Yaoyao still wants to use what reason to refuse, but Dahong has come to urge Xia Yunzhe.

"My young master, everyone is waiting for you to start recording."

Xia Yunzhe felt a pity, "Yao Yao, I add you wechat."

"This..." Gu Yaoyao subconsciously did not want to.

But the next second the mobile phone was taken by Xia Yunzhe, and his action was quickly added.

"OK, keep in touch."

With that, he disappeared with the speed of thunderbolt. It's like a gust of wind and a gust of wind.

Zeng Ni takes a look at the wechat on Gu Yaoyao's mobile phone, and she is happy to see its success.

"I don't think Xia Yunzhe is interested in you."

"Sister, don't talk nonsense. I don't want to get sprayed again. "

"That star hasn't been sprayed?" Zenny replied. And with Xia Yunzhe's help, Gu Yaoyao may also be popular. Gu Yaoyao has hundreds of thousands of fans in her microblog after a single scandal.

That's the effect!

Gu Yaoyao came home very late, but as soon as she entered the door, she saw Huo yunxun waiting for herself, and her fatigue disappeared.

"I'm back."

Huo yunxun put down his computer and went to Gu Yaoyao.

"So late."

"Well, go back to the company for a meeting, and then have dinner." Gu Yaoyao replied.

Huo yunxun took Gu Yaoyao's hand and said, "what's the result of today's interview?"

"It's OK. I'm a newcomer and I shouldn't be that easy to pass." Gu Yaoyao didn't care much.

Huo yunxun inquired about the news, and Gu Yaoyao has actually settled down and has not been released to the public. Xia Yunzhe's help is indispensable.

"Ah Xun, I met Xia Yunzhe on TV today." Gu Yaoyao told Huo yunxun the situation frankly.

Huo yunxun felt relieved about Gu Yaoyao's confession, "is it?"

"Well, he went to the TV station to record the program." Gu Yaoyao hesitated for a moment and told Huo yunxun about Xia Yunzhe's addition of wechat.

"Really tell me everything without reservation?"

Gu Yaoyao was stunned and did not understand what Huo yunxun meant. She asked suspiciously, "shouldn't this be the case between husband and wife? No one taught me that. If I do something bad, you must tell me! "

Gu Yaoyao's mother was not there long ago, and her grandmother fell ill after that. So no one told her how to get along with any husband and wife, some of which she learned from TV.

Huo yunxun reached for Gu Yaoyao into his arms, and his eyes were filled with heartache. "You've done well. Don't take this as your pressure. If you have something to say! Let's discuss and solve it together. "

Gu Yaoyao reached out and hugged Huo yunxun

Gu Yaoyao leaned on Huo yunxun's arms and felt more stable than ever before. It must be that God finally thought of taking care of himself, so he sent Huo yunxun to her side.

After taking a bath, Gu Yaoyao is going to bed. There will be a magazine shooting tomorrow morning.

Because of the scandal with Xia Yunzhe, Gu Yaoyao's popularity gradually rose. Therefore, the company has different views on her, and the arrangement is relatively more than before.

After Gu Yaoyao lay down, her mobile phone vibrated.

Seeing Xia Yunzhe's wechat, Gu Yaoyao is a little bit spirited.

"Did you sleep?"

"Ready." Gu Yaoyao replied.

"Good news for you."

Gu Yaoyao looked at Xia Yunzhe's words and thought of some good news. When Gu Yaoyao wanted to reply, there was something behind her.

She looked back and saw Huo yunxun, and his eyes looked at his mobile phone.

"That..." Gu Yaoyao wants to explain.

Huo yunxun takes Gu Yaoyao's mobile phone and replies quickly. What's the good news

Xia Yunzhe also sent a smile and a word, guess.

"Don't talk about it." Huo yunxun replied.

Gu Yaoyao can't help being nervous when she sees that Huo yunxun's reply is different from her own. She wanted to take her mobile phone, but Huo yunxun held it up.

"If you say that, Xia Yunzhe will doubt it."

"He will not." Huo yunxun knows Xia Yunzhe. Although the boy is very smart, but also thick lines, some things will not go deep into.

Gu Yaoyao didn't believe it. "Really?"

"I know him better than you do."

Xia Yunzhe's wechat is here. "It's not fun. I'm so impatient. ok This young master says directly, the reality show you interviewed today has passed. "

Gu Yaoyao couldn't believe it. After reading it several times, Gu Yaoyao finally whispered, "did you pass?"

[Chapter 648](#)

Huo yunxun returned the mobile phone to Gu Yaoyao without saying anything.

In the face of such a situation, Gu Yaoyao looked at Huo yunxun without knowing what to do. She wanted to explain, but she didn't know where to start. Finally, I just asked in a low voice.

"Are you angry?"

"Go to sleep. It doesn't mean there's work tomorrow."

When Gu Yaoyao saw Huo yunxun's face turned away, her heart was seized. She didn't want that. As soon as the mobile phone is thrown away, Gu Yaoyao reaches for Huo yunxun from behind.

"Ah Xun..."

Huo yunxun did not move, just let Gu Yaoyao hold himself from behind. The smell of her hair was all over her nose, which made her feel comfortable.

Gu Yaoyao hugged Huo yunxun again, "I always feel that the hope of passing the interview is not great. I didn't expect that. "

Huo yunxun puts his hand over Gu Yaoyao's hand. Gu Yaoyao thinks Huo yunxun wants to take away his hand. Her hands are clasped tightly, but she doesn't want to let go of Huo yunxun.

"I believe you."

Gu Yaoyao opened her eyes. She stretched her head and looked at Huo yunxun's eyes to confirm whether this was true or not.

"Why, I'm afraid I don't believe you?"

"Well!" Gu Yaoyao looks at Huo yunxun's eyes and nods.

Huo yunxun holds Gu Yaoyao's hand and pulls her into his arms. "I knew that before you went home."

Gu Yaoyao couldn't believe it. "You knew that for a long time?"

"I knew it earlier than you did." Huo yunxun replied. "It's Xia Yunzhe's credit this time."

"So you mean Xia Yunzhe specially helped me?" Gu Yaoyao said her doubts. "But why?"

Huo yunxun just looked at Gu Yaoyao and said in his eyes, "think about it again."

Gu Yaoyao did not dare to think about that reason. She thought it impossible. How can Xia Yunzhe be? And now their real relationship doesn't allow that to happen.

"No way!" This is the answer Gu Yaoyao finally summed up.

Huo yunxun reached out and gently pinched Gu Yaoyao's nose. "Why not? It seems that you still underestimate your charm. "

"What charm can I have?"

Huo yunxun's words suddenly stopped. Gu Yaoyao had an indescribable charm, or even she did not realize it. This is the most powerful place. And I was also attracted by the charm of her invisible existence.

"You don't know?"

"I really don't have one." Gu Yaoyao said sincerely with a face. "Sister zengni said that I had never been an artist and was always careless. And they often wear slovenly and casually

Huo yunxun chuckled, "that's your charm."

"Go, it's definitely damaging me." Gu Yaoyao pouts out her mouth and feels aggrieved on her face.

Huo yunxun gently shaved Gu Yaoyao's nose. "Not happy yet?"

"Well, because you all think I'm a woman." Gu Yaoyao said dejectedly.

Huo yunxun has a smile in her eyes. Her thinking jumps very fast. "I like the way you are. You are not pretentious and live happily."

Gu Yaoyao blinked. What kind of comment is Huo yunxun's.

"Well, it's time to go to bed!" Huo yunxun, like a supervisor, let Gu Yaoyao go to bed on time.

Gu Yaoyao doesn't want to leave Huo yunxun's arms. She puts her head on his shoulder.

"Ah hoon, thank you!"

"Why keep saying thank you."

Gu Yaoyao thought about it, but in fact, she didn't know why. "Just want to say it!"

Huo yunxun kisses Gu Yaoyao on the forehead. "It's a good show. It will be a promotion for you. "

"Do you agree?" Gu Yaoyao looks at Huo yunxun in surprise.

"This is your cause, and I certainly want to support it." Huo yunxun replied. In fact, Huo yunxun is more likely to accept Gu Yaoyao and Xia Yunzhe to work together than to cooperate with other men.

But after this cooperation, Huo yunxun could think that more people would see Gu Yaoyao and see her shining point.

Suddenly there was a feeling that I didn't want to share with anyone. He wanted to hide Gu Yaoyao and tell others that it was his, his exclusive! Don't let them covet!

However, he thinks that this is Gu Yaoyao's job, and he should support him as a husband.

Huo yunxun hugged Gu Yaoyao subconsciously. In such a short period of time, his feelings for Gu Yaoyao have undergone a qualitative change. She also said she had no charm. In fact, she still has magic power, which will gradually make more people like her.

"Ahun, what's the matter with you?" Gu Yaoyao feels Huo yunxun's mood fluctuation. What happened to him?

"It's OK." Huo yunxun replied.

The next morning.

Huo yunxun gets up and prepares breakfast for Gu Yaoyao.

Looking at the steaming breakfast on the table, Gu Yaoyao was very moved. This man, actually for his own so early in the morning and greedy in the dark. This kind of thing, generally is the mother will do. "You'll spoil me like that." Gu Yaoyao said moved.

"It's not good to spoil you?"

Gu Yaoyao nods. "OK, but I'm afraid I'll ask for more."

"Whatever you want, I try to satisfy you."

Gu Yaoyao did not dare to speak out openly. She wanted to leave a bit of her own place in Huo yunxun's heart. She knew that in Huo yunxun's heart there was a person in love, and he was more just responsible for himself. Maybe he was better to Li Mengyao before.

"You're fine. You don't need to do anything to me. I'm satisfied." Gu Yaoyao said with a smile, but in this smile there is a touch of bitterness.

How can such a man not love? There was a fatal attraction in him! In a short time, you can't leave him! He easily and quietly occupied his heart and thoughts, how much he wanted to stay by his side in this life, two people so hand in hand to old.

But there are too many things between them! No matter Li Mengyao, or family background, too much! Such a perfect can not pick out a trace of bad men, really belong to their own?

Tears whirled in her eyes. Gu Yaoyao told herself that she couldn't cry. She tried to hold back her tears.

Huo yunxun sees Gu Yaoyao has not been moving, he reaches out to lift her chin. In the eyes, but a pair of eyes with tears, the heart is not from a tight.

"What's the matter?"

Gu Yaoyao raised her head and did not want to let her tears flow out. She said in a hoarse voice:

"moved! You're the second one to treat me so well

Huo yunxun leans over, his kiss falls on Gu Yaoyao's eye corner, he wants to kiss Gu Yaoyao's tears dry.

Gu Yaoyao closed her eyes, but tears still slipped from the corners of her eyes. She held Huo yunxun just because it was him!

Huo yunxun frowned, her tears with temperature, each drop makes him feel heartache.

"Don't cry, isn't there still shooting in a while?"

Gu Yaoyao sniffed, "well, no more crying."

After breakfast, Huo yunxun personally sent Gu Yaoyao to the magazine to shoot. As usual, Gu Yaoyao got off the bus when there was still a short distance from her goal.

This time, Gu Yaoyao was seen getting out of Huo yunxun's car.

[Chapter 649](#)

Seeing this behind the scenes, Zeng Ni couldn't believe it.

She just stopped at a red light and saw it all. Seeing Gu Yaoyao get off from a luxury car worth millions of dollars, and she also said goodbye to the car with a sweet smile on her face.

But Zeng Hao didn't want to see the car's secret. It's no wonder that Gu Yaoyao doesn't need to pick her up by herself recently. It turns out that someone is there.

The car started slowly after Gu Yaoyao had walked a long way. Zeng Ni photographed the license plate number. Maybe she could ask whose car it was.

Because in a city can drive such a car, certainly not ordinary people.

When did Gu Yaoyao know such a big man? She suddenly remembered that the male voice she received that day was the man named Xun on Gu Yaoyao's mobile phone. Could this be the same person?

Who is he?

After arriving at the magazine, Zeng Ni saw that Gu Yaoyao was already looking at the content to be shot for a while.

"Breakfast." Zenny walked over with breakfast.

Gu Yaoyao said with a smile, "I have."

Zenny frowned as she was about to ask what she had seen. The editor in chief of the magazine came out, "Yao Yao, here you are!"

"Hello, chief editor he!"

"Sit down, please. There's no need to be formal." He Yun greets Gu Yaoyao kindly.

Zeng Ni can only swallow all the words she wants to ask, and now she is still working.

After a brief communication, Gu Yaoyao started shooting.

He Yun also personally watched the scene, which makes people feel that Gu Yaoyao's identity is not the same. Before, there were many artists who were more famous than Gu Yaoyao. He Yun didn't even ask.

There is no one like this, who not only inquires in person, but also supervises the court. This has not happened for years.

Several makeup artists whispered, "who is this Gu Yao Yao?"

"It's the one who recently had an affair with Xia Yunzhe."

"But she's not very famous. The editor in chief is very polite to her."

"Well, it's really strange."

Zenny listened to all these words. Zenny was also surprised to be said so.

This magazine is also one of the best in China. Several famous artists of the company did not have a chance to shoot. This time, they directly called Gu Yaoyao to shoot.

I thought Gu Yaoyao's luck had come before, but when I think about it carefully, it seems that it is not the same thing. Who arranged this? Xia Yunzhe? Or the man who sent Gu Yaoyao here? Or the man named Xun?

But no one thought that the magazine shooting was recommended by Huo yunnuan.

He Yun and Huo yunnuan are good friends. They happen to have dinner together. Because of this theme, he Yun has not been able to find the right person to shoot. Huo yunnuan made a convenient favor and recommended Gu Yaoyao to He Yun.

He Yun, after seeing Gu Yaoyao's photos before, decided to let Gu Yaoyao take them.

He Yun had been struggling with the theme for a long time. In the end, who can interpret well, she saw a lot of popular female stars, but none of them conform to her own style.

She had wanted to find Zhou Xiao before. Although she was not as good as her own image, she was still able to pass the exam, so that she could go to study the drawing later.

But I never thought that Huo yunnuan, the eldest lady, actually introduced such a person to herself. She did not know Gu Yaoyao. After searching her photos and the plane photos taken before, I found that it was just a magic stroke.

All her problems have been solved! Gu Yaoyao is the one she is looking for!

He Yun looks at Gu Yaoyao's shooting process and affirms his idea again. This time, the magazine may burst. She's going to do it right now. This is the title.

He Yungang wants to ask Huo yunnuan how to know Gu Yaoyao, but she didn't expect the first lady to send a message.

"How about it? Is the shooting OK? "

He Yun immediately replied, "very OK! Where did you dig such a treasure? She fits all my fantasies. "

"Give me more money then."

"It's not a problem." He Yun replied. "If this magazine is going to explode, I'll treat you to dinner."

"I wrote it down."

"No problem." He Yun is too satisfied with Gu Yaoyao. Looking at the photos in front of her, her heart was just in bloom.

Whether it's cute, or young, or seductive, or Gao Leng's expression, Gu Yaoyao is in a good position. What's more, her eyes are clear and bright without any impurities. But what you want, she can express it through these eyes.

Perfect!

Looking at those photos in the computer, he Yun was excited. "Good!"

Zeng Ni went to He Yun's side, "chief editor he, how are Yao Yao's performances?"

"You've got a good eye. You've brought such a potential person." Zeng Ni was surprised to hear he Yun's praise. "Really good?"

He Yun nodded repeatedly. "She fits all the feelings I want this time."

Zenny really let go. "Yao and Yao have always worked hard and take their work seriously."

"I had a hunch that she would be red." He Yun said such a sentence.

"Really?"

He Yun smiles, her eyes are full of affirmation to Gu Yaoyao.

Gu Yaoyao changed into a cheongsam with ink painting, which was a very difficult style to control. However, wearing it on Gu Yaoyao made people feel that the ink painting on the cheongsam was like living.

The cheongsam has always chosen the body shape, but Gu Yaoyao has no pressure to wear it. It is almost tailor-made. When she has movements, the ink painting of cheongsam is like a change of artistic conception.

Almost all the photographers present were attracted by this scene!

He Yun has been praising. The last set of cheongsam, she also intends to give up, because it is too difficult to show! But now Gu Yaoyao is burning up the idea that has been pinched out in her heart again.

"How beautiful! This is definitely the best cover He Yun immediately decided on the cover.

Zeng Ni's eyes are also surprised, usually looking at Gu Yaoyao silly, also do not like to dress up themselves, always a very casual look. There is no artist's consciousness at all.

But in front of her, she has subverted his own view of her! Gu Yao Yao's beauty has reached a new level with light on her body!

"Zeng Ni, let the boss of your company treat Yao Yao well. This is your future cash cow." He Yun spoke highly of Gu Yaoyao again.

After shooting, Gu Yaoyao was relieved. She politely said thank you to all the staff.

"Chief editor he, it's hard for you today." Gu Yaoyao said with a smile to He Yun.

He Yun shook his head, "I want to thank you!" With that, she handed Gu Yaoyao some photos she had just printed.

"This is..."

"See you off." He Yun said. "Generally, I won't give these negatives to people, but this time I'll give you an exception! Leave a souvenir! "

Gu Yaoyao looks at herself in the picture. Thank you

[Chapter 650](#)

After shooting, Gu Yaoyao changed her clothes and saw the picture she had taken from He Yun.

She sat down on one side. She looked down at the photo with a smile on her face and sat there quietly. Even the flowers around her lost their original color.

And Gu Yaoyao in casual clothes attracts someone's attention.

"Director Lu, we should go."

"Who is that?"

The assistant nearby took a look, "I don't know. It may be new."

"Ask." Lu Yichuan asked his assistant to inquire.

"OK."

After a while, Gu Yaoyao received a call from Zeng Ni, saying that the car was waiting at the door and asked her to go downstairs.

Gu Yaoyao put the picture in her bag, then got up and walked to the stairs.

When passing by Lu Yichuan, Gu Yaoyao smiles and nods to greet Lu Yichuan, and then goes down the stairs behind him.

Lu Yichuan's eyes have been moving with Gu Yaoyao. If this woman is an actor, then the hostess of his new play can let her try.

"Director Lu, this way, please. Editor in chief he is finished. "

Lu Yichuan walked into He Yun's office and said, "I heard you went to the studio to monitor the scene today? What kind of person can bother you to do it yourself. "

He Yun and Lu Yichuan are students of different majors in the same session. They have entered this circle one after another. Naturally, there will be more cooperation between them. The relationship between the two is also very good.

"Found a treasure today."

"Is there such a good thing?" Lu Yichuan knows he Yun's vision is very high, if really into her eyes, then this person must have something extraordinary.

Lu Yichuan thinks of Gu Yaoyao and asks he Yun by the way. "Just now I saw a woman on the stairs. Is that your employee?"

"Who?" He Yun didn't listen to Lu Yichuan seriously at all. He Yun also looked at Gu Yaoyao's picture on the computer.

"I asked you if I didn't know."

"Just one word. How can I know who you are? Or do you have a picture?" He Yun is looking for Lu Yichuan.

Lu Yichuan shook his head, "No. But there is a sense of cleanliness in her

"Just now? Where did you see it?"

"Just below your office."

"Yao Yao?" He Yun asked. After Gu Yaoyao changed her clothes, she came to call in person and left.

If she was still waiting for Zeng Ni just now, then Lu Yichuan saw her.

He Yun handed the photo on the table to Lu Yichuan, "is it her?"

Lu Yichuan's eyes brightened. Although he had taken off his make-up, he recognized them.

"Yes! That's her. Is she an actress?"

He Yun nods. "She used to be a flat film player. Now she's an actress. She's a new person."

"New man, do you dare to use her?"

He Yun smiles mysteriously, his eyes are bright. "I, he Yun, always like challenges. Make the impossible more likely. I've decided to let her be the cover girl for this issue of my magazine

"Introduce it to me, too."

"What? Do Heroes think alike?"

Lu Yichuan gives He Yun a look of self experience, and the corners of his mouth hook up. "I happen to be short of a mistress."

"That's a big production. You're not afraid of no market if you start new people?" He Yun asked.

"You can't take everything, can you?"

He Yun nods with a smile. "I remember that the man in your play decided Xia Yunzhe?"

"It hasn't been decided yet, but Xia Yunzhe has a great chance to play."

"Yao Yao has just finished a play and is playing a minor supporting role. The male and female masters of the play are Xia Yunzhe and Zhou Xiao's golden partner. "

After hearing what he Yun said, Lu Yichuan remembered another thing. "There was a rumor on the Internet that Xia Yunzhe liked one of the actresses in the production team. Isn't it Gu Yaoyao?"

"It's her." He Yun nods. "I also heard news that Xia Yunzhe recommended Gu Yaoyao to Yu Zhenyu's show. However, there is no official announcement yet, but I think it is not far from ten. "

"Xia Yunzhe and Gu Yaoyao?"

"Maybe it's a little bit explosive." He Yun raised eyebrows and said with a smile.

Lu Yichuan touches his chin and seems to be seriously considering this matter.

"Gu Yaoyao was introduced by Xia Yunzhe?"

He Yun shook his head, "no! It was introduced by Miss Huo. "

"Miss Huo is interested in the entertainment industry recently? How can I introduce you to such a potential stock? " Lu Yichuan thinks that it should not be so simple!

He Yun shakes his head. "No, she had a friend who was a photographer, so she saw Gu Yaoyao's picture and thought it was good, so she introduced it to me. I have to say that Huo yunnuan sent me a big gift this time, and I have to invite her to dinner

"It's rare that Miss Huo's eyes are online this time."

"Don't forget that she was a model for Mike.""The Huo family are very mysterious."

He Yun agrees with Lu Yichuan that the Huo family seems to be keeping a low profile in addition to Huo yunnuan. Especially Huo yunnuan's brother, there are many rumors, but few real people have been exposed.

"Same feeling."

On the other side, Zeng Ni sent Gu Yaoyao back.

"Sister, I'll stop at the subway station in front of me. I can go back by myself."

Zeng Ni didn't listen to Gu Yaoyao's words, so she drove over.

"Where do you live now?" Zenny asked. She also learned from others today that Gu Yaoyao moved away from her former dormitory.

Gu Yaoyao was asked this question and didn't know how to explain it.

"I saw a luxury car driving you this morning. Who is that?" Zeng Ni can't hold back and ask questions clearly.

Gu Yaoyao didn't expect to be seen, so she became nervous. "Did you see him?"

"I don't see it, but I'm sure it's a man!" Zenny replied. "The man who called you last time?"

Gu Yaoyao is silent. She doesn't know how to explain or introduce Huo yunxun.

"If you don't speak, I'll take it as your acquiescence." Zenny went on. "Is it the man named Xun?"

Gu Yaoyao was still silent and did not say a word.

Zeng Ni's heart also has some bottom, so to say at least is a man. "What does he do? There are not many men who can drive such a car in city A. Yao Yao, you won't be wrapped by a man, are you? "

"No!" Gu Yaoyao denied. She and Huo yunxun are legally protected husband and wife.

"No? So who is that man? I can help you with something later. "

Gu Yunyao wanted to discuss with her. It's not her problem alone.

"Not yet?"

"Sister, I really didn't do anything shady." This is the only explanation given by Gu Yaoyao.

Just at this time, Huo yunxun called. Gu Yaoyao looked at the name beating on the screen, just like her own heartbeat.

"No answer?"

Gu Yaoyao picked it up in front of Zeng Ni. "Hello..."

"Work done?"

"Well, now my sister will take me home."

Huo yunxun soon recognized Gu Yaoyao's difficulties. "Did zenny know?"

"Well." Gu Yaoyao nods.

"Invite her home, and I'll be back in a minute."
