

Warm Wife 661

[Chapter 661](#)

Gu Yaoyao held up the cup to everyone and said, "I've drunk this cup. Please take care of it."

With that, Gu Yaoyao looked up and drank all the wine.

Xia Yunzhe looked at her like this and quickly helped her. "Slow down! Just take a sip. Why did you drink it all? "

Gu Yaoyao laughed, "this can't be a disappointment."

Zeng Ni goes up to help Gu Yaoyao sit down. "Are you all right?"

"It looks like it's up there." Gu Yaoyao replied.

"Who makes you so generous and boring?" Zeng Ni quickly poured a cup of tea for Gu Yaoyao.

Xia Yunzhe didn't expect that Gu Yaoyao was really drunk. Looking at her miserable appearance, he asked Dahong to buy a sober up medicine.

"Why don't you take Yao Yao to my lounge and have a seat."

"Good!" Zenny nodded.

Seeing Gu Yaoyao going away, the others didn't want to let them go. Xia Yunzhe blocked him directly.

"Yao Yao really can't drink. I'll take her place."

"Sure enough. Good, good

Zeng Ni helped Gu Yaoyao to the rest room. Gu Yaoyao felt that everything around her was shaking. She pressed her head hard and leaned back on the chair.

"You can sit down and I'll call Huo Shao."

"....." Gu Yaoyao has no voice.

Zeng Ni told Huo yunxun all the information, Huo yunxun immediately replied: "five minutes to."

So fast?! Zeng Ni can't believe to look at the time on the mobile phone, these five minutes can arrive? Where did Huo yunxun come from?

However, she did not know that the hotel was owned by HD, and Huo yunxun had been waiting upstairs.

Zeng Ni looked back at Gu Yaoyao, who was already on the chair. "That glass of whisky just now, just now, you are so bold and boring. Is it hard now? "

"Well..." Gu Yaoyao frowned.

Within five minutes, there was a knock on the door.

Zenny was stunned. This is a rocket! Is it really coming?! She got up to open the door. As soon as the door opened, Huo yunxun stood at the door.

"Huo Shao!" Zeng Ni took the initiative to let Huo yunxun in.

Huo yunxun's eyes soon locked Gu Yaoyao, and he walked to Gu Yaoyao with his long legs.

"Yao Yao..."

Gu Yaoyao opened her eyes with difficulty and saw a familiar face in front of her, "a Xun?"

When Huo yunxun saw that Gu Yaoyao still recognized himself, he picked him up directly.

Gu Yaoyao was drowsy and whispered, "I just had a drink."

"Let's go home."

"Well!" Gu Yaoyao put her arm around Huo yunxun's neck, and so she nestled in Huo yunxun's arms.

Zeng Ni took the initiative to open the door to Huo yunxun, so that Huo yunxun could go out.

"I'll take Yao Yao back first. You talk to the others. "

"OK."

Huo yunxun holds Gu Yaoyao and walks forward steadily. Zeng Ni stands at the door and is left with envy. If only I could meet such a man.

Xia Yunzhe came to Gu Yaoyao with the wine tonic bought by Dahong. As a result, he saw a tall figure holding a man in his arms and went to the dark place. He was a little far away, so he couldn't see clearly.

He looked at this figure a little familiar, but he didn't go deep into it. He took the medicine to find Gu Yaoyao.

"Zeng Ni, is Yao Yao in there? Well, this is for her to wake up

Zeng Ni stopped. "Yao Yao's family has come and brought her back."

"Just now?"

"Well, it's been a while."

Xia Yunzhe was a little disappointed, but still gave the medicine to Zeng Ni and left.

Huo yunxun took Gu Yaoyao to the car. Fortunately, she didn't get drunk. She was like a child, sleeping in her arms.

Huo yunxun gently stroked her ruddy cheek with tenderness in his eyes. "Sleep

"Ah Jin, drive."

"Yes."

The phone vibrates.

Huo yunxun looked at Xia Yunzhe's phone.

"Say it."

"Hoon, it's in your territory. Shall I have a room? I drink too much

Huo yunxun raises eyebrow, "you won't let your agent go."

"You can speak for free."

"....." Huo yunxun was completely speechless. If it were not for the sake of holding off the wine for Gu Yaoyao tonight, Huo yunxun did not refuse.

"Brother Xun, if you don't speak, I'll take it as your promise!"

"Report to me."

"Hello

After Huo yunxun put down his mobile phone, he looked down at Gu Yaoyao, and could not let her drink next time. If this really happens, she has no resistance at all.

Especially after drinking the wine, Gu Yao Yao has a special flavor. He just wanted to take Gu Yaoyao away, but he didn't want other men to see her. Yu xiheng hugged Gu Yaoyao subconsciously. Two days later.

The new play "fate is you" held a launch conference.

Xia Yunzhe, Gu Yaoyao and other leading actors attended the conference together, and almost all the actors in the play attended with makeup. This is also the first exposure of the shape of the play. Although it's a modern drama, the shape of the play is also very bright.

Xia Yunzhe and Gu Yaoyao stood in the middle, taking pictures with the media.

Because the two people's heat continues to drop, almost all the focus is on them. But this time, Xia Yunzhe and Gu Yaoyao only answered some questions related to the play, and none of them answered.

However, it can be seen from Xia Yunzhe's action to Gu Yaoyao that Xia Yunzhe has been protecting Gu Yaoyao, and some tricky problems have been blocked by Gu Yaoyao.

"What about Yunzhe's emotional drama in the play this time? Is it the same as off the stage? "

Xia Yunzhe smiles mysteriously. "This can't be disclosed for the time being."

"Just a little bit."

"She went after me on her own initiative." Xia Yunzhe replied with a proud face.

"Yao Yao, what's the mood of this cooperation with Yunzhe?"

Gu Yaoyao was smiling. "I'm very happy. I can learn from Brother Yun zhe a lot. I hope he doesn't dislike me then

"How can I dislike it? I wish I could!" Xia Yunzhe answers quickly.

"Is the ending sweet in the play?"

Xia Yunzhe shrugged. "I don't know. It's known to be cruel. "

"It's time for the interview." The staff said.

Xia Yunzhe and Gu Yaoyao walk down the stairs together. Xia Yunzhe reaches out to help Gu Yaoyao walk down the stairs slowly, which is very focused. This scene has also been photographed by a lot of media.

For the hot discussion on the Internet, the two people did not take the initiative to explain what, the two companies also adopted silence. Is to deliberately let the two together!

Xia Yunzhe and Gu Yaoyao are also generally accepted on the Internet, and their various support associations have been established, and even the two are also known as national CP! Full of happiness.

After the press conference, the TV series was shot immediately. The first performance of Xia Yunzhe and Gu Yaoyao is kissing.

Gu Yaoyao with the script, how to mention the kiss drama to shoot today?!

"Yao Yao, let's go."

"Brother Yun Zhe, why do you kiss me when you come up?" Gu Yaoyao was puzzled.

[Chapter 662](#)

Xia Yunzhe knows Gu Yaoyao's mood. He naturally feels nothing as a person who has come here.

"The main thing is to see the tacit understanding! Let the leading actor and heroine run in faster. "

"Ah..." Gu Yaoyao sighs.

Xia Yunzhe's smile on his face was deeper, "if I remember correctly, this is your first kiss on the screen."

Gu Yaoyao's face turned red when she rubbed on the ground. She was busy holding the script to block her face.

"Yao Yao, you are lovely! As soon as you close your eyes, it's over. " Xia Yunzhe laughs more.

Gu Yaoyao said: "of course, once you close your eyes, you will pass away." But my heart a little tangled. Xia Yunzhe is right. This is his first kiss on the screen.

The picture of kissing with Huo yunxun quickly appeared in my mind, and my heart couldn't help jumping up again!

Xia Yunzhe knew Gu Yaoyao was nervous, so he didn't continue to tease her. Instead, he shared some past experiences with her! This also let Gu Yaoyao relax a little, two people have a look at the play.

Huo yunxun received Gu Yaoyao today's filming process, his eyes have been staring at the two words kissing.

The director is really good at arranging. It's exciting at first.

A Jin stands aside and feels Huo yunxun's breathing aggravating obviously. In fact, this is not difficult to understand! If his wife kisses another man, he can't stand it!

Let alone Huo yunxun! Huo yunxun is the one who holds Gu Yaoyao in the palm of his hand!

Huo yunxun's mobile phone vibrated for a moment, and he took a look. When you see Gu Yaoyao's name, you can take it up immediately.

"Scene one, kissing." Gu Yaoyao reported.

Huo yunxun's face was a little better. "True kiss?"

"Well, several machines are shooting together."

Huo yunxun's eyes light a dark, heart mind to death. So he wasn't as generous as he thought. Thinking of Gu Yaoyao's soft lips, his eyebrows wrinkled deeper!

Gu Yaoyao's kiss is addictive!

As long as you want to have a kiss behind this, Huo yunxun can't sit still!

"Ah Jin, go to the set."

"Oh."

Huo yunxun just arrived at the elevator entrance and saw Huo yunxun and Yun Yiyan together. It seems that there is something to talk about.

"Going out?" Huo Dongyang saw Huo yunxun's anxious appearance, that is to go out.

"Well." Huo yunxun nodded.

Yun Yiyan took a look, "this is rare! Don't attend late meetings? "

Huo yunxun had a moment of shaking God, this just remembered that there was a meeting in the afternoon.

"Go Huo Dongyang asked Huo yunxun to go out. He knows where Huo yunxun is going! In his opinion, if the heart is uncertain, then there is no way to do other things.

Gu Yaoyao and Xia Yunzhe's affairs are now fried so hot that Huo yunxun can stay here, which is very good. If you change to yourself, you will not be able to sit still for a long time.

It's also an important job to protect your own women.

Thank you, Dad

Yun Yiyan is very surprised that Huo Dongyang will let Huo yunxun leave. "Modified! How could you agree with Huo yunxun to go out? "

"You don't care about your son?" Huo Dongyang has a lot of opinions on this.

Qiao Wei has been nagging in his ears more than once, but this time he wants to seize the opportunity.

Yun Yiyan talks about Xia Yunzhe as a headache. "No way! The boy is getting more and more unrestrained now

Huo Dongyang picked eyebrows, "let your wife talk about it. Is it interesting to make headlines every day?"

"Molly seems to be possessed recently. She says that if Xia Yunzhe really likes Gu Yaoyao, she will marry her directly. She was very satisfied with Gu Yaoyao's daughter-in-law! I'll give them two tickets every day! "

"It depends on whether your family has this ability." Huo Dongyang's tone is stiff and strides forward.

Yun Yiyao can't feel his head. How can he feel that he has offended Huo Dongyang?! But I didn't say anything just now? Yun Yiyao can only keep up with Huo Dongyang.

Ah Jin drives Huo yunxun to the studio.

Huo yunxun did not say a word, eyes almost did not leave the mobile phone.

"Here we are, young master."

Huo yunxun took a look at the outside, and the kissing scene actually chose such a crowded square to shoot! How many eyes do you have to look at!

Push open the door and Huo yunxun gets out of the car.

Not far away, Xia Yunzhe and Gu Yaoyao are filming. Instead of going forward, he stands and watches. His eyes are almost on Gu Yaoyao alone.

The next second, I don't know what they said. Xia Yunzhe hugs Gu Yaoyao.

"Ha! Very good! " The director nodded.

Gu Yaoyao went to one side and sat down to have a rest. As soon as she picked up the script, Zeng Ni came over in a hurry.

"Huo Shao is here."

Gu Yaoyao is stunned and then immediately turns to look for Huo yunxun's figure.

"Over there." Zenny whispered. Gu Yaoyao craned her neck to see Huo yunxun's specific position, but did not see his figure.

"I'll take you there."

Gu Yaoyao takes a look and sees Xia Yunzhe still making up his own lens. She went over to the deputy director.

"Associate director, my family is coming to see me. I'll go out and come back in a minute."

"Well, go on!"

Everyone has a good impression of Gu Yaoyao, and with Xia Yunzhe's relationship, the crew take good care of her.

Zeng Ni took Gu Yaoyao to a nearby cafe, but there was no Huo yunxun.

"You go through here." Zenny pointed to a small passageway in the cafe, which seemed to lead to the back.

Gu Yaoyao thought that Huo yunxun was waiting, so he went directly there without hesitation. Holding the doorknob, she opened the door and found that the cafe had a small garden.

Before she could sigh at the beautiful scenery in front of her, Gu Yaoyao was pulled over. It's on the door in an instant.

"Ah Xun..." Gu Yaoyao can see the person in front of her, and her eyes are bright.

Huo yunxun looked at Gu Yaoyao's lips, "finished?"

Gu Yaoyao didn't understand what he asked after shooting, "not yet."

"How many more?"

"What, how many times?" Asked Gu Yaoyao.

Huo yunxun was a little angry. "Kiss show!"

Gu Yaoyao Leng Leng Leng, but it is also a reaction. "So Are you jealous? "

But answer Gu Yaoyao is Huo yunxun's kiss. He hugs Gu Yaoyao and kisses her forcefully. But this time is different from the past, with some punishment.

Gu Yao Yao did not resist, she let Huo yunxun kiss. She reached out to hold Huo yunxun, and she responded. Ever since she knew that she wanted to shoot a kiss scene, she always told herself that she thought Xia Yunzhe as Huo yunxun, and that she was not so resistant.

Huo yunxun slowly becomes gentle. Gu Yaoyao's kiss is too sweet and easy to be addicted to. There has always been a voice in the heart shouting, Gu Yaoyao is his!

Suddenly had an idea, do not want her to film again! He does mind, mind if other men hold her and kiss her!

[Chapter 663](#)

I don't know how long it took Huo yunxun to let go of Gu Yaoyao.

They gasped for each other, and their breathing was intertwined.

Gu Yaoyao raised her head and looked at Huo yunxun with a smile in her eyes: "the kiss show has not been shot yet!"

Huo yunxun reached for Gu Yaoyao's red and swollen lips. "Make up, spend it!"

Gu Yaoyao frowned and reached out to beat Huo yunxun. "It's all your fault. I'm sure someone will find out later."

"Do I have any questions about kissing my wife?" Huo yunxun complained in his tone.

Gu Yaoyao hugged Huo yunxun, "ah Xun, I know you care about me, but this is just my job. I have a clear distinction. "

"I really want to leave you at home!" Huo yunxun sighed.

Two people seem to have some wrong answers, but they enjoy it.

Gu Yaoyao reaches out to hold Huo yunxun. She doesn't care about her makeup. I just want to lean on Huo yunxun's arms.

Feeling Gu Yaoyao's dependence on himself, Huo yunxun's mood gets better.

"Yao Yao, don't you take a seat in this kissing opera?"

"There are several machines." Gu Yaoyao replied. "Several angles, otherwise you have to repeat them several times, and then repeat each angle again."

Huo yunxun frowned, if so, it is not as good as the first time.

There is a sweet smile on Gu Yaoyao's mouth, so Huo yunxun still cares about himself, otherwise he won't come here in person.

"I'm happy." Gu Yaoyao said softly.

Huo yunxun hugs Gu Yaoyao and really doesn't want to let go.

"I'll wait here for you to finish?"

Gu Yaoyao looks up at Huo yunxun. "No work today?"

"Dad let me have a holiday today."

Gu Yaoyao's eyes flashed and a bright smile appeared on her face. "So good."

Huo yunxun nodded and his hand touched Gu Yaoyao's face. Forget it, that thought has been suppressed after seeing her smile.

"Promise me one thing."

"Say it." Gu Yaoyao nods.

"Don't let yourself get hurt. You must tell me something!"

Gu Yaoyao is moved, she stands on tiptoe and kisses Huo yunxun. But let it go soon. "I see!"

Huo yunxun all the depression at the moment disappeared, looking at her in front of her, it is easy to forget other things. After being with her, my life became much more interesting.

"I have something on my face?"

"Yes!" Huo yunxun nodded, especially her eyes. He likes it!

Gu Yaoyao just wanted to reach out and touch it, but she was soon grabbed by Huo yunxun. "Yao Yao..."

"Well?" Gu Yaoyao is waiting for Huo yunxun's words.

Huo yunxun shook his head, but the sentence behind him still didn't come out. Don't want to put too much pressure on her! Originally wanted to say, don't fall in love with others! From another angle, if you want her not to love other people, then you should guard her well.

There was a knock on the door.

Zeng Ni's voice came, "Yao Yao, it's almost time."

"Good..." It's not a good one.

Gu Yaoyao looks at Huo yunxun. "I'm going."

"I'll wait for you here."

"Well!"

Looking at Gu Yaoyao following Zeng Ni's back, Huo yunxun's eyes become dim. As soon as she left, she seemed to take some of her own things. At this time, Huo yunxun has not made it clear that this feeling is concerned.

Caring about this person is the beginning of caring about a person, and it is also an important part of a relationship!

Ah Jin stepped forward and said, "young master, what you ordered has been done!"

Huo yunxun went to a seat and sat down, as he had, waiting for Gu Yaoyao to finish work.

"Young master, don't you go to see it?"

"No Huo yunxun wants to trust Gu Yaoyao. And if he's in the past, it'll put more pressure on her.

Knowing what she's going to do next, he told himself not to mind.

Ah Jin did not say much, quietly handed Huo yunxun's computer to him. While waiting, we should also use work to kill time.

Set.

After Gu Yaoyao came back, she immediately went to make up.

"It's all spent."

Gu Yaoyao was in a nervous mood and blamed Huo yunxun. Facing the makeup artist's question, Gu Yaoyao is guilty.

Zeng Ni in one side of the round, "family came, excited to eat."

"It seems that I haven't seen my family for a long time."

"Well!" Gu Yaoyao nodded repeatedly.

After Gu Yaoyao finished her make-up, someone outside called out, "come out to eat!"

Several staff came in carrying bags and said to Gu Yaoyao with a smile, "Yao Yao, thank you!"

"Well?"

"You didn't bring good food to the crew. Today is the first day of construction. It's really sweet. "Gu Yaoyao immediately looked at Zeng Ni and wanted to get the answer from her. Zeng Ni nodded. In fact,

these were prepared by Huo yunxun. The purpose was to increase the popularity of Gu Yaoyao and to support the scene for Gu Yaoyao.

Gu Yaoyao took out his mobile phone and sent a message to Huo yunxun. Thank him!

"You're welcome!"

Seeing Huo yunxun's reply, she felt happy!

Gu Yaoyao returns to the studio again. Xia Yunzhe shakes his coffee. "Yao Yao, thank you."

Gu Yaoyao just smiles and doesn't talk much.

"I didn't expect you prepared a different one. I like them all. "

Gu Yaoyao is a little embarrassed. Now, there is a big misunderstanding. What Huo yunxun prepared is now hers.

After seeing Gu Yaoyao sit down, Xia Yunzhe moves the chair to her side. "I hear your family is coming?"

"Well." Gu Yaoyao nodded and looked down at the script.

"Take me with you next time."

Gu Yaoyao looks at him in surprise, wondering why he should say so.

Xia Yunzhe laughed mysteriously, picked up the coffee and drank it. And he had his own plan.

Gu Yaoyao doesn't want Xia Yunzhe and Huo yunxun to meet at all. At that time, she doesn't know what will happen!

The next scene is kissing.

Xia Yunzhe and Gu Yaoyao are standing opposite each other. Gu Yaoyao is still nervous.

"Don't be nervous. As soon as you close your eyes, it's over." Xia Yunzhe said with a smile. "Don't worry! I'm a professional. You can cooperate with me soon! "

Gu Yaoyao knows Xia Yunzhe's major. She has made so many films and TV series. Of course, she is professional and experienced.

"OK, get ready!" Lu Yichuan yelled.

"Start!"

Xia Yunzhe and Gu Yaoyao immediately adjust their emotions and enter the role. They speak their lines. Xia Yunzhe is still shivering in front of her.

Xia Yunzhe can feel this. But he reached out and pulled Gu Yaoyao into his arms. He put his head to Gu Yaoyao's ear and said, "don't be nervous! You should be glad that your first screen kiss was with me

Gu Yaoyao wants to stare at Xia Yunzhe.

But the next second, Xia Yunzhe pressed Gu Yaoyao's head and directly kissed her.

Gu Yaoyao's eyes are wide. She's really caught off guard. She's not ready yet! The next second, Gu Yaoyao takes herself as a character and puts her emotions into it.

She doesn't want to come again!

Xia Yunzhe took Gu Yaoyao with him, so he quickly ended the play.

"Good!"

Hearing the director's voice, Xia Yunzhe let go of Gu Yaoyao.

"Come back!" Xia Yunzhe knocks Gu Yaoyao on the head.

Gu Yaoyao turns and walks away. She returns to her position and sits down. Then he immediately reported to Huo yunxun, "the shooting is over!"

"Well?"

"Well, very well." Gu Yaoyao replied.

[Chapter 664](#)

Gu Yaoyao breathes a sigh of relief. She just took Xia Yunzhe as Huo yunxun. Otherwise, she would not be able to bear it.

"How long will it be over?"

"If it goes well, there are two hours left."

"Good."

Knowing that Huo yunxun has been waiting, Gu Yaoyao is full of energy. She takes every scene seriously and tries to finish it as soon as possible.

In today's last scene, Gu Yaoyao and Xia Yunzhe are standing.

"How do I think you've been in a hurry?"

"Do you have any?"

"Of course Xia Yunzhe nodded. "Later?"

"I think so." Gu Yaoyao replied.

Xia Yunzhe smiles and plays with Gu Yaoyao. After the two walked once, they started shooting.

In this scene, Gu Yaoyao didn't know Huo yunxun had come and watched them shoot. He stood at the back, low-key, and didn't want to attract anyone's attention.

After looking at the time, I thought that after the scene was over, the shooting would be over today.

His eyes have been looking at Gu Yaoyao, now she and he just saw that meeting has been different.

"Madame, please call me back."

Huo yunxun this just takes back own vision, immediately gives Qiao Wei to call back.

"Mom

"Where are you?"

"Set." Huo yunxun replied.

Jovi got excited immediately. "Well, keep an eye on it! Just now your father came back and told me that Su Moli wanted Xia Yunzhe to marry Gu Yaoyao home! I get angry when I hear this! "

Huo yunxun frowns and looks at Gu Yaoyao again. But this time he also took a look at Xia Yunzhe. It has to be said that this boy and Gu Yaoyao are more serious when filming!

As soon as his eyes sank, Huo yunxun quickly collected all his emotions.

"Xiaoxun, you must watch closely!"

"Well."

Gu Yaoyao over there is over, Huo yunxun put down the mobile phone, "ah Jin, drive the car over here!"

"Yes

It was getting dark, and everyone was busy cleaning up.

Gu Yaoyao and all said hello, ready to leave, after all, Huo yunxun has been waiting for his afternoon.

"Yao Yao, would you like to have dinner together?"

"I'm not going."

Xia Yunzhe came over and said, "so fast? Someone is waiting? "

"Well!" Gu Yaoyao nods and doesn't notice the loss in Xia Yunzhe's eyes.

Gu Yaoyao packed up and said goodbye to Xia Yunzhe in a hurry, "see you tomorrow!"

Xia Yunzhe looks at Gu Yaoyao running away. He can't help but follow him. On the side of the road, I saw a car waiting hundreds of meters away. Gu Yaoyao is running to the car.

Because the position is too dark to see people clearly. I saw people waiting for Gu Yaoyao.

From the outline, it's a man who looks tall.

The car soon drove away, Xia Yunzhe did not even have time to see the license plate number.

"My little ancestor, how did you come here? I'm looking for you everywhere Dahong came running out of breath.

"What's the matter?"

"Your father's call."

Xia Yunzhe impatiently took the mobile phone, "Dad!"

"What's the matter with you and that Gu Yaoyao?"

It's rare to hear that his father cares about his own affairs. Xia Yunzhe seems to be in a better mood.

"That's it!"

"What is that like?" Yun Yiyan asked.

"Don't worry. I'll take care of it myself." Xia Yunzhe replied.

Yun Yiyan sighed. "You don't mean that to people?"

"I was ignored." Xia Yunzhe said that he was wronged.

"Your mother would like you to find one earlier." Yun Yiyan cares about the way on the phone. "But today I went to HD and found an interesting thing."

Xia Yunzhe listened to Yun Yiyan and said, "do you mean brother Xun has a woman?"

"That's what Huo Dongyang said."

"That's good! You can't hang on that Princess all the time Speaking of Li Mengyao, Xia Yunzhe is not happy.

"Take it easy and find one."

Xia Yunzhe perfunctorily. "Yes, yes, yes, I try hard!"

In the following time, Gu Yaoyao and Xia Yunzhe started the busy mode. The shooting of the TV series in city a was finished immediately, and they were about to move to the film and television city.

And Xia Yunzhe and Gu Yaoyao will start to record the variety show, so they start to run everywhere.

Before leaving, Huo yunxun asked people to prepare a lot of clothes and medicines for Gu Yaoyao.

"You take all of these with you."

"Well, here are several cases of luggage."

Huo yunxun holding Gu Yaoyao, "let others take it for you."Gu Yaoyao leans in Huo yunxun's arms. "This time I'm out for a month."

Huo yunxun touches Gu Yaoyao's hair with tenderness in his eyes. This is also a long time since he and Gu Yaoyao were separated from each other for such a long time.

Every time I look at her busy, the idea that she doesn't want to go out and shoot comes up. He thought that when Gu Yaoyao finished her work, he wanted her not to work.

"Take good care of yourself!"

"Well!"

This day.

Xia Yunzhe and Gu Yaoyao finished shooting the TV series and rushed to the large amusement park in G city where the program was recorded.

After a night's rest, everyone immediately went to shoot the next day.

Gu Yaoyao couldn't let go of the machine, but she started to take pictures since she got up in the morning. She was really not used to it.

Xia Yunzhe is looking for Gu Yaoyao. Let's go to the scene together. The two are in a group, so they do almost everything together.

"I took a look at the process, today this project is not particularly beneficial to us."

Gu Yaoyao nods. "Physical games are the majority."

"Do you have a question?"

"Not bad." Gu Yaoyao gave a vague answer. Recently, she has almost no time to exercise. She did not expect to start such a physical project. She was still worried.

And after getting up in the morning, I feel restless and flustered.

Xia Yunzhe holds Gu Yaoyao's hand. "Don't be nervous. I'm here! I will protect you! "

Gu Yaoyao looks at Xia Yunzhe and doesn't speak. In fact, after getting familiar with him, I found that he also said that he had some ideas! However, compared with Huo yunxun, there will still be differences.

After arriving at the scene, the director told everyone about the process of the first project.

this is to win Wei Ya to put these bubble boxes in the order box all together to win. In the distribution, the boys should not only stabilize on the ground, but also grab the number order. So almost all combinations are for girls to stack up.

When Gu Yaoyao was wearing Weiya, Xia Yunzhe also carefully pulled it, and then checked the safety of all aspects. After confirming that there was no problem, he said to Gu Yaoyao, "don't try so hard! According to your ability

"Well!" Gu Yaoyao nods.

"If not, call me at once." Xia Yunzhe ordered this time.

"Yes."

Seeing that all the groups are ready, the director puts everyone in their place, ready to start shooting.

In the staff, a man in a cap lowered his hat again and looked at the monitor next to him. The corners of his mouth were slightly raised. Then, while others are not paying attention, turn around and leave.

In a quiet place, he secretly called.

"The task is finished!"

And in the recording scene, the game has started, the recording has begun, and everyone is working hard for their own combination.

Gu Yaoyao felt that she was slowly suspended, and was still directing Xia Yunzhe to look for numbers in that direction.

"There are one and two over there."

Xia Yunzhe acted immediately according to Gu Yaoyao's instructions, and only when he had to finish it quickly could Gu Yaoyao hurry down.

"Yes

Two people cooperate well, so their group speed is the fastest! It's going to be five or six dollars and it's stacked.

Seeing that she was about to go up to the seventh piece, Gu Yaoyao felt that she had been hanged higher and heard some voices.

She looked back, and it really went up.

"Yao Yao!"

[Chapter 665](#)

Gu Yaoyao looked back at Xia Yunzhe at the bottom and raised his spirits again.

She reached out and pointed not far away. "There are eight or nine over there."

Xia Yunzhe heard Gu Yaoyao's words, nodded and then went to look for it.

Gu Yaoyao looks at Xia Yunzhe and finds the right number. She gives a thumbs up.

at this time, Gu Yaoyao's Wei Ya was put down, and then took the digital foam box in Xia Yunzhe's hand. When the staff saw that Gu Yaoyao was well, they immediately increased the speed.

But this time, Gu Yaoyao's ear again heard the sound just now, as if something was grinding. She looked up, but because of the backlight, Gu Yaoyao couldn't see clearly.

The host's voice came, "now the blue group is about to be finished."

Gu Yaoyao no longer paid attention to so many, and quickly stacked the numbers. She and Xia Yunzhe cooperate very well. Although the blue group is fast, but because the foundation is not stable, so after the last one is put on, it falls down and has to start again.

After seeing it, Gu Yaoyao folded the last piece more carefully. Then slowly let go, the host soon began to read seconds. It takes more than ten seconds to succeed.

"OK! Xia Yunzhe and Gu Yaoyao's powder group, success

Xia Yunzhe stood on the ground and clapped at Gu Yaoyao, "Yao Yao, you are wonderful!"

Gu Yaoyao chuckled and was relieved.

The staff immediately put Gu Yaoyao down, but at this moment, one of the ropes of Weiya broke with a jump. Gu Yaoyao lost her balance and was thrown out.

"Ah Gu Yaoyao called.

When Xia Yunzhe saw this scene on the ground, his heart was raised. He quickly called out: "help people quickly!"

Gu Yaoyao was tossed in the air and her head was blank. At last, she only saw the boom crane in her eyes and was about to hit it. Gu Yaoyao, I closed my eyes subconsciously. As a result, my body suddenly turned in the air.

There is no way to control it by a single line.

"Bang!" Gu Yaoyao gave a dull cry and a sharp pain came from her back.

"Yao Yao!" Xia Yunzhe called out in a panic.

Gu Yaoyao felt that his eyes were black, and there were a lot of stars spinning. It seemed that Gu Yaoyao stopped in the air because of being blocked by a hanging arm.

Other workers climbed up one after another, and then rescued Gu Yaoyao.

Xia Yunzhe pushes aside the crowd and holds Gu Yaoyao in his arms. He patted Gu Yaoyao on the face.

"Yao Yao, wake up, don't scare me!"

Gu Yaoyao didn't react at all. She had passed out.

Seeing this, Xia Yunzhe picked up Gu Yaoyao. "To the hospital!"

At this time in G City Airport, Huo Yun just got off the plane. This time, he came to G City in the name of business trip and came to see Gu Yaoyao. Before he did not tell Gu Yaoyao, but also wanted to give her a surprise.

I haven't seen you for a week. I can't help but come to see her.

To pick up Huo yunxun's car has stopped at the door of the airport hall, Huo yunxun has not got on the bus, suddenly feel a palpitation. Then he stopped, feeling inexplicably that something had happened.

"Young master, what's the matter with you?"

Huo yunxun is not at ease, take out the mobile phone to call Zeng Ni, as a result, Zeng Ni's phone came in.

"Say it Huo yunxun felt flustered inexplicably.

"Huo Shao, Yao Yao had an accident while recording the program, and now he is in a coma and sent to the hospital."

Huo yunxun's hand shakes for a while, in the eyes does not have the usual calm. "Which hospital?"

After hearing the address, Huo yunxun immediately ran forward.

A Jin immediately followed up. Seeing Huo yunxun's panic like this, he must have had an accident.

Seeing the car to pick up, Huo yunxun pushed the driver away and drove away directly.

The car was like an arrow leaving the string, and it disappeared after a whimper.

Jin grabs the driver's clothes immediately. "Any more cars?"

The driver is completely frightened by Huo yunxun and a Jin, and the whole person is numb. He just points out his finger at a car behind him.

"Take the luggage to the hotel." Finish saying, a Jin robbed another car to chase Huo yunxun.

On the way, news of Gu Yaoyao's injury has been reported to the public, and it is said that Gu Yaoyao is in danger. A lot of rumors followed.

Huo yunxun with the fastest speed to the hospital, and the front door of the hospital has long been surrounded by media reporters!

After honking for a long time, those people did not disperse. Huo yunxun had no choice but to drive the car to another door.

"I got to the back door of the hospital and had someone come down to pick me up."

Huo yunxun called Zeng Ni, and now the hospital has been blocked, because a large number of reporters surrounded the hospital, so for the operation of the hospital. The hospital has adopted the start-up plan of letting go but not letting in.

To get in, you have to wait until you agree. Huo yunxun was also mercilessly stopped. A few minutes later, Zeng Ni appeared in front of Huo yunxun.

"Huo Shao!"

"How is it?"

"The doctor has just finished the examination. There are various degrees of injuries to the whole back, and a few bones have slight bone fractures! Fortunately, the spine is OK! "

Huo yunxun heard these, face a heavy, "how can such a thing happen."

"Yao Yao is fortunately wearing the protective clothing you gave her before to reduce some damage, otherwise I am afraid the consequences will be more serious."

Before Gu Yaoyao set off, Huo yunxun asked someone to prepare such a dress for Gu Yaoyao just in case. It can avoid collision with other people because of the game. The clothes can protect her better.

As a result, such a thing happened in the first recording, and Huo yunxun was still frightened.

"Take me there."

Zeng Ni was embarrassed, "Huo Shao, now Xia Er Shao is guarding the door! What's more, Yao Yao has always told me not to tell you, lest you worry

"In the future, no matter what's important or small, tell me!"

"OK." Zenny nodded.

Before Huo yunxun arrived at the door of the ward, he saw Xia Yunzhe standing at the door of the ward like a sculpture.

"Find someone to support Xia Yunzhe!"

Zeng Ni immediately called Dahong and asked him to take Xia Yunzhe away. Otherwise, the face of the Buddha beside her would be even worse.

At the same time, there was news from the program group that he found out the problem. Xia Yunzhe left in a hurry.

"Huo Shao, you go in! I'm at the door. "

Huo Xun in the door of the room is very tight, so that the cloud of cloud water is opened!

His eyes touched Gu Yaoyao on the bed, and Huo yunxun immediately walked over.

Gu Yaoyao's face turned white and her eyebrows were wrinkled all the time. She could see that she was in pain, and she could only lie on her side.

Huo yunxun immediately took Gu Yaoyao's hand and called softly.

"Yao Yao!"

Gu Yaoyao's eyelids moved and slowly opened his eyes after a while. She stupidly looked at the person in front of her eyes, but she could not control her tears when she saw Huo yunxun.

"Ah Xun..."

Huo yunxun forced a kiss on the back of Gu Yaoyao's hand, "don't cry, I'm coming!"

[Chapter 666](#)

Gu Yaoyao's eyes were full of tears, but could not say a word.

Huo yunxun felt more pain when he saw Gu Yaoyao like this! He leaned over and imprinted a kiss on Gu Yaoyao's forehead.

"Can you hold me?" Gu Yaoyao sobbed. She now all over the pain, she is dependent on Huo yunxun, more want to act coquettish to him.

"Fool!" Huo yunxun sat down beside the bed, looking at Gu Yaoyao with a full of pity in his eyes.

Gu Yaoyao struggled to lift her body, but it was easy to pull the wound behind her.

Seeing this, Huo yunxun immediately put his hand over Gu Yaoyao's back and gently held her into his arms. He was worried that he might hurt Gu Yaoyao's back.

"Does it hurt?"

Gu Yaoyao whispered: "no pain."

Seeing Huo yunxun coming, she just let him hold himself like this. As if only in this way can let oneself not so painful! Leaning on Huo yunxun's shoulder, she will not feel afraid!

Huo yunxun feels Gu Yaoyao's dependence on himself. He kisses Gu Yaoyao's hair.

"Don't be afraid, I'll watch you!"

"Ah Xun, it's so nice that you're here. It feels like you're dreaming." Gu Yaoyao closed her eyes and thought that Huo yunxun could come.

But I don't think it's impossible. Huo yunxun has his own job, and he also asked Zeng Ni not to tell him.

Huo yunxun stroked Gu Yaoyao's face, "this is not a dream."

"Ah Xun, don't leave..." Gu Yaoyao said that and then went to sleep. Maybe it was because of the effect of the medicine, or maybe Huo yunxun came and brought her a sense of security. That's why she sleeps so peacefully.

Huo yunxun held Gu Yaoyao in his arms with a little force. This time is also lucky, otherwise I really dare not imagine.

After Gu Yaoyao is asleep, Huo yunxun gently supports her to lie down. He slowly opens up his medical clothes and sees her behind. Large and small bruises, and a few bloodstains.

Huo yunxun's eyes became sharp. Who did it!

Zeng Ni, who has been guarding the door, and a Jin, who comes from behind, dare not disturb Huo yunxun and Gu Yaoyao. They stay at the door.

Huo yunxun came out with anger.

"Find out why?" Huo yunxun is concerned about this issue.

"Xia Er Shao has gone to the scene and said that someone had done something on Weiya."

Huo yunxun's face was gloomy and his eyes were cold. The sound is also cold to freezing point. "So this is deliberately aimed at Yao Yao?"

"It's not sure yet."

Huo yunxun was not satisfied with this answer. If the reason is not clear, it will be more dangerous in the future.

"Has anyone targeted Yao Yao recently?"

Zenny shook her head. Recently, apart from filming, she came out to record programs. She had nothing else to do and did not contact other people. It seems that the reason is not tenable.

"Think about it!" Huo yunxun will not miss any details. This is related to Gu Yaoyao's life safety.

Zenny thought it over carefully, but still shook her head. "There is no such thing recently. If it is really before the start of the TV series, it will be attacked by Xia Er Shao's fans."

"Ah Jin, check it out!" Huo yunxun doesn't believe Xia Yunzhe, so he has to confirm it in person.

"Yes

In the evening, Xia Yunzhe returned to the hospital tired and did not let anyone disturb him!

But Gu Yaoyao has transferred to the ward. Xia Yunzhe asks Zeng Ni, "what's going on? Why did you suddenly change wards? "

"This is the Yao Yao family's request, I hope she can have a good rest."

Xia Yunzhe can't help but wonder who Gu Yaoyao's family is? Last time I could give food to the whole crew, and this time I transferred Gu Yaoyao under my own eyes.

A figure of a man's back came to mind. The hotel where we had dinner last time, and the man who was waiting for Gu Yaoyao to finish work in the dark on the first day of power on seemed to be a person. But who is he?

Xia Yunzhe has read Gu Yaoyao's information. It seems that all her family members are in City C, and she has never met any other friends. Who the hell is this man? An idea jumped into Xia Yunzhe's mind, but he didn't want to think of Gu Yaoyao as such a person.

If someone had been behind her, she would not have been like this.

"I want to see Yao Yao's family."

Zeng Ni hesitated. I don't know if Huo yunxun would like to see Xia Yunzhe. Moreover, Huo yunxun and Gu Yaoyao are now in secret marriage, and this relationship will not be disclosed in front of others.

Now, Gu Yaoyao and Xia Yunzhe have been having an affair all day long! Huo yunxun looks on the face does not have what, but in the man's heart who will not mind!

"Zenny, are you hiding something? Who the hell is that man? "

Zeng Ni avoided Xia Yunzhe's eyes, "I'll ask."

"Well, I'll wait. You can make my name clear by the way. I think if he has any ability, he should know who I amZeng Ni's heart is trembling. Xia Yunzhe now moves his identity out and wants to suppress Huo yunxun. But Huo yunxun is not a nobody!

Zeng Ni is about many dare not offend, turned to call Huo yunxun, Xia Yunzhe said the original words.

Huo yunxun was silent for a few seconds on the other end of the phone

"Huo Shao, this..."

"Let him. Yao Yao needs rest now Huo yunxun finish saying, this directly to hang up the phone.

Xia Yunzhe got a reply, and he was really angry. This man really has a big voice.

Xia Yunzhe took out his mobile phone to call Xia yueqian. He must know people in the hospital system, and who is behind him.

"Why do our big stars call me when they have time?"

"Uncle, I want you to do me a favor."

Xia Yunzhe said it again, and Xia yueqian immediately laughed. "It's hard to see how active you are to a woman. I'll take a look at it for you. You wait for me to hear from you. "

"OK, thank you, uncle!"

"You're welcome, family."

Xia Yunzhe leaned against the wall and looked at the ward not far away. If you're right, that person should be in the ward. Who is this man? In G City, you can still have such a posture.

Soon, Xia yueqian called back.

"Yunzhe, I went to ask for you just now, but the other party refused to reveal his identity, so the Dean didn't know who it was!"

"That's the big man. Otherwise, how can you make everyone dumb

"Don't worry. You go to ask Huo Dongyang, HD does not have an industry in G City, who may know. "

Speaking of Huo Dongyang, Xia Yunzhe was afraid of him since he was a child. Of course, I won't go to him, but I can ask Huo yunxun.

"Thank you, uncle. I know!"

"Come on! I'm waiting for your news

"Well!"

Xia Yunzhe sighs, in G city still can have such ability, still let everybody be silent. It's not easy to see people!

[Chapter 667](#)

In the ward.

Huo yunxun's mobile phone vibrates and sees that Xia Yunzhe is calling. Huo yunxun didn't take over. He continued to work.

Again, it was a message, "brother Xun, I need help."

Huo yunxun didn't reply. He knew about Xia Yunzhe. It's for Gu Yaoyao!

Looking at Gu Yaoyao who is still sleeping, Huo yunxun's eyes become gentle.

After Xia Yunzhe's mobile phone bombing, Huo yunxun called him back.

"What's the matter?"

"Brother Xun, you have finally called back. I'll wait until my neck is long! "

"Say it

"Do you know anyone in G city?"

"Ask what this is for." Huo yunxun asked knowingly that he just wanted to see what Xia Yunzhe would say.

If Xia Yunzhe said he didn't like listening to it, he would hang up without hesitation.

"I want you to ask about someone."

Huo yunxun frowned all the way, listening to Xia Yunzhe finish, his face was not good. Xia Yunzhe is reckless and says everything!

"Do you like Gu Yaoyao?"

"Oh, the whole world knows about it, OK?"

Huo yunxun looked at Gu Yaoyao on the bed. His eyes turned and immediately changed his tone. "The world knows? I don't know! "

"You don't pay attention to this, so it's understandable that you don't know."

"Put away your thoughts, or you will regret it."

Huo yunxun hung up and went to Gu Yaoyao. "I won't let anyone take you away, my Mrs. Huo!"

Xia Yunzhe endured all night, and the next morning he was ready to go straight in.

Zeng Ni stopped Xia Yunzhe at the door. "Er Shao, Yao Yao needs to rest now."

"Let me in!" Xia Yunzhe doesn't want to reason any more. He must now confirm Gu Yaoyao's situation!

"Two little, calm down."

Xia Yunzhe said to the door: "if you have the courage, come out and talk. Hiding in it is nothing."

Dahong comes in a hurry and pulls Xia Yunzhe. "My little ancestor, what's wrong with you? In public places, you should pay attention to image! "

"I'm still looking at the image?" Xia Yunzhe asked.

"Keep it down!" Dahong pulls Xia Yunzhe, "calm down! Your father called and told you not to act rashly

"What? Even my father is afraid of the people in here Xia Yunzhe asked. He's had enough of it, everybody calm down. But who knows that he is worried and can't rest assured if he doesn't personally confirm Gu Yaoyao's situation.

At this time, the door of the ward opened!

Xia Yunzhe and other people were stunned to see the person at the door!

Xia Yunzhe looks shocked at Huo yunxun, who suddenly appears, "brother Xun..."

It was the first time Dahong entered Huo yunxun himself, and he also forgot what to do.

Zeng Ni also felt surprised. How could Huo yunxun come out. So this is the rhythm to be open?

"Let's talk." Huo yunxun looked at Xia Yunzhe and said.

Xia Yunzhe's head is suddenly short circuited. What is going on? How did Huo yunxun come out of Gu Yaoyao's ward? Did he come on his own? Or is he always in it?

Xia Yunzhe looks at Huo yunxun with complicated eyes, trying to make everything clear!

"Come with me!"

Xia Yunzhe can only follow Huo yunxun to leave, and the remaining Zeng Ni and Dahong are looking at each other.

Huo yunxun and Xia Yunzhe come to the roof, and they are silent.

Huo yunxun stood upright, while Xia Yunzhe stood with his back against the fence. He had been staring at Huo yunxun.

"Still wondering why?"

"Shouldn't I think?" Xia Yunzhe asked. "Brother Xun, don't you have any idea about Gu Yaoyao?"

Huo yunxun looked at Xia Yunzhe without saying a word.

Xia Yunzhe frowned and looked serious. He also stood up straight. That impression of the back and the eyes of Huo yunxun seems to overlap!

"Is it you?" Xia Yunzhe still uses the tone of doubt. But I was shocked!

When did Huo yunxun and Gu Yaoyao get involved! What's more, it has a lot to do with it?!

Huo yunxun looked at the distance, without any waves in his eyes. His face was calm, as if he was not talking about his own affairs.

"Brother Xun, is it really you? What is the relationship between you and Yao Yao? " Xia Yunzhe asked, he can't stand such silence.

"What do you think is the relationship?"

Xia Yunzhe shakes his head to deny the answer he thinks in his heart. "No way!"

"In the future, stay away from Gu Yao Yao and don't say anything ambiguous in public."

Xia Yunzhe immediately jumped to Huo yunxun's eyes, "why!"

"No why, for your good!"

Xia Yunzhe immediately breathed a sigh of relief, it seems that he thought too much! How could Huo yunxun be related to Gu Yaoyao. He came to see himself this time. What did he think just now!With a smile on his face, Xia Yunzhe said, "brother Xun, I knew you cared about me. But there's no way to control emotions. "

Huo yunxun's eyes coldly fell on Xia Yunzhe. "This time it's you, and she's hurt for you."

"Against me?" Xia Yunzhe Leng Leng, "who ah!"

"You check it out!" Huo yunxun doesn't want to say too much. Xia Yunzhe has to solve the matter himself, otherwise such things will happen one after another.

Xia Yunzhe flattered and said, "brother Xun, please tell me!"

Huo yunxun pushes aside Xia Yunzhe. "You can't find it in your name? This is not to damage your reputation as Xia Er Shao. "

Xia Yunzhe scratched his head with a smile, "brother Xun, I was not in a hurry to say this before..." In the middle of it, he stopped immediately.

This is not what Zeng Ni had asked Zeng Ni to convey to the man before, but what Huo yunxun says now, which proves that

"You..." Xia Yunzhe points to Huo yunxun.

Huo yunxun blinked. "Is your IQ down?"

Xia Yunzhe immediately changed a kind of mood, and opened a safe distance with Huo yunxun.

"You and Gu Yaoyao..."

"Gu Yaoyao is a man with a master, so you don't have to worry about it."

Xia Yunzhe looked at Huo yunxun in shock, "it's really yours!"

"It's me!" Huo yunxun directly admitted that there was no cover up.

Xia Yunzhe still doesn't want to believe that he is Huo yunxun? There is no connection between them. Some of them were the live broadcast accident. The last time Huo yunxun came to visit, he met Gu Yaoyao.

But in such a short time, how can they come together. It's impossible for Huo yunxun and Gu Yaoyao to see it!

"When did you start?"

Huo yunxun raised the corner of his mouth, and his eyes became gentle when he talked about Gu Yaoyao.

Thank you for that

"Thank me?" Xia Yunzhe doubts what he has done!

Huo yunxun received a sentence. "You told me a lot about her at the last party."

Xia Yunzhe was speechless, and he wanted time to go back. Why do such a stupid thing!

"Wait!" Xia Yunzhe suddenly sobered up.

Huo yunxun doesn't seem to be the kind of person who will fall in love suddenly. He and Li Mengyao have been struggling for a long time before they started. How could it be so fast this time.

"Are you kidding?"

"No

Xia Yunzhe still doubts, "you don't want to borrow Yao Yao to forget the princess?"

[Chapter 668](#)

Seeing Huo Dongyang silent, Xia Yunzhe is more sure of this reason.

"You are unfair to Yao Yao like this! How can you take her as a substitute? "

"Don't try to guess what others mean or think."

Xia Yunzhe heart has no intention, in his own don't know the situation, huoyunxun and Gu Yao Yao together! Who will believe it!

"Brother Xun, I have always respected you so much. I didn't expect you to do that too. " Xia Yunzhe was very disappointed with huoyunxun.

"I didn't kill people and I was single with Gu Yao Yao Zi!"

Xia Yunzhe stared at huoyunxun. "You take advantage of the danger of people!"

"You are not using the word right."

"Why not?" In Xia Yunzhe's view, huoyunxun is taking advantage of his own unknown situation to hand, not decent enough!

Huoyunxun did not intend to say too much with xiayunzhe. He chose to say that he wanted to break all the thoughts of Xia Yunzhe. Such a thing, huoyunxun does not want to happen again.

Gu Yao Yao is his wife and also a well-known Mrs. Huo!

"It's almost time, and you should go back."

"I don't go back. I must see Yao Yao today."

Huoyunxun shook his head and refused, "she needs a rest now. You'd better not disturb her."

"Huoshao, I didn't expect you to have possession! How can I never see it to the princess before. " Xia Yunzhe once again picked up the past.

I think huoyunxun will be angry, but huoyunxun is calm like a lake, and there is no wave at all. Huoyunxun himself did not think of this face, his mood is really different.

Xia Yunzhe frowned, "do you like Yao Yao?"

Otherwise, he would turn his head and go angrily under his own provocation. But now there is no, then it shows that a thing li Mengyao in his heart has not important.

All these changes come from guyaoyao!

"Brother Xun, you have fouled!" Xia Yunzhe didn't really get angry with huoyunxun. After all, for many years, I have been taken care of by huoyunxun. He was more angry with himself, how to recommend guyaoyao in front of huoyunxun.

Huoyunxun has no change on his face, but he is more firm than just now.

"Feelings never come in first, just meet!"

"Well, it's really surprising that these words come out of your mouth. Huoyunxun has a new feeling for his feelings! "

This time, huoyunxun laughed, and this smile surprised Xia Yunzhe's eyes. Originally, huoyunxun's smile is so beautiful, he will laugh, that kind of smile from the heart, let people see, impressed.

"Different people have different feelings!"

Xia Yunzhe helped his forehead and was sad. "Huoshao also fell from the altar! You and limangyao really talked about it before! "

Huoyunxun does not want to compare guyaoyao and limongyao again. He knows who his wife is, that's enough!

"Brother Xun, I don't want to lose to you! I want to compete fairly with you. "

Huoyunxun picked eyebrows, xiayunzhe really dare to say, where to fair competition. He and guyaoyao's decent husband and wife are protected by law.

But for Xia Yunzhe, he didn't know that at all. In his cognition, being together means falling in love. As long as they don't get married, everything is fine.

Huoyunxun saw Xia Yunzhe so seriously for the first time, and suddenly wanted to play him.

"If I don't accept it?"

"You have to accept it! I have been with guyaoyao for a long time, so I won a lot. " Xia Yunzhe thought that he and guyaoyao were almost getting along with each other, and must be better than huoyunxun.

Life is there!

"Don't do reactive work."

Xia Yunzhe reached out to huoyunxun and went to the war book directly. "Dare you fight?"

Huoyunxun took a picture of the emotional Xia Yunzhe. "You'll regret it."

"I won't!"

"Ah!" Huoyunxun finally gave xiayunzhe an ignorant look.

See huoyunxun go far, xiayunzhe hurriedly up. "I want to see Yao Yao. I must know her situation at least, so I can talk about compensation."

Huoyunxun stopped his steps, and xiayunzhe finally said a key point. It's important! Can't let Gu Yao white white injury!

Xia Yunzhe met Gu Yao as she wished. During the day, she was haggard and pale.

"Yao Yao, are you a little better?"

Gu Yaoyao nodded. "Much better." Because huoyunxun is here, she doesn't feel pain.

"You must have a good rest. Now the show group has said it. You will be ready for the shooting when you recover."

Gu Yaoyao feels nervous. "Is this to be waiting for me?"

"Who let their inspection work not be done! So you're relieved to take care of your illness. I'll help you with other things. "Thank you

Xia Yunzhe looks at Gu Yaoyao straightly. Now she looks at Gu Yaoyao carefully, and there is an unspeakable morbid beauty. I didn't expect that Huo yunxun liked it. When did their ideal models become so similar.

"Yao Yao, I know about you and brother Xun!"

Gu Yaoyao is worried. Who told him.

"Brother Xun said he was with you. Is that true?"

Gu Yaoyao nodded without any hesitation. "Really!"

"Have you been watching my jokes all the time?"

"Absolutely not." Gu Yaoyao explained. "It's because of your relationship with him that I haven't said. It's about worrying about your relationship getting worse. "

Xia Yunzhe felt relieved when he heard this.

"I told shange to compete fairly."

Gu Yaoyao is muddled, "did he agree?"

"He didn't answer in detail, but I guess he mostly agreed!"

Seeing Xia Yunzhe's fan of nature, Gu Yaoyao doesn't want to pour cold water on him.

"What did he say?"

"Say I'll regret it!"

Gu Yaoyao said in her heart, "you will really regret it."

Huo yunxun came back with something Gu Yaoyao could eat. When he entered the door, he saw Xia Yunzhe still there. He was not happy.

"Why are you still here? Time has passed

"And then what? I don't use Xia Yunzhe's name now. I come to visit Yao Yao on behalf of the TV drama group and program group! Now there are more and more rumors on the Internet. Of course, you can rest assured that I will not discredit Yao Yao! "

Huo yunxun frowned, "your identity is really many."

Xia Yunzhe nods hard to find a way to stay here and say fair competition, so he also needs time to get along with Gu Yaoyao.

"Go back!" Huo yunxun drove Xia Yunzhe away mercilessly.

Seeing Xia Yunzhe pulled in by a Jin, Gu Yaoyao takes Huo yunxun's hand with one hand.

"A Xun, why didn't you tell Xia Yunzhe that we were married?"

Huo yunxun gently smiles at Gu Yaoyao. "If you say it so quickly, it's not fun. Always give him a fatal blow, which can completely break his mind

Gu Yaoyao felt that this was a heavy blow to Xia Yunzhe!

"Isn't that cruel?"

[Chapter 669](#)

night.

Huo yunxun waits for Gu Yaoyao to finish eating and check her condition.

"If you don't feel well, call me." Huo yunxun pointed out that he would sleep on the sofa.

Gu Yaoyao grabs Huo yunxun's hand, "in fact You can sleep together. "

Huo yunxun rubbed Gu Yaoyao's hair, "you are injured."

"I'm lying on my side, I don't take up a lot of space." Seeing Huo yunxun's height nestled in that kind of sofa, Gu Yaoyao really felt reluctant.

Huo yunxun sat down on one side. "Are you sure?"

Gu Yaoyao nodded, "this bed is enough for two people."

"Well, you go to bed first, and I'll deal with some documents first."

Gu Yaoyao's eyes have been staring at Huo yunxun, looking at his working face, which is too handsome. How can there be such a good-looking man, but also so good!

The more you think about it, the more you want to snigger. Gu Yaoyao really thinks that he can be with Huo yunxun only when he gets great favor.

"Why don't you sleep?" Huo yunxun raised his head and met Gu Yaoyao's eyes.

Gu Yaoyao pulled the quilt and was covered by herself. She only showed a pair of eyes that had no place to place, and sometimes blinked sheepishly.

Huo yunxun simply put the computer down, went directly to the bed, stretched out his hand and pulled the quilt down.

"If you dare to see, you must recognize it."

Gu Yaoyao listened to the whole face as if burned by fire, and her eyes kept turning.

Huo yunxun's mouth curled up a good-looking arc, then lifted the quilt and directly lay down beside Gu Yaoyao. His hands went under Gu Yaoyao's shoulders and took her into his arms.

Gu Yaoyao finds a comfortable place in Huo yunxun's arms. Hearing Huo yunxun's steady and powerful heartbeat, Gu Yaoyao feels very secure.

Huo yunxun kisses Gu Yaoyao on the forehead, "sleep!"

"Ah Xun, later..." Will we always be like this?

Gu Yaoyao did not have the courage to ask, afraid that the answer was not what she wanted.

"What will happen in the future?"

Gu Yaoyao didn't say anything more. She buried her head in Huo yunxun's arms and closed her eyes.

Hearing Gu Yaoyao's breath, Huo yunxun tightened his arm again. He kept his eyes open, but he didn't expect that he would have the possessiveness of Xia Yunzhe to a woman.

Huo yunxun did not want to resist, but let it develop naturally. At this time, Huo yunxun did not expect that later he would love her so much!

The next morning, Xia Yunzhe came to see Gu Yaoyao with breakfast.

As a result, when he got to the door of the ward, he saw Ah Jin in.

Xia Yunzhe frowned, thinking that Huo yunxun was even earlier than himself? You're really on the hook with yourself?!

"Ah Jin, so early!"

A Jin nods to Xia Yunzhe. "Two little!"

"Brother Xun is in it?"

"Yes." Ah Jin didn't talk much.

Xia Yunzhe's face was not happy, "said good fair competition, as a result, brother Xun, this is to take advantage of my not paying attention to this move, not good?"

"What the young master wants to do is always like this."

"Only you can stand such a master." Xia Yunzhe replied.

With that, Xia Yunzhe wants to push the door in. Jin stopped a little, "Er Shao, really going in?"

"Why, I can't go in yet?" Xia Yunzhe changed his face in an instant.

A Jin lets see the position, in the heart can't help but feel pity for Xia Yunzhe. I hope he can accept what he will see.

Xia Yunzhe sees a Jin to give way to the position, then push the door to go in.

"Yao Yao, I've come to see you."

It turned out to be a picture of quiet years. Huo yunxun and Gu Yaoyao embrace each other and sleep. What's hateful is that the picture is surprisingly good-looking! And they give people a feeling of love.

Even the air was filled with a warm and sweet smell, and the whole room was infected by both of them.

Xia Yunzhe was embarrassed when he stood in the same place. He realized what Ah Jin's eyes meant!

And at the moment Xia Yunzhe came in, Huo yunxun had already woken up. But he was not in a hurry, but was observing Xia Yunzhe's expression.

Xia Yunzhe recovered and coughed.

Gu Yaoyao moved, but did not wake up, but into Huo yunxun's arms. At a glance, we can see that she is dependent on Huo yunxun.

Xia Yunzhe frowned and his face was gloomy. Huo yunxun has taken advantage of everything.

Huo yunxun opened his eyes, glanced over Xia Yunzhe, and then motioned him to go out first.

Xia Yunzhe snorted and turned out. Otherwise, he worried that he would be unable to help shouting.

Huo yunxun gently patted Gu Yaoyao on the shoulder. Gu Yaoyao opened one eye and said, "um..."

"Yunzhe is here. If you want to go on sleeping, I'll go out first. "

Gu Yaoyao's spirit rose in an instant, "did he see it?"For a while, I don't know how to face Xia Yunzhe. They must be embarrassed when they meet!

Huo yunxun nodded and then slowly released Gu Yaoyao. Then I went to wash.

"I'll go out first."

Gu Yaoyao nods. She pulls the quilt over her face.

Outside the ward, there is no shadow of Xia Yunzhe, only the breakfast he brings.

"Gone?"

Ah Jin nods. "Yes, I took a call and left in a hurry."

Huo yunxun looks down at the breakfast left by Xia Yunzhe, reaches out his hand and walks into the room again. It's rare for someone to deliver breakfast. Of course, it can't be wasted.

Xia Yunzhe leaves in a hurry because Dahong says he has found the person who caused the accident, so he wants to see who is making trouble behind the scenes. If this man is dishonest, he will not be soft hearted.

Seeing that man was in the police station, Xia Yunzhe sat down directly.

"Just you?"

The man looks at Xia Yunzhe with red eyes, and his eyes are full of hate.

"Xia Yunzhe, you can't die easily!"

Xia Yunzhe snorted coldly, "now you all come to this place, who can't die easily?"

"Because of you, Jane died!" Men hate Xia Yunzhe. "If you hadn't hung up her name, she wouldn't have been attacked! So she won't jump off the building! "

Xia Yunzhe narrowed his eyes, "that's what she did first. She can only blame herself for this

"It's all because of you playboy. Every time I see one and love another, Zhenzhen, they are also wholeheartedly for you, and end up with this end! "

"They used the wrong method." Xia Yunzhe is tough. "If you do something wrong, you should be punished."

"Xia Yunzhe, why are you so cruel?"

"Because I can't see dirt." Xia Yunzhe stands up. "Then it's your turn to be punished!"

With that, Xia Yunzhe didn't stay and left with Dahong.

"Just now, most and less called. Do you need him to come forward in this matter?"

"No!" Xia Yunzhe refused. "My brother is so busy, don't bother him. I can solve it myself. "

Then, Dahong told Xia Yunzhe about the next schedule.

"Tomorrow you go back to the cast."

[Chapter 670](#)

"Go back tomorrow?"

Dahong nodded, "the program team has stopped here. We have to wait for their arrangement. But the TV series can't be delayed. You have another play to come. "

Xia Yunzhe had no choice but to feel helpless for the first time.

"Dahong, do you think I should change my job?"

Dahong is surprised. For the first time, he heard Xia Yunzhe say such a thing. Is this stimulated?

"I suddenly felt tired."

These years used to such a life, but also did not feel how! After all, this is his own efforts to fight. But now that Huo yunxun and Gu Yaoyao are together, Xia Yunzhe wants to slow down.

In fact, their yearning life is not the brilliance of the entertainment industry, but the life of ordinary people.

Huo yunxun will give up the work he has always been proud of for Gu Yaoyao and run from city a to take care of it. This is very rare! Gu Yaoyao's dependence on Huo yunxun is also obvious.

Xia Yunzhe doesn't understand that their feelings seem to be deeper than they imagined. Is this because of love? Or something else? What kind of woman does Huo yunxun want, but he chooses Gu Yaoyao.

Gu Yao Yao did not fight for more resources because of Huo yunxun. This shows that there is no interest relationship between them!

So the rest is

"My little ancestor, are you stimulated?" Dahong looks surprised. Xia Yunzhe suddenly gets serious, which makes people not used to it.

"Well, it's exciting!" Xia Yunzhe nodded.

Zeng Ni also received news from the crew asking about Gu Yaoyao. If Gu Yaoyao's health is not good, then they have to take other measures. The most serious is to change the angle.

When Gu Yaoyao heard Zeng Ni's words, such an opportunity was rare.

"I can stick with it." Gu Yaoyao replied. "You can't make everyone wait for me. It's not my business. "

"But your body..."

"As long as it's not difficult, I'm fine." Gu Yao Yao doesn't want to disappoint the people who affirmed her at the beginning, nor does she want to embarrass others because of herself!

Zeng Ni knows Gu Yaoyao, and what she decides will not be changed easily.

After Huo yunxun knew, he just asked. "Are you sure?"

"Well, I can." Gu Yaoyao assured Huo yunxun. "I can't make everyone wait for me alone."

Huo yunxun didn't want Gu Yaoyao to go, but seeing her seriousness and stubbornness in her eyes, she knew that there was no way to stop her.

"You can go back to filming, but you have to take a few more days off." This is also the final bottom line of Huo yunxun's concession.

Gu Yaoyao nodded forcefully

Zeng Ni immediately discussed with the crew, and finally Lu Yichuan agreed to give Gu Yaoyao an extra five-day holiday. Otherwise, the progress will be really delayed, and everyone will feel embarrassed. This time, the investment in human and material resources is the best, and there is no way to toss about.

Huo yunxun took advantage of Gu Yaoyao to do the inspection, called Huo yunnuan.

"Brother, you finally called!" Huo yunnuan said on the phone. "How is your sister-in-law? My mother also said to go to G city. "

"Nothing. Let's go back to city a today."

"Well, I'll pick you up then."

"Let brother-in-law prepare the ward." Huo yunxun said, this matter Huo yunnuan said is also the best.

Huo Yun warm smile. "Yes. It's easy to do. What else do I need to do? "

"In your name, I'll invest a sum of money in Yao Yao's TV play."

"I didn't expect that my brother would do such a thing. As expected, he was so attached to his sister-in-law." Huo Yun warm smile that call a happy.

Huo yunxun told the end of the call, Gu Yaoyao just do a good check back.

After confirming Gu Yaoyao's physical condition, Huo yunxun took Gu Yaoyao to the airport, and then went straight to city A.

After arriving at the airport, Huo yunnuan asked people to wait at the airport in advance, and then took Gu Yaoyao to the hospital.

Because Huo yunxun first went back to HD to deal with some urgent matters, so he could not go with him.

Xia yueqian, a general hospital in the center of the city, personally helped Gu Yaoyao do an examination. After the examination, he looked at Gu Yaoyao a few more times. In fact, he wanted to see what difference there was in Gu Yaoyao, which could make Xia Yunzhe and Huo yunnuan so nervous.

"Professor Xia, do you have any questions?"

"No Xia yueqian shakes his head. "I just didn't expect that I was lucky to see Miss Gu."

Gu Yaoyao did not know Xia yueqian's identity at this time, but knew that he was a professor who came to examine himself.

"I'm not a big shot."

"No, no, no, you're a big shot now, and that's what we talk about a lot."

"Well?" Gu Yaoyao did not understand the meaning of Xia yueqian's words.

"Miss Gu doesn't know yet?"

Gu Yaoyao is more confused, what should she know?!"My name is Xia. I'm Xia Yunzhe's uncle. "

Gu Yaoyao is surprised to see Xia yueqian in front of her. After a careful look, she is quite similar. This is embarrassing.

"Miss Gu, don't be nervous." Xia yueqian replied.

"Brother in law, I will report to my sister when I am not teasing her." Huo yunnuan said as he walked into the ward.

The appearance of Huo yunnuan makes Gu Yaoyao feel relieved, which is also embarrassing!

"Don't talk nonsense! I've never had a second heart for your sister Xia yueqian has no idea about Huo yunnuan. Since she was a child, she has always been angry with these girls.

Huo yunnuan sat down by the bed. "What do you think? Is your health OK? "

"Much better. It just hurts occasionally. "

"You suffer this time." Huo Yun said with heartache.

Gu Yaoyao smiles, this is from the family care, really warm!

"Mom will come soon." Huo yunnuan continued.

Xia yueqian stood aside to listen to these words, a little puzzled. What does Qiao Wei do? Shouldn't this be Sammy? How can it be the Huo family's turn to care about Xia Yunzhe's affairs!

"Slightly coming?"

"Well, maybe with my dad." This is also Huo yunnuan's conjecture.

Xia yueqian knows clearly in his heart that Huo Dongyang, the beloved wife, will surely accompany him.

"Wait a minute. It's not supposed to be our Xia family's business. When is it your turn to join the fun?"

Huo yunnuan laughed directly. "My brother-in-law in the house, you xias are too slow to move! Xia Yunzhe's boy probably hasn't said it yet? "

Xia yueqian was confused by Huo yunnuan, "wait, what does this mean?"

Huo yunnuan gives Xia yueqian a self understanding look, and then continues to chat with Gu Yaoyao with a smile.

"Xiaonuan, please make yourself clear. Isn't Miss Gu and our family Yunzhe? Why is it related to your Huo family? "

Huo yunnuan has been holding a smile, is deliberately hanging Xia yueqian.

"You speak Xia Yue Qian was more anxious.

"That's because Yao Yao Yao is the daughter-in-law of our Huo family!"

With the sound, Qiao Wei and Huo Dongyang walked into the ward together.
