

Warm Wife 671

[Chapter 671](#)

Xia yueqian, the whole person was stunned, until Huo Dongyang and Qiao wei walked in front of him, he did not return to his mind.

"Weiwei, what did you say just now?"

Qiao Wei smile, for the summer yueqian, she is still polite. "When you hear that, ask."

Finish saying, Qiao Wei put down the bag in his hand, immediately held Gu Yaoyao's hand.

"Child, what about the injury behind your back? Does it still hurt? " Qiao Wei looks at Gu Yaoyao. It's so thin, and then you shake your head

"Mom, I'm much better already!" Gu Yaoyao said with a smile.

Qiao Weicai doesn't believe Gu Yaoyao's words. Before she came, she asked Huo yunxun. Huo yunxun said that Gu Yaoyao had been patient.

"Yao Yao, now you come back to a city and take good care of it!" Jovi gave the order. "Don't think about anything else."

Gu Yaoyao wants to say that she will go to film in a few days, but she still can't say it. She didn't want to worry Jovi.

"Originally, I wanted to complain that the security of this program group is too poor!"

Gu Yaoyao knows that some people care about themselves like this, and the pain has long been forgotten! "Mom, this is an accident. And it's not very serious. "

Qiao Wei hears Gu Yao Yao's words, eyebrows a little frown up. "It's coming to the hospital. Isn't it serious?"

"I..."

Huo Dongyang pulled Qiao Wei, "didn't you bring soup?"

"Yes, yes, Yao Yao will have some soup first. This is what your father has been cooking since the morning

Gu Yaoyao politely to Huo Dongyang, "thank you, Dad!"

Xia yueqian, who has been ignored all the time, found a little sense of existence. "What kind of soup is this?"

"What? Do you want to question me? " Huo Dongyang asked.

"I dare not!" Xia yueqian replied.

Every time Qiao Wei sees such a picture, he feels interesting. "Schoolmaster, how is mu Xin

"Busy these days!" Xia yueqian has already mentioned it. "A president went to work in a foreign country. In fact, I'm going to accompany my wife. The rest will be tiring for my wife

All the people present understood Xia yueqian's meaning, and Gu Yaoyao was more clear about himself.

"Mu Xin didn't tell me she was busy." Huo Dongyang opens his mouth to protect Gu Yaoyao. "And Xiao Xun has been following up everything."

Xia yueqian raised his hands, "I surrender first! I can't tell you that your family are very good at protecting calves

"Just know it!" Huo Dongyang replied.

Qiao Wei sees Gu Yaoyao a little embarrassed, which reminds her that she may not know Xia yueqian's identity.

"Yao Yao, just now all patronized to talk, all forgot to introduce to you." Qiao Wei took Gu Yaoyao's hand, "Professor Xia, you want to call your brother-in-law."

"Brother in law?" Gu Yaoyao felt that the seniority was quite different. Isn't this Xia Yunzhe's uncle? How suddenly became brother-in-law. Dare feeling in this family, everyone seems to have several different identities, and address is not the same.

This is the last thing Xia yueqian likes most. Every time he says it, he feels a little shorter than Huo Dongyang.

"Who let him marry my sister." Huo yunnuan mends the knife. "In fact, according to the genealogy, he called his father uncle. As a result, relying on the relationship between his mother and himself, he picked up a bargain

Xia yueqian's face changed. "Little warm, you seem to have forgotten one thing. I'm still your teacher. "

"Well, in front of my parents, it's a family relationship, brother-in-law!" Huo yunnuan added two words to his brother-in-law.

Gu Yaoyao looks at Huo yunnuan and Xia yueqian's remarks, and finds it very interesting. Although I still don't understand their previous generation's relationship, I can see that their relationship is very good.

"So lively!"

"Cloud Mu Xin walked into the ward," has not entered the door to hear your voice. "

Xia yueqian comes forward to take over the things in Yun Muxin's hands. "Wife, why are you here?"

"Xiaoxun goes back to the company and I'll be off work! It wasn't you who said I'd pick you up Cloud Mu Xin answers.

See Huo Dongyang and Qiao Wei also in, cloud Mu Xin some accident, "this room is very lively, uncle, aunt you are also in."

Yun Muxin finally looks at Gu Yaoyao who is sitting on the hospital bed, and still has some impression on Gu Yaoyao. After all, her second sister-in-law, Su Molly, mentioned it in her ears several times. With Sumerian Amway, Yun Muxin also pays attention to the news.

"Hello, Miss Gu Yaoyao!"

"Hello, sister."

As soon as Yun Muxin heard this address, he immediately laughed. "I don't deserve it. You look smaller than my little Joe! According to your age, you can be my daughter. "

Xia yueqian pulls Yun Mu Xin with a sour tone. "The elder sister is right."

"Well?" Cloud Mu Xin looked at her husband, as if to ask what this meant.

Qiao Wei introduced with pride: "Muxin, this is the daughter-in-law of Xiaoxun in our family!"

Yun Mu Xin's shock is no less than Xia yueqian. She even took two steps forward. "When did Xiaoxun get married? Why is there no news at all? ""Not long ago."

"But But it's not right Yun Muxin was shocked, "this is not Yun zhe he... "

Huo yunnuan directly showed his hands, "no way! My brother, go ahead! Now Xia Yunzhe is only envious

Cloud Mu Xin looks at Gu Yaoyao, the girl actually let Huo yunxun move the idea of marriage. This is really a big news!

"Did Xia Yunzhe know?"

"Xia Yunzhe doesn't know. My brother said to give him an unexpected surprise, lest he still think about my sister-in-law all the time, and see if he dare to say fair competition to my brother in the future

Gu Yaoyao, as the party concerned, did not dare to raise her head. People in this room are people who can't offend! At this time, she realized what it meant to marry Huo yunxun!

Yunmuxin still doesn't believe it. She can only ask Huo Dongyang for confirmation. "Uncle, is that true?"

"Well!" Huo Dongyang nods.

"Then my second sister-in-law must be hit hard when she knows it!" Yun Muxin has nothing to say.

Or God will!

But let Huo yunxun move the idea of marriage, Gu Yao Yao must have something extraordinary.

"Sister, brother-in-law, my brother-in-law and my sister-in-law have not yet made public. You are the second wave to know it! "

Cloud Mu Xin ha ha ha ha several times, then said: "I would rather not come here today, what do not know!"

In an instant, everyone laughed.

In the evening, Huo yunxun appeared in the ward.

"OK, the shift is over." Huo yunnuan stretched himself.

Before leaving, Huo yunnuan told Huo yunxun what had happened before.

"It's been a hard day for you."

Huo yunnuan smiles and reaches out to Huo yunxun. "Service fee."

"That's more."

"Of course, I'm not free." Huo yunnuan looks proud.

Huo yunxun nodded, "OK, go back first!"

"Don't be tired, either." Huo yunnuan patted Huo yunxun on the shoulder.

After Huo yunnuan left, Huo yunxun went to Gu Yaoyao. "How do you feel?"

"Feeling like a princess." Gu Yaoyao said with a smile.

Huo yunxun said with a smile, "Mrs. Huo should enjoy this."

[Chapter 672](#)

Gu Yaoyao, with a shy face, heard Mrs. Huo from Huo yunxun's mouth. She had an indescribable feeling in her heart.

"Have you had dinner?"

Gu Yaoyao finally came to her senses. She actually committed a love affair with Huo yunxun. However, it was a welfare that many people could not get.

"So that I can be full?"

"Because it's delicious." Gu Yaoyao said with a smile.

Huo yunxun reached out and gently flicked Gu Yaoyao's forehead.

"Come on, eat."

Seeing the food on the table, Gu Yaoyao was really hungry.

"I met my sister and brother-in-law in the afternoon."

"Well, I know." Huo yunxun nodded, while serving Gu Yaoyao with vegetables.

"I didn't expect each of you to have two identities. So the appellation is different." Gu Yaoyao bit his chopsticks and looks at Huo yunxun.

Huo yunxun thought of those relationships at home, or with a nod.

"Well, it's a little complicated."

"In fact, my father is the second son of the cloud family." Huo yunxun replied. "It's just that when something unpleasant happened, my father was raised by my great grandfather, so I followed my grandmother's surname."

"And Yunzhe's father, once the adopted son of the cloud family, was adopted by my uncle. So his surname is Yun, but when he comes to Xia Yunzhe's generation, his surname is Xia. Yunzhe's father and Xia yueqian are real brothers, so their family is called according to the family's seniority. "

Gu Yaoyao listened carefully to Huo yunxun's words, "it turns out that there is such a relationship."

"Well, it's all about dad and his generation. Their relationship is really complicated. My mother was once the ex-wife of Xia Yunzhe's father. On the day of their divorce, mom quickly and quietly married Dad

Gu Yaoyao's eyes are wide and round, which is amazing news. She blinked, but still didn't believe it was true.

"It's true." Huo yunxun said with a smile: "I heard that it was left and tied in half an hour."

Gu Yaoyao smile, did not expect father and mother's story so wonderful.

"Won't they be embarrassed to meet now?"

"No, it's been a long time. A lot of things are ignored by them. Now I'm a relative, and my relationship is better than before. " Huo yunxun looks at Gu Yaoyao, "will you feel very confused when listening to these?"

Gu Yaoyao shakes her head. "I love stories."

"I'll tell you more when I have time."

"Good!" Gu Yaoyao nods.

After a few days' rest in the hospital, Gu Yaoyao is also ready to return to the cast.

These days, Xia yueqian takes care of Gu Yaoyao himself. Whether it's checking or dispensing, it's all through his hands. In the eyes of others, Professor Xia has not personally examined people for years.

It seems that Gu Yao Yao's identity is not the same, it's just the caretakers.

The day before returning to the cast, Xia yueqian routinely came to Gu Yaoyao for examination.

"How do you feel?"

"Good!" Gu Yaoyao said with a smile. "Thank you for your care."

Xia yueqian put down Gu Yaoyao's report with a little displeasure on his face. "Is that a good cry from my brother-in-law?"

Gu Yaoyao is stunned. Can't you call it that way?

"Can't you say that?"

"Funny." Xia yueqian has a smile on his face.

Gu Yaoyao just breathed a sigh of relief. He was really nervous just now, so he thought he was not happy.

"It's the first time I saw Xiaoxun being so attached to women that he came to take care of you every day after work." Xia yueqian sits down and thinks that Gu Yaoyao will be discharged from hospital tomorrow. There are still some things to ask.

Gu Yaoyao blushed, "ah Xun is really good to me."

"Do you know what happened before Xiaoxun?"

Gu Yaoyao's heart is tight, "I heard cloud zhe elder brother say some."

"Xiaoxun didn't tell you?"

Gu Yaoyao's face changed. Huo yunxun never mentioned his past with her. I don't know if I don't want to, or I don't feel qualified to know.

When Xia yueqian saw Gu Yaoyao's face turn white, he saw the answer.

"Yao Yao, you are with Xiaoxun. We have no objection. But... "

"I know there's a big gap between us." Gu Yaoyao interrupts Xia yueqian.

In fact, anyone who knows she is with Huo yunxun will say so. But she and Huo yunxun's beginning, originally is with the contract relations. It was for her grandmother that she decided to get married.

But now she seems to be getting deeper and deeper. Looking back, she has no way to keep her heart, because she falls in love with Huo yunxun.

"Brother in law, I know my identity very well." Gu Yaoyao said in a low voice.

Xia yueqian feels that the atmosphere is not right, how suddenly low pressure. He just wanted to say, "but if you want to go hand in hand with Huo yunxun, you have to accept everything he has to do."

"Yao Yao, I didn't say anything to make you sad just now?" "No, No Gu Yaoyao shook her head.

Xia yueqian nodded, "these medicines, you remember to apply hot compress every day. If you have any discomfort, you can call me directly. "

"Well!"

Xia yueqian stood up and said, "I'll be busy first."

But Xia yueqian didn't know that his unfinished words had a great influence on Gu Yaoyao. As a result, he was treated coldly by Qiao Wei.

The next morning.

Zeng Ni came to pick Gu Yaoyao out of hospital, and then set off for the film and television city.

"Wait for Huo Shao?"

"He is busy today. I don't want to trouble him running around. " Gu Yaoyao replied.

In fact, she wants to avoid Huo yunxun. He will miss him when he comes! So she asked Zeng Ni to pick herself up an hour in advance, just to leave before Huo yunxun came.

Marriage without love should not be extravagant. She should have had time to take heart now.

Looking at Gu Yaoyao, Zeng Ni was very worried.

"Are you all right?"

Gu Yaoyao shakes her head. "Let's go!"

When Gu Yaoyao is ready to board the plane, Huo yunxun calls.

Gu Yaoyao didn't answer. Instead, she turned her mobile phone to silence. When the ring was over, she turned it off.

When Huo yunxun dials again, Gu Yaoyao is turned off.

He looked at the empty ward and frowned. She left ahead of time?!

"Young master, Zeng Ni's mobile phone is not working."

"Check it out."

"Yes

Huo yunxun felt something was wrong. He said yesterday that he would pick her up today and send her to the airport. Why did you leave early?! What happened?

There was a party last night, so he didn't come to the hospital.

"Young master, young lady has boarded the plane."

"She changed her flight?"

"Yes. It was changed last night. One flight ahead. " Ah Jin replied.

Huo yunxun clenched his mobile phone and his face was not good. Gu Yaoyao has something to hide from herself.

"Ah Jin, let the arranged people secretly protect Yao Yao."

"Yes

When Huo yunxun left, he just met Xia yueqian.

"Xiaoxun has come to meet people so early?"

"Brother in law, when you checked with Yao Yao yesterday, did she have any abnormality?"

"No! What's the matter? "

Huo yunxun frowned more tightly. "She left early."

[Chapter 673](#)

Xia yueqian's eyes flash, not really related to themselves!

Think of yesterday Gu Yaoyao suddenly become different face, Xia yueqian but some shiver. Can't be oneself really say wrong what? If so, he will be destroyed by Huo Dongyang and Qiao Wei!

"Brother in law!"

"Well?" Xia yueqian looks back and looks at Huo yunxun.

Xia yueqian saw the eyes of Huo Dongyang, and was afraid. He faltered, "in fact, it's nothing. I just talked about you and Li Mengyao."

"What!" Huo yunxun suddenly got angry.

Xia yueqian knew that he had done something wrong, and his voice became smaller and smaller. "Just one word, she said she had heard from Yun zhe before."

Huo yunxun completely speechless, turned around and left.

A Jin takes a look at Xia yueqian. "Uncle Qian, you seem to be in trouble this time."

"I..." Xia yueqian is hard to distinguish now!

On the other side, Gu Yaoyao has already taken a car to the crew.

She didn't turn it on, and the whole person was staring out of the window.

Zeng Ni looked at Gu Yaoyao's state, and said, "what's wrong with you? Not feeling well? "

"Sister, do you think men will remember their favorite?"

Zenny laughed. "I'm a single dog, and I don't have any experience in it."

After Gu Yaoyao asked, she thought she was crazy. She even cared about Huo yunxun's past. Want to also know, oneself and Li Mengyao difference is not a little bit, not even the qualification of comparison.

"What's wrong with you and Huo Shao?"

"It's OK." Gu Yaoyao shakes her head. "I want to sleep. Call me if you need anything

Zenny nodded, "MMM!"

Zeng Ni saw a Jin's message and asked Gu Yaoyao how she was. Zeng Ni quickly replied that she wanted to ask Huo yunxun and Gu Yaoyao if something was wrong. But on second thought, I am not qualified to ask.

After all, this is a private matter between Huo yunxun and Gu Yaoyao. What's more, it's taboo to inquire about Huo yunxun's private affairs!

And Gu Yaoyao has always said that it's OK, so it should be OK. Husband and wife always have quarrels. It will be better in a few days.

After arriving at the crew, Gu Yaoyao personally greets the director and other staff.

"What about the wound?" Lu Yichuan asked with concern.

Gu Yaoyao said with a smile, "it's OK."

"Don't be too reluctant." Lu Yichuan added.

"No

"OK, I'll go back to the hotel and have a rest. It will start tomorrow. "

Gu Yaoyao nodded, "thank you, director."

Looking at Gu Yaoyao's back, Lu Yichuan has a premonition. She'll shine soon.

At this time, Lu Yichuan received a call from the producer.

"Ludong, we just received a new investment." The producer was happy on the phone.

"Who put in the money?" Lu Yichuan asked.

These days, because Gu Yaoyao is not here, all the progress is slower. They even plan to cut back on the length of the show. Now the input cost is very high every day. It's just burning money. They are worried that they will be nervous later!

It's just God's blessing that someone has sent a helping hand in time.

"The eldest lady of the Huo family."

Lu Yichuan remembers what he Yun said before. Gu Yaoyao is Huo yunnuan's introduction. Is there any support from the Huo family behind Gu Yaoyao?! If so, that would be wonderful.

"Miss Huo wants to talk to you."

"Good."

After a while, Lu Yichuan heard the warm voice of Huo Yun.

"Hello, director Lu! I'm Huo yunnuan

"Hello, Miss Huo." Lu Yichuan dare not neglect.

Huo yunnuan said with a smile: "director Lu doesn't need to be rigid. I'm here to cheer you up

"It's my job to bother Miss Huo. Of course I will try my best. "

"Lu Daoqian is modest." Huo yunnuan went on to say, "don't worry about the money. You must talk about the works."

"Yes, yes, yes. May I venture to ask another question?"

"Yes."

Lu Yichuan has been brewing his emotions for fear of offending the gold master. "What is the relationship between you and Gu Yaoyao? I heard he Yun say that you introduced Gu Yaoyao to her last time. "

Huo yunnuan laughs more. "What? Do you suspect that Yao Yao was taken care of by me

"I dare not, dare not!" Lu Yichuan's hair stood up.

"Yao Yao helped me a lot. So in return, of course, I want to fully support Yao Yao. This time, she was a victim. Now bear the pain to go back to film, I am heartache. It's just good to hear that you're in a little trouble! So it means

Lu Yichuan can't help but be surprised that Gu Yaoyao helped Huo yunnuan, so there is no need to worry about the future.

"Thank you for your support

"Yao Yao doesn't know my identity, so I hope you don't tell her! I just like her to be herself all the time" Yes, yes. I understand

Because of the new investment, the crew was a little bit slower.

When Xia Yunzhe returned to the crew, he heard that Gu Yaoyao was back. He happily went to see Gu Yaoyao with a fruit basket.

"Yao Yao, you are back!"

Gu Yaoyao nodded, "I heard you went to record the program?"

"Yes, just back."

Gu Yaoyao originally thought that two people would be embarrassed, but now it seems that they do not. It also made her a little easier.

"Is the body OK?" Xia Yunzhe is concerned.

"Yes."

Xia Yunzhe looks at the medicine on Gu Yaoyao's table, but he is still worried.

"There are so many medicines, and they say it's OK."

"Just watching more."

Xia Yunzhe sees Gu Yaoyao holding the script in his hand, "so spell it? It seems that brother Xun didn't open the back door for you. "

"We have a clear distinction between business and private affairs."

"You are stupid! They don't know how to seize the opportunity. " Xia Yunzhe looks at Gu Yaoyao with disgust.

In recent days, Xia Yunzhe thought calmly that he must work harder to let Gu Yaoyao see his ability. Maybe she will feel better when compared.

After all, they are in the same circle and have the same topic. And Huo yunxun is too dull to know women at all.

So if they want to go on, it is very difficult. Huo yunxun will not leave everything of the Huo family, otherwise he and Li Mengyao would have become.

"I just want to be on my own." Gu Yaoyao has no voice.

Suddenly I miss Huo yunxun! I don't know what he's doing now. Will you be angry because you leave early? Gu Yaoyao looks at her mobile phone. She doesn't turn on the phone. She is worried that it will be affected.

"Yao Yao!"

"Well?" Gu Yaoyao revived.

"What do you think you're so absorbed in?" Xia Yunzhe actually saw it, but asked on purpose.

Gu Yao Yao drooped her eyes. "I'm afraid I can't keep up with the schedule tomorrow."

"What am I afraid of?"

Gu Yaoyao was stunned. He seemed to have similar words, but he felt different from Huo yunxun and Xia Yunzhe. And I like Huo yunxun's stability more.

"Give me more advice, master!"

"No problem!"

[Chapter 674](#)

the second day.

Gu Yaoyao officially started shooting, because of a lot of progress, so the rhythm is a little fast.

When standing for a long time, Gu Yaoyao's waist hurts. But she has been holding on, did not tell anyone, just do not want to cause trouble to others.

When she finally had a rest, Gu Yaoyao felt that her back was stiff and she had no strength to sit down.

Xia Yunzhe saw Gu Yaoyao's unnatural, and he stepped forward. "What's the matter?"

"No..."

"You have something to do." Xia Yunzhe reaches for Gu Yaoyao to sit down. But Gu Yaoyao shook her head, "no more."

She wants to get down and change her dressing if she can.

"Come up, I'll carry you." Xia Yunzhe squats down. "You must be uncomfortable in this situation. Zenny is the same. She doesn't accompany you, and you don't have an assistant. How can it be difficult to do that? "

"I used to deal with it alone."

"But you're hurt now." Xia Yunzhe really wanted to scold Gu Yaoyao. But when I saw the sweat on her forehead, I held back!

Xia Yunzhe asks a person to help, and then carries Gu Yaoyao to the rest room.

It happened that this scene was photographed by people's mobile phones, and news quickly appeared on the Internet.

"Xia Yunzhe and Gu Yaoyao are sweet in the studio. Xia Yunzhe takes good care of his girlfriend and plays the back of love."

Seeing the news on the Internet, Huo yunxun's face sank. From yesterday to now, Gu Yaoyao has been shut down. Zeng Ni always said that Gu Yaoyao was OK.

Huo yunxun calls Gu Yaoyao again, still shutting down the phone. This time, he called Xia Yunzhe.

"Huo Shao, er Shao's mobile phone is here."

Xia Yunzhe's mobile phone is put in agent Dahong.

"Put him on the phone."

"Yes, just a moment."

Dahong is in a hurry to find Xia Yunzhe with his mobile phone.

"Phone call, Huo Shao."

Xia Yunzhe stood at the door of the rest room. The makeup teacher helped Gu Yaoyao change his dressing in the lounge, so he didn't go in.

"Hello

"Are you with Yao Yao?"

"Of course we are together." Xia Yunzhe heard that Huo yunxun was looking for Gu Yaoyao.

"Let her pick it up."

Xia Yunzhe thought it funny, "did I hear it right? Call me here, actually let Yao Yao answer

"Her cell phone doesn't work."

"I see, but Yao Yao will be resting now. If you need anything from me, please say it."

"....."

Seeing that Huo yunxun did not speak, Xia Yunzhe was not forced to do so. "If not, I'll hang up. I'll shoot."

"Ask her to call me back later."

"Oh."

As soon as Xia Yunzhe finished the call, Gu Yaoyao came out. Xia Yunzhe immediately supported her. "Is it painful? Why don't you tell the director that we won't shoot in the afternoon? "

"No Gu Yaoyao refused. "I can."

"Why are you so stubborn. To be a woman, you have to learn to be coquettish occasionally. That's lovely. "

Gu Yaoyao did not answer, but went on.

"Brother Xun called just now, saying that you shut down and asked you to call back."

Gu Yaoyao blinked and nodded.

Xia Yunzhe knew something must have happened, "how do I think you two have problems?"

"Nothing."

The break is over and the shooting continues.

In the play, the woman and the man break up. Gu Yaoyao thought that she would be separated from Huo yunxun, and the expression of heartache clearly appeared on her face! Therefore, Gu Yaoyao's mood was in place throughout the show, and even played out the feeling of heartache to the point where she couldn't breathe.

All the people at the scene were infected by Gu Yaoyao, and many female staff members secretly wiped their tears.

Even Xia Yunzhe, who plays with Gu Yaoyao, is also driven, and his heart is constantly throbbing. She acted so that her emotions were precipitated in!

"cut!"

After the director called to stop, Gu Yaoyao was still crying in her mood. Xia Yunzhe hugged her painfully.

"No crying. It's over. "

Gu Yaoyao's tears slowly stopped. "I'm sorry!"

"I'm sorry! Well done Xia Yunzhe gently patted Gu Yaoyao's head and comforted her.

Gu Yaoyao actually took Xia Yunzhe as Huo yunxun just now. If she really arrived and separated from Huo yunxun, she felt that she would be more miserable and heartbroken than now.

At the end of the day, Gu Yaoyao's spirit and physical strength have been overdrawn.

He simply took a bath and went to sleep. He completely forgot to call Huo yunxun back.

Gu Yaoyao didn't open her eyes until the alarm clock rang the next day. Then she went to wash and prepare to go to the studio.

Zeng Ni came to deliver breakfast to Gu Yaoyao and handed her her mobile phone.

Gu Yaoyao looks at Zeng Ni, how to give her mobile phone. "Huo Shao," zenny said with her mouthGu Yaoyao noticed that the mobile phone kept talking. Seeing the familiar number, Gu Yaoyao still didn't resist and took the phone.

"Ah Hoon!"

"It's not easy to wait for your call."

Gu Yaoyao knew that she was wrong because she was intentional.

"I've been busy these two days, so I forgot." Gu Yaoyao found a more appropriate excuse.

"Yao Yao, are you hiding from me?"

Gu Yaoyao's pupil shrinks, so he knows.

"If you don't speak, I'll take it as your acquiescence."

"No!" Gu Yaoyao denied it loudly. "Really."

Gu Yaoyao seemed to hear Huo yunxun's voice and sighed helplessly, "take good care of yourself!"

"Well!"

At the end of the call, Gu Yaoyao was relieved.

Zeng Ni saw the question on the side, "you are really hiding from Huo Shao. What's the matter?"

"It's nothing. It's just something that suddenly comes to mind." Gu Yao Yao has no light in her eyes, "so I want to calm down."

Zeng Ni frowned. "In fact, Huo Shao is really good to you. You've been calling me all these two days to ask about you. "

"I know." Gu Yaoyao nods silently. "Sister, I think I've become greedy."

Zeng Ni didn't speak. After all, it was a private matter between Gu Yaoyao and Huo yunxun.

"By the way, the magazine you shot last time will be on the market tomorrow."

Zeng Ni received a phone call from He Yun yesterday, in which he Yun also said that she hoped Gu Yaoyao could shoot a group of planes again after the TV play was over.

"What do you think?"

"Yes." Gu Yaoyao nods.

If you are busy, you won't think too much!

After breakfast, Gu Yaoyao went to the set to film. When we get to the scene, we immediately go to make up.

At this time, the staff went into the dressing room and said, "Yao Yao, your mother is here!"

"My mother?" Gu Yaoyao looks surprised. Her mother has long been gone. How can she come?

The next second, my heart beat. She immediately got up and walked out of the dressing room.

At the gate of the studio, Gu Yaoyao sees Qiao Wei from a distance. She was waiting with two bags in her hand.

Gu Yaoyao's eyes are a little moist, but she didn't expect that she would come here in person.

Qiao Wei soon saw Gu Yaoyao and laughed at her: "Yao Yao! Mother has come to see you

[Chapter 675](#)

Gu Yaoyao walked quickly to Qiao Wei, but still did not recover from surprise.

"Mom, why didn't you say that?"

Qiao Wei said with a smile, "if you say it, you can't come."

Gu Yaoyao was very moved. She didn't expect Qiao Wei to be so nice to herself.

"Thank you, mom."

Qiao Wei looked at Gu Yaoyao with heartache, "what did the silly child say? Thank you! I brought you a lot of delicious food and chicken soup that your father cooked himself

Gu Yaoyao immediately reached for the bag in Qiao Wei's hand. "I'll get it."

"No, No Joe shook his head slightly. "Can I find a place to sit down now? I have to watch you drink the chicken soup first

Gu Yaoyao immediately contacted Zeng Ni and told her the situation.

Zenny came in a hurry. When she saw Qiao Wei, she was like seeing a big man.

"Hello, Mrs. Huo!"

"Don't be so formal." Replied Jovi. Then she took out a wrapped gift from the bag and handed it to zenny.

Zenegan did not dare to answer. She looked at Qiao Wei at a loss.

"It's a little bit of a treat to meet for the first time." Qiao Wei again handed the gift to zenny.

Zeng Ni still dare not answer, "this is not good..."

"There's nothing wrong with that." Qiao Wei forced the gift into Zeng Ni's hand. "Hard work, you take care of our Yao Yao."

Zeng Ni accompanied with a smile, "this is all I should do."

"Yao Yao's play has not started yet? Can we have our mother and daughter talk? "

"Well, I'll arrange it right away." Zenny turned and arranged.

Qiao Wei looks at Gu Yaoyao with satisfaction. The more he looks, the more satisfied he is.

"Mom, are you alone?"

"No. My dad's waiting outside in the parking lot. If he came in, he might be found out. " Replied Jovi.

When Gu Yaoyao was in hospital before, she heard Huo yunnan nagging. Huo Dongyang and Qiao Wei almost went out together. Especially Qiao Wei wants to go out, Huo Dongyang is sure to follow.

Today, it seems to be worthy of its reputation.

"How are you these two days?"

"Much better." Gu Yaoyao has never reported good news but not bad news. All the pain is carried by her.

Qiao Wei looks at Gu Yaoyao with suspicious eyes. She knows Gu Yaoyao better than anyone else. She is similar to her own when she was young, but she can carry more than she used to. It is not easy for her to go out to work to support herself and her grandmother when she is young!

After a while, zenny came back.

"I asked for leave with the director, and your part will be pushed back."

Thank you Gu Yaoyao nods. "Mom, let's go to the room and talk."

"Good!"

After arriving at the room, Qiao Wei gives Gu Yaoyao the chicken soup stewed by Huo Dongyang.

"Soup while it's hot!"

Gu Yaoyao sat down and immediately began to drink the soup, "well, have a good drink!"

"Your father cooked it specially for you." Said Joe, smiling. "There are some other dishes in this thermos. You'll be hungry later. It's better than the crew's lunch box. Of course, it's all done by your father. "

Gu Yaoyao's heart is warm, she put down the spoon. "Mom, thank you and dad."

"Silly boy, we are a family! Thank you! If you have anything to eat, just let me know and ask your father to make it for you. Your father's craftsmanship is better than that of the chef out there

"Well, last time I had it, I thought it was good!"

Qiao Wei heard Gu Yaoyao's praise, and the smile on her face was deeper. She just liked to listen to these words.

waited until Gu Yuri Huang finished his soup, and Qiao Wei took out two bottles of spray from his bag.

"This medicine was sent by your aunt LAN from the United States, saying that it has good curative effect! You have your agent spray it every day before you go to bed. "

"Mom, this time my brother-in-law has given me some medicine!"

Hearing Gu Yaoyao mention Xia yueqian, Qiao Wei's smile disappeared completely, and with some anger.

"Hum! I don't need to look for him in the future. "

"What's the matter?" Gu Yaoyao asked.

Qiao Wei pulls Gu Yaoyao, some displeasure in his eyes, "did he tell you about Xiaoxun's past a few days ago?"

Gu Yaoyao immediately turned her head away, "No."

"Don't deny it, he has already admitted it himself! Don't cover up for him

See Gu Yaoyao did not speak, Qiao Wei began to worry, this time she is also for Huo yunxun. She can't let Gu Yaoyao and Huo yunxun estrange, wait for such a long time to meet the right person, then she has to help her son stay Gu Yaoyao.

Since yesterday in the phone to hear Huo yunxun that tone of loss, she knew Huo yunxun is serious to Gu Yaoyao!

"Yao Yao, Xiaoxun did have a relationship with Li Mengyao in the past. But mom hopes you can use your heart to feel Xiaoxun's affection for you. He and Li Mengyao are no longer possible. ""Xiaoxun is sincere in marrying you! Since he is married, he will not divorce easily. This is what your father and I said to Xiaoxun and xiaonuan at the beginning! There are not many times in life that you can toss about. "

Gu Yaoyao droops her eyes. Her mood is somewhat complicated. In fact, to be exact, it's just that I'm too inferiority complex!

"Mom, in fact, there is a big gap between me and a Xun!"

"Silly boy, these are not problems." Qiao Wei is a person who came here. She holds Gu Yaoyao's hand in her hands: "Mom will ask you something."

Gu Yaoyao looked at Qiao Wei, and then heard Qiao Wei's words: "do you like Xiaoxun? If you like it, don't deny yourself easily. When I was married to your father, it was in my most embarrassing time. And he used action and ability to support me for a new world. And he encouraged me to find a goal in my new life. "

"Yao Yao, I just want to tell you. There is no absolute in the world! How can you know it's not suitable if you don't try it? Maybe you are the most suitable one

Gu Yaoyao's heart is pounding and banging. She admits that she is excited.

"That's what your father said to me. And because of that, I took the first step. " Qiao Wei thought of it, but also felt incredible. Thirty years have passed so quickly.

"How nice of you, mom!"

"Mom doesn't want you to miss each other!" Qiao Wei sincerely hopes that the two children can be well.

Gu Yaoyao tried to pull out a smile, "I know."

"Good boy, mother knows you can't mistake people." Jovi nodded with relief. "When you're not busy, give Xiaoxun a call. I think he is in a bad mood these two days

Gu Yaoyao nods. "Well! I will. "

"That's good. When there is a problem with your feelings, you should say it out instead of avoiding it. This will only lead to greater misunderstanding! "

Gu Yaoyao nods hard, "I know!"

Qiao Wei this just completely relaxed a breath, "by the way, let me see your back wound."

"It's nothing."

"No, I have to make sure myself."

[Chapter 676](#)

When Qiao Wei rubbed the medicine for Gu Yaoyao, there was a knock at the door.

Gu Yaoyao wants to struggle to open the door, Qiao Wei presses her. "Don't move. I'll open the door."

"This..."

"Nothing. They all know that I am your mother now

Of course, Gu Yaoyao couldn't argue with Qiao Wei, so she could only follow her wishes.

When Qiao Wei opened the door, Xia Yunzhe's voice sounded: "Yao Yao, I heard your mother came! So I came here to say hello

Qiao Wei stands at the door, staring at Xia Yunzhe who has just made up. This boy is really courteous.

"Yes! How are you going to greet me

Xia Yunzhe saw clearly the person who opened the door, and there was no reaction for several seconds! He even tried to turn around and run away for a moment. How to meet this great God, and also represents another great God has come!

Xia Yunzhe is remorseful in the heart, how to be blocked in the muzzle of the gun!

"Auntie Hello, Auntie and grandma... " Xia Yunzhe called in a low voice.

Although Qiao Wei is not as tall as Xia Yunzhe, his momentum is definitely higher than that of him, and his eyes slightly pick him up.

"What are you doing here?"

Xia Yunzhe is in a dilemma, carrying a stone to hit his own feet.

"I just heard that Yao Yao's mother is coming, so I came here to say hello." Xia Yunzhe's voice is getting smaller and smaller. He usually dares to say a few jokes aloud.

Now I don't dare!

"Now that people have seen it." Qiao Wei holds his arms in both hands and looks at Xia Yunzhe in time to see how he wants to round back.

Xia Yunzhe's head is on the low horse. Recently, there are news about himself and Gu Yaoyao on the Internet. Now, I'm sure there will be a lot of criticism.

"Little Zhe, auntie, I don't care about the news on the Internet. But one thing you have to make clear is that Yao Yao is your aunt. "

Xia Yunzhe murmured in his heart: "this is clearly not married, so we declare sovereignty. The Huo family is really strong. "

"I won't disturb you if I have something else to do. In fact, I'm here to inform Yao Yao that we'll be in our play soon! "

"I'll change Yao Yao's medicine and let her go."

"Yes, yes, yes, the little one will leave first." Xia Yunzhe asked for instructions.

Joe nodded. "Well, yes."

Xia Yun philosophy of TV drama, those eunuchs, have been back several meters before they dare to stand up straight and turn around and walk.

Xia Yunzhe went to the hotel lobby and saw another Buddha sitting there. Although he was over 50 years old, it was well maintained. Sitting there wearing sunglasses, people who don't know think they are stars!

Seeing Huo Dongyang raise his head, Xia Yunzhe can only slowly move to his face.

Dare to feel oneself is to look for abuse, meet them really bad luck! But we can't ignore it. Otherwise, it will be hard in the future!

"Uncle."

Huo Dongyang put down his mobile phone and took a look at Xia Yunzhe and only made a sound.

"Well."

"I didn't expect my uncle and aunt to come together."

Huo yunxun pushed his sunglasses. "No way?"

"No, No Xia Yunzhe did not dare to command them.

From childhood, he knew that his father and uncle did not dare to speak loudly in front of Huo Dongyang. Not to mention their generation! Even uncle Qin's family in the United States is like this.

Huo Dongyang didn't embarrass Xia Yunzhe. He never interfered in children's affairs.

"Not busy? Not yet. "

Xia Yunzhe nodded repeatedly. "Uncle, if you're not busy, I'll invite you and your aunt to dinner after I finish shooting. Of course, Yao and Yao will go together

"No, we'll go back to city a in a minute."

"I'll invite you to dinner when I get back to city A Xia Yunzhe said cautiously.

Huo Dongyang again, and then stood up.

Xia Yunzhe's heart is tight, think he said something wrong, will be accounted for! When Huo Dongyang stood up, he immediately stepped back!

But after that, Gu Yaoyao and Qiao Wei's voice rang out. Xia Yunzhe looked back and immediately let the theme out.

"Dad..." Gu Yaoyao called.

"If you want to be busy, do it first." Huo Dongyang said to Gu Yaoyao. "Work matters."

"Well..."

Qiao Wei sees Gu Yaoyao's worry, "your father and I will go around and go home later."

Gu Yaoyao felt guilty. They had come all the way from city to send food for themselves. They had to rush back. It's so hard for them!

"Xia Yunzhe, take care of our family." Huo Dongyang gave the order.

"Yes! The little one will do his best to die! Please rest assured Xia Yunzhe nodded.

Qiao Wei takes Gu Yaoyao's hand again. "Go! Remember what I said, huh? "

"Good."

Xia Yunzhe and Gu Yaoyao go to the studio together. Xia Yunzhe is still in fear, but he has to face his mouth. "Yao Yao, you have a big shelf!"

"What do you want to say, Brother Yun zhe?"

"You and brother Xun are not married. These two Buddhas come to ask for help! It's like treating you like a little granny of the Huo family. "

Gu Yaoyao didn't answer. She still didn't want to say about her marriage to Huo yunxun.

"Yao Yao, do you really want to go down with brother Xun?"

Gu Yaoyao just looks at Xia Yunzhe with a polite smile. "Brother Yunzhe, did they go to your family party when they were together?"

"Who?"

"Princess highness."

Speaking of Li Mengyao, Xia Yunzhe is disgusted. "Once. But it was the most unpleasant time for us

"What do you say?"

"There are too many troubles..."

The two chatted all the way to the studio. After making up and changing clothes, they started shooting formally.

Because they have been filming together for a long time, they have a tacit understanding, so there is no problem in the cooperation, almost all of them are in the same line.

Huo Dongyang and Qiao Wei stand side by side in a second floor of the movie and television city.

"They have a good understanding."

Huo Dongyang hugs Qiao Wei. "Don't worry! It's just a tacit understanding at work. I don't think Xiaoxun will let his wife out! Just like I was. "

"Xiaoxun is a little different from you. That is, he won't take the initiative. If only he had the one-third impulse you used to chase me! "

"Not necessarily!" Huo Dongyang replied. Because he saw a Jin's people secretly protecting Gu Yaoyao.

Who said Huo yunxun didn't care about Gu Yaoyao? These details are clear!

"It's time for us to go."

"Well!"

On the way back, Qiao Wei saw a poster of Gu Yaoyao on the billboard of a building! Gu Yaoyao on the poster is totally different from her usual one. She is a cover girl full of charm and mystery.

The effect of this photo is no worse than those world famous models. Such an oriental face just kills a lot of men's hearts!

Then Qiao Wei saw Gu Yaoyao's figure on a large LED display. On the screen, Gu Yaoyao filmed the cover of the magazine.

"Dongyang, hurry up! Look

[Chapter 677](#)

Gu Yaoyao on the screen successfully holds all the styles, with a charm different from other female artists.

Huo Dongyang took a look, then said: "the son's vision is good."

"Of course! Yao Yao is really beautiful

"I'm afraid there will be more trouble in the future." Huo Dongyang said objectively.

In this way, Gu Yaoyao will be seen by more people. Maybe some people like Xia Yunzhe are more afraid of death.

Qiao Wei knew his meaning from Huo Dongyang's words, but she didn't care! Anyway, Huo yunxun and Gu Yaoyao have a certificate in hand. They are afraid that someone will rob them!

"Yao Yao belongs to our family!"

"What if she finds out later that there is a better man than Xiaoxun?"

Qiao Wei is discontented to stare at Huo Dongyang, "what are you talking about! How to turn your elbow out? "

"Don't be angry! I'm just making a metaphor. "

Joe snorted. "Who dares to rob me? I'm the first one to stand in front of me. Unless I fall down, no one will think about it! And I believe Xiaoxun won't watch his wife being robbed! "

See Qiao Wei angry, Huo Dongyang put out his arms around her. "Don't be angry. Everything is OK."

"I hope Xiaoxun and Yaoyao are open now, so that no one will think about it."

At this time, in a city, it is a vast amount of publicity materials. He Yun has paid a lot of money for Gu Yaoyao.

HY magazine is to create a new record, the first less than an hour was sold out, in such an era of network information developed, there is such a good record!

Because Gu Yaoyao on the cover gives people a sense of mystery, so many people want to explore more will buy the magazine.

The results were gratifying, so he Yun immediately asked the printing plant to print a batch of emergency.

Huo yunxun, sitting in his office, also saw such news about Gu Yaoyao. There are at least a hundred magazines in his office. He also bought all the only five limited edition posters of Gu Yaoyao sent out by the magazine.

The refined poster highlights the beauty of Gu Yao Yao. With the background set off, it can be said that Gu Yao Yao in the poster adds a bit of immortal spirit.

Huo yunxun looked at the still quiet mobile phone, and felt a sense of loss.

He said he didn't hide himself, which is clearly!

A Jin enters the office and routinely reports Gu Yaoyao's situation to Huo yunxun. After finishing the business, a Jin told Huo yunxun about Huo Dongyang and Qiao Wei who had been on the set today.

"Did your parents go to Yao Yao?"

"Yes. I haven't seen Xia Er before. "

Huo yunxun frowned, which was obviously for him.

"I see."

"Just now I have received news that he Yun has urgently printed this issue of the magazine."

"Well!" Huo yunxun nodded.

Huo yunxun looked at Gu Yaoyao's photo again, "ah Jin, don't arrange work for me tomorrow."

"Yes

Huo yunxun wants to see Gu Yaoyao. The situation of these two days gives him a warning. His prediction is about to appear, even more serious than he thought.

At eight o'clock in the evening, Huo yunxun's mobile phone rang.

He didn't want to pick it up, but when he saw the caller ID, he immediately picked it up.

"Hello

"Ah Xun..."

Hear Gu Yaoyao's voice. Huo yunxun's face had a trace of gentleness. "Well..."

"Have you eaten yet?" Gu Yaoyao continued.

Huo yunxun went to the window with his mobile phone and looked at the dark sky outside.

"And you?"

"I have. Today, mom and dad came to see me and brought me delicious food Gu Yaoyao said with a smile.

Huo yunxun's eyes faded from indifference, and then with tenderness, as if Gu Yaoyao was happy, his mood would be better.

"Good! I haven't eaten yet

"Why don't you eat yet?" Gu Yaoyao's tone is concerned.

Huo yunxun's mouth slightly raised, "overtime!"

He must finish his work for tomorrow today before he can leave.

"How long will it take to complete the task?"

"More than an hour to go."

"So you've been hungry?" Gu Yaoyao asked in a low voice.

Huo yunxun doesn't want Gu Yaoyao to worry. "Ah Jin will bring me dinner."

Outside the door, ah Jin's OS in his heart is like this: "I'm hungry too! Too busy to eat

"Don't be too tired." Gu Yaoyao explained a few words. "I have a night play today, and I'm going to prepare for it."

"Well!"

Huo yunxun put down his mobile phone and looked out. Thinking that I could see her tomorrow, I couldn't help but be elated.

Twenty minutes later. Ah Jin knocks on the door and comes in with a take out bag from a famous restaurant near HD.

"What is this?"

"It's just from the takeout." Jin puts the bag on the table. "I think it should be ordered by the younger lady."

Huo yunxun a listen, immediately open the bag, looking at the lunch box top also put a piece of paper.

"Eat well." The signature is Yao Yao.

A Jin looks at the change of Huo yunxun's expression and knows how much Gu Yaoyao's weight is! A takeaway can make Yu xiheng, who has been gloomy for two days, show such an expression, and then know how powerful it is.

"You go out first."

Ah Jin nods. Of course, he can eat. Gu Yaoyao ordered two copies, one for Huo yunxun and the other for him. It also saved him from starvation.

Huo yunxun while eating to Gu Yaoyao message, "thank you for your dinner."

However, Gu Yaoyao has not replied, should still be filming, so the reply is not timely.

Huo yunxun ate the food outside for the first time. This time, he ate it clean. I don't know if I'm hungry so I feel delicious. Or is it because Gu Yaoyao cares about herself.

After a day's work, Gu Yaoyao dragged her tired body back to the hotel for a rest.

After a bath, Gu Yaoyao went to have a rest. Before going to bed, I saw the information sent by Huo yunxun earlier.

She returned a heart, then closed her eyes and went to sleep.

Today, Qiao Wei said something about her heart, so she also wanted to try. No matter what the result is, she would like to have a try with Huo yunxun, in case it really comes true? Then you don't have to leave.

In case really can't, but at least oneself has loved diligently, this also won't leave any regret!

As soon as it was dawn, Gu Yaoyao turned off the alarm clock and got up to wash. She shuffled into the bathroom. As soon as she turned on the tap, she heard a knock on the door.

Thinking that zenny was so early today, she went to open the door.

"Sister, are you so early today?"

"Morning?"

When Gu Yaoyao heard a familiar voice, she could see who was standing in front of her.

"Don't let me in? Or do you want others to see it? "

Gu Yaoyao immediately turned to let Huo yunxun come in.

"How could you..."

Huo yunxun hugged Gu Yaoyao the moment the door was closed.

"I miss you so much!"

[Chapter 678](#)

After hearing Huo yunxun's words, Gu Yaoyao also reached out to hold him with a sweet smile on her face.

In fact, she also wanted Huo yunxun, but she didn't say it this time.

"Why don't you talk?"

"Not yet." Gu Yaoyao said with a smile.

From the moment Huo yunxun held herself, she had already felt the sense of reality and let her heart find her own belonging.

Huo yunxun let go of Gu Yaoyao, "it seems that just got up."

Gu Yaoyao is embarrassed. She covers her face and runs out of the bathroom. I'm so ashamed. How could this happen?! Huo yunxun saw his ugliest appearance.

After turning on the tap, Gu Yaoyao quickly washed her face with clear water.

"I think it's OK." Huo yunxun leaned against the door.

Gu Yaoyao looks at the smile on Huo yunxun's face from the mirror. "It's OK, it's not good. It's already forced."

Huo yunxun just smiles and feels lovely for Gu Yaoyao's reaction. He has seen her in every way! Gu Yaoyao's plain face is beautiful and looks as pure as a student.

But think of her in hy magazine, it's too bad! It's too far away from the real her!

"Are you still laughing?"

"Why don't you make me laugh?" Huo yunxun joked.

"No way!" Gu Yaoyao has a douzui.

Huo yunxun stepped forward and put Gu Yaoyao in his arms with a long arm.

"In front of me, don't care. I think it's good. " Huo yunxun lowered Gu Yaoyao's head and said, "and I told you, just be yourself!"

Gu Yaoyao drooped her eyes and didn't dare to look directly into Huo yunxun's eyes. "You just said it was OK. It was contradictory."

"Just think I'm wrong."

After Gu Yaoyao cleaned herself up, she sat down to eat the breakfast brought by Huo yunxun.

"When did you arrive?"

"Six in the morning." Huo yunxun replied. "By car."

Gu Yaoyao glared at her eyes. "Are you driving alone?"

"Well!" Huo yunxun nodded.

After working overtime last night, he went home to take a bath, changed his clothes and drove over. He also took a squint at the rest station. I waited until dawn to drive to the movie and television city. On the way, I bought a love breakfast for Gu Yaoyao.

Gu Yaoyao got close and saw the blood in Huo yunxun's eyes. It must be very tiring to drive for four or five hours!

"I'm going to film later, and you'll sleep here."

"Good!" Huo yunxun agreed without thinking.

Huo yunxun's mood darkened when he heard Gu Yaoyao say that he had a kiss show with Xia Yunzhe today. It seems that it is intentional.

Gu Yaoyao sees Huo yunxun's face is not good, she reaches out to touch his face, "so what do you think?"

"Not so much!"

Gu Yaoyao put her arm around Huo yunxun and whispered, "don't do this. This is my job."

"Can we not accept such a play in the future?"

Gu Yaoyao chuckled. "Now almost all plays are. This is inevitable. "

"Then don't film."

Gu Yaoyao's eyes with a smile, "in fact, I don't have a job, no job, no income."

Huo yunxun eyes a Lin, "I raise you! If you need a job, I can introduce it to you. You should be clear. Your husband is Huo yunxun. "

"Yes, my husband is invincible." Gu Yaoyao comforts Huo yunxun. Seeing that he was angry, Gu Yaoyao took the initiative to kiss Huo yunxun's lips.

Huo yunxun offered a kiss to Gu Yaoyao, and his face finally softened. He picked up Gu Yaoyao and put it on his leg. He quickly regained his initiative.

Because of the unhappiness of the previous two days, the two people kiss more fiercely than usual, like inlaying each other into their own bodies.

But there was a knock on the door.

"Yao Yao!" Zenny's voice came.

Huo yunxun and Gu Yaoyao stopped, but did not let go. Huo yunxun's eyes are slightly sulky. He hugs Gu Yaoyao and continues to kiss her regardless of others. He didn't care about it when he had such a chance.

"Yao Yao, if you don't get up, you'll be late."

Zenny's voice came again.

Gu Yaoyao stops again, and she looks at Huo yunxun with a pleading eye.

Huo yunxun this just reluctantly let go of Gu Yaoyao, "really have no eyesight."

Gu Yaoyao laughed, "sister Zeng Ni didn't know you were there."

With that, Gu Yaoyao kisses Huo yunxun's forehead, "I'll open the door!"

"Yao Yao!"

Zenny's voice was even louder than before, and when she was ready to call, the door opened.

Looking at Gu Yaoyao who has changed her clothes, Zeng Ni is relieved. "What's wrong with you? I almost had to call someone to open the door. "

"I'm fine. I'm having breakfast.""Are you already eating? Who sent it to you? " Zeng Ni was puzzled and immediately began to gossip. "Xia Er Shao has come again to offer hospitality?"

After Zeng Ni finished, she wanted to break her tongue, because she saw the people standing behind Gu Yaoyao, and the whole person was frozen.

"Huo Shao!"

"Well." Huo yunxun answered.

Zeng Ni didn't expect that after the Huo family came, the Lord also came.

"Come in?" Huo yunxun asked.

"No, I'll wait for Yao Yao in front of me." Under such circumstances, Zeng Ni was given ten courage to go in.

Seeing Zeng Ni running away, Gu Yaoyao would look at Huo yunxun and couldn't help vomit: "how come everyone is so afraid of you?"

"Didn't you be afraid of me before you married me?"

Gu Yaoyao thinks it makes sense, but the more familiar he is with Huo yunxun, he will feel that he is no different from others. Even the Huo family are very easy to get along with. There's a bit of a distortion in the rumors out there.

However, Gu Yaoyao didn't think of it. Sometimes it was not empty space. That's what she changed after seeing Huo yunxun's way of doing things. He is really not a simple man.

"That was before." Gu Yaoyao said with a smile, "I'm going to the studio. You have a good rest in your room. "

Huo yunxun nodded. "Call me if you need something."

"I see!" Gu Yaoyao picked up her bag, waved to Huo yunxun and left.

Huo yunxun sat in the room and looked at Gu Yaoyao's room. He didn't have a lot of things and was very tidy.

Huo yunxun's eyes look at Gu Yaoyao's small bed. He walks over and lies down directly.

Sleepy immediately hit, Huo yunxun closed his eyes and went to sleep.

Gu Yaoyao's studio was surrounded by several reporters. Because the cover of hy magazine appeared, Gu Yaoyao got a lot of exposure. So now there will be reporters chasing her news.

"Yao Yao, the magazine is selling very well this time. What do you think of it?"

"Thank you for your support. It's not me alone Gu Yaoyao said with a smile.

"Yao Yao, how is your health?"

Gu Yaoyao laughed and said, "much better!"

"What do you think of the cooperation with Xia Yunzhe this time?"

Gu Yaoyao has always maintained a smile, but also with humility: "learn a lot, Brother Yun zhe taught me a lot."

"How are you feeling?"

[Chapter 679](#)

When Gu Yaoyao heard this question, she felt embarrassed. It was not a good question to answer.

"This question should be asked to me!"

Xia Yunzhe appears in time, and he goes to Gu Yaoyao.

"I just heard a reporter come to interview. I didn't see it after a long time. I didn't expect to come here to stop Yao Yao." Xia Yunzhe said while feeling hurt himself, "now my popularity is falling so fast?"

This makes a few reporters look at each other, do not know how to answer.

"Nothing."

How can Xia Yunzhe not know the thoughts of these reporters? If he doesn't see it, he has been fooling around for years.

"Yao Yao and I are going to start shooting soon. If it's OK, I'll take the woman in my play."

With that, Xia Yunzhe walked forward with Gu Yaoyao in his arms. He didn't pay attention to those third rate reporters.

"If you see these reporters who don't have official work permits, they will leave immediately."

"They're not real journalists?"

Xia Yunzhe nodded. "These people are sneaking in. If they get some juicy news, they will sell it to some media and get paid for it."

"Fortunately you show up, otherwise I don't know what to do!"

Xia Yunzhe was in a good mood, because he was so powerful in front of Gu Yaoyao that he was obviously elated.

"That's why you'll follow your brother later."

Gu Yaoyao just smiles at Xia Yunzhe, and will not comment on it.

"Today's play is not right?"

Gu Yaoyao nods. "Good!"

Xia Yunzhe and Gu Yaoyao finished once. Obviously, she felt that she was a little different today. She looked different from yesterday. Her eyes were always shining.

"You look in a good mood today."

"Do you have any?" Gu Yaoyao asked.

Xia Yunzhe nodded. "It's also right to think about it. The two great Buddhas of Huo family come to visit your class, and the matter between you and brother Xun is settled."

Gu Yaoyao didn't pay attention to Xia Yunzhe, opened the script and began to recite his lines.

Seeing Gu Yaoyao's intention to avoid, Xia Yunzhe did not ask for trouble. He also looked at the script, but he was not optimistic about Gu Yaoyao and Huo yunxun!

At noon, Gu Yaoyao hurried back to her room.

Seeing that Huo yunxun is still there, Gu Yaoyao's heart is fixed a lot. Looking at Huo yunxun who is still sleeping, Gu Yaoyao quietly puts down the lunch prepared for him and leaves a note before leaving.

The rest time is not long, she has to rush back to prepare for the next play.

Huo yunxun opened his eyes slowly after the room was closed again.

Looking at the delicious lunch on the table, Huo yunxun felt a little hungry.

He went to the table and watched Gu Yaoyao leave a note.

"Remember to eat this lunch. I'm going to continue filming. "

Huo yunxun folded the note and put it in his pocket. He wanted to keep it as a souvenir.

After lunch, Huo yunxun wanted to go to the studio to see Gu Yaoyao.

But I received a rather unexpected call from country f, which is also Li Mengyao's private mobile phone number. Huo yunxun looked at the once familiar number, a flash of light in his eyes.

"Hello

"I thought you wouldn't pick it up."

Huo yunxun went to the bedside and sat down. "No way."

"Yunxun, don't you really blame me at all?" Li Mengyao asked at the other end of the phone.

Huo yunxun did not answer, but the figure of Gu Yaoyao appeared in his head.

"No wonder."

Li Mengyao laughed at herself. "Yunxun, if I need your help, will you agree?"

Huo yunxun was silent for a few seconds, thinking that Li Mengyao made this call to himself. He should have something to do.

"What can I do for you?"

"Yun Xun, you come to f country, some things can't be explained clearly on the phone."

Huo yunxun droops eyes, "I have no time recently."

"It doesn't need to be right now."

"OK, I'll arrange it."

"Thank you! I'll be waiting for you in country F

Huo yunxun saw Li Mengyao hang up the phone, and he had some thoughts in his heart. What happened to her?

Huo yunxun sent a message to a Jin to find out what happened to Li Mengyao!

It's only three months since she got married last time, so it should be OK. Is there something wrong with helianmin?

After a while, ah Jin replied.

"Young master, there is no movement in country f for the time being."

"Sure not?"

"Yes."

Huo yunxun thought for a moment that Li Mengyao didn't seem to be lying. She must be in trouble, otherwise she would not have called.

"Check again. Start with helianmin. ""Yes

Gu Yaoyao is going to leave immediately after filming. Xia Yunzhe sees her in a hurry, as if she is going to do something.

"Why?"

"Go back to rest." Gu Yaoyao replied.

It's rare to meet Huo yunxun, so she doesn't want Huo yunxun to wait for her day.

"To sing K together?"

Gu Yaoyao shook her head directly. "I'm a little tired. I want to have an early rest."

"The wound on the back is not good yet?"

"Not yet. But it doesn't hurt that much

Gu Yaoyao's words have been very clear, Xia Yunzhe is not forced.

"Well, since you don't go, I won't force you either. Go to bed early. "

"Well!"

Gu Yaoyao returns to her room and finds that Huo yunxun is no longer in the room. After searching inside and outside, she still doesn't see Huo yunxun.

Take out the mobile phone to call Huo yunxun, but the result is not working.

"Where has this man gone? Have you already gone back? "

Gu Yaoyao was lost and sat down by the bed. She had a hard time meeting. She didn't say anything in the morning!

"Ah..." Gu Yaoyao sighs.

Huo yunxun was already very busy, so such a situation is rare, he should understand.

Gu Yaoyao cleaned up and took a bath. After she closed the bathroom door, the door of the room opened.

Huo yunxun came in carrying a bag of things. As soon as he entered the door, he heard the sound of water in the bathroom and his eyes lit up.

Gu Yao is back!

Huo yunxun put all the prepared dinner on the table, waiting for her to have a bath in a while.

Gu Yaoyao felt very comfortable after taking a bath. She came out wearing a bathrobe. Seeing dinner on the table, she subconsciously looked elsewhere.

Huo yunxun came in from the balcony and laughed when he saw Gu Yaoyao.

"Done?"

Gu Yaoyao's heart has a lot of impact, she rushed up to hold Huo yunxun.

"I thought you were gone."

"So reluctant to let me go?" Huo yunxun was happy and put Gu Yao in his arms.

Gu Yaoyao didn't want to talk, so she held Huo yunxun in her arms.

"Don't you feel hungry holding me like this?"

Gu Yaoyao listened to Huo yunxun, "did you buy it?"

"Well, you prepare it for me at noon and I prepare it for you in the evening."

For the sake of the sweet face of Huo Yunyao, she has paid so much for her smile!

"Ahun, why are you so good?"

[Chapter 680](#)

Huo yunxun pulls Gu Yaoyao to sit down and listen to what she's doing today. Occasionally, he will put in a word or two, and more often, he is listening.

If you can share some interesting things every day in the future, it is also a necessity of life.

After dinner, Huo yunxun rubbed Gu Yaoyao. However, at the beginning, Gu Yaoyao is still a little shy, always feel a little uncomfortable.

Huo yunxun looks at Gu Yaoyao's back intently, but his brow is always frowning. The beautiful back that used to be so beautiful has flaws. This also makes Huo yunxun mind, want to must not let Gu Yaoyao leave a scar.

"Ah hoon, I can do it myself."

Gu Yaoyao can feel Huo yunxun's hot eyes staring at her back. She is not good and interesting.

"Don't move." Huo yunxun presses Gu Yaoyao's hand. "The bruises are not completely gone, and there are still some scratches."

"No problem!"

"No, I can't let you leave any scars." Huo yunxun had an idea in mind.

Gu Yaoyao smiles. "It's nothing. Everyone's body will have some scars, and no one will see them on their back."

Huo yunxun's attitude is firm, "who said no one saw. I'll see it. "

Gu Yaoyao's face instantly flushed, such a sentence will always let himself fantasize.

Huo yunxun carefully rubbed Gu Yao's medicine. His eyes were more focused than before.

After that, Huo yunxun held Gu Yaoyao in his arms and sat beside the bed with each other.

"I'm going back to city a later. There's an important meeting tomorrow."

"So fast?" Gu Yaoyao is really not willing to let Huo yunxun go, but can understand him.

Gu Yunyao and Gu Yao don't want to separate. So he decided to leave after Gu Yaoyao fell asleep. I would rather work hard than see her suffer.

Looking at Gu Yaoyao asleep, Huo yunxun gently let her go and got up.

Huo yunxun rubbed Gu Yaoyao's hair and leaned over her forehead to kiss her.

"Go home early."

Huo yunxun contacted ah Jin on his way back to city A.

"What happened to Mengyao."

"The princess and the prince seem to quarrel, and the specific reason is unknown. And the royal family has had some financial problems recently, and now the Minister of finance is dealing with it. "

Huo yunxun frowned and understood what Li Mengyao meant.

"Where is helianmin?"

"He seems to have gone abroad, not in F country."

"I see."

A Jin is also concerned about Huo yunxun and Gu Yaoyao on the phone. "Young master, are you back?"

"On the way."

"Drive carefully, then."

The palace of state F.

Li Mengyao is sitting by the window alone. She looks at the scenery outside.

It's late in city a, and it's just dark here.

"Princess..."

Li Mengyao looks back and looks at the palace official Qingya coming in.

"Got it?"

"Yes." Elegant nod. "Mr. Huo is married."

Li Mengyao's face did not change. It seemed that she could not believe what she had heard.

"Sure?"

"Sure." Elegant nod. "One month after the princess's wedding, it has been two months."

Li Mengyao's eyes can not hide the loss, he also married. But why can one's heart feel so bad?

"Who is his wife?"

"It's like a star." The answer is elegant. "It's very popular recently. She has a lot to do with Xia's second youth. "

After hearing this, Li Mengyao is not very satisfied with Huo yunxun's wife.

"Are married people still confused with other men?"

"Mr. Huo married in secret."

Li Mengyao's eyes brighten. Maybe it's just a play on the spot. Maybe it's just to deal with the family. Li Mengyao knows that Huo's family members have problems with their sudden breakup with Huo yunxun, so of course she hopes he can find one.

Huo yunxun is so filial, so it is right to make such a choice!

Li Mengyao's heart is more firm, Huo yunxun will come to f country again for his own sake!

Qingya has a look at Li Mengyao. "Princess, you and the prince..."

"Where is helianmin going?"

"It's said to go abroad for relaxation. No one knows where he went!"

When Li Mengyao thinks of her political marriage with helianmin, she has rejection, let alone feelings. If it wasn't for country f, she wouldn't have married. She may wait until Huo yunxun proposes to her.

At the beginning, he was also angry, thinking about whether Huo yunxun would stop him. But he accepted it calmly!

"Yunxun, if I can choose again, I will never let you go!"

Think of the past few years, their relationship, now seems to be the best. Plain is true! These only blame oneself to wake up too late, so wasted time."Princess, if there is nothing else, the little one will leave first."

"Qingya, I want the details of Yun Xun's wife."

"Yes

Li Mengyao is to see who made Huo yunxun decide to get married! I always feel that this woman is not worthy of Huo yunxun! Like Huo yunxun, it is very difficult to give his own feelings.

Unfortunately, this time, Li Mengyao just guessed the beginning, but the wrong ending. At this time, she did not expect that Huo yunxun's feelings for Gu Yaoyao were beyond her imagination.

At the airport of city B, helianmin and several confidants walked out of the airport.

"This is city B?"

"Yes."

"Is there really something I want here?" He Lianmin asked himself that he should go to a city.

Go and see your enemies! Huo yunxun is in a city!

When helianmin got on the bus, he saw the huge poster on the side of the road. His eyes did not move away. I always feel that this woman has an inexplicable sense of familiarity.

"Who is this woman?"

"I don't know."

"Check it out!" Hellenim gave the order.

Helianmin has seen a lot of beautiful women. To be honest, the woman on the poster is not the most beautiful, but her eyes can speak, which makes people want to know her.

This woman seems to be a star, because the roadside LED is also broadcasting the details of her shooting.

"Gu Yao Yao!"

He Lianmin saw the name, which was the same as Li Mengyao.

Thinking of Li Mengyao, he Lianmin felt that he was angry. Although she has no feelings, she actually dares to say in front of her own that he has no future. If it had not been for my grandfather's intention, he would not have married Li Mengyao.

And Li Mengyao's heart is only Huo yunxun! He knew that.

Li Mengyao, the princess, is so angry that she always puts on airs. And everything must be approved by her!

Huo yunxun is right to give up. The prince's voice is good to hear, but in fact, it is a burden. This kind of cowardly spirit, really nowhere to talk about desolation! If you change to Huo yunxun, I guess I can't stand it!

"Let's go! Finish early, then go to a city to meet Huo yunxun for a while. "

"Yes

He Lianmin looked at the outside of the car, inexplicably excited in his heart, and had a feeling that he could not explain clearly.

The car soon disappeared on the road, leaving only dust flying.
