

Warm Wife 681

[Chapter 681](#)

HD building in city A.

Huo yunxun sat in his office meeting with others to discuss HD's plans for the next quarter.

Huo yunxun's mobile phone vibrated, and he glanced at it with the rest of the light. But after a while, he picked up the phone.

A photo from Gu Yaoyao with a smiling face attached. This is what she looks like today. Looking at the scar on her face, Huo yunxun frowned.

"What is this?"

Gu Yaoyao will reply immediately. "What I'm doing today. In the play, I had an accident today. It's like being rescued from an injury. Is it realistic? "

Huo yunxun doesn't care whether it's true or not. He doesn't like to see Gu Yaoyao like this. He wanted to see her smile, not her scar. Thinking of Gu Yaoyao's back, Huo yunxun thought of another person. I'm going to ask her for a favor.

"I don't like the way you look." Huo yunxun told Gu Yaoyao what he thought.

Gu Yaoyao made a few pitiful expressions. "I didn't expect to be despised!"

"Is the play safe today?" This is also Huo yunxun's worry. He didn't want an accident.

This shooting of traffic accidents must be accompanied by some breathtaking scenes. The probability of such an accident is relatively high!

"It's all checked now, no problem!"

Huo yunxun is still very worried, "you will take a picture of the scene for me."

"Good!" Gu Yaoyao replied.

A Jin looked at Huo yunxun. He was meticulous and serious in previous meetings. Now she is distracted from sending messages to Gu Yaoyao. The world has changed.

"Mr. Huo!"

Hearing someone calling himself, Huo yunxun raised his head and looked at a vice president opposite him.

"This plan doesn't work."

The deputy general manager's forehead instantly sweats. If you know the plan rejected by Huo yunxun, it means that there is no chance to turn over.

Yun Muxin has a new look at the planning case in hand. Although the case is not perfect, it is still feasible.

"Mr. Huo, I'll do it again when I go down?"

Huo yunxun also for the first time place a head, and then looked at the time.

"Today's meeting is about the same. Let's get here first. Tell ah Jin about the follow-up. Break up

Yun Muxin followed Huo yunxun out of the conference room, "Xiaoxun!"

"What's the matter, sister?" Huo yunxun looked back at Yun Mu Xin.

Cloud Mu Xin went to Huo yunxun, but this time he was in place to give a look.

"Why do you look at me that way?"

"I think our Huo Shao has changed." Yun Muxin jokingly said.

Huo yunxun knew what Yun Muxin was going to say, "come to my office and say it."

Yun Muxin nodded and then went to his office with Huo yunxun. As soon as I went in, I saw a big stack of magazines beside my desk. She picked up the book and saw the cover girl on it.

"Who is this?"

Huo yunxun stops looking for documents. "Can't you tell?"

Yun Muxin chuckled and laughed, with some gossip in his eyes. "I can't tell. It's not a sister-in-law! This is totally different from what she saw that day. "

"Yao Yao's lens is very good!"

"Tut Tut, this is almost catching up with your father. The men of the Huo family really like their wives! "

Listening to these words, Huo yunxun was somewhat proud and in a very good mood. It's also hard to show one's mind: "a lot of things naturally become like this."

"I can see that you like Gu Yaoyao very much."

Huo yunxun of course will not deny, but look down at the document in hand.

Cloud mu heart sharp see Huo yunxun's notebook under the pressure of a photo, she stretched out the photo out.

"Wow! It's amazing. "

"That's not a good thing to say." Huo yunxun has some dissatisfaction in his tone.

The smile on Yun Mu Xin's face is deeper. "Xiaoxun, I think you don't just like Gu Yaoyao. You love her! Protecting your wife means so much! As a sister, I'm glad you find your own love. You and your father have a good eye. If you don't care about it, you'll take people to the Civil Affairs Bureau. This is the most powerful trick! "

Huo yunxun heard this, and finally understood the implication of Yun Muxin.

"Trying to explain it for my brother-in-law?"

Cloud Mu Xin nods. "That day, your brother-in-law did not mean it. You and Yao Yao have such a good relationship, so don't worry about it with your brother-in-law. You know that your brother-in-law is always a quick talker. "

"Sister, I'm not angry. But I still hope to tell Yao Yao. That's the best. "

"Yes. This is a matter for both of you. Of course, it's your husband and wife to solve it. " Cloud Mu Xin nods. "You should also find a suitable opportunity to talk to Yao Yao. If she hears your past from others, it's not good. "

Huo yunxun blinked his eyes. "I know." This word just falls, Huo yunxun's mobile phone vibrates.

Yun Muxin accidentally saw the caller ID, and saw Huo yunxun's signature, Mengyao.

Now there's a play!

Yun Muxin stands up. "I won't disturb you."

Huo yunxun nodded, and he was not in a hurry to answer the phone. But after watching cloud Mu Xin leave, just picked up.

"Hello

"Yunxun, it's me."

"I know."

Li Mengyao chuckled softly. "I'm calling you today to hear a message."

Huo yunxun's eyes became dark. He knew what Li Mengyao was about to say.

"I am married indeed!" Huo yunxun spoke by himself. Although it was not officially disclosed to the public, he would not deliberately hide it.

Li Mengyao's voice suddenly disappeared, and she didn't expect Huo yunxun to blow himself up like this.

Hearing Li Mengyao's voice all the time, Huo yunxun looked at the screen and kept talking.

"Mengyao..."

"Yunxun, Congratulations!"

Thank you Huo yunxun replied.

Li Mengyao seems to adjust her mood. "You didn't expect to get married. I always feel that time goes by slowly, and we still broke up yesterday. "

"Time is the only fair thing. It won't give anyone an extra second or less."

"You still don't know romance at all. You don't know what to say." Li Mengyao has some complaints on the other end of the phone. "Your wife won't talk about you?"

Speaking of Gu Yaoyao, Huo yunxun's face is not easy to detect the tenderness, "no, she can understand me."

"Well! I refuse your dog food. " Li Mengyao interrupted. "Yesterday I said I needed your help. When can you come to f?"

Huo yunxun thought, "Mengyao, I remember you know a doctor who specializes in treating scars."

"What? You need it? "

"Well."

Li Mengyao smiles again. "Who needs it? Dr. Liang doesn't go abroad to see a doctor."

"My wife." Huo yunxun replied. "Can you ask for me?"

"Are you still Huo yunxun?" Li Mengyao asked. "I never thought you were such a person before

[Chapter 682](#)

"Is my voice still false?"

"Your voice is true, but your people have changed." Li Mengyao answers.

Huo yunxun didn't think there was anything wrong here, "people will change."

"Is she really so good?"

"Well!" Huo yunxun answered softly.

Li Mengyao also did not hide, "I found that I am jealous!"

"Mengyao, our business is over. You have your life now, and so do I Huo yunxun doesn't want to make his life unclear. So it's better to make some things clear.

"Well! I will contact Dr. Liang for you, and I hope you can come to country F. I need you. "

"I'll arrange."

Huo yunxun looked at the mobile phone screen, Gu Yaoyao obediently sent to the scene of the layout. Huo yunxun looked very carefully for fear of missing any corner.

"The director, they have confirmed several times that there is no danger. And brother Yunzhe will be with me this time

Huo yunxun looks at these words, in the heart is not the taste. Actually want to compare these, why accompany in her side is not oneself! He didn't have this feeling before, but now he wants to worry about everything.

"Ahun, I'm going to shoot it right now, first here."

Huo yunxun feel helpless, he would like to fly to Gu Yaoyao's side, he would like to accompany her to experience these!

Later, Huo yunxun received a message from Li Mengyao that Dr. Liang would not leave country F. if Huo yunxun needed, he could take Gu Yaoyao to country f, or take Gu Yaoyao's medical records to let Dr. Liang want to see it.

It is impossible to take Gu Yaoyao to country F. she can't leave at all. So that's all we have to do is bring her medical records. After looking at the situation, Gu Yaoyao asked for leave.

Huo yunxun went to the hospital after work to find Xia yueqian to take Gu Yaoyao's medical records.

"What do you want this for?"

"Useful."

Xia yueqian originally wanted to ask more questions, but when he remembered what he had said wrong before, he didn't dare to talk more. Then he gave the things to Huo yunxun. Anyway, they were husband and wife, and there would be no problem.

After Huo yunxun got it, he asked ah Jin to arrange a trip to country F.

After knowing this news, a jin can't help but doubt Huo yunxun's intention to go to country F. What's more, Li Mengyao didn't say clearly what he needed Huo yunxun to do at all. Moreover, Li Mengyao got married, so it was not good in the past.

"Young master, is that good? I think you should think about it. "

"Book a ticket." Huo yunxun ordered.

A Jin opened his mouth and saw Huo yunxun's expression without further discussion. He still swallowed all the words into his stomach.

Two days later.

Huo yunxun flew to country F.

Li Mengyao asked Qingya to send someone to pick up Huo yunxun, but the place where they met this time was not the Imperial Palace, but in Li Mengyao's other courtyard.

And the news soon reached the ears of Helian min, listening to the report of his subordinates. "Li Mengyao can't wait!" he said

"My Lord, what should I do now?"

He Lianmin touched his chin and his eyes revealed a ray of calculation. Since Li Mengyao dares to do so, he should have the courage to face the next thing.

"Let the reporter sit down and quarrel about the news."

"Yes

He Lianmin reached out and touched his lower lip, and the corners of his mouth rose. "My royal highness, I will show you my skill next."

Li's family is now suffering from internal and external troubles. At first, Li Mengyao chose the Helian family only because of their ability. Moreover, her grandfather also held the military power of state F, so she had to marry down.

In fact, it is more to consolidate their status as the Li family. But it seems that the time has come for the end of the Li Dynasty!

But after marriage, Li Mengyao has not given himself a good look, this time is to scold himself too much useless! In this case, he should also correct his name, who is useless.

Soon, several mainstream media in F country published news.

Princess highness secretly met the mysterious man in the other courtyard. But mysterious man identity doubts HD president Huo yunxun.

Meet the princess and Huo yunxun secretly!

Princess Royal's true love surfaced, this is the real prince! HD's next generation successor!

Helian is very satisfied with the news and headlines on the Internet! He embarrassed Li Mengyao, and this is just the beginning.

After a while, helianmin received a call from his grandfather helianfeng.

"You did this time?"

"Sure enough, nothing can be hidden from grandfather." He said with a smile.

He Lianfeng's tone is serious. "You're a little impulsive this time! If we don't deal with this properly, we will suffer in the Helian family! "

"Don't worry, Grandpa! Li Mengyao still has Huo yunxun in her heart. Maybe she is to let Huo yunxun help him this time. Watch! She won't immediately come out and deny it, or she'll lose more. She's in a dilemma now! If Li Mengyao wants to deny her relationship with Huo yunxun, she can't explain it to Huo family. This is undoubtedly to let Huo yunxun carry the pot!

If Li Mengyao doesn't deny it, then he admits that he has something to do with Huo yunxun. In this way, she has sex with other men behind the prince's back, which is also a blow to the royal family!

It's only by calculating these things that he can do this!

"Don't be too proud. Li Mengyao and the royal family will certainly find a way to deal with it. "

"Grandfather, this is an opportunity for us. The Li family is already in danger. If such a thing happens this time, the people will lose confidence. This is an opportunity for us, the helians

"Stay with me in B city."

"Yes Helian nodded with a smile.

He Lianmin looked at the computer in his hand again, but he was very proud of the arc of his mouth.

Soon, the news came back to city a from country F.

Huo Dongyang frowned after seeing the news. It's a lot of trouble and big deal.

Qiao Wei also called Huo Dongyang after seeing the news at home. "Xiaoxun didn't go on a business trip. Why did he go to country f? He is not clear about the current situation, how to deal with these news! This is from several media in F country. "

"Jovi, calm down."

"I can't calm down. I'm angry! It was not easy for him to get back together with Yao Yao. I even promised Xiao Xun and Li Mengyao impossible in front of Yao Yao! But you see, it's only a few days before something goes wrong! "

"Wait till I get home!"

"Dongyang, I'm afraid Yao Yao will think more about it!"

"Don't worry. I'll call Xiao Xun right away."

"You call quickly and come back to me right away! They are married people. How can they be so careless? "

Qiao Wei looks at the news on TV, the whole person is not good! The past things have also been turned out! How can Li Mengyao do things every time? What is her heart! Is it hard to see Huo yunxun!

If that's the case, it's a bad heart!

[Chapter 683](#)

F National Academy.

Li Mengyao and Huo yunxun are talking about things. They don't know that the sky is turning outside.

"I just hope you can set up a joint venture in country f in the name of HD." Li Mengyao said all her ideas in order to use HD's reputation to tide over the financial crisis.

Huo yunxun thought, this is not impossible! For the sake of friends, it can help.

"Yunxun, I can only ask you for help this time."

"I'll talk to dad again when I get back."

After hearing this, Li Mengyao thinks that it can't be done, but when she thinks that HD is still in power behind the scenes or Huo Dongyang, she can't say anything more!

"All right."

at this time, elegant and hurriedly came, "Princess your highness, something happened!"

Qingya leans over Li Mengyao and whispers in a whisper. Li Mengyao can't believe it. "How could that happen?"

This time, she was clearly ready to do the preparatory work. It is reasonable to say that these problems will not arise. How could she be exposed. Is it said that someone deliberately leaked information. It looks like there's a traitor in her entourage.

Huo yunxun's mobile phone also just rings, see Huo Dongyang's phone.

"Dad

"What are you doing in country f?" Huo Dongyang asked as soon as he opened his mouth.

"What's the matter?"

"Watch the news yourself! Don't forget that you are married. How can you be so careless this time

As soon as Huo yunxun's face changed, he immediately checked the news. Seeing the news on the Internet, Huo yunxun looked at Li Mengyao.

Li Mengyao saw Huo yunxun's suspicious eyes, "do you suspect me?"

"What's wrong with the news?" Huo yunxun asked.

"I didn't do it." Li Mengyao replied. In fact, she was more distressed because Huo yunxun doubted himself. He never used to talk to himself in such a way.

And now everything has changed!

Huo yunxun stood up and said, "I'm leaving."

"Yunxun, you can't go now." Li Mengyao immediately stopped Huo yunxun, but did not let him go out.

"Why?"

Qingya immediately explained for Li Mengyao. "There are reporters out there. Once Mr. Huo goes out, it will be even more difficult to deal with! "

Huo yunxun can't help but be anxious. He thinks of Gu Yaoyao and doesn't know how she will think of himself. Thinking of this, Huo yunxun immediately dialed Gu Yaoyao's electricity.

But Gu Yaoyao's mobile phone is in Zeng Ni's hands.

"Huo Shao, Yao Yao is still filming."

"Tell her not to believe the news on the Internet! Everything is waiting for me to go back. "

"OK."

Li Mengyao can see from Huo yunxun's movements and expressions that he attaches great importance to Gu Yaoyao, which is different from the previous treatment of himself. It also made her feel envious and jealous.

Anyway, they can't go out now, and the business is over. Li Mengyao wants to talk to Huo yunxun about Gu Yaoyao.

"So worried about her seeing our news?"

Huo yunxun looked at Li Mengyao coldly. Now, if you think about it, Li Mengyao invited her to come to country F. in fact, it was a bureau. But he didn't want to think Li Mengyao so scheming.

But now he had to think about it again. Maybe Xia Yunzhe has a saying right! Break up with the ex, there should not be any room for people to have reverie, and can not be connected with each other.

Huo yunxun is very clear in his heart that he and Gu Yaoyao have already married, so he will go down with her wholeheartedly.

"Huo yunxun, are you and Gu Yaoyao really married?"

Huo yunxun nodded seriously. "Yes! I don't make fun of my marriage. "

"If you marry any woman, you respect marriage?" Li Mengyao asked. "And you're looking for an actor!"

Huo yunxun frowned. He didn't like to be called a dramatist.

"She is my wife!"

Li Mengyao was refuted and his self-esteem was damaged. "Is Gu Yaoyao worth paying for her? These actors are two faced. I think you know that better than anyone else. "

"Yao Yao is not the kind of person you say!"

Li Mengyao still wants to say, but he can't help seeing Huo yunxun's serious eyes! But she is very heartbroken. In Huo yunxun's heart, she is a princess of a country, and she can't compare with Gu Yaoyao.

Li Mengyao walked out of the room and went outside to breathe. She looked up at the blue sky, but the mood is not as beautiful as this piece of sky.

"Princess, are you all right?"

"No Princess Li Mengyao can't show her dignity easily.

Qingya knows that Li Mengyao is holding on, "just now Helian's house called."

"Who called?"

"Old general."

Li Mengyao narrowed his eyes. He Lianfeng called in person. He must have seen the news and wanted to ask about the situation. But at this time, he Lianmin did not have any news. It was not clear where he went crazy. How can the Helian family produce such a waste as helianmin! He idles around everyday, but he is regarded as a treasure by helianfeng! Because he was the only heir?

Otherwise, Li Mengyao really can't understand the better reason!

"Princess, do you need to call back?"

"Call helianmin."

Qingya nodded and immediately called Helian min, but he didn't answer the phone after several consecutive calls.

Li Mengyao knew that helianmin was on purpose, so she called her cell phone.

, "Oh, my royal highness!"

"Where are you?"

"Did I hear you right? Is your highness caring about me? He asked with a smile.

Li Mengyao held back her anger, and her tone was a little slower. "Prince, where are you?"

"I'm in a bad mood and I'm on holiday abroad. What's the matter? "

Li Mengyao once again held back her anger, "at this time, are you still in the mood for a holiday?"

Helianmin couldn't help laughing on the phone. "What? Can't take a vacation? I'm going to give you and XX time and space to reminisce about the past. You see, a husband like me is rare! Shouldn't this old friend get together

"You'll be right back!"

"My princess, dealing with things now, do you think of me?" Helianmin's tone became indifferent.

Li Mengyao always thinks that this time he Lianmin is not the same as before. How could he be so hard!

"Don't forget who you are."

He Lianmin also replied this time impolitely. "Of course I didn't forget my identity, but you never seem to regard me as your husband. This time, you can figure out how to solve it yourself. I'm going to continue to enjoy my sunshine and the beach. "

Li Mengyao was the first time he Lianmin ruthlessly hung up the phone, she was so angry that she could only breathe on her own!

"Herrenmin, wait for me!"

Li Mengyao walked into the room again and saw that Huo yunxun had been looking at his mobile phone and didn't care about her at all. And he had a different anxiety in his eyes.

"Waiting for your wife to call?"

"Well!" Huo yunxun nodded.

At this time of the day, Gu Yaoyao has come to the news, but not today. That is to see the news, so I have other ideas in mind.

"Huo yunxun, do you like her?"

[Chapter 684](#)

"Like it!"

Li Mengyao looked at Huo yunxun in shock. She couldn't believe the answer she had just heard.

Huo yunxun admitted it! He admitted that he liked Gu Yaoyao!

Li Mengyao's heart is pressed with a stream of gas, by what she got Huo yunxun's feelings.

"Have you ever loved me?"

Huo yunxun's eyes like ink are incomparably calm, without a trace of surging and waves. Just calmly looking at Li Mengyao.

Li Mengyao see Huo yunxun's expression, in the heart extremely collapse! He did not answer, or even disdained to answer. It took a huge blow to her self-esteem. Was it your wishful thinking before?

Li Mengyao does not allow himself to lose the last trace of Princess dignity, "you will rest here today, and I will send you away tomorrow."

"No, I'm going now!" Huo yunxun doesn't want to stay.

There is always an indescribable anxiety in my heart. It's no good to stay here!

Li Mengyao didn't expect Huo yunxun to be so anxious. "Worried about Gu Yaoyao's misunderstanding?"

"Well!" Huo yunxun nodded.

Li Mengyao was angry and turned around. After only three months of breaking up, he fell in love with another woman. He even ignored the past and his affection for her.

Li Mengyao felt that she had been severely hit by 10000 points. I lost like this?! There is no sign of losing!

"Yun Xun, if we hadn't broken up, would it be different now?"

Huo yunxun did not hesitate for a second, "no if!"

"You are cruel to me

With that, Li Mengyao stepped forward and left the room again.

Huo yunxun knows that he has hurt Li Mengyao, but he is very sure that he does not want Gu Yaoyao to lose confidence in himself! This is also his commitment to Gu Yaoyao!

Huo yunxun walked out of the room, but the man at the door stopped Huo yunxun.

"Huo Shao, please stop!"

"Get out of the way." Huo yunxun is resolute.

, sorry, we only listen to your highness. Your highness says that you can't leave, please don't worry about Huo Xiao.

Huo yunxun narrowed his eyes, looked at the two guards at the door, and then returned to the room.

Huo yunxun told Ah Jin about the situation here, and then arranged for someone to come and pick him up.

"News from Yao Yao."

"The young lady has not finished shooting today."

Huo yunxun took a look at the time, B city is already very late. It's not over yet?

"Let me know if you have any news."

"Yes

Huo yunxun sat down, feeling uneasy. He sent a message to Gu Yaoyao and asked her to call him back when she finished filming.

City B, set.

Gu Yaoyao is taking off her makeup. She sees Huo yunxun's message. Turn it off silently after watching it!

She didn't go to see the news about Huo yunxun and Li Mengyao on the Internet, but she could always hear someone talking about it in her ears. Many people think that Huo yunxun and Li Mengyao are a perfect match.

Gu Yaoyao felt sad when she thought about it. This is not a little gap.

"Ah..."

"Yao Yao!" Xia Yunzhe enters the dressing room.

Gu Yaoyao looked back, "Brother Yun Zhe."

Xia Yunzhe pulled a chair and sat down beside Gu Yaoyao. "Are you ok?"

"I'm fine."

"Hold on Xia Yunzhe reached out and knocked Gu Yaoyao on the head. "It's not my brother Xun. How can I go to country f! Just go and shoot. "

Gu Yaoyao droops her eyes and doesn't want to see her loss at the moment by Xia Yunzhe.

Xia Yunzhe clasped Gu Yaoyao's wrist and pulled her up. "Go, take you to a place."

"To where?"

"You'll know when you get there!"

Xia Yunzhe takes Gu Yaoyao out of the film and television city and takes the key from Dahong.

"Get in the car!"

Although she didn't know where Xia Yunzhe was going to take her, she didn't want to settle in Huo yunxun's affairs. So there was no rejection!

Xia Yunzhe drove directly to the beach of B city. He took Gu Yaoyao's hand and went to the beach.

When it's dark, you can't see the sea water at all. You can only hear the sound of the water rushing up the beach. The heart also felt a bit quiet.

When the sea breeze blows, Gu Yaoyao closes her eyes and enjoys this rare moment.

Xia Yunzhe stands aside and looks at Gu Yaoyao. She must be relaxed. He stood beside Gu Yaoyao and accompanied her in silence.

Today's night show, in fact, both of them are tired.

They sat side by side on the beach, enjoying the quiet hours of the early morning.

"Brother Yunzhe, thank you for bringing me here."

It's still dark, but Gu Yaoyao is in a better mood.

Xia Yunzhe looks back at Gu Yaoyao. "In a good mood?"

"Well!" Seeing Gu Yaoyao sitting with his legs in his arms, Xia Yunzhe took off his coat and put it on Gu Yaoyao. Gu Yaoyao wants to refuse, "no need."

"Well, the sea breeze is still very strong! If you're sick, it's going to affect progress Xia Yunzhe said jokingly. "I'm full behind me."

Gu Yaoyao put down his hand, Xia Yunzhe said a very realistic problem. She really can't drag other people's progress!

Xia Yunzhe put his coat on Gu Yaoyao and said, "Yao Yao, do you want to see the sunrise?"

"Here it is?"

"Well, it will be dawn in two hours."

Gu Yaoyao moved in her heart and really wanted to see the sunrise.

Two people just sit and wait for two hours, saying short or long. It's hard work, but! Gu Yaoyao waited and then began to doze. Her head was always moving in rhythm.

Xia Yunzhe smiles. He reaches out and puts Gu Yaoyao in his arms, letting Gu Yaoyao lean on his shoulder. It seems that she is really tired, so she did not respond.

Xia Yunzhe passes time by playing mobile games.

Time passed after all, not far from the sea level slightly white, the day a little bit bright.

Xia Yunzhe patted Gu Yaoyao on the shoulder. "Yao Yao..."

Gu Yaoyao moved for a moment and then opened her eyes. "Well..."

"Sunrise."

Hearing these two words, Gu Yaoyao immediately rubbed her eyes and saw the light on the sea level.

"Wow..."

In less than a few seconds, the sun really rose from the sea level, red, round, and then issued a brilliant light!

Gu Yaoyao was attracted by the beautiful scenery in front of her and completely forgot that she was next to Xia Yunzhe.

Xia Yunzhe smiles at the beautiful scenery and beauty in front of him, which is very satisfied with where he has come. He picked up his cell phone and photographed the sunrise. Then post the photos to Weibo.

What a beautiful sunrise

As soon as it was sent out, someone commented.

"How could the gods have leisure to watch the sunrise?"

Xia Yunzhe also seconds back to this comment, "well, in memory of the sunrise that two people saw together."

After replying, Xia Yunzhe didn't continue to read the comments, but saw that someone had come near. It's time for them to leave, too.

"Yao Yao, go back."

Gu Yaoyao looked back and saw Xia Yunzhe winking at himself. She soon saw someone coming not far away, presumably to see the sunrise.

[Chapter 685](#)

Gu Yaoyao wants to stand up, but finds her legs numb.

Xia Yunzhe was amused at this. He reached for Gu Yaoyao to stand up.

"Lack of exercise! In the future, if you are really busy, if you don't have a healthy body, you will insist Xia Yunzhe admonishes Gu Yaoyao as a person who came here.

Gu Yaoyao nods.

Seeing groups of people coming around, Xia Yunzhe takes Gu Yaoyao's hand and walks to the parking place.

Because the two people did not have any camouflage, when passing by others, they all hurriedly walked with their heads down. However, it was found by the sharp eyed passers-by that someone suddenly called out: "Xia Yunzhe and Gu Yaoyao!"

This sound let the people who should have come to enjoy the sunrise all looked at the two back in a hurry, and some people took pictures of their backs!

Xia Yunzhe pulls Gu Yaoyao into the car and drives away from the beach.

By the time they returned to the movie and Television City, it was already daybreak, but they were stopped by Dahong and zenny.

Because it has been exposed that they went to the seaside to watch the sunrise hand in hand. Someone took a picture of him leaving in a hurry for two days. In addition, Xia Yunzhe himself also sent a micro blog to reply to the comment. The whole microblog exploded.

The hot search of microblog started at 5:00 a.m., and Xia Yunzhe and Gu Yaoyao watched the sunrise sweetly!

Looking at such news, Gu Yaoyao has not been so nervous and helpless for the first time. Xia Yunzhe is sitting on the side, yawning, a tired face.

Zeng Ni is worried about Gu Yaoyao. After all, she is married. Will such news make Huo yunxun angry, or shame the Huo family.

Yao, do you want to clarify

Xia Yunzhe yawned and said, "why clarify, or show off! Let them go. It's going to be hot tomorrow

"My little ancestor, don't you stop for a few days?"

"Why didn't I stop? I've been seriously filming these days. But do you need to relieve the pressure once in a while? "

Dahong is blocked for a moment. He has no choice. Xia Yunzhe has always been like this.

Gu Yaoyao looked at the micro blog message and saw the sunrise map of Xia Yunzhe. She saved it by hand because it was really good!

"We're tired. We're going back to sleep. We'll be filming again later. "

Gu Yaoyao went back to her room, took a bath and lay down. She also silently sent the photo saved from Xia Yunzhe's microblog to her circle of friends.

"Such a beautiful sunrise, it would be better to have him."

After that, Gu Yaoyao went to sleep.

This circle of friends did not see much, but it also attracted attention.

Huo family.

When Qiao Wei got up early and saw the news, he felt confused. After seeing Gu Yaoyao's circle of friends, the whole person couldn't sit still. She hurried to the kitchen. "Dongyang, take a look. What does that mean? "

Huo Dongyang took a look and did not make any comments.

"Yao Yao, what do you mean? She won't be disappointed with Xiaoxun, will she? That's why I went to see the sunrise with Xia Yunzhe

"Why don't you talk?"

Huo Dongyang said while frying eggs, "what do you think I should say?"

"Tell me what you think. Who is he referring to? "

"Xiaoxun."

Qiao Wei asked again in uncertainty. "Are you sure? This is not Xia Yunzhe? "

"If it's Xia Yunzhe, it's good to have him there!"

Qiao Wei was relieved, "Hey, what is this Xiaoxun doing! So far, there's not a phone call. Will not be detained in country f? "

"Ah Jin has taken people. Don't worry. Let them do it for themselves

"Ah..." Qiao Wei sighed again.

Huo yunxun, who is far away in country f, also saw the news on Weibo and Gu Yaoyao's circle of friends. His face was gloomy and his eyes were fixed on the same picture.

His heart is very uncomfortable! Gu Yaoyao and Xia Yunzhe go to see the sunrise. He cares, he does!

Huo yunxun also did something he would never do. He made a comment in Gu Yaoyao's circle of friends.

"You are mine

Huo yunxun personally left a message to Gu Yaoyao in wechat, "Gu Yaoyao, you are not allowed to go out with other men in the future!"

These things, should be accompanied by her to do, not other men accompany her to do!

Huo yunxun wanted to fly to Gu Yaoyao immediately, and then told her personally. "You can only be my Mrs. Huo in your life!"

The door of the room was pushed open and Qingya brought breakfast.

"Huo Shao, the princess asked me to deliver breakfast."

"I'm going to get out of here." Huo yunxun can't sit still for a moment.

Qingya ignored Huo yunxun, put down the breakfast and went out.

Huo yunxun calls ah Jin, "how's the matter?"

"Young master, I'll be there in a minute." Ten minutes later, ah Jin arrived at the gate of the other courtyard. With the king's instructions, Li Mengyao can only let Huo yunxun leave.

At the same time, helianfeng also brought a pair of men and horses to the door.

Li Mengyao saw the emergence of Helian peak and knew that there was nothing wrong.

"General Helian, so early."

"Princess, I've heard that foreigners are bringing suspicious people here, so I'll come right here."

Li Mengyao can hear the hidden lines of helianfeng, which is obviously saying that he is carrying helianmin and making mischief with other men.

"The general misunderstood. I'm just entertaining my friends. "

He Lianfeng looked at Huo yunxun, but he was polite. "You are a good-looking man indeed! Huocheng's grandson did not disgrace him

"The general gave a false praise." Huo yunxun said.

Ah Jin came forward, "young master, we should also go."

"Is this going back?"

"Yes! There's something at home. " Huo yunxun replied.

Helenfeng nodded. "People like Huo Shao should have a clear view of the situation."

Huo yunxun did not speak, but nodded and left with a Jin.

Li Mengyao takes a look at Helian peak and turns to go to his own other courtyard. She knew that he Lianfeng came to warn her and even let Huo yunxun know the weight. The Helian family is a bit of a bully!

Li Mengyao's mobile phone vibrated, Huo yunxun sent a message. "Be careful

Seeing these four words, Li Mengyao was still moved. Huo yunxun still cares about himself.

Airport of country F.

Huo yunxun is in the waiting room.

Gu Yao Yao's mobile phone still can't get through, "Zeng ni how to say?"

"The young lady is sleeping."

Huo yunxun pressed his lips tightly. He still couldn't let go of Gu Yaoyao's and Xia Yunzhe's going to see the sunrise.

Seeing that Huo yunxun's face was not good, a Jin explained for Gu Yaoyao: "in fact, it was because the young lady was in a bad mood that Er Shao took her to the seaside to watch the sunrise. But I didn't expect to be photographed. "

Huo yunxun narrowed his eyes, his eyes were full of dissatisfaction.

"Xia Yunzhe is intentional Especially his comment that was deliberately noticed.

[Chapter 686](#)

Ah Jin has nothing to say, because Huo yunxun is very angry. He can't listen to what he says now.

In fact, Huo yunxun didn't do a good job at the beginning. He shouldn't have come to f country if he had nothing to do. He had to be photographed. After shooting, I'll stay here. If you become Gu Yaoyao, you won't be unhappy.

This is the legend, and the former girlfriend is tied together!

Without such a thing, Gu Yaoyao would not be unhappy, so Xia Yunzhe would not take her to the seaside. Then there is no news! So this time, we should not blame Gu Yaoyao.

At this time, a Jin wisely chooses to shut up, in order to avoid saying more wrong.

"Ah Jin!"

"Well?"

"Let people take down the hot search on microblogs." Huo yunxun felt it was an eyesore.

Ah Jin shrugged helplessly, "this time, there is no way to withdraw. Now the second young and the young lady are very hot. Both the producers and the crew, as well as the brokerage companies of both sides, want to make profits. They certainly hope to continue to fry. "

"I mind!"

"Huo Shao, even if you withdraw, you will go up again. We can't beat four fists with both hands! " Ah Jin analyzed it. "And the old lady was so angry this time that she said she should let you have a taste of it."

What a mother!

Gu Yaoyao woke up after sleeping for two hours. When she turned on her mobile phone, she saw the wechat sent by Huo yunxun.

"You can only be my Mrs. Huo in your life!"

Gu Yaoyao also saw the comment of the circle of friends, "you are mine!"

It seems domineering, but it makes Gu Yaoyao feel better. Since the choice, then learn to believe him!

This time she was even with Huo yunxun, who let him run to f country quietly.

Gu Yaoyao went to the studio after cleaning. Because of the news in the morning, Gu Yaoyao and Xia Yunzhe had been asked, but neither of them responded. It's to focus on filming.

During the break, the two will discuss the plot together.

After work, Gu Yaoyao dragged her tired body back to her room. She threw herself on the bed and didn't want to move at all.

"Hello The cell phone rings.

"At last you will answer my phone!"

Gu Yaoyao saw that it was Huo yunxun calling. She pressed the hands-free button, and then lay prone on the bed, a little dizzy to sleep.

"Yao Yao..." See Gu Yao Yao no voice, Huo yunxun called.

"Well..." Gu Yaoyao said she was listening.

Huo yunxun soon became aware of Gu Yaoyao's situation. "Tired?"

"Well..." Gu Yaoyao's eyes have been closed.

Huo yunxun heard Gu Yaoyao's shallow breath and knew that she was asleep. I'm tired enough. As a result, I have to watch the sunrise with Xia Yunzhe. I can't stand it now!

Huo yunxun wanted to explain himself and Li Mengyao with Gu Yaoyao, but she fell asleep like this.

There is nothing to say.

"Sleep! My Mrs. Huo. "

Huo yunxun walked out of his room and was blocked by Qiao Wei at the door of the room.

From the airport, Huo Dongyang let him directly to the villa side. He knew that he couldn't escape his parents, so Huo yunxun came back.

"Mom

Qiao Wei stares at Huo yunxun, "you want to piss me off!"

"How dare you." Huo yunxun replied, "my father is the first to let me go."

Qiao Wei reached out and hit Huo yunxun's arm, "did you explain to Yao Yao?"

Huo yunxun shook his head. "She was so tired that she fell asleep."

"I have something to ask you." Qiao Wei wants a letter. Otherwise she would not be at ease.

"You ask."

Joe took a deep breath. "Will you and Li Mengyao have a new love affair?"

"No

"Will you and Yao Yao be separated?"

"No!"

Both of them will not be so straightforward, without any hesitation.

Qiao Wei was at last relieved, "son, if you have a decision, then you should insist. Don't make your "you are mine" a joke. Xia Yunzhe, that boy, has been very aggressive recently. "

"Yao Yao is already my wife!" Huo yunxun repeated it again. He knows what he wants now!

Qiao Wei nodded, "my son, come on!"

A few days later.

The crew opened up the media interview, we still care about the relationship between Xia Yunzhe and Gu Yaoyao. However, both of them did not respond positively. Almost all of them answered with the characters in the play.

This made the reporters at the scene very helpless. They didn't ask much about the two photos.

Although there is no strong news in this media interview, the attention is very high. Because Xia Yunzhe and Gu Yaoyao match each other in appearance, many products have offered olive branches to them, hoping that they can join in as lovers.

Moreover, many domestic famous magazines also hope that they can accept interviews. Xia Yunzhe is a favorite of magazines, and Gu Yaoyao is now relying on hy magazine, which also makes many big men in the industry see the potential of Gu Yaoyao. Gu Yaoyao can't believe his latest arrangement. "So much?"

Zeng Ni said with a smile, "this has been screened. But most of them are with Xia Yunzhe. A good reward

Gu Yaoyao thinks that the part of the film and TV city will be over soon. She can go home and have a rest for a few days. Now think has become extravagant hope, even when the time comes to start from here, fly everywhere.

"Why, want to go back to see Huo Shao?"

"Think about it!" Gu Yaoyao nods.

Zeng Ni can see that Gu Yaoyao is serious about Huo yunxun, but she doesn't know whether Huo yunxun is sincere to Gu Yaoyao or just a responsibility. Huo yunxun has never told Gu Yaoyao about him and the princess of state F. this is a big problem.

"Yao Yao!"

Xia Yunzhe came to Gu Yaoyao and said, "the director asked us to go over and discuss tomorrow's play."

"I'll be right there."

There are less than two days left for the show, so they can't relax.

"I just got a call from the program team that I'm going to record again next month. Do you want to participate? "

Gu Yaoyao did not immediately reply to Xia Yunzhe. "May I think about it again?"

"Yes. If you don't, I'll quit. "

Gu Yaoyao laughed, "is this to advance and retreat together?"

"Of course! We are a hot couple, and then we can pick up a casual program. Why do you have to work so hard to do those competitive programs, right? "

Xia Yunzhe said it very white, but there was a point.

"Yes

The shooting part of the film and television city also successfully completed the shooting within the specified time, and then a small part will return to city a to continue shooting.

On this day, Gu Yaoyao and Xia Yunzhe went to shoot a couple magazine together.

Because of the tacit understanding of filming, the two successfully completed all the scenes. During the interview, an interesting question made them not know how to answer.

"If we had met in a previous life, in what capacity would you meet?"

Gu Yaoyao thought about it. If she met in a previous life, what identity would she be!

"Brother and sister!"

[Chapter 687](#)

The two answered the question with almost one voice.

After answering, the two people looked at each other with a smile, but also tacitly clapped to celebrate.

The host was stunned and immediately asked, "Why are brothers and sisters?"

Xia Yunzhe grabs Gu Yaoyao to answer this question. "Why brother and sister? There is such a sentence, I wish the affectionate people in the world eventually become brothers and sisters! So I think since I was a brother and sister in my last life, I'm sure I can be CP in this life. "

Xia Yunzhe skillfully uses CP to describe, but not with lovers. He is very clear that if he is a couple now, Gu Yaoyao must be under pressure, and Huo Yunxun may find himself in trouble!

He chose CP for the sake of insurance. And now he and Gu Yaoyao are national CP, how many online fans hope they can be together!

Gu Yaoyao is grateful for Xia Yunzhe's answer. She is not so embarrassed and makes others feel better.

"How about Yunzhe's evaluation of Yao and Yao?"

What's so good about Yao! If you can rely on me more in the future, it will be more perfect! "

Gu Yaoyao knows that Xia Yunzhe is on purpose. Once again, he is leading everyone to think in the direction of lovers.

"Yao Yao, what about you? How about Yun zhe? "

"He's all right! It would be more perfect if I could lose less in the future Speechless,

's host as like as two peas in two people's almost identical answers, "it's really a tacit understanding, and even the answer is exactly the same."

"That's our charm." Xia Yunzhe said triumphantly.

After that, the host asked about the content of the TV play, and the two cooperated to answer.

Unknowingly to the end, the host seized a rare opportunity.

"Last time, it was said on the Internet that two people watched the sunrise sweetly together. Is that true?"

Xia Yunzhe is still holding this question for a long time

"Everyone is very curious, and they look so sweet. It's really hard to see the sunrise so romantically while filming."

Xia Yunzhe knows that this time can't be avoided, otherwise today's interview will not be over.

"We really went to see the sunrise together." Xia Yunzhe replied. "That's because Yao and Yao can't grasp the role well, so they are in a bad mood. I looked at her like that, so I mercifully took her to find her feelings. I didn't expect to make headlines. "

"Yun Zhe is really a romantic man."

Xia Yunzhe waved his hand and then Tucao aside: "Yuri Huang always make complaints about me. But never mind. Recently, there's a popular love affair.

"Say something?"

Xia Yunzhe holds Gu Yaoyao's hand and is affectionate. "Yao Yao, I've been scratched. Why don't you scratch it too? "

Gu Yaoyao rolled a lovely white eye at Xia Yunzhe. They all picked up the Internet.

"Why don't you answer? I'm so embarrassed. " Xia Yunzhe complained to Gu Yaoyao wrongly like a child.

"I really don't want to take it." Gu Yaoyao subconsciously wanted to refuse.

Xia Yunzhe took her hand and shook it. "Well, just talk about it."

"Then we'll be married."

Hearing Gu Yaoyao's dissatisfied tone, Xia Yunzhe laughed, "yes, couple."

The interview is finally over.

Xia Yunzhe and Gu Yaoyao signed their photos as gifts to fans. So Gu Yaoyao signed it very seriously and wrote his name one stroke at a time.

Xia Yunzhe took a look, "how tired it is to sign like this! It's OK this time, but it's going to be more. When you're done signing, people will all run away. "

"What about that?"

"Of course, it is to design a nice and simple signature. There are so many strokes of your name, I'm tired after writing it! "

Gu Yaoyao thought about it and thought it was reasonable. She really wanted to design one.

At the end of the mission, Xia Yunzhe and Gu Yaoyao had dinner together, along with their agents.

When Xia Yunzhe orders, Gu Yaoyao goes to the bathroom. When she opened the bathroom door, she saw that there were two people tightly entwined in it, and the kiss was inseparable.

As soon as Gu Yaoyao's face turned red, she immediately withdrew.

Now people are so fierce, in the bathroom directly like this dry dish fire up, do not mind other people's eyes.

Gu Yaoyao chooses to go downstairs to the bathroom. When she goes down the stairs, she is very careful because she is wearing high-heeled shoes. For fear of slipping, the whole person fell down the stairs.

After going to the bathroom, Gu Yaoyao goes back the same way. Just to the stairway, Gu Yaoyao accidentally bumped into a person who came down in a hurry from upstairs.

"I'm sorry!"

The man in sunglasses took a look at Gu Yaoyao and continued to go downstairs without saying anything.

Seeing that others didn't care, Gu Yaoyao prepared to go upstairs. Suddenly something flashed on the floor. Gu Yaoyao bent down and picked up the things on the ground. It's a silver USB drive with three letters engraved on it, HLM. This should be a person's name, then it should be the person just now.

Gu Yaoyao holds the U disk and chases downstairs, thinking about this thing should be very important.

When she reaches the door of the restaurant, Gu Yaoyao looks around to see where the man has gone. Finally, I saw him in a car and was about to leave.

Gu Yaoyao stepped on high heels and ran after him, "Sir, your things!"

The car has been slowly driving forward, Gu Yaoyao ran a few steps to stop, simply take off the high-heeled shoes, so as to catch up. Because they will have to go through the toll booth later, so they should be able to catch up.

In the car.

Helianmin heard someone shouting. Wait a minute. He looked back and saw a woman chasing the car.

He looked at the retinue. "Nothing happened just now?"

"No

When the car stops to pay the parking fee, Gu Yaoyao catches up. She was patted by the window.

"You dropped something, sir."

Through the glass, Helian saw the gasping woman outside the car, which was familiar. He pressed down the window.

When Gu Yaoyao saw the face in front of her eyes, she had to say that the man was very good and had an evil face. But there was a smell of evil spirit in his eyebrows.

"To me?"

Gu Yaoyao looks at the man sitting on the copilot. "Sir, you just dropped something on the stairs."

He Lianmin looks at the U disk in Gu Yaoyao's palm, and the cold air bursts out in her eyes. I lost the USB flash disk, and it was almost a big deal!

"This is my stuff, thank you!"

Gu Yaoyao looks at helianmin and thinks that this man should be the boss. The man in front of him doesn't dare to look up now. He looks like he has done something wrong.

"You're welcome." With that, Gu Yaoyao retreated.

He Lianmin frowned when he saw Gu Yaoyao chasing the car barefoot. How could she be such a fool. After such a long way, is to return the U disk.

"Are your feet OK?" He Lianmin took the initiative to care.

[Chapter 688](#)

Gu Yaoyao waved her hand and put on her high-heeled shoes in a safe place on the edge.

Then he turned and walked to the door of the restaurant, leaving a figure of his back.

"My Lord, I'm sorry! I accidentally bumped into her before. I should have dropped it at that time

"Thanks for finding it back this time, or it will be taken away by someone who has the intention, and the consequences will be unimaginable."

"I was wrong!"

He Lianmin looks at the door of the restaurant again, but there is no Gu Yaoyao.

"Look up the woman just now."

As soon as the car was on the road, he Lianmin took a look at the scenery outside. When he saw the giant poster of Gu Yaoyao, he remembered who the woman was.

She is the woman in the poster, Gu Yaoyao!

"Turn around and go back."

"My Lord, this..."

"Go back!" Helenin gave the order.

When I think of Gu Yaoyao chasing the car, I really don't have any star's frame. I can even take off my shoes to chase the car without image, just to return a USB flash disk.

Inexplicably want to know more about this woman!

"My Lord, the name of that lady just now is Gu Yaoyao."

"Sure enough, it's her!" Helian admired his memory. "Well, thank her very much."

"She's having dinner with her boyfriend Xia Yunzhe at the moment."

"Boyfriends?"

He Lianmin reached for his mobile phone and roughly browsed the news of Gu Yaoyao and Xia Yunzhe. I didn't expect to be a woman with a master, so it's a defect.

He Lianmin goes into the restaurant with his pocket in his pocket. Because he is a public figure, Xia Yunzhe and Gu Yaoyao order a box for dinner.

He quickly stood at the door of the box. He reached out and knocked on the door.

Hearing someone knocking at the door, Xia Yunzhe asks Dahong to open the door.

Dahong looks at the strange face in front of him, "Sir, are you going wrong?"

"Is Miss Gu Yaoyao eating here?"

Dahong immediately raises his vigilance. How does this person know that Gu Yaoyao is here. This shows that the source is not good.

"Who are you?"

Helianmin said with a smile, "Miss Gu helped me a lot just now. I want to thank her in person."

"How do you know about this room?"

"The owner of this restaurant is my friend. I mean, thank you and go. It won't delay your meal
Dahong didn't let helianmin come in. After closing the door, he told Xia Yunzhe in a low voice.

"Man at the door?"

"Well."

Xia Yunzhe looks at Gu Yaoyao who is still reading the script and doesn't call her.

"I'll go and have a look."

Xia Yunzhe and helianmin stood face-to-face outside the box. They were both looking at each other.

"Mr. Xia, are you observing me?"

Xia Yunzhe looked at the man in front of him and knew that he was not an ordinary person. His clothes are Gaoding, or the limited edition of the world, and he also has a face of evil.

"You're watching me, too."

Helian laughed. "I just saw a real star for the first time and couldn't help looking at it more."

"But just now it's not a matter of a few eyes. Your eyes are like an X-ray, scanning me constantly. As for it? I'm not alone

He Lianmin didn't expect Xia Yunzhe to be so humorous, but he couldn't see through his mind.

"Brother Yun Zhe, why don't you come out without saying it?"

Gu Yaoyao pushed open the door of the box and saw Xia Yunzhe and helianmin standing face to face. They seem to be talking about something.

"Sorry to disturb you."

"Miss Gu!" He Lianmin called Gu Yaoyao.

Gu Yaoyao then paid attention to helianmin and said, "are you the boss in the car just now?"

He Lianmin stepped forward and blinked at Gu Yaoyao. "I'm here to thank you! That USB flash drive is very important to me, otherwise I will lose a lot. Thank you very much

"You're welcome." Gu Yaoyao replied with a smile.

"Miss Gu, would you please leave me your contact information?"

Xia Yunzhe stops in front of Gu Yaoyao. "Inconvenient!"

There was a sense of danger in this man.

He Lianmin knew that Xia Yunzhe was on guard and their identity. There is no way to get the phone, so we have to find another way.

"Sir, if you're OK, we'll have dinner."

"Well, I won't disturb you. Hope to see you next time. You can call me herring

Gu Yaoyao recited it silently once. Helian should be his surname. There are not many people with this surname. It seems that his identity is not simple.

After he Lianmin left, Xia Yunzhe took Gu Yaoyao back to the box, and the two continued to eat. After that, they went back to the hotel to pack up for the next trip.

Gu Yaoyao wants to fly to the imperial capital to attend a fashion show, while Xia Yunzhe goes to record a show. Then they will go back to city A for the last part of the shooting.

It is also a five-star hotel in B city.

He Lianmin looks at Gu Yaoyao and Xia Yunzhe's news on the Internet and takes it seriously. I have to say that they are very well matched, and they have a tacit understanding in all aspects.

Xia Yunzhe and Gu Yaoyao are very hot, but he never feels like what he said on the Internet. Xia Yunzhe and Gu Yaoyao are very affectionate. Gu Yaoyao doesn't feel like falling in love with Xia Yunzhe.

Maybe as Xia Yunzhe said before, he was just chasing after Yao Yao.

"Your honor, the old general just sent the latest news."

Helianmin turned off the computer. "What did grandpa say?"

"Say your highness is asking people to look for you everywhere!"

He Lianmin disdains, "Li Mengyao, this is clearly and I can't get along."

"The old general told you not to act rashly in city B, and wait for his news."

"I see. You go out first."

He Lianmin looks at Gu Yaoyao's picture on the website again. She is too clean and beautiful. No wonder Xia Yunzhe will protect her. If you can, I really don't want her to be dyed black.

He Lianmin went to Gu Yaoyao's microblog to read, almost all of them were propaganda microblogs. Must also be the agent hair, there is no real feelings of their own things.

So Helianmin wants to contact Gu Yaoyao.

Helianmin's mobile phone vibrated, but after seeing the name, he didn't want to answer at all. And I can't help but compare. Although the name has the same word, but this gap is too big!

If Gu Yaoyao is simple, then Li Mengyao is complicated.

Gu Yaoyao makes people feel relaxed, and Li Mengyao makes people feel depressed.

Gu Yaoyao has a comfortable temperament, so Li Mengyao has a strong aura.

In contrast, Li Mengyao is superior to Gu Yao in all aspects, but Gu Yao is better than Li Mengyao. That's how she feels comfortable and stress free.

In the case that helianmin didn't know, Gu Yaoyao was better than Li Mengyao, that is Huo yunxun's love for her and all kinds of pet.

[Chapter 689](#)

Gu Yaoyao's mode of flying in the air has been on the move almost every day.

In city a, Huo yunxun not only works, but also has another job, that is, he searches Gu Yaoyao's news every day.

They haven't met before he went to country F. the calculation time is almost a month. Every day, except for a few wechat messages, almost no phone calls have been made.

Huo yunxun felt that Gu Yaoyao was really going to be angry. He would like to see her less and less time later!

Seeing the news on the Internet, as well as the occasional appearance of her figure in entertainment news, Huo yunxun has a feeling of looking through the water.

"Young master, the phone number of F country."

Huo yunxun didn't pick it up. Let ah Jin deal with it. He can't make the same mistake twice.

Within a few seconds, Huo yunxun saw Ah Jin Hang up the phone.

"I said it wasn't you, so I hung up."

Huo yunxun had no reaction at all to these matters. He and Huo Dongyang discussed whether to set up a joint venture in country f according to Li Mengyao's suggestion. As a result, Huo Dongyang rejected it without even a reason.

Huo yunxun knew in his heart that he would do it just to listen to his mother. Who makes her mother like Gu Yaoyao.

So now the whole plan has been shelved. I feel sorry for Li Mengyao and Huo yunxun, but I can't help it.

"I'll leave it to you later."

Ah Jin nodded, but he was dissatisfied. Every time there was a big event, he let himself rush in front of him.

A Jin's mobile phone vibrates and receives the latest news about Gu Yaoyao.

Gu Yaoyao returns to city A.

"Young master, young lady, come back."

Huo yunxun immediately asked, never positive, he heard Gu Yaoyao three words instant spirit.

"I'll go to the airport right away."

"Xia Er Shao has sent someone to the airport to meet his wife. They are going to report to the crew. The final part of the TV series will also be filmed in city A

Huo yunxun's face sank, but he still couldn't see him back?! There is no such reason, he Huo yunxun wants to meet people, but he has not yet seen.

"Where are they shooting?"

"I need to ask about that again."

Huo yunxun was dissatisfied and turned to a Jin. "I suddenly feel like you haven't been working hard lately. Do you want to go somewhere else

"Thank you for your kindness, but my father needs me. So I can't leave a city. "

After that, a Jin told Huo yunxun what he had heard.

Huo yunxun almost does not return to the ground to go out, the rest of the work falls on a Jin's body. His good young master really went out of his way for his wife.

Huo yunxun arrived at the shooting scene and did not see Gu Yaoyao at all. I wanted to give Gu Yaoyao a surprise, but it failed.

From Zeng Ni, Huo yunxun got the latest reply that he temporarily changed the shooting location.

Huo yunxun can only return halfway to HD building, just arrived at the office was Huo Dongyang called.

"You just went out?"

"Well."

"I've just heard that the Ministry of Commerce of F has invited you to attend one of their economic forums."

Having learned from the past, Huo yunxun did not want to go. Huo Dongyang can see this clearly from his eyes.

"Really

"Dad, arrange someone else to go." Huo yunxun replied.

Huo Dongyang didn't force him. He knew the reason. It's time for Huo yunxun and Li Mengyao to turn the page, that is, to hope everything goes smoothly.

Huo yunxun returned to his office and saw a video from Zeng Ni. It was a clip of Gu Yaoyao in the process of shooting. I can't see a real person, so I can only watch this video to quench my thirst.

Gu Yaoyao returned to city a, but did not go home at all.

In addition to finishing a few magazines and shooting, I went straight back to the crew to continue shooting. Every day is almost continuous rotation, so the body some can not support. Previous back and back injuries hurt faintly.

Gu Yaoyao endured this situation for a few days and didn't want to affect the progress.

This scene happened to be the scene of Gu Yaoyao falling into the water. Gu Yaoyao came and went to shoot several times, but still failed to meet the requirements. But her body was trembling and her lips were white.

"Are you all right? If it doesn't work, I'll shoot it tomorrow?" Zeng Ni is worried about Gu Yaoyao.

Gu Yaoyao pressed Zeng Ni's hand, "I'll just have a rest."

"Don't push yourself too hard."

"Well."

Lu Yichuan went to Gu Yaoyao and told her several important points. He hoped that she could pass one by one this time.

Gu Yaoyao nods to show that she already knows.

Once again into the shooting, Gu Yaoyao took a deep breath and integrated her emotions into the character. Strive for a pass, as if their own body has reached the limit.

Gu Yaoyao fell into the water again, and this time she finished it excellently. "cut! Good."

Gu Yaoyao was no longer able to paddle on her own and was eventually pulled up by the staff. Zeng Ni quickly went forward to put a towel on Gu Yaoyao. "How about it?"

"Well." Gu Yaoyao is struggling, but she is in pain all over her body.

Zeng Ni helped Gu Yaoyao go back to the hotel to have a rest. Gu Yaoyao was confused. If it's supported, it won't stand.

At the front desk of the hotel, Zeng Ni goes to handle the formalities. Gu Yaoyao leans on one side powerlessly.

"You wait for me here. I'll get something in the car."

Gu Yaoyao nodded slightly. She wanted to go to the sofa in the lobby to have a rest, but without taking a few steps, she fell forward.

The next second, a pair of powerful arms firmly caught her.

"Are you all right?"

Gu Yaoyao raised her head. Her consciousness was slack. She didn't really see the people in front of her, but she felt as if she had seen it.

"It's OK." Gu Yaoyao wanted to get up again.

He Lianmin looks at Gu Yaoyao, who has no blood in front of her, and frowns. Her situation is not right.

"I don't think you're very well."

"I'll sit down for a while." Gu Yaoyao replied weakly.

Helianmin glanced at the sofa not far behind her and thought of helping her to pass by mercifully. When her hand touched her arm, she found that she was very hot, and the hand of helianmin was placed on her forehead.

"Do you know you have a fever?" He asked.

Gu Yaoyao just wanted to wave her hand, but the next moment she fainted.

He Lianmin quickly took her into his arms, and her whole body was very hot. The situation of this woman was really bad.

"My Lord, we need to..." The retinue at the back came forward to remind him.

He Lianmin didn't pay attention to it, so he picked up Gu Yaoyao. "Call the doctor."

"This..."

Helian min a sharp eyes fell on the body of the attendant, "yes, I'll go right away."

He Lianmin walks into the elevator with Gu Yaoyao, who has almost no weight.

When Zeng Ni came back, she found Gu Yaoyao missing. The whole person is very flustered, asked the person also did not know Gu Yaoyao to go where.

Soon, the news of Gu Yaoyao's disappearance reached Huo yunxun.

Huo yunxun at the meeting also ignored other things when he received the phone call and stood up after rubbing against the ground.

"How can it not be seen?"

[Chapter 690](#)

Huo yunxun listened to Zeng Ni's words and walked out of the conference room.

I didn't realize that I was still in the conference room. There was only one thing in my heart, that is, Gu Yaoyao was gone.

Huo yunxun's departure made people in the conference room puzzled, and almost all of them were whispering. It seems that this is the first time that such a situation has happened. What made Huo yunxun so nervous.

When Yun Muxin sees a Jin saying that he will go out after the meeting, he knows it is a big event.

She had just heard a sentence, "how could it be missing?"

Is it Gu Yaoyao missing?

Yun Muxin left the conference room and immediately called Xia Yunzhe.

"Mrs. Xia." Dahong's on the phone.

"Where's Yunzhe?"

"Er Shao goes to see Miss Gu."

Yun Muxin completely understood that it was Gu Yaoyao who had an accident. "What happened?"

"Miss Gu suddenly disappeared in the hotel. Some people said she was taken away by a man, but now the hotel won't let us check the information of the guests. So it's a bit of a hassle. "

"Then you are busy."

Huo yunxun arrived at the hotel and soon found Zeng Ni.

"The surveillance video is coming out."

Huo yunxun looks at the monitoring of the hotel lobby with a calm face. Just seeing the man holding Gu Yaoyao away, Huo yunxun has a fire burning in his eyes. It's disgusting that the surveillance can't get a man's face.

"Young master, I've sent people to investigate. I believe there will be news soon."

Huo yunxun exudes cold air all over his body, and his eyes are fixed on the figure of the man holding Gu Yaoyao into the elevator. If the eyes can kill people, then the man's back has been stabbed with countless knives, which is already a river of blood.

Huo yunxun's face became more and more frightening. He stood there watching the video playback in the monitoring room countless times. In other people's eyes, it is a little confused.

It's a rare time. Shouldn't you go out and look for someone right now? What's the use of watching these here? There's no way to solve the problem.

"Stop!" Huo yunxun a word let the whole monitoring room were scared.

The moment the picture stopped, Huo yunxun saw a sign of the man's clothes.

"Zoom in on his clothes."

"Oh

Huo yunxun saw the mark on his clothes and immediately clenched his fist. His joints also made a click sound.

The voice made the people at the scene pinch up a sweat, and did not dare to speak at all.

"Ah Jin!"

"Yes

"Find out where hellenim is."

A Jin was stunned when he heard the name. He Lianmin was actually in a city, and he took away the young lady? If that's the case, then it's a big problem. With Huo yunxun's character, he will never be let go.

"Yes

Huo yunxun's eyes are still staring at the sign belonging to the Helian family, but he doesn't understand why he took Gu Yaoyao away.

Another five-star hotel in city A.

The doctor is doing an examination for Gu Yaoyao when he Lianmin stands by and waits.

This woman actually burned to 40 degrees. I really don't know if her IQ is still there. Gu min knew that the reason for his fever was that he was on his way back.

However, he did not agree with such a boring working mode.

The doctor made the infusion for Gu Yaoyao, "Sir, if this lady doesn't have a fever in the evening, I suggest sending it to the hospital."

"Well!"

Gu Yaoyao had been in a daze. Her face was as white as a piece of paper. Her eyebrows were tight and her lips were cracked.

He Lianmin was obviously at a loss when he took care of the patient for the first time. He sat on one side and just looked at Gu Yaoyao.

"My Lord!"

He Lian Min turns back to stare at the attendant Fei Yun who suddenly walks in. His displeasure is very obvious.

"Get out of here!"

"It's urgent."

He Lianmin stood up and checked Gu Yaoyao's condition. Then he walked out of the room with Feiyun.

"My Lord, city a is now closed. We can't leave today. "

"Why."

"What Huo yunxun means."

Helian squinted. He hated the name Huo yunxun. But this is his territory, so he has to keep a low profile.

"They seem to be looking for Gu Yaoyao."

As soon as he heard this, he looked at the door of the room.

"Gu Yao Yao?"

Helianmin frowned slightly, thinking in his heart what was going on? This should be anxious, shouldn't it be Xia Yunzhe? Huo yunxun ran out to join in the fun!

"Xia Yunzhe is the son of Yun Yiyan."

Now helianmin understood. "Kinship!"

Then another man came in. "My Lord, here comes Xia Yunzhe." Helianmin disdained, Xia Yunzhe came, anyway, he could not directly break in.

"No hurry." Helian sat down beside him leisurely.

Xia Yunzhe was stopped in front of the elevator on the floor and couldn't move at all. This floor is almost completely covered by people. So the people who live here are definitely not small people.

Xia Yunzhe knows that there is no way to break through on his own strength, and he can only move and rescue soldiers.

"Brother Xun, where are you?"

"Five minutes." Huo yunxun is simple and clear.

Xia Yunzhe sees the phone that has been hung up. It seems that Huo yunxun really cares about Gu Yaoyao, and his tone is very anxious.

In the room.

He Lianmin called helianfeng, and then asked people to inform the Embassy here to assist, otherwise, he could not leave from city a safely.

He Lianmin went back to the room again and touched Gu Yaoyao's forehead. The heat was still hot. It looks like we're going to the hospital! Otherwise, Gu Yaoyao's life will not be saved.

When helianmin bent down to help Gu Yaoyao up, the door of the room was kicked open.

Huo yunxun saw helianmin lying on Gu Yaoyao's body. He rubbed the ground in his heart and ignited a fire. He took a few steps to pick up helianmin and gave him a fist without saying a word.

He Lian didn't stand firm for a moment, and the whole man staggered back several steps. After a few seconds, he reached out and touched his face, which was really heavy! His face is undoubtedly in a mess.

Feiyun stepped forward. "My Lord, are you all right?"

"Pooh!" He Lianmin spits out a mouthful of blood and glares at Huo yunxun.

"Huo Shao, why are you crazy?"

Huo yunxun was simply full of Qi. He clenched his fist, and his voice was as cold and heartless as hell emissary. "Dare you touch her!"

When he heard this sentence, he always felt something was wrong.

"What? Is this heartache, Huo Shao? "

Huo yunxun wants to go forward again, and Feiyun immediately blocks in front of helianmin.

"Huo Shao, you misunderstood me!" Feiyun explained for helianmin. "My Lord is just kind to take care of Miss Gu!"

Huo yunxun still lingers in his mind until now. When he saw the picture just now, he would like to unload Helian min! The woman who dares to covet him is simply tired of living.

He Lianmin felt Huo yunxun's anger, which was a feeling that someone had moved his baby.

"What? Huo Shao is also interested in Gu Yaoyao? "
