

Warm Wife 691

[Chapter 691](#)

Huo yunxun ignores helianmin's provocation. He looks back at Gu Yaoyao.

Seeing Gu Yaoyao still in a daze, Huo yunxun's eyebrows are locked. He sat down on one side and gently touched his face.

It's hot!

Huo yunxun's hand touched Gu Yaoyao's forehead. She was very hot!

Huo yunxun pulled out the needle on the back of Gu Yaoyao's hand and bent down to pick up Gu Yaoyao. At the moment of holding up, he touched Gu Yaoyao's forehead with his forehead.

"Go, I'll take you back."

He Lianmin looked at Huo yunxun and left with Gu Yaoyao in his arms. He felt uncomfortable. Why let Huo yunxun take Gu Yaoyao away like this!

"Huo Shao, you are not digging the corner of other people's relatives. It's going to affect your reputation. " Helianmin's expression is dignified. He just can't stand Huo yunxun's natural appearance.

What's more, why do Li Mengyao and Gu Yaoyao have something to do with Huo yunxun! It's really speechless!

"This is my woman!" Huo yunxun threw down a word and walked out of the room with Gu Yaoyao.

At this time, the whole suite is full of people, both sides of the people are in this small living room confrontation.

Xia Yunzhe saw Huo yunxun come out with Gu Yaoyao in his arms and walked over quickly. "How about Yao Yao?"

Huo yunxun dodged, Xia Yunzhe's hand did not touch Gu Yaoyao, only stayed in the air awkwardly, the atmosphere instantly condensed.

"Young master!" Ah Jin goes to Huo yunxun. "The ambassador of the f embassy is here. I said I wanted to talk to you. "

Huo yunxun looks down at Gu Yaoyao in his arms. Gu Yaoyao can't delay.

"Let him go to the hospital."

Huo yunxun sent Gu Yaoyao to the hospital, and several doctors gathered around to examine Gu Yaoyao.

Hearing the news, Xia yueqian also joined in. Huo yunxun stood in the room with his eyes fixed.

The doctors in the ward did not dare to relax, and the people outside the ward were also waiting anxiously.

Huo Dongyang and Qiao Wei also came to the hospital to prove Gu Yaoyao's identity in the Huo family.

He Lianmin was sitting in the distance, but he could see everyone's expression clearly. Even Huo Dongyang also came, so this seems to be more wonderful than he thought.

The ambassador of F came forward to greet Huo Dongyang.

"Here you are, Mr. Huo."

Huo Dongyang took a glance, just a, attitude shows everything.

"This time Huo Shao moved his hand to the Lord Helian, and general Helian wanted a statement."

Huo Dongyang raised his eyelids and swept Helian min not far away. "What else?"

"Yes."

"I don't think it's very serious. There's no need to make a fuss about a man's hand? If you're a man, you should bear with it. Mr. ambassador, are you right? "

However, the ambassador of F broke out a cold sweat. Huo Dongyang was in front of this one, and the Helian family was behind this one. He is like a sandwich cake, sandwiched in the middle, left and right are not people.

"This..."

"Mr. ambassador, I'm sure my son will not do it for no reason. Mr. herring must have done something!" Huo Dongyang's attitude towards protecting the calf is obvious.

This is obviously what helianmin listened to. Who let helianmin take Gu Yaoyao away without knowing that he would.

With a flash of his eyes, he quickly collected all his dissatisfaction. The Huo family is really powerful. They are not afraid to offend others! So this pot, helianmin can only carry alone!

The ambassador of F reached out and wiped the sweat on his forehead. Lord Helian only saved Miss Gu with kindness. "

"Then you shouldn't take people away secretly!" Huo Dongyang also argued.

Helianmin stood up and went to Huo Dongyang. "Mr. Huo is exactly what the rumor says."

"Your Highness is very kind. I have always been so." Huo Dongyang deliberately said the identity of helianmin. This also let others know that helianmin, a married person, took Gu Yaoyao away, which was definitely not a good intention.

Helian's mouth was slightly puffed. He didn't like to be called this when he went out, so people around him just called him an adult.

At this time, Huo Dongyang said his identity, which was undoubtedly provocative. And also can't refute, this is really bound!

"Uncle, this man is the prince of state f!" Xia Yunzhe felt his chin and looked at Helian min.

Because Huo yunxun had punched him, his face had already hung up.

"If you let the princess know about it, I don't know what the consequences will be." Xia Yunzhe seized the opportunity to throw up a bad sentence.

He suppressed his anger, but he didn't get angry.

"If we really want to do this, then does the news of Huo Shao and Princess Huo give me an explanation? Taking advantage of my absence in country f, I secretly made an appointment to meet, and the result will be photographed? "He Lianmin took the initiative to fight back a city, lose people do not lose the array, this posture still has to have!

Huo Dongyang's face is not good, he Lianmin said right. But they can't tell the truth in front of everyone, otherwise Li Mengyao's situation will be very difficult! No help, no harm.

This is also Huo Dongyang's criterion!

He Lianmin saw that Huo Dongyang and Xia Yunzhe were quiet, and then he also took a sentence. "A man wants to step on two boats with one foot, but there is retribution!"

After venting a few words, helianmin turned around and left. There are enough people here. If he continues to stay, he will be very uncomfortable! The ambassador of F left with herrenmin.

Huo Dongyang stares at the back of helianmin. He is not as incompetent as the rumor says. On the contrary, he is more like a dormant lion, ready to stare at his prey and start attacking.

Helianmin, including the Helian family behind him, had to defend!

Xia yueqian walks out of the ward, and Xia Yunzhe immediately pulls him.

"Uncle, how is Yao Yao?"

"A high fever, lung infection, coupled with constant fatigue, back injury recurrence, a number of symptoms, leading to coma can not do!"

"So serious?"

Xia yueqian nodded. "I advised her to stop work."

"Yao Yao won't do that." Xia Yunzhe knew her, otherwise she would not have been holding on for so long.

Seeing that Huo Dongyang and Qiao Wei didn't talk to themselves, we knew that they still had opinions. Xia yueqian didn't stay too long and turned around and left.

"We're here. You go back." Huo Dongyang said to Xia Yunzhe.

Xia Yunzhe craned his neck to see Gu Yaoyao's situation, but Huo yunxun was inside, and he couldn't get in at all.

"I'll come back tomorrow."

Huo Dongyang looked at his son standing upright in the ward and didn't say anything.

"Jovi, let's go back first." Huo Dongyang wants to leave time for Huo yunxun and Gu Yaoyao.

[Chapter 692](#)

Gu Yaoyao woke up the next day.

She looked at the ceiling above her head and smelled a smell of disinfectant. Her head then reflected that this was a hospital.

Just wanted to raise her hand, but found that the hand was held, she slightly raised her head, and saw Huo yunxun lying on the edge of the bed.

After opening her mouth, Gu Yaoyao finds that her voice is too dumb. I can't help choking when I lift it. She coughed and woke Huo yunxun.

Huo yunxun immediately picked up Gu Yaoyao and poured her a glass of water.

Gu Yaoyao gulps a glass of water on the stomach, which makes her throat feel comfortable.

"How do you feel?"

Gu Yaoyao nodded and said dumb, "how can I be in the hospital?"

"Can't remember?"

Gu Yaoyao really can't remember. Her only impression is that she and Zeng Ni went back to the hotel together. I don't remember anything after that.

Huo yunxun sits at the head of the bed, tightly encircling Gu Yaoyao.

"I won't let you disappear from my sight." Huo yunxun hugs Gu Yaoyao.

Gu Yaoyao leaned against Huo yunxun's arms and always felt that he was angry. She reached out and took Huo yunxun's hand. "Did something happen?"

Huo yunxun's eyes are surging. Since Gu Yaoyao doesn't remember, he won't mention helianmin. From Xia Yunzhe to know how they met, Huo yunxun's heart is not happy.

Especially yesterday's impressive picture, Huo yunxun couldn't help but get angry! If he Lianmin dares to do something unruly to Gu Yaoyao, he will never leave a city alive.

"Yao Yao, I will not give you to anyone! Remember what I said today

Gu Yaoyao listened to this almost unreasonable words, she clenched a big hand of Huo yunxun. "And you?"

"Li Mengyao and I are not what you want." Huo yunxun replied. "She and I have made it clear that there will be no relationship between me and her."

"It sounds heartless." Gu Yaoyao said softly. "In the future, we will be separated. Will you do the same to me? "

Huo yunxun frowned, which he didn't like to hear. What do you mean if we separate in the future!

"I won't be separated from you, and all those unrealistic ideas in your mind will be deleted."

Gu Yaoyao closed his eyes and leaned against Huo yunxun. Everyone has his own past. Li Mengyao exists in his memory, which can not be denied. As for their feelings, Gu Yaoyao didn't want to think too much about it.

"Ahun, I want to sleep again."

With that, Gu Yaoyao fell asleep again in Huo yunxun's arms.

Huo yunxun's chin is against Gu Yaoyao's head, and his hands hold her tightly. I wanted to make it clear to her about Li Mengyao, but she fell asleep again. There's really no way to take her.

Gu Yaoyao didn't sleep very long this time. She woke up an hour later.

"Hungry or not?"

"Hungry." Gu Yaoyao nods.

Huo yunxun got up to get the food prepared by Qiao Wei, "this is brought by mother."

"You're worried again."

"Don't say that again." Huo yunxun didn't want to hear these words. He was too polite.

Seeing Gu Yaoyao eat a few mouthfuls without moving, Huo yunxun then said: "why not eat?"

"No appetite."

Huo yunxun put away the food and ate it when Gu Yaoyao wanted to eat it.

"You haven't been to work these two days?"

Huo yunxun did not answer. After experiencing this incident, he could no longer let Gu Yaoyao out of his sight, so he could only feel relieved to watch it in person. Otherwise, he could not be at ease.

Especially knowing that helianmin is also in a city, he can't relax.

"I want to discuss something with you."

Seeing Huo yunxun's serious expression, Gu Yaoyao knew that he wanted to say something important.

"After this work, don't shoot any more."

"Why?" Gu Yaoyao did not understand how Huo yunxun suddenly made such a request.

Huo yunxun stares at Gu Yaoyao seriously. "I can't see you hurt or sick again. I'm not at ease if you're not by my side! "

"Ah Xun, in fact, I am..." Gu Yaoyao wants to say that these are just accidents. She must pay more attention to them in the future. But she really likes acting. She can experience a different life.

Huo yunxun understood Gu Yaoyao's meaning, but he didn't want to compromise. He had to force her once for her safety.

"Yao Yao, this incident gives me a big warning. To protect you! "

Gu Yaoyao heard another meaning from Huo yunxun's words. What happened these two days without knowing it! Vaguely feel that something has happened!

It was not until Xia Yunzhe came that Gu Yaoyao heard the development of the matter from him.

"So that man is the prince of F?"

"Well, Li Mengyao's husband." Xia Yunzhe said in a low voice. Gu Yaoyao frowned. No wonder Huo yunxun said that to himself. So the relationship between Huo yunxun and helianmin is not harmonious at all!

"Brother Yun Zhe, is the matter settled now?"

Xia Yunzhe smiles. "Uncle was there, and on that day, in front of all the people, he directly put the ambassador of state f down. At the end of the day, helianmin walked away in dismay. I was relieved at the scene. "

Hearing this, Gu Yaoyao is worried. The other party is a member of the royal family of state F. Because of her, the Huo family did not offend the whole country F. She didn't dare to think about the most serious consequence!

"Don't think about it. They will not act rashly. Because Li Mengyao and his family are waiting for brother Xun to invest in it! "

Gu Yaoyao still can't rest assured that she doesn't want things to get worse because of herself. Now some understand why Huo yunxun asked him not to work. If this is serious, it may involve international problems.

How can she care for Yao Yao!

"What do you think?"

"Want to work." Gu Yaoyao replied. She really needs to think about it.

Xia Yunzhe didn't like Gu Yaoyao's desperate appearance. "You're like this, and you're thinking about work. Don't worry, you can't run away! "

"I'm holding you back."

"Gu Yaoyao, I really want to vomit. You are already in hospital and still want to work! There will be another job if it's gone. If this person doesn't, there won't be any more. "

Huo yunxun walked into the ward and saw Xia Yunzhe in the room with a cold tone: "how did you come?"

"I can't come?" Xia Yunzhe asked. "Anyway, I am now the most important partner of Yao Yao!"

"Go back Huo yunxun does not want to argue with Xia Yunzhe for the sake of relatives.

Xia Yunzhe knows Huo yunxun and wants to leave when he is good at talking. Otherwise, he will have a hard time in the end.

"Yao Yao, I'll go back first."

Gu Yaoyao nods and looks at Xia Yunzhe leaving.

Huo yunxun put the food on the table, but he still had some opinions. "How did Xia Yunzhe come in?"

"It's all relatives, so don't worry about it."

"I'm not related to him." Huo yunxun really cares about the relationship with Xia Yunzhe.

Gu Yaoyao can only shake her head helplessly, some mean Huo Shao!

[Chapter 693](#)

On the third day of Gu Yaoyao's hospitalization, an unexpected guest came to her ward.

This man is helianmin. He wanted to leave a city, but he stopped for some reason.

Seeing that helianmin came in with a bunch of bright red roses, Gu Yaoyao couldn't help getting nervous. He looked harmless like this, but she had to guard against the evil spirit.

Huo yunxun has arranged these days, so no one should disturb him. But now that helianmin came in, it shows that he came in through other channels.

Of course, he even ignored his own choice. This woman is actually very simple. The reason why she is so sure to hear what Huo yunxun or Xia Yunzhe said. Otherwise, she would not.

"Why, I haven't seen you for a few days? I don't know you?" He said with a smile.

Gu Yaoyao quickly shook his head, "Your Highness."

Helianmin didn't like the title. He handed the rose to Gu Yaoyao and said, "this is not country F. you don't need to call me that way! We've met each other by name. "

"Isn't that good?" How dare Gu Yaoyao! This status and status are here, and she should show her due respect.

He pulled the chair aside and sat down. "Why not! The prince is nothing. It's just a name. It doesn't get people's attention, and it's always ignored. "

Gu Yaoyao listened to helianmin's words, but also clearly he was expressing a meaning, that is, he and Li Mengyao's relationship is not good, it seems that he has not been less angry.

When he Lianmin saw the change of Gu Yaoyao's eyes, he knew to use the right way.

"It's not a good thing to marry a princess." He replied. "If I can choose, I want to be with the people I like."

Gu Yaoyao listened to helianmin's words and did not know that she had been surrounded by him, so she naturally followed his words.

"You have a bad relationship with the princess?"

"Where can it be better?" He Lianmin is not afraid that walls have ears, and he is outspoken. "There is only one person in the princess's heart. Even if she got married, she still loved the man in her heart. "

Gu Yaoyao is very familiar with the man in helianmin's dialect. It's her husband Huo yunxun.

Gu Yaoyao drooped her eyes, which made her eyes dim. Huo yunxun and Li Mengyao's feelings are really deep, of course, will not be put down in the short term.

He Lianmin carefully observed the changes of Gu Yaoyao's expression. Since he went back that day, he asked Feiyun to investigate. I didn't expect that Huo yunxun and Gu Yaoyao got married!

It took him some time to digest the news. So that day Huo yunxun said, "this is my woman!" It's the truth.

What's more, he felt surprised that Huo yunxun paid more attention to Gu Yaoyao than Li Mengyao before. This also indirectly shows that Huo yunxun has obviously put down Li Mengyao and wants to start again.

Li Mengyao must have heard about this. That's why Li Mengyao asked Huo yunxun to go to country F.

He Lianmin's eyes fell on Gu Yaoyao again. If he could choose, he would also choose Gu Yaoyao. I feel comfortable with her, which is not found in Li Mengyao.

"Yao Yao..." Helenin suddenly turned into a serious face.

Gu Yaoyao couldn't adapt to the sudden address and tone. She said, waiting for the words behind helianmin.

"Why did you and Huo yunxun get married?"

"Because..." Gu Yaoyao couldn't say that love word. Because she knew very well that she and Huo yunxun were not married because of love in the beginning. But now she unconsciously fell in love with Huo yunxun.

As soon as helianmin's eyes lit up, he saw that there was something inside.

He Lianmin can be said to be very quick to start to see the needle, "marriage without emotion, will not be happy! I am a vivid example. Huo yunxun must have a purpose when he marries you. He still thinks of Li Mengyao. "

"Your Highness, ah Xun and I are very good." Gu Yaoyao doesn't want to let others slander Huo yunxun because of herself.

"Is it? Then why didn't you announce the marriage? "

Gu Yaoyao immediately interrupted helianmin, "this is what I mean. It has nothing to do with a Xun. Marrying him is the luckiest thing in my life. He has paid a lot for me

"Don't you know that Huo yunxun is always good at superficial Kung Fu. I know that his marriage with you is nothing more than angry Li Mengyao, who let Li Mengyao dump him without saying a word. It turns out that the two of them are the business of the four of us. "

Gu Yaoyao didn't want to continue listening to helianmin saying these words, "Your Highness, I'm..."

"Yao Yao, don't wait for failure to regret." He Lianmin interrupted Gu Yaoyao. "I think you are also a smart man, and you should know what I mean."

"Did your highness not leave city to preach to my wife?" Seeing Huo yunxun coming, Gu Yaoyao's heart was also a little more stable. Huo yunxun ignored Helianmin and went to Gu Yaoyao's side. He asked softly, "are you ok?"

"I'm fine." Gu Yaoyao replied.

Huo yunxun's eyes were fixed on the red roses, which was obviously not a visit. Red rose!

He Lianmin was ignored by Huo yunxun, and he was already upset. Seeing Huo yunxun throw the roses he gave to Gu Yaoyao in the garbage can, it's even more heartbreaking.

"What do you mean, Huo Shao?"

Huo yunxun looked back at Helian. "I think you know it in your heart!"

Helianmin came here with roses on purpose. Of course, he knew the meaning of sending roses. He just wanted to be angry with Huo yunxun. Who let them Huo family so arrogant, do not pay attention to people at all.

He Lianmin smiles and looks at Gu Yaoyao naturally.

"Yao Yao, we'll see you another day." He Lianmin pretended to be familiar with Gu Yaoyao in order to anger Huo yunxun.

Gu Yaoyao frowned. He Lianmin was obviously doing something! The purpose is obvious.

"Please call her Mrs. Huo."

"Tut Tut, is Huo Shao serious this time? At the beginning, you and Li Mengyao were together, but never like this! It looks like true love this time! If this incident spread to Li Mengyao, I don't know what mood she should face it with? "

He Lianmin's words are a little provocative, but he also deliberately pulled Li Mengyao to gather a table of mahjong.

"Li Mengyao's biggest dream is to be your wife Huo. Unfortunately, there are already people in this position. Judging from her dignity as a princess, she should be very unconvinced that she actually lost to an ordinary person. "

Huo yunxun picked his eyebrows. His anger was bright and dark in his eyes. He was depressed.

"Please leave!"

[Chapter 694](#)

He Lianmin shrugged helplessly, so he was not afraid to challenge Huo yunxun's bottom line.

"Is it anger? Huo Shao, you owe me an explanation for meeting Li Mengyao alone! "

"I don't need to explain it to you!" Huo yunxun snapped his finger.

A Jin with a few people into the ward, a pair of helianmin "please" out of the posture.

"Huo yunxun, it's true that he's bringing seed! But I want to tell you that Li Mengyao is not as noble and dignified as she appears to be. She is a princess of a country, but we can't imagine her private style. How else has she been in this position all these years? "

Huo yunxun frowned. He didn't expect that he Lianmin really ignored Li Mengyao's face. All these words could be said.

"Please leave." Huo yunxun no longer wants Helian to talk nonsense.

He Lianmin winked at Gu Yaoyao and said, "Yao Yao, I will be in a city in the next few days, and I will go to see your class. Wait for me

With that, he Lianmin waved his hand and walked away very naturally.

Huo yunxun sat down on one side and did not forget to explain it again. "Don't listen to him!"

But Huo yunxun's heart is clear, that is what Helian Min said at last. Li Mengyao's position as a princess is inseparable from her efforts and means.

Thinking of what might have happened, Huo yunxun was worried that Gu Yaoyao would be involved.

This is also the reason why helianmin did not rush back to country F. Now go back, maybe there are many things to face. It's better to stay in city A. at least it's safer.

Huo yunxun did not think wrong, Li Mengyao is really ready to give Helian Mianan a crime, let him stay in a place obediently. Don't get in the way!

However, it was he Lianfeng who made preparations and directly let him stay in city A. he also said that he Lianmin was going to visit. It was a learning trip.

In this way, Li Mengyao's plan was also defeated.

An official document has been issued from country f, saying that helianmin is about to arrive in city A.

Li Mengyao called Huo yunxun in person in the courtyard of his palace. She already knows what happened in city a! It's just that he Lianmin has a relationship with Gu Yaoyao.

"Princess!" The elegant voice interrupted Li Mengyao's thoughts.

"What's the matter?"

"A few hours ago, his royal highness went to the hospital to see Gu Yaoyao in person, and bought a bunch of beautiful roses in the past!"

After hearing this, Li Mengyao was very angry and patted on the table with his bare hands. What he Lianmin has done now is to challenge himself, even to embarrass himself!

"You wait for me, helianmin. You will never let you feel better when you come back this time!"

"If there's any action from Herculean, let's get back to him immediately."

"Yes Qingya nodded her head and went out to deal with it immediately.

Li Mengyao watched the entertainment news on the Internet again. Gu Yaoyao once again because of physical discomfort, the crew again slow down! On the Internet, some people have come out to scold Gu Yaoyao, saying that her body is expensive and she can live in the hospital for several times. It's nothing but playing big names!

Li Mengyao squints, which is the sorrow of being a public figure. Don't Huo yunxun know that Gu Yaoyao is a trouble?! If Gu Yaoyao goes on like this, it is not good for Huo yunxun.

Looking at the impassable phone, Li Mengyao also vaguely knows that Huo yunxun is avoiding suspicion, and then keeps a distance with himself!

Li Mengyao called Huo yunxun again. This time, the call was through and soon picked up.

"Yun Xun!" Li Mengyao immediately called out.

But the other side has no voice, Li Mengyao called again, "yunxun, are you listening?"

"Excuse me, ah Xun has gone to the bathroom. Who can I speak to?"

When Li Mengyao heard the beautiful voice, she couldn't help being jealous. Her voice was very pleasant.

"No caller ID?"

"Yes, but only the number."

Hearing this, Li Mengyao felt even more miserable. Huo yunxun avoided suspicion and had already done so. He equated his telephone number with an unfamiliar number. That's too much!

"I'm Li Mengyao!"

There was a pause on the other end of the line for a few seconds, and then a sound was heard again.

"Hello, your highness, Princess!"

"Are you Gu Yaoyao?"

"Yes."

"Please tell Miss Gu a word and ask yunxun to call me back. I have something to look for."

"OK."

Li Mengyao angrily threw the mobile phone on the table, since Huo yunxun would do this to himself.

In the ward.

Gu Yaoyao looks at Huo yunxun's mobile phone. She shouldn't have picked it up just now. This is a total embarrassment!

"Whose call is it?" Huo yunxun comes out of the bathroom.

Gu Yaoyao handed the mobile phone to Huo yunxun, "I shouldn't have listened to your words just now."

"What's the matter?"

, Princess Royal. I hear her voice as if there is something urgent for you. " Gu Yaoyao said in a low voice. Huo yunxun didn't have any waves on his face, so he took the mobile phone and sat down on one side.

"You don't call back?"

"No Huo yunxun replied, "I have no right to interfere in her affairs."

Gu Yaoyao looks at Huo yunxun straightforwardly. Seeing that he seems to have no reaction at all, she takes a sentence. "How are you? Since all the calls are busy, just call back. That's right! "

Huo yunxun originally thought Gu Yaoyao would mind, but what she said was sincere. In a moment, she did not know how to grasp her emotions.

"Don't you mind?"

"You hit me in front of me." Since he needs to perform on his own, Gu Yaoyao certainly plays a role.

Huo yunxun felt better when he saw Gu Yaoyao's playful appearance. Call Li Mengyao in front of Gu Yaoyao.

"It's me!" Huo yunxun spoke first.

"I thought you wouldn't call again? It seems that Gu Yaoyao didn't hide it from you. " Li Mengyao said in displeasure.

Huo yunxun protects Gu Yaoyao, "there is no concealment between me and Yao Yao."

"Is that how it is?"

"Of course Huo yunxun replied impolitely. If Gu Yaoyao asked to call back, he would not have called.

"Yunxun, have you met helianmin?"

Huo yunxun heard this is no doubt that Li Mengyao is testing himself. "I just came here before."

"It seems that Gu Yaoyao is so charming that even helianmin himself went to visit him."

"This is his business. It has nothing to do with Yao Yao." Huo yunxun frowned.

Li Mengyao did not continue with this topic, but told him about helianmin's stay in a city. I hope Huo yunxun should be more cautious. I'm afraid that the purpose of helianmin's stay in a city is not simple.

"Thank you for the reminder." Huo yunxun also said politely.

"Huo yunxun, you have changed." Li Mengyao finished and hung up the phone.

Huo yunxun sighed slightly that Li Mengyao had changed, and they could not go back to the past.

Seeing Huo yunxun sighing, Gu Yaoyao put down her magazine and asked softly, "what's the matter?"

[Chapter 695](#)

Huo yunxun shook his head helplessly at Gu Yaoyao.

"It's not a pleasant conversation." This is Gu Yaoyao's conclusion.

Huo yunxun came forward, holding Gu Yaoyao's hand, and actively expressed his opinions.

"Don't let me do this again."

Gu Yaoyao laughed, "is it hard to please? I suddenly wonder how you and the princess were together? I heard she was after you? Then you asked to try, didn't you? "

Huo yunxun's face sank, "who told you that?"

"Of course I have my way to know it!" Gu Yaoyao said mischievously.

Huo yunxun knew that he had no choice but to answer Gu Yaoyao's question.

"We knew each other for a while and thought we could try. But after we really got together, we found that we had too many things different

Hearing these words, Gu Yaoyao almost blurted out. "What about me? Do you find it inappropriate? "

"No!" Huo yunxun answered with little hesitation.

Gu Yaoyao was stunned. He didn't expect Huo yunxun to say so. "You didn't find out, did you?"

In fact, Huo yunxun didn't tell Gu Yaoyao that he had found out everything about Gu Yaoyao before he got married! So the idea of marriage is not a temporary one.

"I know my choice very well. I married you. I didn't want to get divorced! "

Gu Yaoyao can only hear his heart pounding, Huo yunxun's confession is very strong, you have mu you! I have no Parry ability at all. That's how he gets caught in his offensive every time.

"What if you find out later that we are not suitable?"

"Then keep running in until it fits." Huo yunxun replied.

After marrying Gu Yaoyao, Huo yunxun finally realized his responsibility as a husband. Although not much time to get along with, but he is more and more used to the transformation of identity, he is now Gu Yaoyao husband. No one can replace this!

"Never seen a man like you. That might be painful. "

"I'll suffer because it's my choice." Huo yunxun clenched Gu Yaoyao's hand. "But I hope you don't say goodbye to me easily."

Gu Yaoyao listened very moved, "is that really unable to adjust in the future?"

"How come so much, but if!" Gu yunxun interrupted. "Aren't we all ok now? I have confidence in you. We can be like our parents

Gu Yaoyao showed a smile and was happy in her heart. Huo yunxun this time undoubtedly gives oneself very big strength, no matter what happened later, she will strive to walk toward Huo yunxun!

"Is that ok?"

With a smile in her eyes, Gu Yao did not answer Huo yunxun positively. In Gu Yaoyao's heart, as long as Huo yunxun does not let go, then she will also pay everything for Huo yunxun.

It is rare that the true feelings between two people.

Huo yunxun likes to see Gu Yaoyao like this. Her smile can heal her every time, and her eyes can speak. As she said at this time: "as long as you don't let go, then I will pay everything for you."

Huo yunxun moved in his heart and reached out to take Gu Yaoyao into his arms.

Gu Yaoyao also reached out to hold Huo yunxun, as if he was really inseparable.

Two days later.

Gu Yaoyao is discharged from the hospital and returns to the production team to re engage in filming.

He promised Huo yunxun not to work so hard this time. Gu Yaoyao also remembered his promise to Huo yunxun. So she tried to make every scene one.

Xia Yunzhe wants to say something to Gu Yaoyao. "You are more desperate than before!" However, seeing her serious enough to no longer be serious, he still refused to speak.

When it was time to rest, Gu Yaoyao took the initiative to report to Huo yunxun.

Xia Yunzhe looks speechless. There are so many people protecting inside and outside here. Huo yunxun is not at ease! Isn't there still him? Suddenly, you don't believe yourself?

After several days of shooting, Xia Yunzhe's part was killed ahead of time.

"I'm finished today. How are you doing?"

Gu Yaoyao smiles and nods. She really thanks Xia Yunzhe for her help, "invite you to dinner another day."

"When. Can't you say it without proof? Where else can I find someone then? "

"I can't run." Gu Yaoyao said with a smile.

Xia Yunzhe presses Gu Yaoyao on the shoulder. "I'll pick you up the day you're killed. Go to dinner together

Gu Yaoyao nods, which is also a promise to Xia Yunzhe.

"All right, go ahead! I went back. "

"Take your time."

In the twinkling of an eye, Huo yunxun asked a Jin to send the flowers to Gu Yaoyao in advance. But when ah Jin arrived at the scene, he was frightened by a huge heart-shaped decoration.

Who laid such a heavy cost? Such a big battle!A Jin looks at the flower in his hand and has the courage to go to Gu Yaoyao. I hear people talking about this huge heart-shaped praise.

"Gu Yaoyao is really powerful!"

"Yes! Xia Yunzhe escorts us in front of us, and there are also such local tyrant fans behind this. You can kill the whole audience with one hand! "

Listen to these words, a Jin's heart is not happy. If Huo yunxun heard that, the consequences would be even worse.

After finishing all the shooting, Gu Yaoyao came out to thank the director and the staff present one by one.

Zeng Ni took Gu Yaoyao's hand and came out. Sure enough, the heart-shaped red rose in front of her door was like a proposal.

"What is the situation?"

Zeng Ni said with a smile: "you recently have a local tycoon fan, constantly supporting you. And the fans of your support club are arranged by this person. The key is that he has a good character and will soon get into touch with your fans

"That fan also said, when you're on TV, I'm going to buy billboards to cheer you up!"

"Who is he?" In Gu Yaoyao's impression, her fans do not have this number one figure. Is there anything wrong with this?

"He didn't say his real name, it was all letters. HL。 "

Gu Yaoyao repeated the two letters, "HL?" Who is this man?

Gu Yaoyao inadvertently raised her head and saw a Jin. She immediately came to a Jin.

"Ah Jin, why are you here?"

"I'm here to send flowers for the young master."

Gu Yaoyao looks at the quiet, holding the bunch of flowers in her hand. It seems that there are all kinds of flowers in it, but there is a kind of colorful flower which is very beautiful, and this kind of flower is very rare.

"What is this flower?"

"This is called Emilia."

Gu Yaoyao feel fresh, Yimi flower? It's a lovely name, too.

"Young lady, the young master has a temporary meeting today, so he can't come to meet you in person. So I'll take you back instead of the young master. "

"I'll trouble you."

Ah Jin waved his hand. "No trouble."

Seeing that the direction of a Jin's opening is not the road of Haoting garden, Gu Yaoyao asked in doubt, "where are we going?"

"I'm going back to Huo's today."

Gu Yaoyao immediately looked down at what she was wearing. How could she meet her parents in this casual dress? If people don't know, they think it's pajamas.

"It's not good for me to go like this!"

"Don't be embarrassed, young lady. This time, the old lady asked for it, so the young master will come here later. "

Gu Yao suddenly thought of something.

"Is there any special festival today?"

[Chapter 696](#)

A Jin hears this question, and answers it immediately.

"Today is the anniversary of the marriage of the Lord and the lady. As usual, the family is going back to dinner together. "

Gu Yao Yao listen, is a tension, how before huoyunxun did not say to himself. She is going to go by empty handed again. How sorry to say it!

"A Jin, can you stop the shopping mall in front of me, I want to go shopping."

"Madam has told me to let little lady, don't buy anything. Just get home! "

Gu Yaoyao was upset in his heart, and he seemed to be taken care of by them every time. He said that he was guilty.

It is said that, xiayunzhe called, Gu Yao Yao this just thought of his and he had an appointment before, this is also refreshing!

"Brother Yunzhe!"

"Where are you? I'm here. "

"I'm sorry. I can't invite you to dinner today. " Gu Yao Yao really feels sorry. "I'm going to ashen's house."

Xia Yunzhe is obviously unhappy. "I said that huoyunxun meant it? How to make an appointment every time you don't want you to come. I strongly condemn such bad behaviour. "

"No, today is the anniversary of mom and dad's marriage."

"You and brother Xun are so grand? Even the anniversary of uncle and aunt's wedding was called you, which obviously regarded you as your own

Gu Yao Yao heard this, and his heart was not very good, thinking about finding a time to say she was married with Xia Yunzhe. Otherwise, it will definitely cause unnecessary trouble to continue like this.

"Brother Yunzhe, I wonder if you are free tomorrow? If there is one, I'll treat you. "

"It should be fine at night."

"That's what the episode said."

Xia Yunzhe despised and said, "listen first for a while, and you should repent at any time."

Gu Yao Yao understands, after all, he has been very untrue. So it's normal to be suspected.

"I won't be this time."

"Do you need to report to huoyunxun?"

"Actually, I told ashen before." Gu Yao Yao replied.

Xia Yunzhe helped the forehead to express helplessness. "Really need to report at any time? It doesn't feel like losing freedom? "

Gu Yaoyao thought about Xia Yunzhe, but she really didn't have such an idea, in fact, she likes to have someone who cares about her feelings.

"You are the masochist. See you tomorrow. If I break the appointment again, I'll break up with you. "

"Yes!"

Gu Yao Yao just finished talking, the car stopped in front of the villa.

Gu Yao Yao is still ready to clean up, the door has been opened.

Qiao Wei was holding Gu Yao's hand with enthusiasm. "Yao Yao, you are here at last."

"Mom, I'm back."

Joe nodded with satisfaction, "OK, come in, your dad is ready to eat."

Qiao Wei has been watching Gu Yao Yao's hand enter the room, as soon as he enters the door, he smells the fragrance and pours. His stomach can not help but coo.

Gu Yao Yao is embarrassed to cover his stomach, and his face is a bit embarrassed. How can I call it so loud if you are OK? How disgraceful! Every time in front of Huo family, I have never had a good image.

Joe's smile was deeper on his face. "Dongyang, you move quickly, Yao Yao is hungry!"

"Now."

Gu Yao Yao, who was afraid to raise his head, felt ashamed.

Qiao Wei pulls Gu Yao Yao to sit down at one side, concerned way: "how is body?"

"It's all right."

"I can't be so desperate next time! The body is the most important thing. "

Gu Yaoyao nodded. "I see."

"Yao Yao, you have nothing to do with that Hulian

"No!" Gu Yao Yao replied immediately. "We are just a point in hand. I didn't know his identity at first, so I said a few words. "

See Gu Yao Yao face of anxious, Qiao Wei placate: "do not be nervous, I just ask."

"I can eat!" Huodongyang's voice came.

"OK!" Joe Wei pulls Gu Yao Yao to the table.

There are many delicious food on the table, each of which is so full of color and fragrance, which makes people move their fingers.

"Good smell!"

"Sit down and eat."

Gu Yao Yao was sitting down by Qiao Wei. She noticed that huoyunxun and huoyun warm had not come back. "People are not here."

"Before they wait, you eat first if you are hungry."

Looking at his bowl is full of food, Gu Yaoyao can not refuse, bow to start eating.

"Is it delicious?"

"Delicious!" Gu Yaoyao nodded. "Dad's craftsmanship is great."

Qiao Wei smiled at Gu Yao Yao eat with relish, and was also happy.

"Eat more. You've been a lot thinner recently. I have been playing outside, I can't take care of three meals, and I also broke my body. Today, these are all prepared by your father himself, and they are all some body toning food. "Gu Yao Yao suddenly stopped chopsticks, from small to large, which is her own feeling of the warmth of the family.

"Thank you dad, mom!"

"The family doesn't have to say thank you, or they will be out there. This time, Xiao Xun didn't take care of you. I had criticized him before. So if he doesn't treat you later, you tell me, I'll teach him! "

Gu Yaoyao shook his head with a smile. "In fact, ahun is very good to me! It's really good to say nothing, and he's excellent. But on the contrary, I seem to be putting you in trouble all the time. "

"Silly boy, what do you say! Isn't family just for trouble? If not even that, what family would you say! "

"Mom, meeting you is my greatest happiness in my life."

Qiao Wei felt Gu Yao's hair, Gu Yao Yao family situation, she knew some. In fact, she was in a similar situation with her own, and she was more concerned and cared for.

When huoyunxun came back, Gu Yao Yao had already been full, and was chatting with Qiao Wei.

"Ah Xun, are you back?"

Huoyunxun nodded, and the head flashed through a Jin, and a local hero fan gave Gu Yao Yao a heart-shaped heart of roses. The man obviously had to wait for the opportunity to make a statement.

And this man, he knows who it is! This man is obviously doing things!

"How can you come back. Yao Yao is hungry, we will eat it first. "

Huoyunxun nodded, and didn't mind on his face. "Well, eat first and eat first."

"What's wrong with you, Hoon?" Gu Yao Yao saw huoyunxun's interest is not high, and some unhappy!

Huoyunxun put Gu Yao in his eyes, and grabbed Gu Yao's hand with a hand, so she pulled her to his room.

As soon as the door is closed, huoyunxun knocked Guyao Yao wall.

"Yao Yao..."

"Well?" Gu Yao Yao should have a sound, always feel that huoyunxun that eye with a different light.

Huoyunxun stood on Gu Yao Yao's forehead. "What do you think I should do with you?"

"What's the matter?"

"I don't like other men to tell you!" Huoyunxun had a sour tone.

Gu Yao Yao is stunned. What does this mean?

[Chapter 697](#)

"Ahun, what do you mean by that?"

"Don't you understand?" Huo yunxun asked hoarsely.

Gu Yaoyao is really do not understand, what other men say to themselves?! Not at all, OK!

"That heart-shaped..."

After hearing Huo yunxun's prompt, Gu Yaoyao suddenly realized. He thought about it, but she didn't know who sent it. I can't blame myself for that!

"I don't know who that fan is! Sister zenny, the man just used a letter code

Gu Yaoyao finished saying, the heart cluttered for a moment, HL?! It won't be hellenim, will it? Before, she had always been joking about helianmin, but did not expect him to do so. Is this what he said about visiting?

Seeing Gu Yaoyao's eyes changed, Huo yunxun's eyes became obscure. He reached for Gu Yaoyao's chin and forced her to look at himself.

"Don't think about him!"

Gu Yaoyao looks at Huo yunxun's ink like eyes. At this time, his eyes are full of discontent, and there is an indescribable desire.

"Ah Xun..."

After this sound, Huo yunxun suddenly kisses Gu Yaoyao. He sucks Gu Yaoyao's soft lips. He can't help but want more.

Huo yunxun buttoned Gu Yaoyao's waist and kissed her more forcefully. He always felt that the kiss was not enough!

Gu Yaoyao follows Huo yunxun. She suddenly feels that Huo yunxun is a little anxious today. She even fantasizes what will happen! Although shy, she didn't want to avoid.

Huo yunxun is no longer satisfied with staying on Gu Yaoyao's lips. He kisses all the way down.

Where the lips pass, the skin is as hot as a fire!

Before Gu Yaoyao came to think, Huo yunxun had already picked her up and walked to the big bed.

Huo yunxun pressed Gu Yaoyao under his body, and his heart could not help it. His eyes tightly locked Gu Yaoyao's blurred eyes. He pecked Gu Yaoyao's lips gently.

"I want you!" Huo yunxun's words, like penetrating power, hit Gu Yaoyao's heart.

She gazed at Huo yunxun affectionately and liked his directness. Gu Yaoyao suddenly arched her body, put her hands around Huo yunxun's neck and offered a kiss.

Huo yunxun all self-control at this moment has been thrown out of the clouds, he now has an idea, to her!

Huo yunxun can't wait for Gu Yaoyao to eat in his stomach.

Gu Yaoyao closes her eyes and follows Huo yunxun's rhythm

After the end of the first World War, Gu Yaoyao had no strength. She was lying on her bed. She really didn't know where Huo yunxun came from.

Huo yunxun contentedly pulled Gu Yaoyao into his arms, kissing Gu Yaoyao's forehead, "I'm sorry! I didn't control my strength well. Does it hurt? "

Gu Yaoyao has strength to answer, she closed her eyes and fell asleep.

Huo yunxun mouth with a brilliant smile, she now completely belongs to their own!

Looking at Gu Yaoyao's tired face, Huo yunxun is distressed. He thought he could control it, but he underestimated the beauty of Gu Yaoyao! Thinking that this was Gu Yaoyao's first time, I was excited.

He is Gu Yaoyao's first man! Knowing the truth, he becomes crazy! Think of gentle to her, but can't control, blindly want more.

Listening to Gu Yaoyao's even breath, Huo yunxun gently raised her chin and printed a kiss on her lips.

Huo yunxun came from the room and saw three pairs of eyes looking at himself. However, Huo yunxun walked forward calmly and went into the kitchen to see if he had eaten.

Jovi followed him in.

"Yao Yao?"

"Sleep."

Qiao Wei's eyes low disdain, "you don't know the weight! Be gentle with your wife. "

Huo yunxun looked at Qiao Wei, for her words, did not mind. I know what they're talking about.

"I know."

"Know what!" Qiao Wei patted Huo yunxun. "Yao Yao is your wife, not your physiological needs."

"Mom Huo yunxun frowned, these words, obviously is not oneself does not like to listen! Of course, he knew the identity of Gu Yaoyao, and he also identified Gu Yaoyao in his life.

Qiao Wei did not cover up and continued: "you can't give Yao Yao a shadow!"

"You eavesdrop?"

"I just wanted to ask you to eat, and it turned out that..." Jovi is telling the truth.

Seeing that Huo yunxun and Gu Yaoyao didn't come out for a long time, she went upstairs to ask them. I heard that

Huo yunxun went to one side, picked up the dishes and chopsticks and served himself a meal. His mind flashed over Gu Yaoyao's impressive expressions before, and he couldn't help moving.

Qiao Wei saw Huo yunxun pretending to be calm, not surprised and amused. Meaningful continuous in Huo yunxun's arm patted a few times, out of the kitchen. Qiao Wei's heart secretly happy, this Huo yunxun and Gu Yaoyao's relationship is stable. If you have another child, it's completely stable. Thinking of being a grandmother, Qiao Wei couldn't help being excited.

The next day.

Gu Yaoyao has a day off because she has been killed.

So Gu Yaoyao contacted Xia Yunzhe and made an appointment with him to have dinner at a specific time.

"Are you free now? If you have, come here now. "

"Yes!" Gu Yaoyao agreed.

Gu Yaoyao originally wanted to take a taxi, but she started from the Huo family, so there was no reason to take a taxi.

Huo Dongyang directly asked Xiang Qing to send Gu Yaoyao to the restaurant, and explained more about other words.

Just after hearing Gu Yaoyao's address, Huo Dongyang knew that the place where they met was Yun Yiyao's restaurant.

Xia Yunzhe can really choose a place to eat here. It's not intentional for Gu Yaoyao to meet Yun Yiyao and Su Moli. These two people seem to have been prepared for a long time!

Because of this, Huo Dongyang arranges Xiang Qing to stop the mouth of Yun Yiyao and Su Mo!

After Gu Yaoyao left, Huo Dongyang immediately told Huo yunxun about the Xiao.

After waiting for a long time, Huo yunxun didn't reply. What kind of situation is this.

"Yes, I know what I want to do and say! I don't care about you! "

"But thank you dad for telling me that."

"Now that you have a decision, work hard to act."

Gu Yaoyao calls Xia Yunzhe when she gets to the restaurant door. She takes out her mobile phone and calls Xia Yunzhe.

"I have arrived."

"All right, you name it. They all know it."

Gu Yaoyao came to see a young woman beating like a young woman. And when she was looking at herself, her eyes were just shining. Looking at herself, she couldn't escape.

"Hello, I have an appointment with Xia Yunzhe."

Seeing that the woman didn't move, Gu Yaoyao didn't understand. Then she looked at the stairway.

"Are you Gu Yaoyao? Yunzhe often mentions you in front of me

"Sister, you are..."

[Chapter 698](#)

Su Moli looks at Gu Yaoyao in front of her, and her smile is even more brilliant.

"You call me sister?"

Gu Yaoyao nodded, and she was surprised that she would ask this question.

"Yao Yao, you will really please me." Su said with a smile, but she was thinking about how to assist today, hoping Gu Yaoyao and her son had a good start.

It's rare for Gu Yaoyao to go to his own restaurant, which is the best opportunity.

"Well?"

"I'm Yunzhe's mother!"

Gu Yaoyao opens her eyes and stares round. She looks at Su Mo Li with disbelief. "Are you brother Yunzhe's mother?"

"Yes

"It really looks like a sister."

"What a sweet mouth you have!" Su Moli holds Gu Yaoyao's hand. "Come, go! Let's go in. "

Entering the restaurant, Su molli can't wait to ask for yunyiyan. It's so rare that their family have dinner here, and Gu Yaoyao has also come. This is an opportunity.

Su Molly takes Gu Yaoyao to the room for family members.

"Yunzhe, I'll bring your men."

Su Moli's words make Gu Yaoyao embarrassed. If Huo yunxun hears this, she will change her face.

"Mom

When she heard this, she knew she was wrong.

"Yunhao, I'm sorry, mom didn't see it clearly." Su Molly said with a smile. "And your brother?"

"No, there is a visitor." Xia Yunhao replied.

Su Mo Li is speechless. She brings all the people here. He goes to play around. carry coals to newcastle!

Gu Yaoyao learned from their conversation that this was not Xia Yunzhe, but Xia Yunhao, Xia Yunzhe's brother. As expected, they are twins. They look like each other! If they walk on the street at the same time, it's hard to tell who is who.

But the two brothers seem to have different personalities. Xia Yunzhe is extroverted and enthusiastic. However, Xia Yunhao feels introverted and unwilling to talk to others. He is more stable than Xia Yunzhe.

"Yao Yao, let me introduce you. This is my eldest son, Xia Yunhao! "

"Hello, Mr. Xia."

"Well!"

Xia Yunhao takes a look at Gu Yaoyao and doesn't make any stops. Then put on the glasses on the table again, looking down at the information in hand. I'm just a workaholic.

Gu Yaoyao also heard Xia Yunzhe say that his elder brother is busy with his work every day, and his interest is working. Today, it really means something like this.

Su Molly knows her son. One is like summer and the other is like winter. She is almost polarized. If they didn't come out of their stomachs, they would have doubted whether they were brothers.

In the past hard work, Su Molly felt proud to see her two sons so outstanding.

"Jasmine."

Hearing the voice behind her, Su Molly immediately turned back. Seeing Yun Yiyan coming, she immediately released Gu Yaoyao's hand and immediately moved to Yun Yiyan.

"Yi Yan, here you are."

Yun Yiyan looks at his wife with more warmth on his expression.

"Call me something so soon?"

Su Moli nodded with a smile and immediately said, "this is Yao Yao."

Yun Yiyan looks at Gu Yaoyao. He is no stranger to Gu Yaoyao.

"You are the man of Yun zhe Yue?"

"Hello, uncle Yun."

When Yun Yiyan heard Gu Yaoyao's address, he raised his eyebrows. For this title, Yun Yiyan was surprised. Because most friends who know Xia Yunzhe and Xia Yunhao call themselves uncle Xia.

However, Gu Yaoyao is different from others, which shows that she must know something about the past. Yun Yiyan didn't change his name in order to keep the Yun family, but in fact he had already recognized his ancestors. His surname was Xia.

"It seems that Miss Gu has heard about me."

Gu Yaoyao was stunned and realized that she had said something wrong.

"Sorry, I didn't mean to."

"It doesn't matter." Yun Yiyan replied. "It's just that I wonder who told you that."

Gu Yaoyao hesitated for a moment. It's hard to say Huo yunxun at this time? Otherwise, it's also a discussion of other family affairs behind the scenes.

"I met Professor Xia in the hospital..."

Gu Yaoyao's voice is very low, but Yun Yiyan can hear it clearly. As expected, he is his big mouth brother. He can't keep the secret. What's going on at home, I'd like to tell everyone else.

"Sit down! What are you doing all of a sudden Su molli takes Gu Yaoyao and sits down.

Yun Yiyan is ignored, and her eyebrows are not happy. But I didn't dare to be so obvious.

"Yao Yao!" Xia Yunzhe was called Gu Yaoyao from the outside door.

Finally, Gu Yaoyao was happy to meet an acquaintance. She immediately waved to Xia Yunzhe, hoping that he could get rid of the siege. Otherwise, the atmosphere will be stiff and you can't lose face. Xia Yunzhe understood Gu Yaoyao's meaning from her look for help. He went to Gu Yaoyao.

"My family are all eating here today, which is also our family's rule. Get together for dinner one day a month. "

Gu Yaoyao's heart thump, Xia Yunzhe's family dinner, she can't help being embarrassed. But if he left, he would be too sorry for Xia Yunzhe, and would make him lose face.

"It doesn't seem appropriate for me to talk."

Su Molly immediately refuted. "What's wrong with that? Come on, sit down at once, and serve in a minute. "

Gu Yaoyao still resisted and was uncomfortable sitting. She wanted to send a message to Huo yunxun. Otherwise it will be misunderstood! In fact, Gu Yaoyao's worries have come true.

When Gu Yaoyao appeared in the restaurant, she was photographed, saying that she and Xia Yunzhe had an appointment to have dinner here, together with Xia Yunzhe's family. As soon as such news

comes out, it is said on the Internet that Xia Yunzhe and Gu Yaoyao are close to good things, which is the rhythm of seeing parents.

After a while, the news that Xia Yunzhe and Gu Yaoyao are about to get married caused a lot of heated discussion! CP powder means that spring has finally come, which is too fast for us. Just finished the shooting of the TV series, and then I kept seeing my parents to discuss marriage. It won't be double happiness, will it?

But in HD office Huo yunxun sees these news, direct black face!

"Take this news down for me!" Huo yunxun said to a Jin in a commanding tone.

If it had been yesterday, he might not have been so excited, but not now! The first step to protect his wife is not to let her suffer from rumors, and he can't afford to ignore it so much now.

Huo yunxun took out his mobile phone and called Xiang Qing.

"Uncle Qing, are you still following Yao Yao?"

"No. I took her to Yun Yiyan's restaurant and left on my way home. "

Huo yunxun frowned, "can I ask you something?"

After listening to Huo yunxun's words, Xiang Qing smiles.

"Good!"

In the dining room.

Gu Yaoyao was on pins and needles and gave Xia Yunzhe several eye hints, but he ignored them all.

"So busy today?"

[Chapter 699](#)

Seeing the people at the door, Yun Yiyan and Su Moli all stand up.

"Why are you free to come here today?"

"I'm just passing by, so I'll come in and have a look at you

Yun Yiyan is dissatisfied with Xiang Qing's behavior, which is obviously against himself.

"Uncle Xiang, you will really step on the rice order."

Xiang Qing laughed and said with thick cheek, "I can't help it. I've always been very punctual."

Yun Yiyan feels that Xiang Qing suddenly appears. Something must have happened.

"It's not right. What instructions does Huo Dongyang have?" Yun Yiyan asked suspiciously.

Xiang Qing's eyes fell directly on Gu Yaoyao and then to Xia Yunzhe. Although the smile on his face did not change, his eyes were different.

"Is this a family party?"

So Molly said, "yes! It's rare that Yunzhe is free these two days, so our family get together for dinner. "

"That's good." Xiang Qing's tone is obviously questioning.

Gu Yaoyao was very clear that this was to say to herself that she only had dinner in Huo's house yesterday and would like to come here today. According to the relationship between the two families, it should not be like this!

Su Moli sees Xiang Qing's eyes from time to time falling on Gu Yaoyao. She moves slowly, just blocking Xiang Qing's sight.

Yun Yiyan immediately pulls Su Moli back to avoid her doing something wrong. To know that Xiang Qing is Huo Dongyang's left and right hands, and is also equivalent to Huo Dongyang's eyes.

Su Moli broke away from Yun Yiyan's hand. "This is the hostess of Yun Zhe's TV series. Today we have dinner together."

"Mrs. cloud is really good at stir frying, but all the news on the Internet has come out." Xiang Qing put away the original smile.

Xia Yunzhe and Gu Yunzhe are going to get married right away. She couldn't help but lift her forehead, what it was and what it was.

Xia Yunzhe also saw the news on the microblog, and really admired the imagination of these people. Unmarried pregnancy has come out!

Therefore, for the emergence of Xiang Qing, Xia Yunzhe has a good idea. Either Huo Dongyang means Huo yunxun. Unfortunately, his mother obviously did not know that Gu Yaoyao had been occupied by the Huo family, and was still eager to match up with Gu Yaoyao.

"Mom Xia Yunzhe comes forward and pulls Su Moli.

"What's the matter?" Su Moli looked at Xia Yunzhe with a frown. She must seize the opportunity.

Xia Yunzhe felt a headache. "Sit down and eat! I'm hungry

"Yes, eat quickly."

Cloud Yiyan also let Xiang Qing sit down to eat together, "eat together."

"I will not be polite to you." Xiang Qing nodded.

After a meal, both Gu Yaoyao and Xia Yunzhe are upset. Because Xiang Qing's eyes kept coming and going in two people's bodies.

Finally, Xia Yunzhe couldn't stand it.

"Uncle Xiang, are you not tired of staring at me all the time?"

"I haven't seen you for a long time. I want to see you more." Xiang Qing answered easily.

Xia Yunzhe can't help but feel that Xiang Qing has no silver 300 Liang here. He clearly wants to remind himself not to have any improper thoughts, or there will be fruit to eat!

Gu Yaoyao did not dare to raise her head and sent a message to Huo yunxun while others were not paying attention. After explaining what happened on Weibo, she didn't want Huo yunxun to misunderstand herself.

"Wait for me."

Gu Yaoyao looks at Huo yunxun reply these four words, wait for him, so he wants to come over?!

After a few minutes, knock on the door sounded, and Huo yunxun pushed the door in.

"Young master!" Xiang Qing stood up.

Huo yunxun nodded. "It's lively here today! Second brother and second sister-in-law. "

"Xiaoxun, why are you here?" If Yun Yiyan can't see the problem, he'll be a fool!

Xiang Qing is the first force, and Huo yunxun is the main force. And they all seem to come for Gu Yaoyao. But when Huo yunxun began to get involved with Gu Yaoyao.

"I just came to see it." Huo yunxun said it was light, but his heart was always on guard.

Xia Yunzhe knows that Huo yunxun came here to take Gu Yaoyao back. However, he was merciful this time. At least Gu Yaoyao finished this part, but Xiang Qing stayed here all the time, which was equivalent to helping Huo yunxun stare.

The atmosphere congeals instantly, the whole room is very quiet. But the competition between people began.

"It looks like you're finished, too."

"Almost." Yun Yiyan replied. "Would you like something to eat? It's a treat for the second brother. "

"No. This is my meal. " Huo yunxun spoke. Gu Yaoyao said that she would invite Xia Yunzhe to dinner, so he wanted to help her pay.

Yun Yiyan doesn't understand. It's clearly their family dinner. Why is it Huo yunxun's turn to treat him.

"Xiaoxun, isn't that right?"

Huo yunxun laughed. "Why not? Don't be polite to me.""This..." Yun Yiyan looks at Xia Yunzhe suspiciously and wants to ask what is going on. But I heard Huo yunxun's voice again.

"Yao Yao, we should go back."

With that, Huo yunxun stretched out his hand and waited for Gu Yaoyao to come.

Gu Yaoyao does not agree with Huo yunxun's practice, but she can only go up bravely. Because Huo yunxun is her husband.

"Thank you for taking care of me today. I'll leave if I have something to do later." Gu Yaoyao bows to Yun Yiyan and Su Moli.

Gu Yaoyao holds Huo yunxun's hand, and Huo yunxun holds Gu Yaoyao's hand in a few moments.

"Uncle Qing, let's go!"

"Yes, young master!"

In passing by Xia Yunzhe, Gu Yaoyao stops.

"Brother Yunzhe, I'm sorry today. I'll invite you to dinner next time. " Gu Yaoyao is still sorry for Xia Yunzhe.

Xia Yunzhe took a look at Huo yunxun and was not afraid of his unhappy eyes. It's good to have another time.

"I'll wait."

Huo yunxun pulls Gu Yaoyao to leave like this, leaving everyone in the Xia family in a daze except Xia Yunzhe.

"What's the situation, son?"

Xia Yunhao, who had never said well, began to sum up: "Gu Yaoyao is Huo yunxun's man."

"What!" Su Molly exclaimed.

Xia Yunzhe did not speak, so he sat down.

Yun Yiyan understood it completely. But he didn't want to see a few kids do it again. At that time, he and Huo Dongyang and Qiao Wei's affairs were replayed in the head again.

"Yunzhe, are you being prized by Huo yunxun?"

Su Molly is angry, every time what good things are robbed by their Huo family! This time, even the woman in the eyes of his son was robbed in this way! This is really the more you want to get angry!

"Mom, don't be angry! The Huo family is always quick to start! " Xia Yunhao comforts Su Moli.

Yun Yiyan looked at him and didn't speak. Xia Yunzhe said, "what's going on here?"

Xia Yunzhe sighed helplessly, "just like my brother said, Huo yunxun is quick! Now Yao Yao has almost become the young grandmother of the Huo family! "

Hearing Xia Yunzhe's words, Yun Yiyan undoubtedly recalled what Huo Dongyang had said before. In fact, at the last meeting, Huo Dongyang had given a hint, but at that time, he did not think much.

Sure enough, it's an old fox!

[Chapter 700](#)

In the car.

Gu Yaoyao peeks at Huo yunxun from time to time. He should not be angry.

"So concerned about my thoughts?"

"Well!" Gu Yaoyao nods.

Huo yunxun was not angry this time, but he mentioned one thing.

"What did you think about the last time I told you?"

Gu Yaoyao pursed her lips, feeling a little heavy. It's hard to think of giving up what you like.

"Ah Xun, is there really no room for discussion?"

It's a red light. Huo yunxun stops.

"Do you want to continue?"

"Well." Gu Yaoyao nods. "That's what I like. If I give up, I don't know what I can do

Huo yunxun also told Gu Yaoyao, "I'm worried about your safety! What should I do if something happens to you? "

Gu Yaoyao looks at Huo yunxun and realizes that he is doing it for his own good.

"Can you give me two years?" Gu Yaoyao wants to spend two years to prove herself, and also wants to take advantage of this time to let her mother and Gu's family have a look. At the beginning, Gu Yaoyao, who no one wanted, can live a good life.

Huo yunxun did not immediately answer Gu Yaoyao, but restarted the car.

Gu Yaoyao proposed two years, Huo yunxun is still considering, because he does not want to kill Gu Yaoyao's dream because of his own reasons. Her happiness is more important than anything!

Huo yunxun takes Gu Yaoyao back to Haoting garden.

Gu Yaoyao's mobile phone has received Zeng Ni's work arrangement. Next, we have to start a new round of busyness.

Seeing Gu Yaoyao packing, Huo yunxun comes to help her.

"Ahun, I'm not in a city for the next few days."

"Well!" Huo yunxun nodded. "If you can't hold on, stop. Compensation is not an issue. "

Gu Yaoyao immediately hugged Huo yunxun, "it's good to have you! I'll have confidence in my words. "

"Fool. You have what others don't have, so cherish it! "

Gu Yaoyao hugged Huo yunxun, "I have always cherished it."

Huo yunxun picked up Gu Yaoyao and said, "since you want to leave, do you want to give me some comfort?"

"Well?" Gu Yaoyao blushed.

Last night, those pictures that made people blush and heartbeat came back to my mind, and my heart beat faster again.

"If you don't satisfy me, you don't have to go tomorrow."

Gu Yaoyao gently hit Huo yunxun and said with a coquettish face, "there is no such thing."

"Why not, you are Mrs. Huo now!"

"Hello Gu Yaoyao's voice of protest was soon stopped.

Room soon rang out, let people fantasize, even the moon out of the window also embarrassed to hide in the clouds.

As soon as I feel the light.

Gu Yaoyao opened her eyes again and saw that the sun was shining into the room through the window. Just as she tried to turn over, she found her body weak and painful everywhere! Thinking of Huo yunxun's endless energy, Gu Yaoyao pulls the quilt to cover her face.

What a shame!

"If you don't get up, you'll have to quit."

Gu Yaoyao sat up in pain and the quilt slid down her body, only to find out that she was naked.

"Ah Gu Yaoyao screamed and pulled up the quilt again.

Huo yunxun suppressed a smile and stepped forward, "don't cover it. I haven't seen you all over the body."

"That's not the same." Gu Yaoyao retorted in a low voice.

Huo yunxun lowered Gu Yaoyao's forehead, "was it very tired last night? Sorry, I didn't control it. But it's also your fault

Gu Yaoyao puffed up her cheek and even blamed her on her own head. Obviously, he was never enough to eat, and he was half dead. This clearly is to get cheap and sell good!

Huo yunxun picked up Gu Yaoyao's chin and leaned over to kiss Gu Yaoyao's lips.

It seems that because they know that they are going to part, they are reluctant to part with each other.

Until Gu Yaoyao's mobile phone rings, Huo yunxun releases Gu Yaoyao, but his forehead is still against Gu Yaoyao.

"You're a manager who really doesn't have a bit of eye power!"

"Sister zenny is very kind to me. She certainly won't think too much on her own. Call me as soon as you're ready. That's how we've been getting along. I used to be like this when I was alone

Huo yunxun's eyes turned, "is she single?"

"Well!" Gu Yaoyao nods.

Gu Yun Yao didn't say anything. Then she took Gu Yaoyao for a bath.

After Gu Yaoyao is ready, Zeng Ni has been waiting downstairs for a long time.

She is a single dog, and every time she has to watch Gu Yaoyao and Huo yunxun scatter dog food, her heart is very broken.

No, Huo yunxun appeared with his trunk around Gu Yaoyao. "Sister, I've kept you waiting."

"Well, wait a minute." Zeng Ni did not dare to complain too much in front of Huo yunxun, otherwise she would be dismissed at any time.

Huo yunxun put the trunk in Zeng Ni's car, and then went forward and touched Gu Yaoyao's face.

"Remember what I said!"

"Well!" Gu Yaoyao nods.

Huo yunxun put his arm around Gu Yaoyao's waist and pulled her into his arms. One kiss on Gu Yaoyao's forehead.

Zeng Ni was hit by ten thousand points in her heart. Is there such a show of love?! Can you take other people's feelings into consideration! Finally, she took the initiative to recite the past, which was not good for destroying their atmosphere.

Finally the car started.

Gu Yaoyao sat in the car, put the window down, and waved to Huo yunxun. She really didn't want to be separated from him!

It was not until the car was on the road that Gu Yaoyao sat down.

"So reluctant, do you want to work in the future?"

"Sister, I've been thinking about it these two days." Gu Yaoyao said in a low voice.

Zeng Ni was surprised to hear Gu Yaoyao say so! "What are you talking about? Are you ready to leave the circle for Huo Shao? "

"I'll think about it again." Gu Yaoyao has not really made up her mind.

But this time, Gu Yaoyao was shaken.

When she got to work, Gu Yaoyao immediately put on makeup and changed her clothes, ready to participate in the program recording.

But in the waiting time, Gu Yaoyao meets Zhou Xiao, who has not been seen for a long time. With Zhou Xiao is another popular female star Yang Xin. Zhou Xiao just nods with Gu Yaoyao and turns away.

Gu Yaoyao can feel Zhou Xiao's indifference to herself.

Yang Xin stepped forward. "How dare you compete with our sister Xiao! Can you be a man? Xiaojie and ER Shao have been feeling together for so many years, because you are a new person who has been indulging in speculation and dislike it. It is also drunk

Gu Yaoyao frowned and Yang Xin was right.

"No more words?" Yang Xin looked at Gu Yaoyao arrogantly, "now people really don't have the appearance of new people!"

Gu Yaoyao stands where she is. She wants to talk to Zhou Xiao if she can. I want to tell her that he and Xia Yunzhe are not like that.

"Yao Yao, get ready to play!" There was a cry from the staff.

"Good!"

In the dark, Yang Xin looks at Gu Yaoyao on the stage, and the corners of her mouth are slightly raised.
