

## Warm Wife 701

### [Chapter 701](#)

Gu Yaoyao stood on the stage and listened to the staff talk about the process and some points for attention.

After listening to the staff, Gu Yaoyao said to the staff. After that, Gu Yaoyao sat down in her seat and waited for the host to come. Of course, she didn't know what was waiting for her.

Yang Xin has been looking down at Gu Yaoyao, eyes constantly up, a look at a good play.

This time, she wanted to make Gu Yaoyao ugly, and she was still in front of the live broadcast.

"What are you doing here? Get out of here."

Yang Xin nodded and saw that the live broadcast was about to start, so she could only watch the highlights of the live broadcast in other places.

Out of the studio, Yang Xin immediately went to Zhou Xiao's lounge.

"Sister Xiao, how long will your show start?"

"Half an hour." Zhou Xiao recorded another program.

Seeing Yang Xin so concerned about himself, Zhou Xiao put down his desk book, "where did you go just now?"

"I just look around." Yang Xin said with a smile.

"Don't walk around if you have nothing to do. It's not good to be found out! " Zhou Xiao said a few words to Yang Xin. "Although you are popular, you still have to be strict with yourself. Otherwise, if you make a mistake, you will easily get into trouble."

"Thank you, sister Xiao. I'll pay attention to it." Yang Xin nodded.

Yang Xin is very grateful to the elder martial sister who brought her to the world. Recently, Zhou Xiao sighed at the news on her mobile phone from time to time. She knew that Zhou Xiao still cared about Xia Yunzhe and Gu Yaoyao's news.

Seeing Zhou Xiao wronged, Yang Xin is not very comfortable. So it is rare to have such a chance, then she will give Gu Yaoyao some color to see.

Yang Xin sat on the sofa watching Gu Yaoyao's live broadcast, waiting for the good play to happen.

The live show begins.

The host chatted with Gu Yaoyao and asked about the TV play. Of course, there are rumors about her and Xia Yunzhe.

"Yao Yao, I heard you went to dinner with Xia Yunzhe yesterday, and there were Xia's parents, right?"

Gu Yaoyao knew that she would be affected by this problem, which was not found on the platform just now, so this was added temporarily by the host Wu Na.

Just as Gu Yaoyao was struggling with how to answer, a lamp on her head suddenly burst, and the pieces of debris bounced off at random. Gu Yaoyao immediately fell down, and the fragments of the light were sprinkled on her side.

And Wu Na on one side also called, after stabilizing her mood, she went forward to ask.

"Yao Yao, are you ok?"

Gu Yaoyao took a look at her body. At this time, she must be in a mess. But she kept smiling.

"Fortunately, the face is not broken!"

Wu Na was moved by Gu Yaoyao's move. If you change to other female stars, this time may quarrel, and she can be so calm to show a reassuring smile, it is really rare.

"No, but I think someone should be nervous."

When Gu Yaoyao heard this, she naturally thought of Huo yunxun. Maybe she would persuade herself to quit the entertainment circle again.

"Maybe you'll discuss security with me seriously again!" Gu Yaoyao replied softly.

However, in the eyes of outsiders, Gu Yaoyao is talking about Xia Yunzhe, while in her heart she is talking about Huo yunxun.

Just when I thought it was over, several pieces of paper fell from the ceiling, almost all of them one content.

"Gu Yaoyao is a junior, and she is shameless."

The staff should immediately cut off all live signals and start to deal with the follow-up problems.

Just now such a thrilling scene or live broadcast out, so many netizens have seen it and forwarded it out. Soon there will be news on the Internet that Gu Yaoyao had a live broadcast accident.

Then some black powder began to follow the rhythm one after another, saying that Gu Yaoyao's life was in decline! And list Gu Yao Yao's several major crimes.

In order to get the upper position, he deliberately borrowed Xia Yunzhe to take the upper position. Later, he pretended to be weak and asked Xia Yunzhe to pave the way for her. He even once excluded Xia Yunzhe's original good friend Zhou Xiao.

Xia Yunzhe finally took her to the program. As a result, he withdrew from the program together with Xia Yunzhe because of his injury, which implicated the whole program group.

During the shooting process of the TV series, because of the resistance to pressure difference and fear of hard work, he pretended to be ill to exchange for vacation rest. As a result, the entire crew has been delayed shooting, even implicated other actors to adjust the schedule.

Participate in a live program, again had an accident, next must have the program group back pot, heartache program group!

The news on the Internet can be described as wave after wave, watching the bustle will not hate more things.

After seeing such news, Zeng Ni immediately asked the company to clarify with Gu Yaoyao, otherwise Gu Yaoyao's next career would be hindered. It turned out to be in no hurry.

Zeng Ni is dissatisfied. The company wants to stand by now and won't do PR for Gu Yaoyao!

"This time we have to rely on ourselves." Zeng Ni told Gu Yaoyao about the situation.

Gu Yaoshu is also dissatisfied with his own money! There is no trace of several salary arrears before."Elder sister, after this matter is handled, I want to terminate the contract with the company."

Zeng Ni knew that the company was unfair to Gu Yaoyao, and it was a bad resource for her. Gu Yaoyao is the only one to win back the resources! As a result, the company's short-sighted leaders just want to squeeze from Gu Yaoyao. This is obviously different from the original contract!

Looking at Gu Yaoyao's valuable use, he knows how to stand in front of him. Now, when he looks at the news attacking Gu Yaoyao on the Internet, he chooses to be silent. It's too much!

"Good!" Zenny nodded.

Gu Yaoyao thanks Zeng Ni for standing beside her at such a juncture.

"Sister, come with me then!"

Zeng Ni took a deep look at Gu Yaoyao. She knew how to be grateful and thought about herself in such a situation! Gu Yaoyao was brought up by her, so she would not give up easily.

"Well! I'll take care of it first. "

Zeng Ni used Gu Yaoyao's microblog to make a voice, explaining the cause of the live broadcast accident, and further condemned the network violence!

Just after the micro blog, Zeng Ni received a call from Jin.

"Miss Zeng, the young master is worried about his wife."

"Yao Yao is very good, but she has a slight bruise on her arm, which has been treated with medicine."

"Why doesn't the economic company come forward and ask the wife to speak up?"

Zeng Ni told a Jin the general situation and Gu Yaoyao's decision.

"Well, I'll pass it on to the young master."

Thank you

Gu Yaoyao's personal statement can not lift any water spray, just like doing useless work.

Gu Yaoyao is sitting in front of the TV and watching the news and trend on the Internet at any time. Maybe it will be cool this time! If this is the case, I am really not reconciled! Why do you have to smear yourself like this.

Suddenly, Gu Yaoyao's mobile phone has a new message. All of a sudden, a hot topic of microblog search, I know Gu Yaoyao.

Gu Yaoyao saw the content above, and couldn't help tears!

## [Chapter 702](#)

In this topic, many of them are people who have cooperated with Gu Yaoyao and some staff members.

The leader is Xia Yunzhe, who clarifies the rumors on the Internet in his microblog, and still has his boyfriend Li max.

"I didn't try a mirror, but it happened! I have a word, Yao Yao is not like that! She has never been on top of me, she has to rely on their own efforts! Those who maliciously discredit have ulterior motives

Then he Yun of hy magazine made a voice: "Yao Yao is my favorite, and I like her infinite possibilities."

Lu Yichuan also spoke after he Yun, supporting Gu Yaoyao. "Yao Yao is a conscientious and diligent actor in my eyes. Because of the high-intensity shooting, she always insists on doing well even with injuries and diseases! Such a dedicated person, I really don't know what kind of mentality those people are watching! "

In the following "let's rush together" program also made a sound.

"It was our fault to let Yao Yao get injured last time. But Yao Yao didn't investigate our responsibility, and in turn told us that we couldn't participate in the recording because of the waist injury. We have always been deeply sorry! "

In the back, there are many magazines that have cooperated with Gu Yaoyao to speak for Gu Yaoyao.

Finally, Wu Na, a well-known host of the live broadcast, also tweeted about the situation at that time and praised Gu Yaoyao as a very dedicated artist. After what happened, she could be so calm.

In an instant, things will have a turnaround.

Gu Yaoyao looked at these people who stood up to speak for themselves! I didn't expect to get their support!

What's more surprising is that the eldest lady of the Huo family made a micro blog claim: "I'm a fan of Gu Yaoyao. I don't want to tear it up!"

When Gu Yaoyao saw this, her heart was even more warm. She could even imagine the expression of Huo yunnuan. Gu Yaoyao also knows that the Huo family is behind Huo yunnuan.

Gu Yaoyao saw that in the wechat, Huo yunxun and they all sent messages.

Huo yunxun: don't be afraid, I won't let people bully you!

Huo yunnuan: sister-in-law, I support you! If anyone dares to say you are not, I must tear them!

Qiao Wei: Yao Yao, you are not fighting alone! Mom is your strong backing!

Seeing these warm words, Gu Yaoyao felt full of strength. Before Zeng Ni told her, Huo yunxun said he would deal with it, but he didn't expect it would be such a moving situation.

After seeing the reversal of the situation, the leader of the company called to express his sympathy.

Gu Yaoyao had confidence this time, "when will I pay my previous salary?"

"Yao Yao, are you still worried that we will run? Recently, the company has a new project. You are also a part of the company. You should pay for the company, right? "

"Mr. Chen, I want to give me what I deserve. I don't care about other things! "

"Gu Yaoyao, if you don't have the company's support, you will have today."

Gu Yaoyao was hard hearted this time, "hold it up? Before that, why didn't you say a word for me, even perfunctory me! "

"You don't know what to do with it!"

Gu Yaoyao put down her mobile phone and breathed a long sigh of relief. It seemed that she was right.

The situation on the Internet is almost against the wind, and those black powder dare not continue to rumor. Soon, it was revealed that Zhou Xiao had asked someone to do this time, and that Gu Yaoyao and Zhou Xiao were also photographed saying hello. As a result, Zhou Xiao walked over with a cold face.

Therefore, it is speculated that Zhou Xiao is dissatisfied with Xia Yunzhe and Gu Yaoyao recently. In the past, Xia Yunzhe and Zhou Xiaocai were recognized as the gold combination. Now Gu Yaoyao has a foot in his hand. There must be a gap in his heart!

In an instant, Zhou Xiao's microblog fell. Almost all the comments were abusive.

Zhou Xiao looked at Yang Xin, who lowered her head in front of her eyes

"Why do you do that?" Zhou Xiao asked coldly.

"I just see you are not happy recently, so I will..."

"I'll take care of my business myself. If you are found out to be you, you are ruining your future Zhou Xiao said with a frown.

Yang Xin was flustered. At that time, what she didn't notice at all was that she wanted to make a sound for Zhou Xiao. She didn't expect Gu Yaoyao's backstage to be so hard that she could turn the tables under such circumstances!

Zhou Xiao is still trying to find a way to remedy it, but unexpectedly found that Xia Yunzhe made another one. And this micro blog is not for Gu Yaoyao, but for herself.

"Who can't get along with me now! First Yao Yao, now a Xiao! I believe in ah Xiao

Seeing Xia Yunzhe's microblog, Zhou Xiao felt moved. As long as he believes in himself, it doesn't matter what other people think of her!

Subsequently, Xia Yunzhe's phone call came in.

"Xiao, I just saw the news on the Internet. Are you all right? "

"Are you not busy today?" In the morning, for Gu Yaoyao, now I come to care about myself.

Xia Yunzhe also relaxed when he heard Zhou Xiao's words. "Well, I'm just busy. Or I'll go up and fight them" "You're busy. I'm fine." Zhou Xiao replied.

"Ah Xiao, I know who did it this time." Xia continued.

Zhou Xiao's eyes flash, how can Xia Yunzhe know?! So what would he think of himself? Will it be the same as those on the Internet?

"Someone photographed Yang Xin giving money a lighting teacher."

Zhou Xiao's face turned white. She looked at Yang Xin, who was already trembling slightly. She couldn't help sighing.

"So what do you want to do?" Zhou Xiao asked Xia Yunzhe directly and clearly.

"I don't have the evidence, but there's at least one thing you need to do right now."

Zhou Xiao frowned and knew what Xia Yunzhe meant.

"Does it work?"

"Yao Yao is a reasonable person. You should have a good attitude and sincerely apologize. Everything is easy to solve! "

Xia Yunzhe's words make Zhou Xiao contradict. Will Gu Yaoyao really not investigate? And there seems to be a man behind Gu Yao Yao. This time, even miss Huo herself spoke up to support Gu Yaoyao.

"Yunzhe, you and Gu Yaoyao..."

"We are related. It's up to me this time? "

Zhou Xiao seems to understand some things, as if the places that I couldn't think of before have been solved.

"OK, I'll take care of it."

On Zhou Xiao's way to find Gu Yaoyao with Yang Xin, Gu Yaoyao personally posted a micro blog there.

"I don't believe Mr. Zhou Xiao would do such a thing!"

Zhou Xiao closed her eyes and looked out of the window. In this strange city, she found a trace of security.

"Sister Xiao, are we really going to find Gu Yaoyao?"

Zhou Xiao nodded, "this time it's because of you. If you don't want to ruin your future, apologize to Gu Yaoyao! "

After knowing the people behind Gu Yaoyao, Zhou Xiaozhen is really worried that Yang Xin will lose everything she has now. I haven't seen Gu Yaoyao yet, so everything is unknown.

## [Chapter 703](#)

When she arrived at Gu Yaoyao's Hotel, Zhou Xiao called Zeng Ni.

In the room, Gu Yaoyao is reading the relevant documents about the termination of the contract. Seeing Zhou Xiao and Yang Xin come in, she will get up immediately.

"Master, you are here."

After all, she didn't know what Huo yunxun had done through Xia Yunzhe behind her back. Sending that microblog is just believing in Zhou Xiao.

"Yao Yao, I brought Yang Xin to apologize to you."

Gu Yaoyao looks at Zeng Ni suspiciously, as if to ask what is going on.

"This time, Yang Xin did it." Zhou Xiao talked about the causes and consequences.

After hearing Zhou Xiao's words, Gu Yaoyao looks at Yang Xin, who has never dared to raise her head.

"She did it for me, too." Zhou Xiao continued. "It's our fault this time. Please forgive me."

Gu Yaoyao looked at the two people standing in front of her, some envious of their feelings. If only I could have such a friend who was willing to give up!

"Gu Yaoyao, I'm sorry! I did it this time. This has nothing to do with sister Xiao. Please don't embarrass her! I do things by myself, and I do them by myself. "

Gu Yaoyao laughed and looked at the solemnity of their faces. She said, "sit down and say it! Is it not tiring to stand so long? "

Zhou Xiao and Yang Xin did not expect that the atmosphere would suddenly change, and looking at Gu Yaoyao's smile was from the heart, very real.

"Yes, sit down and say." Zenny also asked them to sit down.

Huo yunxun has already explained on the phone before. If Zhou Xiao and Yang Xin have a good attitude of admitting their mistakes, they should be polite to them and meet each other in the future. If their attitude is not good, then they are choosing to disclose all the truth.

Huo yunxun thinks that Zhou Xiao will choose the first one. After all, popularity and reputation are very important in this circle. They are all smart people, so they will not care about this and lose the other, even if it is hard to bear.

I have to admire Huo yunxun and guess the other party's psychology.

"Master, I will not be held responsible for this incident."

"Really?" As soon as Yang Xin's eyes brightened, she didn't expect Gu Yaoyao to send them.

Gu Yaoyao nods. "Of course! There are some misunderstandings between us. Just make it clear now. "

Thank you Zhou Xiao can finally breathe a sigh of relief, otherwise she and Yang Xin will face a great crisis.

Gu Yaoyao poured a cup of tea for Zhou Xiao and Yang Xin. "You're welcome. There's too little true feelings in such a circle. And why should women be hard on women, right? "

Gu Yaoyao is very clear about one thing, Zhou Xiao has always liked Xia Yunzhe, but because of the reality, he didn't really say it. This time, she and Xia Yunzhe's news quarreled so hot that she would inevitably feel sad.

Yang Xin saw that the man who had been kind to him was depressed all day long, so he came up with such a way to teach himself a lesson. Fortunately, it's not a headlight, otherwise the consequences will be serious.

"Yao Yao, thank you very much! I finally understand why everyone likes you and is willing to help you when you are in trouble! You have a kind of kindness in you that makes everyone like you! "

"I'm flattered. I also do my job well. "

"Now that we have friends, we should change our address."

Gu Yaoyao nods, and she affectionately calls Zhou Xiao the same as Yang Xin. They smile at each other and put down all the burden in their hearts.

When she left, Zhou Xiao asked Yang Xin to drive first. She wanted to have a few more words with Gu Yaoyao.

"It's Yunzhe who asked me to come this time, but I think we should come too."

"If Xiaojie really likes it, she will bravely take that step and fight for herself." Gu Yaoyao made a gesture of cheer to Zhou Xiao.

Zhou Xi just smiles. Xia Yunzhe can only put it in his heart and can't think about it at all. There is a lot of difference between her and Xia Yunzhe.

"There may be different results." Gu Yaoyao encouraged Zhou Xiao.

"I'm not as good as you." Zhou Xiao is very self-conscious. "And Xia Yunzhe Xi likes you."

Gu Yaoyao is dumbfounded. How can she explain her relationship with Xia Yunzhe.

"In fact, I have some kinship with brother Yunzhe, and the person I like is not him. In my heart, he's like my brother

Gu Yaoyao's words let Zhou Xiao's heart waver a little. Do you really want to try? Will Xia Yunzhe refuse?

Gu Yaoyao holds Zhou Xiao's hand. "Sister Xiao, try hard for yourself once. Take out the momentum that you act as a strong woman to confess, and finish the task in one go."

Zhou Xiao couldn't help laughing, "you're pretty cute!"

The next day.

Gu Yaoyao is ready to leave the hotel for the next city.

As a result, the economic company released the latest news: Gu Yaoyao didn't know how to be grateful, played big cards in private, showed great disrespect to the leaders, and spoke disrespectfully. Therefore, it has been decided by the leadership that Gu Yaoyao will be preserved in snow.

When the news came out, zenny was angry. It was just that the villains reported first!"I really haven't seen a man with impudence! This is really a tough move

Gu Yaoyao knew that it was yesterday's words that offended Chen Jianxin, so they did it now.

"Yao Yao, what should we do next?"

"They're going to cut me off." Gu Yaoyao knew very well that they were making themselves surrender. But this time, she won't give in!

On the way, Zeng Ni accused the company of maliciously squeezing Gu Yaoyao on her microblog. Even now, she has been in arrears with Gu Yaoyao's pay! When Gu Yaoyao was in trouble, the company stood by and pretended to be invisible! It is tantamount to unilaterally tearing up the contract by making unreasonable demands without benefit.

Artists and companies have also attracted attention online. But this time, Gu Yaoyao has many supporters. Some netizens have bombarded Gu Yaoyao's brokerage company, saying that they have been digging Gu Yaoyao. Now Gu Yaoyao is red and is biting like a vampire.

What's more surprising is that many big name brokerage companies have offered olive branches to Gu Yaoyao, saying that if Gu Yaoyao cancels the contract, she can sign a contract with her immediately.

There is Xia Yunzhe's brokerage company, which is also expected by everyone. If Gu Yaoyao and Xia Yunzhe were a company, they would appear in pairs in the future. This is what fans are looking forward to.

Soon, Gu Yaoyao's brokerage company counterattack, saying that they are going to fight against Gu Yaoyao in court! The law will soon give you a truth!

And Zeng Ni also represented Gu Yaoyao to make a response. She said that she would meet in court!

As soon as the news went out, many people expressed their support for Gu Yaoyao's rights protection, and some introduced lawyers to Gu Yaoyao.

At this time, Huo yunxun has personally selected a lawyer for Gu Yaoyao, that is, he invited John, the first hand of HD headquarters, from the United States. This time, he helped Gu Yaoyao get back her hard-earned money.

"You don't have to ask for a lawyer. I've arranged it for you!"

Gu Yaoyao can't help laughing when she sees Huo yunxun's wechat. I really don't have to be busy with anything.

#### [Chapter 704](#)

Seeing this wechat, Gu Yaoyao couldn't help calling Huo yunxun.

The phone is almost a second connected, Gu Yaoyao eyes with a smile, "can't have been waiting for me to reply?"

"Finished?"

"I'm not busy today." Gu Yaoyao replied.

Today's work has also been affected because of such a fuss by the economic company. But Gu Yaoyao didn't mention it. He didn't want Huo yunxun to worry too much.

"By the way, which barrister did you hire for me?"

"John, vice president of HD headquarters."

This is the first time Gu Yaoyao has heard this name. The deputy head office of HD filed a lawsuit?

"Is he a lawyer?"

"Yes, he is responsible for almost everything in HD, and dad believes him very much, so you can leave it to him this time."

"You seem to have confidence in me!"

"Yes, I always have faith in you." Huo yunxun was outspoken.

Even if Gu Yaoyao is wrong this time, he will help Gu Yaoyao. Who let her be her own wife, Mrs. Huo should be such a privilege.

"Ah Xun, thank you! It always gives me no worries. "

Huo yunxun smiles on the phone. "When you come back, you will repay me well!"

Huo yunxun also deliberately stressed the word "reward". Hearing this, Gu Yaoyao couldn't help but blush.

"Why do you always think about it."

"What's wrong with me talking to my wife?"

Gu Yaoyao is speechless and doesn't want to continue to talk with Huo yunxun, or she will be knocked down again. It's really unpromising. Huo yunxun can surrender with a few simple words.

"I'm going to be busy."

"Pay attention to rest."

"Well!"

After Gu Yaoyao hung up, she pressed her hand on her heart, listening to her irregular beating heart, and slowly adjusted her mood.

"Yao Yao!"

Hearing Zeng Ni calling herself, Gu Yaoyao hurried over.

"What's the matter, sister?"

"What do you think of this lawyer? This is a famous lawyer introduced by Xia Yunzhe

Gu Yaoyao pressed Zeng Ni's hand, "no more."

Zeng Ni looked at Gu Yaoyao in disbelief, "why not? How do you win this case without a lawyer? "

"Ah Xun has arranged for me, so don't worry."

Zenny suddenly relaxed. "With Huo Shao's help, we can definitely win. Let's have a look at the expressions of Chen Jianxin's leaders! "

Gu Yaoyao is very confident in this case, and with Huo yunxun behind her back, she will never lose.

Gu Yaoyao was more or less affected by this incident. He did not dare to take risks in the work he had discussed, so he stopped his later journey.

This day.

Gu Yaoyao returned to city A. when she was at the airport, she saw the figure standing far outside the fence. The eyes were like magnets, tightly attached to the man.

Seeing Huo yunxun waving to himself, Gu Yaoyao nods.

She quickly through the crowd, and then came to Huo yunxun in front of him, the moment he saw his smile to himself, other things have become unimportant. Huo yunxun is the only one in my eyes.

Huo yunxun opened his arms and waited for Gu Yaoyao to come forward. Gu Yaoyao threw himself into Huo yunxun's arms, "I miss you so much!"

"Go, go home."

Three such simple words moved Gu Yaoyao. Going home was once a thing she longed for, but now she has no fantasy, because Huo yunxun has given her a home and a comfortable life.

Seeing Gu Yaoyao still, Huo yunxun hugged Gu Yaoyao, "I miss you too!"

On the way back to Haoting garden, Huo yunxun asked about the trip.

But Gu Yaoyao did not cooperate, and soon talked about other things.

Back home, Huo yunxun prepared food for Gu Yaoyao.

Huo yunxun smiles and doesn't know what Gu Yaoyao is eating. Huo yunxun reaches out to take down the rice grains sticking to Gu Yaoyao's lips, but he feels cute.

"Ahun, when can I see a lawyer?"

"In such a hurry?" Huo yunxun chuckled.

But in Huo yunxun's opinion, he should thank this time, so that he can feel Gu Yaoyao's dependence on himself. It's a great feeling.

"But I have a lot of things to prepare, otherwise I may lose."

Huo yunxun held Gu Yaoyao in his arms and said: "you don't need to prepare so much. You won't lose! Otherwise, John's name will disappear from HD. "

"So serious?" Gu Yaoyao was surprised at a glance. She didn't expect that she was also involved in the future of another person. She could not help feeling the pressure.

Huo yunxun gently pinched Gu Yaoyao's face. "You don't have a burden. You have to rest at home these days. I have other things." Gu Yaoyao turns around and hugs Huo yunxun. This time, she really feels how she enjoys marrying Huo yunxun.

"Well!"

The next day, Gu Yaoyao saw the legendary John.

He looks about the same age as Huo Dongyang, but he has a good spirit. He always has a smile on his face and treats people kindly.

"Hello, Mrs. Huo Shao!" John said hello politely.

Gu Yaoyao immediately took John's hand and said, "Hello!"

"Don't be afraid. I came here from the United States to help you with your problems." John said with a smile. "I need to look at the contract you signed."

"Good." Gu Yaoyao immediately handed John all the contracts she had signed with the company.

Seeing John looking at these contracts seriously, Gu Yaoyao can't help thinking, aren't lawyers all more serious? In front of you, this is a good match. Is it really OK?

"Young lady, how much did you negotiate with the filmmaker this time? Who signed the contract for you at the beginning?"

"It's my agent who signed up." Gu Yaoyao replied.

"I'd like to see the young lady's agent."

But when Gu Yaoyao called Zeng Ni, Zeng Ni didn't answer the phone. The phone was connected several times, but it was shut down soon.

Gu Yaoyao's heart sank and she felt uneasy that something had happened.

"What's wrong with you, young lady?"

Gu Yaoyao frowned. Why didn't Zeng Ni answer the phone and turn it off? Can something happen!

Seeing that Gu Yaoyao looks wrong, John takes the initiative to contact Huo yunxun. As a matter of fact, he has seen a lot of this situation, but no one has been seen at the critical time. This is the situation that led to the reversal of many cases.

Now we can't find Zeng Ni's person, which means that she may have turned back.

"Don't worry, young lady." John comforts Gu Yaoyao.

"Uncle John, do you think something will happen to sister zenny?"

John was stunned at the strange address. Uncle?! Only then did he realize that he was old enough to accept the fact.

This meeting, Gu Yaoyao's mobile phone shakes. Seeing a strange number from the information, Gu Yaoyao face shocked!

#### [Chapter 705](#)

"Yao Yao, I can't go with you!"

A few simple words make Gu Yaoyao more worried. What's wrong with Zeng Ni? Why did it happen all of a sudden.

John takes Gu Yaoyao's mobile phone and takes a cool look. As expected and their own thought, the people who temporarily repent are really this routine.

"Don't think too much, young lady. I'll take care of it. "

"I'm afraid something's wrong with zenny."

That strange number, Gu Yaoyao called, is already empty. So she was more worried about zenny's safety.

When Huo yunxun came back, Gu Yaoyao told him what he thought.

"I've asked ah Jin to check it out. I'll get the news soon."

At this time, the Internet, and suddenly out of new material.

"Gu Yaoyao was taken care of. That's why I'm so confident this time. And the boss behind the scenes may be a member of H's family name. "

In this way, as soon as the news came out, there was speculation one by one, and all the well-known names of H were listed. Huo yunxun's name is not on this list.

Gu Yao's list is really ridiculous. These people have really bad brain holes.

After Huo yunxun saw it, he felt that these people had no brains. With such a good candidate, what's on the list.

John sat on the side and saw Huo yunxun's face upset, and he couldn't help laughing.

"as like as two peas in your face,"

"You've done everything you've been asked to deal with?"

John saw the same eyes as Huo Dongyang and immediately put away his smile. The two sons are as like as two peas!

"Don't worry, young master. I've dealt with it. Now the young lady's agency has received my lawyer's letter. "

"Well." Huo yunxun was, um, silent after that.

The continuous flow of information on the Internet, even more said the more outrageous, simply put Gu Yaoyao said nothing, in order to their own future, constantly sleeping with the big guys, so that will be up so fast.

Some fans also began to be rhythm, shouting Xia Yunzhe in succession, hoping that he could consider clearly, not because of such a woman to pay foolishly!

Xia Yunzhe's microblog was captured again, and Xia Yunzhe's brokerage company soon issued a statement saying that Xia Yunzhe was concentrating on filming abroad at this time, and the emotional issues were private matters, and the company would not interfere too much! But also refused to rumor!

Gu Yaoyao's agency came out with a wave of rhythm, saying that Gu Yaoyao had never been punctual and used to hook up with male photographers!

As soon as the news came out, more and more people scolded Gu Yaoyao!

Gu Yaoyao herself did not pay attention to these, she was worried about Zeng Ni's situation. So far, there is no news. I'm really worried.

"Ah Xun, you said that Zeng Ni would not have an accident?"

Huo yunxun stretched out his hand and took Gu Yaoyao to sit down. "Have you ever thought that she sent the information online?"

Gu Yaoyao's eyes were wide open, and she couldn't believe it was true. Zenny she knew was not such a person.

"Yao and Yao must have the heart of guarding against people." Huo yunxun holds Gu Yaoyao's hand. "Zenny has lost contact, and that's what happened on the Internet. You don't doubt it at all? "

Listening to Huo yunxun's analysis, Gu Yaoyao seems to be right about everything. But she was still reluctant to believe that zenny would betray herself.

"I still don't believe that sister zenny would do this to me."

"Fool! In such a realistic society, there is no absolute! It's only a second for people to change! "

Gu Yaoyao frowned. She couldn't imagine that Zeng Ni would treat herself like this!

In another place, zenny is locked up in a dark room, where she has been for more than 12 hours! There is no food, no drink, just breathe by some weak air.

In this place where she could not see her fingers, zenny felt that her consciousness was becoming more and more unconscious.

The door of the room clanged open and two figures came in.

"Zenny, have you thought about it? Is your brother important or Gu Yaoyao important? "

"Chen Jianxin, you are too much! Let my brother go. "

"It's OK to let people go, but you have to come out and tell everyone about Gu Yaoyao's black material."

Zeng Ni closed her eyes, Gu Yaoyao was so good to herself, but now she has to stand on her opposite side to betray her! Really shouldn't! But their brother is still in their hands, if he had an accident, his mother would not be able to support.

Zeng Ni tangled and contradictory, the balance in her heart was constantly swinging on both sides, so she couldn't make up her mind.

"Zenny, I brought you into the company. Don't forget who gave you a decent job. You don't know how to be grateful now. You still want to bite the company, right? "

"But you are not fair to Gu Yaoyao

"There are so many men behind her. What are you afraid of! I think she can mix with other industries with her beauty, and maybe it will be a great success. With her face, she will never starve to death.

""Chen Jianxin, you are really too much!"

"I'm too much? She can't go too far. She dare to ask me for money openly. The company has trained her for so long. I deserve it! "

Zeng Ni does not want to continue to talk to Chen Jianxin, so greedy people will not have a good end. If he knew that his opponent was Huo yunxun, he did not know what kind of expression he would show.

"Zenny, you are a smart man. Think twice. Your brother is not as good as you

"You Zeng Ni glared at Chen Jianxin.

"Give you another half an hour. If you can't give me a satisfactory reply then your brother will not live."

With that, Chen Jianxin said to the horse behind him: "look after her for me!"

"Yes

The door was closed again and zenny's eyes fell. How to make a decision!

Ah Jin and his men have surrounded the abandoned building. Now they are waiting for the opportunity to rescue Zeng Ni.

"Brother Jin, everything is ready!"

"Good. Watch my gestures later. Our soldiers are operating in two ways. "

"Yes

Before the operation, a Jin also reported the situation to Huo yunxun. And Huo yunxun quickly gave instructions, "quick combat, quick decision!"

Ah Jin put his mobile phone away and took a look at the abandoned building again.

Zenny and her brother are on different floors, so they have to move at the same time so that they don't give each other time to react.

A Jin takes a look at the time, and then makes two gestures to the people behind him to let them start to move. And he had to save zenny in the shortest time.

Seeing that the others had already started, ah Jin turned over and went up the stairs, then touched the wall and walked forward.

Zenny pricked up her ears and heard something outside. Her heart was tight. It had been half an hour so fast?

Then the door was opened.

"Who!" Asked zenny immediately.

#### [Chapter 706](#)

"Miss Zeng, it's me!"

A Jin has come to Zeng Ni in the dark and quickly unties the rope in Zeng Ni's hand.

"Follow me!" Jin grabs Zeng Ni's hand.

Zeng Ni didn't expect Huo yunxun to be rescued. She was surprised and pleased, but the next second, she thought of her brother.

"Wait a minute, my brother..."

"Don't worry, I've sent for your brother."

Thank you Zeng Ni in addition to say thank you, really do not know how to express their feelings at this time.

Jin grabs Zeng Ni's hand. "We need to get out of here."

Zenny nodded and walked out of the dark room. Her eyes were stabbed by the light outside, and she closed her eyes immediately.

After a Jin found out about Zeng Ni's situation, she slowed down a little and gave Zeng Ni time to adapt.

To the downstairs, zenny see her brother is OK, hanging a heart is finally able to return to the throne.

"Sister, are you ok?"

"I'm fine. What about you? Is there anything wrong with you?"

Zeng Peng shook his head, "No

"We need to get out of here at once. After a while, Chen Jianxin's return will cause a lot of noise. "

"Good!"

A Jin drove Zeng Ni and Zeng Peng to Haoting garden. Only here can their brothers and sisters be safe. Even if Chen Jianxin was given 100 courage, he would not dare to break in, unless he really died!

When Gu Yaoyao looked at Zeng Ni, she immediately stepped forward: "elder sister suffered!"

Zeng Ni felt guilty about Gu Yaoyao. But for her, Gu Yaoyao would not have been attacked.

"I'm fine. I'm sorry!"

"No need to say I'm sorry. The safety of you and your brother is the most important thing!" Gu Yaoyao said with a smile.

Zeng Ni is really ashamed of Gu Yaoyao's concern.

After settling in Zeng Ni and Zeng Peng, Gu Yaoyao comes out of the room.

"Are they asleep?"

"Well." Gu Yaoyao nods. "I didn't expect Chen Jianxin to be so insane and make such a thing."

Huo yunxun hugged Gu Yaoyao and walked forward, "Chen Jianxin used to do a lot of business, but later he was washed white. This time, he was forced to do something like this again

Gu Yaoyao frowns. It's terrible to think about such a thing.

"Don't think too much. I'll take care of these things." Huo yunxun does not want to go to Gu Yaoyao to contact too much. After all, such a world is not easy for her to accept.

"Well!" Gu Yaoyao nods.

On the third day of this incident, there was still no news from Chen Jianxin. This makes Gu Yaoyao a little uneasy. She always thinks that there will be variables in it.

Gu Yaoyao hasn't been out these days, and has been at home. The news on the Internet has subsided, but my work has been put on hold again and again.

There was news on TV when Gu Yaoyao saw a familiar face. Looking at the Hermione in the Royal dress, he really looks like a prince.

These days, I am busy with my own affairs, and I forget this character. I just didn't think he was still in a city!

According to the news, helianmin is about to finish his study tour in city a and will go back to country f tomorrow. So before he left, he was interviewed by reporters.

Almost all the questions revolve around the content of the study tour. Looking at the well-informed helianmin, Gu Yaoyao wants to see him not in private, but only at this time. He is really like a prince.

But all of a sudden, the reporter asked a question: "may I ask your highness, in this study tour, what things are more impressive?"

He Lianmin showed a charming smile to the camera, and his face seemed to have something to say.

"It's true." He replied.

Gu Yaoyao's heart thumped for a moment, feeling that what he was going to say next seemed to have something to do with himself.

"What is that?" The reporter continued to ask.

"Alone."

Reporters immediately smell the smell of gossip, are waiting for the words behind helianmin.

"Who is it?"

"A woman." Helianmin did not dodge, but went on to say: "a woman who has been attacked and criticized continuously these days! The netizens' verbal attacks here are too poisonous. They can do such a thing to a woman! "

He Lianmin's words soon caused a great reaction. The woman who has been attacked continuously these days is Gu Yaoyao? I didn't expect that the prince of F would pay attention to entertainment news. Gu Yaoyao is really popular this time!

"Do you mean Gu Yaoyao by your highness?"

Helianmin smiles again, and this smile seems to confirm the answer.

"What does your royal highness think of this

"She's not that kind of person. If she had to rely on a man, she would have stuck with me when she knew me. It's not like I'm back and forth, or I'm worried about getting involved with me. "After that, the scene will explode! Did Gu Yaoyao know Prince f? At this time, the prince spoke for Gu Yaoyao in his own interview! It's too much to think about!

"Did your highness know Gu Yaoyao?"

"Yes, yes! She did me a big favor. I always remember it in my heart! " He said with a smile. "I've been watching the news these days, and I know that she's in some trouble. She wants to care about it, but she refuses! I don't understand why such a woman is attacked? "

He Lianmin looked at the camera in front of him and called directly to Gu Yaoyao: "Yao Yao, if the people here can't accommodate you, welcome to country f! I'll be your agent myself. How about that? "

Helianmin's explosive speech was broadcast live!

Is Prince f telling Gu Yaoyao?!

"Your Highness, are you confessing to Gu Yaoyao

"Yes He Lianmin nodded generously, and then deliberately delayed for a long time before adding a sentence: "in fact, I am also a fan of Yao Yao, iron powder! I will support my idol at all costs

Whoa, whoa, whoa!

It is a great honor for the prince of F to say that he is a fan of Gu Yaoyao. Gu Yaoyao is really lucky to meet such a good thing!

Later, no matter what the reporter asked again, he Lianmin did not answer!

Originally thought it would be a boring press conference, but he didn't expect that he Lianmin would burst into a frenzy, which was lively!

But the speech of helianmin made Huo yunxun's face black. People in the whole conference room felt low pressure and didn't dare to make a sound at all. Huo yunxun's face is really frightening. Just sitting there makes people's hair stand up!

Ah Jin sits beside Huo yunxun and doesn't speak. As for helianmin's speech, it was intentional!

But as Gu Yaoyao's husband, Huo yunxun must have been stimulated.

People who had been cooling for half an hour at low pressure felt reborn after hearing Huo yunxun say a farewell.

"Get in touch with helianmin!"

"Yes

## [Chapter 707](#)

State Guesthouse.

As soon as he sat down, Fei Yun came to him and said in a low voice, "my Lord, Huo yunxun's telephone."

He Lian min raised the corner of his mouth with a smile in his eyes, so he couldn't wait to find it. It seems that they really care about Gu Yaoyao and Huo yunxun. Is this a weakness? It's a good thing for yourself.

Today, some people can't sit still.

"I don't have time."

"Yes." Fei Yun nodded and turned out.

At this time, helianmin's own mobile phone also rang.

"Grandfather

"You're taking a risk." He Lianfeng said directly on the other end of the phone.

Helian laughed and said, "grandfather, how can you lead a snake out of the cave if you don't take a risk? Huo yunxun called me just now. I'm sure Li Mengyao will call in the next few days. "

"Be careful yourself." Helianfeng reminds helianmin. "Li Mengyao can't find anyone these days. She doesn't know what she's up to!"

He Lian min gathers a smile, Li Mengyao just likes to do things in silence. During this period, she is not in country F. maybe she has prepared something for her return. This woman can't be underestimated.

If only she could be as simple as Gu Yaoyao! Li Mengyao is a powerful opponent! This time, helianmin also wanted to use this matter to anger her, so that she had no time to take care of other things.

Less than five minutes later, Li Mengyao called.

, "Hello, my highness, princess."

"Hellenim, what are you going to do?" Li Mengyao asked angrily.

He Lianmin's face doesn't matter. It seems that Li Mengyao is angry at this time.

"So angry?"

"Hellenim, you are discrediting the royal family. Don't forget who you are Li Mengyao angrily scolds helianmin.

He Lianmin's face showed a sneering smile. He knew better than anyone that Li Mengyao felt her Princess's face was gone, so she became so angry.

"Helianmin, don't play dumb for me! If you don't choose, you will choose Gu Yaoyao to demonstrate with me! You've made a big mistake. An actor deserves to compete with me

Helianmin took the phone away and wanted to keep her ears clean for a while. I didn't expect that the princess of a country is not an ordinary woman. Usually what kind of noble and Princess frame, special Mo is floating clouds.

When Li Mengyao is quiet, he Lianmin simply turns on the hands-free and puts the mobile phone on the table.

"I didn't expect your royal highness to be so hoarse." The tone of helianmin is obviously ironic.

"Helianmin, don't forget that you are my husband now!"

"Husband?" Helianmin repeated the two words coldly. "These two words come out of the princess's mouth. It's against the law!"

"Helianmin, have you had a hard wing recently? Don't forget that you are also a subject of state F

He Lianmin frowns when he hears Li Mengyao pressing people with his identity. people?! There are obvious class differences in this identity. The Qi that helianmin has been suffering has accumulated to the time of outbreak!

"I saw what a husband is and what a wife is in a city this time." Helian opened his mouth.

"What do you mean?"

"What do I mean?" He Lian min sneered. "Huo yunxun loves Gu Yaoyao, and even does something for Gu Yaoyao that he has never done before. I don't think you have these rights before. "

"You Li Mengyao was powerless to refute in an instant, and her anger seemed to drop slowly.

Sure enough, in Li Mengyao's heart, Huo yunxun is her pain! It was so easy to break up with Huo yunxun, thinking Huo yunxun would have been waiting for her. As a result, Huo yunxun turned his head and married Gu Yaoyao. Their relationship was still as good as ever!

"Princess, in fact, you are very poor. Because the man you love no longer loves you, and you have to be with someone like me for your status. "

"Shut up!"

He Lianmin knew that he had stabbed Li Mengyao's pain and hung up without waiting for her answer.

He Lianmin's eyes become sharp. This time he will not pretend to be weak again. It is time to take out his real ability and fight Li Mengyao!

Helian min leaned on the sofa to squint for a while, and Feiyun walked into the room quickly.

"My Lord, Huo yunxun is here."

"Just say I went to sleep." He Lianmin won't see Huo yunxun at this time. It's just asking for trouble.

He Lianmin turned over and left his back to Feiyun. Don't disturb me, or you will look good.

Feiyun looks embarrassed, but for his own adult, he can only offend Huo yunxun.

At the gate of the State Guesthouse.

Huo yunxun is waiting for the news in the car, and the identity will be displayed when he moves in here.

"Huo Shao, the adult has already rested, inconvenient to disturb."

Huo yunxun knew that helianmin was deliberately avoiding himself. He is now the prince of state F. it is not easy to meet him.

Huo yunxun is silent for a few seconds, the dispute Fu a Jin. "Go." Ah Jin starts the car, and everyone knows. This is a deliberate attempt to raise himself.

"Young master, how about this time?"

"Otherwise?" Huo yunxun can't go to country f because of this. He said that he would not go to country f any more, and he should be worthy of his promise to Gu Yaoyao. This time, he could only eat the dead cat in silence.

Back to Haoting garden.

Gu Yaoyao has been waiting for Huo yunxun at the door, "a Xun, are you back?"

"You know I'm back?" Huo yunxun was very kind when facing Gu Yaoyao.

Gu Yaoyao has been lying on the balcony waiting, see a Jin's car come in, immediately moved to the door to wait.

Huo yunxun came forward and took Gu Yaoyao's hand. "Wait for me here, is something?"

Gu Yaoyao nods, her hands holding Huo yunxun's arm. "Ah Xun, I really don't know what helianmin said."

"I know." Huo yunxun nodded.

Gu Yaoyao was relieved and found some smiles on her face. She bent her eyes and looked at Huo yunxun. Today, he is more handsome than usual. Because of his trust in himself.

"Hungry or not? I'm going to cook. "

"I'll help you!" Gu Yaoyao followed Huo yunxun into the kitchen.

One is responsible for the work and the other is responsible for cooking. They paired up, and soon the dinner was ready.

After dinner, Huo yunxun received a phone call from John, saying that Chen Jianxin was looking for a good lawyer and that the court would be held soon.

"Do you know each other?"

"Oh, how can I know each other." John replied. "You can check it. I'm a big uncle. Maybe they don't pay attention to me. "

"OK!"

Gu Yaoyao has been sitting on the sofa, stretching his neck to look at Huo yunxun, who is talking on the phone on the balcony. Is this a good thing or a bad thing? The expression on Huo yunxun's face could not be seen at all.

When Huo yunxun comes in from the balcony, Gu Yaoyao stands up immediately.

"What did John say? Have things changed? "

### [Chapter 708](#)

"Don't be nervous!"

Huo yunxun hugs Gu Yaoyao. "It's just that Chen Jianxin has hired a lawyer. The court will be in session soon. "

Gu Yaoyao secretly breathed a sigh of relief, as long as there was nothing important. She doesn't want to affect others because of her own affairs!

"Well, go to bed."

The word "sleep" stimulates Gu Yaoyao's nerves. She always feels that there is another meaning in it.

"That I..." she said, stuttering

Huo yunxun looked at Gu Yaoyao's tangled expression and raised his mouth? You think it's... "

Gu Yaoyao quickly reaches out to cover Huo yunxun's mouth. She doesn't want to think about it again.

Huo yunxun gently took Gu Yaoyao's hand and gently held her hand. A kiss fell on the back of her hand.

Gu Yaoyao's neck was dyed red. She looked at Huo yunxun shyly and wanted to take back her hand. However, Huo yunxun suddenly clenched her hand.

"Yao Yao, I like the way you look."

"What?"

Huo yunxun smiles, and the smile is full of charm. Gu Yaoyao looked straight at her eyes and couldn't move them at all. It's a foul for Huo yunxun.

Huo yunxun picked up Gu Yaoyao and carried him into the room.

Gu Yaoyao is prepared for what will happen later, and even has a faint expectation.

Huo yunxun put Gu Yaoyao on the bed and gave her a kiss on the forehead.

"You go to bed first, and I'm busy."

When Gu Yaoyao heard this, her face turned red and ashamed! People clearly don't mean that, but they are dreaming.

Huo yunxun looks at Gu Yaoyao with a face of chagrin and a deeper smile. He is against Gu Yaoyao's forehead. "So what do you want me to do?"

"No!" Gu Yaoyao quickly denied.

"What you say is not what you mean." Huo yunxun finished, the next second on Gu Yaoyao's lips.

But this time he let go, and he gazed at Gu Yaoyao. "I will finish the task as soon as possible. You go to bed first. "

Gu Yaoyao pushes Huo yunxun aside and covers herself with a quilt. "I don't wait for you!"

Huo yunxun did not continue to tease Gu Yaoyao, turned around and went to the study.

The mobile phone on the desk is flashing the indicator light.

Huo yunxun sat down and picked it up. Seeing the familiar number, Huo yunxun didn't pay attention to it. He knew that Li Mengyao called because of helianmin's business. Today's matter, he Lianmin did very smart.

One is to anger Li Mengyao; the other is to tell others that he is not a puppet. He also has something he likes. Third, it is for provocation, the purpose is to test their own tension on this matter.

That's why Huo yunxun went to him. Since the play was ready, of course, he also played a part. It is also called the heart of helianmin, which makes it easier to see what his purpose is.

But to Gu Yaoyao, he will never let go!

Huo yunxun finished the rest of today's work and went to take a bath.

Back in the room again, Gu Yaoyao is already asleep.

Huo yunxun sat by the bed, carefully studying Gu Yaoyao's sleeping face. He reached out his hand and gently pushed the hair away from her face.

"I really want to hide you." Huo yunxun said a true word.

However, Gu Yaoyao wants to rely on her temperament in everything, and she will not accept the life arranged by herself.

"Yao Yao, you said two years ago, then I'll take you seriously."

Huo yunxun lies down beside Gu Yaoyao, reaches for her arms and closes her eyes.

"Sleep

Night is to bring people quiet, this is also a time to relax.

The news of Gu Yaoyao's termination of contract with the company has made headlines again. Chen Jianxin's lawyer this time has a lot of merit and is also a rookie in the legal profession. But who is Gu Yaoyao's lawyer gets a lot of attention.

However, everyone is guessing that with Xia Yunzhe's relationship, Gu Yaoyao's lawyer may be more powerful. Some media even interviewed Xia Yunzhe, who was filming in foreign countries, and wanted to get some news from him.

As a result, Xia Yunzhe said with a smile, "this time Yao Yao doesn't need my help."

There is some helplessness between the words, which also makes people wonder whether the relationship between them has changed? Anyway, it's common for couples in the entertainment industry to separate and close!

"Yunzhe, what do you think of the confession of Prince f to Yao Yao?"

Xia Yunzhe just laughed after hearing it, "I was as surprised as you when I saw the news! When did Yao Yao get involved with the prince. Fortunately, he finally said that he was a fan of Yao Yao, otherwise I would really be in a hurry with him! "

"What do you think of Yao Yao's fans like this?"

"Don't worry! I'm confident in my charm. What's more, Yao Yao won't like foreigners. That's the standard for her mate selection! "

With that, Xia Yunzhe did not answer any questions and left the set immediately. After getting on the car, Xia Yunzhe called Huo yunxun.

"Hello

"Brother Xun, are you sleeping?"

"You don't have to look at the time." Huo yunxun replied discontentedly.

Xia Yunzhe put out his tongue, "sorry, I forgot the jet lag. Who is Yao Yao's lawyer? "

"Why do you care about this all of a sudden?"

"Of course. Otherwise, I don't know how to answer the reporter

Huo yunxun knew that Xia Yunzhe wanted to gossip. "John!"

"OMG! You brought him back from America? " Xia Yunzhe sincerely admired Huo yunxun's ability to handle affairs.

"Nothing else, just hang up."

"Good, good. I won't disturb your dream

Xia Yunzhe hung up the phone, the smile on his face disappeared. With the eyes is lost, how is a slow step! He should not have said so much nonsense in front of Huo yunxun.

"Ah..."

Dahong heard Xia Yunzhe sigh and cared about it. "My little ancestor, what's the matter with you?"

"Regret it!"

"Because of Gu Yao Yao?"

"Well!" Xia Yunzhe nodded. Knowing the gap between himself and Huo yunxun, if he were Gu Yaoyao, he would also choose Huo yunxun.

It's not easy to meet a woman I like, so there's no such thing. One day before going abroad, my father talked with him for the first time. The content is about Gu Yaoyao and Huo yunxun, as well as their predecessors.

Even after Xia Yunzhe knew his story, he didn't have a chance to fight!

"There is no grass in the world."

"Dahong doesn't understand. I don't even have a chance to rob now Xia Yunzhe sighs again. "It is said that everyone is equal in front of love, but this does not exist between my family and the Huo family."

"Why?"

"Why?" Xia Yunzhe also wants to ask why? Why did you lose the chance?! Because of that kindness? Is it because his father owed Huo Dongyang?

Xia Yunzhe was unable to resist. "There are too many things involved. It seems that from my father's generation, what the Huo family wants must not be touched. "

So for Gu Yaoyao, he can only watch her and Huo yunxun together!

#### [Chapter 709](#)

Dahong is puzzled and puzzled. How did he suddenly connect with the background of the two families?

This emotional thing should not be the business of several of them? It's really a bit more difficult to relate to family.

"Is there really no way?"

"No Xia Yunzhe shakes his head. He thought that there were other turning points in it, but he didn't!

Dahong patted Xia Yunzhe on the shoulder, "since things have been like this, let's look at it a little bit."

"I don't like the feeling." Xia Yunzhe repeated this sentence.

Dahong doesn't know the relationship between the two families, but he hopes Xia Yunzhe can be more happy.

"What woman do you want? Since Gu Yaoyao is with Huo Shao, we don't ask for it." Dahong comforted a few words.

Xia Yunzhe continued. "But it's no longer Gu Yaoyao."

For the first time, Dahong saw Xia Yunzhe in such a low mood. His feelings really hurt people. He doesn't know how to comfort Xia Yunzhe. He can see Xia Yunzhe's seriousness and dedication. He really likes it!

"Don't think about it. There will be filming tomorrow

"I will not delay my work, and now only work can heal my wounds!"

City a.

It's dawn, and a new day begins.

Gu Yaoyao sits by the bed, looking at Huo yunxun, who has been dressed neatly. She thinks that she has been at home for several days, and the days without work are boring.

"I went to work."

Gu Yaoyao follows Huo yunxun and walks to the door. She is reluctant to give up.

"Be careful on the way."

"Well, call me if you need something."

Gu Yaoyao nods. In fact, he also knows how busy Huo yunxun is. He will certainly be OK at home.

Huo yunxun goes to Gu Yaoyao and looks at everything with a pair of black eyes. With one hand around Gu Yaoyao, "bored at home?"

"Well?" Gu Yaoyao did not understand what Huo yunxun meant.

"I know you're bored at home. It's boring to be alone at home these days."

Gu Yaoyao knows that she should not complain too much, but when facing Huo yunxun, she can't help but admit it.

Huo yunxun whispered in Gu Yaoyao's ear, "change clothes."

"Why change clothes?"

"I'm hiring you today as my special assistant for the day."

As soon as Gu Yaoyao's eyes brightened, the whole person was in a state of mind. "Are you serious?"

"Of course, when did I cheat you?"

Gu Yaoyao jumped up happily, hugged Huo yunxun, and then gave him a kiss on the face. "I'll be there in a minute."

Huo yunxun can't help laughing at Gu Yaoyao's back. Or hope to look at her energetic, so she let herself feel happy.

Ah Jin is waiting for Huo yunxun downstairs, but today is later than usual.

"Will it be all right?"

A Jin just wanted to make a phone call to ask, saw Huo yunxun and Gu Yaoyao's hand come together.

This is the rhythm of going to work together?!

Until Huo yunxun let Gu Yaoyao get on the car door, ah Jin confirmed his idea.

"Young master, little lady!"

"Drive." Huo yunxun then ordered.

Ah Jin didn't read much and drove directly.

Gu Yaoyao is actually nervous, because the first time she went to HD, she didn't know what this special assistant was going to do? She saw Huo yunxun as soon as he got on the car and looked at the tablet computer in her hand. She didn't dare to talk much.

Seeing that HD building is about to arrive, Gu Yaoyao can't help but stretch out her hand to pull the corner of Huo yunxun's clothes.

"What's the matter?"

"Ahun, I have something to pay attention to today." After all, she has no experience in this area.

Huo yunxun holds Gu Yaoyao's hand. "You haven't played such a role before?"

Gu Yaoyao has never acted as an assistant to the president, but she has read some online novels. But can those be used for actual combat experience?

"No..."

Gu Yaoyao's voice is very small, Huo yunxun's mouth is smiling. "Don't be nervous. I'll arrange work for you when you get to the office."

"Oh." Gu Yao Yao did not have any self-confidence, so she could only respond in silence.

To the HD building, Huo yunxun directly with Gu Yaoyao into the exclusive elevator.

"Will you come today, dad?"

"What are you worried about?" Huo yunxun asked.

Gu Yaoyao worried that Huo Dongyang knew that he would follow Huo yunxun to the company, which would be a bad influence.

"It is..."

"He will not come."

Gu Yaoyao was relieved, so it was good.

After the elevator door opened, Huo yunxun did not avoid suspicion at all, pulling Gu Yaoyao out of the elevator.

After the president's office, many people saw this scene one after another.

Soon the whole HD spread. The president brought a beautiful woman to the company today, and that woman seems to be Gu Yaoyao who is very popular online recently. There are many versions of the relationship. But in Huo yunxun's office, Gu Yaoyao finally saw something.

Huo yunxun's office is just like home. It has everything. There is no need to go out from this door.

"Yao Yao, make me a cup of coffee?"

Gu Yaoyao nods and immediately goes to the bar to make coffee for Huo yunxun.

Open the cupboard and have a look. There are almost all kinds of coffee in it. I don't know which one Huo yunxun likes?

"Ah Xu, what do you like to drink?"

"I like it when you make it." Huo yunxun has sat down to work.

Gu Yaoyao didn't expect that Huo yunxun would really leave it all to herself, so she could not let Huo yunxun down.

In front of the instructions of the coffee machine, Gu Yaoyao followed the steps carefully.

Huo yunxun occasionally raised his head to see Gu Yaoyao in front of his eyes, and his mood became better.

Soon the strong smell of coffee came out, and the whole office was filled with the smell of coffee.

"It's delicious." Huo yunxun stopped.

Gu Yaoyao smiles, then pours the coffee into the cup, and directly carries it to Huo yunxun.

"It looks good." Huo yunxun praised a sentence.

"You try the taste. This is the first time I've done it."

Huo yunxun picked up the cup, took a sip, and then nodded. "Not bad!"

Gu Yaoyao's worry finally fell to the ground. Huo yunxun liked it.

"I'll bring a cup to ah Jin, too."

Huo yunxun takes Gu Yaoyao's hand. "Leave him alone."

"Ah Jin is not an outsider." Gu Yaoyao smiles.

Facing Gu Yaoyao's smile, Huo yunxun let go. As long as she likes it, she also has a saying right. Ah Jin is not an outsider.

A Jin sees Gu Yaoyao bring out the coffee and stands up immediately.

"Little lady!"

"Here's coffee for you." Gu Yaoyao puts down her coffee.

Ah Jin was so excited that he let his wife give him coffee. It was a miracle!

"Thank you, young lady!"

"You're welcome. Ah Xun said it was a family."

As soon as a Jin sits down, Yun Muxin appears at the door of the president's office with a stack of documents.

"Coffee today?"

"Vice president!"

Yun Muxin knew that Huo yunxun had brought Gu Yaoyao, but he didn't expect that the daily standard configuration was also improved. There was coffee to drink today!

"Tell Xiaoxun that I have a document for him to sign."

Yun Muxin doesn't dare to go in directly, so as not to disturb the couple or see some indescribable pictures.

Jin immediately picked up the landline and called Huo yunxun.

"Vice president, please come in."

Yun Muxin laughs and teases. "Sure it won't disturb them?"

#### [Chapter 710](#)

A Jin made a please action without any unnecessary expression on his face.

Yun Muxin knows that it is not easy to ask for information in front of the Huo family. So I didn't want to continue to ask and knocked on the door with the document.

"Come in, please."

Hearing Huo yunxun's voice, Yun Muxin pushes the door and enters.

As soon as I came in, I felt a rush of coffee. As expected, with women, it was not the same, and the quality of the work was also improved.

"I brought my wife to the company today. People downstairs are already talking about it."

Gu Yaoyao feels embarrassed by Yun Muxin's remarks. In addition to her own identity, she may have troubled Huo yunxun.

"Yao Yao, pour me a cup of coffee for my sister."

"Oh." Gu Yaoyao returned to his senses and immediately took action.

Huo yunxun uses his eyes to indicate that Yun Mu Xin sits down, and Yun Muxin nods. He really dotes on his wife just like his father did. These can also be inherited.

"Sister, your coffee."

"Thank you." Yun Muxin smiles and nods to Gu Yaoyao.

Huo yunxun came over and sat down with Gu Yaoyao.

"Take notes for me." Huo yunxun handed Gu Yaoyao the tablet computer in his hand.

Gu Yaoyao looked down and saw a form. "This is..."

"You'll file these documents for me later." Huo yunxun pointed to the document that Yun Muxin put on the table.

Gu Yaoyao nods, sits on one side and listens to the dialogue between Huo yunxun and Yun Muxin, and then records all the places Huo yunxun points to. Listen to their mouth from time to time appear a few professional terms, Gu Yaoyao will slow down.

Some of them can't keep up with them. She feels hard. This also makes it clear that Huo yunxun is really busy, and there seems to be a lot of things to do every day.

"If you think so, I'll talk to him."

"Yes." Huo yunxun nodded. "That's hard work."

Cloud Mu Xin's eyes in Huo yunxun and Gu Yaoyao's body looked back and forth, looking at quite matched.

"When I'm done with business, I want to gossip."

"Yao Yao is bored at home. I'll ask her to help me here." Huo yunxun said with a calm face that he didn't think there was anything wrong. And dad didn't do it all the time.

Cloud Mu Xin nods. "As I said before, you need an assistant, and ah Jin is the only one to come. He has a heavy burden."

Hearing this, Gu Yaoyao couldn't help looking at Huo yunxun.

"I can do it myself." Huo yunxun replied.

Cloud Mu Xin pursed a smile, any who saw is to know Huo yunxun's mind. Just want to get along with Gu Yaoyao more.

"By the way, how are Yao Yao's preparations for the lawsuit? The other side is very arrogant. "

"I'll leave it to John."

Yun Muxin was also surprised, "John? How could he agree to come to city a? "

"Why not?" Huo yunxun asked, and he didn't give him less money this time. Whether it's for the sake of relationship or money, he will take the job.

Yun Muxin thumbed up and said with admiration, "he dare not listen to your father and son's words. But I think Qin Hao is impatient at the headquarters! Oh, I haven't seen Jian LAN for several years. Now I refuse to come back because of my grandson. "

"They should be back by the end of the year."

"If only that were the case." Cloud Mu Xin is really looking forward to seeing you more, after all, age also has, such opportunities are not much.

Huo yunxun is about to ask about Xia Yunqiao. "Where's Little Joe?"

"In City C, how can two children get away now. Just wait for me and your brother-in-law to visit them when they are free. "

"Tang Yixuan treats her so well, you should rest assured."

Gu Yaoyao sat silent as she heard a name once familiar to her, city C. Gu's home is there, and so is grandma.

Gu Yaoyao suddenly wants to go back to see her grandmother. Anyway, her work has stopped and she should go back and have a look.

"Yao Yao!"

"Well?" Gu Yaoyao looks at Huo yunxun.

"What do you think?"

Gu Yaoyao chuckled. "It's nothing. It's just that everyone has a good relationship, just like a big family."

"You are a part of it now. At the end of the year, when everyone gets together, I will introduce them to you one by one. " Huo yunxun holds Gu Yaoyao's hand. In fact, he knew that Gu Yaoyao thought of those unpleasant things just now.

Gu Yaoyao nods, he is the most important.

Cloud Mu Xin looks at that pair of tightly held hands together, those doubts in the heart can finally be put down. Huo yunxun's kindness to Gu Yaoyao is comparable to that of Huo Dongyang. These excellent qualities should be preserved.

One morning, Gu Yaoyao is helping Huo yunxun do some simple work, recording and sorting out documents. Huo yunxun does all the troublesome things by himself.

"Yao Yao, go to dinner."HD has its own staff restaurant, most people will choose to eat in the company.

When Huo yunxun appeared with Gu Yaoyao, all the people in the restaurant were staring at the couple who came in from the door.

After that, Gu Yaoyao could still hear other people talking. Or say those things on the Internet, Gu Yaoyao's heart is not taste.

Huo yunxun didn't seem to hear that. He took Gu Yaoyao to the ordering place.

"See what you want."

Gu Yaoyao felt that there were many pairs of eyes staring at herself behind her, and she felt unnatural. And she heard what they said.

"I can do anything."

Huo yunxun knows that Gu Yaoyao's uneasiness comes from the eyes and comments of those people. He glanced back, and all of them quickly lowered their heads.

Nobody dares to meddle in front of Huo yunxun, unless he doesn't want his own job!

Seeing that everyone lowered their heads, Huo yunxun turned his head and helped Gu Yaoyao order something she liked.

But instead of eating in the restaurant, they packed up and went back to the office.

Gu Yaoyao noticed that all the people did not speak. They bowed their heads to eat obediently. Obviously, the atmosphere was different from that when she came in, which made Gu Yaoyao confused. How could it suddenly change.

Back to the office.

Two people sit side by side to eat together, Huo yunxun will take the initiative to Gu Yaoyao dishes.

"Eat more."

"Enough, enough!" Gu Yaoyao did not dare to eat too much, otherwise he would spend time to lose weight.

Huo yunxun's words broke Gu Yaoyao's concerns. "Don't worry about it. You'd better be fat."

"My face is too easy to get fat. It's not easy to lose it."

Huo yunxun looked at Gu Yaoyao's face carefully, which was obviously not as she said. He put down his chopsticks and touched Gu Yaoyao's face.

"This face can only be eaten a little more."

Gu Yaoyao gave up the communication with Huo yunxun. The two people's views were fundamentally different, and in this case, men saw and women's perspective was completely different.

"You should eat more." Gu Yaoyao said this. "So much work every day."

"So concerned about my body?"
