

Warm Wife 71

[Chapter 71](#)

Huo Dongyang chuckles over there.

"Good!"

"I have something else on my side." Huo Dongyang continued.

"Be busy first."

Although some reluctant, but she still put the phone down.

Huo Dongyang has been away for two days, but once he stops, he will miss him. This feeling is more and more intense.

Jane LAN saw sitting next to Qiao Wei in a daze, she said, "Miss Mr. Huo?"

"Well!" Joe nodded. She is now quite generous enough to admit her feelings for Huo Dongyang.

Jane LAN suddenly some envy Qiao Wei, in and cloud Yiyan after marriage, unexpectedly met his destiny that person, then oneself also can be so lucky?

Qiao Wei looked back at Jian LAN, "Xiao Lan, what are you thinking?"

"Nothing."

Qiao Wei thought of one thing, "by the way, Xiao Lan, is the case between you and Zhong Jiansheng open tomorrow?"

"Well!" Jane LAN nods. "John said, I don't have to go to the scene."

Speaking of John, Joe really admired him, but he was still a lawyer.

Qiao Wei reached out and held Jian Lan's hand. "Everything will be OK."

They left work on time today.

Come south and pick up Qiao Wei. Qiao Wei wanted to send Jian LAN back, but she refused.

Jane LAN walked aimlessly in the street, she did not know where to go out. A city is so big, where is your real home?

After a bar, Jian LAN sees an acquaintance. And that acquaintance also saw Jian LAN.

"Why are you here?" Yun Yiyan spoke first.

"I'm going home." Jane LAN replied.

Although Yun Yiyan drank some wine, he still remembered that Jian LAN didn't live here. He leaned lazily against the wall. "You should have left the Zhong family in this way?"

Jian Lan's eyes are dark, she didn't want to get Yun Yiyan to know.

Yun Yiyan looked at Jian LAN, "Jian LAN, it's good for a man like that to leave early."

Jian LAN doesn't want to talk to Yun Yiyan more. She wants to go beyond Yun Yiyan. But Yun Yiyan reached out and took Jian Lan's arm.

Jian Lan was surprised and looked at Yun Yiyan, "what do you want to do?"

"I forgot to bring my money today. Can you pay me for it? Let my sister give it back to you later. "

Hearing Yun Yiyan's words, Jian LAN looks at Yun Yiyan again. This one or that high spirited Yuner Shao? Now he can only be described as an alcoholic.

"Yun Yiyan, I didn't expect you to be so promising." Jane Lan said. "Now that you know you're wrong, cheer up and correct it. What problem can you solve if you drink like this every day

Yun Yiyan sneered: "what qualifications do you have to blame me?"

"Of course I didn't Jane LAN replied. But for the sake of his former husband, she would not care about him.

At this time, the manager of the bar came out to collect the money. "Yun Er Shao, there are so many accounts today."

Yun Yiyan takes a look and hands it to Jian LAN. "Give me a cushion first, and I'll give it back to you later!"

Jane LAN took the bill and saw the number on it. She was stunned. What did Yun Yiyan drink? It costs more than 5000 yuan.

"Can I swipe my card?" Jane LAN is really not carrying that cash.

"Yes!" After a while, the manager came with the POS machine.

It's really painful. If I knew it would be like this, if I had just walked the opposite road, it would not have cost more than 5000 yuan.

Yunyiyan of course also saw Jian Lan's expression, he took off his watch in Jian Lan's hand. "This watch is enough."

Jian LAN returned Yun Yiyan's watch to him, "I'll go first."

Yun Yiyan looked at Jian Lan's back, "how? Now you look down on me? "

Jian LAN looks back at Yun Yiyan. "If you give up yourself, how can others look up to you? Yunyiyan, do you really think you are the worst in the world? In fact, you are much better than many people. "

Finish saying, Jian LAN strides forward.

Yun Yiyan stands in the same place and seems to be lost in meditation

The next day.

The developer of the land in the east of the city also released a list of the last companies to participate in the bidding.

But after the results were released, the industry was also surprised. It was supposed that the only candidate would be Yunshi united with several companies. But now there is another name, hd-qh.

A strange and not familiar company, actually dare to challenge with the cloud. This makes a lot of people in the industry want to see jokes. Soon, someone picked up the information of this company. It turned out that the multinational group HD was behind him.

This also makes people more interested. This HD is a multinational group, can it really adapt to the domestic situation? However, some people also admire them for daring to fight against Yun. When Yun Yiming saw the news, his face changed.

Yunzhou took a look at his son, "Yi Ming, this time Huo Dongyang is ready to start a formal war with us."

"Well!" Cloud Yiming squints his eyes. Does he think HD can win? It's just too much.

Yunzhou is also worried. "Yi Ming, we can't love enemies. This HD can't be despised. "

"Dad, what are we going to do now?"

"I'll go with you at the auction next week." Yunzhou said. He also wanted to see what the half brother was capable of.

Yun Yiming nodded, "Dad, I think it's better not to let my grandfather know about it."

In fact, YUNZHUO has already known about it, but he is silent. He just wants to see how powerful the successors of the cloud family are. He knew that Yunzhou and yunyiming would not stand idly by. The more this time, the more calm he was.

After receiving the news, Qin Hao, Qiao Wei and Jian LAN discuss the final details.

"Then both of you will be on stage to give a speech, and you must be ready. We only have one chance. " Qin Hao also made it clear.

Because of the domestic form, they all have some xenophobic ideas. So if they want to win the bid, they can only win at one stroke.

In fact, Qin Hao also received Huo Dongyang's instruction to ask Qiao Wei and Jian LAN to complete this speech.

"Manager Qin, I'm afraid I can't do it!" Qiao Wei knows his ability. Since this bidding is so important, she doesn't want to make any mistakes.

Qin Hao laughed: "Qiao Wei, you should have confidence in yourself. You made the plan this time, and it's the best one for you. And this task is ordered by the boss

Hearing Qin Hao's words, Qiao Wei was shocked. The myth of HD looks at itself. This is a pie in the world. Qiao Wei still doesn't believe that such a thing will happen to him.

"Is that true?"

[Chapter 72](#)

Qin Hao nodded and opened his email.

"If you don't believe it, you can see for yourself."

Qiao Wei takes Qin Hao's mobile phone and looks at the big boss's email very seriously.

Qin Hao then said, "so you two must come on! It's also an opportunity to prove your ability. "

"OK, I will refuel!"

"If you win the bid, maybe there will be extra rewards!" Qin Hao said with a smile.

I hope Huo Dongyang's decision is right this time. He seems to realize what will happen next. These two women may become celebrities in this city A.

Qiao Wei holds Jian Lan's hand, "Xiao Lan, we must refuel!"

Jian LAN is also very excited, which may become the most brilliant one in her life.

Excited, Qiao Wei thought of Huo Dongyang. If only he were here! In fact, she would like to make such a speech in front of Huo Dongyang. This time, she would certainly struggle in the mire without him.

It is because of him that he can get out of the difficulties. So she wanted him to witness his success.

"Manager Qin, do you know when Dongyang will be back?" Asked Qiao Wei.

Qin Hao could not help but laugh at this. "Does Mrs. Huo miss her husband? Then call him. "

"He seems to be very busy recently."

"Of course." Qin Hao replied.

Qiao Wei hesitated for a moment. "Do you know his itinerary

"How do I know? His level is higher than mine, so he is much higher than me Qin Hao intentionally or unintentionally releases Huo Dongyang's message.

As for the final result, he is not responsible. Because this is also a private matter of Huo Dongyang, one of his subordinates is really not talkative.

At the end of the day, John came with the court verdict.

"MissJian! I have good news for you. " John spoke English as soon as he came in.

Jian LAN has been hanging the heart, and finally dust landing.

Jovi looked at John and asked, "what's the result?"

"Good!" John handed the verdict to Jane LAN.

Jane LAN saw the above content, did not expect John to help himself to fight for such things. The clock family is not angry!

"Thank you, John!"

John said with a smile, "you're welcome! I did what the boss said

"boss?" Qiao Wei felt that there was something strange about it. Recently, the word has been appearing.

Qin Hao often talks about boss. She also knows that Qin Hao's big boss is William. Now John also says a boss. Who does this mean?

Qiao Wei has an illusion. She thinks that Qin Hao and John's boss seem to be a person. The way they look is that they have known each other for a long time. When they talk about the boss, they give people a feeling of being a subordinate. They seem to be working for HD, but Huo Dongyang never mentioned the boss.

This is really a little strange. What is the problem?

As soon as he finished, John received Qin Hao's eye warning. Realizing that he had said something wrong, John immediately changed his words. "I'm working for Miss Jane this time, so you're my boss."

John's explanation is far fetched, but Qiao Wei didn't think about it.

Jian Lan was in a good mood. "I want to invite you to dinner today."

"Good!" John nodded when he heard that there was food to eat.

Qin Hao teased. "You know how to eat?"

"Can't you?"

See the two people get along with the mode, Qiao Wei said with a smile: "your feelings are really good."

"This guy and I don't know each other." Qin Hao replied.

"Is Dongyang the same?"

Qin Hao and John looked at each other, "no! Huo Dongyang's means are much better than ours. "

It will soon be the day of bidding.

Before Qiao Wei went out, Huo Dongyang called her.

"Come on today. I look after you

Qiao Wei Du mouth, feel a pity in the heart, "but you are not in."

"My heart is with you." Huo Dongyang seldom utters a love word.

Joe gave a slight smile. "When did you come back?"

"Soon." Huo Dongyang returned two words.

Jovi sighed, "I'm going out."

"Well!"

Send Qiao Wei to the South and pick up Jian LAN by the way.

After the car left, Huo Dongyang came out from the villa next door.

Xiang Qing followed him. For the past week, Huo Dongyang stayed in a hotel. Instead of going to the United States, he stayed away for a few days.

Last night, Huo Dongyang came back here. "Boss, we can go any time."

Huo Dongyang nods. Today is also a big event for him. Not only is Qiao Wei's debut as a member of HD, but also the key battle for HD to officially open up the pattern of a city.

But he put all the chips in this war on Qiao Wei and Jian LAN. As the head of HD, he is confident. But as Qiao Wei's husband, he was more or less worried, so he would go to the scene to have a look.

"Boss, get in the car!"

Xiang Qing has already brought the car over.

Huo Dongyang opened the door and got on the bus directly.

The bidding was held in the conference room of a five-star hotel. Of course, a lot of media came to the news.

Wynn's team arrived first.

Yunzhou appears in the sight of the public with Yun Yiming. Seeing the arrival of the two, many reporters gathered around.

At this time, Qin Hao with Qiao Wei and Jian LAN low-key came to the scene.

Qiao Wei saw two people in the interview, and she quickly withdrew her sight.

Jane LAN some worry Qiao Wei, "tiny, you all right?"

Joe shook his head. "Let's go first."

Qin Hao takes them in first and checks in at the sign in place.

Yun Yiming's afterglow seems to see a familiar figure, which seems to be Qiao Wei.

"Dad, I think I saw Jovi." Yun Yiming whispered in Yunzhou's ear.

Hearing his son's words, Yunzhou is also on guard. "Really?"

"Not sure."

Yunzhou refused to interview and took Yun Yiming into the venue. At the sign in, they see Qin Hao's name.

"Dad, it looks like Huo Dongyang is here."

Two people's faces sank, this Huo Dongyang actually took the initiative to attack this time, really let people feel surprised.

So what Yun Yiming saw just now is Qiao Wei.

"Let's go in!"

Once in, Yunzhou and yunyiming really see Qiao Wei in a suit.

And she was talking to a man, but the man was not Huo Dongyang.

"Indeed, Qiao Wei is here." Yunzhou opened his mouth and walked over.

Qiao Wei saw Yunzhou coming, and she nodded at him. "Yun Dong."

Yunzhou looked at Qiao Wei's document in his hand, and stretched out his hand to hang his work permit.

"Qiao Wei, are you the representative of hd-qh today?"

[Chapter 73](#)

Yunzhou's words let everyone's attention focus on it.

Qiao Wei looked at cloud state one eye, did not answer, just gently nodded to him.

He turned around and sat down, carefully preparing his speech materials.

Yun Yiming goes to Yunzhou and says, "Dad, let's sit down first."

Yunzhou once again looked at Qiao Wei, and then went to the position of Yun's side and sat down.

"The woman sitting next to Qiao Wei seems to be her friend, too?"

Yun Yiming is not clear about Qiao Wei's friendship. "I don't know very well."

Yunzhou narrowed her eyes to see what they were like today, representing hd-qh. Just what role do they play here? This is really confusing for Yunzhou.

Yun Yiming lowered his voice in Yunzhou's ear and said, "Dad, the person sitting next to Qiao Wei is not Huo Dongyang. When I saw the signature just now, it was Qin Hao. There seems to be something strange in it

"Watch it change." Yunzhou replied. At this time, we can't make mistakes.

Soon the bidding started.

People from all sides are in place.

First of all, Mr. Yun's plan is to create a children's theme park in the east of the city.

Wynn's representatives described their plans and designs, and also made key recommendations.

"Manager Qin, Yun's plan is good this time!"

Qin Hao. "Yes, but the theme park is a bit unrealistic. This piece of land is not very big, as a children's theme park, it seems stingy. If you look at Disneyland or other theme parks, the area of that park is almost several times that of here. "

Qiao Wei heard Qin Hao's analysis, and she nodded. It really makes sense.

"Jovi, don't be nervous. This time we have a chance. " Qin Hao lowered his voice.

Qin Hao took a look at the developer, and it seemed that he was not very satisfied with the plan.

At this time, on the second floor of the conference room, Huo Dongyang also sat down.

He could see clearly the situation downstairs.

John sat down, too. He leaned back on the chair with his legs up and closed his eyes. The whole person didn't seem to wake up.

"Boss, we'll be here soon."

Huo Dongyang put down his mobile phone and patted John with his hand.

John immediately sat up straight and said, "is it going to start?"

Then I heard the host say, "let's invite the representative of hd-qh to come on stage."

Qiao Wei and Jian LAN stand up at the same time, tidy up their clothes and then walk on the stage.

Yunzhou and yunyiming look at Qiao Wei on the stage in surprise. Before, they just thought that Qiao Wei came to the scene as a representative, but they really didn't expect that Qiao Wei would come to the stage this time.

Hello, everyone. Welcome to the microphone! I am hd-qh in charge of this bidding plan, Qiao Wei. Now I will give you a related report. "

The PPT made by Qiao Wei will be displayed on the screen.

Joe took a deep breath and began his speech.

"We conducted a market survey on the east side of the city." Said Qiao Wei. "First, let's see what is missing on the east side of the city."

A variety of data quickly appeared on the screen, Qiao Wei also analyzed the data one by one.

"So in view of the above situation, we hd-qh will build a large comprehensive square integrating life and entertainment here."

Ppt quickly switched to the next screen, "our square has the following aspects. In the living area, we will invite a famous supermarket which is a national chain to settle in... "

Qiao Wei's words developers all slightly nodded, this is really from the actual, but also hierarchical to meet the needs of consumers of all ages.

Yunzhou and yunyiming really didn't expect Qiao Wei's ability to be so good. It seems that he was really aggrieved in senqiao before. Qiao Qingdong is really blind. He expelled Qiao Wei, the only one who has the ability. If Qiao Wei had not been there before senqiao, he would have collapsed.

"Qiao Wei's ability really can't be underestimated." Yunzhou went on. "Ask her out for a chat sometime. If you can, dig her up to Yunshi."

Although Yun Yiming is not reconciled, but still have to admire her, this planning case is done very well.

It seems that hd-qh is sure to win the land this time.

"Yi Ming, our chances are not good." Yunzhou said this.

Yun Yiming nods his head, but he won't let it go!

On the stage, Jian LAN is showing her design. Her design of each section is in place, close to the theme of each section, and even bring unexpected innovation. It was also praised by many people present.

It seems that hd-qh is really powerful. It actually sent two young women to take charge of such a large case and made such a good start. According to this situation, the strength of HD behind them is more unpredictable. Qiao Wei and Jian LAN step down, others also began to nervously wait for the result. In the end is the strength of the strong win, or this registration less than half a year's new company out of the top?

Several groups of people from the organizers also began to have a heated discussion.

Qin Hao receives a message from Huo Dongyang on his mobile phone. He starts to talk. I knew he would come today. After all, it was his wife's first show.

"Manager Qin, do we really have no problem?"

Qin Hao's face was calm, "the problem is no more. But there's no guarantee that no one will make a problem. "

Hearing Qin Hao's words, Qiao Wei looks at the cloud family father and son sitting opposite. At this time, she also happened to see cloud Yiming staring at his eyes, his eyes with a big dissatisfaction.

Qiao Wei staggered his eyes, and then looked down at his plan.

The mobile phone vibrated for a while, Qiao Wei took a look and found that it was Huo Dongyang's information. She was in a better mood.

"Well done!"

Qiao micro show a smile, "you don't see, how do you know I behave well?"

"My wife certainly won't let me down." Huo Dongyang replied quickly.

With Huo Dongyang's support and encouragement, he gradually settled down.

Jane LAN smiles at Qiao Wei and says, "Mr. Huo has come to the information?"

"Well!" Joe nodded.

The host on the stage came to the stage, it seems that there is a result.

"There's a result." Jane LAN is also very nervous. This is also the first time that she stood on the stage to show her design, and hoped to have a good result.

Compared with Qiao Wei and Jian LAN, Qin Hao is very calm. When Huo Dongyang and he traveled from place to place, they could face the situation which was more difficult and even dangerous. What's more, it's a small auction!

The host's eyes soon turned to their side, and then began to announce: "the two companies have made a detailed speech just now, and the sponsor side also has a serious discussion. In the end, they rarely make a unanimous decision. Hd-qh is the winner in the bid for the east part of the city

[Chapter 74](#)

The scene burst into warm applause.

Qiao Wei and Jian LAN two people after hearing, the whole person is stunned.

Did they really hear the name hd-qh?

Qin Hao first stood up, with a smile on his face. He looked at Qiao Wei and Jian LAN and said, "Congratulations

Qiao Wei and Jian LAN stand up, still feel some incredible. "Manager Qin, is it really us?"

"Yes! You made it. " Qin Hao clapped his hands and said.

See the whole audience focus on three people, Qiao Wei really don't know what to say! In the past few years, it seems that she has not been so successful or so happy.

Today, her mood is completely different. Is this feeling the satisfaction after proving her strength?

Jane LAN is also very excited. "Weiwei, we succeeded."

"Xiaolan, we really succeeded." Qiao Wei hugs Jian LAN happily.

The smile on two faces is so brilliant, as if they have never laughed like this, is the life once too oppressive? So they can't find a home for themselves.

In fact, Qiao Wei would like to thank Huo Dongyang more. He really appeared like a God, pulled himself out of the quagmire of the cloud family, and encouraged him to get rid of the shackles of the Qiao family, and he also gave himself a chance to prove his ability.

Later, she stood in front of others just Qiao Wei, no longer hanging the title of Qiao's eldest lady or the second young grandmother of the cloud family.

Qin Hao took the stage to shake hands with the organizers and expressed their thanks one by one.

Yunzhou was not surprised to see such a result, but still felt uncomfortable in his heart. They actually lost, and still lost to such a small company that has not established itself in a city.

If this incident is spread out, it will certainly have a great impact on Yun, or he will also be tested.

Yun Yiming can't stay any longer. Dad, let's go first

"Good!" Yunzhou nodded. Taking advantage of the reporter has not been surrounded by time, or to quickly get out.

The departure of Yunzhou and yunyiming is clearly seen by Huo Dongyang on the second floor.

"Boss, they're gone." The neck is open.

John, standing on the side, raised the corners of his mouth. "Is this the case of escaping with the tail between your legs?"

Xiang Qing laughed, "you know, it's really a lot."

"Of course, my learning ability is also very good!" John said, not to be outdone.

Huo Dongyang stood up with him. "Let's go back first."

"Boss, don't you want to go back with your wife?"

Huo Dongyang shook his head. "I'll wait for her at home."

Huo Dongyang left the scene with Xiang Qing and John, because he also prepared a surprise for Qiao Wei.

Then Qin Hao took Qiao Wei and Jian LAN to an interview with the media.

"Mr. Qin, what do you think of this bidding?"

Qin Haoyun and I learned a lot about this bidding, so he was used to meeting with me

"So what do you want to say about defeating Yunshi and getting the land?"

"No matter whether we try our best, we can only be satisfied." Qin Hao answers skillfully.

"Mr. Qin, why did you let two ladies take the lead this time? Is there anything in this that we don't know? "

Qin Hao has been calm to deal with: "you this problem seems to be a pit."

"Mr. Qin, why did you choose them? Is it really because of their ability, or what? "

Qiao Wei and Jian LAN heard the reporter's meaning, and they also understood the reporter's key points. They just want to ask the company if there are hidden rules!

Qin Hao always said with a smile, "ability is of course the first! It's just that I also have requirements for beauty. When they came for an interview, I was very pleased, otherwise they would not be admitted. But in fact, both of them have proved that their ability is more important than their appearance

Qin Hao answered the reporter's question with such magnanimity and truthfulness that he relieved everyone's doubts.

"Mr. Qin, do you know their identity?"

Qin Hao mentioned this question. After asking for so long, they finally got the idea.

"Do they have any problems?"

"Mr. Qin may have just come back, and he doesn't know their two identities. Miss Qiao used to be the second youngest grandmother of the cloud family. Miss Jane is also a married person. Recently, she seems to be having a divorce with her husband! "

Qin Hao listened to the reporter carefully and then asked, "their identity is a little sensitive, or has Mr. Qin known it before, so use them to attack the Yun family?"

Qin Hao takes a look at Qiao Wei and Jian LAN. "Have I not been back for too long? You mean they have a problem? ""Isn't Mr. Qin worried about bad wind reviews?"

Qin Hao suddenly laughed, "what century is it now! Is divorce a death penalty for women? Who has done nothing wrong in his life? At the beginning of marriage, is there no right to pursue happiness? A divorced woman should be looked down upon

Qin Hao made the faces of several female reporters on the scene sink. Yes, in fact, their marriage is not particularly happy, every day as if walking on thin ice!

The tolerance of women in this society is too small, but for men, it can always be corrected by knowing mistakes. As long as women do wrong, they will be accused by thousands of people and all kinds of unnecessary crimes will come out.

Qin Hao looked at the aggressive female reporter and lowered his head.

"Women can hold up half the sky. Why look down on yourself? What about divorce? As long as you have the ability to support yourself, your life can also be wonderful. " Qin Hao went on to say, "Qiao Wei and Jian LAN went to the company for an interview, and I only kept them after layers of screening. This bidding scheme is also made by them working overtime continuously, and the result is very satisfactory! I don't think I've picked the wrong person! "

Hearing Qin Hao's words, Qiao Wei and Jian LAN feel much more comfortable. If there were more reasonable leaders like Qin Hao, many things might have changed.

"Mr. Qin, this is really moving. It seems that he has also spoken out many women's feelings."

Qin Hao smiles. "In fact, there are some things that we have been kidnapped by the so-called secular world. Everyone has his own bottom line and privacy. Why do they have to hurt each other? There is no such a sentence, why do women trouble women! Out of that circle, you'll get more. "

"Mr. Qin seems to have a deep understanding."

"Yes Qin Hao replied. "I had a bad past, too, when I was lucky to meet someone who changed my life, and that's what I learned from him!"

When Qiao Wei heard Qin Hao's words, she was a little distracted. I always think that this man in Qin Hao's mouth is the big boss of HD, William!

[Chapter 75](#)

Qin Hao's words, however, made people fall into meditation.

"Mr. Qin, this man is..."

"He is my benefactor and my nobleman." Qin Hao replied.

After looking at the time, Qin Hao also felt that it was almost time. "We have something to do later."

"Miss Joe, would you like to say a few words?"

Qiao Wei smile, "I also thank my benefactor and noble." And this man is Huo Dongyang.

Qin Hao interrupted the interview. "The specific situation. In a few days, we will give a detailed explanation at the signing ceremony! "

"Mr. Qin, you represent the success of HD's first stop. Don't you know what reward the boss will have?"

Qin Hao smiles mysteriously. "I'll let you know when we get there! Thank you very much today

Qin Hao leaves the scene in a hurry with Qiao Wei and Jian LAN, even leaving nothing behind. However, Qin Hao, Qiao Wei and Jian LAN unexpectedly became hot people in the city.

The media call them inspirational goddess, with their own efforts to get rid of the shadow of divorce and onto the peak of life, instantly become a typical model, many people envy their fame in the first World War!

And Qin Hao also because of that speech, successfully ascended to the top and became an outstanding representative of the new good men. If everyone and men understand women like Qin Hao, then slag man probably doesn't even have a place to stand.

On the network, it is all over the world propaganda, three people also seem to be many people's idols.

Back in the office, Qin Hao's assistant said that many media wanted to come over to do a detailed interview.

Qin Hao picked up his eyebrows and refused without saying a word. "If the effect is achieved, don't over consume. Only in this way can we maintain the sense of mystery and make people feel more curious! "

Qiao Wei heard such words, can not help admiring Qin Hao. "Manager Qin, I think you are right!"

"That's not what I said." Qin Hao replied.

"Who said that?"

Qin Hao's eyes fell directly on Qiao Wei. "Your husband said. He has a lot of wisdom. I'll tell you when I have time

Hearing Qin Hao's words, Qiao Wei's heart jumped. It was Huo Dongyang who said it. I don't know why. Qiao Wei really admired him and was more curious about him. He seems to have a lot of things to explore.

"Good news for you." Qin Hao opens his mouth.

"What's the good news?"

Qin Hao read out the message from the boss. "It's hard to win the bidding this time! Everyone has a reward! "

Qiao Wei gets such Chen Zan, in the heart also seems very excited!

"What is the reward?"

"Money!" Qin Hao said triumphantly. "It will be a considerable reward."

To tell you the truth, Qiao Wei didn't expect a big man like William to be like this. This also seems to be different from my own cognition.

"By the way, I almost forgot to say one thing." Qin Hao looked at Qiao Wei and said, "on the day of signing the contract, the boss may appear."

Joe Wei is a fool. Is William really coming? Does that mean you can see him?

Jane LAN saw Qiao Wei's appearance, she also followed with a smile. It seems that she really did not know the identity of Huo Dongyang. In fact, after John helped her win the lawsuit that day, she called Huo Dongyang in person to say thank you!

At that time, Huo Dongyang had something to tell John. She handed the mobile phone to John, heard John call the boss, Jane LAN just reacted.

John later told himself the truth. It turned out that Huo Dongyang was the big boss behind HD. In this way, many things can be explained clearly. But she didn't know why Huo Dongyang concealed his identity from Qiao Wei?

Or Huo Dongyang wants to tell Qiao Wei personally, so she won't be too busy. She just needs to do her part now.

Now that they have won the bidding, Qin Hao and Qiao Wei and Jian LAN have arranged the next task at a meeting.

After the assignment, each of the three started a new job.

Qin Hao was making a report when he received a call from Mo Ling.

"Congratulations to Mr. Qin!"

Qin Hao received her phone call is a real headache, but to see that he and she have a little distant relatives, can only be tough.

Thank you

"You took two beauties to fight today. It's really beautiful to win!"

Hearing the meaning of Mo Ling, Qin Hao followed. "Yes! It's nice of them to arrive! "

"Are they the last time I saw them?"

"Well!" Qin Hao answered.

Mo Ling also seems to have a tone of trial. "The identities of the two of them..."

"Moling, I have already explained these things publicly today." Qin Hao immediately interrupted Mo Ling.

"It's just their image that will have an impact on Dongyang." "Miss Mo, these are not your business." Qin Hao replied. "And the name you are. Pay attention!"

Qin Hao seems to have predicted the future of Mo Ling. If she doesn't pay attention to it, it will be a tragedy!

"I see."

Qin Hao hung up the phone. Can't help but sigh, ah! If Mo Ling knew to be restrained, Huo Dongyang would not do this to her. Women sometimes that obsession is really terrible.

Of course, some people are so angry that they need to vent their anger everywhere.

Qiao Xin sweeps all the cosmetics on the table to the floor. During the period of self-cultivation, she appears again in such a posture, the inspirational goddess? Ha ha, it's ridiculous! She is the abandoned wife that nobody wants!

Qiao Xin clenched her hand, "Qiao Wei, I will never lose to you! What I bear must be returned by you ten times! "

Liusu pushed away when she heard the sound. "Xinxin, what's the matter with you?"

"Mother! I can't lose to Jovi that bitch Qiao Xin said angrily.

Liu Su quickly comforted. "Xinxin, your health is not completely good, don't be angry!"

"Mom, I can't rest now." Qiao Xin can't wait.

Liusu frowned. Of course she knew. But Qiao Xin's body is not fully recovered, if hard to be sure there will be sequelae.

At this time, Qiao Qingdong came back from the company.

He also came into the house with a whole body of anger.

"My dad is back." Qiao Xin walked out of the room immediately.

Qiao Qingdong looked at Qiao Xin's face pale, "the body is not good, how come out?"

"Dad, I want to go to work as soon as possible."

Qiao Qingdong sat down on the sofa, "because of Qiao Wei?"

"Dad, please promise me!" Qiao Xin really can't wait any longer. She doesn't want to lose to Qiao Wei every time.

Qiao Qingdong sighed, "you are resting for a few days. Don't force yourself! "

"Dad, now Qiao Wei takes the original plot to turn to HD, her purpose is to revenge us!" Qiao Xin said.

Qiao Xin's words, let Qiao Qingdong's eyes suddenly change. That's why he's angry!

[Chapter 76](#)

Yunjia.

The same is the atmosphere of depression, everyone has their own mind.

YUNZHUO was silent, but his heart was happy. He did not mistake the girl Qiao Wei. This time she also proved her strength.

Yunzhou's heart is greatly dissatisfied. He called Qiao Wei in the afternoon to ask her to have dinner. I didn't expect that she just refused! Now I still feel angry. Wings hard fly!

Fu Qing did not frown, her mind in the body called Qin Hao. Is this real Qin Hao or fake Qin hao? Today, Huo Dongyang did not appear at all. What does this mean?

Yun Yiming is unconvinced, Qiao Wei actually used hd-qh to kick out his plan this time. This time he felt shameless. He must find a way to solve this problem.

Yun Yiyan looked down at his mobile phone. He didn't know what happened until he was called home. Looking at the confident Qiao Wei in the video, she was attracted by her. After she left herself, she really had a good life, but she was this virtue. The words of Jane Lan that day also rang in his ear, and he shook his head with self mockery.

Yun Muxin looks left and right. These people are so strange! She also saw the video on the Internet in the afternoon. In fact, she thought that Qin Hao was right. They all seemed to be bound by secular rules and regulations. Why should women be inferior to men?

"Dad, say something!"

YUNZHUO takes a look at Yunzhou. "What do you want to say?"

"This has had an impact on Wynn." Yunzhou went on.

"What do you think?"

"I think you should go to see the good daughter-in-law."

When YUNZHUO heard Yunzhou's words, his eyes fell on him, "Qiao Wei doesn't want to see me now." He had no way to deal with the implication.

Cloud State eyebrows lock, "this Qiao Wei really wings hard, incredibly fly to HD there."

"Just do what you do now." YUNZHUO felt that the loss of the land in the east of the city was not so serious. In fact, they were not convinced.

With that, YUNZHUO stood up. "I'm tired."

Yunzhou saw his father do this to himself, and he clenched his hand. In his heart, only that old son! He doesn't care about the others at all.

Since things have come to this time, Huo Dongyang has not returned to the cloud home, he must get what he wants. Since the old man is so inhumane, he will not be polite.

Over the years, he has been thinking about dying, so why not help him! Of course, he went to another world and could be reunited with his two wives!

Fu Qing saw the eyes of Yunzhou and was shocked. His eyes are so terrible that he seems to want to do it himself? Finally, I can't help it. A man who has been pretending to be gentle will lose his mind once he is aroused!

"Husband, don't be angry." Fu Qing said, in fact, she wanted to know his specific plan.

Yunzhou looked back at Fu Qing, "I'm not angry."

Fu Qing stretched out his hand and gently patted Yun Zhou's back, "although Qiao Wei won this time, we won't be so lost."

Rarely heard Fu Qing's relief, Yunzhou that bad mood seems to get better. "Ma'am, I'm fine."

"We can wait and see what happens, and we can't do things in a hurry."

"Ma'am, I understand."

Fu Qing looked at the others. "Well, let's go to work separately."

Yun Yiming waited until the end, "Mom, this time I'm really not satisfied."

"Son, the more I can't be impulsive at this time. Huo Dongyang has not shown the card, we can't panic first Fu Qing analyzed it. "If he walked into the cloud house, we would all be lower than him."

Yun Yiming clenched his hand. "I would never call him uncle!"

Yun Yiming's words happened to be heard by Yun Mu Xin. She covered her mouth with her hand and did not let herself make any sound. Who in the end will walk into the cloud family, and who will they call uncle?

All of a sudden, a lot of problems poured into Yun Mu Xin's mind. No, she must tell her second brother about it! It seems that parents and big brother all know what happened, only she and second brother don't know anything!

Yun Muxin goes to find Yun Yiyan and finds that he has already gone to bed. If you want to make it clear, then tell her!

Jiangwan villa.

It was eight o'clock in the evening when Qiao Wei got home. Because Huo Dongyang is not here, she comes home alone. So I went out to dinner with Jian LAN after work, and celebrated by the way.

Seeing that there was no light at home, Qiao Wei was in a low mood. Huo Dongyang doesn't know when to come back. She really wants to share today's feelings with him.

South see Qiao Wei standing at the door, "madam, why not enter the room?"

Qiao Wei heard the voice and immediately responded, "south, you also go back to rest!" Nodding to the south, he turned to see Qiao Wei open the door to enter.

Qiao Wei reached out to turn on the light. She bent down and took off her shoes. She changed a pair of slippers and went into the living room.

As soon as I walked into the living room, I saw that the whole living room was full of roses. There were all kinds of roses in any color.

Qiao Wei looks surprised, looks at everything in front of him, and is more excited in his heart. She had never seen so many kinds of roses. She also saw the legendary blue enchantress, the color is very eye-catching.

Qiao Wei went to the blue enchantress, looking at the blue, as if to see Huo Dongyang's blue gray eyes.

He pulled out one and said, "did he prepare all these?" In fact, besides him, who else?

Qiao Wei looked around for a week. He received so many flowers for the first time in his life!

The phone rings.

"Hello, Dongyang!"

"Home?" Huo Dongyang's words with magnetism came.

"Well!" Qiao Wei couldn't find a seat, so he sat down on the ground. "I see a lot of roses."

Huo Dongyang smiles. "Do you like it?"

Qiao Wei looks at the blue enchantress in his hand, "like very much!"

"To celebrate your success today."

Qiao Wei hears Huo Dongyang say so, in the heart how many or some loses. Thank you

"Dongyang, when will you be back?"

"Miss me?" Huo Dongyang asked with a smile.

Qiao Wei is not shy this time, she also boldly nods, "yes, miss you! Very much! I have a lot to say to you face to face

Hearing this, Qiao Wei's words, Huo Dongyang was slightly stunned.

"Is it?" Huo Dongyang seems to be in a better mood.

"Well! Really Said Jovi determinedly.

Huo Dongyang did not know when he had stood behind Qiao Wei. "Look back."

Heard Huo Dongyang's words, Qiao Wei really looked back.

Seeing Huo Dongyang standing behind him with a smile, Qiao Wei immediately stood up and rushed to Huo Dongyang.

Huo Dongyang held Qiao Wei in both hands and said in her ear, "I'm back."

[Chapter 77](#)

Huo Dongyang hugs Qiao Wei, and they don't speak. They just embrace each other quietly.

Qiao Wei abandoned those shy before, she buried her head in Huo Dongyang's arms. She wants to tell Huo Dongyang that she really miss him these days.

Huo Dongyang also seems to feel the feelings of Qiao Wei, the corners of his mouth hook up.

"I'm back." Huo Dongyang's voice is very light.

But Jovi heard it, and she said, "well, I know." Because at this time I hold the real him and feel the temperature from him.

After a while, Qiao Wei just let go of Huo Dongyang.

With warmth in her eyes, she looked at Huo Dongyang quietly.

Huo Dongyang blinked his eyes gently, "what's the matter?"

"Just want to see you." Said Joe, smiling.

Huo Dongyang put his arms around Qiao Wei's waist, "does that change?"

"Yes Qiao Wei shed a brilliant smile.

Huo Dongyang heard Qiao Wei's words, he stretched out a hand and gently squeezed Qiao Wei's cheek. "Where?"

"Handsome." After that, Qiao Wei seldom spat out his tongue.

Huo Dongyang saw such a naughty Qiao Wei, his eyes instantly covered with a layer of pink color, he slowly lowered his head.

Qiao Wei see which gradually enlarged handsome face, her heart began to accelerate. But at the moment of beauty, she couldn't help swallowing.

See Huo Dongyang that almost close his eyes, Qiao Wei heart tension seems to turn into an impulse. She stretched out her arms, directly hooked Huo Dongyang's neck, stood on tiptoe, and went out for the first time in her life.

Huo Dongyang suddenly felt a warm covering on his lips. His eyes slightly opened a little, and saw Qiao Wei's red face which was about to bleed. He stretched out his hand to buckle on the back of Qiao Wei's head, turning passive into active and deepening the kiss.

Qiao Wei soon found that Huo Dongyang's offensive, his kissing skill is really good. A man like him can't be without a woman, just don't know how many women he is.

Huo Dongyang felt Qiao Wei's distraction, and he bit Qiao Wei's lips.

Qiao slightly ate pain, she opened her eyes and looked at Huo Dongyang. Just on the eyes of Huo Dongyang, he seems to know his inattention, so deliberately punish himself.

Huo Dongyang let go of Qiao Wei, "what do you think?"

Qiao Wei quickly shook his head, "what did you think?"

"Jovi, you're not fit to lie." Huo Dongyang replied.

Qiao Wei bit his lips. Why can he see through himself every time? The mood became depressed.

Huo Dongyang saw that Qiao Wei seemed to have some worries, which seemed to make her hard to open her mouth. "What's the matter?"

"Dongyang, how many women have you had before?" Qiao Wei has been building up his mind for a long time before asking.

Hear Qiao Wei's words, Huo Dongyang is still surprised. Is this little woman doubting herself? "Why do you ask?"

"You are so good, there must be a lot of people chasing you." Qiao Wei is not confident. Yes, Huo Dongyang is so excellent. What should she use to keep him? It's not glamorous to ask yourself.

Huo Dongyang used his head against xiangyuqing's head. "Don't you have faith in yourself?"

Qiao Wei nodded repeatedly. Because of love, so care! At this time, everyone will have such a mood, become worried about gain and loss.

Huo Dongyang looked at Qiao Wei with his blue gray eyes. "Only you!"

"Well?" Qiao Wei didn't respond. She blinked. Just now Huo Dongyang seemed to have answered himself.

Huo Dongyang rubbed his head on Qiao Wei's forehead. "You are a fool! I'm Huo Dongyang. You're the only woman. "

This time, Qiao Wei heard clearly, her heart beat constantly accelerating, and seemed to be out of control.

When Qiao Weigang wanted to say something, Huo Dongyang's kiss fell again. This time, he was more powerful than the one just now and couldn't wait.

Jovi felt so hot that even the air around him became thinner. She is also the first time to feel Huo Dongyang with that kind of strong, even with some overbearing.

All perception seemed to surpass her own cognition, but she also became strange. Her heart could feel a faint expectation and desire for more, and she did not realize that her actions had become urgent.

Huo Dongyang feels the change of Qiao Wei, and his heart is filled with joy. The little woman was suddenly enlightened and would take the initiative to unbutton her own button. His hand also slowly into Qiao Wei's clothes.

Qiao Wei breathed softly. She opened her eyes and looked at Huo Dongyang. Seeing the desire in Huo Dongyang's eyes, she moved. This man is his own. She hugged Huo Dongyang and wanted to give everything to this man. Even if there was a abyss ahead, she would continue.

Huo Dongyang hugged Qiao Wei, and his action became more and more urgent. The voice in his heart was getting louder and louder. He wanted her to want her!

Pull hard, Qiao Wei's clothes were torn by Huo Dongyang. Qiao Wei frowned, as if dissatisfied with Huo Dongyang's rude action.

"Ah Jovi let out a cry. Because just now Huo Dongyang opened his mouth and bit on his shoulder.

After a pain, she stares at Huo Dongyang.

Huo Dongyang showed a charming smile, "I have no one to resist."

Who let her so attractive, see smooth skin is really can't help.

Huo Dongyang directly bent down to pick up Qiao Wei, "let's go back to the room and continue!" He doesn't want to do live broadcast here. He also knows that his woman is very thin skinned. If she knows that there are several pairs of eyes watching outside, she will find a hole in the ground.

Huo Dongyang kicks the door of the room with his foot, and after holding Qiao Wei to go in, he closes the door again with his foot.

Gently put Qiao Wei on the bed, Huo Dongyang immediately also pressed under Qiao Wei's body.

"Dongyang, be gentle." Qiao Wei is still a little shy.

Huo Dongyang laughed and lowered his head to kiss Qiao Wei's red and swollen lips again. Qiao Wei stretched out his hand and held Huo Dongyang tightly. They were close to each other and could not even find a crack.

Huo Dongyang's kiss all the way down, Qiao micro gasping, very cooperate with Huo Dongyang.

This night, she exhausted her own tenderness, this night, he felt the fit of the two people.

The temperature in the room kept going up, and the relationship between the two of them heated up.

After passion, Qiao Wei pillow Huo Dongyang arm, she nest in Huo Dongyang's arms.

"Dongyang, do you think we will always be so happy?" Asked Qiao Wei.

Huo Dongyang takes Qiao Wei in. "Jovi, I thought you understood."

"Well?" Qiao Wei didn't understand the meaning of Huo Dongyang.

Huo Dongyang closed his eyes, his chin was low on Qiao Wei's forehead, but he heard a sentence in his ear, "do you know what the blue enchantress represents?"

Qiao Wei remembered that he had just seen a blue enchantress. In fact, there are very few blue roses. What does it represent?

"Don't think about it, sleep!" Huo Dongyang seems to be really tired.

[Chapter 78](#)

It took them most of the night to sleep soundly.

But it was still soon light.

Qiao Wei was wrinkled by the sun, and she slowly opened her eyes. As the light was too harsh, Qiao Wei closed his eyes again.

She turned over and found it was empty. She opened her eyes again.

Huo Dongyang is gone! Did you dream last night? Dream that he came back, dreaming that he and he are doing those things that make people blush and heartbeat. But all that was too real to be false.

Qiao Wei sat up and found that she was naked. She could see the traces on her body when she lowered her head. So this is not a dream at all. Huo Dongyang is really back.

Qiao Wei's face showed a smile, she just wanted to get out of bed, the room door was pushed open.

"Dongyang!" Qiao Wei called out, the result looked up is not Huo Dongyang, but a middle-aged woman.

Qiao Wei quickly stretched out his hand and pulled the quilt to cover himself, "are you?"

"Good morning, madam." The middle-aged woman said, "my name is Lin. Mrs. Lin can call me ma Lin. Sir, let me take care of you

Qiao Wei heard and nodded. "Hello!"

"Is Madame going to get up?" Asked Lin Juan.

"Well!" Qiao Wei is still a little unaccustomed to the presence of a person.

Lin Juan smile, also know Qiao Wei is not used to, and then put in the hands of the good flowers put down. "Madame, I went out first."

Qiao Wei nodded, but her eyes were soon attracted by the vase of roses, especially the three blue enchantress.

Think of what Huo Dongyang asked himself last night, "do you know what the blue enchantress stands for?"

Qiao Wei opened the quilt, put on the pajamas prepared by the head of the bed, and then walked to the vase barefoot.

She held out her finger and gently touched the blue enchantress.

Then she went to the iPad and immediately found the flower language of the blue enchantress. What is hidden here?

The finger quickly moved on the screen, "found it."

Qiao Wei looked at it seriously. She saw the allusions of the blue enchantress. It turned out that there were such touching stories. Sliding the screen, Qiao Wei looked at the last. As expected, I saw the flower language of the blue enchantress.

Flower language of single branch blue enchantress: keeping each other is a kind of promise. In the reincarnation of the world, how can we have a gentle affection!

The flower language of double branch blue enchantress: meeting is a kind of fate, the intersection of the soul makes us have endless romantic feelings!

Three blue enchantress flower language: you are my deepest love, I hope to always remember our beautiful love story!

After reading, Qiao Wei raised his head again and looked at the three blue enchantments in the vase. All the words Huo Dongyang wants to say are pinned here.

Jovi was really excited. Whether it is commitment, encounter, or even love, she feels very lucky, because she found him, so she has a gentle affection, also has a beautiful love story, and even has endless romance and feelings.

If it is really a fate, then she believes! No matter what kind of fate in the future, she would like to go hand in hand with him.

Qiao Wei washes well and walks out of the room and sees Lin Juan cleaning.

"Madame

"What about Dongyang?" Qiao Wei looked around and didn't see Huo Dongyang.

Lin Juan stops her movements. "Sir, I have something to do. He said he would come back later. I can't bear to wake up my wife because she is still sleeping. "

Qiao Wei some lost, finally had a day off, Huo Dongyang went out early.

"Do you need breakfast, madam?"

"Good." Qiao Wei nods, yesterday is really too tired, the stomach has long been hungry flat.

Lin Juan goes into the kitchen to prepare breakfast for Qiao Wei.

Qiao Wei went to the living room and sat down. The roses had been cleaned up last night. The rest of the roses had been put into the room by Lin Juan just now.

But I think it's a pity that so many roses must have cost a lot of money. It's a pity to lose them like this.

"Yes, ma'am."

"Good!" Jovi immediately moved to the dining room.

Qiao Wei saw that Lin Juan came out with preserved eggs and lean meat porridge, and suddenly remembered that her mother had made it for herself when she was a child. She had not eaten it for many years, and her heart became a little sour.

"Sit down and eat, ma'am."

Qiao Wei nodded and said to Lin Juan with a smile, "thank you, Lin ma."

"Madame Lin Juan also needs to nod As like as two peas,

sat down to breakfast, and the impression was exactly the same as that of my mother. "Mom Lin, it's delicious."

Hearing Qiao Wei's words, Lin Juan also felt relieved. "Madame likes it. I'm just good at making these ordinary family dishes

"That's good enough already." Qiao Wei said with a smile, "I would not."

Lin Juan said with a smile, "if your wife doesn't mind, I can teach you.""Really?"

"Really."

Hear the car outside the door, Qiao Wei immediately put down the spoon.

As soon as he opened the door, he saw that he got down from the car southward. He seemed to be stunned by Qiao Wei's opening the door.

"Madame."

Qiao Wei stretched his neck, hoping to see Huo Dongyang in the next second.

South also followed a look back, "madam, what's the matter?"

"What about Dongyang?"

"Sir did not go out with me." Answer south.

Joe gave a little lost voice, then turned and walked into the room.

Joe, go back to the table.

Lin Juan saw Qiao Wei's expression, and did not talk much to continue to be busy with their own things.

Huo Dongyang and Qin Hao meet in the hd-qh conference room.

"In two days, we will sign the contract."

Huo Dongyang nodded, "Well! You can handle the relevant work. "

"Yes

"A lot of media want to interview Madame and Jian LAN these two days." Qin Hao put it forward.

Huo Dongyang propped his chin with his hand, "what do you think?"

"I said I didn't think it was necessary." Qin Hao replied. "Now reporters will dig a hole in particular. I'm worried that madam and Jian LAN can't resist."

"In fact, they should learn how to deal with it. This is also a kind of exercise for them. Learning to protect themselves is the most important thing. Relying on others' protection is not a long-term solution."

Qin Hao thought about it and thought that Huo Dongyang was reasonable. "I'll choose a reliable media."

Huo Dongyang nodded, "I will appear at the signing ceremony in two days."

Qin Hao was somewhat surprised by Huo Dongyang's decision. "You decided to go from behind the scenes to the stage?"

"It's time." Huo Dongyang replied.

Qin Hao nodded, "OK, I'll get ready."

Huo Dongyang looked at the time. "You arrange it. I'll go back first."

Qin Hao suddenly laughed and said, "do you miss your wife? Dongyang, as a friend, I want to ask you, do you really choose? "

Huo Dongyang raised his eyelids, "don't you believe it?"

"It's hard to believe." Qin Hao tells the truth. "Can Qiao Wei really hold on? She is the president's wife of HD, which also means that she has to be tested by everyone. The position of the housewife is really not something that ordinary people can sit down on. "

Huo Dongyang stood up. In fact, he was not sure, but he wanted to believe Qiao Wei.

"She There should be no problem. "

[Chapter 79](#)

It's noon to return to Jiangwan villa.

Huo Dongyang saw Lin Juan as soon as he entered the door.

"You are back, sir."

Huo Dongyang nodded, "yes, where is Qiao Wei?"

Lin Juan smile, "madam is upstairs, it seems that there is something to deal with."

After listening to Huo Dongyang, he went upstairs. As soon as he entered the door, he heard her talking on the phone. The voice was also full of pleasure. It seemed that it was an acquaintance's phone call.

Huo Dongyang saw Qiao Weiwo on the balcony, and his expression was very relaxed.

Instead of disturbing her, she turned and changed her clothes. Huo Dongyang ready to wash his face, after the balcony heard Qiao Wei's voice.

"Xia yueqian, when will you come back?"

Hearing the name, Huo Dongyang stopped. He searched his mind for the name he had heard.

He closed his eyelids. Xia yueqian, the son of Xia Mingde, mayor of a city, seems to be studying medicine. He has studied abroad for two years.

Joe seems to have a very good tone with him.

"Really? It's coming back at last Qiao Wei exclaimed, and then she also saw Huo Dongyang standing on the balcony door.

She looked at Huo Dongyang with an open face, waved to him, and then continued to talk with Xia yueqian: "OK! Then we'll see you when you get back. I have something else on my side. "

After the end of the call, Qiao Wei immediately opened the balcony door. "Dongyang, are you back?"

"Well!" Huo Dongyang nods. "Who are you talking to, so happy?"

"A long student of mine." Replied Jovi. "He used to take care of me."

Huo Dongyang thought, "a senior student?"

When Qiao Wei saw Huo Dongyang's face without any expression, she immediately went on to explain: "Dongyang, don't misunderstand. I really have nothing to do with him. What we have is family friendship. "

See Qiao Wei anxious up, Huo Dongyang stretched out his hand and took Qiao Wei. "I believe you!"

At last, Qiao Wei was relieved. The relationship between her and Xia yueqian is also very magnanimous. At the beginning, only Yun Yiyan didn't believe in himself, and had been holding that kind of mind to doubt himself.

Thinking of this, Qiao Wei shook her head. How could she think of Yun Yiyan?

"What's the matter?"

Qiao Wei looks at Huo Dongyang and smiles. "It's OK."

"You are a senior..."

Qiao Wei gave a sound, and then he introduced him to Huo Dongyang. "His name is Xia yueqian. He is my senior student in University. However, he was a medical student with good results, so he got an opportunity to study abroad two years ago. He told me just now that his studies are over and will be back in the next few days. "

Huo Dongyang heard Qiao Wei's words, "so you are very happy?"

"Well! His people are very good. We haven't seen each other for a long time. I really miss him! " Qiao Wei praises Xia yueqian in front of Huo Dongyang.

Huo Dongyang picked his eyebrows, "Qiao Wei, don't say that other men are good in front of me."

Qiao Wei was stunned. She didn't know what she said wrong, but when she saw Huo Dongyang's serious expression, she nodded.

Huo Dongyang let go of Qiao Wei's hand and turned to wash his face in the bathroom.

Qiao Wei didn't understand how Huo Dongyang could suddenly be like this. Did he really say something wrong just now.

One afternoon, Qiao Wei did not dare to disturb Huo Dongyang.

Huo Dongyang started working mode in his study after lunch. Qiao Wei was alone on the sofa, watching the TV series with her iPad.

It was dinner time before Huo Dongyang came out of his study.

Go to the living room, see Qiao Wei holding the iPad nest on the sofa asleep.

He went over and reached for her. This fool really didn't come to ask himself all afternoon.

Lin Juan saw Huo Dongyang holding Qiao Wei to go upstairs. "This dinner, sir..."

"Eat later."

"Good!"

Huo Dongyang takes Qiao Wei back to the room. It seems that he is really tired, so he sleeps heavily.

To Qiao Wei pull a good quilt, Huo Dongyang sat on one side and looked at her. "Fool, didn't you really see that I was jealous?"

Huo Dongyang is ready to stand up, but he hears Qiao Wei's voice. "Dongyang, Xia yueqian and I are really nothing!"

Think Qiao Wei wake up, but see her eyes have been closed, it is a dream talk.

Huo Dongyang reached out and touched Qiao Wei's face, "I know."

The next day.

The developer of Chengdong land has released an update that their signing ceremony with hd-qh will be held at the XX Hotel at 9:00 am tomorrow morning.

As soon as the news came out, many people were surprised that there was an open signing ceremony. Such a display was really rare in a city. At the same time, there are also rumors that the reason for the signing ceremony is that HD's mysterious boss will personally come to the scene. News more and more intense, this also let a crowd eat melon crowd express expectation, HD boss this time really want to show true face!

Wynn.

The air pressure in Yun Yiming's office is a little low, and I think of them, Yun's had no such treatment before. This time, as a small company, they made such a show. These people really adore foreign countries and don't talk about it at all!

"General manager Yun, here comes the vice president." The assistant came in and said.

After hearing this, Yun Yiming stops his work. How did Yun Yiyan come?

"Let him in."

Yun Yiyan came in wearing a very formal suit. The whole person looked energetic.

"You are..."

"Big brother, I'm here to apply for work." Yun Yiyan answers, and then hands his typed report to Yun Yiming.

Yun Yiming looks at Yun Yiyan lightly. Does this guy wake up? Without the decadent feeling of the past, the whole person makes people feel completely new.

After reading Yun Yiyan's report, Yun Yiming says, "does it look like you're really awake?"

"Big brother, please approve."

Of course, Yun Yiming doesn't want Yun Yiyan to come back. Now he is not easy to dominate. If Yun Yiyan comes back, they will discuss a lot of things. What's more, Yun Yiming must admit that his brain is more flexible than his own.

If it wasn't for the sake of being the eldest grandson of the cloud family, the old man would definitely let Yun Yiyan sit upright.

"Yi Yan, at the beginning, my grandfather said that you should take a rest for a while." Yun Yiming puts the responsibility on YUNZHUO. "I dare not be the master of this matter."

When Yun Yiyan heard this, he lowered his head. "Well, I'll ask my grandfather."

"Grandfather, it seems that he has come to the company today. Go and ask him." Yun Yiming dismissed Yun Yiyan with a few words.

Because his attention is now on the signing ceremony tomorrow, he has no energy to manage so much.

Yun Yiyan walks to YUNZHUO's office and knocks on the door.

"Come in!"

Yun Yiyan pushed the door open, "grandfather!"

YUNZHUO saw yunyiyan standing at the door, but he didn't seem to expect it.

"Yi Yan?"

[Chapter 80](#)

Yun Yiyan stood at the door and didn't go in.

YUNZHUO saw his hesitation. He put down the information in his hands and took off his reading glasses.

"Since you are here, come in!" YUNZHUO said.

Hearing Yun Zhuo's words, Yun Yiyan's eyes suddenly lit up. He thought grandfather didn't want to see himself, so he hesitated.

"Sit down!" Seeing Yun Yiyan come over, YUNZHUO says.

Yun Yiyan didn't sit down. He just stood there. He didn't dare to sit down.

"You want me to look up at you like this all the time. My grandfather's neck is not stable." YUNZHUO reaches out to let Yun Yiyan sit down.

Yun Yiyan hesitated before sitting down. "Grandfather, I'm here to talk to you about something."

YUNZHUO looked at today's yunyiyan. "It's all cleaned up today. It looks very good."

Hearing this, Yun Yiyan felt very uncomfortable. "Grandfather, I really know I'm wrong. Please forgive me once. I will work hard next! I promise

YUNZHUO smiles. "Yi Yan, you really did something wrong this time. My grandfather was angry. In the future, you must be strict with yourself, such things must be eliminated. Do you understand? "

"Grandfather, I will be strict with myself." Yun Yiyan said definitely.

Seeing Yun Yiyan like this, YUNZHUO also has comfort. "That's good! Yi Yan, you've been smart since you were young, and you've been very serious. My grandfather hopes you will do a good job in the future

I didn't expect YUNZHUO to say so to himself. It also made people feel that his grandfather was giving his last words. "Grandfather, I'm..."

"Grandfather is old, but he is not confused." Said YUNZHUO.

From childhood to adulthood, Yun Yiyan has always been very smart, has good academic achievements, and has a high understanding. He should have a very far sighted view of his work. If we train them, we can certainly achieve great things in the future!

YUNZHUO can't get it wrong. What's more, Yun Yiyan is calmer than Yun Yiming, not impatient, and his mind is not complicated! For the career, he will be a success.

Yun Yiyan really didn't expect to hear these words in YUNZHUO.

"Yi Yan, grandfather, I hope you can learn from this incident. You must guard against arrogance and rashness."

"All right, granddad!"

YUNZHUO nodded with satisfaction. "Granddad's suspension of your job is to make you think about your life direction. Seeing you like this, you should have come out. "

"Grandfather, what about my reinstatement..." Yun Yiyan's heart is still a little uneasy.

YUNZHUO nodded, "yes, you will come back to work tomorrow."

Yun Yiyan's face was so surprised that he didn't expect his grandfather to let himself back to work. "Grandfather, I will do it seriously this time!"

YUNZHUO looks at Yun Yiyan and talks about private affairs. "Do you have something to do with Qiao Wei when you come back to work this time?"

When asked, Yun Yiyan doesn't answer.

YUNZHUO once thought it would be a good thing for him and Qiao Wei to be together, but now they are really not suitable. Now Qiao Wei and Huo Dongyang are together, and they seem to get along very well.

YUNZHUO first chose to let Qiao Wei marry into the cloud family because he felt that Qiao Wei was a lucky girl.

If Yun Yiyan couldn't let go of his self-esteem, the relationship between them had been frozen. He didn't want to have a quiet talk with Qiao Wei, so he and Qiao Wei ended up divorced. Therefore, from the perspective of emotion, Yun Yiyan is a failure.

He has never taken his feelings seriously, or he still doesn't know his heart. I hope this time things will give him a lesson! Some things or some people miss will not come back.

It's also true that feelings are never clear! He knows this most clearly and deeply. He is also an emotional failure. He was destined to be in debt to two women in his life.

Now, YUNZHUO actually has his own selfish heart. Seeing Qiao Wei and Huo Dongyang interact that day, he knew that they had a great relationship. If Huo Dongyang really likes her, he will also be selfish and clear all obstacles for them. This is the only thing he can do, and the future can only depend on their fate.

YUNZHUO knows that he has been mistreating this son for more than 30 years, and Huo Dongyang should hate himself! Had it not been for him, Hawthorne would have had an accident. In that case, Huo Dongyang has at least his mother.

"Ah..." YUNZHUO sighed.

Yun Yiyan thinks YUNZHUO is a pity for his divorce from Qiao Wei. He lowers his head. "Grandfather, I was wrong this time. I shouldn't divorce Jovi without your knowledge

"Yi Yan, since this is the fact, then you should not be entangled." YUNZHUO said. "You and Qiao Wei have no predestination! Now my grandfather wants you to focus on your work and prove yourself with your strength

"Grandfather, I promise you! I will work hard. " Yun Yiyan replied. Yes, he will prove himself with his strength. Qiao Wei can do it, and he Yun Yiyan can do it. YUNZHUO nodded, "good!"

Looking at the time, YUNZHUO said: "I'm a little tired today, I want to go home and have a rest."

"Grandfather, I will accompany you back?"

"Good!" YUNZHUO nodded.

Yunyiyan helped YUNZHUO to the elevator, just met Yunzhou who came back from outside.

"Dad, are you going back?" Yunzhou felt strange to see such a combination in front of her.

Yun Yiyan also called out: "Dad!"

YUNZHUO nodded. "Yes, I will go back. Just when Yi Yan had time, I asked him to go back with me. "

Hearing YUNZHUO's words, Yunzhou looked at Yun Yiyan and said, "take good care of your grandfather!"

"OK."

"Yi Yan, let's go back!"

With that, they walked into the elevator.

Yunzhou runs to Yun Yiming's office immediately.

"Yi Ming!"

Yun Yiming looks at the dusty cloud state, "Dad, what's the matter?"

"Did Yun Yiyan come to the company?"

Yun Yiming nodded, "he said he would come back to work. I pushed him to my grandfather. What's the matter? "

"I saw them leave together just now."

Yun Yiming smiles. "He can only pretend to be in front of grandfather now. Grandfather won't promise him to come back to the company! "

Yunzhou is not very optimistic. They don't seem to mean that. At this time, there really can't be any trouble.

"By the way, Dad!" Yun Yiming called. "Don't you go and ask for information?"

Yunzhou recovered and immediately took out a document from his bag.

"HD has paid a deposit on that piece of land." Yunzhou put his own information on the desktop. "They're really fast!"

Yun Yiyang glanced at the signature of the copy. "Who is this William?"

"Yi Ming, this man must be careful!" Yunzhou answers.

This man will be their biggest rival in a city in the future.
