

Warm Wife 711

[Chapter 711](#)

This sentence in Gu Yaoyao's ears is another layer of meaning.

"Of course, you are my husband."

Gu Yaoyao's words left Huo yunxun in a daze for several seconds. He was excited to hear the word "husband" from Gu Yaoyao's mouth. And this sentence is very useful to himself, which also shows that Gu Yaoyao has his own heart.

"Why don't you talk?"

"Suddenly I feel my wife cares about me."

"As if I never cared about you." Gu Yaoyao nuzui.

She was really busy before, but she didn't mean that she didn't care about Huo yunxun. He has always been very important in his own heart!

"Eat!" Huo yunxun is just joking with Gu Yaoyao.

Afternoon.

Huo yunxun has a temporary meeting, Gu Yaoyao is really embarrassed to follow, so she left alone in the office to sort out Huo yunxun's information.

Just as Gu Yaoyao put herself into work, the door of the office was pushed open and a figure strode in.

Gu Yaoyao was too focused on classifying the data and didn't notice anyone coming in.

"So serious?"

Hearing the sound, Gu Yaoyao raised her head.

Seeing Huo Dongyang, Gu Yaoyao stood up.

"Dad

Gu Yaoyao lowered her head and did not dare to look at Huo Dongyang, as if she had a guilty conscience.

"Xiaoxun has gone to the meeting?" Huo Dongyang went to one side and sat down.

"Yes." Gu Yaoyao answered immediately. It's not that Huo Dongyang will not come to the company, this will be like this, there is no sign in front of him.

Gu Yaoyao is worried about her poor performance.

Huo Dongyang could see Gu Yaoyao's formality, but he said in a relaxed tone: "afraid of me?"

Gu Yaoyao wants to nod, but after thinking for a while, she still shakes her head quickly.

Huo Dongyang did not force Gu Yaoyao, "pour me a cup of tea?"

"OK." Gu Yaoyao moves to the bar.

In the morning, she saw that there was a lattice in the cupboard with different kinds of tea. It seems to be for Huo Dongyang. But soon, Gu Yaoyao thought of a question: whether Huo Dongyang would like his own tea.

In the tea, Gu Yaoyao added a little jasmine.

When the smell of tea rises, Huo Dongyang looks at Gu Yaoyao's back. Looking at the past from this angle, it seems to be the same as Qiao Wei. The heart with fear, but the surface has been installed calm.

Huo Dongyang is reviewing himself. Is his appearance so frightening?

"Dad, your tea."

Huo Dongyang dropped his eyes and took a look. Some unexpected things happened. Gu Yaoyao's tea was good.

"Not bad."

Gu Yaoyao smiles. "If dad likes it."

"You look like you've learned it."

"I worked in a tea shop for many years and saw those masters make tea, so I learned this secretly."

Huo Dongyang nodded, "it's not a little bit to learn from the master."

Gu Yaoyao slowly relaxed, Huo Dongyang is actually very easy to get along with. It's not as serious as it is.

"How can I come to the company with Xiao Xuan today?"

Gu Yaoyao takes everything in her own hands. "I was bored at home, so I let ah Xun bring me here. Sorry, Dad! I didn't think so much at first, but when I got here, I found that I had added trouble to ah Xun

"Your mother used to work with me. There's nothing to be sorry about! "

Gu Yaoyao can't believe he heard that. Huo Dongyang not only did not blame himself, but encouraged him to do so.

"It's not good to do that."

"Xiaoxun brought you here. It's certainly not an impulsive decision. Since you are husband and wife, you have to face these things together. "

"Thank you, Dad."

Huo Dongyang did not answer, but picked up the cup and began to drink tea.

"What are you doing?"

"Categorize these documents and contracts."

These work originally did not have to do, but Huo yunxun asked Gu Yaoyao to do it, just to make her feel at ease to do things here, don't think nonsense!

"I met John."

Gu Yaoyao is worried. She doesn't want to say that she let John deal with her case.

Huo Dongyang's eyes are like X-ray, but he skips Gu Yaoyao gently.

"You don't have to be nervous. John must be OK. "

"Dad doesn't blame me?"

"Why blame you? This time you handle the matter very well, absolutely can't let the opponent crush you at the beginning, so you will lose the initiative, women should fight for themselves

If every man was like Huo Dongyang, the tragedy of marriage would be much less.

"Mom is so happy to have a husband like dad." Huo Dongyang is also in a very good mood when he is praised by his daughter-in-law.

"You're not bad."

Gu Yaoyao nods hard, and meeting Huo yunxun is her greatest luck in life. I think I must have done some great things in my last life. I will be so lucky in this life.

"I was lucky to meet ah Xun and everyone else."

As soon as he finished speaking, Huo yunxun came back.

"Dad, why are you here?"

Huo Dongyang gave his son a look to experience, in fact, it is not difficult to guess.

Huo yunxun looks at Gu Yaoyao, and he answers with action.

"Yao Yao also makes me a cup of tea."

"Good."

After Gu Yaoyao finished, looking at her father and son, she went out on the pretext of going to the bathroom.

Seeing Gu Yaoyao go out in a hurry, Huo yunxun has not had time to speak. She didn't have to avoid it at all.

"Good at winking."

"Dad is here to inspect." Huo yunxun asked.

Huo Dongyang smiles. "I just heard you brought a woman back, and I'll come and have a look."

"Besides Yao Yao, I will bring other women to the company?" Huo yunxun doesn't like such a statement.

"That seems to be the case."

Huo yunxun was speechless, lowered his head and began to work.

"Are you ready for Yao Yao's case this time?" Huo Dongyang asked for Qiao Wei.

Huo yunxun raised his eyes, "John should not miss."

"He's old after all, so don't be overconfident."

Huo yunxun stopped his action, did not expect to hear such words. "You don't believe John?"

"It's not that you don't believe it, but that you should be prepared for something. Chen Jianxin, like him, means that there may be variables. "

Huo yunxun thinks Huo Dongyang's words are reasonable. It seems that he really needs to make preparations.

"I see."

"Well, I'm going back. I won't disturb you. "

Huo yunxun couldn't help turning a white eye, "I distinguish between public affairs and private affairs."

"You can't Huo yunxun played with his thumb and then pointed down, obviously in contempt of Huo yunxun.

"Your mother and I worked here a lot." Huo Dongyang deliberately stressed the word "do something".

"Your mother and I are waiting for our grandson. You have to work hard."

Huo yunxun held back his forehead. Is this what a father should say?

What a hurry?!

"You want to see that Xiao Qiao and Qin Zichen are younger than you and become parents!"

"Would you mind that again?"

[Chapter 712](#)

Huo Dongyang gave a positive answer.

"When people get old, they tend to be traditional. So, of course, I hope that the family will be very busy."
"

Huo yunxun doesn't want to argue with Huo Dongyang. Some things can't be synchronized at all. Everyone's life is not the same, the road is not the same. So he won't put too much pressure on Gu Yaoyao.

"You seem to be a foreigner, too."

Huo Dongyang eyes a Lin, finally give Huo yunxun a warning look.

Out of the door of the office, Huo Dongyang looked at Gu Yaoyao standing on the edge. "After that, you don't have to avoid it. There's no secret for the family."

Gu Yaoyao nodded, "Dad, want to go back?"

"Yes, Huo Shao gave my old father a cold face."

Gu Yaoyao is surprised, this can't be!

"I'm gone, you go in! Huo Shao doesn't have this old father in his eyes. "

Gu Yaoyao opened her mouth and didn't know what to say. She could only watch Huo Dongyang leave.

Entering the office again, Huo yunxun waves to Gu Yaoyao.

"Come here."

Gu Yaoyao quickly walked over and looked at Huo yunxun, pointing to the place. Finally, I found that there was something wrong with my data.

"I'm sorry!" Gu Yaoyao apologized immediately.

"Take it and change it. Don't make such a low-level mistake next time. "

"Yes Gu Yaoyao nods.

Then take the data to one side to rearrange, and before all the data carefully again, so as not to make mistakes again!

When it was time to get off work, Huo yunxun looked at the side and was still carefully checking the report on the number of products.

"Go, go home."

"But I didn't finish it on my side."

"It will continue tomorrow, and you are specially allowed to hand it in tomorrow."

Gu Yaoyao could not help laughing when she heard such warm words. "Yes, Mr. Huo."

In the next few days, Gu Yaoyao and Huo yunxun went to work like this every day. In this process, Gu Yaoyao also learned a lot and understood the meaning of some professional terms. She was not as confused as the first day.

On this day, John called and said that the official court session was scheduled for two days.

Huo yunxun has a deep understanding. A few days ago, he asked John to make another preparation, and asked John to call his students from the United States to cooperate. To make sure there's nothing wrong.

Immediately after that, Chen Jianxin released the news and disclosed the time of the trial.

But everyone is very curious who is Gu Yaoyao's lawyer? There has been no news. This can't help but make people feel strange, will not run away?

Gu Yaoyao's microblog was also updated later. "Thank you for your concern. I'm fine!"

On the day of the formal court session, Zeng Ni came to meet Gu Yaoyao early in the morning.

"Will Huo Shao accompany you

"I didn't let him come." Gu Yaoyao replied.

Zeng Ni understood why Gu Yaoyao did this, and then she talked about other things.

"By the way, several brokerage companies have contacted me these days and said they want to sign you. What do you think?"

"It's better to deal with these things first."

Zenny nodded. "It's OK."

Originally, everyone was anxiously waiting for today's result, but within half an hour after the opening of the court, Chen Jianxin proposed to settle with Gu Yaoyao on behalf of the company.

That's because they saw that the lawyers present were John and his most effective students, and Chen Jianxin's representative lawyer was afraid. I've heard of John's name in the lawyer's circle, and with his other identity, no one dares to offend him.

Therefore, the lawyer suggested that Chen Jianxin and Gu Yaoyao settle out of court, so as to recover some losses.

John asked Gu Yaoyao what she meant, "can you accept it?"

"I want to terminate now and get my pay back."

John nodded and conveyed the situation to Huo yunxun, who said, "listen to Yao Yao."

After half-time, John said he would not accept Chen Jianxin's out of court settlement and submitted some key evidence.

Just as everyone was waiting for the result, it came out that Chen Jianxin lost the lawsuit. Gu Yaoyao successfully terminated the contract with the company and got 5 million compensation.

No one knows what the specific process is. However, there are rumors that Gu Yaoyao's lawyer is very powerful!

Gu Yaoyao is finally relieved that Huo yunxun's expectations have been met.

"Uncle John, thank you very much!"

"You're welcome, young lady!" John said with a smile. "In fact, this is a reminder from the young master that I have prepared more evidence, so that it will be so smooth."

Later, Gu Yaoyao invited John to have dinner with his students.

During the meal, Huo yunxun appeared.

"Ah Hoon!" Seeing Huo yunxun appear, Gu Yaoyao feels happy. Huo yunxun looked at Gu Yaoyao who was happy, and the corners of his mouth kept a good-looking curve.

"A rare meal, refuse dog food!"

Huo yunxun looked at John and said, "yes, I have learned these words."

"It's about eating till you learn."

"Uncle, I really appreciate it this time, otherwise I can't get so much back."

"You're welcome. I'm taking money, too." John suggests Gu Yaoyao with his eyes.

Gu Yaoyao knows that Huo yunxun has helped herself a lot, but she wants to go home and thank him again.

"But I want to remind the young lady not to push Chen Jianxin into a hurry, or he will bite back."

After Zeng Ni's affair, Gu Yaoyao has a deep understanding. So she won't sign the company now, but she wants to work alone. When she has the ability to set up a studio, so she is relatively free to herself.

The news of Gu Yaoyao's victory soon spread, and good news came one after another.

Gu Yaoyao and Xia Yunzhe's TV will be on the air, which is also the TV series that will be broadcast after shooting in history.

Soon, the relevant publicity materials began to be prepared. Because Xia Yunzhe is still filming in foreign countries, Gu Yaoyao is responsible for the publicity of the premise.

In addition, some new plays and programs have been invited to Gu Yaoyao. In the case of no company operation, Gu Yaoyao is relying on their own publicity.

Microblog is her only platform for publishing news, and the rest is relayed by the fans' support association.

However, Gu Yaoyao has also become a single star, because it is good to come to her resources.

Huo yunxun looked at Gu Yaoyao and began to be busy every day and night, but still felt distressed. Zeng Ni alone must not be busy, and there is no assistant around her. She has to do everything by herself. She is too tired.

In private, Huo yunxun again let Huo yunnuan come forward to find several such candidates for him.

"Great, my brother! I really pay so much for my sister-in-law! "

"You can do it. You can't talk like that."

"Yes, yes, Huo Shao opened his mouth. My sister, of course, should follow suit and deal with it immediately." Huo yunnuan said with a smile.

Huo yunxun took the initiative to raise money this time. "Be sure to find reliable people. It doesn't matter if you spend more money."

"Yes

As soon as Huo yunxun hung up, Gu Yaoyao came back with exhausted body.

"Back?"

[Chapter 713](#)

Gu Yao Yao sat down slowly against the wall and took off his shoes.

The rhythm of getting busy again suddenly fails to adapt. Every day, I was on the road and on the show.

Huoyunxun took Gu Yao Yao who sat on the ground and reached out to her to hold it.

"So tired?"

Gu Yao Yao leaned his head on huoyunxun's shoulder. "Well, it's a little bit today."

"It's just you two, it's really too tired."

Although the five million yuan was taken back from Chen Jianxin, all of these money should be planned reasonably and should not be spent at random.

Gu Yao Yao did not answer, so he relied on huoyunxun's arms and slept. Huoyunxun looked at it as heartache. Some things really need to be arranged for her, or the body will be damaged again.

Looking at guyaoyao has slept, huoyunxun sent a message to huoyun warm, so that she must hurry up there.

The TV series was on immediately, and Gu Yaoyao attended the launch conference. Xiayunzhe also came back from abroad to participate in the event that the news that xiayunzhe and guyaoyao once again combined were watched by all media.

Xia Yunzhe found her in guyaoyao's dressing room and found that she has her own team, assistants and makeup and clothing designers. Moreover, these people are very professional.

It can be seen that there is no way to invite these people to use Gu Yao Yao's qualifications. It must be the rhythm arranged by huoyunxun.

"I haven't seen you for a while, and the whole people are different."

Still make up Gu Yao Yao heard the voice of xiayunzhe, immediately opened his eyes.

"Brother Yunzhe, are you back?"

"Of course! Today's conference can't be less than the male leader. "

Gu Yao Yao smiled and said, "yes."

Xia Yunzhe takes a bag of gifts to Gu Yao Yao's side, and gently puts it on the dressing table.

"This is..."

"A gift." Xia answered. "I haven't seen you for a while, and people are beautiful again."

"No, I've been busy dying these days."

Xia Yunzhe can realize this busy, but still admire Gu Yao Yao. A person does a lot alone, which is equal to everything to do, hard to imagine.

But there is huoyunxun behind her, and there should be no problem.

"These are the people you asked for?"

"The cloud is warm for me."

How can Xia Yunzhe believe it! With his understanding of huoyun warm, she will be so concerned about other people's affairs, I think it must be huoyunxun behind the effort. Only huoyunxun wants to hide from guyaoyao, can he let huoyun warm pull out.

"Miss Huo is different from her former style of work!"

"Why do you say that?"

"She used to be very tugging, almost empty of sight. Now I can care about others. It's really the sun coming out of the West! "

Gu Yao Yao thinks that in this word, huoyun warm and he sees different. Huoyun is really nice to himself! Otherwise, I won't invite such a good team to myself.

She also heard from zenina that the team was the elite who came back from abroad.

"You don't have to prepare?"

"I don't have to prepare, I'll be so shiny when."

Gu Yao Yao does not express any opinions on xiayunzhe's confidence. He is a person who likes to boast himself like this. But this is also the characteristic of xiayunzhe.

"After the conference, I'll be back to the theatre."

Gu Yao Yao was surprised. I didn't expect that xiayunzhe really came back specially.

"I also want to invite you to dinner."

"I'll have a good meal this time, when I finish filming and treat again." Think of last time, Xia Yunzhe heart is unbalanced, all the wind let huoyunxun snatch.

Xia Yunzhe hesitated for a while, and asked in a whisper in guyaoyao's ear. "How are you to Schon?"

"Good!"

Xia Yunzhe regrets after asking, nothing to look for abuse! Huoyunxun is good to Gu Yaoyao in what he thinks, or how can he help her like this. Even John came back from the United States, and now he has helped Gu Yao Yao.

With huoyunxun, it is the world! It's not easy.

At the conference.

As soon as xiayunzhe and guyaoyao came to power, they caused fans to scream, and they were shouting together. This makes xiayunzhe and guyaoyao slightly embarrassed. Even once let xiayunzhe to call the host many times, did not hear clearly the problem.

"Is cloud zhe nervous?"

"It's been a lot of pressure lately." Xia answered, and every aspect was under pressure.

"It seems that it's hard to make a play abroad."

Xiayunzhe nodded, and he turned to Gu Yao Yao. "I hope I don't have to be so tired next."

Gu Yao Yao from Xia Yunzhe's eyes, he seems to have something to say to himself. And he came back this time, and it was a little weird. But in the end, it is not strange to say that he is different from before.

After the press conference, the group of journalists visited almost all around two people. However, Xia Yunzhe did not make any answer this time, that is to keep smiling. If the relationship between Gu Yaoyao and Huo yunxun is made public, then everything he does will become a joke.

So it's better to open a little distance from now on, so as not to make fans hard to accept.

"Yao Yao, why don't you say something?"

"I hope you can support our TV series more." Gu Yaoyao took the initiative to publicize. Seeing Xia Yunzhe avoid those questions just now, she guessed something vaguely.

Including how he suddenly chose to go abroad to film, the play was not very good. According to Xia Yunzhe's standard, he would not accept it, but he did.

The reporters saw that today the two people have some seeming and alienating feeling, constantly guessing whether the two people have broken up. So today, the overall atmosphere was dull. Neither of them talked much or looked at each other.

It seems that the breakup is certain.

Soon, the staff came to the rescue, saying that Xia Yunzhe had to hurry to the airport, otherwise it would delay tomorrow's shooting.

Gu Yaoyao sees Xia Yunzhe off in the parking lot. "Be careful on the way and pay more attention to your health."

"Well, so are you. Take care of yourself. "

Gu Yaoyao nods hard and waves to Xia Yunzhe.

After Xia Yunzhe left, Gu Yaoyao really felt that Xia Yunzhe had changed. What is it about?

"Yao Yao, we have to go. Here's another interview. "

"Good!"

Gu Yaoyao went to a video website to do an interview from the scene of the press conference. The theme was all around the TV play.

"Did this TV show have a big impact on you?"

"Big!" Gu Yaoyao replied positively. "Thank you for giving me such a chance."

"Do you expect ratings?"

"No, that's a lie! This play is not a credit to me, but the efforts and efforts of the whole team. I hope you can pay more attention to it. "

"How many points should I give to my acting skills?"

Gu Yaoyao laughed directly. "I think it's good to pass. This still needs audience friends to give me valuable opinions after watching the TV series, so that I can make progress

[Chapter 714](#)

Gu Yaoyao's words let all the fans present shout low-key, have connotation!

For these fans, Gu Yaoyao just laughed and didn't say much. But her heart is very clear, only unceasingly diligently can prove oneself.

"Yao Yao, not much interaction with Yun zhe recently?"

"He's filming abroad."

"So there's really no connection?"

Gu Yaoyao understands the point of the host's question, "there is contact, but not much.". We are all busy in our own

Finally, Gu Yaoyao heard the host ask a question.

"Yao Yao, what kind of man you like is your ideal type."

Gu Yaoyao's mind naturally reminds of Huo yunxun, "mature and steady, serious, and good to me."

"No requirement for appearance?"

Gu Yaoyao thought for a moment, "everyone wants high looks! I'm no exception. "

The host laughed, "it seems that most women look at their looks. But what you said above seems to be Yun Zhe. "

Gu Yaoyao finally showed a polite smile, which did not reach the bottom of her eyes.

At the end of the visit, Gu Yaoyao has to rush to another place to promote the TV drama.

When Gu Yaoyao had a rest, it was already at night. She glanced at her mobile phone and found a wechat from Huo yunxun. And it was sent hours ago, and he didn't have time to reply.

"When are you going to be busy today?"

Gu Yaoyao replied: "just sat down to take a breath."

"I'll pick you up."

"No, I need to record a VCR here."

"I've been waiting for you at the gate of the TV station. Come out when you're done. "

Seeing the news from Huo yunxun, Gu Yaoyao's spirit rises instantly. Such a husband is really good!

"Good!"

After work, Gu Yaoyao told Zeng Ni that Huo yunxun had come to pick her up and let her go back by herself.

"Well, to have a man is to forget a partner."

Gu Yaoyao laughs and doesn't speak. She takes her bag and leaves.

From a distance, Gu Yaoyao saw Huo yunxun's car parked on the opposite side of the road. She stood anxiously by the side of the road, waiting for the green light on the sidewalk. Her eyes were fixed on the red light, wondering when it would turn green.

Gu Yaoyao stamped her foot and looked at Huo yunxun's car from time to time. It seems like I've been waiting for a long time, and it's more than 11 o'clock in the evening. If you change to other men, you should not be able to bear it!

The sudden green light made Gu Yaoyao forget the reaction for a moment, and even did not know to go forward.

After seeing the car stop, Gu Yaoyao remembered that she had to go. She hurried on, even trotting along.

Through the car mirror, he saw Gu Yaoyao running towards this side. Huo yunxun pushed the door open directly and frowned.

"Slow down!" Huo yunxun couldn't help speaking.

Gu Yaoyao jumped at Huo yunxun. "Ah Hoon!"

Huo yunxun saw Gu Yaoyao's smile and held her in his arms. "Think of me like that?"

"Well!" Gu Yaoyao nods.

"Get in the car. It won't stay here for a long time." Huo yunxun replied.

Gu Yaoyao quickly reacted and almost forgot that it was a TV station. It would be troublesome if it was photographed.

In the car.

Gu Yaoyao is upset. If she is really photographed, what should be done?

"Ah hoon, if you were really exposed, what would you do?"

"That's good, too." Save yourself to say, in this way, some men can't covet their own women.

Gu Yaoyao doesn't understand Huo yunxun's meaning, that's also very good?!

"It won't be your problem?"

"You're my wife, where's the trouble?" Huo yunxun replied positively.

Gu Yao Yao ate another reassurance, "if there is no you in the future, what should I do?"

"It won't happen."

Gu Yaoyao didn't speak, but she was satisfied. Looking at the scenery outside, she suddenly felt that the night scenery of a city was very beautiful. She was in a good mood, which was to see everything.

"Yao Yao..."

"Well?" Gu Yaoyao looks back.

"Don't think about it in the future. Concentrate on your business." Huo yunxun gave his promise.

Gu Yaoyao nods. "Well, I understand."

When she got home, Gu Yaoyao almost fell into bed and went to sleep. It was obvious that she was tired.

Huo yunxun is distressed. He touches Gu Yaoyao's face and seems to have lost some weight these days.

Gu Yaoyao's mobile phone vibrates and Huo yunxun opens the lock screen. Seeing Zeng Ni send tomorrow's schedule, Huo yunxun's eyebrows wrinkled again.

"Quit without the necessary work!" Huo yunxun replied directly with Gu Yaoyao's mobile phone.

Gold always shines! Gu Yao Yao does not need to rely on such a way to maintain fame. Huo yunxun wants to let Gu Yaoyao be by his side."Huo Shao, these works have been discussed."

"Don't take on so much work tomorrow." Huo yunxun replied. "Her body is the first priority."

"Yes

Huo yunxun silently deleted all the conversations between himself and Zeng Ni, and then put the mobile phone back.

Another day, Gu Yaoyao went out.

Huo yunxun watched Gu Yaoyao go out, has been standing on the balcony looking at her back. Until Zeng Ni's car disappeared, Huo yunxun picked up his mobile phone and made a call to ah Jin.

"Arrange a car and a driver."

"Yes

Looking at Gu Yaoyao and Zeng Ni running around like this every day, if Zeng Ni is too tired to shake her spirits, she is likely to have an accident. So he had to do it to make sure it was safe.

After a busy day, Gu Yaoyao sees a Jin and a strange man.

"Young lady."

"This is..."

"This is Lin Dan, who will be responsible for seeing off the young lady."

Lin Dan bowed to Gu Yaoyao, "how do you do, madam?"

"Hello!" Gu Yaoyao nodded.

Then Gu Yaoyao saw that the expensive nanny car was even better than Xia Yunzhe's.

"Is this what ah Xun prepared?"

"Yes." Ah Jin nods. "So that Madame can rest in the car."

Zeng Ni looked at the car in front of her, and her heart was filled with emotion. Huo Shao is Huo Shao, and her hand is so beautiful! In this way, she can have more time to help Gu Yaoyao with other things without having to work so hard.

"Young lady, get in the car."

A Jin opens the door and waits for Gu Yaoyao to get on.

Gu Yaoyao got on the bus first. She didn't look very big, but there was everything inside. Gu Yaoyao liked it when she saw it. Huo yunxun was really careful and prepared everything for herself.

Sitting in such a comfortable car, Gu Yaoyao is very happy. She sent a wechat to Huo yunxun to thank him!

"What I need is gratitude in action."

Gu Yaoyao blushed and knew to say these words to stimulate herself every time. But these days, she really has no strength.

"There is no heart."

"Then let me do it." This is Huo yunxun's reply.

Gu Yaoyao can't laugh or cry after seeing it. Can't she be more serious?

[Chapter 715](#)

home-coming.

Huo yunxun is packing his luggage. He has put a lot of things in the trunk. It seems that he is going on a business trip.

"Are you on a business trip?"

Huo yunxun didn't hide it from Gu Yaoyao. "Well, I'll go abroad tomorrow."

Gu Yaoyao's heart sank. It seemed that Huo yunxun had been absent for the first time since their marriage.

"If you keep looking at me like this, I can't help but cram you into the trunk and pack it away." Huo yunxun holding Gu Yaoyao said. If he could, he would have liked to.

Gu Yaoyao is reluctant to give up. If she can, she wants to accompany her husband as often as other wives do.

"When will you be back?"

"It depends on the situation over there." Huo yunxun replied.

Although Huo yunxun didn't say it, Gu Yaoyao could be sure that it was not a trivial matter. Otherwise, Huo yunxun would not have gone there in person.

"Then you must keep in touch with me."

"You too!" Actually, Gu Yaoyao is the most worried about Huo yunxun. He is eager to have such a kind of magic to make her smaller and then take it away before putting it into his pocket.

Gu Yaoyao hugs Huo yunxun, and she buries her head in his arms. The heart is a little uneasy!

"Ahun, when are you leaving tomorrow?"

"In the early hours of the morning." Huo yunxun replied. He had to take the first plane to get there.

There is a problem with a construction site Project in country D. as the person in charge, he has to go to deal with it.

"So early?" Gu Yaoyao felt that the situation must be very serious.

"Well, you're safe to do your work. If you need anything, go to your parents. "

Gu Yaoyao nodded, "I know, you should pay attention to yourself when you are outside."

"I'm not going abroad for the first time. I'll be fine." Huo yunxun hugged Gu Yaoyao and comforted him.

Gu Yaoyao felt that many things were difficult to say. "You can't take it lightly. What else should I do? "

"Don't worry, I won't keep you widowed." Huo yunxun said with a smile that he didn't want to see such a picture.

Gu Yaoyao blocked her anger, "I will not be widowed for you. I'll find other men

"Dare you?"

"I dare not. What age is it now! I can't do this all my life, can I? " Gu Yaoyao refuted. However, her heart is the most clear, she can not find Huo yunxun such a man, she will not forget Huo yunxun to their own good.

Under such circumstances, what is the difference between widowhood and widowhood?

Huo yunxun didn't talk nonsense with Gu Yaoyao. Instead, he took Gu Yaoyao and went to his room.

After a while, there was a sound that made people's heart beat faster in the room.

Gu Yaoyao was tormented by Huo yunxun and had already fallen into a coma. Huo yunxun seemed to have no restraint. He wanted to come again and again, but he wanted to swallow Gu Yaoyao into his stomach.

Looking at Gu Yaoyao who is already in a coma, Huo yunxun gives Gu Yaoyao a kiss again.

After taking a bath, Huo yunxun changed his clothes and was ready to leave for the airport. Before leaving, he went to the door of the room again and took a look at Gu Yaoyao. He made sure that she was OK and closed the door gently.

A Jin and Huo yunxun set out to the airport together, and they also went to country d together.

"Tell Lin Dan to protect Yao and Yao!"

"I told you that before." Ah Jin replied.

Seeing that he was about to arrive at the airport, Huo yunxun sent a wechat to Gu Yaoyao saying that he had arrived at the airport.

Huo yunxun then called Qiao Wei.

"So early."

"Mom, I'm going abroad. When I'm away, please take care of some Yao Yao. I'm not sure she's alone

"Now that my son talks, I'm sure I'll finish the job. Don't worry

"Thank you, mom."

"You're welcome."

Seeing that everything was ordered and explained well, Huo yunxun boarded the plane directly.

When Gu Yaoyao woke up, it was already nine o'clock in the morning.

She looked out at the sun and immediately grabbed her cell phone. Huo yunxun sent a wechat to himself at 4 am. Now all these points may have arrived.

Gu Yaoyao immediately called. Unfortunately, Huo yunxun's mobile phone was turned off and couldn't get through at all.

Haven't you arrived yet?

Gu Yaoyao dragged the same body that was run over by a car, and then found out that Huo yunxun was on purpose last night, that is, he didn't want to send him. Picking up her mobile phone again, Gu Yaoyao sends a wechat. "When it's time to say so."

Gu Yaoyao's work starts in the afternoon, so there is still time.

Zeng Ni and Lin Dan come to pick up Gu Yaoyao. In the car, Gu Yaoyao seems to have lost her soul. The whole person sits like this, with no reaction.

"What's the matter with you?"

"It's OK." Gu Yaoyao replied weakly. She looked down at the mobile phone from time to time, how Huo yunxun has not replied. Will it be all right? Gu Yaoyao immediately called a Jin, but she couldn't get through. It's like losing contact.

Gu Yaoyao checked on her mobile phone before. It took four hours to go to country D. Now it's long past this point. Why do they have no news. She also checked the flight information. The plane is not late and has arrived.

But why did Huo yunxun and ah Jin still have no news at all, which makes people worry. Life is not familiar, if there is something is very difficult to find help.

Zeng Ni saw Gu Yaoyao's impatience, "you look like this. Is the late program OK?"

"....." Gu Yaoyao did not answer. She is now waiting for Huo yunxun to reply, even if it is a word.

The mobile phone moved for a while, Gu Yaoyao immediately turned on the mobile phone, and found it was a boring message. The mood is even worse!

"Are you waiting for Huo Shao's call?"

"He went to the airport in the early morning and said he was going on a business trip. But up to now, there is no news at all. "

Seeing Gu Yaoyao like that, Zeng Ni is totally trapped. Huo yunxun occupies the most important position in her heart now. I'm afraid she has forgotten other things.

"Don't worry about Huo Shao. He won't have a problem. "

"Really?"

"Yes, more true than pearls!" Zeng Ni raised three fingers. "He's the leader of HD, there's no problem."

Gu Yaoyao thought for a moment, but also felt that Zeng Ni's words were reasonable. Since he is firmly in the position of president of HD, Huo yunxun will not have any big problems.

"You really love Huo Shao and forget who you are."

Gu Yaoyao did not refute, she thought well. No matter it's the abyss or the tiger's den, as long as it's Huo yunxun, she will bravely break forward. Even if it is a failure, it will not leave any regret.

"Here comes the young lady."

Lin Dan's voice interrupts Gu Yaoyao's thoughts. She looks out of the window. Gu Yaoyao tidies up her clothes and prepares to get off the bus.

As soon as Gu Yaoyao and Zeng Ni arrived at the gate of the studio, they met a man who surprised Gu Yaoyao.

Gu Yaoyao and she stood face to face, and no one spoke.

Zeng Ni sees Gu Yaoyao stop and looks at the woman opposite. Gu Yaoyao and her eyes seem to be hiding a lot of emotions. They seem to know each other.

"Yes?"

[Chapter 716](#)

Gu Yaoyao looks back at Zeng Ni and shakes her head.

"Let's go, then."

Gu Yaoyao went straight over Gu Ruo and went straight ahead. But I was still very surprised. I didn't expect to see her here.

Once thought that he had left the home, then he would never see any one of his family again. I didn't expect that the world is still so small, or met.

And Gu Ruo if has been standing in place, the surging heart will not be less than Gu Yao Yao. Although I knew she was famous recently, I didn't expect to meet her here, and it was still in her work.

Gu Yaoyao wants to speak for her company's products, but why didn't Ji Xiaofeng say it before, or that he would not come because he was worried that he knew it. This time, he was also a blunder. He didn't ask about the spokesperson in advance, so he came to the scene directly.

After a few years' absence, Gu Yaoyao is more beautiful than before. Recently, her news can be seen almost every day, and with her attitude of fighting bravely, she must be more popular in the future.

Gu Ruo looks back and can only catch a trace of Gu Yaoyao's back disappearing in the corner.

When Gu Yaoyao left Gu's home, she flashed in her mind again. Her eyes are still clear. It was a look of not giving in and not giving in, and now she has become a star with millions of fans.

"There is no place for you in this home. Please leave!"

Gu Yaoyao opened her eyes in an instant. After seeing Gu Ruo Ruo, this sentence has been spinning in her mind.

This sentence is her father Gu Zhenhai said, or in front of her stepmother Zhao Huan and Gu Ruo Ruo. Or just a month after her mother's death, her deep love at the funeral was all for outsiders to see. What she said would take care of herself was all fake.

At that time, I was still young and had no ability to live independently. Fortunately, my grandmother took care of me. Otherwise, there is really nowhere to go. But when I was in high school, my grandmother's health was not good.

When I was in University, I was admitted to the hospital directly. All the money left by her mother was on her grandmother's medical expenses, so from the age of 18, Gu Yaoyao began to work alone.

A few years ago, she came to a city alone, and worked hard to make her present day.

In the past, she had never thought of those hardships, but when she saw Gu Ruo Ruo, she came out like a flood and couldn't stop it.

"Yao Yao, you look bad. What's the matter? "

"Sister, I'm fine." Gu Yaoyao replied.

How could Zeng Ni not know that the woman and Gu Yaoyao obviously knew each other just now, and both of them were suppressing their emotions.

"Don't try to hide it from me. Who was that woman just now? You haven't looked right since you saw her

"Old man."

Zeng Ni infers from the old man that this is from city C. just now, she accidentally seems to have scanned the woman's work card, and it seems that her surname is Gu.

"The family man?"

Gu Yaoyao didn't refute. She was also aware of Gu ruo's appearance. Soon she would see those old people in C city one after another.

"Yao Yao, shooting will start soon."

"OK." Gu Yaoyao got up. She is an actress now, so even if the enemy stands in front of her, she has to act without any disturbance, so as to tell them that Gu Yaoyao is no longer a child at the beginning.

Zeng Ni helped Gu Yaoyao stand up. "Are you sure it's ok?"

"Of course. I'm an actor now. "

Zeng Ni patted Gu Yaoyao on the shoulder. "Come on

I didn't expect that in addition to Gu Ruo, Gu Yaoyao also met another person, Ji Xiaofeng. That's the next door neighbor. When her mother did not die, Ji Xiaofeng's mother jokingly said that she wanted Gu Yaoyao to be her daughter-in-law.

But after my mother died, everything had turned upside down.

Gu Yaoyao takes back her eyes and greets the director and other staff directly.

"Yao Yao, let me introduce you. This is Mr. Ji, the representative of the advertiser, and this is Miss Gu, the product planner

Gu Yao Yao gently ordered a head, "two leaders good."

Ji Xiaofeng looked at her different from Gu Yaoyao, who was green and astringent at that time, and felt more guilty in her eyes. When she needed help the most, she did not lend a helping hand.

"I'm ready to start."

Gu Yao Yao did not have too much delay, immediately into the work.

Gu Ruo stood aside and looked at Gu Yaoyao in the monitor. No one thought that Gu Yaoyao, who had been swept out of the house at the beginning, would have achieved such a result today. Her temperament became different, especially her eyes with accusations. Now, people can't see through them.

"That's why you didn't tell me?"

Ji Xiaofeng knows what Gu ruofuo means, "I also saw the list yesterday to know. This time, the spokesperson's affairs are all discussed by other departments, and have been affirmed by the boss. "

"Gu Yaoyao is not the same as before. Do you regret it too?" Ji Xiaofeng is silent, but now he has no way to let the time go back. If he could, he would certainly lend a helping hand when Gu Yaoyao left Gu's home.

Unfortunately, there is no if.

"Now there are other men around Gu Yaoyao. You can't compare Xia Yunzhe and the prince of state f!"

Ji Xiaofeng was once again poked at the center by Gu Ruo. He was the manager of a small department, and he could not compare with them.

"Would you really like me without Gu Yaoyao?" Gu ruofuo's voice is not big, but the tone is not reconciled. It's funny to think about it. She seems to be picking up leaks. She cares about the position of the eldest lady and Ji Xiaofeng.

Ji Xiaofeng did not answer, he can only bury his most real ideas in his heart, these things can not be said.

The conversation between the two was heard by zenny not far away, but they had such stories.

Zeng Ni immediately reported all the situation here to Huo yunxun. Gu Ruo was not a good man. Now Huo Shao is not in a city, so she should pay more attention.

Gu Yaoyao must not suffer this time!

"Keep an eye on them and report anything."

Huo yunxun's instructions will come soon. It seems that as far away as country D, Huo yunxun still cares about Gu Yaoyao.

All of a sudden, Zeng Ni remembered one thing. Gu Yaoyao called Huo yunxun and didn't get a reply by sending a wechat, but he replied as soon as she sent it. This is not right!

"Huo Shao, Yao Yao has been calling you before."

"There's no signal. It's just connected."

No signal from Congress? If there is no signal, it can only be in remote areas. What's going on over there?

"Yao Yao has been worried about you."

"I'll call her later."

Zeng Ni looks at Gu Yaoyao. Now she is almost ready to pinch all kinds of shots, and she has a good sense of the camera. Every minute she comes out, she feels like a big movie, so she doesn't have to worry too much.

[Chapter 717](#)

"Card!"

"Yao Yao, very good."

Gu Yaoyao showed a relaxed smile. "Hard work, everyone."

It's more important than anything to finish an advertisement with high quality.

"Yao Yao, I have a chance to cooperate next time."

"Thank you, director!" Gu Yaoyao and all the staff said hello and left the studio.

Zeng Ni immediately took the things from Gu Yao Yao.

"We should go back."

"Good!" Gu Yaoyao couldn't get it. She didn't want to stay here. Their eyes made her uncomfortable.

Gu Yaoyao changes clothes, ready to leave, but is stopped by Ji Xiaofeng.

"Yao Yao..."

"Mr. Ji, I'm sorry. I'm in a hurry. "

Gu Yaoyao is very distant from Ji Xiaofeng, even stranger than strangers. She doesn't want to get involved with these people, otherwise in her own life, she will return to the origin.

At this time, Gu Yaoyao especially wanted Huo yunxun.

"Yao Yao, the car is waiting outside."

Gu Yaoyao nods and follows Zeng Ni forward.

"Yao Yao, I have no malice. It's just a rare encounter. Can we have a meal with a face? "

Gu Yaoyao showed a generous smile. "I don't have time."

"Yao Yao, haven't seen each other for so many years, do you forget the past?"

Gu Yaoyao micro squint eyes, good for many years no see! Although she had no other feelings for Ji Xiaofeng, at least she had regarded him as her brother. But when he cried to find him, he closed the door.

"My past seems to have nothing to do with you. And does your fiancée know about you? "

Ji Xiaofeng looks surprised. He didn't expect Gu Yaoyao to know about his engagement with Gu Ruoyao.

"You don't have to be so surprised. I listened to my grandmother. By the way, Congratulations

"Yao Yao, actually I am..."

Seeing that Gu Yaoyao hasn't come out, Lin fan comes in to have a look.

"Young lady, are you all right?" Lin Dan's eyes fell directly on Ji Xiaofeng.

Ji Xiaofeng was looked at by Lin Dan's cold eyes and felt uncomfortable all over. What's more, just now he heard that the indifferent face was called Mrs. Gu Yaoyao. Does that mean that Gu Yaoyao is married?

"It's OK. You can go."

Ji Xiaofeng blocks Gu Yaoyao again. "Are you married?"

"You're all engaged. Why can't I get married?" Gu Yaoyao asked back, but he couldn't help thinking Ji Xiaofeng was funny.

"Is it Xia Yunzhe?"

Gu Yaoyao coldly glanced at Ji Xiaofeng. He used to think he was very handsome when he was a child, but now he is ordinary. But I'm used to Huo yunxun's high looks, so I'm picky.

"It's none of your business. I'll have something later!"

Lin Dan directly blocked in front of Ji Xiaofeng this time. Without saying a word, he was staring at him with his eyes. The warning in the eyes is very obvious, which makes Ji Xiaofeng such a law-abiding person can not help swallowing.

The cold face in front of me is not an ordinary person.

Seeing that Gu Yaoyao had left safely, Lin Dan said, "my young master told you to stay away from the young lady, or you will bear the consequences."

With that, Lin Fan left.

Ji Xiaofeng some legs soft, even some can't believe what just happened. Gu Yaoyao's husband, who is actually accompanied by bodyguards, should be a big man. But I still can't believe the news of Gu Yaoyao's marriage.

Ji Xiaofeng is still looking at Gu Yaoyao's direction of leaving, unwilling to move for a long time.

"I didn't expect you were so infatuated that you came here to look for her." Gu Ruo came out of a corner.

Ji Xiaofeng can't stand Gu ruo's man to man mode. He has not been married. What should he do in the future? He even saw a tragedy. Unfortunately, he had no choice but to let Ji Jia owe his family a big favor.

"Gu Yaoyao is married, but you still can't forget her?"

Ji Xiaofeng did not speak, turned and left.

Gu Ruo stomped angrily. She took out her mobile phone and called her mother.

"Mom, I just met Gu Yaoyao."

"What? Is it true? "

Gu Ruo nodded, "well, it's really her!"

"That little bitch has been very popular recently, and I listen to your father's meaning, it seems that I want to make up with her! After all, that little bitch is Su Cen's daughter. In Gu Zhenhai's heart, Gu Yaoyao is the real eldest lady of Gu's family. "

Hearing Zhao Huan's words, a chill flashed in Gu ruo's eyes. This is a reminder of the fact that they are substitutes. At that time, if her mother didn't embellish Su Cen's past in front of Gu Zhenhai, then Gu Yaoyao's status in the Gu family could not be shaken.

But if you don't care about yourself, you can't wait any longer. If Gu Yaoyao really wants to go back to his home again, there will be no place for her."No way!" She can't let this happen.

Gu Ruo Ruo must chase out, Gu Yaoyao's car has long disappeared! It's urgent to come and go.

Gu Yaoyao felt a little uneasy after getting on the bus. It was unexpected to meet Gu Ruo today, but who knows what will happen next? Gu Ruo and Zhao Huan are definitely not fuel-efficient lamps.

Gu Yaoyao is worried that her grandmother will be harassed by the family again.

"Sister, can you spare me a day?"

"What are you going to do?"

"I'm going back to see grandma." Originally, he wanted to go back when he was resting, but Huo yunxun pulled him to HD to be an assistant.

Zeng Ni can see the problem from Gu Yaoyao's worry. She thinks that Gu Ruo will set off a lot of waves this time.

"Can you do it alone?" Zeng Ni is worried. It's the home court!

Gu Yaoyao didn't want other people to worry about themselves. She nodded vigorously, "yes, don't worry about it."

Zeng Ni left row right row, finally for Gu Yaoyao spell out a day's holiday.

"Can you really? Don't let Lin Dan go with you. You're a public figure now, but you can't just walk on the street

"Sister, I just go to the hospital to see my grandmother, and I'll be right back. It will be all right! "

Zeng Ni's eyebrows are tight. Gu Yaoyao has no sense of self-safety. If Gu Ruo or Zhao Huan hands it, Gu Yaoyao will not be able to resist. Huo yunxun was abroad, and he couldn't come back.

In fact, Zeng Ni didn't know that Huo yunxun had already arranged for a group of people to follow Gu Yaoyao in order to protect her all the time.

Zeng Ni dutifully reported the situation to Huo yunxun.

"Listen to Yao Yao."

Huo yunxun really trusted Gu Yaoyao and thought Gu Yaoyao was the main one. Such a man is much better than Ji Xiaofeng. This ordinary man really can't do this!

Gu Yaoyao got a call from Huo yunxun when she got home. When she saw the call, Gu Yaoyao swept away the haze, and the whole person lit up.

"Ah Hoon!"

[Chapter 718](#)

"I miss you!"

Huo Yunyao's face is red.

"I miss you too." Gu Yaoyao said sweetly. "I haven't been able to get through to you before. I'm worried."

"The signal is not good here."

Gu Yaoyao immediately concerned about Huo yunxun's situation, "how are things handled?"

"It's a little tricky." Huo yunxun replied. "So I'm here longer."

"Is there any danger?" Gu Yaoyao always felt inexplicably uneasy.

"Don't worry." Huo yunxun didn't want Gu Yaoyao to worry, so he didn't mention his own affairs. It's about Gu Yaoyao today.

Gu Yaoyao nibbled her lips. She hesitated for a moment or told Huo yunxun what happened today. This is also her original promise will not lie to Huo yunxun.

Huo yunxun was silent for a long time after listening, "you go back to C City alone, I'm not at ease!"

"I really want to see grandma." Gu Yaoyao replied that if she did not see it with her own eyes, she was not at ease.

Moreover, Gu Yaoyao has set the time. If she doesn't go back, there will be no time later.

"Ahun, I will be very careful."

"Only once." Huo yunxun felt that he was not at Gu Yaoyao's side, but worried. And because of what happened before, he didn't dare to relax.

"I knew you were good to me!"

"Keep in touch!"

"Yes

Just the next day, Gu Yaoyao left for the airport early in the morning. Flying would reduce some time.

Gu Yaoyao was dressed in casual clothes, no powder and Dai, black glasses, a backpack, and a pair of small white shoes.

In this way, Gu Yaoyao is like an ordinary student. If you don't pay attention to it, you don't know that she is Gu Yaoyao.

All the way, Gu Yaoyao sat down smoothly.

More than an hour flight, the plane landed at City C airport.

Looking at the strange building in front of her, Gu Yaoyao is surprised how long she hasn't come back to this place.

Without delay, Gu Yaoyao took a taxi to the hospital.

When she saw her grandmother again, Gu Yaoyao couldn't help crying. Because now my grandmother can sit up and do some simple things by herself.

Seeing her watching TV seriously, Gu Yaoyao couldn't bear to disturb her.

"This is my granddaughter, isn't it beautiful?"

The nurse nodded. "Yes

"My granddaughter's TV play is very good, you can also go and see it!"

"We've been watching it recently."

Li Jinhua is very excited about Gu Yaoyao. However, she was a little lonely because she had not seen Gu Yaoyao for a long time.

"She can't even look at me now."

"I'm busy at work. I'll come to see you when she's not busy."

Gu Yaoyao stood at the door and heard them clearly. Tears could not help falling out again, and she quickly reached out to wipe away her tears.

"I know she has been working hard for my medical expenses. She has been working hard these years!"

"You should be proud!"

"Yes, Yao Yao is great now! I'm happy! "

After changing Li Jinhua's hanging bottle, the nurse looked up and saw Gu Yaoyao standing at the door.

"Mother in law, you have guests."

Hearing the nurse's words, Li Jinhua also looked at the door and saw Gu Yaoyao take off her eyes and smile at herself. Li Jinhua didn't react, so he looked at Gu Yaoyao.

"Grandma

This cry made Li Jinhua's tears follow.

"Yao Yao!"

Gu Yaoyao immediately came to Li Jinhua and held her hand.

"Yao Yao, is it really you?" Li Jinhua felt like a dream.

"It's me!" Gu Yaoyao grabs Li Jinhua's hand and touches her face. "I'm sorry to see you now."

Li Jinhua reached out his hands and held Gu Yaoyao's face. "My Yao Yao is very beautiful now, but she is thin. Did you eat on time? "

"Yes!"

"Why are you free to come?"

Gu Yaoyao said with a smile, "I just miss you!"

"Are you busy now? I can see you on the TV every day! "

"Well, a little busy."

Li Jinhua is relieved to see Gu Yaoyao's good looks, "be careful when you are busy! Grandmother now hope you can find a man as soon as possible, otherwise you are too hard. Are you and that guy in the TV show real? I look at you and think you're fine

Gu Yaoyao laughed. "It's just in the TV series."

"I look at him very well. If it's possible, it's everywhere. "

Gu Yaoyao wanted to tell her grandmother about Huo yunxun, but in the end she resisted. "I know."

"My Yao Yao is so good, there must be a man who treats you well. You don't want to be like your mother, you know? "

Gu Yaoyao nods. "Have you ever been here?"

"The shameless woman came several times before changing hospitals." Li Jinhua replied.

Gu Yaoyao frowned. "Did she say anything?"

"What else can I say, turning over and over the old things, rotten sesame seeds and millet. She didn't feel ashamed at all

Gu Yaoyao knew that Zhao Huan would come to stimulate her grandmother when she was free. Fortunately, Huo yunxun asked her grandmother to transfer here.

"Grandma, we don't need to look at their faces in the future."

Li Jinhua clenched Gu Yaoyao's hand. "Yao Yao, don't pay attention to them. Don't come to this place again when I'm gone. "

"Grandma, you'll be fine."

"I'm not afraid of death! I'll wait for Gu Zhenhai and that shameless woman to go to hell. "

"I met Gu Ruo and Ji Xiaofeng in a city."

Hear these two names, Li Jinhua Mou Guang Yilin. "Did they come to you?"

"No, just at work."

"I don't know. Ji Xiaofeng and his mother came to see me before, but I didn't say a word to them

Gu Yaoyao and Li Jinhua talked for a long time. Because they had to go back in the evening, they had dinner with Li Jinhua in advance. After dinner, Gu Yaoyao was ready to go back.

"Grandma, take care of yourself. I'll see you next time. " Gu Yaoyao finished and added another sentence. "I'll bring another one."

"Good, good! Let's go. Don't delay

Gu Yaoyao walked to the door of the hospital and saw Zhao Huan, who had been waiting for a long time.

"Gu Yaoyao, it's not easy to wait for you to come back."

Gu Yaoyao covered up her emotions, "Ms. Zhao, I can't accept the star chasing action like you."

Zhao Huan's eyes are cold, Gu Yaoyao's words are obviously with thorns.

"Don't think you can swagger when you're a star. You're not qualified in C City. "

Gu Yaoyao clenches her hand. Gu's family has some status in C City, but it should not be her turn to clamor here.

"Miss Zhao, what a big voice

"Gu Yaoyao, you'd better be obedient while I'm trying to persuade you."

"Is Ms. Zhao trying to threaten me?" Gu Yaoyao asked.

Zhao Huan reached out to fight Gu Yaoyao, but was held by a hand that appeared in the sky.

"When does city C have a chance to talk to his family?"

Zhao Huan saw the man in front of him, and the whole person's nerves were tense.

[Chapter 719](#)

"Card!"

"Yao Yao, very good."

Gu Yaoyao showed a relaxed smile. "Hard work, everyone."

It's more important than anything to finish an advertisement with high quality.

"That little bitch has been very popular recently, and I listen to your father's meaning, it seems that I want to make up with her! After all, that little bitch is Su Cen's daughter. In Gu Zhenhai's heart, Gu Yaoyao is the real eldest lady of Gu's family. "

Hearing Zhao Huan's words, a chill flashed in Gu ruo's eyes. This is a reminder of the fact that they are substitutes. At that time, if her mother didn't embellish Su Cen's past in front of Gu Zhenhai, then Gu Yaoyao's status in the Gu family could not be shaken.

But if you don't care about yourself, you can't wait any longer. If Gu Yaoyao really wants to go back to his home again, there will be no place for her."No way!" She can't let this happen.

Gu Ruo most chase out, Gu Yaoyao's car has long disappeared! It's urgent to come and go.

Gu Yaoyao felt a little uneasy after getting on the bus. It was unexpected to meet Gu Ruo today, but who knows what will happen next? Gu Ruo and Zhao Huan are definitely not fuel-efficient lamps.

Gu Yaoyao is worried that her grandmother will be harassed by the family again.

"Sister, can you spare me a day?"

"What are you going to do?"

"I'm going back to see grandma." Originally, he wanted to go back when he was resting, but Huo yunxun pulled him to HD to be an assistant.

Zeng Ni can see the problem from Gu Yaoyao's worry. She thinks that Gu Ruo will set off a lot of waves this time.

"Can you do it alone?" Zenny is worried. It's the home court!

Gu Yaoyao didn't want other people to worry about themselves. She nodded vigorously, "yes, don't worry about it."

Zeng Ni left row right row, finally for Gu Yaoyao spell out a day's holiday.

"Can you really? Don't let Lin Dan go with you. You're a public figure now, but you can't just walk on the street

"Sister, I just go to the hospital to see my grandmother, and I'll be right back. It will be all right! "

Zeng Ni's eyebrows are tight. Gu Yaoyao has no sense of self-safety. If Gu Ruo or Zhao Huan hands it, Gu Yaoyao will not be able to resist. Huo yunxun was abroad, and he couldn't come back.

In fact, Zeng Ni didn't know that Huo yunxun had already arranged for a group of people to follow Gu Yaoyao in order to protect her all the time.

Zeng Ni dutifully reported the situation to Huo yunxun.

"Listen to Yao Yao."

Huo yunxun really trusted Gu Yaoyao and thought Gu Yaoyao was the main one. Such a man is much better than Ji Xiaofeng. This ordinary man really can't do this!

Gu Yaoyao got a call from Huo yunxun when she got home. When she saw the call, Gu Yaoyao swept away the haze, and the whole person lit up.

"Ah Hoon!"

[Chapter 720](#)

"I miss you!"

Huo Yunyao's face is red.

"I miss you too." Gu Yaoyao said sweetly. "I haven't been able to get through to you before. I'm worried."

"The signal is not good here."

Gu Yaoyao immediately concerned about Huo yunxun's situation, "how are things handled?"

"It's a little tricky." Huo yunxun replied. "So I'm here longer."

"Is there any danger?" Gu Yaoyao always felt inexplicably uneasy.

"Don't worry." Huo yunxun didn't want Gu Yaoyao to worry, so he didn't mention his own affairs. It's about Gu Yaoyao today.

Gu Yaoyao nibbled her lips. She hesitated for a moment or told Huo yunxun what happened today. This is also her original promise will not lie to Huo yunxun.

Huo yunxun was silent for a long time after listening, "you go back to C City alone, I'm not at ease!"

"I really want to see grandma." Gu Yaoyao replied that if she did not see it with her own eyes, she was not at ease.

Moreover, Gu Yaoyao has set the time. If she doesn't go back, there will be no time later.

"Ahun, I will be very careful."

"Only once." Huo yunxun felt that he was not at Gu Yaoyao's side, but worried. And because of what happened before, he didn't dare to relax.

"I knew you were good to me!"

"Keep in touch!"

"Yes

Just the next day, Gu Yaoyao left for the airport early in the morning. Flying would reduce some time.

Gu Yaoyao was dressed in casual clothes, no powder and Dai, black glasses, a backpack, and a pair of small white shoes.

In this way, Gu Yaoyao is like an ordinary student. If you don't pay attention to it, you don't know that she is Gu Yaoyao.

All the way, Gu Yaoyao sat down smoothly.

More than an hour flight, the plane landed at City C airport.

Looking at the strange building in front of her, Gu Yaoyao is surprised how long she hasn't come back to this place.

Without delay, Gu Yaoyao took a taxi to the hospital.

When she saw her grandmother again, Gu Yaoyao couldn't help crying. Because now my grandmother can sit up and do some simple things by herself.

Seeing her watching TV seriously, Gu Yaoyao couldn't bear to disturb her.

"This is my granddaughter, isn't it beautiful?"

The nurse nodded. "Yes

"My granddaughter's TV play is very good, you can also go and see it!"

"We've been watching it recently."

Li Jinhua is very excited about Gu Yaoyao. However, she was a little lonely because she had not seen Gu Yaoyao for a long time.

"She can't even look at me now."

"I'm busy at work. I'll come to see you when she's not busy."

Gu Yaoyao stood at the door and heard them clearly. Tears could not help falling out again, and she quickly reached out to wipe away her tears.

"I know she has been working hard for my medical expenses. She has been working hard these years!"

"You should be proud!"

"Yes, Yao Yao is great now! I'm happy! "

After changing Li Jinhua's hanging bottle, the nurse looked up and saw Gu Yaoyao standing at the door.

"Mother in law, you have guests."

Hearing the nurse's words, Li Jinhua also looked at the door and saw Gu Yaoyao take off her eyes and smile at herself. Li Jinhua didn't react, so he looked at Gu Yaoyao.

"Grandma

This cry made Li Jinhua's tears follow.

"Yao Yao!"

Gu Yaoyao immediately came to Li Jinhua and held her hand.

"Yao Yao, is it really you?" Li Jinhua felt like a dream.

"It's me!" Gu Yaoyao grabs Li Jinhua's hand and touches her face. "I'm sorry to see you now."

Li Jinhua reached out his hands and held Gu Yaoyao's face. "My Yao Yao is very beautiful now, but she is thin. Did you eat on time? "

"Yes!"

"Why are you free to come?"

Gu Yaoyao said with a smile, "I just miss you!"

"Are you busy now? I can see you on the TV every day! "

"Well, a little busy."

Li Jinhua is relieved to see Gu Yaoyao's good looks, "be careful when you are busy! Grandmother now hope you can find a man as soon as possible, otherwise you are too hard. Are you and that guy in the TV show real? I look at you and think you're fine

Gu Yaoyao laughed. "It's just in the TV series."

"I look at him very well. If it's possible, it's everywhere. "

Gu Yaoyao wanted to tell her grandmother about Huo yunxun, but in the end she resisted. "I know."

"My Yao Yao is so good, there must be a man who treats you well. You don't want to be like your mother, you know? "

Gu Yaoyao nods. "Have you ever been here?"

"The shameless woman came several times before changing hospitals." Li Jinhua replied.

Gu Yaoyao frowned. "Did she say anything?"

"What else can I say, turning over and over the old things, rotten sesame seeds and millet. She didn't feel ashamed at all

Gu Yaoyao knew that Zhao Huan would come to stimulate her grandmother when she was free. Fortunately, Huo Yunxun asked her grandmother to transfer here.

"Grandma, we don't need to look at their faces in the future."

Li Jinhua clenched Gu Yaoyao's hand. "Yao Yao, don't pay attention to them. Don't come to this place again when I'm gone. "

"Grandma, you'll be fine."

"I'm not afraid of death! I'll wait for Gu Zhenhai and that shameless woman to go to hell. "

"I met Gu Ruo and Ji Xiaofeng in a city."

Hear these two names, Li Jinhua Mou Guang Yilin. "Did they come to you?"

"No, just at work."

"I don't know. Ji Xiaofeng and his mother came to see me before, but I didn't say a word to them

Gu Yaoyao and Li Jinhua talked for a long time. Because they had to go back in the evening, they had dinner with Li Jinhua in advance. After dinner, Gu Yaoyao was ready to go back.

"Grandma, take care of yourself. I'll see you next time. " Gu Yaoyao finished and added another sentence. "I'll bring another one."

"Good, good! Let's go. Don't delay

Gu Yaoyao walked to the door of the hospital and saw Zhao Huan, who had been waiting for a long time.

"Gu Yaoyao, it's not easy to wait for you to come back."

Gu Yaoyao covered up her emotions, "Ms. Zhao, I can't accept the star chasing action like you."

Zhao Huan's eyes are cold, Gu Yaoyao's words are obviously with thorns.

"Don't think you can swagger when you're a star. You're not qualified in C City. "

Gu Yaoyao clenches her hand. Gu's family has some status in C City, but it should not be her turn to clamor here.

"Miss Zhao, what a big voice

"Gu Yaoyao, you'd better be obedient while I'm trying to persuade you."

"Is Ms. Zhao trying to threaten me?" Gu Yaoyao asked.

Zhao Huan reached out to fight Gu Yaoyao, but was held by a hand that appeared in the sky.

"When does city C have a chance to talk to his family?"

Zhao Huan saw the man in front of him, and the whole person's nerves were tense.
