

Warm Wife 721

[Chapter 721](#)

"Tang Shao..."

After hearing Zhao Huan's words, Gu Yaoyao turned to look at the man who suddenly appeared beside her.

Tang Yixuan shook off Zhao Huan's hand and said, "go away!"

"Yes Zhao Huan almost did not have the arrogance before, just like a street mouse, quickly ran away.

Gu Yaoyao couldn't help laughing at the sight of her fleeing.

Thank you

Tang Yixuan looks at Gu Yaoyao. This kind of girl is actually Huo yunxun's dish. This taste is really strange.

"You are welcome! I'm Tang Yixuan. "

Gu Yaoyao was familiar with the name, but she didn't immediately remember who it was. She wanted to say thanks and then left.

"Yixuan!"

At this time, a gentle female voice came.

Gu Yaoyao saw a car stop in front of him and Tang Yixuan.

"Aunt!" Xia Yunqiao called with a smile.

Gu Yaoyao was stunned and unexpectedly heard such a name.

"Aunt?" Gu Yaoyao held out her finger. "Me?"

Xia Yunqiao nodded. "Yes! But my aunt looks much smaller than on TV. It seems that I call you old

Gu Yaoyao still did not respond. "Are you mistaken?"

"Yes. Get in the car. "

Tang Yixuan took the initiative to help Gu Yaoyao open the door, "please get in."

"This..."

"Don't worry, aunt! My uncle called and asked us to deliver you safely to the airport Xia Yunqiao added again. "This is the first time my uncle has given me an order, and I'm excited to think about it."

Tang Yixuan see Xia Yunqiao did not say clearly, opened his mouth to explain: "Huo yunxun!"

Hear Huo yunxun's name, Gu Yaoyao this just reacts to come over, in front of eyes these two people are who? This is Yun Muxin's daughter and son-in-law.

Thank you

Gu Yaoyao gets on the bus. Tang Yixuan opens the driver's door. "I'll drive."

"Well!" Xia Yunqiao nodded with a smile.

Xia Yunqiao and Gu Yaoyao sat in the back seat together, then took his hand and began to talk.

"You and my brother's TV series, I have chased. You're all doing well Xia Yunqiao said excitedly.

"Thank you for your support."

"My family, of course, should support it." Xia Yunqiao said with a smile. "This time, auntie, you are in a hurry. If not, I will let you sit at home."

Gu Yaoyao didn't expect that Huo yunxun's family and relatives were very easy to get along with, and did not regard himself as an outsider at all, and had always treated himself kindly. Gu Yaoyao's heart is warm.

"Thank you today. Ah Xun and I will come next time we have a chance."

"That's a deal." Xia Yunqiao holds Gu Yaoyao's hand. "My uncle hasn't been here since I got married."

Gu Yaoyao said with a smile, "he has been very busy."

"That's right! Since I was sensible, my uncle has been very busy, but my little aunt is more free. "

"They're all busy now."

"Are your uncles and aunts in good health?" Xia Yunqiao asked.

Because she married and gave birth to children, she never went back to a city to visit them, so she didn't even attend the annual party.

Gu Yaoyao can understand Xia Yunqiao's mood. "They are all very well. I heard a Xun say that this year's lunar new year, everyone will return to city A

Xia Yunqiao eyes a bright, this news how she did not hear. "Really?"

"Ah Xun said that day in front of her sister."

"My mother didn't tell me."

At this time, Tang Yixuan, who has been silent and speechless, opened his mouth: "tell me a few days ago."

Xia Yunqiao frowned and protested against Tang Yixuan's concealment. "Tang Yixuan, what do you mean! How dare you hide it now! My mother told you, why didn't you tell me? "

"I'm busy, because I didn't look at it a while ago

"If you don't tell me next time you get a message. Take the kids back to a city. "

Tang Yixuan face helpless, the heart is also clear about this. Xia Yunqiao's words are true, but she does what she says. With the people from her mother's home, he can't bear it.

"Yes, ma'am!"

Xia Yunqiao snorted, "this man just likes to be self righteous."

Gu Yaoyao can see a little. It turns out that in their family, women's words are very useful. And every man is so excellent that everyone respects his wife.

Thinking of this, Gu Yaoyao can't help but think of her mother. No one will listen to what she says in the Gu family. It's a complete ornament. To put it awfully, it's the nanny who got married. So this will let Zhao Huan such a small three into the house, and finally came to such an end.

"Aunt!" Gu Yaoyao revived. "Well?"

"Are you all right? I don't think you look well. If you don't feel well, come home with me and have a rest. You'll be back tomorrow. "

Gu Yaoyao smiles and shakes her head. "No, I have an announcement tomorrow."

"When my aunt is red, it is inevitable that she is busy with her work. But pay more attention to your body. " Xia Yunqiao comforted a few words. "My uncle happened to be away from home, so my aunt had to deal with everything."

"I'm fine. Ah Xun's work is important. "

Xia Yunqiao and Gu Yaoyao didn't get in touch with each other for a short time, but for the first time, he had a little more affection for star artists. When Xia Yunzhe entered the performing arts circle before, she didn't like it. It was hype in two or three days, and she felt bored.

However, Gu Yao Yao's body is not the bad habits of those stars, get along with very comfortable.

"My aunt is a good wife, and my uncle has a good eye."

Gu Yaoyao was much better when she heard the praise. "Thank you, Little Joe."

"You're welcome. At the beginning, my uncle helped me a lot, and it was my honor to have the opportunity to help my aunt. " Xia Yunqiao said with a smile.

Gu Yaoyao suddenly thought of Li Jinhua, "can I ask you something?"

"Don't worry, aunt." Xia Yunqiao gently patted Gu Yaoyao's hand, "my uncle has told me! Yixuan has arranged everything well. My mother-in-law will be OK. "

Gu Yaoyao didn't expect that Huo yunxun had done such a thing for himself in private, and everything made him feel kind.

Thank you

"Besides, thank you for treating us as outsiders."

Gu Yaoyao nodded, picked up her bag and got off the bus.

"Bon voyage, auntie."

Gu Yaoyao waves to Xia Yunqiao and Tang Yixuan. "Goodbye!"

Gu Yaoyao changed her boarding pass and sat down in the waiting room. She took out her mobile phone and called Huo yunxun. As a result, Huo yunxun didn't use to connect. It was the same as his first day in country D.

Gu Yaoyao instead sent a wechat message to Huo yunxun, telling him about the situation today and explaining that she was at the airport.

Until Gu Yaoyao walked out of the airport of a city, Huo yunxun did not reply. Gu Yaoyao can't help worrying. Just as she is about to take a taxi back, a car suddenly stops in front of Gu Yaoyao.

"Young lady, please get in the car."

[Chapter 722](#)

Gu Yaoyao stares at Xiang Qing, who appears in front of her eyes.

"Uncle Qing?"

"Yes, Madame, let me take it back."

"Back to mom and dad?"

"Yes."

Gu Yaoyao nods. Although there are some doubts, she still opens the door and gets on the bus directly. Gu Yaoyao thought, what's wrong with going back this time? Every time I was informed of that one, I felt sorry for myself and felt that I shouldn't!

"What's the matter this time?"

"No. The lady knew that the young master was on a business trip, and the young lady was alone in the Haoting garden, and no one was looking after her, so she asked me to pick you up

Gu Yaoyao smiles. She didn't expect that she was cared by so many people. She was excited and moved.

Thank you Always appear when you need it most, and then give yourself warmth.

"You are welcome, young lady." Xiang Qing has a good impression on Gu Yaoyao. Now some mushrooms are cold and like to be spoiled.

If his son can find such a one, his own wish is also.

"Uncle Qing, do you know what ah Xun is doing in country d this time?"

Xiang Qing's eyes flashed a surprise, but he soon covered it up.

"How can I know about the young master. I'm old, too. I can drive now, but I can't do anything else. "

"But I think uncle Qing is still very young."

Xiang Qing smiles. "I like to hear that, young lady."

"Ah Xun told me about the miraculous deeds of Uncle Qing when he was young."

Xiang Qing laughed. "How could the young master have seen it."

The two people said that they would go to the villa if they had a chat. It was already 12 o'clock. But the lamp in the villa is still on, just like waiting for Gu Yaoyao to come back.

Xiang Qing stops the car and Gu Yaoyao pushes the door open.

"Go in! Madame is waiting for you

"It's been a tough day."

Xiang Qing nodded and left to think of the villa next door.

Gu Yaoyao enters the door and Qiao Wei sits in the living room waiting for her. Stand up as soon as she comes in.

"Yao Yao, are you tired when you come back?"

"Not tired." Gu Yaoyao said with a smile.

"Are you hungry?"

After asking, Gu Yaoyao's stomach growled.

Joe gave a slight smile. "Dongyang, heat up the chicken soup."

After a while, Huo Dongyang came out with chicken soup.

"Yao Yao, have something to eat."

"OK."

Qiao Wei sits beside Gu Yaoyao and has been taking vegetables for her.

"Mom, that's enough. I can't eat all of them. "

"Where is enough, this point, must be hungry, come on, eat more."

Gu Yaoyao wants to say that it is not suitable to eat too much at night, otherwise he will not be able to sleep.

Huo Dongyang helps Gu Yaoyao to speak his heart. "All right! Yao Yao still has a job tomorrow. They are too full to sleep. "

Gu Yaoyao throws a grateful look to Huo Dongyang, otherwise he is really not good to speak.

"Yes, your father was right." Jovi stopped at once.

After taking a bath, Gu Yaoyao lies down in Huo yunxun's room and looks at the medals hanging on the cupboard and the walls. Gu Yaoyao knows how good Huo yunxun is when he studies.

It's like a dream to be a husband.

Thinking of Huo yunxun, Gu Yaoyao fell asleep.

Qiao Wei gently opened the door, trying to say to Gu Yaoyao a glass of milk, but found that she had fallen asleep. She didn't stay. She adjusted the temperature of the air conditioner and went out.

Back in his room, Huo Dongyang is sitting on the bed and talking to Qin Hao on the phone. Judging from his serious expression, he must have encountered some thorny problems. Joe walked over quietly and lay down beside Huo Dongyang.

Huo Dongyang saw that Qiao Wei had gone to sleep, and immediately said: "you deal with it first, and then we will talk about it tomorrow."

Looking at Huo Dongyang put the mobile phone down, Qiao Weicai asked: "what's the matter?"

"There's something wrong with a project at headquarters."

Qiao Wei and Huo Dongyang have been together for more than 30 years. They know his words and expressions very well. If something goes wrong, Qin Hao won't call. It should be a big event.

"Do you need to go to headquarters to deal with it?"

"No Huo Dongyang replied. "Qin Hao and John will deal with it."

Qiao Wei holds Huo Dongyang's hand and says his questions. "Dongyang, has HD offended anyone recently? Otherwise, how can there be problems one after another? This has never happened before. "

Qiao Wei's words reminded Huo Dongyang that someone might be playing tricks behind his back.

"You see, Xiaoxun hasn't finished handling it, and there's another problem at the headquarters. It shouldn't be accidental."

"It's the lady's head."

Joe chuckled. "I've always had IQ online." Huo Dongyang lay down, stretched out his hand and put Qiao Wei into his arms, "sleep, it's not early."

Qiao Wei answered and then closed his eyes. When Qiao Wei fell asleep, Huo Dongyang opened his eyes, and then quietly got up and walked out of the room with his mobile phone.

"Qing, go to all of HD's recent cooperation projects."

"What do you suspect?"

"Someone's trying to get through with HD."

Xiang Qing answered immediately. "Yes! I'll take care of it right away. "

Huo Dongyang then also gave Huo yunxun a call, but the phone is not available, even ah Jin. This makes Huo Dongyang's eyebrows wrinkle, faintly smelling the breath of danger.

"Qin Hao, send someone to D country."

"What? What happened to Xiaoxun? " Qin Hao asked nervously.

Huo Dongyang is not sure, but he has to guard against it. "Take precautions."

"Dongyang, just now I found out that our previous cooperation project in country f, the company went bankrupt."

Huo Dongyang's heart sank and his eyes fell. He seemed to know what had happened. The two projects that happened this time have something to do with the project in country f, so there is absolutely no such simple behind it.

"Let the people in country f keep an eye on the royal family and the helians."

"I see."

Huo Dongyang put down his mobile phone. If he really has a relationship with state-owned F, then Li Mengyao and he Lianmin can't get rid of the relationship! If they want to do something behind their back, he will never let them go.

Huo Dongyang enters the room again, Qiao Wei opens his eyes.

"How did you wake up?"

Qiao Wei and Huo Dongyang have experienced a lot of big and small things, and the tacit understanding they have developed over the years is not fake.

"Is something really wrong?"

Huo Dongyang nodded his head. "It may be related to state owned F."

"So it's Li Mengyao?"

"Not sure." Huo Dongyang replied.

Jovi sat up. I hope it wasn't her. Otherwise, it will be troublesome to deal with it in the future!

Huo Dongyang and Qiao Wei have similar ideas, but he thinks a little more. At the beginning, the royal family did not pay much for the project, but the other families took part of the cost.

If you remember correctly, the big boss of that company is the herring family. If the company really goes bankrupt, does it indirectly show that something happened to the Helian family?

It's not hard to guess who's behind this. If it's really her, it's time to give a thumbs up!

[Chapter 723](#)

State F, palace.

Li Mengyao is in her Princess's mansion, staring at the data on the computer all the time.

Qingya comes in with a drink to keep fit. Seeing that Li Mengyao is still busy, she puts the drink on the table.

"Qingya, what's going on in helianmin?"

"After helianfeng was ill, he didn't go out."

Li Mengyao slightly narrowed his eyes, not to go out may be to think of a way. It is estimated that it is not easy to turn over this time. The capital chain of Helian's family has been broken by her, and the company they rely on to make money is also under their own control.

She just wanted to see if helianmin could come up with something this time! If I had known this, why should I have done it in the first place! People who have delusions and challenges of imperial power can not be let go! It was also her way to keep the royal family in check.

"Keep your eyes on him."

"Yes

Li Mengyao picked up the cup and took a sip. She was in a good mood and had a good drink!

Now everything is moving in a good direction. Maybe the royal family will soon be able to take back all its rights and no longer have to look at other people's eyes. When everything is over, she will go to Huo yunxun.

At that time, there was nothing to stop them!

The hellens.

He Lianmin is not as decadent as Li Mengyao thought. His computer is connected to the foreign network. This time, he knew that Li Mengyao was in charge.

However, his vision is not so short-sighted, but far away!

Li Mengyao looks after country f, but he looks abroad. If she knew that Huo yunxun had risked to go to country D, she did not know how she would feel. Will she go all out to find Huo yunxun?

This is a good play that helianmin is waiting for!

There was a cough in the room. Helianmin shut down the computer and went into the room.

"What do you think, grandfather?"

"I'm fine." He Lianfeng replied that this time, he didn't expect to be careful or be seized by Li Mengyao.

Helianmin poured a glass of water to helianfeng. "In the future, I will."

He Lianfeng knows his grandson of course, but there are a lot of things, he is distressed. Quietly carrying the reputation of a straw bag is also wronged him!

"Boy, you must be careful next!"

Helian nodded. "Don't worry, grandfather. I'll pay attention. "

"Soon, I will submit my retirement report. I think the Li family should be very happy. "

He Lianmin's eyes flashed a flash of edge, waiting for so many years, finally arrived at this time.

"Don't fight with your life. That's our bottom line. Men have to be flexible. "

"I remember." Helian nodded.

After helianfeng fell asleep, he Lianmin left the room. The light on the mobile phone is flashing.

Fei Yun sent a message: "my Lord, HD has already started to check."

"Then act according to the plan and direct the matter to Li Mengyao."

"Yes

Helianmin sat on the sofa, but picked up the remote control on the side and turned on the TV. After a few boring changes, he stopped.

Because he saw Gu Yaoyao's figure appeared on the entertainment news channel of country D, and the broadcast was still the situation of the TV drama conference.

"Gu Yaoyao, you are really photogenic."

When he Lian's eyes turned, the evil spirit's face became more bright.

"Li Mengyao, wait for me."

A new day.

Gu Yaoyao's work began in the early morning, dressing up and switching to several mainstream platforms for TV drama publicity.

In order to keep himself in good condition, Gu Yaoyao dare not relax for a moment.

"Yao Yao, have a cup of ginseng tea."

Gu Yaoyao nods, but her eyes are still staring at the script in front of her, preparing for the following program.

The busy day ended in the evening. Gu Yaoyao had time to look at her mobile phone. As a result, she still didn't receive Huo yunxun's call or information. What happened there? I haven't heard from you for two days!

Lin Fan sent Gu Yaoyao back to the Huo family.

When he got home, Qiao Wei still prepared supper for Gu Yaoyao.

"Mom, it's too late. You don't have to wait for me." Gu Yaoyao said. Mainly do not want to let Qiao Wei too hard, such words, her heart will feel bad.

Joe shook his head slightly. "I'm fine! I didn't come back the same way

"It's nice to have a mother!"

Qiao Wei reached out and hugged Gu Yaoyao, "silly child, the mother will certainly treat you well!"

"Well!"

On the third day, Gu Yaoyao still didn't receive the news from Huo yunxun. The whole person was a little restless. Mobile phone has been blocked, people are worried!

When she got home that day, Gu Yaoyao immediately went to ask Huo Dongyang.

"Excuse me, Dad."

Huo Dongyang looks at Gu Yaoyao standing at the door of the study and nods to let her in.

"Dad, do you have any news about ahun?"Huo Dongyang shook his head, "No

"I'm worried about ah Xun. I'm a little upset today."

Huo Dongyang can see that Gu Yaoyao is really worried. He also tells Gu Yaoyao what he knows: "I heard there's something wrong with the signal there, so the communication can't be connected."

"Is that a big local problem? Like an earthquake or something? Otherwise, how could the communication be interrupted suddenly

"Not yet."

Gu Yaoyao's heart sank and her eyebrows twisted. She is afraid of Huo yunxun's accident!

"Dad, can you get in touch with ah Xun through other channels?"

"I'll let you know if I have news."

Thank you, Dad

Knowing that Huo Dongyang is still busy, Gu Yaoyao not only interrupts, but turns to leave the study.

When Huo Dongyang sees Gu Yaoyao's back, he can't bear to say some words. I hope Huo yunxun can solve it!

At this time, Xiang Qing handed the results of his investigation to Huo Dongyang.

"This woman can't be underestimated."

Huo Dongyang opened the information and asked, "how's the Helian family?"

"He Lianfeng proposed to retire today and handed over the military power. It seems to have been really stimulated. It is also reported that Li Mengyao and helianmin are divorced in the near future. "

Huo Dongyang's face sank, "cross the river and tear down the bridge?"

Did you see Li Mengyao? A few years of time, let her from naive to full of calculation, really too powerful!

It seems that time and power status can easily change a person, which is also a kind of sad!

"We will continue to pay attention to the situation in country f, and at the same time, tell a Jin about it."

"Yes

Huo Dongyang thinks that some things have been quietly changing, maybe the next is not so easy to control! What Li Mengyao wants to do, Huo Dongyang's heart has a bottom. But he won't let his family get into trouble!

What Huo Dongyang didn't expect was that the news came from country d soon, which further intensified the contradiction of the previous project. There are even people in the construction site bomb, want to declare dissatisfaction!

The news also said that Huo yunxun had an accident!

Hearing this, Huo Dongyang couldn't help being nervous.

"How is Xiaoxun now?"

[Chapter 724](#)

Huo Dongyang after listening to the phone, the whole person is distracted, eyebrows have been frowning.

Qiao Wei brought tea to Huo Dongyang, but found that his situation was not right. It seemed that he did not relax.

"Dongyang, what's the matter with you?"

Huo Dongyang raised his head and looked at Qiao Wei. He just wanted to speak, but he stuck his words in his throat. Because he was worried that Qiao Wei would not be able to accept the news, he could not see Qiao Wei fall down, otherwise, the family would also have an accident.

Qiao Wei can see the clue from Huo Dongyang's expression. She looks at her husband seriously.

"What's the matter? You speak Qiao Wei asked. "If you look like this, I will only worry more."

"Something happened to Xiao Xun." Huo Dongyang's voice is not big, but his tone is full of emotion.

Qiao Wei staggers back a step, fortunately Huo Dongyang is quick to pull her. "Qiao Wei!"

"Is that true?"

"Well, I just heard from country D. It said that there was an explosion at the construction site. Xiaoxun was at the scene at that time! "

"And now? How about Xiao Xun? "

"In the local hospital, unconscious."

Qiao Wei's face turned white. Listening to such news was a big blow to her. How could her son become like this.

"Who did it?" Qiao Wei knew that someone had arranged this on purpose. HD one after another, that is, someone is targeting the Huo family.

"It may have something to do with Li Mengyao."

"What do you mean?" Qiao Wei is very emotional. "How could she have anything to do with Xiaoxun? They don't matter for a long time! "

Huo Dongyang also burst out another news. "Li Mengyao and helianmin are divorced."

Qiao slightly angrily grabbed Huo Dongyang's arm, "so those people deal with my son? Is it his relationship with Li Mengyao? Do they have brains

"Don't get excited, Jovi. Pay attention to your body

Qiao Wei can't help but be excited. Now that someone is going to hurt her son, how can she stand by? Absolutely not!

"I'm going to country D."

"I'll go." Huo Dongyang replied. "We don't know exactly what's going on there. I can't let you take risks."

"Dongyang, you can't do anything! You are in charge, and everything is under your command

Huo Dongyang will never promise Qiao Wei, what should he do without her! These things he will not let his own women to fight!

"I can't lose you!"

Every time Qiao Wei heard this sentence, he felt happy in his heart. Her life has Huo Dongyang is enough, has no regrets left.

Before they decide, Gu Yaoyao's voice comes in.

"I'll go!"

Huo Dongyang and Qiao Wei look at the door of the study at the same time and find Gu Yaoyao standing there with tears on her face. She must have heard the words just now!

"Yao Yao..."

Gu Yaoyao had an announcement cancelled temporarily today, so she came back early. But when she heard such news, her heart was still shaking. There is a cognition in my mind, that is Huo yunxun's accident!

"Mom and Dad, I'm a Xun's wife. I should go for such a thing." Gu Yaoyao looks at Huo Dongyang and Qiao Wei.

"What about your job?" Gu Yaoyao has a lot of workload recently. If she chooses to go to country D, it will obviously affect her future!

Qiao Wei heard that Gu Yaoyao was going to go. She admired Gu Yaoyao's courage, and she had to give up her career.

"Nothing is more important than a Xun! Mom, let me go. " Gu Yaoyao is worried about Huo yunxun. She doesn't want to miss Huo yunxun. At least don't tell yourself it's a tragedy after she gives all her heart.

She doesn't want this ending! So she wanted to fight for it once.

Huo Dongyang nodded his head to agree with Gu Yaoyao. "I'll ask Xiang Qing to book your ticket."

"Thank you, Dad! I'll clean it up. "

Later, Gu Yaoyao's microblog was updated.

"I'm sorry to tell you that Yao Yao needs to rest for a while. Thank you for your support during this period of time! "

After the microblog update, they are asking Gu Yaoyao how is it? Why should I have a rest all of a sudden? And in this case, it's hard to understand.

Gu Yaoyao never does things according to the rules! It also seems to be her style.

Zeng Ni's microblog also because of the fall, almost all to ask Gu Yaoyao why suddenly announced the rest! What's the reason!

Zeng Ni answered one of the netizens' questions. "There's something wrong with Yao Yao's family. You need to take care of it! Yao Yao did not evade their responsibility and chose to face and deal with it, so it took a while. "

As soon as the explanation came out, many netizens expressed that Gu Yaoyao's spiritual beauty was responsible for his family! In their busy time, determined to make such a decision, this is a difficult decision.

Fans said that she would always stand by Gu Yaoyao, hoping that she could concentrate on her family affairs and return as soon as possible! Seeing these supportive voices, Zeng Ni finally settled down a lot. Fortunately, most netizens are supportive, which will not have much impact on Gu Yaoyao.

Before that, Gu Yaoyao had already called each person in charge of the program group and the producer of the TV series one by one before posting her micro blog, expressing her apologies in the hope that they could understand. If she can't understand, she will pay the penalty.

It seems that everyone is moved by Gu Yaoyao's sincerity, and they all say that they can understand Gu Yaoyao's mood, so everyone is willing to wait for Gu Yaoyao's news.

Gu Yaoyao, who is very popular, has set up a good image for her career. Every leader is very kind to Gu Yaoyao, and he is so approachable! Many people also saw Gu Yaoyao's contribution, so they expressed their willingness to wait.

Gu Yaoyao ignored this, simply picked up a few clothes and went to the airport with Xiang Qing.

"Uncle Qing, do you think ah Xun and ah Jin will be ok?"

"They're going to be OK!" Xiang Qing said firmly. And he also believed that when he was young, he would not have lost his two older children!

This time, because his son is also there, Xiang Qingbi seems to be a little anxious, and the whole person's spirit is highly concentrated! Xiang Qing doesn't want the white hair to send the black hair!

Gu Yao Yao's heart is not at all, so mechanically follow Xiang Qing to D country.

At country D's airport, HD people are already waiting at the airport ahead of time. Seeing this, Gu Yaoyao and Xiang Qing were sent to the hospital.

"How is ah Xun?"

"The young master is still in a coma and does not wake up. The doctor said it would be serious if you hurt your head! "

"Head?" Gu Yaoyao's heart is seized. If this one gets hurt, it's useless.

Gu Yaoyao couldn't believe it was true. She kept urging. "How much longer will it take to get to the hospital."

"Young lady, there is still a long way to go from the airport to the hospital. Please be calm and don't be impatient!"

Gu Yaoyao heard those words just now, where can you be a little calm!

[Chapter 725](#)

"Where can I calm down?"

Gu Yaoyao replied that head injury is a big problem! If one is not careful, the consequences will be serious!

"I want to see ahun soon!" Gu Yaoyao was anxious. Without seeing Huo yunxun, her heart could not be stabilized.

"How could this happen all of a sudden."

After listening to the situation of the day, Gu Yaoyao's heart almost jumped out. Therefore, this is also Huo yunxun has been reluctant to explain to himself the real purpose of this trip. It turned out that he was experiencing such a danger.

"Ah Hoon!" Gu Yaoyao put his hands together and prayed silently.

It's not easy to meet Huo yunxun in this lifetime. Gu Yaoyao doesn't believe that his fate with him is so short?

If this is the case, then we should not have met at the beginning!

"Don't worry, young lady! The young master will be fine. "

Gu Yaoyao nods. This time, ah Jin's situation is more serious than Huo yunxun. If ah Jin hadn't protected him all the time, maybe Huo yunxun would have died.

But Xiang Qing pressed his emotions to comfort himself, which also showed that he was too immature. When things happen, they mess up first.

This must be changed. Otherwise, it is easy to be seen through in the future.

"Young lady, the hospital will be here soon."

Gu Yaoyao craned her neck and looked out of the window. From a distance, she could see the cross sign of the hospital. Her heart leaped at a high speed. Huo yunxun is there. I haven't seen him for many days. I miss him so much! Missing is a disease!

If this kind of disease forms, it will not be easy to get rid of!

After getting off the bus, Gu Yaoyao followed people to see Huo yunxun.

With each step, Gu Yaoyao's heart leaped up, unable to predict what kind of situation he would see later.

Until standing at the door of the ward, Gu Yaoyao has no courage to reach out and push the door open. There are important factors behind the door that make you feel uneasy.

"Little lady!" Xiang Qing is anxious to see his son. He can't help but push the door in.

"Uncle, I'm sorry."

With that, Gu Yaoyao clenched the doorknob and pushed the door in.

The unique white of the hospital, followed by some unpleasant smell of medicine.

Without hesitation, Gu Yaoyao walked in.

Seeing Huo yunxun on the hospital bed, Gu Yaoyao's heart was seized. "Ah hoon, I'm coming!"

Huo yunxun was bandaged all over his body, which made Gu Yaoyao feel dazzling. So a tall and handsome, calm and steady Huo yunxun changed like this. Lying quietly, his face faded from the good look of the past, leaving the pale!

Gu Yaoyao held Huo yunxun's hand tightly and shed tears in her heart.

"Ah hoon, I'm sorry! I'm late. "

Gu Yaoyao put Huo yunxun's hand on my forehead, and her tears quietly dropped on the white sheet.

Looking at Gu Yaoyao and Huo yunxun, Xiang Qing takes the initiative to leave the ward, leaving time for them. He's going to see his own son of a bitch. Xiang Qing gently closed the door of Huo yunxun's ward.

Gu Yaoyao's tears seem to be unable to stop. They are flowing silently.

Until her mood stabilized, Gu Yaoyao let go of Huo yunxun's hand and wiped away her tears.

"Ah Hoon. Will you wake up soon Gu Yaoyao's voice is hoarse. She gently touches Huo yunxun's face. The handsome face had a few slight scratches, but it did not affect his image.

Gu Yaoyao wrung up her mouth bitterly. "No matter what you become, you are the most handsome in my heart!"

Gu Yaoyao thinks of her and Huo yunxun know each other bit by bit, time seems not long, but memories have been so much. In a few more years, I'm afraid I'll never forget it.

"Ah Hun, the luckiest thing for me is to meet you!"

Gu Yaoyao lies beside Huo yunxun. She can't sleep well when Huo yunxun is away these days. When I was tired, I woke up after sleeping for two or three hours, and then I couldn't sleep all the time.

At this time, Huo yunxun's side, she can sleep peacefully.

Gu Yaoyao said: "ah Hun, do you remember what I said? If something happens to you, I won't wait for you. I'll go to other men and get married and have children. Are you really looking at me like this? I hope you wake up when I wake up. How about that? "

Slowly, Gu Yaoyao's eyes closed, and her hand held Huo yunxun's fingers.

After Gu Yaoyao went to sleep, Huo yunxun's other hand, which was playing drip, moved, but no one saw it.

In her dream, Gu Yaoyao saw Huo yunxun smile at herself. They went for a walk on the beach hand in hand with smiles on their faces. Even at sunset, the two people were kissing like this.

Such a picture is so beautiful and moving that it makes people intoxicated. Gu Yaoyao's mouth slightly raised, as if to meet the best things.

"Ah Xun..."

Just at this moment, the door of the ward slammed open! A few people rushed into the ward.

Li Mengyao saw this scene in front of him, and his eyes were like a fire. Why the woman is a step earlier than herself.

"Gu Yao Yao!"

Gu Yao Yao was awakened after hearing the sound. She looked at the battle in front of her eyes, and she was in a tight heart.

Li Mengyao stared at Gu Yao. She looked at it countless times on TV, but for the first time, she had to say that age is a gap. Young is not the same!

"You are..." Gu Yao Yao in fact has guessed who the woman in front of her is dressed in grace and splendor.

Xiang Qing also hurriedly came from a Jin's room to see limongyao bring people to surround the outside of the ward. His brow frowned, and did not tell the people that they were living here as big people!

Will this limongyao do anything! Huoyunxun and a Jin are not easy to pick up a life. Now she brings people with them is not the same as telling those waiting for huoyunxun to be in trouble, and the target is located.

Xiangqing was stopped just after he got to the door.

"What, I can't get in!" The voice of Xiangqing is a little loud.

Gu Yao and limongyao in the ward heard it.

Gu Yao Yao saw the item prime, and immediately called: "Uncle Optimus!"

"Little lady, don't worry. It's OK." Xiangqing appeases Gu Yao, and makes sure that the little lady is OK. His eyes turn to limongyao.

"Princess, what is this going to do?"

Li Mengyao knows the identity of Xiangqing. He appears here mostly on behalf of huodongyang.

"Long time no see, uncle Xiang."

"Princess, this is called" folding evil me ", and it is OK to call me the name."

The answer of Xiang Qing made Li Mengyao a little bit down, because it was clearly to draw a line with her.

"I remember calling you the same way before."

Xiangqing entered the ward, and naturally stopped in front of guyaoyao. His eyes were slightly cool and looked at limongyao. He said nothing polite: "the princess said it was before, but now it is different! My young master has been married. "

Li Mengyao's face, like a flower, was stiff for a moment.

[Chapter 726](#)

Gu Yaoyao can't help worrying, Xiang Qing's words are clearly let Li Mengyao's downfall.

However, her identity is here, I really don't know what to do. She looked back at Huo yunxun who was still in a coma with worry. One thought in her heart was that she hoped he would wake up early.

"Uncle Xiang, I think your elders respect you so much." Li Mengyao continued. "It's also because you are yunxun's family."

Of course, Xiang Qing heard the implication of Li Mengyao. If it were not for Huo yunxun's sake, she would not be polite now.

"Princess, it doesn't seem polite for you to break in with people like this today. It's better to keep a distance between you and my young master! "

Li Mengyao is dissatisfied in her eyes. She squints at Gu Yaoyao who is blocked by Xiang Qing.

"Keep your distance?"

Xiang Qing has to say that Li Mengyao is more royal than she was a few years ago. She knows how to oppress people with power. The little girl who advocated freedom was no longer there.

At present, this murderous woman in her eyes really has the prestige of a princess.

"Shouldn't it?"

"I don't need it here. And I believe Yun Xun doesn't mind that. " Li Mengyao began psychological tactics. "After all, the worldly vision is so short-sighted. Yunxun and I are not people like that. Why do you care about these again?"

"Just like the last time he came to F, when did he care. We had a good time together! "

Gu Yaoyao listens to these words, pricks the heart! Li Mengyao told her on purpose!

"I wonder if there is some misunderstanding in the princess?"

"No misunderstanding." Li Mengyao said with a smile.

All her emotions have been adjusted, standing in front of her is a noble princess with a warm smile.

However, such a smile in Xiang Qing's eyes is a warning to him. This time, he didn't bring many people, so if he met hard, he couldn't do it. So he has to find a way to tell Huo Dongyang about the situation here.

Gu Yaoyao feels the tension in the atmosphere. She looks back at Huo yunxun.

"Uncle Qing..."

"Don't worry, young lady." Xiang Qing has a plan in mind. If Li Mengyao wants to do harm to Gu Yaoyao, he will try his best to protect Gu Yaoyao.

Gu Yao Yao gave Xiang Qing a reassuring look, "I'm ok."

Li Mengyao walked forward a few steps, she changed direction, her eyes fell on Gu Yaoyao. How could Huo yunxun like such a woman with little water.

Huo yunxun never cared about Gu Yaoyao's and Xia Yunzhe's hype, and did not even disclose their identities. This is not to say that Huo yunxun and Gu Yaoyao are contractual marriages. Even if they have marriage certificates, they are tragic in the end.

"Gu Yaoyao, let's talk."

Gu Yaoyao nods, but Xiang Qing does not agree. Li Mengyao has too many tricks now. Gu Yaoyao is definitely not her opponent.

"Uncle Qing, I can. You're here to look after ahun

"Good." Xiang Qing nodded.

After Gu Yaoyao followed Li Mengyao out, the two bodyguards at the door still stood there, never leaving.

Xiang Qing took a look at Huo yunxun, who was still lying in the hospital bed. "Xiaoxun, wake up! Something's going on with your wife

Xiang Qing told Huo Dongyang about the situation here and asked him to send someone over.

"I'll arrange it immediately to ensure the safety of Yao and Yao!"

"Don't worry."

On the other side, Li Mengyao and Gu Yaoyao sat down on a round table in the courtyard of the hospital.

Li Mengyao went straight in, "you know what happened to me and Yun Xun?"

Gu Yaoyao nods.

"I've been with him for so many years and I know him. He married you because he didn't want me to be burdened when he saw me get married

Gu Yaoyao has been quietly listening to Li Mengyao telling the story of her and Huo yunxun. Each story seems to be so beautiful. It is not true to listen to it, as if it is some packaged idol drama scenes.

Gu Yaoyao's understanding of Huo yunxun is not like what he would do. If their feelings were really so good, Huo yunxun would not have said that. For Li Mengyao, Huo yunxun once liked Li Mengyao, but he didn't love him deeply.

"I say these, just hope you can understand that the relationship between me and Yun Xun is not just a matter of breaking."

"I understand what the princess means. Where do you put the prince

Li Mengyao laughs, Gu Yaoyao is really stupid, such a question can also be asked.

"Hellenim is nothing to me." Li Mengyao is not afraid to denounce helianmin openly outside.

Gu Yaoyao's eyelids tremble. She drops her eyes. Li Mengyao is really heartless. One hundred days, she doesn't know.

"And I want to tell you one more thing. The Helian family has fallen down, and I also take back what belongs to me. So the hellenim is worthless

Gu Yaoyao raised her eyelids and looked at Li Mengyao. "Princess means..."

"We are divorced! So there won't be anything to hinder me and Yun Xun. Helianmin wants to like you very much. Why? Would you like to think about it? "Gu Yaoyao's heart is cold, is she not enough to know a princess, or said to go to those Princess images are deceptive! Li Mengyao can also say such words.

"Princess, I don't think you deserve to be with ahun."

Li Mengyao is furious and wants to reach out to beat Gu Yaoyao. But Gu Yaoyao's eyes, she quickly brake. no way! Although a slap to go down, but it will bring a great impact on their image.

Li Mengyao took a deep breath to keep her anger down and then showed a decent smile.

"I believe that in the end, Yun Xun will still choose me!"

Gu Yao Yao does not understand Li Mengyao where the confidence, "I will not divorce a Xun."

"I can't help you!"

Gu Yaoyao didn't want to say more to Li Mengyao, "I should go back."

"Yes, you should go back to city A. I will take care of Yun Xun

Finish saying, Li Mengyao made a gesture, elegant belt and two men come forward. It means to take Gu Yaoyao away.

"Don't bother the princess. I'll go back to find uncle Qing."

"It's not your turn to ask." Li Mengyao replied.

Gu Yaoyao couldn't understand what Li Mengyao did. But she also remembered a sentence, good women do not suffer from immediate losses.

"I can go, but should I always go to the bathroom? Can't you dirty your car for a while

Li Mengyao gave Qingya a wink and Qingya immediately took action.

Gu Yaoyao sat on the toilet and took out her mobile phone to send a message to Xiang Qing, explaining her situation.

"Don't worry, madam! You go back to the hotel, our people will be back in a minute. I'll watch this side of the hospital

"OK."

Gu Yaoyao comes out of the bathroom only to find that elegance is gone. She just wanted to open the bathroom door, but heard elegant voice.

"We must find helianmin and take decisive action when necessary! This is the order of the princess

Gu Yaoyao quickly covered her mouth and did not dare to make a sound. Is Li Mengyao really cruel?

"How are you, Miss Gu?"

[Chapter 727](#)

Gu Yaoyao immediately let himself calm down, this time absolutely can't show any sound, otherwise his life will catch up.

"Now Gu Yaoyao replied.

She went to the washstand and said to herself in the mirror, "Gu Yaoyao, you can do it! Believe in yourself

After finishing her appearance, Gu Yaoyao closed her eyes and tried to keep herself as an actor. She acted this as a script. "Gu Yaoyao, come on

Out of the bathroom, in addition to elegant, there are a few more men. I didn't expect that Li Mengyao was so worried that she ran away, and the situation was just funny.

As a woman, she asked so many people to escort her. It's funny to think about it.

"Miss Gu, the car is at the door. The princess has prepared the ticket for you

"Thank you, princess."

Surrounded by a group of people in the middle, Gu Yaoyao thinks this is the first time to see such a display.

After Gu Yaoyao got on the bus, she saw that Qingya answered a phone call, which should be Li Mengyao. But it ended in less than a few minutes.

"Miss Gu, the princess asked us to take you to the hotel. I'll talk to you later. "

Li Mengyao's sudden change of mind must be the result of Xiang Qing's communication.

"Good."

After arriving at the hotel, Gu Yaoyao sees Lin Dan.

"Young lady, are you all right?"

"It's OK." Gu Yaoyao nods. "Why did you come?"

"The Lord asked me to come."

Gu Yaoyao went to one side and sat down. "Do you know about a Xun in the hospital?"

"Uncle Xiang is watching in the hospital. It should not be a problem."

Gu Yaoyao's heart is a little relaxed, there should be no problem with Xiang Qing.

"The master asked me to take you back tomorrow."

"I really can't stay here?" Gu Yaoyao really wants to stay. Huo yunxun is her husband after all.

Lin Dan looked serious, "no, I have to protect the young lady to evacuate safely now."

Gu Yao will only listen to these arrangements.

After Lin Dan leaves the room, Gu Yaoyao immediately goes to check her bag. She remembers that there should be a business card, which was her before he Lianmin. I really found it in my bag.

Gu Yaoyao looked at the number and hesitated for a long time to pick up the phone.

She entered the number of helianmin, and the call key was not pressed. I don't know if this call can be put through, but because of the danger of his life, you can't let him die!

The phone is on.

"Hello He Lianmin's voice also sounded cautious.

"Herrenmin? I'm Gu Yaoyao. "

There was silence for a moment, and there was no sound for a long time.

Gu Yaoyao waited, but there was no sound from helianmin. "Are you still listening?"

"How could you call me?"

Gu Yaoyao didn't talk nonsense and didn't know whether he would believe what he said.

"I'm in country D, and so is Li Mengyao."

"Are you under the control of Li Mengyao?" He asked directly. "Are you all right?"

"I'm calling to tell you. Li Mengyao is not good for you, you should be careful! Believe it or not, I'll tell you

Helianmin was silent again and then burst out laughing. "Gu Yaoyao, are you informing me? Don't you worry about Li Mengyao troubling you? Maybe your phone has been tapped? "

"That's all I have to say. Goodbye!"

"Wait a minute. Do you need my help?" He Lianmin asked Gu Yaoyao in turn.

Gu Yaoyao declined. "I'm fine. Dad has sent someone to pick me up."

"Gu Yaoyao, I will remember this time."

The phone is cut off first. Gu Yaoyao puts down her mobile phone and then deletes her mobile phone number.

After lying down, Gu Yaoyao is thinking about Huo yunxun and can't sleep. Unfortunately, there is only one side in a hurry today, and there is no time to speak at all. I knew I would not sleep.

Gu Yaoyao felt heartache when she thought about it.

That night, Gu Yaoyao was just sleepy when her mobile phone rang.

Gu Yaoyao vaguely saw a number and picked it up.

"Gu Yao Yao!"

"Who?"

"Herrenmin."

When Gu Yaoyao heard the name, the whole person was a bit spirited. How could helianmin call himself? What's going on!

"Something?"

"Tomorrow at the airport, I'll wait for you."

Gu Yaoyao was shocked and her heart beat faster. What does that mean? He Lianmin is also in country D?!

"I don't understand you."

"I have no place for me in country D and country F. Li Mengyao didn't leave me any way back. "Gu Yaoyao remembers that Li Mengyao said to herself that she and helianmin have already divorced. Since they are divorced, why can't they all be well?

"She knows you're here?"

"Probably." He replied. "She heard that Huo yunxun had an accident, so she came here in a hurry. Before leaving, she gave an order to kill me, and I escaped. It's safest to follow her. "

Gu Yaoyao felt flustered after hearing it. Why did he tell her these things?! What's the point?

"I don't understand you."

"See you at the airport."

"I have someone to send me tomorrow, and I don't think we should meet either. Take care of yourself. "

Gu Yaoyao really hung up the phone. She didn't want to interfere with the affairs of helianmin and Li Mengyao. The call today was made out of humanity, and then there was no other thought.

Gu Yaoyao lies down again, but sleepless. So insomnia.

After dawn, Lin Danji comes to pick up Gu Yaoyao to the airport.

Gu Yaoyao stares at a pair of panda eyes and follows Lin Dan to the airport. On the way, Gu Yaoyao calls Xiang Qing.

"Uncle Qing, is ah Xun awake?"

"Not yet."

What about Li Mengyao

"It hasn't appeared today. It seems that something has gone out."

Gu Yaoyao's heart sank, can't he find the whereabouts of helianmin? So you're ready to take root? Do you really want to be so cruel?

"Young lady, there's an accident ahead and there's a traffic jam."

Gu Yaoyao took a look. There was a long line in front of her. She really didn't know what happened! But it looks like a big deal!

"That will have to wait."

This is also the only way to the airport. Now there is an accident ahead. I think these people who are blocked on the road will miss the plane.

Lin Dan reported the situation here to Xiang Qing and Huo Dongyang respectively. Huo Dongyang to the news is to change the flight, always can't get off to walk to the airport!

"Yes."

All of a sudden, there was a commotion ahead, and a crowd came out.

"There's a bomb!"

Some people kept shouting, and all of them ran back as hard as they could.

Lin Dan didn't dare to take a risk and pulled Gu Yaoyao out of the car. Run back with the crowd and evacuate to a safe distance immediately.

In the process of running, several women flustered into each other and scattered Gu Yaoyao and Lin Dan.

"Lindane!"

"Little lady!"

[Chapter 728](#)

Gu Yaoyao looked at Lin Dan's distance from himself, and the strength of the crowd successfully separated them.

Lin Dan wants to rush through the crowd to rescue Gu Yaoyao, but he is almost unable to move forward. This frustrated to see Gu Yaoyao submerged in the crowd.

Lin Dan immediately reported the situation to Xiang Qing and Huo Dongyang.

Gu Yaoyao was pushed to the side of the road by the crowd. She stood under a street lamp and looked at the people who were in a hurry to flee. She did not move, so she stood here, waiting for Lin Dan to come to find herself.

Helpless is that their mobile phone is still in the car, just did not have the consciousness to take the mobile phone.

Gu Yaoyao stood helplessly by the side of the road, standing there quietly. In fact, it was very eye-catching. So soon, someone saw Gu Yaoyao, grabbed her hand and went to the street in another direction.

"What are you going to do?"

Gu Yaoyao looked at the man with a black cap in front of her and pulled herself all the way to the other direction of the street.

Gu Yaoyao wants to break free, but she can't get rid of it. The strength of a man is too strong for her to succeed at all.

"Where on earth are you taking me?"

"Just follow me!" The man's voice was deliberately lowered, apparently with a mask.

The man stopped at a safe intersection.

"It should be safe here."

With that, the man pulled down his mask and said, "it's me!"

Gu Yaoyao opened her eyes and looked at the person in front of her in disbelief.

He Lianmin blinked at Gu Yaoyao, in a good mood. "I saved you just now. How can you repay me?"

"You and I are even."

Gu Yaoyao said impolitely that she did not owe him.

Helian laughed. "I think you should have seen Li Mengyao's means! Now, in order to let me die, she wants to blow me up at all costs, and she also wants to pull a vote of people to die together, so that I am not lonely on the way to the yellow spring. "

Gu Yaoyao can't accept these things. Can Li Mengyao really be so vicious? Even if you don't want to be a husband and wife, you shouldn't kill them like this.

"Did you do something that upset Li Mengyao? Otherwise, she won't do this to you! "

Helian laughed, "it's just that I have her handle on my hand, so she will target me!"

"What the hell did you take from her?"

"It's better that you don't know about it, or you'll have bad luck."

Gu Yaoyao shut her mouth and did not ask. She has to get in touch with lindane and them now.

"Can you borrow my cell phone? I want to make a phone call. "

He Lianmin shakes his head. This call is to help. He won't give it to other people easily.

Gu Yaoyao didn't have to. She just hoped that they would come and pick him up as soon as possible. She didn't want to have anything to do with hellenim.

He Lianmin quickly saw Gu Yaoyao's mind, "at this time, you can only be with me. Huo yunxun's people won't find it so soon. Maybe we will be found by Li Mengyao's people first. "

"Why don't you hurt me?" Gu Yaoyao thinks that she is unlucky. How can she be related to helianmin.

He Lianmin saw Gu Yaoyao's expression and was amused again, "you can't do this. Is it better to be with me than with Huo yunxun? "

Gu Yaoyao almost blurted out a sentence. "Of course! It's safe to be with ahun. "

"You are wrong. There is always a Li Mengyao between you and Huo yunxun. I think these two days, you can also see her power and means. Rabbits like you are definitely not her opponent. "

At this time, not far behind them, someone was coming in their direction.

He Lianmin immediately raised his spirits and pulled Gu Yaoyao into an alley.

"Are they coming?"

"Well!"

Gu Yaoyao's heart almost jumped to her throat. Now it's even more exciting than making a movie.

He Lianmin did not take a few steps when he heard the silencing gun hit his feet. "Damn it!"

Gu Yaoyao's face turned white and her heart beat fast. Did she really have a gun?

He Lianmin thinks that if he continues to hold Gu Yaoyao, he is likely to be hit next time. He sees several garbage cans in front of him.

"You go over there and hide, and you'll come out when I deal with these assholes."

Gu Yaoyao nods mechanically and then hides behind the garbage can.

"There it is!" Some people yelled, and a few guns shot at helianmin.

He Lianmin pulled out a small silver pistol from his trousers. There was no way to fight them with firepower, but he should be careful to save his life.

He soon came to the conclusion that he would find a hiding place and hide himself.

Looking at people constantly approaching, helianmin's forehead is all sweat.

Gu Yaoyao saw the situation of helianmin through the gap, which can be said to be quite bad! Looking left and right, Gu Yaoyao is thinking about how to save helianmin!The gun battle is over.

Gu Yaoyao dare not relax all the time. She doesn't want to die.

Seeing more and more people outside, Gu Yaoyao and he Lianmin looked at each other. Never do anything stupid! You have family and friends.

As if he didn't see it, he concentrated on his enemy. He then sent a distress signal through his mobile phone. I hope Feiyun will come here soon.

There were more and more people outside, and there were no bullets in his pistol.

Gu Yaoyao is more afraid, and all kinds of worry.

He Lianmin is outnumbered now. Gu Yaoyao saw several glass bottles on the ground, and did not know where the courage came from. She picked it up and threw it out.

In less than a second, several glasses turned into crumbs. And those people shifted the direction of the attack, and just looked at a few big trash cans.

Gu Yaoyao got down on the ground and didn't dare to move at all. Several trash cans are full of holes!

Helian couldn't help scolding, stupid woman!

Gu Yaoyao covers her ears. She feels that there are countless bullets flying over her head.

He threw a lot of things from other places to attract the attention of those people. Taking advantage of the gap, he Lianmin returns to Gu Yaoyao.

"Are you all right?"

Gu Yaoyao just wanted to answer, when she saw that someone was aiming at helianmin.

Gu Yaoyao, I jumped at helianmin, and the bullet hit her arm.

"Yao Yao!" He Lianmin couldn't believe that the woman who had no strength to bind a chicken would not die for her own sake.

Gu Yaoyao was holding her arm painfully, and the blood was already flowing out.

"Why are you doing this?"

"Let's go!" Gu Yaoyao looks at helianmin and says. "There is no need to worry about firewood if we keep the green hills."

Helian frowned and his expression was very tangled. He didn't want to leave Gu Yaoyao, or he would not be a man!

"I'll take you."

"No. You go away

"Say something stupid."

At this time, Feiyun came with people.

"My Lord!"

[Chapter 729](#)

"Yao Yao!"

Huo yunxun yelled and his eyes opened instantly.

See Huo yunxun wake up, Xiang Qing immediately forward. "Young master, are you awake at last?"

"Yao Yao?" Huo yunxun did not say anything, and immediately wanted to see Gu Yaoyao here. He knew that Gu Yaoyao was here, and he had heard what she said.

Xiang Qing avoids Huo yunxun's sight. He doesn't know how to tell Gu Yaoyao what to do.

"Uncle Qing, talk to me

"Young master, don't be excited when you wake up. The doctor said you hurt your head

Huo yunxun was even more worried. He had just dreamt that Gu Yaoyao had an accident. She was covered with blood and then fell into a pool of blood. That picture is clear and strong, every second is stimulating their own nerves.

"Where are Yao and Yao?"

"Something happened to the young lady."

Huo yunxun grabs the hand of Xiang Qing. The strength is amazing. It is not a state that a patient should have.

Xiang Qing told Huo yunxun after a long and short story, "this is what happened."

"Why is Li Mengyao. Yao Yao is my wife. " Huo yunxun red eyes, the thought of Gu Yaoyao once again out of his controllable range, he can not sit still.

"Get all the surveillance videos from all the streets right now!"

"Young master, we will deal with these. You need to rest now."

"No! I must find Yao Yao first. "

Xiang Qing couldn't resist Huo yunxun, so he had to order people to do it.

Huo yunxun sat there motionless, his mind was full of pictures seen in the dream before, and his hands slowly tightened. His heart felt like a needle pricked at the thought of the possible outcome.

Hearing Huo yunxun wake up, Li Mengyao comes in a hurry.

"Yunxun, are you awake? Do you feel any discomfort? "

Huo Yun Hun has a cold face, and the tone is very stiff: "Princess highness, I do not need your concern. I have my wife. "

Li Mengyao's original smile froze. She couldn't believe Huo yunxun would talk to herself like this. In fact, when he was in the hospital, Li Mengyao received news that he Lianmin had escaped and that a woman helped him escape.

Li Mengyao is wondering if the woman is Gu Yaoyao. Today she is going to the airport. There's a chance we'll get together.

But the woman was shot, and it seems that she will die soon. If that woman was really Gu Yaoyao, she would be a great help to herself. Gu Yaoyao is gone, so Huo yunxun's mind will not be in her body.

"Yun Xun, why do you have to say that?"

"Princess, please don't meddle in my affairs with Yao Yao." Huo yunxun warned Li Mengyao again.

Li Mengyao is uncomfortable, Huo yunxun has become a stranger. How could their feelings for so long not compare with their feelings of several months? A contract marriage is not long, just like yourself and hellenim.

"I divorced hellenim."

Huo yunxun does not have any waves on his face. He doesn't want to know about Li Mengyao and helianmin. He is now hoping that Gu Yaoyao can return to his side.

"It's none of my business."

"Why doesn't it matter?" Li Mengyao asked, "we will not have any hindrance in the future."

Huo yunxun is straightforward. "I will never divorce in my life."

"Do you really like Gu Yaoyao so much? How far can contractual marriage go

"Yao Yao and I are not in contract marriage. I married her to live together. " Huo yunxun replied.

Xiang Qing walked into the ward, "young master, I have news."

"Say it

"There was a commotion in the street, and there was a blatant sniper in the street. The young lady has been implicated. "

Li Mengyao's face froze and her heart tightened. She was worried that Huo yunxun would find out that she had done these things. This action is also supported by country D!

Unable to sit down for a minute, Li Mengyao stood up and left!

"Tell the truth!" Huo yunxun can't wait to know the real situation.

"The young lady has been shot. It is not clear whether she will die or not." His face was heavy. "This time, he Lianmin was implicated."

"Where are Yao and Yao?" Huo yunxun couldn't sit down for a second.

"He was taken away by helianmin and should still be in country D."

Huo yunxun's eyes flashed a sharp, "to check the hospital, I want accurate information."

"It has been arranged."

Huo yunxun opened the quilt to get out of bed, Xiang Qing pressed him. "Young master, you are forcing yourself

"Yao Yao is more important than me."

Xiang Qing looked at Huo yunxun in front of him, as if he had seen Huo Dongyang. Really dedicated to the feelings of the father and son.

"The young master has a good feeling for his wife!"

"Yao Yao is mine. From the first sight, I knew this woman would be mine." Xiang Qing is a person from the past. He is familiar with these things. "I know the young master's mood. So was your father! I still remember when your mother wanted to leave, but he used tough means to keep your mother behind

"So is the young master."

Huo yunxun fell into silence and waited anxiously for Gu Yaoyao's news.

On the other side, helianmin carried Gu Yaoyao into his house in country D.

The doctor has been waiting here for a long time. "My Lord, please put the lady down."

"I want her alive!" Hellenim gave the order.

"Yes

The room temporarily became the operating room, and Helian waited outside the door anxiously.

He didn't take the risk to send Gu Yaoyao to the hospital, otherwise he would soon be found by Li Mengyao. So he can only aggrieve Gu Yaoyao.

For Gu Yaoyao, he Lianmin can describe his mood at the moment with complexity. She was the first woman who was injured for her own sake. She didn't want to meddle in her own affairs. As a result, she did something that people couldn't be moved.

"Gu Yaoyao, you must get better for me!" Helianmin clenched his fist.

Fei Yun went to helianmin and said in a low voice, "young master, Huo yunxun is awake. Now his people are almost carpet searching for Miss Gu. "

"Awake? Then it seems that Li Mengyao will be too happy to speak. "

"No, Li Mengyao went into the ward less than five minutes before Huo yunxun drove away."

Helian is indifferent to hook the corner of the mouth. "Did Li Mengyao have a closed door? It was a disgrace to her. But she will not attack Huo yunxun, who let that be her sweetheart. "

"My Lord, what shall we do now?"

"Spread the news that we have prepared before, and let country f do the same."

"Yes Feiyun will deal with it immediately.

"Li Mengyao, I hope you like the present I prepared for you. This time, it will definitely make you fly, and Huo yunxun will hate you. "

Soon news came from the Internet, with a title of "the unknown Princess of F". Li Mengyao said that for his own private, Li Mengyao did a lot of unknown secrets. And also pointed out in the explosion that Li Mengyao planned a killing airport explosion, implicated other people!

As soon as the news came out, Li Mengyao was attacked immediately.

[Chapter 730](#)

When she saw the big news on the Internet, Li Mengyao was talking to her father on the phone. She only knew about it on the phone.

"Father king, this matter must be a trick of helianmin!"

"I told you last time not to pursue so hard. You just don't listen. "

"Father, it's dangerous to cut the grass without removing the roots. That's how we were threatened by Mount Helian for so many years Li Mengyao retorted that when it should be hard, it should be hard.

"Come back from country D. And the news of your divorce from helianmin can't be released. "

"Why?"

"No, for the sake of face."

Li Mengyao is angry and throws the mobile phone aside. Every time she makes a sacrifice, she is herself! This time, helianmin is preparing to do this to himself. Damn it, it's almost this time.

Qingya goes to Li Mengyao. "Princess, what shall we do now?"

"Save the life of helianmin for the time being! Prepare to return home. "

"Yes

Soon the royal family of F issued a statement that the information on the Internet was not true and had a serious impact on the princess. The princess always demands herself with the highest requirements, and never does anything that will damage the royal face. If the rumor mongers do not stop, then the royal family will also take legal measures.

Insulting the royal family is a big crime.

Look at the statement of the f royal family. Helianmin can't help sneering, but he still wants to protect the face of the princess at this time. But who knows how dirty it is.

"Feiyun, keep telling."

"Yes, my Lord."

Just a little while after the announcement of the royal family of F, there was another report on the Internet. This time, it was the news that Li Mengyao and helianmin divorced. Li Mengyao forced

Helianfeng to lie ill in bed, and then successfully regained military power, and then filed for divorce. Because the Helian family has no use value!

In the F country, praise marriage sincerity, the result is the princess's marriage is like this, people can't believe love!

The storm that just subsided pushed Li Mengyao to the top of the storm again. Li Mengyao's comments on the wind become worse in an instant, and even the past affairs of Li Mengyao and Huo Yunxun have been picked out.

Many people have said that Li Mengyao married Helian Min in order to get the military power of the Helian family. After her success, of course, she is trying to get rid of the bridge and want to get married with the people she likes.

As soon as the news came out, Li Mengyao's face was very ugly. What's more, what kind of excuse should we use to explain this incident? This is exactly what he did this time.

Li Mengyao clenched her hand. "Helianmin, you are cruel enough!"

After the news came out, the royal family of F did not make any statement to the public, which seems to be tacit.

He Lianmin looked at the news on the Internet and couldn't help but stir up the corners of his mouth. He will wait for Li Mengyao to solve this problem. Will Huo Yunxun help her? Thinking of this problem, he looked at Gu Yaoyao's room.

After the bullet was taken out, Gu Yaoyao did not wake up. The doctor's words are still in the ear. The nerve of the left hand is broken. It will take a long time to recover. This is a heavy blow to Gu Yaoyao.

It's not easy for Gu Yaoyao to get to now. It's a pity that she lost her achievement because of this.

"My Lord!"

"Say it."

"Li Mengyao called."

Helian grunted, "she still has the face to call me. Why did she shut up with Huo Yunxun, so it reminds me of me?"

"No

"Yes."

Li Mengyao angrily listen to the elegant reply, the whole person is not good! How dare you treat yourself like this? Helianmin's wings are really hard. When there is nothing to do, she can only go to Huo Yunxun.

Seeing Huo Yunxun again, he has hardly seen Li Mengyao with his eyes.

"Yunxun, I need your help this time."

"I won't help you." Huo yunxun is more direct this time, leaving almost no room for discussion. This is a big blow to Li Mengyao.

Li Mengyao frowned and knew the reason why Huo yunxun refused.

"Yunxun, you and Gu Yaoyao will not have a result. She doesn't love you at all! You can also see that she is a performer, who likes to hook three and make four. Now maybe he's fooling around with helianmin now

Huo yunxun stares at Li Mengyao sharply, "how do you know?"

"I..." Li Mengyao opened his mouth and revealed the secret.

"So you really did this airport bombing? What's more, the reason why several HD projects have problems one after another is that you are in the back layout, right? You don't like helianmin, so take this opportunity to knock down helianfeng and get your things. "

"Yun Xun, listen to me."

Huo yunxun interrupted Li Mengyao's words, "if you get what you want, you can't wait to divorce helianmin. Now you still want to get rid of the root at all costs! Yao Yao was led by you. You want her to die together. "Li Mengyao wants to explain, but he can't. Because that's what she thought!

"Li Mengyao, you are terrible!" Huo yunxun had a new understanding of Li Mengyao.

In recent years, she has really changed! A lot of things, she is too much of a schemer.

"Why do you look at me like that?"

"Because I find you terrible."

Li Mengyao couldn't laugh or cry, but Huo yunxun said such a thing. She did not want to be a happy little woman, but she did not get rid of her Princess identity, these are not her choice.

If she does not change strong words, then the last bad luck is herself! She can't let herself fail!

"Huo yunxun, you have changed too! I'm terrible? If you were in my position, you would be better than me

Huo yunxun doesn't want to talk to Li Mengyao. He is worried that Gu Yaoyao is the only one who has nothing to do with him.

Within a short time after Li Mengyao left the hospital, HD also made a statement. The statement directly disclosed the news that Huo yunxun was married. Li Mengyao and just friends, there is no ambiguous relationship!

As soon as the news came out, the whole a city exploded.

Huo yunxun made public the news of his marriage, which broke the hearts of countless young girls, and even some people could not accept such news. Make complaints about fond dream.

, but soon someone went to Tucao Li Mengyao. She said that a princess of her country wanted to rub up Huo Yun Xun's enthusiasm and hype himself. He was so vicious and too fond to think of Huo Yunxun.

He Lianmin was happy to see the statement issued by Huo yunxun! Because this shows that Huo yunxun and Li Mengyao have officially broken up! It's something to be happy about.

"Li Mengyao, you also have today!" Helian said triumphantly. "How to be bitten by one's beloved man? Will this conscience hurt?"

"You can't live if you do evil yourself!" He Lianmin can think of how ugly Li Mengyao looks at this time.

"My Lord, the young lady is awake."

Hearing this from the nurse who took care of Gu Yaoyao, he Lianmin immediately came into the room.

"Yao Yao, are you awake?"
