

Warm Wife 741

[Chapter 741](#)

But the people who got off the bus were Qin Zichen and maiziqi.

Ji Haonan's eyes were dark for a moment. He covered it up very well, so he didn't let Qin Zichen and his wife see it.

Qin Zichen is a little surprised at Ji Haonan's arrival.

"What brings Ji Shao here?"

"What about the warm clouds?"

"My sister is out today, not at home."

Ji Haonan frowns, it seems that he is not at home.

"Where's Mike's company?"

Qin Zichen shook his head. "I don't have to tell you that. After all, they are people who have been separated. "

Ji Haonan had to endure these unpleasant words, although in a bad mood. After breaking up with Huo yunnuan, he thought of such a cold reception!

"Ji Shao, my door is too small for you, please go back!"

"I'm here to find Huo yunnuan."

Mai Ziqi is angry at Ji Haonan's attitude.

"Ji Shao, you and your sister have broken up. Please don't look for her again. Your company is all right now. This is uncle's letting you off for your sister's sake. If it's a man, you should be able to take it up and put it down! "

Ji Haonan's eyebrows wrinkled, can take up to put down! Easier said than done.

"Jishao, please leave before my father comes back. Otherwise, it will be embarrassing for a while! "

With that, Qin Zichen took maiziqi's hand and walked into the room around Ji Haonan.

But Ji Haonan seems to have made up his mind and will not leave until Huo yunnuan. Standing at the door all the time, the passers-by looked sideways.

Jian LAN looks down from the balcony on the second floor and sees Ji Haonan's head. If she doesn't have quality, she really wants to pour a bucket of water from the upstairs, so that she can be a wet dog.

But her upbringing prevented her from doing so.

Qin Hao came back and took a cold attitude. Don't say a word, go straight into the house.

"Little warm didn't come back?"

Jane LAN shakes her head. "I called to say Mike invited her to dinner."

"My sister went to celebrate. That dress show in the afternoon was amazing! We saw it in the company today. My sister's aura was fully opened. As soon as she came out, she suppressed the whole audience. The men at the scene looked straight

Maggie's words aroused Jane Lan's interest, "really? I want to see it. "

"Mom, I'll show you later."

"Good." Jane LAN nods.

Qin Hao directly calls the security guard to ask Ji Haonan to leave, so as not to get in the way of the door.

Ji Haonan sees the security guard in front of him and knows that Qin Hao is driving people. In order to avoid one thing, Ji Haonan has to leave first. Is he coming to the United States without telling everyone else, or is he mainly keeping a low profile.

Ji Haonan stays in a nearby hotel and is going to find Huo yunnan again tomorrow.

He still wanted to talk to her about something.

But this time, Ji Haonan is a step slower than others.

Fei Yuchen has found Qin Hao's house. Looking at the villa in front of him, Fei Yuchen confirmed again: "does that lady really live here?"

"Yes." Alan nodded. "This is the home of Qin Hao, vice president of HD."

Fei Yuchen's eyes flashed with surprise, but he didn't expect that Oriental beauty was also related to HD.

"Qin Hao's daughter?"

"Qin Hao has only one son."

Fei Yuchen is more curious about Huo yunnan's identity. There are many riddles on this woman, which makes him want to guess what the riddle is!

"Ring the doorbell."

"Yes

Qin Hao opens the door. He looks at two strange men standing in front of him. They are still wearing expensive custom-made suits. They must not be ordinary people.

And the man standing in front of him, with a bit of noble spirit, has a mixed face of East and West, should be a mixed race. With a sculptural yayang face without dead corners, his appearance is no worse than Huo yunxun.

"Who can I speak to, please?"

"Hello, Mr. Qin! Does this lady live here

Fei Yuchen finish saying, Allen takes the initiative to hand over the mobile phone.

Qin Hao glances at the photo on his mobile phone. This is not a picture of Huo yunnuan who was on a show yesterday.

"Are you?"

"Here's my business card." Fei Yuchen handed in his business card.

Qin Hao takes Fei Yuchen's business card and looks at the gilt logo, Fei on the English business card.

Qin Hao has an impression of this name. The company only came to the United States from Europe for two years. It mainly deals in trade business, but recently it has begun to involve other fields. The leader has the strength to become famous in two years.

Fei Yu Chen, the president of Fei, has a younger brother in Europe. I heard that their family is famous in Europe. In a word, the backstage is very hard. Many people call him Mr. Fei.

But this is the first time Qin Hao saw Fei Yuchen's true face.

Fei was one of the sponsors of yesterday's show. It's just that Fei Yuchen comes to the door. What's the reason?"It turned out to be the president of Fei. I've heard a lot about it."

"Mr. Qin is very kind." Fei Yuchen smiles, but he didn't expect Qin Hao to know himself.

But if you think about it, it's easy to know some things with HD.

"Mr. Fei is young and promising, and he has a good appearance."

"Mr. Qin praised falsely."

Fei Yuchen also wanted to get some information from Qin Hao, but he was preempted by Qin Hao.

"I don't know what's the matter with Mr. Fei?"

"It's just a collaboration that wants to talk to this lady."

Qin Hao polished a turn, "sorry, we don't talk about any cooperation."

Facing Qin Hao's direct determination, Fei Yuchen was surprised.

"Why?"

"No why?" Qin Hao smiles politely. "Please go back, Mr. Fei."

Allen wanted to come forward, but was stopped by Fei Yuchen.

"In that case, excuse me."

Qin Hao nods and closes the door.

Allen didn't understand why Fei Yuchen had to give in just now. Qin Hao's attitude was obviously not good, and they couldn't stand up.

"Boss..."

"Go back Fei Yuchen spoke.

From the conversation with Qin Hao just now, it's not without gain. At least one thing is very clear, Qin Hao is protecting her. And she never mentioned her name, so it seems that her identity is not simple.

"To Mike's company."

It doesn't work here, so keep looking for other places.

When Fei Yuchen and Ellen Li leave, they just pass Ji Haonan.

Fei Yuchen stops and looks back at Ji Haonan's back in a hurry. His destination is also Qin Hao's home.

"Ellen, follow me."

Allen nodded and turned to follow Ji Haonan.

Fei Yuchen's mouth slowly raised, that pair of blue deep eyes had a different light. In the past two years, there have been some interesting things.

Fei Yuchen is waiting in the car for Allen to come back. He looks at the photo on his mobile phone again.

"Who are you?"

In about ten minutes, Allen was back.

"How about it?"

Allen whispered a few words in Fei Yuchen's ear, and the smile on Fei Yuchen's face deepened.

"Ji Haonan?" Fei Yuchen read the name with a smile in his eyes.

It seems more and more interesting!

"Go and find out the relationship between them."

Alan nodded. "Yes."

"Go and find Mike."

The car started slowly and then disappeared.

[Chapter 742](#)

After Huo Yun warmed up to Mike's company, he saw a strange man sitting in the office.

And this man is looking at himself with a strange look, especially his blue eyes reflect his own appearance.

Huo yunnuan avoids Fei Yuchen's eyes and looks at Mike.

"What can I do today?" Huo yunnuan speaks directly. If not, she will go back first.

Mike has guests, and she can't be bothered here.

"This is Mr. Fei." Mike stands up and introduces.

Huo yunnuan can see from Mike's smile that his meaning is so obvious.

"Hello!" Huo yunnuan casually said hello. "If you have guests, I'll go out first."

"Dear!" Mike pulled Huo yunnuan. "Mr. Fei came to see you in person."

Huo yunnuan frowns and expresses dissatisfaction with Mike's behavior of pushing himself out for benefit.

"What do you want from me? I'm an ordinary person. " Huo yunnuan doesn't want to get involved with other people.

Just finished dealing with Ji Haonan at home, but now she doesn't want to waste brain cells to think about other things.

Fei Yuchen has been observing her since Huo yunnuan came in. Unexpectedly, she has a pair of eyes similar to himself. She is also a hybrid. She wore black contact lenses yesterday, so he always thought she was Oriental beauty.

At this time, her temperament is completely different from yesterday's show. If she is on stage with Queen's style, then she has some arrogance and willfulness.

Mike didn't mention her name all the time. It seems that he was just like Qin Hao because he protected her. However, this will only be more interested in their own to explore.

"How do you do, beautiful lady?"

Seeing Fei Yuchen stand up, Huo yunnuan slightly raised his head and said: "I don't like people to call me miss."

"What shall I call you?" Fei Yuchen asked with a smile, his eyes on Huo yunnuan have a more in-depth study.

Huo Yun warm smile, and this smile with domineering.

"I prefer to be called queen."

The smile on Fei Yuchen's face is deeper, this woman is too interesting. If he changed to another woman, he would feel that she was arrogant, but he felt lovely to Huo yunnuan.

Looking at her doesn't seem like a joke, and it's full of momentum, but it doesn't give people an uncomfortable feeling.

"I am you like a princess."

"No Huo yunnuan repeatedly waved his hand, "I am more dissatisfied with the word princess."

"Is it?"

Huo yunnuan nods, pretends to look at the mobile phone, and then speaks to Mike. "I'll have an appointment later, and I'll go."

Mike has captured some information from their conversation. He is accurate in judging people, and he is also shrewd as a businessman. Fei Yuchen had no intention to Huo yunnuan.

"Well, go on!"

Huo yunnuan walked to the door and suddenly stopped, then added a sentence.

"I have an appointment with my fiancée. Don't call me if you're OK." It seems that he is telling Mike that he is in charge. There won't be any contact with him.

Mike laughs. He really has no way to warm Huo Yun.

Fei Yuchen's face changed slightly, but soon recovered. I have to say she's smart and she knows her mind. However, whether her fiancée still has a relationship remains to be confirmed.

"Mr. Fei, I'll make you laugh! The girl has been spoiled since she was a child. She has a big temper

"It doesn't matter. It's personal." Fei Yuchen nodded.

Huo yunnuan walked out of the company's door and immediately contacted Qin Hao.

"Come to headquarters." Qin Hao told me on the phone.

Huo yunnuan drove to HD's headquarters, thinking about how to deal with the matter in front of him.

When he arrives at Qin Hao's office, Huo yunnuan listens to Qin Hao's talk about Fei Yuchen's background. Frowning, it seems that Fei Yuchen really wants to cooperate with himself.

"I'll get in touch with your father, and you'll go back to city A

Huo yunnuan hesitated for a while. At this time, he must face more problems.

"In the morning, Ji Haonan left home and went straight to the airport." Qin Hao replied. "What did you talk about?"

Huo Yun warm shrugged, "actually did not talk about anything, said three words."

"What are you going to do next?" Qin Hao asked one more question. In fact, he was worried that Huo Yun's warm and Ji Haonan's affairs would not end so easily.

Huo yunnuan said directly: "since we broke up, it doesn't matter. I can't lose myself because of him, can I? "

"You'd better think so."

"Well, why is my feeling so bad? I've been dumped by a man twice. I really have no face. "

"Maybe the best is waiting for you."

Huo yunnuan just smiles, she does not set restrictions, let it be."Uncle, I want to go home and sleep."

"Well, go back to accompany your aunt LAN."

Huo yunnuan leaves from HD, returns to Qin Hao's villa, and meets Fei Yuchen again.

The displeasure in the eyes is very obvious, for Fei Yuchen such behavior, she is very disgusted!

"Mr. Fei, what are you doing?"

"I'm waiting for the queen to arrive."

Huo yunnuan almost did not give Fei Yuchen a little face, and went straight over him.

"Miss Huo, please wait."

Huo yunnuan stopped. "It seems that Mr. Fei knows my identity. Since he knows, he should also know that I am not a good person to provoke."

"No, Miss Huo is very serious. I just want to ask Miss Huo to be the brand spokesman of our company. "

"I refuse." It's straightforward.

Fei Yuchen has never seen such a woman, so decisively refused. It was a great opportunity, and she hardly thought about it.

Huo yunnuan is not interested in these things. "Mr. Fei doesn't have to waste time here. Please come back if you have nothing."

Looking at the door opened on the relevant, Fei Yuchen this time by such a cold reception.

Ellen couldn't look down and stepped forward: "boss, she doesn't appreciate it."

"No, she can." Fei Yuchen replied. "She is Huo Dongyang's daughter!"

In this way, their two families still have ancestral ties. They didn't expect such a coincidence.

"Book a ticket to city a for me."

"Boss?" Allen did not understand the need to condescend to the Huo family. This is just an ordinary cooperation.

Fei Yuchen saw Allen puzzled and said in a low voice. "I want more than just a collaboration."

If the investigation data are correct, Huo yunnuan and Ji Haonan have broken up, and Ji Haonan may have come here to save Huo yunnuan. But judging from the current situation, Huo yunnuan or Huo family will not accept Ji Haonan's turning back.

Huo family is a sweet cake, HD's strength is put here, if can climb up a little relation, then he gets but more.

More importantly, Fei Yuchen is interested in Huo yunnuan!

"Do it right away, but keep a low profile."

"Yes Alan nodded.

Fei Yuchen took another look at Qin Hao's villa before getting on the bus. "We will meet again soon."

[Chapter 743](#)

A few days later.

Mike's new season clothing release is over, and Huo yunnuan has also completed her task.

On the eve of returning to a city, Huo yunnuan took the initiative to call Gu Yaoyao.

"Sister in law, I didn't affect your work, did I?"

"No. It's just a break. "

Huo Yun warm smile, "it seems that my time is very accurate, I will go back tomorrow. Sister in law, you promised to take me in for a few days. Won't you break your promise

"No! Do you need me to pick you up then? "

Huo yunnuan certainly wants someone to come to him, but when he thinks of Gu Yaoyao's identity, he doesn't think it's appropriate.

"No. I'll go straight home. "

"OK."

Gu Yaoyao put down her mobile phone and immediately said to Zeng Ni, "sister, I have no itinerary tomorrow afternoon?"

"No, where are you going?"

"Pick up."

Zeng Ni's eyes stare at the boss. I can't believe Gu Yaoyao wants to meet someone at the airport?!

"You're not afraid to cause a commotion like this?"

"Disguise yourself."

Gu Yaoyao said with a smile that she immediately thought about how to dress up tomorrow so that she would not find out.

After that, Gu Yaoyao told Huo yunxun about it, but Huo yunxun disagreed.

"I'll ask ah Jin to pick it up."

"No! I have said that if I break my promise, I can't lift my head in front of my sister-in-law? Ah Xun, let me go this time! I think xiaonuan will come to me because he believes in me, so you give me a performance opportunity

Huo yunxun can't resist Gu Yaoyao. In fact, he is worried about his sister.

"This time, no more."

"Well!"

After Huo Yun warmed the plane, he put on his sunglasses and walked out with his suitcase.

From a distance, I saw a woman with a brand. "Welcome Miss Huo back!"

Thinking that this should not be to pick up their own, so go straight ahead.

But the woman with the cap kept following her with the sign. She stopped and said, "what do you do with me?"

"I've come to pick up Miss Huo."

Huo yunnuan frowned, just wanted to get angry and looked at the face under the hat, "sister-in-law?"

Gu Yaoyao smiles. "Hush! Let's go

With that, he took the initiative to pull Huo Yun's warm suitcase and walked forward. Huo yunnuan recovered and immediately chased up, "sister-in-law or I will come by myself. If my brother knows, I will definitely say that."

"Don't be polite to the whole family."

Huo Yun warm smile, Gu Yao Yao's good feeling for a while increased.

"How nice of you, sister-in-law."

Lin Dan drove Gu Yaoyao and Huo yunnuan to a restaurant for dinner. They asked for a private room for dinner.

"These are all you like. Eat more. I'm sure I didn't get them when I went to America. "

Huo yunnuan ate, "well, the food here is suitable for me to eat."

"Eat more."

Gu Yaoyao saw that Huo yunnuan was eating almost the same, so she asked Ji Haonan about it.

"He went to America to see you?"

"Well!" Huo yunnuan nods. "Say it thoroughly."

"No pity?"

Huo Yun warm eyes some floating, "no pity. Maybe I have no emotional luck, and I fail every time. "

Gu Yaoyao holds Huo yunnuan's hand. "No. You will be happy

"I've seen it. You don't have to worry about me. I can hold it up and put it down. "

Gu Yaoyao admired Huo yunnuan's breadth of mind and bearing. She could be so natural and unrestrained. Women should be like this.

"Sister in law, I think I can live well alone."

Gu Yaoyao clenched Huo yunnuan's hand and kept smiling all the time.

That night, Gu Yaoyao took Huo yunnuan back to Haoting garden.

"My brother won't come back?"

"He said he had something to discuss with dad at night."

Huo yunnuan smiles knowingly and knows that his brother is well intentioned. In order to be able to bear and his wife apart.

"Sister in law, my brother is such a good man! I can stand it like this. "

Gu Yaoyao's neck and face turn red after rubbing.

"No, sister-in-law, are you shy?"

"No Gu Yaoyao immediately avoided and went to the bathroom to wash her face.

In the evening, Huo Yunwen and Gu Yaoyao sleep in the same bed, and the two are chatting.

Speaking of a lot of things in the past, Gu Yaoyao, as a listener, listens to Huo yunnuan's story about her and Ji Haonan.

Listening to Huo yunnuan's story, Gu Yaoyao finds that she still has deep feelings for Ji Haonan. To forget in a short time is not so easy, I believe that time will slowly heal all heartache.

Seeing Huo yunnuan fall asleep, Gu Yaoyao covers her with a good quilt. Regardless of age, every woman has the same feelings. Everyone has a vision of love. They all hope that they can have a good love, then get married and have children.

Gu Yaoyao gently closes the door of the room and returns to the master bedroom.

Seeing Huo yunxun's wechat, she told him about Huo Yunwen.

City B.

Ji Haonan's apartment, he alone poured a glass of wine, sitting on the sofa.

Close your eyes can always think of Huo yunnuan, think of her words.

"Good to get together, good to go!"

The heart was pulled again and the brow was frowned. Where do you come from! No way, Huo yunnuan. He doesn't want to give up.

Had not Huo yunnuan saved himself with his innocence, then he did not know what to become. He wants to warm up with Huo Yun for a lifetime, and this idea has not changed.

Helpless

Wait a minute, wait for him to deal with all the things, he will bring Huo yunnuan back! In fact, he had to do this to protect her this time. I thought it was easy, but it was hard!

The phone vibrated.

"General manager Ji, the other party has started to go."

"Good. After waiting so long, the fish are finally out."

Ji Haonan's eyes light a sink, this war he must fight quickly, cannot wait to delay! Once there is a delay, variables will follow.

Especially Huo Yun warm heart, her heart once really out of their own, then there is no room for maneuver.

With her temperament is really with other men, maybe married!

Ji Haonan clenched the cup in his hand and looked at the bloody red wine. Ji Haonan's eyes were also dyed red, which was the smell of bloodthirsty.

"Second uncle, it's time for us to have a fight! This time, I'll take back all that Ji has. "

Just as Ji Haonan struggles with his enemies, he suddenly kills a tricky Cheng Yaojin. And this man is Fei Yuchen.

"Boss, I have checked in."

Fei Yuchen took a look at it, "it's really HD's Hotel, it's style!"

HD's strength and financial resources are not here. It's also a big challenge for him. Next, maybe there will be some pain. Huo Dongyang is definitely a mountain that is hard to climb. The road ahead is long.

Taking the room card in Allen's hand, Fei Yuchen looked at it carefully with a smile on his face.

"Go upstairs!" With that, Fei Yuchen walked into the elevator.

[Chapter 744](#)

The next day.

Gu Yaoyao got up early in the morning to catch up with the announcement. Today, there is a TV program recording.

It is rare that not long after Gu Yaoyao got up, Huo yunnuan also got up.

"Sister in law, do you have a job?"

"Well, you sleep more." Gu Yaoyao said while packing things.

Huo yunnuan grabbed his hair and said with a smile, "can I send you? I haven't reversed my jet lag

"Are you not tired?"

"I've been sleeping for hours. I'm in good spirits." Huo yunnuan replied.

Huo yunnuan drives Gu Yaoyao to the TV station. Anyway, she is fine today, so she has been following Gu Yaoyao.

Zeng Nigan didn't dare to get close to Huo yunnuan. You know, this is Miss Huo's family. Today, she plays the role of assistant. Such a picture is also rare, but there is still a sense of distance.

Huo yunnuan watched Gu Yaoyao's program recording. During the program break, she immediately asked the makeup artist to make up for Gu Yaoyao. Even today's clothes are selected by Huo yunnuan himself, so as to highlight Gu Yaoyao's characteristics.

"Miss Huo, would you like to have a rest? Let's do it. "

Huo yunnuan looks at the trembling Zeng Ni and smiles. "Don't be shy, zenny. I'm not a tiger. Today I come to work with my sister-in-law, just like you. "

"How dare we

"Why, do you think the Huo family have such a sense of distance and fear?"

"No, no, no!" Zenny kept shaking her head.

Huo yunnuan looks at Gu Yaoyao has come over, and immediately goes forward to give her a bottle of water.

"Little warm, I can do it myself."

"What a big deal. You seem to be afraid of me. I've done all these things. I'm not so delicate. "

Gu Yaoyao held Huo yunnuan's hand. "I know, I'm worried that you're too tired. After all, I came back yesterday. "

"I'm in good health." Huo yunnuan also showed his arm muscles.

After the TV station finished recording, Gu Yaoyao and his party were ready to leave. As soon as I got to the door, I ran into Xia Yunzhe, who had not been seen for a long time.

"Brother Yun Zhe, are you back?"

"I've been back for days, and you don't know. I am sangxin

Huo yunnuan glared at Xia Yunzhe, "does this need everyone to know?"

See Huo Yun warm in, Xia Yunzhe immediately spirit a few minutes, accompany smile. "Ha ha, sister Nuan is here."

"What sister, I'm your aunt."

"Haha, there's no need to be so clear about it." Xia Yunzhe really detours, see Huo Yun warm must not be good.

Huo yunnuan will not let Xia Yunzhe off easily if he catches him. "I'm hungry. Please give me a meal."

"I'm not recording."

"Come on, who will record the program for you at noon, and the TV station will not rest?"

Xia Yunzhe knew that he could not escape, so he had to accept his life. Please welcome Huo yunnuan and Gu Yaoyao to dinner.

"Auntie, I heard you just came back from America?"

"Yes."

"Uncle Qin, how are they?"

Huo yunnuan knows that Xia Yunzhe wants to get off the topic and avoid key issues.

"They're fine. But I don't think you're good. "

Xia Yunzhe reached out helplessly to wipe sweat, "Auntie, please let go."

"No more teasing."

Xia Yunzhe breathed a sigh of relief, "eat and eat."

Gu Yaoyao didn't expect Xia Yunzhe to be so afraid of Huo yunnuan. Is this the rumor that one thing drops one thing? But it can also be seen that good feelings can be like this.

"Two little!" The manager of the restaurant came into the room.

Xia Yunzhe puts on his Xia family second young master's posture, "what matter."

"A guest wants to see you. He said he wanted to talk to you about cooperation. "

"I didn't see that we were eating. What kind of guests were so ignorant." Xia Yunzhe cold voice way, just in huoyunnuan that can stand up to the gas.

The manager was embarrassed and kept his head down.

"It's like a guest from abroad."

"No! I didn't see me having dinner with Miss Huo. " Xia Yunzhe took the initiative to move out of Huo yunnuan.

The manager nodded. "I said that just now, but the guest insisted."

Huo yunnuan pressed Xia Yunzhe, who wanted to continue talking, "what's the guest's name?"

"He didn't say. He said he had met Miss Huo."

Gu Yaoyao felt that the situation was not right and worried. She is reporting this matter to Huo yunxun immediately.

Huo yunnuan looks puzzled. "Have you met me? Foreign? What does it look like? "

"Yes, we don't see all kinds of cats and dogs. If we are ugly, it will affect our appetite."

The manager whispered back. "Very nice, with blue eyes."

Huo yunnuan frowned, "can't it be him?" "Do you know my aunt?"

"Not really."

Xia Yunzhe hears Huo yunnuan's words, immediately makes a decision, "does not know does not care, we continue to eat."

"Miss Huo, it really makes me sad."

The uninvited Fei Yuchen appeared in the public's sight, he politely nodded to all the people to say hello.

"It's you."

Fei Yuchen laughed. "It's me."

Xia Yunzhe as a man immediately stood up, "this gentleman, who are you? Do you know where this is? "

"Two young don't need to be angry. I'm here today to talk to you about a spokesperson. Of course, it also includes Miss Gu. "

Gu Yaoyao's heart sank, the sudden appearance of the man with a sense of mystery, and his target seems to be for Huo Yun warm.

"Endorsement? You should talk through the company. "

"Two popular on-screen couples are here, and the agent is also there. Can't we talk about it?"

Xia Yunzhe doesn't like this man. "Yes, Dahong, zenny, you can talk to him in the next room."

Dahong and Zeng Ni get up one after another, ready to talk with Fei Yuchen.

Fei Yuchen is not slow and anxious, and his eyes fall on Huo Yunwen, "Miss Huo, I'll see you then."

"....."

How does Huo yunnuan feel that he has been glued by dog skin plaster? Is there something wrong with Fei?

The room soon left Gu Yaoyao, Huo yunnuan and Xia Yunzhe.

"Little warm, what's going on? Who is that man

"Fei Yuchen, President of Fei. We met once in the United States two days ago. "

Xia Yunzhe sees the clue. Does he have a chance to make fun of Huo yunnuan. "My aunt, is this half foreign devil interested in you? Look at his good behavior, do you want to consider? This is Ji Haonan's best friend! "

"Eat your meal." Huo yunnuan swept Xia Yunzhe with his cold eyes.

Gu Yaoyao didn't speak. Was Fei Yuchen an enemy or a friend? Xia Yunzhe's words are right, he is for huoyun warm.

"Auntie, maybe it's a high-quality stock."

"Isn't this meal going to stop your mouth?" Huo yunnuan picked up the bowl to stop Xia Yunzhe's mouth.

Xia Yunzhe repeatedly waved his hand, "I was wrong."

"If the meal doesn't stop, let him go to the bathroom."

Xia Yunzhe looked at the big Buddha standing at the door, and his voice and momentum became weaker. "Brother Xun..."

[Chapter 745](#)

Huo yunxun walked into the private room and glanced at it.

Then he put his eyes on Xia Yunzhe's body. Before he spoke, he took the lead.

"Brother Xun, I was just joking. And I'm full. "

Huo yunxun has not spoken, but quietly looking at him, can not see any joy and anger.

Xia Yunzhe holds his arm subconsciously and secretly looks at Gu Yaoyao, hoping that she can open his mouth and say a few good words to himself.

Gu Yaoyao receives the message and just wants to speak. Huo yunxun has already sat down beside her.

"Don't look at your aunt."

Xia Yunzhe lowered his head and his voice was very low. "Uncle, I am wronged! When the half foreign devil stood at the door just now, he was staring at his aunt. Everyone knows what that means

Huo yunxun ignored Xia Yunzhe and took the initiative to hold Gu Yaoyao's hand.

"Are you all right?" The voice is different from that just now, but it's too gentle.

In the side of Xia Yunzhe and Huo yunxun, there are varying degrees of contempt in the eyes. It turns out to be a show of love, everything else is floating clouds.

"That..." Gu Yaoyao is very embarrassed. She wants to take her hand back.

Huo yunxun clenched his hand in an instant and showed his relationship with Gu Yaoyao to other people more magnanimously.

"Brother Xun, don't show here." Xia Yunzhe complained. "In order to get rid of the relationship with Li Mengyao, you have made a false report!"

Huo yunxun follows this, continues to hit Xia Yunzhe. "What is false reporting? My brother and sister-in-law got the card! They are a decent couple. And you're completely dead. "

Xia Yunzhe jumped up, reached for Huo yunxun and Gu Yaoyao, "you, you, you..."

"What's wrong with me?" Huo yunxun asked.

"You dare to bully me while I'm away. Brother Xun, you take love with a knife! "

Huo yunxun's sharp eyes swept to Xia Yunzhe, and his tone was also somewhat stiff. "I take love with a knife?"

"Isn't it?"

"No, because we were married from the beginning."

Huo yunxun's words hit Xia Yunzhe again. Xia Yunzhe was angry, "so you always play me as a monkey!"

"Brother Yun Zhe, it's not like this."

"Not so? What's that like? You must be very happy to see me doing ridiculous things in silence! Huo yunxun, you are really good. I'm not as good as you

Huo yunxun doesn't mind Xia Yunzhe's words. "If you like it, you will do it. I said that."

"Yes, you do have a high hand. I'm ashamed of myself. " Xia Yunzhe is very unconvinced in the heart, this time is completely no chance!

Gu Yaoyao wants to explain with Xia Yunzhe, but Xia Yunzhe shakes his hand and leaves.

Huo yunnuan sat on one side and ate melons for a time. "Brother, if you do this, you don't worry about the second brother and the second sister-in-law coming to you."

"If I can't handle this matter well, how can I get a foothold?"

Huo yunnuan has nothing to say. He makes a gesture of asking for help and stops talking. He picks up chopsticks again and continues to eat.

Gu Yaoyao is caught in the middle. How to face Xia Yunzhe after this. Once this relationship changes, the consequences will be serious!

"Ah Xun, actually just now..."

Huo yunxun knew what Gu Yaoyao was going to say, but he didn't regret it. Huo yunnuan's affairs gave him a great vigilance. So before things happen, he should put an end to other bad factors that may trigger.

Gu Yaoyao, with serious eyes on Huo yunxun, held back. Or go home again, there are still some small complaints in my heart. Huo yunxun did not discuss with himself to say things out, obviously is to attack Xia Yunzhe.

"So suddenly the atmosphere changed?"

From the door came the sound, Huo yunxun looked back to see Fei Yuchen.

They looked at each other for about the same time, and their eyes almost moved away.

"Miss Huo, cooperation has been discussed. Is it my pleasure to invite you to dinner next time? "

"Sorry, I'm not available." Huo yunnuan refused directly.

Fei Yuchen smiles, as if to Huo yunnuan's refusal has been used to. But he's patient, and he'll get another chance.

Fei Yuchen did not take a dogged way, but politely nodded and left.

Huo yunxun has a little more precaution against Fei Yuchen. Xia Yunzhe has a saying. Fei Yuchen is really warm to Huo Yun.

"What's the matter with you in America?"

"My good brother, I have nothing to do with him. Just once. " Huo yunnuan is also helpless.

Huo yunxun didn't believe his sister, but he didn't believe in Fei Yuchen. The purpose is so obvious that people feel more suspicious.

It was evening when the three returned to Haoting garden.

Huo yunnuan quickly slipped into his room without disturbing Huo yunxun and Gu Yaoyao. Gu Yaoyao is really sorry to face these problems.

"Ah Xun, can we not do this next time?"

"How?"

"It is..." Gu Yaoyao himself is not very good to say.

Huo yunxun suddenly smiles, and he puts his arms around Gu Yaoyao. "Yao Yao, you still can't accept our identity?"

"No, I'm just not used to talking outside."

Huo yunxun felt that he was a failure and picked up Gu Yaoyao. At this time, he needed to discuss things in bed.

"I'll talk to you in another place."

Gu Yaoyao was soon under the pressure of Huo yunxun. His eyes were tightly locked to Gu Yaoyao. The hot and eager eyes made Gu Yaoyao's heart thump.

Gu Yaoyao just wants to turn her head away, Huo yunxun reaches out and pinches her chin.

"What? Don't want to see me? "

"No Gu Yaoyao said in a low voice, but Huo yunxun's eyes are too focused, and it's easy to have an accident if you look down.

Huo yunxun is in a good mood. He draws up the corner of his mouth and reaches Gu Yaoyao's forehead.

"Yao Yao, we haven't been together for several days. I miss you so much

Gu Yaoyao's face was flushed and her eyes were shining brightly at Huo yunxun

"Don't you miss me?"

"I want to..." Gu Yaoyao replied.

Huo yunxun kisses Gu Yaoyao's lips, and this time he lets go. "Yao Yao, do we want a child?" he asked

Gu Yaoyao is out of shape, boy?! She and Huo yunxun's children? That should be a beautiful child. Gu Yao Yao some heart, she bit her lips, "a Xun, are you sincere?"

Huo yunxun couldn't laugh or cry. Gu Yaoyao still didn't believe his feelings for her.

"My heart is hard to understand?"

"No, just me..." Gu Yaoyao felt that she was greedy. She wanted a feeling without any interests, and wanted Huo yunxun to love herself sincerely.

Huo yunxun sighed, "it seems that I haven't worked hard yet!"

"Well?" Gu Yaoyao hasn't responded. Huo yunxun's kiss is like a storm. She has no strength to fight back. She can only follow his rhythm

[Chapter 746](#)

A new day has come.

Gu Yaoyao opened her eyes, and the sunlight had already poured into the room. Reach out to have a look at the mobile phone, the results found that the day has gone up!

Gu Yaoyao sat up and patted her face with her hands, trying to wake herself up.

Then I looked at the time again and found that it was really ten o'clock in the morning! Why didn't she set the alarm clock before? Thinking of this, Gu Yaoyao immediately walked out of the room barefoot.

Huo yunnuan was leisurely watching TV in the living room. Seeing Gu Yaoyao come out, he immediately showed a clear smile.

"Sister Wu Li wakes up?"

Gu Yaoyao rushes to the bathroom, arranges herself as quickly as possible, and then goes out to work.

"Don't worry." Huo yunnuan stopped Gu Yaoyao, "we Huo Shao have cancelled all your work today."

Gu Yaoyao was stunned and didn't understand what it meant?

"What do you say?"

"My brother told you to rest at home today. There was so much noise last night that I was afraid you couldn't bear it Huo yunnuan said, his eyes have been staring at Gu Yaoyao's neck those kiss marks, last night the war situation was really fierce!

"Has my brother not eaten meat for a long time

Gu Yaoyao, after knowing what to do, looked down at the impression on her chest

If you can, Gu Yaoyao really wants to find a hole in the ground. She put her hands over her face and ran into the room.

Huo yunnuan chuckled, "sister-in-law, we are all adults, are shy?"

Gu Yaoyao reappeared in the living room, and had changed into clothes, and still a high collar.

"Isn't it hot to cover it like this?"

"Not hot." Gu Yaoyao replied that she was angry. How can Huo yunxun do this? Arbitrarily arrange their own work, but also let themselves in front of Huo yunnuan lose face.

Huo yunnuan thinks his sister-in-law is too cute, or because of this, his brother will be so precious to her!

Gu Yaoyao called Zeng Ni and asked about the itinerary.

"Huo Shao put off your work today, saying that you are not feeling well and need to rest."

"It's not good." Gu Yaoyao was worried. If you are aware of it, you will say that you are playing a big game!

Zeng Ni said on the phone: "in fact, I think about it and feel that there is no need to answer some jobs. We're going to talk about it now, and then we're going to do a couple of valuable shows

"How was that endorsement talk yesterday?"

"The other side said that all the conditions are our side, and they cooperate in the whole process. And this brand is very famous in the United States, and the domestic market has not yet opened. If the market works, it will be very good! "

Gu Yaoyao is puzzled. What is Fei Yuchen going to do?

"What's more, Yao Yao's endorsement fee is not low, 10 million! As expected, he is rich and powerful. "

"Brother Yun zhe agreed?"

"Dahong said to go back and ask for his opinion, but there is no news so far."

Gu Yaoyao knows that what happened yesterday has hit Xia Yunzhe a lot, so whether Xia Yunzhe will accept this endorsement is also unknown.

"But there is one thing I need to tell you. What the other party wants is that you and Xia Yunzhe speak in the form of a couple's file, which is the only request they put forward. "

Gu Yaoyao doesn't understand this even more. Is Fei Yuchen going to continue to brush heat for her and Xia Yunzhe?

Seeing Gu Yaoyao's face was not very good, Huo yunnuan asked anxiously, "what's the matter with you? Are you in trouble at work? "

Gu Yaoyao raised her eyelids and looked at Huo yunnuan, and then told her what she had learned.

Huo yunnuan frowned, "is this Fei Yuchen really when he is the God of wealth?"

"Little warm, I think his purpose is you."

Huo yunnuan felt funny, "what value do I have? There's absolutely a problem with men's brains. "

"Why don't you think he's trying to curry favor with the people around you and get rid of all obstacles to chase you?"

"After me? Then his IQ is worrying. Last time I said I had a fiance

Gu Yaoyao hesitated for a moment and whispered, "but you and Ji Haonan have broken up. Does he know?"

Huo Yun warm heart a tight, this Fei Yuchen in the end is where sacred? How could you do such a thing!

Soon, when Xia Yunzhe and Gu Yaoyao didn't confirm that they wanted to speak for themselves, news had already been sent out on the Internet. Xia Yunzhe and Gu Yaoyao, the national couple, are about to join hands to speak for Fei's mobile phones.

As soon as the news came out, many fans were very excited, and expressed their expectation and began to brush the topic one after another. I hope the two people will get together again after the TV series.

Seeing the response on the Internet, Fei Yuchen was satisfied.

"Boss, will we find out if we do this, and we haven't signed up yet." Alan is a little worried.

They're in city A. It's Huo's territory."No hurry. That's what we want. " Fei Yuchen said calmly. And he did it just to get their attention. He knows it in his mind, so he is waiting for a reply.

Allen is worried that Fei Yuchen is doing useless work. You should know that Xia Yunzhe is not easy to deal with. He is famous for not playing cards according to the card theory. He is famous for being difficult to do in the entertainment industry. Besides, there are Xia family and Huo family behind him.

As for Gu Yaoyao, they only know her true identity today. She is Huo yunxun's wife, Huo's little grandmother! Huo yunxun's people are always protecting them. They are just Huo yunxun's baby.

This time, if it is not handled well, Fei and even Fei Yuchen will lose a lot.

"Ellen, don't worry. The more this time, the more calm we have to be. "

I understand the truth, but this is not their territory, so some things are not easy to say.

Fei Yuchen once again looked down at the photo of Huo yunnuan who was on the show that day. He didn't know what Huo yunnuan was doing now?

"Boss, there's one more thing I need to report to you."

"Say it."

"Before you asked me to investigate Ji Haonan, I found some interesting things."

Fei Yuchen took Allen's mobile phone, and after reading it, the corners of his mouth rose, "I didn't expect it was wonderful."

"Ellen, we play with Ji Haonan, too?"

He wants to warm up for Huo Yun, such a man is not worthy to warm with Huo Yun.

"Boss, we still don't want to make trouble."

Fei Yuchen shook his head confidently, "no, this time is fun."

With Fei Yuchen's resistance, Ji Haonan paid more time and energy, so when he turned back, it seemed that it was a little late.

Fei Yuchen's mouth with a smile, life should be like this will be interesting and exciting, or like a pool of stagnant water, there is no joy in life. The place, the people, made him very interested.

He wants to see what reaction Huo yunnuan will know!

[Chapter 747](#)

More and more information on the Internet, almost showing the state of stone hammer.

However, Xia Yunzhe and Gu Yaoyao did not speak up for a long time. They almost acquiesced in their cooperation.

Xia Yunzhe looks at the news on the Internet, has been silent, still thinking about Huo yunxun and Gu Yaoyao getting married.

Dahong whispered: "my little ancestor, you have been on strike for two days."

"In a bad mood." Xia Yunzhe is really in a bad mood.

As long as he thought of the jokes he had made before, he felt ashamed!

"I don't think you can save your face."

"Shut up." Xia Yunzhe is even more upset when he is poked into the center by Dahong.

Xia Yunzhe is depressed. How can everything be beyond his imagination. Huo yunxun is Huo yunxun, who directly crossed the stage of love and took Gu Yaoyao to get married.

It's the same as his father!

"Little ancestor, in fact, if you want to open up a little bit!"

"What's good? I'm not good at the moment." Xia Yunzhe stands up.

Dahong takes his hand. "Big and small call, said these days no matter where you go, will follow you."

"Watch me?"

"No, no, no, but to protect you."

Xia Yunzhe stares at Dahong with suspicious eyes. "Just like you? It's like protecting me. Me? In any case, I'll protect you all right? "

"Big Shao said that Fei Yuchen was not an ordinary person. Let's be careful. That's what Huo Shao said

Xia Yunzhe heard his eyes turn, the half hanging foreign devil, right! Not easy?

"What's the way?"

Dahong shook his head. "I don't know."

"I saw him coming for Miss Huo." Xia Yunzhe definitely said that he knew that look in his eyes that day.

Ding, Xia Yunzhe seems to have figured it out.

"What's the cost? It's trying to win us over, and then focus on breakthrough. That's a good move

Suddenly, Xia Yunzhe's mood gets better.

"Dahong, this endorsement has been accepted. I need to raise the price again. Everything should be the best, and the time should follow our direction."

"At that time, the other party made a request that you and Gu Yaoyao be together."

"If you have money, there is no reason to refuse. You said to zenny, the money must be earned! "

Seeing Xia Yunzhe's fighting spirit, Dahong can finally breathe a sigh of relief. Otherwise, it would be really troublesome.

Zeng Ni conveyed Dahong's words to Gu Yaoyao. She felt a little strange after listening. Xia Yunzhe actually took it?

"For the sake of money." Zenny added.

Gu Yaoyao has nothing to say. She wants to prepare a gift for Xia Yunzhe when she meets again, which can be regarded as a apology. After all, she was the one who hid the truth. I'm sorry for him.

Gu Yaoyao asked Zeng Ni to deal with it.

That night, when Huo yunxun came back, he saw a gift box on the table.

He opened it curiously and found it was a men's watch.

Huo yunxun's mouth was slowly hooked up, and he thought it was a gift from Gu Yaoyao. So he gently put the box back in place.

Just the next day, Fei's official website updated the news, officially announcing Xia Yunzhe and Gu Yao as spokesmen of the company's mobile phone brands.

Xia Yunzhe and Gu Yaoyao's microblogs simultaneously forwarded the message. Fans are so excited about this event that they have to forward messages to create momentum.

"Won't it be embarrassing for you two to continue to work together like this?"

Huo yunnuan's words let Gu Yaoyao stop his movements. Gu Yaoyao is also worried about this problem.

"My brother will agree this time, God!"

Seeing Gu Yaoyao not talking, Huo yunnuan immediately changed the topic. "As Xia Yunzhe said, why not make money?"

Gu Yaoyao lowered her head and continued to pack the clothes for tomorrow's trip, and then put the watch in the trunk.

"Sister in law, my brother's birthday is coming soon."

Gu Yaoyao immediately looked back at Huo yunnuan, "birthday?"

How can she remember it as if it had been? Or did you make a mistake?

"The announcement is not a real birthday." Huo yunnuan immediately solved the puzzle, "so you have to prepare a gift for us."

Gu Yaoyao has a headache. They don't need anything. What do they want? What do they prepare?!

"Sister in law, I'm looking forward to it."

Gu Yaoyao laughed a few times. "I'm under a lot of pressure."

"I think my brother will be very happy if you give me a cake."

Gu Yaoyao went out to work under such pressure and began to search for gifts in the car?! Huo yunxun and Huo yunnuan's birthday gifts are not careless.

"Didn't you buy the gift? Why are you still watching?" Gu Yaoyao powerless to put down the mobile phone, "to our home God and goddess to see."

Zeng Ni can only comfort to pat Gu Yao on the shoulder, which is a big problem.

"Think about it!"

At the scene, Gu Yaoyao sees that Xia Yunzhe has arrived. She went over to say hello, "brother Yunzhe!"

"Well." Xia Yunzhe answered coldly, but did not look up at Gu Yaoyao.

Seeing this, Gu Yaoyao knew what to say. After thinking for a moment, she said, "I'm sorry. I didn't mean to hide it. "

Xia Yunzhe raised one of his eyes and gave Gu Yaoyao a casual look. "Don't talk about personal matters at work."

Gu Yao Yao handed out the gift in her hand on the table, "a gift of apology."

Xia Yunzhe looks at the gift bag on the table, which is his favorite brand watch. Xia Yunzhe looks back at Gu Yaoyao's back. She happens to be discussing with the staff.

Looking at Gu Yaoyao's gift, Xia Yunzhe's face softened a lot. Then he took out the watch and put it on. I chose a good style, so I reluctantly accepted it.

Also deliberately fiddled with a few times, took out the mobile phone to take photos. And then immediately tweeted.

"Glad to receive the gift!"

Microblog comments soon someone asked, is it Gu Yaoyao sent it? Xia Yunzhe specially praised this comment.

"Dog food again!"

Xia Yunzhe almost praised these similar comments. He just wants to be angry with Huo yunxun. He doesn't care whether they are husband and wife. Now he is the only one who can show love with Gu Yaoyao in public.

"Yunzhe, it's time to shoot."

"Good." Xia Yunzhe stood up.

The news was soon seen by Huo yunxun. Looking at the photos taken by Xia Yunzhe, Huo yunxun's face was gloomy.

I thought it was a watch for myself, but it was in Xia Yunzhe's hand. I was upset. My wife gives presents to other men, but she doesn't.

Before Huo yunxun would not care about these, but it was really his turn, which was not good.

"Young master, we are going to the meeting."

Huo yunxun sits still. Jin knows that he must have seen Xia Yunzhe's microblog. Xia Yunzhe intentionally praised those comments, which obviously stimulated Huo yunxun.

"Two young people are trying to excite you. Don't mind."

"You go to the meeting and I'm going home."

A Jin listen, suddenly the wind in disorder, can still be so wayward?

[Chapter 748](#)

Huo soon left the company and drove to the scene.

Before he went in, Huo yunxun met Fei Yuchen.

"Huo Shao!"

"Mr. Fei, what can I do for you?"

Fei Yuchen smile, heart know Huo yunxun is to stare at the field. Xia Yunzhe's microblog has attracted a lot of attention just now.

Huo yunxun a face calm, slightly nodded and began to leave.

"Huo Shao, please wait."

Huo yunxun was stopped by Fei Yuchen, his eyebrows wrinkled and his jade like face was slightly sullen.

"Thank you for your support this time."

"There is no support. In fact, we don't need the money. But some people are willing to give us money. Of course, there is a reason to refuse to do so. "

Fei Yuchen's smile was a little stiff, Huo yunxun was not easy to deal with. A sentence stabs in the key point, minute lets a person be shameless.

"This is because Xia Yunzhe and Gu Yaoyao are excellent, and it is our honor to cooperate."

"Since Mr. Fei is so generous, we will not be polite to you." Huo yunxun received a sentence.

Fei Yuchen in Huo yunxun here hit a nail, it seems to want to deal with the Huo family father and son, is not an easy thing.

"Huo Shao is really humorous."

Huo yunxun shook his head. "I'm not humorous. I'm just telling the truth. However, if Mr. Fei has other thoughts, I would like to urge you to give up this idea as soon as possible. If this is not pleasant, I am afraid it will affect Mr. Fei's family. "

Fei Yuchen's smile on the corner of his mouth completely froze. His eyes at Huo yunxun couldn't help getting deeper.

"It seems that Huo Shao already knows my identity."

"As long as you want to check, there is nothing we can't find in the Huo family."

Fei Yuchen believes in this.

Huo yunxun tried to bypass Fei Yuchen, but failed.

"What else does Mr. Fei give you?"

"Huo Shao, let's talk about cooperation?"

Huo yunxun did not expect Fei Yuchen so direct and fast, "we should have nothing to talk about."

"Of course. Take Ji Haonan for example. "

Huo yunxun's impression on Fei Yuchen is not very good, and this person is too calculating. He does everything with a purpose. And his ultimate goal should not be just Huo yunnuan.

"His business has nothing to do with me."

"It's Huo Shao to leave it so clean."

Huo yunxun's heart is not happy, but he still endure, by Fei Yuchen to say his cold-blooded.

"I dare to say that we are all the same in other eyes. Whose hands are clean?" Huo yunxun asked in good time. "It doesn't mean they're really happy just because they look good."

"Huo Shao's words are very direct."

"Mr. Fei, you should consider your own ability before you do something. Otherwise, like a pug, sometimes it will cause a series of things. If you don't do it for the dead, it will be worthless

Huo yunxun knew some rumors about Fei Yuchen. "I'm not afraid to say more. I heard that the old man in your family is very strict, but your parents always dote on your brother abroad. And you bastard seems to be doing everything superfluous. "

Rubbing against the ground, Huo yunxun stabbed Fei Yuchen's deep pain.

Fei Yuchen's face was taut, and his eyes said to Huo yunxun, "you really investigated very clearly."

"Of course. It's about my wife and sister and other family members, and I won't let anyone hurt them! "

Fei Yuchen soon adjusted his mood. Facing the impenetrable Huo yunxun, he failed in the first battle!

"Huo Shao really values love and righteousness."

Seeing Fei Yuchen's silence, Huo yunxun went directly to him.

Fei Yuchen clenched his hand with anger in his heart. Over the years, he thought that he had already developed his skills, but he didn't expect to be stimulated by the scar again. I have to admit that Huo yunxun's move is very powerful.

Ellen, worried about it, asked the boss, "are you all right?"

Fei Yuchen shook his head and stood in place to adjust his mood.

Although he has returned to Fei residence, it is a pity that he is a mixed race and always an outsider. No matter how hard I try, I still can't get the approval of those family members.

His younger brother easily became the successor of the next generation without doing anything because of his authentic blood.

Fei Yuchen forced himself to calm down and didn't want to let these things affect him again.

With a long sigh of relief, Fei Yuchen opened his eyes and said, "let's go in."

"Yes

Huo yunxun stood in the corner and watched Gu Yaoyao and Xia Yunzhe shoot. He held his arms and watched. There was no excessive intimate movement. The only physical contact was back-to-back or hand-in-hand.

In his own acceptable range, Huo yunxun will not say anything. If there is any further information, he will speak!

At this time, Huo yunxun Yu Guang swept to Fei Yuchen. I appreciate his self-control. It's good to adjust myself in such a short time! Outsiders don't know about these things, but Huo yunxun knows them. Of course, it is through some secret channels.

Fei Yuchen's real mind is hidden too well, so if you don't know, there is no way to move him. That's why he can get along in two years.

Fei Yuchen took a look at Huo yunxun, and saw that he did not look at himself in the eye, and obviously did not put himself in the eye. At this time, he saw Gu Yaoyao in his eyes. The degree to which the Huo family dotes on his wife is admirable.

Fei Yuchen clenched his hand again and frowned at the thought of how his mother spent her life.

"Boss, the first edition is over."

Fei Yuchen returns to his senses and looks at Gu Yaoyao and Xia Yunzhe. He sees that they have already sat down to rest. He stepped forward.

Miss Gu Er, it's hard today

Gu Yaoyao looks at Fei Yuchen who appears in front of her and looks at him carefully. The man's blue eyes and Huo Yun warm some like, but there is no temperature, although in the smile, but this smile can not reach the fundus of the eye.

"Miss Gu is not afraid of Xia Er Shao's jealousy when she looks at me like this?"

Gu Yaoyao was so said that she quickly withdrew her eyes. "I'm sorry."

Fei Chen Yu shook his head with a smile. "It doesn't matter. It's my pleasure to be noticed by beautiful women."

Xia Yunzhe didn't like Fei Yuchen, who wanted to play the role of pig and eat tiger, but he didn't make a fuss on the spot. But a meaningful reply: "it seems that there was an accident in the investigation of Mr. Fei, so don't make a mistake about this identity."

Fei Yuchen stops smiling, Xia Yunzhe also knows?! No, it shouldn't be!

Huo yunxun will know that he has means and means. And Xia Yunzhe should not, to Huo yunxun and his current relationship should not say.

Xia Yunzhe caught the trace of feiyuchen's eyes, but he soon covered it up.

"Then I need to ask Xia Er Shao for advice. What's wrong with this identity?"

Xia Yunzhe immediately raised Fei Yuchen's appetite. "Well It is... "

[Chapter 749](#)

Waiting for Xia Yunzhe's words, Fei Yuchen knew that he had been tricked when he saw his cunning eyes.

However, Fei Yuchen also secretly breathed a sigh of relief. Xia Yunzhe doesn't know! I'm almost sure of that!

"Er Shao is exactly the same as the rumor

Xia Yunzhe didn't pay attention to Fei Yuchen. The man was very deep. He clearly let them know that his purpose is Huo yunnuan. I'm afraid his real purpose is not so simple.

So the best way to deal with such people is to ignore them.

Huo yunxun will deal with Fei Yuchen. He's in charge of making money. Nothing else has to do with him.

Gu Yaoyao saw the atmosphere quickly embarrassed, Xia Yunzhe can ignore Fei Yuchen in this way, but he did not reach that level. When he hesitated, Xia Yunzhe reached out and pulled Gu Yaoyao.

"Sit down and I'll talk to you about the next shot."

Gu Yaoyao nods and then discusses with Xia Yunzhe. And Fei Yuchen, who was behind them, soon left.

After seeing people go far away, Xia Yunzhe immediately changed a serious face. "Yao Yao, stay away from this man."

Gu Yaoyao did not ask why, but nodded directly. Fei Yuchen is not a simple businessman. After being with Huo yunxun, she will think more about some things. What's more, Fei Yuchen's flattery is not normal.

"I'm not stupid this time."

"Am I really that stupid?" Gu Yaoyao asked discontentedly.

Xia Yunzhe nodded, "you are really stupid, or there won't be so much."

Gu Yaoyao understood the meaning of Xia Yunzhe's words, "it was my meaning at the beginning. It has nothing to do with a Xun."

"Of course you will protect him." Xia Yunzhe leaned back on his chair, closed his eyes and refused to talk.

Gu Yaoyao had no choice but to follow Xia Yunzhe. She picked up a bottle of water, eyes just and Huo yunxun on. Why did he come!

This is a surprise!

Gu Yaoyao wants to get up, but sees Huo yunxun shaking his head at him. Gu Yaoyao did not dare to move, but looked at Huo yunxun in the corner.

All of a sudden, she seemed to understand. Then she looked down at the water bottle in her hand. Huo yunxun's arrival is not only for Xia Yunzhe's microblog, but also for Fei Yuchen.

"Yao Yao, change clothes."

"Good!" Gu Yaoyao took a sip of water and immediately went to change her clothes.

Xia Yunzhe opened his eyes after Gu Yaoyao left. He felt that Gu Yaoyao was in a right mood before she left. He stood up and looked back. At the moment he saw Huo yunxun, he sat up straight.

Huo yunxun, come to the scene?! No, his eyes did not seem to be aimed at himself, so the rest may be Fei Yuchen. It seems that his guess is right. There is something wrong with this half tone foreign devil.

"Dahong!" Xia Yunzhe called out.

"What's the matter?"

"I'll go to the bathroom."

Dahong nods. "Be careful."

Xia Yunzhe to the direction of the bathroom, less than a few seconds, Huo yunxun also followed the past.

Two people stand side by side in the bathroom, two people have no eye contact, as if they are two strangers.

"Is this to stare at me?"

"Self knowledge."

"Come on."

"Don't touch him too much."

Xia Yunzhe immediately understood, "yes."

If compared with outsiders, Xia Yunzhe will choose to put everything down and stand on the side of his family, and then be consistent with the outside world. It seems that Fei Yuchen is not simple!

"This time I'm looking for money."

"Well done."

Xia Yunzhe was surprised by Huo yunxun's praise. It seems that this is the first time that he praised himself in a good mood.

"Uncle, it's hard to hear your praise."

"Take care of yourself."

Xia Yunzhe nodded. "This fake foreign devil, isn't it simple?"

"Be careful."

With that, Huo yunxun stepped out of the bathroom. When he returned to the scene, he saw that Gu Yaoyao had changed his clothes and was mending her makeup.

Huo yunxun went to Zeng Ni and said, "how many groups do you need to shoot?"

Zeng Ni was stunned by the sudden voice. How did he come.

"Huo Shao..."

"Don't be nervous." Huo yunxun's eyes are looking at Gu Yaoyao.

"Three groups." Zeng Ni pretended to be calm, "now this group is shot by Yao Yao alone."

"Whatever you do, follow her."

Although Zeng Ni didn't know what happened, Huo yunxun had told her to do it.

Fei Yuchen sat behind the director, watching all the people silently. Huo yunxun's appearance disturbed his mind. He came here today not only for Gu Yaoyao.

"Boss, do you want me to call someone?"

Fei Yuchen shook his head, "no, don't be so nervous. Not at that time. ""But..."

"Huo yunxun comes alone. If we fight, we will be exposed easily!"

Allen nodded. He was worried that Huo yunxun was not alone, who knew whether there would be other people lurking around.

Fei Yuchen took a look at the time. There are still a few hours before the end of shooting. Will Huo yunxun continue to wait?

Gu Yaoyao's personal part soon ended, and Xia Yunzhe immediately stepped forward.

After Gu Yao Yao, a reminder. "So many eyes are fixed on you. Pay attention."

"Well!" Gu Yaoyao nods. She understood that Xia Yunzhe was reminding herself not to have any contact with Huo yunxun.

Gu Yaoyao returns to her position and sits down. Zeng Ni goes forward to guard.

"Huo Shao said," let me follow you. So tell me everything you want to do. "

Gu Yaoyao couldn't help laughing. Zeng Ni's expression was really funny. Pretending to be calm, but also with the tension and fear to attack, all quickly entangled her.

"You're so exposed."

Gu Yaoyao reached out and patted Zeng Ni's face with a light smile.

"I'm just nervous."

"Don't be nervous. There are so many people here. Nothing will happen."

Gu Yaoyao's eyes pass over Zeng Ni's shoulder and want to see Huo yunxun, but he is not there. This is going away?!

Gu Yaoyao did not continue to look around, but calmed down to prepare for the next scene.

However, what was unexpected was that Huo yunnuan came to the scene with a pile of things.

Xia Yunzhe and Gu Yaoyao are very surprised that Huo yunxun's front feet have just left. Why did Huo Yunwen's back feet come? Is this a negotiated one?

"Yunzhe, Yaoyao, come and eat something."

"My aunt, why are you here?" Xia Yunzhe worries that Fei Yuchen is still here.

What's wrong with Huo yunxun? How did you leave at the critical moment?! It's not like his style, there won't be any other arrangements.

Huo yunnuan picked up a piece of cake and put it directly into Xia Yunzhe's mouth? Or do you need to go to the bathroom to eat? "

Xia Yunzhe rolled his eyes and reached for the cake in his mouth. A good heart is like a donkey's liver and lung!

"You eat more. It's exhausting." Huo yunnuan said with a smile.

Three people sit in a group while the rest of the staff are resting and eating.

"Miss Huo, we meet again." Fei Yuchen's voice interrupted the atmosphere.

[Chapter 750](#)

Huo Yun warm smile, did not speak.

Fei Yuchen saw her smile, already very happy, did not expect to see so soon.

Xia Yunzhe said discontentedly: "Mr. Fei, you have affected our dinner party."

"Er Shao's words are driving people away?"

"Yes Xia Yunzhe is not polite at all. After Huo yunxun's warning, we had to guard against it.

Huo yunnuan has no director, so she asks Xia Yunzhe to deal with it. She talks about other things with Gu Yaoyao.

Fei Yuchen received a cold reception again, so he had to leave in silence. Thinking that there is still time in the future, there is no reluctance.

Xia Yunzhe sat down again, "Auntie, why are you here? I know it's dangerous here. "

"Where do I need to report?" Huo yunnuan asked. "These things are prepared by Huo Shao. I'm just here for a walk."

Xia Yunzhe was silent and ate quietly.

Huo yunnuan suddenly thought of one thing. "Yunzhe, Mike will be in a city in a few days. You have a free time."

"For Mao?"

"Introduce you to work, do you want to earn money?"

Xia Yunzhe immediately showed a smile and nodded repeatedly. His favorite is the US dollar reward.

"They need a spokesperson for their men's wear, and I recommend you. Good performance

"Global endorsement?"

Huo yunnuan nods. "Yes, don't disgrace me."

"Don't worry, I'm a professional photographer." Xia Yunzhe thinks that there will be a very considerable endorsement fee next.

Huo yunnuan sees Xia Yunzhe complacent, killed a move directly. "Two international endorsements are in hand, which is a lot of money. Is it to be indicated? "

"What do you want, aunt?"

"My birthday is coming. You have to sponsor an island tour."

Xia Yunzhe covered his heart and hurt his face. "My aunt, you've got me again! How cruel

"It doesn't cost much."

"No? I'm kidding Xia Yunzhe shakes his head, Huo yunnuan can't offer less. It seems that you need to talk to Mike's spokesperson more, or you'll lose your strength.

While the two were talking, Allen heard all this information. Then report to Fei Yuchen.

"Did you hear me correctly?"

Fei Yuchen remembers that if the information is right, Huo yunnuan's birthday should be over! What's your birthday?

"No mistake." Allen replied.

Fei Yuchen thought of a point, that is, the information on the information is false.

"Watch their every move."

Allen really can't bear to see his boss in the cold shoulder here, the Huo family these people's eyes seem to grow on the head, the vision is very high.

"Alan, if you want to do something big, you need to be patient." Fei Yuchen knows that Allen is for his own good.

Fei Yuchen stood on the second floor, watching them chatting happily. The feeling is really good, but there is no such atmosphere in Fei residence.

A few days later, Xia Yunzhe and Gu Yaoyao's advertising film came out, the effect is very good! Two people on the camera very match, with a sweet love atmosphere, can be said that the girl's heart burst.

The pre-sale of mobile phones has already exploded. Many people have pre-sale and purchase for their popularity and appeal.

Seeing such amazing data, Fei Yuchen really sees the power of idols, and the consumption power of these fans is also amazing. This has never happened.

"Boss, the online booking situation is more than 80% than expected!"

"It's worth the money. With the effect of pre-sale, the official listing may be better. "

Allen nodded. "Just now the sales department has done the analysis, this time our sales will reach a new high."

"It seems that we should cooperate with them for a long time in the future."

Fei Yuchen wanted to spend money on this trip, but he didn't expect to make money, and it was not a small sum of money.

Gu Yaoyao got news from Zeng Ni that the pre-sale results of mobile phones are very good. Fei mobile phone has successfully opened the market here. So Fei Yuchen also sent a gift.

Gu Yaoyao saw the gift as the world's limited edition perfume.

"It's generous." Huo yunxun took a look, his tone was cold.

Gu Yaoyao looked back at Huo yunxun and said, "your anger hasn't disappeared? How many more times do I have to explain? "

When she came home from shooting that day, Gu Yaoyao took the initiative to explain the watch to Huo yunxun. But Huo yunxun seems to have nothing on the surface, but his heart still has a mustard.

"I'm not angry."

"There is." Gu Yaoyao nestles in Huo yunxun's side. She puts her head on Huo yunxun's shoulder.

Huo yunxun did not speak, let Gu Yaoyao. Keep your eyes on your computer.

"Ahun, what kind of gift do you like?"

Huo yunxun stopped, squinting his eyes, "this is not supposed to be you to prepare?" "In case I send it, don't you like it?"

"As long as it's from you, I like it."

With a smile on her face, Gu Yaoyao reached out and hugged Huo yunxun and gave him a kiss on the face. "Then I'll make you a cake."

"Yes Huo yunxun nodded.

Gu Yaoyao has an idea in mind, but she will keep it secret for the time being. After all, this is their first birthday with Huo yunxun after they got married. It must have been prepared by heart.

Huo yunxun's birthday is just a few days before the film starts to shoot, so Huo yunxun has such a gap.

Without Huo yunxun's knowledge, Gu Yaoyao quietly prepared the gift. She went to learn how to make cakes and prepared to cook a big meal herself on her birthday.

Gu Yaoyao is learning from Huo Dongyang.

"Dad, is that right?"

"Not much salt." Huo Dongyang in the side guidance, "add water."

Qiao Wei ate the apple and looked at the two busy people in the kitchen with a smile on his face.

This year's birthday, the family is busy.

"Mom, try the taste." After Gu Yaoyao finished, she asked Qiao Wei to taste it.

Qiao Wei nodded and tried it immediately.

Gu Yaoyao is anxiously waiting for Qiao Wei's evaluation, not sure if the taste is right.

"How about it?" Seeing Qiao put down his chopsticks, Gu Yaoyao immediately inquired.

Qiao Wei sees Gu Yaoyao's nervous appearance and thumbs up. "Delicious."

"Does it taste the same as Dad's?"

"It's your taste. It's delicious." Jovi praised it.

Gu Yaoyao is relieved. This is a dish Huo yunxun likes to eat. She wants to cook it for him.

"Thank you, Dad."

Huo Dongyang nodded. He was very willing to teach Gu Yaoyao so seriously. It is rare that she has such a heart.

"Well, leave the rest to your father."

Qiao Wei takes Gu Yaoyao out of the kitchen and goes to her room.

"What's the matter, mom?"

Qiao Wei takes out a box from the drawer and hands it to Gu Yaoyao. She opens the box with her eyes.

Gu Yaoyao looks at this exquisite box and has a premonition that it must not be ordinary.

After opening, Gu Yaoyao can see that there is a pair of rings in the box. If you look carefully, it is a pair of rings.

"Mom, this is..."

"This is for you and Xiaoxun." Replied Jovi.

Gu Yaoyao looked at the ring in her hand and felt that it was a gift with a sense of mission.
