

Warm Wife 751

[Chapter 751](#)

Qiao Wei sees Gu Yaoyao does not move, actively reaches out to take up the ring.

"Look at what you're doing. Put it on."

When Gu Yaoyao came back to her senses, the woman's ring had already been worn.

Qiao Wei looks at the ring on Gu Yaoyao's finger with emotion. "It's beautiful."

"Mom..."

"The wedding ring needs Xiaoxun to wear for you, so it's not. It's just a wedding present from your father and me. You've been married for a while, and we should make it clear. "

Gu Yaoyao looked at the ring flashing on her finger, "Mom, it's too expensive."

"This is for Mrs. Huo. You deserve it."

Qiao Wei held Gu Yaoyao's hand and said with great care: "I'll give you Xiaoxun later. You should support each other and face difficulties together. "

Gu Yaoyao's tears ran down, and she nodded.

"Mom, I'll try my best!" Gu Yaoyao's voice choked.

She was very happy to meet such a family.

Qiao Wei took a tissue to wipe tears for Gu Yaoyao, "this is a happy thing, don't cry. Otherwise, after being seen by Xiaoxun, I will feel that I bully you! I might be in a hurry. "

Gu Yaoyao laughed, "no way."

"Why not? Xiaoxun is very precious to you Qiao Wei can see how anxious his son is to Gu Yaoyao.

So she was very comforted and hoped that they could all be happy next time.

Just talking, I heard a car outside.

Gu Yaoyao immediately wiped away her tears. Maybe Huo yunxun is back.

Gu Yaoyao and Qiao Wei walk out of the living room and see Huo yunnuan sitting on the sofa with a bag.

"My daughter is back."

Huo yunnuan holds Qiao Wei and kisses her on the face.

"Mom, I love you." Huo yunnuan holds Qiao Wei and says.

The smile on Qiao Wei's face is more brilliant, "OK, it's good to have a heart."

Looking at Qiao Wei and Huo yunnuan's mother daughter relationship, Gu Yaoyao is envious. She and her mother never had this kind of picture and interaction. More is to see her tears, that is also a weak woman's sorrow.

Gu Yaoyao collected her emotions and went to the kitchen without disturbing them.

"Dad, leave me alone." Gu Yaoyao took the initiative to solicit life.

Huo Dongyang looked at Gu Yaoyao with a ring on her hand, "OK!"

Gu Yaoyao took out some of her best menus and began to prepare for tonight's birthday dinner.

Huo Dongyang stood at the door of the kitchen for a long time. Seeing Gu Yaoyao doing well, he turned around and left. He pointed out that her attention to Huo yunxun was more important than other things.

"Dad, today is my birthday. Where's your present?"

Huo Dongyang prepared many gifts for Huo yunnuan from childhood to adulthood, and they were very valuable. But today, he only prepared a gift for Huo yunnuan that was unexpected to her.

"What is this..."

"You don't need anything. Dad gives you a check today. Do what you want."

Huo Yun warm speechless, "so now is to send me with money?"

"It's up to you to see what you think." Huo Dongyang sat down beside Qiao Wei.

Qiao Wei understood Huo Dongyang's meaning, "little warm, you should also plan for your own life."

"So you mean to dislike me." Huo yunnuan pretends to be sad. "Fairy tales are all deceitful. What's more, home is always a safe haven. I'm so sad. "

Jovi chuckled. "If you're not good at acting, you'd better watch your sister-in-law play naturally."

"Hum, eccentric!"

With that, Huo yunnuan put the gift Huo Dongyang gave on the table and went to the kitchen to find Gu Yaoyao.

Looking at Gu Yaoyao in the kitchen busy preparing a birthday dinner for Huo yunxun, Huo yunnuan envies.

"Sister in law, you really break the rules of our family."

Gu Yaoyao laughed. "Today is your birthday, of course. So it didn't break the rules. "

Huo yunnuan stretched out his head and took a look, "still said no, these are all my brother likes to eat."

"What you like to eat, dad has made it." Gu Yaoyao replied. "And this is my birthday present to ahun. I think he is not short of other things, so I want to cook a meal for him

Looking at Gu Yaoyao's happiness, Huo yunnuan is also infected. If there is a man who is willing to cook a birthday dinner for himself, she will be moved to cry.

"Little warm, your birthday present, I have put it in your room."

Huo yunnuan eyes a bright, "really ready?"

"Well, it's not a valuable gift."

"It's OK. Just mind."

Gu Yaoyao looked back at Huo yunnuan, "go and see if you like it?"

"Good!"

Huo yunnuan left the kitchen and went directly to his room. As soon as I entered the door, I saw the present on my bed. It was a gift that had been wrapped and looked like a picture. Huo yunnuan immediately opened, and soon saw a pink transparent crystal photo frame. I think it must be a painting. As a result, Huo yunnuan has a surprise in his eyes.

This is my own poster! And this poster is made up of a lot of very small photos. These pictures are from small to big, and finally become such a poster.

Each of these pictures was carefully selected and prepared.

Huo yunnuan's face was moved. He has never received such a gift. Later, Huo yunnuan also found a line of handwritten words at the bottom of the poster.

"May the happy smile always be on your face!"

Huo yunnuan was really deeply moved, tears in the eyes. This is the best birthday present she has received this year.

"Did you like the present from your sister-in-law?"

Qiao Wei stands at the door, looking at Huo yunnuan.

Huo yunnuan nodded directly, "like."

"She came to ask me to take your photos, but we chose these for a long time." Qiao wei walked into the room and saw the finished product for the first time. She had to say that Gu Yaoyao was very careful and chose the right photo.

"My daughter has grown up, and time flies by." Qiao Wei said with emotion.

Think of when they just came out of their own belly, the cry is still in the ear. Time flies by in a hurry. Time is just like yesterday. Stop and look back. It's been so long.

Huo yunnuan reached for Qiao Wei. "Mom, thank you for giving birth to my brother and me."

"Thank you, mom. Because of you, your father and I will have such a happy home

Huo yunnuan hugged Qiao Wei and said with emotion: "Mom, I'll be obedient in the future, and I won't be angry with you and my father. I'll cultivate myself. Be a proud daughter. "

Qiao Wei gently patted Huo Yun's warm back, "Dad and mom don't need you to have great achievements, just hope you can be happy and healthy."

"Well!"

[Chapter 752](#)

With Gu Yaoyao's efforts, this birthday dinner is finally completed.

This year, the Huo family did not invite anyone else. It was the family who celebrated themselves.

Gu Yaoyao cleaned up the kitchen and walked out of the kitchen. Take a look at the time, it's already late. Why hasn't Huo yunxun come back?

"Call your brother."

Huo yunnuan heard Qiao Wei's orders and immediately called, but Huo yunxun did not answer.

"Maybe it's on the way back."

Gu Yaoyao looks at her mobile phone. Huo yunxun doesn't call or wechat. Didn't you agree to come back for dinner tonight?

"It's the same with this brother. Why is it all of a sudden. Don't you know all of us are waiting for him? "

Huo yunnuan's complaint made Qiao Wei look directly at Huo Dongyang. His eyes seemed to be questioning him. Did you arrange another task for Huo yunxun today? Otherwise, it's almost eight o'clock. Why don't you come back?

The food is going to be cold!

In the face of Qiao Wei's complaint, Huo Dongyang has to call a Jin.

"Where is the young master?"

"Master, I am in the hospital with the young master."

Huo Dongyang heard the word hospital, immediately got up and went to the yard.

"Why in the hospital?"

"The princess of F is here."

Huo Dongyang frowned, "what is she doing here?" Isn't it messy enough?

"To celebrate the young master's birthday." Ah Jin's voice is not loud. "But just when the young master was going home, the princess suddenly felt sick, so..."

"Let Xiaoxun come back immediately. The whole family is waiting for him

"Yes

Huo Dongyang just turned around and saw Qiao Wei's gloomy face. It seems that she followed him out and heard the conversation.

Qiao Wei quickly walked to Huo Dongyang's side and lowered his voice. "What's the matter? Who's here? "

"Li Mengyao."

Hearing the name, Jovi immediately changed his face, "what is she doing here?"

"Xiaoxun's birthday. Ah Jin just said she was not feeling well and was sent to the hospital. "

Qiao Wei looked back at the room, "she meant it."

These women's tricks, Qiao Wei see more. Li Mengyao suddenly came to a city, under the guise of her birthday, just wanted Huo yunxun to accompany her. Any discomfort is fake!

"I've got Xiaoxun back."

"Dongyang, this is what I have to say. The young grandmother of the Huo family, I will only admit Gu Yaoyao. "

"Calm down." Huo Dongyang comes forward and hugs Qiao Wei. "It's up to you."

In order not to let Gu Yaoyao suspicious, Huo Dongyang and Qiao Wei come in together.

"Mom, what's the matter with you?"

"It's all because of your father's anger. I told your father not to arrange so much work for your brother today, but he didn't do it. Your brother is still working overtime at the company

Huo yunnuan listened to this and soon understood it. Every birthday, dad doesn't do it. This year, of course, will be no exception. So something must have happened.

"Dad, you really are." Huo yunnuan echoed. "My brother didn't want to work on his birthday today, but you arranged for him to work."

"Yes, I was wrong." Huo Dongyang had no choice but to endure his mistakes.

Gu Yaoyao didn't know the truth. She just felt a little strange, but since she heard them say so, she didn't ask much.

"Ah Xun always gives priority to his work. It doesn't matter. We'll wait. " Gu Yaoyao said.

Huo yunnuan followed Gu Yaoyao's words and then complained.

"Today is my birthday, too."

"You just wait, you're on your way back."

Gu Yaoyao looks at her mobile phone and immediately sends a wechat to Huo yunxun.

"I'm on my way back." Huo yunxun will reply soon.

Gu Yaoyao saw his reply, but also put down his own wishful thinking. It seems that the work is really delayed.

Half an hour later, Huo yunxun came back.

Gu Yaoyao and Huo Dongyang heat the food in the kitchen.

Qiao Wei stands at the door waiting for Huo yunxun. She didn't want to lose her temper today. But if you don't say it, you can't help it.

"What's the matter with you? Your father and Yao Yao start to prepare your birthday dinner with xiaonuan in the afternoon. You went to see that man. "

Huo yunxun knew that he was in the wrong, so he did not refute.

"What is she doing here?"

"Mom..."

"I know if you don't tell me." Joe was slightly angry. "Don't forget you're married! If this is photographed, how do you explain it? "

Huo yunxun looks at Qiao Wei to make a promise. "Mom, I won't do anything sorry to Yao Yao."

"That's what you said."

"Well!"

Huo yunxun leaned against the door with his arms in his arms. Seeing Gu Yaoyao still in the kitchen, he could not help but add a sentence. "Brother, you should stop Li Mengyao. If you miss such a good woman as my sister-in-law, there will be no more! "

Huo yunxun heart pressure, will not let such a situation happen, "I know."

"We are just kind enough to remind you. Otherwise, when you lose it, it will be totally useless. But a lot of people are looking at it Huo yunxun made the reality clear.

Huo yunxun frowned. How could he not know!

Entering the room, Huo yunxun looked at the kitchen.

"change your clothes. You smell like perfume."

Huo Yunxun nodded and went to the room to change clothes. He sniffed carefully, which belonged to Li Mengyao's exclusive perfume.

"Ah Hoon!"

Hearing Gu Yaoyao's voice, Huo yunxun changed his clothes and walked out of the bathroom barehanded.

Looking at Gu Yaoyao wearing an apron standing at the door of the room, she really looks like a virtuous and virtuous wife. If circumstances permit, he would like to reach out and take Gu Yaoyao in his arms.

"I change my clothes."

Gu Yaoyao was embarrassed to see Huo yunxun. "Everyone is waiting for you to eat."

"In a minute."

"Well."

Huo yunxun changed his clothes and walked out of the room. Seeing a table full of food, he felt like he couldn't say it.

"Your wife prepared all these for you."

Huo yunxun smiles and sits down beside Gu Yaoyao.

"I'm sorry to have kept you waiting today."

Gu, Yuri Huang still wants to let Huo Yunxun speak, and vaguely smell a perfume. And the smell of this perfume is similar to where it smelled. She can be sure that this is a woman's perfume.

When Gu Yaoyao was searching her head, Huo yunxun called.

"Yao Yao!"

"Well?" Gu Yaoyao revived.

"What are you thinking?"

Gu Yaoyao looks at Huo yunxun, and an idea suddenly jumps into her mind. Is it really because of overtime that he came back late?

"Yao Yao, are you tired? I've been busy all afternoon. " Jovi will come to an end.

Gu Yaoyao saw that all the people were looking at themselves and did not continue to think about what had just happened.

"No, I still find cooking fun." Gu Yaoyao said with a smile.

"Xiaoxun, try these. Your wife made them for you personally."

Huo yunxun nodded. "Thank you, wife!"

[Chapter 753](#)

The birthday dinner ended in a harmonious atmosphere.

The whole family chatted with each other and had a warm birthday.

In the kitchen, Huo yunxun and Huo Dongyang are doing dishes.

"Has everything been dealt with?"

"I'll take care of it. But some things may be unsatisfactory. " Huo yunxun's words reveal helplessness.

Huo Dongyang knows Li Mengyao's personality. She is a princess of a country, and things will be difficult to handle.

"It makes sense for your mother to be angry."

Huo yunxun was silent. After all, he did something wrong today.

Just before work, Li Mengyao came. Look at her appearance should be secretly to a city, said to send birthday gifts. But that birthday gift is also with pressure.

Li Mengyao gave a piece of land from country f as a birthday present.

Huo yunxun didn't accept it. Li Mengyao was somewhat disappointed. Just as I was about to leave, I suddenly fainted.

Huo yunxun and a Jin immediately sent her to the hospital. Xia yueqian said that she was overworked and had a few days' rest.

"Xiaoxun, I don't want to interfere in your affairs. But once your mother is upset, I won't say hello to you, but I will solve it in my own way

"I know, Dad!"

Gu Yaoyao is in the room, looking at the ring on her hand. She turned the ring with her fingers, and her eyes were about to look at the box on the table, which contained Huo yunxun's ring.

Gu Yaoyao turns around and takes out another wrapped gift from her bag, which she prepared for Huo yunxun. I hope he likes this kind of gift that doesn't look worth money.

Cell phone rings, zenny calls.

"Sister."

"Doesn't that sound right? Does Huo Shao like your present

"I didn't give it to him." Gu Yaoyao is so worried that she can't tell what's wrong.

Zeng Ni then said, "the film is going to have a set-up photo tomorrow, and a script seminar will be held with the actors of the whole play. The day after tomorrow, you will be ready for your luggage. This time, we need to stay in the hotel of the crew all the way. "

"Well, I'll be there on time." Gu Yaoyao replied.

"I'll send you the address later. Don't be late tomorrow

"Well."

As soon as Gu Yaoyao put down her mobile phone, she saw Zeng Ni's wechat and saw the address above. This is the outskirts. It seems to start earlier.

Huo yunxun pushed the door in and saw Gu Yaoyao packing.

"Work tomorrow?"

"Well." Gu Yaoyao nods. "I'm going out for two months this time. The film is going to start shooting. "

Hearing that for two months, Huo yunxun's brows were not controlled together, which indicated that they would be separated for two months.

"So long?"

Gu Yaoyao stops and looks back on Huo yunxun's unhappy eyes.

"Work!" Gu Yaoyao replied.

Huo yunxun goes to Gu Yaoyao and squats down. He reaches out and caresses Gu Yaoyao's face. "Yao Yao, I'm afraid it won't last two years."

Gu Yaoyao chuckled and felt that Huo yunxun was like a child. She reached out and touched Huo yunxun's head, as if to coax a child.

"There are not two years left now." Gu Yaoyao said with a smile.

Huo yunxun grabs Gu Yaoyao's hand. His heart is too much to give up. "I'm telling you the truth. I'm really worried that I can't make it."

"Be obedient." Gu Yaoyao kisses Huo yunxun on the face.

Huo yunxun looked at Gu Yaoyao in one side packing, "where's the birthday present?"

"This is not a cake and a big meal for you, not yet?" Gu Yaoyao asked.

"I saw the present you prepared for Xiaowen."

Gu Yaoyao asked deliberately, "so

"I want a gift like that, too." Huo yunxun was suddenly unreasonable. The gift Gu Yaoyao gave Huo yunxun is really meaningful. As a husband, I am cake and dinner.

Gu Yaoyao felt Huo yunxun's low pressure. She said, "but you said last time that you had anything I could give you, you like it. And I asked my mother, she said that you didn't like to take pictures when you were young, and there were few pictures. So it can't be done. "

Huo yunxun sighed, had known not to say so.

Gu Yaoyao appreciated Huo yunxun's expression for the first time, but with some complaints, there was no language in the complaints.

"Here you are."

Seeing Gu Yaoyao handing over the box, Huo yunxun's eyes lit up instantly.

"Gift?" There was flattery in the tone.

Gu Yaoyao signals Huo yunxun to open it with her eyes. After seeing the ring inside. Huo yunxun's expression also became complicated.

"A gift from mom." With that, Gu Yaoyao put her hand in front of Huo yunxun.

Seeing Gu Yaoyao wearing a ring, Huo yunxun's eyes float. The ring was supposed to be prepared by him, but it was sent by his mother. Huo yunxun held Gu Yaoyao's hand and felt his fingers on the ring. "Good looking."

"It looks good on you, too." Gu Yaoyao gave the ring to Huo yunxun.

Huo yunxun looked at the rings on the two hands flashing light, as if echoing with each other. This is also a commitment, a lifelong commitment.

Gu Yaoyao's hand is holding Huo yunxun's wrist, as if measuring the size.

"What are you doing?"

"I'm feeling my pulse." Gu Yaoyao said with a smile.

Huo yunxun looked at Gu Yaoyao with a spoiled face, "what did the lady do?"

"Well..." Gu Yaoyao elongated his voice. "You don't seem very happy."

"No Huo yunxun replied.

Gu Yaoyao approached Huo yunxun and said, "what you say is not true. You're blaming me for not preparing a gift. "

"You are enough." With that, Huo yunxun took Gu Yaoyao to bed.

After a sentimental war, Gu Yaoyao was in Huo yunxun's arms.

"Ah Xun..."

"Well..."

"Happy birthday." Gu Yaoyao, taking advantage of the 12 o'clock, quickly told Huo yunxun.

Huo yunxun kisses Gu Yaoyao's forehead, "this year you are different."

Gu Yaoyao took out her present, and then directly took out the hand rope to put on Huo yunxun.

"This is..."

"A gift for you." Gu Yaoyao replied. "This is the safety hand rope I made. It's my first time to do it. The craftsmanship is not very good. But I used to pray, so you have to wear it all the time

Huo yunxun's eyes have been staring at the rope on his wrist. As Gu Yaoyao said, the workmanship is not very fine. And it doesn't match his image very well, but he likes it very much. He can even imagine Gu Yaoyao in the process of compiling.

"Thank you. I'll wear it all the time."

"Do you like it?" Gu Yaoyao asked in a low voice.

"I love it!" Huo yunxun replied positively.

Gu Yao Yao mouth appeared a happy smile, "like it is good."

The next day, it was not light.

Gu Yaoyao got up quietly and went to the bathroom to wash.

Gu Yaoyao saw that the clothes Huo yunxun had changed yesterday were still hanging. She reached out and took them down. As soon as

approached, Gu Yaoyao smelled a perfume. At this time, she remembered where she had sniffed the perfume.

this is Li Mengyao's perfume. It's not wrong.

[Chapter 754](#)

Gu Yaoyao's expression becomes trance. She stares at the shirt in her hand.

And this time I saw a lipstick print on the collar of the shirt, which should have been left by Li Mengyao.

Gu Yaoyao closed her eyes and flashed many pictures in her mind, even some pictures she didn't want to see.

"Don't think about it!" Gu Yaoyao called out in a loud voice.

When he opened his eyes again, Gu Yaoyao's eyes were calm. She put Huo yunxun's clothes into the basket, ready to wash.

After washing, Gu Yaoyao came out of the bathroom. Seeing Huo yunxun still sleeping, she frowned.

Gently holding the suitcase out of the room, there is a lamp in the living room, as if to see Gu Yaoyao off.

At the door of the villa at 5 a.m., Lin Dan is already waiting.

Seeing Gu Yaoyao pulling the suitcase out, he immediately took it over.

"Young lady, we can start at any time."

"Hard work for you." Gu Yaoyao nods to Lin Dan.

Looking back at the villa behind me again, this is a warm home, I still have some reluctance to leave.

"Let's go."

The car started and disappeared in the morning fog.

And on the balcony on the second floor, a tall and straight figure turned around. The red and yellow hand rope on the wrist is particularly conspicuous.

Huo yunxun walked into the bathroom and saw that the clothes he had changed yesterday had been put into the washing machine.

Standing in front of the mirror, Huo yunxun turned on the tap, but the next action stopped instantly.
That shirt

Huo yunxun frowned and looked at the washing machine still working, and quickly walked out of the bathroom to get his mobile phone.

But Gu Yaoyao did not answer the phone, Huo yunxun immediately called Lin Dan.

"Young master."

"What is the young lady doing?" Huo yunxun immediately asked.

"The young lady is taking a nap. She looks as if she is asleep."

Huo yunxun could not help but breathe a sigh of relief, "protect the little lady."

"Yes

When Huo yunxun went downstairs, he met Qiao Wei who just got up.

"Yao Yao is out?" Qiao Wei asked Huo yunxun while doing morning exercises on TV.

"Well."

Qiao Wei saw Huo yunxun as if he was ok, frowned, "did you tell her about Li Mengyao?"

"No

Qiao Wei knows his son and will not talk about anything, but will do it silently. However, if these words are not spoken out, they will easily lead to misunderstanding.

Qiao Wei simply stopped his morning exercise and wanted to have a good chat with Huo yunxun.

"Xiaoxun, your father always told me not to meddle in your affairs. But there are some words that I can't help but nag. Gu Yaoyao was chosen by you, and I think she is sincere to you. It can be said that you are busy in and out for your birthday. You should know how to cherish it

How can Huo yunxun not know these? Gu Yaoyao was chosen by himself, and he has no regrets until now.

"If you and Yao Yao can't go on in the future, then..."

"There will be no such if." Huo yunxun cut off Qiao Wei's words without thinking.

See Huo yunxun that firm eyes, Qiao Wei did not say more, but continue their morning exercise.

After arriving at HD, Huo yunxun saw the news on the Internet.

Gu Yaoyao's film "she is a flower" will be officially launched tomorrow. The shooting cycle is two months. All the shooting of the film and TV station must be closed after the shooting.

Huo yunxun looked at the news on the Internet, and felt uncomfortable. Did Gu Yaoyao misunderstand herself and Li Mengyao? That's why they say hello and leave in a hurry.

Thinking of the morning, Huo yunxun woke up at the moment when Gu Yaoyao closed the door. When he came out of the balcony, Gu Yaoyao had already got on the bus. Since then, the mobile phone has been blocked.

His eyes fell on his wrist, Huo yunxun reached out to touch the safety hand rope, and suddenly missed her! Want to see her, this feeling is stronger and stronger, this is love?

"Young master."

Huo yunxun looks at a Jin who suddenly comes in. "Say it

"The princess called and asked when you would go to the hospital."

"I'm busy, I don't have time. If she doesn't have any physical problems, let her go back to country f immediately. "

Ah Jin nods. He is happy to see Huo yunxun's attitude now! Because Huo yunxun knew his identity and responsibility.

Li Mengyao in the hospital heard elegant words, that flowery face showed dissatisfaction.

"Is he with Gu Yaoyao?"

"No. Gu Yaoyao went to make a movie and couldn't go home for two months. "

Li Mengyao's eyes in hearing this sentence slowly restored the luster, she showed a long lost smile.

"I said that she and Yun Xun are not real husband and wife. Otherwise, with Huo yunxun's character, how can she go out in public like this. If this thing is revealed, it will have a great impact on Huo yunxun.

""Where are Huo's parents?"

Qingya shook her head, "still at home as usual."

"Huo Dongyang and Qiao Wei will enjoy it. What's more, their feelings make people yearn and envy. " Li Mengyao has some feelings in her heart.

She once fantasized that she and Huo yunxun also lived such a life, and went to see the world hand in hand. But too many practical problems push them further and further.

"Princess, what are we going to do next?"

"Not to return to country f for the time being." Li Mengyao orders. She wants to take advantage of Gu Yaoyao's absence to mend the relationship with Huo yunxun, but also to rob Huo yunxun's heart.

Qingya disagrees with Li Mengyao's decision. "Princess, it's not time to relax, and the affairs of the Helian family have not been really solved."

Therefore, before it is time to rest assured, Qingya wants to persuade Li Mengyao to return home.

"Don't worry. Helenin couldn't make any waves. He has been accompanying Helian peak all these days, and he has not gone out at all. "

When Li Mengyao thinks of helianmin, she thinks that for some reason, she has to be bound with him, which is very uncomfortable.

"Princess, we'd better be careful."

Elegant words are reasonable, which makes Li Mengyao re-examine this matter.

"The father and king of state f are looking at it. It should not be a big problem." Li Mengyao is lucky. She doesn't believe he Lianmin has supporters. He and he Lianfeng are under house arrest in Helian's house.

Qingya still wants to mention one more sentence, but after the eyes of Li Mengyao, she can only bite her teeth. It's possible that the person who wants more and has no real power can't turn over any storm, so let him go!

"Qingya, go through the discharge procedures for me. I'm going to find Huo yunxun."

"Princess, I think you still need to rest in the hospital. Don't think so much about other things."

"No!" Li Mengyao shakes his head. The more Huo yunxun doesn't want to find him, she will go!

[Chapter 755](#)

HD building.

Huoyunxun was still busy working, a Jin went into the office.

"Master, the princess is here."

Huoyunxun stopped beating the keyboard, his face was slightly sullen.

"I'm not free." Huoyunxun finished, and lowered his head and worked again.

Li Mengyao stands in front of the elevator and looks at the front, hoping to see huoyunxun coming out in the next second. But Li Mengyao and others are not huoyunxun, but huodongyang.

As soon as the elevator door opened, huodongyang came out.

Uncle Huo Li Mengyao said hello.

Huo Dong Yang looked at Li Mengyao in plain air. "Your Highness, is not your health?" How can it be here. "

"I'm much better." Li Mengyao replied.

Huodongyang looked at Li Mengyao a little, and took off the gorgeous palace clothes and changed into a popular brand skirt. This temperament was really worse. It was really people who wanted clothes.

"Come to find Xiao Xun?"

"Well." Li Mengyao nodded. "Yesterday was his birthday, but I was not mad. So I want to come and say sorry to him today. And I'm going to send my presents out. "

Huodongyang takes back his eyes, but asks the a Jin standing several steps away.

"How about the young master?"

, "the master is very busy. He has no time to meet his highness."

Once again, Li Mengyao heard huoyunxun's refusal, and his eyes were hard to hide and lose. He's avoiding it!

"Since Xiao Xun is busy, then the princess please come back!"

Li Mengyao dare not express dissatisfaction in front of huodongyang, and whispered, "Uncle Huo, I know you have opinions on me now. But I'm trying to make up for it. "

Huodongyang squints his eyes, and Li Mengyao is still good at saying this. But none of these is what he likes to listen to.

"Princess, the emotional matter cannot be forced. Since you and Xiaoxun have separated, then respect each other's meaning. And in my opinion, the hokkers don't want to make up for anything. It is still to be understood by the princess. "

Huodongyang said that he went forward and went straight over limongyao.

Li Mengyao clenched his hands, and huodongyang said several words clearly and clearly. Just let her not continue to pester huoyunxun, they Huo family really take their own seriously!

Qingya walked to limenyao's side. "Princess, we'll go back first."

"Jin, you go tell yunxun, I will wait for him to leave work here."

Li Mengyao just let huodongyang see, she wants to do things will be done. She still has this perseverance.

A Jin helplessly told huoyunxun these things, and huodongyang was also present.

"So what does she want to do now?" Huodongyang is asking huoyunxun. "Want to be with you?"

Huoyunxun was silent, and he was dissatisfied with the behaviors of limongyao. She is no longer the former limongyao, now she does anything is purposeful.

"This Li Mengyao wants to put down her Princess dignity?" Huodongyang made a mockery.

Huoyunxun was calm and didn't say a word.

The atmosphere in the whole office became quiet. Everyone is thinking about their own things.

Suddenly, there was a hint, breaking the terrible silence.

Huoyunxun glanced at the mobile phone and saw the familiar name. He quickly picked up the phone.

Gu Yao Yao sent wechat, she sent the film makeup photos to huoyunxun to see. Huoyunxun did not blink his eyes, looking straight at the picture of his mobile phone.

This time, Gu Yao Yao's shape can be said to have subverted all her past imagination, a curly brown hair, painted smoked makeup, beautiful pupil in her eyes, especially prominent eyes, there is an indescribable charm. This time is heavy makeup, the red lipstick is more eye-catching.

Wearing a black sexy skirt, the collar is very low, or a little bit of attention, you can see it at any time.

Tattoos are also painted on the arms. A blue monster, this tattoo painting is very lifelike and lifelike.

This image makes people look like a treacherous woman! And it should be a tough role. From the makeup photo, the character has an unknown story. The enchanted eyes hide her dissatisfaction with the secular world!

Huoyunxun was silent for several minutes, and in his own impression, Gu Yao Yao could have such a side. This time, his role is different from that of the past.

Huoyunxun is vaguely worried that the audience can not accept such guyaoyao! The previous accumulated good feelings, will this be the Disintegration?

"What do you see?"

Huoyunxun turned off the screen of his mobile phone. "Nothing."

"Yao Yao news?"

"....."

See huoyunxun did not refute, huodongyang also guessed.

"Yao Yao told your mother to take a fixed makeup photo today, so it was just sent to you?"

Looking at the continued silence of huoyunxun, huodongyang heart is clear. "Some people can't take it."

Huo yunxun raised his head and looked at Huo Dongyang. "Have you seen it?"

"Your mother showed it to me on the way."

Huo yunxun's face was dark, but he was not the first to see it.

"Do you mind?"

Huo yunxun didn't want to pick up the words, but all the images in his mind were just like Gu Yaoyao.

"Yao Yao should know that you were with Li Mengyao yesterday."

"What?"

"Your mother tried it out." Huo Dongyang's eyes are also meaningful.

Huo yunxun frowned, "did she misunderstand?"

"There should not be."

Huo yunxun couldn't listen. He wanted to run to Gu Yaoyao and explain to her.

Huo Dongyang reached out and knocked on the table, "Huo Shao, work hard. I don't want to see HD lose in your hands. "

"Dad, I know my responsibilities. But I also want to have a love that belongs to me. Just like you and mom. "

Huo Dongyang smiles. "Son, what about the peach blossom outside? She's not easy to get rid of. "

"Dad, you didn't?"

"No. Even if there is one, I will deal with it before it happens. Your heart is not cruel enough Huo Dongyang points to the deficiency of Huo yunxun.

Huo yunxun is silent, the heart is not cruel enough?!

"If you can't handle it, I can help you this time."

Huo Dongyang always likes to cut through the mess quickly and deal with things decisively. In particular, emotional things, the most taboo is muddling.

Huo yunxun is very clear about his father's means, but Li Mengyao's affairs are not so easy to solve. There is a country f behind her!

"What about country f? It was already a precarious royal family. If the Li family is unstable, it will be replaced soon. Li Mengyao came to a city at this time, and this purpose is very obvious. "

Huo Dongyang's words reminded Huo yunxun. Although Li Mengyao has taken back the military power from the Helian family. However, country f still needs economic development, otherwise everything will be in vain. Moreover, apart from the royal family, if the other families unite, the royal family will be even more dangerous.

Seeing Huo yunxun understand, Huo Dongyang stands up.

[Chapter 756](#)

When Huo Dongyang left, he saw that Li Mengyao was still there.

"Princess, do you want to keep waiting?"

"Uncle Huo, I know you have a problem with me. But I also have my own difficulties. "

Huo Dongyang smiles. Everyone knows Li Mengyao's change. If you tear your face, then there will be embarrassment and embarrassment left!

"Princess, you have your troubles, and we have our ways of dealing with them."

"Uncle Huo, I really like Yun Xun. Before I was holding the premise of marriage with him! You are also very clear about this. "

Huo Dongyang seems to hear a joke, the smile on his face is deeper, but this smile has a bit of irony.

"That's not true." Huo Dongyang retorted. "Xiaoxun is married!"

Li Mengyao's face is awe inspiring. Huo Dongyang is attacking himself. Directly poke the words that you don't want to hear. Gu Yaoyao is already a thorn in her heart! And from Huo yunxun's attitude towards her, we can see that their feelings are very good.

Huo Dongyang looked at Li Mengyao's subtle changes and made a decision secretly.

"Uncle, you can get divorced if you get married. Gu Yaoyao is not suitable for Yun Xun at all. "

"I think the princess also knows my family's rules. Once you get married, you can't divorce easily." Huo Dongyang's tone of voice also became serious. He did not allow anyone to destroy this.

Li Mengyao heart a horizontal, this rule, she knows. Huo yunxun told himself. At first she didn't pay attention to it at all, but now it has become a barrier.

If you can't divorce easily, then you will be left widowed!

Li Mengyao's heart is as hard as diamond. They have rules, so they want to find ways to break the rules!

Huo Dongyang looks at Li Mengyao's eyes in his heart. She really plans to start?! For a ridiculous reason, is she trying to get away with it?

"Everything you want is nothing. I hope the princess can think clearly

Huo Dongyang's words are complete, and the rest is waiting to compete with Li Mengyao. This woman has become too terrible, even some unscrupulous.

Once the straightforward and cheerful Princess of F, she has now become an ugly woman with a cruel heart.

Entering the elevator, Huo Dongyang called Xiang Qing.

When Huo yunxun left, Li Mengyao was no longer there.

Listen to a Jin said, after a few words with his father, he was angry and left. Dad must have said something she was not happy with.

"Young master, my father just called and asked you to pay more attention to everything."

Huo yunxun nodded, "where is Yao Yao?"

"Arrangements have been made."

"We must ensure the safety of Yao and Yao, which is the most important thing."

"Yes

Huo yunxun looked down at his mobile phone and thought of calling Gu Yaoyao. I didn't expect her to call.

"Hello Huo yunxun picked it up immediately.

"Ah Xun, have you eaten yet?" Gu Yaoyao's soft and sweet voice came.

Such a voice swept away the haze, all the negative energy in Huo yunxun's heart were dispelled.

"No

"Are you working overtime again?"

Huo yunxun's eyes with a smile, eyes become gentle. "Just finished work, ready to go back."

"Remember to eat!"

"And you?" Huo yunxun wants to know about Gu Yaoyao.

Gu Yaoyao said with ease, "I'm fine. I've met all the actors today, and I'm very easy to get along with. "

"Your role this time..."

"Ha ha ha, don't you think I can do well?"

"You can't change the shape?" Huo yunxun cares about this, and this time the clothes are much more visible.

Gu Yaoyao knew what Huo yunxun meant. "No, it's all settled. And this is also in accordance with the character to match. In the afternoon, mom and xiaonuan both said it was good

"They see at different angles." Because they are women, men see from different angles.

If he continues to think about it, Huo yunxun is worried that he will not be able to control himself and directly tie Gu Yaoyao back.

"Don't worry, I'll take care of myself. You should also pay more attention to your health. "

"You too! Your body has never been well conditioned. " Huo yunxun is more worried about Gu Yaoyao's physical condition.

Gu Yaoyao cleverly turned the topic to other things. "Ah Xun, I'm going to take a bath. I have to go to bed early

"You..."

"Bye, I'll miss you."

Watching Gu Yaoyao quickly hang up the phone, which makes Huo yunxun speechless. Every time I use this move, but I have no idea.

Back to Haoting garden.

Home empty, no trace of popularity.

Huo yunxun turned on the light and walked into the room. He saw a box house on the bed."What is this?"

Huo yunxun opened the box and caught his eye. It was a handmade bib. The treasure blue looked like a match for himself.

Huo yunxun picked up the small card in the box and saw Gu Yaoyao's handwriting.

"Happy birthday, husband! This is another gift. I didn't know your birthday before, so I made it up together. I made the collar. I hope you don't dislike the rough workmanship

Huo yunxun firmly grasped the bib in her hand. When did she prepare these. These gifts are time-consuming and time-consuming. Whether they are hand ropes or necklaces, they deeply touched his heart.

Thinking of his behavior yesterday, Huo yunxun wanted to slap himself in the face. Where is such a wife! Gu Yaoyao's two gifts completely captured Huo yunxun's heart!

Over the years, he has received many gifts, but most of them are material gifts piled up with money. It's a very valuable gift for Yao.

Huo yunxun pressed his neck in his arms. He wanted to see Gu Yaoyao at the moment.

"Yao Yao..." Huo yunxun murmured.

Huo yunxun took out his mobile phone to call Gu Yaoyao. He wanted to hear her voice.

But Gu Yaoyao didn't answer. Is she still busy? Or did you sleep?

However, Huo yunxun has no choice but to send a wechat to Gu Yaoyao. "Thank you for your wife's gift. I love it! If you're here, I just want to hold you in my arms

Huo yunxun see the mobile phone did not respond, and then folded the handmade bib, carefully put it back into the box. Then, like a treasure collector, he put the box in the cupboard.

I can't help feeling better when I think I can take it out in two months.

Gu Yaoyao, who is in the movie and TV city, has been sleeping for a long time. So I missed Huo yunxun's phone call and wechat. Gu Yaoyao's mouth with a smile, things want to open better than anything!

She decided to trust Huo yunxun and that he would not cheat herself.

But on the next day's opening ceremony, Gu Yaoyao encountered problems. Because in the opening ceremony, Gu Yaoyao saw Li Mengyao in the crowd.

[Chapter 757](#)

"Why did she come?" Gu Yaoyao's heart pounded.

Li Mengyao looks at Gu Yaoyao with a smile.

After being said by Huo Dongyang, Li Mengyao still thinks that he should come to Gu Yaoyao again. So she started before dawn.

Li Mengyao disdained to have any communication with Gu Yaoyao, but now the situation has to come again.

Seeing Gu Yaoyao's concentration, Yang Xin whispered in her ear: "what's the matter with you?"

"Nothing."

"Yao Yao, if you have anything to do, you can tell me. Sister Xiao asked me to take care of you last night Yang Xin continued.

Before, Yang Xin misunderstood Gu Yaoyao, so she was very upset. However, after getting along with each other these two days, Gu Yaoyao is actually very easy to get along with.

"What can I do for you?" Gu Yaoyao replied.

Yang Xin shook his head. "Not necessarily. This is women's heap. You know three women in a play, but we have five women this time. These three or three combinations are also several groups. "

Yang Xin's words let Gu Yaoyao nod, where there are many women, then there are many problems.

"Who is the woman under the stage who has been staring at you with provocative eyes?" Yang Xin noticed Li Mengyao and saw the hatred hidden in her eyes.

Gu Yaoyao thought for a while, and did not know how to explain Li Mengyao's identity. If other people knew about it, it would be chaos. So for the sake of other people at the scene, Gu Yaoyao did not say.

"Not really."

Yang Xin frowned. "Not really? This is not Xia Yunzhe's girlfriend fans, is it? You have to keep an eye on it. If something is really wrong, you have to speak out. "

"Good!"

Li Mengyao spent the whole stage listening to the words of several leading actors. Her eyes would go to see Li Mengyao from time to time and guess what she was thinking.

The press conference will soon be over, and Gu Yaoyao and his party will immediately change their make-up to prepare for a later shooting.

After Gu Yaoyao changed her clothes, Qingya went into the makeup artist.

"Miss Gu, my miss wants to talk to you." A man came up to Gu Yaoyao and said.

"I'm ready to shoot." Gu Yaoyao is on guard, but she seems to have no reason to refuse Li Mengyao's invitation.

Yang Xin has heard of Xia Yunzhe's girlfriend fan. When Gu Yaoyao gets up, she quickly pulls Gu Yaoyao's hand.

"Where are you going? Our words are not right yet. "

Elegant had to go forward to round the field. "Then when Miss Gu is not so busy."

Gu Yaoyao nodded and saw Qingya leave. I can't help but breathe a sigh of relief, or think it will be a hair trigger. Li Mengyao's temperament may come soon.

"Yao Yao, you want a long snack!"

Gu Yaoyao nods. Although she doesn't know Li Mengyao's real purpose, it's good to be careful.

"And don't act alone. It's easy to give them a chance."

"I didn't expect you were quite experienced. Thank you

"Who let you be sister Xiao's friend, so I should help you."

Seeing Yang Xin, who suddenly became serious, Gu Yaoyao did not adapt.

"Xinxin, thank you!"

Yang Xin smiles politely, remembering the horrible picture at the beginning, Yang Xin is also a little scared. At that time, if Zhou Xiao didn't appear in time, there would be no Yang Xin now.

"You're welcome. We should have taken care of each other. The next two are sisters in the play

Gu Yaoyao didn't expect Yang Xin to do this to herself at first, so some things were still unexpected. Just like after the press conference, Li Mengyao took the initiative to come to Gu Yaoyao.

"Miss Gu, we met again."

"Yes." Gu Yaoyao kept a smile on her face.

Li Mengyao looked at Yang Xin beside Gu Yaoyao and said directly, "can I delay you for a few minutes?"

Yang Xin knows that Li Mengyao wants to leave by herself. The meaning in her eyes is so obvious.

"Yao Yao, I'll wait for you in front. Don't be too long. We're the first

Yang Xin also said this to Li Mengyao. Although I don't know her identity, from her words and deeds, she should not be an ordinary person, giving people a feeling of being superior.

"OK." Gu Yaoyao nods.

"Call me if you want." Yang Xin finished and walked on.

Li Mengyao noticed the look in Yang Xin's eyes before she left. The actress dared to question herself.

"Let's find a quiet place."

Gu Yaoyao refused directly. "I don't have much time."

"Gu Yaoyao, don't think this is your territory. It's easy for me to have a crew stop work."

Gu Yaoyao knows that Li Mengyao's words are true, but she does not compromise.

"You're here to talk to me about ahun?""At last, I was smart. We were together on his birthday, and it was Huo Dongyang's phone call that made him have to go back. "

Gu Yaoyao listened to Li Mengyao's words without expression, as if these were not some unimportant words.

Li Mengyao didn't expect Gu Yaoyao to be so calm, which was different from the last meeting. In particular, her disgusting eyes reflected the way she looked at this time.

"You don't have to come to me." Gu Yaoyao said plainly. "I just want to tell you that the feelings you get by means of means are fake."

Li Mengyao bit his teeth, but he couldn't refute Gu Yaoyao's words.

"Gu Yaoyao, we'll see."

"Princess, there is really no need to fight between us."

Gu Yao walked on. No more attention to Li Mengyao.

Yang Xin saw Gu Yaoyao coming, and immediately went forward. "That woman is very arrogant. What did I say to you just now

"Men." Gu Yaoyao gave a general answer.

Yang Xin, of course, thought it was Xia Yunzhe. "Hum, it's really brain powder. I thought I could do whatever I wanted if I had some money! "

"Let's go."

"Good."

Li Mengyao didn't leave immediately. Instead, he used his status and privilege to stay on the scene and watch the rival play of Gu Yaoyao and Yang Xin.

After seeing Gu Yaoyao's make-up and dressing up, Li Mengyao smiles! I didn't expect Gu Yaoyao to dress like this! If these were seen by Huo yunxun, I don't know how he would feel.

Every man is possessive. His wife will be angry if he wears it like this!

Li Mengyao picked up her mobile phone and took a few photos, then sent them to Huo yunxun.

"You want a woman like that?"

But Li Mengyao did not wait for Huo yunxun to reply, thinking that Huo yunxun might have been angry.

When Li Mengyao took it for granted, Lin Dan appeared in front of her and said, "princess, please leave here, young master!"

"What!" Li Mengyao couldn't believe what she heard.

Instead of repeating it again, Lin Dan made a gesture of please.

Li Mengyao frowned. "Is that what Yun Xun really means?"

"Yes

[Chapter 758](#)

Out of the gate of the film and Television City, Li Mengyao accidentally found Huo yunxun.

As soon as her eyes lit up, she walked lightly past with a sweet smile on her face. "Yunxun, are you here to meet me?"

"No Huo yunxun denied. He actually came to see Gu Yaoyao because he missed her so much!

Li Mengyao's smile is stiff at the edge of her mouth, and her heart is half cold. Huo yunxun didn't come to pick her up, which means he came to Gu Yaoyao.

Clenched slightly in the trembling hand, Li Mengyao did not give up for a sentence. "Yunxun, do you really like Gu Yaoyao?"

Huo yunxun blinked and then looked at Li Mengyao.

"That's important?"

"Yes, very important!" Li Mengyao wanted to ask for an answer.

Huo yunxun takes back his sight and looks straight at the gate of the movie and TV city. It's just like looking through the water.

"I love her."

Li Mengyao didn't respond for several seconds. Her ears seemed to be deaf. She couldn't hear any sound. But just now Huo yunxun's voice I love her has been replayed in my mind countless times.

Li Mengyao staggered back two steps, eyes are more incredible.

"What did you say?"

Huo yunxun kept the action just now and didn't move. The eyes are still in that direction.

"Mengyao, let's not deceive ourselves!" Huo yunxun suddenly said, "emotional things can't be forced! Let bygones be bygones. We can't go back to the past

"No!" Li Mengyao shook her head. "That's not the way it should be. You have no relationship with her at all. I know you are married by contract. "

"Marriage is a contract. The marriage certificate is the contract. It's just that this contract is here for life. "

"I don't believe it!"

Huo yunxun did not force Li Mengyao to accept his point of view. "Believe it or not, the answer is already here."

"Huo yunxun, you are cruel!"

"Mengyao, go back to country f! Don't come to city a again. It's good for all of us. "

Li Mengyao angrily responded with a smile, "they all say that men are fickle, as expected! If you have a new love, you forget your old love. "

Huo yunxun laughed at himself with a helpless smile. "Since I married Yao Yao, I found that you and I did not love each other in the past."

Li Mengyao was hit hard. Her eyes were wide, and the whole person became impatient. There was a fire burning in her heart.

"What are you talking about? Huo yunxun, you are anxious to get rid of the relationship with me. "

"No Huo yunxun replied. "I loved you, but it wasn't true love."

"Enough!" Li Mengyao covered his ears and didn't want to listen to Huo yunxun.

The heart was severely torn several pieces, the original so long is her wishful thinking, even self amorous.

Li Mengyao was completely hurt this time, with resentment in her eyes, "you and Gu Yaoyao won't last long!"

Watching Li Mengyao run away, ah Jin comes forward.

"Young master, what you said just now has a great impact on the princess."

Huo yunxun looked up at the sky at this time, "love can only accommodate two people! If there is one more, there will be three people injured. "

Ah Jin did not speak, but stood behind Huo yunxun.

After the performance in the morning, Gu Yaoyao can sit down and have a rest.

Zeng Ni came forward and whispered in Gu Yaoyao's ear: "Huo Shao is here. It's in your room."

Gu Yaoyao hesitated for a moment and even looked back at Zeng in disbelief.

"Ah Xun is here?"

Zenny nodded. "Well, it's been a while. Ah Jin said that they had to go back in the afternoon, so you should go and see him

In an instant, all the fatigue and hard work disappeared when Huo yunxun came. Gu Yaoyao immediately ran back to her room.

"Ah Hoon!" Gu Yaoyao gasped and opened the door of the room.

Huo yunxun saw Gu Yaoyao look in front of his eyes, with a touch of exclusive tenderness in his eyes.

"Running back?"

Gu Yaoyao goes to Huo yunxun. "Sister Zeng Ni said that you would hurry back later. So... "

Huo yunxun uses the speed that can't cover one's ears to buckle Gu Yaoyao in his arms, his arms slowly tighten.

"It's only one day apart, and I can't stand it anymore!" Huo yunxun said in Gu Yaoyao's ear.

Gu Yaoyao listened to Huo yunxun's heartbeat. She said with a smile, "your heart beats a little fast."

"That's because I'm telling the truth."

"A Xun, I have one thing to ask you and one thing to tell you."

Huo yunxun knew what Gu Yaoyao wanted to ask, so he took the initiative to explain: "on the birthday day, Li Mengyao came to see me, but later she was not feeling well, so I took her to the hospital, so I delayed the time."

"So it is." Gu Yaoyao murmured. "Li Mengyao came to see me today. Said you were with her on your birthday. Then it was because dad called you, so you had to leave. "Huo yunxun hugged Gu Yaoyao, "there is absolutely no such thing. If you don't believe it, you can ask ah Jin or her brother-in-law. They can all testify. "

Gu Yaoyao chuckled, "they are all your people."

"Then you can ask dad too!"

Seeing Huo yunxun explain so nervously, Gu Yaoyao can't help but feel funny.

"I believe you!"

"Really?"

Gu Yaoyao nodded, "if you don't believe you, you won't ask."

"Yao Yao, no matter what happens, you can ask me. There is no secret between us. "

"Welfare so good?"

"Of course, you are my wife."

The smile on Gu Yaoyao's face is more brilliant. "Yes, husband!"

Huo yunxun likes this kind of Gu Yaoyao, especially when he sees her talking eyes. He slowly approached Gu Yaoyao and wanted to kiss her.

Gu Yaoyao closed her eyes and raised her head slightly.

As soon as their lips were on, the knock came as promised.

Huo yunxun's eyebrows twisted, his eyes jumped out of a murderous spirit, and even wanted to kill the knocker.

Gu Yaoyao gently pushed Huo yunxun away, but there was some pity in her eyes. She tidied up her clothes and cleared her throat

"Young master, it's me."

Hearing ah Jin's voice, there must be something urgent.

Gu Yaoyao steps forward to open the door. A Jin's face is a little dignified.

"Little lady!"

"Did something happen?"

A Jin looks directly at Huo yunxun, and his expression is tangled. How can he open his mouth.

Huo yunxun was angry in his heart. He was temporarily spoiled by others, and his attitude was not good.

"If you have something to say! Just a little bit. "

Gu Yaoyao must have been unable to listen to a Jin's appearance of being eager to speak and stopping.

"I'll go back to the set first."

"Yao and Yao are not allowed to go." Huo yunxun took Gu Yaoyao and finally met him. He didn't want to let Gu Yaoyao leave like this!

Huo yunxun pulls Gu Yaoyao to his side. "Ah Jin, say it!"

"Qingya called just now and said that the princess lost contact on her way back. They suspect the princess has been kidnapped! "

Gu Yaoyao obviously felt Huo yunxun's hand shaking after hearing the news.

[Chapter 759](#)

Gu Yaoyao knew that Huo yunxun would worry about Li Mengyao, and if he was really kidnapped, it would be a big deal.

"Go and have a look."

Huo yunxun has some accidents, Gu Yaoyao would say so.

"The princess's status is noble. If you can't handle it properly, it will be a big problem." Gu Yaoyao knows the stakes. When a princess has an accident in city a, not only city a is responsible, but also the country.

And the first to bear the brunt is the Huo family. Maybe some people take advantage of this opportunity to attack the Huo family.

Gu Yaoyao didn't want Huo yunxun and his family to have an accident, so everything should be based on the overall situation.

"Come on

Huo yunxun understood what Gu Yaoyao meant. He hugged Gu Yaoyao and gave her a kiss on the forehead.

"I'll take care of it."

Gu Yaoyao nods. She believes in Huo yunxun's ability.

Huo yunxun leaves with a Jin. Gu Yaoyao stands at the window and looks down. Watching the car leave, Gu Yaoyao prays in her heart.

I hope everything goes well for Huo yunxun and Li Mengyao.

"Yao Yao, it's almost time."

Gu Yaoyao looked back at Zeng Ni, nodded, cleaned up and went back to the set.

Huo yunxun in the car has been in contact with Qingya there, and then let people to track down.

"You have to find someone."

Huo yunxun also told the news to Huo Dongyang, hoping that Xiang Qing could send someone to investigate together.

"I see." Huo Dongyang immediately agreed.

Huo yunxun didn't dare to claim that Li Mengyao's disappearance was because he was worried that he would be used by people with a heart. So it can only be done in silence.

Huo yunxun came to the hotel where Li Mengyao lived. He stood in front of the elegant, with a serious face.

"Do you think Mengyao had contact with other people before?"

Elegant shaking his head. "No. The princess is with me these days

"Does anyone in country f know her whereabouts?"

Qingya was nervous, "No. This time the princess just let me follow. So no one knew that the princess came to a city. "

"Is there no security system on the princess?" Huo yunxun asked when Li Mengyao became so confused. It's not very decent to come to a city so relieved.

"Huo Shao, the princess is so impulsive just to celebrate her birthday with you."

"Is it?" Huo yunxun stares at Qingya and asks.

In the past, Li Mengyao would not do such a thing, and she had a strong sense of self-protection. But this time, how could she forget that?

"Not to tell the truth?"

Elegant low head, did not say a word.

"If you don't say so, you will be responsible for Mengyao's life and death."

Qingya feels afraid. On the one hand, she is worried that something will happen to Li Mengyao. On the other hand, she thinks about her orders.

Huo yunxun looks at the problem from his elegant and tangled expression. It's not really Li Mengyao's self directing and self acting drama, is it?

When he came to the hotel, he had already checked all the monitoring. After Li Mengyao got on the car, the car left the film and television city. And all the way to see that car back to the city, but did not see the car back to the hotel.

And the only part of the road where the accident happened was not captured by the surveillance. Because of the traffic accident, many cars are blocked, and there are police at the scene. Maybe they have done something else to avoid the road.

"If you don't say so, I'll have to call the police and even feed the news back to the royal family."

"No!" Qingya quickly shakes her head.

If this incident goes back, then Li Mengyao's reputation will be affected. What happened with helianmin before had a great impact. If something happened now, it would be very difficult for the princess to walk in the future.

"Tell the truth!"

"I don't know." Elegant head down.

"In that case, I'm going back. There is a word you can tell Mengyao for me. She is no longer the Li Mengyao I know, and we will not have any intersection in the future. Ask her to return to country as soon as she comes back. "

"Huo Shao!" Qingya didn't expect Huo yunxun to be so hard hearted.

"Anything else?"

"How can you be so heartless when the princess loves you so much?"

Huo yunxun looks at Qingya without expression. "I can't afford it."

With that, Huo yunxun left the hotel.

"Ah Jin, tell people to watch here."

"Yes, young master."

City a, in a club.

Li Mengyao is sitting in the box. She is shaking with red wine.

"Huo yunxun, will you come?"

After that, Li Mengyao received a call from Qingya and heard what Huo yunxun said.

The wine cup in his hand fell to the ground, and the red wine splashed on Li Mengyao's ankle, like a little bit of blood.

Li Mengyao powerlessly put down her mobile phone and looked at the red wine stains on the carpet. It was like a white rose dyed red. "Huo yunxun, why are you so heartless! In your heart, our past is really not worth mentioning? "

Tears from the corner of her eyes, she tried so long, in exchange for this is the end!

"Princess, what shall we do now?"

Li Mengyao closed her eyes as she heard the elegant voice coming from her mobile phone. Let the tears flow, how can we do? Huo yunxun completely smashed the expectation in his heart this time.

For Gu Yaoyao, he can even say such cruel words. They can't go back!

"Princess, what's the matter with you?"

"Elegant, let someone pick me up."

"Yes

Huo yunxun soon received the news, and then followed to the club.

When Li Mengyao saw Huo yunxun's appearance, her eyes could not help brightening, but when she saw Huo yunxun's cold eyes, she turned her eyes away.

"Why did you come?"

"If I don't come, I don't have to debunk the scam."

Li Mengyao twisted her head to the other side, Leng is not talking to Huo yunxun.

"Mengyao, capricious always should have a degree."

Li Mengyao snorted, "I am wayward? Why don't you say you're heartless

"My relationship with you has long been over. I said that more than once

"Huo yunxun, you are making excuses for your ruthlessness. Is Gu Yaoyao so good? Good enough for you to do this? "

Huo yunxun didn't talk about himself and Gu Yaoyao again. "I'm disappointed in you. You are a princess of a country, and you even put on such a play regardless of your own safety. This has a great influence on you. Moreover, you should be aware that the royal family will be humiliated because of this. "

Li Mengyao held a breath in her heart. She refused to accept Huo yunxun's accusation!

"Huo yunxun, it's not your turn to teach me a lesson!"

Huo yunxun was very disappointed with Li Mengyao, "I am not qualified to teach you, so please put the overall situation first. Otherwise, all your efforts in the past will be in vain. This is what you've been fighting for in your own life. "

With that, Huo yunxun didn't stop for a moment and turned around and left.

Li Mengyao looked at the resolute back, tears again do not strive to flow out.

"Is it wrong to love someone?"

[Chapter 760](#)

Country F.

The hellens.

When he heard that Li Mengyao had made such a play, he couldn't help laughing.

"I didn't expect that Li Mengyao was so brainless that she went to a city to perform the bitter love drama. It's a pity that it's true for love. " Helianmin was in a good mood.

This period of time to bend, at this moment to be released. He can even think of Li Mengyao's lost face.

"Feiyun, we might as well help Li Mengyao. She wants Huo yunxun to see her more. Why don't I give her a helping hand? "

Feiyun looks at helianmin in surprise, which is a bold idea.

"Are you sure, my lord?"

"What? Are you afraid? " He Lianmin looked at the cloud and asked.

Feiyun shakes his head, just kidnap a country's princess, but it is a big crime. If it is found, then there is really no chance to turn over.

"Inform the people in city B." He will not miss such a good opportunity.

Li Mengyao rushed to a city for Huo yunxun. He just wanted to get Huo yunxun's feelings. Unfortunately, the person Huo yunxun loves now is Gu Yaoyao. It must be uncomfortable for her to lose to a civilian.

Since you want to play a bitter drama, you should make it more realistic.

He Lianmin didn't expect his plan, but later implicated Gu Yaoyao. Of course, there are some reasons for this.

Feiyun received the order immediately to carry out, let the people in B city to prepare.

The next day.

Li Mengyao is disheartened. She stands in front of the window and looks at the scenery of a city. Or it's the last time I've seen it.

"Princess, we are leaving for the airport." Qingya comes forward to remind Li Mengyao to pay attention to time.

Li Mengyao did not make up today, the whole face of some haggard, and the image of the past is also different.

"I see."

"Your Majesty called just now. He has already known that you went to a city without permission and had a fire."

"Well, for the sake of royal face, he will certainly do so." Li Mengyao can imagine his father.

If she can choose, she must not be born in the royal family in the next life. She would rather be a civilian, and she doesn't have to think so much about anything, and she can do whatever she wants.

Li Mengyao knows the burden on her body, and she doesn't want to be like this. It's all forced by the situation. What she wants is a simple love, and then live with the people she loves.

This is not a greedy dream, but as a princess of country f, she has no way to choose her own marriage.

"Let's go!"

Qingya nods and takes Li Mengyao's suitcase out of the room first.

There are two cars in front of the hotel. When Li Mengyao comes out, someone gets off immediately.

"Princess highness, Huo Xiao let's take you to the airport."

Li Mengyao took a look and felt cold. Huo yunxun is worried about not leaving? So you want people here to watch? When did he become so suspicious.

"Your young master is worried about my princess's temporary repentance?"

"No. Huo Shao is also kind

Li Mengyao disdains. Since she has made it clear last night, she doesn't need such treatment.

"Don't bother you." Li Mengyao refused.

"Your Highness, or we'll send you. It's safe. "

Hearing these words, Li Mengyao felt funny, "safe? Are you sure you're not going to escort us to the airport and then take me out? Huo yunxun is considerate. "

"Get in the car, please."

Looking at the opened door, Li Mengyao still stands still. The way you can't help me.

But these people are not polite at present. Several people come forward and put Li Mengyao into the car. They are all soft hearted.

"What are you doing! I don't know who I am, do you? " Li Mengyao yelled. "That's how Huo yunxun asked you to send me off."

"Peace, princess."

With that, the car has started. And Qingya was taken to another car.

Li Mengyao is angry. She takes out her mobile phone and wants to question Huo yunxun why she should do this to herself. As a result, the mobile phone was quickly robbed in the past, "at this time, please be quiet. We don't want to use force. "

Li Mengyao is on the alert. These are not Huo yunxun's people. With Huo yunxun's character, once you have made it clear, you will not continue to manage yourself.

"Who are you

"How clever the princess is." Said the man sitting next to Li Mengyao.

Li Mengyao is afraid. What are these people going to do? She looked out of the window. It was not the way to the airport.

"Where are you taking me?"

"I'll know when I get there."

A few hours later, Li Mengyao and Qingya are taken to an underground casino in B city.

Looking at the strange environment and the smoke filled casinos, Li Mengyao coughed. Looking at the pictures in front of her, she felt nauseous. After the casino, Li Mengyao also noticed that the gamblers looked at their eyes. It was the wolf's eyes when they saw their prey. Everyone was salivating. This picture makes Li Mengyao's hair stand on end!

Soon, Li Mengyao and Qingya were thrown into a small black room.

"Princess, please rest here."

"Let me out. Are you not afraid to be killed?"

Several men laughed when they heard Li Mengyao's words.

"Death? We are all Desperado. Are we afraid? "

"You

Then, the room was closed.

It was dark everywhere, and Li Mengyao felt scared. What do these people want to do?! In my ears, I heard the voices of those gamblers outside, and every sound made Li Mengyao get goose bumps all over her body.

"Princess, are you all right?"

"Qingya, try to find a way. I can't stay in this place. "

Qingya looks at the place where she can't see her fingers. She has the same fear in her heart. She's never been through this. What's she going to do?!

"Hello, princess. Who are these people?"

"How do I know?"

"They know who we are." Qingya added. "Except Huo Shao, we know where we are."

Li Mengyao has a glimmer of hope in her heart. "Yes, now only Huo yunxun can save us!"

"So how can we inform Huo Shao?"

At this point, the door of the room was opened again.

A man with a cigar in his mouth left the room, followed by five or six younger brothers.

"Boss, please sit down!"

Li Mengyao looks at the man sitting in front of her. With the light looming outside, Li Mengyao sees the scar on the man's face.

"You are..."

"So the princess of state f looks like this?" Ji Kun speaks. "Not so much!"

Li Mengyao did not dare to keep looking at Ji Kun, "what do you want to do?"

"For what?" Ji Kun smiles. "I heard that you and Huo yunxun have a lot of relationship?"

Li Mengyao's heart sank. It turned out that these people were aiming at Huo yunxun.

"Why don't you talk?" Ji Kun asked with a smile. "You didn't come out of a club together yesterday."

"You arrested me because of Huo yunxun?"
