

Warm Wife 761

[Chapter 761](#)

An idea suddenly appeared in Li Mengyao's mind.

She is now waiting for the answer of the scar man in front of her. As long as she is sure, she may have a chance to survive.

"Yes Ji Kun nods. "Two years ago, Huo yunxun suppressed a lot of my business and forced me to come to this place."

Li Mengyao couldn't help but breathe a sigh of relief, so his own way is feasible.

"I think you caught the wrong man." Li Mengyao slowly recovered calm. "I have nothing to do with Huo yunxun. He's married and he has a good relationship with his wife

Ji Kun reached out and put his cigar between his fingers.

"So what you mean is that you have nothing to do with Huo yunxun?"

"Yes Li Mengyao nods. "Yesterday was the last time we met. He and I said a lot of heartless words! So we can't be together. "

Ji Kun laughed, "is that right? But how did I get the news that you came all the way from country f to city a for Huo yunxun? This friendship is very rare. You two were on the news before

"That's all over." Li Mengyao explained. "Huo yunxun only loves his wife now. I know where that woman is."

Ji Kun looks at Li Mengyao, who is fighting for his life in front of him, with a bit of irony in his eyes. For their own sake, they will not hesitate to pull others into the water. The princess has a wicked heart!

"Is it?"

"Yes Li Mengyao nods. "Huo yunxun's wife is the very popular female star Gu Yaoyao. She's filming in the city now. "

Ji Kun picked up his cigar again. "How can I believe you?"

"You can call Huo yunxun and ask clearly."

Ji Kun gave a wink to his subordinates. After a while, someone came in with Li Mengyao's mobile phone.

"Call Huo yunxun."

Looking at the mobile phone thrown at her feet, Li Mengyao picked it up shivering, worried that Huo yunxun would not answer his phone, and that he would die. Li Mengyao is full of contradictions.

"This..."

"If you don't fight, I won't believe you! I know about you and Huo yunxun. You don't mean to mislead me? So to prove you're not lying, call him in front of me

Press the number in the heart, Huo Yunyao waits.

But did not expect Huo yunxun really so heartless, this time his number pulled black, so simply can't get through.

Li Mengyao's face turns white. What should I do now?

Ji Kun noticed that Li Mengyao's face changed and his mouth was full of laughter. "Princess, what's the matter? Huo yunxun didn't answer? "

"The phone doesn't work."

Ji Kun throws his cigar on the ground, and he grabs Li Mengyao's hair.

"Trick me?"

"No. I didn't! " Li Mengyao's tears revolved in her eyes.

Ji Kun suddenly showed a smile, "use my mobile phone to call in the past."

Finish saying, Ji Kun let go of Li Mengyao's hair, "be honest."

Li Mengyao gasped and was really scared just now. This man is terrible!

"As I said just now, Huo yunxun has nothing to do with me. He will not answer my phone now. If you want to revenge him, you should go to Gu Yaoyao, who is Huo yunxun's darling. "

Ji Kun sat down again. "Who is Gu Yaoyao?"

At this time, the people under him immediately handed the mobile phone to Ji Kun. After seeing Gu Yaoyao's photo, Ji Kun's eyes brightened.

"This is Gu Yaoyao?"

"Yes, boss."

With Ji Kun's lust, Gu Yaoyao is really good. Compared with the princess in front of her, she is a fairy. If this is really Huo yunxun's wife, it shows that he has a good eye.

If you want to change into yourself, you will choose a beautiful young woman.

"Are Huo yunxun and Gu Yaoyao really husband and wife?"

"Yes. They're married, but they haven't made it public. " Li Mengyao goes out of his way. As long as he leads them to Gu Yaoyao, it has nothing to do with himself.

Ji Kun saw hate from Li Mengyao's eyes, "princess, I didn't expect you would be abandoned. But if I were Huo yunxun, I would choose Gu Yaoyao. Look at you, which one can match. Tut

This sentence undoubtedly gave Li Mengyao a big blow! She put all her anger and hatred on Gu Yaoyao. It's because of her that she becomes, otherwise I don't have to be insulted like this.

"Yes, I am a poor woman. If you have the ability, you can catch Huo yunxun's love. "

Ji Kun squatted down in Li Mengyao's face again, "princess, thank you!"

With that, a group of people disappeared. The room turned dark again.

Qingya goes forward to support Li Mengyao. "How are you, princess?"

"I can't die." Li Mengyao's anger deepened. Qingya doesn't agree with Li Mengyao's practice, but since things have been like this, there is only one way.

Li Mengyao leans on the elegant body, still replaying Ji Kun's words just now in his mind. She bit her lips, her eyes full of jealousy. What's worse than Gu Yaoyao!

Thus, day after night, Li Mengyao's whole life was in vain. She has never suffered this kind of pain, in the absence of water and food, Li Mengyao felt that her body was reaching the limit.

"Water..." There was a whisper in her mouth.

The elegance was no better, and her throat was dry.

"Princess, hold on for a while. Soon someone will come to save us. "

Li Mengyao opened a line of eyeliner, "will there be?"

"Yes."

"But Huo yunxun has ignored me."

Qingya felt uncomfortable all over, "princess, forget Huo yunxun! He won't mind our business any more. "

"It's all Gu Yaoyao's fault."

Qingya just wanted to answer, the door of the room was finally opened again.

There was no light for a long time, so Li Mengyao and Qingya's eyes couldn't stand it or even adapted to it.

"Princess, do you feel tired and hungry?" Ji Kun said with a smile. "Isn't it a good taste?"

Li Mengyao is unable to answer Ji Kun, but she is already a prisoner.

"Ha ha, the princess has a bad temper." Ji Kun goes to Li Mengyao.

Li Mengyao doesn't want to pay attention to it, but Ji Kun's words ring in his ear. "Shall we make a deal? If you do, I'll let you go so that you can go back to country f and be your princess

"What deal?"

"It's simple. I have a grudge against Huo yunxun. You just have to lead Huo yunxun here. "

Li Mengyao hesitated. Although she hated Huo yunxun, she didn't want to see Huo yunxun go wrong.

"What? Not willing? " Ji Kun sneers. "Otherwise! You didn't say Huo yunxun loves his wife very much. You can bring his wife. After that, you don't have to worry about it. "

When Li Mengyao heard this, her eyes flashed.

"You mean what you say?"

"Of course

[Chapter 762](#)

Hearing this, Li Mengyao's heart was relieved, a trace of malice flashed in her eyes.

Gu Yaoyao can't blame me for this. It's all your retribution.

"Well, I promise you."

Ji Kun nods with satisfaction. The princess is really desperate for Huo yunxun. If he gets these recordings to Huo yunxun, what kind of expression will he have?

Soon, Ji Kun sent food and water to Li Mengyao.

"Princess, shall we do this?" This is to lead the fuse to Gu Yaoyao.

Li Mengyao wishes that Gu Yaoyao had an accident, so that he would not be in the eye.

"Now it's very important for us to protect our lives. I don't care so much. What will happen to Gu Yaoyao if there are so many people around to protect her?" Li Mengyao said, but she didn't think so.

"Princess, we still have to think about it clearly and act."

"Qingya, which side are you from? Now Gu Yaoyao is your master? "

"Princess, I dare not."

"Shut up if you don't dare. It's the first task for us to go back to country F."

She nodded and ate in silence. If Huo yunxun knew about it, it might cause a lot of trouble. Huo yunxun would not let the princess go easily, not even the Huo family.

After dinner, Ji Kun personally sent Li Mengyao to the film and television city to find Gu Yaoyao. And Qingya was left as a hostage. If Li Mengyao succeeds in bringing Gu Yaoyao out, someone will take her to the airport to meet Li Mengyao.

To the film and Television City, Li Mengyao got off first.

"Princess, I'll wait for you. If she won't go with you, use the medicine I just gave you. "

Li Mengyao nodded, clenched the bag of medicine in his hand, and then walked into the movie and television city.

This time, Li Mengyao asked someone to take a message to Gu Yaoyao, saying that he was waiting for her in one of the cafes.

Zeng Ni took advantage of Gu Yaoyao's rest and told her the news.

"Do you want to go there?"

"She said to wait for me there?"

"Yes

Gu Yaoyao has some doubts. Didn't Li Mengyao go back yesterday? Why do you come here all of a sudden?

"Yao Yao, I don't think you need to go. She certainly won't have anything nice to say."

Gu Yaoyao sent a wechat to Huo yunxun before leaving, saying that Li Mengyao came to find himself.

"Sister, I'll be back when I go."

"Or I'll let lindane follow you. Maybe Li Mengyao also brought someone. "

"It doesn't matter. If it's not right, I'll call you."

Zeng Ni nodded, but she was still worried about Gu Yaoyao. So he contacted ah Jin privately to explain the situation.

A Jin quickly replied, "follow the little lady, I'm afraid the comer is not good."

Zeng Ni chased after her in a hurry, hoping Gu Yao Yao had nothing to do, otherwise it would be hard to explain.

When Gu Yaoyao arrived at the restaurant, she saw Li Mengyao sitting alone with the door on her back, and her figure was a little lonely and lonely. Gu Yaoyao stepped forward and walked in the past, "have you been waiting for a long time?"

Li Mengyao raised his head and looked at Gu Yaoyao, who was still wearing makeup. "I'm really not used to your modeling."

"Characters need to. I don't think the princess is here to discuss this with me

Li Mengyao laughed, "Gu Yaoyao, I didn't expect you have a little brain. It's not a straw bag. "

"Thank you for the compliment."

Li Mengyao looks at Gu Yaoyao in front of her. She doesn't know whether it is her image or her real personality. Now she is completely different from the last time she saw it.

Finally, Li Mengyao regards this as the influence of the role. Gu Yaoyao, who is so powerful, is probably not playing.

Gu Yaoyao noticed that Li Mengyao was looking at herself all the time. She couldn't help laughing, "is this the princess trying to test me?"

"Did you? Is it because you are too sensitive? " Li Mengyao replied.

Looking at the two cups of coffee already served, Li Mengyao winked at the waiter. Let her put the cup of coffee with ingredients in front of Gu Yaoyao.

"I'm here today to tell you that I've decided to go back to country F. It won't be here again. "

"Did not the princess leave yesterday?"

"There was an accident yesterday, so I'll leave tomorrow." Li Mengyao's tone is also full of helplessness.

Gu Yaoyao looked at Li Mengyao's haggard face. It seemed that she had really encountered a problem. However, she did not ask, because these are Li Mengyao's affairs, and she has no right to ask.

All Li Mengyao's mind is on that cup of coffee. She wants to see if Gu Yaoyao can drink it? And worried that she would find something strange.

"Have a cup of coffee?"

Gu Yaoyao looks at the hot coffee in front of her eyes, and suddenly has an impulse not to drink.

"You don't doubt what I did?"

Gu Yaoyao shows a smile, and this smile looks harmless, but the meaning of that smile is meaningful. Gu Yaoyao picked up her coffee and sipped it gently. "Is that ok?"

"I won't fight with you for Huo yunxun. I lost. "

Li Mengyao's words make Gu Yaoyao doubt the truth of this sentence. This is not just the declaration of war, why suddenly change of mind. It's not about what happened these two days, is it?

"Are you going to give up?"

"If you don't give up, you are the only one in Huo yunxun's heart." Li Mengyao said here, the fire of jealousy in his heart can be rubbed out. But Gu Yaoyao will soon disappear.

Gu Yaoyao smiles. "You make me uncomfortable. I remember you said a lot to me two days ago

"Times have changed. I have nothing to say."

Gu Yaoyao had an eye in her heart, and she was dubious about Li Mengyao's words. From a woman's point of view, she would never want to give up Huo yunxun. But now she said to give up, will not be in any big trouble?

Looking at Li Mengyao, Gu Yaoyao seemed to be thinking about something, and then he said, "does the princess have anything I need to convey?"

"No!" Li Mengyao quickly interrupts Gu Yaoyao.

Li Mengyao is also worried, Gu Yaoyao seems to doubt himself. So she has to be quick, or she'll be exposed.

In the face of Li Mengyao's sudden change, Gu Yaoyao raised her vigilance.

"If not, I'll go back first. I'll have a play later. "

Li Mengyao stood up nervously and pulled Gu Yaoyao to leave. "Wait a minute."

"What else does the princess have?" Gu Yaoyao frowned. There is something wrong with Li Mengyao.

"I just want to say one more word to you."

"What?" Gu Yaoyao looks back at Li Mengyao.

At this time, Li Mengyao's expression has become complacent. "Gu Yaoyao, you asked for it."

"What?"

Li Mengyao quickly put the powder in his hand and sprinkled it on Gu Yaoyao. It was too late for Gu Yaoyao to escape.

"That cup of coffee, I just asked people to add more sugar."

Looking at Li Mengyao who gradually became ferocious, she was caught in a trap!

"What are you going to do?" Gu Yaoyao asked before losing consciousness.

"You'll know in a minute." Li Mengyao's chilling voice rings in Gu Yaoyao's ear.

[Chapter 763](#)

The next second, Gu Yaoyao falls.

Li Mengyao followed her and immediately called Ji Kun to let him come.

By the time Zeng Ni arrived, the restaurant was empty, and Gu Yaoyao and Li Mengyao were gone. She grabbed a waiter at random.

"Did you see Gu Yaoyao just now?"

"She didn't seem very well and was taken away by her friends."

"Where are you going?"

"Just out of the side door."

Zeng Ni got anxious and immediately informed Huo yunxun and a Jin. Li Mengyao took Gu Yaoyao away!

"Let lindane go after him. We'll be right here."

Ji Kun takes Gu Yaoyao and gets on the bus, but he doesn't dare to stop for a moment. Drive the car and leave immediately!

Li Mengyao takes a look at Gu Yaoyao beside her with resentment in her eyes. I wish this woman would disappear in this world.

"I have done what I promised you."

"Don't worry. I'll send you to the airport in a minute."

At the first exit of the highway, Ji Kun stops to let Li Mengyao get off.

"Wait here, and a car will take you."

Li Mengyao is standing in an unfamiliar environment. There are always vehicles coming and going, and there is no sense of security at all.

Suddenly, a car stopped in front of Li Mengyao. She was scared and quickly backed away.

The door was quickly opened. "Princess!"

After seeing Qingya, Li Mengyao immediately pressed her heart and breathed a sigh of relief.

"Get in the car!"

Li Mengyao nodded and quickly got on the bus, and the car started again.

But in less than ten minutes, I was surrounded by several cars. The car was stuck in the middle and couldn't move at all.

"What's going on?"

Li Mengyao thinks that Jikun doesn't really mean what he says, so he's going to kill him on the way?!

But when she saw the man coming down from a Hummer in front of her, she was so nervous that she couldn't speak!

Huo yunxun approached the car Li Mengyao was sitting in, "get out of the car!"

Li Mengyao dare not move. Because she saw Huo yunxun's terrible eyes through the glass, she almost wanted to kill herself.

At this time, the car was surrounded by Huo yunxun's people. A Jin and Xiang Qing are also looking at Li Mengyao in the car seriously!

Qingya saw such a battle for the first time, which was quite a match with the first-class security of state F.

"Princess, what shall we do?"

Li Mengyao clenched her hand and felt resentful. Huo yunxun came so fast!

The next moment, Li Mengyao saw that Huo yunxun's people had begun to pry the door, and intended to use violence to solve the problem.

She was fed up with the thought that she had been treated inhumanely these two days. She was reduced to such a degree as a princess. It's just a joke.

"Enough!"

Li Mengyao yelled, and everyone stopped to look at her.

Li Mengyao pushed the door open and got off the car.

"Huo yunxun, what do you mean?"

Huo yunxun red eyes, the eyes are like bloodthirsty, the voice is cold to the extreme. "What do I mean? What have you done, Li Mengyao! "

"I didn't do anything." Li Mengyao insisted, but did not let go.

Huo yunxun pinched Li Mengyao's neck and said rudely, "do you think my hand is strong or your neck is hard?"

Li Mengyao's eyes are wide and round. She can't believe that Huo yunxun will do this to herself.

"Dare you..."

"Dare I?" Huo yunxun's eyes do not have a trace of temperature, the rest is cruel and merciless.

Li Mengyao saw Huo yunxun for the first time. Is he out of control now? For Gu Yaoyao, that bitch?

"Ha ha ha, if you have the courage, you will strangle me, or when I go back to country f, your troubles will come!"

"Good!" Huo yunxun directly forced.

Li Mengyao felt difficult to breathe, and then came a sense of suffocation. Everything in front of her seemed to gradually become blurred.

"Huo yunxun..."

"Where are Yao and Yao?"

Li Mengyao is still stubborn. She wants to see if Gu Yaoyao has been defiled and Huo yunxun will take it. Li Mengyao suddenly laughed and said with difficulty, "Huo yunxun, your baby will soon be ridden by thousands of people!"

Huo yunxun's eyes light a cold, hand again hard!

Qingya saw Huo yunxun move real, she quickly forward to plead. "Huo Shao, be merciful! We were forced, too. Please release the princess

"You want me to let her go? Where are Yao and Yao

"We really don't know. We were tied up at the hotel yesterday. This is also the other side's offer, they want to deal with you. That's why we're allowed to do this. "

Huo yunxun looks at Li Mengyao, whose face has turned blue. "Then why did they capture Yao Yao?" "Because they know Gu Yaoyao is your wife."

Huo yunxun released his hand, Li Mengyao collapsed on the ground, she gasped heavily.

"Princess!" Qingya comes forward to help Li Mengyao. "What do you think?"

Li Mengyao looked at Huo yunxun, who had no change in color. He coughed and said, "how dare you kill me?"

"If Yao Yao has something to do, I'll let you bury him."

Li Mengyao is completely in a daze. Huo yunxun wants to bury Gu Yaoyao himself?!

"You are cruel!"

"Ah Jin, take them back to me!"

Huo yunxun closed his eyes, and his mind was full of Gu Yaoyao's voice and face. He couldn't imagine what he would be like without Gu Yaoyao! If Qingya stopped in time just now, maybe he would strangle Li Mengyao alive.

"Master, calm down." Xiang Qing came to him to remind him.

"Uncle Qing, I can't let Yao Yao have an accident." This is the only thing Huo yunxun thinks.

All the people who hurt or attempt to hurt Gu Yaoyao will not let go and will not be soft hearted!

Xiang Qing patted Huo yunxun on the shoulder, "we can only wait for the news from Lin Dan. See if he can catch up

Huo yunxun looked back at Li Mengyao and Qingya, but the flame in his eyes still did not disappear.

"Who on Earth took you yesterday?"

"We don't know him." The answer is elegant.

Huo yunxun went to Li Mengyao and Qingya and looked at them from a commanding position. "Say something useful!"

"We were taken to an underground casino, the man, I really don't know. I heard them call the boss

Huo yunxun gave ah Jin a look, and Jin immediately carried the driver to Huo yunxun.

"Who is the boss of your family?"

"I..." The driver had been scared out of his wits for a long time, and he was also faltering.

Jin grabs his hair. "Speak well, or your life will be here."

"Spare your life, Huo Shao!"

"Say it Huo yunxun yelled.

"Ji Kun."

Hearing the name, Huo yunxun's eyes became dark and deep. He and Ji Kun have no hatred. What is he going to do?

"To B city."

"Yes

A Jin drives Huo yunxun to city B, and Xiang Qing takes all the rest back to city a, waiting for Huo yunxun to come back and deal with it.

[Chapter 764](#)

A single family villa on the outskirts of city B.

Ji Kun's car stops. He looks back at Gu Yaoyao, who is still in a coma. He can't help wiping his saliva. Although her make-up today is different from before, it has to be said that her beauty can not be covered by any makeup.

Ji Kun's eyes are shining, fantasizing about the taste of such a beauty on the bed. It's just as if she were in a trance.

Ji Kun opens the door of the car and reaches for Gu Yaoyao to come out. He looks at him with his eyes straight.

"Sure enough, it's a beauty." Ji Kun can't help admiring Huo yunxun and choosing such a beautiful woman as his wife.

Those who have a little eyesight will choose Gu Yaoyao. If the princess doesn't make up, she is a yellow faced woman. Looks and skin are very bad, after all, age is here.

Ji Kun carries Gu Yaoyao into the house, only to find a few people sitting in the room.

"Dad, why are you here?" Ji Kun asked and went upstairs with Gu Yaoyao.

"Bastard, who did you bring back?" Ji Jiacheng asked.

"It's my business."

Ji Jiacheng goes to Ji Kun and glances at Gu Yaoyao. Because of Gu Yaoyao's heavy make-up, her hair is in a mess, so I can't see her clearly.

So Ji Jiacheng thinks Ji Kun is addicted to female sex and doesn't want to make progress.

"What else do you want me to say? When can you get rid of your bad habits? " Ji Jiacheng hates iron but not steel. "You have to know Ji Haonan is a tough guy to deal with. If I'm not here after that, what are you going to fight him with? "

"Dad, I never thought about fighting him. I just want to live a comfortable life. I don't want anything else

"A worthless fellow!" Jijia does not know how he gave birth to such a son. It's no use at all!

"Now Ji Haonan and I are in a hot fight, but you have always been out of it. Do you know what a sense of crisis is? " Ji Jiacheng wanted to give up his son, but he was afraid that he was a little bit of his own blood, so there was no way to start.

Ji Jiacheng sighed several times in succession, but he couldn't help it.

"What did you do this time?"

"Don't worry, it's been dealt with." Ji Kun is a little guilty because he didn't act according to the plan.

Ji Jiacheng didn't ask much. Seeing his son's anxious appearance, he must be playing with women. He can only open one eye and close one eye, no matter how bad, it is his own seed.

"I'm going first. You should stop."

"Yes

Without waiting for Ji Jiacheng to go out, Ji Kun can't help holding Gu Yaoyao upstairs.

"Ah..."

"Master, Ji Shao has robbed us of several sites in a row."

Ji Jiacheng feels a headache. When the little boy grew up, he will come to Yin with himself now! He can't easily take out the property of the Ji family.

Over the years, I have done a lot of credit for the Ji family. But why does Ji Haonan become the next successor! At the beginning, my father didn't know whether he was a fool, so he made such a decision.

"Master Someone came into the door in a hurry.

"What a flustered thing!" Ji Jiacheng asked.

"Ji Haonan came with a group of people, and it was very aggressive."

Ji Jiacheng frowns, and he doesn't know which tendons Ji Haonan is wrong. He doesn't sleep this night to make a surprise!

"Go out and have a look."

Ji Jiacheng has just arrived at the door. Ji Haonan has arrived. Originally, they were two people who were tired of looking at each other. Their expressions were almost direct shouting.

"Ji Haonan, what do you mean?"

What about Ji Kun Ji Haonan asked.

He received a phone call from Huo yunxun before. He realized that Ji Kun was so bold that he tied Gu Yaoyao home. As expected, he is the animal who thinks with his lower body.

I don't know I'm in trouble yet. So many women do not touch, but choose Gu Yao Yao, it is simply not life!

"To rest."

Ji Haonan takes a look at the time, and there are ten minutes before Huo yunxun arrives.

"Did he bring a woman back?"

"My son is not in your charge." Ji Jiacheng said aloud.

Ji Haonan called out to the villa, "Ji Kun, if you want to live, I advise you not to move that woman, or you will not know how to die!"

Ji Jiacheng is worried. Does that woman have any identity background.

"What? Your woman

"No

Ji Jiacheng immediately breathed a sigh of relief and spoke with confidence. "No, you are in a hurry. No, just one of them came out to buy it! "

"Ji Jiacheng, you should keep your mouth clean."

"Am I wrong?"

Ji Haonan snorted coldly and continued to shout to the upstairs. "Ji Kun, you should think twice before you act. Are you sure you can touch this woman?" When the window on the second floor opened, Ji Kun said impatiently for several times: "Ji Haonan, what the hell do you care about. This is Laozi's woman

"I advise you to stop at the precipice. Don't die for a while. " Ji Haonan seriously warned Ji Kun. "You know in your heart whose woman this is!"

Ji Jiacheng heard the problem, and he turned to Ji Kun and said, "who is that woman on earth?"

"Dad, don't listen to Ji Haonan. I paid for it. "

"Ji Kun, your hunger days are over."

Ji Jiacheng walked up to Ji Haonan and said angrily, "Ji Haonan, if you have the ability, we should compete in other places. What do you mean when you come here to threaten my son?"

"I intimidate?" Ji Haonan feels funny. I really don't know how much trouble my baby son has caused.

At this time, there was a car noise not far away, and the sound could tell how fast the speed was. In less than a few seconds, a Humvee appeared in front of everyone.

Ji Haonan takes a look at the time, less than ten minutes. It seems how fast the road is!

Huo yunxun jumped out of the car and immediately asked, "where are the people?"

"Upstairs!"

Huo yunxun's icy eyes raised his head and looked at Ji Kun. Ji Kun was scared and fell to the ground after a few steps.

"Huo yunxun..." Ji Kun whispered the name.

When Ji Jiacheng is looking at Huo yunxun, he is crying out in his mind. Is that woman not related to Huo yunxun? This son of a bitch won't really make trouble for himself, will he?

"I'll figure it out with you later!"

Huo yunxun goes straight to the second floor. He has only one goal now, that is to find Gu Yaoyao!

On the second floor, Huo yunxun kicked open the door of Ji Kun's room, as if a hell emissary walked into the room.

Just after her eyes touched Gu Yaoyao, whose clothes were not neat on the bed, her eyes seemed to be filled with blood.

Huo yunxun quickly took off his coat and put it on Gu Yaoyao. He turned and looked at Ji Kun lying on the ground.

"Did you touch her?"

Ji Kun stammered nervously, "that I didn't Not yet... "

The next second, Huo yunxun pulled Ji Kun up with one hand and waved his first fist in his face.

[Chapter 765](#)

Ji Kun is completely knocked out, there are stars in front of him, and his sight is beginning to blur.

Then Huo yunxun again gave him a punch, which was riveting enough to swing out, and another punch hit him in the stomach.

After a few punches, Ji Kun is almost on his last gasp. All the others are blocked by a Jin and can't get in at all.

Ji Jiacheng can only watch his son being beaten. This time, Ji Kun did something wrong. How can he bring Huo yunxun's woman back! It's just asking for trouble.

"Huo Shao..."

Ji Jiacheng's call makes Huo yunxun stop, and his cold eyes sweep to Ji Jiacheng.

"There's more to say."

Ji Jiacheng's words are blocked for a moment. The dialogue that he wanted to do was forgotten at the moment when he saw Huo yunxun's eyes. Huo yunxun's eyes seemed to take the breath of death.

"Which hand did you touch her?"

Ji Kun falters and haws, and his mouth whimpers to say an incomplete sentence.

Huo yunxun pulled up his hair and said, "speak clearly, or you will lose your life."

Ji Jiacheng immediately prompted and said, "ah Kun, tell Huo Shao, who let you do this?"

Huo yunxun's eyes flashed, staring directly at Ji Kun. "Say it

"Princess." Ji Kun's voice is not clear, but his content can be heard.

Huo yunxun pinched Ji Kun's neck with one hand, "want to talk about it again."

"Mobile phone..."

A Jin turns on Ji Kun's mobile phone, which contains several recording files.

Ji Kun signals a Jin to open, and all the answers are inside.

A Jin turns on the recording on his mobile phone and soon hears Li Mengyao's voice and her words. This makes Huo yunxun's face turn blue and his eyes more complicated.

After the recording was played, Huo yunxun broke Ji Kun's hands without saying a word. The sound of the joint clacking was particularly loud. He knew that the bones were broken.

"These hands are your lesson!"

With that, Huo yunxun didn't stop for a moment and turned to pick up Gu Yaoyao.

Then, under everyone's gaze, he left the room.

Ji Haonan looks at Ji Kun, who has already fainted in pain, and then looks at Ji Jiacheng, who is still in shock.

"I learned a lesson this time. Fortunately, my life has been saved. Otherwise, it will be corpse collection."

Ji Jiacheng looks at Ji Haonan and says, "can you ask Huo yunxun for love? This time Ji Kun was also encouraged to do so. It was not his intention

"Second uncle, everyone has to pay for their own behavior. Ji Kun is not the first time. It's not bad to meet Huo yunxun this time. It's good to keep his life. "

"Hao Nan, for the sake of our relatives, uncle, please! Ah Kun is your brother. We'll talk about it later. "

Ji Haonan didn't agree and wanted to go. Ji Jiacheng is worried. He knows the relationship between Ji Haonan and Huo's family. Although he and Huo yunnuan have broken up, their relationship was still very close.

"Second uncle, this is your attitude of asking for help."

Ji Jiacheng gnaws his teeth. In order to protect his life, he always needs to be humble once.

"I can not argue with you about the family property of the Ji family. I will admit that you are the successor of the Ji family."

Ji Haonan picks eyebrows. Unexpectedly, Ji Kun is the lifeblood of Ji Jiacheng. If I had known this, I would not have wasted so much effort before.

"Haonan, please help me!"

"Since the second uncle has said so, I don't want to take a stand. Yes, I'll talk to Huo yunxun. But please release your words. Remember that time never waits for anyone

"Yes Ji Jiacheng and biting his teeth, the original chance of winning was all defeated by this son.

But what can we do? Who can make his son useless. In order to save his life, I had to give in. Otherwise, the person behind is Huo Dongyang. Although Huo Dongyang is a positive businessman, people in the road all know that his grandfather gave him the shadow guards he had trained for many years.

If those people were really mobilized, Ji Kun would have died even worse!

"Take the young master to the hospital."

After Ji Haonan left, the villa became quiet.

Sitting in the car back to his apartment, Ji Haonan saw a missed call on his mobile phone. This number has not seen, but he has a premonition, this is Huo Yun warm call.

Ji Haonan called back soon.

"Who wants me?"

"Ji Haonan, don't do that. If you don't know who it is, you'll never call back. "

Ji Haonan's face somewhat eased, "still know me so well?"

"No more nonsense. How about my sister-in-law?"

"I've been taken back by your brother. Fortunately, nothing happened. Or your brother might have killed him

Huo yunnuan hum a few times, "deserve it! If I were there, I would have killed him directly and tortured him to death slowly! ""Just talk about it. You've had a bad mouth."

"Do you think you know me well?"

Ji Haonan also wanted to say that Huo yunnuan had already hung up.

But Ji Haonan is in a good mood. Is this a blessing in disguise? Without Gu Yaoyao, he would not have taken his things back from Ji Jiacheng's hand, nor would he have received a call from Huo yunnuan.

On the way back to a city, Huo yunxun pursed his mouth and hugged Gu Yaoyao all the way. He didn't dare to let go.

Looking at Gu Yaoyao who doesn't wake up, Huo yunxun's eyes are not as terrible as before, with warm eyes.

"Young master, we will be in city a soon. Shall we take the young lady to the hospital?"

"I'm going back to the set."

"Awake?" Gu Yaoyao nods. "I woke up for a while."

"How does your body feel?"

"I want to go back to the movie city and have my play tomorrow."

Hearing Gu Yaoyao's words, Huo yunxun frowned.

"When are you still thinking about filming?" Huo yunxun thinks Gu Yaoyao doesn't cherish himself at all.

Gu Yaoyao's head is still very dizzy, she reluctantly sat up from Huo yunxun's arms.

"I can't hold back this time."

"You

"Ahun, I'm fine."

Huo yunxun didn't dare to imagine what he would become after Gu Yaoyao's accident. He managed to get through the hurdle. If you don't catch up with it, the consequences will be disastrous.

"After going to the hospital, I'll take you back if it's OK."

Knowing that Huo yunxun made a concession, Gu Yaoyao nodded. She leaned on Huo yunxun's shoulder, and she didn't want to go and have an accident. Think of Li Mengyao's words before, Gu Yaoyao's own heart also knows.

"Yao Yao, I'm sorry!"

"You have done nothing wrong. I was careless this time

Huo yunxun hugs Gu Yaoyao. How can he give Gu Yaoyao an account in person.

To the hospital to do the inspection, confirmed that nothing, Huo yunxun personally sent Gu Yaoyao back to the film and television city.

"Yao Yao, after this movie, let's have a good talk?"

[Chapter 766](#)

Huo yunxun sent Gu Yaoyao to her room and left after she fell asleep.

Out of the room, Huo yunxun looked at Zeng Ni and Lin Dan standing in front of him, and his expression became serious.

"In the future, no matter what happens, you can leave Yao Yao for half a step. Everything must be based on her safety. I hope it doesn't happen again

"Yes

This time, Zeng Ni was still in fear. She didn't expect such a thing to happen.

"Zeng Ni, I will send two assistants together in a few days, so that you can take care of Yao Yao. No matter what you do, you can't let her act alone. "

Zenny nodded. "OK."

"Lindan, you too! If Yao Yao leaves the studio, you follow. "

"Yes, young master!"

After explaining the matter, Huo yunxun went to see Gu Yaoyao again, and then left.

When Huo yunxun left, Yang Xin and his assistant and agent just came back after a snack.

Looking at Huo yunxun from his eyes, can not help but feel surprised. Another look, Huo yunxun just came out of the direction, seems to be from Gu Yao Yao side.

This is not Gu Yaoyao's man, is it? My God, it's so handsome! This is not the same type as Xia Yunzhe.

Yang Xin couldn't help but gossip to see who it was. As a result, Huo yunxun got on a Hummer, and the car soon disappeared.

"Xinxin, it's time for us to go back."

"Han Jie, who was that man just now?"

Han Fei shook her head. "How do I know. They are not ordinary people at first sight. "

Yang Xin wants to ask Gu Yaoyao tomorrow. If it is really Gu Yaoyao's man, it will be too handsome!

Huo yunxun called Xiang Qing in the car.

"Don't worry, young master. People are here. "

"I'll be there soon."

But Li Mengyao in Xiangqing villa, listening to Xiang Qing's words just now, can't help but worry.

Huo yunxun is coming back. Does this mean that he has rescued Gu Yaoyao? I don't know if Gu Yaoyao has any? In Li Mengyao's heart, I wish she had something to do.

Li Mengyao's mood changes in front of him.

"Princess, I have a word to remind you. There's almost no chance of turning around when you come to me. "

"Xiang Qing, are you threatening me? Do you know it's a big crime

"Li Mengyao, don't scare me with your identity. You weren't born when I came out to hang out! How many catties do you have? Where do you have no points? This time you design to frame up the young lady. With this, the master and the master will not let you off! "

Li Mengyao glared at Xiang Qing, "what identity are you and what qualifications do you have to talk to me?"

"He didn't, did I?"

Huo Dongyang came to Qiao Wei's sleep. What happened tonight is really wonderful. Gu Yao just heard that Qiao Yao was sleeping. It's almost two o'clock in the morning.

Li Mengyao looked at the eyes of this pair and Huo yunxun such as a withdrawal of the eyes, can not help the hair stand up.

"Uncle Huo..."

"Uncle, I don't deserve it." Huo Dongyang sits down opposite Li Mengyao.

Li Mengyao was afraid. She had heard of the means to live Huo Dongyang, which only appeared in the rumors. She knew Huo yunxun. Over the years, Huo Dongyang has always been a good husband and father, so she thinks so in her heart.

But now, after Li Mengyao saw Huo Dongyang's horrible eyes, the whole person was scared.

"Actually this time..."

"The princess doesn't need to explain. You and Xiaoxun will explain this time. And I have already contacted his majesty, and he said that he would listen to Xiaoxun. "

Li Mengyao looked at Huo Dongyang in disbelief. How could his father say that? Who would believe it! Is father so heartless?

After a while, the gate is opened and Huo yunxun comes in with ah Jin.

"My son is back. How about Yao Yao?"

Huo yunxun did not answer Huo Dongyang, but went straight to Li Mengyao.

Li Mengyao can feel Huo yunxun's aura, remembering that he almost killed himself on the highway before. That fear was the only time in her life that she was closest to death.

"What are you going to do?"

"Does this matter to you?"

Li Mengyao stubbornly looked up at Huo yunxun and said nothing she would admit. According to Huo yunxun's previous treatment of himself, Ji Kun's fate is not much better, perhaps he has died without proof.

"No!"

Huo yunxun was completely disappointed with Li Mengyao. All the way back, Huo yunxun had been thinking about how Li Mengyao had become like this. In order to protect his life, he even led the fire to others.

No wonder helianmin said that about her before. She is not the same as Li Mengyao who she knows!"I'll give you another chance."

"I said no, that's not true."

Huo yunxun looked at Li Mengyao with great disappointment, "the princess really can hold her. Such a thing can be denied with ease. It requires a strong heart. "

"I don't understand what you're talking about!"

"This time, you encouraged Ji Kun to do it."

Li Mengyao refused to admit, "I didn't, it's his own meaning, it has nothing to do with me. Huo yunxun, don't treat me so indiscriminately for Gu Yaoyao! If you don't believe it, you can ask Ji Kun to confront me face to face. "

"I can arrange it if you want."

Li Mengyao's face turns white. Is Ji Kun OK? How could Huo yunxun let him go!

"This matter has nothing to do with me. Ji Kun has tied me up before. He is a gangster, and it is you who have a grudge against him."

"This time it's all about you. It's none of my business."

Li Mengyao was silent, which surprised her. How could this happen?

Huo yunxun took out Ji Kun's mobile phone and played several recordings inside.

Li Mengyao's face is very wonderful, blue, white and red. The eyes are always floating.

Huo yunxun threw the mobile phone on the ground, "this is Ji Kun recorded, this is your voice."

Li Mengyao didn't expect Ji Kun to keep such a hand. It seems that he underestimated him!

Huo yunxun's face has been gloomy, "what else do you want to say?"

"This recording is clearly synthesis. Ji Kun wants to frame me up!"

"Set you up?" Huo yunxun asked coldly, "Li Mengyao, do you take yourself seriously?"

"Huo yunxun, in fact, this is all your problem!"

Li Mengyao red eyes at Huo yunxun, "you are ungrateful!"

Words fell, a loud slap on the ring, which let the present people feel caught off guard.

"You have the face to say that!" Qiao Wei clenched his hot hand and had not hit anyone for a long time.

But Li Mengyao's words are really hard to hear.

Huo yunxun was surprised to see Qiao Wei, "Ma..."

[Chapter 767](#)

Qiao Wei glared at Li Mengyao, who once wanted to be a daughter-in-law. How did she suddenly become like this.

Li Mengyao, who was beaten, was relieved. She slowly reached out and touched her face. She couldn't believe that Qiao Wei, who has always been gentle, slapped herself in the face like this.

"You hit me?"

Qiao Wei is fearless, "yes, I'll hit you!"

"Why?"

Joe frowned. "Why? Is human life so worthless in your eyes? How can your heart be so vicious? It's a way to get rid of someone you don't like. "

Li Mengyao covers his own hot face. It can be seen that the slap just now, Qiao Wei has exhausted all his strength. But when she thought that this was for Gu Yaoyao to get ahead, she felt bad.

"Madame Huo, don't think you can do this to me with support!"

Qiao Wei see Li Mengyao do not know repentance, face a cold.

"You're here, and you want to mention your identity as a princess. I would be ashamed if I were your parents

Huo Dongyang went up and hugged Qiao Wei, worried that she was angry with her body.

"There's no need to get angry with such a person. I'll deal with it."

"What are you going to do with it?" Qiao Wei asked.

Li Mengyao is still the princess of country f, even if she is in trouble. This identity is obviously tied here, and their father and son will follow their own way. If this is not handled properly, it will easily cause trouble.

"It's in our way, of course."

Qiao Wei didn't want to pay attention to Huo Dongyang and Huo yunxun's treatment. She would appear here because of Gu Yaoyao's phone call. I was wronged and almost had an accident, but I still called to persuade myself.

"Don't worry, Qiao Wei."

"Yao Yao means let's forget it. Don't make a big deal, or it will become an international event."

Qiao Wei said these words in Huo Dongyang's ear, and Huo yunxun was also surprised.

"Well, I see. You go back to rest, don't be tired. " Huo Dongyang hugs Qiao Wei to go out.

Huo yunxun received Huo Dongyang's eyes and understood it in his heart. But he didn't want to let Li Mengyao go back so easily. How could he teach her a lesson this time.

"Huo yunxun, you don't have to look at me like this."

"I don't want to see you either, but you're lucky."

Li Mengyao looks at Huo yunxun with complicated eyes. Does he change his mind?

Huo yunxun walked to one side and sat down. Instead of looking at Li Mengyao, he took out his mobile phone.

In an instant, all around become quiet, quiet terrible.

Li Mengyao's heart is fluffy. Huo yunxun, who does not speak, is more like reading his life and death book, waiting for his words to decide his own life and death.

Xiang Qing and a Jin stand on the left and right, just like the legendary black and white impermanence. It's really like hell.

Li Mengyao wanted to move, but found his legs and feet were stiff.

"Think about what you're wrong with?"

Huo yunxun's voice made Li Mengyao shiver. She was stubborn about her Princess's temper.

"I am right! It's you who are wrong! It's you who are ungrateful, and that's what's going on

Huo yunxun sneered: "do you know who will pick you up for home?"

Li Mengyao frowned with a bad premonition in her heart. The father won't let that man come over for the sake of his face, will he?

"Look at your expression, I guess."

"No!" Li Mengyao doesn't want to see helianmin. He must have no good intentions! And when is it her turn to pick up the trash.

Huo yunxun showed a cruel smile and looked at Li Mengyao, who was about to collapse. "The royal family of country f has already known about you. They are very dissatisfied with you as a princess, but no one is willing to come to pick you up, so the task falls on Helian min, who still has a nominal relationship with you. "

Li Mengyao wants to catch Huo yunxun, but is pressed by a Jin.

"Huo yunxun, you are cruel!"

"This time you are lucky to be able to keep your life!" Huo yunxun said coldly. His eyes still had the taste of cruelty and ruthlessness, and he wanted to let himself die.

Li Mengyao looked at Huo yunxun in despair, "Huo yunxun, is our past all false."

"It's you who, bit by bit, erase the good things of the past."

Li Mengyao burst out laughing. "Men just give themselves reasons."

Li Mengyao knew that she had lost completely this time. There was nothing left to lose. Even she could not predict what would happen when she returned to the f Congress! But it will never be a good thing!

Huo yunxun stood up and said, "Uncle Qing, please look at her these two days."

"Don't worry, young master."

Huo yunxun left and replied to Gu Yaoyao's wechat.

"Her life is left. Next time, no one can plead for anyone!"The next day.

City a airport.

He Lianmin walked out of the airport with his own people and looked at the familiar scenery again. He Lianmin is in a good mood and can finally appear here. In fact, he should thank Li Mengyao.

But for her mindless action, she would not have benefited.

"My Lord, where are we going now?"

"Meet Ji Kun first."

This guy dares to ignore his own arrangement. If Huo yunxun didn't appear, he would have missed his own event. Moreover, he tried to do such a thing to Gu Yaoyao from the lust for him. He had to go and care about it.

"Go

Feiyun nodded and immediately acted according to the command of helianmin.

In the ward of B city hospital, Ji Kun's voice is very loud, and he has been crying for pain.

He pushed the door of the ward open and went in.

"Outside the door, I heard the sound of killing pigs. Is it so painful?"

Ji Jiacheng stands up at once when he Lianmin comes.

"My Lord, why are you here?"

"I heard that my son was in trouble, so I came to have a look. Are you all right? "

Ji Jiacheng immediately complained: "all blame Li Mengyao, she instigated! Ah Kun would have done such a thing, and now he has been abandoned by Huo yunxun. Even me... "

Ji Jiacheng's words were interrupted by Helian min. "No more nonsense."

"My Lord, Li Mengyao is with Huo yunxun!"

Helianmin nodded with a smile! I know. "

He Lianmin's eyes look at an important part of Ji Kun, and gradually his eyes become sharp.

"Flying clouds!"

The cloud came up and said, "my Lord!"

"What do you think is the best way for a good sex man to learn?"

Ji Kun and Ji Jiacheng's face suddenly changed, and they pleaded immediately.

"My Lord, we did not do well this time, but not next time!"

He Lianmin sneers, but this smile makes Ji Jiacheng and Ji Kun feel uncomfortable all over. The heart is more afraid!

"Ji Jiacheng, my grandfather treated you well at the beginning, but how could you raise such an asshole son?"

Ji Jiacheng shivered, "I'm sorry!"

He Lianmin approached Ji Kun, "do you know where you are wrong?"

"I didn't finish the task ordered by my Lord. I was bewitched by Li Mengyao."

He Lianmin's eyes light a Lin, "no, it's you who dare to touch Gu Yaoyao! She is my benefactor

"Flying clouds!"

As soon as the order was given, Ji Kun's cry came out from the ward

[Chapter 768](#)

Looking at Ji Kun, he Lianmin didn't even frown.

He looked at it without any expression, and his eyes were merciless. All people who do wrong have to pay for their actions. This is also his principle.

Ji Jiacheng looks at Ji Kun and feels dizzy. Then he talks to helianmin: "my Lord, this..."

"Who let your son not have eyes?" Hellenim's voice was cold.

Ji Jiacheng is frightened. Did not expect that woman's ability is so great? Not only Huo yunxun, but also helianmin all made contributions for her.

"I don't really know who that woman is. If I knew, I would never let Ji Kun do this. "

He Lianmin looks at Ji Jiacheng, but his eyes are still angry. "I see, you will still indulge, who let this be your son. Next time, I'll have my eyes bright. If Gu Yaoyao is in trouble, I will come to you directly. Next time, it's not as simple as scraping a part. "

"Yes, yes, yes!" Ji Jiacheng nodded again and again, who let himself owe the gratitude of Helian peak.

Now I can only do cattle to do Malaysia in return, even if it is to pay for their own son.

"I will keep his life. I did it to remind him to pay attention

"Yes."

He Lianmin looked at Ji Kun again, "let the doctor have a look. I'm going to take Li Mengyao back to city A

After walking a few steps, helianmin suddenly stopped and turned to Ji Jiacheng and said, "if you can't get along here, I can let you go to country f, where you are needed."

"Well, I'm always waiting for your message."

After he got on the bus, he immediately ordered Feiyun.

"Let people stare at Ji Jiacheng and his son."

Feiyun doesn't understand. Didn't you just say it well? How did you suddenly change your attention.

"Maybe they will, so I'll be watched." Helianmin is to prevent in case, if their father and son bear a grudge because of this, they have evidence to restrain them.

Ji Jiacheng is so precious to Ji Kun. This time, he let Feiyun abandon his big brother without mercy. They must complain in their hearts. So maybe he will deal with himself in the opposite way, so it's better to be cautious.

"Yes Fei Yun nods.

At the door of Huo's villa, he Lianmin took off his glasses and looked at the two villas in front of him. The corners of the mouth rise.

This one is the residence of Huo yunxun's family, and the other is the secret base where other things are carried out secretly.

"Call the door."

Feiyun went up to ring the doorbell of the villa.

"Who! So early to disturb people's dreams? "

He Lianmin took a look at it. It was obviously in the afternoon. The man was not awake.

"Hello!"

"You fart, report your name. Or get out of here. "

However, he can only report his family. After a while, the door of the villa opened.

Helianmin tidied up his clothes and took the cloud in.

When he arrived at the door, he felt that the villa had a strong security system. Once with the person, it is not easy to enter by mistake, maybe it is the abyss of catastrophe.

This idea is reflected even more when you see Xiang Qing, and the Huo family are not easy to offend.

"I'm hellenim."

Xiang Qing just said, without saying a word, so quietly he Lian min sat down opposite.

"I don't know that the prince's Royal Highness really has a magnificent feeling when he comes to my house."

"I don't talk much. Where is Li Mengyao?"

Xiang Qing just shows Li Mengyao in that room with his eyes, and then let Helian min go by himself.

He Lianmin was indifferent, but his eyes just glanced back.

"Is that how the Huo family treats guests?"

Xiang Qing laughed and then said, "I'm afraid you will neglect your royal highness here."

From just at the door, helianmin has seen the Huo family's hospitality. And after entering, Huo Dongyang and Huo yunxun are not in, obviously this place is not their home.

So that's the one next door. This is just Li Mengyao.

"I want to see Huo yunxun. Is Gu Yaoyao OK?"

Xiang Qing soon figured out what he Lianmin meant. He came to inquire about Gu Yaoyao. He Lianmin has already indicated his attitude in front of the media. I'm afraid that the real purpose of his coming to pick up Li Mengyao is to see Gu Yaoyao.

"My wife doesn't need your attention."

Huo yunxun's voice quickly interrupted Helian min's words, and his eyes had extreme dissatisfaction.

Helian laughed, and Huo yunxun's eyes almost wanted to tear himself. He is really interested in Gu Yaoyao!

"Huo Shao, it's really..." In the second half of the sentence, helianmin held back. Huo yunxun went to helianmin. "Sit down, please."

"We're welcome. I didn't think you would let Li Mengyao go this time."

"What my wife meant."

He Lianmin looked down and was not surprised by Gu Yaoyao's decision. It is the same as she saved herself last time. People like her say that she is stupid, and she is kind.

"Huo Shao, as expected, married a good wife."

"It's something you can't envy." Huo yunxun immediately responded.

Helianmin nodded slightly, yes! He is envious not to come, who let him marry is Li Mengyao.

"Huo Shao really doesn't read the old love? Anyway, Li Mengyao is also your old lover. "

"Hellenim, what do you want to say?"

"I just want to sue you. It's all because of you that Li Mengyao became so crazy and inflexible. It's all about you. "

Huo yunxun snorted and looked at helianmin seriously, "don't kidnap morally."

"Well, you can't listen to what I'm saying now."

Huo yunxun also did not want to talk nonsense with Helian, "people, you take away."

Helian nodded. "Take it away, but I won't take it today. I will come to pick her up in person on the day I return home. "

Huo yunxun frowned, Helian min thought relaxed.

"No, I'm not a shelter. People have to take it. "

"Tut Tut, it's heartless." He Lianmin showed his hands and admired Huo yunxun's determination. This is a complete break from the relationship!

But if you change to yourself, you won't let Li Mengyao live so easily, but he will torture her slowly!

"Helianmin, you and I know very well."

He even min did not hide his intention, he nodded. "Indeed. Li Mengyao's life will not be easy when she goes back to country F. this time, she gambled all her Princess's dignity, but the result is like this... "

Huo yunxun did not speak, but looked at the time.

"Huo shaori is in charge of Wanji. If you have something to do, you should go to work first. I'll take Li Mengyao away today

Huo yunxun gave Xiang Qing a look, let him pay attention.

[Chapter 769](#)

The opening of the room door.

Li Mengyao looked at the door with dull eyes. A tall figure appeared at the door.

Li Mengyao subconsciously moved for a moment, thinking whether it was Huo yunxun.

"my royal highness, how did you make yourself like this?" He Lianmin's tone is with some smile.

Li Mengyao suddenly wakes up. She takes a close look and finds that it is helianmin.

"Why did you come?"

"To meet you back home." Helianmin said very relaxed, but this let Li Mengyao's heart filled with fear.

There must be other purposes for helianmin to come here this time, which is not so simple.

Seeing that Li Mengyao did not respond, he Lianmin walked into the room and looked at Li Mengyao in distress, with a sneering smile in his mouth.

"How can you be so haggard and look like a fallen princess? No one will believe it. The once bright princess will become a prisoner. "

"Herrenmin, have you said enough?" Li Mengyao scolded helianmin loudly.

He Lianmin held his arms in his hands, and his face was a little proud. "Of course I didn't say enough! But I can show you what a fallen Princess looks like

With that, he Lianmin took out his mobile phone and took a picture of Li Mengyao. Then he squatted and handed it to Li Mengyao.

"Look at it!"

Li Mengyao can't help crying out when she sees her mobile phone. She wants to rob helianmin's mobile phone, and can't believe that this listless, even very sloppy woman is herself.

No! It can't be me!

He Lianmin picked up the mobile phone and said with a smile: "this has brought beauty effect. You see what you've made of yourself? For a man, you've lost your whole life. "

"Shut up!" Li Mengyao covered her ears like she was crazy. "I'm right!"

He Lianmin looked at Li Mengyao and directly shook his head, "don't deceive yourself. Huo Shaogang also gave an order that I must take you away today. Otherwise... "

"Hermione, shut up! What kind of thing do you dare to talk to me like that

"Princess, I'm very kind to meet you. It's too much for you! I don't appreciate it at all. You have to be clear that no one is willing to come to pick you up in country F. even your father and queen mother dare not say more for you now. So if there is no way out, I can only ask my ex husband to pick you up! "

Li Mengyao felt dizzy. He Lianmin's words undoubtedly hit his heart with lightning and thunder.

"In fact, I want you to disclose the news that we have divorced, so I don't have to work so hard!"

Li Mengyao red eyes, maliciously staring at helianmin, the eyes mixed with a lot of emotions, more resentment!

He Lianmin looked down at Li Mengyao, and his tone became stiff. "Li Mengyao, you didn't expect to have such a day, did you? Your retribution has finally arrived

"Go away

Li Mengyao doesn't want to see helianmin. If it wasn't for her lack of strength, she would have jumped up and bit him!

"I'm going? Then no one will take you back! You have to think about it. You'll be in a dilemma. "

Li Mengyao is biting her teeth. Why did she fall to such a situation? It's unfair!

"I'll give you a minute to think about it."

With that, he Lianmin closed the door and asked Li Mengyao to think about it.

Qingya saw helianmin, and immediately came forward, "prince."

"Don't do that. People don't know. You're a witness. I have nothing to do with Li Mengyao. "

She can't judge Li Mengyao's paranoia.

"In fact, the princess..."

"You go in and say to her, if you don't leave, I won't be forced. She's going to take care of the rest. If you want to leave, you can pack it up for me, and I will not bring back a creature that is neither human nor ghost

Elegant nod, turn to go in persuasion.

He looked at the time and immediately said, "here are five minutes. As soon as time comes, I'll go. "

Elegant nod, immediately push the door in.

Xiang Qing has been sitting in the living room, watching TV, occasionally, but did not participate in the whole process.

Seeing helianmin come over, he put down the remote control. Then he said, "it seems that it has not been settled?"

"She was thinking of Huo yunxun. It's not easy to have such a chance. How can you want to go? Your young master is charming. "

Xiang Qing just laughed and continued to watch TV without making any response. For helianmin and Li Mengyao, Huo yunxun told them to solve it by themselves.

In case there is no way to deal with it, we can do it again.

After he sat down, he did not pay attention to time. Instead, he took out his mobile phone to release news in Gu Yaoyao's fan group, hoping to organize a fan visit. He paid for it, and the others helped. Thinking of taking advantage of this visit, Gu Yaoyao was shocked.

Of course, helianmin's proposal was supported by many people, and they expressed their desire to go! People in this fan group are all Gu Yaoyao's fans who have been screened by helianmin. Therefore, when organizing such activities, everyone will take the initiative to help or contribute money.

However, there is helianmin, a local giant fan, who pays all the basic expenses, while others contribute.

There are fans in the group again. "HL, who are you? You don't show up at every activity, but you're so positive every time you have an event! "

"Because I am the true love pink! I will support Yao Yao. "

"HL, are you secretly in love with Gu Yaoyao?"

Helianmin will reply soon. "Yes

"OMG! There's an explosion here. HL really loves Yao Yao secretly. Do you need any help? Maybe you can succeed in the fan attack! We succeeded in winning the Yao Yao. "

He Lianmin looked at the group who was swiped the screen, just laughed, but did not speak.

Xiang Qing noticed the expression of helianmin. Seeing his smile, he must have met with a good thing. What makes him so happy?

He Lianmin did not pay attention to the news in the group, but went to see Gu Yaoyao's news. There is really no news. It is estimated that they are filming quietly, so there is very little news.

However, he Lianmin accidentally got a new news about Xia Yunzhe. It was reported that Xia went to the hotel with a young female model until he left the hotel the next day.

At present, Xia Yunzhe has no response!

But a lot of netizens are excited, this national CP wants to disintegrate? Xia Yunzhe and Gu Yaoyao broke up all sorts of inside information immediately.

It has also been pointed out that Xia Yunzhe and Gu Yaoyao are speculation about CP. they are not lovers at all. They used to be show shows. CP powder is too deep into the play!

He Lianmin looked at these comments, just a smile!

I'm afraid Xia Yunzhe will come out to clarify the relationship with Gu Yaoyao. I think this is what Huo yunxun likes to see!

[Chapter 770](#)

Ten minutes later, Qingya came out first.

He Lianmin took a look at it and said, "well, what did your master say?"

"The princess will come out in a moment. Please wait a moment."

Helianmin continued to look at the mobile phone, but said a word. "At this time, don't look like a princess."

Elegant low the first word do not dare to say, this is the matter of the master son, really can not tolerate to say one more.

Seeing the time passed by a few minutes, helianmin was a little impatient.

"Is your princess all right?"

"It will be ready in a minute." The answer is elegant.

He Lianmin took a look at Qingya, and suddenly became more and more amiable.

"Elegant, you have a lot of skill. How can you handle Li Mengyao? Don't you think about your future? "

Qingya's heart was tight. She understood the meaning of helianmin.

This time, Li Mengyao had such a thing, and his life after going back was certainly not easy. Then he will also follow the disaster, thinking of such a day, elegant eyebrows frown.

He Lianmin looked at the hesitation expression of Qingya in his heart, maybe he could use it. It also helps with your own plans.

"Don't be nervous. I'm just talking about it."

Helian min seems to innocuously give Qingya a caring look. It reassures the elegance. In fact, everyone knows that truth! Man does not kill for himself.

Now Li Mengyao has lost his power. If there is no turning chip behind this, it will be like this all his life. And their own family to support, for the future days, really want to find another way out.

Qingya knows the meaning of helianmin, but she can't show anything now. She can only wait for her return to country f to find a way.

"Smart women think for themselves. Am I right?"

Before elegant, Li Mengyao came out. After cleaning, I changed my clothes and put on my make-up.

"People really depend on clothes."

Li Mengyao walked up to helianmin, raised her head and said, "helianmin, don't be too happy. Your family has run out. Your grandfather is willing to retire, what kind of spray can you set off

Helian chuckled and did not express any opinions on Li Mengyao's views.

"What are you laughing at? Don't think you can turn over this time!"

"Li Mengyao, it seems that you are arrogant. I didn't say anything He even showed his innocence.

Li Mengyao disdains to see helianmin. "Elegant, let's go!"

"Oh Qingya, this is the reaction.

Looking at Li Mengyao with elegance has gone out, he Lianmin looks back to Xiang Qing.

"I have cleared away this Buddha." He said with a smile.

"This is the task of the prince."

He didn't like the title of Prince very much, "don't call it that way in the future. Li Mengyao and I are divorced. There is only one prince in her heart, and that is your young master. "

Xiang Qing frowned. This Helian really can rely on.

"Go! See you later. "

When he came to the door, he suddenly stopped. It seems to think of something, carrying the item engine added a sentence.

"Give me a message to Gu Yaoyao and let her take care of herself!"

With that, he Lianmin walked away.

Feiyun has stopped the car, waiting for helianmin and Li Mengyao to get on the bus.

After Li Mengyao came out, her eyes were still staring at the villa next door. The quiet door was like nobody was there. But Li Mengyao is very clear, Huo Dongyang and Qiao Wei are in, but they will not appear.

Now that you've made it clear, you won't see you again!

He Lianmin sees that Li Mengyao hasn't moved all the time. He looks straight at a direction and walks to Li Mengyao's side.

"They don't want to see you. Huo yunxun is in it. "

Li Mengyao glared at helianmin with displeasure. She was exposing her scars every time!

"Helenin, you are not proud."

"Are you going? In a word. "

Li Mengyao really wanted to slap helianmin, but he resisted. The Huo family's surveillance is everywhere. Why let them watch a good play.

Qingya reached out and pulled Li Mengyao's sleeve, "princess."

Li Mengyao took back her hand. "Do you understand the rules?"

Qingya did not lower her head and did not dare to speak. After all, she knew that Li Mengyao was still angry.

He Lianmin pointed out Li Mengyao's problem. "Why do you put your anger on Qingya. She's devoted herself to you, and you can understand her feelings

Qingya didn't expect that helianmin would speak for herself and was moved inexplicably.

"What? You don't like a servant, do you? "

Elegant face pale, did not expect Li Mengyao will say such words. She slowly clenched her hand and became impatient with Li Mengyao. He Lianmin directly passed Li Mengyao, "the princess has a big frame. Be careful

Li Mengyao looks at helianmin has already got on the bus, repelling himself to want to share the same car with him.

"No other car?"

"Princess, let's get on the bus." Qingya wants to help Li Mengyao get on the bus, but she is despised by Li Mengyao.

He Lianmin lowered the window and said, "if you don't get in the car, it will be fine. Go back to country f by yourself, or you can choose to stay. "

With that, helianmin raised the window and then let Feiyun drive.

Li Mengyao can't believe to see the car leave, he Lianmin actually dare!

"Princess, what shall we do?"

"What? I don't believe that my father will not be able to save his life. "

Li Mengyao called, but after listening to Li Mengyao's statement, she was scolded.

"Father..."

"Don't you feel ashamed of yourself?"

Li Mengyao didn't expect that all this had changed and her father was alienating her. At first she was for who would make such a choice, but now they abandon their own regardless, it is really chilling!

Qingya was worried. She stood aside just now, but she could hear clearly. Li Mengyao has been cast aside!

The reality is so cruel!

Xiang Qing looks at Li Mengyao and Qingya being left behind, and is in a bad mood. He Lianmin killed two birds with one stone and left the trouble to him again.

"Princess, please leave!"

"Xiang Qing, do you drive me too?" Only then did Li Mengyao feel that she was in a dilemma.

Xiang Qing didn't change her face. "If the princess doesn't leave, my wife will certainly not let you go! After all, you've done this to the young lady this time. "

"Isn't Gu Yaoyao all right? As for that? "

"The young lady is the treasure of the Huo family. We will never let those who hurt her feel better."

Forced, Li Mengyao had no choice but to lower her head.

"Please send me to herrenmin."

Xiang Qing did not agree, but went to ask Huo yunxun to act on his orders.

"What did Huo yunxun say?" Li Mengyao's heart is still a fluke.

After all, these are not what she would like to see happen. Just now Helian obviously did not wait for her!

"Young master said..."
