

## Warm Wife 771

### [Chapter 771](#)

Li Mengyao looked at the suddenly stopped Xiang Qing, followed by a clattering heart.

Xiang Qing saw Li Mengyao's face sink, the corners of his mouth rose, and deliberately dragged his words: "young master said, let you go back by car. We can provide the address. As for the fare, we can also provide it with kindness. "

Xiang Qing's words are particularly slow. After that, Li Mengyao is almost angry! Huo yunxun clearly wanted to humiliate himself and let himself go to find helianmin by means of transportation.

These two men clearly want to embarrass themselves.

"Princess, this is the address, and here is the change. It's ten yuan altogether. From here to the hotel where helianmin lives, you need to transfer a bus. At last, you can buy a bottle of water with two pieces left. It's good to go

Looking at the closed door, Li Mengyao's face is black. How dare they do this to themselves!

Li Mengyao looked at the Huo villa and said in a loud voice, "Huo yunxun, you are too much! I will remember this time, one day, you will regret your behavior today. "

Qingya saw Li Mengyao really angry, she looked at her change, also quietly made a decision in her heart.

"Princess, let's go!"

"You'll get a taxi and ask hellenim to pay."

"This..." Elegant is a face of embarrassment, this heart is embarrassed.

He Lianmin and Huo yunxun's attitude has been so obvious that Li Mengyao is still dreaming. The princess is sick!

"Princess, we are already like this, will they still pay attention to us?"

"Qingya, do you want to fight against me Li Mengyao stares at Qingya, thinking of seeing some problems from her expression.

Qingya quickly shakes her head. "How can I! I just want to remind the princess of the situation. "

"What is the situation now? Nothing has changed. I'm still the princess of country f, it's a fact that won't change! "

Finally, Li Mengyao and Qingya are asked to leave by the security guards called by the Huo family, and the door is finally clean.

Li Mengyao with gas was Qingya pull on the bus, a car Li Mengyao smell bad smell, these smell is she can not accept.

"The princess forbear." Said to Li Mengyao in a quiet voice.

But Li Mengyao is ungrateful and wants to get off the bus. But she couldn't move at all from behind. So caught in the middle, she felt that this moment was the biggest stain of her life.

Li Mengyao secretly vowed that she would get it back! No matter it's helianmin or Huo yunxun, she will give them back to them!

When he arrived at the hotel where he stayed, he was not there. So Li Mengyao was forced to stay in the hotel lobby, looking at the people coming and going, and the eyes that wanted to see jokes.

From the initial unaccustomed to the later indifference, Li Mengyao felt that she had experienced an experience.

"Elegant, what time is it?"

"It's already twelve o'clock in the evening."

Li Mengyao knew that helianmin was deliberately waiting for himself, and he just wanted to see his downcast appearance.

"Call me!"

Qingya handed the mobile phone to Li Mengyao. Her eyes were slightly dissatisfied with Li Mengyao, but she quickly passed away.

"When will you be back, helianmin?"

"Why can't we wait?" Helian asked with a smile.

In fact, he Lianmin knows Li Mengyao's every move. He was in his room quietly enjoying all the expressions of Li Mengyao.

"Don't talk nonsense. Arrange a room for me right now. I need a rest."

"I'll tell them to arrange for you. Wait a minute

Li Mengyao's heart is horizontal, she was forced to have no way, in turn threatened helianmin, "helianmin, you are less proud in front of me. Your grandfather's life is still in my hands. "

"Is this a threat to me?"

"Believe it or not, I can ask people not to give him medicine."

Helian laughed. "Li Mengyao, you've only been locked up for two days. How come your IQ has declined? Do you think I'll come with any preparation? Now your own father, king and mother have no right to speak, so don't continue to carry the airs of princess. Love doesn't wait. You decide. "

, HL, looked at Li Mengyao, who had been throwing a mobile phone on the ground in the monitor. "Fei Yun, you said that our princess's Highness has a little princess's fan. It's just a bitch."

Feiyun did not express any opinions. What Li Mengyao did before was very clear to everyone. But this time she also suffered a lot. If she wants to get angry, she's definitely dangerous.

"My Lord, we'd better be more careful."

"I know."

He Lianmin also plans to have a good time with Li Mengyao, so he won't let her have an accident at this time.

"Make room for them. Then let Qingya come to me. "

Feiyun soon understood the meaning of helianmin, or said, "my Lord, do you really want to believe in elegance? She is the princess's confidant. You've been around the princess for many years. It's a risky move to ask her to help you" It depends on how I leave it to her, of course, by some means."

And the most powerful weapon for women is men!

His elegant family background has been checked by helianmin. She is the pillar of the family and needs her for everything. If Li Mengyao falls, her life will not be easy.

So this time, there will be no problem.

"At my command."

"Yes

Li Mengyao enters the room and locks the door. Being teased by people in a row, Li Mengyao is in a bad mood!

"Elegant, please let the water go. I need a bath. "

"Yes

Li Mengyao closed her eyes, leaned back on the sofa and waited comfortably.

Qingya goes to the bathroom to prepare all kinds of things for Li Mengyao, and then asks her to take a bath.

After Li Mengyao goes into the bathroom, Qingya receives a message from Feiyun and asks her to go out.

Qingya stretched out her head and watched the bathroom door closed tightly. After hesitating for a while, she resolutely walked out of the room.

"I didn't expect you did come." Feiyun saw Qingya appear, or some accident.

They knew what she meant when she came here.

"It's the Lord who asked me to give it to you. After reading it, we have to deal with it. " Fei Yun handed the note.

"Good!"

"My Lord said, as long as you do things seriously, you will never treat you badly. When it's done, you'll be able to leave safely. "

"Thank you."

When Qingya comes back, Li Mengyao has already come out.

"Where are you going?"

"I'll show the princess if there's anything to eat."

Li Mengyao finally showed a relaxed face, "elegant, or you are good to me."

"Where is the princess? I've been with the princess since I was a child. I've been taking care of the princess for many years, so I can be today."

Li Mengyao nodded and said to Qingya with satisfaction: "yes! I've made you look great these years. We have a relationship of prosperity and loss. You know what I mean

## [Chapter 772](#)

"Elegant and clear."

But my heart is getting impatient with Li Mengyao. She can foresee what she will encounter when she goes back to country f, so she doesn't pay any attention to Li Mengyao's words and promises.

"Well, let them deliver food."

"Yes

After Li Mengyao was full, she went to have a rest.

Elegant quietly clean up, and then also report the situation to Feiyun.

When he heard this, he couldn't help laughing. After that, if Li Mengyao found that he had already betrayed his family, that expression must be very interesting!

"My Lord, the general called."

"Grandfather

"How did you get rid of Ji Kun?"

He Lianmin knew that Ji Jiacheng had gone to complain, and he must have described it in a more embellished way.

"Grandfather, it's because they go against my will first. And Ji Kun really needs a lesson. "

"It doesn't have to be that serious. We're counting on them to help us."

He Lianmin knew it in his mind and took the initiative back.

"I'll take care of it!"

"Well, when will you be back in country f?"

"Go back tomorrow. Li Mengyao has to take it back first. "

He Lianfeng also revealed a message on the phone that several other families had agreed to cooperate with the Helian family to overthrow the royal family dominated by the Li family.

He was happy and soon his plan would succeed.

"Good."

He felt his lips and thought of what would happen next. He was in a very good mood. Now all the luck is on his side, so he can only succeed.

The next day.

He Lianmin takes Li Mengyao to the airport and prepares to go back to country F.

Li Mengyao continued to look aloof and did not speak to helianmin.

Two people's hearts have their own ideas, now we have to think about who has the power to change everything!

Qingya stands behind Li Mengyao without saying a word, but Li Mengyao and helianmin's respective auras are very clear.

When he was waiting for the plane, he was still urging the fans to prepare for the visit. It's a pity that I can't witness it in person this time. When he comes back to a city again, he will give Gu Yaoyao a surprise on the spot.

Li Mengyao stares at helianmin. The smile on her face is an obstacle to her eyes. She is so happy to smile.

"Qingya, go and see what helianmin has done."

The distance between the two people, Li Mengyao, is far away. Li Mengyao doesn't know who he is chatting with.

But Qingya did not act, because helianmin had already seen it. Mission failed!

When he returned to state F, he Lianmin reluctantly sent Li Mengyao back to the palace.

In front of the palace gate, helianmin immediately shook hands, "go in! My task is finished! We will not owe each other in the future. "

Li Mengyao snorted, ignored helianmin and walked into the palace gate.

The day after Li Mengyao returned to the palace, the royal family announced the divorce of Li Mengyao and helianmin. This is also the condition put forward by helianmin. As long as Li Mengyao is brought back smoothly, he wants the royal family to divorce publicly.

As soon as the news of the divorce came out, the people's good impression of Li Mengyao was greatly affected. Some media also revealed the truth of their divorce, because Li Mengyao didn't like helianmin at all. At the beginning of the marriage, she wanted to take back general Helian's military power.

Now he got his goal and immediately divorced helianmin. He even forced general Helian to fall ill, and his family was under surveillance.

Li Mengyao also went to a city to look for Huo yunxun in the past few days, and didn't return home secretly until yesterday. Li Mengyao also threatened Huo yunxun's new wife to leave Huo yunxun in city A.

After the news came out, Li Mengyao's reputation as a princess plummeted. Some excited people even demanded that the princess give up the right to inherit the throne.

When Li Mengyao saw such news, she was very angry! These shallow people will only make noise. I don't understand at all!

Qingya brings lunch to Li Mengyao.

"I don't want to eat it. Take it out."

"Your Majesty has just sent a message for the princess to come over."

Li Mengyao knew what her father wanted to say, so she didn't want to go.

"Just say I'm not feeling well."

"Yes."

The story of country f soon spread to city A.

Gu Yaoyao sighed helplessly when she saw the news on the Internet. Li Mengyao's affair is still related to Huo yunxun.

"Yao Yao, I'll be in your play soon."

"Good."

Yang Xin stretched out her head and looked at Gu Yaoyao's mobile phone. When she saw the contents of her mobile phone, she couldn't help falling into a trap.

"This princess is more hyped than us. Who is Huo yunxun? How could he have anything to do with her. Some time ago, Huo yunxun also publicly said that he was married. She's the only one who can win attention. Seeing that Gu Yaoyao has not spoken, Yang Xin gossiped again. "The other day I saw a super handsome guy coming out of your room. Is it related to you?"

"It's just you!" Gu Yaoyao patted Yang Xin on the shoulder.

Yang Xin is discontented to see Gu Yaoyao. She hides her every time!

"By the way, did you know about Xia Yunzhe?"

Gu Yaoyao nodded, "read the news, but can't contact him."

"Yes, sister Xiao can't get in touch with him these days. I don't know what's going on! "

Gu Yaoyao doesn't know the situation. Xia Yunzhe is also strange this time.

"Sister Xiao, let me ask you. If you contact Xia Yunzhe, I'll ask him about him."

"Well!" Gu Yaoyao nods.

After today's play, Gu Yaoyao called Xia Yunzhe again, but his mobile phone was blocked. It's not going to happen. What's going on!

Gu Yaoyao calls Huo yunxun, "a Xun, can you contact Xia Yunzhe?"

"Call me for another man's business?"

"I feel that something is wrong with him this time."

Huo yunxun was silent for a few seconds, "I am sad."

Gu Yaoyao chuckled, "are you jealous?"

"Yes

"Brother Yun Zhe is a relative, you are my husband! It's not the same at all. "

Gu Yaoyao coax a few, Huo yunxun also finally let go.

"Yes, I'll ask for you."

"Thank you, husband."

After saying Xia Yunzhe's story, Gu Yaoyao hesitated whether to ask Li Mengyao. When she didn't speak, Huo yunxun spoke first.

"Yao Yao, when your movie is finished, let's make it public."

Gu Yaoyao didn't answer it immediately. She thought about it, but she didn't want to come so fast!

Do you really want to take a step

"Well!"

Gu Yaoyao did not dare to imagine what would happen to her and Huo yunxun's life after the publicity. But it should be a blast and a sensation, right? Because Huo yunxun's identity is here, and he is in the entertainment industry.

This news is more powerful than any other news.

"It will be discussed when you finish shooting." Huo yunxun didn't want to put pressure on Gu Yaoyao, so he put it mildly.

"Ahun, you let me think about it again."

### [Chapter 773](#)

"Don't worry. If you really don't want to, I'll respect what you mean."

Gu Yaoyao understood that Huo yunxun did this to protect himself, which could also make other people shut up.

"Ah hoon, thank you for believing me."

"Fool!"

Gu Yaoyao smiles. From this fool, she can hear Huo yunxun's feelings for herself.

"You're more like a fool."

"Back talk?"

Gu Yaoyao's smile on her face was deeper, "is this a back talk?"

"Count!" Huo yunxun's tone also became cheerful.

Gu Yaoyao has been very moved by Huo yunxun for her own pay, or she should make a choice!

"Yao Yao..."

"Well?"

"I miss you so much!"

Gu Yaoyao's heart a sweet, "so this is to say love words to me?"

"No?"

"Yes!" Gu Yaoyao nods hard, thinking what kind of love words Huo yunxun will say. "Go on, I'll listen."

Huo yunxun chuckled: "you open a head?"

Gu Yaoyao knew that Huo yunxun would not let himself suffer.

"What are you thinking?"

"Miss you!" Huo yunxun answered quickly.

Gu Yaoyao continued to ask, "where are you from?"

"I am your sweetheart!"

Gu Yunyao didn't expect to make up for it?

"You won't steal to the Internet to make up for it?"

Huo yunxun smile, no positive answer, "you can continue to work out the question."

Gu Yaoyao thought about it and really took the initiative to attack.

"Do you know what I want to drink?"

Huo yunxun stopped there and there was no sound for a long time. This makes Gu Yaoyao excited for a moment, and finally there is one that he can't answer.

"How about it?"

"My wife seems to be a little upset?" Huo yunxun made a voice.

Gu Yaoyao was about to show a proud expression when Huo yunxun replied, "take care of you! That's what I always wanted to do

Gu Yaoyao didn't expect to lose again. "You didn't speak just now. Did you check it secretly?"

"No

"Really?" Gu Yaoyao is skeptical, but he is still suspicious of Huo yunxun. He is so smart?!

"Do you want another one?"

Gu Yaoyao thought about it for a while, whether to think about a bit more difficult.

"I don't miss you at all!"

After saying that, Gu Yaoyao seems to hear Huo yunxun's breathing sound a little heavy, as if unhappy!

"You don't want me? Who do you want? "

Gu Yaoyao's smile jumped back to the corner of her mouth

"Tell the truth!"

"You can't be right about that!" Gu Yaoyao smiles with satisfaction.

Huo yunxun admit defeat once, "ask madam to answer."

"I'll miss you again at half past one!"

Huo yunxun was also infected by Gu Yaoyao's words and her heartfelt laughter. As long as she is happy, she will do anything by herself.

"I miss you every minute and every second!"

Seeing that Gu Yaoyao had come out of the atmosphere just now, Huo yunxun breathed a sigh of relief.

Gu Yaoyao's mood also affected his own heart, and even affected his mood change. Although he knew it was not good, he was willing to. As long as she is by her side!

"Yao Yao, have a rest early!"

"You too." Gu Yaoyao said with a smile.

"Well."

Huo yunxun put down his mobile phone and looked at the computer screen in front of him. His good mood disappeared instantly. There are so many things to deal with right now! A long lost sense of fatigue swept through.

At this time, Gu Yaoyao sent a wechat.

"Husband, I miss you every day. You have to pay attention to your health, you know? Wait for me to come back

After reading this sentence, Huo yunxun was in a good mood again. How can she show up every time she needs to, and she can restore her strength every time.

"I've been waiting for you!"

Soon, Gu Yaoyao replied.

This time, she took photos of herself, and the words "cheer up" were written.

Huo yunxun touches Gu Yaoyao's self portrait. The corners of his mouth keep rising, and the temperature in his eyes.

How beautiful

"You are so handsome, too!" Gu Yaoyao attached a shy expression to her hair.

Huo yunxun looked at those expressions that he was not good at and sent out a love.

"Here's my little heart." This is Gu Yaoyao's expression again.

Huo yunxun couldn't laugh or cry. "I want your real life!"

"It needs to wait." Huo yunxun saw that Gu Yaoyao didn't send wechat again, so he turned to deal with the things that made him headache. But this time, in the face of these, he calmed down.

So the work efficiency is improved, and things are handled in the shortest time.

When Huo yunxun went to open his mobile phone again, he found that Gu Yaoyao had sent a circle of friends before.

"tonight's local love sweet SKR people." The picture is two hearts.

For this strange word, Huo yunxun was a little confused, and then he went to find out what it meant! After knowing, Huo yunxun silently places a praise, it seems that after that, he should strengthen his vocabulary in this respect.

After dealing with the business, Huo yunxun calls Xia Yunzhe, and his mobile phone doesn't work.

So he made a phone call to Dahong, but the agent's mobile phone was blocked. It depends to avoid the news. Xia Yunhao has no way to call.

"What's the matter with your second child? No one can be found. "

"We've been looking for him these two days."

Huo yunxun thought, Xia Yunzhe won't really have anything wrong?

"Uncle, I want to ask you for help in this matter."

"Good! I see. "

A Jin soon received Huo yunxun's instructions and asked him to find Xia Yunzhe. So the action soon started, but Xia Yunzhe is like the evaporation of the world, the brokerage company and the broker do not know where he went.

Dahong is even called to ask by Xia Yunhao. He is helpless. Two days before the news broke out, Xia Yunzhe applied for leave! So after the news came out, people couldn't be contacted at all.

Xia Yunzhe does not have any information about leaving the country or taking any means of transportation, so it can be judged that he is still in city a, but he does not know where he is.

"Where does he go often?" Xia Yunhao asked.

Dahong said that they had gone to all the places where Xia Yunzhe often went. Still not in can't find a person!

Soon, the news reached Gu Yaoyao through Huo yunxun. It's really worrying to hear such news. What happened to Xia Yunzhe? How suddenly disappeared.

On this day, it happened that Zhou Xiao came to visit! When Gu Yaoyao got the news, she was on the edge.

"So now Xia Yunzhe has no news at all?" Yang Xin asked.

Gu Yaoyao nodded, "at present, it is."

"Xia Yunzhe, what's going on? Are you mad? "

Zhou Xi sat silent, suddenly, she seemed to think of something.

"I'll go back first."

Gu Yaoyao and Yang Xin stand up, but Zhou Xiao has disappeared.

"Sister Xiao..."

Gu Yao Yao took Yang Xin, "let her go, maybe she can find Brother Yun Zhe."

#### [Chapter 774](#)

The news of Xia Yunzhe's disappearance soon spread.

Some people even say that Xia Yunzhe suffered from depression. The result of this depression is

As soon as the news comes out, as parents, Yun Yiyan and Su Moli are also sad.

Su Moli has been crying, complaining that she does not care enough about her son, which is why such a thing happened today.

Yun Yiyan comforted his wife, "don't worry, my son will be OK. Maybe he will come back to relax."

"I want to see my son now. I don't care whether he is a star or not. I just want my son to be safe."

"Don't worry, there will be news soon."

After that, Qiao Wei came to see Su Moli, and they talked for a while, and Su Moli's mood was better. They are all mothers, and some of their ideas must be the same. There is a common topic.

Seeing that Su Moli finally wanted to rest, Yun Yiyan expressed his thanks to Qiao Wei.

"Thank you! Otherwise, I don't know how to enlighten her

"If you're all relatives, you don't have to say polite words, and Yunzhe was also the one we all grew up with. We have known about this child since we were young, and we should have news soon. "

Yun Yiyan's heart is also with self blame, which may have something to do with what he said before. Therefore, it will bring pressure to Xia Yunzhe!

"What's the matter with you?"

"I told Yun Zhe that he should not have any idea about Gu Yaoyao."

Qiao Wei knows that Yun Yiyan secretly asks for children in this way, which is unfair to Xia Yunzhe. Gu Yaoyao, the daughter-in-law of the Huo family, has become a foregone conclusion.

However, she has never interfered with children's friendship, and this young man should have his own way of life.

"Yi Yan, the children have grown up. They all know it. Xiao Xun and Yao Yao came together. Apart from fate, they also had their feelings for each other. "

"I see."

Jovi didn't say anything and left.

Huo Dongyang is downstairs, waiting for Qiao Wei. Seeing Qiao Wei come out, he walks forward.

Qiao Wei stretched out his hand and took Huo Dongyang, as if he hadn't been walking in the street like this for a long time.

"What's the matter?"

"Nothing, just want to walk with you like this."

Huo Dongyang did not go to poke in Qiao Wei's mind, but let her take his arm like this.

After walking for a while, Qiao Wei just told Huo Dongyang. However, Huo Dongyang's view is different from Qiao Wei's, and Yun Yiyan's demand for Xia Yunzhe is not wrong.

"You men don't think the same as we do."

Huo Dongyang nodded, of course not the same. He and Yun Yiyan have experienced that time, so they can also experience that kind of mood. Yun Yiyan asked Xia Yunzhe to stop. Because of that feeling and sadness, he didn't want his son to experience it once.

See Huo Dongyang did not make a sound, Qiao Wei can't help but wonder, men's ideas and women are really different.

"Qiao Wei, let them solve the children's affairs by themselves."

"Yes Qiao Wei felt that his ears were going to grow cocoons. Huo Dongyang didn't know how to explain it a hundred times.

Huo Dongyang and Qiao Wei return home, Huo yunxun at home, is discussing with Xiang Qing what.

"Dad, mom, you're back."

"Why did you come?"

Huo yunxun didn't say clearly, "I have something to do with Uncle Qing."

Qiao Wei did not participate in their men's affairs, but went back to the room by himself and gave them time and space.

Huo Dongyang also cared about a sentence after sitting down, "what happened?"

"There's new news from country F."

Huo Dongyang didn't expect things to develop so fast, and Li Mengyao seemed to be completely out of power. So who will be next on the stage?

In the hearts of Huo yunxun and Huo Dongyang, there is an object of suspicion, that is, they did not say it.

"We just need to be on guard. We don't take part in other things."

"Yes."

When Huo yunxun wants to leave, Huo Dongyang also cares about Xia Yunzhe.

"No news yet. But Yao Yao said someone would bring him back. "

Huo Dongyang heard, this may be the beginning of another story.

"That's good! You should also pay close attention to the matter between you and Yao Yao. "

Huo yunxun looked at Huo Dongyang, what is this? Hold on? He and Yao Yao get along well all the time. There is nothing else at all except that it is not officially made public.

Huo Dongyang gave Huo yunxun a look that he wanted to think about. He ignored Huo yunxun, but went to the room to see Qiao Wei.

Huo yunxun couldn't figure out what the situation was? At the beginning, who can guess the result!

Huo yunxun returned to Haoting garden and received a call from Gu Yaoyao. This has become the most promising time of my day.

"The year ended a little early."

"Well, everyone is in good shape today, so it saves a lot of time." Huo yunxun sat down and listened to Gu Yaoyao talking about the set, but he listened with great interest. These things are strange to Huo yunxun, so he is interested in them.

"A Xun, I saw the news on the Internet, about Li Mengyao."

"Don't mention her any more. It has nothing to do with us."

Listening to Huo yunxun's answer, Gu Yaoyao is ambivalent. How can it be that it doesn't matter. Li Mengyao's affairs are all connected with Huo yunxun, and even the names of two people are also together.

It's really hypocritical to say you don't mind!

"Easy to say, hard to do!"

"Yao Yao, are you jealous?"

Gu Yao Yao did not answer, but said other things, "I will go to play with Yang Xin later, and I won't talk to you."

The smile on Huo yunxun's face was deeper, "you've lost the bottom."

"Hang up."

"Pay more attention to your body. I don't want to see you lose weight in a month."

"It's hard to guarantee that, just a little bit."

Huo yunxun is dumbfounded. Gu Yaoyao has already hung up.

Huo yunxun then saw the goodnight expression from Gu Yaoyao, and the doting in his eyes became deeper.

"Good night, my dear."

This time, Gu Yaoyao did not reply, Huo yunxun also guessed that she was asleep.

At the same time, in a sailing club on the outskirts of a city, there is a figure in the room sitting on the balcony reclining chair, quietly drinking wine.

This man is Xia Yunzhe, who has been missing for several days. He has lived here for several days without turning on his mobile phone or paying attention to the news deliberately. He has lived a life of a farmer and a fisherman.

The whole person is very calm, some things also want to be clear.

These years of busy and glorious days, let oneself win the title and applause. In this fast changing circle, we must be strict with ourselves, so as not to be compared.

Now suddenly stop, a few days of ordinary life is also good.

The door behind him was suddenly opened. Xia Yunzhe looked back and saw the man in his sight. Xia Yunzhe was very surprised.

Because he never thought that the first person to find here was her. After a few seconds of surprise, Xia Yunzhe's mouth rose. Some things turned out to be like this.

"Why did you come?"

### [Chapter 775](#)

"Why, I'm a stranger?"

Zhou Xiao walked to Xia Yunzhe's face and saw his real person. She was relieved completely.

Just as Xia Yunzhe was ready to speak, Zhou Xiaoyi hugged him.

"Do you know I'm worried?"

Xia Yunzhe is stunned and feels good. Some things seem to be different.

"Zhe, do you really have to look after Yao Yao Yao?"

"I..."

Xia Yunzhe couldn't answer, "Zhou Xiao, what's the matter with you?"

"If you really need women, choose me." Zhou Xiao is desperate to tell the secret hidden in his heart for many years.

This time, let her understand a truth. If you don't fight for it, there will be no chance!

Xia Yunzhe is in a state of muddle. Has he been confessed? Zhou Xiao likes him?

There are countless questions in my head. What's the situation.

Seeing Xia Yunzhe has not said anything, Zhou Xiao lets go of him and quickly wipes away her tears. She doesn't want Xia Yunzhe to see that she is vulnerable. Otherwise, she will be embarrassed.

Zhou Xiao soon returned to his usual appearance and punched Xia Yunzhe on the chest.

"You know it's a mess out there when you're on holiday here. Get in touch with your family and Dahong. Otherwise, there will be more news about you tomorrow, maybe the news of suicide will come out! "

"No, what is it! I killed myself? Why should I commit suicide if I live well. "

"Why are you hiding here and not listening to things out of the window?"

Xia Yunzhe interrupted Zhou Xiao, "what's the matter?"

"You can turn it on and watch it yourself. And then quickly clarify, or you pay for years to thoroughly play eggs. I'm going back, and there's an announcement tomorrow. "

Xia Yunzhe took Zhou Xiao's hand and said, "so you came to me on purpose? How do you know I'm here? "

"You told me before that this is where your dream begins. When none of them can find you, I can only come here to try my luck. This time, I did

Xia Yunzhe just watched Zhou Xiao leave, his brow slightly wrinkled. Zhou Xiaogang just said, but he heard clearly, the results of her own good, said the beginning there is no back!

Xia Yunzhe turned on the phone, and there were all kinds of messages and missed calls. All the people on the list are concerned about themselves. Xia Yunzhe is somewhat moved.

Then, he saw what Zhou Xiao said just now, but he didn't expect that he would be told such a fact after a few days' rest. How vicious these people are, they want to die.

As for the news with the female model, it's not true at all! It seems that I was secretly photographed, and I was photographed with premeditation. Both of them were very clear. It was obvious that someone had informed the paparazzi to come.

Xia Yunzhe soon suspected Ye Zimei, a female model. He really put a lot of effort into hype.

Xia Yunzhe first reported peace to his family, and then sent a micro blog.

"After a few days' rest, he was reported to have committed suicide. How is this a wave of hype? man 's heart is incomprehensible! The rumor is not believable! "

After Xia Yunzhe updated, he immediately asked fans about his situation. Xia Yunzhe replied that he was on holiday for a few days.

Subsequently, the brokerage company also issued a statement denying the news that Xia Yunzhe and ye Zimei went to the hotel to open a room, and explained the specific situation of that day, and insinuated the other party's speculation.

Xia Yunzhe personally forwarded the company's statement, and took the initiative to voice for himself: "rumors stop at the wise! Hype and rumor are shameful acts

soon, the wind turned to Amy Yip, and make complaints about Amy Yip. Actually, he paid the paparazzi to take pictures, and even bought hot search shamelessly. He brought a wave of rhythm.

After seeing Xia Yunzhe's microblog, Gu Yaoyao is relieved. Nothing is good!

"Gu Yaoyao, I won't fry CP with you in the future. I'm going to find my own happiness. "

Seeing Xia Yunzhe send wechat, Gu Yaoyao is very happy.

"Pay more attention to the people around you and don't miss it!" Gu Yaoyao's sentence means something. He wants Xia Yunzhe to seize the opportunity.

Xia Yunzhe quickly replied, "what do you want to say?"

"It takes you to understand."

"No big or small, I'm your elder."

Gu Yaoyao made a series of yes, and then he was not chatting with Xia Yunzhe. Thinking about this time, there should be a lot of people who want to contact him, and she occupies the channel.

Gu Yaoyao told Huo yunxun about Xia Yunzhe's contact with him. He also told him about Zhou Xiao's finding Xia Yunzhe.

After listening, Huo yunxun was silent for several seconds, and then he opened his mouth: "do you mean Zhou Xiao likes Xia Yunzhe?"

"Yes, for a long time! I really hope that this time things will become an opportunity, maybe they can come together

Huo yunxun is not optimistic about this. He doesn't intervene in Xia Yunzhe's affairs. But he knew Xia Yunzhe. Unless he really liked it, he was totally indifferent. Gu Yaoyao saw Huo yunxun silence again, "a Xun, are you listening?"

"Listening."

"I think you're busy, so I won't disturb you. Good night."

The day after Xia Yunzhe tweeted, he appeared in the public's line of sight to shoot an advertisement for a product.

In the same place, Xia Yunzhe and Zhou Xiao met again, but this time, with a little embarrassment and unnatural on their faces, they said hello in a hurry and went to work.

Dahong saw that the atmosphere of the two people was different from before and asked a lot. "Did you quarrel?"

"No Xia Yunzhe rolled his eyes to Dahong.

Xia Yunzhe finished his own shooting. When he was ready to leave, he heard that the male models who were filmed together with Zhou Xiao could not come, so they couldn't make progress, so they couldn't shoot the plane today.

After understanding the situation, Xia Yunzhe went to Zhou Xiao.

"Xiao!"

"You're done over there?"

Xia Yunzhe nodded, "what's wrong with you? I heard that the male model who matches you can't come!"

"Well, it's family business. Now the staff have contacted the new model, which should be solved soon."

Xia Yunzhe took a look, all things have been arranged, only one person is needed, or else the efforts of all the people present will be wasted. For the sake of Zhou Xiao, Xia Yunzhe decides to help.

"Why do you want to go far? I can't?"

Zhou Xiao looked at Xia Yunzhe with disbelief. Did he take the initiative just now?

"You just said..."

"I'll shoot with you. In terms of our years of love, it's not a big problem?"

The photographer came in a hurry when he got the news. "Yunzhe, I know you are the spokesperson of another international brand. If you take part in the shooting, there will be some problems."

"Then cover my face!" Xia Yunzhe really doesn't know what to tangle with.

## [Chapter 776](#)

As soon as Xia Yunzhe's words came out, all the people present showed a look of disbelief.

Everyone knows Xia Yunzhe's position in this circle, but he didn't expect that he would take the initiative to make such a request? I don't want to change it to other fresh meat.

"What? My words are hard to understand?"

"Yunzhe, isn't that fair to you?" Said the photographer carefully.

Moreover, Xia Yunzhe's appearance fee is not cheap, and they also have many parts to shoot today, so the time will certainly be longer.

See the staff and photographers are hesitant, Xia Yunzhe slightly dissatisfied.

"So you don't have faith in me?"

"No, no, no! Just worrying about your time. "

Xia Yunzhe was obviously displeased, "since I said there was no problem, then there was no problem. This time, for Xiao's sake, I don't need your money. "

Zhou Xiao stood behind Xia Yunzhe and was moved by him. Xia Yunzhe, who she knows, has never changed. She still helps others as well.

Xia Yunzhe changed clothes to come out, which found that the clothes rack is the clothes rack, any type of clothing can be easily controlled. It happens that today's shooting is for lovers, so Xia Yunzhe and Zhou Xiao stand together very well.

Zhou Xiao and Xia Yunzhe went to the designated location and started shooting.

Thank you today

"You and I don't have to say thank you. I see you more often."

Zhou Xiao laughed, and she thought it was reasonable.

Xia Yunzhe and Zhou Xiao had the same tacit understanding, so they overfulfilled the shooting in the shortest time.

Out of gratitude, Zhou Xiao invited Xia Yunzhe to dinner. They went to dinner without any shelter. Soon, someone recognized them and came forward to sign and take photos.

News soon came out on Weibo that Xia Yunzhe and Zhou Xiao had a close dinner together, and they seemed to be in tune.

Then there was a CP vote on Weibo. All of them were female stars Xia Yunzhe had cooperated with. The first two were Xia Yunzhe and Zhou Xiao, Xia Yunzhe and Gu Yaoyao. The two groups of data fluctuated up and down.

Seeing this vote, Gu Yaoyao didn't know what to say!

Xia Yunzhe and Zhou Xiao are really good!

"Yao Yao, what are you looking at?" As Yang Xin approached, she stretched out her head and took a look.

Yang Xin laughed, "do you mind? I went to vote just now because I was bored, but it was sister Xiao. "

Gu Yaoyao was not angry, but gave a thumbs up.

Yang Xing sat down beside Gu Yaoyao. "Are you not angry?"

"I'm not angry. Their fate has long been there, but they did not open their mouth to say their feelings. Now it's up to someone to talk to break the deadlock. "

Yang Xin touches her chin and looks at Gu Yaoyao suspiciously, trying to confirm whether she is sincere or not. However, Gu Yao Yao's face is straightforward, not like lying.

"Do you really want to be sister Xiao?"

"What makes it possible? Xia Yunzhe and I have never been able to. It's because you think too much. "

As soon as Yang Xin's eyes brightened, she was surprised to hear Gu Yaoyao say such a thing.

"So what is the relationship between you and Xia Yunzhe?"

"The relationship between the older and the younger."

Yang Xin shakes her head. Some time ago, their relationship can be very hot. Moreover, Xia Yunzhe has expressed his love for Gu Yaoyao in public. How can such an obvious statement be such a suspension.

"Believe it or not, I have someone I like!"

Soon, Gu Yaoyao's part was killed ahead of time. As a film girl No. 2, Gu Yaoyao finished it excellently!

Yang Xin looked at Gu Yaoyao packing, envied: "you can go back, I have not."

"You only have two days left. What do you envy?"

"I'll see you when we promote it." Yang Xin said with Gu Yaoyao in her arms.

Gu Yaoyao nods, and Yang Xin is going to participate in a reality show when she finishes filming. The time is very tight and there is no extra time at all.

Yang Xin let go of Gu Yaoyao, "you will be very tired now! So I suggest you set up your own studio and set up a professional team, which will help your development. Otherwise you will be passive. "

"I know, thank you!"

"Friends don't need to be polite. In fact, I wanted to recommend you to sign up for my company before, but I gave up the idea later. It's still free to do it on your own, and you can choose freely. "

Gu Yaoyao, Zeng Ni and two assistants get on the bus and are ready to leave the film and television city.

Gu Yaoyao once again saw the film and television city. Two months passed like this. It was really fast!

Zeng Ni and Gu Yaoyao discuss the arrangement in the car. Yang Xin wants to go to the reality TV program group, and she also sends an invitation to Gu Yaoyao.

"Are you going?"

"No, I want to adjust it."

Gu Yaoyao did not forget the previous agreement with Huo yunxun. After the film shooting, she had a good talk. As for the work, we should wait until they have finished the negotiation. Back in Haoting garden, Gu Yaoyao dragged her luggage into her long lost home.

The house is very clean, often clean at a glance, or comfortable at home.

Gu Yaoyao took a bath and went to bed. She didn't tell Huo yunxun that she killed him in advance and wanted to surprise him.

As a result, Gu Yaoyao's plan to prepare dinner for Huo yunxun failed, and she slept until Huo yunxun came back.

Huo yunxun entered the door and saw two familiar suitcases in the living room. He immediately looked in the direction of the master bedroom, changed his shoes and went into the room.

Seeing the familiar figure on the bed, Huo yunxun laughed and went home!

He walked to the bedside in a soft voice. Huo yunxun gazed at Gu Yaoyao's sleeping face affectionately, and the corners of his mouth also slowly drew up. Huo yunxun sits down and reaches out to touch Gu Yaoyao's face. The real touch is really good.

Gu Yaoyao moved and then opened her eyes.

"Ah Xun?"

"Awake?" Huo yunxun said with a smile that he bent over and kissed Gu Yaoyao's lips.

Gu Yaoyao wakes up completely, because she can smell Huo yunxun's smell and numbness on her lips, which make her heart beat faster.

After a kiss, Huo yunxun is still against Gu Yaoyao's forehead.

"Why don't you tell me to come back today?"

Gu Yaoyao red face, "want to give you a surprise."

Huo yunxun kisses Gu Yaoyao's forehead, "it's really a surprise."

"You just came back?"

Huo yunxun nodded, then lay down beside Gu Yaoyao and held her.

Gu Yaoyao nestles in Huo yunxun's arms and knows that she overslept! "I tried to prepare dinner for you, but I overslept," she whispered

"I want you more than dinner!"

Gu Yaoyao reached out and hit Huo yunxun, "but I was so hungry that I ate something at noon."

Huo yunxun frowned, "why don't you eat?"

"Because home is like an arrow."

This sentence please Huo yunxun, he dotingly gently pinched Gu Yaoyao's face, "good, then feed you first, then feed me."

"Ouch..."

"Wife, are you not used to it?"

Seeing Gu Yaoyao like that, Huo yunxun likes it very much. He hugs him tightly.

"My wife is so lovely!"

### [Chapter 777](#)

The next morning.

Huo yunxun opened his eyes to see the nest in his arms can be rener, mouth unnaturally on the rise.

With her in the morning, especially different, how a touch of happiness.

Huo yunxun gently kisses Gu Yaoyao on the forehead, and then gets up.

In the kitchen, soon there's a voice coming out.

Huo yunxun is making a love breakfast for Gu Yaoyao. It is rare for him to have such a morning. He is very happy to do so and prepare the most important breakfast of the day for his wife.

When Gu Yaoyao got up, she found that Huo yunxun was not there. Thinking that he should go to work.

As a result, when the door opened, it smelled the fragrance. Gu Yaoyao had a surprise on her face. She immediately ran to the kitchen and saw Huo yunxun busy in the kitchen.

Gu Yaoyao has been staring at the tall figure with sweet bubbles in her eyes. It's perfect to have such a husband!

"Still standing there? Go and wash yourself. "

Hearing Huo yunxun's voice, Gu Yaoyao looked back and saw Huo yunxun standing in front of her.

Huo yunxun gently rubs Gu Yaoyao's hair. "Go brush your teeth and wash your face."

"Well!" Gu Yaoyao nodded obediently.

When he reappeared, Huo yunxun had already made breakfast. Looking at the table full of food, Gu Yaoyao clapped hard.

"How wonderful! When are you going to get up and get ready? "

"Sit down and eat." With that, Huo yunxun took the initiative to open the chair and left when Gu Yaoyao sat down.

Gu Yaoyao kept smiling at Huo yunxun and said, "you are handsome!"

"You should say that beauty is delicious."

Gu Yaoyao nodded as if pounding garlic. "Yes! Really

Huo yunxun gave Gu Yaoyao a bowl of porridge, "eat some porridge first."

"Good!"

After a long lost breakfast, Gu Yaoyao sent Huo yunxun to the door. He wants to go to work, but Gu Yaoyao has a rest today, so he plans to stay at home.

Huo yunxun looked back at Gu Yaoyao, but still walked to Gu Yaoyao with reluctance. He held Gu Yaoyao in his arms and leaned over to kiss his lips.

"I really don't want to be separated from you."

"Hurry to work. You are the president, and you can't be lazy."

Huo yunxun is on Gu Yaoyao's forehead. "My wife doesn't want me to stay at all."

"I don't want to." Gu Yaoyao replied.

Huo yunxun said injured, he let go of Gu Yaoyao, "if there is anything, please call me."

"Well."

After Huo yunxun went to work, his home suddenly became quiet. Gu Yaoyao sat on the sofa and looked at the spacious and bright house. It turned out that the feeling of missing a person was like this: space.

Even the heart is so empty!

Gu Yaoyao picked up her mobile phone, brushed her circle of friends and her microblog. Without much to see, Gu Yaoyao simply arranged her clothes to pass the time.

Just as Gu Yaoyao was busy, her mobile phone rang.

When she saw a strange number, it looked strange, so she didn't pick it up.

When this number appears again, Gu Yaoyao is puzzled whether to pick it up or not. After all, it's a strange number. If something goes wrong, you can do it yourself!

The third time the number jumps onto the phone screen. Gu Yaoyao took over.

"Hello

"Dare not answer the phone?"

A familiar male voice, but Gu Yaoyao doesn't remember who it is.

"You are..."

"Why, I haven't seen you for a while, and you forget me? It's really hurting. "

Gu Yaoyao heard that. "Herrenmin?"

"bingo!" He said with a smile. "Do you still remember me?"

"What can I do for you?"

He Lianmin was dissatisfied with Gu Yaoyao's tone. "You can't talk to each other on the phone yet?"

"I don't mean that."

"That's exactly what you meant."

Gu Yaoyao frowned, and she was silent. She thought about it more. He doesn't call himself for no reason. This is clearly something. As for what it is, it depends on what he says.

"Why don't you talk?"

"What's the matter with Lord Helian looking for me?"

He Lianmin of course also heard Gu Yaoyao's defense against himself. "Don't worry so much. I don't need you to do anything. It's just that I heard that your movie was finished, so I'll take care of it! "

Gu Yaoyao soon remembered the fans' visit a few days ago.

"You arranged the visit?"

"How do you know it's me?"

"HL, not Helene?"

Helianmin laughed again. The laughter was pleasant.

"Gu Yaoyao, you are very smart. I really want to go to the scene, but my identity is helpless." Gu Yaoyao would also like to thank helianmin for not coming, so that she would not break the news again. He Lianmin's identity is sensitive, if he appears, then their relationship is not clear.

"Thank you! Don't do it next time! "

"I'm a fan of you, and there's no problem with that."

Gu Yaoyao sighs. Her words have been made clear, but she has no way to refuse.

"What are you going to do next?"

"Rest."

Helianmin joked: "just when Hong wanted to rest, but not! If Huo yunxun is not able to help you, I can help you. "

"Don't bother Lord herring. It's my business. I want to solve it myself. "

"It's so sad, even to refuse is so straightforward."

Gu Yaoyao doesn't want to talk with helianmin any more. She is thinking of ending the call with some excuse. He Lianmin said something that interested Gu Yaoyao.

"I have received good news that you have been nominated for the newcomer award by the Golden Flower award. Congratulations

The Golden Flower award is an annual TV Drama Award, through which many actors are promoted. Xia Yunzhe and Zhou Xiao both went out from here. This award is an affirmation of the artists. So many people take this as the goal, that is, they hope to be affirmed.

So it's good to be shortlisted. This is also Gu Yaoyao's dream. I didn't expect to be shortlisted.

"How do you know?"

"Inside information, of course. This is the latest news!"

"Really?"

"Of course, I don't have to cheat," he said with a smile. I think you can win

"It's a little early."

"No. I think you have the strength. " He Lianmin gave Gu Yaoyao a lot of affirmation and encouragement. "If you can win the prize, I will give you another surprise gift."

Gu Yaoyao wants to refuse, but he Lianmin has already hung up.

Looking at her mobile phone, Gu Yaoyao is still dubious about the news just now. Is this true?

Soon, helianmin's words were confirmed, and Zeng Ni called to tell her the good news happily.

"Sure?"

"Sure! And just now, the official microblog of the organizer has announced this, and your name is on it. "

#### [Chapter 778](#)

Gu Yaoyao finished the call and immediately went to see her microblog and saw her name in the nomination list.

The mood is hard to describe, but it is more happy.

So she told the news to Huo yunxun, who congratulated Gu Yaoyao on the phone.

"Are you confident in winning the prize this time?"

Gu Yaoyao didn't dare to fantasize, so she just said, "to be shortlisted is to affirm me. I don't want to win the prize."

"You can think about it. This time, there is also an online voting part. "

Gu Yaoyao's eyes widened and said in disbelief, "do you want to help me swipe tickets?"

"Why not? You're my wife. That's for granted. And my parents and little warm will help

Gu Yaoyao is not used to it. The family canvasses for herself. She is a little embarrassed!

"It's not good. It will be said."

"How can you be said. Who dares to say? Don't netizens vote for the people they like? And we like you, so we vote for you. What's the problem? "

In this way, it really doesn't matter, and it makes sense.

Subsequently, the official voting channel was officially opened, and netizens voted in succession, hoping that their idols could win prizes.

Gu Yaoyao took the lead in the number of votes from the beginning, and the number was increasing rapidly. In this way, fans of other artists are dissatisfied and dissatisfied. They directly blame Gu Yaoyao for swiping tickets, but also in a shady way.

The fight between fans started, and Gu Yaoyao's fans and other artists' fans soon tore up.

What Gu Yaoyao doesn't want to see is still happening. How can we calm it down? She parachuted her fans, trying to make them analyze the problem rationally, so that they could not do something that would make both sides feel uncomfortable.

Gu Yaoyao's words obviously did not calm down the public anger, but was said by fans that she was too kind to be bullied. Those tickets on the Internet are tickets for Gu Yaoyao who are paid and contributed by their fans. So at the beginning, Gu Yaoyao's vote number was outstanding.

After HL spoke, the group became quiet.

That sentence came true. It's different if you have a big man.

Gu Yaoyao realized the ability of helianmin in the fans group. In a word, it made people quiet in the noisy group.

Looking at the news from HL, Gu Yaoyao can see that he is very good at management. He will not belittle himself or elevate himself. It's just speaking in a very ordinary tone.

"Boss, since you make a sound, we won't tear it. But if they bully us again, we will not be polite! "

"Of course, but the top priority is to keep voting and not waste time." HL continues to speak.

One of the fans came out to talk. "The boss is right. The other family's data has come up. The first place is not Yao Yao. "

"Brothers and sisters, let's go together. Protect our Yao and Yao. "

Seeing that HL's head is dark, Gu Yaoyao goes alone and wants to talk to helianmin. She made friends with zenny and hellenim.

"What can I do for you?"

"Thank you for coming out." Gu Yaoyao replied.

Helian min sent a proud expression to come over. "I have selected all the people in this group personally, and there will be no problem. It's because they're angry. Don't take it to heart. What's more, your speech just now is too weak to put yourself in a passive position. "

Hearing what he Lianmin said, Gu Yaoyao thought it was reasonable.

"I see."

After that, he Lianmin did not speak for a long time. Gu Yaoyao thought that he should be busy, so he did not continue to disturb him.

When Huo yunxun comes back, Gu Yaoyao is preparing dinner in the kitchen. So the notebook was on the table with the screen still on. So the chat records of the fans can be seen clearly.

Huo yunxun sat down and reached for the mouse to move the cursor.

Huo yunxun looked at the news from the fans, but his face became worse and worse.

For the local fans of HL, Huo yunxun asked who the HL was. Only in this way, Huo yunxun seems to think of one thing, this HL person is helianmin.

Huo yunxun opens another dialog box and sees the dialogue between Gu Yaoyao and helianmin. They are like old friends.

"Ah hoon, are you back? Why don't you say it? "

Huo yunxun did not doubt Gu Yaoyao. It must be helianmin's strategy. What will he do next? Has this hand reached here in city a?

Suddenly, helianmin sent a new message to Gu Yaoyao again.

"After this golden flower award, would you like to come to country f for a walk?"

"No Huo yunxun replied directly.

Gu Yaoyao sees him looking at his computer and thinks that he should turn off those fans. So there's more attention.

"I also want to see your self change with my own eyes."

Huo yunxun was dissatisfied and his face was gloomy."I don't need to change, I think it's great now."

Hulian didn't know that huodongyang was responding to Gu Yao.

"That's what I think, I think you can still change."

"I want to see your change. You are so young and tidy up a little bit, so it will be a great thing. It's a good thing! I think you have a good look in this movie! "

Huoyunxun's face has become appalling, and this Hulan is so indifferent.

"Yao Yao, you rest and rest. Don't turn yourself into a yellow faced woman. If that were the case, you would lose my friend! "

Huoyunxun had a plan in his heart. He would let go of it if he knew these things. **novelUsb.com**

"I have a husband without friends."

"Huoyunxun?" Helen sent a disdain expression.

"Yes!"

Hulan sent out a helpless expression, "show love die fast. What should be understood? "

Huoyunxun put down his hand with his head, and replied to a few words directly.

"I am huoyunxun!"

Hulan whispered a few words and quickly quit the login.

"Well, huoyunxun will surely harm others. Fortunately, it flashes fast, or the slag will not be left! "

Listen to Hulan murmuring, the clouds came to the room.

"Sir, the news just received."

"Say!"

"Li Mengyao met two officials who were once the finance department and government office of country f these two days."

Hulan frowned, "she can't sit."

"I heard that in the palace these days, limongyao was quiet a lot. But because of the previous events, there have been people who have been away from it. No one is willing to approach Li Mengyao. But this time, the two officials seem to have some relationship with the royal family. "

"Then put pressure on the royal family and say that limongyao is in charge of politics!"

"Yes!"

Hulan seriously thought about how to break all the way out of limongyao? I didn't think she could do that under pressure. This also means that I must have left a hand for myself.

What is it? What cards still remain in limongyao's hand?

#### [Chapter 779](#)

In the palace.

Li Mengyao is reading in the courtyard of her Princess Palace. From a distance, she has already cultivated herself. The whole person becomes calm, not as impetuous as before.

"Princess, your dinner is ready."

Li Mengyao closed the book and looked up at Qingya.

"Are all those people here?"

"Here it is."

Li Mengyao nodded with satisfaction. "Good."

Li Mengyao privately contacted the people she had made with before, and wanted to take this opportunity to turn over again.

"Be careful, princess."

"We're just talking, and they won't find anything."

When Li Mengyao went in for dinner, her elegant face suddenly changed.

These days, Li Mengyao's self-cultivation is all pretending to play for others. After this experience, she is no longer the same as before!

Now Li Mengyao still wants to use his relationship to rebuild Dongshan. Again, although it is very difficult, in front of interests, some people are willing to take risks!

At this time, the elegant mobile phone vibrated.

Looking at this no save number, Qingya took a look around and went to the bathroom.

He Lianmin sends a message asking Qingya about Li Mengyao. Qingya also secretly told helianmin about the situation here. Since it has started, she can't turn back and can only go ahead bravely.

A few minutes later, Qingya received a message and put a sum of money into her account.

This is the reward that he Lianmin gives himself. He is really on time every time and never defaults.

After reading, Qingya silently deleted all the messages and numbers, and then came out from the bathroom.

"Sister Qingya, the princess has been looking for you." A maid in waiting for Qingya in a hurry.

"I'll be right there."

Qingya walked into the princess hall and saw people gathered in the living room. After greeting Li Mengyao one by one, she went to Li Mengyao.

"Princess."

"Where are you going?" Li Mengyao asked himself.

"I had a stomachache and went to the bathroom."

Li Mengyao saw that her face was a little white, so she believed it. Also concerned about the sentence.

"Are you all right?"

"Much better already."

Qingya stood by Li Mengyao, listening to other people's words. I have to say, Li Mengyao is a little crazy! She wanted to take advantage of your Majesty's birthday to regain her power.

These people also want to say that Li Mengyao is cruel enough to poison his majesty!

Li Mengyao still can't make up her mind. After all, this is his father. Do you really want to do this?!

"Princess, you are in such a situation. What are you still worried about? "

"Yes, princess. You are the winner only if you sit in that position, and no one can stop you from doing what you want

"Princess, it's time for you to make up your mind!"

Li Mengyao frowned lightly. She knew all these words and principles, but if she really started, it was a big deal.

"Princess, do you still want to live in prison? You are in a very difficult position. If you don't act, you won't have a chance! You think about the humiliation and unbearable you've experienced this time, and that's all? "

Li Mengyao remembered that he had been treated by helianmin and Huo yunxun, and there was a fire in his eyes. yes! She said she wanted them to pay back ten times!

"Good! It is so decided! "

Qing Ya's eyes flashed with surprise. Did Li Mengyao really want to do this? If this fails, her life will be even more difficult, and then it will really be a prisoner's life.

After those people left, she asked Li Mengyao in a quiet voice.

"Princess, do you really want to do this? Is it too risky? And are these people reliable? "

Li Mengyao put down her comb and looked at herself in the mirror. She felt her face with endless pain in her eyes.

"Elegant, if you don't be cruel to yourself, it's very difficult to achieve great things."

"But..."

"Don't worry. I won't keep these people. As long as the plan is successful, I will deal with them. "

Qingya did not expect that Li Mengyao's mind has been so deep, she also borrowed other people's assistant to achieve the goal.

"So at this stage, they won't have any differences."

Elegant silence, for Li Mengyao's mind, she no longer want to do evaluation.

"Do you think I'm strange?"

Elegant quietly looking at Li Mengyao, "really want to do that to your majesty?"

"I know that in my mind."

"Princess, whatever you say, it's your father."

Li Mengyao directly waved to Qingya to step down. She didn't want to listen to any reason. Now she has no better choice.

When he got the news, he clapped. Li Mengyao is tough enough! Unexpectedly, he wanted to attack his father. He was stunned by hatred. Unfortunately, Li Mengyao will never succeed this time, because he will come forward to stop it. "Li Mengyao, you're still a chess player!"

City a.

Huo yunxun went home from work as usual, and Gu Yaoyao had prepared dinner.

"It's time to eat."

Huo yunxun went to kiss Gu Yaoyao, "I'll come with a change of clothes."

The news of the Golden Flower Awards was on TV, and the voting continued. With the support of many parties, Gu Yaoyao's vote number can be said to be the first. But in the end, we need to add the vote of the jury to get the final result.

The other candidates are good, so there is a lot of competition.

Gu Yaoyao just stood there watching TV. In addition to the Rookie Award, the best actor and actress were also voted. Xia Yunzhe and Zhou Xiao both topped the list. Two people's strength and popularity are placed here, this should be no suspense.

"Why stand still? Not tired? "

Huo yunxun hugs Gu Yaoyao from behind. His eyes also stay on TV.

"Still worried about voting?"

"No Gu Yaoyao naturally leans in Huo yunxun's arms.

Huo yunxun laughed. "What you say is not what you mean."

Gu Yaoyao did not deny that she was a bit duplicity. She wanted to tell her mother that she had succeeded through this award and platform!

Huo yunxun hugs Gu Yaoyao and kisses her on the neck.

"It's itchy!" Gu Yaoyao pushes Huo yunxun away.

"Who let your mind be distracted."

Gu Yao Yao is speechless, which is also a matter of care! "You have changed..."

"It's because of you that I'm worried about my gains and losses."

Gu Yaoyao holds Huo yunxun's hand in both hands. She looks up at Huo yunxun and says, "a Xun, I've been thinking about a problem over and over these days."

"Have you thought about it?"

"Why did you choose me at that time?" Gu Yaoyao raised this question again. She asked before, but Huo yunxun only vaguely answered. This time she wanted a real answer.

"This is important?"

"Well!" Gu Yao Yao didn't want to be confused, but wanted a real answer.

Huo yunxun smiles helplessly. He reaches out to pick up Gu Yaoyao's chin, and then approaches. "I thought you could feel it."

"Well? What? "

"I love you!"

## [Chapter 780](#)

Gu Yaoyao heard Huo yunxun's words, the corner of her mouth showed a happy smile.

These three words, she finally arrived!

Huo yunxun hugged Gu Yaoyao, "so is that all right? "

It's so great! However, Gu Yaoyao did not put such emotions out, but has been controlling their own heartbeat.

"Why don't you talk?"

Gu Yaoyao has always been silent, that is, she does not answer Huo yunxun's words. She wants to enjoy the happiness of the moment in silence. For Huo yunxun, it is not easy to say such words.

Huo yunxun can see her mind from Gu Yaoyao's expression, but he doesn't go to poke it, but let her. He likes Gu Yaoyao like this and enjoys the feeling of her around him.

"Yao Yao, you have brought me a different life."

"You too." Gu Yaoyao replied.

If there is no Huo yunxun, then there will not be her now, nor will there be Gu Yaoyao who wants to work harder and upward. Huo yunxun gave everything he owned today.

Gu Yaoyao looks down and sees the ring on Huo yunxun's hand. Her own has been taken down because she wants to film. And she saw that she had given him a lucky hand rope, which he was wearing.

Gu Yaoyao reached out to feel Huo yunxun's rope. It was the same as when she sent it.

"This is a gift from you. I always cherish it."

Huo yunxun was surprised that he had never sent anything to Gu Yaoyao.

"Thank you for enjoying this worthless gift."

"It's worth a thousand dollars in my heart. You are also a priceless treasure to me

The happiness on Gu Yaoyao's face can no longer be concealed, "really?"

"Of course

"If this is a lie, what should I do?"

"It's not a lie. If it's a lie, I'll die!"

Gu Yaoyao quickly covered Huo yunxun's mouth, "don't say such words."

Huo yunxun said with a smile, "this is also my promise to you."

"I believe you!"

That night, Huo yunxun and Gu Yaoyao talked about each other's heart. Their feelings have also been sublimated, no longer in the process of speculation and hesitation.

Gu Yaoyao leans in Huo yunxun's arms and talks about her childhood.

"And you still want to find your mother now?"

"I've been thinking about it all the time, and so does grandma! Grandma has been waiting for mom. But after all these years, if she had wanted to come back, she would have been back! "

"I'll find it for you?"

Gu Yaoyao's eyes brightened, "is that ok? Can we find it? "

"If you want to find it, you should be able to find it."

Gu Yaoyao nodded. If she could find her mother, it would be a wish of her grandmother.

"Leave it to me!"

"Well!" Gu yunxun's face is pink.

Huo yunxun looks at Gu Yaoyao with love in his eyes. It's the way to get married!

"Ahun, let's make it public." Gu Yaoyao said seriously.

Huo yunxun looked at Gu Yaoyao tenderly, and said such words from her, it showed that she really accepted herself. Huo yunxun secretly vowed that Gu Yaoyao would not be wronged in this life.

"Have you thought about it?"

"Well, think clearly."

Huo yunxun suddenly felt a little distressed for Gu Yaoyao. After the publicity, she had to face the pressure of public opinion and other aspects. This decision is not invisible to her a lot of pressure.

Gu Yaoyao noticed Huo yunxun's mood change, and this time she could see his mind.

"Don't worry about me."

"I don't want you to be wronged." Huo yunxun touches Gu Yaoyao's hair.

Gu Yaoyao laughed, "I'm ok! I've got everything ready. I'll cooperate with you whenever you want to! "

Huo yunxun bowed his head and suddenly kisses Gu Yaoyao. How can he not love him!

Over the next few days, online voting continued.

Gu Yaoyao occasionally goes to Huo's house to learn cooking with Huo Dongyang.

"Are you confident in winning the prize this time?"

"Half and a half, but I don't think it's possible." Because of the judges, I don't have a good chance of winning.

Huo Dongyang just smiles and doesn't impose any ideas on Gu Yaoyao.

"Dad, is that right?"

"Well." Huo Dongyang nods.

Qiao Wei stood outside the kitchen, secretly took photos, and then sent them to Huo yunxun.

"Look, what a good relationship."

Huo yunxun looked at the two figures in the picture, and the corners of his mouth slightly lifted up.

"You really have to love your wife. For you to work so hard. "

"Yes Huo yunxun replied with a smile. A Jin enters the office with several documents and puts them in front of Huo yunxun.

Huo yunxun, as usual, quickly browsed and then signed.

Seeing Huo yunxun sign his name, a Jin told Huo yunxun the news he had received.

"News from country F. Li Mengyao has been doing movements in recent days. "

Huo yunxun frowned. Obviously, he could not agree with Li Mengyao's treatment. He took risks and ignored the consequences. She wanted to let everything go, and even didn't want to look back.

If Li Mengyao fails this time, the darkness is waiting for her!

Thinking of Li Mengyao from a girl who yearns for freedom and straightforwardness to a victim of power struggle, I can't help but feel some regret. This should be a good life, in this endless Valley hope changed.

On the other side, he Lianmin has been waiting for Li Mengyao to continue to make mistakes. If helianmin seizes this opportunity, the royal family of F may change its Dynasty.

Where should the Li family go when it comes time

Seeing Huo yunxun not talking for a long time, ah Jin called. "Young master..."

"Just pay attention. We don't participate in the rest."

Ah Jin nods and goes out.

Huo yunxun continued to devote himself to his work and did not think about other things.

In the evening, Huo yunxun came home and smelled the fragrance from the kitchen, and the corners of his mouth slightly raised.

"I'm back."

Gu Yaoyao heard the sound and came out of the kitchen. She looked at Huo yunxun with a smile.

"Come back! You'll be able to eat soon. "

Huo yunxun stepped forward, hugged Gu Yaoyao and directly kissed her lips.

Gu Yaoyao smelled of oil smoke all over her body, so she wanted to push Huo yunxun away. But his own strength is not big enough, so he is in the passive.

When Huo yunxun let go, Gu Yaoyao was helpless. "Look, your clothes are dirty."

The oil stains on the apron got to Huo yunxun's shirt, and it was not easy to wash off.

"It doesn't matter. I don't mind." Huo yunxun replied.

Gu Yao Yao with Huo yunxun has no way, "to change a suit."

Just sat down to eat, Gu Yaoyao's mobile phone rang. Gu Yaoyao looks at the caller ID on her mobile phone and frowns gently.

"Whose call is it?" Huo yunxun asked Gu Yaoyao if he didn't look right.

Gu Yaoyao looks at the area display on the screen of her mobile phone and doesn't want to answer it at all.

"City C number." Huo yunxun stretched out his head and took a look.
