

Warm Wife 781

[Chapter 781](#)

Gu Yaoyao quickly put the phone down, and then put it on the table.

Gu Yao didn't want to know the number.

When the phone rang again, Huo yunxun picked up her mobile phone and picked it up.

"Hello

The other party obviously hesitated to hear the man's voice. "Is this Gu Yaoyao's cell phone?"

"Who are you?" Huo yunxun asked.

The other side is a woman. Huo yunxun knows that this woman is aiming at Gu Yaoyao.

"I'm Gu Ruo. Are you Gu Yaoyao's agent? "

"What can I do for you?"

Gu Ruo was a little nervous by Huo yunxun's indifference. "Can you please tell Gu Yaoyao that she needs to make up a few scenes in her advertisement before?"

Huo yunxun looks at Gu Yaoyao and sees that Gu Yaoyao is eating with his head down as if he is OK.

"If you're not in a hurry, let's wait until we have a good time. And please don't call this number next time. You can contact zenny. "

"....."

Smart as Huo yunxun, Gu Ruo if this call is obviously not to talk about work, it must be a matter of home care. Work is just the beginning, the next is the point.

"Who are you, please?"

"You don't care who I am. If you have something, you can tell me directly. If nothing else, I'll see you

"Wait a minute." Gu Ruo quickly stopped. "I have something to do."

"Say it."

"Next month is Dad's birthday. If it's convenient, go home."

Huo yunxun frowned and was dissatisfied with Gu Ruo's attitude.

"I don't understand Miss Gu. To whom did you say that without subject

Gu Yaoyao in the side heard this sentence, can't help but spray a mouthful of rice out. Huo yunxun is really spiteful. It seems that Gu Ruo must be angry! From childhood to adulthood, she was used to speaking like this.

This time, Huo yunxun hit a nail here. The expression must be very funny.

Seeing Gu Yaoyao's expression relaxed a little, Huo yunxun's eyebrows were also extended, and he did not mind Gu ruo's attitude.

"You..."

"What's wrong with me? Miss Gu, your mother didn't teach you how to be polite?" Huo yunxun continued to criticize. "If it's an invitation, please change your tone, or send an invitation formally."

Gu Ruo at the moment did not seem to think that he would be here to hit a nail. Who the hell is this man! Naturally, she thought of Xia Yunzhe. Before that, they both cared a lot.

And she remembered that Gu Yaoyao said before that she was married! Is it true? She and Xia Yunzhe have obtained the certificate privately?

If so, Gu Yaoyao must have told him what happened at that time, so now it's up to him.

"It's not what it used to be."

"Of course Huo yunxun said definitely. "You can't compare Yao and Yao."

"Miss Gu, if it's OK, that's it."

Huo yunxun first step to hang up the phone, looking at Gu Yaoyao has been bearing a smile, "so funny?"

"Well! I can imagine Gu ruo's expression at this time." Gu Yaoyao said with a smile.

"I won't let people bully you."

Gu Yaoyao nodded and believed Huo yunxun's words unconditionally.

On the other side, Gu Ruo, who was so angry by Huo yunxun, threw his cell phone on the bed directly.

Gu Yaoyao, you are in a good mood now! Career love double harvest, thought she left home must be bad, did not expect to fly to the branches of Phoenix, there are such excellent men with her side.

Gu Ruo always thought he had won Gu Yaoyao because she was with Ji Xiaofeng. As a result, Gu Yaoyao has found a better man than Ji Xiaofeng. Xia Yunzhe's family background is there.

This is Ji Xiaofeng can't compare, Gu Ruo clenched his hand, the heart has resentment.

"If so!"

Seeing Zhao Huan come in, Gu Ruo pulls the quilt and lies down.

"What's the matter?" Seeing her daughter like this, Zhao Huan rushed forward.

"I'm fine."

Zhao Huan knows his daughter, "you are coming out of my stomach. You have something on your face. Come on, talk to mom. "

"What makes Gu Yao Yao so proud?"

Zhao Huan's eyes flashed a vicious light. Gu Yaoyao was really like that mother. The more desperate she was, the more powerful she was. At that time, Su Cen was expelled from Gu's home by her, and there is no news so far.

Zhao Huan thought she was successful, but she was wrong! Maybe she's staring at herself somewhere! Even laugh at themselves, these years to guard such a climate of care for the family.

"Gu Yaoyao is not climbing the high branch. What's so great about it?"

"Mom, you don't know I called her just now, and it turned out that a man answered it, and I was ridiculed by him." "She's a good actress. It won't be long! If you see that she doesn't come out after making a movie, then she has no job! "

Gu Ruo thinks that there is some truth in her mother's words. Gu Yaoyao will not be popular for a long time. In such a circle, if there is no popularity and works, then the dishes will stop soon.

"Mom, but I don't want to see her back."

"If you dare, I won't let her come back easily."

"Mom, do you have a plan?" Gu Ruo recovered his spirit.

"Wait."

Zhao Huan is waiting for Gu Zhenhai's birthday day, ready to give Gu Yaoyao a heavy blow, she will find reporters. If a star is obsessed with gossip, then the rest is playing with eggs!

Zhao Huan and Gu Ruo look at each other and smile.

Gu Yaoyao didn't pay attention to what Gu Ruo said at all, but continued to live the life of a housewife. And she doesn't plan to go back to C city to attend Gu Zhenhai's birthday party.

Gu Ruo and Zhao Huan must be waiting for themselves to design wonderful programs, such tricks have been seen a lot. But after so many years, they didn't upgrade their own version of the game.

So this time, they can only do one act drama by themselves!

"What do you think?"

"Nothing." Gu Yaoyao replied.

Huo yunxun takes Gu Yaoyao's hand. "Don't think about it. You have to prepare now, but you will be rewarded in a few days. "

"How can you be sure I won the prize?"

"Intuition."

Gu Yaoyao smiles. "Is your intuition accurate?"

"If not, you would not have been chosen."

"You'll say it well."

Huo yunxun chuckled. "It's all my truth."

"Huo Shao's truth, eh..." Gu Yaoyao lengthened the end of his speech and hung Huo yunxun.

"What's wrong with me?"

"It seems to be a little bit reliable."

Huo yunxun was completely speechless. "A little reliable? That's very reliable! "

Gu Yaoyao laughed, "can't you be modest for a while?"

"That's the truth, and humility?"

Gu Yaoyao pushes Huo yunxun aside and doesn't want to continue to argue with him.

"There's a job tomorrow."

"What job?"

"Hy's new magazine cover."

Huo yunxun laughed helplessly. "He Yun, is there no one here? Or are you her cover goddess? I've been looking for you all the time

"She is supporting me with her heart!"

"I'll see you off tomorrow."

"Good!" Gu Yaoyao didn't refuse. She doesn't worry about being photographed. Anyway, it's all about publicity, so it's natural.

Huo yunxun reached out and scraped Gu Yaoyao's nose.

[Chapter 782](#)

Two days before the award, online voting changed again.

Gu Yaoyao, who had been firmly in the first place, began to decline in the number of votes, and was soon overtaken by Jiang Yan, a newcomer in the second place.

Gu Yaoyao did not pay too much attention to these, but went to try on the dress with Zeng Ni.

"This is a good one." Zenny pointed to a long white dress.

Gu Yaoyao looked at it for a few times, but he didn't feel very good, and there was a lot of exposure behind.

I tried several sets in succession, but I still didn't feel satisfied. Thinking that today should not be elected, Huo yunxun called Gu Yaoyao. He said that Mike would like to sponsor the dress for the award ceremony and let Gu Yaoyao go to her apartment to try it on.

Gu Yaoyao then agreed. After all, she believed in Huo yunxun's eyes. This is the brand she is endorsing, so there must be no problem.

After arriving at Huo yunnuan's apartment, Gu Yaoyao meets Mike.

Mike has been looking at Gu Yaoyao since she came in.

"This is Xun's wife?"

"Yes, my sister-in-law." Huo yunnuan nods. "Pretty?"

Mike touches his chin and looks at several parts of Gu Yaoyao, and then compares it with the size reported by Huo yunxun. That kid is right.

Gu Yaoyao's face is a little unnatural when Mike looks at her like this. She looked at Huo yunnuan and asked what it meant?

"Change it." Mike hands a bag to Gu Yaoyao's arms.

Gu Yaoyao took a look at it and found that there were only a few skirts in the world. Could this one be one of them?

"This is our company's box pressing treasure. Several famous flowers have been owned before. This one is the latest one. It is different from the previous series, only this one."

What Mike said shocked Gu Yaoyao. How precious it is?!

"This..."

"Sister in law, you can change it first. If it's not suitable, you can change it."

Gu Yaoyao had many questions to ask, but now she can only resist. "Good!"

Mike walked to one side and sat down, sipping tea leisurely. "It shouldn't be changed. Your brother has a good eye."

"If you don't, you laugh. I sleep in my arms every night. "

Mike thumbs up to Huo yunnuan. "You're the only one who dares to say that."

This dress was specially made by Huo yunxun to Mike a month ago, saying that it was to be given to his wife. After several inquiries, he realized that Huo yunxun was making the battle clothes for his wife.

Mike is feeling that the man of Huo family is really willing to go out for his own woman! Mike wouldn't have done it if it hadn't been for that huge reward!

"My brother is so good to my sister-in-law that I can't help it."

Mike laughed out loud. "Do you envy? There are people who do it for you, but you refuse to do it. "

Hearing Mike mention Fei Yuchen, Huo yunnuan's eyes become serious.

"My good uncle, I hope you don't do such a boring thing in the future. I can't do it with him! "

"I look at him very good, at least a little better than Ji Haonan, know how to please you."

"The meaning of drunk man is not wine!" Huo yunnuan's heart is like a mirror. Fei Yuchen's flattery is nothing more than to get a place in a city, and even to get a voice in his family.

These are Huo yunnuan do not like! She dislikes men's courtship because of their background. Such behavior, she is disgusted!

Mike is not happy with Huo yunnuan, so he stops the topic. "Well, no more!"

The door of the room opened and Gu Yaoyao held out a head. "Little warm, can you help me?"

Huo yunnuan soon got up and went into the room.

Knowing that the zipper behind Gu Yaoyao can't be pulled up, Huo yunnuan immediately pulls her up. And then I checked it.

"How beautiful Huo yunnuan finish saying, the mobile phone took a few photos.

Gu Yaoyao looked at herself in the mirror. Her eyes blinked several times. She didn't expect that this dress would look good on her. She highlighted all her strengths. She came like a fairy in a starry colored dress.

Huo yunnuan comes forward to help Gu Yaoyao clean up the neckline. She pulls her shoulders down a little, so that the cuffs just stick on her shoulders and the whole neck is exposed.

"Is that good?"

"Why not? Such white skin should be exposed, or it would be a waste. "

When Huo yunnuan pulls Gu Yaoyao out, Mike stands up as soon as his eyes are bright. It has to be said that this improved star skirt was born for Gu Yaoyao!

Mike said, "it's beautiful!" several times

"Xun's eyes are really poisonous!"

"Is this a Xun's order?"

"Yes Huo yunnuan nodded, "the design on this skirt is my brother's opinion. I have to say, my brother is also accomplished in design! "Gu Yaoyao's heart is warm, Huo yunxun is paying for himself in silence every time. Looking back, she must say thank you to him in person!

Mike shows his signature moves, touches his chin, and begins to think about the next business opportunity.

"Young grandma, are you interested in helping to be the spokesperson for the new season of clothing?"

"What?" Gu Yaoyao felt incredible, "I, to be the spokesperson?"

"Yes! I'm going to launch a dress for young people in China. I see that your temperament and image are in line

Huo yunnuan snorted and said discontentedly, "Mike, didn't you come to talk to me?"

"Yes, yes, you are my treasure. I'm sure you won't be missing! "

Huo yunnuan believes in Mike's vision. Every time he sees business opportunities, Gu Yaoyao may be able to use it to make another fire.

"That's about it!" Huo yunnuan continued. "How about my sister-in-law's entrance fee?"

"Absolutely to your satisfaction."

Huo yunnuan a few words to help Gu Yaoyao talk about a new endorsement, but also a seven digit!

For Gu Yao Yao, this number is absolutely astronomical. This is the highest one in his own endorsement! Mike really dares to promise. He's not afraid he can't get back to his original?

Just before the award ceremony, Gu Yaoyao once again parachuted into hot search and became the spokesperson of Mike's clothing in the new season. Such an international brand has given Gu Yaoyao a new blessing.

There is no doubt that Gu Yaoyao has a strong momentum, the heat rose again, and the online voting appeared a counter attack again.

"Sister in law, cow!"

Gu Yaoyao couldn't believe it. The number of votes went up slowly, but the speed was even worse than before!

"No problem this time!" Huo yunnuan said with a smile.

Gu Yaoyao has a kind of excitement that is hard to say. If she wins the prize tomorrow, she hopes her mother can see her and come back to see her grandmother! There are so many words I want to say on that stage!

Gu Yaoyao didn't know at this time that there was another big surprise waiting for her at the award ceremony. That's a blockbuster for the entertainment industry. It's just powerful

[Chapter 783](#)

After the dress was confirmed, Gu Yaoyao took the dress and prepared to go home.

Huo yunxun drives to pick up Gu Yaoyao. He already knows the news on the Internet. I didn't expect that Mike helped a lot this time. He even brought back some money he had given before, so he didn't lose money.

Gu Yaoyao has been staring at Huo yunxun from the top. He always gives himself a surprise and a touch in silence.

"If you keep reading, I can't control it."

Gu Yaoyao was so reminded that her face turned red.

"You bully me like that every time."

Huo yunxun said without changing his face: "but I am also responsible for you!"

"I can't tell you."

"Huo yunxun is ready for the award?"

"No, I really don't know what to say."

"Say what you want."

"Sister Zeng Ni said she would prepare a model for me. And I'm not sure it's me who won the prize. "

The smile on Huo yunxun's face is deeper, "so do not stray? My intuition is right. "

Gu Yaoyao didn't go to her heart too much. Many people said that she would win the prize. Gu Yaoyao can't help but think about it. They won't move anything, right?

If this is discovered, I'm afraid it will be difficult for me in the future.

"I think you are very good, so you have to have confidence in yourself."

"You didn't do anything about it, did you?"

Huo yunxun could not help feeling helpless, "are you doubting me? I won't do what you don't like

Gu Yaoyao believed what Huo yunxun said, and he always respected himself. So he won't interfere too much in these things.

"In the evening, we'll eat out and go back."

Gu Yaoyao has no opinion, "good!"

Huo yunxun takes Gu Yaoyao to yunyiyan's restaurant, and then happens to meet Yun Yiyan.

"Second brother, it's rare to see you in the shop today."

"It's hard to see if you want to come here." Yun Yiyan replied, and his eyes kept looking at Gu Yaoyao.

These two are made in heaven. One stop is a painting.

Gu Yaoyao, however, is not as determined as Huo yunxun. She is worried that Xia Yunzhe's parents will have an opinion on herself.

"Second brother, there won't be reporters here, so you can rest assured to eat."

Gu Yaoyao nods, which is why Huo yunxun brought himself here. He was really thoughtful, so that at such a critical time, there should be no bad news.

"Yun Zhe and Zhou Xiao will come later. You were... "

Huo yunxun shook his head. "We don't have an appointment. Or we all miss the food here. "

This sentence is just in line with Yun Yiyan's appetite, Huo yunxun is able to speak, and every time is a good word.

"Go in and sit down. I'll get you an order."

"Thank you, second brother."

"Well, you're welcome."

When Huo yunxun and Gu Yaoyao start eating, Xia Yunzhe and Zhou Xiao come.

Four eyes opposite, two pairs of people have their own ideas. But no one spoke.

"Brother Xun, what brings you here today?" Finally, Xia Yunzhe broke the deadlock.

Huo yunxun's eyes also swept from the two of them, "your aunt and I just passed by here, so we came in to eat."

Xia Yunzhe just glanced at Gu Yaoyao and took Zhou Xiao to the other side.

Gu Yaoyao looks at Zhou Xiao with an apologetic look on her face. Under such circumstances, she must think a lot!

But Zhou Xiao was totally out of the situation. She even looked at the three people in front of her in disbelief. When did their relationship become like this. What's more, how did Gu Yaoyao know Huo yunxun.

What Huo yunxun did not hear wrong just now, but he said a title. Aunt?!

Until she sat down, she had not recovered from her shock. Zhou Xiao looked at Huo yunxun and Gu Yaoyao from time to time. When did they have such a relationship.

"Zhe, they..."

"They are husband and wife." Xia Yunzhe replied.

"What!" Zhou Xiao cried out.

Seeing other people looking over, she quickly covered her mouth and confirmed with Xia Yunzhe with her eyes.

Xia Yunzhe nodded. "They got married before we started shooting that play."

"So powerful?"

"Huo yunxun has always been quick to do things."

Zhou Xiao can't help but look at Huo yunxun and Gu Yaoyao again. However, the two are unexpectedly matched. It seems that Gu Yaoyao should be with Huo yunxun. And Huo yunxun should be accompanied by Gu Yaoyao.

So Zhou Xiao murmured in a low voice: "they are quite matched."

"What do you say?"

See Xia Yunzhe facial expression is not good, Zhou Xiao quickly shakes his head, "I did not say what, just feel very surprised." "When did you know that?"

"Some time ago."

Zhou Xiao remembered the days when Xia Yunzhe disappeared, which must have something to do with it. She can understand Xia Yunzhe's mood. If the other party is not Huo yunxun, then Xia Yunzhe still has a chance.

But not so many if!

"Do you regret it now?"

"I regret nothing but that I am a little late. However, when Gu Yaoyao and Huo yunxun are together, their faces will show that kind of brilliant smile, so for Gu Yaoyao, Huo yunxun is her happiness. "

Zhou Xiao listened to these words, and his heart lit up with fighting spirit.

"Since you choose to put it down, you should cheer yourself up."

"Laozi is OK now. Who let our family owe them to Huo family n years ago?"

Zhou Xiao doesn't want to inquire about Xia Yunzhe's family. She just wants to accompany Xia Yunzhe.

"Zhe, you're not bad!"

Xia Yunzhe looks at Zhou Xiao and hears half of what she said that day. He just wanted to ask, but Yun Yiyan appeared.

"Xia Yunzhe, what are you going to eat tonight?"

What a wonderful atmosphere, because of his father's appearance, become incomparably embarrassed.

"Dad

Zhou Xiao saw Xia Yunzhe's father for the first time, so he stood up immediately. This is the chairman of Yunshi group, whose identity is here.

"Hello, uncle!"

Yun Yiyan knows Zhou Xiao. In the past, she and Xia Yunzhe used to shoot movies and commercials together.

"Real people look better than on camera."

"Uncle praised it." Zhou Xiao answered quickly.

Xia Yunzhe snapped his finger and pulled Yun Yiyan's attention back. "On the menu."

"You don't have to ask what Miss Zhou likes to eat? Are you polite? "

Xia Yunzhe is speechless and turns his eyes impolitely at Yun Yiyan.

"You know better than me? It seems that every time my mother is there, I'll give it to you. "

Yun Yiyan's face sank. His son said that, and his face was not good.

"Can you talk?"

"Why can't I speak? My lines are so powerful."

Yun Yiyan stares at Xia Yunzhe. "Well, you are a big star. We ordinary people can't match it."

Do not want to let father and son stiff, Zhou Xiao immediately out to play round. "Uncle, I'm not picky. I can eat anything."

Yun Yiyan is more satisfied with Zhou Xiao, "you are more promising than this boy."

[Chapter 784](#)

When Huo yunxun and Gu Yaoyao are full, they pay the bill and prepare to leave.

Gu Yaoyao takes a look at Xia Yunzhe and Zhou Xiao, who are sitting in the innermost part, and hesitates whether to go over and say hello.

"Go if you want."

Gu Yaoyao is also worried about disturbing the two people's meals. She has some contradictions in her mind.

Finally, Huo yunxun took her hand and walked forward to Xia Yunzhe and Zhou Xiao.

"What is this for?"

"Say hello, we're going back."

Zhou Xiao and Huo yunxun had such close contact for the first time. Just thinking of it, Xia Yunzhe opened his mouth.

"Just sit down."

Gu Yaoyao went on to say, "sister Xiao, you really don't have to be stiff. We're going back after we've finished. "

"Well, see you at the awards."

Gu Yaoyao nodded and waved with a smile. "Brother Yunzhe, we are going back."

"Well." Xia Yunzhe nodded.

Huo yunxun takes Gu Yaoyao's hand, turns around and goes away. Xia Yunzhe and Zhou Xiao are their back figures, and they are a good match.

When he can't see Huo yunxun and Gu Yaoyao, Zhou Xiao looks at Xia Yunzhe.

"You also think that they are very well matched, so you take the initiative to quit, right?"

Xia Yunzhe droops eyes, mood still some depressed, "don't mention, this matter also should turn over."

"This is Xia Yunzhe I know. I can take it up and put it down. Very handsome

Xia Yunzhe raised his eyelids and looked at Zhou Xiao attentively. This is the first time in many years that he has taken Zhou Xiao so seriously. She was different from the girl who had just started her career.

"Xiao, I found that you are also good."

"I always feel good about myself." Zhou Xiao said confidently. And the only thing she is not confident about is her feelings for Xia Yunzhe, which is also her weakness.

Xia Yunzhe held his cheek with one hand, and the corner of his mouth was half raised. "Then why don't you fall in love? I remember you are the goddess of many men

Zhou Xiao's face sank, which he was not afraid of. If I didn't like him, maybe I was married now!

"Is it demanding?"

"It's just that I don't want to make it." Zhou Xiao's voice is not big, but there is a trace of melancholy and helplessness in the tone.

Xia Yunzhe frowns subconsciously. He finally knows where Zhou Xiao's distrust lies? That's her feelings.

"Do you like that man very much?"

"Well!" Zhou Xiao did not deny it. "But he never knew."

Xia Yunzhe suddenly wakes up and is shocked in his eyes. It turns out that the man in Zhou Xiao's heart is

"If I go to the confession now, do you think he will accept it?" Zhou Xiao droops her eyes and doesn't want Xia Yunzhe to see through his mind.

Although she had decided not to hide Xia Yunzhe, she still couldn't do so. Especially now, Xia Yunzhe has not completely put Gu Yaoyao down.

Xia Yunzhe once again remembered what Zhou Xiao said that day, which should be regarded as her confession! It turns out that she also has a lovely and shy part. Her strong appearance is a protective color, her heart is still soft.

"Zhou Xiao, you are so stupid!"

"What!" Zhou Xiao wants to refute Xia Yunzhe, but after looking into his eyes, she can't say a word.

Because in Xia Yunzhe's eyes, Zhou Xiao saw his pity for himself. The way he looks at himself now is totally different from what he used to look at!

"You are..."

"Xiao, is it me that you like?"

Zhou Xiaoxin a tight, she staggered her eyes, since Xia Yunzhe said it, then the atmosphere should be embarrassed!

See Zhou Xiao avoid, Xia Yunzhe's heart has a bottom!

"Xiao, I remember what you said that day with me in your arms. I have a question to ask you now."

Zhou Xiao's face turned red and hot. Xia Yunzhe forced himself to admit it.

"Don't run away."

Xia Yunzhe found that Zhou Xiao had such a girl's side, and his heart was throbbing.

"Don't you want to answer yet?"

"Yes." Zhou Xiao replied weakly.

Xia Yunzhe reaches out to hold Zhou Xiao's hand. "Xiao, let's have a try! I know I'm asking too much, but I'll tell you the truth. I will come out of the past as soon as possible, please believe me! If you don't believe it, I won't force you either. "

Zhou Xiao looked at Xia Yunzhe excitedly. He couldn't believe what he had just heard. Xia Yunzhe said to himself that he wanted to have a try!

Just as Xia Yunzhe is ready to release his hand, Zhou Xiao quickly holds Xia Yunzhe's hand with both hands.

"Zhe, try it! I don't want to miss it again. " It's hard to pluck up courage. Of course, we should seize the opportunity.

Xia Yunzhe laughed. He didn't expect that someone was waiting for him in silence for so many years! It's a delicate feeling!

"Good!"

Zhou Xiao is crying and weeping. She wants to take Xia Yunzhe's hand and go down. Xia Yunzhe is an activist. He takes up his mobile phone and pats two pairs of tightly held hands together. Immediately sent to the micro blog, not a bit muddled!

"Once you and I didn't understand love, now I just want to go hand in hand with you! @Zhou Xiao "

ten seconds after the microblog was sent out, it was instantly boiling!

Xia Yunzhe's formal public love affair is not Gu Yaoyao, but Zhou Xiao, who has been supporting each other with him. This is a big bang! Xia Yunzhe is actually with Zhou Xiao. Before that, Xia Yunzhe and Gu Yaoyao are all hype!

Zhou Xiao looked at Xia Yunzhe so quickly sent a micro blog, but also revealed a trace of sweet. Xia Yunzhe quickly forwarded her microblog. "@ Xia Yunzhe, let's go down hand in hand!"

When some netizens thought Xia Yunzhe was joking, Zhou Xiao forwarded it five minutes later! So this two people love really formal stone hammer! The national CP, which has been stir fried for a long time, has also come to an end.

CP powder of the two families can be described as some people laugh and others worry.

Many fans have called on Gu Yaoyao to come out and explain. What's going on? Suddenly the whole world has changed!

As soon as Gu Yaoyao got home, she saw the comments and comments on Weibo, almost all around Xia Yunzhe and Zhou Xiao. After a look, Xia Yunzhe and Zhou Xiao revealed their love!

What a happy thing it is. They are finally willing to face their feelings truly!

Gu Yaoyao is very happy for both of them. She never thought it would be so sudden, but she should still bless her. So Gu Yaoyao immediately sent two people a wechat saying congratulations.

"Yao Yao, thank you! If it wasn't for you, I wouldn't dare to take this step. "

"You're welcome. After that, we will be a family. " Gu Yaoyao joked.

Huo yunxun extended his head, and his chin was against Gu Yaoyao's head, and his eyes were fixed on Gu Yaoyao's mobile phone.

"It seems that your wish has come true!"

Gu Yaoyao nods with pride. "Of course! I told you they would be together! It comes true when you read it, so what a beautiful thing love is

[Chapter 785](#)

Huo yunxun hugs Gu Yaoyao and silently looks at Gu Yaoyao's reply.

When everyone thought Gu Yaoyao might be healing himself, Gu Yaoyao made a micro blog! In an instant, he was watched.

"I didn't know what happened until I finished my work! A lot of people are asking me how I feel? I want to tell you that I'm fine and happy! Sincerely wish Brother Yun Zhe and sister Xiao happy for a long time

Gu Yaoyao's blessing shows that Xia Yunzhe and Gu Yaoyao have a good relationship, but there is only friendship between them.

Later, Xia Yunzhe commented on Gu Yaoyao's microblog.

"Thank you, sister. I will be happy. You too

"Yes Gu Yaoyao also later replied.

Then Zhou Xiao also commented, "Yao Yao, thank you! We'll whisper the rest

"Good!"

The three people's conversation was captured, and they said they couldn't understand. At a time when many people feel confused, Xia Yunzhe and Zhou Xiao are in love!

The next day, just before the awards ceremony.

Online voting is coming to an end, and all the votes will be settled.

Because Gu Yaoyao won the new season's spokesperson of Mike's clothing, the topic and the heat are all there.

With Xia Yunzhe and Zhou Xiao's open love affair, Gu Yaoyao's generous blessing has greatly enhanced her sense of passersby. It can be said that the three men are firmly in the first place hand in hand.

Gu Yaoyao looked at the new round of data and could not help but get nervous. If you don't win the prize, you will fail the fans who voted.

"Why in a daze?"

"I'm just nervous."

Huo yunxun laughed. "I saw you calm a few days ago. How can you suddenly get nervous today?"

"Of course, Brother Yun zhe will surely walk on the red carpet with sister Xiao tomorrow! But I'm alone, and I'm afraid

Huo yunxun sat down beside Gu Yaoyao and said, "I will accompany you?"

"Is that all right?" Gu Yaoyao asked in surprise. What's more, Huo yunxun has not always rejected appearing in public? If so, she doesn't want to make Huo yunxun difficult.

"If you need it, I can."

Gu Yaoyao holds Huo yunxun's hand. "I don't want you to feel uncomfortable."

"My wife says it, and I will do it."

Gu Yaoyao didn't want Huo yunxun to break the principle he had set before, so she shook her head. "No more."

"I thought my wife would want me to go."

Gu Yaoyao nodded sincerely. "I really want you to go and I hope you can watch me at the scene. But I'm selfish and don't want other women to covet. This is my husband alone

Huo yunxun hung Gu Yaoyao's nose, "want to hide me all the time?"

"Well!"

"But didn't we make it public?"

"It would be nice if the names were public. I don't want your appearance to be exposed, so it will be more troublesome in the future! "

Huo yunxun reached out and hugged Gu Yaoyao. He wanted to thank Gu Yaoyao for thinking about these things for himself, "this is not something you should worry about!"

"Ahun, you always know me."

Huo yunxun finally nodded, but also arranged for Gu Yaoyao to go with her, and this is Huo yunxun. With Huo Yun warm around, Huo yunxun is also at ease.

After receiving Zeng Ni's news, Gu Yaoyao knows that this is Huo yunxun's arrangement. He really knows himself!

"This time, you are walking the red carpet together as Mike's spokesperson, so that Xia Yunzhe and Zhou Xiao will have less topics."

Listening to Zeng Ni's explanation on the phone, Gu Yaoyao repeatedly said yes! There are familiar people around will calm a lot, the whole person will be at ease a lot.

On the day of the award ceremony.

The scene can be said to be besieged, fans and reporters surrounded the scene. Everyone is looking forward to it. The biggest news today is that Xia Yunzhe and Zhou Xiao got together for the first time after they made public. Of course, we can't let it go.

The red carpet ceremony officially began, the host excitedly and passionately said a large section of opening remarks, thank the gold Lord of all parties greatly.

In the waiting area, artists who want to walk the red carpet are ready to go out in order.

When Xia Yunzhe and Zhou Xiao appear, the stars waiting for the show are also boiling!

"Congratulations!"

These sounds are all over the place.

Originally, Xia Yunzhe and Zhou Xiao didn't want to walk on the red carpet, so they entered directly. However, due to the fact that both of them are hot candidates for the best actor, they can't avoid it!

"Are you nervous after walking through so many red carpets?"

Zhou Xiao nodded. "The significance and identity of this time are different. Of course, it will be tense."

Xia Yunzhe touches Zhou Xiao's face. "I'll be with you. Don't worry, I'm everything

"Well!" Zhou Xiao nodded.

Looking at the stars in front of them, Xia Yunzhe and Zhou Xiao are also ready. But a commotion behind him attracted him.

Looking back, we can see Gu Yaoyao in a starry skirt and Huo yunnuan, wearing a red dress, on the stage, which can be described as holding the stage. Two high-profile appearance together!

Xia Yunzhe helps forehead, Huo yunnuan unexpectedly can come? That means there's trouble next.

Seeing Xia Yunzhe's expression unnatural, Zhou Xiao asked in a low voice, "who is beside Yao Yao Yao? She seems to know you

"Of course." Xia Yunzhe replied. "That's my aunt. The famous and famous Miss Huo. "

Zhou Xiao looks at Huo yunnuan with wide eyes, which is her goddess. Once she was to Huo yunnuan as her goal, did not think today can be lucky to see a real person, this is a great good thing for her.

"Miss Huo is here."

"It must be Huo Shao's idea to know with your toes!" Xia Yunzhe make complaints about it. "He can't show up himself, so let Huo Yun warm up! In this way, Gu Yaoyao's topic is even higher! "

"Ready, you two. I'll be with you in a minute."

Xia Yunzhe held Zhou Xiao's hand, "let's go!"

When the two appeared together, fans yelled, while reporters and cameramen captured the historic moment. Xia Yunzhe and Zhou Xiaoyi match in black and white.

It's a flash show.

After signing on the background board, I was left by the host to do a simple interview.

"Today, you're both sweet and sweet. Do you think there's any difference after the publicity?"

Xia Yunzhe took the microphone, "no, we are still the same as usual."

"Yunzhe, you and Zhou Xiao are in public. What about Gu Yaoyao?"

Knowing that these problems could not escape, she simply opened her mouth: "Yao Yao has always been a sister, and I also cherish the days of filming with her! Xiao Hui and I are together. She is a great hero behind the scenes. "

"Before that, we all remember your kindness to Gu Yaoyao?"

"I certainly want it. Be nice to her! Because we are a family, so I have been protecting and taking care of her! We can also understand it as a sister control, dedication to his sister. "

The host turned to Zhou Xiao. "Did you know these things before?"

"Yes. I know everything about him and Yao Yao. "

Xia Yunzhe took the initiative to interrupt what the host wanted to say. "Our time is almost over. You can leave it to ask Yao Yao."

So the host finally let Xia Yunzhe and Zhou Xiao go to attack Gu Yaoyao.

[Chapter 786](#)

I thought Gu Yaoyao would go on, but it didn't.

Until the final finale, Gu Yaoyao and Huo yunnuan walked on the red carpet together. A blue and a red, the strong contrast color also makes people bright, since ancient times, red and blue out of CP, in front of this scene will really be fantasy like that.

Huo yunnuan is wearing a smart red wide leg jumpsuit today. He feels windy every step he takes. She is the bully president of the female version. Gu Yaoyao is wearing a blue starry skirt with sparkling crystal on her skirt.

Gu Yaoyao and Huo yunnuan walk to the media photo area hand in hand. Two people tacitly cooperate with the media to take photos, each out of the photos are large, almost no need to revise the picture.

"Sister in law, I think my brother must be jealous in front of TV. Because he can't appear with such a beautiful you

Gu Yaoyao laughed, "he should be busy at this time."

"No, as far as I know him, he will definitely put down all his work and watch the live broadcast."

The smile on Gu Yaoyao's face is deeper. Huo yunxun seems to really do such a thing.

Huo Yun warmed up and put his arm around Gu Yaoyao's waist, and then close to each other, facing the camera together.

"Today, I'm on the entertainment news for the first time because of my sister-in-law."

Gu Yaoyao actively cooperates with Huo yunnuan and doesn't think that women and women can't take photos like this. On the contrary, he thinks that the effect is very good. Huo yunnuan is like a flower protector. He has been taking care of himself from admission to now.

"Please come to the interview area."

Gu Yaoyao and Huo yunnuan bowed to their brows and then walked to the interview area.

"It's really after a long time. Both of you are so beautiful today." The host stood beside Huo yunnuan, obviously some stage fright. That is because Huo yunnuan's identity is placed here, so we have to be cautious.

Therefore, the host did not dare to speak in disorder, for fear of offending Huo yunnuan.

"Are you wearing Mike's dress today?"

"Yes." Gu Yaoyao replied. "Here, I want to thank Mr. Mike for his sponsorship! This dress is so beautiful and precious

"Yao Yao is the spokesperson for Mike's new season. What do you think?"

"I'm happy and excited. It's like a dream. Thanks for all this, Miss Huo. "

The host looked at Huo yunnuan, some dare not go to direct interviews.

"What do you say?"

"Because miss Huo is my lady."

This time, Huo yunnuan took the initiative to answer. "Yao Yao, it's very kind of you to say that! You are my idol. Now we are also a family. Of course, we should take care of each other and help each other

As soon as Huo yunnuan's family came out, people present expressed doubts one after another. What kind of family is this?!

"The family?"

"Yes Huo yunnuan nods, and then makes a simple action, she pulls the clothes on her body.

Now some people suddenly realize that Huo yunnuan is talking about the same brand spokesperson. Huo yunnuan is the spokesperson of Mike's clothing. This cooperation has lasted for more than ten years. So Huo yunnuan has an absolute position in Mike's clothing.

So Gu Yaoyao signed with Mike this time, and Huo yunnuan made a lot of efforts in the middle.

"Yao Yao, are you confident about winning the prize this time?"

"Confidence, of course, but the other candidates are also very strong."

After a night's gossip without asking, the host brought a wave of rhythm.

"So do you have confidence in Xia Yunzhe and Zhou Xiaona awards?"

"They don't need me to worry. They've always been excellent in my heart and I'm sure they won't have any problems."

The host then went on to ask, "what do you think of their open love affair?"

"Not only blessing, but blessing. Don't you think they deserve it Gu Yaoyao turned the topic to the host.

Gu Yaoyao was asked this time, the host's face was a little tense. Who dares to say that Xia Yunzhe and Zhou Xiao are not good, they just don't want to mix up.

"It's a perfect match, of course. But you and Xia Yunzhe were not just... "

"Brother Yun Zhe is very kind to me. He has been teaching me how to act. Last time we had a good cooperation, he also supported me very much. I'm very grateful for that. We are lovers in the play, so we must be good friends! "

The host also wants to ask, on the Huo Yun warm eyes, she had to give up.

"Thank you Yao Yao and miss Huo for the interview. Please go in and get ready."

Gu Yaoyao took Huo yunnuan's arm and walked forward and said in a low voice, "it's good that you broke the siege just now, or it will be endless."

"They are gossip." Huo yunnuan raised his hair, but also expressed his dissatisfaction.

Some people in this circle are hypocritical and always like to dig out the pain of others. So she didn't like to deal with people in the entertainment industry. Xia Yunzhe is an exception, and now Gu Yaoyao is added.

The others were nothing in her eyes. Today, she will accompany Gu Yaoyao on the stage, which is also Huo yunxun's order. This is for Gu Yaoyao, so she didn't give up. After entering the infield, Gu Yaoyao found her own position, and Huo yunnuan sat beside her. Although this position is not hers, she is also sitting correctly.

Other people see Huo Yun warm in, also dare not rush forward.

"Sister-in-law, there are many people watching the scene."

"I'm sorry for you today." Gu Yaoyao knows that Huo yunnuan doesn't like the atmosphere. Today, for her sake, Huo yunnuan has been enduring.

Huo Yun warm smile. "What's the trouble? I took my brother's appearance fee, so I will try my best to cooperate with you."

At this time, Xia Yunzhe took the initiative to come over.

"Auntie, I didn't expect you to come."

Huo yunnuan looks at Xia Yunzhe with his spare time. He knows what he wants to do with such a dog leg.

"If you have nothing to do, go back with your girlfriend and don't swing around in front of my eyes."

"I'm not here to say hello, and the identity of my aunt is here."

Huo yunnuan nodded with satisfaction, "you are wise. I'm sure you'll bring it here for a formal introduction

"Yes, I'll be right there."

Gu Yaoyao put her hand over her mouth and laughed. "How can Brother Yun zhe be so afraid of you?"

"As a child, he was disobedient. I was taught by my father. " Huo yunnuan replied domineering. "It should have been that event that cast a shadow on him."

Gu Yaoyao is suddenly a little curious about what happened when they were a few children. It should be very interesting.

"What's wrong with you, sister-in-law?" Seeing Gu Yaoyao's mood change a little low, Huo yunnuan cares.

Gu Yaoyao smiles and shakes her head. "I'm fine. I just think you're about the same age and grew up together. There should be a lot of interesting things."

Huo yunnuan nods. "That's true. But at that time, my brother never took part in it. He always sat alone and watched us make trouble, just like an adult. And I, some of their men said I was a little devil

"Why?"

[Chapter 787](#)

"Because I will complain."

Huo yunnuan answered directly, and it was wonderful to think of that childhood. Unfortunately, when we grow up, we spend less and less time together and have little contact with each other. Everyone has his own life.

"Complaint?"

"Well, tell Dad. They were afraid of their father at that time. No, now, to be exact. So if anyone bullies me, I will report to you, and then they will be scolded, and then they will dare not! "

Gu Yaoyao thought after listening, but did not feel that Huo Dongyang was very fierce.

"I don't think Dad is fierce."

"That's what you haven't seen. I'll tell you quietly that if my brother is fierce, he'll look like his father."

It's hard for Gu Yaoyao to imagine Huo yunxun getting angry. It seems that he has never lost his temper in front of himself, but he likes to be angry.

"It's hard to imagine!"

"Of course, they don't get angry easily." Huo yunnuan just finished.

Xia Yunzhe came with Zhou Xiao.

"Auntie, here we are."

"Hello, Miss Huo! I'm Zhou Xiao. Nice to meet you Zhou Xiao, however, showed an expression of seeing his idol, but his eyes were excited.

Huo Yun warm smile, "Miss Huo? So you and Yunzhe are not really going to be together? "

"Well?" Zhou Xiao didn't react immediately.

Gu Yaoyao quickly pulled Zhou Xiao's hand. "Sister Xiao, you should change your address."

How dare Zhou Xiao! But Huo yunnuan, she did not dare to take advantage of her, and she was only a few years older than her own, she did not dare to call that old.

"Xiao, it's called aunt."

"It's not very good, is it?" Zhou Xiao's face is tangled, which is still his idol.

Huo yunnuan turns his head and looks at Gu Yaoyao. "Sister in law, it's better for you to accept."

"Xiaojie is your fan. She is excited and dare not take advantage of you." Gu Yaoyao knows Zhou Xiao's mood, so she explains a few words for her.

Zhou Xiao looked at Gu Yaoyao gratefully. She didn't expect that she understood herself so well.

"What's wrong with that. I've always been called big and used to it! After all, my seniority is here. "

Xia Yunzhe held Zhou Xiao in his hand and said, "shout, or you'll be ruined."

Zhou Xiao can see that Xia Yunzhe is afraid of Huo yunnuan and doesn't want him to be embarrassed. "Aunt..."

"And this one?" Huo Yun's warm hand always points to Gu Yaoyao.

Gu Yaoyao quickly waved her hand, "no, no, no, don't do this. It's all outside! "

Huo yunnuan see three people's expression is not good, also did not force.

"Yes, go back! I'll see you at home some other day. "

Xia Yunzhe nodded. "OK."

Xia Yunzhe pulls Zhou Xiao back to their position, which is just a sigh of relief.

Zhou Xiao couldn't help being curious. "Why are you so afraid of Huo yunnuan?"

"I'm not really afraid of her." Xia Yunzhe is afraid of Huo Dongyang.

When I was a child, they were naughty. Once they made fun of Huo yunnuan and Xia Yunqiao, tricked them into a small dark room and then locked them up.

After Huo Dongyang discovered this incident, they were punished for cleaning for a week, and were also fined not to eat for a day. Later, they fainted from hunger, and their parents went to ask Qiao Wei, and they escaped.

So after that, whenever they make fun of Huo yunnuan, Huo yunnuan will complain, and then Huo Dongyang will appear.

Again and again, they also saw the horror of Huo Dongyang. Hardly ask the reason, carrying them directly into the utility room! Later, they did not dare to speak to Huo yunnuan in a loud voice, almost all of them were accommodating.

Xia Yunzhe thought of those and couldn't help but shiver.

Zhou Xiao saw Xia Yunzhe's expression for the first time. "I thought you were not afraid of anything. I didn't expect you to have such a side."

Xia Yunzhe tried his best to win respect. "You want to know who is behind Huo yunnuan? Huo Dongyang

Speaking of Huo Dongyang, Zhou Xiao feels the same way. In a city, few people dare to offend Huo Dongyang.

"My uncle is famous for his wife and daughter. So offending Huo yunnuan is definitely not a good thing."
"

Zhou Xiao heard Xia Yunzhe talk about his family for the first time. The relationship between their two families should be more complicated than what he said! In terms of seniority. It's a bit confusing to say it.

"The relationship is complex."

Xia Yunzhe nodded, "yes! The relationship is really complicated. Who makes my father lower than Huo Dongyang? "

Soon, the awards ceremony began.

The idol group on the stage is singing and dancing, and fans are cheering.

Gu Yaoyao looks at the wechat sent by Huo yunxun, and the corners of her mouth rise slightly.

"I saw you in front of the TV. How beautiful

"You watch live?"

"YesHuo Yun warms the remaining light to glance at, this is to show love again.

"Take care of my single dog."

"Good!" Gu Yaoyao quickly put away the mobile phone.

Huo yunnuan's mobile phone also vibrates at this time. Huo yunxun sends wechat.

"Don't forget your mission today."

"Yes! How dare I forget it. " Huo Yun is warm and speechless.

After the performance, the award ceremony officially opened. After several awards, the best rookie of the year award will be announced.

Seeing the award winners on stage, Gu Yaoyao became nervous.

Huo yunnuan holds Gu Yaoyao's hand, "relax, it will be OK."

"Still a little nervous."

Gu Yaoyao knew about the vote. She got a high number of votes, but she didn't know whether the judge teacher would have other opinions on it.

"Sister in law, I believe you can. In that TV series, my mother and I have chased each other. You acted very well, so there will be no problem to win the prize. You have to believe in yourself. The prize will be yours. "

Footage of the candidate's TV series has begun to play on the big screen.

It has to be said that everyone is very good and exciting. And their chances of winning are not very great.

"Well, let's announce this year's best new woman award."

The screen on the stage quickly cuts into the faces of several candidates, and everyone's faces are more or less nervous.

"Who on earth could it be?" The presenters on the stage deliberately elongated their voice and kept looking at several candidates.

"There's a little tension on everyone's face."

Gu Yaoyao felt as if her heart was about to jump to her throat. The cells in her whole body opened, and she was waiting to announce the moment.

Huo yunnuan has always kept a smile on her face. Gu Yaoyao has a great chance of winning the prize, unless it is really cold.

However, after a while, it will come out that if someone else, they will be forced to steal the limelight. If Gu Yaoyao, then it will only add to the icing on the cake, which is a heavy news.

The prize presentation guests opened the envelope and saw the name inside. They couldn't help but take a look at Gu Yaoyao.

"A three word name."

The light began to shake, just waiting to announce that the moment fell on the lucky one.

"I love her play. It's said that she just finished filming a movie

"Congratulations Gu Yaoyao

[Chapter 788](#)

Soon there was applause.

Gu Yaoyao was a little confused. She couldn't believe that what she had just heard was her own name.

"Sister in law, it's really you!"

Gu Yaoyao this just reacts to come over, looking back at Huo yunnuan, "is it me?"

"Well!"

Huo yunnuan helped Gu Yaoyao up and said with a smile, "the rest of the way, you have to go by yourself. Come on

Gu Yaoyao looked at the stage with bright lights, and the award-winning seat that was shining. She was in a difficult mood. This short distance carries the support and encouragement of many people.

Gu Yaoyao looks at the stage. If only Huo yunxun were there!

"Please come to the stage to receive the award."

After all, the time for the award ceremony is limited.

Gu Yaoyao raised her skirt and stepped onto the stage step by step, then walked to the center of the stage.

"Congratulations!"

Thank you Gu Yaoyao bowed and sincerely appreciated the two predecessors who presented awards to her.

The host went to Gu Yaoyao and said with a smile, "congratulations to Yao Yao. Tell me your speech about winning the prize."

"Thank you. Thank you for your affirmation. This award is very important to me, and it is also a force to encourage me to move forward. Thank you for your support. Only with you can you have Gu Yaoyao, who won the prize today. "

Gu Yaoyao's eyes were full of tears and her hands were holding the prize seat tightly.

"Then I thank all the people behind the stage of this TV play, and thank Brother Yun zhe for teaching me a lot!"

Gu Yaoyao took a deep breath again. "Again, I want to thank my family for their support and understanding of my work!"

"Mom, did you see it in front of the TV? I won the prize

This is what Gu Yaoyao always wanted to say to Su Cen. She also said it, hoping that she could really see it.

"Finally, I want to thank one more person. He appeared in my most helpless, took me out of the dark, has been quietly paid. Without him, Gu Yaoyao would not be standing here. Thank you. Thank you for putting me on this podium. I know you're watching, and I did it! "

When Gu Yaoyao finished, she showed a happy smile.

After Gu Yaoyao said her last words, many people felt that she was expressing her feelings to someone. Is this a confession? So Gu Yaoyao also has a favorite!

Gu Yaoyao has a boyfriend!

In the control room on the second floor, Huo yunxun saw this scene with his own eyes.

"Yao Yao, you did it!"

Huo yunxun turned to a Jin and said, "according to what was prepared before, act!"

"Yes

When Huo yunxun sees that Gu Yaoyao is going to step down, he quickly goes forward to support her.

"Good sister-in-law!"

Gu Yaoyao holding Huo yunxun, "I really feel good happiness."

"There is a surprise waiting for you

"Well?"

As soon as Gu Yaoyao sat down, the big screen on the stage suddenly showed a picture of Gu Yaoyao smiling like a flower and a line of words!

"Congratulations, Mrs. Huo, on your prize!"

And you can see that the last name is Huo yunxun! The name is familiar to everyone, and no one has just taken it for granted.

The scene suddenly exploded. This Mrs. Huo is Gu Yaoyao?! Gu Yaoyao and Huo yunxun are married?!

So it was Huo yunxun who Gu Yaoyao was thanking on stage just now. At this time, Huo yunxun took such an opportunity and form to make the identity of Gu Yaoyao known to the world!

"My God! How romantic

"This is a proper idol drama!"

"I didn't expect that the marriage that Huo yunxun said before was true. But I didn't think that Mrs. Huo was Gu Yaoyao in this rumor! "

"Strong news, Gu Yaoyao is the hidden little grandmother!"

Soon the news exploded on the Internet. Huo yunxun disclosed his wife's identity and Gu Yaoyao became a new generation of Cinderella!

Mrs. Huo's identity is exposed, and Gu Yaoyao, the best female newcomer in the Golden Flower award.

Gu Yaoyao is actually Huo yunxun's wife!

All kinds of headlines appear on the Internet. I thought Xia Yunzhe and Zhou Xiaohui would be the headlines of tomorrow, but now they are robbed by Huo yunxun and Gu Yaoyao!

That once unknown new man, jumped into the envy of everyone's wife, but also Huo yunxun's wife!

Then the video of the award ceremony appeared on all advertising screens throughout city A. Only Huo yunxun can do it!

"Huo Shao hands, you know if there is any!"

Gu Yaoyao looks at the news on the Internet and blushes. I didn't expect Huo yunxun would do this. It's too high-profile!

"Sister in law, I envy you so much! I didn't expect my brother would do this romantic thing. Now the whole a city knows you are Mrs. Huo! Or the whole world knows it! "

Gu Yaoyao felt embarrassed. She didn't expect Huo yunxun to disclose their relationship in such a way. Although I had thought about the effect before, I still underestimated it."Sister in law, my brother is here."

Gu Yaoyao looks back at Huo yunxun, and still a little unconvinced. Why didn't he say that before.

"Mainly for a surprise. But he can't show up with you, or the ceremony won't have to go on. "

Gu Yaoyao knows that Huo yunxun is quite different.

The award ceremony will continue soon, but the focus of attention is no longer on the stage, but on Gu Yaoyao, wondering whether Huo yunxun will appear on the scene.

But after the award ceremony, they did not see Huo yunxun.

This also makes people doubt whether it was just a show. How could Huo yunxun pay so much for Gu Yaoyao. Must be the effect! It's not a simple job.

And the other party is still Huo family! I'm afraid Gu Yaoyao will have a hard time in the future!

That show love die fast, but the law will never change.

Huo yunxun and Gu Yaoyao automatically ignore these sounds, but they don't care.

"Let's go back."

"Brother is waiting for us at the door."

Gu Yaoyao is shocked again. Huo yunxun is ready to expose himself.

"Don't be so burdened. My brother must have thought about it. "

Gu Yaoyao and Huo yunxun go out from another door and Huo yunxun's car stops there.

Gu Yaoyao looks at the familiar car. She walks down the stairs with her skirt. I want to see Huo yunxun soon.

Huo yunxun saw Gu Yaoyao was anxiously walking down the stairs, worried that she would fall down and quickly got out of the car. A few steps forward to hold her.

"What are you doing so fast?"

"I want to see you soon." Gu Yaoyao said with a smile to Huo yunxun.

Huo yunxun looked at Gu Yaoyao in his arms, "you are so beautiful today!"

"Ahun, I'm so happy today. I love the surprise you prepared. "

Huo yunxun's mouth also showed a good-looking radian, "just like it!"

They hugged each other tightly.

Huo yunxun stood on the stairs, looking at Huo yunxun and Gu Yaoyao, very envious. When will there be such a man for his own sake? If there was such a person, she would marry him without hesitation.

What is more important than finding someone who really treats you!

So Huo yunxun met Gu Yaoyao and they lived a happy life.

[Chapter 789](#)

On the night of the award ceremony, news about Huo yunxun and Gu Yaoyao was still hot online.

But the two parties have already returned home, living the daily life of ordinary people.

Huo yunxun prepares supper for Gu Yaoyao in the kitchen. Gu Yaoyao goes to take off her makeup and take a bath. They were doing what they were doing.

Gu Yaoyao came out of the bath, carefully put away the star skirt. The first time I wore such beautiful clothes, I still couldn't give up. Or maybe it's the dress that brings me luck, so I won the prize tonight.

"Yao Yao, the noodles are cooked."

"Oh, I'll be right there." Gu Yaoyao then put the dress back in the cupboard.

Seeing Gu Yaoyao come out, Huo yunxun quickly waved to him. Gu Yaoyao stepped forward, "what's the matter?"

"Mom's phone." Then she pressed the mobile phone in Gu Yaoyao's ear.

Gu Yaoyao hears Qiao Wei's voice. "Yao Yao, congratulations on winning the prize. You and Xiaoxun are great tonight

"Mom flattered me." *novelusb.COM*

"Come back here tomorrow. Mom wants to celebrate for you. "

Gu Yaoyao, on the contrary, felt embarrassed. She just won a prize and didn't have to celebrate with such a big show? Otherwise, people will feel inflated when they know it.

"You don't push. Now you are the young lady of our Huo family, so you should be like this. "

"But this..."

"No comment."

Gu Yaoyao had to nod. Now almost all people know their relationship with Huo yunxun, and some things can't be avoided at all!

"Good!"

After Gu Yaoyao finishes the call, she looks at Huo yunxun.

"Mom's idea, I can't help it."

You know, in this family, Qiao Wei's status is higher than everything else, so what she put forward is that there is no way to change it.

"I see. I'll go back tomorrow."

Huo yunxun hugs Gu Yaoyao with tenderness on his face. "Sit down and eat noodles, or it will be pasted later."

"Well!"

Gu Yaoyao is going to prepare for the next visit, while Huo yunxun is going to the study to deal with some things.

Huo yunxun finished processing the company and went back to his room. As a result, Gu Yaoyao was already asleep.

Huo yunxun mouth hook up, every time see her around, will feel at ease. Seeing Gu Yaoyao's mobile phone flashing, Huo yunxun picked it up.

Huo yunxun opened his eyes when he saw that the number of messages on the microblog was 999 +.

Many people are asking Gu Yaoyao and Huo yunxun about the truth! Of course, there are some who don't have long eyes and curse people there.

Huo yunxun frowned and sent out his first micro blog with Gu Yaoyao's microblog account.

"My marriage with Yao Yao can stand any test, and there is no interest relationship! This sudden publicity has nothing to do with the truth that everyone guessed. It's just that as a responsible husband, I want to surprise his wife! If there continue to be these false statements, I will bring them up and tell them! I'd like to say sorry for the inconvenience. But please rest assured that Yao Yao and I will go on happily

Huo yunxun finally wrote down his name.

So in the early hours of the morning, Huo yunxun such a micro blog once again exploded!

Many people can see from this micro blog that Huo yunxun protects Gu Yaoyao. If anyone dares to treat Gu Yaoyao badly. Then the end will be miserable!

Xia Yunzhe and Zhou Xiao looked at each other when they saw the news on the microblog.

"Huo yunxun is so domineering!"

"For Gu Yaoyao, he's going out of his way! He did a lot of things he would not have done before. "

Zhou Xiao is very clear that if a man does this, it is true love!

"I envy Yao Yao."

Xia Yunzhe listened to Zhou Xiao's words and was suddenly unhappy. "What? Do you like Huo yunxun

Zhou Xiao chuckles at Xia Yunzhe's sudden change. "Did I say anything? Are you so angry?"

"I'm not angry, but I want to remind Huo yunxun that he will not divorce Gu Yaoyao. In his world, there is only widowhood, not divorce."

"So powerful?"

Zhou Xiao is surprised, there is such a situation?!

"The rules of the Huo family." Xia Yunzhe looks at Zhou Xiao seriously. "So they won't allow others to destroy it!"

Zhou Xiao put his arm around Xia Yunzhe's neck, revealing a sweet smile.

"But I only have feelings for you."

Xia Yunzhe put his arm around Zhou Xiao's waist, "that's what you said. I don't regret taking the medicine. "

Zhou Xiao nods hard. "Well, no regrets!"

Xia Yunzhe leans over and kisses Zhou Xiao's lips, and then they fall on the sofa with their arms in their arms

As far as f country, the news of Huo yunxun and Gu Yaoyao's public marriage news has also reached here.

When he saw the news on the Internet, jealousy flashed in his eyes. What is Huo yunxun thinking about in his mind this time? This publicity has both advantages and disadvantages. Has he thought it out. Or does he want to give some warning to some people?

"My Lord!"

He Lianmin put down his mobile phone and looked at the flying clouds. "What's in such a hurry?"

"Just now Qingya came to the news, Li Mengyao saw the news of Huo yunxun and Gu Yaoyao, and was in a rage in the princess's mansion. Many things were broken! Then I was pulled by several maids to stop

He Lianmin snorted, and his tone was obviously in the form of falling into a stone. "She can't accept Huo yunxun's attack! It's a total slap in the face! Let people keep an eye on Li Mengyao all the time. She may move ahead of time. "

"Yes

After Fei Yun left, Helian felt his chin and looked at the news on the computer.

Huo yunxun is helping himself this time, so that he won't learn from the unknown.

He Lianmin touches Gu Yaoyao's photo. "I hope it's not you who suffer next."

Princess House.

Li Mengyao took a sedative to calm down. The maids are cleaning up the debris on the ground.

Qingya takes care of Li Mengyao. Looking at Li Mengyao who has already closed her eyes, she can finally breathe a sigh of relief!

"Sister Qingya, here comes the official."

Qingya arranged her clothes and went out to meet her.

"Lord Shang."

"How is the princess?"

"I'm already asleep."

Xiang Shan quickly answered. "Your Majesty is very angry! If the Princess continues to disappoint, she will be sent out of the palace. Do you know what that consequence portends

Elegant nodded immediately. "Yes

"Let the princess think about it."

"Yes

After Shangshan left, Qingya sighed helplessly. But to see Li Mengyao mad about Huo yunxun and Gu Yaoyao is immoral for a princess!

In Li Mengyao's heart, actually still loves Huo yunxun. She just said she hated him! But always love more than hate. Just this time, her reaction was really bigger.

Walking into Li Mengyao's bedroom, she is already awake. But the limbs still can't work.

"Princess, are you awake?"

"Why do you do this to me?"

Elegant Leng for a moment, did not understand the meaning of this word.

[Chapter 790](#)

Li Mengyao's tears fall from the corner of his eyes, thinking of Huo yunxun and Gu Yaoyao.

She has gone from anger to sadness. She never seemed to understand Huo yunxun. That's why I don't understand his handling.

Once he certainly would not do such a thing, now he for Gu Yaoyao to throw everything. Who says Huo yunxun doesn't understand romance, but his romance is just for his wife.

Qingya wiped Li Mengyao's tears with a paper towel. "Princess, don't cry! Huo yunxun is not the only man in the world. You'll meet a better one. "

"No more. In my heart, Huo yunxun is the most perfect. I don't like other men. "

Qingya really don't know if Li Mengyao is infatuated or paranoid? Is Huo yunxun really that good? And now he's the husband of someone else's family.

"Princess, cheer up. Huo yunxun forgot it! We're not in such a good position. "

Li Mengyao looked at Qingya, "what do you mean?"

"Lord Shang came here just now..."

Qingya tells Li Mengyao about it, and Li Mengyao's eyes are full of venomous light. I didn't expect that his father would abandon himself and even want to drive himself out of the palace.

"Besides, we have just received a little news that your majesty has brought the illegitimate son back! Prepare him for the throne. "

Li Mengyao clenched her hand in an atmosphere. "It's too simple! It's not true

"Princess, don't get excited. Or you'll be more miserable. "

Li Mengyao showed a sad smile and was powerless. "I am the one they want to abolish. So now it's all kinds of killing, forcing me to the end. And then let me go back and thank saint. There are no doors! "

Qingya saw the silence and grief in Li Mengyao's eyes. She was abandoned by her family like this. It's really a pity!

But on second thought, Li Mengyao was also responsible for her own mistakes. Don't make trouble everywhere if you have nothing to do! If Li Mengyao wants to turn over, she should be ready to fight for it.

"Elegant. You go and tell them that the plan is ahead of schedule. You can't wait until your birthday

Li Mengyao felt that she could not wait any longer. Otherwise, it will be the news that they will be abolished. Moreover, she has to take revenge on Huo yunxun and Helian min. she must let them see clearly that Li Mengyao will not easily admit defeat.

"Yes

Qingya came out and secretly sent a message to Yunfei. Tell him what's going on here.

When he heard the news, he laughed. "Well! She is going to do it ahead of time. "

"Then, my Lord, shall we start now?"

Helian raised his eyes and looked at the clouds. Eyes with a touch of firmness, endure so long also action! Otherwise, grandfather's sacrifice would have no meaning. They will not be looked down upon from now on.

"Move

"Yes, I'll get ready in a minute."

On the eve of his Majesty's birthday, the whole country was full of excitement. And this is the best time to start.

On this day, Li Mengyao put on her own princess clothes and went to greet her father.

I said a lot of touching words, most of them were in confession, saying that I would not be stubborn. I hope my father can give her another chance and take the right to prepare for this birthday party.

Seeing his daughter finally came out, his Majesty was also comforting, so he asked Li Mengyao to take charge of his birthday party without much thought.

"Thank you, father. I will do well this time."

Because of this, Li Mengyao got the right to enter his father's bedroom every day, and she would personally deliver meals to his father every time.

Let outsiders look, but it is really filial piety, you can be so busy in and out for your father. But from the elegant point of view, every time Li Mengyao sends in the food, there is a problem.

But these things, she did not dare to speak, otherwise her own life would be lost.

On the day before the king's birthday, Li Mengyao still sent the rice in person. However, I didn't expect to see helianmin and helianfeng in the reception hall.

Li Mengyao frowned. How could these two people be here. They are not royal anymore. How did they get in.

"Why are you here?"

"Why can't we be here?" He asked with a smile.

Li Mengyao took a look at the things around helianmin and judged that they should have come to give gifts.

"Father, I've brought you food." Li Mengyao called out to the inner court.

He Lianmin's eyes have been looking at the tray in Li Mengyao's hand, and a slight smile appears in the corner of his mouth. Li Mengyao is still bringing food this time. Don't you worry about being stolen and captured by someone?

After a while, Shangshan helped his majesty out. Obviously, his Majesty's face was not very good, but his face turned pale.

Li Mengyao micro squint, it seems that the drug effect attack, as long as tomorrow, everything will be different.

"Princess, give me these!" Shangshan takes the tray from Li Mengyao's hand. Li Mengyao did not have any precautions, and directly handed the tray to Shangshan. "Father, the birthday party is almost ready. If you have time, go and have a look. "

"I'll go later."

Li Mengyao didn't want to be in a space with helianmin. She said a simple sentence and then turned away.

After Li Mengyao left, the king's face suddenly changed, and he pretended to be weak just now. The purpose is not to scare the snake, let Li Mengyao relax his vigilance.

"General Helian, what should we do now?"

"Your Majesty, wait now. Although we have some evidence, it is not enough to be believed. So now we should wait for them to do it. "

The king's face was so complicated that he didn't expect his daughter to feel like this. Even poisoning their own food for power. Fortunately, he Lianmin informed him in time, so these days, he did not continue to eat Li Mengyao's food. Otherwise, he might have been in trouble for a long time.

"Your Majesty, you must be hard hearted this time." Helian peak reminds.

"If Meng Yao is really so disrespectful, then I will not be soft hearted."

He kept smiling all the time. He even imagined the wonderful tomorrow. You really can't miss it! So that night, the king let hellenim live.

When the news reached Li Mengyao, she was very angry.

"Why did he stay in his father's palace. What is it going to do? "

"Calm down, princess."

"How can you calm me down? If it gets out, a lot of people will think that hellenim is too close to the royal family. Maybe there will be some strange rumors

What Li Mengyao worried about still happened. Helianmin became a guest of honor to attend the banquet the next day.

"It's too much. You're really good! Don't think I can't fight you

"You wait for me tomorrow."
