

Warm Wife 791

[Chapter 791](#)

Soon it will be the king's birthday.

But there was a little tension in the whole palace, and almost everyone was in a hurry.

Li Mengyao also felt the atmosphere at the scene, always felt that something was wrong.

"Elegant, do you have any of these people These people don't seem to have arranged for those people before.

Qingya took a look at it and then replied, "maybe it's to strengthen the security work, so we sent some more people."

Li Mengyao frowned and turned to make a phone call to ask about the situation of those people.

"Don't worry, princess. Everything is ready."

Getting such an answer, Li Mengyao was relieved.

However, she did not expect that those people had been controlled by helianmin's people, including that phone was also held by helianmin to listen to that person.

"No matter what Li Mengyao asked you to do, you should answer that you are ready. Otherwise, you will never talk in your life. "

"Yes

He Lianmin gave Fei Yun an eye, and then he turned to leave.

Helianmin opened the mobile phone and looked at the time. The good play will be staged soon! Li Mengyao, you are going to be cool this time!

Li Mengyao at the banquet scene to do the final confirmation of each work, absolutely can not make any mistakes. Otherwise, her life will be completely finished!

"Qingya, go and see what's going on outside."

Elegant nod, quietly left.

This time, Li Mengyao came back and did not see Qingya come back.

Until the banquet began, when the king and the Queen appeared together, the people present bowed respectfully.

"Don't be constrained today." The king said, "the main thing is to have fun with the people."

"Thank you."

Li Mengyao was sitting in her position, anxious.

Qingya has been going out for a long time. Why hasn't she come back? It's no accident, is it? Li Mengyao calls Qingya, but the phone doesn't work.

Li Mengyao looked at the scene again, and the people she arranged were still there. There should be no problem.

At this point, a huge birthday cake is pushed in.

Li Mengyao's eyes glare round, that person is not what he saw before, but why should she wink at herself? What exactly does this mean?

Looking at the huge cake has been pushed in front of the king, Li Mengyao suddenly feel nervous. As long as there's movement in that cake, other actions will follow.

Li Mengyao subconsciously clenched her hand, and her mobile phone suddenly vibrated.

After a glance at the information on her mobile phone, Li Mengyao closes her eyes and takes a deep breath.

"Mengyao, come to my father."

Li Mengyao stood up with a smile and went to his father. And with every step she took, her heart was firmer.

Knowing that she came to the king, she said with a smile, "I wish my father a blessing like the East China Sea and a long life than Nanshan!"

Thank you

Just as Li Mengyao was about to cut the cake for the king, she opened the maid of the palace, handed over the plate, and then opened the lid of the pot. She found that it was not a cake cutter, but a small pistol!

This is not the same as what was said first! This is not to wait for the cake to finish eating and then act in advance.

This scene completely exposed everyone's eyes.

"Princess, don't hesitate any more, hurry up!"

Li Mengyao was stunned, and then the maid picked up the pistol and put it in her hand.

"Did the princess forget the humiliation she had suffered before?"

"I..."

"Opportunities are in front of us. If we miss them, we will not."

Li Mengyao clenched the pistol, then raised it in the direction of the king.

"Protect your majesty!"

At this time, I don't know who fired a shot, and the scene was in a mess. Then a second shot went off and someone fell down.

Li Mengyao was nervous, but she couldn't step back. Her gun was aimed at the king.

"Father, today I just want to get back everything I had before. If you promise, nothing will happen! "

The king was so angry that he didn't expect his daughter to be so cruel.

"Mengyao, you are crazy! You're a big rebel

"You have promised me that as long as I get married, you will announce my succession, but you have not kept your promise up to now."

"Li Mengyao, you don't mean to say that. You really want to come in these days. What absurd things have you done? You even want to poison me

"Ha ha, you know all about it!" Li Mengyao laughed.

She held out her other hand and made a movement.

Soon a few teams rushed in and surrounded the rest.

"Li Mengyao, are you good at scheming for power and usurping the throne?"

"Yes, my father taught me all these things. I'm just flexible now. "The king was angry and disappointed with Li Mengyao. It was heartache for his daughter to become such a person! She had everything, but it was because of her own failure!

"Do it!" Li Mengyao ordered.

But there was no one to move, but all stood in the same place.

Li Mengyao felt that the situation was wrong, "why don't you do it? Don't understand me? "

"Li Mengyao, see who this person is!"

Li Mengyao fixed her eyes and found that none of them had been arranged before.

"This..."

"Li Mengyao, I didn't expect that you were so bold that you would dare to commit crimes below." Hellenim came out of the crowd.

Li Mengyao immediately held a gun at helianmin, "it's you!"

"Yes, it's me!" He said with a smile. "You didn't expect that you would fail? All your men have been detained by your majesty. What do you say is waiting for you next

Li Mengyao red eyes, pull the trigger, fired a shot at helianmin.

He Lianmin quickly dodged, and in less than a few seconds, he grabbed Li Mengyao's gun and threw it on the ground.

"You'd better take it with your hands down, and you'll suffer less."

Li Mengyao stares at helianmin viciously. "So You've been pretending before

"The princess is clever. What? In your impression of waste materials, did not expect to be like this! "

Li Mengyao bit her lips and felt remorse. How can she be counted, the only one is that he is missing. This move acts like a pig and eats a tiger!

"I don't know if the princess is changing me now? Unfortunately, it's too late. "

The king ordered it immediately. "Take the princess down!"

Li Mengyao struggled. She didn't believe that she had lost. She glanced and found elegance in the crowd. And she was close to the gun.

"Elegant, take up the gun!"

Qingya took a few steps forward and bent down to pick up the pistol.

"Qingya shoots at helianmin."

Qingya walks to Li Mengyao with a pistol and looks at her with strange eyes.

"Princess, you have no chance."

Li Mengyao couldn't believe to look at Qingya. "Qingya, you betrayed me!"

[Chapter 792](#)

"Princess, I only serve the royal family." Said quietly.

Li Mengyao wants to catch Qingya, but he is held by helianmin. "Li Mengyao, don't do nothing to resist."

"Traitor!"

Qingya closes her eyes and turns around to see Li Mengyao.

Li Mengyao saw everything in front of her and couldn't help laughing.

"Ha ha ha, I'm stupid. That's why I believe I will succeed. I'm not good enough. "

He Lianmin was very happy to see Li Mengyao for the first time.

"Princess, you should also think about what you have done wrong."

Li Mengyao cold voice, eyes still do not admit defeat.

"What's wrong with me? It's always been you who have failed me. Everyone is deceiving me

He Lianmin knew that Li Mengyao would not admit his fault. He said to the king, "Your Majesty, it seems that the princess is not guilty."

The king was very disappointed with Li Mengyao, "Mengyao, do you know it's wrong?"

"I am right! At the beginning, it was my father. You meant to let me give up my love and let me live for this country. I did, but I got what, I love people do not want me, now even you want to abandon me. I was forced to do all this! "

The king looked at Li Mengyao painfully. He never thought that his daughter would have such obsession. If it were changed to other people, would it be the same.

"Take the princess first." The king said powerlessly, "that's all for today. Please go back."

He Lianmin looked at Li Mengyao, who was detained. "Li Mengyao, your good days are over."

Knowing that this was a big blow to the king, the others left in a hurry.

He wanted to leave, but the king left him.

"Min, you stay."

Helian min nodded, and then stood on the side waiting for someone.

After all the people left, the king let helianmin leave with him.

"This incident must have been a great blow to your majesty."

The king nodded. I never thought that Mengyao would become like this. What's going on here? "

"Your Majesty, these are the obsessions of the princess! She can't think of it, and we can't say anything.
"

"Well, when did my daughter become like this?"

Helian laughed. "Just can't stand the stimulation of Huo yunxun's marriage."

The king directly shook his head. "These are her own wishful thinking. If Huo yunxun really loves her, he won't get married. If she had been willing to have a good life with you, she would not have been like this

"I can't get into the eyes of the princess. There's nothing to say."

The king shook his head helplessly, with sadness in his eyes and remorse at the same time.

"Min, now the country needs you, let your grandfather come back!"

"Thank you."

He Lianmin did not follow, but looked at the king's back, which seemed to be much older. It seems that Li Mengyao's affairs have obviously had a great influence on him.

With a smile of pride, the Li family also began to be turbulent.

"My Lord." He Lianmin looked back and saw the elegance.

He Lian is polite to you

"I want a palace."

"There's no problem. I'll let Feiyun arrange it."

"Thank you, my Lord."

"But for your help, I would not have succeeded this time. So you are a meritorious official. If you need anything, you can go to Feiyun and he will help you. "

Elegant nodded, bowed to helianmin and left.

He Lianmin takes a look at time. It's still early, and wants to see Li Mengyao.

The king was kind to Li Mengyao, but she was imprisoned in a side hall of the princess's mansion. She was still served. The treatment was different from that of other prisoners.

"What are you doing here? Want to see what I look like when I'm defeated? "

Helian nodded. "I came to see my ex-wife. This is not to say one night husband and wife hundred days of grace?"

"Helianmin, you are really good. I lost this time."

"How can you be so sad this time?"

"It's all thanks to you." Li Mengyao stares at helianmin with red eyes.

In the past, I really underestimated helianmin. I have to say that his acting skills are very good. Everyone was cheated by him.

Helianmin went to one side and sat down and looked around.

"Do you remember this place? The day we got married, you let me live here. Now the geomantic omen turns around, and you should taste the taste of this place

"Helianmin, what hatred do you and I have?"

"No hatred?" He asked. "Aren't you arrogant? You can't see anyone else! But you are wrong. It's not me who really hurt you, but Huo yunxun. "

Li Mengyao turned her head to the other side, but did not respond to this question. "If you don't speak, I'll take it as your acquiescence." He Lianmin was very happy in body and mind, and saw Li Mengyao in such a field. "The man Huo yunxun loves is Gu Yaoyao, so he will disclose the news of their marriage. But what do you get! Do you regret that you didn't insist? "

"Shut up

He Lianmin holds his arms in his hands and looks at Li Mengyao with disdain.

"Why?"

"Go away!" Li Mengyao yelled. She doesn't want to see anyone now.

Helian nodded, and he put down his arm with a smile.

"I don't want to stay here. I just want to tell you that you're going to have a good time. Take care of yourself

Li Mengyao gnaws her teeth and looks at her swaggering away. Once he was so incompetent, and now he is so resourceful!

This is their own carelessness, and even proud that he Lianmin can not turn out any waves. But who knows, the final winner is him!

Li Mengyao clenched her hand. Even though her fingernails had blood in the palm, she still did not loosen it. She wants to use such pain to remind herself that as long as she does not die, she will have a chance to turn over!

Li Mengyao swears in his heart. As long as she can go out, she will surely find revenge on those who hurt her!

After he left, he returned to his home.

Helianfeng saw the happy appearance of helianmin, and soon thought: "remember not to be too happy. Li Mengyao will not die. I'm afraid our future will not be so smooth! "

"I know that. The king told you to go back to your post

"No, grandfather is old. These things should be left to you young people. Xiaomin, you go. It's also an opportunity to exercise. "

He Lianmin didn't give up. "Yes

The news from country f soon reached city A.

Huo yunxun listened to ah Jin's words and frowned all the time. Li Mengyao is really stupid. She really made such a stupid thing. Now she has brought disaster and compensated herself.

"Young master, what will you do with this matter?"

"Said we would not participate."

"Yes Ah Jin nods.

I understand all this, but it's certainly not easy to do.

"Don't tell me about country f in the future!"

"Really not?"

Huo yunxun nodded, "Li Mengyao's ending is all her own."

"Yes, I'll tell you right away."

Huo yunxun looks at the number of the mobile phone. "In the future, we will completely cut off contact with country F."

[Chapter 793](#)

This day.

Huo yunxun returned home, but Gu Yaoyao was not seen.

These days, the heat of news has passed. Two people also return to the original life, each busy.

Originally thought that Gu Yaoyao's work would be reduced, but it increased, and her busy life started again. But Huo yunxun put forward a request that he should not leave a city to work. He had better return home at night!

Huo yunxun called Gu Yaoyao and asked about the situation.

"Where is it?"

"On the way back, today's work was delayed."

"Well, I'll wait for you at home."

After Gu Yaoyao came back, Huo yunxun had prepared dinner for Gu Yaoyao.

"Husband, hard work."

"No hard work." Huo yunxun took Gu Yaoyao's hand and sat down directly.

With a smile on her face, Gu Yaoyao told Huo yunxun a good news.

"Ah Xun, there is something about that studio. Today, sister Zeng Ni went to see the office, which was very good. If there is nothing else, it should be done soon. "

Huo yunxun knew that he had said he wanted to help, but Gu Yaoyao refused!

"That's a good thing."

"There's a lot more to do." Gu Yaoyao doesn't know if she doesn't do it. Only when she does it can she know what's going on.

Huo yunxun gave Gu Yaoyao a good soup and complained about it. "You won't let me help you."

"It's my business, so I want to come by myself so that I can learn something."

"After the establishment of the studio, what are the plans?"

"I want to sign a new man." Gu Yaoyao said with a smile. She doesn't know she's not qualified, but she'll take her time.

Huo yunxun couldn't help laughing when he heard this.

"That's a good idea. But it's not that easy. "

"Yes! So take your time. "

After dinner, Gu Yaoyao saw Huo yunxun was still busy in the study, so she poured him a cup of refreshing tea.

"What are you up to?"

Gu Yaoyao has not been concerned about Huo yunxun's work, and occasionally mentioned it, and did not really want to pay attention to it.

"Deal with some projects in country F."

Country f?

Gu Yaoyao suddenly thinks of Li Mengyao. She has been back for some time, but she doesn't know what the situation is like?

"All operations in country f shall be terminated."

Gu Yaoyao blinked, "why?"

If it is terminated, it will not lose a lot.

"Li Mengyao has been imprisoned."

Gu Yaoyao's eyes widened in disbelief. How?

"She did something wrong."

See Huo yunxun did not say in detail, presumably this wrong thing is a big thing, otherwise how can you be imprisoned?!

"Does this affect HD?"

"More or less."

Huo yunxun takes Gu Yaoyao's hand. "Don't worry, I'll take care of it soon."

Gu Yaoyao nodded, "then I'll go to bed first, and I'll have work tomorrow."

"Go

The next day.

Gu Yaoyao went to a variety show recording. At the end of the recording, she received a call from helianmin.

For helianmin's call, Gu Yaoyao's interest is obviously not high.

"What? Now it's public with Huo yunxun, so keep a distance from all the men? "

"Nothing."

Herring chuckled. "I'm kidding you. Even so, I'm not afraid. "

"Lord Helian's words are heavy."

"Gu Yaoyao, do you really need to be so serious?"

Gu Yaoyao doesn't want to continue to talk with helianmin, just want to end the call. He Lianmin then said, "do you know what happened to Li Mengyao?"

"....."

"Your silence means you know. It's true. I think Huo yunxun must know that. He should have told you. " There was something pleasant about the voice of hellenim.

This tone makes Gu Yaoyao frown. She thinks that in this matter, helianmin must have participated!

"Li Mengyao is very brave this time. He wants to seek power and usurp the throne! A woman who poisons her father's food in person has no conscience. That's why she should end up like this. "

Gu Yaoyao pursed her mouth and did not speak. Her mood became complicated. More shocked, Li Mengyao did not expect to come to this step.

"I'm calling to tell you that I'm going to city a in two days. I'm going to visit you. Thank you for your help."
"

"You're welcome. It's over. You don't need to worry about it."

He Lianmin laughed, "Yao Yao, I know you have such a sentence, when the water of grace, when the spring phase! You think it's a small thing, I think it's a big thing. If you hadn't saved me, I would have been dead now! But Li Mengyao didn't want to live. ""So this time, you're involved."

"No, Li Mengyao killed himself this time. It has nothing to do with me. "

When Gu Yaoyao comes home, she sits down on the sofa. I still think about what helianmin said. The world is far more complicated than you think! A lot of things are out of your control.

"Ah..." Gu Yaoyao took a breath. Think of Li Mengyao's situation, people feel sad.

Gu Yaoyao leaned back in her chair and closed her eyes. Think of a lot of things in the past, will human nature really be wiped out by reality?! If so, it would be terrible!

When Huo yunxun came back, he saw Gu Yaoyao huddled on the sofa and fell asleep.

He walked over quietly and picked her up.

"Ah Xun..."

"Well, go back to your room."

Gu Yaoyao was really tired. She nodded her head and nestled in Huo yunxun's arms.

"Helianmin called me today."

As soon as she finished, Gu Yaoyao felt Huo yunxun's breathing aggravating and her mood changed.

"What did you say?"

"I talked about Li Mengyao and said that he would come to a city in a few days."

Huo yunxun's eyes sank. He Lianmin came to a city with a mission. Now country f has a lot of loopholes because of its economic problems. Before that, the company of Helian family went bankrupt because of Li Mengyao.

Now that helianmin is in power, this source of income must be dealt with!

"Don't think too much about it."

Gu Yaoyao didn't want to think too much, but helianmin obviously said something.

"He also said he would come to visit."

Huo yunxun hummed, which is very brave!

"Ah Xun, can we refuse this?"

"I'll take care of it. You can just do your job well. "

Gu Yaoyao was relieved a lot. Huo yunxun was in front of her, so she was much more relaxed.

But this time, Huo yunxun and Gu Yaoyao did not expect that they could not refuse.

Because helianmin went through official channels. The day before he left, the Ministry of Commerce officially informed Huo yunxun that he would visit as an ambassador, so he must do a good job in reception.

Huo yunxun frowned at the document in his hand. This time, I really understand the brain and know how to work.

[Chapter 794](#)

Seeing that Huo yunxun didn't speak for a while, ah Jin called him in a low voice.

"Young master..."

"Just follow the itinerary above." Huo yunxun hands the document to a Jin.

Ah Jin nodded, but still hesitated to ask if there was any problem?

"Do you have anything else to ask?"

"Young master, don't you worry about cheating?"

Huo yunxun did not have any expression on his face, as usual. "Cheat? Then we can't be turned away from him. Since you are coming, let it be. "

A Jin understands that the truth is like this, but he Lianmin expressed in public that he is a fan of the young lady. This time he also mentioned that he would visit the house, so he was worried that there was something wrong with it.

"I'm afraid he has something else to do with the young lady."

After that, Jin noticed that Huo yunxun's expression had changed. As expected, Gu Yaoyao is the root of his mood change.

Huo yunxun's face sank and his eyes were full of ferocity, which was also a kind of absolutely uncompromising look.

"By him?" The sound was several degrees colder than before.

Ah Jin shut his mouth and didn't dare to say a word.

Huo yunxun waved ah Jin out. He didn't want to talk about this issue. But he had to be on guard against him. Li Mengyao used to look down on him, so he ended up like that.

After that, Huo yunxun received a phone call from Huo Dongyang and asked about the reception work of helianmin.

Huo yunxun said that he has already started to prepare, so there will be no problems.

"A little more. It's said that helianmin is going to visit the house? "

"Yes, he told Yao Yao."

Huo Dongyang thought for a moment, and then he spoke after a few seconds of silence. "Let him come to me."

"Yes." Huo yunxun did not refuse, which is also the best choice.

"You and Yao Yao will come back early that day. This etiquette can't be ignored."

"OK, I'll talk to Yao Yao."

Huo yunxun picked up Gu Yaoyao after work. Today, she was interviewed by a website at the Cyberport near HD.

When he arrived, Huo yunxun saw that for many reporters in front of the building, it seemed that there were big stars coming. So he couldn't get close to the door, so he could only stop at a far distance.

"Here I am."

"Wait a minute. This is over."

"Good."

Huo yunxun sat in the car waiting for Gu Yaoyao, but at this time, the crowd of fans who were just around the door were moving with a car, which must be their idol.

Twenty minutes later, Gu Yaoyao appeared.

"I've kept you waiting."

"It's natural for me to wait for my wife."

Huo yunxun saw that Gu Yaoyao had already sat down, and kindly buckled her seat belt before starting the car.

"There were a lot of people at the door just now."

"Well! A very popular little fresh meat abroad

"Foreigners?"

Gu Yaoyao nods. "To talk about a net synthesizer."

"Come to our side for the show? That doesn't make sense. "

"Or the prospect of our development."

Huo yunxun did not continue to ask, after all, this is not what he is interested in.

Gu Yaoyao looks down at her mobile phone and replies to Zeng Ni's several work arrangements. This found that they are not going back to the Haoting garden, like the direction of Huo's villa.

"Are we going home?"

"Well, dad asked us to go back and talk about the reception of helianmin."

Gu Yaoyao is in a daze. She seems to have forgotten about this matter these days.

"Is his itinerary confirmed?"

"They will be at home after the official visit."

Gu Yaoyao listened attentively to Huo yunxun's words, and paid attention to some details. Huo yunxun said that he would go home and listen to Huo Dongyang's orders.

Only then did Gu Yaoyao realize that I was so particular about receiving foreign guests. She thought of her attitude on the phone before, but it was not right.

"What are you thinking?"

"It's not right to think about the attitude toward helianmin before."

Huo yunxun laughed. "That's what you should do to him. His identity is there, but in private, he is a stranger

Gu Yaoyao listened to Huo yunxun's words and did not make any comments.

When they got home, Huo Dongyang had prepared dinner for them.

"Eat, eat. After eating, he said Said Jovi.

Qiao Wei took Gu Yaoyao's hand and sat down, "Yao Yao, why are your hands so cold? Are you all right?"

"It's OK."

Huo yunxun heard Qiao Wei's words, put down the work in his hand, and then held her back. The next moment, frown.

Is there something wrong with your body

Huo yunxun is very worried. Gu Yaoyao was injured several times before, but he did not recuperate well after that."No, my hands are like this when it's cool."

"Child, you should pay attention to your health." Qiao Wei's eyes are fixed on Gu Yaoyao, and she is not worried about her body. It won't make any difference if you want to have children later?

Gu Yaoyao nods. "I'll pay attention."

"If you feel cold, put on an extra coat."

"Well!"

Qiao Wei finished thinking about taking Gu Yaoyao to the hospital for a detailed physical examination.

Huo yunxun and Gu Yaoyao are ready to leave after dinner. Qiao Wei pulls Huo yunxun aside while Gu Yaoyao goes to the bathroom.

"Do you and Yao Yao have that one?"

"What?"

"It's the child." Qiao Wei reluctantly said the final result.

Huo yunxun understood Qiao Wei's meaning, "Yao Yao and I are busy, the children's affairs or later."

"Then you should hold on to it! The child should be born while he is young, otherwise it will hurt the woman

Huo yunxun listened to a thoughtful look, but saw Gu Yaoyao appear in his sight, he immediately put his mind away.

"We went back."

Joe nodded. "Be careful when you go back."

"Mom, we're going. Come back in a few days. "

Qiao micro smile, "OK! Come more when you have time, and now your father and I are left at home. "

Huo yunxun takes Gu Yaoyao's hand and walks out of the house. He just sees Huo yunnuan's car stop.

Huo yunxun and Gu Yaoyao stop at the same time, only to see Ji Haonan holding Huo yunnuan out of the car. Seeing Huo yunnuan's appearance is obviously drunk.

Ji Haonan takes a look at Huo yunxun and directly supports Huo yunnuan into the door.

"Shall we go in and have a look?" Gu Yaoyao asked in a low voice.

Ji Haonan and Huo yunnuan have broken up? How can two people appear together? What the hell is going on here?

Huo yunxun was silent for a moment, "let them go."

Gu Yaoyao takes Huo yunxun's hand. "Why don't you go in and have a look?"

"Don't mind that much. It's easy to get tired."

"But xiaonuan is not an outsider. Let's go in and have a look. Don't you want to know how Ji Haonan appeared? "

Huo yunxun takes Gu Yaoyao and has no way, so she pulls her into the room again.

Just entered the door to hear Huo Yun warm cry, mouth has been scolding: "you go away, I don't want to see you!"

[Chapter 796](#)

Gu Yaoyao saw that Huo yunnuan had fallen into her own world. She did not call her, but left her time.

Huo yunnuan does not want to deny that she still loves Ji Haonan. Over the past few years, it's going to take time to fix it. She thought that she could quickly put down and forget, but when Ji Haonan appeared with the woman, all the camouflage of the strong had already disappeared.

"Sister in law, do you think I'm bad?"

"No. You've always been your real self in my eyes. It's just that when we encounter emotional problems, we always have some persistence. "

Huo yunnuan thought for a while, or nodded. It's true.

"If you can't forget, then don't forget, just bury this feeling in your heart."

Huo Yun warm smile. "Thank you, sister-in-law."

After Gu Yaoyao went downstairs, three pairs of eyes fell on her.

"Little warm sleep."

"Is there anything wrong?"

Gu Yaoyao saw Qiao Wei's nervous appearance and shook her head. "No. Let her have a good sleep, and tomorrow will be fine. "

Hearing Gu Yaoyao's words, Qiao Wei is also relieved. It's OK. She this daughter, oneself is unable to handle, fortunately now has Gu Yaoyao, otherwise, really did not know how to do well.

Seeing Huo yunxun and Gu Yaoyao going, Qiao Wei asked them to stay.

"No, Yao Yao still has work tomorrow. Go quickly from Haoting garden."

Huo Dongyang stepped forward and pressed Qiao Wei. "The children are busy. Xiaonuan will be OK."

On the way back, Gu Yaoyao told Huo yunxun about Huo yunxun.

"Ji Haonan will not let go."

"So you think they should be together?"

"There are other factors in it, but it depends on their own nature."

Gu Yaoyao felt that Huo yunxun's expression was a little serious when he said this, and there should be something he didn't know.

"Since they still love each other, why not help them?"

"It's not that easy. It's a problem for both families."

Gu Yaoyao frowns. Marriage is a matter of the two families. And she's going to have one less worry. Think of Gu Zhenhai's birthday has passed, Zhao Huan and Gu Ruo if no further action, some strange!

And the news of her marriage with Huo yunxun has come out. They should be furious. They are still so quiet. They are not used to it.

"Think of home care?"

"Why do you know everything? It seems that my hiding ability is not good. " Gu Yaoyao laughed unnaturally. She did not want to increase the burden of Huo yunxun.

Huo yunxun doted on Gu Yaoyao and said, "you are willing to open your mind in front of me. I'm happy!
"

Gu Yaoyao laughs. Every time I hear Huo yunxun say such a thing, I feel sweet!

"Yao Yao, I will protect you. So you must tell me something. "

"Good!" Gu Yaoyao nods.

"If you promise, you have to take action, or there will be punishment."

Gu Yaoyao laughed directly, as if he felt that Huo yunxun was not the same as before. Now, he would occasionally play jokes.

"What punishment is that?"

Huo yunxun gave Gu Yaoyao a meaningful look and let her experience and understand.

After receiving Huo yunxun's meaning, Gu Yaoyao turned her head to the other side and didn't want to continue talking with Huo yunxun.

"What? That's a problem? "

"I don't dare, but suddenly I feel that your punishment will be improper."

Huo yunxun couldn't laugh or cry when he heard this answer.

"I think too much."

"Will you?" Gu Yaoyao put her head close to Huo yunxun, trying to find some clues in his eyes.

Huo yunxun feels Gu Yaoyao approaching, and he clenches the steering wheel. "Sit down! I'm still driving. "

"So you're being carried away by me?"

"Sit down!"

Gu Yaoyao immediately sat down like a good baby, but some of her mouth was smiling.

Huo yunxun actually wanted to talk about the child, but because Gu Yaoyao suddenly approached, he stopped. He doesn't want to put pressure on Gu Yaoyao. And they are still young, and the children will talk about it in a few years.

Gu Yaoyao is secretly happy, because this time he finally won. It turns out that winning Huo yunxun is such a wonderful thing. She will do it whenever there is a good chance in the future.

Both of them had their own worries, but they didn't say anything.

It will soon be the day of helianmin's visit.

On this day, Gu Yaoyao pushed all her work away, and then met helianmin with Huo family.

Because it is a private trip, he Lianmin only took a few people, other entourage and reporters are not allowed to follow.

He Lianmin stood at the door of Huo's villa, and his mouth rose slightly. I didn't have a chance to see last time, but this time I can see everything in HD Huo Dongyang's home."Lord Helian!"

"Don't be so restrained, just treat me as an ordinary guest."

Huo Dongyang kept a polite smile. "It doesn't seem to conform to etiquette. Since Lord Helian took the official way, we Huo family should not neglect it. Come in, please

He Lianmin nodded and his eyes fell on Gu Yaoyao.

He went straight to Gu Yaoyao, "Yao Yao, we meet again."

Gu Yaoyao nods. "Welcome Lord herring to our house."

When he heard this, he raised his eyebrows, but his mood soon recovered.

"You and I are even more welcome. You are my benefactor. I'm bringing you a present this time. I'll bring it to you later! "

"Your honor is very kind."

Regardless of other people's gaze, helianmin lowered his head in Gu Yaoyao's ear and said, "Yao Yao, if only I could talk to you alone. Unfortunately, they won't agree. So I'll have a surprise ready for you, and you'll know tomorrow. "

Gu Yaoyao really doesn't know what helianmin wants to do. It's a gift and a surprise?!

Huo yunxun black face the whole process, he went forward to pull Gu Yaoyao to his side. He Lianmin, who is engaged in affairs, has a cool look in his eyes.

"Lord Helian, come in

This is the less jealous smile on Holly's face? In fact, we are quite similar, that is, we have the same taste and look at people. "

Huo yunxun pulled Gu Yaoyao back, but there was no response.

"Come in, my Lord." Huo Dongyang opens his mouth.

Helianmin nodded. "Feiyun brings me in the gift ready."

"Yes

Walking into the villa, helianmin was surprised. I didn't expect that Huo Dongyang's home would be so simple, just like ordinary people. It's not the same as I thought.

"I didn't expect Mr. Huo's home to be like this."

"This is strange?"

He Lianmin nodded. He thought Huo Dongyang's home must be resplendent, but he didn't want to be so grounded. It doesn't seem to match their identity. It's such a time. Some of the decorations are old.

"This is the feeling of home!"

[Chapter 797](#)

He Lianmin heard another meaning from this sentence. Huo Dongyang seems to be telling himself some other things.

"Well, ground gas."

Huo Dongyang nodded, "this is how to live comfortably."

He Lianmin walked to the sofa yesterday and said, "everybody sit down."

Huo Dongyang personally makes tea with helianmin, and also takes out the best tea in the family.

"As expected, Mr. Huo likes to drink tea, as the outside world says."

Huo Dongyang said while making tea: "it's also because my wife, when you and I were so young, liked coffee. Now it's different. When people get old, they want to keep fit and drink more tea. "

He even blew his cup and put it in front of his eyes.

"My grandfather likes tea, too."

"If general Helian likes tea, he can take some back with him."

He Lianmin was not polite this time, and said directly, "I'm not polite either."

"Try it."

Helian took a sip. The tea was fragrant and sweet. It was really a good tea!

Huo yunxun has been sitting in silence, never saying a word. Qiao Wei and Gu Yaoyao prepare tea in the kitchen.

Having not seen Gu Yaoyao for a long time, he Lianmin began to ask, "Mr. Huo, can't the ladies of your family come out to receive them?"

"No, they have tea in the kitchen."

"I've heard that women in the past can't come out to see guests. They want to hide in their rooms."

Huo Dongyang smiles. "You know history well. But there is no such tradition in my family. "

"That's right. Men and women should be equal." He Lianmin said this to Huo yunxun, with provocation in his eyes.

Huo yunxun ignored the fearless provocation of helianmin, and the whole person was indifferent. This expression and movement disappeared when Gu Yaoyao appeared.

Huo yunxun comes forward to take the tray in Gu Yaoyao's hand. Gu Yaoyao shows a sweet smile to Huo yunxun.

Such a picture makes helianmin feel envious and envious. If he could have such a woman, it would be very good!

"This is tea for Lord Helene." Said Jovi.

Looking at the delicate refreshments on the table, he could not help but feel that he wanted to have a try.

"What is this?"

"This is mung bean cake."

He Lianmin bit, sweet but not greasy, "delicious."

"These refreshments are from a century old shop in a city, and they have just been delivered in the morning."

Thank you

Gu Yaoyao sat down beside Huo yunxun and took a sip of her tea cup. This kind of tea with this kind of tea is really good.

Seeing Gu Yaoyao can't reach the walnut crisp in front of her, helianmin picks up one and hands it to her.

"Yao Yao, here you are."

Now the atmosphere solidifies.

Gu Yaoyao is in a dilemma. Do you want to take it or not?! What's more, helianmin is in a kind of state that you will spend so much time if you don't pick me up.

Huo yunxun reached out and took it from helianmin's hand, "thank you!"

In this way, Gu Yaoyao took over from Huo yunxun again, "thank you, Lord Helian."

He Lianmin didn't get angry because of Huo yunxun's action, but kept smiling. "You're welcome."

In order not to let the atmosphere stagnate, helianmin is to say the theme of this visit.

He just hopes HD can re open the market of country F. Now because of Li Mengyao's heavy attack, the Helian family can't maintain the source of funds as in the past in a short time.

"If Mr. Huo and Mr. Huo Shao have no opinion, I can give you more of the management right!"

"Lord Helene, is that what his majesty means? Or do you mean it yourself

This time, helianmin made all the preparations, and then he took out the power of attorney written by the king himself.

"We are serious about cooperation! The present state of F is in danger. If we continue to be complacent, we will suffer in the end. "

"But my Lord, we did it for the sake of the princess."

This is very clear to him. What Huo Dongyang said is nothing more than trying to push back.

"The princess thing is over, now we can sign a new contract. Before Li Mengyao was eager to ask for credit, so he destroyed the credibility of the two cooperation. No such thing will happen this time. I

think Mr. Huo also knows that Li Mengyao is the one who makes trouble behind HD. I'm really sorry to have hurt Huo Shao

He Lianmin's words are informative.

"We don't talk about the past."

He Lianmin nodded, "yes, not about the past, only about the future. I don't think Mr. Huo will give up the door-to-door business, will he? "

"I just like to play cards out of order."

Helianmin burst into laughter. "Of course! And I am. "Huo Dongyang did not immediately agree, but found a excuse. "I need to communicate with the headquarters."

"Yes, then I'll wait for the good news."

Helianmin did not stay for a long time, so he left after finishing his work.

But looking at the big and small presents in the living room, I really don't know how to arrange them.

"Our names are all on it." Said Jovi, pointing to the gift boxes.

Gu Yaoyao sees the file bag handed over by Qiao Wei. "This is for you."

Gu Yaoyao opened a look, this is the house property certificate of a villa in country F. Her whole person is frozen, helianmin this is to want to jump into the Yellow River also can't wash clear.

"Ah Xun, this..."

Huo yunxun took over, looked at a few, "let people send back tomorrow."

He Lianmin's behavior of sending a house to Gu Yaoyao directly made Huo yunxun's face black.

"He Lianmin is so generous this time. He has everything."

Huo yunxun snorted discontentedly. He Lianmin wants to snatch Gu Yaoyao from his own hands, which is quite blatant!

The next day, the surprise that helianmin said came.

As soon as Gu Yaoyao finished recording a variety show, he saw someone pulling up banners and light signs at the door of the TV station.

"Yao Yao!"

Gu Yaoyao is very grateful to have so many people to support her, she gently waved: "thank you all!"

"Yao Yao, look up there."

Gu Yaoyao raised her head and looked into the sky when a hot-air balloon flew over. It's a long slogan for help.

"Yao Yao, come on! You are the best

Gu Yaoyao was moved to say thank you to all the people present for spending so much time preparing for this.

Then someone holding a bunch of blue enchantress to Gu Yaoyao, "Yao Yao, these are the boss prepared for you."

"Boss?"

"Yes! HL。 "

Gu Yaoyao suddenly realized that it was all prepared by helianmin, which was also a surprise he said.

"Yao Yao, if you're not married, we'd like you to be with the boss. Because he is so supportive of you
Gu Yaoyao looks at the blue enchantress in front of her. "Is this what he prepared?"

"Yes. The boss can't be there, so we'll take his place

"Please tell him thank you later."

"Good!"

[Chapter 798](#)

Gu Yaoyao looks at the blue enchantress in her hand and frowns.

Does this flower have any other meaning?

Heart feel wrong, Gu Yaoyao quickly open the mobile phone to check.

The flower language of blue enchantress is pure love and sincere kindness. Single branch blue enchantress, flower language: keeping each other is a kind of promise, in the reincarnation of the world, how can we have a gentle affection! Three blue enchantress, flower language: you are my deepest love, hope to always remember our beautiful love story! Meeting is a kind of destiny. The intersection of our hearts makes us have endless romantic feelings

What's the meaning of this big bundle sent by Helian?!

After seeing this, Gu Yaoyao is thinking of dealing with it. It's impossible to take it back, but it can't be left here.

"Sister." Turning around, Gu Yaoyao went to find Zeng Ni.

Finally, Zeng Ni took the bouquet and Gu Yaoyao went home.

But the news on the Internet has come out, all the items of fans' support are listed one by one. Including the blue enchantress Gu Yaoyao received. Although they are fans, the flowers are usually sent between lovers and couples.

This fan doesn't want to tell Gu Yaoyao?! If so, it is to pry the corner of Huo yunxun. He is really brave.

Huo yunxun saw this news when he searched Weibo. When his face sank, he Lianmin's courage was plump!

"Young master, we should go back."

"Where is the young lady?"

"Zenny said she was on her way home."

Huo yunxun put down his mobile phone and told ah Jin directly. "Give me the news on the Internet."

"Yes

Huo yunxun drove back to Haoting garden by himself. On the way, he stopped a flower shop.

"What can I do for you, sir?"

"I'm going to send my wife a bunch of flowers." Huo yunxun explained his intention directly. He paid little attention to these things, so he didn't know how to choose them.

The shop assistant laughed. "Now, except for the little lovers, few people will send flowers to their wives."

"Match it for me. Money is not a problem."

As soon as the clerk's eyes brightened, he said with a smile, "don't worry, we will make it beautiful."

Thank you

Huo yunxun stood on the side waiting, only a few shop assistants began to package the selected flowers.

"What color does your wife like, sir?"

Huo yunxun thought about it. "Pink."

Women seem to like this color.

"Madame must be beautiful."

"Well, it's really beautiful." Huo yunxun said confidently.

Huo yunxun looked at the flowers have been finished, this is a red rose.

"Do you have a blue witch?"

"This one is a special order, usually very few. And the price is not low. "

Huo yunxun didn't expect that Helian min had sent such a bunch of flowers.

After paying, Huo yunxun drove home.

When he got home, Huo yunxun found that Gu Yaoyao was already busy in the kitchen.

He walked into the room with flowers in his arms, thinking of giving Gu Yaoyao a surprise later. And the weight of this flower is not light, it should be put down first.

Gu Yaoyao walks out of the kitchen and sees Huo yunxun's coat on the sofa.

"Ah hoon, are you back?"

Huo yunxun's voice soon came, "yes, I come back, change a suit and come out."

Gu Yaoyao smile, "no hurry, I don't have a good meal here."

"I'll take the rest."

In less than two minutes, Huo yunxun came out.

He took over Gu Yaoyao's things on his own initiative, "I'll come and you'll have a rest."

Gu Yaoyao kept smiling all the time. She didn't argue with Huo yunxun. She nodded happily. "Good!"

Only when Gu Yaoyao went back to her room to take a bath in the evening, did she see a big bunch of flowers on the window, which was bigger than that sent by helianmin. She walked over quickly.

Reach out and hold the bouquet. It's heavy! All of them are red roses. They are gorgeous and beautiful.

"Do you like it?"

Gu Yaoyao looked back at Huo yunxun standing at the door with flowers in her arms. She said with a smile, "I like it very much."

Huo yunxun stepped forward, "do you like it from me or from Helian?"

"My husband, of course! And I let sister Zeng take the flower away

Huo yunxun nodded with satisfaction. "You know."

"When can't I get it? You are my husband

This sentence completely pleased Huo yunxun, so all the anger in the afternoon disappeared.

Looking at Gu Yaoyao so happy, Huo yunxun's mouth also slightly up.

"By the way, the studio will officially open tomorrow."

Huo yunxun knew that, "do you need me to cut the ribbon?"

"It's not so grand. I just want to tell you." Huo yunxun touches Gu Yaoyao's head. "Congratulations on being the boss."

Gu Yaoyao nodded with pride, "of course! But I've spent all my savings. "

Huo yunxun gently rubs Gu Yaoyao's hair. "Money can be earned again when it is used."

"By your word."

The next day.

Gu Yaoyao's personal studio was officially put on the market, and many of the stars who have cooperated with each other have sent flower baskets of blessing.

Gu Yaoyao, dressed in professional clothes today, is in the office discussing with Zeng Ni about the next few days.

At this time, a scream came out of the door and interrupted Gu Yaoyao and Zeng Ni directly.

"I'll go out and have a look." Zenny got up first.

At the door of the studio, the rain of petals suddenly falls all over the sky. The scene is romantic enough.

Zenny watched several small helicopters hanging in mid air, petals falling from the plane.

Who is so big? This is a lot of money.

Huo yunxun didn't make any arrangements today. Zeng Ni knew that, and Gu Yaoyao didn't want to spend too much on Huo yunxun's reputation, so everything was low-key.

But in front of such a battle, really can not keep a low profile.

Zeng Ni looked at it for a few seconds, and then she was ready to go back to the studio and continue the discussion with Gu Yaoyao. Before the steps were stepped out, a group of people came out.

Less than a few seconds later, the dragon and lion dances began. Zeng Ni frowned.

Who would prepare such a traditional custom? Their small studio should not.

After a wonderful performance, someone came forward and handed zenny an envelope.

With doubt, zenny opened the envelope, which was a ten million check.

"I've seen a red envelope, but I haven't seen an envelope called a check and an eight digit check."

Zenny was completely stunned. She flipped the envelope several times and there was only one check.

Gu Yaoyao frowned when she saw the check on the table.

"Guess who it is?"

Gu Yaoyao has such a candidate in her heart, that is helianmin. Before, Huo yunxun asked a Jin to return the villa to him. However, there has been no news from helianmin. Yesterday's surprise and today's check show what the purpose of helianmin is!

"Yao Yao."

"Well?"

"What do you think?"

Gu Yaoyao's eyes fell on the check, "this should be sent back."

"Do you know who it is?"

Gu Yaoyao has not come to remember to answer, the mobile phone rings.

Although this number has not been saved, Gu Yaoyao remembers it.

"Hello

"Hello, my dear Yao Yao."

Gu Yao Yao didn't like helianmin, "who is your dear?"

"I didn't say that. You said it yourself." Helianmin said with a smile, "how about yesterday and today's surprise?"

[Chapter 799](#)

"I'll withdraw the check."

Gu Yaoyao's attitude is very firm, she really does not want to have too much contact with helianmin.

"Yao and Yao are not in a hurry to do this. I really want to help you this time. "

"No need."

Seeing Gu Yaoyao like a stubborn donkey, He Lian min then said, "Huo yunxun, return your house. But you are my Savior, how can I repay you. Even if I am a shareholder, you can use this money to do something you need. "

"You'll make excuses."

"Yao Yao, why do you think so much?" He Lianmin added. "People should not always set restrictions and ideological burdens on themselves. It will be very tiring! "

Gu Yaoyao frowned. She did not refute helianmin's words, because he was right.

Sometimes, people like to be in a safe area and gradually forget their fighting spirit. Everyone's situation is not the same, but the shackles of thinking are often added to themselves.

He Lianmin's voice came again, "Yao Yao, I like you! I'm not afraid to admit that. I also know that you are trying to avoid suspicion and do not want to contact me more. But what's the point of what you do? Are you afraid you can't control me like me? Or don't want to make Huo yunxun sad? "

"Neither."

"No, all of them." He Lianmin uncovers Gu Yaoyao's inner entanglement mercilessly.

Gu Yaoyao did not expect that in addition to Huo yunxun, there would be another person to see his mind.

"Ten million you take it. No matter what you do with it, I will not react. "

When Gu Yaoyao wanted to speak, he Lianmin had already hung up.

Zeng Ni looked at Gu Yaoyao and worried. "Yao Yao, who was it just now?"

"Herrenmin."

Zeng Ni's eyes stare round, as if also a face of confusion, this how to return a responsibility? How many meanings does helianmin mean.

"Take the money."

"Really? Does Huo Shao need an explanation? "

Gu Yaoyao doesn't want Huo yunxun to hear these rumors from other people's mouths.

"Not for the time being. Now that the matter has been settled, there is no need to say more about it. " Gu Yaoyao was more inclined to talk with Huo yunxun alone.

Zeng Ni can only nod, Gu Yaoyao is her boss now, and Huo yunxun is the boss of a city. Zeng Ni has a contradiction in her heart. If she reports it, she will not be Gu Yaoyao's Betrayer. If she doesn't, she will be sorry for Huo yunxun.

In a dilemma!

Zeng Ni thought for a long time, and then reported to Huo yunxun.

"I'm very open-minded. Let him go."

"Yao Yao was also discussing whether to invite helianmin to dinner. After all, he helped us."

"No way!" Huo yunxun didn't think about it and hung up the phone.

Zeng Ni just remembered to remind Gu Yaoyao of the check. As she was getting familiar with the business, Gu Yaoyao didn't have to remind her.

"This time I'm not affectation, you sign for it instead."

"Do you accept it?"

Gu Yaoyao nodded, "why don't you want the money to deliver to the door, and we can use it very well."

Then zenny came to her senses. "I'll take care of it."

"Go

Zenny took a ten million check to transfer money to the bank.

This 10 million is really timely, she may be able to win a novel IP copyright.

Since the establishment of the studio, Gu Yaoyao's focus has almost been on her own work, and almost no interviews and TV dramas have been accepted! I'm all over the studio.

Huo yunxun has a problem with this. He always thinks that Gu Yaoyao is busier than herself and has time to sleep. This is also the basic reason why he is tired. Huo yunxun is really worried that Gu Yaoyao's body can't hold on.

Gu Yaoyao came back from the studio and saw Huo yunxun standing on the road waiting for him from a distance.

Gu Yaoyao was instantly revived with blood, and her spirit and energy came.

"Ah Hoon!"

Huo yunxun watched Gu Yaoyao fly over. He opened his arms and waited for Gu Yaoyao to dive into his arms.

Gu Yaoyao is holding Huo yunxun with a smile on her face.

"Looks like the good news today?"

"Well, the IP copyright of that novel should be discussed."

Huo yunxun helps Gu Yaoyao to arrange her hair. "It's great."

"When I have the ability, I can choose my own actors."

Huo yunxun encouraged him and said, "it's good to have an idea! Take your time. "

"Well!"

Huo yunxun hugged Gu Yaoyao and walked forward, "go back."

Through Gu Yaoyao's efforts, the copyright is really discussed. If you want to start shooting, you can find a company to cooperate, which is a troublesome thing at present. It must be very difficult with your personal connections.

Gu Yaoyao can only find Xia Yunzhe. He must have known many people in this circle for so long. After listening to Gu Yaoyao's appeal, Xia Yunzhe touched his chin and said, "is that why you haven't accepted any work recently?"

"Well!"

"So fast in transition?"

Gu Yaoyao nodded, and the idea was made public with Huo yunxun. In this way, Huo yunxun and her name will not appear in the headlines of entertainment news so much, and she can be free in the future.

Xia Yunzhe can see her thoughts from Gu Yaoyao's eyes.

"For Huo yunxun?"

"Half and half."

"Come on. This is clearly for Huo yunxun. "

Gu Yao Yao did not deny, "Brother Yun Zhe, you can help me think of a way."

"It's hard. Capital investment is a big problem. Unless Huo Shao is willing to invest, who is willing to take the risk with your newly established small studio? This IP needs to be changed by a screenwriter. What about the production team? Director and actor? All of these need to be considered in the long run. It's not that simple! "

Xia Yunzhe's words were a blow to Gu Yaoyao.

"Zhe, don't pour cold water on it. Didn't you see that Yao Yao was already working hard?"

"I'm just saying the truth. You women always think things are easy. "

This caused Zhou Xiao's dissatisfaction. "We think simple? That's how we want to believe that things will always come to a good end. "

"Well, well, I can't tell you!"

"Then help Yao Yao find a way."

Xia Yunzhe sighs. Zhou Xiao is standing by Gu Yaoyao, so he has to think about it.

"I can invest in a part of it, and we play the role ourselves, so that we can reduce the cost. But the director must be good, this money can not be saved, and make-up clothes, etc., this amount is quite a lot. I don't want to get paid. If I can make money, we'll do it again. "

"Count me in." Zhou Xiao raised her hand.

Gu Yaoyao was very moved, "thank you!"

"Gu Yaoyao, you have to do a good job this time, but I have taken out my wife's books and belongings."

Zhou Xiao pushed Xia Yunzhe for a moment, "do you have it? I also take out my dowry. "

Gu Yaoyao looks at Xia Yunzhe and Zhou Xiao bickering and smiles. They are good friends. In their own difficulties, they extended a helping hand. So she can't live up to their support.

Thank you

[Chapter 800](#)

Soon, news came out on the Internet. Gu Yaoyao, together with Xia Yunzhe and Zhou Xiao, plans to invest in an IP adaptation of an online novel.

As soon as the news came out, it soon attracted great attention. After all, the relationship between the three of them was put here, and the popularity and hot spots were all there. If we cooperate again, there will certainly be a lot of people's attention.

Gu Yaoyao saw the heated discussion on the Internet, so she relaxed a little.

"Yao Yao, director Lu Yichuan will call you."

Gu Yaoyao immediately took Zeng Ni's mobile phone, "director, long time no see!"

"Yes, Granny Huo."

"Don't call me that. I'm not used to it."

Lu Yichuan laughed at the other end of the phone. "Have you changed everything?"

There are only three chapters. When I know you're going to prepare the show, I'll do it. "

Gu Yaoyao is even more confused. "Have you been paying attention?"

"Well, before I was you and Xia Yunzhe's CP powder."

Gu Yaoyao looks at Ruian unexpectedly, "is it?"

"Yes! So I recommended myself

"But why did you contact ah Xun?"

Ryan has a meaningful smile. "There are some origins. I'll talk to you later

Gu Yaoyao did not immediately reply to Ruian, but took back the contents of several chapters she had changed.

"I have something else to do this afternoon. I'll get back to you."

"Good."

Seeing Gu Yaoyao standing up, Ruian stops her. "Sister, you are more beautiful than on TV."

"Thank you."

After Gu Yaoyao left, Ruian took off her hat and glasses and grabbed her brown hair with her hand. It was a face somewhat similar to Gu Yaoyao, the only difference was the color of her eyes.

Ryan took out his cell phone and made a call.

"Mom, I saw her."

"Well, I know. Don't worry."

After a few words, Ryan put on his camouflage again, then packed up his things and left.

After a few weeks of revision, Gu Rui'an and Xia Rui'an thought the contents were good.

"This new man has a lot of potential. Huo Shao is sure to choose people. Let her come! Since it's an adventure, let's play bigger. "

Zhou Xiao patted Xia Yunzhe on the shoulder. "See what you say. I always think we will succeed. "

Gu Yaoyao didn't think too much, just wanted to do it well. The rest will be handed over to the audience.

That night, Gu Yaoyao called Ruian and asked her studio to talk about cooperation.

"I'll see you tomorrow."

"OK, see you tomorrow."

After Ruian put down his mobile phone, he looked at Huo yunxun sitting opposite him.

"Yao Yao's phone number?"

"Yes, my sister asked me to talk about cooperation." Ryan replied.

Huo yunxun had a different understanding of the girl in front of her.

"I didn't expect you to be able."

"It's no joke. I studied this major abroad."

Huo yunxun squints slightly and looks at this face which is somewhat similar to Gu Yaoyao. Although she has not been formally asked about her identity, there are some key points to be seen from this face.

"You came to Yao Yao this time."

"Well!" Ryan nodded.

"When did you start layout?"

Ryan laughed. "Brother in law, you speak as if I were going to do something."

"Is it not for another purpose?"

"The purpose is, but absolutely positive. Don't worry about that! I won't hurt my sister. " Ryan replied.
