

Warm Wife 81

[Chapter 81](#)

Yunzhou sat down on one side and always felt that they had a lot of internal and external troubles.

When Yun Yiming looks at his father's helpless appearance, he is not happy.

"Dad, I really can't find out about this William?"

"Yes, a mysterious man." Yunzhou shook his head.

Yun Yiming holds his hand, and now it seems to be against them. Maybe in the future, Yunshi will be squeezed out by this man.

This is absolutely not possible. He managed to climb to this position. There must be no mistakes.

"Dad, I heard that William will be at the signing ceremony tomorrow."

Yunzhou's eyes flashed, "will he go tomorrow?"

"The grapevine." Yun Yiming replied. "It should be possible!"

"If so, then we really need to see it."

Yun Yiming nodded. He really wanted to see who William was going to?

The next morning.

The alarm clock of the mobile phone rings, and Qiao Wei reaches out to press it off.

"Do you want to get up?" Huo Dongyang's voice came from his ear.

Qiao Wei looked back at Huo Dongyang. "Today is the signing ceremony. Although I don't have to go to the scene, the follow-up work will start."

Huo Dongyang stretched out his hand and pinched Qiao Wei's nose, "just like working so much?"

"Because I work hard." Joe said with a smile.

Huo Dongyang chuckled, "then I'll get up."

"You can sleep more if you're OK." Replied Jovi.

"How can I sleep without you?" Huo Dongyang said naturally, "I still like to sleep with you."

Qiao Wei's head immediately brain repair a pile of limited level pictures, her face rubbed to the ground, immediately dyed red.

These days, she and Huo Dongyang seem to have no control, do it again and again! She did not think that she was such a person, eager to roll sheets with him.

"What are you thinking?" Huo Dongyang asked.

Qiao Wei regained consciousness and immediately saw Huo Dongyang's enlarged face. "I..."

"What are you?" Huo Dongyang chuckles. As soon as I met her, I couldn't help laughing.

Qiao slightly shook his head, just to avoid, but Huo Dongyang that lightning speed grab the lip.

Two people directly came to a very warm good morning kiss!

Huo Dongyang still wanted to let go of Qiao Wei, "there is progress! I'll make it up for the rest of the night. "

"Oh Joe ran into the bathroom with a reddish face.

Huo Dongyang saw her action and chuckled.

After Qiao Wei went to work, Xiang Qing also came to meet Huo Dongyang.

"Boss, we can also set out here."

Huo Dongyang nodded and tied his tie as he walked.

Today's Huo Dongyang is wearing a dark blue suit, and his aura is not the same as usual.

Qin Hao and John arrived at the scene early in the morning, and they were dressed very formally today. After all, when the boss comes, we can't be careless.

"Boss, are you really ready to show up today?" John asked.

Qin Hao nods. "Yes."

"Then there will be no mystery? It's not fun at all! " John complained. He still thought that the boss would continue to play hide and seek, and now he is playing openly, which is really not exciting at all.

Qin Hao smiles. "How do I think our boss is still playing deep today?"

After a while, the developers and the organizers all came. This time, many people came. They should have heard the hearsay, in order to see the legendary HD's mysterious boss.

"Mr. Qin, the president of William has not arrived yet?" Sure enough, someone began to ask.

Qin Hao smiles. "My president's whereabouts are uncertain, and I don't know if he will come."

"Mr. Qin is really joking."

"I mean it." Qin Hao looks serious.

"If the president is so busy, his whereabouts are really uncertain."

Qin Hao nods. "We seldom see him."

Someone came to remind them that it's time to sign the contract and ask them to be in place.

Qin Hao and John tidy up their appearance and follow the troops into the meeting hall.

After a while, there was a commotion at the door. Everyone thought it was the legendary president of HD. As a result, everyone was looking forward to it, and some even stood up.

If you can get the favor of this CEO, maybe you will be full of vitality.

When everyone was in high spirits, he went into the meeting hall and said Yunzhou and Yunyiming.

When seeing the visitors, some people sigh impolitely and feel sorry that they are not the people they are looking forward to.

In the face of the cold reception of the people present, Yun Yiming's heart is angry. Who in this group used to be around Yun's family, but now they are all at the helm. Yunzhou pulls down Yun Yiming and reminds him to pay attention to manners and occasions. After all, there are many people here.

They went straight to Qin Hao. "Today we come to congratulate on behalf of Mr. Yun!"

"Mr. Yun is so polite. We are new comers. Please give us more advice in the future

"Manager Qin is very serious. Now everything is about win-win! "

Qin Hao nodded. It turned out that this time he had come to warn himself. He was polite on the surface, but despised the father and son in front of him.

Yun Yiming accidentally sees John standing by. "Why are you here?"

John smiles at Yun Yiming. "Mr. Yun has a good memory. He remembers me!"

"You can speak Chinese!" Yun Yiming exclaimed. Who on earth is this man? He is standing with Qin Hao.

John nodded. "Come here to work. Learn how to do it!"

Yunzhou is puzzled and asks Yunyiming what's going on. After learning the truth, Yunzhou also looked at John in shock.

"This is..."

Qin Hao responded, "I forgot to introduce. This is John, the legal adviser of HD headquarters and vice president of HD! "

Hearing Qin Hao's introduction, Yun Yiming feels that he has been slapped. This looks not very serious person, actually is HD vice president?

So he is the president in the grapevine today? I didn't expect him to be so big!

John smiles at Yun Yiming, but his eyes are provocative.

"John, let's sit down!"

The signing ceremony started on time, and Qin Hao signed the contract as the person in charge. Later, the two sides also took photos.

Sitting under the stage, Mr. and Mr. Yun are trapped by too many unexpected questions.

John is actually the vice president of HD, so why should he be the equity agent of Qiao Wei? Qin Hao seems to be different from the investigation. What's the relationship between him and Huo Dongyang? What's wrong with this?

In their tangled time, two people with a strong aura into the venue.

"Who are these two?"

Hearing the sound, Yunzhou and yunyiming look back at the same time.

However, the next moment, they stood up, face is surprised!

[Chapter 82](#)

The person who walked in was the HD president who was waiting for a long time.

That kind of aura and image immediately made everyone hold their breath.

I saw that man in a very handsome suit, with a steady step forward step by step, even with the halo of the leading role.

With a pair of sunglasses, he walked to Qin Hao and stopped. Seeing him patting Qin Hao on the shoulder, he seemed to have said something hard.

"You really choose to go out." Qin Hao deliberately lowered his voice.

"That's not good?" Huo Dongyang asked.

"You're the boss, you say good is good." Qin Hao of course understands that Huo Dongyang is telling others that the protagonist is always the last one to appear.

Huo Dongyang looked at John and nodded.

"boss!" John's attitude is also very serious, which is quite different from that in peacetime.

Xiang Qing follows Huo Dongyang, who is always paying attention to his surroundings.

This meeting already had a lot of people in order to encircle come over, want to make up with this HD president personally.

"This is the president of HD?"

Qin Hao and John stand on both sides of Huo Dongyang like a Dharma protector, with a serious expression of Xiang Qing behind him.

"Manager Qin, don't you introduce me?"

"Yes, this is our big boss." Qin Hao said with a smile. "William!"

Huo Dongyang politely nodded his head to other people politely, but did not speak.

"Does President William have anything to tell you today?"

John looked at Huo Dongyang and said, "boss's Chinese is not very good."

"Can William say something to us then?" All the onlookers seemed so eager.

Looking at John, he translated for Huo Dongyang. Huo Dongyang then also said in English: "thank you! This bidding is very important for HD, I thank my partners for their efforts"

That with a beautiful sound line and magnetic sound, so that all the women present suddenly become crazy. Such a man is really perfect!

"Will President William stay in city a this time?"

Huo Dongyang shook his head to answer the question.

Although wearing sunglasses, but also can't cover up Huo Dongyang's high beauty. So the focus of attention has shifted from business to private affairs.

"Does President William have a girlfriend?"

Such a question, let everyone quiet down now, everyone is waiting for such an answer.

Qin Hao and John are also looking at gossip, waiting for Huo Dongyang to answer.

Huo Dongyang pretended to hear John's translation, but he was silent all the time. From the angle of his mouth, he seemed to be in a good mood.

"I'm married."

As soon as the words came out, many girls' hearts were broken. It turns out that the God has long been someone else's! They only lick the screen.

After saying that, Huo Dongyang seems to have intentionally or unintentionally seen the cloud family father and son standing outside the crowd.

Yunzhou and yunyiming haven't calmed down until now. At the moment when Huo Dongyang came in, they thought it was a dream! Huo Dongyang is actually the mysterious president of HD.

Although he didn't appear in his most real appearance today, they could still recognize him. The man standing in front of him is Huo Dongyang!

"Dad, what are we going to do now?" Yun Yiming always thinks that Huo Dongyang just saw it on purpose.

"Let's go back now!" Yunzhou replied. Now his head is not clear.

When they were about to leave, the crowd in front of them suddenly separated on both sides, and then came to Huo Dongyang and came to them.

Yun Yiming just came up with a sound, but he was held down by Yunzhou to signal that he should not be impulsive.

"Hello, you two." It's still English.

"Hello!" On the surface, Yunzhou is calm.

Huo Dongyang said a few words to John and then looked at Yunzhou with a smile.

"The boss said we would have dinner together if we had the chance." John translated it directly.

Yun Yiming snorted, with disdain on his face. What a force! When you speak Chinese so smoothly, you pretend that you don't understand it. You have to pretend to translate!

Huo Dongyang has always been very polite. On the contrary, Yun Yiming's attitude seems arrogant to others. The president of other people is so gracious to say hello to him, but he is still holding the airs. What's great about the cloud family? Maybe it will start to go downhill after some time.

Among the crowd, Yunzhou was very clear. This group of people really don't mind too much. Everyone is ready to see the jokes of the cloud family.

Yunzhou had to admire Huo Dongyang's methods and pushed them to the top of the storm once again.

"Yes." Yunzhou still gave a reply. Huo Dongyang nodded and left the scene.

Qin Hao and John follow him to leave. Anyway, the play is finished, so there is no need to stay.

Xiang Qing walked in the end, he glanced at Yunzhou and Yunyiming, and then left.

After getting in the car.

Xiang Qing asked, "boss, where are we going?"

"Go to Qin Hao!" Huo Dongyang replied.

He wanted to see Qiao Wei. Now she should have known her identity. How would she react?

"Good!"

Qiao Wei really did not see the live broadcast, she and Jian LAN have been in the conference room to discuss the next arrangements.

Until Qin Hao's assistant Xiaomi ran in excitedly with his mobile phone, she stopped.

"Wei Jie, originally your boyfriend said our big boss!"

Qiao Wei heard confused, "what?"

Xiaomi saw several times, Huo Dongyang came to the office to pick up Qiao Wei from work, because she was handsome, she also specially remembered.

"Look at this! I don't know the wrong person!" Xiaomi hands the mobile phone to Qiao Wei. "This handsome guy, who came to our office last time."

Qiao Wei took Xiaomi's mobile phone and saw the title of the video "mysterious HD CEO surprise appearance".

See that title, Qiao Wei's mood is also nervous. Big boss really appeared!

Open that video, Qiao Wei's mood also changed from nervous to surprised, although with sunglasses, Qiao Wei still can recognize him. Then saw the figure of Xiang Qing, Qiao Wei was more sure that this is Huo Dongyang.

It's just how could he be there? Qiao Wei's expression became shocked. Hear Qin Hao and John introduce, he is HD big boss!? Is Huo Dongyang the big boss of HD? Is Huo Dongyang William?

Qiao Wei really feels incredible, what is the matter with this?

"Xiaomi, you just said this is our big boss?"

Xiaomi quickly nodded, "yes! Isn't it all said in this video? "

Qiao Wei is still very difficult to accept, Huo Dongyang is actually the big boss behind HD. So he's been hiding his identity, right? What's the reason he did it!

"Qiao Wei!"

Hearing someone calling himself, Joe turned back mechanically. She saw the familiar figure standing at the door of the meeting room.

[Chapter 83](#)

Huo Dongyang stood at the door of the meeting room and saw Qiao Wei's blank appearance.

In my heart, it seems that she has been hit. What does she mean. She's shaken, does that mean?

"Jane LAN, you go out first."

Hearing Huo Dongyang's words, Jian LAN put down her work and went out.

Huo Dongyang quickly locked the door of the meeting room, and he walked towards Qiao Wei.

Qiao Wei saw Huo Dongyang come, she couldn't help but step back, always keeping a distance with Huo Dongyang.

Huo Dongyang saw Qiao Wei's defense, and his brow frowned. Is she trying to alienate herself now?

"Jovi, what's the matter with you?"

Qiao Wei looks a little flustered, she still wants to keep calm. She also thought about Huo Dongyang's identity, really, she thought about a lot. But I didn't expect such a result.

He is actually a big boss of a multinational enterprise, and the person who makes him admire very much. It's just that he's in front of him now, and it's really weird. She needs to calm down now.

Jovi took a deep breath as she sat down in the chair beside her.

Huo Dongyang really does not like the atmosphere, this time he seems to be unable to see her mind clearly.

"Qiao Wei, I..."

"Wait a minute." Qiao Wei felt that she was in a mess, and she couldn't digest everything in front of her.

Huo Dongyang frowned, but he didn't listen to Qiao Wei's words, but went directly to him and pulled Qiao Wei out of the chair.

"You..." Qiao Wei's words did not say, she has been Huo Dongyang circle into the arms.

Qiao Weigang wants to struggle, but Huo Dongyang says in her ear: "many people look outside, give some face."

Listen to Huo Dongyang's words, Qiao Wei peeked out through Huo Dongyang's shoulder secretly, and sure enough, everyone was watching.

Qiao Wei face red, she buried her head in Huo Dongyang's shoulder, dare not look outside.

Huo Dongyang hugs her and turns around. He looks at Qin Hao.

Qin Hao nods and goes to the meeting room. The shutter switch is on.

All of a sudden, Qin Hao looked back at the others. "Go to work separately!"

It's really a bit of a disappointment that such a good-looking drama is not allowed to be good. But no one dared to make a mistake in front of the big boss, so they went back to their positions and sat down.

In the conference room.

Huo Dongyang hugged Qiao Wei, "OK, now no one bothers us. Give me two minutes. "

When Qiao Wei heard Huo Dongyang's words, she raised her head and felt uneasy. "What are you going to say?"

"Jovi, I won't allow you to escape from any problem related to me!" Huo Dongyang used such a tough tone in Qiao Wei for the first time.

Qiao Wei also seems to be stunned by Huo Dongyang. Huo Dongyang, who has been gentle and considerate to himself, has such a side.

"Oh But she answered.

Huo Dongyang raised the corners of her mouth, but fortunately she did not resist in her imagination. "Qiao Wei, what happened between you and me is true. Please don't doubt it."

Qiao Wei looks at Huo Dongyang. He is now the same as usual, and has not changed at all. Is it really the same? His identity is the best proof.

"Dongyang, which is the real you?" Qiao Wei found himself confused.

"I am always real in front of you." Huo Dongyang replied.

Qiao Wei heard such a sentence, it seems to be relieved, just those tangles and contradictions seem to disappear! Now think about it, actually Huo Dongyang and Qin Hao, even John have disclosed, but she herself is not willing to go deep into it. In fact, when John met for the first time, his name was William Huo Dongyang.

Huo Dongyang's words are right, he has never hurt himself, on the contrary, he has been helping himself. Is that really necessary?

Qiao Wei reached out and touched Huo Dongyang's face, "Dongyang, today's facts are too shocking for me, and I suddenly lost my sense of propriety."

Huo Dongyang sighed. "I'd rather you didn't know if you could."

Qiao Wei heard Huo Dongyang's helplessness, "I know you have a hard time, right?"

"Well!" Huo Dongyang hugged Qiao Wei. Suddenly I feel like I can't leave her!

Qiao Wei seems to adjust her mood, but she needs to be clear. "Dongyang, which is your real name or your real identity?"

"To Qiao Wei, I'm just Huo Dongyang, your husband!"

Qiao Wei raised his head and looked at Huo Dongyang. She didn't know why. She just believed him! Who let oneself fall in love with him!

"Dongyang, what can I do! To marry you? " Qiao Wei felt that he really did not deserve his high status.

Huo Dongyang finally showed a smile. "You certainly have that ability! You are my only wife Qiao Wei knew that he was comforting himself, and Huo Dongyang's identity was exposed. There will be more tests between them, and the future road will be more difficult.

"Dongyang, if I insist on not going, will you blame me?"

"I will always be with you!" Huo Dongyang continued.

Qiao Wei also want to continue to say, Huo Dongyang's kiss fell. What if and hypothesis? Only when we go on, can we know the final answer. Now we say that these are all false.

Feeling Huo Dongyang's feelings for himself, Qiao Wei also wants to be strong for him once, no matter how the result is.

After a kiss, Huo Dongyang reached Qiao Wei's forehead. He breathed a little. He was almost out of control just now. Today, he is a little strange!

Qiao Wei feels the change of Huo Dongyang's body, and she dare not move.

After a while, Huo Dongyang released Qiao Wei. "Mrs. Huo, take a day off."

"Where to go?"

"Go home!" Huo Dongyang's voice is hoarse.

Qiao Wei was stunned. She blinked. Go home? What to do?

Huo Dongyang did not wait for Qiao Wei to think, took her hand and rushed out of the meeting room directly.

Xiang Qing see the situation also quickly follow, boss this expression is not right. Can't the lady accept it?

Qin Hao and John also look at each other, boss is not strong, right? It is estimated that the talks with his wife have broken down, so we are ready to use force to solve the problem. The two of them had seen Huo Dongyang's ruthlessness.

Xiang Qing followed to the parking lot, "boss."

"Go back!"

"Oh Huo Dongyang's language is not very good, Xiang Qing dare not neglect.

Qiao Wei was stunned. What happened? Wasn't it just fine?

Huo Dongyang cursed in his heart that he couldn't hold his fire for the first time. Now he urgently needs to go back to put out the fire.

He took a look at Qiao Wei, and he could not help seeing her neck. Is it because of the thought that one day she will leave herself? So you resist? So stimulate desire in the body?

Qiao Wei feels Huo Dongyang holding his strength. He is

Qiao Wei covered the two people's hands with another hand, as if in comfort and Qiao Wei.

Huo Dongyang is easy to calm down. This little woman accidentally ignites again.

He took Qiao Wei into his arms. His voice was so hoarse that he said in a voice that only the two of them could hear: "don't move around, or I can't bear to ask you in the car!"

Qiao Wei's face turned red. It turned out that he was Although a little unkind, Qiao Wei responded and laughed.

[Chapter 84](#)

Back to Jiangwan villa.

Huo Dongyang directly led Qiao Wei back to the room.

As soon as he entered the door of the room, Huo Dongyang pressed Qiao Wei directly on the door and kissed him eagerly.

Qiao Wei reached out to hold Huo Dongyang's waist, or she was afraid that she would be weak.

This time, they seemed to have been burned. Almost every angle of the room was fought by them.

At this time, there was also a shy voice in the bathroom.

Qiao Wei is really can not bear, she opened the mouth panting to lean on Huo Dongyang's shoulder. "Dongyang, I really can't do it!"

Know that Qiao Wei is really tired, she has been cooperating with himself, his heart is also a little guilty.

Huo Dongyang reached out and took Qiao Wei from the washing table and walked her into the bathtub.

Warm hot water, really comfortable. Joe closed his eyes and enjoyed it.

Huo Dongyang smiles at her satisfied expression and feels beautiful in his heart. He even bathed a woman. After washing, I found that the little woman was asleep.

Huo Dongyang picked up the towel next to help Qiao Wei dry, and then carried her to the bed.

Bent over Qiao Wei's forehead to leave a kiss, "you sleep!"

Then he went to the closet and changed. Now he had other things to deal with and opened the door quietly.

Huo Dongyang goes to the control center next door.

Seeing Huo Dongyang come in, Xiang Qinghe stands up to the south.

"Boss!"

"Well!" Huo Dongyang answered. "Connect me to Jason."

Xiang Qing nodded and immediately connected to Jason.

When Huo Dongyang and Jason studied the countermeasures, the cloud family was also popular.

Yun Yiming came back with anger. He was angry at the signing ceremony. As a result, when I returned to the company and saw that Yun Yiyan had already returned to work, I was even more angry!

Yun Yiming suddenly felt that he had been played by his grandfather. Unexpectedly, he easily let Yun Yiyan return to the company. So the efforts I made before are all in vain?

When Fu Qing saw that Yun Yiming came back, he also came to understand the situation.

"Yi Ming, is that HD president Huo Dongyang on TV Fu Qing asked. Although he was wearing sunglasses, people who had contact with Huo Dongyang could see that it was Huo Dongyang.

It's just that I didn't expect that Huo Dongyang is actually the mysterious president behind HD, which is a great disadvantage to them.

"It's him!" Yun Yiming nods. "He's such a good pretender!"

Fu Qing frowned, so she always said that she must be careful. How could Huo Dongyang be unprepared for coming back this time? But he really gave them a big surprise!

Fu Qing now seems to feel that Huo Dongyang said that the property of the cloud family is nothing! It's a far cry from his HD.

"Now, mom, do we?"

Fu Qing is also a little confused. What does Huo Dongyang want?

"I'll think about it!"

Yun Yiming snapped down the sofa angrily, "now this Huo Dongyang is against us everywhere! Do I really want to call him uncle next time I see him

Fu Qing quickly covers Yun Yiming's mouth. "Keep it down!"

Cloud Mu Xin secretly hide in the stairway, this time she is finally listening to the whole thing. It's a big news! This Huo Dongyang is the president behind HD, William? And their uncle? Even if he's still the son of grandfather?!

OMG! This is really a big secret! Grandfather has a son? And it is the excellent man who has become the major media coverage today!

Cloud Mu Xin carefully walked back to her room, this thing she must Digest!

Cloud Mu Xin returns to his room, her computer is still put and Huo Dongyang related video. Where does this man seem to have met? Always give yourself a sense of inexplicable familiarity.

Heart clutters, cloud mu heart pats his thigh. This man is the one who took Qiao Wei home last time! The last time she went to pick up her second brother, she saw him holding hands with Qiao Wei. They were very close.

"Ah Yun Muxin called out.

What is the situation now! Qiao Wei and his second brother divorced, and uncle together?

Yun Muxin grabs his hair, no way! She must find out about it. This is too messy!

At night.

Yun Muxin still went to Yun Yiyan's room. As soon as I entered the door, I saw that Yun Yiyan was still working hard.

"Second brother!"

Yun Yiyan stops. "What's the matter?"

"Did I disturb your work?" Yun Muxin is one of those people who can't hide her worries. She is in urgent need of someone to chat with. Otherwise she must not be able to sleep!

Yun Yiyan looks sad when he sees Yun Muxin. "Something?"

"Well!"

Yun Yiyan stands up and goes to Yun Muxin. "Sit down and say it." "Second brother, do you know about Huo Dongyang?"

"Who is it?" Of course, Yun Yiyan didn't know. He always thought Huo Dongyang was Qin Hao.

Yun Muxin frowned. It seems that the second elder brother doesn't know anything. oh dear! What did she say?

Yun Yiyan looks at quite tangled, and Yun Mu Xin. "What's the matter?"

"Second brother, I overheard a big event today." Cloud Mu Xin says in a low voice. "This Huo Dongyang seems to be grandfather's son, that is, we want to call uncle."

When Yun Yiyan heard this, his eyes widened. "What did you say?"

"It's a big secret!" Yun Mu Xin's expression is also serious. "They all know, only you and I don't know. If I hadn't overheard today, we would have been completely in the dark. "

"Huo Dongyang?" Yun Yiyan repeated the name.

Cloud Mu Xin nodded repeatedly. "So the atmosphere at home is strange recently, because of him! My parents and big brother are worried that my grandfather will leave his property to Huo Dongyang, so they are very dissatisfied! "

Hearing this, Yun Yiyan quickly covers his mouth. "Don't talk nonsense!"

Cloud mu heart nodded, "I know."

Cloud Yi Yan just let go of cloud Mu Xin, "later pay attention to point."

"Another thing, Huo Dongyang is the man who took Qiao Wei away at the beginning."

"What do you say?" Yun Yiyan is even more shocked. "Is that true?"

Yun Mu Xin nodded his head very definitely. "It's him! My mother knows his story very well. If we want to find out, we must ask from her. "

Yun Yiyan frowned. The cloud family still has such a big secret. In retrospect, their strange behavior seems to have made sense that day.

Huo Dongyang, this is the secret that the cloud family has been reluctant to expose! So Huo Dongyang is coming back to take charge of the cloud family? So is that what he's doing with Jovi? If so, Qiao Wei is used by him!

[Chapter 85](#)

these days.

Reports about the president of HD dominated the headlines of major websites, and almost everyone was talking about the man who appeared less than ten minutes ago.

However, since the signing ceremony that day, no one has seen him again. Many journalists even went to the hd-qh office building to stay for days without any news from the lobby. It can really be called the first person in the history of mystery and understatement.

This day.

Huo Dongyang and Qiao Wei are having breakfast.

Qiao Wei likes to watch his cell phone while eating breakfast, hoping to see what the latest news is. The result is still about Huo Dongyang.

"Dongyang, today is your news." Qiao Wei still reported to Huo Dongyang.

Huo Dongyang put down the newspaper in his hand and read Qiao Wei with a steamed bun in one hand and a mobile phone in the other.

"You get indigestion like this." Huo Dongyang opens his mouth.

Qiao Wei looked at Huo Dongyang and laughed, and quickly finished eating the steamed stuffed bun. Looking at the time, "my time is almost over."

Huo Dongyang looked at Qiao Wei and hurriedly raised his head and drank the milk. He frowned. It seems that we can't let her do this in the future. We should keep away from the mobile phone when we eat.

As soon as Qiao Wei picked up his bag, he was ready to go out. **novelusb.com**

"Dongyang, I may work overtime today. If you're late, you don't have to wait for me to eat. "

Huo Dongyang followed Qiao Wei to the door, "then you remember to eat."

"Don't worry! I'm not going to let myself go hungry. " With that, Jovi went out.

Huo Dongyang walked back to the living room. It seemed that without Qiao Wei, the whole house became empty and even a little bit unaccustomed to being quiet.

Lin Juan came over and said, "Sir, do you want to continue eating breakfast?"

"No Huo Dongyang shakes his head.

In recent days, the scope of Huo Dongyang's activities is to walk back and forth between the two villas. He did not go to the regular meeting about the noisy things outside.

However, Huo Dongyang did not expect to welcome an unexpected guest at noon.

When he saw Yun Yiyan, Huo Dongyang was a little surprised. Because he felt that after his identity was exposed, the first person to come to him would not be Yun Yiyan.

Yun Yiyan saw the man standing in front of him again, and had a different idea.

"What kind of advice can you give us today?" Huo Dongyang spoke first.

Yun Yiyan's eyes are still staring at Huo Dongyang. He just wants to see where this man is. In fact, with such a close look, the fake foreigner's eyebrows are really like grandfather.

Huo Dongyang also saw that Yun Yiyan had been staring at himself, as if to see a reason or hole in his body.

"Yun Er Shao, my orientation is very normal, and I don't have that hobby!" Huo Dongyang directly interrupts Yun Yiyan.

When Yun Yiyan heard Huo Dongyang's words, he could not hold his face. He took the lead. "You can rest assured that I have not!"

Huo Dongyang nodded, and his expression seemed to be saying that it was better.

Yun Yiyan clenched his fist. If he didn't have certain skills in the face of this man, he couldn't do it!

"Who are you?"

Huo Dongyang chuckled after listening. "How can I answer your question?"

"You are not Qin Hao at all!" Yun Yiyan and yunqi are very serious. "Who are you?"

Huo Dongyang held his coffee in front of him, "I never seem to have said that I was. You should have misunderstood me all the time."

"Huo Dongyang, what is the relationship between you and the cloud family?" Yun Yiyan answers immediately. "Or I should ask."

When Huo Dongyang heard his name, he was in a trance for a moment, but he covered it up very well, and Yun Yiyan could not detect it.

It seems that Yun Yiyan came to verify his identity today, so he knows something about it. It's just that Yunzhou and Fuqing, or even Yun Yiming, should not be able to talk about it.

Seeing that Huo Dongyang didn't answer, Yun Yiyan thought that Huo Dongyang's silence was actually an answer to his own question.

"What is your purpose? Do you want to go back to the cloud home? "

Huo Dongyang laid down his coffee cup leisurely, "I have nothing to do with the cloud family."

This meeting, it's Yun Yiyan's turn to frown. He said he had nothing to do with the cloud family? Is there something wrong? But Yun Muxin should not have heard wrong.

"Believe it or not!" Huo Dongyang looks at Yun Yiyan and says.

Yun Yiyan thinks Huo Dongyang has no truth. What is he trying to cover up?

"Huo Dongyang, I don't care what your purpose is! I warn you, don't use Qiao Wei to achieve your goal. This is not the work of a man, and I especially despise such a man

Once in a blue moon, cloud Yiyan warned a man with such righteous words for Qiao Wei.

Huo Dongyang suddenly felt uncomfortable when he heard this. But he did not move his face and did not answer Yun Yiyan's words.

When Yun Yiyan sees Huo Dongyang's situation, his fire rises. "Huo Dongyang, did you hear me? Huo Dongyang raised the corner of his mouth, "yunyiyan, I heard your words. But it's also about me and Jovi. It has nothing to do with you

Yun Yiyan clenched his fist and said, "don't think what you are is, HD president is great. As long as I want, I can remarry like Jovi. You won't get any good by then. "

"Is it?" Huo Dongyang asked. "Then I'll see."

Yun Yiyan saw such a calm Huo Dongyang, his heart is really no bottom. Does he have no weakness?

Huo Dongyang leaned on the sofa and said, "yunyiyan, in fact, you and I have no need to discuss such a matter with me. You should care about your status in the cloud family. "

Yun Yiyan did not expect that Huo Dongyang's words would turn so fast, "this is also my business."

"Then I'll mind my own business! It seems that you and Qiao Wei once had a relationship. I want to remind you Huo Dongyang opens his mouth. "Watch out for your family!"

Hearing Huo Dongyang's words, Yun Yiyan couldn't help laughing. "Huo Dongyang, who are you to take care of me or the cloud family. You are an outsider. You can't take care of the affairs of the cloud family!"

Huo Dongyang is not angry. He reminds Yun Yiyan that he is good for him. Of course, he is ungrateful. If his identity is revealed in the future, in fact, the most embarrassing will be him!

Huo Dongyang looked at the time, "cloud two less should be taking advantage of the lunch break time to come over! It's about the same time. "

Yun Yiyan stood up, "Huo Dongyang, I don't need you to remind me."

"Of course Huo Dongyang nodded. "That's all I can say."

I don't know why Yun Yiyan thinks there are some secrets in such a simple sentence. What is Huo Dongyang going to do? His mind is really hard to guess.

After Yun Yiyan left, Huo Dongyang called Qin Hao and explained some things.

"Are you really ready to start buying Wynn?" Qin Hao is on the phone.

"Well!" Huo Dongyang answered.

"I see."

[Chapter 86](#)

After receiving Huo Dongyang's order, Qin Hao also quickly started talking with John.

However, they all agreed that it was not easy to attack Yun by external forces alone. They needed a person to cooperate inside and outside.

"Qin Hao, you're quite sure of winning the Yun clan."

Facing John's question, Qin Hao shook his head. "I'm not sure."

John glanced at Qiao Wei, who was sitting outside. "How much do you think Qiao Wei knows about Yun?"

Qin Hao immediately stares at John with his eyes. "You're so bold. Who has a bad idea? You beat your wife! If our general manager Huo knows about it, we will not be able to eat it all, and we will die! "

John curled his mouth and spread his hands. "OK! I didn't say that. "

Qin Hao understands John's idea. After all, Qiao Wei was the general manager of senqiao before, and is also the young grandmother of the cloud family. He should know some internal problems of Yun. But the problem is that Huo Dongyang doesn't want to let Qiao Wei know his other identity.

It is surprising that Huo Dongyang is the president of HD. So about his relationship with the cloud family, he should not want to let others know! So once you ask Qiao Wei about Yun's business, how much she will notice.

John glances at Qin Hao, but they are both tacit. Qiao Wei is really a key, after all, this is also her home. Some things are easy for them to solve.

"Qin Hao, in fact, we can ask more tactfully." John went on. "It's just like chatting. It's impossible for boss to be angry with us because of this? "

Qin Hao put his chin on the back of his hand. "John, you're on the edge. If you play well, of course it is good. If you don't play well, the result will be... "

"OK!" John raised his hands and surrendered.

John said it, but he was not a good boy.

After holding on for a long time, John still takes advantage of Qin Hao's inattention. He quietly goes to Qiao Wei.

"Madam, I want to ask you something."

When Qiao Wei heard John's words, he was really flattered, "John, do you have something to ask me? Did I hear you right? "

John shook his head quickly. "Of course not. I'm not an all rounder. Of course, I don't understand. So I have to consult my wife. "

When Qiao Wei heard John call his wife, he was really not used to it. And this is the company, he is still his boss, so it is really inappropriate to call it. "John, you are my leader in the company. Don't call me madam. I'm not used to it! "

"You are the boss's wife. You should be called your wife! It can't be changed. " John is very principled.

Joe Wei really can't say John, so he can only let him. "What do you want to ask me?"

John raised his head, observed for a circle, and made sure that no one paid attention to them. Then he dared to whisper in Qiao Wei's ear: "madam, aren't we going to develop in city a now? Then there must be competitors. "

Jovi nodded. "Well! Of course. "

"You see, we are just here, and we don't know about this side. Can you tell me about these competitors? After that, we will have a bottom. "

Jovi heard what John said and immediately nodded. In fact, this is also right. "John, it's really nice of you to have that idea."

"Madame, the Yunshi..."

Qiao Wei looked at John and said, "do you want to know something about Yunshi?"

"At the signing ceremony that day, they seemed very dissatisfied with us." John went on.

In fact, Qiao Wei doesn't understand Yun very well. She and Yun Yiyan moved out to live after they got married. She is not very clear about the Yuns and the Yuns. Even if they do, they know the same as others. But will that work for John?

John saw Qiao Wei's expression and thought she didn't want to say it. Feeling a little depressed, it seems that Qiao Wei does not trust him. Just when he was ready to withdraw, Qiao Wei said: "in fact, I don't know much about Yun's family, and I don't know if what I know will help you."

John's eyes lit up. "It doesn't matter. I'm just asking."

"Up to now, the old man of the cloud family is in charge of various affairs in person, and many important matters have to be decided by the old man." Said Qiao Wei. "Yunzhou is only a director, and he exercises the rights of the chairman occasionally. He has no real power

John listened carefully, and he didn't notice how close he was to Joe. From a distance, I can see that they are very close, or like lovers biting their ears.

"Yun Yiming is the general manager, and most of the things are decided by him now." Added Jovi. "But Yun Yiming is suspicious and distrustful of people, so he doesn't do things simply."

John has been in contact with Yun Yiming. His mind is complicated, and he seems to be cruel. He is certainly not easy to deal with. John also remembers Yun Yiming's mother. That woman is not easy to ignore. "As for Yun Yiyang, he is very smart, active in thinking and prudent in doing things, but now he is under the pressure of Yun Yiming, so he has not been put into important position, so he can only be a deputy general manager. But the old man of the cloud family is very optimistic about him. Sometimes he will teach him by himself. "

John also nodded after listening, so Qiao Wei knew that it was also a superficial thing. It seemed that it was really necessary to send someone into Yun's house to inquire about the real situation.

"Madame, do you know anything else?"

Qiao Wei thought about it, but he still remembered one thing. Last time she went back to the cloud house, she heard what Yunzhou and Yunyiming said. "There seems to be a lot of secrets in the cloud family, but Yunzhou and Yunyiming have been thinking about the property of Yun, especially the will of the old man. They are all worried about saying that the old man wants to leave his property to an outsider. They are very unconvinced

John's eyes lit up when he heard this. If this is the case, then it will definitely be a good show. He will also know where to start.

John put his arm around Jovi's shoulder. "Thank you, ma'am."

The two people's movements are very close, but falling in the eyes of someone who has been standing behind them is very eye-catching.

Qiao Wei smiles. She will tell John these things, in fact, for Huo Dongyang's sake. "You're welcome. I didn't help you any more."

They get on well with each other.

Soon, a voice with a chill came from behind, "the hand can be let go."

[Chapter 87](#)

When he heard the sound, John looked back.

When he looked at Huo Dongyang, the whole person was powerless and fell to the ground in a panic.

John's voice trembled, "Bo boss!"

Huo Dongyang's cold eyes glanced at John, and then fell on Qiao Wei.

Qiao Wei stood up, there was nothing natural on her face. Seeing Huo Dongyang, she was in a good mood. "Dongyang, why are you here?"

"By the way, come up and have a look." Huo Dongyang's voice has no temperature.

After Qiao Wei hears, she also realizes Huo Dongyang's some displeasure. "What's the matter?"

John immediately got up from the ground and looked guilty of doing something wrong. He lowered his head and wanted to pass by Huo Dongyang.

"John, half of your salary this month!" Huo Dongyang spoke directly.

John didn't dare to say anything. He nodded his head and ran away.

Qiao Wei stepped forward, "Dongyang, what's the matter with you?"

Huo Dongyang saw Qiao Wei's clear eyes suddenly enlarged in front of his eyes. He stretched out his hand around Qiao Wei's waist and pulled her into his arms.

Huo Dongyang was so suddenly, Qiao Wei turned shy. Her voice called out softly, "Dongyang, you first let me go."

Huo Dongyang eyebrows pick pick, know that she is thin skinned, face has been suffused with pink. He lowered his head and whispered in Qiao Wei's ear: "you don't need me to remind you of the fact that you are married, right? Stay away from other men in the future. What's the etiquette of being so close to John in public just now

Qiao Wei's body was stiff. She didn't notice how close she was to John just now. She looked up at Huo Dongyang and asked, "do you have any?"

"Yes!" Huo Dongyang seems to be squeezed out of his teeth.

Qiao Wei suddenly laughed, and didn't know that she had the courage to say to Huo Dongyang: "Dongyang, are you jealous?"

Huo Dongyang saw the proud eyes of Qiaowei, he reached out to pick up Qiaowei's chin, lowered his head and directly kissed Qiaowei.

WOW! The whole office area is boiling, big boss and Qiao Wei perform kissing in public? This dog food is really a bit of a surprise!

When Qiao Wei reacts, he also hears applause and whistles in his ear. She wants to reach out and push Huo Dongyang away, but Huo Dongyang hugs her more tightly.

John hides in Qin Hao's office and looks at the scene. Boss is really powerful!

Qin Hao looks at the wonderful drama outside with his hands around his chest. "Huo Dongyang is declaring his sovereignty! John, think for yourself how you'll explain it later! Seek your own fortune

"Qin Hao, do you want to see death without help?" John takes Qin Hao by the arm.

Qin Hao shook his head, "I can't help you!"

John prayed silently for himself, praying that he would not be severely punished this time.

Outside the office.

Huo Dongyang finally let go of Qiao Wei. He locked Qiao Wei with his blue gray eyes. "You are my woman!"

Qiao Wei put her head against Huo Dongyang's chest. She didn't dare to raise her head to accept the baptism of other people's eyes. She whispered, "I didn't forget it! John and I really didn't have anything. He just asked me some questions

Huo Dongyang stretched out his hand and pressed Qiao Wei into his arms again, "no more!"

"I didn't think John was a man." Added Jovi. John is not very serious sometimes. Sometimes he is a little bit feminine. He is even more beautiful and clean than women. But when he works, he is really manly. I can see that he is professional!

Hearing Qiao Wei's words, Huo Dongyang's heart suddenly brightened up, and the corners of his mouth also slowly hooked up. This description is really fresh!

"Even so, his physical characteristics are a man."

"Oh Joe nodded. "I will pay attention to it later!"

Huo Dongyang touched Qiao Wei's soft long hair and smelled the fragrance of her hair. "Is the work done?"

"Not yet."

"Then hurry up, I'll wait for you to get off work!"

Qiao Wei raised his head and showed a brilliant smile to Huo Dongyang. "Good!"

Huo Dongyang let Qiao Wei go to work. He turned around and looked around. Others sat down and continued to be busy.

Finally, Huo Dongyang's eyes fall on Qin Hao's office.

"Boss has passed by, prepare yourself!"

John said to himself with his hands folded, "God bless me!"

The door of the room was pushed open and John's back stiffened.

Huo Dongyang sat down on the sofa behind John and looked at John standing with his back to himself. Then he remembered what Qiao Wei had said just now. He had already calmed down, but he still decided to teach John a little lesson.

"Are you going to carry me on your back all the time?" John was frozen, and he turned slowly and mechanically. "Boss, I was wrong."

Huo Dongyang gave John a cold look, but he was not as dead as he expected.

Qin Hao also felt that Huo Dongyang was a little strange this time, and he didn't get angry as he expected.

"John, what do you say is the penalty?"

John blinked and suddenly felt something was wrong. But he also said carefully, "let the boss handle it."

Huo Dongyang raised a corner of his mouth, "then your salary will be halved this month and next month!"

"Ah?" John looks unbelievable. Don't feed the shark this time?! Such a good welfare.

Huo Dongyang looks at John with a frown. "Any comments?"

"No problem!" John nodded his head very readily. "Thank you, boss!"

"Thank you, Qiao Wei." Thanks to her words!

John nodded, "yes!"

Qin Hao is also greatly surprised. Suddenly, he is a little curious. What did Qiao Wei say to Huo Dongyang? It's a miracle that he was able to extinguish the fire without even severely punishing John! It seems that Qiao Wei has been slowly changing Huo Dongyang. I hope this change is good!

Huo Dongyang's eyes fell on the busy figure again. Suddenly, at noon, Yun Yiyao went home. And just on the way, he saw all kinds of slogans and promotional activities in shopping malls. Valentine's day on the Chinese Valentine's Day?!

"Do you know Chinese Valentine's day?" Huo Dongyang suddenly opened his mouth.

John and Qin Hao were immediately asked. They looked at each other and were speechless.

Huo Dongyang looked back at John and Qin Hao in front of him, "don't know?"

Two people nodded, they also came back from abroad, where do you know this? Isn't Valentine's day the 14th of February every year? What's Valentine's day?

"Boss, I think we should ask some girls outside about these things." Qin Hao suggested.

"Let Jane LAN come in!" Huo Dongyang ordered.

[Chapter 88](#)

A few minutes later, Jane LAN walked into the office.

Seeing the eyes of three men, Jane LAN seems a little restrained. She stood unnaturally in front of three big men. Almost unable to breathe, she waited for them to speak.

Qin Hao also felt that the atmosphere was a little strange. He coughed on purpose. In fact, he wanted Huo Dongyang to open his mouth.

Seeing that Huo Dongyang didn't seem to want to speak, Qin Hao really felt speechless.

"Jane LAN, it's like this." Qin Hao opens his mouth. "I have something to ask you."

Jane LAN slowly raised her head, "manager Qin, you say."

"In recent days, I always hear you talking about Valentine's day on Chinese Valentine's day. What's this festival?"

When Jian LAN heard Qin Hao raise the question, she blinked and hesitated. "Manager Qin asked," will you come to Qixi Festival in a few days? "

"Yes Qin Hao nods. "Is this a new festival?"

Jane LAN shook her head, "No. This festival is a traditional festival with a long history. In fact, it is also to commemorate the love story between the Cowherd and the weaver girl. In fact, it is also called Qiqiao Festival. In some places, Qijie is worshipped and temple fairs are held. Just in recent years, the media and businesses continue to expand the festival publicity has become a popular Valentine's day. "

Jane Lan's words, let the three men all nod at the same place. i see!

"How will it be Huo Dongyang asked.

Jian LAN looked at Huo Dongyang and said, "this festival should be held by young lovers. I'm not going to have a holiday like this. "

Huo Dongyang thought for a moment, is this really the case?

"Boss, do you want to spend the festival with your wife?" John asked directly.

As a result, Huo Dongyang gave him a cold look, and John lowered his head. "Well, I'm just asking."

Jian LAN this meeting just reacts to come over, originally is Huo Dongyang wants to know. She was relieved to see that he and Qiao Wei had such a good relationship! At the beginning, that worry was really unnecessary.

"Mr. Huo, in fact, has never had a lover." Jane LAN links to remind you.

Huo Dongyang was really surprised. "Never?" Is there anything like him? Jovi shouldn't!

"Before, Yun Yiyao and Qiao Wei have never been a festival." Jane LAN replied. "Almost all of them are busy with their own business."

John thinks this is a good opportunity. "Boss, I think you can give your wife a romantic Valentine's day. Don't you never get married? Then you and your wife are just having a holiday together

Huo Dongyang's face turned black when he was stabbed by John.

"sorry!" John automatically covered his mouth and stopped talking.

Qin Hao raised one side of his eyelid. He looked at Huo Dongyang intentionally or unintentionally, and then said to Jian LAN, "Jian LAN, how do young people here live in general?"

Jian Lan thought, "generally, it's nothing more than sending flowers, buying gifts, or having a big meal together or going to the cinema."

Qin Hao thinks it's really ordinary, but he still has a good time. He thinks that Huo Dongyang should not do these things!

"What does Jovi like?"

Jian LAN looks at Huo Dongyang. Is he giving a gift to Qiao Wei? She thought that Qiao Wei should have nothing missing, right?

"Slightly, she generally likes spiritual things." Jane LAN replied.

"The material is easy to do, how to deal with this spiritual level?" Huo Dongyang also raised a big question in his heart.

Huo Dongyang said, "thank you!"

"In fact, Huo should know more about Wei Wei than I do." Jane Lan said with a smile.

After Jian LAN goes out, Qin Hao looks at Huo Dongyang: "you have an idea, don't you?"

Huo Dongyang smiles, is deliberately hanging Qin Hao's appetite, nothing said.

John thinks that Huo Dongyang really plans to celebrate this Valentine's day for Qiao Wei, which is another big anecdote!

"Qin Hao, have you made any progress on the side of Yun?"

Qin Hao is speechless. This topic is changing too fast! "Not yet. But John and I both think we should find someone to lurk in. "

Huo Dongyang looked at John and said, "do you have a candidate?"

John put down his mouth covering hand. "Boss certainly won't agree."

Huo Dongyang narrowed his eyes, "you know it! I don't want Qiao Wei to contact any one of Yun's again. "

"So we're still thinking about other ways."

Huo Dongyang looked at the time, "this matter you discuss to deal with."

"Yes

Huo Dongyang walked out of the office and went to Qiao Wei.

John and Qin Hao look at each other and shrug helplessly. Our boss doesn't care about his wife now.

Huo Dongyang and Qiao Wei went to eat in a restaurant nearby.

Everywhere is filled with the atmosphere of Valentine's day, Huo Dongyang takes Qiao Wei's hand and walks in front of these shops. Qiao Wei felt that Huo Dongyang was a little silent today. "Dongyang, why don't you speak today?"

"Do you have any?"

Qiao Wei nodded, "you didn't talk much when you were eating just now. Is there something wrong?"

Huo Dongyang shook his head, "No

They passed the window of a jewelry store when Qiao Wei stopped. She looked at the pair of platinum rings in the window.

Simple design, but the top of the circle of small diamond inlaid with a star shape, is very special!

Huo Dongyang from Qiao Wei's eyes to see her like, "like?"

Qiao Wei heard Huo Dongyang's voice and shook his head quickly. "I'll take a look."

"You can buy it if you like." Huo Dongyang said it very simply.

Or they have stayed for a long time, and some staff members have already gone out.

"If you like, you can go to the store and have a look. There are many styles in it."

Joe shook his head. "Thank you. We just look."

"They look very much in love. Aren't you going to buy a ring or something for Valentine's day?" The clerk said with a smile. "And we have some special offers recently. It's definitely worth the money!"

Qiao Wei looked at Huo Dongyang, and he didn't seem to want to go in. So she said to the clerk with a smile, "no, we'll have something to do later."

Finish saying, Qiao Wei takes Huo Dongyang's hand to go forward.

Huo Dongyang looks at has been pulling his Qiao Wei, he showed a doting smile. He didn't want to go into the store just now. In fact, he didn't think it was worthy of Qiao Wei.

As a woman of Huo Dongyang, he will give her the best in the world!

Huo Dongyang held Qiao Wei's hand, "you slow down!"

After they had run down a section of the road, they stood in front of a bakery waiting to come south to pick them up.

Qiao Wei's eyes glowed and looked at the small cakes that were made very delicately. They looked delicious.

Huo Dongyang looked down at Qiao Wei, and he followed Qiao Wei's eyes. "If you want to, go in and buy it."

"Eat this at night and you'll get fat!" Qiao Wei wants to eat very much, but she still wants to be cruel to herself.

[Chapter 89](#)

Qiao Wei's words made Huo Dongyang frown.

"Where can you get fatter just like you?" Huo Dongyang sometimes really can't understand this woman's mind.

Qiao Wei's face is red and red, "it's easy to get fat eating dessert at night!"

Huo Dongyang put out his arm around Qiao Wei, "I think you'd better be fat and comfortable."

Qiao Wei's face is even more red, she turned her head not to see Huo Dongyang.

Huo Dongyang clenched Qiao Wei's hand and led her into the bakery.

Once in, there is a delicious smell everywhere, which also makes people eat their fingers.

Huo Dongyang pulled Qiao Wei to put a variety of cake cabinets in front of, "which do you want to eat?"

Qiao Wei originally thought that she was reserved, but when she saw so many cakes in front of her eyes, her eyes were shining. She wants to eat every one, but you can't be greedy. After looking around for a week, Joe picked a smaller one.

"This one." Said Qiao Wei, pointing to the selected cake.

Huo Dongyang continued. "For four."

Qiao Wei a Leng, "you also want?"

"It's such a small one. I've had a few stutters." Huo Dongyang really thinks so. "Or you choose the big one!"

See Huo Dongyang finger that, Qiao Wei really feel too big. "This is too big."

Finally, Qiao Wei chose a strawberry mousse cake and a cheesecake.

Carrying two cakes out, Qiao Wei face is a face of satisfaction. "Dongyang, thank you!"

Because Huo Dongyang bought these two cakes for her, her heart was even more happy. This is Huo Dongyang's first gift to her.

"So happy?" Huo Dongyang asked. Looking at Jovi's smiling eyes, you can see that she really likes it.

These two small cakes add up to less than 30 yuan. She is so happy. It's really easy to be satisfied.

Qiao Wei nodded and said with a smile, "because you bought it for me."

Seeing Qiao Wei like a child, Huo Dongyang put his arm around her shoulder and said, "let's go back!"

"Good!"

After getting on the car, Qiao Wei opened the strawberry mousse, took a small fork with his fork, and then handed it to Huo Dongyang's mouth. "Do you want it?"

Huo Dongyang shook his head, "you eat."

Qiao Wei saw that Huo Dongyang didn't eat, so he ate by himself, "well, delicious!"

Huo Dongyang's eyes were soon attracted by Qiao Wei. He put down his mobile phone and looked at Qiao Wei beside him. He watched her eat with great relish. He suddenly wanted to try it. Is it really so delicious?

See Qiao Wei's mouth stained with a bit of white cream, Huo Dongyang pointed to, "corner of the mouth."

Qiao Wei glared round eyes and rubbed it with one hand, but it didn't touch it several times.

"This way." Huo Dongyang suggested.

Qiao Wei directly put his head in front of Huo Dongyang and wanted Huo Dongyang to help him wipe it off.

In the face of such a sudden action, Huo Dongyang felt his heartbeat speechless. He gazed at Qiao Wei, who was looking up his head, and stretched out his hand to wipe it off. Joe's hand was out of his control.

With a little effort, he pushed Qiao Wei to his side. He lowered his head, put his lips on the corner of Qiao Wei's mouth, and then opened his mouth to eat the little cream.

Qiao Wei was stunned. Her eyes were wide. This is

"Dongyang, I..."

Huo Dongyang then kisses Qiao Wei's lips, with a little sour and sweet taste. Huo Dongyang felt that the kiss was sweet for the first time. He took the initiative to deepen the kiss, Qiao Wei completely set out in a muddled state, so let Huo Dongyang's lips and tongues attack.

After a long time, Huo Dongyang just let go of Qiao Wei, gently stretched out his finger on his face and gently wiped off the residue of Qiao Wei's mouth corner.

"Too sweet." Huo Dong's voice is hoarse.

Qiao Wei's face rose very red, she was just being teased by Huo Dongyang? Qiao Wei immediately opened the distance between himself and Huo Dongyang. How could he do this to the south?

But South can still drive so calmly, I really admire him! Qiao Wei turned his head to one side and looked at the street view outside. She continued to fork another piece of cake into her mouth, but she could not taste anything.

Huo Dongyang knew that Qiao was slightly awkward, so he didn't disturb her. He lowered his head and began to look at his mobile phone.

At this time, driving in front of the south, although there is no expression on the face. But the heart is shouting OS: "baby heart bitter! I feel my body hollowed out. The gentleman and his wife showed their love and scattered dog food. Do you think about the baby and refuse it? "

Back to Jiangwan villa.

Qiao Wei opened the door first and entered the house as fast as possible.

Huo Yang is so shy now? But he likes her like this, real!

"Go to the South and have a rest."

"YesHuo Dongyang followed into the room, in the living room, he saw Qiao Wei's bag on the sofa, but the person disappeared.

"And Madame?" Huo Dongyang asked Lin Juan.

Lin Juan replied, "Madame went to the bathroom."

After listening to Huo Dongyang, he frowned. It is rare that he has eaten a bad stomach.

When Qiao Wei came out of the bathroom, he saw Huo Dongyang standing in front of him. "Bad stomach?"

"No Joe shook his head slightly.

But see Qiao Wei's face some white, Huo Dongyang reaches out to touch her face. "Really not?"

"No Joe nodded. "It's just People have three urgent needs. "

Hearing Qiao Wei say nothing, Huo Dongyang is also a little relieved. "If it's OK, wash and sleep early."

Joe nodded, "OK."

That night, when Qiao Wei fell asleep, Huo Dongyang called a friend.

"William, rare guest!"

"Kelly, excuse me?" Huo Dongyang asked.

"No Kelly answers. "It seems that you are looking for me."

Huo Dongyang looked at the manuscript of the ring in front of him, "I want to make a pair of rings."

When Kelly went to Huo Dongyang, there was no sound for a long time.

"Kelly?"

"OMG! Did I hear you correctly Kelly's voice was full of surprise. "Are you going to get married?"

"I've just sent you the manuscript. Please give me some advice." Huo Dongyang did not directly answer Kelly's question.

Kelly smiles. "OK!"

"Three days."

"In such a hurry."

"Yes, please."

"William, it seems that for the sake of friends, I'll do it for you myself."

Huo Dongyang then said, "the money will not be less than you!"

"Then I can also save the red envelope money."

Huo Dongyang laughs after listening. "It depends on you!"

With that, Huo Dongyang hung up. He looked at the finished manuscript before his eyes, and a satisfied smile appeared at the corner of his mouth.

This is also Huo Dongyang's surprise for Qiaowei's Valentine's day. I hope she will like to prepare this gift by herself.

[Chapter 90](#)

A new day has begun.

This day is the time for senjo to set up a regular board meeting. Of course, this time Qiao Qingdong informed John to go to the meeting.

John told Huo Dongyang the news, "boss, then I'll go back."

"OK!"

This time, John drove to senjo by himself.

Before he entered the conference room, John saw a woman face to face. He searched his mind for information about the woman.

"It's her."

Qiao Xin looked at John standing in front of her, "who are you?"

"John!"

Hearing the name, Qiao Xin immediately narrowed her eyes. "So you are the equity agent of Qiao Wei's bitch. Growing up is like a human being, but not a brain! "

John was really upset when he heard Qiao Xin's words. I was scolded by a man who had no brain. How insulting it is to yourself.

"what?" John couldn't help but say in English, "what did you say just now?"

"Pretend to be a foreigner and drag English." Qiao Xin doesn't like these people who just drag English. In fact, she doesn't know how to communicate. A few simple sentences will make her a little bit better.

See Qiao Xin handed their own information, all in Chinese. John had a capital displeasure on his face.

"Give me an English version. I remember explaining it to Chairman Qiao and President Yun last time."

Qiao Xin really remembered that there was a separate English version of the meeting content before. It was just a headache for her to see, so she didn't know where to throw it.

"Not prepared?"

"Yes Qiao Xin said in a reasonable voice. "This is senjo. It's not your turn to speak!"

John glared at Qiao Xin, such a person, Qiao Qingdong actually regarded as treasure, really blind. Fortunately, madam has nothing to do with their family now, and she is also supported by boss now, which is very good!

John didn't go in and sit down. He stood at the door of the conference room with his hands around his chest, waiting for Qiao Qingdong or Yun Yiming to judge.

After a while, Qiao Qingdong and Yun Yiming appear together.

Qiao Xin comes forward immediately. "Dad, you're here."

Yun Yiming glances at Qiao Xin. He doesn't stop and goes straight ahead.

"Why don't Vice President John go in and sit down?"

John puts the document in his hand into Yun Yiming's hand. "See for yourself."

When Yun Yiming sees the Chinese version of the meeting minutes, he looks at Qiao Qingdong. "Didn't someone prepare an English version of the material for John's vice president? Why is it still in Chinese? "

Qiao Qingdong looks at his daughter. "Xinxin, didn't I give it to you together just now?"

"I..." Qiao Xin didn't dare to say that she couldn't find it.

John sneered. "It seems that you don't want me to attend the meeting. In that case, don't tell me to come. My time is precious! "

Although John always speaks in English, Yun Yiming is also suffocating. I can speak Chinese, but I'm pretending to be forced!

"Qiao Xin, hurry to prepare a new one!" Yun Yiming is still angry at Qiao Xin's identity. "Not sure who he is? Hurry up

"Oh Qiao Xin lowered her head.

Qiao Qingdong handed Qiao Xin the U disk with him. "It's all here. You go and print a copy. "

Qiao Xin took the U disk, and then took the U disk to print.

Yun Yiming looked at Qiao Qingdong discontentedly. "How dare chairman Qiao recommend me to be an assistant with such ability?"

Qiao Qingdong felt shameless and stood aside with his head down.

John stood by all the way, watching such a good play. He listened to Yun Yiming's words clearly. It seems that Yun Yiming lacks assistants. If so, it's also an opportunity for him.

Yun Yiming is more polite to John. "John, let's go in and wait."

John also put on an official smile. "OK!"

Just before the meeting began, Qiao Xin put the English version of the information in front of John.

John glanced faintly. "Don't do anything like this. It's not easy to sit here

Qiao Xin was stunned because John spoke so fast that she didn't understand what he meant.

Yun Yiming on the other side understood it. This sentence is to the heart! Thanks to Qiao Qingdong's tone, she dare to ask Qiao Xin to be her assistant. She is not qualified to lift shoes with him!

Miss Joe, you can go out of the meeting

Qiao Xin also heard the meaning of Yun Yiming, she clenched her hand, "Mrs. cloud said before, I can be here."

"My mother said that she let you into the company, but didn't let you be the director or the head of any department?" Yun Yiming is hardly polite. This also let Qiao Qingdong's face hang, "general manager Yun, Mrs. Yun said that at the beginning! Don't you want to pay off your debts? "

John looked at the two sides and said, "this is an internal matter, haven't you dealt with it? In that case, I'll go back first. My time is precious! "

Yun Yiming immediately pacifies John, but now he dares to offend John, but behind him is Huo Dongyang. If the two of them are not happy, maybe they will do something to Yun.

"Right now."

Seeing that Yun Yiming is not saying anything, Qiao Qingdong takes Qiao Xin and sits down directly.

John also put on his earphone and got in touch with Huo Dongyang immediately.

Yun Yiming looks at John. He seems to be wearing headphones every time. Is there anything special about this earphone?

John saw Yun Yiming's full of suspicion, "general manager Yun, is there a problem?"

"I think the vice president is wearing headphones every time, so I'm a little curious!"

"Translation." John said calmly.

After hearing this, Yun Yiming is not convinced. But he didn't know where his Chinese level was, so John really didn't have much credibility. In addition, he has also learned his ability to act as a force before, so it is the right way to keep a high degree of vigilance on John at all times.

Seeing that Yun Yiming doesn't believe it, John smiles. "Mr. Yun, have you heard of simultaneous translation? This is a new simultaneous translation software, which is specially developed for me! I can recommend it to you if you need it. But what? The price of this software is very high. "

Yun Yiming is blocked by John's words. He takes back his eyes and says, "the meeting begins!"

When John sees that Yun Yiming is not happy, his heart is very happy. People like him should fight back! Otherwise, his eyes are really on the top of his head, and he is absolutely arrogant.
