

## Warm Wife 91

### [Chapter 91](#)

The meeting didn't last long.

Yun Yiming just explained some work arrangements. John can see that Yun Yiming intentionally wants to empty everything in senqiao, and all the business is transferred to Yun's side.

In this way, what makes senjo money is a shell. This move is also enough damage!

He inadvertently saw Qiao Qingdong and Qiao Xin sitting opposite. Their faces were very bad, and they were expected to suppress their anger.

"Any questions?" Yun Yiming asked.

All the people present dare not say anything. After all, they are a group of people controlled by Yun Yiming, so it's not interesting to say more.

Yun Yiming then looked at John, "where's Mr. John?"

"I only look at money. I don't worry about anything else." John took his stand and said, "don't forget what you promised me before."

"Of course! I can use Wynn as a guarantee. "

"OK!"

After the meeting, Yun Yiming left first.

When John was about to leave, he was stopped by Qiao Qingdong. "Mr. John, please stop!"

John looks at Qiao Qingdong. "What's up?"

Qiao Qingdong nodded, but he couldn't speak English well. He didn't know how to communicate with John.

John also seems to see Qiao Qingdong's difficulties. It's really funny to see him in such a hurry. "Don't senjo have any better English?"

Seeing that Qiao Qingdong was embarrassed, John stood in front of Qiao Qingdong, "if chairman Qiao is OK, I will go first."

"Wait a minute!" Qiao Xin did not know where to catch a person back. "Dad can do it."

John looks at a woman pulled by Qiao Xin. Isn't it a translator? I'm dressed up to the point.

Qiao Qingdong looked at the young girl with thick glasses in front of her, "is this person OK?"

"Dad, no problem!" Qiao Xin nodded earnestly.

Qiao Qingdong has no choice. "You say to him that I want to talk to him alone for a little longer."

The girl pushed her glasses and translated to John.

John smiles. "What does chairman Joe want to talk to me about?"

"You have Qiao Wei's shares in your hand. In fact, we can cooperate to drive Yun Yiming out of senqiao." Qiao Qingdong said. His own shares plus Qiao Wei's shares, he still has a chance to win!

John laughed. "Chairman Joe didn't find out the situation. How much of your 30% stock is really working? It's useful for the cloud family to take 30 percent. "

Qiao Qingdong shivered. How could he know this. He has 30%, 20% of which have already been mortgaged to the bank, in order to guarantee his villa and the senjo building, and only 10% is mobile.

"And the remaining 10% of your hand should also be shared by husband and wife." John went on. "So it's not good for me to work with you."

Hearing the translation, Qiao Qingdong's face was very ugly. But these are the facts.

"I can convince other shareholders."

John shook his head. "Looks like Chairman Joe is completely in the dark? Do you think Yun Yiming will really come to senqiao to preside over the overall situation with 30% of the shares? "

With that, John smiles. The rest will wait for Qiao Qingdong to understand.

John took a few steps forward without stopping.

"Where is Qiao Wei? I want to see her! " Qiao Qingdong's voice came from behind.

John turned around and said, "I'll take your message."

"I'm her father. Dare she come to see me? She's still called Jovi Qiao Qingdong said angrily.

John was angry when he heard Qiao Qingdong's words. His face became very bad. "After that, please ask chairman Qiao to speak in front of Miss Qiao. I won't pass it on. "

With that, John left. The Qiao family were inhumane.

When Huo Dongyang heard such words, there was no change in his face.

"Boss, what do you think we should do about it?"

Qin Hao also made comments. "I don't think Qiao Qingdong has sobered up yet! And trying to get senjo back. "

Huo Dongyang has been silent. He seems not to be listening to John or Qin Hao seriously.

"boss!"

Huo Dongyang looked at John and said, "I will deal with this."

"All right."

Since Huo Dongyang talks, they should not worry about it, so it will be easier.

John then told Huo Dongyang another thing. "Boss, I have one more thing I want to report to you."

Huo Dongyang put down his mobile phone and said, "go ahead

"Didn't you say that Qiao Qingdong wanted to put Qiao Xin's straw bag into Yunshi John said. Huo Dongyang saw John's appearance, "do you have an idea?"

John nodded again and again. "It's also the best way for us to get into Wynn."

Qin Hao immediately understood what John meant. "Who do you want to send?"

"Moling!" John replied.

Huo Dongyang heard the name, his eyes have some floating.

Qin Hao touches his chin. John's head is really fast. Moling is really a good candidate. There is absolutely no problem with her ability to complete this task.

John and Huo Dongyang are waiting for Huo Dongyang to speak.

Huo Dongyang knows the relationship among them. Moling is a good choice, but he doesn't want to have some relationship with moling. This is what he doesn't want to see!

Let Mo Ling go to the cloud family, then it also means that his identity will be known by her soon, and there will be more people involved.

Qin Hao looks at Huo Dongyang, but he knows what he thinks. But for now, it's the best way.

"Dongyang, sometimes we have to sacrifice. I think grandpa Huo asked moling to come here, and I hope she can be a little busy Qin Hao opened his mouth and said what he thought.

John nodded. "Boss, you can be a subordinate of moling! You and her are simply working relations. You and your wife have such a good relationship, and you are worried that she will destroy you? "

Huo Dongyang glanced at John and said, "do you know?"

"Of course I know! Although this moling likes you, we all know it! But you're married, and you're afraid she won't make it! Boss, I think if you give something to moling, it can also distract her attention. If she knew it was busy with you, she would work harder and devote herself to it! Don't you kill two birds with one stone? "

Qin Hao and John have the same opinion this time. Now we should let Mo Ling go. It's good for everyone.

Huo Dongyang stood up. "Some things can't be hidden."

"Dongyang, there are some things that can't be hidden now. In fact, is it better to make these public? "

Huo Dongyang takes a look at Qin Hao. "I'm afraid she can't take it."

## [Chapter 92](#)

All of a sudden, everyone was quiet.

"I don't think Qiao Wei is unreasonable either." Qin Hao continued. "Maybe she will understand?"

Huo Dongyang pursed his mouth and didn't say a word.

Qin Hao stood up and said, "Dongyang, you are afraid of losing her, aren't you?"

Right? Huo Dongyang also asked himself, should it! Habit has her everything, if really lost what kind of situation?

"In fact, we really look at Qiao Wei so fragile?" Qin Hao didn't know why she had confidence in Qiao Wei, or she would be more solid than they saw. OHN also stood up, "boss, you told us. Life is a gamble. Why don't we gamble again this time? If the lady really can't, you can leave in time

It seems that Huo Dongyang suddenly realized the cruelty of reality again. So will he win the game? Is Qiao Wei going to let him win, exactly?

"Boss, are you really in love with Madame?" John looked at Huo Dongyang and asked seriously. Because he hesitated to get to Huo Dongyang.

Soon, Huo Dongyang raised the corner of his mouth and said, "OK! This game, I bet

Because he fell in love, he wanted to gamble for himself!

Qin Hao and John heard what Huo Dongyang said. This is what they know about Huo Dongyang.

In the twinkling of an eye, Valentine's Day is coming. On this day, Qiao Wei went to work as usual.

It's just that when we get back to the company, everyone looks at themselves strangely.

"Xiaolan, how do I feel that everyone looks at me strangely!" Said Joe in a low voice.

Jane LAN smiles, "have you?"

"Yes Qiao Wei really felt it.

Jane LAN immediately handed Qiao Wei a document, "OK, don't think too much. This document is urgent. You see, we'll talk about it later. "

Qiao Wei received the work immediately sat down and looked at it carefully.

Jian LAN see Qiao micro low head, she immediately made a OK gesture to Qin Hao's office.

Qin Hao sees nodding and then calls John.

When John got the call, he started his work immediately. He said to the florist, "hurry up! Please prepare the flowers you have said you need

On the other side, Huo Dongyang changed into a black suit and combed his hair in the mirror.

Xiang Qing stood behind Huo Dongyang, "boss, how can I feel you are a little nervous?"

Huo Dongyang tidied up his tie, and was really right by Xiang Qing. He was really nervous.

Because he proposed to a woman for the first time.

Xiang Qing smiles. "Boss, you said that you and your wife's certificates are also obtained, and you have done everything you should do. Do you still need this proposal? "

"You don't understand!"

Xiang Qing of course will not understand, who let him single dog!

Looking at the time, Huo Dongyang said: "you can start."

"Good!"

Xiang Qing goes to drive immediately. Huo Dongyang looks at the mirror and rearranges his clothes again.

When the car stopped, John was waiting in the lobby with a bunch of flowers in his arms.

Seeing Huo Dongyang wearing a formal black suit today, John couldn't help but give him a thumbs up. "boss! Super handsome! Madame will follow you obediently

Huo Dongyang reached out to take the rose in John's hand and saw three blue enchantresses highlighted in the red roses.

"Boss, the other roses, I've got people moving upstairs to get ready." John said with a smile.

"Well!" Huo Dongyang nods.

John looked at the time. "Boss, you can go up and prepare your part. Jane LAN takes his wife out, it is estimated that she will come back later. You have enough time! "

Huo Dongyang took the rose in his arms and went up the elevator.

When you get to the gate of the office, you can see that people follow Qin Hao's orders and only start to act.

Qin Hao saw Huo Dongyang come in, and he nodded with satisfaction. "Here you are."

"Well prepared!" Qin Hao said with a smile.

Huo Dongyang nods. "There are prizes."

Qin Hao snapped his finger and said, "the boss has a prize

"Ouye! Thank you, boss The other employees were so excited that they worked harder.

Jian LAN called Qin Hao and said they would be back soon.

"They are coming back. We're going to be ready. "

"Good!"

Jane LAN takes Qiao Wei's hand and a bag of drinks just bought from the supermarket.

"Little, we need to hurry up."

Qiao Wei also carried a bag, "it's really heavy. Not fast

An hour ago, Jane LAN suddenly said that she would invite everyone to drink drinks, so she took her to the nearby supermarket to buy.Originally, I just bought a drink or something. It should be quick. As a

result, Jian LAN chose it slowly and equally, so it took a lot of time. After buying so many drinks, I didn't even take a taxi, but I had to walk back. Isn't that a toss? Because of the distance between bus stops.

"Xiaolan, let's take a taxi." Joe spoke. Her main concern is that she won't be able to finish her work today.

Jian LAN wants to delay time. She wants to give Qin Hao more time to prepare.

"Weiwei, it's very fast for us to go back around the path!" Jane Lan said with a smile.

When they dragged to the downstairs of the company, Qiao Wei was tired to believe it.

Jane LAN quickly took out a paper towel to help Qiao Wei wipe sweat, and helped her to tidy up her appearance. Recently, I don't know if it's moistened by love. Qiao Wei is more beautiful than before. Without make-up, she looks very good!

"Good! Beautiful Jane Lan said with a smile.

Qiao Wei looked at Jian LAN, "Xiao Lan, you are also strange today!"

"Did you? Let's go last time! " Jane Lan said with a smile. Then a man was carrying two bags of drinks.

Qiao Wei wants to reach out to come over, but Jian LAN dodges, "I'll just come by myself!"

"I'll help you." Qiao Wei still wanted to reach out.

"Let's go!" LAN urged. "I can."

At this time, they did not notice that a sports car stopped at the entrance of the lobby.

Yun Yiyang just saw Qiao Wei and Jian LAN go in. He had wanted to know how to see Qiao Wei.

It's wonderful to see her here.

Yun Yiyang stopped the car, and he got off the bus quickly.

In Qiao Wei and Jian LAN into the elevator that moment, he also stepped into the first floor lobby.

"Qiao Wei!" Yun Yiyang called out loud.

Qiao Wei and Jian LAN look back at the same time. When they see Yun Yiyang, the smile on their faces disappears.

Qiao frowned slightly. Why did Yun Yiyang come.

Jane Lan's heart clutters for a moment, broken, what should I do now? Mr. Huo, all of them are standing by!

Cloud Yiyang like Qiao Wei came over, until he came to Qiao Wei before he stopped.

"Can we talk?"

### [Chapter 93](#)

Seeing Yun Yiyang standing in front of him, Qiao Wei was still stunned for a moment.

Jian Lan's face is tense. What does Yun Yiyan do? It happens at this time.

"Qiao Wei, let's have a chat. It won't take you long. "

Qiao Wei looks at Yun Yiyan, as if this is the first time she has seen him like this in years.

"What do you want to say to me?"

Jane LAN in the heart a tight, if slightly with cloud Yiyan go out to talk about things, then upstairs Huo always become a joke? How can this be done! You know, general manager Huo has prepared a lot for today.

"Weiwei, we still have work to do later." Jane LAN reaches out to pull Qiao Wei's clothes.

Qiao Wei was stunned. Yes, she still has a job. I really can't delay that much.

"Let's make another appointment! I really have something to deal with. " Replied Jovi.

Yun Yiyan frowned, and his face was obviously displeased. "Do you really have to? Jovi, are you and I going our separate ways now

"What do you mean by that?" Asked Qiao Wei in turn.

Yun Yiyan can see that he doesn't just want to talk to himself today. He seems to have come with a guard!

Yun Yiyan really hates himself now. He even uses such means to force Qiao Wei. "Qiao Wei, don't you forget this ex-wife or wife?"

"What do you want to say, Yun Yiyan?" Joe frowned slightly.

"I won't keep you long. You'll give me five minutes." Yun Yiyan opens his mouth. "We can just stand here and say it."

Qiao Wei said to Jian LAN: "Xiao Lan, you go up first. I'll talk to him for a moment

"But..." Before Jian Lan's words finished, she was pushed into the elevator by Qiao Wei.

Elevator door also with the mechanism, she does not want to let Jane LAN involved in this matter.

Seeing the elevator door closed, Jian LAN quickly called Qin Hao.

"Jane LAN, where are you going? We're all waiting. " Qin Hao said immediately.

"Manager Qin, things have changed!" Jian Lan said anxiously, "yunyiyan is here. He said he wanted to have a little talk with him. "

"Where are you?"

"Weiwei pushed it into the elevator just now. I'm already up."

Qin Hao hangs up the phone. He hesitates to tell Huo Dongyang how.

Seeing Qin Hao's face not good, John said, "what's the matter?"

"Yun Yiyan is here."

John is in a daze. What should I do now? Hearing the footsteps, the others were ready.

John immediately made a stop action to them, and told them not to move.

Less than a while, looking at Jane LAN carrying two bags of things in, but did not see Qiao Wei.

Qin Hao goes to Huo Dongyang and whispers a few words.

After listening, Huo Dongyang raised his eyebrows. Yun Yiyan will really pick the time.

"Would you like to go down and have a look?" Qin Hao asked.

Huo Dongyang shook his head, "no!" Since Huo Dongyang decided to gamble, he would believe Qiao Wei.

Jian LAN panted to Huo Dongyang. "Mr. Huo, I didn't bring it up just now."

"It's OK." Huo Dongyang said, "I believe in her!"

But the next time, everyone felt that the time passed slowly.

Qin Hao and John both think that Huo Dongyang is really too calm this time. The ex husband has come to see him. How can he calm down? Is he calm or pretending to be ok?

In fact, Huo Dongyang knows that his heart is a little worried!

In front of the elevator.

Yun Yiyan and Qiao Wei just stood there, no one wanted to speak.

Time also bit by bit, two people still did not move.

Yun Yiyan looks at Qiao Wei who has not seen for a while. This time, he really looked at it. She seems to be different.

In front of her than before beautiful and spirit of a lot of, that pair of eyes twinkle different light, white skin also has a light pink. Although there is no make-up, but also more than before to catch people, it seems that she also got rid of that humble label!

In fact, when you look at it carefully, Qiao is not bad at all. She's like a lotus flower out of mud.

"It looks like you're doing well. You look good." Yun Yiyan finally spoke.

Qiao Wei raised his eyelids. "You are better than last time."

"Qiao Wei, are you very proud now?" Yun Yiyan couldn't help speaking.

"What do you mean by that?"

Cloud Yiyan raised a sneer at the corners of his mouth. "A good man! Did you sell yourself because that man is the president of HD? "

Cloud Yiyan's words caused Qiao Wei's disgust, "don't you talk nonsense!"

"Isn't it?" Yun Yiyan then asked. "Don't tell me, you don't know his identity yet?" Qiao Wei doesn't want to continue discussing this topic with Yun Yiyan. "It's time."

Yun Yiyan snorted. "Qiao Wei, that man is not as simple as you think, he just wants to use you. Do you really need to jump into this fire

Qiao Wei looked at Yun Yiyan calmly, "this is my business."

Cloud Yiyan heart a tight, Qiao Wei is really changed. "Are you in love with him?" So willing to go through fire and water for him?!

Qiao Wei showed a brilliant smile, and this smile also stabbed Yun Yiyan. It turned out that her smile was so beautiful. If so, would she let go?

"I'm in love." Qiao Wei also generously admitted. "I don't think a woman can refuse a man like him."

"Qiao Wei, your love is really superficial."

Qiao Wei continued to smile and say, "in your opinion, it is superficial, but in my opinion it is beautiful. I also want to work hard for myself once! Yunyiyan, since you have decided to put the past behind you, you should also go to look for your one! "

Finish saying, Qiao Wei presses elevator.

Cloud Yiyan saw Qiao Wei want to close the door, he quickly pressed the elevator door, do not let the door close.

Qiao Wei looks at Yun Yiyan blankly. What is he going to do?

"Yun Yiyan, what else do you want to say?"

"Qiao Wei, Huo Dongyang is really not suitable for you!" Yun Yiyan almost blurted out the secret that was hidden in it, but when it came to his mouth, he still held back. I don't know if I don't want to hurt Qiao Wei, or what. This feeling, he can't say clearly.

Qiao Wei looked at Yun Yiyan, "he is not suitable, only try to know."

"How long have you been divorced and can't wait to get into another man's bed?"

Qiao Wei didn't like Huo Dongyang saying, "this is my business."

"You Yun Yiyan really can't say a word. Now Qiao Wei does not have the acquiescence of the past, she has become very have their own ideas.

Qiao Wei looked at the time on the mobile phone, "I have to work later."

Yun Yiyan looks lost. "Jovi, what if I want to remarry with you?"

## [Chapter 94](#)

Yun Yiyan's words made Qiao Wei completely confused.

"What did you say?" Qiao Wei asked again. She wanted to make sure she had heard something wrong.

Yun Yiyan looks at Qiao Wei, and his expression becomes serious. "Let's remarry," I said

This time, Jovi heard it clearly. She really didn't expect Yun Yiyan to say such a thing. She still remembers Yun Yiyan's expression that he tried everything to get a divorce at that time. How firm he was. Now he says he wants to remarry? Isn't that ridiculous?

"Yun Yiyan, are you ok?" Qiao Wei is more like asking him, did you take medicine today?

Yun Yiyan shakes his head. "I mean it. You can think about it. "

Qiao Wei almost said at the moment that Yun Yiyan finished saying, "I won't remarry with you!"

"Why?" Yun Yiyan suddenly wanted to know why. Did not Qiao Wei love himself?

Qiao Wei said to Yun Yiyan, "no why! Marriage doesn't have such a trifle. It's not like you want to get married or leave when you want to leave. Marriage is a promise! "

"....."

"Yun Yiyan, we are really over. You have also said that we are a mistake, since it is a mistake, then separate. It's good for everyone. "

Qiao Wei's words make Yun Yiyan unable to put down his hand.

The elevator door also slowly closed, Qiao Wei faintly seems to see cloud Yiyan eye ground that wipe hurt. But her heart was as calm as a lake.

Yun Yiyan stood in front of the elevator door with his head down, unable to see his expression at this time.

Not far away, Xiang Qing's figure also disappeared. In fact, he had been waiting in the lobby, waiting for Jian LAN and Qiao Wei to come back, and then prepare for the boss to be an outpost.

I didn't expect to see such a scene. Seeing the appearance of Yun Yiyan, Xiang Qing can't help but feel that Qiao Wei's performance this time is really good! I didn't let the boss down.

Xiang Qing returned to the office as quickly as possible, and told Huo Dongyang what had just happened.

Finally, in Huo Dongyang's face without any expression, he finally had a warm color.

Qiao Wei went upstairs and went to the bathroom to wash her face. Although Jane LAN had done it for herself before, she still felt that she needed to be washed and refreshed.

Looking at the face dripping with water in the mirror, Qiao Wei reached out and touched it. It seemed that he was really different from before.

Without much thought, Qiao Wei drew out a piece of paper to wipe off the water on his face. She said to herself in the mirror, come on!

Or because she has made it clear to Yun Yiyan that she is extremely relaxed now.

Walking back to the company with light steps, the result is still a few steps away, Qiao Wei found that the office did not turn on the lights. Is there a power failure? Qiao Wei feels strange, she walked forward a few steps.

It turns out that the lights in the whole office are not on, and there is no one at the front desk.

Qiao Wei opened the door of the office, she found that there was something abnormal quiet inside.

"Anybody?" There was a cry from Jovi. Where have all these people gone? Why is there no one? It seems that even Jian LAN is not here!

After a while, Qiao Wei seems to have stepped on something.

She turned on the light on her mobile phone and found that the floor was covered with rose petals, and it was like a road leading to somewhere in front of her.

Qiao Wei with the light of the mobile phone, slowly step on the road of roses.

Half way through, the lights on the edge suddenly came on. Qiao Wei also seems to be scared.

She looked back and found a pink rose ball on the four sides of the office. Under the light, the rose ball gives a warm feeling.

Qiao Wei stops. What's the situation? Magic? Or are there celebrations? And it should be controlled by people.

"What the hell is going on here?" Asked Qiao Wei.

Suddenly a beam of light hit Qiao Wei not far away, where it seems to be placed something, Qiao Wei with curiosity walked past.

Every step she took, the lights around her turned on one by one. When Qiao Wei went to the light of the light, all the lights in the office were turned on.

At this time, Qiao Wei finally saw everything in front of her. She was standing under the arch decorated with roses. She looked back and saw that the place she had just passed was a passage, a road made of rose petals. On both sides of the road, there were a row of neat styles tied with pink balloons.

This office has also become a sea of flowers, and now the scene is very similar to the wedding scene in the TV series.

Qiao Wei showed a brilliant smile, at this time the scene let her feel very much. She didn't expect such a scene to appear in front of her eyes.

At this time, there was applause all around.

Qiao Wei looked at them with moist eyes, "you are..."

Seeing the person who suddenly appeared in front of him, Qiao Wei felt very happy.

"Bless you All the people said the same thing to Qiao Wei. Qiao Wei blinked, she did not understand, what is the situation now?

Jane LAN reached out and pointed to the back of Qiao Wei, and said to Qiao Wei in a low voice: "behind."

Qiao Wei looked back and saw the tall figure standing at the other end of Rose Road. In an instant, tears came out from the corner of his eyes.

Although not far away, Qiao Wei can still feel Huo Dongyang looking at his eyes is so focused.

Huo Dongyang saw Qiao Wei cry, he showed a spoiled smile. He walked towards Jovi with a big bunch of roses in his arms.

Qiao Wei's tears to see Huo Dongyang closer and closer to himself, he is really very handsome today, is simply a second kill the whole audience.

When Huo Dongyang stopped in front of Qiao Wei, Qiao Wei laughed.

Huo Dongyang reached out to wipe away the tears from Qiao's tiny eyes, and his voice was still magnetic. "You look better when you laugh!"

"What is this for?" Qiao Wei's voice has some nasal sounds.

Huo Dongyang held the flower in his hand and handed it to Qiao Wei, "this is for you."

Qiao Wei looked at this bunch of so big flowers, and also saw the three particularly eye-catching blue enchantress. Her heart moved, Huo Dongyang this is to declare to himself?

"Remember when I asked you what the blue enchantress stands for?" Huo Dongyang opens his mouth.

Qiao Wei repeatedly nods, she is very lovely reply: "I went to check."

Huo Dongyang a smile, "really to check?"

"Well!" Joe nodded hard. "I know what it means!"

Huo Dongyang takes out a small box from his pocket. He looks at Qiao Wei affectionately. "Qiao Wei, no matter meet, know each other or love each other, do you want to accompany me to go down?"

Qiao Wei saw Huo Dongyang open the small box with a pair of glittering rings in it.

Huo Dongyang took out one of the rings and said with a smile, "Qiao Wei, would you like to marry me?"

## [Chapter 95](#)

Hearing such a sentence, Qiao Wei's tears flowed out again.

From childhood to adulthood, I've been dreaming of marriage proposal, and I've actually appeared in front of myself.

Jovi was so excited that she didn't say a word.

John said, "boss, this proposal needs to be on your knees! Otherwise you can't see your sincerity! "

The others yelled together.

Huo Dongyang looked at Qiao Wei did not respond, he stepped back and slowly squatted down.

Qiao Wei quickly stepped forward to support Huo Dongyang, "you don't have to do this!"

"Isn't it always the way to propose marriage?" Huo Dongyang looks up at Qiao Wei.

Qiao Wei quickly shakes his head, she does not want Huo Dongyang to kneel down, she does not need to be like this.

Qiao Wei answered directly and loudly, "I promise you!"

Huo Dongyang stood up straight, he asked another side, "are you sure?"

"I'm sure!" Replied Jovi. She did not forget the fact that they were husband and wife for a long time! It's just that she didn't expect Huo Dongyang to suddenly propose to her.

Hearing Qiao Wei's reply, Huo Dongyang smiles and puts the ring in his hand for Qiao Wei to wear.

Qiao Wei saw the ring on the ring finger of his left hand, which really felt different.

Huo Dongyang takes Qiao Wei's left hand, he lowers his head and kisses the ring he wears.

Qiao Wei felt the warmth from the fingers to his heart, this man is really poisonous!

Huo Dongyang gently looked at Qiao Wei, "also help me take it."

Qiao Wei holds that big bunch of roses in his hand and hands it to Jian LAN, and then picks up the man's ring for Huo Dongyang to wear.

Huo Dongyang also showed a brilliant smile, "thank you, wife!"

Qiao Wei looks at Huo Dongyang. She suddenly stands on tiptoe and kisses Huo Dongyang.

Huo Dongyang immediately put out his arms around Qiao Wei's waist and took the initiative to deepen the kiss.

Around the ring of warm applause, "congratulations to Mr. Huo, congratulations to madam!"

In a blessing, Huo Dongyang hugs Qiao Wei and kisses affectionately. This woman, he really wants to take care of her life!

John whistled, "boss, great!"

After a while, Huo Dongyang let go of Qiao Wei and said with their two voices: "you will be my man in the future." *noVelusB.cOM*

"I'm not always your man?" Qiao asked with a smile. "We've all got certificates."

Huo Dongyang smiles. "Now, then, it is aboveboard and worthy of the name!"

Qiao Wei reached for Huo Dongyang and said, "Dongyang, thank you for giving me a new life!"

Here is constantly cheering, but did not notice a lonely figure at the door. He clenched his fist and looked at the pair of people tightly embracing each other. He felt as if he had been beaten by something. It was painful and bruised.

Forced to close his eyes, Yun Yiyan turned hard.

This scene happened to be discovered by the sharp eyed Xiang Qing, and now it's too late to retrieve it! The applause at the scene seemed to cover up such an inharmonious scene. Everyone's attention stays on Huo Dongyang and Qiao Wei.

At the end of the proposal, Huo Dongyang handed out red envelopes to those present today, and everyone got a lot of 888.

Huo Dongyang and Qiao Wei left the office and continued their Valentine's day arrangements.

In the car.

Qiao Wei carefully looked at the ring on his hand, but the simple design was ingenious. Qiao Wei looks at that is like the letter Y pattern quietly, this y in the middle of a not big diamond.

She reached out and took Huo Dongyang's hand. His ring was more simple, but there was a ripple like pattern on the front.

"This is the letter W." Huo Dongyang explained.

"W?" Qiao Wei didn't quite understand, "so this is the real letter Y?"

Huo Dongyang nods. "Yes, for us."

Qiao Wei lowered his head again and looked at the two hands held together. The two letters collided together, as if they were really made for each other. Qiao Wei understood that Y represents Huo Dongyang's Yang and W's represents Qiao Wei's micro. You have me, I have you.

"It's really a special design." Jovi really liked it.

Huo Dongyang stretched out his hand and hugged Qiao Wei into his arms. "When I got married, I didn't prepare anything. You don't mind? "

Qiao Wei quickly shakes his head, she did not think too much at the beginning.

"Where else do we want later?"

Huo Dongyang thought for a moment, "watch a movie."

Qiao Wei seems to be some can't believe that people like Huo Dongyang should go to the cinema to see a movie. "Really going to see a movie?"

"You don't like it?"

"Today is Valentine's day. There will be a lot of people." Qiao Wei was stunned. She stares at Huo Dongyang. "Dongyang, are you preparing for Valentine's day with me today?" Huo Dongyang nodded. "I always feel that I owe you a proposal, so I just come across such a festival, which is convenient for me to remember!"

"That's very kind of you." Qiao Wei said the truth.

Huo Dongyang hugged Qiao Wei, "Qiao Wei, I can't give you a grand wedding now. Do you feel uncomfortable?"

Joe shook his head. "No! I'm already satisfied. I have enough memories of my whole life! "

Huo Dongyang also secretly vowed that he would give Qiao Wei a grand wedding ceremony when all the things were settled. This is his promise to Qiao Wei.

When they came to the cinema, there were a lot of them.

"What do you like to see?" Huo Dongyang asked.

Qiao Wei saw a lot of people, and it was not clear when the ticket could be arranged.

"Dongyang, let's go home! There are a lot of people Suggested Qiao Wei.

In fact, Huo Dongyang also has some resentment. There are a lot of people here and they are very noisy.

"Are you sure you're home?"

Qiao Wei nodded, "Well! We can go home and watch movies

After dinner at home, they went back to their room to go to the movies.

"Dongyang, thank you for giving me such a romantic and warm Valentine's day today!" Qiao Wei is on Huo Dongyang's shoulder.

Huo Dongyang raised the corner of his mouth. "Me, too."

Because of you, this festival is different!

But before the movie was over, Qiao Wei fell asleep on Huo Dongyang's shoulder.

Huo Dongyang reached out and took Qiao Wei into his arms. He picked up the remote control and turned off the TV.

He helped Qiao Wei to lie down and leaned over her forehead and gave her a kiss. "Good night, mygirl!"

Huo Dongyang got up and went out of the room. He went to the study and picked up the phone.

Although the mobile phone is silent, Huo Dongyang noticed that the call had been made several times.

"Hello

"Schoolmaster, it's me."

Huo Dongyang said, "I have received the task from John. I'll go to Wynn for an interview tomorrow

"I see."

"Schoolmaster, this time I will work hard to complete the task, you can rest assured!"

Huo Dongyang didn't say anything more, he just hung up.

That pair of blue and gray eyes in the dark reflect different light, the war is finally about to start.

another day.

Mo Ling changed her clothes and picked up her bag for an interview.

This time, she will certainly complete Huo Dongyang's mission. She wants to know that Huo Dongyang wants a firm foothold in city a, he must take down the Yunshi.

As soon as he got downstairs, John drove to pick her up.

"Such a good welfare." Mo Ling said with a smile.

John glanced at Mo Ling lightly and did not answer. This woman is really suitable for latent work. She has capital and ability. This arrangement is really the best choice.

"Here's some information. Take it and read it first." John has a totally working tone.

Mo Ling picked up the information and looked at it: "vice president, you can rest assured! I will finish the task. "

"You have to do more and talk less. If you can successfully win the position of assistant Yun Yiming is the best. If not, other positions can be done first. " John didn't forget to tell. "Our ultimate goal is to take the Wynn."

Mo Ling smiles confidently. "Don't worry, vice president! This time I'm also determined to get it

John knew that Mo Ling had such ability, but he did not forget to remind her. "Be careful in everything! Yun Yiming is not an oil-saving lamp. We have only one chance, so we must be cautious! "

"Yes Mo Ling nodded and carefully read the information given by John.

The car stopped not far from the Wynn building. "I'll take you here. The rest is up to you. "

"Good!" Moling unfastened the seat belt.

John finally said something. "If you have news, report it immediately and pay more attention to yourself."

Mo Ling nodded and pushed the door open.

Wearing a professional suit and a standard model figure. As soon as moling entered the Wynn building, it also attracted many people's attention.

"Hello! I'm here to interview the assistant general manager Mo Ling said to the front desk.

"Please fill out the form here."

Mo Ling took the form, and she went to the side of the small table to fill in the information.

There was a commotion at the door.

Mo Ling looked up and saw Qiao Xin stepping on Hentian Gao, wearing a light red dress.

Qiao Xin directly across the front desk into the elevator, a pair of high above the appearance.

At this time, Mo Ling also heard other interviewers talking about it.

"I think she just went through the back door."

"Yes, I heard she has a close relationship with Vice President Yun."

"Isn't she pregnant? I dare to wear high shoes and make-up. "

"Didn't you hear that? I really think it's not from the cloud family. It's taken away. "

.....

While filling in the information, Mo Ling listened to the discussion between the two women opposite.

Formal interview also began, mo Ling did not see Qiao Xin in the interview place. It seems that she really passed without an interview.

Mo Ling adjusted her mood and tried to have it once.

The requirements for Yun Yiming's assistant are really high. Mo Ling can be said to have passed five passes and cut six generals, and finally met Yun Yiming.

Yun Yiming looks at Mo Ling's information and asks a few questions. "Miss Mo, just returned from abroad?"

"Yes! I just came back two weeks ago Mo Ling replied.

"I see your information. Your major and ability are very good. Why not stay abroad? "

"I think it's more intimate in China."

Yun Yiming nods. Mo Ling's resume is really good. Even if she had to take a team alone, there would be no problem.

"Miss Mo, why are you interviewing for this assistant job? Don't you feel aggrieved? "

Mo Ling smiles. "How can it be wronged? I just came back, and I don't know much about everything here. I have to learn a lot from the beginning. What's more, it's my honor to be the assistant of general manager Yun in Yunshi. "

Yun Yiming is not critical of mo Ling's answer. "Miss Mo, why not go to hd-qh? The momentum there is good recently, and it's especially suitable for returnees like you! "

"Cloud always thinks I'm not qualified for the job of an assistant?" Mo Ling's eyes darkened.

Yun Yiming shakes his head. "Just curious."

"Hd-qh is just a small company now, they work the same as abroad." Mo Ling replied. "I've always liked challenges."

To Mo Ling's answer, Yun Yiming couldn't find anything wrong.

At this time, Yun Yiyan directly pushed the door in.

"Big brother!"

Yun Yiming frowned, "didn't you see me in the interview?"

Yun Yiyan nodded his head. "I'm sorry!"

"You go out first." Yun Yiming says to Yun Yiyan.

Yun Yiyan has some helplessness, but he still closes the door and goes out.

Mo Ling also saw that their brother's feelings were not good. It seems that they can take advantage of this in the future. "Miss Mo, let's go on." Yun Yiming continued.

Mo Ling nodded. "OK."

After that, Yun Yiming also asked some professional questions, and Mo Ling also answered them well.

When Yun Yiming is thinking about Mo Ling's future, Qiao Xin rushes in.

"Mr. Yun, what do you mean now?" Qiao Xin threw a word out of his head.

Yun Yiming frowned, "what's the matter with you? You think it's in senjo. You can let you in? "

Feeling Yun Yiming's anger, Qiao Xin doesn't dare to make a mistake.

Mo Ling looked at Qiao Xin and nodded her head slightly. It's a pity that Qiao Xin didn't pay attention to her, and her eyes just ignored Mo Ling.

This is absolutely an insult to Mo Ling, who has a strong sense of self-respect. She also remembered this time that she must return Qiao Xin.

"Miss Mo, go back and wait for the news." Yun Yiming says to Mo Ling.

Mo Ling nodded and she stood up. She turned around and saw Qiao Xin's feet. She lifted up a corner of her mouth.

Qiao Xin looks at Mo Ling, who is much higher than herself. She frowns. "Mr. Yun, is this the person who came to interview the assistant?"

Yun Yiming really wants to drive Qiao Xin out, but Mo Ling is here. He doesn't want to ruin his image.

"It's my business."

"So this is the man you're replacing me with?" Qiao Xin looked at Mo Ling carefully. "It's really good, but I don't know what's going on in bed?"

Mo Ling immediately frowned, this Qiao Xin speech is really not through the brain, these words also said.

When Qiao Xin is ready to go forward, Mo Ling also sees the opportunity. She stepped on Qiao Xin's instep, and then the whole person habitually fell forward.

Qiao Xin calls out first, Mo Ling by the advantage of long legs, one step to hit the door, also just to prevent their own fall.

But behind her Qiao Xin appears very embarrassed, the pain on the instep lets her whole person almost jump up.

However, in Yun Yiming's opinion, Qiao Xin started to bully Mo Ling first.

"Qiao Xin, what are you doing?" Yun Yiming's voice is full of displeasure!

Qiao Xin opened her mouth. She bit her lips. Just now I want to give this woman a lesson, but I suffer a loss!

## [Chapter 97](#)

Yun Yiming immediately stood up, and he went to moling.

"Are you all right?"

"It's OK." Mo Ling shook his head. "Sorry, Mr. Yun. I think Madame has misunderstood me

Hearing Mo Ling's words, Yun Yiming looks even worse.

"This woman has nothing to do with me!" Yun Yiming immediately clarified his relationship with Qiao Xin.

After hearing this, Mo Ling quickly apologizes to Yun Yiming. "Mr. Yun, I'm sorry! I thought that the man who dared to speak to him like that was his wife. "

"You have just come back from abroad. You must not know our famous Miss Qiao." Yun Yiming's words are full of satire.

Mo Ling reached for her arm and frowned slightly.

"Hurt?" Asked Yun Yiming.

"Hit it. It's OK." Mo Ling replied.

Yun Yiming looks back at Qiao Xin. Isn't she very concerned about this position now? Then he would not let the Qiao family succeed.

"Miss Mo, you come to work tomorrow."

When Mo Ling heard what Yun Yiming said, she couldn't help laughing. It seems that this move works! But her face was still surprised, "what?"

Yun Yiming said to Mo Ling, "you have been admitted. Go to work tomorrow and be my assistant!"

Mo Ling was also surprised and surprised. "Thank you, Mr. Yun. I will try my best."

"Today you go back to rest first!"

"Good!"

When Mo Ling was about to leave, she also took a look at Qiao Xin. Then she had a chance to deal with Qiao Xin.

After leaving Yunshi, Mo Ling called Huo Dongyang directly to tell him that he had been admitted.

But Huo Dongyang did not answer the phone, and Mo Ling had to end the call.

Then she sent a message to John, who just sent a message saying OK!

Mo Ling looks at the cloud building backstage. As long as it is what Huo Dongyang wants, she will help Huo Dongyang get it!

Days passed by like this for a few days.

On this day, the construction of Chengdong began.

Qin Hao takes Qiao Wei and Jian LAN to inspect the scene. There was so much dust on the scene that it was almost impossible to see around.

Qiao Wei and Jian LAN have also worn masks, but still feel uncomfortable. Qin Hao talks to the person in charge of the construction site not far away.

Qiao Wei and Jian LAN stood at the gate, she looked at the open space in front of her. In the near future, a large square will be built here.

"Slightly, it feels so strange! I'm very excited to start designing now. " Jane Lan said.

"Like your own child, right?" Asked Jo, smiling.

Jian LAN nodded, just like a child, from conception to birth to growth, step by step.

Qin Hao came over and said, "Jian LAN, we need to confirm the situation with the construction workers again. Come with me."

"Good!"

"Qiao Wei, you go back first! We may not be that fast on our side. "

Jovi nodded. "Good!"

Watching two people go to the construction site inside, Qiao Wei turns back first.

Before walking to the bus stop, a black car stopped by Qiao Wei's side.

Qiao Wei was a little wary, and she immediately stepped back a few steps.

Window down, Qiao Wei see car sitting people, her face changed.

"Weiwei, get in the car!" It's YUNZHUO.

This is the first time Qiao Wei saw YUNZHUO from the day he left the cloud home.

"Tiny, I won't delay you for a long time." YUNZHUO's tone also carries the meaning of request.

Joo got off the car and nodded.

"Xiao Li drives." YUNZHUO told the driver to drive.

YUNZHUO looked at Qiao Wei, "look at you, it seems that you have a good life."

Joe answered softly. Since no matter what happened to the Qiao family and the Yun family, she has become relaxed and has to eat more than before.

YUNZHUO saw that Huo Dongyang was very good to Qiao Wei, "is he good to you?"

Qiao Wei was a little surprised that YUNZHUO would ask this question. Shouldn't he feel angry? That day he and Huo Dongyang left, he will certainly have no face, so his anger is justifiable.

YUNZHUO smile, "slightly, I am also reasonable. After all, it was Yi Yan who made a mistake. "

"Grandfather, I'm fine now." Replied Jovi.

Hearing Qiao Wei's address, YUNZHUO showed a meaningful smile. "Should this title be changed?"

Qiao Wei immediately realized what YUNZHUO meant. Yes, she divorced Yun Yihan. She shouldn't call him grandfather. "I'm sorry, chairman Yun. I'll pay attention to it later."

YUNZHUO shook his head. "I don't mean that. Or you should call me something else. "

"Well?" Qiao Wei really didn't understand.

YUNZHUO knows that Huo Dongyang certainly didn't talk about the cloud family with Qiao Wei, so he didn't bother with such a name too much. The car soon stopped at a Chinese restaurant.

"Have dinner with me at noon."

Now that she is here, Qiao Wei can only nod, and she helps YUNZHUO get off the bus.

YUNZHUO specially opened a room.

During the meal, YUNZHUO asked about her and Huo Dongyang.

"Where do you live now? Do you live with him? "

Joe nodded, "yes!"

"Weiwei, you should accompany him more when you are free! It's not easy for him these years YUNZHUO said.

When Qiao Wei heard this, she stopped her chopsticks. "Chairman Yun, do you know Dongyang?"

Cloud Zhuo just want to answer, happened to see Qiao Wei left hand wearing a ring. He is a face of excitement: "slightly, you..."

Qiao Wei quickly put his hand away, her face with tangled.

YUNZHUO knows that he has scared Qiao Wei. "Weiwei, I don't mean anything else. I just want to know whether you are doing well now? Of course, you have the right to choose happiness again. "

Qiao Wei has always had a good impression on YUNZHUO, so she believes in YUNZHUO's words. So she didn't hide it from YUNZHUO. "Yes, we are married."

"Really?" YUNZHUO is even more excited. "Good, good for marriage!"

Joe frowned slightly. The old man's reaction was really strange. Actually said that he and Huo Dongyang married well, always feel something wrong!

"Weiwei, you and he must understand and support each other!" YUNZHUO went on.

"Chairman Yun, you really know Dongyang, right?" Qiao Wei still asked the doubts in his heart. Now only this question can explain all this, otherwise YUNZHUO would not speak to himself in such a tone. This is clearly what the elders would say to the new daughter-in-law.

YUNZHUO was asked by Qiao Wei and realized that he had said something wrong. He was too excited. Now how do you explain that?

Seeing YUNZHUO's floating eyes, Qiao Wei confirms that YUNZHUO really knows Huo Dongyang, and their relationship seems not simple.

In the face of Qiao Wei's doubt, YUNZHUO really has some regrets. Huo Dongyang certainly does not want to let Qiao Wei know these, all blame oneself for a moment of excitement, the result showed everything.

"I..." YUNZHUO said a word and stopped.

"I know his mother."

When Qiao Wei heard this, his eyes widened.

## [Chapter 98](#)

Time passed.

The two seemed to be silent, and neither one spoke.

Qiao Wei is really shocked that YUNZHUO knows Huo Dongyang's mother. What's more, it seems that the relationship between them is different.

When YUNZHUO talked about Hawthorne, he couldn't restrain his feelings.

"Wei Wei, did Huo Dongyang mention his mother to you?" YUNZHUO finally spoke after silence.

Qiao Wei has cleaned up her emotions, but she did not directly answer, but asked another: "how does chairman Yun know Dongyang's mother?"

"I've known her for years."

Qiao Wei can see that YUNZHUO has deep feelings for Huo Dongyang's mother. YUNZHUO should like her mother! Otherwise he would not have shown such an expression.

"My mother has been dead for many years. Do you know that? "

YUNZHUO hesitated for a moment, then nodded. Just so many years, he has been afraid to see her, even in the cemetery in a city, he did not dare to go.

Seeing YUNZHUO's expression is very painful, Qiao Wei's heart has determined one thing. YUNZHUO has something to do with Huo Dongyang's mother's death!

If this is true, then Huo Dongyang should not want to see the people of the cloud family. This seems to confirm one point, that is, he has never allowed himself to contact the people of the cloud family before.

Relative to this side of the silence, Huo Dongyang there are chaos.

Qin Hao and Jian LAN return to the office but find Qiao Wei has not come back. Then immediately called Qiao Wei, but her mobile phone was turned off.

There is no way, Qin Hao can only tell Huo Dongyang.

Huo Dongyang also came to the office after receiving the news, his calm face. Other people dare not say a word, it is a big low pressure completely.

Qin Hao felt that he had a great responsibility. "Dongyang, I have a responsibility for this matter." He shouldn't have asked Jovi to leave first, so she won't be lost.

Huo Dongyang put one hand in his trouser pocket, but no one found that hand had clenched his fist tightly.

Who is going to take Jovi? As a rule, no external person knows his relationship with Qiao Wei, so he should not use her to coerce himself.

If this reasoning does not hold, then there is only one reason. That's how Jovi was taken away by someone she knew. Only in this way, Qiao Wei didn't resist, but Huo Dongyang couldn't think of it. Was Qiao Wei's mobile phone out of power? Or did she turn it off herself?

John stood in front of Huo Dongyang and said cautiously, "boss, Qiao Qingdong asked me to convey a message to his wife. But I never said that. "

Huo Dongyang slowly raised his head, "what did he say?"

"He said to let his wife see him." John's voice is very low.

Huo Dongyang frowned, is it really Qiao Qingdong who took Qiao Wei away? If so, then Qiao Wei's situation may not be very good.

At this time, Huo Dongyang's mobile phone rings.

"Xiang Qing, how is the situation?"

"My wife was followed by a car after she left the construction site." Xiang Qing replied. "I checked, that car is YUNZHUO's!"

Hearing this, Huo Dongyang immediately asked, "where are they now?"

"A Chinese restaurant on XX road named Zhengtai."

Huo Dongyang stood up. "Come and pick me up right away."

"Yes

Qin Hao and John are relieved to hear from Qiao Wei. Otherwise, they will be frozen in the face of cold Huo Dongyang all the time. No one can stand Huo Dongyang's anger!

Huo Dongyang left in a hurry, and John gasped heavily. "OMG! The boss's expression just now was really frightening. "

Qin Hao has the same feeling. If Qiao Weizhen has an accident, maybe Huo Dongyang will directly let that person pay for his life!

"Qin, don't you think boss is going to meet that man head-on?"

Qin Hao's face was helpless, "now he only has his wife in his eyes! Everyone else is no longer important."  
"

Huo Dongyang arrives at the gate of the Chinese restaurant.

"Do you know in that room?" Huo Dongyang asked directly.

Xiang Qing looked at Huo Dongyang, "boss, do you really decide to face him face to face?"

Huo Dongyang was in a bad mood, and was said by Xiang Qing. His anger also came up. "There's so much nonsense!"

Xiang Qing lowered his head and told Huo Dongyang the room number.

Huo Dongyang just went up the stairs and saw Qiao Wei come down anxiously.

Qiao Wei stood on the stairs and looked at Huo Dongyang, wondering how he could be here.  
"Dongyang?"

Huo Dongyang stopped the pace of upstairs, he also raised his head and looked at Qiao Wei like this.

They just stood there, and neither of them spoke.

Huo Dongyang collected his emotions and said, "I'm here to pick you up."

When he heard this, Joe gave a slight smile. "I worry you."

Qiao Wei just found that the mobile phone didn't know when it was pressed and turned off. After rebooting, Qiao Wei sees Qin Hao, Jian LAN and Huo Dongyang's phone call to himself. So she said to YUNZHUO in a hurry, and she was ready to go back with her bag. I didn't expect to see Huo Dongyang when I came here.

Qiao Wei quickly walked down the stairs. She reached for Huo Dongyang's hand.

"Let's go!"

Huo Dongyang clenched Qiao Wei's hand. "Not next time."

"Well!" Joe nodded. "No more."

Huo Dongyang's heart finally returned to calm, as long as she came back.

YUNZHUO stood upstairs and looked at the scene of two hands holding hands to leave, and felt very comforted. Since they choose to be together, he will certainly support them fully, which is the only thing he can do.

After getting on the car, Qiao Wei also confessed to Huo Dongyang.

"I just met the old man of the cloud family." Joe spoke.

Huo Dongyang's eyes fluctuated, but he also suppressed his emotions. "Well!"

"Dongyang, he said he knew his mother!" Added Jovi.

Huo Dongyang looks back at Qiao Wei and seems to be nervous. "What else did he say?"

"He didn't say anything but asked about you and me." Replied Jovi. "He was very happy to hear that we were married! It makes me a little confused. "

Huo Dongyang hugged Qiao Wei, "don't think about it if you don't think clearly."

Qiao Wei leans in Huo Dongyang's arms, it seems that the things inside are really not simple. However, Huo Dongyang did not say that she would not ask.

"Qiao Wei, you just need to be clear. You are my wife Huo Dongyang! Don't worry about other things

Qiao Wei understands that Huo Dongyang doesn't want to get involved in these things. After all, she just got out of these complicated things.

She nodded. "Well! I'll listen to you

Huo Dongyang heard Qiao Wei's reply, and his heart also settled down.

"Dongyang, I'm hungry." Qiao Wei does not want to continue to precipitate in such an atmosphere, a rare act of coquetry.

Huo Dongyang raised the corner of his mouth. "Didn't you eat it just now?"

"Yes." Qiao Wei raised his head and looked at Huo Dongyang. "I want to eat with you."

Huo Dongyang reached out and ordered Qiao Wei's nose, "OK, take you to eat delicious food!"

## [Chapter 99](#)

Like this, days passed by.

This day, Qiao Wei just returned to the company's downstairs to see a familiar sports car.

Qiao Wei knows that this is Qiao Xin's car, but why is her car here?

Qiao Wei stopped and the door of the sports car opened.

Qiao Xin stepped on a pair of high-heeled shoes and came over, "Qiao Wei, you are really a big brand! Dad asked you to go back several times, but you didn't see it

Qiao Wei looks at Qiao Xin, she seems to be thin, and not as good-looking as before.

"What are you doing looking at me like this? Envious? " Qiao Xin raised the corner of her mouth.

Joe shook his head slightly. "No!"

"Hum!" Qiao Xin is still so arrogant. "I'm just here to let you know. Dad will have a few days' birthday and let you go home for dinner

After listening to Qiao Xin, Qiao Wei thought about it. Yes, Qiao Qingdong's birthday is coming.

Qiao Xin narrowed her eyes. Qiao Wei hasn't seen her for a period of time. Now her dress and dressing style are different and her looks are very good. It seems that with that little white face together, people seem to be a lot younger!

"By the way, bring your little white face back." This sentence was added by Qiao Xin himself. She just wants to see how Qiao Wei and the little white face make a fool of themselves. "Although he looks like a model, I didn't expect to be a soft eater!"

Qiao Wei frowns, she also knows who Qiao Xin is talking about. "I don't want you to say that to him!"

"Oh. Is it still painful? " Qiao Xin is a face of irony! "Don't you come out now to earn money to support him? Qiao Wei didn't expect you to be reduced to such a situation! But I think you're willing, too

Qiao Wei clenched his hand, "Qiao Xin, there is also a bottom line to speak!"

"Qiao Wei didn't expect you to love that soft meal so much, why? And want to defend him! " Qiao Xin continued.

Qiao Wei in the heart is angry, she comes forward to give Qiao Xin a slap in the face.

After the fight, Qiao Wei was stunned and her hand hurt faintly. I really don't understand why so many people like to slap their hands, don't their hands hurt?

Qiao Xin covered her face with her hand. "Qiao Wei, how dare you hit me!"

Qiao Wei put down his dull painful hand, rare strong. "Who let you talk nonsense!"

"What? Do you really fall in love with that little white face? Not a few words? "

Qiaowei seldom gets tough once, "you say he can't! He's not what you say

In the face of such Qiao Wei, Qiao Xin felt that he did not get any benefits. She raised her hand and wanted to give Qiao Wei a slap, but before her hand went down, her wrist was caught by people!

Qiao Xin just wanted to curse, but when she saw someone, she was left with her mouth open.

The man with sunglasses in front of him has a strong aura. Although did not see his appearance clearly, but can feel his handsome and charm.

Huo Dongyang saw Qiao Xin looking at his eyes, he was impatient to push Qiao Xin away.

"Why are you so polite?" Qiao Xin is not satisfied with being treated like this by him.

Huo Dongyang said in a disdainful tone: "I don't need to be polite to people like you!"

"You Qiao Xin is angry. If it was not for the sake of his good looks, he would pursue it to the end.

Huo Dongyang ignored Qiao Xin, looked down at Qiao Wei, and changed a tone of voice and said: "am I ok?"

Joe shook his head slightly. "I'm fine!"

Huo Dongyang reached for Qiao Wei's hand, "let's go in!"

Qiao Wei nodded, as long as Huo Dongyang was around, she didn't have to worry about anything.

At this time, Qiao Xin saw the movement and expression of the two people, and also guessed that the man in front of him was the one who ate a soft meal just now.

It's really charming. No wonder Qiao Weigang wants to protect him like that! This is the best, in exchange for their own will be willing to pay.

"Qiaowei, I didn't expect you to dig a treasure this time!" Qiao Xin continued to mock.

Then Qiao Xin went to Huo Dongyang and said, "how much is it! You make a price, she Qiao Wei can afford, I Qiao Xin also can afford to pay

Huo Dongyang did not pay attention to Qiao Xin at all, even did not squint. He took Jovi around her and strode forward.

Qiao Wei looks back, she looked at Qiao Xin, eyes are dissatisfied. Qiao Xin's eyes are the same as when she looked at Yun Yiyan before.

Qiao Wei subconsciously approached Huo Dongyang and took Huo Dongyang's arm. This time she won't let anyone take Huo Dongyang.

How did Joe and Huo Dongwei find out the emotion

Qiao Wei did not answer Huo Dongyang, she took his arm tightly.

Huo Dongyang smiles, he can see Qiao Wei's mind. "What's the matter? No confidence in yourself? Or don't you have faith in me? "

Two people into the elevator, Qiao Wei just answered. "I have no confidence in myself!"

Huo Dongyang put out his arm around Qiao Wei's waist and put his forehead against Qiao Wei, "but I have confidence in you!""But..." Qiao Wei behind the words are submerged in Huo Dongyang this let people pine out of defense in the kiss.

Qiao micro reaction after also responded to Huo Dongyang. This man, she doesn't want to give up to any woman!

Qiao Qingdong's birthday was on the weekend.

Qiao Wei heard that Qiao Qingdong arranged a meal in Zhongcheng International Hotel and invited some partners with good relationship.

Joe, get up in the morning.

Is she going to the birthday party or not? In fact, her heart is repellent, but that day Qiao Xin also said that, she seems to have a look.

"What are you doing?"

Qiao Wei looked up at Huo Dongyang, "Dongyang, do you want me to go?"

Huo Dongyang went to Qiao Wei and sat down, "do you want to go?"

"Not really."

Huo Dongyang heard Qiao Wei's reply, and he guessed that she wanted to go. After all, that man is her father, although he is merciless to Qiao Wei, but in the final analysis, he is also a relative of Qiao Wei!

"If you want to go, I will accompany you!"

Qiao Wei hears Huo Dongyang's words, still some incredible. "Really?"

"Well! I'm going to see my father-in-law. " Huo Dongyang said with a smile.

Qiao Wei put his head on Huo Dongyang's shoulder, "Dong Yang, you have helped me a lot. In fact, you are not carrying this burden. Once they know who you are, they will certainly annoy you! "

Huo Dongyang heard Qiao Wei's words and felt warm in his heart! In fact, what he wanted was just her. He didn't pay any attention to others.

"Jovi, I'm your husband. If all these things can't be handled well, what else can we talk about to protect you? "

Qiao Wei reached out and hugged Huo Dongyang's waist, "I hope I'm not your drag!"

Huo Dongyang pulled Qiao up and said, "let's go!"

"Where to go?"

"Since I decide to go, I'm going to dress up." Huo Dongyang replied. "Let's see them today, who is the main character!"

## [Chapter 100](#)

Huo Dongyang took Qiao Wei to a famous dress shop.

It is said that the clothes here are designed by famous designers in the world. Jovi had heard of it before, but she never came.

Standing in front of rows of dresses, Qiao Wei really did not know how to choose, these are not her good at.

"Don't know how to choose?" Huo Dongyang asked in a low voice.

Joe nodded in a low voice. "I have no experience."

Huo Dongyang laughed, "I'll help you."

With that, Huo Dongyang took Qiao Wei's hand and walked in front of the row of hangers.

Do you have any special hobbies

"Don't be so sexy." Replied Jovi.

Huo Dongyang also nodded after listening, he would not let Qiao Wei wear those. Qiao Wei's figure is actually very good, although can't compare with the professional model, but for most women, she is really good.

What about the color

"Not too bright."

Huo Dongyang stopped, "I think you wear bright a little bit good-looking, people also spirit."

"Are we really going to steal the limelight?"

Huo Dongyang thought for a while and replied with a smile: "you are the president's wife of HD now! You don't have to grab it. It's yours too

Finally, Huo Dongyang chose several simple dresses for Qiao Wei.

"Go and try these."

Qiao Wei went into the fitting room with several dresses to change.

Huo Dongyang also really chose a Burgundy mop skirt for Qiao Wei.

After Qiao Wei changed, he came out.

Huo Dongyang looks at Qiao Wei in front of her, this dress outlines her figure more perfectly.

Qiao Wei is not used to it, because it is a bra style, she has been pressing her hands on her chest.

"Turn around." Huo Dongyang opens his mouth.

Qiao Wei obedient turn around, most of the beautiful back are exposed. Huo Dongyang frowned, just patronized to pay attention to the front, forget the back.

"This one is not good!" Huo Dongyang passes directly.

Qiao Wei immediately breathed a sigh of relief, because it is the floor type, so the calf there is narrow, it is not very convenient to enter.

"Next one."

Qiao Wei then changed a few pieces, Huo Dongyang felt dissatisfied. It seems that next time we have to change a store, the clothes of this store are not suitable for Qiao Wei.

Finally, Qiao Wei came out in a long light blue dress, which was a conservative one. Only half of the shoulder is exposed, and a bow is designed on the other shoulder. The skirt just reaches the ground. There is almost no dew in other places, and it doesn't look too heavy.

Qiao Wei went to Huo Dongyang and said, "how about this one?"

Huo Dongyang nodded, "this is it!"

Qiao Wei also breathed a sigh of relief when he heard that there was no need to continue to change. I feel very tired to change clothes for the first time.

Qiao Wei wants to change back his clothes, Huo Dongyang said: "just wear it!"

"No change?"

Huo Dongyang nodded, "we will start from here together later."

Qiao Wei was later taken to make up and comb his hair.

Huo Dongyang also chose a suit to change, especially an indigo dark suit.

Qiao Wei sitting in the position of office, free play by the makeup artist, she did not go to tube too much.

"Are you ready?" Huo Dongyang goes to the dressing room.

Qiao Wei heard Huo Dongyang's voice and opened his eyes immediately.

Huo Dongyang saw Qiao Wei in front of him. He was really surprised. This little woman is really beautiful in her make-up.

"What's the matter?" "Is it strange?" asked Jovi

Huo Dongyang shakes his head. "No! It's beautiful! "

Qiao Wei heard Huo Dongyang's praise. She was a little shy.

Huo Dongyang stepped forward and took Qiao Wei's hand. "I don't want other men to see you all of a sudden." Yes, he treasures it!

Qiao Wei sweet smile, "you are also very handsome!"

"Is this the rhythm of a couple's outfit?"

Huo Dongyang said with a smile, "if we are ready, we can start."

Qiao Wei looked at Huo Dongyang holding a tie. "Is this necessary?"

"I wanted to tie it up, but now I think I don't need it." Huo Dongyang replied. "It's a little easier."

Qiao Wei reached out and took the tie in Huo Dongyang's hand, "put it in my bag, and you don't have to hold it all the time."

See on the Qiaowei lip color, that crystal full lips, Huo Dongyang heart force move, also have no way to control themselves. He lowered his head and kissed Qiao Wei accurately.

This is just a taste, Huo Dongyang soon let go of Qiao Wei. "It's still a flower."

Qiao smiles and stares at Huo Dongyang with a deep feeling in his eyes. "It doesn't matter."

After that, Xiang Qing drove Huo Dongyang and Qiao Wei to Zhongcheng international hotel.

Qiao Wei knew that Huo Dongyang had something to deal with, and she did not quarrel with her. She looked out of the window quietly at the scenery. Looking at it, he felt that his eyelids were heavy and his head seemed to be dizzy. Then Qiao Wei closed his eyes.

Huo Dongyang after processing, he found Qiao Wei leaning on one side and asleep.

She seems to be very tired recently. She always falls asleep when she has nothing to do. It's the same now. How long did you fall asleep.

Huo Dongyang reached out to take Qiao Wei into his arms and let her sleep comfortably on his shoulder. I also want to find a time to take Qiao Wei to the hospital to have a look, if there is nothing, I also feel at ease.

Xiang Qing stopped the car. "Boss, here we are."

Huo Dongyang put away his mobile phone. Then he woke Qiao Wei softly. "Jovi, wake up."

Jovi opened her eyes and she looked outside. "Here it is?"

"Well!" Huo Dongyang answered.

Qiao Wei reached out and patted himself in the face. "I seem to fall asleep very easily recently."

"Did you notice that?" Huo Dongyang then asked. "Take you to the doctor sometime."

Qiao Wei is a little embarrassed. "No! It is estimated that it is caused by the high-intensity workload in the past few days. It is easy to get tired if you relax in recent days

Huo Dongyang took Qiao Wei's hand. "Let's get out of the car."

Joe Dongyang just got out of the car. Good time. It's just six o'clock in the evening.

Qiao Wei took Huo Dongyang's hand and walked forward, and soon saw Qiao Qingdong, Liu Su and Qiao Xin standing at the door to meet the guests.

In this way, in the past, they are a family, and they are outsiders in their own eyes. In fact, I really shouldn't be here today!

"You will have me in the future!" Huo Dongyang said seriously to Qiao Wei. "We are the family."

Huo Dongyang takes Qiao Wei to the door of the hotel.

Qiao Qingdong saw the handsome men and women who suddenly appeared in front of him. He just wanted to talk and recognized Qiao Wei.

"Qiao Wei?"

Just at that moment, Qiao Qingdong didn't recognize Qiao Wei standing in front of him. Now she really becomes very different!

Qiao Xin sees such Qiao Wei, in the heart is even more angry! How could Qiao Wei become more beautiful than himself! Especially standing together with this man, he really matches his face, and he looks like a husband and wife!

"Happy Birthday to you, chairman Qiao!" Huo Dongyang handed the red wine to Qiao Qingdong. "It's a little token of kindness, please accept it!"

Qiao Qingdong looks at Huo Dongyang and frowns. This man dares to come! It's just that today, how do you feel that this person has been seen? But Qiao Qingdong opened his mouth and said, "those who have no money will not take fake goods as fake ones, will they? So people can't be shameless. "

Qiao Wei is even more angry after hearing this. When she just wanted to talk, Yun Yiming just came with Mo Ling.

Cloud Yiyan saw Huo Dongyang and Qiao Wei, slightly stunned. Immediately, he said with a smile, "President William is here. He's really a rarity."
