[Chapter 1041 Make Out](#)

Clare's POV:

The smile on the corners of my lips widened as I looked into Lennon's eyes. I walked towards him and put my arms around his neck. Then, I kissed him and asked, "Do you like red wine poached pears?"

He gave me a bewildered look. "Yes, I do. But how did you know that?"

"Grandpa told me." I smiled. "He called me just now and asked me how I was doing."

"I'm surprised he actually called to check on you," Lennon said. "Does that mean he has accepted you?"

[Chapter 1042 Having Sex](#)

Clare's POV:

I was too shy to say anything. Lennon removed his coat and draped it on me. He told Lacey, "You're a bit early today, but it doesn't matter. We can eat first, and then continue with what we were doing."

Lacey smiled broadly and went to the kitchen with the ingredients.

I dashed back to our bedroom to change while Lennon went to his study to do his work. It was already seven o'clock in the evening when Lacey told us dinner was ready.

I sat facing Lennon, and Lacey smiled as she gazed at us.

[Chapter 1043 Melody's Visit](#)

Clare's POV:

Lennon and I hadn't had sex for a long time. We got so excited that we didn't fall asleep until midnight.

It was already ten o'clock in the morning when I woke up. I saw Lennon's handsome face as soon as I opened my eyes. He was smiling as he asked, "Are you hungry?"

I nodded and immediately buried my head in his neck as I leaned against him.

I felt a little shy, but I really liked his touch. I always wanted his body rubbing against mine whenever he would touch me.

Even though we had sex last night, I still wasn't satisfied.

I slowly put my hand inside his underwear and touched his manhood.

As expected, it immediately went hard as a rock.

[Chapter 1044 Melody's Queries](#)

Clare's POV:

"Clare, is my brother dealing with the person who has had you kidnapped?" Melody curiously asked.

I turned to look at Lennon, unsure if I should tell her the truth or not.

Melody seemed to have sensed my hesitation. Before I could think of an answer, she smiled and assured me, "You don't have to tell me if you don't want to. It's normal for my brother to do such a thing when anyone in our family is hurt. Don't worry about leaving a bad impression on us. It's not your fault, after all."

[Chapter 1045 Kelley Is Leaving](#)

Clare's POV:

Once Lennon ended his call, he said, "Let's continue eating."

He genuinely cared about me. Or he wouldn't have taken revenge for me without hesitation.

I couldn't find the words to say to him, but I felt an overwhelming emotion.

In the end, I just said to Lennon, "Thank you so much. I've never been treated this way before. I'm not saying my parents were bad to me, but they didn't have the means to defend me like this. I'm very happy. This is the first time someone has been punished for hurting me."

[Chapter 1046 See Kelley Off](#)

Clare's POV:

I couldn't help but ask Kelley, "Are you serious about returning to Burlington?"

Kelley, sensing that I didn't believe her, smiled and nodded. "I've talked to my parents, and they all supported my decision. They also stated that my cousin would help introduce me to a new job and that the pay would not be lower than here. I believe it is better for me to stay with my family and have much fewer financial problems."

[Chapter 1047 Reckless Angel](#)

Clare's POV:

A few moments later, we arrived at the restaurant Lennon had mentioned. I knew this place, but I had never been here before.

Well, to begin with, I could not afford to come here.

The ambiance of this place exceeded my expectations. It actually looked better than the pictures I had seen on the Internet. And judging from the decor, dining from this place must cost an arm and a leg.

The waiter led us to the VIP room and handed us the menu.

[Chapter 1048 Talbot's Dissuasion](#)

Clare's POV:

When I went back to the law firm, I was told that Talbot was waiting for me in his office. I had to see him even before I could start my work.

Though I had no idea why he suddenly summoned me, I went to his office anyway.

A smile crept along his lips as Talbot's eyes landed on me. "Come. Have a seat, Clare."

His small gestures showed his unexpected kindness towards me as he stood up to welcome me. Out of generosity, he even got up to make tea for me.

Talbot's considerate behavior seemed exceptionally alien, so I asked, "I am not called here for a cup of tea, I suppose. Don't beat around the bush, Mr. Wagner. Just tell me if you have some difficult work for me."

[Chapter 1049 Lying](#)

Clare's POV:

I didn't want to tell Talbot too much about Lennon. I could tell that he was a total snob and would do anything for money.

He agreed to Marcel's requirements without a single moment's hesitation just so he could cooperate with his company. If he found out who Lennon really was, he might do something unimaginable.

If Talbot found out how powerful my husband was and were to take advantage of that, he might make serious trouble. I couldn't let that happen.

I had a reason to be worried. I knew Talbot well, and he was a total scum.

"My husband isn't a big shot. He's just an ordinary person," I told him. "His father is a teacher and his mother is a housewife. He isn't from a rich family."

[Chapter 1050 Father Is Cheating](#)

Clare's POV:

Lennon was still busy and couldn't accompany me home, but I didn't mind. He and I both valued our careers. If I had been in his shoes, I would have also preferred to work extra hours since it was emergency.

But his thoughtfulness in sending a driver to pick me up made me happy.

I told Julie, who was astonished, "Get in the car. I'll have the driver drop you off first."

Still surprised, Julie questioned, "Can I truly get a ride?"

I nodded.
