[Chapter 1097 A Call From A Strange Woman](#)

Clare's POV:

Knowing that I wasn't really interested in the actress whatsoever, Lennon breathed a sigh of relief. He pulled me in his arms as he said, "She's not as good as you, though. Let's go home."

I was confused by his unusual behavior, but I didn't think much of it. He probably said that because he loved me so much.

When we got home, I went to the bathroom to take a shower. Lennon went to the study to deal with his work.

After I took a shower, I lay on the bed and waited for him. However, I got a little worried when it took him so long to come back, so I got up and went to the study. Just as I opened the door, I saw him sitting at his desk. He looked like he was in a daze.
