

Chapter 181

"I..." Rebecca was overcome with emotion and she could not suppress it. In the end, she decided to stay.

Fiona was right. If Penelope was not here, she would not be kicked out. She could not miss out on the chance to get close to Simon.

Inside the room, the handsome man was lying on the bed. His breathing sounded a little heavy. His clean and handsome brows were slightly furrowed and he did not look very comfortable.

Right now, he had none of the coldness he had when he was awake. However, he looked more charming and more like a forbidden fruit.

Rebecca sat on the side of the bed. She was applying the ointment for him with shaking hands. The naked man in front of her was truly making an impact on her vision. She felt her throat getting tighter and her breathing was also getting heavier. While looking at his handsome face, her heart started to beat furiously.

This man was so excellent and so handsome. It was difficult for any woman to not fall for him.

She wanted to lie down by his side and be his woman.

There was no one else in the room and the door was tightly

shut. Rebecca looked at him and she felt her body getting hotter.

She undid the buttons of her shirt one by one. She then lay down next to the man, feeling both extremely scared and excited.

She boldly pulled his arms open and lay down on his shoulder, burying her face in his chest. She listened to his loud heartbeat and felt a tinge of sweetness in her heart.

She wanted a photograph to commemorate this moment!

Rebecca picked up the phone and purposely struck a pose to take a picture of the two of them. It was an extremely intimate yet bashfully lewd photo.

After taking the photo, her gaze fell on the man's thin lips. She wanted to kiss them.

Her breathing became faster as she inched closer and closer to him.

When she was about to kiss him, the man's deep and piercing eyes flew open suddenly!

With a piercing gaze at her, Rebecca felt her heartstrings pulling tighter. The blood in her body started to flow in the opposite direction. "S-Simon..."

"Get lost!"

Before she could finish her sentence, the man roared

irritably and pushed her to the floor.

Rebecca rolled down the bed unceremoniously. She had not put on her clothes properly so she subconsciously pulled at the shirt on her chest. She looked at the furious man while losing her head out of fear. "Simon, I... I was just taking care of you just now..."

"I asked you to get lost, don't you understand?" Simon had not recovered fully so his breathing was still erratic. However, the powerful aura coming from him was enough to terrify her.

"Simon..."

"Butler!" Simon yelled for someone immediately.

"I'll go, I'll go! Don't yell!" Rebecca stood up immediately and ran to the door in tears.

"I don't want to see you in the office or the Zachary household ever again!" 1

Before she ran out of the door, she heard the man's cold statement.

Her back was against her. She stopped in her tracks for a while before continuing to run. Tears were streaming down her face without stopping.

Oh no, she was completely done for. She had offended him and he despised her now. 1

Rebecca ran outside. She squatted in a place with no one around and burst into tears. She was still feeling extremely aggrieved.

She grabbed the phone in her hands and the screen was showing the photo she took just now. The man's eyes were closed and she was leaning on his shoulder. They were so close to each other and it looked as if he was going to kiss her.
