## In Love with a Wealthy Stunner by Callie Chapter 1

### Chapter 1 One-Night Stand

In the morning.

The sun was shining brightly.

In a room of a five-star hotel, clothes were scattered across the floor.

On the bed laid a naked man. He had a height of 1.8 meters, with chiseled features, perfect muscles, and golden tan.

Harvey Turner woke up with bleary eyes and a hangover. He pressed his forehead and thought, "Did I have a wild night last night?"

Once a soldier king, he wielded so much power that his name alone would send shivers down the spines of the big shots. However, weary of a life filled with battles and constant danger, he retired and assumed the role of an ordinary delivery guy in Riverport.

The previous night.

He visited the Charisma Bar for a drink and ended up rescuing a stunning, intoxicated woman from a group of troublemakers.

Harvey had initially planned to take her home, but the woman, in her intoxicated state, hugged and kissed him. Under the influence of alcohol, they quickly lost control,

succumbing to their passions.

In the end, they had a one-night stand in a hotel room.

However, when Harvey woke up in the morning, the other half of the bed was empty.

"Is she gone?" he thought to himself.

Just then, the bathroom door clicked open.

Melissa Patel walked out in fashionable workwear.

The snug outfit beautifully highlighted her figure, and her ample breasts were perfectly proportioned.

Beneath the black sheath skirt, her long, straight legs were revealed.

An air of aloofness surrounded her. Even without makeup, her fair complexion, rosy lips, and slender eyebrows made her a striking beauty. Her slightly narrowed blue eyes held a hint of moisture.

Although frosty-faced, Melissa carried herself with graceful poise.

But right now, with a pair of sharp scissors in her hands, she was staring at Harvey.

Harvey was taken aback. "Gorgeous, what do you need the scissors for? Didn't we have a great time last night? Let's stay calm! We're both adults. You came for some fun, didn't you? It was consensual. Let's talk it out. Please, put the scissors down. They're dangerous!"

With a poker face, Melissa took a step forward and spoke in a cold tone, "Get out of bed, now!"

"Gorgeous! Please, stay calm! I'm getting out of bed right now!"

After their intimate encounter, Harvey couldn't shake off a sense of guilt, feeling as though he had taken advantage of her.

So, he covered himself with the bedsheet and got out of bed immediately.

Melissa still had a cold look in her eyes.

She quickly and precisely cut the red spot from the sheet with the scissors, then placed it into her Louis Vuitton handbag.

Wait. This was her first time?

Harvey was astonished. She had shown such passion the previous night. He didn't expect her to be a virgin.

Then, Melissa produced a stack of banknotes and spoke in a cold, robotic tone devoid of emotion, "Here are 1,600 dollars. Let's forget about last night."

Surprised, Harvey thought, "What? Does she take me for a gigolo?"

Just as he was about to explain, Melissa turned to leave.

But before she could get far, she realized her legs were weakening. A ringing sound

washed over her.

Melissa frowned when she realized what was happening.

“Da mn! Someone must have spi ked my drink last night!” she thought to herself.

She went to the bar for a reason.

To flatter the Wood family, the Patel family arranged for Melissa to marry Owen Wood, the eldest son of the Wood family.

Owen was notorious in Riverport as a pla yboy. He had toyed with numerous girls.

With the backing of his family, he had the freedom to do as he pleased in Riverport, and no one dared to challenge him.

Melissa understood that the Patel family wouldn’t cancel the marriage arrangement, so she came up with a plan. She resolved to spend the night with a random hunk she met at a bar.

She believed that once Owen discovered she was no longer a virgin, he would cancel the engagement himself. In her mind, this would liberate her from the control of the Patel family.

However, some troublemakers at the bar took advantage of her inattentiveness and spi ked her drink. What transpired afterward was a blur, except for the fact that she ended up sleeping with Harvey.

Melissa was pragmatic. What had occurred was in the past,

and she had no intention of causing a scene.

Perhaps it was destined for her to lose her virginity to Harvey:

Melissa was about to leave the room when someone hammered the door.

“Melissal You sl ut! Open the f u cking door! I’m gonna kill you, you shameless bit ch!”

The man outside was apparently furious.

“Oh boy, gorgeous, who’s that?”

Harvey was bewildered. It appeared that another man had arrived, possibly catching

them in the act.

“He’s my fiancé, Owen Wood!”

Melissa’s brows were tightly knitted. There was a grave look on her face.

“What? Your fiancé? My goodness! Gorgeous, did you set me up? How could you?”

Harvey began complaining.

“I can’t explain right now. Hide in the bathroom! Don’t come out until I give you the signal!”

Melissa wasn’t concerned about Owen discovering her infidelity. However, she was worried about Harvey, who was innocent in all of this. Melissa didn’t want him to get hurt.

Owen was ruthless, and if he laid eyes on Harvey, he might

indeed harm him severely.

Before Harvey could comprehend her actions, Melissa had shoved him into the bathroom.

“No, wait! Gorgeous, what are you doing? Let me talk to your fiancé. Maybe he’ll forgive me...”

Melissa shut the door before Harvey could finish his sentence.

A loud noise emanated from the door.

Infuriated, Owen kicked the door open and stormed in.

He scanned the room and yelled, “Melissa, where’s your lover? Where is he? I’m gonna kill him!”

That morning, he had received information that Melissa had checked into a hotel room with a stranger the previous night.

So, he had rushed over to catch them in the act.

Melissa, with a steely expression, replied, “He’s gone!”

“Gone? You’re my fiancée. How could you betray me like this? Have you considered my feelings?” Owen roared.

His face was contorted with rage.

Melissa remained composed. "Owen, I've already lost my virginity to someone else. You should call off the engagement!"

"Nonsense! Melissa, you traitor! Do you think I'll let you go

because you slept with another man? I know you don't want to marry me, but I'll marry you anyway. Then, I'll have my men make your life a living hell! You'll understand the cost of betraying me!"

Owen's face was twisted with anger. His character was severely distorted.

Just then, a cold voice interjected, "Dude, it's clear she doesn't want to marry you. Why force her?"

Harvey emerged from the bathroom, shirtless.

He had initially intended to explain everything to Owen, but he had a change of heart when Owen threatened to have his men torment Melissa.

Harvey thought, "What a pervert. I slept with your girl! What can you do about it?"

"So, you son of a bitch slept with my girl?"

Owen's heart filled with rage at the thought of being betrayed.

He charged toward Harvey.

With clenched teeth, he delivered a powerful punch to Harvey's face.

"Look out!"

Melissa hurriedly warned Harvey.

"Damn you, bitch! You care about him? Then, I'll beat him

to death right in front of you!"

Owen was even more furious now.

But Harvey wore a sly grin. Owen's punch was centimeters away from landing on his face, yet Harvey remained unfazed and unafraid.

"Dude, your fiancée and I have feelings for each other. You should wish us happiness. Why attack me?" Harvey remarked.

Owen's fury intensified. He swung even harder. "You slept with my fiancée and expect

me to wish you happiness? Screw you! Drop dead!”

“Very well, if that’s how it’s going to be…”

Harvey spread his hands as if reluctantly forced to retaliate.

In an instant, a sharp glint appeared in his eyes. Before Owen’s fist could reach his face, Harvey delivered a swift kick to Owen’s abdomen.

Owen let out a pained scream.

He was sent flying and crashed into the wall with a resounding thud.

The wall nearly crumbled, and the impact seemed to have fractured his bones.

“Alas! Dude, you pushed me to do this. I’m a man of education, and fighting is beneath me!”

Harvey made it sound as though he had been left with no choice but to defend himself.

Owen, on the other hand, began to retch, vomiting the contents of his last meal.

Then, he cursed and threatened, “You bastard, how dare you hit me! The Wood family won’t let you off.”

Harvey’s expression turned stern. “Is that a threat? Never threaten me again, this is my last warning to you.”

Harvey grabbed the decorative cactus pot from the desk and hurled it at Owen’s groin.

“Aaaaaah!”

Owen screamed in agony as the cactus spines embedded themselves into his flesh.

As if that weren’t enough, Harvey stomped on the cactus, grinding his foot several times.

“Ah! Ah! It hurts... It hurts! It hurts!”

Owen’s crutch was now stained with blood as he wailed in excruciating pain.

“Is this guy insane? Does he realize what he’s doing?” Melissa wondered.

She was taken aback by the unfolding events. She hadn’t expected Harvey to fight back, let alone with such brutality.

decided to retreat, or he’d risk further injury.

Through clenched teeth, he cursed, “Y-you bastard, you’ll pay for sleeping with my fiancée. Just wait! This isn’t over!”

Clutching his abdomen, Owen hurriedly made his exit, his face burning with embarrassment.

Melissa's expression grew even darker as she witnessed the extent of Owen's injuries. She wrote a check for 16 thousand dollars and handed it to Harvey. "Take it!"

Huh?

Harvey was perplexed. "Gorgeous, what's this for?"

"You hurt Owen. The Wood family won't let you off! Buy a plane ticket and leave the city! Go as far as you can!"

Melissa's expression was deadly serious as she spoke.
