Chapter 11 She Is My Woman

“What?”

“Why does her face turn cold again? I saved her! Shouldn’t she feel touched?”

Harvey said to himself, confused.

He didn’t think much about it.

Although Harvey didn’t like Melissa being cold and indifferent, she was his legal wife after all.

Since Melissa was harassed, as her husband, how could he just stand by?

Harvey pulled Melissa behind him to protect her. His considerate actions left a better impression on Melissa.

However, it was soon ruined by his following words.

Harvey said in disdain, “You yellow-haired jerk! How dare you tease my woman! Are you courting death?”

Kole asked with a gloomy face, “So, what do you want to do?”

Harvey looked indifferent as he said, “It’s easy. As long as you cripple one of your arms and kneel to apologize to my woman, I’ll let you off.”

His words shocked everyone present.

“Oh my goodness! He... he actually dared to provoke Kole in that way? Is he crazy?”

“Doesn’t he know that Kole works for Garrett? Is he tired of living?”

“A good-for-nothing pretends to be a hero! I think he is just digging his own grave!”

Other people had a heated discussion and scolded Harvey for being conceited and ignorant about the current situation.

Melissa also became anxious, and she stared at Harvey in disbelief upon hearing his words.

She had never thought that Harvey, as a regular courier, would dare to offend Garrett’s men openly.

In an instant, her impression of Harvey was completely ruined.

Kole's face turned red out of rage. "You bastard! Who do you think you are? How dare you ask me to cripple my arm! I'll teach you a lesson on behalf of your fucking father and break your two fucking arms!"

With that...

Kole picked up a wine bottle furiously and swung it toward Harvey's forehead.

Seeing it, Melissa could not help but scream. She reminded hurriedly, "Harvey! Be careful!"

Harvey's lips curled into a meaningful cold smile. He said nonchalantly, "Thank you for your concern. But it is he who should be careful, not me!"

As soon as he finished his words...

Harvey took a sudden step forward and kicked Kole's abdomen with all his might.

"Ouch!"

Kole was instantly sent flying backward, and his back hit a table hard.

Bang!

Even the tempered glass beside the table was broken, and the crack of snow shape covered the entire glass.

"Hiss..."

Other people gasped in astonishment seeing the scene.

They roared inwardly, "Goodness! The guy actually kicked Kole away so far! Is his foot that powerful?"

"But..."

"He kicked Kole recklessly. Did he indeed forget that Garrett was behind Kole?"

"I can't imagine what he has to face next!"

After recovering from shock, everyone sighed and felt pity

for Harvey.

They began to whisper to each other, "He indeed beat Garrett's subordinate up! He is really crazy!"

"In the past, someone only scolded Garrett's subordinate, but Garrett cut the person's tongue in the end. Now, that guy kicked Kole. Garrett might destroy his family!"

"It's rare to see such a bold person now. Anyway, those who provoked Garrett in the past had died for years. I think the guy won't survive today!"

The people around all looked at Harvey strangely as if he was a monster.

Over the years, only Garrett's people could do whatever they wanted, and not a single one had the guts to fight back.

"How ... how could you do that?"

Melissa's face turned ashen in fright. She frowned anxiously, and her eyes were filled with worries.

Originally, she could have gotten out of trouble with money. However, things got worse as Harvey attacked Kole.

Even if Melissa promised to compensate Kole with a large sum of money now, it would be useless. Harvey's move had disgraced not only Kole but also Garrett.

After all, people from the underworld valued their reputation a lot.

"Harvey, you are not helping me! On the contrary, you made things more troublesome!" Melissa complained in her heart, being torn by intense anxiety.

Kole got up from the ground with great difficulty and gnashed his teeth in pain, his eyes burning with rage toward Harvey.

Kole scolded angrily, "You rubbish! How dare you! Mr. Hoover won't let you off!"

Harvey sneered disdainfully. "Only I can flirt with my woman, and no one is allowed to harass her! Even if Garrett is here, I'll do the same thing!"

"What a rash lunatic he is! Doesn't he know the consequence of offending Garrett?" Melissa thought in despair.

She was utterly dumbfounded because of Harvey's reckless remarks. She didn't expect him to be so conceited and unreliable.

In Riverport, no one had the nerve to look down upon Garrett.

Suddenly, a fierce male voice could be heard.

"Who makes trouble here? Does he think I'm a pushover?"

The voice was followed by the sound of footsteps.

Chapter 11 She Is My Woman

Other people were scared and scattered in a hurry to make way.

Then, a man walked out. He seemed to be in his forties, tall and burly, the scar on his

face scary.

“Garrett? Garrett is here! I actually got a chance to see the legendary boss of the underworld in Riverport! He looks so fierce, and his aura so terrifying!”

“Garrett came in person! He won’t show any mercy! That guy is to be toast soon.”

“Ever since Demarcus Kamron announced his retirement, Garrett took over his business. Mr. Kamron thinks highly of Garrett, saying that Garrett is his most capable and outstanding subordinate!”

Garrett had been influential in Riverport for a long time. When facing him, others all felt indescribably frightened.

“Garrett is here? How is that possible?”

Melissa was panicked and paled visibly at the sight of Garrett.

Things were getting worse and worse, and she suddenly felt wronged and distressed.

“Harvey, you have gone too far! Garrett is Mr. Kamron’s man! Although Mr. Kamron no longer shows up in public, his force can never be underestimated!”

Melissa sputtered and blamed Harvey.

“Demarcus is his boss?”

Harvey was a little confused. Back then, he nearly rooted Demarcus’ force out.

He thought that Demarcus would not be able to do evil anymore. Unexpectedly, Demarcus left his business to his men and didn’t restrain them at all!

For Kole, Garrett’s appearance was a beam of light in the darkness and a glimmer of hope before dawn.

He endured his pain and hurried over to welcome Garrett. He begged Garrett for help with an aggrieved face, “Mr. Hoover, you have to seek justice for me. That bastard kicked me. It hurt so much...”

“Kole, don’t worry. Bullying you is despising me. I’ll avenge you!”

Garrett said seriously.

Then, he stared fixedly at Harvey with viciousness in his eyes and asked coldly, “Kid, you should’ve asked around before messing around here. Don’t you know who I am?”
