Chapter 12 Garrett Is Angry

“You’re Garrett? So what...”

Just as Harvey wanted to quarrel, Melissa pulled him.

“Lisa, what do you mean?” Dumbfounded, Harvey asked curiously.

With a serious face, Melissa criticized Harvey, “Shut up. Don’t make things worse. Let me handle it!”

After saying that, Melissa suddenly turned around.

Melissa hurriedly turned around. She said to Garrett apologetically, “Garrett, it was just a misunderstanding. I know you are tolerant. Please don’t take it to heart!”

Garrett was serious too. He asked coldly, “Young lady, my man hurt badly. Do you think it’s just a misunderstanding?”

Melissa knew that Garrett would not let them go, so she had no choice but to compromise, “Garrett, how about this?” Give me a number. We are willing to pay for the medical expenses.”

At this time, Garrett made a gesture to light a cigarette, and his men took out a cigarette wisely and helped light it respectfully.

“Well...”

Garrett took a deep breath, and then slowly spit out the

smoke.

With a cigarette in his mouth, Garrett said greedily, “Young lady, I think you are quite reasonable. Since you are so honest, I will give your man a chance to live! As long as you are willing to pay 160 thousand dollars for medical expenses, I can spare your man’s life!”

“What? 160 thousand dollars?”

Immediately, Melissa exclaimed out of shock.

She had thought that this matter could be settled as long as they compensated for thousands of dollars. But she didn’t expect that Garrett would ask for 160 thousand

dollars. It was simply blackmail.

“Well, why did she exclaim? Anyway, her man beat Garrett’s subordinate.”

“Compensating 160 thousand dollars is not a big deal. Garrett didn’t kill her man. It is a mercy for her!”

“Just a kick is worth 160 thousand dollars! What a cost!”

The onlookers ridiculed Harvey and Melissa, and everyone kicked them when they were down, waiting to see how Garrett would deal with Harvey.

At this time, Melissa frowned, and she was in a quandary.

At present, Melissa’s company was in a crisis, so she couldn’t afford such a huge sum.

Logically speaking, her

marriage with Harvey was just a fake one, so she would leave Harvey alone.

However, Harvey was still her legally recognized husband, and it was impossible for her to let him die.

Therefore, Melissa said to Garrett with a look that she was in a dilemma, “Garrett, the medical expense of 160 thousand dollars is too much. Could you please give us a little smaller number? We really can’t afford so much money.”

At this time, Garrett flicked the cigarette ash and said faintly, “Young lady, I am not so ruthless. Since you have begged me, I will show you some mercy!”

“80 thousand dollars!

“But I also need his hands!

“What? 80 thousand dollars? And Harvey’s hands?”

At that moment, Melissa was instantly in despair.

Let alone the fact that 80 thousand dollars was also a huge sum, the price of cutting off Harvey’s hands was too high. Once Harvey lost his hands, he would be a disabled man.

“Harvey, you were so impulsive! Garrett doesn’t care about the compensation at all! He wants your hands!

At this moment, Melissa could not help blaming Harvey for being too reckless.

At this time, Harvey gave a sneer of disdain at the corners

of his mouth. “You’re Garrett, right? I would let you go if you paid 160 thousand dollars!

But I’ve changed my mind

now!

“I want not only 160 thousand dollars...

“But also your hands!”

As soon as Harvey said that, everyone was shocked.

All the people stared at Harvey as if they saw a monster, and all their faces were filled with shock.

“Oh my goodness! Well... Is this loser insane? How dare he provoke Garrett like that? What’s wrong with his brain?”

“There is not only something wrong with his brain. I doubt that someone had kicked his head. Otherwise, how dare he say such offensive words?”

“Well, it was already troublesome for him to hurt Garrett’s man, but now he still dares to provoke Garrett! Even if a lord comes today, he couldn’t protect Harvey!

All of a sudden, the people present shook their heads one after another, and everyone was scolding Harvey for being arrogant and defiant.

Meanwhile, Melissa wanted to cry due to anger.

Things were in a mess. But Harvey still added fuel to the flames, and he really enjoyed causing trouble.

It was over! She couldn’t help Harvey anymore!

Melissa felt sorry for herself and hated that Harvey didn’t live up to her expectations.

With a furious face, she blamed Harvey, “Harvey, did you lose your mind? Do you know who you are talking to? Apologize to Garrett right now! Hurry!”

At this time, Garrett stretched out his hand and said, “Young lady, I didn’t expect your man to have an iron backbone! I admire him very much!”

Then, Garrett said to Harvey with interest, “Ba stard! What if I didn’t compensate you 160 thousand dollars?”

“If you don’t compensate, you won’t be a leader. And your men will chase after another man!” Harvey smiled coldly and warned Garrett with a meaningful look.

“Oh my! Is this loser a psychopath who runs out of an asylum? Did he know what he was talking about?”

All of a sudden, the way people looked at Harvey became even weirder, and they even wondered if Harvey had a problem.

At this time, Melissa was so scared that her scalp went numb. What she never thought was that Harvey, just an obscure courier, actually dared to challenge Garrett’s status

here.

Garrett? Melissa thought, "Harvey! Why are you so impulsive?"

At this time, Melissa was becoming more and more disappointed with Harvey.

It was a simple trivial matter. They would just need to apologize and pay for it before settling it. But in the end, Harvey made it bigger, so big that it was impossible to mediate.

At that moment, Kole dissed, "You motherfucker. Who the fuck are you? Mr. Kamron chose Garrett to be our leader in person. It's not up to you! Basta rd!"

"Kole! Easy! Let him go on!" At this time, Garrett stretched out his hand to stop him.

Despite his words, the murderous look in his eyes was much stronger than before.

With a gloomy face, Garrett said coldly, "Son of a bitch!" Do you have any last words to say? Just say it! I'm afraid you won't have a chance if you don't say it now!"

Harvey sneered with disdain at the corners of his mouth and said faintly, "Last words?

You're the one that needs to say it! I'm afraid you won't have the chance to say it!"

At that time, Garrett could no longer stand it. As a famous gangster, everyone in the underworld had to show him some respect.

In the end, an obscure loser had the guts to provoke Garrett. If more people knew about it, how could he overawe others? It was so embarrassing.

In a fit of anger, Garrett rolled up his sleeves, then shouted angrily and rushed toward Harvey in a murderous manner.

"Damn! I didn't do anything to you, so you dare to disrespect me, huh? You'll be sorry!"

Then, Garrett waved his fist and threw it at Harvey. He was so ferocious that it scared many people.
