Chapter 13 A Big Shot

“Oh my goodness! Garrett was so strong and handsome! Look at his fist! I heard that he once beat a tiger to death!”

“What? A tiger? Holy sh it! Garrett is a real Mars!”

“It seems that once Garrett kicks Harvey with his fist, it will kill that loser! Garrett can even kill a tiger, so Harvey is definitely not his match!”

All of a sudden, the onlookers were frightened by Garrett’s air. All of them could not help but take several steps back for fear that Garrett would accidentally hurt them.

“Harvey, be careful!”

At this time, Melissa screamed in horror and reminded Harvey.

“It’s fine! So what since he beat a tiger to death? I can beat an elephant to death!”

Harvey grinned. There was no sign of panic on his face.

At that moment, Garrett had already thrown his fist at Harvey. He was about to touch Harvey’s body.

Just then, Harvey gently grabbed forward with one hand and lightly grasped Garrett’s fist.

“What? He... He could actually grab Garrett’s fist with one hand?”

“Holy sh it! Even a tiger couldn’t stand Garrett’s hit, but this man withstood it and grabbed Garrett’s fist?”

“Oh my goodness! Is this man good at martial arts?”

All of a sudden, the people at present were dumbfounded, and no one could believe Harvey was so powerful.

“Impossible! Well... He is just a loser! How... How could he withstand Garrett’s fist?”

At that moment, Kole couldn’t even believe his ears.

Because in his heart, Garrett was invincible!

He didn't expect that someone would be much more powerful than Garrett!

At that time, Melissa couldn't help but cover her mouth.

Da mn! No wonder Harvey looked down at Garrett. It turned out that his martial arts gave him enough confidence!

All of a sudden, the way Melissa looked at Harvey became a little different.

At least, she thinks Harvey is useless without imagining it.

At this time, Harvey yawned and said spiritlessly, "Garrett, didn't you have dinner tonight? Why is your punch as weak as a woman's?"

"You?"

Garrett looked so awkward.

Garrett's punch just now, whether in terms of strength, speed, or timing, was the strongest blow. As a result, his strongest blow was easily caught by Harvey. What made Garrett even more irritating was that Harvey said that his punch was weak.

Garrett thought, "Da mn, I underestimated my enemy!

This man got something!"

Suddenly, Garrett could not help but take H ar vey seriously, and he asked with vigilance, "Son of a bit ch! Who the f uck are you?"

At this time, Harvey grinned and said playfully, "You want to know who I am? Well, it's simple! All you have to do is call Demarcus and ask him if he knows a man named Harvey!"

Hearing Harvey's words, Garrett was suddenly puzzled, and he asked with vigilance, "Do you know Mr. Kamron?"

Harvey said with a wry look, "Well, you can guess it!"

When Garrett saw that Harvey was so calm, he became more and more suspicious.

Out of precaution, Garrett quickly pulled out his cell phone and dialed Demarcus' number.

Soon, Demarcus picked up the call.

Garrett asked respectfully, "Mr. Kamron, I met some trouble, and I want to inquire about someone from you!"

"Who is it?" At this time, Demarcus' h and old voice was on the other end of the phone.

Anxiously, Garrett asked tentatively, "Do you know a man named Harvey?"

"Harvey?"

When Demarcus heard the name, he suddenly shuddered, his eyes filled with panic. It was out of instinct.

After all, this name left him painful memories that could not be erased all his life.

Demarcus seemed to think of something, so he asked solemnly, "Garrett, why did you suddenly mention this name? You didn't offend him, did you?"

Hearing Demarcus say that, Garrett became much more worried.

Garrett asked nervously, "Mr. Kamron... Is this man very powerful?"

At this time, Demarcus' tone was extremely heavy, and he seemed unwilling to recall that painful past. "Do you know why I chose to retire at my peak?"

Garrett continued asking nervously, "Why..."

"I accidentally scolded Harvey, then he directly put down nearly all my men. At my peak, there were thousands of men under my command. After Harvey attacked us, there were only less than ten people left!"

Recalling the terrible past at that time, Demarcus still had lingering fears in his heart and often had nightmares.

Back then, Harvey singled out thousands of people, and Demarcus dared not forget the scene for the rest of his life.

Only Harvey dared to challenge thousands of men alone.

"What?"

—

All of a sudden, Garrett was so scared that he collapsed on the ground. And he was even incontinent. He could not help trembling.

He even smashed his phone to the ground.

Garrett thought, "Did he fight against thousands of men and win? Why was he so powerful? So awesome!"

When Kole saw Garrett fall to the ground, he hurriedly came up and wanted to support Garrett.

But he was pushed away by Garrett, who even kicked him hard. Garrett was so frustrated that he scolded Kole, "Kole! You... Are you blind? Why did you have to provoke Harvey? I almost got killed because of you."

"Garrett, I..."

Then Garrett slapped Kole hard. Kole was in a trance and hadn't reacted to the whole story.

Not only Kole, everyone else present was dumbfounded.

“Wait? What? What was going on? Why did Garrett slap his subordinate?”

Just when people were puzzled, Garrett bent his knees and knelt before Harvey.

“Harvey! Just now... It was my fault. I didn’t recognize you in time. Please show me some mercy! I know you are tolerant. Could you please just let me go?”

Garrett trembled with fear and begged for mercy.

When the passers-by saw such a scene, they were all shocked.

“Holy sh it! Did ... did I see it wrong? Is Garrett getting on his knees and begging for mercy?”

“Oh my! Who is that man? Why... Why is he so awesome?”

“I think he is just an ordinary man, who has no strength at all. But why did Garrett apologize to him?”

At this moment, everyone was stunned, and no one could believe what was happening.

“Wait! Is ... this man a big shot?”

At the same time, it scared the sh it out of Kole, who fell to the ground and shivered.

Although Kole did not know why Garrett was so afraid of Harvey, he knew that he could not afford to offend Harvey.

Tonight!

He had made great trouble!

“What... What’s going on? Did Garrett actually apologize to Harvey?”

Melissa was totally dumbfounded.

In her eyes, Harvey was an ordinary courier. She never thought that even the famous Garrett had to bow to Harvey.

Did Harvey have any secret hiding from her?

At once, the way Melissa looked at Harvey became curious.
