In Love with a Wealthy Stunner by Callie Chapter 14

Chapter 14 He Has Some Advantages

At this moment, Harvey stood tall and proud, reaching into his pocket for a cigarette, only to realize that he had run out of them.

Garrett immediately took out his cigarette and handed it to Harvey with both hands. He said flatteringly, "Mr. Turner, please accept my humble cigarette. Just make do with it!" "Fine!"

Harvey sneered, but he still accepted the cigarette that Garrett handed over.

Garrett served Harvey like a slave and knelt to light a cigarette for Harvey.

Seeing this scene, the people present were dumbfounded instantly.

"Damn! Is he the powerful Garrett? Why... Why did he become an obedient slave to Garrett?"

All of a sudden, people looked at Harvey with awe, fear, and shock. Compared with the previous disdain, mockery, and arrogance, it was simply dramatically different.

"Whoosh!"

Harvey took a deep breath and slowly spit out the smoke. Under the smoke, his face looked particularly cold, as if no one could see through him.

"Garrett! Since you're Demarcus' man, I will spare your life for his sake!

"Now you have two choices. First, pay 160 thousand dollars and give your two hands to me! Second, pay 320 thousand dollars and you can keep your hands!

"It's up to you!"

Harvey said indifferently.

"Harvey, I... I chose the second one! I'll pay 320 thousand dollars and keep my hands!"

Garrett was not a fool. If he lost his money, he could earn it again, but if he lost his hands, he would be useless.

Then he hurriedly took out a check and wrote down the amount of 320 thousand dollars.

Then Garrett forced himself to hand over the check and said fawningly, "Mr. Turner! It's my humble 320 thousand dollars! Please accept it!"

Harvey accepted the check without hesitation, then flicked it with his fingers and grinned, "Garrett, you're really generous!"

"It's my honor! Thanks for your acceptance!" Garrett forced a smile and said, but he was so upset in his heart.

Garrett thought, "It's 320 thousand dollars!"

"I just lost a fortune! Kole! You motherf ucker! I'm going to kill you tonight!"

Garrett had decided to kill Kole to vent his anger.

Harvey didn't keep the check himself, but he handed it to Melissa.

"Lisa, the check is yours!" Harvey chuckled.

"Mine?"

Melissa was a little dumbfounded because, in her eyes, Harvey was an absolute miser. But now he changed his nature and gave her the check.

Melissa thought, "Wait! Didn't he marry me for 160 thousand dollars? Why does he become so generous now?"

Melissa found that she couldn't see Harvey through at all.

Harvey spread his hand and said, "You were bullied by Garrett's subordinate, but not me. So his compensation is naturally yours!"

"What?"

Melissa was quite surprised. She didn't expect Harvey to be so scrupulous in separating public from private interests.

It seemed that Harvey was not good-for-nothing.

Great! He had some advantages.

Melissa praised secretly in her heart.

But the next second, Harvey said to her, "Melissa, the bar is not safe. You'd better go back home now! You don't have to wait for me! I have many girls with me!"

After saying that...

Harvey swaggered away while hugging those beautiful women as if Melissa were air.

"I thought he was a good man... Fine! Ba stard!"

Melissa's eyes flashed with a trace of displeasure, and just now she seldom had a fancy for Harvey. As a result, those good feelings suddenly disappeared.

After midnight, Harvey came home from drinking. He didn't go to the hotel to get a room like everyone else did.

Harvey was a womanizer and liked to be accompanied by pretty women. But he was

loyal.

He hooked up with women just to entertain himself, and he never took it seriously.

When he got home, he found that Melissa had not gone to bed, only to see her sitting alone in the living room watching the movie.

“Melissa, are you up so late? Are you worried that I won’t come home at night? Jealous of those women? Hey!” Harvey could not help flirting and said.

But Melissa looked aloof and replied coldly, “Don’t be

affectionate. I’m afraid you’ll come back sick!”

Harvey thought, “Even if I’m sick, I won’t infect you.”

Harvey was angry when he saw that Melissa was cold.

So he spoke angrily, “I don’t know if they are sick. I had sex with them many times.

What’s wrong? Is there a problem?”

“Disgusting! Leave me alone!”

Melissa had had a little fantasy about Harvey, but to her disappointment, Harvey had sex with those women.

“Fine! Do you think I want to be with you?”

Harvey was annoyed. Because he liked those passionate and intense women. A cold beauty like Melissa was not his type.

Why did he marry Melissa back then?

Harvey now felt that he was too impulsive.

Men were easy to be impulsive!

Then, Harvey intended to go back to his room, but just then, Melissa suddenly stopped him, “Wait!”

Harvey stopped, turned his head, and said, “Melissa, are you done? What the hell do you want?”

Seeing Harvey’s extremely impatient look, Melissa frowned and was quite dissatisfied.

“How long have we just got married? You dislike me so soon? You men are all fickle in affection!”

Melissa couldn’t help but mock in her heart.

She asked coldly, “Why was Garrett so afraid of you when we were in the bar? Do you know Demarcus? If so, then you should be careful of Demarcus! These people are

heinous villains. If you get too close to them, you will go bad!”

Harvey had been free. Now Melissa even minded his business, so he was annoyed. So he contradicted impolitely, “Melissa! I don’t mind when you interfere in my private life. But you still interfere in my interpersonal relationships? Our marriage is just a fake one! Mind your own business!”

After saying that...

Harvey went straight back to his room.

“You?”

Melissa was irritated when she saw that Harvey was so arrogant.

She frowned and said coldly, “Harvey! Those who keep company with the wolf will learn to howl. If you get too close to those villains, you will get yourself involved sooner or later! Don’t blame me for not reminding you. I gave you a reminder, but you just won’t listen!”

After the quarrel last night, Harvey and Melissa seemed to be having a cold war. Living under the same roof, when they got up in the morning, they met without saying hello.

Those who got married were so intimate. But as for Harvey and Melissa, they started a cold war as soon as they got married. Maybe no couples would be like that.

In the afternoon, Harvey was on duty at the company, but just then someone called him. The caller was none other than Demarcus.
