In Love with a Wealthy Stunner by Callie Chapter 15

Chapter 15 Demarcus' Invitation

Harvey grinned and joked playfully, "Mr. Kamron, how are you these days? I didn't expect to receive your call. It must be my lucky day today!"

Demarcus smiled awkwardly, "Harvey, don't make fun of me! I called to apologize today."

"Apologize? What are you apologizing for?" Harvey playfully smiled, asking while knowing the answer.

Demarcus then said with an apologetic look on his face, "Harvey, Garrett offended you last night, didn't he? I've already taught him a good lesson. Harvey, I've been bearing in my mind that you spared my life back then. I didn't expect Garrett to dare to mess up with you. It is my fault. So, I'd treat you to dinner tonight to apologize for last night. What do you think?"

Harvey thought, "As the saying goes, be lenient where it is possible.

Since Demarcus has made an invitation, I'd better accept it. Otherwise, it will make me seem a little petty!"

So, Harvey nodded and said, "OK!"

"It's a deal! Seven o'clock tonight in the VIP Room of Polaris Restaurant! I will be waiting for you, Harvey." Demarcus said with excitement. Because Demarcus thought Harvey must have accepted his apology.

32.40

Harvey smiled and said nothing else.

At the same time, something else was happening on the other side.

Melissa was busy working in the office.

Although Melissa got the contract with Trevor, alleviating the urgent need, the company was still under difficult circumstances.

Melissa thought, "The company needs bigger contracts to solve its problems."

At this time, Melissa was thinking about how to get more contracts for the company.

But just then, Melissa's cell phone rang.

It was Alan Dolly, the CEO of the Dolly Group.

Melissa had talked business with Alan before, but the two sides had different ideas and didn't reach an agreement.

Melissa was somewhat surprised to receive a call from Alan. She thought, "Is it possible that Mr. Dolly has accepted the terms I made last time?"

So, Melissa answered the phone with a look of anticipation. She smiled and said, "Hello, Mr. Dolly!"

At this time, a middle-aged man's voice came from the other side of the phone. "Ms. Patel, we didn't reach an agreement last time, right? I have been thinking about it for a long time, and I think we can set up a proper time to talk about the contract again!"

"No problem!" Melissa said with surprise.

Then Alan said, "Then let's meet at Polaris Restaurant at 7:00 tonight!"

"OK. See you then!" Melissa hurriedly agreed.

"See you!"

With that, Alan hung up the phone.

Then Melissa also hung up the phone with a smile and said, "That's great! As the old saying goes, there is always a way out. I didn't expect Mr. Dolly to take the initiative to contact me first! It seems the contract is in the bag this time!"

Little did Melissa know it was all just a trap.

As the saying went, there were no free lunches in life,

Alan's sudden offer to negotiate the contract was actually directed by someone else.

On the other side, after Alan finished the phone call, he said respectfully to a man with a sissy outlook, "Mr. Wood, I have done as you asked!"

"Good job! Then I'm waiting for your good news tonight!"

The young man with a sissy face sneered slyly.

This man was actually Melissa's fiancé, Owen Wood.

Owen sneered slyly and said, "Melissa, you bitch! Do you think that everything is fine after signing the contract with Mr. Welch? Just wait and see. I'm gonna teach you a good lesson tonight!" Owen laughed viciously.

In the evening.

Harvey took a taxi to Polaris Restaurant.

At this time, there was a row of people standing at the entrance of the restaurant, and

the man in the lead was a silver-haired old man wearing an old-fashioned suit, who looked kind and amiable.

However, this man was Demarcus Kamron, a super tycoon who was known in the whole southern part of the country at that time.

And beside Demarcus stood a man with a scar on his face. This man was heavysset, giving others an invisible sense of oppression.

And that man was Garrett Hoover, the boss of the gang in Riverport.

Demarcus was the former king of the gang in Riverport.

And Garrett was the current boss of the gang in Riverport.

Either one of them was a big shot. However, now they were standing at the door together as if they were receiving some honored guests.

Passers-by could not help but stop their steps, wondering who Demarcus and Garrett were waiting for.

Moments later, an ordinary taxi appeared at the door.

Not long after, a man in a security guard uniform stepped out of the car.

When Demarcus and Garrett saw the man, they immediately walked forward to greet him in unison and bowed to him respectfully.

“Good evening, Harvey!”

And the other men saw what Demarcus did and immediately followed, greeting Harvey respectfully.

“Good evening, Harvey!”

Dozens of people on the scene said hello to Harvey in unison.

This scene was quite shocking, which directly shocked the people around.

“Blimey! Isn’t... Isn’t this guy just a security guard? Why would Demarcus greet him with such respect?”

“G od! Demarcus and Garrett are both big shots in Riverport and why are they so respectful to a simple security guard? Who the hell is this security guard?”

“It seems we really can’t judge someone by his appearance. I just thought the security guard was an unimpressive and useless man. But it turns out he is someone so awesome!”

There was an uproar in the crowd.

Suddenly, the onlookers could not help but be curious, and everyone looked at Harvey with an extremely awe look.

“Mr. Kamron, how are things doing these days?” Harvey asked playfully.

The once all-powerful Demarcus now did everything with great care in the face of Harvey. “Thank you for your concern, Harvey. Everything is fine!”

“Mr. Kamron, you should teach your men how to behave when you are free!”

At this time, Harvey glanced at Garrett, and it was clear what Harvey meant.

Hearing that, Garrett panicked.

Garrett’s face suddenly turned pale and he kept apologizing to Harvey, “Harvey, it was all my fault. I am so sorry.”

At this time, Demarcus smiled awkwardly and said, “Harvey, what you said is right! I am deeply sorry for what happened last night, so I brought Garrett here to apologize to you!”

“All right. Forget about it.”

Harvey didn’t intend to make things difficult for Demarcus and Garrett. After all, Demarcus had hundreds of henchmen, and he couldn’t keep an eye on all of them.

“Harvey, I promise it will never happen again!”

Demarcus patted his chest and swore solemnly.

Hearing that, Harvey didn’t say anything else.

Demarcus and others welcomed Harvey into the restaurant with respect.

However, as soon as Harvey left, Melissa came.

Tonight Melissa had an appointment with Alan. Once they reached an agreement and signed the contract, things with Melissa’s company would go better.

Soon Melissa was led into a private room by a waiter.

In the private room sat a middle-aged bald man, looked cheesy.

who

That was Alan, who was gonna talk business with Melissa tonight.
